Appeal Filed On Highlands Wet - Dry Vote

AS WE SEE IT

By Art Kinney

Well it finally happened . . . an unguarded railroad crossing on the Main Street of our city has put 4 youths in the hospital, and one may not recover . . . On Sunday night of this week a coupe carrying four young people out for an evening ride, drove into the path of the Atlantic Coast Line train, and by some miracle escaped with their lives . . . This is a damnedable situation to allow a railroad to cross our Main Street and let them get by for years without installing gates or a warning signal and lights, and it is surprising that there has not been more accidents at this particular crossing . . . there are several other bad railroad crossings within the city limits that the railroad company should install warning lights at. At the City Council meeting held Monday night, the writer was informed that the Mayor and City officials had immediately, Monday morning written the proper officials of the Atlantic Coast Line requesting that proper warning signals be installed at this dangerous crossing, and it is hoped that the railroad will act at once.

• • •

According to a report prepared by the Research Division of the Florida State Chamber of Commerce Highlands County farmers received a total net income of $6,-136,000.

• • •

Remember way back when it was possible to know the price of a new car by reading the ads?

• • •

We call your attention to the publication on page four of the estimated budget for Highlands County for the coming year. Clerk of the Circuit Court Piety and the county commissioners were of the opinion that this should be published in the Sun so Avon Park taxpayers would have a chance to read it.

• • •

There is an organized effort being made to kill the recently passed ordinance placing a tax on all utilities within the City limits . . . Several petitions are being passed around to obtain the required number of signatures of registered voters and if the proper number of signers are secured it is claimed by those interested that it will bring about the repeal of the ordinance, or force it to a vote of the people.

• • •

Unless the State Supreme Court rules otherwise, absentee voters may vote on the wet and dry issue in Highlands county, starting July 29th (Thursday) and ending Monday afternoon, August 9th.

• • •

If, and when you do get a chance to vote on the wet and dry question in Highlands County, your attention is called to the ballot where the voter will mark his or her ballot on two questions: Question No. 1: For selling intoxicating liquors, wines or beer . . . Against selling intoxicating liquors, wines or beer. Question No. 2: For sale by the package and drink. For sale by the package only. If you vote dry, that is all that is necessary, but if you vote wet, you must vote also on question No. 2, or your ballot will not be counted . . . This column is not interested in whether you vote wet or dry, but believes that every voter should get out and vote on this momentous question . . . and, if you do vote in favor of legalized selling of intoxicating liquor, that you vote for sale by the package only, in place of throwing it wide open to every "jook" joint in the county.

YOUNG ATTORNEY LOCATES AT SEBRING

H. A. (Lighthorse Harry) Lee of Gainesville, is opening a law office in the Hainz Building at Sebring. Lee is well known to the office of State Comptroller, and succeeded in polling a sizeable vote. A veteran of two years service in the Field Artillery, Lee was discharged as a first lieutenant and is a member of the American Legion.

The Lee's have two children and are at present living at 206 Sixth stret, Sebring.

July 23	94	75	
July 24	89	72	1.41
July 25	88	73	.03
July 26	91	72	.25
July 27	91	73	
July 28	88	73	.17

4 Youths Injured In Train-Car Crash

A deplorable accident happened here Sunday evening when an Atlantic Coast Line train headed north crashed into a coupe containing 4 youth. The occupants of the car, two young ladies and two young men were badly injured and the car was a total wreck. The accident happened on the unprotected crossing on Main street just south of the A. C. station.

In Walker Memorial Hospital, the youths were identified as Miss Bobby Finney, Miss Barbara Turner and Malcolm Sayre of Wauchula and Calvin Hill, Bartow, driver of the car. Miss Finney was the most seriously injured of the quartette and at this writing is still in a serious condition. One of the youths was transferred to his home on Tuesday and the understanding is that the other three are still in the Hospital.

The occupants of the car were driving south on Main street and the train on the Clewiston-Haines City branch had slowed to stop at the station, a short distance beyond the crossing. State Highway Patrolman, John Hicks said the car was dragged 144 feet by the impact. This crossing has neither gates or warning lights.

Two Party System Would Benefit State

Speaking before the Tampa Junior Chamber of Commerce last week, outstanding spokesmen for the state's Democratic and Republican parties concurred in the thought that a strong and active two-party system in Florida would be a fine thing for the state and make for greater progress and prosperity.

The speakers were former Governor Doyle E. Carlton and a delegate to the Democratic National Convention, and Alexander Akerman, Jr., Orlando attorney and leader among Republicans in the state.

Urging reforms in political convention procedure and party policy and principle, Carlton declared that a bi-partisan state would bring better qualified men before the public.

Akerman maintained that as long as newspapers are able to print the phrase "Democratic nomination is equivalent to election," Florida will never reach its potential political strength.

Evidence that the public is gradually awakening to this fact is shown in the strong race for congress run at the last election by M. J. Moss, of Orlando, who carried Orange county against Joe Hendricks but lost out in the overall district vote.

Well Known Resident Passes Away

Rufus Marvin Kelsey, 72, well known resident of Avon Park, passed away at his home Monday, July 26, of a heart attack.

Mr. Kelsey was born September 9, 1875, in Lynville, Tenn. He had been a resident of Avon Park since 1932.

Funeral services were held at the Church of Christ, Wednesday morning at 10 o'clock, conducted by Rev. James Jordon, of Tampa.

The body was shipped to Mount Pleasant, Tenn., where interment will be made.

He is survived by his widow and two daughters, Mrs. Pauline Carroll of Cleveland, Ohio and Mrs. Rena Hill of Jacksonville.

Winter Guest Dies In Tampa

Orville C. Cone, guest of Avon Park last winter, passed away in Tampa Municipal hospital, Wednesday, July 21, at 2 p. m. of a heart attack. Mr. Cone had been failing in health for three weeks but did not enter the hospital until Sunday.

The remains were sent to Atlanta, Ga., Wednesday night, for interment.

He is survived by three sons, Ralph, Jack and Donald of Atlanta.

Mr. Cone was employed by the U. S. Government, and was in active service until three weeks before his death.

John H. Hood has been a patient in Walker Memorial Hospital for the past week. His many friends hope him a speedy recovery.

Long Range Forestry-Land Program Plan

The Atlantic Land and Improvement Company (subsidiary of the Atlantic Coast Line Railroad Company) announced today the introduction of a long-range forestry and land development program on its extensive holdings in Hendry, Collier, Lee and Polk Counties, Florida.

Work is being carried on under the direct supervision of J. R. Spratt, manager, forest and land development for the company, with offices at LaBelle, Fla., while the complete program is under the direction of Paul W. Wright, Coast Line industrial forester, Wilmington, N. C., who has spent two years making extensive studies and plans for the project.

Part of the vast 235,000 acreage will be developed to grow trees, and the remainder will be used for grazing and farming purposes.

The Hendry County tract, which contains the largest area—some 100,000 acres—of solidly blocked lands, is to receive initial treatment in the project. Forest areas, prairies, ponds, sloughs and marshes make up the tract. The timber in the area is being placed under scientific management and forest fire protection in cooperation with the Florida Forest Service. Defective and diseased trees and trees damaged by the 1947 hurricane and past woods fires are being removed. Upon completion of this operation, the mature and over-mature timber will be harvested, leaving sufficient seed trees to replant with young slash pine. Areas now bare of seed trees, or areas where natural pine reproduction is not satisfactorily obtained, will be planted to pine by tree-planting crews and tree-planting machines.

This fall, two 100-foot steel lookout towers will be constructed, several miles of telephone lines built and shortwave equipment installed. Commencing this winter, 100,000 slash pine seedlings will be planted and it is expected that the intensity of artificial reforestation will be increased to approximately 1,000,-000 trees a year within a few years. Reforestation will also be obtained on some parts of the land by natural means, since seed trees are being left to disseminate seed over cut-over lands.

In order to rid the area of excess water, drainage canals are being planned. Drainage will make usable large areas of slough and march lands which are now wasted. These lands can be developed into pastures and productive farming lands when adequate drainage facilities become available.

Similar improvements on the other tracts of the land company and on nearby lands owned by the Coast Line are on the agenda.

Biggest Fishing Year In States History

The 1947-48 season was the biggest fishing year in Florida's history, the State Game and Fresh Water Fish Commission said today.

Commission Director Ben C. Morgan reported that 220,500 persons bought fishing licenses during the fiscal year to shatter all previous records. Sales exceeded the 1946-47 figure by more than 53,000, he said.

He estimated there were "at least" a half-million additional fresh water fishermen who were not required to buy licenses.

Morgan's report also showed that Florida entertained more out-of-state anglers last year than ever before. Non-resident license sales numbered 61,000—nearly 16,000 over the previous all-time high.

It was the commission's biggest year, too. Morgan reported that total receipts reached a record $1,-024,000. Approximately $456,000 of the total came from fishing licenses; $404,000 from hunting permits and the remainder from miscellaneous fees. Morgan said it was the first time in the state's history receipts from fishing had exceeded those from hunting.

B & B. Avon Park's largest and Finest Super Market.

Mr. and Mrs. George Mostris left Friday for New York, where Mrs. Mostris will take the boat, "New Greece," for Athens, Greece, July 31.

Mr. and Mrs. W. T. Mabry and children, Barbara and Martha of Miami spent the week-end as the guests of Mr. and Mrs. Milford Dilley.

Avon Park Sun Receives World Wide Distribution

The July issue of The Avon Park Sun which carried a pictorial supplement and story of Avon Park written by Dr. R. H. Jordan, President of the Chamber of Commerce, has received wide distribution not only from the fact that this supplement appeared in nineteen Florida weeklies, but also because of the wide distribution given the paper by the local Chamber of Commerce. The Chamber secured 1,000 copies and mailed them to people in all of the forty-eight states and twelve foreign countries who have within the past sixty days made inquiry regarding Florida through the State Advertising Commission. Foreign countries receiving one or more copies of last week's issue include England, Eire, Canada, Japan, Ethiopia, Iraq, Brazil, Argentina, Puerto Rico, Hawaii, Philippines and Russia.

EDITOR'S MAIL BAG

Avon Park Sun
Gentlemen:

This is a word of thanks to the Walker Memorial Hospital and staff, also to Dr. Hubert W. Coleman, for their kindness to me during my recent illness in Walker Memorial Hospital. Further, I wish to thank the nurses on the staff, who are so kind to everyone, and the wonderful Dr. Larsen.

I cannot say enough for this fine new hospital which we have been needing in this vicinity for so many years. Anyone needing hospital care should give Walker Memorial a thought before going anywhere else, as it is such a wonderful place.

I am recuperating nicely from the operation performed at the Walker Memorial Hospital by Dr. Hubert W. Coleman and Dr. C. J. Larsen.

(Signed) Mrs. Bertha Lee
and family.

July 28, 1948

To The Editor of the
Avon Park Sun:

I have listened to many complimentary remarks about the Walker Memorial Sanitarium and Hospital and now will ask you to listen while I talk a little.

The first thought that normally comes to one's mind is: are the doctors and nurses competent and conscientious? The answer is very much in the affirmative. These ladies and gentlemen, in white, possess the utmost concern for each patient entering the luxuriously furnished "House of Mercy." They seek to ease the pains of huminity with a smiling soothing touch that any sick person can and does appreciate.

The untiring efforts of friendliness are very contagious, as I found myself inquiring about the condition of people I barely knew, on my visits to see my wife. The atmosphere and environment of a resort hotel are prevalent everywhere. One has the confident feeling that all is well in the place, that it must be a vacation of rest from the everyday monotony of work and worry.

And so to you who inhabit at these walls of healing, I extend this verbal "bouquet of orchids" for the treatment accorded my wife while in your competent hands. May the Great Physician always be as near as the sound of your ministering footsteps along the corridors of this life.

R. C. Dean

Editor
The Highland Sun
Avon Park, Florida.
Dear Sir:

This is just a short note to thank you and your paper for the help you have been in making the current season one of the most successful summers that Lee County has ever had.

Your publication was one of several southwest Florida papers which we used this summer in an advertising campaign devoted almost entirely to inviting residents of neighboring counties to spend their vacation with us.

That this was a wise decision was demonstrated by the fact that many of your people spent time with us this summer. They came to play and swim at Fort Myers Beach and had the opportunity to see a few more reasons why this section of Florida is destined to keep on growing.

While we were naturally gratified that our summer season was successful, we are even more pleased that it was made so by our own neighbors in Southwest Florida.

Yours very sincerely,
A. J. Dwyer,
Secretary-Manager

Its B & B for Courteous and Honest Service.

Boat Club Plans Labor Day Regetta

At a meeting of the Lotela Boat Club in the club rooms, it was formaly voted upon to hold a "Fishermen's Regetta" on Labor day over the Club's Course on Lake Lotela.

State wide invitations are being mailed to all boat clubs in Florida and plans are being made to make this an annual event.

As a "Fishermen's Regetta" all races will be run with stock motors and boats with the feature race of the day being a ten horse arrair with participants being those who have survived the preliminary runoffs. The idea is not to bring in big name racers but to create an interest in motorboat racing among the average boat owners of the boating fraternity. However, owners of high powered boats will be welcome and match races will be arranged if a sufficient number of entries are received.

No cash prizes will be at stake but there will be prizes or trophies awarded on all races.

The following committee has been appointed by the Commodore to arrange for the program: Lennie Rush, Chas. Gay Jr., Henry Crutchfield, Speedy Miller and Joe Wilson.

It was agreed to have a number of open house affairs with picnics, dances, etc., with the first one scheduled to be held at the next regular club meeting night on Monday, August 2nd., when wives, sweethearts and friends of members will attend.

Monday, August 2nd. will mark the last day that anyone can join as Charter Member. After that date any new member will have to pay an initiation fee. One does not have to be a boat owner to become a member.

Highlands Schools Will Open On Sept. 7

All Highlands County schools will open Sept. 7 and continue through June 10, according to the 1948-49 calendar announced by County School Supt. Fred Wild.

A county-wide workshop for white teachers will be held at Avon Park, Aug. 16-Sept. 3 Sept. 4 will be devoted to local school planning.

Holidays for the youngsters follow: Armistice Day, Nov. 11; Thanksgiving, Nov. 25-26; Christmas-New Year's, Dec. 18-Jan. 2; Good Friday, April 15.

In addition, the children will be given a half-holiday in February to attend the annual county fair; a day in April while the teachers attend the Florida Education Association convention; and a day in May for a field play day.

Teachers' pay will be based on 215 working days, 180½ of which must be actual classroom teaching days, under state-wide policy.

TO CO-OPERATE WITH RANCHERS

The State Game and Fresh Water Fish Commission this week offered southwest Florida cattlemen the support of its enforcement agents in stamping out cattle-rustling and fence-cutting if they will in turn open their lands to public hunting.

In a letter to all ranchers in the First District, Cheif Wildlife Officer J. E. Albritton of Arcadia, pledged his officers to "cooperate fully" with landowners and sheriffs in apprehending fence-cutters and rustlers.

Dr. G. L. Beaumont Speaks On Cancer

Dr. G. L. Beaumont, County Health Doctor of Highlands County was the speaker on the dectection of cancer at the Highlands County Farm Bureau regular monthly meeting, Monday night, July 26. Dr. Beaumont was introduced by Mr. F. C. Payne, President of the Farm Bureau, who stated it is of extreme importance that people learn more about cancer and its symptoms.

The County Doctor stated that during the years from 1942 to 1946 heart disease was the number one killer and cancer was rated as the second. Many people die of cancer for the simple reason that it is not discovered until it is too late to be corrected. Medical science has not yet found the cause of cancer, but they do know the symptoms. They are as follows:

1. Any sore that does not heal.
2. A lump or thickening, in the breast or elsewhere.
3. Unusual bleeding or discharge.
4. Any change in a wart or mole.
5. Persistent indigestion or difficulty in swallowing.
6. Persistent hoarseness or cough.
7. Any change in normal bowel habits.

If these symptoms are discovered in the early stages, they can be cured by either surgery, ex-ray or radium. The doctor explained that a physical check-up every six months by your family doctor, would help catch these symptoms.

Two films were shown, "Traitor Within" and "New Lease on Life" illustration the importance of a check-up every six months. If people would do this as they should, it would greatly reduce the death rate due to cancer.

SATURDAY LAST DAY TO REINSTATE VETS INSURANCE

Plans are complete for all Veterans Administration Offices in Florida to remain open Saturday, July 31, 1948, to help veterans reinstate lapsed National Service Life Insurance, Regional Manager Dickensheets announced today.

Saturday is the last day on which veterans have the privilege of reinstating lapsed term insurance merely by certifying that their health is as good as it was when policies lapsed. They need pay only two monthly premiums, to reinstate in amounts from $1,-000 to $10,000.

After the Saturday deadline, Dickensheets said, any veteran whose term policy has been lapsed for three months or more must pass a physical examination to qualify for reinstatement.

VA Offices in the Pass-A-Grille region will be open Saturday from 8:00 A. M. to 4:30 P. M. in order to afford veterans every opportunity to reinstate.

Watch That Sun

Sunshine is one of the chief assets of the state of Florida. Most persons who live or visit here acquire a coat of tan to some degree, depending upon how much time they desire to spend outdoors, or are required to do so by the nature of their work.

Sunlight is healthful but it can also be definitely harmful by prolonged exposures to direct rays of the sun, particularly while acquiring that coat of tan. Sunlight contains about 15 percent visible rays, 78 percent heat and 7 percent ultraviolet rays.

Physicians warn against trying to develop a coat of tan too quickly. Sunburn is just what it says. It is as much a burn as that received from any other source, and the results may be equally serious. Too much sun, ever for those used to it, may result in chills, fever, headache or delirium.

Get your suntan gradually. The first periods in the sun should be no longer than 15 minutes, unless it is early morning or late afternoon. Each day the periods of exposure can be increased until an effective coat of tan has been produced. You may be the type who burns easily. Blonds are normally more affected than branets. Because their skin is more tender, children of any complexion are more likely to get sunburned than adults.

Calamine lotion is soothing for sunburn and does not stain clothing. Olive oil and cocoa butter also may provide some relief. Remember that you are dealing with a burn. Have respect for the possible complications and if it is at all severe, or if it produces a fever, a doctor should be consulted.

Dry Forces Hope To Halt Election Until Winter

Dry Highlands County's liquor election scheduled for Aug. 13 was headed today for the supreme court, where the dry forces hope to get an order staying the election until next Winter.

Members of the Highlands County Ministerial Association and the County Dry League have stated publicly from time to time that they have no objection to the election, provided it is held when residents now on vacation return.

Notice of appeal from Circuit Judge Register's final order and decree of July 21, when he refused to enjoin the election, was filed in the court clerk's office Tuesday.

Attorneys W. W. Whitehurst, of Wauchula, and F. T. Haskins, of Sebring, counsel for The Rev. E. H. Puryear, of Avon Park, and O. J. Marsh, of Sebring, who were denied a temporary injunction, are basing their appeal on four allegations of error in the judge's ruling.

The dry forces fought unsuccessfully to have the names of 197 signers of the original referendum petition stricken at their request. Had the names been stricken, the remaining number would have been below the legal requirements.

The plaintiffs contend the judge erred in finding that:

1. Either fraud or deceit in obtaining the 197 signatures was [illegible] to entitle them to withdraw their names.

2. In the absence of fraud or deceit practiced upon the [illegible] [illegible] no other cause [illegible] their names is made or [illegible] the bill [illegible].

3. The allegations with regard to the legal right of the 197 persons to withdraw their names [illegible] not be counted are insufficient as a basis for invalidating or [illegible] ing the order [illegible] of the county commissioners.

The fourth assignment of error alleges that the court erred in sustaining the county commission's motion to dismiss the bill of complaint.

After an all-day hearing last week, Judge Register, in refusing to enjoin the election, commented that the main question—whether the county should go wet or dry—would be determined at the polls "which is the democratic way."

B. H. Griffin, Jr., Buys Maxcy Packing House

Ben Hill Griffin, Jr., has recently acquired the Guignard Maxcy citrus packing house on Michigan Avenue.

Monday he began making repairs and enlarging the machinery, in order to be in position to ship greater quantities of fruit next season. He plans to have the packing house in readiness by September 1.

P. W. Jamison, citrus grower from Lake Wales will be manager of the newly acquired business.

According to Mr. Jamison, the offices of Griffin Citrus Services, which are now located in Frostproof will be moved to Avon Park.

Mr. Griffin is a citrus grower, has a large citrus grove service in Frostproof and is also a cattleman.

This Is National Farm Safety Week

President Truman has designated the week starting July 25th as National Farm Safety Week. A. S. Gaas, Master of the Grange, Allen B. Cline, president of the Farm Bureau and James G. Patton president of the Farmer's Union endorsed this program and are pushing it among their memberships.

Why all the excitement over farm safety? Farming has become the most hazardous occupation in our nation today. Around 18,000 farm residents lose their lives by accidents each year. There are around [illegible] injuries in the same length of time. The increased mechanization of farm operations plus the increased speed at which they operate are responsible for a great portion of the increased injury and death rate. Also, farmers have not been as prompt to devise and install safe guards to prevent accidents as industry and farmers are more prone to go ahead and operate machinery in unsafe mechanical condition than is industry.

Let's all take a day this week to eliminate farm accidents this coming year by repairing everything about the farm that can possibly cause an accident. Also, let's adopt the motto, "Safety First, Don't Take a Chance."

Mrs. C. K. Murphy's Father Passes Away

Word was received by Mrs. C. K. Murphy, Friday of the death of her father, Mr. A. B. Saunders, of McComb, Miss., who passed away Friday, July 23.

Mr. Saunders had been ill for the past four months.

He was buried Saturday, July 24, at McComb, Miss.

Survivors include his widow and two daughters, one at Greenwood, South Carolina, and Mrs. C. K. Murphy of this city.

BANKERS ASS'N. ENDORSES MUTUAL

The Executive Council of the Florida Bankers Association has approved a report by the association's citrus committee which suggested that "loans on low-grade juice are hazardous and a disservice to the citrus industry and to the entire economy of the State of Florida."

The report of the committee favored the new Florida Citrus Mutual and urged growers to consider its contracts; recommended higher standards for the interior of fresh fruit; and that a volume pro-rate be adopted by the growers and shippers of interior Florida.

McDILL SOLDIER BREAKS LEG

Sgt. Thomas H. Booker, of McDill Field, Tampa, on P. D. Y. service at Avon Park Bombing Range, fell from a pole while repairing a telephone line, Thursday morning at 9 o'clock.

He was carried to Coleman's Hospital, where examinations revealed a compound fracture of the right leg.

He has been moved, by ambulance to McDill Field Hospital in Tampa.

Sgt. Booker came to McDill Field from Selfridge Field, Mich.

Come in and shop in complete one-stop Super Market—B & B.

25-Year-Olds First To Be Drafted

Selective Service Director Lewis B. Hershey said Tuesday [illegible] will be drafted by age groups, with men 25 down through 19 taken first in the initial six months of the program.

It was indicated clearly that although men of this age bracket would be drafted first, the bulk of draftees would come eventually from the 19 through 21 age groups.

Hershay said approximately 5,-000,000 men 22 through 25 would be processed during the first six months, but only about 79,000 actually would be subject to the peacetime service of 21 months.

And he said he believes that no more than 8,000 would come from the 25-year-old group, first to be drafted.

The Army expects to take around 225,000 men in the first year. Later the total will be up around 900,000.

RESIDENT FISHING LICENSE COSTS $2.00

If you pay more than two dollars for your new resident fishing license you're getting gypped.

The State Game and Fish Commission said today no license dealer has a right to charge more than the fee set by the legislature. The agency said it had received complaints that "several" sub-dealers were overcharging license buyers.

"Under the law," said the Commission in a statement, "a resident fishing license should cost $1.75 plus a twenty-five cents county judges' fee—and no more. There is no legal provision for any additional fees for sub-dealers."

In many sections county judges allow fishing camps, sporting goods stores, and other business places to distribute permits.

Mrs. Isaac Mood and daughter Anna of Hollingswood, N. J., left Tuesday for their home, after visiting relatives here. While here they [illegible] Cypress Gardens and Bok Tower.

Spencer—Freer

Miss Virginia Alice Spencer, daughter of Mr. and Mrs. E. Spencer, became the bride of Floyd Quinton Freer, son of Jessie W. Freer, of Fort Pierce at a beautiful candlelight ceremony, Friday evening, at the First Baptist Church.

Rev. E. H. Puryear read the vows at 8 o'clock after a musical interlude by Mrs. J. B. Coen, Jr., pianist and Mrs. T. J. Yard, vocalist.

Palm, white gladiolis, fern and candelebras, holding white tapers, against a curtain of fern with embedded white gladiolis, formed a background for the wedding.

The bride wore a gown of white eyelet batiste, fashioned with plain bodice, cap sleeves and full skirt. Her veil of net and lace was attached to a Juliet cap of eyelet batiste lace net and small flowers. Her flowers were crysanthumums, astors, tuberoses and feverfew arranged into a shower bouquet, with streamers of white satin ribbon.

Mrs. Albert Nelson, Jr., attended as matron of honor, wearing a gown of pastel blue. Her flowers were pink asters and white tuberoses, with pink net and ribbon to form a shower bouquet.

Miss Fern Freer, sister of the bridegroom, was bridesmaid. She wore a yellow gown, and carried a shower bouquet of purple astors and white tuberoses, with chartruese net and purple ribbon.

Albert Nelson attended as best man and Abner Freer, brother of the bridegroom, was usher.

Out of town guests were: Miss Fern Freer, Abner Freer, and Jessie W. Freer, father of the groom, of Fort Pierce; Miss Helen Goolsby of Bellview, Florida; Mr. and Mrs. Charles Gordon and daughter, Carolyn of Sarasota.

A reception was held in the vestibule of the Church, following the ceremony.

W. M. U. Has Social And Bible Study

The W. M. U. of the Florida Avenue Baptist Church had a very delightful social and Bible study, Tuesday afternoon at the home of Mrs. V. C. Bass.

Prayer was led by Mrs. B. A. Frizzell. Mrs. R. C. Bigbie had charge of the Bible Study.

Refreshments of sandwiches, cookies and iced drinks were served to Mrs, B. A. Frizzell, Mrs. R. C. Bigbie, Mrs. J. A. Bass, Mrs. Alma Ellis, Mrs. W. D. DeLaney, Mrs. M. Drawdy, Mrs. W. G. Phillips and Mrs. W. C. Bass.

The next meeting will be a Business and Program meeting, at the Church, Tuesday, August 10, at 3 P. M. Everyone is cordially invited.

Chief Petty Officer and Mrs. G. L. Townsend of Key West announce the arrival of a son, July 23. The Townsends are former residents of Avon Park.

Mr. and Mrs. Ira McKinzie of Frostproof announce the arrival of a daughter, July 28. She has been named Virginia Mary Ann. Her weight is five pounds, eight ounces.

Lora Clements Class Has Meeting

The Lora Clements Sunday School of the First Baptist Church, held its monthly business and social meeting, Monday evening at the home of Mrs. Paul McFarland.

Mrs. Murray Wilson presided over the business meeting and devotional was given by Mrs. Albert Nelson. Mrs. Bernie Johnson led the opening prayer. The prayer list was revised for the month. Mrs. Harold Guerndt, led the closing prayer.

During the social hour, games were enjoyed and delicious refreshments of baked nut squares and grape juice were served to the Mesdames: Paul McFarland, W. G. Robinson, Murray Wilson, Marshall Davis, Donald Branch, T. L. Williams, Durrah Martin, R. C. Adams, Harold Guerndt, I. H. Ford, L. M. Shakleford, Bernie Johnson, Albert Nelson, J. T. Landress, C. A. Stimson, Billy Martin, Elbert Charpie and Harmon Adkins.

Mrs. Peden Honored At Party

Mrs. C. R. Ginn was hostess at a party, Tuesday evening, honoring her house guest, Mrs. Freed Peden of Dade City.

Two tables of bridge was played, with the high score prize going to Mrs. Raymond Dilley and a guest prize given to the honoree.

The rooms were beautifully decorated with pink vine and petunias.

Refreshments of punchy sodas and fudge squares were served to Mrs. Raymond Dilley, Mrs. Floyd Johnson, Mrs. Ben Stewart, Mrs. Phillip Boradman, Mrs. Park Anderson, Mrs. Eddie Singleton, Miss Anne Felton and the honoree, Mrs. Freed Peden.

Mr. and Mrs. Fred Smith are spending this week in Lakeland.

Dr. and Mrs. Basil Hall of Jacksonville have been visiting Mrs. Ruby Bass.

Mr. and Mrs. J. Buchanan and Doris Cannon visited Mr. and Mrs. George Elwell in Tampa, Sunday.

Miss Nancy Ginn was the house guest of Mr. and Mrs. Freed Peden, in Dade City last week.

Billy Miller has returned home after visiting his father in Zolfo Springs, last week.

Mrs. C. R. Ginn has as her guests, Mrs. Freed Peden of Dade City.

C. R. Ginn and Freed Peden of Dade City are on a fishing trip at Salt Springs, this week.

Miss Barbara Chestnut spent the week-end with friends in Jacksonville.

Mr. and Mrs. R. Leon Campbell and children spent the week-end in St. Petersburg with friends.

Mr. and Mrs. Roy Bennett of Deer Field were the guest of their parents, Mr. and Mrs. A. H. Bennett, for the week-end.

Mrs. A. B. Louenborg and Barbara have returned after a three weeks visit with Mrs. Louenborg's father, Granville Rogers, of Palm Beach. Rev. Louenborg joined them for a few days before they returned home.

Can Black-Draught Help an Upset Stomach?

Yes, Black-Draught may help an upset stomach if the only reason you have an upset stomach is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. Get a package today.

NOTICE OF PUBLIC HEARING ON SCHOOL BUDGET
HIGHLANDS COUNTY, FLORIDA

Pursuant to the provisions of Section 237.12 Florida Statutes, 1941 as amended by Sec. 8 of Chapter 22839, Laws of Florida, Acts of 1945, notice is hereby given that a public hearing shall be held by the County Board of Public Instruction of Highlands County, Florida, on August 5, at 10:00 A. M. in the County Board meeting room, Court House, Sebring, for the purpose of discussing with the citizens of the county, the proposed school budget of said County for the fiscal year beginning July 1, 1948 and ending June 30, 1949, which budget is summarized as follows:

Georgia is the latest state to organize a "Keep Green" program to combat forest fire losses. Florida joined the nationwide movement in 1946.

The heaviest wood in the world, so far as is known, is black ironwood. It is a native of the Florida Keys and the West Indies.

Remember, folks—only You can prevent forest fires in Florida.

A newly developed forest product is a wallpaper coated with cellulose, enabling it to stand repeated washings without fading.

LETS FACE FACTS!

IS HIGHLANDS COUNTY REALLY DRY OR ARE WE KIDDING OURSELVES?

THESE ARE FACTS:

* Recent headlines in local newspapers stated: 14 ARRESTS OVER WEEK-END FOR BOOTLEGGING.
* 101 FIFTHS OF LIQUOR FOUND IN ONE RAID
* WHISKEY * MOONSHINE LIQUOR * HOMEBREW *
Found in other seizures. All of these arrests were in SEBRING, AVON PARK and LAKE PLACID.

OTHER FACTS ARE:

* No one but the Bootlegger profits from this kind of ILLEGAL SALE.
* Old age pensioners are robbed of money that should go into the General Fund for their payments.
* Dependent children are being denied sufficient aid because of a lack of funds.
* Florida's 21 dry (?) counties cost the general fund of the state approximately 7 million dollars each year in loss of revenue to bootleggers.

Lets open our eyes to the facts on August 13th and vote for legal sale of Alcoholic Beverages.

Lets license our places selling alcoholic beverages and put them under the supervision of Federal, State, County and Municipal Inspection.

LETS END THIS HYPOCRACY ON AUGUST 13th BY VOTING FOR LEGAL SALES

Chamber Of Commerce Dinner Big Success

AS WE SEE IT
By Art Kinney

One way to get a good, lasting finish on your car is to try and beat the train to the crossing.

* * *

Monday of next week will find a small army of young business men of A. P. on the march to enroll old and new members in the Chamber of Commerce . . . so greet these fellows with a smile and a check for your membership . . . they are not only members of the C of C, but they are taking valuable time away from their own business in order to build a strong association . . . they are convinced that a Chamber of Commerce will aid materially in accelerating the growth and increasing the prosperity of Avon Park . . . the Chamber has done an excellent job, but they can do a much better job if the present membership is doubled . . . an active, well organized and adequately financed C of C can bring to Avon Park more Winter visitors, investors, builders and new business which will in turn benefit every citizen, either directly or indirectly . . . join your Chamber of Commerce, and put this drive over with a bang.

* * *

The careless drivers of A. P. are still rolling merrily through the Stop Signs . . . we hope the Stop Lights will soon be installed before a serious accident happens.

* * *

When the biscuits are good and the butter is good and the jelly is good, it is very difficult to make the jelly and the biscuits and the butter come out even.

* * *

The auditors are here . . . the wets and the drys are here with their battle of words and figures and advertising, and between them this columnist is just to dog-gone busy to write much of a column, s-o-o-o we are slipping in the following notice that recently appeared in an Arkansas paper and we think it will act as a reminder to some of our readers . . .

UBCIRPTION: . . . "There i$ a little matter that $ome of our ubcriber$ have $eemingly forgotten entirely. A$ we have $tated before the Po$t Office regulation$ require that all ubcription$ mu$t be paid in advance. To u$ it i$ a very important matter. —it i$ nece$$ary in our bu$ine$$. We are $omewhat mode$t on thi$ $ubject and don't like to continually $peak about $uch remittance$. We mu$t, however, take off our mailing li$t from time to time tho$e who are delinquent in their payment$. We don't like to do thi$ a$ we believe thi$ matter ha$ ju$t been overlooked on the part of $ome ubcriber$, yet we mu$t comply with the Post Office law$ to keep our $econd cla$$ mailing permit. Check the date on the label on your paper to $ee how you $tand on thi$ matter."

Drys Facing Snag In Election Fight

Opponents of the liquor election for Highlands County voters on Aug. 13 may strike a snag in their legal efforts to prevent a decision on the wet-dry issue at the polls.

The snag may be struck in the supreme court next Monday at 9 A. M., the date set by the anti-liquor forces for applying for a constitutional writ of injunction to delay the election for several months. Last month, Circuit Judge Register refused to enjoin the election.

A spokesman for the drys previously had announced that, despite the fact that the state's highest court now is in recess, they would apply to one of the justices in Tallahassee for the extraordinary writ.

But Tuesday opposing counsel, in a letter from Guyte P. McCord, clerk of the supreme court, were advised that:

"The court is in its Summer recess and will not convene until the 7th of September. The first motion day thereafter will be the 13th of September. I have no way of knowing whether there will be a quorum (four justices) of the court in Tallahassee on the 9th of August. At the present time there is not a quorum present."

MAYOR OF SEBRING DIES

M. F. McGee, mayor of Sebring for the past 12 years, passed away Sunday night at his home at the Santa Rosa Hotel of which he was the operator. He was 53 years old, and a native of South Carolina, and had been ill for some time.

Funeral services were held Wednesday afternoon from the First Methodist Church.

Activities of C of C For the Year Ending June 30th

Helped organize the Ridge Area Hospital Association and assisted that organization in establishing the Walker Memorial Sanitarium and Hospital.

Co-operated with the City of Avon Park in plans for the beautification of Donaldson Park and the proposed addition to the Winter Guest Club.

Sponsored the project for putting all steel, lifetime benches on the Mall and at the Winter Guest Club.

Co-operated with the City in establishing a zoning ordinance for Avon Park, some of our directors serving on the committee that prepared the ordinance.

Continued to keep alive the project for establishing the South Florida State Hospital by soliciting and getting the continued support of the various Chambers of Commerce who are members of the South West Florida Council.

On two different occasions, have entertained high ranking officers, General Hutchinson, Commander of McDill Field, and General George Kenny, Commander of the Strategic Air Command, in promoting the reactivivation of the Avon Park Army Air Field.

Have sent a representative of the Chamber to Washington to attend all hearings before the Civil Aeronautics Board in an effort to have Avon Park placed upon the route of the Florida Airways for both passenger air travel and mail service.

Have kept closely in touch with our representative in Congress regarding the proposed building of a new Post Office for Avon Park.

Sponsored a Clean-Up Campaign in connection with National Fire Prevention Week, committees from all civic organizations taking part, this committee covered the entire City, getting the vacant lots mowed and all debris and fire hazards removed and the City cleaned up generally before the tourist season.

Our Highway Committee has attended all meetings of the State Road Department, held in this territory, repeatedly requesting more work on Federal Highway No. 25 the resurfacing of Highway No. 64 and resurfacing of Main Street from the west end of the Mall to the Railroad.

Was instrumental in having the Seaboard Railroad install a Signaling Device at the crossing just north of the Roscoe Skipper Packing House and have requested the same device installed at the Highlands Lakes Crossing in order to eliminate the necessity for blowing whistle when approaching the hospital.

Have maintained a housing and rental service for the apartment owners of the City and have directed hundreds of tourists to these housing accommodations, free of all costs to the owners and by agreement with the City Realtors.

Have throughout the year continuously advertised the City by the following methods:

Have mailed out more than 3,000 pieces of advertising literature.

Had a reprint of 1,000 of the Street Map and Informational Guide phamphlets.

Have taken part in the publication of the May issue of "Literary Florida" which featured the Ridge Section of Florida, by furnishing six articles about the City including pictures of a dozen views in and about the town.

Have written personal replies to more than one thousand inquiries about the City from out-of-state people who want to know about Avon Park in connection with climate, rainfall, average temperatures, business opportunities, home for retiring, recreation, hunting, fishing, letters from those seeking a healthful place to live and other letters of a various and sundry nature.

Have prepared a new Industrial bulletin which was mimeographed by the Florida State Advertising Commission and distributed by them.

Have maintained for the convenience of our home folks a calender of social events taking place in our community.

Representatives of this Chamber have attended the following meetings through the year, all in the interest of this community: State Chamber of Commerce Convention at St. Petersburg, District Meeting of State Chamber at Tampa, Orange Blossom Trail Association at Orlando, Governors Day Banquet, sponsored by the Tampa Chamber of Commerce, Annual Meeting of the Tampa Chamber of Commerce, two meetings of the South-West Florida Council, District American Legion Meeting at Tampa promoting Avon Park as a site of the State Headquarters, Financed a boy from Avon Park to the Boys State.

President of C. of C.

Pres. R. H. Jordan

Have co-operated with General Mark W. Lance in an attempt to establish a unit of the Florida National Guard in Avon Park.

Have, and still are, co-operating with the Committee in assisting to form the Florida Citrus Mutual, being one of the first Chambers in the State to endorse the movement, then operating as the Ft. Meade Plan, from which the Florida Citrus Mutual was developed.

Acted as hosts to the L. A. M. A. reunion and have been instrumental in making this reunion an annual pilgrimage to Avon Park.

Have attempted to bring order out of the Cemetry chaos by locating the long lost charter and formulating plans for the reorganization of the Association.

Have begun movement for Christmas lighting of our City.

Industrially, your Chamber has been extremely active in trying to bring some new industries to Avon Park, to provide that much needed diversification of commercial activities, and to provide the stability of income for our people, which is so essential for the continued growth of the community.

We have the assurance that a small plant for the manufacture of clinical thermometers will be established(here as soon as the financing for the training of the workers can be secured.

We have plans for a radio station but as yet only a small part of the financing has been pledged.

We are reasonably confident of the ultimate success of our efforts to bring a hosiery mill to Avon Park. We are continuing to show progress. Plans for the mill have been forwarded to the operators for approval, negotiations are still underway for the removal of the airport restrictions on industrial projects, with every reason for confidence of success. Abstract has been obtained to the property to be used and estimated as to the cost of construction will be obtained as soon as plans are approved. Our industrial committee has been working on this one for some time, and have made numerous trips to Boca Raton, two trips to Washington, and one to New York in our attempt to secure this industry.

Property Changes Owners

The South Florida Homes Inc. announce they have made three sales of Avon Park property to people from other states.

The new owners are: Joseph Rosenberg, of New York City, who bought a six room house on Highlands Avenue; Robert Maxon, of Champaign, Ill. His property is a six room house at the corner of Highlands Avenue and Canfield Street. Harry McGregor, from the State of Indiana has bought a five room residence on East Pine Street. William Strenth of Avon Park has bought a six room house on North Verona Avenue.

"Brief Interlude"

Vacation Church School Well Attended

Everyone is cordially invited to attend the closing program of the Vacation Church School of the First Methodist Church, which will be held at 7:30 o'clock Friday evening at the Church. A moving picture, The Unfaithful Servant, will be shown and a review of the work of the two weeks school will be given. The well-rounded program of activities has included Bible study, shell craft, woodcraft, recreation and refreshments each day, and each morning's program has featured the showing of a moving picture. The showing of a movie is in line with the program for visual education, the various pictures stressing a lesson thought that is brought home more closely to the individual child through the motion picture.

Rev. W. J. Ashworth, pastor of the church, and Mrs. Emma Bussard, director of the Church School, are most enthusiastic in their praise of the fine accomplishments of the past two weeks, and extend their appreciation to the splendid group of assistants, who have been most faithful in attendance, not one absence being noted in the staff of teachers. "The cooperation of parents in sending their children, and those assisting in teaching in the various departments of the School, has made this one of the best Church Schools we have ever had," according to Rev. Ashworth.

Teachers and helpers are: Beginners, Mrs. Robert L. Cleveland, Miss Arden Anderson and Miss Marjorie Hetherington.

Primary: Miss Rosemary Mena, Miss Betty Ann Anderson and Miss Janet Sauks.

Junior Group: Mrs. R. A. Gerrard, Mrs. S. E. Roberts, and Mrs. Louise Lambert.

Intermediates: Rev. M. L. H. McMullen.

The Crafts: Shell craft, Mrs. Ernest Armstrong and Mrs. Barnett; woodcraft and painting, Mrs Phillip Boardman; helpers, Miss Joyce Basemore, Miss Helen Knowles, Jakie Smith, Mrs. Virgil Tondee and Bussy Roberts.

Organist: Mrs. Bertha Hall.

Refreshments: Mrs. T. H. Maxwell, Mrs. Lois Wyckoff, Mrs. I. H. Ford, Mrs. Harold Nute, Mrs. Devon Reddick, Mrs. Eunice Grishom, Mrs. I. L. Hall, Mrs. Bertha Hall, Mrs. Virginia Carter, Mrs. Virgil Tondee, Mrs. S. C. Pardee, Jr., and Mrs. M. G. Graninger. Secretary-Treasurer, Mrs. Lula Kirkwood.

Mrs. Walter S. Betts, left Wednesday for Kissimmee to visit her son-in-law and daughter, Mr. and Mrs. H. E. Nunnallee. Mr. Betts will join her there for the week-end.

Its B & B for Produce in Season.

Sebring Girl Wins Scholarship

Mildred Ellen Grotewold, daughter of Mr. and Mrs. H. W. Grotewold, of Sebring, has been awarded the Lipscomb G. Lykes scholarship, awarded every four years to a boy or girl in Highlands County, County School Superintendent Fred Wild announced Monday.

The $2,000 scholarship is one of three given quadrennially to boys or girls in Highlands, Hendry and Glades Counties. The Howell T. Lykes scholarship was established for Hendry and the Thompson M. Lykes scholarship for Glades.

Mildred, who observed her 16th birthday in May, was valedictorian of the 1948 class of Sebring High School. She will enter Florida State University next month to prepare for a teaching career.

She was one of 15 applicants for the scholarship from Highlands County.

A. P. H. S. Library Story Hour

Recreational reading during the summer program will come to an end in the High School Library on Friday, August 13 at 4 o'clock. During July and August, a good number of readers have enjoyed the opportunity of using the library facilities.

As the closing event, on Friday afternoon, August 13, from 3 to 4 o'clock, there will be a Story Hour in the High School Library. All those who enjoy hearing a capable presentation of popular stories should attend the Story Hour. Mrs. Maude Yawn, Highlands County Supervisor, will have charge. All are cordially invited. Following the Story Hour, there will be refreshments.

Anne Felton, Librarian.

Auxiliary Will Send Gifts To War Veterans

Mrs. W. H. McCarthy, chairman of gifts to Veterans Hospitals for the American Legion Auxiliary, has announced that a box has been placed at the Ridge Fuel Company to receive these donations. Articles needed include all types of shaving materials, tooth paste, kleenex, brown, blue, black and white socks in sizes 10 to 12 inclusive, and pillows. There is also a need for small bedside kits, and Mrs. McCarthy has two samples that have been sent to her from the hospital. Patterns for these kits may be obtained by calling Mrs. McCarthy. It has been suggested that those not members of the Auxiliary might be interested in donating articles for the box, which will be forwarded to the hospital next week. Please leave all packages in the box at the Ridge Fuel Company.

Membership Drive Will Begin Monday

The annual Chamber of Commerce membership drive will get underway Monday, August 9, when a committee headed by Dr. Stuart J. Ward will make every effort to obtain 300 members for the Chamber for the fiscal year ending July 1, 1949.

Dr. Ward stated that the membership for the year just ended was only 146, and that his committee wanted to double last year's membership. He urged that everyone interested in the continued development of our City join the Chamber and become a part of this community effort. Dr. Ward pointed out that the Chamber was the one organization through which all people of our community could work for our common good, since it was a non-political, non-religious body, devoted to the economic and cultural development of our City and County. The Campaign Committee will hold a meeting at the Chamber Friday night, August 6, at 7:30 P. M. to complete plans for the drive. The members of this committee are as follows:

Nels Kluberg, A. M. Owens, Ray Wells, Chas. Lanier, W. S. Betts, R. C. Dean J. M. Adams, Jr.; S. F. Longbottom, I. H. Ford, T. J. Ward, J. P. Garber, Clifford Craft, A. B. Wilhite, R. L. Padgett, Charles Locke, Estelle McGuiness, Lenny Rush, Colin DeShong, O. C. Wilkes, Herbert Todd, D. G. Perry, W. M. Hetherington, W. J. Head, Dr. R. H. Jordan, Mrs. Anna Belle Worden, M. G. Whitcomb, Roy Seims, C. A. Sargent, Neal Sellers, J. A. Johnson, Paul Critchfield, W. F. Ward, Johnny Wright, Alton Elder, Vaughn Driggers, Eddie Klueppleberg and E. G. Touchton.

Join your Chamber of Commerce.

Highlands Road Plans To Stand

The Highlands County Commission will not ask the State Road Department to hold up construction of a one-mile connecting link between Roads 25 and 17 at DeSoto City.

The board went on record restating its stand in favor of the link after hearing suggestions that the money appropriated for that project be used to improve a stretch of the projected farm-to-market road along the south shore of Lake Istokpoga.

The commissioners also took steps to improve the acoustics in the main courtroom at the Courthouse, where the spectators, and even the presiding judges and juries, have difficulty hearing the principals in trials of cases. In addition, the commissioners also are planning to install fans in the main courtroom.

Harold Colee of State C of C Was Guest Speaker

Harold Colee

The Avon Park Chamber of Commerce annual dinner held Thursday evening, July 29th, at the Winter Guest Club proved to be one of the out-standing social affairs of the year. The attendance was large, the dinner of barbecued chicken was good as well as plentiful and well served, and the address delivered by the distinguished guest, Harol Colee, executive vice president of the State Chamber of Commerce of Jacksonville was of great interest and appreciated by all those fortunate enough to be there.

Dr. R. H. Jordan, president of the Avon Park Chamber of Commerce presided at the speakers table, and called on Rev. Herbert Graetz of the Congregational Church who delivered the benediction. Following the dinner Dr. Jordan introduced and welcomed several guests from out of town, and then paid tribute to several local people who have been very active in promoting the welfare of Avon Park.

Out-of-town guests attending the dinner were: Mr. J. W. Crews and Mr. W. E. Cochran of Wauchula, Mr. M. A. Smith of Orlando, Col. Harvey Hogan, Commanding Officer of the Avon Park Army Air Field, Mr. Jack Canfield and Mr. H. S. Boege, [illegible] and Mr. Emil Bertram of [illegible] Orange, N. J.

Before introducing the speaker of the evening, Mr. Jordan gave a resume of the activities of the Chamber for the past year, which you will find published in another column of this issue of the Sun.

Harold Colee, was then introduced as the speaker of the evening and said in part:

"Today you are taking [illegible] inventory.

You are looking [illegible] year with a [illegible] objective is to improve your opportunities during the coming year.

Your community leadership works through your Chamber of Commerce.

I deeply appreciate your asking me to participate. I am always glad to be in Avon Park, and this beautiful ridge country.

One of the functions of my office is local Chamber of Commerce coordination, on a state-wide plane.

The State Chamber operates on a different level but in a direct line stretching from local Chambers" . . .

There is a lot of Florida and there is a lot to Florida.

We are a progressive state. We are a united state. I want to repeat what I have said so often throughout the state and throughout the nation, residence in Florida in my opinion is the best investment any person or firm can make in the whole United States—in fact, in the entire world . . .

Looking deeper into what makes Florida Florida, we find one outstanding resource with which we are blessed (and sometimes inconvenienced)—our geographical position.

Our solar-marine climate, the result of this position near the tropics and practically surrounded by water, is, I believe, our greatest single natural resource.

My staff has estimated that our climate was worth $11,25[illegible] in cash to us last year. We call this "sun income." This sum is made up of $780,000,000 from tourism (or one-third of our income), $200,000,000 from fruit and truck crops possible only under Florida conditions, and industrial products valued at $133,000,000 made from these typically Florida agricultural crops . . .

I wish I had time to discuss with you the manner, routine and special functions of your State Chamber, and to go into details of local and State Chamber cooperation more minutely.

Just let me say in closing that we of the State Chamber are deeply concerned with your own local Avon Park problems."

WEATHER REPORT

Following is the weather report for the beginning of July 29 and ending August 4, inclusive, as reported by Wilbur Giddens, local observer.

Youth Revival Will Start Here August 9

Bob Pinder, of Miami, and Bill Warfield, of Tampa, upperclassmen at Stetson University will speak and lead the singing at the Avon Park city-wide Youth Revival August 9-15.

The meetings will be held at Memorial Football Field each night at 7:45. In case of rain after 3:00 in the afternoon, they will be at the high school auditorium.

Bob Pinder

Bob Pinder, the speaker, is an athletically inclined ministerial student. He plays basketball and served as lifeguard one summer at Ridgecrest Assembly in North Carolina. This summer he is working among the Italian and Spanish-speaking people of Ybor City in a Goodwill Center.

Bob Warfield, song leader, is in the Stetson Glee Club and has worked in several youth revivals previously. He has a tenor voice and has done solo work. His home is Lutz, near Tampa where he is working this summer.

Anyone who wishes to entertain the visiting speakers for a meal should contact either Nettie Lee or Catherine Howell as soon as convenient.

A ride will be provided anyone who needs transportation to the meetings by Bobby Hall or members of his committee. Call 239m for this service.

Contributions toward the expenses of the meeting will be accepted by Garth Spencer, John Garber Jr., Helen Bryant, and James Anderson.

A large group of singers is needed to act as choir during the meetings. Anyone who likes to sing is invited to become a member of this group, and members of the various church choirs are especially urged to help. Winifred Demorest has called a meeting of this group at 3:00 Thursday, August 5, at the Florida Avenue Baptist Church.

The young people who are working in connection with the revival meetings request the support of people all ages in prayer and attendance, according to Sam Longbottom Jr., general chairman. The programs are youth-planned and youth-sponsored, but young people up to the age of 100 are welcome to take part.

The final meeting of the revival will be Sunday, August 15, at 3:00 in the afternoon, location depending on the weather.

Join your Chamber of Commerce.

DEADLINE NEAR ON FILING SOCIAL SECURITY CLAIMS

"August 9, 1948, is the last day for filing claims for lump-sum death benefits under the Social Security Act on account of the death outside the United States of a qualified individual after December 6, 1941, and before August 10, 1946." According to R. C. Gehrken, Jr., manager of the West Palm Beach office of the Social Security Administration. "Any such claims filed after that date cannot be paid."

Mr. Gehrken pointed out that Congress amended the Social Security Act in August, 1946 to give special consideration in those cases where servicemen or civilians died outside the United States during and immediately following World War II by extending the legal limit of two years as provided by law. However, the extension was for two years from the date of the amendment and it expires on August 9, 1948.

The survivors of civilians and servicemen, who died overseas and who had earned wages in employment covered by the Social Security Act, are urged by Mr. Gehrken to inquire as to possible benefits before the deadline.

CHURCHES OF CHIRST, SCIENTIST

"SPIRIT" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, August 8.

The Golden Text is: "God is a Spirit: and they that worship him must worship him in spirit and in truth" (John 4:24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else. I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, that unto me every knee shall bow, every tongue shall swear" (Isaiah 45:22, 23).

The Lesson-Sermon also includes the following passage from the Christian Science textzook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Scriptures imply that God is All-in-All . . . The Scriptures also declare that God is Spirit . . . He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual" (331:11 (only) 13-14, 22).

Democritus, the great physicist of ancient Greece, was the first man to discover the atom and report that it was the basis of all matter.

The hairspring in a lady's wristwatch is less than 1-3 the diameter of an average human hair and vibrates 18,000 times an hour.

KNOW YOUR WEATHER

These effects mean much to farmers in certain areas. For instance, scientific studies show that forestless regions are subject to frequent hailstorms while in forested regions hailstorms are a rare occurrence.

UPSIDE DOWN BABY . . . Mr. and Mrs. Sam Alterman are shown feeding their 15-day old daughter, Karen, in their Brooklyn home, after the child was returned safely to them after undergoing an unusual operation at Boston's children hospital. Baby Karen was born with an upside down stomach, and underwent the operat'on at the age of two days.

MOST DECORATED SOLDIER . . . U. S. army Lieut. Audie Murphy, most decorated soldier in the U. S. army, is awarded two more medals by Gen. De Lattre De Tassigny, commander-in-chief of the French army. They are the medal of the legion of honor and the "Medaille Militaire."

The first grapevines in Europe were planted on the Rhine River by the German King Ludwig in 842 A. D.

To Expand Fisheries Survey

The State Game and Fresh/Water Fish Commission Monday (July 19) authorized an expanded $77,000 fisheries survey of Lake Okeechobee and the St. Johns River in an effort to hasten settlement of the long-standing commercial fishing dispute on the two bodies.

Commission Chief Fisheries Biologist John F. Dequine said the expanded program would speed up his study "by at least two years." He estimated the new survey would take from eight to twelve months.

The more intensive fact-finding project was recommended to the commission by the 14-man committee assigned last month to study the problem.

Six commercial fishing crews on each body will be selected to help on the survey. Each crew will be supervised by a commission biologist. The netters will be allowed to sell "rough fish" taken in the hauls, but all game fish must be returned to the water "alive and unharmed."

The biologists will check fish populations, habits, growth rates and production potentialities in the two waters.

MARINE RECRUITING OFFICE OPENS AT SEBRING

Continuing the regular monthly trips to Sebring, Technical Sgt. Doyle Cash, local Marine Corps representative will, open a recruiting office in the Sebring post office on Tuesday, Aug. 10 His office will be open from noon until 8 p. m., daily, through the following Saturday.

"The Marine Corps," said Cash, "is an organization to which any American can be proud to belong. The caliber of the men in its ranks is well illustrated by the fact that such prominent men as Paul H. Douglas, of the University of Chicago, Paul C. Smith, of the San Francisco Chronicle, and Eric Johnston, movie czar, have all served as Leathernecks.

Sergeant Cash said that there has been no change in the requirements for those entering the Marines for the first time. Reenlistment regulations, however, have been altered and the sergeant urged former Marines to contact him for the latest information.

New Store To Open On Forest Avenue

Ground is being broken on South Forest Avenue, just past Henry's Grocery Store for a building to be erected by the South Florida Company. This company will engage in the business of hardware, builders supplies, domestic appliances, paints, etc.

The company will handle Admiral Line of electric stoves, refrigerators, and radios, American Kitchens, Thos washing machines and ironers. They will also carry a complete line of plumbing and electric supplies.

The location of the building on Forest Avenue is said to be temporary since the company has a location on East Main Street, South Side, which it will take up as its permanent location.

COOK PORK THOROUGHLY

Eating pork or pork products that are not thoroughly cooked is dangeruos, Dr. Wilson T. Sowder, Florida state health officer, warned here this week. He said that such pork may contain a parasite which causes trichinosis, a disease that can be fatal.

There is no cure for this type of illness, he stressed. "Prevention, however, is simple. Just be sure to cook all pork and its products thoroughly before eating them."

"Pork is one of the most palatable and nutritious of meats and is a favorite throughout the country, but it should be cooked until the meat is absolutely white, if the parasites are to be destroyed. Pink pork, even in small amounts, should never be consumed.

VITAMINS PLUS BEAUTY . . . Martha Mitchell stands among Florida's summer-bearing orange. The late bloom comes while the fruit is still ripe on the tree, and it is expected to make Florida's citrus industry active the year round.
