A&P, TOO, TAKES OFF ITS HAT TO MR. C. WHIT BLOUNT

Competitor Denounces Suit Against A&P

THE BOLD three-column advertisement in the current issue of the Waynesboro True Citizen catches the reader's eye. We quote it in full.

To our notion that advertisement by C. Whit Blount states the economic and governmental aspects of the case against A&P with a clarity and forcefulness that most of the editorial comment has lacked.

Also it strikes us as a fine example of sportsmanship in business.

Incidentally, it is about as effective an advertisement as could have been written for Mr. Blount's "Groceteria".

Makes you sort of wish you were in Waynesboro to trade with him, doesn't it?

A Word For Our Competitor The Great Atlantic & Pacific Tea Co.

There has been a move by the anti-trust department of the Federal Government to destroy our leading competitor, the A&P Food Store.

It may seem odd, but we are opposed to this move.

The A&P Co., is definitely our strongest competitor - they keep us hopping. But, we are still in business - And Expanding. We do it by selling quality merchandise, buying at a close margin and selling at CLOSER margin.

The so called "trust-busters" charge that the A&P Co. control some of the production and processing ends of the food business. As a result, they hold the cost price down on foods.

WELL, WHAT'S WRONG WITH THIS??

If A&P holds the costs down, it makes our suppliers hold their costs down to the same competitive level. They can sell cheaper, AND SO CAN WE.

We intend to continue to try to sell better merchandise than A&P; We also will continue to have competitive prices.

BUT, We don't believe the government, or any individual should try to break up a firm that is doing a good, clean, efficient job of serving the people of this country.

Winter Guests Club News

By David Arluz Brude

October first marked the beginning of a new season for the Winter Guest Club. At 12:00 o'clock midnight, September 30th, all memberships in the Club were automatically cancelled. Consequently, on October first, our secretaries, Mr. Walter Walker, turned a leaf in the register, and

is ready to accept new applications for membership and will give each one a receipt for his \$2.00, which is worth many times its value in recreation, entertainment, social contacts, and sports, which he will enjoy during the next six months. In addition to this, each member will receive a printed list of Rules and Regulations by which he is expected to be guided during the season in maintaining the "straight and narrow" as becomes the honor, dignity, and prestige of our Club.

We have no reason to expect a smaller membership this year than we had last, which totalled more than 400. Although all were not here at any one time, never-the-less the Club accommodations were always for short of being adequate. Our Club-room is too small to admit more than 100, even considering "standing room only." For every occasion when we had entertainments, our members were always crowded, and many outside could not get near enough to either see or hear. Last year, at the height of the season, the wonderful covered-dish suppers, to which we were treated every week or two by the ladies of the Club, had to be abandoned because there were far too many for our limited facilities to accommodate. We had hoped to have the promised extension built before assembling this year, but for various reasons, this has not been feasible so far. We are still hoping that the City of Avon Park will see fit to build a new building to relieve the situation.

On the outside, our ten shuffleboard courts are nearly always crowded between 10:00 A. M. and 10:00 P. M. This game being, by far, the most popular outside sport during the winter months. Therefore, a strict adherence to the rules and regulations is expected of each and every member.

Rules No. 9 and 10, it will be noticed that three consecutive games constitute the limit allowed for each set of players. If there are others present who wish to play, there is one place where each must exercise forbearance and common courtesy. In the past we have had members who were prone to forget, and continued to play indefinitely without due regard for the rights of others. This was one reason why this rule was found to be necessary. When such cases are noticed, it is the duty of the shuffleboard committee to interfere. It is hoped that all any applicant for membership cannot continue to ignore the regulations, he will have the good grace to retire and seek his winter recreation elsewhere. He must realize that this is not intended as a "punishment" on the individual behavior of our members. It is merely a reminder based upon past experiences under our crowded conditions. Here we are reminded of David Harum's rather amusing distortion of the Golden Rule, in which he said in effect, "Do to the other fellow what you think he's planning to do to you, but do it first." While we cannot but admire David Harum as a general character, we do not need to accept this quirk in his philosophy.

For the benefit of all, and especially for those who may be contemplating coming to Avon Park for the first time, the Rules and Regulations are herewith reproduced for consideration in deciding whether they want to spend the winter in Avon Park.

Avon Park Winter Guest Club Rules and Regulations Concerning The Use of Recreational Facilities:

1. Dues are \$2.00 per year per member, October-October.

2. Membership dues are individual and do not include other members of a family.

3. Courtesy cards good for three days are issued free by the Directors to short-term guests; cards good for one week for 50c; or two weeks - \$1.00. Season dues - \$2.00.

4. Residents eligible for membership must not be entertained more than once a season between Nov. 1st and April 1st.

5. Members who bring guests to Club except vespers services or events where admission is charged, must register them in the Club "guest register."

6. Club House and Cabin are open from 10:00 a. m. - 10 p. m. except vespers services. Playing of shuffleboard or other games is prohibited on Sunday.

7. Shuffleboard discs must be used on courts as indicated on folders and kept in rotation on shelf in cabin.

8. Tournament must be assembled, ready to play. No player may hold a court for others to come.

9. Shuffleboard courts must be vacated after three 15-point games for at least five minutes to permit those waiting to play to take over.

10. Players who have completed three games and vacated a court may not engage in play on another court if others are waiting.

11. Upon completion of games of shuffleboard, players must return ALL equipment to the cabin unless players following accept responsibility for its return.

12. Tournament committees may reserve any or all courts at any time at their discretion.

13. Children under 15 years of age are not permitted to use the courts.

14. The special use of club house or grounds by special groups of members must be approved by the Board of Directors.

15. Placards except those advertising churches or civic organizations must not be posted in Club House or on grounds.

We learn that Mr. and Mrs. A. W. Rodgers have recently leased the home of Mrs. Harry Dille at Tulane Circle for the season.

Mr. and Mrs. Henry D. Kidder, 120 South Highland Ave., are the first registrars of the season.

Mrs. Hilda Taylor is expected to arrive about October 9th.

Personal Items

Mrs. and Mrs. I. D. Kelley are expected to arrive sometime this week.

Mr. and Mrs. Fred Flagg have moved into their new home at 21 West LaGrande Street. Now that they are well settled, we may expect to see them more often at the Club. We also may look forward with pleasant anticipation, to enjoy again some of Mr. Flagg's well-remembered solos with Mrs. Flagg at the piano which is always encased to the echo, and which he sometimes responds, with something accompanied by staccato war-bops.

Our President and First Lady, Mr. and Mrs. Frank Beckwith, have recently purchased the property at the Southwest corner of

N. Forest and W. Church Streets, Mr. and Mrs. Edward Doherty, and Mr. and Mrs. George M. Rife are busy establishing themselves at 428 West Bell Street.

The Winter Guest Club particularly wishes to express its thanks and appreciation to the members of the retiring City Council for their kindly attitude toward the interests of the Club; for the substantial assistance they have rendered during their administration in repairing and improving the buildings and grounds; and for their cooperative efforts toward the enlargement of the clubhouse, which failed of achievement only because sufficient funds were not available. It is earnestly hoped that this friendly attitude toward the further extension of accommodations for the increasing number of

tourists that are coming to Avon Park each year, will be maintained by the incoming Council. The necessity for a full realization of the mutual benefits to be derived by fostering an ever-increasing "community of interest" between the City and the Winter Guest Club, is obvious to all concerned.

NOTICE TO VOTERS
OF SPECIAL SCHOOL DIST. NO. 1
ELECTION OF TRUSTEES,
TO BE HELD NOV. 8, 1949

Qualifications for voting are that a person will be duly registered and shall have paid tax either on real or personal property for 1948. This list of eligible voters is secured from the Supervisor of Registration. (A duly licensed person is a person who is registered to vote in the November General Election. Registration Books will close on October 5, 1949.)

I have been notified by the Supervisor of Registration that in checking tax receipts for 1948 that the receipts were made out only in the name of one party, whereas both husband and wife should be entitled to vote. Due to the fact that the tax receipts in quite a number of cases were made out in one party, I suggest that all who would like to vote in this election check their tax receipts and see if the receipt is in the same name as your name. If not, bring deed and receipt for 1948 to the Supervisor of Registration and check your eligibility to vote in Trustee Election.
