Awards For Scholastic Achievement

At closing assembly Friday, the following high school students received awards for outstanding scholastic achievement during 1952-1953:

Peggy Martin, American history class, awarded by Miss Pearson.

Barbara Moseley, speech class, by Miss Peeples.

Willoise Wilson (freshman) and Emily Marshall (senior), homemaking, by Mrs. Moseley.

Gloria Sheffield, 1st year typewriting, with 60 words a minute average; and Rachel Smith, shorthand, 95 average grade. Mr. Watson.

Sherlon McCoy, biology , Mr. Garrett.

Judy King, junior high English, Mrs. Suggs. Patricia Basemore and Carlene Adkison were also mentioned by Mrs. Suggs as having done work of very high quality.

Frances Fisher, senior high English, Mrs. Hill.

Glenn Welch, plane geometry, and Clifford Matchett, algebra, by Dr. Walters.

Gloria Davis, library service class, Miss Felton. Mary Lou Jenkins and Othell Cribb were also given special gifts for general good work in the class. Preston Strenth, Joseph Baucom, and Kenneth Osborne received gifts for an excellent library record (each read over 125 books during school year); and also Elmer Moore for helping in the library.

The Bosch and Lomb award for outstanding ability in science went to Pete Ragsdale, who had a straight "A" average in chemistry. The award was made by Mr. Wilhite for Mr. Mathews, who was ill.

The American Legion and Legion Auxiliary awards went to Fletcher (Buddy) Griffis and Sandra Williams. The awards were presented by Mrs. J. Paxton Hill and James Heim. These are given each year to the 9th grade girl and boy judged outstanding for courage, leadership, honor, service and scholarship.

Mr. Wilhite, supervising principal, cited Bennie Harvey (senior) as outstanding student for work outside the classroom for the benefit of the school and its organizations.

Mr. Wilhite then thanked the students and the faculty for helping to make 1952-53 one of the better school years.

Athletic Awards

Coach Franz awarded a letter to Clement McFarland for basketball.

Coach Garrett awarded letters and miniature baseballs to Red Devils baseball men, winners of the Ridge Conference.

Senior lettermen: Martin, Elwell, Jenkins. Letterman: Collins, Harper, Waldron, Prevatt, Elder, Reynolds. The 15 boys who participated in Ridge games received balls: McFarland, Collins, Harper, Wilhite, Rouse, Martin, McCoy, Waldron, Prevatt, Elder, Reynolds, Elwell, Jenkins, Spurlock, Wingard. All the 19 boys of the baseball squad were given their caps as mementoes.

Student Honor Roll

Thomas Jenkins, president of the student council, announced an honor roll of non-council members who had done much to assist student activities during the past year:

Bennie Harvey, Lawrence Pate, Fredonia Mott, Hermie Faye Harvey, Kenneth Smith, Jakie Smith, Ormond Ware, Eileen Sachsenmaier, Susan Brown, Quinton Varnes, Mr. Gorman and the band, Mr. Watson, Mrs. Moseley, Mr. and Mrs. Wilhite. Mr. Paige's homeroom won the six-weeks beautification prize, which was accepted by Viola Lightsey.

The assembly was opened by Mr. Wilhite, with Thomas Jenkins then leading the devotional.

Perfect attendance awards were presented by Mr. Wilhite to 27 students. Two—Bobby Sue Elder and Jim Wilhite—had received these certificates for six years.

After closing announcements, including some information concerning the summer program for children and adults, Mr. Wilhite dismissed the assembly.

School's over until August 31.

SOFT BALL TEAM BEING FORMED

Cadet Driggers Has Coast Guard Degree

Ensign Vaughan W. Driggers, Jr.

Vaughan W. Driggers Jr., 21, son of Mr. and Mrs. V. W. Driggers, Rt. 1, Wauchula, Florida was commissioned an Ensign in the United States Coast Guard and awarded a Bachelor of Science degree in Engineering upon graduation from the U.S. Coast Guard Academy, New London, Conn.

Ensign Driggers was one of 86 Cadets in the Class of 1953 who graduated today at the 67th commencement exercises at the Academy. He entered the Academy after graduating from Avon Park High School in Avon Park, Florida and ranking high in nationwide, competitive examinations for appointment of Cadets.

At commencement, he received two awards—one, a cash award for outstanding conduct, and a silver cigarette case for drilling the best platoon in the battalion.

After a short leave, Ensign Driggers will report in July to the Coast Guard Cutter Newell at Honolulu, T.H. for his initial assignment to active duty.

CANCER FILM WILL SHOW A SEBRING

On Monday night, June 15, at 8:00 o'clock, the Highlands County Cancer Society will show two films on the subject at the high school auditorium in Sebring.

The films are, "Man Alive", and "Breast Self Examination." Dr. J. O. Bond, Medical Director of Highlands County, will be the speaker.

BISHOP LOUTTIT TO VISIT CHURCH OF THE REDEEMER

The Holy Sacrament of Confirmation will be administered to ten young people by the Right Reverend Henry I. Louttit, Bishop of South Florida, at the Church of the Redeemer at 11 o'clock on Sunday, June 14.

Immediately following the rite of Confirmation Bishop Louttit will dedicate the new Church School rooms which were recently completed.

The Parish will honor Bishop Louttit with a dinner at the Parish House.

Candidates for Confirmation are Celia Carr, Nancy Farr, Judy King, Faith Judd, Donna Sue Pounds, Robert Farr, Howard Payne, William McCreary, Milton Stokey Jr., and Edward Touchton Jr.

Al Taylor To Open Store Next Week

Elmer "Al" Taylor is the new owner of the Firestone Store, and will reopen the store Thursday, June 18. Look for his ad elsewhere in this paper.

Mr. Taylor was stationed at the Bombing Range during the war. He is married to the former Ruth C. Pendleton of Avon Park, daughter of Mr. and Mrs. S. J. Pendleton.

After nearly five years in the Armed Forces, Mr. Taylor earned his Bachelor of Science degree at Sioux Falls College, South Dakota. He also has a Master in Letters degree from the University of Pittsburgh, where he specialized in retailing.

He has had considerable experience in department stores, and for the last three years was with Burdine's, Inc., in Miami, as sales manager for radio, television, and major appliances, and later, as assistant buyer in budget furniture .

He attended the fall and Christmas Firestone Merchandise Fair in Jacksonville this month, returning to prepare his store for its grand opening.

Mr. Taylor is also a tenor soloist, having appeared before audiences and on the radio. He has been Minister of Music at Calvary Baptist Church in West Hollywood during the past year, and previously directed the youth choir of the First Baptist Church in Miami.

Mrs. Taylor, who taught at the Ada Merritt Junior High School, Miami, last year, will teach in the Avon Park school next fall. She received her Bachelor of Arts degree from Sioux Falls College, and has taken graduate work at the University of Pittsburgh and University of Miami.

PFC. ROBERT F. RIGDON

Avon Park Boy Given Purple Heart

With the First Marine Division In Korea—(Special to the Avon Park Sun)—Marine Pfc. Robert F. Rigdon, 19, son of Mrs. E. Rigdon of 715 West Cornell St., Avon Park, was recently awarded the Purple Heart Medal by his battalion commander, Lt. Colonel A. D. Cereghino, for wounds received in action against Chinese Communist forces in Korea.

Still Sisters Now On Television

"Local girls make hit." This statement may well come true in the case of the "Still Sisters"—Clara Jo and Shirley — singing daughters of Mr. and Mrs. Virgil Still of 310 W. Bell St. The girls are part of the cast of the Dixie Jamboree program being featured on WSUN-TV, St. Petersburg. The program is on television from 9 to 9:30 p.m. each Thursday night.

The girls got their break when Charlie Arnett, program master of ceremonies, was in Avon Park May 1, searching for talent. The girls were given auditions here and at the TV station, resulting in their being placed on the program for 13 weeks.

The new television station started operating Sunday, May 31, and the girls made their first appearance the next Thursday, June 4.

Clara Jo and Shirley ,are well known in Avon Park for their appearances in the annual Firemen's Minstrel during the last three years. They have also sung duets on various school, church, and civic programs. For several months, they appeared on Dutton's Saturday Night Jamboree, formerly a Saturday night feature of Radio Station WJCM, Sebring.

Several people here have reported picking up the Thursday night TV program.

How long the Still sisters will be with the Dixie Jamboree depends on how well the public likes them and the program.

Mr. Holt Coming To Avon Park

Brother Albert Holt of Blackwell, Oklahoma, former minister of Avon Park Church of Christ, is coming for a series of gospel sermons. Beginning June 14 through June 26, with services Sunday 11 a.m. and 8 p.m. and daily 8 p.m. Mr. Holt would be glad for his friends to come meet and hear him again in his Bible Messages. He extends to all a welcome to come.

Mrs. Jennie Ferrell of Gladwin, Michigan, will arrive this week-end to be the guest of Mrs. C. H. Shepherd.

Baccalaureate Service Sunday

To seek to know and to follow God's will in choosing an adult career, was Dr. C. H. Bolton's advice to the young people who heard his Baccalaureate sermon for the 1953 graduating class, Sunday night, June 7, in the high school auditorium. Dr. Bolton, who mingled wit with his serious address, stressed two main channels of life—the scientific and the moral—and stated that while the scientific is immensely important, the world has a great need of moral leaders today.

Other ministers participating in the Baccalaureate service were: the Rev. H. D. Graetz, invocation; the Rev. C. W. Wyant, prayer; the Rev. E. T. Corbin, scripture; and the Rev. Ray Fitzgerald, benediction.

A trio, composed of Yvonne Rutledge, Jane Maxwell, and Norma Woodruff, sang two selections—"My Task" (E. L. Ashford), and "We Thank Thee, Lord," (Peter D. Trach). They were accompanied by Mrs. Frank Morgan at the piano.

Barbara Moseley, accompanied by Mrs. J. B. Coen, sang "On Calvary", by Stephen Adams.

The band played the processional and recessional.

Marshals were Arlene Sargent and Jane Maxwell, top Junior Class honor students. Ushers were also Junior honor students: Peggy Martin, Rachel Smith, Gloria Sheffield, Glenn Welch, Rachel Lee, Carolyn Bolt, Jim Wilhite, and Rosa Lee Roland.

$350 Added To Teachers' Pay

Highlands County teachers will receive $350 more for the 1953-54 term than for the term just ending. This pay boost is in addition to the $200 raise approved by the 1952-53 term by the freeholders.

The legislature granted the $350 raise. Then, on Tuesday, the county school board voted to continue the $200-a-year raise.

When the $200 jump was granted, it was based on a voted increase in the milliage to provide the additional funds. At that time, the board promised to divert this milliage for the $200 to the building and bus restrve fund, if and when the legislature granted a substantial raise to the teachers. This promise has been kept.

The money to replace the receipts from the millage will come from increased race track revenue, increased railroad, telephone and telegraph valuations, and from increased assessments throughout the county.

The board also appointed the following teachers: Mrs. Josephine Bigelow, Mrs. Boyce C. King and Boyce King at Avon Park; Mrs. Wilma Inez Purnell at Sebring; and Freddie Lee Patterson at Hopewell School, Avon Park.

Rotary News

The summer slump seems to be on according to the attendance at Rotary Wednesday, and you Rotarians that failed to attend, missed a very interesting talk by Rotarian Dr. C. J. Larsen of the Walker Memorial Hospital. Dr. Larsen gave a very good talk on the "Killer Disease" heart trouble.

The Rotary News Flash, states "that your attendance for May was 89. It would be nice to give Herb better than 90 for the final month of his term as president."

Captain Carver Writes From Korea

1 June 1953

Mr. Arthur Kinney
c/o The Avon Park Sun
Avon Park
Florida

Dear Art:

On the 14th of January, after a fast four day plane trip across from California, I landed in Seoul, climbed into an army single engine plane and in less than an hour, I was sitting up here with the Seventh Infantry Division. The boy whom I was to replace hustled me over to the Division Artillery Commanding General's office. As soon as we got into the inner sanctum, he introduced me to the general and told the general that I was his replacement, and the new division artillery air officer. The replaced shook hands with the general, returned to his tent, packed his bags, and caught the last plane leaving for Seoul that day. That was almost five months ago and I have been as busy as a window washer outside of the tenth floor with a busted safety belt every hour since.

As Division Artillery Air Officer, I am "Number One Honcho" as the Koreans say, meaning "Strawboss" or "Foreman" of the air section which furnishes the light aircraft used to observe the enemy. We keep planes up over the front lines with an observer and pilot on board and every time we can find anything belonging to "Commie Chink" or himself out in the open, we "Clobber" him as the infantry boys say. This "Clobbering" business consists of shooting at him or his supplies with our artillery. Unfortunately, "Clobbering" is not all one sided.

The general setup over here is excellent, that is, for a war. Since the lines are more or less stabilized, the boys live in bunkers, they compare favorably with concrete culverts with the ends closed, and tents, or "Hoochies" as the Koreans think of them. Our "Hoochies" are winterized, meaning that they have wooden floors and wooden sides up to about four feet above the ground. Also we have oil stoves which we kept burning 24 hours per day during the winter months. Hot and cold running water is always available. You tilt the five gallon can for the cold water and dip from the bucket on the stove for the hot water. The remainder of our bath is not quite so modernistic.

I have not had an opportunity to visit any of the Avon Park boys. I understand that there are several of them down around Pusan. During my next assignment over here I hope to roam around the country some. Army Aviators are sent over here to serve about a year during which time they must serve in two different assignments. I do not know definitely what I will get in when I leave here, which should be in two months or less, but most of the second assignments seem to be much less time consuming than the first one.

I have been keeping up with the Avon Park Sun news and enjoying every line of it. The only thing about Korea that resembles Florida is that they are both peninsulas. I would not trade two sour orange trees and ten square feet of the everglades for the whole of Korea if I had to stay here.

My regards to the Rotarians. I am looking forward to the time when I can again have the priviige of lunching with them.

Very sincerely,
Weyman

FLETCHER GRIFFIS CHOSEN TO ATTEND RED CROSS CAMP

Fletcher (Buddy)Griffis, Avon Park High School sophomore and vice president of the student body for 1953-54, has been chosen to represent the local school at the Junior Red Cross Camp, to be held at Tuxedo, North Carolina, from August 20 to 29, 1953.

Mrs. Warren Wooden, director of the Red Cross for Highlands County, advised that attendance at this camp is in the form of a scholarship and all expenses will be paid by the Red Cross organization.

The Avon Park representative will be joined by other persons from Sebring and Lake Placid at the instructional camp.

43 Students Received Diplomas Tuesday Night

Forty-three young men and women received their diplomas as graduates of Avon Park High School at the high school auditorium Tuesday night, June 9. One, Charles Wayne Marshall, was absent because he is in the Armed Forces. His mother, Mrs. Henry Marshall, accepted his diploma.

A large audience enjoyed the interesting address by Dr. Robert MacGowan, Professor of Philosophy and Dean of the Chapel at Florida Southern College. Dr. MacGowan spoke of the "Winds of Destiny" now blowing over the world, and exhorted the graduates to work hard today, for the time of day-dreaming is past. Dr. MacGowan, who speaks with an interesting Scots accent, liberally flavored his talk with pungent humor; and was blunt in his condemnation of certain phasese of modern life.

He referred to speaking here five years ago. At that time, he said, J. C. and Moe Walker were doing a big thing for our school in baseball. Now he finds another "big thing" at the school—the band—and wonders what new thing will be done within the next five years.

Charles Tidwell, minister of the Church of Christ, pronounced the benediction.

Barbara Moseley, valedictorian, and Charlene Delegal, salutatorian, presented excellent addresses.

The Senior players joined the band for two numbers. Later the band without the Seniors, played a tone poem, with Susan Brown as reader. The band played the processional and recessional marches.

Following the program, A. B. Wilhite, supervising principal, presented the awards.

Barbara Moseley received the Reader's Digest award. The Col. Bailey medals, awarded each year to the girl most thoughtful of others and the boy who is the purest, gentlest, and most courteous, were presented to Carolyn Scott and Arnold Roland.

Thomas Jenkins received the Senior Honor award. This award, chosen by faculty vote, is given to the student for dependability, scholarship, leadership, sportsmanship, and loyalty. The student's name is inscribed on a large gold ring which remains in the high school.

Mr. Wilhite then told that the graduating class had given to the school two electric water coolers, a new hall clock, and a powerstat for stage lighting effects.

The awarding of diplomas closed the program.

Senior honor students were Barbara Moseley, Charlene Delegal, Thomas Jenkins, Carolyn Scott.

Ushers were: Jane Maxwell, Arlene Sargent, Peggy Martin, Rachel Smith, Gloria Sheffield, Glenn Welch, Rachel Lee, Carolyn Bolt, Jim Wilhite, Rosa Lee Roland.

A reception for the Seniors was held at the Jacaranda Hotel following graduation. Preceding events were Class Night on Monday, and the Senior Breakfast, given by P.T.A., Monday morning at the Methodist Church.

'COON ATTACKS CHILD ON CITY STREET

Barbara Harden, who is almost five, was sitting quietly on her tricycle in front of Dr. King's house on Forest Ave., near her home, Friday afternoon, June 5, — just having a good time by herself, with her feet cocked up on the handlebars. Suddenly a raccoon dashed from under the King's house and made for her. The animal's teeth fortunately hit the leather tricycle seat instead of Barbara.

Barbara's parents, Mr. and Mrs. Harvey Harden, heard her screaming and rescued her. A police call was made. City Policeman Blanford, in the patrol car, drove to the scene and shot the 'coon, a female, which had crawled back under the King house.

Mr. and Mrs. Milo Christiansen of Detroit, Mich., spent Thursday, June 4, with C. B. Geiger.

Florida Citrus Mutual Conducting Membership Drive

Lakeland — Florida Citrus Mutual is looking for more muscle.

It needs—and is hunting—more members to give it the added effectiveness which will enable it to do bigger and better thing for its grower members.

Several hundred members, armed with facts and figures, will try all during June to induce growers not now signed up to join the big cooperative.

They hit the road early Monday morning, when the membership drive got underway officially, and hope to add at least 450 new names to the Mutual roster.

Robert W. Rutledge, Mutual general manager, has sounded the theme which the campaigners will use:

"More members mean more effectiveness — more effectiveness means more profits."

Officers of Mutual's 40 "grass roots" Grower Councils are spearheading the drive, but scores of ordinary members also are teamed for the campaign.

The three officers — chairman, co-chairman and secretary — of each Council form the nucleus of the two-score teams which will tell non-member growers of Mutual's accomplishments during the current season and emphasize how much more it will be able to do when it represents even more of the state's citrus production.

Meeting Held By Game and Fish Commission

Tallahassee— Charles W. Pace, Daytona Beach sportsman and conservationist, was appointed Director of the Game and Fresh Water Fish Commission at the re-organizational meeting of the Commission here June 4.

Pace, who operated a fishing tackle store in Daytona Beach for six years, succeeds Ben L. McLauchlin, who had submitted his resignation to become effective at the first meeting of the new group. The new director is a director of the Florida Wildlife Federation and a member of the Halifax Hunting and Fishing Club in Daytona Beach.

The Commission also elected John S. Clardy, Ocala, as Chairman. Other members of the Agency include A. Sterling Hall, Bradenton; E. W. Hinson, Quincy; Henry M. Jernigan, Ft. Pierce; and Miller V. Joiner, Jacksonville.

The motion to employ Pace as the Director was made by Joiner and seconded by Jernigan with an amendment that his salary be determined by the Commission at a later date. It was also suggested that O. Earle Frye Jr., of Tallahassee, be retained in his position as assistant director of the new group.

Requested an audit of the new books for a period ending June 3, the date of the first meeting of the new Commission.

Have You Missed Your Dog?

Has your pooch come up missing? If he has, he may be in the City Dog Pound.

The police are making a drive on all dogs that do not carry a dog tag, showing the animal has been innoculated ,and at present have about 20 dogs in the pound.

All dog owners were notified several weeks ago to have their dog innoculated. Any stray dogs are now being impounded. You may redeem your dog by paying the board bill and having said dog innoculated and buying a city dog tag.

The city will hold a dog 5 days and if not claimed then the animal will be destroyed.

King Sole Owner Of City Market

Clarence F. King, who has been half-owner and manager of City Market since 1945, has bought out his partner, Alton Elder. Mr. and Mrs. King will now be sole operators, she continuing as cashier. Cliff Thomas will remain at the meat counter.

Mr. King plans to slaughter meat, but will continue to sell quality U.S. beef. He says to watch for his ad in next week's issue, which will announce the lowest meat prices seen here since Hoover days.

He also says that the offer of a free Coke to the customer who is not greeted with a smile still goes.

AVON PARK TIGERS PLAYING GOOD BALL

Sunday afternoon at 1:45 o'clock the Avon Park Tigers will meet the Clearwater Black Sox in a double header at Head Field. These games shuold be well worth seeing as the Tigers have been playing some real fast bell.

On Sunday, May 31st the Tigers took a double header from the Bradenton Nine Devils, winning the first game by a score of 2 to 1, and the second game by 4-1.

Sunday, June 7th the Tigers met and defeated the Plant City team by a score of 5-3.

NOTICE

Notice is hereby given that Clarence F. King and Alton Elder have dissolved the partnership operating the City Market, and that Clarence F. King is the sole owner of said City Market. From and after the date of June 5, 1953, Alton E. Elder will not be responsible for any further debts or obligations of the said City Market.

Clarence F. King
Alton E. Elder

These young people will attend the Florida Baptist Assembly in Deland June 11-19: Edris Durrance, Shirley Moseley, Gloria Davis, Mary Jane Downs, Herbert A. Baughan Jr., Freddie Guerndt, Walter Cook, Willouise Wilson, and Rachel Smith. Dr. and Mrs. C. H. Bolton will also attend, Dr. Bolton teaching a Training Union course.

Seniors Go On Enjoyable And Educational Trip

Twenty-nine members of the senior class accompanied by Principal A. B. Wilhite and Mrs. J. L. Delegal, boarded a bus driven by R. D. Reddick at 7:00 A.M. on Thursday, May 28, and were off for the Annual Senior Educational Trip.

After enjoying the scenic beauty of the hills, lakes, and citrus groves along the route of the new Highway 27, the first official stop was at Ocala's Silver Springs. Here the party went aboard the glass-bottomed boats and viewed with interest the many forms of marine life in its natural habitat in the crystal clear water.

The Jungle Cruise provided many learning situations, including plant life oddities, animal life study, such as water fowls walking and flying here and there, turtles, alligators, monkeys basking in the sun, as well as many other creatures moving here and there.

The excursion was concluded with a visit to the Ross Allen Reptile Farm and animal show. The guide provided us with much information and entertainment relative to animals in the Zoo.

After partaking of a much-needed meal, the group of 32 climbed aboard the bus labelled, "Avon Park High Seniors" and were off to Florida's oldest city, St. Augustine.

Arriving at St. Augustine at about 6:30 p.m., the group went directly to the pre-arranged-for Alhambra Hotel and found their rooms and then went to supper; then began to search for oddities along the streets and ended up the evening by attending a fine movie.

Friday morning after breakfast, we toured the city. Places visited included the oldest house, the old mill, the oldest school house, the Wax Museum, the old Fort and other places characteristic of the old city.

Following the pre-arranged time schedule, at 1:00 p.m. we were checked out of the hotel and on our way to Marineland, arriving there in time for the 2:00 o'clock feeding of the porpoises. We were a little disappointed to find that visitors could no longer serve as chief feeders of the sea life monsters, but all enjoyed the antics of the porpoises and their leaping for a diet of fish held high above the Aquarium by the feeder.

From Marineland, we followed the ocean highway to our Friday night's destination, the Daytona Terrace Hotel. Arriving there we discovered that a senior group from Arkansas was already there and well acquainted with the environment.

Later we went to the beach for a much-needed dip and swim, then to supper and to the show, "Salome" (a fine religious education film).

Saturday morning back to the beach where we found several senior touring groups. After checking out of the hotel, we went to town for lunch and a shopping tour. We then boarded the bus again for Avon Park, arriving about 5:30 and a good time was had by all.

SCHOOL PERSONNEL TO ATTEND NATIONAL RED CROSS SCHOOL

Four members of the teaching personnel of the local schools will attend the National Red Cross Aquatic School to be held at Daytona Beach June 10-20.

Those attending will be — Miss Lucille Harding, Physical Education Instructor for girls, Miss Jamie Lee Whitaker, elementary school teacher and summer program worker, Earl Varnes and J. C. Mathews, high school teachers and instructors in the summer program.

The Red Cross sponsored program will consist in training in swimming, life saving, and first aid.

After completion of the course, attending personnel will be much better qualified to carry on an instructional program of education and recreation.

Representation and participation in the above program has been arranged by the Highlands County School Board of Public Intsruction and Principal, A. B. Wilhite.

State Cattlemen To Meet at Sebring

Major topic at the Mid-Summer Conference of the Florida State Cattlemen's Association in Sebring June 16-18 will be what the Florida legislature did—or didn't do.

But the 300-odd cowmen and their wives who attend will also have a topnotch social program to occupy their spare time, including a dinner and inspection of the 4-H Camp at Lake Placid on Tuesday night, and a barbecue and dance at Harder Hall, the official conference headquarters, Wednesday evening.

Another feature will be a tour of Highlands Hammock State Park on Wednesday afternoon, according to N. B. Jackson of Venus, president of the host Highlands County Cattlemen's Association.

For the first time in history, the Mid-Summer Conference will take three days, just as is the case with the November annual meetings.

On Tuesday, June 16, the board of directors will have a meeting at Harder Hall and the group will go to the 4-H Camp at Lake Placid that night for an inspection tour and supper.

Business sessions, at Harder Hall will start promptly at 9:30 a.m. on Wednesday, June 17, with a welcoming address from the Mayor of Sebring and from Jackson, and a response from the Association. Report of legislative activity will be given, and a top speaker, whose name has not yet been announced, will talk.

Wednesday afternoon will be devoted to committee meetings, bull sessions and the tour of Highlands Hammock State Park, and the barbecue and dance will begin at 7:00 p.m., also at Harder Hall

Thursday morning's business session will conclude the conference, with another top speaker, reports of committees and passage of resolutions scheduled. Meeting will adjourn at 12:00 noon.

RECORD-BREAKING GAS MILEAGE
for the driving YOU do!

This year's Chevrolet brings you the most important gain in economy in Chevrolet history. And it's the kind of everyday economy that saves you money *wherever* and *however* you drive!

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

New high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide* models—and the advanced 108-h.p. "Thrift-King" engine in gearshift models—deliver *more* power on *less* gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most—important gasoline savings for the driving *you* do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

**Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission available on "Two-Ten" and Bel Air models only.*

You'd Be Amazed at Your Savings...

with *Aero Willys*

With an Aero Willys, if you average only 27 miles a gallon, for 10,000 miles you would use about 370 gallons. At 26c your gas would cost only $96.20 a year. (*Reports have been received of special tests showing up to 35 miles per gallon, with overdrive.*)

If you average 15 miles a gallon with your present car, and drive it 10,000 miles a year, you would use about 666 gallons of gas. Regular gas at 26c would cost you $173.16 a year.

The difference you can save on gas alone with the Aero Willys may be as much as $76.96 a year . . . but you also save on oil, repairs and other maintenance. In addition to economy, this low, young-looking, stylish car is extremely comfortable, has the ruggedness of the 'Jeep' . . . the luxury of an airliner . . . has been judged *the safest car of the year* by Motor Trend Magazine.

"I can buy 2 summer dresses with the gas savings on my Aero Willys."
"My savings on gas with my Aero Willys goes for a new suit."
"I plan to use my Willys gas savings as a down payment on a power mower."
"I figure our gas savings will help on the doctor bill."
"Aero Willys saves me enough to help pay my vacation."

Regular Meeting Of City Council

Members Present: Mark Smith, Mannin Kirkland, J. B. Sparks, W. C. Thomas. Absent: Leonard B. Rush.

Ivan Long appeared in regards to maintaining a commercial business in a residential zone. He denied that he was creating a nuisance and several of his neighbors supported him in this stand. The matter was referred to the Zoning Board for handling.

Mr. Butler, representing Hunnicutt and Associates, stated that he had a bill of $2,365.37 outstanding against the City for the 1951 tax assessment. He stated that they wished to compromise this bill in order to make a settlement of it. He was advised that the City denied that the amount billed was correct according to the work agreed upon by the former City Council. Mr. Butler stated that he would contact the City again after a conference with Mr. Hunnicutt.

David Maddox stated that his dog was in the city dog pound and he wanted to know how he could have him released. He was informed that it would be necessary for him to pay the impounding fee, plus the dog's board bill, plus a deposit which would be refunded when satisfactory evidence was presented to show that the dog had been innoculated.

Fire Chief Giddens said that a new roof was badly needed on the Fire Station as it was leaking considerably at present. He said that much damage to plaster and woodwork was being caused by the water. He was authorized to repair the roof as well as possible.

A discussion of delinquent personal property taxes was held. The City Attorney has notified each person owing personal property taxes that they are to be paid prior to June 15, 1953, or a warrant will be issued.

Motion by Councilman Kirkland, seconded by Councilman Sparks to instruct the City Attorney to draw an Ordinance setting the time for holding of ballots following regular and special city elections. Motion carried unanimously.

Motion by Councilman Kirkland, seconded by Councilman Thomas to pay all electricity bills on the softball field. Motion carried unanimously.

The City Attorney called attention to the fact that a bill had been passed in the 1953 Legislature putting city firemen under Civil Service and stated that the next step was to appoint the Civil Service Board consisting of three members of different vocations, one fireman and one Councilman.

It was the decision of the Council in regards to a request for electricity to be furnished for Orange Belt League games that they would be unable to do this due to present financial conditions.

A report was given that a privately owned car had been pulled in by a wrecker by orders of a city policeman after being left on a street overnight. The City Clerk was asked to investigate and report to the next Council meeting.

Motion by Councilman Sparks, seconded by Councilman Thomas to transfer J. B. Culpepper to the Water System as of June 1, 1953 and to pay one-half of the salary of Mrs. [illegible] C. Moseley from the Water System. Motion carried unanimously.

A discussion of the tractor and mower purchased by the City in January of this year which has not given satisfactory service was held. The City Clerk was asked to write the manufacturer and request a demonstration by their representative to see if the tractor could give the service desired.

H. C. Little writes from New York State that he and his wife "are back in Syracuse, after the long trip north, which we do not like. There have been a few warm days but mostly cold, rainy, and generally miserable. We wish all the time we were back in Avon Park." He sends best regards to his Florida friends.
