Dear Sir:

Would you please publish the enclosed letter in the Avon Park Sun, as I am quite sure that most of your readers will enjoy it, because nearly all Southerners are pro-British. I think, on account of the fact that England was on their side during the Civil War, and lost their millions of pounds without receiving a penny in return.

I have spent five winters in Avon Park, and I like the layout of the city and the people very much.

Yours very truly,

"The Word Of An Englishman"

Although I have told the following incidents many times, I think that they should be published so that others will know of the wonderful people there are in Great Britain.

For many years before the Second World War we shipped our small apples to the "Mother Country", and the steamship company that took the fruit, insured it with an English or Scottish company.

On one occasion this was not done, and strange to say, that very time the ship "Concordia", on which the apples were loaded, was sunk off the coast of Nova Scotia, taking all the freight with her to the bottom of the ocean.

We immediately wrote about the loss to our consignee, Messrs. George Carruthers and Son of Glasgow, Scotland, and to our surprise, amazement and delight we received a letter from Messrs. Carruthers containing a cheque from an In-

Soil Conservation News

By Sam Polston

U.S. Soil Conservation Service

Several cooperators of the Highlands SCD are installing water control systems recently laid out by the Soil Conservation Service Engineers. Among them are R. J. Hargrove of Venus, Carl McIntyre, W. M. Paine, Marvin Kahn, of Sebring, and Roy Seims, W. F. Ward, and Dressel Brothers of Avon Park.

The systems being installed are dual purpose. They consist of a series of shallow ditches with control structures so that just the right amount of drainage can be obtained to prevent damage to the improved pasture during rainy season. During dry weather water is pumped from wells or streams into the ditches and regulated with the controls for seepage irrigation.

The Highlands Soil Conservation District cooperators made outstanding progress during the first six months of 1957 in establishing conservation measures on the land, as follows: 2123 acres of new pasture planted, 43 miles of ditches constructed, 39 water control structures installed, 5 seepage irrigation systems on 932 acres, two miles of dike built, 33 miles of channel improved, and 1120 acres of land improved for wildlife.

The Highlands District was voted into existence in 1942. It is now actively working with 354 land owners covering 45% of the agricultural land in the county. Five land owners are elected for four year terms to serve as supervisors. They are now Kathryn Waggoner, Ivey Pugh, Charles Metcalfe, and C. R. Disher. Jack Ingle of Sebring resigned July 1. The annual election will be July 9. Freeholders can vote at South Florida Motor Co., Sebring, Polk Hardware, Lake Placid, Walcott Grocery, Lorida, and City Hall, Avon Park.

See you and your plants at the Annual Plant Exchange. Tuesday, July 16, from 8 til 12 in Donaldson Park.

The Annual Plant Exchange Tuesday, July 16, from 8 til 12 in Donaldson Park has plants for everyone. Come and exchange plants.

As they were about to finish they shook hands, and they both said "Lingua Anglica". Do you get that? Two men of Spanish descent clinching their bargain "On the Word of an Englishman". The only people that had ever heard tell of who never broke their word in a business deal! Hats off to the British!

An angry man is Sylvester T. Bly.

Who today was sold a piece of "blue sky."

He'd stepped in a showroom—out of the rain,

Was sold a new car before he could explain!

How he hated the styling—so high and square

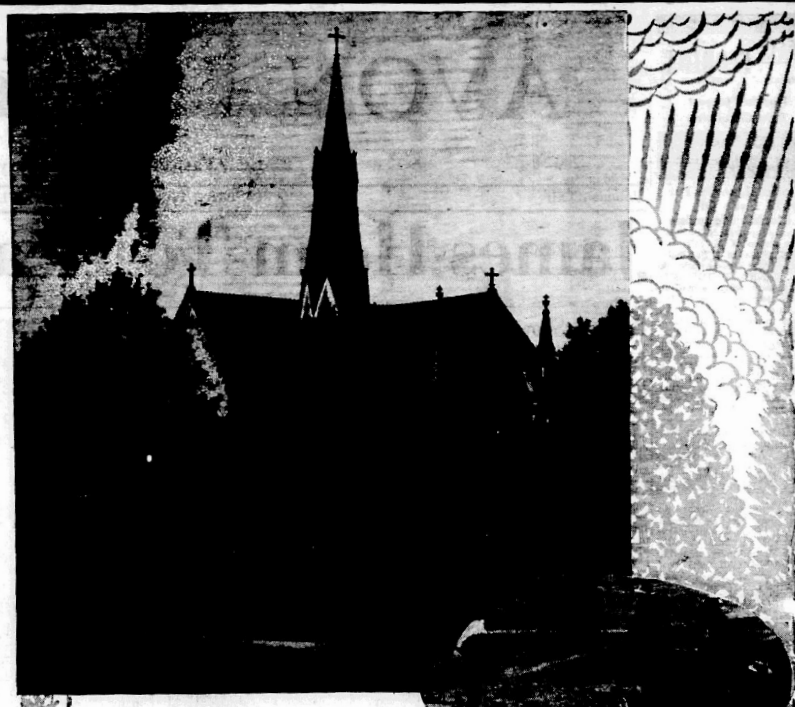

And in new features it was really bare.

"I got a real bargain—the boy of my life—

But how do I ever convince my own wife?"

Moral: You're paying for a new car... make sure you get one!

When you buy a new car, put your money on tomorrow—not yesterday. Swept-Wing Dodge actually *obsoletes* other cars in its field. Should you invest in high, boxy styling when Dodge offers the low, low look of tomorrow? Should you invest in outmoded coil springs when Dodge offers new Torsion-Aire Ride? Should you invest in an old-fashioned lever-type transmission when Dodge offers the ease of Push-Button Driving? In other things, too—engines, brakes, interiors—Dodge is years ahead. So put your money on tomorrow. See your Dodge dealer. Join the swing to the Swept-Wing Dodge!

LOOKING FOR GOD

Some say you find God just as well in a garden, in the woods, or on a golf course as in a church—that God is everywhere. But be honest about it.

Are you not more apt to think of weeds, or mosquitoes, or a poor host than you are of God? And after all, you have made this outing to seek pleasure.

But when you go to church, it is with the specific intention of worshipping. Here you engage in prayer, praise and thanksgiving. Here you mingle with people who are seeking God and have come to feel His presence. In the quiet beauty of a church you find few outside distractions, and you know that this place is dedicated to the service of God.

For peace and happiness which comes from really feeling God's presence, worship in the house of the Lord this Sunday—make it a regular practice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of the community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sam's Truck Stop Restaurant is located on Highway 27 South and is under the management of Mr. and Mrs. Glenn Hancock, who have been residents of Avon Park for the past four years.

The interior of the restaurant is covered with beautiful knotty pine panelling which is very pleasing to the diner, and for more dining comfort an air conditioner has been installed.

The restaurant will seat 52 diners at one time, and there are four pleasant waitresses to greet you. Meals are served 24 hours a day, seven days a week, and the diner has a large selection of home cooked meals from which to choose. At lunch and at dinner the diner has a choice of one of four meats and two of six vegetables plus a salad and either iced tea or coffee, a complete meal, the best in town, for less than a dollar.

The very best Western steaks and seafood platters are served at any time day or night. And at all times a la carte dishes are prepared for the customer. The restaurant is becoming well known for their a la carte baby sirloin steaks, no bones or gristle, with french fries, lettuce and tomato salad, and the best coffee in Avon Park. So why not drive out and try one of their famous meals.

While you are enjoying a home cooked meal with Millie and Glenn have your car serviced at Sam's Truck Stop Station which is operated by Forrest Outlaw.

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY... ITS BEST SHOWROOM IS THE ROAD.

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable roadability, the crisp precision handling that has posted an entirely new standard for cars in every price class. There are reasons for this, of course: Chevrolet's balanced weight distribution that takes

excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's a car specifically designed for beautiful motion—you have to travel in this one to know just how terrific it is. Try it, this week!

Here's a completely new, more powerful 7,000 pound GVW Forward Control 'Jeep' Truck.

• More cargo space on less wheelbase! A 9-foot pickup box on a wheelbase only 108 1/2 inches long! Bed is only 27 inches from ground for back saving ease of loading!

• More efficient space utilization! Compare it with any other 4-wheel drive truck — you'll find that only the 'Jeep' FC-170 gives you so much cargo space per inch of wheelbase!

• All-time high for "big-load" maneuverability! The new FC-170 Truck is the only 4-wheel drive truck to give you "go-anywhere" 'Jeep' maneuverability with a payload capacity of up to 3500 pounds!

Other outstanding features! Locals....

Mr. and Mrs. Robert R. King and their children, Mary Ann, Robert, and Elizabeth, have returned from a two week vacation tour of the eastern states and Canada. The Kings visited the famous Jamestown Exposition which is the reconstruction of the original colony and thought it was very worthwhile in which the colonists came to America which have been restored. In Canada they were particularly impressed with Quebec City which they reached by a 130 mile drive through beautiful Canadian countryside along the St. Lawrence River. The people of this part of Canada speak French and a good many of them do not understand English at all. The children enjoyed watching a baseball game played by Canadian children in the French language. They saw many dog carts and horse and buggy used for transportation here. Quebec City is a beautiful place with many interesting spots to visit. The Kings stopped at New York City on their way home and took a quick tour of the Empire State Building, Radio City Central Park, and rode the subway. It seemed good to get back to a place where the people are not crowded so closely together as in many of the places they saw on their trip.

Dr. and Mrs. C. Ostling had as their guests this week end for the 4th of July, Mr. and Mrs. Mark Traynor of Winter Haven, and Mrs. Ostling's sister and brother-in-law, Mr. and Mrs. William Oppenauer daughter, Kathleen, of Melbourne. Mrs. Ostling and Mrs. Oppenauer celebrated their birthdays which are July 7 and July 9 last weekend.

Guests at the home of Mr. and Mrs. Clyde Hill Monday were their cousins, Mr. and Mrs. Victor Wyatt and their children, Sammie and Pattie, of Arlington, Va. The Wyatts are on a vacation trip to Florida and will try to see all of the state they can. Monday night the group was joined by other relatives for a reunion supper. There were Mr. and Mrs. D. H. Adams, Mr. and Mrs. E. F. Adams, Mr. and Mrs. W. Adams, Mr. and Mrs. Dolan Hill and Mrs. Edna Adams. Guests of Mr. and Mrs. M. McCabe last week were Mr. and Mrs. C. B. Martin.

Mr. and Mrs. C. B. Martin have returned to their home in Madison, Wis. after a pleasant visit with their parents, Mr. and Mrs. B. F. Martin. Guests of Mr. and Mrs. Robert Montemayor for the 4th of July and last weekend were Mr. and Mrs. C. M. Parnell of Miami Beach, Mr. and Mrs. Montemayor's sister, Mrs. Harmon Atkins has been the scene of a reunion of three brothers and their families. The brothers who are meeting for the first time in nine years are Mr. Theo Weisheyer of Avon Park, Mr. George Weisheyer of St. Louis, and Mr. Jake Weisheyer of St. Louis. Mr. George Weisheyer and Mrs. L. M. Parnell and their sons, Ronald and Bruce have also been present to join the fun. The group spent the fourth of July at Everglades. City deep sea fishing and everyone had good luck. They have been to Silver Springs, Highlands Hammock, and other interesting Florida attractions.

Guests of Mr. and Mrs. C. R. Wingfield, Sr. are their son and daughter-in-law, Mr. and Mrs. C. R. Wingfield, Jr. and their daughters, Carol, Jan, and Marian, of Atlanta, Ga. They plan to stay for about two weeks. The group has taken several trips to points of interest nearby. Legion Wins Over Ft. Myers

The Ft. Myers Junior American Legion Baseball team scored a run in first inning and held on to a 1 to 0 lead over the Avon Park Post 69 team for four innings before the local boys could push across two runs and take the lead in a return game played in Ft. Myers last Friday night, July 5. Neither team could score after that, although both teams had runners on third base in the last innings.

This was the second win over Ft. Myers and the eighth straight win in as many starts for the Post 69 boys. They have beaten all the teams in the league once and Wausau and Ft. Myers twice.

Fire breather Dale Landress pitched for the Post 69 team and gave up only two harmless hits, a double and single to lead 12 runners left on base.

Avon Park's hitting improved somewhat as they collected six hits off Wiles. Jimmy Coop's triple that scored both Avon Park runs was the lead-in blow. Billy Rouse, Tom Doughty, Tom Bass, Leroy Stirling and Winkie Williams all got singles. Wiles walked only two Post 69 batters.

Ft. Myers scored in the first inning when Landress hit the first batter and issued walks to three others.

Visiting Rotarians Wednesday included Rev. George E. Johnson, Vero Beach; W. W. Dunsen, Frostproof; Carrington Barr, Tampa and E. F. Armstrong, Hicksville, Ohio.
