loves to cut loose and cover the miles!

If you're looking for a real "escape artist," a car that loves to step out and get away from it all — well, it just happens that Chevy was born with that urge.

If there ever was a car that loved to cut loose and cover the miles, it's this one. Yet it's so easy to handle that it even makes city traffic seem a bit lighter and parking places a bit bigger.

Chevy's pretty easygoing out on the highway too. Not noisy. Far from it. You find, for example, there isn't a hill around that can make it breathe hard

—not with Chevrolet's high-performance V8 on the pullingsend. You've got up to 245* horsepower here for the biggest helping of driving pleasure found in the low-price field!

Chevy's new Positraction rear axle (optional at extra cost) adds still more pleasure. It delivers greater power to the wheel that grips, not the wheel that slips. You have surer control and better traction on any road surface.

Plans Made This Week For Summer Recreation Program

Tentative plans for the Summer Recreation Program were made this week according to Supervising Principal A. B. Wilhite. He announced that Coach Joe Franz, John Crittenden, Jamie Lee Edge and Lee Maness would have charge of the program of activities.

The Summer Program of events will run for seven weeks beginning for students on Tuesday morning June 25 and ending August 9. All students 9 years and up are invited to participate in the various activities.

The Midget League will be an outstanding feature of the summer for boys ages 8 to 12. The team rosters will be published next week.

A swimming program will be offered grade school children in grades 1, 2 and 3 if facilities are available. Beginning swimming will be taught with the cooperation of the Red Cross Water Safety Chairman.

Intermediate swimming will be offered at the same time to other age groups. Life-saving classes will also be offered for those who are interested.

Other activities during the summer will include sports and games and gymnasium activities at the Gymnasium. Day camping trips will be made on Fridays to Vero Beach, Hillsborough River State Park, Lido Beach and Zolfo Springs.

A complete schedule will be printed the week before the program gets under way. This will include other activities that are now in the planning stage.

Congregational Bible School Begins June 10

The third annual Daily Vacation Bible School will be held by the Union Congregational Church from June 10 through June 22. The theme this year will be "God and His World" with each class carrying out sub-themes. The Bible School work is interdenominational and all children from the age of four up are cordially invited to attend. The hours will be from 9 until 11:30 each morning with refreshments being served by Mrs. C. R. Ginn and Mrs. Robert Harter to the children each day.

There will be a picnic Friday, June 22, and a program showing the work the children have done that night.

The divisions of the Bible School and some of their teachers are: Kindergarten for ages four and five, "Friends Near and Far"; Mrs. M. G. Whitcomb and Mrs. Fred Montecore; Primary for ages six, seven and eight, "Our Families"; Mrs. Arlin King and Mrs. Mae Langman; Intermediate for ages nine and ten, "Meet Your Neighbor"; and Junior for ages 11 and 12, "God's World and Ours."

Dean Martin To Head Avon Park Youth Camp

DEAN MARTIN

The Avon Park Youth Camp will open Monday, June 10, for the summer session with Dean Martin, Avon Park graduate of Asbury College as director. He is the son of Mr. and Mrs. T. O. Martin. Fourteen young people, who are leaders in youth work, will be on the staff this summer.

Intermediate camp will be held from June 10 to 15, inclusive, and the senior camp will run from June 17 thru 22. Price for each camp is \$9.50 and reservations may be made by contacting for intermediates, Jane Smith, Route 1, Bowling Green, and seniors, Paul Payne, 4116 Weber St., Sarasota.

The morning period will be devoted to Bible study, crafts, chorus singing, dramatics in presenting the Bible, and other phases of worthwhile and interesting activities.

In the afternoon swimming and athletics will be featured to offer a well-rounded and enjoyable camp program. Special programs and events are being arranged for each evening.

All young people who are interested in good Christian fellowship and well planned programs, under the leadership of trained personnel are invited to attend. Reservations should be made as soon as possible. The camp management has made

Mr. and Mrs. Conrad H. Mochlman Moves Into Their New Home In Avon Park Lakes Development

A welcome committee from the Avon Park Chamber of Commerce called on Dr. and Mrs. Conrad H. Mochlman, first residents of the Avon Park Lakes Development, last Thursday afternoon, May 30, and the Chamber presented Mr. Mochlman with a selection of tropical plants and a basket of tropical fruits, jellies and jam to express to them the Chamber's appreciation of their selecting our community as their new home. Mr. W. A. Meyer, editor and publisher of the Sun, presented them with a years subscription to "Florida's Fastest Growing Weekly Newspaper."

The welcome committee is proud of the home which a nice and friendly couple and we are honored to have such a nationally known person as Dr. Mochlman, whose long career history can be found in Who's Who. He received his Ph.D. from the University of Michigan in 1918 and was ordained to the ministry of the Baptist Church in 1908. He is one of the nation's leading professors in the History of Christianity, and has written numerous books pertaining to Christianity which are used throughout the country.

Dr. Mochlman gave the address upon "The College Man and Religion in the Future" at the centennial celebration of the founding of the University of Michigan in 1907.

Dr. and Mrs. Mochlman were visiting in Frostproof last winter when he became ill. He was taken to Walker Memorial Hospital and Mrs. Mochlman moved to Lake Lillian to be near him. After he was released from the hospital they were nearly ready to return to their home in Avon Park, New York they decided to drive through the Avon Park Lakes Development to see just what all was being done.

They had no idea of purchasing a lot but stopped to look at the homes being built by Frank Honz and Wright Albrighton of Avon Builders, now they are glad they did because they purchased one of the new homes and are more than pleased with it and the development.

Mrs. Mochlman has furnished it very attractively with an air of Florida throughout her two bedroom home. Dr. and Mrs. Mochlman are now visiting in their former home town, Avon Park, N. Y., but are looking forward to their return in the fall to their new home.

City Building Permits Totaled \$71,850 In May

Red Devils Leave For State Tourney Monday

The Avon Park Red Devils will leave Monday morning for two games where they will play in the state high school class A baseball tournament. The Devils first opponent will be DuPont High School of Jacksonville, and the game will be played at 1 o'clock Monday night, May 10. If the Red Devils win over DuPont they will meet the winner of the Devils City. Perry game on Wednesday night at 9 p.m. The finals of the Class A tournament will be played Thursday night at 8 p.m. and a play-off between the Class A winners and the Class AA champions is scheduled for Friday night at eight o'clock.

The Avon Park nine, which has won 21 games this season without a defeat, has a good chance to go all the way in the state tournament this year. The team would like to bring home another state title to add to the two previous ones won in 1948 and 1955 by Avon Park baseball team.

This the eighth year that an Avon Park team has played in the state meet during the past twelve years. The Devils were runner-up three years in a row.

Abuse Of The Taxing Power

Abuse of taxing power by federal, state and local governments is "one of the most important aspects of government policy contributing to unstable conditions in transportation." That forthright statement comes from a top authority—Chairman Clarke of the Interstate Commerce Commission.

He then laid special stress on the federal three per cent excise tax on freight shipments—which, with an accompanying 10 per cent tax on passenger fares, was imposed as a World War II emergency measure, but is still on the books 12 years later. He said, "The present excise tax on freight is one of the most important reasons why private carriage is experiencing such a phenomenal growth at the expense of the for-hire transportation industry, the lifeline of our American economy."

Those who think a three per cent tax isn't so very forbidding would do well to ponder an

illustration cited by Mr. Clarke. Today most banks are paying three per cent on savings deposits, a higher figure than in the past, as an incentive to possible depositors. To quote Mr. Clarke again, "As a three per cent return is sufficient to stimulate the flow of funds in our banks, it is likewise more than sufficient to stimulate the growth of private carriage. What hard-headed business man won't take a second look at any opportunity to achieve a three per cent savings in his transportation costs?"

Anyone who wants to use private carriage is entitled to do so. But there is no reason or justice in government stimulating the trend artificially by continuing a special tax on the commercial carriers—a tax which acts as a brake on a great industry which is absolutely vital to our domestic prosperity and our military security.

The Big School Problem

Stewart Alsop, the liberal-minded writer on current affairs, recently made a little tour of some suburban schools. He was motivated in this by the proposal that the federal government provide funds for classroom construction.

At the beginning of this trip, Mr. Alsop was inclined to agree with the proposal. But at the end of it, he was no longer so sure. One reason for that is that the school situation, while serious in many places, "is not quite so desperate a crisis as it has sometimes been painted."

Another is that "if the federal government does move in, the federal government will stay in, despite the President's fond hopes."

Still another is that "surely there is something to be said for the notion" that the citizens of a state "should be financially responsible for the education of their children."

Finally, Mr. Alsop came away from his tour with this impression—"That the teachers and officials I met, all admirable people, were a little too much interested in the buildings the children were taught in, and not enough in what they were taught."

All of these moderately-phrased observations are important—and the last is the most important of all. We will put the cart before the horse with a vengeance if we lay heavy emphasis on the physical characteristics of our schools—and only secondary emphasis on what goes on in the classrooms.

"SERVICE ON ALL MAKE CARS"

COMRADES

Childhood is a brief span in the bridge of life. Yet it is during the early years that we lay the foundation for all that is to come.

Church School is over, and Eileen and Johnny linger on the church steps, talking about the lessons they've learned this morning. They both are excited because, under their teacher's guidance, the stories of the Bible are beginning to come alive for them.

We're not going to predict a "happy ever after" ending. We're not going to say that having met in Church School, Eileen and Johnny will go on seeing each other in church each week and that ultimately they'll grow up, fall in love, and get married. (Though, who knows? Maybe they will at that!)

But we are saying—and deeply believing—that through Church School these children and thousands upon thousands of other children are receiving religious education, an ever-expanding lesson in good fellowship, wisdom, kindness, and tolerance.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

DODGE outperforms
"other two" low-priced trucks!

CERTIFIED
TEST PHOTO

They're off! All three low-priced trucks are lined up at the bottom of a test grade equal to the steepest hill in San Francisco. The flag drops, and this grueling test of climbing power is officially underway. Dodge takes an early lead.

CERTIFIED
TEST PHOTO

Halfway up. The extra V-8 power under the hood of the Dodge sends it quickly ahead. It's already two lengths out front. And there's a 1000-lb. test load on each one of these comparably equipped trucks. What's more, Dodge is still gaining!

CERTIFIED
TEST PHOTO

Dodge flashes past the finish five lengths ahead of competition. Truck "C" and truck "B" just couldn't match that 204-hp. Power Giant. And this is just one of a rugged series of tests that prove Dodge is best of the low-priced three.

DO YOU KNOW?

by James D. Judd-Evangelist
church of Christ

STEPS INTO THE CHURCH OF CHRIST

In the Bible we are told exactly what to do to become a member of the New Testament Church. These steps can be found only in the Word of God. In Jeremiah 10:23, we are told, "It is not in man that walketh to direct his steps." Paul teaches in II Cor. 5:7, "We walk by faith, not by sight." Then, in Romans 10:17 we find, "So, then faith cometh by hearing and hearing by the Word of God."

1. The Word of God gives these steps into Christ and into His Church:
1. The sinner must believe that Christ is the Son of God. Mark 16:16; Acts 8:37; Hebrews 11:9; and Acts 16:31.
2. The believer must then repent of past sins. Acts 2:38, Luke 24:47, and Luke 13:3.
3. Confession must then be made with the mouth. Romans 10:9, 10; and Matt. 10:32.
4. The candidate must next be baptized into Christ. Gal. 3:27; I Cor. 12:13.

Not a single one of these steps can be omitted and make men Christians. They are all necessary to salvation. Each one of them is connected with salvation in the Word of God. The Bible declares that we believe unto righteousness, Romans 10:9; that repentance is unto life, Acts 11:18; that confession is unto salvation, Romans 10:9, 10; and that baptism now saves us, I Peter 3:21. This is Peter's statement, "The like figure, whereunto even baptism doth also now save us..." Nothing else can be taught and practiced today with God's approval.

The same steps that put us into Christ, Gal. 3:27, put us into His body, I Cor. 12:13. The Body is the Church. Eph. 1:22, 23. Therefore, when we believe, repent, confess Christ, and are baptized, we are made Christians, and members of the Church, the Body of Christ, at the same time.

The church of Christ challenges you to read these passages, and prove to yourself that this is the true teaching of the Word of God.

WIN A \$2,500 IRRIGATION PUMP in the big Worthington "Rain or Shine" contest

WIN THIS \$2,500 PUMP. The prize includes a pump designed for your well and ready for connection to power line or engine. The value of the prize cannot exceed \$2,500. (Well, installation and accessories not included.)

How accurate a weather forecaster are you? Just name the days it will rain next month and you may win a new irrigation pump for your farm worth \$2,500.

It's easy as pie to enter. Just circle the days that you think it will rain during July. Then write a statement of 25 words or less completing the phrase "I want irrigation for my farm because..."

Your entry will be compared with precipitation records kept by the U. S. Weather Station at Tampa, Florida. The entry coming closest to the actual dates that rainfall is recorded* will win the \$2,500 pump. (Only in case of ties in naming the dates will the statements be used in the judging.)

You can't count on rain! Worthington and its Florida distributors are sponsoring this giant pump giveaway to demonstrate that age-old adage, "you can't count on rain." This year might be another hot, dry year and your farm may have a crop failure. Then

again, we might have enough rainfall for a bumper crop.

Either way your income is protected when you install a Worthington irrigation pump. Not only will it protect your crops during droughts, but in good years it can pay for itself in greater yields. With a Worthington pump you never have to try to out-guess the weather.

Don't wait to irrigate. Now is the time to install an irrigation system for your farm. Should you buy a Worthington pump during the contest and later win one also, your full purchase price, up to a maximum of \$2,500 will be refunded.

Contest ends June 30. Send in your entry right away. To be eligible for the \$2,500 Worthington irrigation pump it must be postmarked on or before midnight June 30. Read the rules, then use the official entry blank. You can get additional copies from your nearby Worthington turbine pump distributor. His name is listed below.

*In order to count as a day of rain, at least one hundredth of an inch of rain must be recorded by the Weather Bureau at Tampa. "Trace" amounts of precipitation will not count.

OFFICIAL CONTEST RULES

1. Write your entry on this official contest entry blank, properly filled out and signed with your legal signature. Additional entry blanks are available from your nearest Worthington turbine pump distributor, but only one entry per person will be accepted.
2. Any bona-fide farmer (owner or operator), and/or member of his immediate family, is eligible. No employees of Worthington Corporation, its distributors, its advertising agencies or their families may compete. Contest subject to all U. S. Federal and State regulations.
3. Entries will be judged first on the basis of the number of days of predicted rainfall as compared with official records of the U. S. Weather Station at Tampa, Florida. In case of ties, the entrant that has come closest to picking the actual dates that rainfall was recorded* will be declared the winner. If a still score, the 25-word statement will be used to name a winner on the basis of originality, sincerity, and aptness of thought.
4. Sole responsibility for judging will be with the Advertising and Sales Promotion Department, Worthington Corporation. Decision of the judges final. All entries, contents, and ideas thereto become the property of Worthington Corp. No entries returned.
5. Mail entries to "Rain or Shine" Contest c/o your nearest Worthington Distributor. All entries must be postmarked before midnight June 30, 1957.
6. The winner will be notified shortly after the close of the contest.

WARE FURNITURE COMPANY was host at a party for the girls of the graduating classes of Avon Park and Frostproof High Schools last Friday afternoon. First row left to right, Eleanor Kuhn, Ann Montalocco, Mikel Kempton, Mary Ann Nader, Patsy Staaberg, Patricia Basmore and Ester Kuhn. Back row left to right, Judith Lookhoff, Marian Willis, Betty Lou Dyal, Dolores Stokely, Marjorie Jordan, Shirley Francisco, Betty Barrington, Carolyn Mullis of Frostproof, Lynne Morse, Ernestine Polk of Frostproof, Erlene Sullivan and Mrs. Paul Hill, Senior Advisor. Quite a few girls attended the party but due to the bad weather Friday afternoon had left before the picture was taken. The girls were shown the large stock of Lane Cedar Chests on display in the store and special gifts were offered those who would like to place their orders. Mr. Jack Head presented each guest with a miniature cedar chest and cakes and assorted snacks were served during the afternoon.

Soil Conservation News

By Sam Pulston

Mrs. Katherine Waggoner, Chairman of the Highlands Soil Conservation District announced that the State Soil Conservation Board has approved the application on the Upper Josephine-Jackson Creek Watershed and has been forwarded to the Soil Conservation Service in Washington for their consideration. If it is approved in Washington, planning can be done by the SCS as soon as the necessary help is available. This is the third watershed application in the Highlands Soil Conservation District. The other two have been planned.

The Upper Josephine-Jackson Creek Watershed consists of about 30,000 acres situated at Lake Jackson near Sebring and ending near the Josephine Creek Bridge about eight miles south of Sebring. The main problem as stated by the landowners making the application is flooding of pasture and farm land along Jackson Creek and around Lake Josephine. The watershed application is being sponsored by the Highlands County Board of Commissioners and the Highlands Soil Conservation District.

American Legion And Auxiliary Honors War Dead

Highlands Post 69 of the American Legion posted their colors and placed a wreath at the monument on the Mall on Memorial Day, May 30, and also flagged the graves at Bougainville Cemetery. Dr. Richard Hedrick, post chaplain, was in charge of the simple ceremony. Members of the American Legion Auxiliary made white crosses with a red poppy in the center which they placed on the graves of all veterans and auxiliary members at Bougainville Cemetery Thursday.

Do You Have

PECAN CARAMEL CAKE

1/2 cup sugar
1/2 cup boiling water
2/3 cup butter
1 cup sugar
1 teaspoon vanilla
2 eggs separated
3 cups sifted flour
3 teaspoons baking powder
1 teaspoon salt
1 cup milk
Pecans
Heat 1/2 cup sugar slowly in small saucepan, stirring constantly. When sugar is melted and begins to smoke add boiling water slowly and carefully, stirring constantly. Continue cooking until syrup measures 1/2 cup, stirring until sugar is dissolved. Cool.

Cream 2/3 cup butter well, add 1 cup sugar gradually. Beat until light and fluffy. Add vanilla, then egg yolks one at a time. Beating thoroughly after each addition. Stir in cold caramel syrup. Add sifted dry ingredients alternately with milk, beating until smooth. Beat egg whites with rotary beater until stiff, but not dry. Fold into flour mixture. Pour into 3 round 8 inch layer pans, greased. Bake at 375 degrees for 20 minutes. Let stand for 5 minutes then turn out on racks to cool.

FROSTING
2 tablespoons butter
1/2 cup heavy cream
2/3 cup brown sugar firmly packed
1/2 teaspoon salt
Few drops vanilla
About 2 cups sifted confectioners sugar

Mix butter, cream, brown sugar and salt in pan. Bring to a boil, stirring constantly. Remove from heat, add vanilla. Then gradually add enough sifted confectioners sugar to make frosting spread evenly. Top cake with pecan halves.

Boy Scout News

The Court of Honor for the Highlands County Scouts which was to have been held June 3 has been postponed until further notice.

The American Legion, sponsors of Troop 156, has requested a charter from National Scout Headquarters for an Explorer's Post. This will be a

new unit of Scouting in Avon Park. It is a group especially designed for Scouts of age 14 and above and will be open to all boys of this age whether or not they have been Scouts previously. Mr. Bill Luscombe will be Explorer Advisor of the new post.

Three 4-H Club Boys To Attend Short Course

Three top-notch 4-H Club boys from Highlands County will attend the 38th Annual 4-H Boys' Short Course June 10-15, at the University of Florida, where they will join about 150 other boys from all Florida counties to learn and take a look at agriculture at the state university. The three boys will be Bill Bowen of Highlands County, Jimmy Bennett and Larry Bond of Avon Park. The trip, sponsored by the County Commissioners, is awarded on the basis of overall 4-H club work. They will be accompanied by Jack Hayman, Assistant County Agent, who is in charge of 4-H club work throughout Highlands County.

The boys attending Short Course are divided into two groups: "freshmen", who are attending for the first time, and "Seniors". Freshmen will attend classes in vegetable gardening, entomology, forestry, tractor care, poultry, and soil conservation. Seniors will specialize in a course of animal husbandry, electricity, citrus growing, home ground beautification, dairying, beekeeping, agronomy, or farm business training. Teachers will be working with the Florida Agricultural Extension Service.

Guest speakers at assemblies will include Dr. J. Wayne Reitz, President of the University of Florida and W. M. F. Reid, provost for agriculture.

An organized daily program of sports, including swimming, volleyball, football, softball, has been planned by the 4-H staff. A highlight of the Short Course will be the presentation of awards. On June 12, the 4-H Council will elect officers.

Ted J. Ward Returns From Trip To Chicago

Ted J. Ward, local realtor, has just returned from a trip to Chicago where he attended the National Convention of the Real Estate Secretaries Council.

Mr. Ward was particularly interested in the organization and operation of multiple listing services being offered in many cities. He will report to the local Board of Realtors at their meeting on Monday, June 10.

Dock—

(Continued from Page 1) meeting was called late Wednesday afternoon.

The safety of the two lakes under consideration, Lake Verona and Lake Tulane, was discussed. Residents from the Tulane section were present to voice their protests of building a permanent beach on Lake Tulane. Also present at this meeting were representatives from the School Summer program, chairman of the Highlands County Red Cross Water Safety program, chairman of CDA's health committee, and the editor and reporter of the Avon Park Sun.

The Council after listening to the pros and cons presented by the citizens and considering each idea decided that the safest place for the dock was Lake Tulane.

Regardless of where the dock was built there would be some drawbacks, but in comparing the two lakes, Verona and Tulane, it is agreed by all that Lake Tulane is far the safest lake for swimming. In fact Lake Verona has become so dangerous, due to the deep holes and sudden drop offs, that it was posted a long time ago against swimming in the Donaldson Park Area.

The Council and every citizen is interested in the welfare of the children of our community, and for this reason they agreed to the building of a dock to aid in the teaching of the children to swim during the summer program. If by doing this one life can be saved it will be well worth all the trouble the dock has caused. There are children skating and riding in boats on every lake in the city that do not know how to swim.

During the meeting Mayor E. A. DeLaney appointed Coach Joe Franz as a special police officer, to serve during the school summer program, and his duty will be to police the traffic along Lake Tulane as the children will be going back and forth from the lake to the school during this seven week period.

Coach Franz and members of the Council committee are having a special meeting to draw up rules and regulations in regards to the dock. These rules will be published and copies supplied to students at the school.

There are 134 known species of birds that are year-round residents of Florida.

(Continued from Page 1) Lane in municipal court.

Howard was arrested by Assistant Police Chief E. O. Blanford on April 10 and charged with driving while drunk. He did not appear for trial, but entered a plea of not guilty to the charge.

Howard was adjudged guilty and sentenced was imposed by Mayor DeLaney as police court judge.

Red Devils—

(Continued from Page 1) dition to the two years when they won the title. In other words, they have gained the finals five of the seven years they have played in the state tournaments.

This year's squad might be called an experienced club in spite of the fact that there is only one senior on the roster—pitcher and second baseman Dale Landrum. Six of the 187 Devil team are juniors and five of these have seen plenty of action on the diamond during the past few years. There is centerfielder Johnny Starling's fourth year with the varsity and his batting average is a terrific .664. Billy Rouse, left-fielder and utility man, has played three seasons as a regular. He is a lead-off batter this season and has scored 37 runs. The Red Devils' roster so far includes: pitcher, Dale Landrum; catcher, Tom Bass; infielders, Billy Rouse, Johnny Starling, and Chuck Anderson; outfielders, Winkie Williams, and Tom Bass. Adult advisors for the 1957 Inter-denominational Youth Camp meetings include Mrs. Helen A. Taylor, Sebring, Past District Secretary of Youth, Methodist Woman's Society of Christian Service; Mrs. Emma Bussard, Avon Park, Past District Secretary, Children's Work; WCSR, Mrs. Mary Payne, Sebring, Local Secretary of Youth, WCSR and Mrs. Roy Watts, Asheville, N.C.

The Asbury College group will be divided into three gospel teams and will hold services in different churches in the surrounding area on Sundays June 9 and 10. On Sunday, June 9, Rev. Dean Martin will fill the pulpit for Rev. Ed Garrett at the First Methodist Church in Belle Glade. Mrs. Dean Martin and Claude Massey will also assist in the service.

The only two players who were

are playing varsity ball for the first time this season are Leroy Starling and Wayne Kempton. Wayne is a sophomore (twin of Bryan) and has very ably filled Dale Landrum's shoes on second base this year when Dale is hurtling for the Devil. Leroy Starling is the baby of the team as far as age goes. He is the only freshman on the starting line-up. Leroy has proved to be very effective behind the plate as a battery partner for the Red Devil pitching staff. This season's experience should have Leroy in shape to handle any situation which may arise in state tournament play next week.

Other members of the squad who have seen some action this season are Leroy Farless, Galt Hovey, Langford Milligan, Robert Leighton, and Chester Anderson.

A great many Red Devil fans are expected to follow these outstanding baseball players to Ft. Pierce and give them their support at the games. Coach Guy Garrett and his 1957 Red Devil team may be assured that the people of Avon Park are behind them one hundred percent. GOOD LUCK, TEAM!

Dean Martin—

(Continued from page 1) arrangements for an efficient staff include the kitchen who will serve three good wholesome meals each day.

The camp is conveniently located on beautiful Lake Isola north of Avon Park on U.S. 27. The site borders on the lake with facilities for swimming and Jo Ann Wetherington of Ft. Lauderdale and Harry Nesmith of Arcadia, both qualified life guards, are on the staff of instructors.

Those attending the camp meetings are requested to bring Bibles, lined, blanketed, note books, pencils and swim suits.

Adult advisors for the 1957 Inter-denominational Youth Camp meetings include Mrs. Helen A. Taylor, Sebring, Past District Secretary of Youth, Methodist Woman's Society of Christian Service; Mrs. Emma Bussard, Avon Park, Past District Secretary, Children's Work; WCSR, Mrs. Mary Payne, Sebring, Local Secretary of Youth, WCSR and Mrs. Roy Watts, Asheville, N.C.

Lets Go Shopping With The Business Firms Represented With Ads On This Page Each Week

Shopping is a real pleasure if you know the business firm with whom you trade. He is the man that can explain the many problems that beset you if you are a housekeeper, or run an office or a traveling man. Consult with him freely on your problems and you will find shopping, not a burden, but a real pleasure.

The merchants and business firms represented on this page each week are in business to render you real service, so trade with them. The woman looking for a place to get real service when needed in the best that can be found in a beauty parlor can get just the latest in "hairdos" by making an appointment at Avon Beauty Shop, where the proprietor, Mr. Harry Greenway keeps up to date in all the new hair styles.

The motorist looking for good service at a service station has two of Avon Parks best to choose from, namely the Pure Oil Station at the corner of Verona Ave. and Main street, and just up the street a few blocks, you can drive into Stimsons Service Station that handles the nationally known line of Gulf Products and renders service that will please you. For anything in the fuel line you can get the best at Ridge Fuel Company that distributes the well known Green Fuel for all heating purposes.

The Coca Cola Bottling company has just announced that they are now bottling the King size Coca Cola that will serve the homes in a more efficient manner. Call at your favorite dealer for a bottle, carton or case of this Nationally known drink that is so refreshing on these hot days and nights.

Lets go shopping for groceries, grade "A" meats, fresh vegetables and a complete line of frozen foods. On this page is an invitation from two of Avon Parks independent grocers, either of which will be glad to serve you with the best in foods for the entire family. Stop in at Pollards grocery

out in the crate mill section where complete lines are always on hand, with the best service and popular prices.

Then there is Powell's Cash grocery and market that handles complete lines of foods and meats, with all the fresh vegetables in season and a line of the best in frozen foods, who appreciates your trade at all times.

One of Floridas leading appliance stores is located on Main street and is here to serve you with the latest in gas and electric appliances, and also to serve you with radio and television service.

The Avon Insurance agency with Miss Mattie Tompkins as agent represents the best insurance companies, and has a policy for your every need.

Meadows Model Cleaners offers the best in quality dry cleaning and calls at your home when called. If its the high quality you desire, just call Mr. Meadows and his truck will be on the way to serve you at all hours.

Trade in Avon Park and lets make our city grow with our trade staying at home instead of going elsewhere. You can get the same high quality merchandise in Avon Park stores as anywhere, and each is ready to render the best in service.

The traveler is tired at night after driving all day and wants a good comfortable bed midst pleasant surroundings and such a motel is located on U.S. Highway North at Avon Park, known as Lake Brentwood Court. The owners Mr. and Mrs. F. Anderson who are also operators of this modern court offers the traveler the best in accommodations, with rooms air conditioned, a private beach, with boating and fishing for all guests. Television is also for those who like it.

W. I. Grove on West Main street operates a modern jewelry store with complete lines for gifts for any occasion, and gives expert repair work if you have anything that needs repairing.

PTA Covered Dish Luncheon & Meeting Monday

Mrs. James A. Johnson, newly elected president of the Avon Park Parent Teachers Assn., has called a special meeting for Monday, June 10, in the Home Making Department of the High School. The meeting will follow a covered dish luncheon at 12 noon.

Each parent is urged to attend this meeting as plans for the PTA for next year will be made. Parents are being asked to bring their favorite covered dish, either salad, meat, vegetable or dessert. Drinks will be furnished by the PTA. It is hoped that a large number of the parents will be present as important business matters will be discussed.

... Chevrolet with Turboglide!

Cherry's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector at "Go" (Grade Retarder) and Turboglide helps slow you down. Try Cherry's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.

High School Baseball Tourney

June 10-14

Fort Pierce — Sixteen of
Florida's finest high school
baseball teams will converge
on Jaycee Field here Monday,
June 10 for the opening of the
1957 state high school Class A
and AA baseball tournaments.

The tourney will run through
Friday with doubleheaders in
the afternoon and evening
Monday, Tuesday and Wednes-
day, and evening sessions
Thursday and Friday.

Thursday evening will fea-
ture the championship game
between finalists in the AA di-
vision at 7 p.m., and between
finalists in the A division at
8 p.m.

Friday, a single game will be
played between the Class AA
champion and the runner-up of
the state crown.

With the slack summer sea-
son on, Fort Pierce is ready to
accommodate the thousands of
fans who will accompany their
favorite high school nines to
the state meet.

Most motels and hotels are
offering special summer rates
for tourney fans, and there will
be ample space both on the
beach and mainland.

The tourney will be played
on Jaycee Field in the heart
of Fort Pierce.

High School Library Readers And Gift

As usual, the circulation of
books in the high school li-
brary has been very satisfac-
tory. About 17,500 books circu-
lated during this school year.

The majority of pupils use
books very carefully and very
well. The pupils who have
done the greatest amount of
reading from the high school
library this year as shown by
reader card records are as fol-
lows:

Danny Holcombe, 9th grade
student filled 6 reader cards.
Five reader cards were filled
by Earl Terrell 8th grade and
Eddie Scott 9th grade.

Students filling 4 reader
cards were Randy McDonald
Gloria Durranze, 8th graders;
Norman Elliott and Barbara
Lewis, 8th graders; Joe Perez
10th grade; Preston Strenth,
Junior and Betty Barrington a
Senior.

The following have filled
three reader cards, Herbert
Bryant, David Collier, Gwen-
dolin Nolin and Junior Strick-
land, 8th graders; James Budd,
Martha Elder, Pat Giddens,
Martha Nolin, Sandra Ross and
Homer Smedley, 8th graders;

Pat Batton, Wayne Kempman,
Eugene Thomas, Pat Toward
and Sterling Taylor, 10th gra-
ders; Larry Collier, Jimmy
Langford and Earl Lee, Jun-
iors; Betty Dyal, Wayne Know-
les and Charles Whitehurst,
Seniors.

About 250 pupils have used
3 reader cards, and the remain-
ing 150 have used one card.
Many who have used one card
are 7th and 8th graders who
were scheduled to use the li-
brary one period each week. A
reader card has space for 25
book titles.

Through graduation this year,
the library service class will
lose Juddie Lookhoff. As usual,
the Senior library assistants
receive from the library a gift
and a library medal. The gift
to Juddie was presented in the
high school auditorium during
the awards program last Fri-
day by Pat Toward, Sophomore
library assistant.

Student Council Gives Tea In Honor Of Seniors

By Judith Lookhoff
During the last of April the Student Council began thinking of the annual tea given in honor of the Seniors. May 16 was decided upon. It was to be held in the garden of the Jaramana Hotel between 4:30 and 6:00 p.m. May 16 was to be a day for rain. Because of this the tea was held indoors. At the door was a seating list made up of the officers of the Student Council plus the Junior and Senior Presidents.

Punch and all sorts of delicacies were served in the many guests. The lower students with a straight A average for the fifth six weeks were invited to serve. It was a very enjoyable tea and something for the Seniors to look back on with pleasure in years to come.

THE WELFARE SOCIETY OF THE Walker Memorial Sanitarium Seventh-Day Adventist came to the rescue last Thursday of the two Avon Park families who had all their clothing and household furniture destroyed by fire.

Officers of the Welfare Society called on members of the Church early last week and by morning had collected a wonderful assortment. The clothing was sorted and packed according to size and if it was for a boy or girl, then each box was marked.

CIRCLE NO. 4 will meet Monday night, June 10, at 8 o'clock in the home of Mrs. Bob Lee, 400 S. E. 1st St. Officers of the circle will take over the business at this meeting.

THE DISTRICT PRESIDENTS CONFERENCE of the Florida Federation of Garden Clubs was held on Thursday May 30 in Wesley Hall at the First Methodist Church. Mrs. M. C. Kayton, District Director, presided at the meeting. The meeting was opened with the invocation by Mrs. D. P. Sellers of Wauchula, which was followed by the Welcome message by Mrs. G. A. Kelsey, president of the local Federation. Mrs. Charles A. Shinn, of Lake Alfred gave the response.

Fourth Grades Trip To Dress Gardens

Four Fourth Grades of the Elementary School at Cypress Gardens left on May 31, for a tour of the gardens and a picnic. Two buses took the 120 fourth graders to the Gardens at 10:30 Water Ski. The children thoroughly enjoyed the show and seeing the flowers of the gardens.

Sottile Employees Enjoy Barbecue

The Sottile family entertained approximately 200 employees and friends at their annual Bar-B-Q and Square Dance Saturday, June 1, at the Sottile Ranch near Mico. Delicious food was served to the guests from 5:30 until 7 and then there was square dancing with a hillbilly band at the ranch.

Mrs. Robbins Ralph Returns From Hollywood, Calif.

Mrs. Robbins Ralph of Lake Byrd has returned from Hollywood, Calif., where she was a guest of Ralph Edwards during the time her mother-in-law, Mrs. Philip Ralph, was appearing on the "This Is Your Life" television show honoring her brother Lee de Forest. Mrs. Edwards is a charming and thoroughly human person who does everything to make his guests at home.

Brownie Scouts Had All Day Cook-Out June 1

The Brownie Scouts of Avon Park had an all day cook-out last Saturday, June 1, at the Sottile Ranch near Mico. This was the Brownie Troop's last meeting of the year. The girls enjoyed swimming, games, and cooking their own lunch at the cook-out. Mrs. Robert Barben and Mrs. Leonard Kelly, Brownie Leaders, accompanied their Brownies. Jane Elizabeth Barben and Marty Kelly were guests.

Cub Scout News

The Cub Scouts Den of Avon Park held their last Pack Meeting of the year Thursday night, May 30, at the Avon Park Pioneer Club. The meeting was held in the new building which has all four dens and a number of families present.

Quiet Honors Mrs. Kruger

Twenty members of the Park League Seaverns took Mrs. Kruger to the Seaverns Club for a quiet dinner. Mrs. Kruger is the State President of the Assembly. Mrs. Kruger made an inspiring speech with a great deal of inspiration about the state organization.
