Mr. and Mrs. I. H. Ford Return From Vacation

Mr. and Mrs. I. H. Ford have returned from a five week trip on which they traveled 10,015 miles and were in 24 states. They report a marvelous trip and were amazed at the amount of building and improving that has been done in the scenic spots of our country since their last trip several years ago. The Fords also were surprised at the large number of tourists all over the country.

From Avon Park they went to Hot Springs, Ark., and then on to Drumwright, Okla. for a visit with Mr. and Mrs. B. R. Ford, Mr. Ford's brother. For several days, from there the Fords traveled to Cathedral, N. M., for a look at the beautiful caverns and then across Arizona with visits at Tucson and Phoenix. In California they ran into weather of 110 degrees and stayed hot until they reached Long Beach, California. In Los Angeles the Fords went early one morning to Disneyland and spent a fascinating day there. They say that Disneyland is a pleasure not to be missed for grown-ups as well as children. The authentic 1900 town and other attractions were very cleverly done.

In Sequoia National Park the Fords saw some of the largest redwood trees in the world before they reached San Francisco. They found the city of San Francisco fascinating and would have liked to stay longer. From the city they drove along the famous Redwood Highway north and saw the world's tallest tree and the beautiful rocky mountains of the Pacific coast. Across Oregon they followed the Columbia River to Vancouver, Washington where they visited Mr. Ford's cousin, Mr. and Mrs. Floyd Robertson. With the Robertson the Fords took many trips into the beautiful Washington country. They spent Labor Day 1950 up on Mt. Hood and saw the Columbia river valley. Then they went to Seattle by the Columbia Scenic Highway and stayed there several days. When starting back East they stopped by Spokane and Yakima on their way to Ranier National Park. Driving across Idaho they stopped for several days in the fabulous Yellowstone Park before going on to the Black Hills in South Dakota. Looking at Mount Rushmore there they were served buffalo roast for dinner. In Iowa and South Dakota they visited friends of Mr. Ford and stopped for a visit with Mrs. Ford's brother and sister-in-law, Mr. and Mrs. J. R. Hitt, in Chicago. After the visit they returned home by Kentucky and South Carolina.

Mr. and Mrs. Ford were happy to return home to Avon Park last Friday and thought their home on Lake Lotella looked as good as anything they had seen. The Fords couldn't say what was the most impressive sight on their trip but thoroughly enjoyed

Cover Dish Supper Enjoyed By Fla. Power Employees

The Florida Power Employees' Club held a covered dish supper on Saturday evening, Sept. 21, at the Florida Power Clubhouse. The clubhouse was beautifully decorated with many lovely hibiscus and greenery.

After a delicious supper the twenty members present enjoyed an evening of playing cards. They played a card game called "Spoons" which works in the same manner of musical chairs with cards. Tables of four played and it gave all the players a number of good laughs.

High scores for the evening were won by Mrs. Ed Sharpe and Robert Harden. Low scores were Mrs. Edith Dunn and Ray Rutherford. Mrs. Sharpe also won the lovely door prize.

Hostesses in charge of the lovely supper were Mr. and Mrs. A. C. Westers, Jr., Mr. and Mrs. Richard Birt and Mr. and Mrs. Ed Sharpe.

everything. Mr. Ford took a number of moving pictures of their trip to help them remember everything they say.

Congregational Church News

The Evening Circle of the Congregational Church held its regular monthly meeting at the home of Mrs. Andrew Miracle on Monday, Sept. 22, at 8 o'clock with Mrs. Bill Hood serving as co-hostess.

Mrs. Mike Whetstone opened the meeting with a prayer and Mrs. Marvin Rehner, president, presided over the business meeting. The Evening Circle voted to supply a volunteer worker to help the regular nursery attendant during the Church services on Sunday morning. The group decided to collect rummage from the church for sale at Mrs. F. O. Martin's Rummage Shop in order to help finance their project of furnishing the nursery of the new church building.

The members then attended the Open House at the Ridge Area Day School for their program. Everyone was very impressed with the progress of the Day School and the attractive building.

A Social hour followed with Mrs. Miracle and Mrs. Hood serving delicious refreshments of cookies and punch.

The next meeting was scheduled for the fourth Monday of October, the 29th, at the home of Mrs. Robert Harden on Lake Denton.

Members who were present were Mrs. Rehner, Mrs. Whetstone, Mrs. Joe Franz, Mrs. Cecil Skipper, Mrs. Guy Garrett,

Back Yard Picnic

"On a picnic we will go, for it's summertime you know." What is a summer without lots of picnics, even if they are in your own back yard?
Fried chicken cooked right in the back yard is the order of the day. Along with that great Chicken Bread, potato salad and, of course, ice cold soft drinks. Mix and roll the corn meal biscuit dough in the house shortly before picnic time. Cut the biscuits and refrigerate. With a package of your favorite corn muffin mix, it won't take long to prepare. After the chicken has been cooked to a golden brown, remove it from the frying pan and replace it with the Chicken Bread circles. As they rise and brown, they take up all the good chicken flavor of the fat in the frying pan.
The weatherman permitting, plan a back yard picnic for tomorrow. Invite the whole crowd for some good summertime eating!

Chicken Bread
Makes 10 to 12 rolls
One 11-oz. pkg. corn muffin mix 1 egg
1/3 cup milk
Empty contents of corn muffin mix package into bowl; add egg and milk. Blend only until dry ingredients are thoroughly moistened, but not smooth.
Turn out on heavily floured board and knead gently a few seconds. Roll out dough to 3/8-inch thickness; cut into small rounds. Place in frying pan in which chicken has been fried, reserving a small amount of fat in pan. Cook over medium heat until delicately browned (about 3 to 4 minutes). Turn and cook on other side.

SLIM FACTS AND FIGURES

ACCORDING TO NUTRITION EXPERTS, MANY OBESITY CASES ARE CAUSED BY A GREATER INTAKE OF CALORIES THAN THE BODY CAN BURN UP AS ENERGY. THAT IS OVERWEIGHT IS DUE TO OVEREATING, NOT TO GLUTTONY.

EXERCISE THOUGH NECESSARY, IS ONLY A PARTIAL ANSWER TO LOSING WEIGHT. THE AVERAGE PERSON SHOULD AVOID TO EAT MORE THAN 2,000 CALORIES A DAY. IF YOU ARE OVER 200 POUNDS, TRY TO LOSE 2 POUNDS A WEEK.

FOODS HIGH IN PROTEIN, VITAMINS AND MINERALS SUCH AS LEAN MEAT, MILK AND FRESH FRUITS AND VEGETABLES ARE A HEALTHY ANSWER TO THE NEED FOR A WELL-BALANCED NUTRITION DIET. SUCH DELICIES SHOULD BE KEPT TO A MINIMUM.

TO OBTAIN ALL THE NATURAL VALUE OF FRUITS AND VEGETABLES, EAT THEM RAW EVERY DAY. THEY ARE GENERALLY LOW IN CALORIES.
