Competing With Ourselves

An industrial commission in Tennessee has been distributing an attractive little brochure entitled "14 Reasons Why Manufacturers Can Profit More In Tennessee". Heavy stress is laid on "low-cost" electric power from the Tennessee Valley Authority. Generally, the brochure says, TVA power rates are 30 to 45 per cent below the national level. It cites an example of a small northern manufacturing plant with a \$16,128 annual power bill that could be reduced to about \$8,000 in Tennessee. This caused the Anderson, Indiana, Herald to run a long and significant editorial. The paper said: "What the brochure failed to point out, of course, is that the remaining \$8,000 in the northern manufacturer's power bill would be paid by the nation's taxpayers—including the northern manufacturer. . . ."

The Best For The Least

the days when the railroads had a virtual monopoly of commercial transportation. For instance, if a railroad wants to charge a lower rate for doing a job than is charged by a competitor it frequently finds that it is not allowed to—on the grounds that this would take business away from the competitor. That is much as if a store was denied the right to cut prices because business would be taken away from another store down the street. These proposed laws would give each and every form of domestic transportation the opportunity to compete on a fair and equitable basis—and to make the most of their own special advantages. That means the public would get the best service at the lowest cost.

Help For Our Friends

Once again, as a result of the NATO meeting of chiefs of state and of other great world events, U. S. policy in providing military and economic aid to the other Western powers has topped the headlines. This is as it should be. At the same time, we must not forget that U. S. private enterprise, as well as the government, is doing big jobs on many fronts on behalf of Western security and economic progress. To take one example out of many that could be cited, soft coal exports to Europe, to Korea, and elsewhere have been running at very high levels. Several reasons are responsible for this. Much of the free world is energy

"The truth of the matter is that without the tax immunity that is a part of TVA's existence, it would be TVA itself that would have trouble competing because private enterprise has succeeded in producing electric power as cheaply if not more cheaply." The Herald concludes by pointing out that so long as TVA enjoys this tax-free status, the people of its community and all other Americans will find themselves competing with themselves in the battle for new industry. If it is proper for a government agency to offer tax-free and tax-subsidized power, why shouldn't it offer tax-free and tax-subsidized factories, transportation, raw materials and everything else? What, in all logic, would be the difference?

The reconverted Congress has plenty of business on its hands. It is flooded with proposed laws touching on very conceivable phase of the national life. The problem, so to speak, is to separate the wheat from the chaff of possible legislation. In the domestic field, a series of laws relating to transportation should be given a top spot on the agenda. The primary purpose of this legislative effort—which has the full support of farm and business organizations, top men in the government, newspapers and magazines throughout the country, and all manner of other groups—is to get rid of outmoded regulatory policies and philosophies which are a hangover from

National President's Message Read To Members Of Patriots Chapter

The New Year's greeting and message of the President General of the National Organization of the Daughters of the American Revolution was read to the members of Patriots Chapter by Mrs. R. L. Maxson, Secretary, at their first regular meeting of the new year. Patriots Chapter held their meeting on Monday afternoon, Jan. 6, in the home of Mrs. W. H. Arson in DeSoto City. Mrs. Walter Mather, Regent, held an Executive Board meeting immediately before the regular meeting. Mrs. Maude R. Borda of Sebring, Community Affairs Chairman, spoke on community affairs. She asked that all members save their old jewelry and eye glasses for her to be sent to the "Eyes for the Needy" Foundation. The Foundation will melt the metal and regrid the lenses for use as glasses for peoples all over the world. Mrs. G. H. Burnett reported to the group on the magazine "American Heritage" and a further study will be reported on at the next meeting. Members were given copies of the magazine to examine and all were impressed with the excellent presentation of our country's history that the magazine gives. Alternate delegates to the Continental Congress to be held in Washington, D. C., in May were appointed. They are Mrs. M. F. McGee and Mrs. M. E. Stephens of Sebring. Mrs. Walter Mather, Regent, is a regular delegate of Patriots Chapter. Mrs. Arson, Defense Chairman, spoke on National Defense and the current situation in national and world affairs. A very interesting highlight was the reading of the will of

Joanie Young Celebrates Fourth Birthday

Three little girl friends helped Joanie Young celebrate her fourth birthday on Saturday, Dec. 26, at her home.

A beautiful cake with birthday greetings in colored frosting, ice cream, and lemonade were served the girls from the table covered with a gay birthday cloth. The favors were lollipops and blow-out surprises.

After the refreshments the girls played on the swings and slide at Joanne's home. Susy Skipper, Kathy Kirkland, and Debbie Young helped celebrate.

Mr. Andrew Miracle and Mrs. John Crutenden will discuss the problems of the group's studies. All pupils and friends are urged to attend and ask questions about this important subject.

T-shirts with the Avon Elementary emblem will be on sale at the meeting.

Refreshments will be served by the third grade room mothers.

The thirty boys and girls gathered at the church and were led to their first stop which was a surprise to them. It was the home of the Maxwell family where they were served tomato juice in the Mexican manner. Masses Carol Pike and Jane Maxwell met them at the door dressed as senoritas and the home was decorated in a Mexican fashion.

From there the group made a stop at the home of the Colin DeShonns on Lake Viola where the first Spanish manner they were served Spanish Bean Soup. Following an old Spanish custom the boys and girls choose the most beautiful and popular girl here to break the Christmas pinata. Carolyn Biggs was chosen and broke the large candy filled pinata with many gusto.

At the home of Mrs. T. O. O'Steen and a delicious American dinner of fried chicken and the trimmings. By this time the travel weary guests really enjoyed being back home and sang popular songs.

Wesley Hall was the next stop and Miss Claire Maxwell, Recreation Chairman, had many clever games planned for all to enjoy. Desert of ice cream soda was served also, later in the evening. The traditional New Year's Eve noise-makers, streamers, and hats were given each guest.

After the festivities the group went into the church for a service. A Mighty Army which is the story of the Christian movement. A worship period ended the Watch Night Service.

O'Steen, Mrs. William Griffin, Mrs. Lou Hoover, Mrs. Francis Walden, Mrs. George Kelsey, Mrs. Hubert Bussard, and Mrs. Wiley Collier. Mrs. John H. H. Douglas, C. E. Ackerman, H. R. Fla. Ave. Baptist Church News

About eighty members and their families of the church attended the New Year's Eve Watch Service at the church on Dec. 31.

During the early part of the evening there was singing and games in the Social Hall. Clever parodies of the television quiz programs were played much to the amusement of the present. Refreshments added to the festivities.

Then the group went to the church for the showing of an impressive film "The Road to Jericho." J. M. Gibbreath, Jr., spoke on the accomplishments of the Training Union during 1957. The Rev. J. M. Gibbreath, Jr., greeted the New Year with a message entitled "Looking Into The New Year."

Monday night through Friday night the church will hold a Study Course at 7:30 each evening entitled "Studies in Hosea" in the Church Building. The Rev. J. M. Gibbreath will teach the course.

On Friday night at 7 o'clock the members will gather in the Social Hall for a Covered Dish Supper before the Study Course.

The Women's Missionary Union of the church held its regular monthly meeting on Monday night, Dec. 30, in the Church.

During the regular business meeting plans were made for the group to take charge of the refreshments for the area Sunday School Leadership Meeting to be held in the Florida Avenue Baptist Church on Jan. 27. The Zarah Martin Circle presented the program, "The Golden Door," with Mrs. Estelle Reynolds taking charge of the devotional service.

The Junior Girls Organization of the church were entertained with a Christmas get-together at the home of Mrs. W. W. Giddens by their teachers, Mrs. Giddens and Mrs. J. G. Harrell, on Friday, Dec. 20. About eleven members of the girls groups enjoyed playing games, exchanging gifts and eating refreshments of cake, ice cream and cokes.

A new comer to the screen, will be heard singing the theme song, "Fall Trouble."

Something new under the Florida sun will be in store for those who attend the Hilans Saturday, January 18. The bill is comprised of three feature pictures, each one of a rural nature. The name selected for the three-feature program is "Rural Round-up," and what a round-up of country stars and pictures it is! Judy Canova tops the trio with "Oklahoma Annie." Roy Acuff, famous singer of country songs, will be seen in "Night Train to Memphis." Lum and Abner finish off the bill with their most popular of all country movies, "Dreaming Out Loud."

"Rural Round-up" is a brand new idea in the way of special multi-feature bills and one just novel enough to catch on and start a national craze. Who can sell, Avon Park CAN sell such a proud distinction if everyone supports the idea and spreads the news! As "Smoky Brown," Hines downman, says — "Don't just TELL your neighbors — BRING 'EM!"

Women's Golf Assn. To Meet On Jan. 15

Large Number Enjoy Sr. Woman's Annual Luncheon At Jacaranda

Over fifty members of the Avon Park Senior Woman's Club enjoyed their Annual Luncheon at the Jacaranda Hotel on Friday, Jan. 3.

The members were greeted in the lobby of the Jacaranda by Mrs. Charles Shepherd and Mrs. Clifford Taylor acting as hostesses. Before the lovely luncheon Mrs. Ralph Kelley, president, extended a cordial welcome to all present and presented Mrs. Mary Jane Thiele who gave the devotional message. The group then pledged allegiance to the flag and sang "America. The Beautiful" accompanied by Mrs. Edna Jackson on the piano.

After lunch Mrs. Kelley introduced Mrs. Frank Heck's State Director of District 9, of the Federated Woman's Clubs of Florida, to the members. Mrs. Heck gave a brief talk. Mrs. Eugene Borda, Past District President, were also introduced and she spoke a few words to the Avon Park Club.

Mrs. S. Elkhil, Chairman of the Day, was then presented by Mrs. Kelley and she, in turn, introduced Dr. Ruth Phillips giving a talk on the world situation in her usual fine manner. A short reading was then given by Mrs. Sylvia Book in her usual style and much enjoyed by all present. The group then joined in singing a few songs.

Mrs. Graham Hall then spoke on "Persian Hospitality". Her pleasing manner and thorough knowledge of her subject held the undivided attention of all. She brought many interesting stories from Persia which she showed to punctuate her talk. Mrs. Hall is credited with starting the first Children's Library in Persia or Iran as it is now known. The members were fortunate in being able to ask Mrs. Hall questions after her speech.

Mrs. Royal Coates, Co-chairman, was called upon and ended the meeting with some pleasant and interesting thoughts. Mrs. Kelley thanked all who had worked on the Annual Luncheon sincerely.

An Executive Board meeting was held immediately following the luncheon. A nominating committee, composed of Mrs. Samuel O. Norris, Mrs. Charles Shepherd and Mrs. Helen Harris was appointed at the Board meeting.

Winter Guest Club News

New Year's Day got the club off to a good start with an excellent program in honor of our Golden Anniversary celebration. On this day we give recognition to each of our members who have celebrated their fiftieth anniversary in the past year. Those so honored were the Lampons, Dianas, Shewarts, Stuckers, and Williams. The Men's Chorus opened the program with a series of ballads, followed by an original poem by Mrs. Tom John Johnson. Mrs. Fannie Scott sang a parody on "Put On Your Old Gray Bonnet", the words of which were composed by Mrs. Tom Johnson. Mrs. John Williams gave a piano solo and Mr. Ney Smith sang two numbers appropriate to the occasion, accompanied by Mrs. Williams. Mrs. Book introduced the honored couples to the audience in a very novel manner. Each couple had been given several questions, concerning date of marriage, how they met, where married, education, etc. where they answered as their introduction. Mr. and Mrs. Alward received recognition for their longest-married couple present, having recently celebrated their 50th anniversary. Mr. and Mrs. I. R. MacLaren are, we believe the club's longest-married couple, having celebrated their 61st anniversary last June, but were unable to be present at the celebration.

Would that we had more members of his caliber. The program was followed by card playing and visiting, after which refreshments were served by Mrs. Gene Warner and her committee. Dancing began at ten and continued until we had appropriately ushered in 1958.

You might think, with all this dancing, that Friday's dance would be forgotten; not so. The club-house was crowded to capacity with an eager, enthusiastic group who apparently enjoyed every minute. The Tuesday morning dance practice sessions will resume, now that the holiday festivities are past.

On December 24 there were 6 tables of bridge; C. Lufkin won high score and Frances Nuber, second. Door prizes were taken by Mrs. C. T. Taylor and Mrs. Meeks. There were seven tables to play on December 31 at which time Mrs. E. Nickerson was high scorer and Mrs. Grimsbach a close second. Door prizes were taken by Betty Tizzard, Ann Duffy and E. Young.

On Monday, Dec. 30, the tournament was won by Bertha Ireland and Clay Kull. December trophy winners are Bertha Ireland for the ladies' and Duke Christensen for the men's. Congratulations to these good players. The potluck tournament on Saturday, Jan. 4 was won by Herb Shauger and Glen Miller. Strongly Contested by G. Warner and W. Walker.

Coming Events include: Sunday Sing on January 12, potluck supper on Saturday, Jan. 11, second cup contest at Sebring on Friday, Jan. 10, De Costa concert on Jan. 15, and pictures on Guatemala on Jan. 23.

Last, but not least, of the club activities get under way is the Art Class which meets on Thursday mornings at 9 a. m. Mrs. Nave again is the teacher and instructor of this group. For you who have been in the class previously, that's enough said; for you who are newcomers, you are missing much fun and much worth-while if you don't attend. Even if you can't draw a straight line, Mrs. Nave will help you achieve the joy of creating beauty and appreciating it.

Mr. Miller will again give a series of bridge lessons; at this writing we are not sure of the time; watch the bulletin board for further announcements.

During the holidays the clubhouse was festively decorated with gold and colored paper, a lighted tree and greens. Mrs. Marian Myers designed the original archway decorations. Mr. Kellerman and Mr. and Mrs. Win Feed ably assisted her in this task. Our thanks to this capable committee for their part in making our holiday more festive by this beautiful setting; it truly gave us the Yuletide atmosphere.

In the letter Rogers asked Mr. Johnson, "to have the State maintenance crew proceed with this and incorporate into overhead directional sign suggestions that he may have so that we can study this as an idea for future overhead directional signs." He further stated "I am very much in favor of overhead directional signs, as you know, and I hope feel that we should proceed with the placing of them at different locations as soon as possible."

Their Tourney Sebring has the advantage over several Ridge teams this year as far as height is concerned. Three of the first string players are over six feet and several of the other players are six feet or slightly under. The Red Devils, however, make up for the lack of height with speed and aggressiveness. Probably starter for the Red Devils will be returning letterman Charlie Anderson and Ben Earnest, guards and Billy Bousie, center. Newcomers to the Avon Quintet are Gail Harvey and Tom Bass, forwards. Other members of the team are Kenneth Fretness and Glenn Bass, forwards, Leroy Farless and Steve Love, centers, Bryan Krenpton, Robert Hall, Jerome Antley and Bobby Allwood, guards.

The Devillets also opened the season's play Tuesday night with Lake Placid and will meet the Sebring Girls' Team here at 7:30 Friday night. The Sebring Girls have already won one over Frost proof and dropped one to Lake Placid.

Forwards for Avon Park will be Ann Rowland, who averaged over 20 points per game last year, Claudia Gaster and Frankie Thorp as forwards. Guards are Mary Lois Roberts, Charlotte Allerton and Pat Tom-dee.

The girls game will follow the boys game for all home games this season, the male 10th starting between 8:30 and 9:00 for each game. Out of town games will vary. Next Tuesday night the Devils will travel to Ft. Meade for a double header and will be at home Friday the 17.
