Tallahassee — The "Daisy Chain" is now pushing up daisies from about six feet under an avalanche of "no" votes, but there appears to be little doubt that it will be re-narrated in one form or the other. Getting away from the more emotional appeals that get involved in constitutional revision and separating the "daisy chain" idea from the now defunct proposed constitution, there are only two avenues open to revision as a whole.

1. Re-submit a "daisy chain" proposal—without the unnecessary wording.
2. Revise the provisions for a constitutional convention.

Although Gov. Collins is working on a proposed constitution that could be voted upon article by article, it appears to be a little naive to think such a proposal would get too far in the Legislature.

Aside from the political aspects of such a project, there are some sound legal drawbacks.

The present constitution—through years of spasmodic "article by article" revision—is a jumble of misplaced provisions. This results in poor organization.

It is a safe bet that the average citizen really doesn't give a hoot about the constitution's organization, but if a true job of constitutional revision it to be accomplished this national problem has to be cleared up.

This need is critically pointed up in the proposed constitution that was tossed out by the Supreme Court.

Although the proposed constitution's apportionment article didn't set too well with lots of folks in the metropolitan areas, it was a pretty good draft as a whole.

From an organizational point of view, material was more than one article that came from five other articles and 13 different sections. This was regarded as an improvement—even by Gov. Collins.

This organizational improvement could not be accomplished without some sort of "daisy chain" provision allowing more than one article at a time to be tied together—or by convention.

CHRIST AND OUR TIMES

By THE REV. PETER F. WATTERSON
Looking for Peace

Man's quest for happiness is unending. Everything he does in life is performed for that intention. It is one of the proofs that this life is but a "vale of tears" and that his true home, when he has found it, is in heaven. He will deny himself pleasures of the moment for the security of the future. He will accept the drudgery of years to attain the pinnacle of business success. There is only one reason for this—his desire of happiness.

Whether it be recreation or fame, position or money, it is all summed up in the idea of happiness. Man will endure much pain in order to obtain it. And with this happiness man judges that he has found peace. Sometimes we go the other way. We venture to obtain material possessions, one after another, hoping somehow that these will make us more happy. After a while, of course, even the thrill of this ownership pales, and we find that only another thing, novel and new, will bring us the joy we desire. What we are really seeking is peace.

Then come the words of Christ, words which make us ponder a while and wonder if we are not missing the secret of it all. "If thou hadst known, even thou, at least in this day, the things which belong unto thy peace."

Even though Christ, we are naturally inclined toward the same goals as all other peoples, and we have the identical right to seek security and human protection against the perils and the trials of life. But, at this time, we must never forget what we already possess the value of the spirit. If we want peace, that peace of heart for which mankind struggles, we must not make the mistake of looking for it primarily in material things of this world. We must penetrate the glistening and sparkle of worldly things and go back wisely to the precious bounty of our faith. There, and there alone, if we but thought about Christ more and spoke about Him more and tried to live our days and nights with Him, we would find the very thing we seek so constantly.

Picture Jesus looking at us from a distance and saying, "If thou hadst known, in this day, even thou, the things that are for thy peace. Have we begun to swing the other way? Have we finally been captivated by the values of the world and made even more prone to seek our rest in passing, perishable things? It is easy for Satan to deceive us."

Make a visit to Jesus in a church some quiet day or evening. He probably is waiting for our call. We may be all alone with Him. There we shall discover peace. Have we been missing it all along?

"TOO LATE TO CLASSIFY"

By Russell Kay

Not all scientists and researchers are concerned with rockets and trips to the moon. Many others are engaged in seeking answers to earthly problems and among these are a number at the University of Georgia who have perfected an anesthetizing projectile that can be fired from a high velocity air gun.

It is possible by means of this gun to fire a hypodermic syringe at rambunctious and wild cattle that are otherwise unapproachable and put them in a state of either unconsciousness or utter tranquility so that they can be either dehorned for screw worm or other infections, driven into corrals or aerated for shipment, with no harm to the animal and no danger to the gunner.

This new method has been thoroughly tested at the famous King Ranch in Texas and on several cattle ranches in Georgia and Florida and experimental work with it are still going on.

Not only is the new gun of extreme value to the cattlemen for a gun and is being used to subdue wild animals and is of

immense interest to conservation groups throughout the country, to game wardens and naturalists interested in the sometimes necessary removal of wild animals from an overpopulated area to another.

An effort is being made to finance an expedition to Africa where the gun can be tested in a big game hunting in Kenya Colony. Interested in the project are the University of Miami, University of Georgia, the Florida Zoological Society and a number of prominent cattlemen. Financial aid from others will be appreciated.

The expedition will be headed by Wynant D. Hubbard, for many years a professional "Wild Animal Hunter" and author of a book by that title recently published. The book is a fascinating and thrilling account of his experiences in hunting and capturing wild animals in the African big game country.

Others planning to join the expedition include Mrs. Hubbard, Dr. James H. Jenkins, professor of wild life management at the University of Georgia. Jack Crockett, federal coordinator for the Georgia Fish

and Game Commission; John Seagr, famous animal catcher and resident of Kenya Colony; Robert Kingston Davies, also of Kenya Colony, and a photographer; and a producer, Robert Penland, Jr., well known big game hunter, prominent Miami and trustee of the Miami University and Dr. Charles Barbacher, well known bone specialist who will assist in the study of the application of nitrore salicylate and other drugs.

The expedition will work closely with African public health authorities, the U. S. Fly Control Commission, the Kenya Wild Life Society and other community service organizations in their research and study. This means that the expedition will not be just an animal hunt but one which should result in considerable scientific achievement of untold benefit.

It is hoped that numerous animals, including the big game variety can be captured unharmed through the use of the gun and shipped to Miami where they will be housed in the Craney Park Zoo, which promises to become one of the outstanding zoos in the country.

2000 Attend Hardee Pioneer Days Rodeo

Over two thousand people attended the Pioneer Days Rodeo on last Saturday and Sunday afternoon in Wauchula. The Hardee County Roping Club, which sponsored this rodeo, feels that it was very successful and will sponsor another one next year in connection with the Hardee County Fair.

Glenn Murphy, local ranch owner, won a first place in bull-dogging in the rodeo on both Saturday and Sunday afternoons.

Light breeds of turkeys should be sold by the time they reach 10 pounds for turkeys and 7 pounds for hens, says The Progressive Farmer.

Others interested in gaining further information concerning either the new anesthetizing gun or the African expedition can secure it by writing the Zoological Society of Florida, P. O. Box 589, Miami 31, Florida.

If you like wild animal stories, by all means read "Wild Animal Hunter," written by Wynant Hubbard.

31st Meeting Of Congregational Women Held At Lake Byrd Lodge

The thirty-first Annual Meeting of the Women's Fellowship of the Florida Congregational Christian Conference was held at Lake Byrd Lodge, Avon Park, November 3, 4 and 5.

Highlight of the meetings were addresses by Mrs. Walter B. Williams of Newport News, Virginia, President of the National Women's Fellowship, who challenged all Christian women to "witness to the Glory of the Lord" and went on to say that this task is to cultivate the spirit of Christ beginning in our own lives and reaching out into home, church, community and even into all the world. It is a great privilege to be a Church woman in today's world. We must pray for wisdom to meet the challenge ever as did the faithful pioneers in Christian women's work who gave us a heritage to be proud of.

Since the interdenominational missionary theme of the year are the Middle East and the North American continent, the program featured these two areas. Mrs. Ralph Cheney of St. Petersburg, who lived for thirty years in Guadalajara, Mexico, told of some differences in the culture of that country and of the great work the Church is doing there in ministering to the physical, educational and spiritual needs of the Mexican people.

The thinking of the women was challenged by an address on the Middle East by the Reverend Malvern V. Parry of Avon Park which was followed by the Turkish coffee fellowship hour at the Parry home on Lake Byrd.

Mrs. William Lindsey of Miami presided over all sessions. The following were elected as officers and committee chairmen for the coming year: President, Mrs. W. A. Lindner of Miami; First Vice-President, Mrs. G. H. Martin of Fort Lauderdale; Second Vice-President, Mrs. John W. MacNeil of Sarasota; Recording Secretary, Mrs. Frederick Geuther of Bra-

denton; Corresponding Secretary, Mrs. Jane Shelley of Miami; Treasurer, Miss Pearl King of St. Petersburg.

Department Chairmen: Christian Education, Mrs. Malvern Parry of Avon Park; Christian Social Action, Mrs. George Clark of Orange City; Friendly Service, Miss Gertrude Wiley of St. Petersburg; Missionary Education, Mrs. Harold Haven of St. Petersburg; Stewardship, Mrs. John Jenkins of Avon Park; Evangelism and Spiritual Life, Mrs. Wesley Huel of Fort Lauderdale; District Directors: Mrs. H. M. Hollinger, Mrs. Oton Seaman, Mrs. Joseph Stock, Mrs. Francis Wood, Mrs. Guy Moon, Mrs. Williams Bowles.

Last Rites Held Wednesday For W. R. Folsom

William Robert Folsom, 97, passed away Tuesday, November 4, at his home after an extended illness. He was born in Marianna, and came to Avon Park from Wauchoa forty years ago.

Survivors include his widow, Mrs. Mary Folsom; three sons, Charlie Folsom of Avon Park, Shelly Folsom of Gainesville, and Lonnie Folsom of Indiana; two stepsons, C. E. Jackson of Avon Park and J. D. Jackson of Miami; three step-daughters, Mrs. C. H. Hamrick of Avon Park, Mrs. C. D. Howze of Charleston, C. and Mrs. T. S. Schmitt of Fort Myers.

Funeral services were held Wednesday afternoon at the Assembly of God Church with Pastor Hays officiating in Boguavilla Cemetery.

Light cattle of fair quality is best type to carry through winter, says The Progressive Farmer.

Proclamation

The week of November 16 to 21 has been proclaimed Christmas Seal Week by Mayor E. A. Delaney.

In setting aside the week for special recognition of the work of the Highlands County Tuberculosis Association the Mayor urged all residents to contribute to the Christmas Seal Sale now underway.

He cited the two outstanding problems in the control of tuberculosis in this area. With a large proportion of the TB problem among older citizens, especially men, "efforts are to find the unknown cases of TB among people over 40 must be intensified."

With more TB patients recovering from the disease, he pointed out, the community needs increased rehabilitation facilities to help these people and those incapacitated by other diseases and injuries become productive members of society again.

The proclamation: WHEREAS, tuberculosis is a major health problem in Highlands County with 29 people under treatment or in need of supervision;

WHEREAS, there are unknown cases among our older citizens, especially men;

WHEREAS, the great majority of TB patients can be expected to recover and maintain their health if they receive adequate help from the community;

WHEREAS, we are determined to protect our homes from invasion by this contagious disease;

E. A. Delaney, Mayor of Avon Park, urge every citizen to contribute generously to the Christmas Seal Sale of the Highlands County Tuberculosis Association to help support and expand its program of education, case finding, rehabilitation, and research designed for the protection of all from tuberculosis.

Fla. Hunters Buy 152,793 Licenses Last Season

Tallahassee.—Florida hunters purchased 152,793 hunting licenses during the past 1957-58 season, an increase of 11,672 over the previous year.

The 152,793 hunting licenses sold brought a total revenue to the Commission of \$709,558.50, according to A. D. Adair, director, Game and Fresh Water Fish Commission. By comparison, the totals for the previous year, 1956-57, were 141,121 licenses with a revenue of \$644,407.50.

The 1957-58 hunters purchased 71,142 resident county licenses at \$2.00 each, an increase of 3,342. A total of 78,482 resident state licenses, at \$7.50 each, were sold, an increase of 8,168.

Other licenses totals were: Resident Other Than Home County, 784 at \$4.50, a decrease of 20; Non-resident State, 421 at \$28.50, an increase of 14; Non-resident 10-day continuance and County Owner, 1,984 at \$11.50 each, an increase of 162.

The Commission had previously predicted that over 150,000 hunting licenses would be sold during the year.

EMPLOYEES

Have increased 71% and Inter-County is probably now the largest year around employer in the area served.

EMPLOYEES WAGES

Have increased 116%. This large expense has been absorbed so far without general increases in telephone rates. This large payroll has contributed much to the general economic development of the territory served.

Federal, State and Local Taxes

Have increased 94%. This provides generous support to the Federal State and Local Governments.

TELEPHONE PLANT INVESTMENT

Has increased 126%. The evidence of this is to be seen in new and modern telephone buildings, new exchanges, towering microwave Radio Relay towers and systems, and other improvements. Actually there is invested in telephone plant in the Inter-County System a total of \$32,000,000 for each employee.

CUSTOMERS USE THE SERVICE

Local calls have increased 107% and Long Distance calls have increased 138%. Growth has made it possible for customers to call more telephones. The service has therefore increased in value.

OPERATING EXPENSES

Have also increased tremendously, because everything used to run the business costs more . . . inflation. Accordingly higher operating expenses have lowered our earnings.

Good Telephone Earnings Must Be Maintained!

IF OUR CUSTOMERS are to receive expanded and improved service.

IF OUR EMPLOYEES are to have better jobs and if more are to be created.

IF OUR SHAREOWNERS can be assured of a fair return on their investment.

THE INTER-COUNTY TELEPHONE SYSTEM will continue to recognize its growth responsibilities so that you may continue to enjoy the benefits of adequate telephone communications.

PTA Congress To Make Study Of Social Changes As Related To Home-School And Community

Ways in which the PTA serves the home, school and community, and the effect of change in the American social scene on local parent-teacher programs and activities are to be the center of attention for delegates attending the 35th annual convention of the Florida Congress of Parents and Teachers in Sarasota, November 18-20.

Mrs. W. L. Mussett, Miami, president, whose three-year administration closes with this convention will preside at all general meetings. Official nominee for the top office is Mrs. Carleton Johnson, Tampa, nominee for first vice-president is Mrs. Howard Westwick, St. Petersburg; and for secretary, Mrs. D. R. Bowman, Jr., Pensacola.

Social highlights of the occasion will be a reception following the first general meeting on Tuesday evening at the John and Mable Ringling Museum, courtesy of the Sarasota County Council of PTAs, with Mrs. J. P. McCall, council president, heading the hostess group.

On Wednesday morning delegates will hear leaders in various fields present a symposium on Our Nation in a Changing World, John R. Adams, Operations Analyst, Air Force Missile Test Center, Patrick Air Force Base, will speak on Living with the Facts of Our Space Age; discussing problems of adjustment to the new space age. Mr. Adams will also discuss the National Defense Education Act, State Department of Education, will explore the topic Meeting Our Individual and Family Needs.

Panelists in a subsequent meeting, detailing the role of Youth in a Changing World will be young people selected from over the state by Dr. Douglas Brown, Associate Professor of Social Welfare, Florida State University.

In separate simultaneous group meetings delegates will spend the final afternoon relat-

ing the social changes pointed out by convention speakers to their own PTA programs and activities.

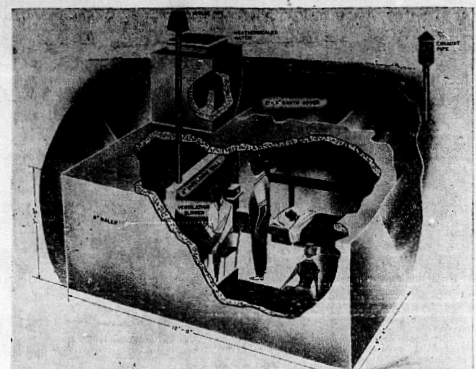

Mrs. Durand Taylor, of New York City and Wilmington, Vermont, chairman of the Committee on International Relations of the National Congress of Parents and Teachers, is scheduled for a major address on Thursday morning. Her topic will be Building Citizens for a Changing World. Mrs. Taylor is a popular speaker on world affairs and has done a great deal to keep the American public informed about the United Nations and its agencies. A member of the United Nations Speakers Bureau since 1949, she is also a member of the N. Y. Speakers Research Committee. She serves on the steering committee of Women United for the United Nations and is the official observer for the National Congress of Parents and Teachers at the United Nations Conference Group of Non-Governmental Organizations, having served as vice-chairman of its consultative committee of business on the agenda besides the annual election of officers.

Important items of business on the agenda besides the annual election of officers and the complete revision of the bylaws and the adoption of an Action Platform for 1958-59.

Climax of the convention on Thursday evening will be the annual banquet at the Sarasota Municipal Auditorium at which time Dr. Mark M. M. Chairman, Professor of Political Science, University of Florida; and Dr. Robert G. G. Chairman, National Defense Education Act, State Department of Education, will explore the topic Meeting Our Individual and Family Needs.

Panelists in a subsequent meeting, detailing the role of Youth in a Changing World will be young people selected from over the state by Dr. Douglas Brown, Associate Professor of Social Welfare, Florida State University.

Highway Philosophy

By Trooper Bill

It's today's dull tool who expects the lack of progress for a brighter tomorrow.

Why doesn't some designer think of a place for locating a pedestrian hitting soft spot on those blivvies — Eighties.

How you gonna convince anyone the good die young when the statistics keep telling us that 60 per cent of those bump-off in traffic are way past 45?

No, No, Gettude! You could never measure the intelligence of the average person by his traffic behavior.

It seems to run hand in hand: The poorest driver is the loudest squawk when pinched.

Traffic deamon was old Joe. Couldn't take the Highway's slow! Then about him Folks all said: "Joe looked peaceful, still and dead."

Parting safety shot from FHP: Boosman H. N. Kirkman: Report of your traffic sins before you make them. Then don't sin!

Avon Park Lakes Homeowners Enjoy Party

Thirty-six members of the Avon Park Lake Property Owners Association enjoyed a Halloween Party at the Clubhouse on Lake Olivia on Thursday, Oct. 30.

The clubhouse was festive with gay decorations and the guests arrived in appropriate costumes. A grand march took them by the judges, Mrs. Freda Postell, Mrs. C. G. Colburn, Norman Cook and Miss Bertha De-sautels. Leonard E. Duncan won a prize for his outstanding costume and all were congratulated for their original costumes.

Clever games were enjoyed by the group. Planning the games were Mr. and Mrs. Lee A. Wentworth and Mr. Don Edmondson. Mr. J. L. Stotts won

the guessing game and Mrs. Duncan won the feeding the banana game. Mr. Duncan was her willing and helpful partner.

Refreshments of cider, coffee and doughnuts were served the group. The committee for this group was Mr. and Mrs. Wentworth, Mrs. J. L. Stotts, Mrs. Arthur Barlow, Mrs. C. G. Colburn, Mrs. Norman Cook, Mrs. Thelma Keefe, and Mr. and Mrs. O. A. Lee.

There are now 325 members in the Association and the group hopes for many new homes and more members this year.

Youth Is Theme For DAR Meeting Held Nov. 3

Patriots Chapter of the Daughters of the American Revolution met at the Santa Rosa Hotel in Sebring on Monday, Nov. 3, for its monthly meeting.

The theme for the meeting was youth and Mrs. W. H. Arson gave a report on "Youth and Today's Schools." Charles H. Livingston, son of Rep. and Mrs. Howard Livingston, then entertained the members with his prize-winning essay. Each year Patriots Chapter awards \$25 to the 8th grade history student with an A average who writes the best essay on how the study of American History will help in later life. Charles was the winner of the 1958 contest. His essay stressed that each American Citizen should take advantage of his voice in the government by wisely using his ballot at all elections.

James Thompson, teacher of history and music in the Sebring High School, presented four girls who sang several delightful songs to the group.

Mrs. C. Dadeau was welcomed as a new member and Mrs. F. W. Coon is an associate member. Other visitors were Mrs. R. F. Godard and her daughter, Mrs. Martha Jean Conely, of Okaloosa; Mrs. E. O. Merchant of Avon Park and Mrs. H. F. Mulford and Mrs. J. B. Moore of Sebring.

Delicious refreshments were served the ladies from a beautifully arranged table by Mrs. M. P. McGee and her co-hostesses, Mrs. W. J. Lockett, Mrs. A. B. Godwin, and Miss M. Crowe.

Mrs. C. C. Seibert, Regent of Patriots Chapter, Mrs. I. H. Ford, Mrs. H. J. Hahn, and Miss Susan Tiffany, attended the District 6 Meeting of the Daughters of the American Revolution.

Legion Auxiliary To Meet Monday

The American Legion Auxiliary will meet on Monday night, Nov. 17, at 8 o'clock in the home of Mrs. Roger Zeigler at 407 E. Canfield Street.

Members are reminded that their Joy Shop Gifts must be taken to Mrs. Jim Heim for mailing to the veteran's hospitals. After the meeting Mrs. Zeigler will have her lovely Tupperware products on display.

For this season, egg prices have reached peak and will now work lower, says The Progressive Farmer.

This 1959 Mercury is the latest in the Mercury line. Also available in the distinctive Monterey and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those in any other car. Up front—9 inches more knee room. The tunnel-hump in the floor HAS BEEN "PUT IN HALP!" The man in the middle doesn't sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower—although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

ON DISPLAY TOMORROW AT YOUR DEALER'S...TOTALLY NEW FROM ROAD TO ROOF!

MERCURY BUILT TO LEAD...BUILT TO LAST

MERCURY'S COUNTRY CRUISER. Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concocted package compartment.

MERCURY'S FIRST WITH SIDE-TRAIN WIRES. They clear a 42" larger area—a 5-foot swath—including the center section. Only Mercury has this aid to safer driving.

A Voice From Avon Park Prison

By James E. Hens

This article is being written and is to be considered as an unsolicited testimonial. In last week's column brief mention was made of the two projects that are to be recipients of the proceeds from APP's coming musical variety show. It comes to mind that these two extremely worthwhile ventures haven't elaborated on it and they should be in order to emphasize their importance.

The Avon Park Youth Center is familiar to you all. Its beneficial features are apparent. As a place for the youth of the community to go during leisure hours for healthy recreation, it's value cannot be measured in dollars and cents. Development of such centers throughout the nation will eventually reduce the high percentage of juvenile delinquency to an impressive low if supported and nurtured properly. This project is local and will effect most of you directly in the good it can give your youngsters.

The other venture being contributed to, The Florida Sheriff's Boys' Ranch, is another really noteworthy cause that deserves all the support that you can give it. The Boys' Ranch, to be located on the Suwannee River near Lake Okech, Florida is a program that just defies evaluation. It has been lauded by the larger Florida

Tablids as being a progressive step... it will help resolve the great dilemma of juvenile courts; whether to send a boy off to a reformatory or back to a sorry home. Governor Collins terms it as a tremendous opportunity to do good. Recently while reading a brochure describing the program in detail, the question behind it all came to my attention: "How Much Is A Boy Worth?" Being the father of two boys myself, the question has an obvious answer in my mind. The Boys' Ranch will be devoted to providing a wholesome, homelike environment for boys who, through neglect or lack of opportunity, are in need of the type of love and discipline that will make them good citizens. Planned along lines similar to Father Flanagan's Boys Town, the Ranch will not be a "reform school" in any sense of the word. The Florida Sheriff's Association has been cognizant of the need for such a program for many years. But they have just recently been able to devise suitable financial methods for its construction and operation.

It sounds like your truly is beating the drum for these two projects. You're right... I assure am. Enough can't be said on their behalf in my humble opinion. As stated above, there are two small boys waiting for my return home... a daughter,

too. Those kids are my only really worthwhile contribution to the world to date. Good or bad, they will represent me in whatever they do or wherever they go. It is so much for me to want them good, and for me to be in favor of any program that will serve to develop their character and personality traits. A child is not self-sufficient; he or she needs love and affection as well as guidance and leadership, patience and understanding. You won't find much of either on a city street or in the smoky interior of a pool room... take it from one who knows.

Both these projects are near and dear to the hearts of the inmates of APP. They are only too aware of the fact that if such programs had been in effect when they were in their formative years that perhaps they wouldn't have become part and parcel of a penal institution. We are more than eager to help give youngsters chances to grow up in a healthy environment that many of us have been denied. One fine example of the population's feelings towards small fry was exhibited last Christmas when many of the boys put in long hours (after normal duty hours) on the toys brought in by the Lions Club. We want to assist society in any way that we possibly can and one of the means of helping that has been opted to us is this coming show.

The program for APP's variety extravaganza was pretty well covered in last week's article, but one fact was not brought out to my satisfaction. The impression may have been given that the show was being presented by one small group... this is definitely not so. Just about every department of the institution has their fingers in the pie and without such wholehearted co-operation the venture would be a big fat flop. Naturally, we have a lot of those wonderful boys and girls of Avon Park High School too. As stated last week this show is to be a joint operation as far as talent goes and working with these youngsters is an indispensable pleasure for all of us out here.

Come out and see the show Mr. Gene Gorman, our production director, has made the statement that he's in the habit of producing hits and it certainly has his inclination to believe him... especially after seeing him operate. NOVEMBER 21st, 8:00 P. M. in the Avon Park Prison Visiting Pavilion... you'll enjoy it!

Mr. and Mrs. M. D. Sikes of Miami spent Monday here visiting their parents, Mr. and Mrs. J. A. Sikes.

Testing For TB

The simple tuberculin test will show whether these youngsters have been infected with the germs that cause tuberculosis. Even if they have been infected, they need never have TB if they keep in good health. Health education and tuberculin testing are TB-fighting activities of the tuberculosis association supported by the Christmas Seal Sale.

State Sales Tax Shows Increase For October

Sales tax collections during the month of October, reflecting September sales, totaled \$10,632,715, an increase of \$477,462, 4.6 per cent, over the \$10,155,253 collected during the same month last year, and a very slight decrease, \$11,917, 0.1 per cent, under the \$10,644,632 collected the previous month of September. These figures do not truly reflect exact collections due to the receipt of a collection check of \$240,000 which was received too late for tabulation with the October collections but which would have normally been credited to that month. Had the \$240,000 payment been received on time, the percentage increase of collections this October over last October would have been 7 per cent.

Total sales tax collections this fiscal year, July through October, amount to \$43,175,530, an increase of \$4,092,553, 10.47 per cent, over the \$39,082,977 collected to date last fiscal year. Gasoline tax collections during the month of October, reflecting September sales, totaled \$8,200,209, an increase of \$708,241, 8.47 per cent, over the \$7,491,968 collected during the same month last year, and a decrease of \$42,342, 0.5 per cent, under the \$8,242,551 collected the previous month of September. This decrease is normal as October is usually the low point in gasoline tax collections for the year. Total gasoline tax collections this fiscal year amount to \$33,110,909, an increase of \$2,154,979, 6.54 per cent, over the \$30,955,929 collected last year at this time.

Richard Turner Completes Basic

Fort Jackson, S. C. (AHTNC) — Army Recruit Richard P. Turner, 19, son of the Rev. and Mrs. R. S. Turner, Lake Placid, Fla., recently completed eight weeks of basic combat training at Fort Jackson, S. C.

A 1957 graduate of Decatur (Tenn.) High School, Turner was employed by the Inventory Management Company in Stark and Wetzel, Ind., before entering the Army.

Marriage License Applications

The following applications for marriage licenses, were on file in the County Judge Marvin Rohrer's office between October 20 and November 5:

Fred Morris, West Palm Beach, and Ada Belle Richardson, West Palm Beach.

Walter F. Rhodes, Tampa, and Anna Smith, Waverly, Florida. Phillip Wayne Cribb, Avon Park, and Barbara Ann Perez, Avon Park.

Colored: Robert L. McKinnis, Sebring and Lottie Mae Lewis, Sebring.

Joseph Wilson, Avon Park and Argeline Broadman, Avon Park.

In the applications published last week an error occurred in the names of two applicants, they should have read:

Clarence Polston, Sebring and Jewel Price, Lake Placid. William Elmer Moore, Avon Park and Martha Lamonde O'Berry, Avon Park.

Local Members Attend District FHA Meeting Sat.

A number of members of the local chapter of the Future Homemakers of America attended the District 6 meeting of the State Future Homemakers in Clearwater on Saturday, Nov. 8.

Over twelve hundred girls from District 6 were present at the meeting. During the roll call each local chapter made a pledge or contribution to Scholarship Fund of the state group. This fund is to help worthy members of the Homemakers with their college educations.

The new project for all chapters of the Future Homemakers were discussed. The project for this year is the beautification of the highway approaches into the local towns. Mrs. Sam Nix spoke to the girls on this subject and offered suggestions for their benefit.

A Highlands County School Bus took girls from Avon Park, Lake Placid and Sebring to Clearwater for the meeting. Each girl took a lunch to eat on the bus. Mrs. Violet Mosley, sponsor of the local chapter, Mrs. William Luscumb, and Mrs. Jewel McClure accompanied the Avon Park girls.

Members of the local chapter who enjoyed the meeting were Edith Wilson, Martha Nolin, Susanne Harvin, Sally Nite, Frankie Smith, Ann Zedler, Marilyn Grosse, Anita Luscumb, Linda McClure, Ebel Grandtham, Joyce Amley, Judy Hooper, Linda Anderson, Martha O'Steen, and Gwen Nolin.

Avon Park To Play Bartow Friday Night

Friday night, November 14, the Red Devils will be seeking their seventh win of the season when they travel to Bartow to do battle with the Yellow Jackets there.

Last week the Red Devils handed the Kowboys of Kissimmee a 19-0 shut out while Bartow and Alhambra fought to a 19-19 tie.

The Yellow Jackets are always tough and will have their stingers out and sharpened for the Devils, but the Devils report that their pitch forks will be ready for the sting.

This is the ninth game of the season for the Red Devils. The only game left after the Bartow game will be homecoming with the Sebring Blue Streaks here on Nov. 26.

A large crowd is expected to follow the Devils to Bartow.

THANKS - A MILLION

WHERE YOU STOP WITH

Confidence...

...in gasolines that are first in performance

From long experience, Southern motorists expect Standard Oil to be first with the best, and Standard Oil dealers to supply them with gasolines that are constantly improved. That Standard Oil gasolines fulfill these expectations is evidenced by the fact that they are bought by more motorists than any other brand in the area served by Standard Oil dealers.

To further justify this continued confidence, the quality of all three of our popular gasolines has again been improved, to assure you a new high in performance, whichever you use.

Your confidence in us is reflected by our confidence in the future of the South. During 1957, our expenditures in Alabama, Florida, Georgia, Kentucky and Mississippi, for additional real estate, buildings and facilities... enlargement, repair and maintenance for present plants and equipment... and all expenses of operation, including payrolls, licenses and taxes (excluding Federal income taxes)—amounted to over \$50,000,000.

Our future is the future of the South. We never lose sight of this fact in making plans and expenditures.

Boy Scouts

Troop 156 of the Avon Park Scouts has donated a number of boys for work with Andrew Miralzo on the new Milk Bar at the Youth Center. The boys have not yet finished work on this project.

Troop 157 has had a busy week with fourteen boys going on the Boat-a-Glide on the Kissimmee River last weekend. Fred Davis, Scoutmaster, Franklin Ward and Hubbard Biggs went with the troop. Sixty scouts from the Highlands district and a number of adults were present for the Campfire Program on Friday night. The river was high for good boating and just a little rain made for a very successful trip for all. Mrs. Royal Coates assisted by taking some of the scouts to the campground.

On Wednesday eighteen of the Scouts enjoyed a delicious luncheon at the Jacaranda Hotel with the Rotary Club, their sponsoring organization. Scout Morris Gay talked on Scouting. Morris Adams demonstrated a fire fighting stove, and the entire troop took part in a rope making exhibit for the benefit of the Rotary members.

Miss Kelsey's Engagement To Richard Reddick, Jr. Announced

MISS SANDRA KELSEY

Mr. and Mrs. George A. Kelsey, of Avon Park are announcing the engagement of their daughter, Sandra, to Richard Devon Reddick, Jr., son of Mr. Richard D. Reddick and the late Mrs. Kitty Lou Reddick.

Miss Kelsey is a graduate of Avon Park High School where she took part in many school activities. She held several class offices, was feature editor of the yearbook, a member of the band, and was a finalist in the yearbook queen contest. She is presently employed by Inter-County Telephone and Telegraph Company in Avon Park.

Mr. Reddick was graduated from Avon Park High School, where he was an active member of the band, yearbook staff, student government, and was president of his graduating class. He attended the University of Florida where he was associated with the Sigma Chi Fraternity and a member and officer of the University of Florida Men's Glee Club. He is now employed in Avon Park by the Division of Corrections of the State of Florida.

The couple are planning a winter wedding, plans to be announced later.

Linda Dobbins Has Coke Party For Birthday

Linda Dobbins entertained some of her friends with a Coke Party on her twelfth birthday, Saturday afternoon, Nov. 8, at her home on Kendall Boulevard.

Pink hibiscus and pink candles were used with the lovely pink birthday cake which was decorated in pink and white and said "Happy Birthday, Linda". Sandwiches, nuts, chips, minis, and Cokes were served the guests from the beautiful table.

The sixteen girls present enjoyed an afternoon of playing records, games, and visiting. Sharon Lee won the "name that tune" record game and received a prize. All the girls helped Linda open her lovely birthday gifts.

Helping Linda with her party were Mrs. Walter Maudis, her aunt; and Mrs. Fred McHaffey, her grandmother; and Mrs. Milton Brown, her aunt of Sebring.

OES Practice On Thurs. And Meets On Tuesday

There will be an important practice for the members of Leigh Chapter No. 85 of the Order of the Eastern Star on Thursday, Nov. 13, at 7:30 in the Masonic Temple.

The Grand Instruction will be present at the practice and all members and officers are invited to attend this important meeting.

The next regular meeting of Leigh Chapter will be held on Tuesday, Nov. 18, at 7:30 o'clock in the Masonic Temple. Grand Instruction Patricia Wilson of Frostproof and Florence Heath of Wauchula, Representatives, will be honored at this meeting.

Sally Beth King Celebrates Tenth Birthday

Sally Beth King, daughter of Dr. and Mrs. Sam King, and several of her friends enjoyed an afternoon of fun at the King home on Friday in celebration of her tenth birthday.

The girls played games, enjoyed the trapeze in the yard, and, as an added attraction, took a trip around Lake Kissimmee on the paddleboat. A Treasure Hunt for their favors also was a big hit with the guests.

Mrs. King served the girls birthday cake of pink, ice cream and cold drinks.

Trip To Sand Mt. For Debbie Ward's Tenth Birthday

Debbie Ward and some of her friends enjoyed a trip to Sand Mountain at Debbie's birthday party, Saturday morning, Nov. 8. Debbie, daughter of Mr. and Mrs. G. Franklin Ward, was celebrating her tenth birthday.

Mrs. Ward took the children to Sand Mountain and they explored every nook and cranny of the sand hill. In a few hours all the children had made the trip up and down dozens of times to their great enjoyment.

After everyone had satisfied their climbing urges they came back to Debbie's home on Lake Lela.

Here they were served a picnic lunch and enjoyed playing Debbie open her birthday gifts. After lunch they ate red, white, and blue birthday cake and ice cream. Helping Debbie celebrate were Arlene King, Betty Hutchinson, Sally Beth King.

THIRTY-FIRST CONFERENCE HELD AT LAKE BYRD. The Annual meeting of the Women's Fellowship of the Florida Congregational Church Conference was held at Lake Byrd, November 3 through 8. Mrs. W. A. Lindsey of Miami, left, is shown presenting a message to Mrs. Walter B. Williams of Newberry, Virginia, President of the National Women's Fellowship. Mrs. Williams' address was one of the highlights of the conference.

The Covenant Circle will sponsor an Open House at Lake Byrd Lodge on Wednesday, Nov. 19, at 1:30 for its regular monthly meeting. The purpose of this meeting at Lake Byrd is to acquaint the members with the improvements in the lodge and introduce new members to its facilities.

The Lodge was bought by the Florida Congregational Church in 1946 and since that time has served many church and non-denominational groups. During these years a number of improvements have been made in the building and more improvements are being planned. The Rev. and Mrs. John E. Pickett have been managers of the Lodge for the past ten years and have become acquainted with many many people through their work.

Members of the Covenant Circle are reminded that their Thanksgiving Offering is due this month. The Rev. Casen who is in charge of the Mission work to the Migrants, has reminded church groups that the rev. for the migrant children must be in by Dec. 1 and these should be brought to this meeting.

All ladies of the church and winter guests are cordially invited to attend the meeting. Refreshments will be served at the Lodge.

will meet on Thursday night, Nov. 13, at 7:30 in the Social Hall of the Educational Building. Harry Hutchinson, president, will speak on his recent trip to Mexico. Refreshments will be served after the meeting. All men of the church and winter visitors are invited to attend.

The Wednesday Devotional and Bible Study Period will be held from 7 until 8 o'clock each Wednesday with Col. Myron Merdiant giving a series of talks on the Life and Letters of St. Paul. Choir practice will be at 7:45.

Sixteen women from the local church attended the State Congregational Women's Fellowship meetings at Lake Byrd Lodge last week with four voting delegates being present. Mrs. W. J. Head was in charge of the lovely floral arrangements. Over 200 women from Florida attended this important meeting.

On the Work Day, Sat. Nov. 8, the Parish House was completely scarped and partly painted by the loyal workers. About ten workers were present and all enjoyed a delicious luncheon prepared by the members of the Evening Circle. More work will be done on Wednesday afternoon and on Saturday, Nov. 15. The Parish House shows the result of this work and will look much better by Sunday, Nov. 16.

Local Residents Requested To Support Library By Memberships

One of the most wonderful opportunities available to the residents of Avon Park is the chance to use and enjoy the Avon Park Library. This library has hours of entertainment, information, and self-improvement for all of us this and every year. The librarian, Miss Mary Slaughter, is ready and willing to help secure books for all the users of the library.

A library membership may be purchased for \$1.00 and family memberships are available for \$3.00. At these reasonable prices you may help to support the library and enjoy this wonderful privilege. All winter guests are urged to take advantage of this facility while in Avon Park and all old members are asked to renew their cards now.

The Library Committee of the Avon Park Senior Women's Library.

First Methodist

The General Meeting of the Women's Society for Christian Service met on Tuesday, Nov. 4, at 3 o'clock in Wesley Hall.

The program was presented by Circle I: Mrs. D. E. Graham, Circle Chairman, gave the subject "Human Rights and Human Needs" and introduced the members who took part in the interesting program. Mrs. Charles Wesley spoke on "Food And Agricultural Organizations"; Mrs. W. D. Perkins reported on the "World Health Organization"; and Mrs. George Kelsey talked on "The United Nations Education And Cultural Organization". The program gave a clear picture of some of the need of humans all over the world and what is being done to meet these needs.

Mrs. A. F. Riggins, president, presided over the short business and announced the very successful outstanding study on the Middle East has been concluded.

Fla. Ave. Baptist

The Women's Missionary Society met on Tuesday night, Nov. 4, in the church with nineteen members present. Mrs. Elmo Hopkins, president, opened the meeting with a devotional message. After the meeting Mrs. J. M. Gilbreath discussed the new W. M. S. Yearbook. It was decided to have a study course on Thursday night, Nov. 13 in the church. The subject will be "Into A New World" with Mrs. J. W. Porter teaching the course.

The Young People's Department enjoyed a hamburger fry in the Social Hall on Saturday night, Nov. 8. After enjoying hamburgers with all the trimmings the group enjoyed games which were conducted by Sue Ann Porter, Royce and Larry Sanders, David McCully, Jerry Casey, Mr. and Mrs. Johnny Starling, Mr. and Mrs. Elmo Hopkins, James Chestnut and Mrs. J. M. Gilbreath.

First Baptist

The Florida Baptist Convention is meeting this week at the Central Baptist Church in Miami. The Rev. Adon Childress is attending these important meetings.

A Churchwide Visitation is planned for Thursday, Nov. 13, and will start at 6:30 o'clock. Supper will be served at 6:30 and more visitation will take place that evening.

The Helen Demaree Circle met on Tuesday, Nov. 4, in the home of Mrs. Frank Camp with twelve members and two visitors present. Mrs. T. M. Weekley opened the meeting with a prayer. A very interesting program on the Philippines and East Indies was given by Mrs. W. C. Touchton. Plans were made for a Thanksgiving basket to be given to the needy and the circle members offered prayers for the Revival.

Club met last week to make plans for helping with the support of the library. Members of the Senior Woman's Club who died last year, Mrs. Emma Colmery, Mrs. Emma McClaren, and Mrs. R. P. Shepherd were accepted. Also donations from the friends of the late Cecil Ogden for the use of the library were received.

Plans for the Annual Silver Tea for the benefit of the Avon Park Library were also made at the meeting. This is one of the outstanding social events of the winter season and the public is cordially invited to attend. The Silver Tea will be held on Friday, Feb. 13, at the beautiful home of Mrs. W. C. Touchton on Lake Lela.

The Library Committee asks the help of each resident of the Avon Park Senior Women's Library.

Large Crowd Attends Meeting Of Senior Woman's Club On Friday

The Avon Park Senior Woman's Club met on Friday afternoon, Nov. 7, in the Woman's Club Building with a large number of women present for the meeting.

The building was beautifully decorated with fall flowers. Mrs. Edna Jackson played the piano and Mrs. Paul Erickson opened the meeting with a prayer.

During the business meeting, presided over by Mrs. John Townsend, president, several important business matters were discussed. Three recommendations by the Executive Board were passed by the group. They were: 1. The Clubhouse is to be used only by the Senior and Junior Woman's Clubs; 2. A Memorial of five dollars shall be donated to the Avon Park Library on the death of a member of the Senior Woman's Club; and 3. The Clubhouse and for the property on which it is located is not for sale.

Mrs. Townsend asked for a report on the Pie and Cake Booth at the Halloween Carnival and thanked all members for their work in making the project such a success. Mrs. Cecil Ogden, Library Committee, announced that the Annual Silver Tea for the Library will be held on Feb. 13 in the home of Mrs. W. C. Touchton. Plans for the purchase of a new refrigerator for the Clubhouse were discussed.

Mrs. W. C. Touchton left Sunday on the Silver Meteor for New York City. Friends from Dade City joined Mrs. Touchton and they will spend the week in New York sightseeing and seeing some plays.

Four Chamber Officials Attend Conference In Winter Garden

Downtown businessmen in all sections of Florida have expressed the belief that the most critical problem facing them today is the fierce competition being offered by shopping centers.

These same businessmen claim they cannot profitably compete with the outlying areas.

If this be true—and crowded shopping centers seem to bear them out, what can be done to

aid the centrally located merchants?

The answer may be found this week during a two-day conference in Winter Garden to be conducted by the General Extension Division of Florida. The meeting is being held Wednesday and Thursday of this week.

Jim Heim, President of the Chamber of Commerce of Avon Park; Mrs. Anna Belle Worden, executive secretary; George

Cornbread And Oyster Stuffing

1 cup butter, 1 cup minced onion, 1/2 cup chopped celery, 1/2 cup chopped parsley, 1 tablespoon dry savory or poultry seasoning, 1 1/2 teaspoons salt, 1/2 teaspoon pepper, 1 pint small oysters, drained and dried, 5 cups stale bread cubes, 3 cups crumbled corn bread with eggs but without sugar.

Melt butter in skillet. Add all ingredients except bread cubes, and cornbread. Cook for five minutes. Add crumbs and use as stuffing for turkey. If too dry, stir in one-fourth cup turkey broth. Makes 10 cups.

Woodham, Chairman of the Chamber's Industrial Committee, and Robert Lee, representative of the Merchants Committee are expected to attend the meeting.

Co-sponsoring the event are Florida Power Corporation, Florida Planning and Zoning Association, and the Winter Garden Chamber of Commerce, the board of city commissioners, and the planning and zoning board.

Theme for the conference is "Making More Money Downtown."

Some of the problems to be discussed are congested traffic conditions and inadequate parking facilities, poor lighting and design of store, lack of promotion and ineffective salesmanship.

Wednesday was devoted to discussions on what merchants and planners have done and are doing to promote downtown business.

Discussion leaders for the second day of the conference will explain in detail how store facilities can promote downtown business. The conference will draw to a close after the showing of a motion picture film and a discussion period.

PUMPKIN PIE AND POLITICS

America's two most popular holiday desserts—pumpkin and mince pie—are much more than traditional holiday fare. During past centuries both have had political and religious implications.

Long before the Pilgrims observed our first Thanksgiving, politics entered into the eating of pumpkin pie in England in 1483. An act of Parliament that forbade the eating of pumpkins by everyone below the rank of Baron. Prior to that time, the pie was eaten by the poor.

Such a small thing as the shape of a mince pie caused the Puritans to abolish, for several years, the observance of Christmas in the United States. In 1659, Colonial "pie bakers" refused the size of the holidays.

These pies were much more than traditional holiday fare. During past centuries both have had political and religious implications.

Youth Center News

A drive for membership for the Youth Association is now in progress. A large number of the local business men and local residents have generously donated to this drive. Some of the contributors have no children of the age to take advantage of the Youth Center. Their generous donations are gratefully accepted.

If your children take advantage of the Youth Center for recreation and fun please try to become a member of the Youth Association. Membership is two dollars but other more or less is gratefully accepted. The Youth Association has done a great deal for the children of Avon Park and it is up to their parents to make an effort to help with its support.

The stools have now been installed to make the lovely new Milk Bar at the Center complete.

Elem. PTA To Meet Tonight

The Avon Elementary PTA will meet tonight at 8 o'clock in the Cafeteria on West Winthrop Street.

Mrs. Howard Kubler, State Program Chairman for the PTA will be the speaker. She is an outstanding speaker and will be thoroughly enjoyed. Refreshments will be served after the meeting.
