Hurd on the Mall

BY GEN HURD

Those who do the most work in any organization are those who quietly go about their business and usually don't get too much credit for their efforts until a good job is done. The president of any club usually falls into this category and Mrs. E. A. Shepherd is one of those. Besides her many other duties as head of the Founders circle garden club she is working along with others on tables at the Flower show this afternoon. (Thursday) and evening.

—o—

One of the most unusual exhibits at the flower show will be the collection of rare orchids owned by Myrel Applegren of Avon Park.

—o—

Thanks to Anna Belle Worden for this one: At the Fair beauty contest Monday night, Cindy the small daughter of Mr. and Mrs. "Billy" Sebring a future beauty herself, became slightly impatient with her father. He wanted to watch the contest and she kept urging him to go see the hogs.

—o—

Some of the local talent Allen Entz, Jr. director of "My Three Angels" has rounded up is so good that the cast themselves interrupted a scene in rehearsal with a spontaneous bust of applause. They must just be "naturals" since some of them have had little or no acting experience.

—o—

Being in charge of properties in little theatre work is just like being on a gigantic scavenger hunt sometimes. It takes you to unusual places and you talk with such nice people who want to help.

Little John Thomas Wright was a sweetheart to part with his favorite gun, borrowed to use in the play, and will be on hand to see that his "volver" does a good job.

—o—

County Fair visitors are getting a big kick out of the "ham" radio station set up there for their pleasure. They are sending messages all over the country.

Avon Park has a licensed lady operator who chats with her husband at the Fairgrounds from her station K4SOL here in Avon Park. Tomi Woodruff (Mrs. Bob) got her "go ahead" from the government in August and like all amateur operators is very enthusiastic about her hobby.

This idea of setting up a station at the Fair was suggested by boss, Bill Myer and has proved quite an attraction.

Sometimes the cows and tractors give the boys a little competition with their moos and motors, but the visitors love it. when Tomi gives instructions to her husband, over the din, to "bring home a loaf of bread, dear."

—o—

Mr. and Mrs. H. J. Baker who were chatting with Art Turner outside his furniture store when the huge concrete mixer saught drive-in service, narrowly escaped injury. Mr. Baker was hit by flying debris when the truck stopped a few feet from where he was standing. Art had walked over his divans in his hurry to escape and Mrs. Baker fled down the street.

Mr. Wheeles, driver of the car which collided with the truck at the intersection, was thrown out of his car onto the street and escaped with slight injuries and a dirty shirt.

It is hard to determine what would have happened if the Jahna Ready-Mix truck had not just emptied a load of cement moments before. The truck missed by an inch hitting one of the roof supports of the store. Only the day before Art had put in some cement work and cautioned the workmen to make it an inch thicker because, as he put it "A truck might run up over the sidewalk". One did, but with no damage to the cement job, which was barely dry.

High School Students Hear Talk On Missile

Major Rosa of the Air Force Missile Test Center gave an interesting and informative talk, illustrated with color film and slides, on missiles to the Avon Park High School student body on Monday, Feb. 16.

His presentation covered the operations and facilities at the Air Force Missile Test Center, Cape Canaveral, and down range. Many of the places shown in the slides and film are restricted to many persons because of security and other reasons.

Major Rosa emphasized the fact that the purpose of the Cape and the Air Force Missile Center is to test missiles. It should be considered as a laboratory where failures are more numerous than successes. As much, often even more, can be learned form a so-called failure as from a success. He said that the majority of the scientists there were young men and women who were well paid and had a great deal of prestige.

The film pictured the actual launching and tracking of various kinds of missiles and the boys and girls were more than interested in them and Major Rosa's talk. They were spellbound by this view of the missiles and left the auditorium full of enthusiam and interest and much better informed about the United States Missile Program.

Lt. Col. Charles McClelland, a former Avon Park graduate, was unable to give the presentation as originally scheduled.

About 60 Lake Placid and Sebring High School students were in the audience as guests of the Avon Park student body.

Plans are almost complete for the special science and mathemetics students in the Highlands County High School to visit the Air Force Missile Test Center and Cape Canaveral in the near future.

Final Plans For Lad-Dad Campout Are Announced

Last minutes plans for the Lad-Dad Camp-out this weekend in Highlands Hammock have been completed and Troop 156 and Troop 157 of the Boy Scouts briefed on the plans.

Each Scout must be accompanied by his father in order to make the camp-out. Special circumstances will be given consideration of course but the purpose of the camp is to interest fathers in Scout Work and this rule must be upheld.

The camp will start at 2 o'clock on Saturday and Scouts and their fathers are to stop at the Highlands Hammock Gate for directions. A three o'clock father and son hike is planned with a reward for the combination which finds a "mystery" or unfamiliar leaf. Supper will be cooked at five o'clock and after supper campfire ceremonies will be held. Taps will sound at eleven o'clock, the Scouts and their fathers will arise for breakfast at 6:30 and break camp at 8:30 in order to return home for Sunday school and church.

All fathers are urged to accompany their sons on this camp-out.

Mr. And Mrs. Ira Stropes Win Fifteen Ribbons At State Fair

Mr. and Mrs. Ira Stropes won ribbons for the third year at the Florida State Fair in Tampa for their lovely handwork last week.

This year Mr. and Mrs. Stropes won eight blue ribbons and seven red ribbons for the first and second places. Their work will be on display at the Hobby Show in the Tourist Center today and all are invited to see their lovely pieces.

Mr. Stropes entered one hooked rug, and the rug won a red ribbon over numerous other entries. His picture with his rug appeared in the Tampa Tribune with other interesting information about the Stropes.

Mrs. Stropes won blue ribbons for hand stitched pillow cases which have previously won four blue ribbons and a blue ribbon for an afaghan which had previously won three blue ribbons. She also entered an adorable hand crocheted ballerina doll eight inches tall daintly dressed in lovely crocheted clothes. The doll won a red ribbon.

Mr. and Mrs. Stropes enjoy their handwork as a hobby and enjoy giving the lovely articles to members of their family as gifts. They have four sons and some grandchildren. One granddaughter will marry in April and Mrs. Stropes will help furnish her hope chest filled with lovely handstitched articles.

Mr. and Mrs. Stropes are permanent residents of Avon Park and have a home on West Walnut Street. They came here from Racine, Wisconsin.

Avon Park congratulates them and feels that their lovely work has done the community proud in the State Fair of the last few years.

Avon Park Places Five Girls In Beauty Contest Finals At County Fair

THE AVON PARK HIGH SCHOOL BAND, under direction of Gene Gorman, extends a musical welcome to Mr. and Mrs. Elzo Cornue, members number 600 and 601 of the Winter Guest Club. Mr. and Mrs. Cornue of Forest Park, Illinois are not newcomers to Avon Park, as they have wintered here for the past twelve years. They now have a new home at 7 East Circle Drive, built by H. Klemm and Son.

The Highlands County Fair opened Monday with large crowds in attendance at each session.

Feature attraction of opening day was the bathing suit preliminary Beauty Queen Contest, at which Avon Park placed five girls amongst the ten finalists, who will appear in evening dress Friday evening for the selection of the 1959 Queen and her court.

Chosen amongst the ten finalists were Sammy Wright, Bonnie Naelschmidt, Martha Elder, Clytee Coleman and Betty Sheperd of Avon Park; Charlene Rucker of Lake Placid; and Sylvia Belcher, Joann Robbins, Linda Piety and Gail Scarborough of Sebring.

Miss Wright of Avon Park was runner-up to the Queen in the 1958 contest, which was won by Coleen Hoy of Lake Placid. Miss Hoy will crown the 1959 Queen immediately after her selection Friday night.

Avon Park again took second place in the judging of Community booths, only a few percentage points behind Lake Placid, the perrenial winners.

Lorida placed third and took the white ribbon, whil Sebring was fourth.

The Avon Park Correctional Institution exhibit drew wide attention of fairgoers. This exhibit displays the handicraft of inmates and the educational-recreational-cultural opportunities afforded inmates.

The Hobby Show, which this year became one of the main attractions of the fair, drew entrants from all parts of the county and commanded exceptional attention from visitors. A major feature of this event is the ham radio installation which permits visitors to speak with people in other parts of the country.

The ham operators are, busy sending messages all around the world, are Roy Pixler and Bob Woodruff of Avon Park; Dr. W. S. Coon and Henry Webster of Sebring.

Some of the other Hobby exhibits included Leathercraft, Jewelry, Paintings, Crochet, Ceramics, Embroidery, Tatting, Sewing, Quilting, and many other items.

Tonight (Thursday) the famous Dress Review will be held on the new stage at 8 o'clock. Friday will see the big Livestock Sale in the afternoon and in the evening the finals of the Queen Contest will be held at 8 o'clock.

Saturday the fairgrounds will open at 1 p. m. and remain open until the official closing time of the fair at 11:45 that night.

Benefit Games Draw Large Crowd For Youth Center Building Fund

The benefit basketball games Saturday night realized a total of $266.50 for the Youth Center Building Development fund.

Tickets showed a total of $232.20; popcorn $8.33 and the concession stand $25.97.

The games were sponsored by the Association and one team was made-up of ladies from the group playing under the name of "Bloomer Girls". They tangled with women teachers from the Avon Park schools and emerged with a close 28-27 victory.

Members of the Jaycees tangled with the men teachers and the final tally was just as close as the ladies game, with the Jaycees winding-up on top 38-37.

The Bloomer Girls galloped onto the floor in their fancy, well tailored bloomers and came face to face with a first-aid station established to handle casualties of both games, more critical of which was the simulated broken leg of Winni Delaney--which did not prevent her playing an outstanding game.

The lady teachers proved great entertainers with their modified 'strip-tease' that took the audience by surprise--playing the first quarter in skirts, they removed them for the second stanza and appeared in flimzy garments that displayed the dungarees in which they played the third quarter--removing the dungarees for the final frame they appeared in basketball shorts. Mystery of the evening of their ability to play the early portions of the game with so much clothing on.

The Jaycees and the men teachers took the floor and played basketball inearnest for the first few minutes, but the atmosphere of the situation soon took over and the game became a great entertainment feature.

Scorekeepers were hard put to keep up with the changes in the line-up for both games.

Popcorn was donated and popped by members of the Junior class of the high school; the concession stand was handled by Mrs. T. H. Maxwell, Mrs. John Townsend, Mrs. Lou Hopper, Mrs. Tom Hallam and Mrs. Bill Luscomb.

Mrs. Townsend, president of the Youth Center Building Development Association, said the association extends thanks to all who helped to make the evening such an outstanding success both from an entertainment standpoint and financially. The Association report shows a total of more than $1,100 has been raised so far by various projects undertaken.

Color Brochure Of Avon Park Being Prepared

The Chamber of Commerce brochure committee is receiving bids on the publication of a full color brochure of Avon Park expected to be printed soon.

Color transparancy pictures are being taben for use in this pamphlet and it is hoped that a full color aerial view of the mall can beobtained for use on the can be obtained for use on the

Ray Wells is chairman of the committee, other members of the committee are Franklin Ward, Wm. A. Meyer and Anna Belle Worden.

Heart Fund Tag Sale Saturday

Tags for the benefit of the National Heart Fund Drive will be on sale in Avon Park on Saturday, Feb. 28. The Girl Scouts of Troop 3 and their leaders, Mrs. Jim Runkle and Mrs. Roy Ladwig, will help with the tag sale.

Residents are asked to help with this drive for a very worthy fund by buying tags from the Girls Scouts on Saturday. Remember heart disease kills many Americans every year.

Florida Power Annual Report Shows Growth

Emphasing the great growth of Florida during the past 10 years, Florida Power Corporation's 1958 annual report, which is being released to stockholders this week, gives comparison figures for "10 years of progress," according to Mr. George F. Woodham, manager here for the utility.

During the 10 year period, FPC's average number of customers increased 139 per cent to an annual average of 241,312; annual sales increased 156 per cent to 2,330,387,969 kilowatt hours; and the average annual kilowatt-hour-usage per residential customer increased 121 per cent to 3,991, substantially above the national average of 3,385 kwh.

Financial highlights of 1958 were an operating revenue of $56,918,844; a three-for-one stock split; and an 8 per cent increase in dividends during the year.

To keep ahead of the electrical demands of this growing state, the utility last year spent $35,247,609 on new construction and expansion and this year plans to spend $31,500,000. New construction included the 120,000 kilo-

JAHNA READY-MIX CONCRETE TRUCK crashed into the front of the Turner Furniture Company store on West Main Street last Thursday morning as the result of a collision with an automobile. Damage to building was confined to breaking two plate glasses and some of the brick support. Detail story to be found elsewhere in this issue.

March Of Dimes Drive Exceeds Previous Year

The final report of the 1959 March of Dimes drive in Highlands County shows approximately $200 over the 1958 drive total, according to Earl Rich, campaign chairman.

Only $1.53 seperated contributions from Avon Park and Sebring, with Sebring showing a total of $1,316.55 and Avon Park's total $1,315.02.

Lake Placid totals showed $255.51; DeSoto School $19.52, and Lorida $12.83.

Grand total for the county came to $2,919.43, Rich said.

In Avon Park the total was made up from $153.33 from containers placed in business places; $136.78 from the elementary school; $357.22 from the Wo-Club; $33.14 from the high school; $81.93 from Hopewell school; $244.52 from a road block set u pby the American Legion; and $308.60 from mailers.

In Sebring mailers accounted for $564.03; high school $26.54; Woodlawn school $131.52; E. O. Douglas school $88.19; containers $168.53 and Mothers March $337.74.

Officers Named In County Club Of FSU Alumni

The Highlands County Club of the University of Florida Alumni Association named F. Elgin Bayless, Jr., of Sebring, as president for the new year.

Robert R. King and David Lanier of Avon Park were named vice presidents; and C. Robert Miller of Sebring, secretary-treasurer.

Charles Prisoc and Charles Collins of Avon Park were named directors, as were Billy Carson and Allen Entz, Jr., of Sebring and T. P. Clinard of Lake Placid.

At a district meeting held in Mulberry the Highlands Club was awarded a certificate for meritorious and outstanding service, and a plaque for overall membership competition.

Leon's Fishing Contest Closes Saturday Evening

The big Fishing Contest sponsored by Leon's Sporting Goods will close Saturday evening at 6 o'clock and to date C. E. Gavin is out in front in the big bass division with a lunker weighing 11 pounds and 5 ounces caught with spinning tackle at Lake Verona on a Baby Dalton.

Alton LaFlame is a close second with an entry weighing 10 pounds 12 ounces taken with a top water plug from Lake Adalaide; Jack Elder is third with 9 pound 11 ounces, taken from Lake Istapoga with a top water plug; Clarence C. Miracle is next with 9 pounds 6 ounces, taken from West Twin Lake on a black eel with spinning tackle; Forrest Johnson's entry is 9 pounds 4 ounces, taken from Hickory Lake with a spotted eel.

In the Speckled Perch division C. L. Craft and Leamon Kelly are tied at 1 pound 14 ounces; Craft's entry came from Lake Okeechobee and Kelly's from Little Red Water; Ralph Cohn

Set County-Wide Tennis Matches

Deputy Sheriff Jack Hancock, president of the Sebring Tennis Club, announced today that plans are underway for a county-wide tennis tournament to be held in April.

The first of its kind for Highlands County, Hancock said that tentative plans call making this into an annual event with every community in the county participating.

This year the event will be confined to mens and womens singles, with doubles events to be included in future years. Preliminary matches will be played in the various communities with the semi-finals and finals being played on the municipal courts across from the court house in Sebuing, Hancock said. He stated that in future years it is hoped to move the tournament from one community to another throughout the county.

Theatre Guild Premiere Set For March 6-7

On March 6 and 7 when the curtain goes up on the Ridge Theatre Guild's premier production of "My Three Angels", the sparkling comedy hit of Broadway and movies, you will meet:

Convict No. 3011 alias Irwin Fink, in real life a sales manager.

Convict No. 4707 alias Frank Newman, an attorney.

Convict No. 6817 alias Don Gunther, in real life an entomologist.

The antics of "these three angels" in a French Guiana penal colony setting causes panic for Mama Ducatel, played by Mrs. Ellen Altenberger, a Sebring Homemaker; and Papa Ducatel, ably portrayed by Alan Entz, Sr.

Miss Cathy Power carries the ingenue lead, Marie Louise Ducatel.

Supporting cast includes Mrs. Lilo Victor as Mme. Parole; Jack Tew as Henri Trochard; Gilbert Becker as Paul, and Arvin Lyons as the Lieutenant.

"My Three Angels" is a favorite among Little Theatre presentations and this clever, hilarious comedy under the direction of Allan Entz, Jr., promises an evening of delightful entertainment in an unusual setting.

Dr. Johnson Explains Guidance Work To Parents At PTA Meeting

The main function of the guidance department of any high school is to help the students prepare themselves for college and their future careers, Dr. Victor Johnson of Tallahassee, Assistant Director of the Florida Guidance Program, told a group of interested parents and teachers at the Avon Park High School PTA meeting on Thursday night, Feb. 19.

Dr. Johnson stressed the fact that the tests given are to help the average pupils with their future careers. Problem children and children with problems may be found this way and can be sent to others more expert in this field for help. Highlands County has a better prepared guidance department than many countries and has done much more in this field than most Dr. Johnson said.

In his speech Dr. Johnson told the parents many ways to help their children by seeing that they are following the college requirements of the college of their choice early in their high school careers. He also outlined the purposes and plans of this service and some of its values. Tests, he said, are only an indication, and should not be considered an end in themselves at any time.

A delicious covered dish supper was enjoyed by the members present before the enjoyable talk. The 11th Grade Roommother served coffee, bread, and rolls for the supper. There was no business meeting after Dr. Johnson's talk but a social hour was enjoyed by all.

The March meeting of the PTA will focus on the Social Studies Program of the high school with Andrew Miracle and Leroy Maness in charge. Plans for the Red Devil Circus will be discussed during the business meeting.

Winter Guest Club News

The Tuesday bridge games drew eight tables last week; Mrs. Henry Wesa was high scorer, and Mr. E. Ludington was second high. Mrs. Eleanor Lambert won costume jewelry, Eaton's Dept. Store. Two door prizes of oranges were given by Ben Hill Griffin.

In the shuffleboard games Wed., Feb. 18, Duke Christensen and John Slater beat John Williams and Annie Ford. The Consolation event was taken by Jim Brown and Chas. Gruber over Eleanor Bolduc and W. Walker.

On Thursday, Feb. 19, the annual battle, with the shuffle cues, was played between Michigan and Ohio; this year it was the wolverines over the buckeyes by a score of 22-14.

Friday, Feb. 20, will go down as another red-letter day. 'Twas on this day that our club went over the 600 mark in membership. Mr. Elzo Cornue was the lucky holder of ticket No. 600 and Mrs. Cornue held 601. To celebrate the event properly the A.P.H.S. band serenaded them, led by Mr. Gene Gorman. A beautiful white Ford convertible, driven by Mr. Ernest Heath delivered the Cornues to the clubhouse, accompanied by Mayor DeLaney. President Miller introduced them to the assembled members, Mayor DeLaney gave a speech of welcome and presented them with a Key to the City, and the Secretary, Toney Kerr, presented their membership cards. It was a special occasion in more than one way, as Mr. and Mrs. Cornue have just retired, have moved here from Forest Park, Ill. and taken possession of their new home on East Circle Street. The entire membership of the club welcomes them and hopes they will be very happy in their new home. Mrs. Cornue was heard to remark that they had been coming here for 13 years but this is the first time the band?

Also, on Friday, 46 Arcandians came to do battle with our shufflers, but the early-afternoon rain chased them indoors. There, with the help of Krenerick's records and Miller's Hi-fi player, they enjoyed an hour of dancing before leaving for the journey back to Arcadia.

Preparing coffee for the picnic dinner with the Arcadians were Mrs. Ford, Mrs. Kerr, Mrs. Iffland; there were 14 members from the local club who joined the visitors at lunch.

Mrs. Gruber reports there were 94 persons at the card party on Thursday, Feb. 19, playing at 24 tables. High scorer at each table was awarded a token prize.

Over one hundred dancers were on hand Friday evening to enjoy the cooler weather, which made it even more fun than usual. The visiting ladies from a Wisconsin square dance club have dazzled our eyes with their colorful, brilliant costumes; they sure know how to whirl those skirts.

Saturday's Shuffleboard tournament was won by Christensen and Romilly over Walker and Eisenman. The Consolation event was taken by R. Girten and Brown over Iffland and Bell.

At the Saturday potluck supper there were 75 in attendance. Michigan led with 15, Indiana was next, with 14. There were 11 Floridians, all transplanted from their northern homes. Four were here for the first time; there were two birthdays in the group.

Over one hundred folk gathered on Sunday for the afternoon sing, with 27 of our men taking part in the men's chorus. It was the first time this season for several to be at the sing. Mrs. Ruth Bennett gave two solo numbers and the mixed quartet from the Congregational Choir sang two numbers. The quartet personnel: bass, Mr. Robert Whitcomb, Contralto, Mrs. Paul Garber, tenor, Mr. James Anderson, and soprano, Mrs. Robert Whitcomb. Mrs. Earl Jackson is their accompanist, and Mrs. Garber the director. The sing was directed by our leader, Mr. Jerome Shiltz; Mrs. Shiltz was at the piano. We were all happy to welcome our musical Shiltzes back, after lending them for a while to the Camp Meetings. A little absence like that makes us doubly appreciative of their talents.

At last week's meeting of the Board of Directors a little bonus was voted for our hard-working custodians: Mr. Ford in charge of the clubhouse and Mr. Perkins in charge of the courts. This cannot be construed as payment for the many hours these friends give us, rather be it considered as a token of our appreciation, says THE TATTLER.

Patriots Chapter Of DAR Has Washington's Birthday Tea

The Silver Tea commemerating George Washington's Birthday on Sunday, Feb. 22, at the home of Mr. and Mrs. D. S. Mandis was enjoyed by more than one hundred and fifty Daughters of the American Revolution and their friends.

Benefits from the lovely tea will be used by Patriots Chapter to help send mountain children in North Carolina and Georgia to school. The education of these children is one of the national projects of the D.A.R. and each chapter helps with the worthy project.

The lovely American flag of Patriots Chapter was visible to the guests as they entered the driveway of the Mandis home. Mrs. C. C. Swihart, Regent, and Mrs. Mandis greeted the guests at the door.

Of special interest were the old Colonial dresses belonging to Mrs. Mandis's family which were on display and dated back to the days of the Revolutionary War. A lovely red shawl from this same period belonging to Mrs. Swihart added a note of color to the stairway. In the dining room a very old picture of George Washington was displayed.

Each guest was given a miniature American flag as they registered. Mrs. R. L. Maxson, Mrs. H. J. Hahn, and Mrs. F. W. Thiele of Avon Park presided at the guest book during the afternoon.

In the dining room a lovely tea table using the colors, red, white, and blue carried out the motif perfectly. A white lace cut work cloth covered the table which was centered with a large beautiful arrangement of red carnations. Blue candles were used on the table and red, white and blue mints in tiny dishes continued the color scheme with the patriotic napkins. Dainty cherry tarts were served as an appropriate memorial to our beloved first president.

Arrangements of red flowers were used at vantage points throughout the home and soft music played in the background. The gardens of the Mandis were lovely and the guests enjoyed walking to the lovely lake.

Pouring coffee and tea for the guests were Mrs. W. J. Lockett of Basinger, Mrs. A. B. Godwin of Ft. Meade, Mrs. C. R. Disher, Mrs. W. C Schaeffer, Mrs. M. F. McGee, Mrs. Walter Mather, all of Sebring, and Mrs. I. H. Ford of Avon Park.

Assisting in the dining room were Mrs. G. L. Dillman, Mrs. F. H. Nickeson, Mrs. E. T. Flanders and Mrs H. O. Jones.

Stork Shower Honors Mrs. Harold Barker

Mrs. Harold Barker was surprised with a Stork Shower on Thursday night, Feb. 19, in the home of Mr. and Mrs. Vernon Tyson. Mrs. Tyson, Mrs. Richard Birt, Mrs. Ed Sharpe, Mrs. Cecil Skipper and Mrs. Bob Young were hostesses for the lovely surprise.

Guests were given baby bootees with their names upon their arrival. Each person then pinned their bootee on and was given instructions not to cross their feet because any person seeing them do so could claim their bootee to pin to their own. This game caused much laughter and Mrs. Arlin King won a prize with the length of her bootee string at the evening.

Four tables of Bunco were played during the evening and Mrs. A. O. Knowles and Mrs. Bill Thompson won the prizes for this game after a gay struggle.-

Mrs. Barker was assisted in opening her many lovely gifts by her daughter, Lee, and little Nancie Jean Tyson. The young ladies also pased mints and nuts to the guests.

Refreshments of dip, crackers, chips, Cokes and cake were served the guests from a lovely table covered with a white cloth and arranged with white candles. The cake was decorated with dainty pink and blue baby shoes. About twenty-five friends enjoyed the evening with Mrs. Barker and the hostesses.

Beverly Pollard Was 7 On Friday

Beverly Pollard, daughter of Mr. and Mrs. Mose Pollard, celebrated her seventh birthday Friday, Feb. 20, with a birthday party for some of her friends at her home.

The girls met with Beverly at her home after school for games and fun in the yard. Enjoying the celebration were Sarah Catherine Turnbull, Diane Murphy, Susan Gore, and Holly Reddick.

Beverly served her guests cup cakes, ice cream and Cokes. A large birthday cake said "Happy Birthday, Beverly" and held seven candles.

The guests helped Beverly open her gifts and cheered as she blew out the candles.

Sr. Woman's Club Month's Activities

The Avon Park Senior Woman's Club will hold its regular meeting on Friday, March 6, at 2 o'clock in the Woman's Club Building.

At this time Hugh Bahar, a teacher in the Avon Park Adult Education Classes, will speak on Arts and Hobbies. Mrs. George Langman will chairman for the program and meeting. Mrs. Theodore Gramstroff will be in charge of the devotions.

The Senior Woman's Club will have the members of the Junior Woman's Club as their special guests at a special meeting on Thursday, March 12, at 8 o'clock in the Woman's Club Building.

Dr. B. C. Ostling will speak on the Alcholic Rehabilitation Center and also show the movie recently filmed at the center. Refreshments will be served after the meeting.

Donations are still being received for the Silver Library Tea which was sponsored by the Senior Club. Many persons in Avon Park do not realize that the Avon Park Library was started and the present building errected through the efforts of the Senior Woman's Club. The library is the main project of the club each year and many of the library expenses are paid by the Senior Club's donations. Support of the Sr. Club by the residents and winter guests will not only prove of interest to each individual but will also help in the maintance of the library where visitors are

Elementary School Wants Plant Donations

Extensive beautification work is being carried out on the grounds of the Avon Elementary School and residents are invited to stop by and look at the lovely plants which have recently been added to the landscape design.

A long range plan for the landscaping of these lovely buildings is being followed by the members of the Grounds Committee from the Elementary PTA and a Teacher's Committee. Members from the PTA are Mrs. William Bennett, Mrs. Jim Runkle and Mrs. Raymond Cook. Teachers working on the committee are David McDaniel, Mrs. Violet Clark, Miss Clara Gilmer and John Teeter.

Donations from the public of the following types of plants would be greatly appreciated. Formosa azaleas, blue plumbago, punk trees, bogainvillea of the bush type in red or white, red cedar, sollum philodendren, and viburnum of the odoratissimum variety.

Oak, acciacs, and punk trees have been planted recently.

Anyone wishing to donate these plants may take them to the Elementary School or call a member of the grands committee and they will be picked up.

BAPTISTS BELIEVE... EVERY CHRISTIAN IS A PRIEST

The Bible plainly sets forth this great doctrine. Every Christian is his own priest, and therefore needs no one else to act as a priest for him to stand between him and the end. The Apostle John wrote of Jesus Christ that he "made us kings and priests unto God"—(Revelation 1:6). The Apostle Peter wrote to early believers, "Ye are . . . a royal priesthood" (1 Peter 2:9). The Apostle Paul wrote, "There is one God, and one mediator between God and men, the man Christ Jesus" (1 Timothy 2:5). We do not need someone on earth now to petition God in our stead. Since every Christian is a priest, he can intercede with God for himself. He can approach God directly through Christ the great High Priest. Christ alone has authority to forgive our sins.

The Christian priesthood forms a brotherhood of all Christians and not a religious rule of priests, or hierarchy. The New Testament churches did not set apart any special persons as priests. Baptists follow their example. They believe that every Christian is his own priest, and that the pastor is no more a priest than any member of the church.

The priesthood of the believer rests upon truth. Christ spoke to each individual when he declared, "Ye shall know the truth, and the truth shall make you free" (John 8:32). The gifts and knowledge of God come directly to each individual Christian. No third party is necessary. "He (the Holy Spirit) shall teach you all things . . ." (John 14:26). The priests of the New Testament — all Christian believers — know God in spirit and in truth. Theirs is the knowledge of experience. The first followers of Jesus learned this great spiritual truth. Jesus said "Flesh and blood hath not revealed it unto thee, but my Father which is in heaven" (Matthew 16:17).

Because each person can approach God for himself, no man can act for another in spiritual matters. A husband cannot be a priest for his wife. A mother cannot be priest for her child. A minister cannot do for members of his church what God expects them to do for themselves.

All Christians are priests. As such we can draw near to God with boldness, through our High Priest, Jesus Christ, to offer sacrifices of praise and good works. The person who has not become a follower of Christ may go to God directly in prayer and declare his desire to follow Christ. The priesthood of believers is a doctrine of spiritual vitality, not of mere religious forms. Each believer becomes a priest and his body becomes a human temple in which God lives. The great Christian Apostle, Paul, wrote: "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you" (1 Corinthians 3:16).

Miss Weinzirl And Ronald Helbey Are Married February Tenth

MR. AND MRS. RONALD KIM HELBEY, JR.

Miss Annette Tresia Weinzirl and Ronald Kim Helbey were united in marriage on Tuesday, Feb. 10, in the Florida Avenue Baptist Church.

The Rev. J. M. Gilbreath performed the double ring ceremony in the presence of the family and a few close friends of the young couple.

Miss Weinzirl wore a white wool street length dress with a corsage of pink carnations. Her only attendant, Miss Cecilia Weinzirl, her sister, wore a white lace dress with a pink corsage

Robert Howard, step-brother of the bride, was best man.

Miss Weinzirl is the daughter of Mr. and Mrs. Milton Howard of Avon Park and Mr. Helbey is the son of Mr. and Mrs. Ronald K. Helbey of South Bend, Indiana.

Following the wedding the young couple left for South Bend where they will make their home.

The bride is a native of Avon Park, attended local schools, and was graduated from high school with the Class of 1958. She was a majorette with the Band for three years, a performer in the Red Devil Circus, and active in many school activities. Mrs. Helbey was emplayed at Jahna Ready-Mix prior to her marriage.

The bridegroom finished high school in South Bend, Indiana, and was released from a term of service with the United States Air Force the first of February. He plans to attend electronics school soon.

Thirty Enjoyed Golf Luncheon At Coleman Home

The Women's Golf Association held its monthly covered dish luncheon and meeting at the home of Mrs. H. W. Coleman on Wednesday, Feb. 18 with Mrs. Keith Collyer serving as co-hostess.

During the business meeting Mrs. Collyer, president, named Mrs. Earnest Shepherd, Mrs. C. E. Lanier and Mrs. Earl Hartt as members of the nominating committee. The committee will make their report at the next meeting.

Thirty members were present for the luncheon and lovely flower arrangements decorated the Coleman home. Special guests at the meeting were Mrs. R. R. King, Sr. of Highlands, N. C., Mrs. C. O. Cutliff, Mrs. Sam King, Mrs. James Parker, Mrs. M. E. Appelgren, and Mrs. L. Bengston.

An attendance prize was won by Mrs. Earl Hartt. During the afternoon several tables of bridge were in play with Mrs. Harry Carpenter winning high score prize.

Mrs. James Parker spoke to the members concerning the Annual Junior Woman's Club Fashion Show and Mrs. L. D. McGiboney reminded members of the Garden Club Flower Show.

Girl Scout News

The Girl Scouts of Troop 1 met on Thursday, Feb. 19, and practiced on their camping skit of the Friday night Scout and Brownie supper. Mrs. Charles Metcalfe served the girls refreshments. Plans for the exhibits at the Flower Show on Thursday, Feb. 26, and in the County Fair were discussed. Mrs. Bob Lee, Mrs. N. H. Booth and Mrs. John Townsend, leaders were present.

The Girls Scouts of Troop 3 divided into their three patrols and then each patrol presented their skit for the Dramatic Scout requirements. The girls had written, directed and produced the original skits with all girls taking part. Mrs. Jim Runkle and Mrs. Roy Ladwig their leaders were pleased with the results. The Bluebird Patrol gave a skit showing several T. V. personalities and shows; The Orange Patrol showed a visit by grandmother to the farm home of the girls; and the Rose Patrol were colored people in a cotton patch. Each skit showed work and imagination.

Mrs. Sam King asked the Scouts to help with the Heart Fund Tag Day on Saturday, Feb. 28. The Scouts decided to help with this worthy project.

Scout Linda Sizemore had her grandmother as a special guest. Mrs. King served the Scouts refreshments.

Don't forget to look at the Scout Booth in the Highlands County Fair this week.

Touchton's Workers Win Prizes In Contest

Mrs. Ruby Edlysen and Phil F. Weber of Touchton's Drugstore were two of top sellers of vitamins in a chain wide contest in the Liggetts Stores.

Their names were drawn from a bowl with the top sellers of this district and they both were fortunate enough to win lovely prizes.

Mr. Webber won a beautiful large brass lamp and Mrs. Edlysen won a table clock and cigarette combination.

Shower For Recent Bride

On Thursday, Feb. 5, Miss Annette Weinzirl was honored with a miscellaneous bridal shower in the Florida Power Customer's room.

Hostesses for the shower were Mrs. John Starling, Mrs. Ralph Hill, and Miss Ann Rowland. A heart theme was used to decorate the room for the shower with lovely hearts being highlighted in various spots.

Dainty valentine heart cakes, punch, nuts, and mints were served the guests. A number of the bride-elect friends were present for the shower.

Miss Weinzirl received many lovely gifts for her new home and wished to thank her many friends for their kindness.

Highlands 4-H Members Attend District 9 Contest

Thursday, February 5th found Representatives of the Highlands County 4-H Club at the Southwest Florida Fair in Fort Myers.

During the morning the Judging team, Glen Mixon, Delano Arner and Steve Maxwell placed 8th in competition with 15 judging teams from South Western Florida. Rain dampened tractor seats, but not enthusiasm in the tractor driving contest.

Sammy Oates entered a fine oak reading lamp in the lamp contest, and walked proudly away with first prize, an electric alarm clock.

The Shrine Club of Ft. Myers treated the 4-H District Contestants to a steak banquet at one oclock. Five public speaking contestants provided the after dinner speeches. Delano Arner from Sebring captured third place in this contest.

During the afternoon the council delegates met to elect several District Officers. Glen Mixon, President of the Lake Placid 4-H Club and Delano Arner, Secretary of the Sebring Club represented Highlands County at the Council Meeting. Steve Maxwell, Sammy Oates and Philip Oates attended a vegetable judging School during this time.

After the contest the Assistant County Agent and the 4-H Boys enjoyed the Fair for awhile before returning to Highlands County.

Friday, February 13th will find the County Judging Team, Glen Mixon, Delano Arner, Steve Maxwell and Sammy Oates at the State Judging Contest held at the Florida State Fair in Tampa.

And there was really more than enough delicious food for all those who attended the Girl Scout Dish Supper. Here we see a portion of the large number of Girl Scouts, Brownies, their leaders, and families who were present on Friday night at the Avon Elementary Cafetorium where every seat was filled with the girls and their guests.

Brownie And Girl Scout Supper Success With Large Crowd

The Avon Elementary Cafetorium was filled to capacity on Friday night, Feb. 20, with Girl Scouts, Brownies, and their families for the first Covered Dish Supper of this organization.

Nearl five hundred people were present for the supper and meeting that night. Delicious food was in abundance with everyone enjoying a delicious supper.

Following the supper, Mrs. Sam King, temporary chairman, introduced Mrs. Clifton Wiggins, Scout Executive from Winter Haven, who spoke briefly on the values of a Girl Scout Council.

Miss Barbara Wiggins then thrilled the Scouts and Brownies present with her account of a trip to Australia which she recently took with the Girls Scouts of America. Barbara also told what Girl Scouting meant to her and inspired the girls present.

Mrs. Durrah Martin was unanimously elected Neighborhood Chairman for the Community Council for Girl Scouts in Avon Park and Mrs. King volunteered to fill the Assistant Chairman Office for Mrs. Martin. The Council expresses great pleasure to have two such fine women and Scout workers in these important offices.

Troop 4 of the Brownies held the flag ceremony for the audience following the business meeting. Troop 3 of the Girl Scouts gave a clever puppet show and Troop 1 of the Girl Scouts gave a camping scene and sang several Scout songs.

Each of the two Girl Scout troops and five Brownie troops was well represented with members and their parents and their leaders. This was the first meeting of this type of the girls of Avon Park and the leaders and Council members were pleased with the response and enthusiasm.

Avon Trailer Park News

There has been a lot of activity around the park. Residents have been busy beautifying their lots with grass and shrubs.

We had a picture show in the recreation hall. Pictures included some Lewis Booth and Frank Foote had taken showing the development of the Trailer Park. We were all amassed at the progress made in one year. In the beginning there was just sand and now we have lots of pretty greenery around. It could only happen in Florida.

The hobby club is coming right along, the women are making beautiful shell jewelry and all sorts of things from pine needles. They expect to have several entries in the hobby show.

Park residents have been doing considerable entertaining. Mr. and Mrs. Otheo O. McKellips had as their guests Mr. and Mrs. Norman Seedorf of Michigan City, Indiana. The McKellips also plan to spend a few days at Largo with their friends Mrs. W. T. Newell and her sister Miss Irene Rehm. The Newells are from Indiana.

Playing cards is another diversion enjoyed at the park. Last week a card party was held in the McKellips trailer with Mr. and Mrs. Harry Lonanecker as hostesses. The Longaneckers are planning to spend several days visiting in Miami.

Mr. and Mrs. Frank Foote and Mr. and Mrs. Reuben Stork spent a delightful day in Bradenton last Friday, they combined visiting relatives and friends with an afternoon fishing trip. Mrs. Clafa Nelson of St. Petersburg, Mr. and Mrs. Allen Hinds and Mrs. Jean Goss son Lee and daughter Donna from Flint, Michigan spent Sunday with the Storks.

The Frank Footes spent an enjoyable Sunday with their friends Mr. and Mrs. Roy Gerten of Sebring Trailer Park. They had a nice dinner at Fisher's Restaurant.

The Nooths grandson, Tom Fulwider, who is spending a couple weeks visiting here is very proud of the nice bass he caught at Lake Acupulko. The fish weighed seven and three quarter pounds. Tom hails from Columbus, Ohio.

Mr. and Mrs. Grover Atchinson of Elkhart, Indiana are visiting Mr. and Mrs. A. S. Massey.

The Crawfords are entertaining Forrest Crawford's father, O. H. Crawford and his brother Otho from Indiana.

Senior Play Set For Friday In The Auditorium

Your hearts will be young and gay after an evening of pleasure and gaiety at the Senior Class Play on Friday night, Feb. 27, at 8 o'clock in the Avon Park High School Auditorium.

The play, presented by the Seniors, will be the famous "Our Hearts Were Young and Gay" by Cornelia Otis Skinner and Emily Kimbrough and the three act comedy can't fail to delight the glumest one the audience.

The cast has been carefully chosen and worked on their parts until they almost seem to be the characters represented in the play. The enchanting story of two young American girls on their first trip to Paris will fill the evening with merriment.

Tickets are Students, 35c, Adults 75c; and Reserved seats $1.00. They are on sale now from the members of the Senior Class and will be on sale at the door also.

The boys and girls have worked hard on the play and feel that it is something that all tourist and residents of our community will enjoy. Remember the date and let's all enjoy Friday night with the Seniors.

Most of the big jobs are held by salesmen who have swell-proof heads.

Over One Hundred Enjoyed Lovely Fashion Show Last Saturday

One hundred and twenty-two guests enjoyed the lovely Fashion Show and Luncheon given by the Avon Park Junior Woman's Club on Saturday, Feb. 21, in the Dining Room of the Jacaranda Hotel.

Red, white, and blue nosegays with streamer decorated each table in the George Washington theme of the show. This theme was carried out throughout the Dining room and the fashion show closed with lovely models displaying dresses representing the red, white, and blue of the American flag. Flowers were given from a bouquet of red, white and blue carried by the last model.

Mrs. James Turnbull, welcomed the guests and introduced Mrs. Glenna Ward, owner of Ward's Women's Wear of Lake Wales who narrated the show. Mrs. Ward introduced the models and discussed the lovely fashions they wore. Clothes for all occassions were modeled. Models were Mrs. Billy Shephard, Miss Linda Hart, Mrs. Robert Whitcomb, Mrs. K. W. Elder, Mrs. James Parker, Mrs. J. C. Walker, Mrs. J. E. Kruse, Mrs. M. G. Whitcomb, Mrs H .W. Coleman, Mrs. Stuart Ward, Mrs L. L. Wainwright, Mrs. R. J. Barben, Mrs. Cecil Skipper, Mrs. Jim Anderson, and Mrs. B. F. Camp, Jr.

Five door prizes were given the lucky guests with the right numbers. Three of these were donated by Ward's Women's Wear and two by the Jacaranda Hotel.

The members of Junior Woman's Club wish to thank all those who supported their club by attending.

The door prizes were donated by the Glass and Company, Silfskin, and the Janzten Company through Ward's Women's Wear of Lake Wales. The Jacaranda Hotel prizes were a large cake and a ticket to the Friday Buffet Supper.

Unsung heroines at the show were Mrs. Ralph Hill and Mrs. Joel Stokes who were in charge of the dressing room and helped the models make the necessary quick changes and did not get to see any of the show. Mrs. Fred Jahna was in charge of getting the models and making their appointments for fittings.

Real Life Ranch Needs Bedding And Other Items

The Real Life Childrens Ranch south of Okeechobee is attempting to increase their facilities in order to care for more than the 16 youngsters now being cared for.

James and Mary Ellen Frazier are now caring for this number of children from 5 to 12 years of age and say that bedding, mattresses, linens, and anything of value can be used in their proposed extansion program.

Anyone in this area with anything servicable to contribute should contact Wm. Luscomb in Avon Park and he will pick up and deliver the items to the home.

Ray Wheaton Died Saturday

Ray Bradford Wheaton, 70, a winter resident of Avon Park for the last three years, died Saturday in Walker Memorial Hospital after a brief illness.

Mr. Wheaton was a native of Angola, Indiana, and came to Florida from Paw Paw, Michigan, when he retired as a salesman of the Saniwax Paper Company. He was a member of the Congregational Church and a 32nd degree Mason of the Grand Rapids Lodge. Funeral services were held Monday morning in the Mizelle Funeral Home Chapel with the Rev. Herbert Graetz officiating. The remains were sent to Paw Paw, Michigan, for services and burial.

Mrs. Wheaton survives her husband and three daughters and one son in Michigan are also survivors.

LOCATED 116 NORTH RIDGEWOOD DRIVE IN SEBRING, FLORIDA. TELEPHONE EVERGREEN 5-5851.

They have become an indispensable factor and a center in the glass trade.

You will find here the most up-to-date mirrors for console, buffet and many other uses, also glass for windows either double strength or plate. They will cut it for you.

They are equipped to cut glass most efficiently and employ only skilled cutters. They feature only the highest quality materials in all their products. In this review we are glad to call attention to this progressive company and recommend them to all our readers.

By cooperation with their customers by forethought in planning to meet their needs, in the employment of the most modern facilities this establishment is striving earnestly to give better service to those it serves.

Service is one of the guiding influences of this firm. The people and merchants alike have learned this and rely upon them for superior qualities in glass supplies.

There is no more public spirited citizen in the community than the management of the Senkarik Glass and Paint Company, and in making this business review we wish to compliment them and to direct your attention to their establishment as one of the reliable business institutions of the community which has added to the development and progress of this part of the state.

SOUTH FLORIDA MOTOR COMPANY

International Harvester Farm Machinery, Farmall Tractors, Grove Equipment, Parts and International Truck Sales and Service.

LOCATED 401 NORTH PINE IN SEBRING, FLORIDA. TELEPHONE EVERGREEN 6-2441.

This is one of the most widely known firms in the community. For years they have provided machinery and equipment to the farmers, grove owners and ranchers in this section. They handle only the best of farm machinery, namely — International Harvester and are well known far and wide for their courtesy of treatment and fairness of dealings.

Their stock of implements and machinery is composed of nationally known products, the best to be had in this line in the world. They have many years of experience back of them and are in a position to advise you in the selection of impliments most advantageous to your needs. They will gladly go into detail of the machinery and demonstrate them to you if you so desire.

This establishment has made a host of friends as well as patrons throughout the country, and have always been courteous and ready and willing to give the best of service with the conditions of the market and good business.

There are no more public spirited citizens in the community than the manager and we direct your attention to this business institution of the community as one of the reliable establishments which have added to this part of the state.

This well known service is deserving of more than passing notice in this business review of the onward progress of the community as they are perhaps the best equipped in this section of the state, the service being standard and so recognized by the trade for many miles in the section of the country.

Their services are popular because their services are most complete and they realize the popular demands for the service they render. And in their dealings with the public a spirit of fair treatment and accomodation is so evident that it has well nigh become a hard and fast rule that once a customer always a customer.

Bob and Jack's Television and Radio Sales and Service, is located conveniently for the people of the surrounding territory and on a visit you will find everything no less than made to order, and to please you will be the dominating purpose of their large organization which is recognized for miles around as radio and television headquarters.

HIGHLANDS FERTILIZER COMPANY

Manufacturers and Distributors of Fertilizers and Allied Products to Highlands County.

LOCATED 419 PARK IN SEBRING, FLORIDA. TELEPHONE EVERGREEN 6-3951.

No review of the business, grove, farming and fertilizer interest of this section of the state would be complete without prominent mention of this well known firm that adds in no little measure to the progress of this section.

It is a well-known fact that there is no institution in the community that has met with greater favor with the public than this establishment. By reason of the fact that the management has had wide experience in every feature of this business and because of their comprehensive knowledge of every branch of the trade this establishment has continued to witness an increase in the number of their patrons.

Their service will be found in demand by all who insist on the best. They deal on a large scale and their activity is conducted to the progress and expansion of the community in no small degree.

It is important in the return to normalcy that we have conscientious firms like this foremost service, which aid people in this section of the state.

There are no more public spirited citizens in this community than the management of this concern and we direct your attention to this institution as one which has added to the development and progress of this part of the state.

LOCATED 11 SOUTH RIDGEWOOD DRIVE IN SEBRING, FLORIDA. TELEPHONE EVERGREEN 6-5851.

Through intensive study they have mastered all the underlying principles of radio, and the intricate and delicate instruments that radio and television involve.

Every radio and television set is certain to need servicing sooner or later. Often much pleasure is lost and much vexation endured by reason of some slight, small adjustment of the set or through some fault in the installation.

You should not tamper with your set trying to make adjustments you do not understand. You will save both money and grief by calling their television and radio expert and have them render you service of which you stand in need.

No one knows everything, and to know one thing well is in itself a worthy achievement, and this concern knows this one thing — radio and television.

The many regular customers of this shop are a well-merited reward to the progressive policies and reliable methods used in their every contact with the television and radio public.

Promptness and dispatch is their aim in every job entrusted to them. When your equipment is not functioning correctly and call them, you know that your trouble is a matter of a short while, when you will be able to resume your programs with a perfectly repaired and adjusted set.

At this popular restaurant one comes in contact with real good food, the kind that is practiced by the mothers and daughters of the best families in this country and one mission that this place is performing is the preserving of this art in the public life of this period.

There is no more atractively furnished place in this part of the state than this one, and there is none that has attained a greater measure of popularity. There is none in which the service and the courses are more pleasingly satisfactory. Afternoon and evening parties of people from this section in town on business will find this a pleasing place to complete the pleasure of the day.

The service of this foremost restaurant is very pleasant and offers all the grace and hospitality of the American home. Special groups will recevie the cheerful welcome extended to all visitors.

In making this review we are very glad to compliment the management upon the position it occupies in the business and social life of the period and to call to the attention of the people that it is one place where the desire of real food can be thoroughly satisfied.

We are more than glad to give them extended mention in this review of Sebring and vicinity.

Editorial Reviews By William E. Stone

STALLS GROCERY STORE

MRS. W. C. STALLS, Owner

Dry Goods, Choice Meats, Dairy Products, Bakery Goods, Fresh Fruits, Vegetables, Staple and Fancy Groceries. General Line of Merchandise, Hardware and Air Conditioned for your Shopping Comfort.

LOCATED IN LAKE PLACID, FLORIDA. TELEPHONE HOMESTEAD 5-2423.

Stalls Grocery Store is a most friendly store, where quality is the best, prices are low and service is supreme. They've built a large business by solving the problems of helping the intelligent housewife to keep the food bill within the limit of the family budget.

In this review we are glad to compliment this store for their foresight in staying a little ahead of times in appointments, service and quality and refer our readers to them as a place where it is a pleasure to trade.

Their meats, staple and fancy groceries are rapidly becoming a standard which the trade and the public is demanding in these products, specializing in quality groceries, meats and staples. They invite the people of this section to make this market their own headquarters while in town.

This market has one of the finest lines of meats to be found in this part of the state. They bend every effort to satisfy their customer's needs. They have the market well arranged for the rapid handling of goods, thus assuring you of very prompt service and their customers always find their meats in first class condition. We are glad to compliment them on the economical position they occupy in the life of the community and the excellent stock they always have in the store for the public and their accommodating service.

HI-WAY LIOUOR STORE

MRS. J. ODICE HENDRY, Owner

Domestic and Imported Liquors, Wines, Gins, Vodka, Brandy and all Brands of Beer to Go.

LOCATED SOUTH ON HIGHWAY 27 IN LAKE PLACID, FLORIDA. TELEPHONE HOMESTEAD 5-2694.

This is one of the leading establishments of its kind in this section of the state. The purchase of alcoholic beverages becomes a matter that should be given close attention. With the great varieties of brands on the market today, the average person cannot acquaint himself with them all and it is human that he should patronize someone that can be relied upon to select good brands. They have at this establishment a large stock and here you can secure your favorite wines and liquors from California, Kentucky, and even Europe, as their stock is large and of different varieties.

The reputation of this house for fair and honest methods has won for them an ever increasing patronage from people from all over this section of the country. We could write many columns and not tell yo uall about this well conducted estabiishment, suffice to say you will not only find the best there is in wines and liquors but a service that is satisfactory in every way.

We wish to compliment her upon the high standard in which the establishment is operated and assure all our readers that when they buy brands for which she is a retailer they can be assured of the very best on the market today. We are more than glad to give them extended mention in this business review of Lake Placid and vicinity.

BOWERS GROCERY

Complete Lines of Staple and Fancy Groceries, Meats, Poultry, Frozen Foods, Fresh Fruits, Vegetables, Feeds General Electric Appliances, Five and Ten Store. Notions, Work Clothes, Propane Gas, Bulk Gas, Bottle Gas Sales and Service.

LOCATED IN LAKE PLACID, FLORIDA. TELEPHONE HOMESTEAD 5-3551.

Bowers Grocery is under the able and efficient management of Mr. Bowers, whose concern is to furnish the very highest grade of choice meats at a reasonable price. It is a popular meat market where groceries and meats are featured at prices which will meet the allowance of the household budget.

Untiring service and cheerful suggestions make trading at this market a pleasure. The greatest precaution is taken to insure you of receiving the purest and most wholesome meats. All meats are displayed in the most sanitary way possible and cleanliness is one of the outstanding virtues of this establishment.

You can be assured of receiving the choiest meats and groceries when you trade with them. Your family's health is safeguarded by such a market which has the interest of the people at heart.

In the meat department they feature only choice inspected meats, sea foods, chicken; all kinds of cured meats of quality. Your meals will receive that well merited praise if you make your selection from their wide assortment of meats.

In making this special business review, the writer takes great pleasure in complimenting them upon their excellent service and highly recommend them to you without hesitation.

ROBERT A. FISHER BUILDER

Residential and Commercial Building. Repairing, Alterations and Remodeling Contractors.

LOCATED IN LAKE PLACID, FLORIDA. TELEPHONE HOMESTEAD 5-2461.

His service and the services of the men that go to make up his organization have played an important part in the progress and prosperity of this section. Many of our best and most elegant homes are the result of his untiring efforts, his skill and abilty to erect a structure exactly as the owner wants it. Under his supervision no little detail is neglected or overlooked. He personally supervises every job to make certain that the complete satisfaction of every patron is assured.

Although Mr. Fisher operates on a very extensive scale, he is not above building a modest little home. In fact, he has erected many that were built for the average working man whose income did not warrant the most elaborate. His organization consists of men who, like himself, are seasoned veterans in the business, men who appreciate and realize the extent of their responsibility and who always strive to make every job just a bit better than the plans and specifications call for.

We suggest that if you intend to build a home, a new store, shop, factory—or if you anticipate making any repairs on your property at this time, you consult Mr. Fisher. The knowledge gained by his many years of experience in this line places him in a position to advise you where and ho wto proceed on the most economical basis. This advice is free and we feel free to say that we do not think you could possibly go to a more reliable source.

LAKE PLACID CLEARING & CONSTRUCTION, INC.

Paving .Contractors, Streets, Driveways, Roads, Clearing and Complete Construction Service.

LOCATED 5-2591.

Lake Placid can boast of a leading paving and contracting service that is helping in no small part in the commercial and industrial progress of the community and surrounding territory.

The personnel of Lake Placid Clearing and Construction, consists of men of high prestige in the community. It is under able direction and enjoys an ever increasing patronage throughout this section.

Service is a much over-worked and misused selling expression, but it is fundamentally true that the seller must survive. By cooperation with their customers, by forethought in planning to meet their needs in the employment of the most modern facilities, this establishment is striving earnestly to give realization to a new and better service.

Quality is one of the guiding influences of this firm. The people have learned this and rely upon them for a superior quality in everything they provide.

There are no more public spirited citizens in the community than the management of this reliable firm.

This establishment is not only a well equipped and expertly managed concern, but it is also a commercial and industrial organization and renders a service that is necessary to the onward progress of the community.

PRESCOTT LUMBER & BUILDING SUPPLY

Building Materials, Supplies and Quality Lumber at Prices you can Afford to Pay.

LOCATED IN LAKE PLACID, FLORIDA. TELEPHONE HOMESTEAD 5-3331.

The fact that the management of the Prescott Lumber and Building Supply has had wide experience in every phase of the building trade and this coupled with a keen desire to render service unexcelled by any concern, has been responsible for the increase in the number of patrons.

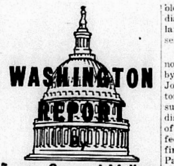
This company is known throughout this section as one of the leaders in the lumber business.

We are more than glad to give them extended mention in this business review of Sebring and vicinity.

The prestige of their large volume of business, the experience of many years as a prominent firm in this line, the practical knowledge that has won for them the recognition of the country at large and the patronage of many, all add to the progress and prosperity of the community in which their modern establishment is located.

This section is indeed fortunate in having such a progressive firm to serve it in supplying all kinds of quality lumber. It adds in no little way to progress and prosperity of the community. If you want anything in this line, telephone them collect, call at their establishment, or write them and when you have decided what you need you can depend on it that this well-known firm will see that you get it.

Courteous and efficient to a marked degree, the management has surrounded itself with employees who are thoroughly conversant with every feature of the trade and as a result the work goes along in a highly efficient manner.



Senator Spessard Holland

THE FEDERAL BUDGET—On a recent television program Senator Karl Mundt (R., S. Dak.) and I agreed that national defense must not be jeopardized through efforts to balance the federal budget. Other facts brought out in the program "Celebrity Parade," broadcast Sunday, January 25, by ABC Television:

The President's current budget of proposed expenditures is closer to $81 billion than the $77 billion publicly announced since approximately $3.6 billion, not included in the reported budget, is scheduled for expenditure in the federal highway program, and for home financing through FNMA. The total picture is further greatly changed by the $72.8 billion in unspent or unobligated funds remaining from earlier appropriations.

Contrary to widespread opinion, defense spending has not gone up substantially since 1954. A 71 per cent rise in domestic expenditures during this period is the major reason for increased federal spending. While I will strongly oppose further tax increases, I can see no possibility of early tax reductions. I do not favor proposals to raise postal rates again or to increase the federal tax on gasoline. I believe necessary economies must be effected through reasonable reductions in domestic spending and a gradual curtailment of foreign aid appropriations.

LEGISLATION OF INTEREST—Bills of interest to our state which I have recently introduced include:

S. 632—Would amend the Taft-Hartley Law to protect state laws regulating strikes in utilities serving the public; this would guard the public interest and welfare from damage which could occur as the result of strikes by public utilities supplying electric light, power, gas, water, and local transportation.

S. 217—(with Senator Smathers) Would place the highway linking Tampa, Miami and Homestead within the National System of Interstate and Defense Highways.

S. 686—(with Senator Smathers) Would create a temporary National Advisory Committee for the Blind to study federal, state and local activities relating to the care and rehabilitation of the blind.

SERVICE ACADEMY NOMINEES SELECTED—On February 2, I completed the evry difficult task of selecting my nominees for appointment to the service academies at West Point, Annapolis and Colorado Springs. The principals chosen are: Army - Frank J. Jamison, III, Orlando, and Peter P. Pierce, III, St. Augustine; Navy - Ross K. Anderson, Jr., Tallahassee; and Air Force - Leslie B. Anderson, III, Winter Haven. The young men finally accepted by the services will enter the respective academies this summer.

This year over 200 Florida boys - the largest number since I have served in the Senate - took Civil Service Examinations on my nomination to qualify for consideration, and more than 60 came through successfully. It was particularly difficult to make selection among those eligible, and I am sure that all Floridians share my deep pride in this large group who are interested in service careers.

GOVERNOR VISITS—Governor LeRoy Collins, accompanied by his administrative assistant, John Perry, visited in Washington last weekend. I had the pleasure of a visit with them and of discussing the imminent exchange of deeds between the state and federal governments which will finalize the Everglades National Park boundaries; and also the Harper's magazine article in its February issue which makes a critical and highly inaccurate attack on the Central and Southern Florida Flood Control project.

FLOOD CONTROL PROJECT A GOOD ONE—Relative to said attack by Harper's I have written the publishers a strong letter of protest with which I enclosed a statement prepared by the Florida Congressional delegation which corrects some of the worst inaccuracies in the Harper's story. I requested that our statement be given publication in the magazine. Harper's was not fair enough to contact any members of the Florida delegation before publishing its grossly misleading article.

The Florida Congressional delegation is quite proud of this non-political project, which is of great value to both the state and nation. It has received strong support from both the Truman and Eisenhower Administrations and has the approval, after thorough and continued examination, of a bipartisan majority during periods of both Democratic and Republican control of both Houses of Congress.

ARGENTINE PRESIDENT ADDRESSES CONGRESS — President Arturo Frondizi's appearance before a joint session of the Senate and House on January 21 was an interesting and encouraging event. Argentina is one of the strongest Latin American countries, and has traditionally been one of the least friendly toward the United States. President Frondizi's warm personality and temperate address to the Congress indicated a good possibility of better relations between our countries in the future.

RELIGIOUS BROADCASTERS CONVENE—On the invitation of Dr. Charles M. Leaming of St. Petersburg, I spoke at the annual convention of National Religious Broadcasters here on January 22. Discussing freedom of the airlanes for religious broadcasts, I reminded several hundred clergymen present that they have the important responsibility of broadcasting religious programs which are both interesting and appealing since the public has complete freedom of choice as to what it will hear and see.

CONGRESSIONAL RECEPTION—Mary and I joined other members of our Congressional delegation on February 5 as guests at a most enjoyable reception sponsored by the Florida State Society, and the Alumni Clubs of the University of Florida, Florida State, and the University of Miami. Among the honor guests invited to this evening of good fellowship were Senate Majority Leader Lyndon Johnson, House Speaker Sam Rayburn, and the entire Alaskan delegation. We will see our Alaskan friends again today, February 7, when they will be honored at a luncheon given by the Democratic Women's National Council. If the press of business here permits, we hope to participate in the Statehood celebration to be held in Juneau this summer.

PRESS CLUB INAUGURAL DINNER—On January 31, Mary and I attended the dinner marking the inauguration of the new president of the National Press Club as guests of the Truman Felts. He is past president of the organization. On February 2 we enjoyed the hospitality of Florida friends at the U. S. Savings and Loan League dinner. Among [illegible] Floridians here for the event were: Mr. and Mrs. Charles Clements, Miss [illegible] Beach; W. Robert Fokes, [illegible] J. Edwin White, both Tallahassee; Robert Merrell, Daytona Beach; Joe Guernsey and Carl Distelhorst, of Orlando; and J. Harlan Mann, Jacksonville. The following night I attended the fifth anniversary dinner of the Federal Farm Credit Bureau as guest of Marshall Edwards of Bartow, Chairman of the Board. Mary and I spent a most enjoyable evening with Whit Palmer, Jr., of Ocala, as his guests at the recent dinner given by the National Agricultural Limestone Institute. Palmer is an officers of this national association representing one of Florida's important industries.

FRIENDS FROM HOME—Since my last report a number of Florida friends visited the office. Among these were: Maj. Gen. Mark Lance, our Adjutant General; Maj. Gen. E. A. Walsh, of Orlando, former president of the National Guard Association; James C. Merrill, Jacksonville; Ben H. Fuqua, Carlos Fernandez and Robert H. Fite, Miami; M. M. "Jack" Frost, Vice President, Eastern Air Lines; Leland Hyzer, Miami attorney and former Republican candidate for the Senate; Col. Ellis Altman, Palm Beach County Civil Defense Director; Luther Jones, Chairman, Palm Beach County Resources Development Board, and Ralph Blank, member of that board; and Dade County Metro Commissioners: Ben C. McGahey, Ralph A. Fossey and Arthur H. Patten, Jr.

From The Office Of Congressman Jim Halev

Washington, D. C.—As a result of many letters from the 7th District concerning House Resolution 53 and federal spending, I want to take this means to briefly state my position on these subjects.

HOUSE RESOLUTION 53 would abolish the House Un-American Activities Committee. For several years there has been a continuous campaign to discredit this committee and the FBI. The forces conducting this campaign have enthusiastically magnified our mistakes and weaknesses and have publicized distorted half-truths to confuse the American people and accomplish their objectives. The present attempts to curtail investigation of subversive activities are not surprising in view of what might be considered public apathy towards the dangers of communist objectives in this country.

Even though the Communist Party would like the American people to believe it is shattered, ineffective and dying, we are still engaged in a very real struggle within the U. S. To be eternally vigilant and effectively combat this menace to our internal security, the U. S. needs the services of both the FBI and the Congressional investigating committees. Since the communist party is a threat, I am unalterably opposed to House Resolution 53, and I will exert every possible effort to help defeat it.

FEDERAL SPENDING. There was a time when we agreed with our 22nd President, Grover Cleveland when he stated, "though the people support the government, the government should not support the people." That statement was consistent with the idea that the best of all governments is that which teaches us to govern ourselves. Apparently, we have discarded that notion and have reverted to a theory leading toward a paternalistic form of government. It seems we no longer have the fear which haunted the founders of this Nation - - the fear of a strong central government in which the functions of local and state government are limited and the freedom of the individual is likewise restricted. No longer does the majority cherish the sense of responsibility for the support of government, disregarding the freedom derived from governing themselves. Instead, when maladjustment develops, the federal government is called upon to create another bureau or commission. Thus we have become masters in bureaucracy.

An excellent example of the faulty approach we have too often taken is indicated in a recent statement made by Admiral John T. Hayward, Assistant Chief of Naval Operations for Research and Development, when he concluded, "after a year of furious U. S. activity, I sincerely conclude that U. S. supremacy in space science is threatened, not by lack of talent, but by our skill in bureaucracy." It is this skill in bureaucracy and the concept of government we have adopted that has brought on the enormous debt and the excessive and non-essential federal spending.

I am firmly convinced we can reduce federal spending without jeopardizing our national security or the proper functions of government. We can reduce and balance the federal budget and even begin an orderly retirement of the national debt. In order to accomplish this task, We The People must asume the responsibility for our own welfare without federal government handouts. The people can stop this present trend If we make it known we are tired of maintaining needless federal bureaus and operations, the functions of which could more properly and efficiently be performed by state and local governments, and demand more efficient operation of the federal government.

Health Topics

In the preservation of health, all citizens have a common objective, because what affects one may affect all, especially as to contagious, or communicable diseases. Medicine, as many of you already know, is generally divided into two broad classes - namely, curative and preventive. Public Health is concerned chiefly with preventive medicine, including mass protection - and an inescapable duty toward the indigent, the under-privileged, and the otherwise unfortunate. We would like to discuss the role the private practitioner plays in the saving of human life. Just what does your family doctor mean to you? Has there developed between you and your doctor a spirit of confidence and mutual understanding. Do you seek the service of your doctor only when you think you are seriously ill and expect him to cure you, as if by magic? Or do you make regular contacts with him and let him check you over as a precaution against diseases which might overtake you, if you do not conform to the proper standards of living? If you are in middle or late life, do you consult your family physician for those danger signals which sometimes precede an attack by one of what we know as the degenerative diseases, against which no means of immunization have, as yet, been discovered? Now, this is no plug for doctors. They all have about as much as they can do, keeping daily office hours, visiting patients in homes and hospitals and various and sundry other things they are obliged to do. But it is a suggestion, and a very serious one, that you develop a relationship with your family physician that will keep him apprised of your physical condition, in order that he may prescribe measures which might mean the prolongation of your life, or the restoration of your apparently waning health, especially in middle or late life. Avail yourself of all the advantages of public health, and they are many, paid for out of public funds, one way or the other; at the same time, establish relations with your family physician that will enable him to help you keep your physical body in repair and, perhaps make it possible for you to spend many more years with your family and friends. If you are unable to buy the services you need, your family physician will refer you to public health, in some cases, just as public health refers you to your family physician, when [illegible] are in need of [illegible] you are [illegible]

Housewarming Surprises The Clay Kulls

A housewarming party in their new home on Lake Anoka took Mr. and Mrs. Clay Kull by surprise on Thursday evening. The Kulls were planning to go to Sebring for the evening when about twenty-five of their friends dropped in to celebrate with them.

The friends gave the Kulls a lovely gift for their new home and served delicious refreshments to all. An evening of visiting and cards followed with clever prizes for the high scorers at each table.

Mr. and Mrs. Kull are originally from Detroit, Mich. but have sold their property there and will make their permanent home in Avon Park. They have just recently completed their new home on Lake Anoka. After their surprise the Kulls joined in the party with their friends.

FHA Chapter Meets Monday

The Avon Park High School Chapter of the Future Homemakers of America will hold its regular monthly meeting on Monday night, March 2, at 7:30 in the Homemaking Department of the high school.

During the business session of the meeting two girls will be selected to represent the group at the State Future Homemakers Convention in Clearwater at the Fort Harrison Hotel in April.

Work on degrees of achievement and the chapter honor roll will also be done and all members are urged to attend this meeting.

Boy Scout News

William A. Thompson is the newly appointed leader of Boy Scout Troop 157 sponsored by the Rotary Club. Mr. Thompson replaces Scoutmaster Fred Davis who has worked faithfully with the troop for the past several years but resigned recently.

Bill Thompson is a native of Avon Park, graduated from the local high school and was a member of Scout Trooy 157 in 1940 when R. E. Maysack was the Scoutmaster. He is married to the former Kylene Williams, daughter of Mr. and Mrs. Kyle Williams, and also a native. They have two children and he is at present engaged in TV repair work locally. Bill is the son of Mr. and Mrs. W. D. Thompson and returned to Avon Park two years ago after serving with the Armed Forces in New York for a number of years.

Scoutmaster Thompson and his troop became acquainted at the meeting on Monday night, Feb. 23. Plans were discussed for the Lad-Dad Campout this weekend and another Highlands District camp-out at Ft. Kissimmee on March 13 and 14.

Troop 156 of the Boy Scouts sponsored by the American Legion held a Board of Review at their meeting on Monday night. Tommy Hallam went before the board for the bee-keeping badge and Billy Miracle for the scholarship award. Scoutmaster Lawrence and the boys also planned for the Lad-Dad Campout and the Ft. Kissimmee outing.

The Highlands District Scout Committee is planning a campout at the historic Ft. Kissimmee on March 13 and March 14 and boys and leaders of Avon Park Scouts are asked to remember these dates.

Jr. Woman's Club To Meet Tuesday Night

The Avon Park Junior Woman's Club will hold its regular monthly meeting on Tuesday, March 3, at 8 o'clock in the Woman's Club Building.

A Panel consisting of representatives of several women's and men's civic clubs will discuss what their organizations are doing for civic improvement. Ernest Shepherd will be the moderator and the Senior Woman's Club, the Garden Club, the Rotary, the Lions, will be some of the groups represented.

Plans for the Race Booth at the Grand Prix in Sebring will be discussed and a report from the nominating committee will be heard. Several other important matters will be discussed during the business meeting and all members are urged to attend.

Refreshments will be served after the meeting.

Mrs. Clifton Wiggins of Winter Haven is a volunteer executive of the Girl Scouts of America and was the guest speaker at the Scout Covered Dish Supper and meeting on Friday. She spoke on the value of a Girl Scout Council in Scouting work.

Patriots Chapter Of DAR To Have Luncheon On Mon.

Patriots Chapter of the Daughter of the American Revolution will commemerate the organization of their chapter with a luncheon Monday, March 2, at 12:30 in the home of Mr. and Mrs. D. S. Mandis on Lake Letta.

Following the luncheon a business meeting will be held during which all visiting members of the Daughter of the American Revolution are invited to be present and meet Mrs. Jackson E. Stewart of Orlando, State Regent.

Mrs. Stewart will be the speaker of the day at the luncheon and meeting.

PERSONALS—

Miss Nancy Ginn arrived home last weekend from Savanah, Ga. where she has been working and attending business school. C. R. Ginn drove to Savanah and brought his daughter home for a visit with her family.

Mrs. H. C. Rutledge returned home from Sarasota last week. She had been visiting her daughter, Mrs. L. J. Jerrell, who has been ill but is now much better.

Mr. and Mrs. E. J. Johns and granddaughter, Brenda Johns, visited their daughter and son-in-law, Mr. and Mrs. E. L. Thompson, and their daughters, Betty Lou and Debra Sue in St. Petersburg last week. They also visited in Clearwater.

Mrs. Ella Albright and her niece, oJan Jaber of St. Petersburg, have just returned from a beautiful trip to Havana and Nassau. They talked with Castro and his rebels in Cuba and report that everyone was more than cordial to them. Conditions in Cuba are calm and tourists are treated very well and encouraged to come. The weather was lovely while they were away and they enjoyed the beautiful beaches of Nassau.

Mr. and Mrs. Paul Lukanic and their daughter of Shelby, Michigan, have arrived for a several months stay in Avon Park and the ridge area.

Mr. and Mrs. Ray Palmer of Barnesville, Ohio, reached Avon Park Tuesday for a visit with his parents, Mr. and Mrs. W. F. Palmer of Porter's Trailer Park.

Red Devils Open Training For 1959 Season Play

Coach Guy Garrett's Avon Park Red Devils baseball squad began work in earnest Monday in preparation for the 1959 campaign which will see them fighting to defend their Ridge Conference championship crown.

The 1959 edition of the defending champions will be built around a nucleus of six returning lettermen, including 1958 All-State cacher Leroy Starling; 3 year letterman Tommy Douberley; Bryan and Wayne Kenyton, two year lettermen; and Glenn Bass who lettered last season.

Others who saw action last season will include Seth McCormick, Jerome Antley, Warren Allwood, Gail Hovey, and Joe Perez. Several other candidates will be pushing the veterans for berths on the varsity starting team.

Tommy Douberley, who led the team in hitting last season, and Glenn Bass, a sophomore pitcher, are amongst the early season mainstays of the aggregation.

The Red Devils will open the season March 1 at Arcadia and will play the first home game March 13 with Kissimmee furnishing the opposition.

Morning—Chevy panel hustles over causeway to St. Petersburg.

Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day . . . runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip *anything* that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy!

If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

No job's too tough for a Chevrolet truck! CHEVROLET

Church News . . .

First Christian

On Sunday, March 1, in place of the usual evening services the members of the Youth and Adult Sunday School Classes will gather at the church at 4:30 for a trip to the home of John Scott, Minister, and his wife in Lake Wales. They will hold a short prayer session there and then attend the Passion Play together that night.

Supper will be served the group at the Scott home. All members of these groups are cordially invited to attended.

Episcopal

The services in the Church of the Redeemer during Lent are as follows: Sunday evening service each Sunday at 7:30; Wednesday evenings at 7:30; Wednesday morning at 9 o'clock and Friday mornings at 7 a. m. Communion.

Fla. Ave. Baptist

The Donna McClelland Circle met on Monday for its regular meeting. This circle meets twice each month. The Zurrah Martin Circle will meet on Thursday night, Feb. 26, for its regular monthly meeting.

Congregational

The Church Fellowship Dinner for families will be held on Wednesday, March 4, at 6 o'clock in the Educational Building. This dinner is especially planned for the families and children of the church and they are cordially invited to attend and bring their children. Amusement will be provided for the young people after supper. This supper is held once a month on the first Wednesday night.

Monday, March 16, is another important date for members to keep in mind. On this day the Annual Women's Fellowship Luncheon of the Church will be held in the Social Hall of the Church with the Covenant Circle in charge of the luncheon. Last year's luncheon was enjoyed by a large group and plans are being made for this years with much enthusiasm.

The Covenant Circle met on Wednesday, Feb. 18, for its monthly meeting in the Educational Building. Forty-five ladies were present to take part in the Mission Sudy day during which the text "Concerns of A Contient" by Hoffman was used. During the morning reports were heard from Mrs. George Langman, Mrs. W. A. Rodgers, Mrs. William Tuttle, Mrs. Charles Shepherd and Mrs. Ralph Kelley. These reports were very interesting and informative to the group.

A delicious luncheon was served in the Social Hall at noon by the members of the circle. The business session followed lunch. During the afternoon meeting plans were made of the coming visit to the Migrant Camp and for a work day meeting to be held on Monday, March 9. The Annual Fellowship Luncheon on March 16 was also discussed and plans made.

The Friendship Committee for Sunday, Feb. 22, was Mrs. Charles Baker, Mrs. Roscoe Bass, Mrs. Jack Head and Mr. Harry Hutchinson.

First Methodist

Circle 1 met on Tuesday, Feb. 17, in Wesley Hall for its regular luncheon meeting with eighteen guests and twenty members present. During the meeting following the lovely luncheon, Mrs. Erza Hutchins taught the Bible Study lesson. Plans for the next luncheon and meeting were made during the business meeting.

A large number of ladies of the church were able to take advantage of the Bible Study offered from 10 until 11 the week of the Revival.

The J. O. Y. Sunday School Class met the week before the revival in Wesley Hall with Mrs. W. M. Renfro and Mrs. R. M. Jackson hostesses. During the evening Calvin Mason, president, conducted a business meeting. At this time it was decided to send another $10 to Dr. Hewlett, a missionary in Africa, for use there. The Class supports Dr. Hewlett as one of its projects.

A Prayer session for the Revival was then held.

The hostesses served delicious refreshments of rainbow cake and punch to the fifteen members of the class present.

First Baptist

The revival will begin next Sunday evening with the Rev. Titus Aldirge of Tampa as the Guest Evangelist. The service be held each day during the week at 7 a .m. and 7:30 p. m. Special Music is planned for each service.

A large number of tourist and winter guests enjoyed a delicious dinner after the Sunday, Feb. 22 service. Each family brought food and the Brotherhood was in charge of the arrangements for the lovely affair.

A Family night was held in the church on Tuesday as an evening of Special Prayer for the coming revival. After a brief meeting in the auditorium the large number of members present went to their departments for special services and prayer.

The members of the T. E. L. Sunday School Class were entertained at the home of Mrs. W. W. Reddick on Wednesday, Feb. 11 for a delicious covered dish luncheon and meeting. Seventeen members and one visitor, Mrs. George Sherman of Castile, N. Y. were present. Mrs. Bertha Skipper, president presided during the business session and then the members enjoyed a Bibly Quiz conducted by Mrs. Cora Wray, Secretary.

The next meeting of the group will be at the home of Mrs. H. Baughan.

AP Loses Final Home Basketball Game Of Season

The Avon Park Red Devils dropped the final home game of the season to Lake Placid's Dragons Friday night 51-47.

At the close of the first period the Dragons led 11-10; at half time the Red Devils were on top 27-25; at the close of the third frame the Dragons had crawled into the lead again 41-40 and moved that up to a final tally of 51-47.

Dale Hovey led the Avon Park attack with 25 points, while Hendry got 16 for the Dragons.

Bradley - Palmer Engagement

MISS CAROLYN JEAN BRADLEY

Mr. and Mrs. John W. Bradley of Sebring have announced the engagement of their daughter, Carolyn Jean, to Herschel Wayne Palmer, son of Mr. and Mrs. Carrol Palmer of Avon Park.

The bride-elect was graduated from Sebring High School where she was active in the mixed Chorus and the Girl's Chorus, the Future Homemakers of America and in the Pep Squad. She is now employed with the Inter-County Telephone Company in Avon Park.

Wayne Palmer attended school in Avon Park and Frostproof. He is presently employed with the Alocoholic Rehabilitation Center in Avon Park.

A March wedding is planned and further plans will be announced later.

Brownie Scout News

The Brownies of Troop 7 held their Investiture Service on Friday afternoon, Feb. 21, in the Woodruff Heights Brownie Hall. The mothers and friends of the second grade Brownies were guests at the service. Mrs. Walter Mandis and Mrs. Tom Hallam, the leaders, lead the service. After the ceremony the Brownies were hostesses to their mothers and friends. They served punch from a table decorated with brown and gold, Brownie colors, and cookies. The punch was orange juice.

The leaders ask the girls to bring cigar boxes to their meeting on Friday, Feb. 27, so that they may make Brownie kits as a project with the boses.

Troop 6 met on Wednesday and the Brownies gathered leaves and then each girl drew a leaf. Refreshments were furnished by the troop.

Troop 5 made plans for their March 17 Mother-Daughter Banquet for which the troops will set the tables, decorate and make invitations and place cards. The girls also discussed fair exhibits and the Scout Supper on Friday, Feb. 21. Mrs. Reba Turner served refreshments.

Troop 4 met on Monday, Feb. 23, and reviewed all the Brownie ceremonies and procedures they have learned. Mrs. Fred Davis, Leader, and Mrs. Clara Mae Bennett, assistant, took the girls to the store for treat of ice cream and popsicles.

If your child is lucky enough to participate in Brownie work it is your duty as a mother to help support her troop. Working mothers may help by sending small amounts of money for refreshments from time to time or volunteering for transportation on weekend trips. All mothers may offer some help and it is appreciated by the girls and their leaders.

Scottish Rite Dinner Meeting

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

You'll love the full six-passenger comfort in the cars

BUILT FOR PEOPLE! . . .

Just *one* standard was used by Ford in designing its 1959 car—*people!* First, Ford made the door openings wider, so it's easier to get in and out. Next they made sure that six big people—not just *four* or *five*—could stretch out on seats that are padded their *full width*. Result? More room for *everybody's* legs, elbows, hips and hats . . . more solid comfort than ever before.

BUILT FOR SAVINGS! . . .

Savings start the moment you buy a Ford. A price tag comparison with major competitive cars will *prove* it! And you go right on saving. Ford's standard engines that *thrive* on regular gas save you a dollar each tankful. Ford's Full-Flow Oil Filter means oil changes only each 4000 miles. Ford's *aluminized* mufflers last twice as long. And new Diamond Lustre Finish *never* needs waxing!

Bridge Projects Up In Florida During January

Over $174 million in road and bridge construction projects were underway in the state during January, according to a monthly progress report issued today by Joe Grotegut, Chairman of the State Road Board.

In addition to the $174,812,900 of projects already under construction, Chairman Grotegut said that bids were received for $11,802,202 in new construction. During the month contracts were awarded formally for road construction totaling $8,972,678, while work completed and accepted by the Department in the period amounted to $7,049,428.

Albert L. Rogero, of Clearwater, Road Board member from the First District, reported that construction under 55 contracts in the 14 counties comprising this district accounted for $41,711,913 of the state total.

Bert Parks, top ranking master of ceremonies in radio and television, was a recent visitor at Cypress Gardens. Parks spent a few days resting from his many duties before radio microphones and TV cameras.

Students To Vie For Journalism Awards In Area

Selected high school students in an 11-county area are being invited to compete for $100 in prizes offered by the Florida West Coast Chapter of Sigma Delta Chi, national journalism fraternity.

Contest Chairman Loyal Frisbie said that prizes of $50, $30 and $20 are being offered for the three best news stories written by high school journalism or publications students.

Only students nominated by their journalism teachers, on the basis of proficiency and responsibility, are eligible to enter the competition, Frisbie said. Nominess are limited to not more than two from each of the 60 high schools in the area.

"This limit was placed in line with the chapter's purpose of 'recognizing outstanding journalistic ability in high school publications classes'," Frisbie explained.

The assignment for those entering the contest is to write a news story based on the events in a 30-minute television show ("The Line-up," CBS to be broadcast on March 6.

Frisbie noted that invitations to nominate students for the contest have been mailed to principals of all public senior high schools in Polk, Manatee, Sarasota, Hardee, DeSoto, Charlotte, Lee, Hillsborough, Pinellas, Pasco and Hernando counties.

Members of the contest committee, who will judge the entries, are four newspapermen—James A. Clendinen, Tampa; W. E. Rynerson, Winter Haven; Jack Nease, Lakeland, and Anthony E. Schiappa, Bartow.

Contest winners and their journalism teachers will be guests of the SDX chapter at its March meeting in Tampa.

R. O. Lodmell, Lake Wales publisher, is president of the chapter.

Lovic Fann Father Of Local Residents Dies

Lovic P. Fann, 78, of Frostproof died Sunday morning in a Bartow hospital after a long illness.

Mr. Fann had been a resident of Frostproof for thirty years and was a retired farmer and builder. He was a member of the First Baptist Church and is survived by his wife, Mrs. Mary Belle Fann; on daughter, Mrs. Raymond Cook of Avon Park; four sons, Thomas G. Fann of Sebring; Joseph B. Fann of Avon Park; W. D. (Dick) Fann of Lake Wales; and William A. Fann of Frostproof; ten grandchildren and one great grandchild.

Funeral services were held Tuesday afternoon in the First Baptist Church of Frostproof with the Rev. Joseph Folmer and the Rev. E. H. Rice officiating. Burial was in the Frostproof Cemetery.

Florida, a Spanish possession in the 17th century, was considered valuable to Spain not because of its own potential, but because of its location as a guardian of Spain's Mexican wealth.

In the Blue Gill division Harry R. Douberley is on top with a whopping 1 pound 2 ounces entry taken from Lake Lotela with a cockroach on spinning tackle; C. E. Cavin's entry is 15 ounces, taken from Red Beach Lake with worms; John C. Gray, 14 ounces, taken from Lake Lotela on a live cricket; George Kuhn and Lovis Mellencamp have 13 ounces entries, both taken with worms.

First, second, third, fourth and fifth place prizes in all divisions are on display at Leon's headed by the Shakespeare President casting reel and Wonderod for first place in the bass division; the Shakespeare Spinning Reel model 1777 with 10 pound test monofilament line and Wonderod for first in the Speckled Perch division; and the Shakespeare Fly Rod and Shakespeare fly reel No. 1836 for first place in the Bluegill division.

J. B. Watford Died Saturday

J. B. Watford, 35, son of Mr. and Mrs. James M. Watford, died Saturday.

He was born in Madrid, Ala. and was a World War II veteran. Other survivors include four brothers, Frazier Watford and Heston L. Watford of Avon Park, Willie C. Watford of Haines City, and Jim H. Watford of Columbus, Ga.

Funeral services were held in the Chapel of the Stephenson Funeral Home on Thursday morning with the Rev. Don Staten conducting the service.

Interment was in the Bougainvillea Cemetery.

J. Paxton Hill Attends Boat Show At Miami

J. Paxton Hill, local Mercury Outboard dealer, visited the Miami International Boat Show last week and reports that there were thousands of people very much interested in picking out their new outfits there.

The entertainment feature of the past years has been dispensed with in order to allow the people to concentrate on the exhibits instead of the stage show.

Mr. Hill also recently attended an extended service clinic on the new MERCURY Outboards and is equipped to service all models from 5 HP to 70 HP.

Cleanup uppers for the Flower Show had a gay time getting some three hundred field boxes back on the truck to Sottiles.

They formed a conga line and passed the boxes with such speed that the job only took twenty minutes. Just goes to show ya that with a little planning and forethought any job can be done easily and pleasantly.

—o—

Drive-in mail boxes have been moved to ease the congestion on the Post Office corner. It is hoped that by changing the boxes across the street on the Mall it will be more convenient for everyone. No more early morning and late evening traffic jams either. At these hours the post office corner used to look like a mob scene from one of Cecil B. DeMilles productions.

However, if you should be driving down the Mall, spy the mailbox and suddenly decide to post that letter you've been carrying around for a week, be sure to warn the driver behind you or you may get pushed right on down to the post office. Happy letter mailing, everyone.

—o—

There is a reason for most everything, I have found. Many requests come from readers to mention or take a stand on certain issues that are being pro'd and con'd around town. And I have been tempted to do so on several occasions. But it seems that by the time I go into the matter thoroughly I just put the cover on my typewriter and silently steal away . . . everyone to his own liking, said the old lady as she kissed the cow. There are always two sides to every question.

—o—

Pity the poor souls who work in the City Hall. They get blamed for everything. Now one irate citizen wants an ordinance passed to keep the birds out of his fruit trees. That one would really be for the birds, wouldn't it? Get yourself a big old fat "pootietat", man! Or a sling-shot maybe.

—o—

People like Mrs. S. O. Norris go on the tip-top of my liking list. She graciously called to offer a prop for the Ridge Theatre Guild premiere play "My Three Angels" which will be presented this Friday and Saturday nights. See Wini Delaney at Cove Realty for tickets.

And by the way, have you ever tried to borrow a white chicken? Don't. Or a real orchid? Don't. The Hurd household is going to be graced by one new member. A white chicken, called Angel which I shall purchase, and probably have a devil of a time eating. Never have been able to eat my pets.

—o—

Charles Metcalfe is always doing nice things for the community. He was writing to Senator Spessard Holland about purchasing an American flag for the Rotary Club when his daughter Cindy conceived the idea of getting one for her school. These flags flew over the Capitol and now wave proudly over the City Hall and the school. The City Hall flag was a gift of the Rotary Club.

Dress Revue At Fair Proves Huge Success

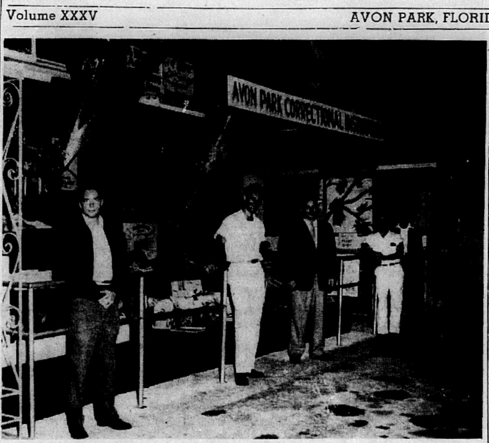
The third Dress Revue to be held at the Highlands County Fair proved most successful. The 4-H Club and Home Economice girls throughout the county modeled skirts and blouses, school dresses, best dresses, pajamas, gown and robe to match of cotton plisse, shorts, and blouses, suits, party dresses and formal dresses.

An added feature this year was the presentation of small gifts of perfume, lipsticks and combs from the drug stores of Avon Park, Lake Placid, and Sebring to the non-winners, a ball point pen was given to each entry by Mrs. Fred Fisher and a $5.00 Gift Certificate was presented to each blue ribbon winner by Kahn's Department Store, Sebring.

The girls were also given ribbons and cash awards: Blue—$5.00; Red — $3.00; White — $2.00. The winners: Blue Ribbons: Martha Kay Rainey, Chica Durden, Sandra Kay Seaborn, Edith Wilson, Linda Potter, June Gilbreath, Nancy Watford, Nancy Hotchkiss, Alice Hollingsworth, Martha O'Steen.

Red Ribbons: Ginger Peeples, Jerene Cartwright, Patricia Polk, Marsha Christian, Irene Polk, Sherry Cribbs, Lynn Mays, Shirley Braun, Kathleen Pella, Pat Tondee.

White Ribbons: Grayce Tillman, Sandy Purvis, Donna May, Verna Walker, Ann McAdams, Tura Anne DeLaney, Cheryl Council, Jo Ann Musselwhite, Fay Watford, Marie Crosson.



AVON PARK CORRECTIONAL INSTITUTION'S booth at the Highlands County Fair, at which outstanding handicraft of inmates of the institution was displayed. Items made by inmates has drawn wide acclaim for its sturdy construction and unusual artistic design and creation. Shown in the center is Superintendent L. L. Wainwright; at left Curt McKenzie, at the right Freeman Cook. Men dressed in white are inmates of the institution. The Institution received $20.50 as the result of entries and immediately Superintendent L. L. Wainwright forwarded the money to the Ridge Area Association for retarded children.

Ski Show Planned For Lake Verona By C of C

The Bradenton Ski Club will present a Ski Show on Lake Verona in Avon Park Sunday, March 22 or Sunday, April 5, the Chamber of Commerce announced today.

The Chamber of Commerce, under its "Chamber Presents Program" has arranged for this fine water show as a free entertainment program for residents and visitors of this area, with Dr. H. W. Coleman and George Woodham handling details of the presentation.

The board of directors of the Chamber said they feel it will also be important in that it may serve to heighten the interest of young people of Avon Park in the art of skiing. Many are already proficient in this, they say.

The same group will present a show at 2 p.m. March 29 at the pier in Bradenton. They have been appearing in these famous exhibitions for the past several years and have gained wide fame for their ability.

The exact date will be determined within the next few days(according to Anna Belle Worden, executive secretary of the Chamber and announcement will be made along with more details of the many features to be presented during the show.

It is hoped that the date of March 22 will be decided upon by the group as it will coincide with the Grand Prix of Endurance Sports Car Race at the Sebring airport and will furnish additional entertainment for the many visitors from other states and other countries who will be here at that time.

Lake Verona, being situated directly across from the Avon Park City Hall, is ideally located for a continueing of water shows that will give wide publicity to the unusual amount of facilities available for water sports of all types and will add much to the sports and entertainment attraction of the city.

C. E. Gavin Top Winner In Fishing Contest

THE WINNER

C. E. Gavin and his 11 lb. 5 ounce lunker.

C. E. Gavin took top honors in the fishing contest sponsored by Leon's Sporting Goods with an 11 pound 5 ounce bass.

Second in the bass division was Alton LaFlam with a 10 lb. 2 ounce catch: Jack Elder turned in a 9 lb. 11 ounce catch: Clarence C. Miracle 9 lb. 6 ounces; Forrest Johnson and Charles Skelly tied at 9 lbs. 4 ounces.

In the Speckled Perch division C. L. Craft and Leamon Kelly tied for top honors with catches of 1 lb. 14 ounces; Ralph Cohn was next with 1 lb. 12 ounces; Ernest E. Prevatt 1 lb. 10 ounces; Rene Davis 1 lb. 9 ounces.

In the Blue Gill division Harry R. Douberly and B. H. Henningham tied at 1 lb. 2 ounces: C. E. Gavin, winner of the Bass division, turned in a 15 ounce catch; John C. Gray 14 ounces; Louis W. Mellencamp and George Kuhn at 13 ounces.

There were five prizes in each division. A total of nearly 400 fisherman entered the contest, Leon's reported.

Senior Class To Tour Florida For Annual Trip

The Senior Class of Avon Park High School will see 'Florida first' with an exciting tour of our historic state which is planned for the latter part of March.

The boys and girls, report Earl Varnes and Mrs. Violet Moseley, their sponsors, felt that many people never take the time to fully learn about their own state and decided that they had rather spend more time sightseeing in Florida than so much time traveling. It is also hoped that at least seventy percent of the class will make the shorter and less expensive trip this year.

Tentative plans at present set the date of departure for Wednesday, March 25, and the return for Saturday, March 28. On the itinerary are trips to the Florida Towers, Ocala Caverns, the Birds of Prey, Silver Springs, the Wax Museum and Old Fort in St. Augustine, Marine Studies, the Oldest House in St. Augustine, Moonshine Museum, Fountain of Youth, Parrot Paradise, and a visit to Daytona Beach. Two nights will be spent in St. Augustine and one night in Daytona. All historical sights in this old section of Florida will be visited and throughly explored.

The Seniors will finance the trip themselves and with the successful Senior play last Friday have nearly completed their money making plans. However, the class will have a booth at the Grand Prix Race in Sebring to raise the remainder of the money. Volunteers for work in the booth will be appreciated and also more equipment is needed to prepare the booth itself. Anyone wishing to help with the Race Booth is asked to please contact Earl Varnes or Mrs. Moseley at the Avon Park High School.

Red Devils Win One And Lose One In Tourney

Avon Park's Red Devils won their opening round game in the Class A, group 7 basketball tournament at Winter Haven by walloping Fort Meade 56-37, then lost in the second round Tuesday night to Lake Wales 80-52.

In other first round games Haines City whipped Arcadia 94-60; Wauchula beat Mulberry 60-42.

Bartow, defending champions won their opening game from Auburndale 59-34. Wednesday was an open date, but play resumes tonight with Kathleen meeting Wauchula and Haines City tangling with Sebring.

In the Red Devils first game Joe Jackson collected a total of 17 points and Gayle Hovey got 14. In the second game Hovey hit the basket for a total of 21 points.

This district seven tournament is watched closely as it has produced the state champion three of the past four years.

Fish And Game Club To Present Awards Tonight

First month winners in the Big Bass fishing contest will receive their awards at the Highlands County Fish and Game Club meeting tonight (Thursday).

The meeting to be held at the club house near Lakemount will feature a roast beef dinner starting at 6 p. m. and a color outdoor film will be shown as a portion of the entertainment period of the evening.

Revaluation Of Taxable Property Now Underway

Revaluation for tax equalization of all taxable real estate in the City of Avon Park is underway with the Carroll-Phellps Company of Auburndale, Florida and Winston-Salem, N.C. doing the work under direction of the City Council.

This professional organization was hired by the council to handle this important work and instructed them to proceed using 100 percent valuation for their work.

C. G. Phelps is heading the work and said today that the downtown commercial area has been measured and will be visited personally for listing and to determine age of buildings for depreciation, etc.

Mr. Phelps said that work started this week in the area of Winthrop, Verona, Fairfield and Lake streets of listing, measuring and obtaining general information on condition of houses.

"The reception and cooperation received so far has been very good", Mr. Phelps said.

He emphasized that before any actual values are placed on any properties, a thorough investigation is conducted into the cost of labor and building materials. After this has been done schedules are made up to include each class of residential, commercial and industrial builddding. Following completion of the schedule a check is made by personal call and inspection of building.

After the revaluation has been completed a property record card is designed especially tof it the needs of the community, these cards have now been prepared for Avon Park, Mr. Phelps stated.

Mr. Phelps pointed out that in the many years his company has been engaged in this work the averages show that thirty to thirty-five percent of property owners realize a tax reduction following the revaluation; approximately thirty per cent remain the same and the remainder feel some increase.

"This revaluation is not designed to increase taxes, but instead to equalize property values", he stressed.

Every home in the city will receive a personal call from Mr. Phelps or one of his assistants and the program will be explained and property owners given a chance to understand the program, he said.

Annual Red Cross Fund Drive Is Now Underway In Avon Park Area

The annual American Red Cross Drive in Avon Park is now underway with Dr. John E. Kruse serving as general chairman.

The quota for this year has been set at $2,200, this is $100 over the quota for 1958, Dr. Kruse said.

Solicitation in the business and industrial divisions is almost completed, he said, and work on the residential division is set to begin.

Chairman of the Industrial Division is Malcolm Crews and chairman of the business division is William Briscoe. Mrs. Ben Stewart and Mrs. Aline Parnell are co-chairman of the residential division, and the colored district is under chairmanship of Mrs. Queen Esther Cowart and Mrs. Pearl Crosby.

Dr. Kruse points out the services offered by the Red Cross in Highlands County, free of charge, include: Home Service and disaster relief, both mandatory according to the congressional charter received in 1917; water safety. first aid; care of the sick and injured; mother and baby care. Two nurses aides work with the children at Villa Rose at present. Four first aid courses are currently being offered by Red Cross trained volunteers, and county schools have courses in the various phases covered by the Red Cross.

Avon Park firemen, and employees at the Avon Park Correctional Institute have been Red Cross trained as well as highway patrolmen and Florida Power employees.

Statistics show that since 1950 in Highlands County 1229 persons have been trained in first aid; 1198 in water safety: 38 in mother and baby care; 44 in care of sick and injured. A total of 312 home service cases were handled by the Red Cross in the past year, and 4 one family fire victims have been aided.

William E. Dopp, evangelist from Sarasota, who will conduct the revival services at Walker Memorial Church in Avon Park March 7 through March 14.

Avon Park Well Represented At Highlands Fair

The Highlands County Fair closed Saturday night on the 1959 edition of this annual event with attendance exceeding past years for the first four days. Rain cut attendance on Friday and Saturday.

Avon Park took second place again this year for its community Booth, with Lake Placid again taking top honors. Five Avon Park girls won their way into the Beauty Queen Contest and three of them became Maids of Honor to the Queen, Charlene Rucker, another Lake Placid girl.

Sammie Wright, Martha Elder and Betty Shepard were the three Maids of Honor from Avon Park. The Queen contest entries from Avon Park were under sponsorship of the Junior class of the high school.

Eight Avon Park girls won ribbons in the popular Dress Revue.

The Avon Park Correctional Institute maintained an outstanding booth in which they displayed handicraft of inmates that drew an exceptional amount of interest from fairgoers.

Quarter Million Dollar Liability Suit Filed

A quarter million dollar liability suit was filed at the court house this week in the case of the fatal injurying of two persons in a highway crash in 1957.

The suit was filed in the name of Donald P. Carr vs. Robert Williams and the petition states that on December 7, 1957 Williams loaned his car to one Marion Glennon Threkheld, who on or before that date was driving the car on State Road 25.

The petition states that the Williams car, driven by Threkheld, crashed into a car containing James Alfred Carr Jr., and his wife Lillie Mae, and that both died immediately as the result of injuries sustained in the crash.

Elementary PTA Musical Program

Mrs. Frank Morgan, Highlands County Music Supervisor, will present the program at the Avon Elementary PTA on Thursday, March 12, in the Avon Elementary Cafetorium on West Winthrop Street at 8 o'clock.

The program will feature boys and girls from the elementary school and will give the parents and friends an evening of musical entertainment. Mrs. Morgan has given many outstanding programs with her students each year and this program is one that no parent will want to miss.

Symposium Held At Adventist Church Monday

On Monday Night, March 2, at 7:30, at the Seventh-day Adventist Church a symposium on the general subject of "Discipline" was held, according to Mrs. Kenneth A. Wright, Chairman of the Home and School Association of the Seventh-day Adventist Church School.

The topic "Discipline and Spiritual Life" was covered by Pastor Herman Ray, Chaplain of the Walker Memorial Hospital; A talk, "Discipline and Hobbies" was given by Dr. D. C. Hartwell; "Discipline and Health" was discussed by one of the mothers, Mrs. Paul Richardson; and "Discipline in General" was the topic of Professor W. A. Connell, Principal of the Church School. The music was provided by the children.

Annual Banquet Of Cub Scouts Held Thursday

Original decorations of blue and gold highlighted the Annual Cub Scout Banquet on Thursday night, Feb. 26, in the Avon Elementary Cafetorium. Approximately 170 Cubs and their parents enjoyed the delicious supper and program meeting.

Den 3 won the attendance banner with the most parents and friends present at the banquet. Fried chicken, baked beans, potato salad, cakes, and Cold drinks were served the group.

Den 1 used blue and gold balloons as their centerpiece decoration. Mrs. Bill Bennett and Mrs. Charles Warrington are Den Mothers for this den.

Den 2 had blue and gold crepe paper with a camping site complete with real lakes for a centerpiece. Placecards, made by the boys, were in the form of billboards made with toothpicks with each guest's name and the den number. Mrs. James Walton and Mrs. Clara Mea Bennett are the den mothers for Den 2.

Den 3 had napkins holders of blue and gold with the names of the guests on them. Mrs. Stuart Ward is den mother for Den 3.

Den 4 used large golden oranges with blue flags with the den number and the names of the guests for its placecards. Mrs. Jerry Capell is the den mother for this den.

Morris Paige, Scout Executive of Wauchula, entertained the group with magic tricks which left the Cubs and their families wondering "what happened".

Awards were made during the evening. Den 1: Chuck Warrington, Lion Badge, Gold Arrow and Silver Arrow; Mike Nolin, one Gold Arrow and three Silver Arrows; Den 2, Jimmy Renfro, Lion Badge, one Gold Arrow and one Silver Arrow; Tommy Walton, Wolf Badge; and Gary Griffin, Bob Cat Pin. en 3, Robert King, Lion Badge; Tommy Sharpe, Silver Arrow and Jim Ward, Gold Arrow.

Boat Landing At Twin Lakes Due

The County Board of Commissioners voted Tuesday to request construction of a boat landing on the east side of Twin Lakes.

A boat landing was recently constructed on the south side of Lake Lotela.

New Teachers Join Faculty Of AP Schools

Due to the large enrollments in grades three, four, six and seven of the Avon Park Schools the Highlands County Board of Public Instruction approved the employing of four additional teachers for the local schools at their last Board meeting.

Area Supervising Principal, A. B. Wilhite, stated Tuesday that all four needed teachers have been employed and three of the teachers have reported for work. The fourth teacher is standing by until a suitable room is made available. The necessary room is being made ready at the present time and will soon be completed.

These new teachers make possible the reduction of the teacher load by approximately one fourth at these grade levels and will provide for a much greater opportunity for individualized pupil instruction.

The new teachers and grade sections taught are as follows: Howard Crawford, grade seven; Mrs. Lillie Mae Wynn, grade six; Mrs. Lenna R. Finley, grade four; and Mrs. Alice Numson, grade three.

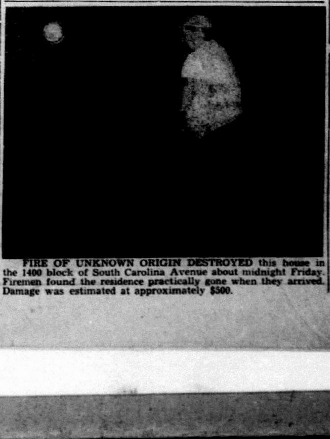
Additional data will be given on each of the above teachers when all have assumed their new positions.

Colored Child Burned To Death Wednesday Noon

A five months old colored child burned to death in a fire about noon Wednesday, when the home was destroyed by a blaze caused by a flooded kerosene stove.

The infant, Evelyn Joyce Monroe, daughter of Mrs. Ruth Jenkins Monroe, was on a bed in the kitchen and the mother was reported to be next door when the blaze started. Another child, 2 months old daughter of a neighbor Helen Smith, was rescued without injury.

The house was enveloped in flames when the fire department arrived, according to fire man Mike Flowers, and it was too late to save the child.



FIRE OF UNKNOWN ORIGIN DESTROYED this house in the 1400 block of South Carolina Avenue about midnight Friday. Firemen found the residence practically gone when they arrived. Damage was estimated at approximately $500.

Winter Guest Club News

The week just passed was brim-full of interesting events, among which the Hobby Show on Thursday no doubt drew the highest number of interested visitors.

The Art Exhibition at the Hobby Show maintained its usual high standard. There were twenty-three (23) exhibitors. The media used were oil, water color, pastel pencil, and knife.

There were fifty-one (51) pictures and eighteen (18) clowns. The clowns were contributed by George Walter, a guest exhibitor who has studied in New York City.

The major group to exhibit were the beginners who have worked under Mrs. [illegible] for the first time this year. One picture was an outdoor scene produced mostly from the use of bark--the shaggy outside and the lining. Only the sky and water required paint. A steady stream of visitors gave it close inspection.

The sturdy character of the knife work gave those compositions the effect of the "Rock of Gibralter."

On the whole the Art Show gave a well-rounded exhibition.

Another group, showing for the first time this year, was the "Hookers", under the instruction of Mrs. Ira West. Mrs. Hood, Mrs. Kinner, and Mrs. Chadwick make up the personnel of this group and each of the ladies was busily working at her hooking for several hours during the show.

Mrs. West informed us this group uses McGowan's patterns. All rugs are made of re-used all-wool fabric. These materials are all hand dyed, sometimes being bleached first. These are all heirloom rugs and, when kept free of destructive insects, will last indefinitely. As we watched the flowers came into bloom under their hands. This, fortunately, is a hobby the handicapped can enjoy as well as those more favorably blessed. Much use of this medium has been made in rehabilitation programs with war veterans and others seriously handicapped.

Various types of hand craft were displayed by the Hobby Club from the Avon Trailer Park. These included hand loomed rag rugs, pine needle craft and different types of jewelry.

Mr. and Mrs. Ira Stropes are in a class by themselves, displaying various types of needlecraft which won for them 15 ribbons at the State Fair at Tampa last month. Mr. Stropes' hooked rug is an outstanding example of the beauty a man can create even though his sight be very poor.

Mr. and Mrs. H. A. Smith are the proud possessors of a hand-made electric chord organ, made for them by their son, in which he utilized parts of two accordians, plus sheet aluminum. Mr. and Mrs. Smith are by way of being accomplished musicians and to live without some means of making music was, to them, unthinkable, so this diminutive organ fits nicely into their mobile home at the Southland Trailer Park.

Mr. and Mrs. Louis H. Nebel displayed a variety of handicraft, among which her hooked rugs and his copies of sailing craft are noteworthy.

Mrs. Wm. B. Ford displayed several models of her popular sun hats; this item is especially attractive to the ladies who like to shuffle in style, just get a hat to match your dress, girls, and you're right in the swim, so to speak.

From Wauchula Mr. Fred Waldman brought a model of a three-masted barque, made exactly to scale. We marveled at the patience it took to faithfully reproduce each detail of rigging. Mr. Waldman purchased this model from an 80-year old seaman who was in the crew of the ship which Mr. Waldman captained prior to his retirement.

Mrs. Florence Davis always has an excellent exhibit of shellcraft, but we believe this year's was larger, more beautiful and varied than ever before. We wonder just where these artists get all their ideas for designs.

Mrs. McDaniel and Mrs. Ralph Miller contributed strikingly beautiful flower arrangements; for a while we thought they had come to the wrong place--got us mixed up with the Garden Club's exhibit.

Many and varied examples of needlecraft were shown by several of our members: Mesdames Beck, Stucky, Hopkins, and Cooper.

Two weeks ago Michigan emerged victorious from the annual fray with Ohio and last week Indiana challenged the winners to a match. Those Hoosiers defeated the Buckeyes in a hard-fought game, 21-20. Guess that looks as though Indiana takes the championship for states this year.

On Wednesday Mrs. Gilbert and C. Bynner took the choose-your-partner tournament from D. Gruber and H. Shauger. In the Consolation event J. Williams and G. Miller won over Mr. and Mrs. Harry Gibson. Saturday's potluck tournament was rained out.

On Thursday evening there was much interest in a singles match played by Mrs. Roy Girten and Mrs. Ira West. It was one of these nup-and-tuck affairs but when the dust of battle had cleared away Mrs. Roy Girten emerged the winner. On the following day she met Mrs. Bertha Ireland in the finals. After another suspense-filled match Mrs. Ireland won, making her local ladies' singles champion. Her name will be inscribed on the Vice-president's trophy. Here's wishing you luck, Bertha. There's considerable interest developed over this event and we'd be willing to predict there'll be more competition in another year.

On Monday, March 2, the sun shone brightly, the winds blew mightly, and our Arcadian friends finally got to play a tournament with us. There were 48 for the picnic dinner at noon. Mrs. Lindborg, Mrs. Iffland, and Mrs. Ford comprised the kitchen detail that made the coffee and saw that everyone had a good time. Then, after treating them so well, Avon Park took the match 29-19. It is planned to play a return match at Arcadia in just one week. Let's have a goodly number of cue-wielders with their picnic baskets on hand to enjoy the Arcadian's hospitality.

Tuesday's bridge saw seven tables in play; Mrs. Betty Tizzard was high scorer, Jack Hayes was second high. A merchandise certificate, by the Exie Caffie Gift Shop was won by Mrs. Anna Smith, two bags of temple oranges, by Ben Hill Griffin Co. were won by Mrs. Rodgers and Mrs. Nickerson.

Other door prizes were won by Mrs. Vera Ogden, Mrs. Maude White, Mrs. Cornelia Thieroff, Jack Hayes and Ed Coen.

In Mr. Krenerick's absence on Friday night music and recorded calls for squares were provided by Mr. C. C. Seifert. Again, the club is fortunate in having so many members glad to devote their time, equipment, and "know-how" in carrying out a well-rounded program of activities.

Maudean Sapp And George Reed Exchange Wedding Vows Feb 23

Maudean O'Connor Sapp and George Reed were united in marriage in the First Methodist Church of Sebring on Monday, Feb. 23, at 5:30. The ceremony was performed by the Rev. Gordon H. Strickland of Sebring.

The bride is the daughter of Mr. and Mrs. J. L. O'Connor of Avon Park and the bridegroom is the son of Mr. and Mrs. Mervin Reed of Lomax, Ill.

The bride chose a street length gown of beige with brown accessories and a corsage of pink carnations.

Mrs. Helen Cox, sister of the bride, of Eau Gallie, was the only attendant. She wore a navy blue suit with black accessories and a corsage of white chrysanthemums.

Bill McKenna served the bridegroom as best man.

A reception in the Florida Power Lounge followed the wedding for the relatives and close friends who attended the ceremony.

After a wedding trip the couple will be at home in Avon Park where Mr. Reed is stationed at the Bombing Range. In July they will go to Illinois to make their home. Out-of-town guests at the wedding were Mr. and Mrs. Mervin Reed of Lomax, Ill. the bridegroom's parents.

Giddens-Langford Engagement

MISS BARBARA GIDDENS

Mr. and Mrs. Ellis Giddens have announced the engagement of their daughter, Miss Barbara Giddens, to Jimmy Langford, son of Mr. and Mrs. Wiley Langford of Ft. White.

Miss Giddens attended school in Avon Park for eleven years and was active in the Glee Club here. She was graduated from high school in Winter Haven in June 1958.

Jimmy Langford was graduated from Avon Park High School in 1958 and is presently employed in the Kwik Chek Store in Avon Park.

The wedding will be March 28 at 6 o'clock in the Church of God Parsonage in Avon Park.

BAPTISTS BELIEVE...
THE CHURCH OF
THE LIVING GOD

Baptists believe that a visible church is a congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ; governed by his laws; and exercising the gifts, rights, and privileges invested in them by his word; that its only proper officers are bishops or pastors, and deacons, whose qualifications, claims, and duties are defined in the New Testament.

Baptists believe that the church with all that pertains to it is strictly a New Testament institution.

The Baptist view of the constitution and polity of the church is that each church is a free, independent, and self-governing body. It is made up of regenerate men and women, believers in Christ, who have been immersed upon a profession of their faith in Him. It is based on and embodies the spiritual principles of Christianity. There is no way to classify believers in the church other than as spiritual equals. The pastor and deacons are not ecclesiastical superiors. They perform certain functions and discharge certain duties, but they are the servants of the church. The church is responsible directly to Christ within the limits of its own life. The church is the final authority on all debated questions. But, in its decisions the church is directly responsible to Christ and must look to the New Testament as the law of Christianity by which it is to be governed.

Christ organized the church so that his followers would have a divine institution through which to co-operate in the work of preaching the gospel of repentance and remission of sins to all nations. The church is ideal for co-operation. In it the followers of Christ are joined together in an organization with divine sanction—a brotherhood of kindred spirits made one in Christ by the regenerating power of the Holy Spirit—for the purpose of making Christ known to the world.

Accepting the New Testament as the inspired revelation of Christ, a church must strive to follow its teachings and to observe its requirements in worship and unity of organization. Baptism and the Lord's Supper, the two divinely instituted ordinances, must be kept true to the New Testament pattern.

Baptists believe that to be a true New Testament church a local church organization must (1) require personal acceptance of Christ and scriptural baptism by immersion before membership, (2) be self-governing and democratic, (3) maintain its purity by making Christ supreme, (4) commit itself wholeheartedly to carrying the message of Christ to all the world.

Women Golfers Invited To Play In Tournament

The Women's Golf Association of the Capital City Country Club of Tallahassee cordially invited all local golfers to play golf in its eleventh Annual Tournament.

The tournament is open to all women amateur golfers who properly qualify. A qualifying round of 18 holes must be played by contestants for the championship flight on the Tallahassee Country Club course on Thursday, March 12. Attested cards from your home course will be accepted for other flights and all cards must be in by Thursday, March 12, at 6 o'clock. The course will be open to entrants on Wednesday, March 11.

Match play will begin on Friday and the tournaments will end on Sunday afternoon, March 15. Included in the tournament will be a Chip and Putt Contest and a Nine-Hole Flight for beginners.

This will be the first year that the beautiful new clubhouse has been open and it is hoped that all players will enjoy the facilities of the clubhouse, swimming pool, and golf course. Entertainment for all, as well as prizes for the winners, will be provided for the contestants. An entry fee of $10 must be paid before playing the qualifying round.

Several women amatures golfers of the Ridge area will attend and all women amateurs are invited.

Boys Scout News

Troop 156 of the Avon Park Boy Scouts sponsored by the American Legion met for its regular meeting on Monday night, March 1, in the Woodruff Heights Scout Building with Scoutmaster Elton Lawrence and Assistant Scout Master Norman Cook. The boys were disappointed because the Lad-Dad Camp was rained out last weekend but plan to get their fathers to accompany them on the Ft. Kissimmee Camp-out on March 13, and 14.

Troop 157 of the Boy Scouts sponsored by the Rotary Club met on Monday night, March 1, in the King's Court Scout Hall for its regular weekly meeting. Recently appointed Scoutmaster Bill Thompson conducted the meeting. The troop discussed plans to use a piece of property on Lake Arbuckle as a semi-permanent camping area where the boys might errect thatched and practice their campcraft more often.

Franklyn Ward, who was present at both troop meetings, give the boys tentative plans for the Ft. Kissimmee Camp-out on March 13 and 14 and asked each boy to try to bring his father to this affair.

During the meeting the patrols were reorganized with the four patrol leaders being Bill Ward, Lanse Padgett, John Thompson and Jim Runkle. All Scouts were urged to contact old members to have them resume their Scout work and to ask younger boys who might be interested in this organization to join.

American Legion Aux. Meets Mon.

The American Legion Auxiliary will hold its regular monthly meeting on Monday night, March 9, at 8 o'clock in the home of Mr. and Mrs. D. S. Mandis on Lake Letta.

The nominating committee will be appointed during the important business meeting and plans will be discussed for Poppy Day to be held in May. All members are urged to attend the Monday meeting.
