Winter Guest Club News

The covered-dish supper on Saturday continued to be one of the best ways to become acquainted, as many folk have found. Last week there were twelve at supper for the first time this season, nine of whom are in Avon Park for their first season. Eight guests were represented, of whom eleven gave Michigan as their home. The transplanted Northerners, who now are Florida residents, exactly tied the number. Happy Birthday was sung to three of our members; strange as it may seem, there were no anniversaries to note.

On last Tuesday evening Mrs. Ford surprised the dancers with delicious home-made doughnuts for their evening snack. These were greatly appreciated, as you can imagine, and not even one was left! Last Thursday's morning dance practice was well attended, and in addition to songs, the fox trot was demonstrated and practiced. There were now, by actual count, 112 members taking part in the dances. This makes for a real crowd; many of the squares are repeated on Friday nights. Last week 42 folk stayed for the social hour following the dancing.

This has been the kind of weather to separate the men from the boys, so to speak, as far as shuffling is concerned. There is a hardy soul, indeed, who could brave the icy blasts of last Friday and Saturday. In the choice of your partner for the tournament on Wednesday, Jan. 14, Lura Pickett and Ray Millon bested Yvonne Bull and "Doc" Gilbert to take high honors. There were 18 couples in play. Saturday there were 16 couples, which means 40 persons braved the subarctic winds, to participate in the weekly pet luck tournament. This time it was Claude Byrner and Dan Lindberg who won over Harry Gibson and Ray Millon to take honors for the day.

Dates to remember: Jan. 22, tournament at Sebring. This is the one which was rained out on Jan. 8. Jan. 26, 29, 30, 31, pet luck tournament, open to all, with hoochie and doughnuts.

On Tuesday mornings the Art Class, under Mrs. Nace's guidance, meets at the clubhouse. We heard 17 attended last week's session—any more news from this group?

Tuesday afternoon, at 1:30 the weekly bridge games, with Miss Wyman in charge.

Last Sunday, it was your scribbles' pleasure to entertain Mr. and Mrs. Joe Coffill, of Connecticut. The Coffills, you will remember, were in Avon Park last season. They were loved in their praise of our club as a most friendly place, and they knew they'd never find a place as friendly as here. That's the sort of thing we like to hear about ourselves, isn't it? This privilege and joy of welcome to new folk is never ending and each member should work at it constantly. Let's not have such short memories that we forget.

Church News ...

Fla. Ave. Baptist
The Young People's Department of the Sunday School, in a party in the Social Hall of the church on Saturday night, Jan. 17. Games and readings, under the direction of Miss Margie Reynolds, gave the boys and girls a good time. Cakes and potato chips were served to Sandra and Ann Ann Parker, Mary Sue Boyce, Martha Eldor, Fayette Gilbreath, Jimmy King, Winkie Williams, Mr. and Mrs. Elmer Hopkins, and Mrs. J. M. Gilbreath.

The Pulpit Told Circle met on Thursday night, Jan. 16, in the home of Mrs. Margie McCully.

BAPTISTS BELIEVE... IN CHRIST, THE LIVING SAVIOUR

A wounded lion dying with a spear in his side, always attracts attention in a little park in Lucerne, Switzerland. It is carved in a stone cliff in memory of Swiss guards who died defending a French king. The carving reminds us that suffering borne for someone else is a call to the higher levels of living.

Baptists believe that this is supremely so in the case of Jesus Christ, our Saviour.

Centuries before Christ, it was prophesied that Christ should be a "man of sorrows" and be "wounded for our transgressions" (Isaiah 53:5).

When he finally came to earth men put him to death on a cruel wooden cross. Besides the cross there were searing nails that tore his flesh, a heavy looking whip and a crown of thorns from those who mocked him. In agony on his cross before men he felt separated from God he cried out, "My God, My God, why hast thou forsaken me?" (Mark 15:34).

He endured this agony that man might not be separated from God. God took his cross—man's worst deed against God—and turned it to God's best deed for man. All the suffering had a purpose. It was to save man from his heaviest weight he has to bear—his unrepentant sin. "The wages of sin is death," (Romans 6:23).

We can have the weight lifted because Jesus, the Son of God, bore our sins for us. In him always attracts attention in a little park in Lucerne, Switzerland.

Being sinners we are separated from God now and forever unless we turn to Jesus for forgiveness and cleansing. "He was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his stripes we are healed." God's prophet, Isaiah, said in predicting Jesus' crucifixion, (Isaiah 53:5).

Because Jesus loved us enough to give himself to die for our sins, we can have hope, forgiveness, and new life from God, or "eternal life" as it is called.

Yes, Baptists believe that only through a personal faith in the Lord Jesus Christ and a confession of him before men can the individual receive forgiveness of sin and become a child of God. It is a great spiritual mystery, one that cannot be scientifically explained. Yet it is true that when we ask Christ to deliver us from sin these things happen: (1) our guilt vanishes; (2) we have power to overcome wrong; (3) we have the presence of God in our lives, and (4) we know that the trust and most real thing in the world is Jesus Christ. Because he triumphed over death we too who have taken him as our Saviour shall triumph over it.

Indian Wrestler Featured Here Friday Night

Don Eagle, greatest Indian wrestler in history, will see action at the Avon Park Armory Friday night as All-Star programs arranged by Promoter Cowboy Luttrall continue with co-feature matches starting at 8 o'clock.

Eagle, who has spent much time in Florida for several years, has built up an amazing victory streak. He has had more than 50 matches during that period and has never been defeated.

Looking for the toughest competition to take on Eagle, Promoter Luttrall has come up with Texas giant who is consistent he can stop Eagle. The wrestler is Cowboy Rocky Lee, who stands at 6-6 and weighs 280 pounds.

Lee comes from the Golden Horn Ranch, Texas, and wears a black and gold outfit. His wrestling style is on the rough side. The match will be two out of three falls with a time limit of one hour.

Glamour girl Kitty Adams, a federal from Houston, Texas, will meet Bud Deaton of Lakeland, one of Florida's leading girl stars in the event. The girls are matched for the two out of three falls route and the event appears a tossup.

Prices continue at \$1.50 ring-side, 50 cents general admission and 30 cents general admission for children under 12. Jacksonville Hotel is handling advance ticket sales.

Bank Employees Attend Luncheon Meet At Tampa

Mary Lee Gay and Betty B. Wild, Assistant Cashiers of the Avon City Bank attended the National Association of Bank Women luncheon meeting Sunday, January 18, 1959, at the Los Novedades restaurant in Tampa. There were 27 members, 2 associate members and one guest present.

Mrs. Elaine Nelson of Citizens Bank in Sarasota gave a very interesting talk on N.A.B.W. activities in New York. Mrs. Nelson was a member of the New York group for number of years before moving to Florida.

Miss Frances Filson also of Citizens Bank in Sarasota gave some of the highlights of the N.A.B.W. state convention held in West Palm Beach in November. In her opinion, one of these highlights were the eleven Solite Group employees who were beautiful orchids to the banquet luncheon sent to them by Mr. Scitelle.

Plans were discussed for the next state convention, which will be held in the fall of the year. The Gulf Central Group will be host for this convention.

Health Topics

Is the milk you buy safe to use? The Health Department and the Department of Agriculture have made milk one of the safest foods on the market today. This has been done with the wholehearted cooperation of the dairy owner and the consumer.

Regulations covers the health of the cows, condition of the dairies and the handling and dispensing of the finished product. This includes the health of the dairy worker in the barn and the milk products plant. Regular inspections are made of each dairy and milk products plant to determine the bacteria, solids, butterfat and additives in the milk.

Transportation of milk and milk products has become "big business" because of the distances between farm and market. Tank and delivery trucks are now refrigerated and handled under practically sterile conditions.
