When Ponce de Leon discovered Florida in 1513, he was actually looking for Rimini, a Bahama Island about 50 miles East of Florida.

Dreaming is all right as long as designated by the legislature in 1955 because Ponce de Leon first sighted Florida on April 2.

All men are created equal - and endowed by their creator with an insatiable urge to become otherwise.

Robert Fulford On Textbook Rate Committee

Robert H. Fulford was recently appointed to the State Textbook Rating Committee for the State of Florida. The committee consists of twelve members selected from educators throughout the state.

Mr. Fulford received his B.S. degree in 1952 and his Master's degree in 1958 from Florida State University. He was selected for membership in Kappa Delta Pi, national educational honorary fraternity.

He is married to the former Geraldine Connell, daughter of Mr. and Mrs. W. T. Connell, 900 North Lake Avenue, Avon Park. They have two children, Robert Jr., and Marsha Lee. They live on South Indian River Drive in Fort Pierce.

The influence bug has hit the park rather hard lately and everyone is glad to see Mr. and Mrs. S. Kolk, Mr. C. C. Couts, Harvey Riegel and Mrs. Harry Gerdner getting over their hosts. Last reports say that Carl Overholt is doing well at the Bay Pines Hospital.

Mr. and Mrs. Herman Watter have returned to Clearfield, Iowa for the time being. Mr. Watter is on the Board of Judges for the show. They have to leave their flowers and the sunshine of Avon Park so early and plan to return next fall. They remain much later in the spring.

Many Park residents enjoyed the lovely flower show on Thursday and were thrilled by the beautiful flowers and arrangements. Mrs. H. A. Smith displayed her flowers and paintings at the Hobby Show at the Winter Guest Club on Thursday. She also entertained with selections on her accordion-organ which was built by her son, Ivan Smith of Washington, D. C.

It was LaPorte Day at the gunnery trailer Sunday. Mrs. Benjamin Houseweat, Mrs. Jerry Walinski and Mrs. Albert Wing stopped while touring through Mr. and Mrs. Marv Bennett, wintering in Sagunaw, and Mr. and Mrs. George Del Poy, winter guests of Avon Park, were also afternoon callers. Mrs. Del Poy and Mrs. Charles Bush were evening visitors.

Last Thursday park residents and their friends gathered in recreation hall to view some beautiful and unusual color slides taken by Harry Longmeyer of his worst color trip. It was very nice two hours' entertainment and we loved every minute of it.

Early in the week we had a lunch and ribbon cutting ceremony at the Shuffie board courts. With Maude Forte and Edith McClure putting those dishes pretty much where they want them while Edith McClure, summer at the game, is doing beautifully. Of course Eva and George Odenbrett, Tommy Ken Ohio McKelips, the G. C. Hayes, Jim Douglas, Reuben St. Frank Foote and Harry and Ray Longmeyer are veterans in the game. We have some interesting games and a game time is enjoyed.
