Lynelle Griffin - Elliott Ladrie Wedding Vows Exchanged Tuesday

MRS. ELLIOTT LADRIE

Baskets of white gladioli, Easter lilies, and pompons flanked by candelabra with lighted tapers against a background of palms and ferns formed the setting for the marriage of Miss Lynelle Griffin to Elliott M. Ladrie on Tuesday night, May 12, at 7:30 o'clock in the First Methodist Church of Avon Park.

The Rev. Wilmer O. Luttrell officiated at the double-ring ceremony and a program of nuptial music was presented before the service by Mrs. Edna Jackson, organist, and Mrs. James Lindsay, soloist.

Given in marriage by her father, the bride wore a floor-length gown of misty nylon tulle and tulle lace. The portrait neckline and the lace and tulle bodice sprinkled with sequins, framed a scalloped illusion yoke

which matched a similar design on the short cap sleeves and the long gloves. The bouffant skirt was accented with panels of lace which extended down the front and back of the skirt. Her fingertip veil of imported tulle and a full train of Juliet cap of imported lace beaded with sequins and pearls and she carried a white Bible topped with a white orchid and white roses.

Miss Linda Griffin, sister of the bride, was maid of honor. Her gown was white length blue nylon organza over tulle with a matching picture hat. She carried a basket of pink spring flowers.

Mrs. James Logan, sister of the bridegroom, and Miss Mary Lois Roberts were bridesmaids and they wore gowns which were similar to the maid of honor's gown and also carried baskets of pink spring flowers.

Little Miss Cindy White, niece of the bridegroom, was flower girl. She wore a floor-length dress of nylon chiffon with a band of flowers on her head and carried a basket of rose petals.

James White served his brother-in-law as best man. Ushers were Seth McCormick and Wayne Cribb. Young Master Chip Gerlock was ringbearer.

Mrs. Willard Griffin, mother of the bride, chose an aqua lace sheath dress with matching accessories for her daughter's wedding. Her corsage was of white carnations.

Mrs. Elizabeth Ladrie wore a rose lace dress with beige accessories and her corsage was also of white carnations.

Mr. and Mrs. Griffin entertained with a reception in Wesley Hall following the ceremony.

A square four tiered wedding cake centered the bride's table which was covered with an embroidered cutwork linen cloth. Candelabra on each end of the table held burning tapers and gardenias with tulle nozzles surrounded the lovely cake. Palms and baskets of white flowers arranged in a fan-shape formed an attractive background for the table.

The punch table held a crystal punch bowl encircled with gardenias and ferns and composed of pastel mints. The bride's book was presided over by Mrs. Jim White assisted by Miss Pat Tondoe. A china bride and bridegroom with an arrangement of gardenias completed the decorations of the lovely table.

Mrs. Jerome Shultz played appropriate piano selections during the reception. Mrs. Donald Ford

was director of the wedding and Mrs. Raymond Gerrard assisted in the lovely decorations of the church and reception.

Serving the guests cake were Mrs. I. H. Ford, Mrs. Virgil Tondoe, Mrs. Charles McCormick, Mrs. Earl Rich, and Mrs. Mack Flowers. Assisting at the punch table were Mrs. Virgil Still, Mrs. Robert Rossard, Mrs. Parnell O'Brien, Mrs. Helen Harris, Mrs. Wiley Cuthman, Mrs. Joe Pezer, Mrs. Wayne Cribb, and Mrs. Trudier Wafford.

Mrs. Wilmer O. Luttrell greeted the guests and Mrs. Hayes Maxwell introduced them to the receiving line.

During the reception the couple left for a wedding trip to points of interest in Florida. Mrs. Ladrie chose a navy blue and white embroidered sheath with white accessories and a white orchid corsage for her wedding trip. The young couple will make their home at 9 East Charles Street in Avon Park.

Walker Memorial Open House Was Occasion For Showing New And Modern Equipment To Visitors

At the open house during the recent National Hospital Week, visitors were shown a room at Walker Memorial Sanitarium and Hospital equipped with the new furniture being placed in the surgical rooms. This will release the original furniture for much-needed bed capacity on the third floor. Features of the new furniture include the "hilo" electric bed principle. Height of the patient from the floor is adjusted by the nurse throwing an electrical switch. Instead of a large dresser as in the original equipment, a smaller unit is provided which eliminates any crowding in

the patient's room while doctors and nurses carry out treatments. Work is progressing on a project planned some time ago to eliminate the crowded conditions in the business offices. The north end of the porch facing Lake Lillian is being enclosed and furnished to provide office space for the administrator and the accounting department. The overall plan will include some modification at the information desk. The south end of the porch will be enclosed and large awning-type windows installed. This will make it possible for patients and guests to enjoy the beautiful view across Lake Lillian in all types of Florida weather as it will be heated for winter use.

Plans are being made also to enlarge the nursery on second floor and provide a well-equipped pediatric room as money for this is available.

Mr. Steve Ashcraft, new food service director for Walker Memorial, arrived last week from Cincinnati, Ohio. He will take over the department at the end of May when Mr. John Schmidt, Jr., who has been with the institution many years, leaves to assume his new responsibilities in the same capacity at Southern Mississippi College near Chattanooga, Tennessee.

Previously to his coming to Avon Park, Mr. Ashcraft spent two and a half years in the ex-

Floyd Theatres Celebrate 19th Anniversary In June

June is the anniversary month for Floyd Theatres and the event this year gives promise of outstanding all previous celebrations. Carl Floyd, founder of the chain, wants it this way and every manager representing him in an enthusiastic accord. "We must safeguard our position as 'first' in the field of film entertainment," remarked Bert Albright who is in charge of local interests for the Floyd chain. "We cannot mark time for one brief moment now that recent obstacles and counter influences in visual entertainment are rapidly becoming a memory. 'We must drive ahead with the best in film fare selected even more wisely than ever before to maintain our leadership and prestige'."

Harold Spears, Jr., general manager for Carl Floyd, has granted Albright's request to prevent the Regional Premier in Avon Park of the world's most honored show, "Around the World in 80 Days," as the opening gun in the June series of big pictures. The renowned Michael Todd achievement will play a four days engagement at the Hilans beginning Saturday, May 30, and closing Tuesday night, June 2. The great picture in its original full three-hour length will be shown three times on Saturday and on Sunday, at 2:00, 5:30 and 8:35. Monday and Tuesday there will be two show-

ings daily with the matinee performance at 2:30 and the evening showing at 8:30. Popular road-show prices will prevail during the run. Scheduled for the second big week in June is the comedy carter acclaimed to have 278 certified laughs, "The Perfect Furlough." It will play double with an action thriller, "Undersea Girl" Sunday and Monday, June 7 and 8. Coming to the Hilans Tuesday, June 9, for a three days play is the one and only "Alma Mater" starring Rosalind Russell. "This is the picture that tops the Best Seller and stage success both of the same name," ardently boasts Albright, "and believe me the following weeks are booked just as strong for we are determined to prove beyond a doubt that people will get more out of Life when they Go Out to a Movie in June."

Fence Protects Students From Outside Traffic

The boys and girls on the ball-fields and playgrounds south of the High School and Junior High are now protected from traffic accidents by a high fence on the South Lake Avenue and Bell Street sides of the area.

This strong fence was built by the Highlands County School Board at the request of Mayor E. A. DeLaney, the city of Avon Park, and many parents of the school. The danger of children running into cars when chasing balls has long been recognized and this safety measure will help insure the well being of the community's school children.

There are gates in the fence but they will see that playing students stop before running headlong into the street to retrieve balls.

The local schools have been very fortunate in having no accidents in past years and it is by such safety measures as the new fence that they will continue their excellent record.

Seniors - Teachers Honored At Tea Tuesday Evening

The seniors of the Avon Park High School and the faculty members of the local schools braved the rain on Tuesday afternoon, May 19, to be guests of honor at a tea given by the Student Council in the Palm Room of the Jacaranda Hotel.

The annual tea was planned for the lovely gardens of the hotel but was held in the Palm Room because of the heavy rain.

The Palm Room was decorated with spring flowers for the oc-

casions. Ice punch and homemade cookies were served the guests from a table covered with a lace cloth and holding crystal appointments with graceful arrangement of pastel flowers.

Greeting the guests were Gail Hovey, President of the Student Council, and Miss Eve Campbell, president of the Senior Class. The receiving line was composed of the class officers and student council officers.

Miss Claire Maxwell, president of the Junior Class, poured the punch with the assistance of Miss Tura Ann DeLaney, president of the Sophomore Class. Lovely young ladies assisted with the serving as representatives from their respective classes.

Training Conference For Women Of Episcopal Church Held At Camp Wingman May 17 Through 21

The Training Conference for the Episcopal Churchwomen was held at Camp Wingman May 17-21. About 75 women of the Diocese of So. Florida were in attendance. Members from the Church of the Redeemer, attending as day students were Mrs. James Johnson, Mrs. Frank Love, Mrs. Peter Watson, Jr., and Mrs. Samuel Stewart.

The name Episcopal Churchwomen instead of Women's Auxiliary was used this year at the Conference for the first time. The change was made at the Triennial Convention held at Miami Beach last October and accepted by the Diocese of So. Florida at the Diocesan Convention in Lakeland in April.

She discussions and thought of the Conference was centered in the Theme "Our Family in Christ," which was adopted for study and action by Episcopal Churchwomen at the Triennial.

Each day began with a service in the Chapel, conducted by Fr. Hay, Chaplain, assisted by Fr. Powell.

After breakfast and a recess Fr. Hay met the entire group bringing to our minds some aspect of the Christian life, then asked a question which was discussed in small groups. This stimulated individuals to think for themselves on the problem.

The findings of each group were reported to the entire group and summarized by Fr. Hay.

Following a brief recess the workshops were held. There were workshops for President, Secretaries, U.F.O., Program Planning.

Each member selected the one in which she was most interested and valuable help was received.

Then Fr. Powell conducted a

United States Post Office AVON PARK, FLORIDA May 16, 1959

Mr. Bob Lee, President Avon Park City Council Avon Park, Florida

Dear Mr. Lee:

As postmaster of Avon Park I would like to commend your body for the job that has been done in erecting an island and widening the street for a place for Courtesy mail boxes.

The traffic hazard at the corner of Main Street and Verona Avenue at times has in the past been dangerous and I believe that the erection of this facility will help to do away with some of the congestion at certain times of the day, and will offer an extra convenience to the patrons of this office.

Pictures of the completed project are being made and I have been informed that an article will appear in the Avon Park Sun soon at which time the picture will appear, and it is my plan to send a copy to the Post Office Department and request that it be given publicity in the POSTAL SERVICE NEWS, a publication that is published by the department and directed to all offices in the Nation.

Again thanking you for your continued cooperation to further Avon Park and conveniences here.

Very Truly Yours, D. G. PERRY, Postmaster
