PUBLIC ANNOUNCEMENT

Last Tuesday evening August 25th, over one Hundred Property Owners of Avon Park met together at the Tourist Club and organized THE TAXPAYERS LEAGUE OF AVON PARK.

The League was organized for the purpose of rendering a free Public service to the Citizens of our City. Up to the time of this meeting we had over 300 members, at present we have over 500 member, all Tax Payers and property owners who feel that the recent assessment and revaluation of their homes and property by the City Council of Avon Park, was excessive, misleading and unfair.

They desired to protest the Action. Accordingly a committee was appointed with Mr. Edmund Ranney as Chairman to appear before the City Council and make and enter an overall blanket protest covering all members. This was done with the hope that the City Council would reconsider their action and bring about a fair solution. We know that the Tax Payers League is needed here. If you are a property owner and would like to join us, Now is the time. Where there is Quantity there is strength.

Eradication Of Screwworm Is Proving Success

The State Federal Screwworm Eradication Program, to wipe out the costly pest in the Southeast, is moving right along. But its success depends on the cooperation of every livestock and pet owner.

A request for continued vigilance on the part of all Floridians was issued here today by program directors who said:

"Inspect your newborn or injured livestock and pets frequently. Report any suspected screwworm case promptly to your county agent or livestock inspector."

Samples are important, the directors said, because their microscopic examination by an expert determines whether they are true screwworm or from another species of blowfly.

"HOW TO LIVE LIFE"

By: ALLAN R. STUART

A part of my theological training was devoted to practice preaching and the use of materials in the pulpit. One man preached on Paul, and used a map to show Paul's journey; another man told a story about a man who devoted his life to "clock-watching." He used an alarm clock in the pulpit. Another used a mirror: still another, a newspaper.

One man used a visual aid most extraordinary. He was telling about the piano tuner that used to come to his house, and he used this illustration to say that we should get "in tune" with God. At the climax of his sermon, he cracked down on the desk with the tuning fork he had been holding in his hand... no one slept through that sermon!

I think the use of visual aids in preaching is invaluable. I use them myself. One story comes out of West Africa. I present it for your consideration.

"Today I shall preach on sin," announced Mai Sue, the African prince and Christian preacher. He continued with this story: A man of great wealth built himself a huge home with a thatched grass roof. As he sat in his home one day with a box of matches in his hand and a gourd of water beside him, he began to ponder.

"I wonder if one match could make that roof burn. Oh... I'd better not try it... but I have water here... I could put it out. I wonder..." So he took a match, set the thatched roof on fire, and immediately sprinkled water on it and put it out.

Here Mai Sue quickly snatched up a bottle he had placed behind his pulpit, and demonstrated the sprinkling. Then the story went on: "Well, that was exciting and there was no harm done. I think I'll try it again." And again Mai Sue demonstrated the process.

After several such demonstrations, when Mai Sue seized his water bottle to sprinkle, a look of stark amazement came across his face. There was no more water! Not a soul in the congregation needed to hear the conclusion of the story... the destruction of the home, the loss of wealth, the desolation of the man.

And Mai Sue closed his sermon: "You can't play with sin!" Mr. and Mrs. H. L. McCully and their son, David, spent last weekend visiting her brother and sister-in-law, Mr. and Mrs. R. F. Williams, at New Smyrna Beach and also enjoyed the lovely ocean and beach.

Methodist Youth Plan Dude Ranch Outing Saturday

The members of the fellowship of First Methodist Church are planning a special "Before-we-have-to-go-back-to-school" outing at the Circle F Dude Ranch in Lake Wales, Saturday, September 12.

The day's activities will consist of diverted recreation, water sports and swimming, canoeing, and horse-back riding. The members of the Methodist Youth Fellowship have been making preparations for this trip most of the summer by special money-making projects. All active members of the group are invited.

The M.Y.F. is made up of young people ages 12 through 25 who are interested in the Christian life and "juvenile decency." The group meets every Sunday evening at the First Methodist Church, beginning at 6:00 with Supper. The Intermediate group consists of ages 12-14, and the Senior M.Y.F. includes ages 15-25.

A cordial invitation is extended to all young people in Avon Park who are not already members of another church youth group to join the M.Y.F.

Dear Sir:

I wonder if you will print this, but nevertheless I am going to try. Last Thursday evening, I attended the City Council Meeting, which was supposed to be an Equalization Meeting where the folks in this town, who felt they were unfairly taxed, could air their grievances.

Well, about two hundred folks came, and I understand there are about 150 disgruntled folks who feel NO-THING was accomplished. I agree, but through no fault of the City Council. They simply were not equipped to handle the situation. I do believe every councilman wanted to help, but the simplest question by myself was certainly NOT satisfactorily answered.

I made a suggestion to Chairman Dilley, that the basis for the new taxation, be simply and efficiently explained in your paper, where everyone of the two-hundred or more disgruntled taxpayers could read it, and perhaps re-read it, until we are sure that we were not singled out for

Arlene Sargent Honored Tuesday At Open House

An Open House at the home of Mr. and Mrs. E. Ray Wells on Lake Lillian honored Miss Arlene Sargent, bride-elect of Robert Sundry, on Tuesday night, August 25.

About seventy-five friends called during the evening to greet the lovely bride-elect and wish her well. She is the daughter of Mr. and Mrs. Charles Sargent of Avon Park and her wedding will be an event of Saturday afternoon, Sept. 5, in the First Baptist Church.

Upon her arrival Miss Sargent was presented with a corsage and sash by her bridesmaid, Miss Sundry. She was escorted to her room by her father, Mr. Charles Sargent.

Arrangements of flowers added to the beauty of the home with an especially colorful arrangement of large, copper zinnias taking all eyes. A bird of paradise arrangement was another striking note of color.

friends and Scouts applauded.
Eddie Pate began his Scouting
career at the age of 12 in Lake
Placid and rapidly advanced to
Star Scout and served as Junior
Assistant Scoutmaster of his
troop. But in 1938 the Lake Pla-
cid troop was disbanded because
of lack of adult leadership. Ed-
die then began commuting the 25
miles to Sebring Troop 141 where
he was elevated to Life rank.
Eddie is home between semesters.
He is currently attending Mc-
Callie Military Institute, Chat-
tanooga, Tenn.
Early this summer Eddie was
scheduled to take a life saving
test. Just prior to the test he
wrenched his shoulder and his
parents urged him to delay the
test, but Eddie persisted and
passed the test with flying colors
despite his injury.
Attorney Ernie Bredt, Sebring,
Advancement Chairman for the
Highlands District, was in charge
of the Court. Also serving on the
Court were Ford Hancock, Sebring,
and Ford Hancock, Jr., Sebring,
and G. F. Ward, Avon Park, Dis-
trict Chairman.
Troop 156, Avon Park, spon-
sored by the Union Congrega-
tional Church, won the Advancement
Award, and Troop 141, Sebring,
the attendance award. First
Class Scout Billy Miracle, Troop
156, Avon Park was awarded the
rank of Star Scout. Numerous
merit badges were awarded
Scouts of both Avon Park troops.

**Florida Power

Players and their fathers of
the Florida Power Employees
Club, Midget League Baseball
Team were entertained on Thurs-
day night, August 28, at the Ja-
caramba Hotel with a delicious
supper by the Florida Power

The Corporation honored these
young ball players, their fathers,
and coaches for their fine sports-
man-like playing and conduct and
the directors vote to show their
appreciation. All but one father and
son were able to attend and en-
joy the evening together.

During the evening Joe Perez,
Midget League President, pre-
sented a trophy to Charles War-
rington, Coach of the Midget
Team, because the Florida Power
Team was the most cooperative
in the Midget League this year.
Mr. Warrington presented the
trophy to Lamar Wild, president
of the Employees Club, and it is
now on display at the Florida
Power Office on Main Street.

The Rev. John Pickens gave
the invocation and Guy Garrett
and Luanne Padgett, Team Cap-
tains, gave short talks during the
evening. Players enjoying the
supper were Buddy Reynolds,
Robert King, Nelson Yarnes,
Tommy Marshall, Dale Pearl,
David Ward, Gerald Cooper,
Ford Crawford, Jimmy Renfro,
Spencer Oberley, Donnie Selph,
Mike Duggan, Steve Webber, and

unable to attend. Special guests
were Mr. George Woodhead, Joe
