Council Adopts Budget For Year 1959-60

PINNEY Antics

By BILL PINNEY

At a big bull session in the Cow Palace out in San Francisco the AFL-CIO accused Soviet Premier Khrushchev of being "more demanding in his aggression than Stalin." Not as arrogant and demanding as Hoffa, but more so than old Joe.

The convention adopted a resolution condemning old Khrushy's actions and saying no "diplomatic niceties or jovial smiles" could hide his dirty doings. But they didn't mention how difficult it is to hide dirty doings behind the Fifth Amendment.

The delegates accused Khruchchev of trying to take over all of German, which proves that if you make a resolution long enough you're bound to get some truth in it.

They didn't resolute anything about the arrogant egotist who's trying to take over this country. They could have let people know they know. They didn't Hoffa to do it, but they should have.

Red Devils Top Conference With Two Victories

The Avon Park Red Devils, opening the season with wins over Mulberry and Kathleen, are ridng the crest of Conference statistics with two wins and no losses.

Ft. Meade, Sebring and Kissimmee have one conference win and no losses each. Mulberry, Frostproof, Kathleen and Arcadia are waiting to break into the win column.

Seth McCormick, with three touchdowns in the Kathleen game, and one in the Mulberry game, is on top of the scoring ratings with 24 points; Money, with two touchdowns in the Mulberry game, is tied with Jones of Ft .Meade with 12 points each.

Besides the Avon Park 20-6 victory over Kathleen, other conference games saw Ft. Meade bounce Frostproof 28-0; non conference Arcadia beat Punta Gorda 14-6; and Mulberry beat Pinecrest 19-12. Losers were Sebring to Lake Wales by 12-0; and Kissimmee to Lake View of Winter Garden.

Rev. Graetz Will Be Speaker At Optimist Club

Rev. Herbert R. Graetz, pastor of the Congregation Church, will be guest speaker at the Optimist Club luncheon meeting today (Thursday).

This will be the first luncheon meeting of this new Avon Park Civic Club, as previous meetings have been held in the evenings. The meetings will open at 12:05 noon at Griffin's Restaurant.

Rev. Greatz, a popular speaker throughout the area, will discuss the youth of the community and the potentional service of the Optimist Club to the community through working with the youth.

City Boat Ramp On Lake Lotela

The city boat landing ramp at the east end of Third Street, on Lake Lotela, has been completed and is ready for public use, city officials announced Monday.

The ramp is located at the edge of the Florida Power property, next to their fence.

Traditional Midnight Session Of City Council Sees New Members Sworn In And Employees Rehired

The traditional midnight organizational meeting of the Avon Park city council, Wednsday night, saw E. A. Blanford and Sam McKenzie installed as members of the council.

Council President, Robert E. Lee convened the meeting of the old council and called upon councilman Paul McFarland for the invocation and requested that the mayor preside at the installation of new officers.

While presiding Mr. Lee delivered a short farewell address, on which he said:

I would like at this time to express my thanks to the people for giving me the opportunity of having served on the council for the past four years. I would also like to thank the members of the council for the close cooperation that they have given me during the time I served as President of the council. Certainly, my thanks go to the Mayor and to the administrative staff in city hall for their fine efforts and accomplishments.

Although I would in no wise attempt to unduly influence the incoming council, I should point out that the employees of the city have been faithful and loyal to the city. I hope that the new council will see fit to continue in their jobs all the present employees.

Although it has given me a great deal of pleasure to have served, there are also times of stress and times when major decisions must be reached. I must take the responsibility for the decisions that I have made, for they have been my decisions and mine alone.

Again my thanks and best wishes to the incoming council for a harmonious and successful year.

After Lee adjourned the meeting of the old council, Mayor DeLaney took over and called the newly elected councilmen to their places at the council table. Edna Mae Cox officiated at the swearing-in of both Blanford and Mc-

Registration To Vote In County Closes Friday

Friday, October 2, at 5 p. m. is the deadline for Highlands county voters to register for the November 3 election.

Registering is at the office of Roland X. Droit in the court house at Sebring.

There will be two elections on that date, one for the approval or rejection of the proposed state reapportionment amendment, and the other will be for freeholders to name three school trustees and pass upon the recommendation of the school board for a 10 mill levy for school operation.

Candidates for school trustee will qualify at the office of county superintendent Fred Wild in the court house, with the deadline October 17.

Trustees with terms expiring this year are Paul McFarland, District 1; Dr. W. S. Conn, District 2; and Frank Eyman, District 3.

Minutes Of Regular Council Meet Held At City Hall Monday Night

All members present including the Mayor and City Attorney.

Invocation was given by Mr. McFarland.

Mr. Wayne Albright stated that the Council had held a special meeting to tell the Payer's League that they could not get any assistance from the City Hall in getting up data. He was told that a special meeting had not been held but that the Council or four members present had the authority to tell them that they must get their own personnel to do any copying etc. The question was then asked if the Council could stop them from meeting at the Winter Guest Club. The City Attorney's opinion was that the Council could. Mr. Albright then offered the Council room for a meeting place but it was declined because the room was too small to accomodate them. A question was then asked if the Board of Directors of the Tourist Club could decide if the Tax Payer's League could meet at the Tourist Club. The answer was that the Board should meet with the Council to decide. Mr. Lee asked if the Youth Center would be agreeable as a meeting place. The answer was that they thought it certainly would be. Mr. Lee stated that he would contact the Athletic Association regarding this and let them know.

Mr. McFarland recommended that the Avalon Hotel be granted one parking space on Lake Ave. at the entrance there. Unanimously agreed.

Mr. McFarland reported happily that the City Boat Landing Ramp was finished at the East end of Third street on Lake Lotela and ready for use. Motion by Mr. Kirkland seconded by Mr. Diller and unanimous upon roll call that the City ask for bids on [illegible] and removal of [illegible] October 12, 1959, 7:30 p. m. City Hall.

Motion by Mr. Kirkland seconded by Mr. King that Mr. John H. Jackson of Sebring, be appointed Electrical Inspector at a salary of $50.00 per month and 90 per cent of the Wiring Permits and furnish transportation while in town. Carried unanimously.

It was decided and agreed unanimously to keep the truck

McCormick Leads Red Devils To A 20-6 Victory Over Kathleen Here

Seth McCormick, galloping Red Devil back, skirted the Kathleen ends for three touchdowns Friday night to hand that conference foe a 20-6 defeat.

Victory came in the second half for Avon Park after the visitors had held them to a 6-6 deadlock in the first half with their line proving impenatrible.

Kathleen scored first in the second period and failed to make the extra point; then two plays later McCormick broke loose and galloped 81 yards to pay dirt, the extra point try failed and the half time score was 6-6.

In the third period McCormick skirted right end for 15 yards and another TD. Seims ran the extra point making the score read 13-6 favoring Avon Park. Later McCormick received a Kathleen punt and was 'gone with the wind' for 60 yards and another TD. Seims pass to Jackson was good for the extra point and Avon Park led 20-6. Neither team threatened seriously again.

Avon Park gained a total of 211 yards, made eight first downs, completed five of eight passes, fumbled once and was penalized a total of 25 yards.

Kathleen gained a total of 171 yards, made 12 first downs, completed 5 of 13 passes, fumbled twice, and was penalized a total of 15 yards.

Friday night the Red Devils travel to Ft. Meade to tangle with another conference foe.

Old Settlers Club Plans Fifteenth Annual Meeting

The fifteenth annual meeting of the Old Settlers Club has been set for Wednesday, October 21 at the tourist club.

The executive board met Tuesday to perfect plans for this big event. They extend an invitation to one and all who have lived in Avon Park for 20 years or more, there are no membership dues, they point out.

A special program of entertainment is being planned and will be announced later. "Bring a basket lunch and enjoy fellowship with the Old Timers," they say.

Car Destroyed By Fire Here

A 1958 Edsel sedan was completely destroyed by fire last Thursday night on a clay road about 300 yards south-west of the Seventh Day Adventist Church.

The owner, Russell Odum, foreman for Pine Acres, Inc., said that he was returning from town when he smelled something burning, when he looked back the rear of the car was in flames, he pulled to the side of the road and jumped out, almost immediately the car was engulfed in flames.

The car was a total loss except for the two front tires, which escaped damage entirely, it was reported.

Bishop Henry I. Louttit, Bishop of the Dioces of South Florida, left, at institution ceremonies for Father Peter B. Watterson, center, as rector of the Episcopal Church of the Redeemer. Presentation of the keys was made to the Rector by Senior Warden James A. Johnson, right.

Linda Griffin Wins Cherry Pie Baking Contest

Miss Linda Griffin, a junior class member of the Avon Park High School, was the winner of the Annual Cherry Pie Baking Contest in Avon Park on Monday, Sept. 28, in the Homemaking Department of the high school.

Miss Griffin won a pyrex Pie Plate for her delicious pie and will enter her pie in the District Bake-off in Avon Park on Oct. 10. Avon Park, Lake Placid, Frostproof, and Wauchula will be represented in this contest.

The winner of the district contest will go on to the Division Contest at a later date.

First runner-up in the Monday contest was Miss Gloria Seaborn and Miss Betsy Ginn was second runner-up. Others entering delicious pies were Vickie Harrison, Karen Sykes, Lani Fries, and Janice Still.

Judges in the hard to decide contest were Mrs. Andrew Miracle and Mrs. Virgil Tondee.

Linda is the daughter of Mr. and Mrs. Willard Griffin and her friends and teacher, Mrs. Violet Moseley, wish her luck in the next contest.

Caution Urged On Entering AP Bombing Range

In the interest of safety the public is warned against entering the area of the Avon Park Bombing Range, Avon Park. The possibility of coming in contact with live ammunition or being hit by bomb fragments is ever present, officials point out.

Training is being accomplished they state with bombs, machine guns, rifles, pistols, and 20mm cannons. Extreme caution is urged when authorized to be in the range to be sure to stay within designated areas, and to refrain from picking up objects as souvenirs.

It is further pointed out that this area is an Air Force Installation, and specific authority must be obtained to enter this range.

School Guidance Director To Meet With Parents

Besides Heim the delegation included Bill Meyer, Hue Nunnallee, Carl Prisoc, Ed Todd and Bill Young.

A discussion on Rotary and its functions was led by Counselor 'Slats' Slater, past district Governor, he was assisted by Governor Everett Sumner.

Coin Collectors Club Names P. G. Gearing President

P. G. Gearing of Sebring was elected president of the Numismatic Club at its organizational meeting last week.

T. A. Brown of Frostproof was elected vice-president and Mrs. Helen Robbins of Dade City, secretary-treasurer. A board of directors will be named at the next meeting of the group, with one being named from each city in the ridge area.

T. A. Brown served as chairman of the first meeting until a president was duly elected. Prime purpose of the club, they report, is to interest the younger generation in the pleasure of numismatics. Nine of those in attendance at the first meeting were Juniors.

Rep. Howard Livingston Explains State Reapportionment Amendment

The citizens of Florida will vote in November of this year upon a Constitutional Amendment providing for a new apportionment of the membership of the Senate and the House of Representatives of our state.

Because of conflicting stories appearing in daily newspapers and periodicals, many of our residents in this county have asked me to express an opinion as to whether or not the proposed amendment is good for Highlands County.

The importance of the question, both to the state and to our county, is indicated by the fact that ordinarily the Constitutional Amendment would not be voted on until November of [illegible] however, the Legislature felt that the measure to have been of such emergency that it should be presented to the voters [illegible] election to be held [illegible] of this year. First of all, it is to be remembered that Highlands County is clearly within the classification of a small county by that I mean small in [illegible] but not quality. Certainly, it would be impossible for our county to finance the school program we enjoy unless we receive a large portion of the school dollar from outside sources. The minimum [illegible] child of the State of Florida, regardless of where they live as near equal education as is humanly possible. Our school system would not be up to the standard and high grade that it is unless we received tremendous financial aid from the minimum school program, so, therefore, it behooves our county and ones of similar size to make certain that program cannot be tampered with or lessened to any appreciable degree.

Likewise, it is most important to our county along with the other [illegible] of our state of [illegible] that we continue to receive [illegible] wide collected gasoline money for distribution back to the counties for the [illegible]

Dear Editor,

I have never had the courage before to write you a letter for publication, for fear that I might show my ignorance of the subject in question, or I might fail to substanuate my point of view or appear sarcastic and bias.

Your letters regarding the recent tax assessment & etc are interesting, but I don't believe any of them prove a good point and have no basic facts to rest on. I believe there is evidence all over the city that some body has goofed with the assessment placed on the old property here.

For example, over a month ago before the city election, after learning of my new assessment, I stated before more than a hundred people that I would sell my entire holding in the city, on the basis of the figures given to me at city hall, in one lump package deal, for net cash of 75% on the dollar for what it was assessed. To-date I have had no prospects to buy. Now, if my property is correctly assessed as expressed by some few, then why don't the bargain hunters, investors, and smart boys come forward with the money to buy. Could it be they are afraid to put their money where there mouth is. If it will not sell for cash at 75% on the dollar, then how could it be that it is worth 100% as some have said. I ask you Mr. & Mrs. public, does this make good common sense?

For nearly forty years I have been on my own as a business man. I have been in Highlands County 22 years, most of you know me. You know that I will buy most anything that I can make on in my line of business. I can't agree with anybody who will toot his horn and say that Ben Stewart's property is worth 100% on the dollar and yet he can't produce a buyer and he won't buy it himself for 75% on the dollar. I have never been smart enough to know what is the actual cash value of any old property. One thing I do know, you can put it on the Auction Block before a lot of people and they will soon let you know what it is worth in cash money.

I have given my property to several realtors over the past three years at a fair selling price according to their opinion, yet not a single one of them has ever sold one thin dimes worth for me. How can I be so sure now. I believe these are some basic grounds to pass your judgement on. Who is right and who is wrong. Write your views to the editor in the public interest.

Sincerely,
Ben T. Stewart

Avon Park, Florida
Dear Editor:

In answer to the letter of last week by Wells Better Homes Co. I see no need in bringing up the statement of some builders building new developments along the main thoroughfares of our City, such as Florida Avenue, Pleasant St., Anoka Avenue, and South Fairfield Avenue. These streets were paved long before the building developments were started in this City of Avon Park as was North Lake Avenue where there are some of the Wells Better Homes.

I have yet to hear the first complaint from any tax payer about developers utilizing the available vacant lands along these paved streets for homes, such as North Lake Avenue and the others mentioned in last weeks letter.

I, for one, dislike the partial truth as much as anyone in the City of Avon Park, but there are many streets here in our City that need to be paved or patched which have by far more homes and tax paying residents than Kendall Blvd.

In talking to other builders here in the City, I have yet to find one who has had the City give them any free paving for their homes, so at a time when our City is in such need of money to operate on is it right for one builder to have a 600 foot side street paved at the City's expense? Why not do as other property owners have done and go together and each pay their full share of the expense of paving any streets they want done at this time.

If this were a Non-Profit Organization and the City had excess funds, I feel sure that everyone would be in favor of helping out. But there is a statement of the Builder that his Company has spent $11,000.00 fou city sewers and paid for the construction or full cost of three streets. Why stop paying now??, and ask the City to pay for streets in future developments?

The business men and all of the tax payers appreciate what the developers have done in the past and will welcome any new developments in the City of Avon Park. But we want to see that they are all treated fair and alike in any and all assistance from the City Hall.

A tax payer,
Wayne W. Albright

Chevy Corvair Is Unveiled In Avon Park

Chevrolet's imaginative Convair, a car that has caused more excitement in automotive ranks than any development in the last 25 years, will be unveiled this week, at the I. H. Ford Motor Company in Avon Park.

The compact, six-passenger sedan, which offers a host of features new in American-made automobiles, will go on public display at Chevrolet dealers on October 2.

In addition to the Corvair, the dealers will offer a new conventional size 1960 passenger line, details to be released later.

Chevrolet Shows Full Line Of Its 1960 Cars

The Chevrolet Motor Division, which earlier released details of its highly original Corvair, announced the rest of its 1960 passenger car line today.

A distinctive new appearance, added comfort and increased economy of the most popular V8 engine are among outstanding features.

Nineteen models (including the Corvair and the spirited Corvette sports car) will be included in the first public showing by Chevrolet dealers on October 2.

All passenger car series have been completely re-styled. There is a fresh new appearance to the exteriors. The interiors are roomier and offer new elegance of upholstery and sidewall treatment.

The most notable design changes occur in frontal and rear areas. An oval-shaped grille spans the hood and encloses widely spaced twin head-lamps at the outer edges. The wing overhang at the rear has been revamped to widen the trunk opening and lower the loading sill. An ensemble of circular tail-lamps replaces the former tear-drop configuration.

Side-trim mouldings establish distinctive appearance for the Impala, Bel Air and Biscayne series.

The front compartment transmission tunnel has been significantly reduced in width and height to benefit roominess. The frame has been reinforced and new rubber-insulated body mounts give a quieter ride.

Garden Club News

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

Winter Guest Club News

If you listen to the chatter from the benches on the shuffleboard courts every morning, from the gallery of spectators sitting there to jeer, should say cheer, on the few players; if you hark closely you will probably hear a lot about the need of another ambulatory or covered walk for the benefit of all who like to play, dear, on a warm summer day here. Then too you will hear someone suggest that what the club needs most is another court to add to the 18 already here. However, if either is made this season our vote is for the covered walk since it costs a lot less than another court.

If we get a touch of road sickness now and then, which is somewhat akin to mal de mer or sea sickness, it will come from the lurching and shaking and bumping every time we drive into the anchorage beneath the spreading tree alongside the P.O. There are enough pot-holes in that driveway, enough ridges and little valleys running across it, to jolt a car almost to pieces unless driven very carefully, and half turn a man's tummy upside down. A road scraper could work wonders there if a road scraper only would. And earn our thanks also.

Someone found a Bible on one of the benches the other morning, inadvertently left there by somebody. We always did think the Guest Club was made up of goodly people, and now here's proof of godly people here too. Or was the Good Book left there by some outsider?

We encountered Duke Christensen the other morning just outside a beautician's shoppe, where he had been, so he remarked, to get his hair thinned out. Quite an idea. Certain other of the club's gentry might do likewise, perhaps do. Like old man Krushchev, for example. He said he'd had a good season up at Duke's Resort but was glad be back. We all say ditto who go away for the summer and then come back. The Krenericks are saying it, having just returned looking fine and dandy, all ready for the dance.

Old Jupiter Pluvius didn't barge in to put his kibosh on the two tournaments this past week. So they functioned as usual. And familiar names appear among the winners. On Wednesday evening Arms and Christensen led the field, Mrs. Warner and Mr. Kull coming along next to win the consolation. Between then and Saturday Duke Christensen, always looking for a job, waxed five courts, and oh how the blocks slid then! They slid so well that Mrs. Cornue and Mr. Walker slid into first place Saturday evening, Mrs. Pickell and Bill Johnson into the second or consolation. Bill says they slide too easy. Like Hotspur he says: "Fie on this easy life, I want to work some when I play". And that is so says

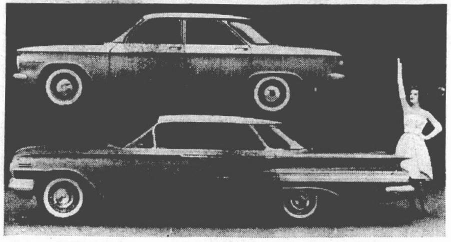
COMPACT CORVAIR and CHEVROLET



A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 180 inches, however, the Corvair is more than two and one-half feet shorter, while its 108-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears. Elegance and chassis refinements characterize the larger Chevrolets in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. The Corvair and conventional model will be in dealer showrooms Oct. 2.

County Bar Association Wives Enjoy Luncheon With Mrs. Lee Honoring Mrs. Clifton M. Kelly

Mrs. Harry Lee entertained in her home Thursday, September 17, at an informal buffet luncheon honoring Mrs. Clifton M. Kelly.

Guests included the wives of attorneys who are members of the Highlands County Bar Association and wives of the circuit judges who serve this area.

Luncheon was served from the dining table which was overlaid with a biege lace cloth and held a centerpiece of red gloriosa intertwined with greenery and red hibiscus. Guests were seated at tables in several rooms adjoining the serving area.

Graciously assisting the hostess in serving were Mrs. Frank Bryant, Mrs. Ralph Clements, and Mrs. Howard Livingston. Mrs. Livingston's graceful arrangements of autum flowers and fruit graced the entire house.

An exquisite orchid corsage was presented to Mrs. Kelly for the occasion by Mr. and Mrs. M. R. McDonald and by Mrs. Ethel Tucker. The guests each signed a 'name and address' book which was given to the honoree for future reference. Mrs. Kelly was also presented an attractive initialed memo pad by the hostess.

A get acquainted game was played with prizes being awarded to store knowing the most first names of the ladies present, Mrs. MacBeth, Mrs. Collyer, and Mrs. Hyatt won first prize with a perfect score.

Guests attended were Mrs. Bill Love of Lakeland, Mrs. Gunter Stevenson of Winter Haven, Mrs. Keith Collyer, Mrs. David Lanier, Mrs. Hue Nunnallee and Mrs. Mervin Rehrer of Avon Park, Mrs. Robert Dunty of Lake Placid, Mrs. Ernest Breed, Mrs. Frank Bryant, Mrs. Ralph Clements, Mrs. Richard Hyatt, Mrs. Howard Livingston, Mrs. William 'Lottie' Long, Mrs. Joseph MacBeth, and Mrs. M. R. McDonald of Sebring.

Elementary PTA Meeting Monday Features Film

The Avon Elementary PTA will hold its second meeting of this school term on Thursday night, Oct. 8, at 8 o'clock in the Elementary Cafetorium on West Winthrop Avenue.

The first meeting was attended by a large group of parents and teachers and all parents and teachers are urged to make an effort to keep up the good work. In the first few weeks questions may have come up that concern your children and all parents are encouraged to come to PTA and ask these questions. The purpose of the group is to help children in our community and everyone is needed to voice their opinions and ask questions if this is to be done.

During the business meeting there will be a discussion of safety measures in the area surrounding the school that will be of interest to all parents. Make a note now of some safety practices that you feel should be improved and bring it to the meeting.'

The program will feature a film "A Light Unto My Path" which concerns the McDonald Training Center for retarded children. This center is one of the outstanding one of its type in the United States and a fine example of what is being done in Florida.

A social hour will follow the meeting and light refreshments will be served by the sixth grade roommothers.

Triple Club Met Monday Night

The Triple Club met on Monday night, Sept. 28, at the home of Mrs. Gene Barker for its regular meeting.

During the business meeting an election of officers for the coming year was held. Mrs. Esther Jones was elected by the members to serve as president for the 1959-60 year. Other officers who were elected are Mrs. Bertha Barker, vice president; Mrs. Mary Fields, recording secretary; and Mrs. Bessie Decker, treasurer.

Following the business meeting a social hour was enjoyed by the large number of members present. Mrs. Barker served delicious refreshments of cake and punch to the group. Lovely cut flowers were used as decorations throughout the Barker home.

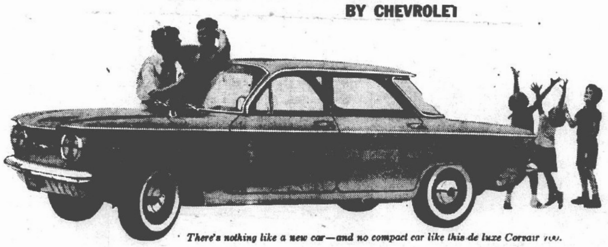
Walter E. 'Gene' Bigbie has been pledged to Delta Tau Delta Fraternity at Florida State University.

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

FRIDAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! FRIDAY!

THE REVOLUTIONARY
Corvair
BY CHEVROLET



There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

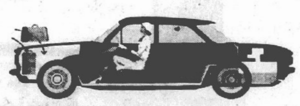
By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2¼ feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker —almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!



The engine's in the rear where it belongs in a compact car!

REVOLUTIONARY TURBO-AIR 6
Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM
Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE
Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT*
Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR
Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER
Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT
Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION
There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

Luncheon Honors Martha Elder

The Palm Room of the Jacaranda Hotel was the setting for a luncheon honoring Miss Martha Jean Elder and her wedding attendants on Friday, Sept. 18.

Hostesses of the lovely occasion were Miss Bobby Sue Elder and Mrs. Fred Beazley of Dallas. During the luncheon the hostesses presented the bride-elect with a piece of her chosen china.

The long banquet table seating the guests was covered with a white cloth and centered with an appropriate flower arrangement. Dainty flowers and fern were used down the center of the table.

Placecards marked the place for the guests who were Miss Elder, the honoree, Mrs. J. M. Gilbreath, Mrs. W. A. Williams, Mrs. S. C. Williams, Mrs. Charlie Moore, Mrs. Otto Foster, Mrs. Spencer Pickett, Mrs. John Starling, Mrs. H. C. Rutledge, Mrs. L. A. Renfro, Mrs. Eddie Tomek, Mrs. Milburn Hart, Miss Linda Hart, Miss Joy McLemore, Miss Sandra Cook, Miss Cindy Hallam, Mis Edith Wilson, Miss Claire Maxwell, Miss Clytee Coleman and Miss Eulora Kelly.

Wilson - Brett Wedding Saturday

The wedding of Miss Willoise Wilson and Lintorn Brett of Wadley, Ga., will be an event of Saturday, October 3, at 7:30 o'clock in the First Baptist Church.

The Rev. Aden Childress will perform the ceremony and Mrs. T. J. Ward of Avon Park will be the soloist with Miss Gail Wilson of Wauchula accompanying her at the organ. They will present a program of nuptial music before the ceremony.

Miss Wilson will be given in marriage by her father, Murray Wilson. Miss Edith Wilson will serve her sister as maid of honor. Bridesmaids will be Miss Helen Brett of Georgia, and Mrs. George Altman, Jr. of Lakeland. Junior bridesmaids will be Gail Brett of Georgia and Kathy Bethea of West Palm Beach will be flower girl.

L. A. Brett will serve his son as best man. Usher-groomsmen are Eddie Lee and Wayne Henderson of Wauchula, Tommy and Bill Bethea of West Palm Beach. Donald Griffin will be ring bearer.

Following the ceremony a reception will be held in the home of the bride's parents, Mr. and Mrs. Murray Wilson, at 115 East Orange Street. All friends and relatives of the young couple are invited to attend the wedding and the reception.

Mrs. H. M. Wiggins of Ft. Meade was the weekend guest of her sister, Mrs. R. I. Harris.

Norris Boney of Lake Worth spent several days last week visiting his parents, Mr. and Mrs. P. C. Boney.

Jr. Womans Club To Hear Mrs. Mason Underwood

Mrs. Mason Underwood of Lake Wales, a charm school and cosmetics expert, will present the program to the members of the Avon Park Junior Woman's Club on Tuesday night, Oct. 6, at 8o'clock in the Woman's Club Building.

Mrs. Underwood is the cosmetic expert of a Lake Wales drug store and was active in the excellent charm school in that community. She will talk to the Junior Club on posture, make-up, dress, hair, and other beauty aids.

During the business meeting the group will make final plans for the Halloween Carnival and discuss other important business matters.

Hazel O'Connor And Danny Arnold Exchange Vows Friday Afternoon

MRS. DANNY ARNOLD

Miss Hazel O'Connor became the bride of Danny Arnold in a double ring ceremony in the First Baptist Church on Friday afternoon, Sept. 11.

The Rev. A. F. Fagan of Sebring read the marriage service before banks of palms and basket of white gladioli. Mrs. Jerold Dunn presented a program of nuptial music on the organ before the ceremony.

The lovely bride, given in marriage by her brother, Wayne O'Connor, because of the sudden illness of her father, Johnnie L. O'Connor, wore a traditional wedding gown of waltz length nylon lace over taffeta. The fitted bodice, adorned with sequins and seed pearls, featured a bateau neckline with wrist length sleeves ending in points over the bride's hands and the bouffant skirt was of nylon lace. Her veil of illusion net was bordered with lace and fell from a scalloped tiara of see dpearls and sequins. The bride carried a white Bible topped with a white orchid surrounded with stephanotitis and satin streamers ending in dainty white pom poms.

Mrs. Dan Barefield, sister of the bride, was her only attendant. Her gown was of blue silk embroidered organdza over taffeta was also waltz length. The fitted bodice met a full gathered skirt and she carried a hand bouquet of pink carnations with satin streamers.

Donald Arnold served his brother as best man.

For her daughter's wedding Mrs. O'Connor chose a pink linen dress with white accessories and wore a pale orchid carnation corsage.

Mrs. Mozelle Arnold, mother of the bridegroom, wore a light blue dress with white accessories and a pink carnation corsage.

A reception in the Florida Power Customer's Lounge followed the ceremony. Baskets of white gladioli were used to decorate the room. Mrs. Ralph Cox of Eau Gallie, sister of the bride, presided at the bride's book during the reception.

The bride's table was covered with a white cloth of Irish lace and held a wedding cake on one end and a crystal punch bowl on the other. The three tiered wedding cake was encircled with fern and white pom pons and topped with a miniature bride and bridegroom.

Mrs. S. Y. Moseley poured the punch and Mrs. Dan Barefield served cake to the guests. Mrs. Bill Yarbrough of Sebring and young Miss Helen Faye Cox of Eau Gallie, niece of the bride assisted with the serving.

For a wedding trip to the east coast beaches the bride wore a brown sheath dress of silk organdza with a matching bolero. Her accessories were beige and she wore the white orchid from her wedding bouquet. The young couple are now making their home in Cocoa.

Mrs. Arnold is the daughter of Mrs. J. L. O'Connor and the late Mr. O'Connor of Avon Park and Mr. Arnold is the son of Mrs. Mozelle Arnold of Avon Park and Preston Arnold of Cocoa.

Out-of-town guests at the wedding were Mr. and Mrs. Norman Kane of Ft. Lauderdale, Mrs. Billy Yarbrough of Sebring, Mr. and Mrs. Ralph Cox, and their daughter, Helen Faye, of Eau Gallie, and Preston Arnold of Cocoa.

Farewell Party Honors Mrs. Jack Young Wednesday

Mrs. Jack Young, longtime Avon Park resident, was the guest of honor at a farewell party on Wednesday morning, Sept. 23.

A number of Mrs. Young's friends and neighbors gathered at the home of Mrs. P. G. Boney to wish her well and say goodbye. Mrs. Boney, Mrs. Ray Rutherford and Mrs. J. D. Costain were hostesses for the occasion and presented Mrs. Young with a farewell gift.

Hibiscus blooms decorated the home and a lovely refreshment table was arranged with flowers, candles, and a crystal punch bowl. The guests were served punch, cookies, lemon tarts, and other pastries during the morning.

About twenty friends enjoyed the morning with the honoree. Mr. and Mrs. Young will move soon to Frostproof where they are building a new home. Mr. Young is employed with Ben Hill Griffin Company of Frostproof. They have been residents of Avon Park for many years and their many friends will be sorry to see them leave.

Teachers Attend Conference Meet

Three members of the Avon Park school faculty attended the Classroom Teachers Leadership Conference in Clearwater at the Fort Harrison Hotel on Friday and Saturday of last week.

The theme of the Leadership Conference was "A Time to Teach" and many new methods and teaching techniques were discussed. The group was divided into small committees and each group took a phase of teaching to study. Some of the groups studied ethics, building procedures, public relations, etc., and then reported to the entire group on their findings.

Outstanding speakers in many fields were present to speak to the groups and all representatives felt that the Conference was very valuable. A banquet was held on Friday night with luncheons on Frida, and Saturday noons.

Attending from Avon Park were Mrs. DeRheta Lanier, Mrs. Elinor Fields, and Miss Millie Pearson. Mrs. Ann Engle of Sebring accompanied the Avon Park teachers.

keeps mites away LONGER...

Don't put up with mite killers that have slow initial kill or that require frequent applications. Switch to KELTHANE, the longer-lasting miticide. KELTHANE is not a phosphate—is safe to use. No extraordinary precautions are necessary when used as directed.

KELTHANE quickly kills most of the troublesome mite species, including "resistant" strains. KELTHANE is excellent for an immediate mite clean-up. Its long-lasting action prevents the development of mite populations by migrants or newly hatched colonies. Long-lasting residual activity also means fewer applications per season ... more dollars saved. KELTHANE will help you harvest more perfect-finish fruit. It is compatible with most citrus pesticides and harmless to beneficial insects. See your dealer today for KELTHANE.

Martha Jean Elder And Wendell Williams Married Saturday Night

MRS. WENDELL WILLIAMS

Miss Martha Jean Elder and Wendall Williams were united in marriage in an impressive candlelight service on Saturday night, Sept. 19, in the Florida Avenue Baptist Church at seven o'clock.

The double ring ceremony was performed by the Rev. J. M. Gilbreath in the beautifully decorated church. Standing baskets of white gladioli, banks of palms and the soft candlelight from many candelabra added to the loveliness of the scene.

A program of wedding music was presented before the service by Mrs. Dolan Hill at the piano and Mrs. Kenny Wayne Elder, soloist. Mrs. Elder sang "O Promise Me", "I Love You Truly" and the "Wedding Prayer' at the close of the marriage service.

The bride, given in marriage by her father, Ellis Elder, wore a tradition floor length wedding gown of imported lace and crystalette. The fitted bodice of lace featured a scalloped neckline and the lace sleeves ended in dainty points over the brides wrists. The very bouffant skirt of crystalette was adorned with panels of lace on each side. Her fingertip veil of illusion fell from a tiara of sequins and seed pearls and she carried a shower bouquet of white sweetheart roses centered with a white orchid. The bride's only adornment was a strand of pearls.

Miss Bobby Sue Elder, sister of the bride, was maid of honor. Her waltz length gown was of pink taffeta with a cumberbund of two shades of pink with flowing sash. She wore a dainty cap with a pink net veil and carried a bouquet of pink carnations.

The bridesmaids were Miss Carolyn Gaster, cousin of the bride of Sarasota, and Miss Joy McLemore. Miss McLemore wore a waltz length blue net gown of taffeta with a cumberbund effect similar to Miss Elder's gown. Miss Gaster wore an indentical gown of yellow net over taffeta. The bridesmaids carried matching bouquets of carnations and their headpieces were small matching caps with net veils.

Little Miss Sylvia Tomek was flowergirl and dropped rose petals before the lovely bride. Her dress was of pink taffeta and indentical to the dresses of the bridesmaids.

W. A. Williams served his son as best man. Usher-groomsmen were Quinton Varnes and Jimmie Williams. Young Master Tim Williams, brother of the bridegroom, was ringbrearer.

Mrs. Fred Beazley, aunt of the bride of Dallas, Texas, chose for the wedding a dress of slate blue organdza over taffeta with matching accessories. Her corsage was of pink sweetheart roses.

Mrs. Williams, mother of the bridegroom, wore a powder blue lace dress with blue accessories for her son's wedding. Her corsage was also pink sweetheart roses.

A reception in the Social Hall of the church was held following the ceremony. Mrs. John Starling presided over the bride's book at the reception.

The bride's table was covered with a white linen cloth and centered with a three tiered wedding cake topped with a miniature wedding couple. Fern and dainty white rosebuds surrounded the cake and crystal candelabra were place at each end of the table. The bride's bouquet and dainty nuts and mints completed the decorations on the lovely table.

The punch table was also covered with a white cloth and held a crystal punch bowl encircled with rosebuds and fern.

Mrs. Jack Elder, Mrs. George Altman, sister of the bridegroom of Sarasota, and Mrs. Eddie Tomek cut and served the cake to the guests. Serving the punch were Miss Linda Hart and Miss Wanda Elder.

Mrs. L. S. Pickett introduced the guests to the receiving line and Mrs. J. M. Gilbreath was wedding director. Mrs. H. H. Rutledge planned the reception.

For a wedding trip to Daytona Beach Mrs. Williams chose a beige silk sheath dress with white accessories and the white orchid from her wedding bouquet. The young couple will be at home in Winter Park after October 5 where the bridegroom will attend Rollins College. The bride is the daughter of Ellis Elder of Avon Park and Mr. Williams is the son of Mr. and Mrs. W. A. Williams, also of Avon Park.

Special guests at the wedding were Mrs. George DeLoach of Perry, Fla., a great-grandmather of the bridegroom; Mrs. Fred Fred Beazley of Dallas, Texas, aunt of the bride; and Mrs. Mattie Roberts and Mrs. Effie Van Gorder of Avon Park, both grandmother's of the bridegroom.

Out-of-town guests were Mr. and Mrs. Lewis Jerrell of Sarasota, Bob Stuart and Larry Green of Rollins College; Mrs. S. C. Dobson of Winter Garden, Mr. George Anderson of Madison; Mr. and Mrs. Jim Franklin of Ft. Lauderdale; Mr. and Mrs. George Altman, Jr. of Sarasota; Mr. and Mrs. Clifford Hall of Tampa; Mr. and Mrs. L. M. Collins of Tampa; Mr. Adis Biling of Lake Butler and Mrs. James Childress of Lake Wales.

Mr. and Mrs. Sherman T. Kerr of Walnut Street have returned to their home after a ten weeks vacation in Pennslyvania, Ohio, Virginia and North Carolina. They visited friends and relatives and report that it was very hot with no rain and they are very happy to be home again.

Wedding Party Entertained At Rehearsal Party

Miss Martha Elder, Wendall Williams and the members of their wedding party were entertained with a rehearsal supper on Friday night, Sept. 18, in the Social Hall of the Florida Avenue Baptist Church.

Mr. and Mrs. W. A. Williams were hosts at the supper following the wedding rehearsal in the church. A centerpiece of pastel flowers adorned the buffet table and pastel cut flowers were used for decorations.

During the evening the bride-elect and the bridegroom-elect presented their wedding attendants with small gifts.

Enjoying the evening with the honor guests, Miss Elder and Mr. Williams, were The Rev. and Mrs. J. M. Gilbreath, Jimmie Cooper, Quinton Varnes, Miss Bobby Sue Elder, Miss Joy McLemore, Miss Carolyn Gaster, Mrs. L. S. Pickett, Mrs. Fred Beazley of Dallas, Texas, Ellis Elder, Mrs. Kenny Wayne Elder, Mrs. Dolan Hill, Mrs. Eddie Tomek and Sylvia and Tim Williams.

WHAT'S THE STORY ON THE NEW FORD FALCON?

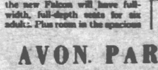
Come in and we'll tell you all we know!

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER?

To start with, in the New-Size Ford—the Falcon—you save but never "do without!" You get modern, fine-car styling, six-people room and comfort, a car that's born and bred for the American road!

LET'S TALK ABOUT STYLING FIRST!

You'll be amazed by the Falcon's beauty. No "stubbiness" of other cars in this field, but low, sleek, European flair in beautifully proportioned style ... "wide open" visibility all around ... interior styling that's fresh and smart. The Falcon is Ford's way of proving a true economy car needn't suffer in looks or ride.



LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER ROOM

In both 2- and 4-door models, the new Falcon will have full-width, full-depth seats for six adults. Plus room in the spacious trunk for all their luggage! And it can turn and park just as easily as most of those 4- and 5-passenger imported jobs!

LET'S TALK ABOUT HOW IT'S BUILT!

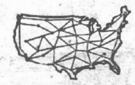
Like the fabulous Ford Thunderbird, the Falcon's built in the latest single-unit construction ... adding extra inches everywhere inside ... making the car one solid, quiet, integrated structure.

LET'S TALK FALCON PERFORMANCE

The all-new six-cylinder engine's up front for greater safety and stability ... will deliver up to 30 miles per gallon of regular gas ... has a water-cooled engine which permits use of a water-type heater that's safer, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

AND NOW ... ABOUT THE FABULOUS FALCON EXPERIENCE RUN, U.S.A.

Topping off 3 years and 3 million miles of research and development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average ... and to prove it takes to the roads you drive, right around your home, like a duck takes to water!



YOU MEASURE THE FALCON'S SAVINGS IN MANY MORE WAYS THAN GAS AND OIL SAVINGS ALONE

Take the price. Though we can't give you the figure just yet, you can be sure the Falcon's price will help prove it's the savingest car, right from the start! Actually, we've just started to scratch the surface of the Falcon news, here. Come in. Bring all your questions, but make it soon. We have many orders in already.

Birthday Dinner For P. C. Boney Enjoyed Friday

A birthday dinner on Friday, Sept. 16, honored Mr. P. C. Boney on his birthday. The buffet supper was at the Boney home and a large beautifully decorated cake was presented to the honor guest.

The buffet table was decorated with flowers and festive arrangements and the guests sat at individual tables in the Florida Room. Delicious birthday cake and ice cream ended the meal.

Singing "Happy Birthday" to Mr. Boney were Mr. and Mrs. Harry Childress of Sebring, Mr. and Mrs. Floyd Smith, Mr. and Mrs. Albert Cane, Mr. and Mrs. Bobby Harden, Mr. and Mrs. Ray Rutherford and Mrs. Boney.

Go To Church On Sundays

Luncheon Honors Martha Elder

The Palm Room of the Jacaranda Hotel was the setting for a luncheon honoring Miss Martha Jean Elder and her wedding attendants on Friday, Sept. 18.

Hostesses of the lovely occasion were Miss Bobby Sue Elder and Mrs. Fred Beazley of Dallas. During the luncheon the hostesses presented the bride-elect with a piece of her chosen china.

The long banquet table seating the guests was covered with a white cloth and centered with an appropriate flower arrangement. Dainty flowers and fern were used down the center of the table.

Placecards marked the place for the guests who were Miss Elder, the honoree, Mrs. J. M. Gilbreath, Mrs. W. A. Williams, Mrs. S. C. Williams, Mrs. Charlie Moore, Mrs. Otto Foster, Mrs. Spencer Pickett, Mrs. John Starling, Mrs. H. C. Rutledge, Mrs. L. A. Renfro, Mrs. Eddie Tomek, Mrs. Milburn Hart, Miss Linda Hart, Miss Joy McLemore, Miss Sandra Cook, Miss Cindy Hallam, Mis Edith Wilson, Miss Claire Maxwell, Miss Clytee Coleman and Miss Eulora Kelly.

Wilson - Brett Wedding Saturday

The wedding of Miss Willoise Wilson and Lintorn Brett of Wadley, Ga., will be an event of Saturday, October 3, at 7:30 o'clock in the First Baptist Church.

The Rev. Aden Childress will perform the ceremony and Mrs. T. J. Ward of Avon Park will be the soloist with Miss Gail Wilson of Wauchula accompanying her at the organ. They will present a program of nuptial music before the ceremony.

Miss Wilson will be given in marriage by her father, Murray Wilson. Miss Edith Wilson will serve her sister as maid of honor. Bridesmaids will be Miss Helen Brett of Georgia, and Mrs. George Altman, Jr. of Lakeland. Junior bridesmaids will be Gail Brett of Georgia and Kathy Bethea of West Palm Beach will be flower girl.

L. A. Brett will serve his son as best man. Usher-groomsmen are Eddie Lee and Wayne Henderson of Wauchula, Tommy and Bill Bethea of West Palm Beach. Donald Griffin will be ring bearer.

Following the ceremony a reception will be held in the home of the bride's parents, Mr. and Mrs. Murray Wilson, at 115 East Orange Street. All friends and relatives of the young couple are invited to attend the wedding and the reception.

Mrs. H. M. Wiggins of Ft. Meade was the weekend guest of her sister, Mrs. R. I. Harris.

Norris Boney of Lake Worth spent several days last week visiting his parents, Mr. and Mrs. P. C. Boney.

Jr. Womans Club To Hear Mrs. Mason Underwood

Mrs. Mason Underwood of Lake Wales, a charm school and cosmetics expert, will present the program to the members of the Avon Park Junior Woman's Club on Tuesday night, Oct. 6, at 8o'clock in the Woman's Club Building.

Mrs. Underwood is the cosmetic expert of a Lake Wales drug store and was active in the excellent charm school in that community. She will talk to the Junior Club on posture, make-up, dress, hair, and other beauty aids.

During the business meeting the group will make final plans for the Halloween Carnival and discuss other important business matters.

Hazel O'Connor And Danny Arnold Exchange Vows Friday Afternoon

MRS. DANNY ARNOLD

Miss Hazel O'Connor became the bride of Danny Arnold in a double ring ceremony in the First Baptist Church on Friday afternoon, Sept. 11.

The Rev. A. F. Fagan of Sebring read the marriage service before banks of palms and basket of white gladioli. Mrs. Jerold Dunn presented a program of nuptial music on the organ before the ceremony.

The lovely bride, given in marriage by her brother, Wayne O'Connor, because of the sudden illness of her father, Johnnie L. O'Connor, wore a traditional wedding gown of waltz length nylon lace over taffeta. The fitted bodice, adorned with sequins and seed pearls, featured a bateau neckline with wrist length sleeves ending in points over the bride's hands and the bouffant skirt was of nylon lace. Her veil of illusion net was bordered with lace and fell from a scalloped tiara of see dpearls and sequins. The bride carried a white Bible topped with a white orchid surrounded with stephanotitis and satin streamers ending in dainty white pom poms.

Mrs. Dan Barefield, sister of the bride, was her only attendant. Her gown was of blue silk embroidered organdza over taffeta was also waltz length. The fitted bodice met a full gathered skirt and she carried a hand bouquet of pink carnations with satin streamers.

Donald Arnold served his brother as best man.

For her daughter's wedding Mrs. O'Connor chose a pink linen dress with white accessories and wore a pale orchid carnation corsage.

Mrs. Mozelle Arnold, mother of the bridegroom, wore a light blue dress with white accessories and a pink carnation corsage.

A reception in the Florida Power Customer's Lounge followed the ceremony. Baskets of white gladioli were used to decorate the room. Mrs. Ralph Cox of Eau Gallie, sister of the bride, presided at the bride's book during the reception.

The bride's table was covered with a white cloth of Irish lace and held a wedding cake on one end and a crystal punch bowl on the other. The three tiered wedding cake was encircled with fern and white pom pons and topped with a miniature bride and bridegroom.

Mrs. S. Y. Moseley poured the punch and Mrs. Dan Barefield served cake to the guests. Mrs. Bill Yarbrough of Sebring and young Miss Helen Faye Cox of Eau Gallie, niece of the bride assisted with the serving.

For a wedding trip to the east coast beaches the bride wore a brown sheath dress of silk organdza with a matching bolero. Her accessories were beige and she wore the white orchid from her wedding bouquet. The young couple are now making their home in Cocoa.

Mrs. Arnold is the daughter of Mrs. J. L. O'Connor and the late Mr. O'Connor of Avon Park and Mr. Arnold is the son of Mrs. Mozelle Arnold of Avon Park and Preston Arnold of Cocoa.

Out-of-town guests at the wedding were Mr. and Mrs. Norman Kane of Ft. Lauderdale, Mrs. Billy Yarbrough of Sebring, Mr. and Mrs. Ralph Cox ,and their daughter, Helen Faye, of Eau Gallie, and Preston Arnold of Cocoa.

Farewell Party Honors Mrs. Jack Young Wednesday

Mrs. Jack Young, longtime Avon Park resident, was the guest of honor at a farewell party on Wednesday morning, Sept. 23.

A number of Mrs. Young's friends and neighbors gathered at the home of Mrs. P. G. Boney to wish her well and say goodbye. Mrs. Boney, Mrs. Ray Rutherford and Mrs. J. D. Costain were hostesses for the occasion and presented Mrs. Young with a farewell gift.

Hibiscus blooms decorated the home and a lovely refreshment table was arranged with flowers, candles, and a crystal punch bowl. The guests were served punch, cookies, lemon tarts, and other pastries during the morning.

About twenty friends enjoyed the morning with the honoree. Mr. and Mrs. Young will move soon to Frostproof where they are building a new home. Mr. Young is employed with Ben Hill Griffin Company of Frostproof. They have been residents of Avon Park for many years and their many friends will be sorry to see them leave.

Teachers Attend Conference Meet

Three members of the Avon Park school faculty attended the Classroom Teachers Leadership Conference in Clearwater at the Fort Harrison Hotel on Friday and Saturday of last week.

The theme of the Leadership Conference was "A Time to Teach" and many new methods and teaching techniques were discussed. The group was divided into small committees and each group took a phase of teaching to study. Some of the groups studied ethics, building procedures, public relations, etc., and then reported to the entire group on their findings.

Outstanding speakers in many fields were present to speak to the groups and all representatives felt that the Conference was very valuable. A banquet was held on Friday night with luncheons on Friday and Saturday noons.

Attending from Avon Park were Mrs. DeRheta Lanier, Mrs. Elinor Fields, and Miss Millie Pearson. Mrs. Ann Engle of Sebring accompanied the Avon Park teachers.

Martha Jean Elder And Wendell Williams Married Saturday Night

MRS. WENDELL WILLIAMS

Miss Martha Jean Elder and Wendall Williams were united in marriage in an impressive candlelight service on Saturday night, Sept. 19, in the Florida Avenue Baptist Church at seven o'clock.

The double ring ceremony was performed by the Rev. J. M. Gilbreath in the beautifully decorated church. Standing baskets of white gladioli, banks of palms and the soft candlelight from many candelabra added to the loveliness of the scene.

A program of wedding music was presented before the service by Mrs. Dolan Hill at the piano and Mrs. Kenny Wayne Elder, soloist. Mrs. Elder sang "O Promise Me", "I Love You Truly" and the "Wedding Prayer' at the close of the marriage service.

The bride, given in marriage by her father, Ellis Elder, wore a tradition floor length wedding gown of imported lace and crystalette. The fitted bodice of lace featured a scalloped neckline and the lace sleeves ended in dainty points over the brides wrists. The very bouffant skirt of crystalette was adorned with panels of lace on each side. Her fingertip veil of illusion fell from a tiara of sequins and seed pearls and she carried a shower bouquet of white sweetheart roses centered with a white orchid. The bride's only adornment was a strand of pearls.

Miss Bobby Sue Elder, sister of the bride, was maid of honor. Her waltz length gown was of pink taffeta with a cumberbund of two shades of pink with flowing sash. She wore a dainty cap with a pink net veil and carried a bouquet of pink carnations.

The bridesmaids were Miss Carolyn Gaster, cousin of the bride of Sarasota, and Miss Joy McLemore. Miss McLemore wore a waltz length blue net gown of taffeta with a cumberbund effect similar to Miss Elder's gown. Miss Gaster wore an indentical gown of yellow net over taffeta. The bridesmaids carried matching bouquets of carnations and their headpieces were small matching caps with net veils.

Little Miss Sylvia Tomek was flowergirl and dropped rose petals before the lovely bride. Her dress was of pink taffeta and indentical to the dresses of the bridesmaids.

W. A. Williams served his son as best man. Usher-groomsmen were Quinton Varnes and Jimmie Williams. Young Master Tim Williams, brother of the bridegroom, was ringbrearer.

Mrs. Fred Beazley, aunt of the bride of Dallas, Texas, chose for the wedding a dress of slate blue organdza over taffeta with matching accessories. Her corsage was of pink sweetheart roses.

Mrs. Williams, mother of the bridegroom, wore a powder blue lace dress with blue accessories for her son's wedding. Her corsage was also pink sweetheart roses.

A reception in the Social Hall of the church was held following the ceremony. Mrs. John Starling presided over the bride's book at the reception.

The bride's table was covered with a white linen cloth and centered with a three tiered wedding cake topped with a miniature wedding couple. Fern and dainty white rosebuds surrounded the cake and crystal candelabra were place at each end of the table. The bride's bouquet and dainty nuts and mints completed the decorations on the lovely table.

The punch table was also covered with a white cloth and held a crystal punch bowl encircled with rosebuds and fern.

Mrs. Jack Elder, Mrs. George Altman, sister of the bridegroom of Sarasota, and Mrs. Eddie Tomek cut and served the cake to the guests. Serving the punch were Miss Linda Hart and Miss Wanda Elder.

Mrs. L. S. Pickett introduced the guests to the receiving line and Mrs. J. M. Gilbreath was wedding director. Mrs. H. H. Rutledge planned the reception.

For a wedding trip to Daytona Beach Mrs. Williams chose a beige silk sheath dress with white accessories and the white orchid from her wedding bouquet. The young couple will be at home in Winter Park after October 5 where the bridegroom will attend Rollins College. The bride is the daughter of Ellis Elder of Avon Park and Mr. Williams is the son of Mr. and Mrs. W. A. Williams, also of Avon Park.

Special guests at the wedding were Mrs. George DeLoach of Perry, Fla., a great-grandmather of the bridegroom; Mrs. Fred Fred Beazley of Dallas, Texas, aunt of the bride; and Mrs. Mattie Roberts and Mrs. Effie Van Gorder of Avon Park, both grandmother's of the bridegroom.

Out-of-town guests were Mr. and Mrs. Lewis Jerrell of Sarasota, Bob Stuart and Larry Green of Rollins College; Mrs. S. C. Dobson of Winter Garden, Mr. George Anderson of Madison; Mr. and Mrs. Jim Franklin of Ft. Lauderdale; Mr. and Mrs. George Altman, Jr. of Sarasota; Mr. and Mrs. Clifford Hall of Tampa; Mr. and Mrs. L. M. Collins of Tampa; Mr. Adis Biling of Lake Butler and Mrs. James Childress of Lake Wales.

Mr. and Mrs. Sherman T. Kerr of Walnut Street have returned to their home after a ten weeks vacation in Pennslyvania, Ohio, Virginia and North Carolina. They visited friends and relatives and report that it was very hot with no rain and they are very happy to be home again.

Wedding Party Entertained At Rehearsal Party

Miss Martha Elder, Wendall Williams and the members of their wedding party were entertained with a rehearsal supper on Friday night, Sept. 18, in the Social Hall of the Florida Avenue Baptist Church.

Mr. and Mrs. W. A. Williams were hosts at the supper following the wedding rehearsal in the church. A centerpiece of pastel flowers adorned the buffet table and pastel cut flowers were used for decorations.

During the evening the bride-elect and the bridegroom-elect presented their wedding attendants with small gifts.

Enjoying the evening with the honor guests, Miss Elder and Mr. Williams, were The Rev. and Mrs. J. M. Gilbreath, Jimmie Cooper, Quinton Varnes, Miss Bobby Sue Elder, Miss Joy McLemore, Miss Carolyn Gaster, Mrs. L. S. Pickett, Mrs. Fred Beazley of Dallas, Texas, Ellis Elder, Mrs. Kenny Wayne Elder, Mrs. Dolan Hill, Mrs. Eddie Tomek and Sylvia and Tim Williams.

keeps mites away LONGER...

Don't put up with mite killers that have slow initial kill or that require frequent applications. Switch to KELTHANE, the longer-lasting miticide. KELTHANE is not a phosphate—is safe to use. No extraordinary precautions are necessary when used as directed.

KELTHANE quickly kills most of the troublesome mite species, including "resistant" strains. KELTHANE is excellent for an immediate mite clean-up. Its long-lasting action prevents the development of mite populations by migrants or newly hatched colonies. Long-lasting residual activity also means fewer applications per season . . . more dollars saved. KELTHANE will help you harvest more perfect-finish fruit. It is compatible with most citrus pesticides and harmless to beneficial insects. See your dealer today for KELTHANE.

KELTHANE is a trademark, Reg. U.S. Pat. Off. and in principal foreign countries.

WHAT'S THE STORY ON THE NEW FORD FALCON?

Come in and we'll tell you all we know!

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER?

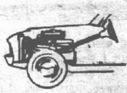
To start with, in the New-Size Ford—the Falcon—you *save* but never "do without!" You get modern, fine-car styling, six-people room and comfort, a car that's born and bred for the *American* road!

LET'S TALK ABOUT STYLING FIRST!

You'll be amazed by the Falcon's beauty. No "stubbiness" of other cars in this field, but low, sleek, European flair in beautifully proportioned style . . . "wide open" visibility all around . . . interior styling that's fresh and smart. The Falcon is Ford's way of proving a low economy car needn't suffer in looks or ride.

LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER ROOM

In both 2- and 4-door models, the new Falcon will have full-width, full-depth seats for six adults. Plus room in the spacious trunk for all their luggage! And it can turn and park just as easily as most of those 4- and 5-passenger imported jobs!



LET'S TALK ABOUT HOW IT'S BUILT!

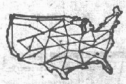
Like the fabulous Ford Thunderbird, the Falcon's built in the latest single-unit construction . . . adding extra inches everywhere inside . . . making the car one solid, quiet, integrated structure.

LET'S TALK FALCON PERFORMANCE

The all-new six-cylinder engine's up front for greater safety and stability . . . will deliver up to 30 miles per gallon of regular gas . . . has a water-cooled engine which permits use of a water-type heater that's safer, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

AND NOW . . . ABOUT THE FABULOUS FALCON EXPERIENCE RUN, U.S.A.!

Topping off 3 years and 3 million miles of research and development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average . . . and to *prove* it takes to the roads you



drive, right around your home, like a duck takes to water!

YOU MEASURE THE FALCON'S SAVINGS IN MANY MORE WAYS THAN GAS AND OIL SAVINGS ALONE!

Take the price. Though we can't give you the figure just yet, you can be sure the Falcon's price will help *prove* it's the savingest car, *right from the start!* Actually, we've just started to scratch the surface of the Falcon news, here. Come in. Bring all your questions, but make it soon. We have many orders in already.

Pathfinder Day Marked Saturday By Seventh-Day Adventist Church

It was Pathfinder Day at the Walker Memorial Seventh-day Adventist church last Saturday. The program was under the direction of Mrs. Helen Richardson, leader of the youth organization devoted to proper character building. In her remarks Mrs. Richardson gave a resume of last year's activities and told something of the proposed projects for the coming year. A camp-out on the Gulf with shell hunting was one outdoor activity planned.

Mrs. Irva Baessler, teacher in the Highland Lakes Junior Academy, stressed the need of a better bridge between adults and young people, and Mr. Robert Harris reviewed the great value of the type of training the Pathfinder organization gave to pre-adolesents. Several members of the organization took part in the program as a demonstration of what is being accomplished.

Preceeding the program emphasizing the work of the church for its young people, the Walker Memorial Church Sabbath School, under the direction of Mrs. Iva Tompkins, presented the end-of-the-quarter projects for the world organization. The special offering contributed by the local Sabbath School last week will be pooled with funds from Adventist churches in the United States and Canada to provide educational facilities for nationals in Indonesia and Japan. Expansion of the school plant near Bandung, Java serving achurch membership of some 17,000 and a new high school plant on the outskirts of Tokyo, Japan are among the projects. Adventist membership in the world division to which the special offering is being sent numbers over 100,000 and extends from Japan and Korea to Indonesia and New Guinea.

On September 12, the local congregation contributed to a special Missions Extension Fund which will help in a mission expansion program affecting 15 countries during the next 12 months. This will include ten school projects ranging from expanding present facilities at colleges and schools to constructing new plants in Europe, Africa, and the Far East, a medical launch on the East Nigerian River system and equipment for a hospital at Cuale, Angola. Three publishing houses operated by Adventists in India and East and West Africa will receive part of these funds.

Council—

Kenzie and at their taking the oath of loyalty. Later Mayor E. A. DeLaney, Sr., was sworn in to succeed himself in the office of mayor.

Both Blanford and McKenzie were elected in the Sept. election, unseating Robert E. Lee and Paul McFarland, both of whom had served two terms on the council, Mr. Lee as President of the council, and Mr. McFarland as Vice-president.

On motion by councilman Clarence King and second by new councilman Sam McKenzie councilman Mannin Kirkland was nominated for the office of President of the council, no other nominations were offered and Mr. Kirkland was unanimously elected.

Mr. King nominated Roland Dilley for the position of vice-president and the second again came from Mr. McKenzie.

Following this action, and following lengthy general discussion by the council, city attorney Hue Nunnallee and members of the large gallery present for the meeting, a motion was made by Clarence King and seconded by Roland Dilley that all present employees of the city be rehired subject to confirmation at the first regular meeting. The vote saw all affirmative except councilman Blanford, who voted against the motion, but after further discussion and explanation that this was to come up for confirmation at the first regular meeting of the council which will be the second Monday in October, he changed his vote to yes. Councilman King moved that the present regular meeting days of first and fourth Mondays being continued for the council, this was seconded by Councilman Dilley and passed unanimously.

Just before adjournment council president Kirkland made committee appointments for the year:

Water and airport committee - Mannin Kirkland, chairman, Roland Dilley and Sam McKenzie; Parks and fire department - Roland Dilley, chairman, Mannin Kirkland and Clarence King.

Public housing - E. O. Blanford, chairman, Mr. King and Mr. Dilley; Street Department - Clarence King, chairman, Mr. McKenzie and Mr. Dilley; Sanitation - Sam McKenzie, chairman, Mr. Blanford and Mr. Dilley; Tax Commission - E. O. Blanford, chairman, Mr. King and Mr. Dilley; Finance - Mannin Kirkland, chairman, Mr. King and Mr. McKenzie.

Golf Association Dinner Sunday

The Avon Lakes Golf Association will enjoy a covered dish dinner Sunday at 6:30 at the home of Mr. and Mrs. Johnny Wright.

All members and their families are urged to be present and bring their own service.

Committee on arrangements is composed of Mr. and Mrs. Johnny Wright, Mr. and Mrs. Don Williamson, and Mr. and Mrs. Lawrence Ford.

Student Council Opens Activity For New Year

The Student Council for the Avon Park High School and Junior High School has been organized for the 1959-60 school year and met for its third meeting on Monday afternoon, Sept. 28.

The Council represents the students through representatives from each homeroom and the presidents of the tenth, eleventh and twelth grade classes. The officers of the group are elected each spring for the coming year in life-like elections with all the student body voting on county voting machines.

Miss Millie Pearson is the sponsor for the Student Council and the purpose of the group is to promote self-governing polices among the students and good relations between students and faculty. Plans for several large projects and many activities have been made thus far this year.

Serving as president this year is Clytee Coleman and other officers are Bryan Williams, vice-president; Betty Sue Mills, secretary; and Carolyn Arnold, treasurer.

Other representatives are Claire Maxwell, senior class president; and seniors Margie Reynolds and Seth McCormick; Junior Class president Donna Sue Pounds, and juniors Margaret Hagen and Arthur Cody; Sophomore president, Frankie Smith and sophomores Valerie Lyle and Joyce Antley, freshmen representatives are Ann King, Carla Phillips, Donna Wiggins, and Andy Miracle; from the eight grade are Devorah Reddick, Carol Childress, Gretta Gibbs and John Thompson; and seventh graders are Beverly Giddens, Sandra Biggs, Jane Rubis, and Billy Miracle.

munity who are interested in the Red Devil Band. The Rev. Herbert Graetz, past president of the group, and Joe Perez, Chairman of the Board of Directors, were both present and spoke briefly to the group.

Bandmaster Mickunas was introduced to the members by J. T. Landress and he spoke briefly on some of the plans and problems of the band. Mr. Mickunas stated that there were now forty students in the band and seven majorettes.

During the evening a discussion was held concerning the present condition of the band uniforms which are now ten years old. The necessity of replacing these rapidly falling apart uniforms as soon as possible was a conclusion drawn from the discussion.

The Band Boosters Association will meet once a month and the members will be sent a card advising them of the date which will also be advertised in the paper. All those interested are urged to attend the next meeting.

spectators at the games. Next year the League plans to start as soon as school is out in June and plans are already underway for three new teams from Avon Park to join the league. The six teams taking part this year were the Kirkland Team, the First Baptist, the Leon's, Acuff's and Ward's team, the Sebring team, Lacey Builders of Frostproof and the Frostproof team.

The Kirkland team won all of its games but one and was four games ahead of the nearest contender. Members of the team are Charles Anderson, Dan Barefield, Jack Elder, Sam Elder, Melvin Green, Ralph Hill, Johnny Starling, Harold Jackson, Dale Landress, Wallace Kirkland, Billy Murphy, H. J. Murphy, Harry Simmons and Leroy Starling. Mack Flowers was manager of the team and it was sponsored by Kirkland's Market of Avon Park.

of the tests given the students in our high school and of the guidance facilities available to all Avon Park parents and teachers. The meeting will be an open group discussion and will attempt to answer all questions that the participants have about the local school program.

The meeting is sponsored by the High School PTA for the purpose of promoting a better understanding among parents of the value of this program to their children and to acquaint them with the many facilities this department has to help them solve their problems.

All parents with children in the seventh through the twelth grades are urged to come and ask questions. Any other parents or interested persons in the community are also cordially invited. These small groups will attempt to explain many phases of the guidance program which cannot be brought up during regular PTA meetings because of time limitations.

Mrs. Hill will meet with the parents in the Guidance Room on the second floor of the high school.

Night Classes For Adults Open

The Adult Night School classes opened last week and there is room for more students reported Ellis Watson, the teacher, this week.

Seventeen adults registered last week for the bookkeeping, typing and shorthand classes. Beginning and advanced instruction is offered in each of these courses and credit for high school graduation may be acquired if requirements are met.

These courses are open to all adults in Avon Park and the surrounding area and there is no fee for the instruction. Each student must purchase his own text books and supplies, however. The Adult School is sponsored by the Highlands County Public Schools and many in our community have taken the opportunity to further their education here.

New Dodge For '60 Emphasizes Its Roominess

Dodge today introduced two all-new lines of roomy, comfortable cars with outstanding roadability and ease of handling--the Matador and the Polara.

"These low-medium priced cars will be offered in 11 sedan, hardtop, station wagon and convertible models featuring a combination of the most important engineering and styling changes that Dodge has ever made in a single model year," M. C. Patterson, Dodge general manager said.

"The new 'Unibody' construction of the 1960 Dodge Matador and Polara is the greatest step forward in automobile body building since Dodge introduced all steel bodies.

"The body and the frame are integrated into a single unified structure by this new method of construction. The 'Unibody' gives Dodge more room on the inside--including more leg room, more head room and higher seats--greater structural strength, and provides an 'island' of comfort and quiet for the driver and passengers," Patterson explained.

"Coupled with the proven Torsion-Aire Ride which has been improved for 1960, the Dodge cars achieve a new, higher level of roadability and handling ease.

"These engineering achievements permitted stylists to create a new exterior silhouette. At the same time, door openings are larger and higher so it is easier to get in and out of our new cars," he said.

Oldsmobile Will Stress Styling In 1960 Lines

The 1960 Oldsmobile is styled with a fresh, trim balanced design of clean flowing lines, according to V. H. Sutherlen, general sales manager of Oldsmobile.

Sutherlen said that Oldsmobile for '60 has retained its popularly-established series -- the luxurious "98", the spirited Super "88" and the economy Dynamic "88'. Addition of two new three-seat Fiesta station wagons to the Super "88" and Dynamic "88" lines bring the number of Oldsmobile models up to 17 for 1960.

"The smooth, uncluttered lines of our 1960 models impart a clean, pleasing effect that we feel will be more appealing to more people than anything we've ever had. From the belt line down, the styling is new from every view -- front, side and rear," Sutherlen said.

Living With Your Heart

LIVING WITH YOUR HEART

A really accomplished hypochondriac will be painfully familiar with a number of heart and circulatory ailments involving a wide range of symptoms.

Millions of persons, with no illness more serious than an overactive imagination or an overdeveloped sense of anxiety, live on the brink of emotional disaster. The fact that many of them live this way for as long as 80 years doesn't cure them of the habit.

Call the man or woman who goes through life listening for palpitations and diagnosing chest pains as thromboses what you will--the heart hypochondriac, the symptomaniac, the heartbeatnik--he is more to be pitied than blamed. For his suffering is real. His symptoms are big-screen, stereophonic and in flaming color.

Letter Writing Week Set For Oct. 4-10 In AP

The 22nd Annual Letter Writing Week will be celebrated in Avon Park during the week of October 4 to 10, it was announced today by Postmaster Douglass G. Perry.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to 'write today to those away'."

Posters, depicting a mailman in a new postal vehicle called The Mailster, will be displayed in Post Officers throughout the country. Colorful streamers, proclaiming that "letters are fun to send and exciting to receive", will be displayed on postal vehicles.

PERSONAL NEWS OF INTEREST

Friends will be happy to know that Mr. A. B. Wilhite is doing well after undergoing surgery in the Orange County Memorial Hospital in Orlando last week. His room number is 509 and Mr. Wilhite will be there for several weeks. His many friends and all the high school students miss him at the school and are looking forward to having him back in his office as soon as he is able.

Mr. and Mrs. Henry Linville of San Diego, California, are in Avon Park this week visiting their son and family, T-Sgt. and Mrs. Don Wilke and Family.

Mrs. Violet Moseley, homemaking teacher in the Avon Park High School, will attend the Annual State Homemaking Teacher's Conference in Orlando on Friday, Oct. 2 and Saturday, Oct. 3 in Orlando. This conference keeps the homemaking teachers of the state up with the latest development in their fields.

Mr. and Mrs. Clifford Hall and their son, Keith, of Tampa, were the guests of her parents, Mr. and Mrs. John Williams and attended the wedding of Miss Martha Elder and Wendall Williams.

Rev. and Mrs. L. Chester Lewis of Piedmont, Ohio have returned to their home on the Avon Park Campground. Miss Ollie Tanner a sister of Mrs. Lewis returned with them to live in her home also on the campground.

Mr. and Mrs. Jerome Shiltz were in Lakeland Wednesday afternoon.

Mrs. J. R. Seims of Green Bay, Wisconsin, is visiting her son and daughter-in-law, Mr. and Mrs. Roy E. Seims and their children at their home on Lake Lotela.

Miss Charlene Delegal and Miss Arlene Horgan of Ft. Lauderdale spent last weekend with Mrs. Jewel Delegal, Charlene's mother. The Girls are both teachers in an elementary school in Ft. Lauderdale.

Mrs. George Bowder and her daughter, Judy Cooper, and Mrs. Wade Callis of Orangeburg, S. C. have been the guests of their parents, Mr. and Mrs. Ed Gough.

Residents of Southland are happy to know that Mr. and Mrs. Kenneth Denton are the proud parents of a daughter, Darenda Maria, who was born on Monday in Walker Memorial Hospital. Darenda arrived three days before her mother's birthday and she and her parents are doing well.

Sgt. and Mrs. Frank Waddell spent last Wednesday and Thursday with her mother, Mrs. Cora Wray before going to their home in Tampa. Sgt. Waddell has just been transferred to Tampa after serving 3½ years in Puerto Rico. He and his wife have just returned from a visit with his parents in Lewistown, Montana, and her brother, Ellis Wray, and his family in Clanton, Ala.

Public Invited To Inspect Room At Hospital

Walker Memorial Sanitarium and Hospital invites the public when in the vacinity of the institution to inspect room 209 on the north west corner of the second floor overlooking Lake Lillian.

This room was selected by Mrs. May Wheatley of Sebring to be decorated and furnished as a memorial to her late husband, Harry Wheatley, who was a patient at Walker Memorial before his death. The light colored rubber tile on the floor, the delicately tinted walls and attractive curtains suggest restfulness and comfort. The new awning type windows allow plenty of good ventilation as desired or the air conditioner may be used as needed. The glass in the windows is tinted to keep out any glare or excessive heat.

The furniture is of the latest variety for medical institutions and includes an electric hi-low bed which operates simply and efficiently. These furnishings make the room one for efficiefcy in nursing care and convenient and comfort for rest and convalesence.

Appreciation was expressed by the hospital staff for this thoughtfulness on the part of Mrs. Wheatley and the many patients occupying the room in the future will be benefited.

Mrs. Edith Watson Funeral Service Held Sunday

Graveside services for Mrs. Edith Watson, 52, were held Sunday morning at 10 o'clock with Elder Herman Ray officiating.

Mrs. Watson, a native of Manchester, England, came to Avon Park five years ago from Virginia.

She is survived by her husband Robert Edward Watson, Sr.; one daughter, Miss Sylvia Watson of Avon Park; three sons, Robert Edward Jr., Manthum, and Charles Virgil, all of Avon Park; and one sister, Mrs. Alice Hatton of England.

Chas. Whitehurst On USS Saratoga

Charles H. Whitehurst, seaman, USN, son of Mr. and Mrs. J. W. Whitehurst of Route 1, Box 241, Avon Park, Fla., is serving aboard the attack aircraft carrier USS Saratoga operating with the U. S. Sixth Fleet in the Mediterranean.

A unit of Task Force 60, the Saratoga began her six-month tour of duty on Aug. 16 at Majorca relieving the carrier USS Franklin D. Roosevelt.

Chastain - Curtis Wedding Vows Exchanged At Lake Wales Saturday

Miss Martha Jewell Chastain and Kenneth A. Curtis exchanged wedding vows in a candlelight double ring ceremony on Saturday, Sept. 26, in the Associate Reformed Presbyterian Church in Lake Wales, Florida.

The bride is the daughter of Mr. and Mrs. Johnson E. Chastain of Lake Wales and the bridegroom is the son of Mr. and Mrs. Kenneth Curtis of Mountain Lake and Lake Wales.

The Rev. Dr. R. T. Nelson read the marriage service before a background of palms and baskets of white gladioli and small chrysanthemums. Traditional wedding music was played by Miss Corinne Butler at the organ and Mr. Adren Colbert sang "Oh, Promise Me" and "Because" before the ceremony. During the service Mr. Colbert sang "The Lord's Prayer".

Given in marriage by her brother, James Chastain of Lakeland, the bride wore a traditional wedding gown of magnificent handclipped lace over a bouffant sweep of misty tulle featuring a chapel length train. Glowing seed pearl and iridescent sequins enriched the gown and the fitted bodice with a square neckline had long sleeves which came to a dainty point over the bride's hands. A crown headdress of pearls and sequins held her veil of silk illusion and she carried a bouquet of stephanotis and orchids.

Mrs. Kenneth E. Paisant of New Orleans, La. was matron of honor. Mrs. Wallace Templeton, Jr. of Mountain Lake, Mrs. Homer E. Hooks of Lakeland, Mrs. John L. Webb, Jr. of Lake Wales and Mrs. Eugene M. Turnner of Lake Wales were bridesmatrons.

They wore indentical floor length gowns of blue chromespun taffeta with beautiful sheered applique at the bodice with matching tulle hats. Their flowers were white fiji mums and blue carnations.

Wallace Templeton, Jr. of Mountain Lake, brother-in-law of the bridegroom served as best man.

Usher-groomsmen were John Curtis of Lake Wales, Jack Watkins of Cypress Gardens, Cliff Davenport of Silver Springs, and Neal Myers of Lake Wales.

For her daughter's wedding Mrs. Chastain chose a cocktail length dress of slate blue chantilly lace over taffeta with matching accessories. She wore an orchid corsage.

The bridegroom's mother, Mrs. Kenneth Curtis, wore a light blue taffeta model featuring a full skirt and fitted waist with a low neckline gathered over net. With her matching accessories she wore a lavendar orchid.

A reception at the Plantation Inn followed the ceremony. Mrs. A. J. Barranco and Mrs. G. E. Forsythe greeted the guests at the door and Mrs Frank Mullins introduced them to the receiving line.

A lovely bride's table held the wedding cake and Mrs. James Chastain of Lakeland served the cake. Presiding at the bride's book was Mrs. Joyce B. Wheeler of Lake Wales and Mrs. L. B. Carlton of Winter Haven.

Other assisting at the reception were Mrs. Al Bindig and Mrs. Charles G. D'Huyvetter of Atlanta, Ga.; Mrs. Faye Kemp of Tampa; Mrs. F. A. Fariday of Lakeland; Mrs. Roy Smith of Winter Haven; Mrs. Jack Heath, Mrs. Earl Newton, Mrs. A. J. Barranco, Mrs. Quinton J. Whitmire, Mrs. Frank Hunt, Mrs. Ellis Hunt, Mrs. Robert Howell, all of Lake Wales.

For a wedding trip to Ft. Lauderdale, Miami, and Nassau the bride chose a dark red suit of cotton and silk tweed with black accessories. She wore the white orchid from her bridal bouquet as a corsage.

After October 14 the young couple will be at home in Mountain Lake, Lake Wales.

Funeral Service For Mrs. Wilson In Pennsylvania

The many friends, of Mrs. Eleanor Matthews Wilson were surprised and saddened to receive news of her death on Sept. 8 in Pittsburg, Pa.

Mrs. Wilson had been a winter resident of Avon Park for many years and was loved by all who knew her. She and her late husband, D. C. Wilson, owned a home on Lake Lotela until his death several years ago. Mrs. Wilson then made her home in the Jacaranda Hotel and spent every winter here. She was a member of the Congregational Church and the Winter Guest Club here.

Mrs. Wilson died after an operation and was buried in Ingomar, Pa. where she was living with her son, James, and his family. She is survived by two sons, James Wilson, of Ingomar and Hugh M. Wilson of Evanston, Ill., several grandchildren and great grandchildren.

Friends in Avon Park will sorely miss Mrs. Wilson this winter and in the coming years.

Girl Scout News

The three troops of Girl Scouts in Avon Park have become organized and started their fall meetings.

Troop 1 for seventh grade girls met on Thursday afternoon, Sept. 24, for its second meeting in the King's Court Scout Building with thirteen girls present. Miss Sally Curl was present at the meeting and will work with the group from now on as an assistant juniorr leader with Miss Sally Nute.

Leon DeLaney and Bobby Durden were present at the meeting and helped the Scouts work with their new archery set. The potential Robin Hoods enjoyed shooting very much and plan to spend a good deal of time practicing.

After a business meeting and flag ceremony Mrs. Hubbard Biggs served refreshments to the group. Patrol leaders will be elected at the next meeting. Mrs. Bob Lee, Troop Leader, Mrs. N. H. Booth and Mrs. John Townsend, assistants were present at the meeting.

Troop three for sixth grade girls met on Monday afternoon in the King's Court Building with its leaders, Mrs. Sam King, Mrs. Harvey Harden, and Mrs. Bill Thompson. This troop will meet each week from now on on Tuesday afternoons at 3:30 until 4:30 o'clock in the King's Court Building.

At the meeting Rita Bennett and Madeline Nothruft were welcomed as new Scouts. A large number of girls were present for the meeting. After holding the flag ceremony the troop practiced marching to music from a record player. Mrs. Joe Franza served refreshments to the group and plans were made to keep the articles about the troop's activities in the Avon Park Sun for the troop scrapebook.

Beginning October 4, 1959, next Sunday we shall begin our Winter schedule. The service will be conducted in Avon Park at 9:00 a. m. Please keep this change in mind and tell your friends about this change, also Communion Service first Sunday of every month.

We extend a most cordial welcome to our visitors. We hope that you will join us often, and if you have no church home in Avon Park, we heartily invite you to unite with us for the furthering of God's work in this area.

First Baptist

The Women's Missionary Union will hold its first meeting of the new church year on Monday night, Oct. 6, at 7:30 in the church with the Wilma Leach Circle in charge of the program. All members of all circle are urged to attend this important meeting.

The R. A.'s said the Men's Brotherhood will hold an all day meeting and picnic on Saturday, Oct. 3, at the Lake Denton Baptist Camp. The group will leave from the church on 9:30 Saturday morning and Jerald Dunn, sponsor, urges all fathers and sons to plan to attend together. Reservations should be made in the church office before Thursday.

Last Sunday, Sept. 27, was promotion day in the Sunday School. The following have been elected by the church to serve as officers this year: E. A. Martin, Church Clerk; Malcom Crews, Treasurer; E. Ray Wells, Financial Secretary; Jack DeLaney, purchasing agent; and Mrs. W. W. McFarland, hostess. Committees and committee chairman has also been appointed to serve for the coming year.

Thursday will be the regular church-wide visitation day.

First Methodist

The General Assembly of the Women's Society for Christian Service will hold its monthly meeting on Tuesday afternoon, Oct. 6, at 3 o'clock in Wesley Hall. All women of the church are invited to attend.

The Sunshine Sunday School Class enjoyed a picnic supper and meeting on Saturday night, Sept. 26, in the Florida Power Clubhouse. Twenty-one members were present for the monthly social and business meeting. Charcoal hamburgers with all the trimmings were served by the hosts, Mr. and Mrs. Steve Roberts and Mr. and Mrs. Wayne Cribb.

After the delicious supper the group held a short business meeting and then enjoyed an evening of fun and fellowship. Hosts for the October meeting will be Mr. and Mrs. Don Wilson and Mr. and Mrs. Charles Johnson.

Fla. Ave. Baptist

The church observed Preparation Week last week with meeting each evening in the church. The Rev. J. M. Gilbreath taught the study book "A Church Using Its Sunday School". The course concluded on Thursday night and following the evenings work a social hour in the Social Hall was enjoyed by the class.

First Christian

Sunday, Oct. 4, is Rally Day in the church and it is hoped that records will be broken with over a hundred members and friends present for the church service and Sunday School.

A Fellowship Dinner at the Florida Power Clubhouse will follow the morning service. All members and friends are invited to bring a covered dish, their table service and come to the dinner. Drinks will be furnished. Hostesses for the noon meal are Mrs. Fred Davis, Mrs. Charles Ballard, Mrs. Orville Via, and Mrs. George Beckham.

The Primary Sunday School Class enjoyed a party at the home of its teacher, Mrs. Charles Burrescia, on Sunday afternoon. The gathering opened with prayer. Games, ice cream, cake and cold drinks were enjoyed during the afternoon. Receiving Promotion Certificates to the Junior Class were Paul Ragsdale, Johnny Padgett, Jimmie Burrescia, Dot Thompson, Cynthia Thompson, Linda Ander and Vickie Via. Other members enjoying the party were Nancy Prather, Cindy Anderson, Winifred Davis, and Chuckie Ballard. Mrs. Paul Ragsdale and Mrs. Paul Lacey assisted Mrs. Burrescia with the party.

On Monday afternoon, Sept. 21, the boys and girls of the Christian Endeavor had an outing to Highlands Hammock State Park where they enjoyed a picnic supper. A large group took part in the fun and Mr. and Mrs. Charles Ballard and Mr. and Mrs. George Beckham.

Congregational

The Ladies Aid will hold its first regular fall meeting on Wednesday, Oct. 14, in the social hall of the Educational Building. A Covered Dish Luncheon will be served at noon and all women of the church and winter visitors are cordially invited to attend.

During the business meeting a nominating committee will be appointed and plans will be completed for the annual Apron and Pie Social on Monday, Oct. 26, from 3 o'clock until 7 o'clock. Mrs. P. C. Boney reports that the knives for sell have arrived and will be available at the meeting and at the Pie Social.

The first Fellowship Luncheon for all women of the church will be held on Monday, Oct. 4, at noon in the Social Hall. A delicious luncheon will be served by the Ladies Aid for 50c and reservations should be made to Mrs. John Jockinson on Mrs. Andrew Miracle as soon as possible. The Covenant Circle will serve the luncheon and the Evening Circle will take care of the clean-up detail. An interesting program is planned.

World Communion Sunday will be observed in the church on Sunday, Oct. 4, at the morning service. The Chancel Choir will sing for the first time this fall at the church service. The Choir will be under the direction of Mrs. Victor Mickunas.

The first Family Night Supper will be held on Wednesday night, Oct. 7, in the Social Hall at 6 o'clock. All families are invited to bring a covered dish, their table service and join the fellowship. Important church business will come up at this time.

A Pot Luck Supper for the members and their parents of the Junior Pilgrim Fellowship will be part of the Sunday evening program on Oct. 4, at 6 o'clock in the Young Adult Room. Mrs. John Townsend is in charge of this group and the first meetings have been attended by a large group of boys and girls. A program is planned and all members and their families are urged to come to the supper with their covered dish and table service.

The Senior Pilgrim Fellowship met on Sunday evening with its leader, M. G. Whetstone. The group planned a picnic following church on Sunday, Oct. 4, to Vero Beach. Plans are being made for two social meetings each month and two study groups. Fourteen young people were present at the meeting Sunday.

Our Lady Of Grace Catholic Church

Sunday masses will be celebrated at 8:30 a. m. and at 10 a. m. instead of the former times.

CARD OF THANKS

We wish to express our thanks and deepest appreciation to our many friends in Avon Park who were so kind and thoughtful during the recent illness and death of our husband and father, Johnnie L. O'Connor. Their many kind acts and lovely flowers will be long remembered.

Designed for the start of a dynamic new decade is this 1960 Oldsmobile "98" Holiday SceniCoupe. The low, level hood treatment affords maximum visibility through the Vista-Panoramic windshield. This smooth look is carried through on rear fenders and the expansive rear deck. Heat-resistant glass is standard in the spacious rear window of all SceniCoupe models. Adding smart accents to the front end styling are the horizontal grille louvers. The parking lights are safely recessed in the wrap-around section of the bumper where they can be easily seen from the front or side. The Holiday SceniCoupe body style is available in all Oldsmobile series for 1960.

Southland Trailer News

Mr. and Mrs. William Bittel arrived Monday afternoon after a vacation of almost three months. They visited many western states and went as far west as Seattle, Washington, by way of California. Their whole trip covered several thousand miles and the Bittels went by train and bus. They were tired but happy to return to their home in the Park.

Harold Arms partnered by Duke Christensen won the Main Event Shuffleboard Tournament at the Winter Guest Club on Wednesday. This is one of a long number of wins for Mr. Arms and the resident of Southland are proud of him and wish him more success this fall.

News was received from the Rev. E. L. Hutchens on Wednesday that he had undergone major surgery in the Union Hospital in Terre Haute, Indiana, recently. He had made a fast recovery and plans to return to the Park at the first opportunity. His friends wish him a speedy recovery and are hoping to welcome him and Mrs. Hutchens home soon. The Hutchens have been residents of the Park for many years and are well known in Avon Park.

The 10' by 45' trailer of Mr. Ira Simmons arrived on Monday from Pennslyvania after encountering many unforseen difficulties which caused delays. Their daughter, Jenny, has started school and likes it at the Avon Elementary School and the parents are happy with their move to Avon Park. Friends wish them better luck now that their home has finally arrived.

The Center will be open for the first afternoon on Wednesday, Oct. 7 from 3 until 5 o'clock and each Wednesday afternoon thereafter. It is open each Saturday night as usual.

Rev. Watterson Instituted As Church Rector

On September 20th, the 17th Sunday after Trinity, the Rt. Rev. Henry I. Louttit, Bishop of the Diocese of South Florida instituted the Rev. Father Peter F. Watterson as Rector of the Episcopal Church of the Redeemer.

The congregation witnessed these four parts of the Service. (1) the Charge to the congregation, (2) the reading of the Letter of Institution, (3) the presentation of the keys to the new Rector by the Senior Warden Mr. James A. Johnson, symbolizing his entrance into all the rights and privileges of the parish church and its properities, and (4) the service of prayer and praise, during which Father Watterson was led into the sanctuary and presented by the Bishop with the books symbolizing his spiritual authority in matters of doctrine, worship, and discipline.

The Office of Institution completed, Bishop Louttit preached a sermon of spiritual maturity, and the need for every member of the Body of Christ, the Church to share in the spread of the glorious Gospel.

Youth Center News

The Victory Dance sponsored by the Junior Class after the Red Devil-Kathleen football game on Friday night was another successful evening with about one hundred and fifty boys and girls present.

These dances will continue after every home football game and all teenagers and the out-of-town visitors are invited to attend,

Birds And Insects

By Bird Woman

As this is the season for our migratory birds to fly south, either to spend the winter with us, or to stop off to feed and rest on their journey to some of the Islands, or to S. America, we should be on the lookout for them and see how many new ones we can identify, and how many of our old friends are returning to us.

Some of the bird lovers that live on groves just outside the city have reported many birds already returning, and of course the number will increase as the days grow shorter in the north and the real cold weather sets in.

Again we repeat that Ornithologists say that if it were not for the birds migrating and feeding on insects as they go, that man could not live on this planet, for the insects would consume the vegetation to the extent that man would starve.

Those who are presumed to know say that ten percent of what is grown for food each year is consumed or destroyed by insects and rodents. And with all the new insecticides, and sprays that man has developed, there doesn't seem to be any let up in their destruction..

Normally, a great many insects are killed annually by sprays and poisons, but it has been learned that a certain spray used on a group of the same kind of insects, will kill some and not harm the others, just as some contagious diseases will effect some children in a family and will not effect others.

And those insects that are uneffected will be immune to the spray or poison, and their off spring will also be immune to it, so that even if it is repeated frequently, at length all that were not immune will be killed and all that remain wil be immune.

When we begin to study the subject of insects, it is no small subject, and is really beyond the comprehension of every one. In all the years of study, all insects have not been classified, and although no specie has ever become extinct, new species are constantly being found.

In 1900 the total of insects classified was 300,000, each year now from 6,000 to 7,000 kinds are discribed and named. Just to make the immensity of the insect problem more clear; If the insect names were printed, on a line, in an 8 page, 8 column newspaper, of average size, without headlines or pictures, more than 8 weeks, including Sundays, would be needed to print just the names of the insects that are already known.

Some of these insects are very prolific and raise several litters each year, in certain insects the original egg may keep dividing, in some species from 1,500 to 2,500 insects may finally result from a single egg.

One striking example of the reproduction of the common house fly, gives an idea of how fast insects of various kinds become so numerous, if from April to August the off-spring of one pair of flies were to all live and thrive, there would be a total of 191,000,000,000,000,000,000 flies at the end of that time.

But fortunately each insect has many predators that prey on it and on the eggs and larvae so that many do not reach maturity, some of what is termed the social linsects, as those which form in colonies, as the bee and the various ants, have queens that lay continually. Honey bees can lay 1500 to 2,000 eggs per day, and the queen of the Termites is a regular egg producing machine, laying from 6,000 to 7,000 eggs a day, and her life expectancy is 15 to 50 years.

We might go on with these statistics indefinitely, but the point we are trying to make is, that we do have insects, and multitudes of them, and so many are harmful in carrying disease and in wasting our crops and spoiling our plants, shrubs and trees, and although scientists are working over time to find ways of getting rid of them, the results in many cases have been quite disappointing.

Every one hoped that when D.D.T. came on the market that it would be a panacea that we had long waited for, but we find many insects are immune to it, being not effected by it at all.

Insecticides must be considered by the way they get into the insects body. Stomach poisons are of course eaten, contact poisons enter through the skin, and fumigants enter through the breathing tubes, or the skin as gas. Some insecticides may enter by all three routes.

It has been found that many insecticides, react on insects the same way they react on the higher animals, even many. One effect arsenic poison has on vertebrates, is the destruction of the lining of the intestines, a similar result occurs in the mid-intestines of insects.

Nicotine is said to first stimulate and then depress the nervous system of insects and then paralysis follows, other insecticides have differen degrees of paralizing qualities, some are only temporary and unless some penetrating poison is also present, the insect will eventually recover and escape.

Many theories have been advanced as to how oil kills insects, but it has been established that the oil penetrates the insects breathing tubes and suffocates them.

Very exhaustive arguments have taken place to determine just exactly what, D.D.T. does to an insect, but the approved theory is that it causes a desturbance of the nervous system to the extent that muscles cannot react in their normal way, some presume that it causes a depletion of calcium in the nervous tissues, then of course there are secondary reasons, far too complicated to discuss here.

But what is so amazing to us, is the fact that insects have such a complicated nervous system, we have always been of the opinion that only old women had "Nerves", but now we find out that even the insects have them.

There is much difference of opinion about all the permiscous spraying, especially from Air Planes, which scatter the insecticide or spray in so many directions and probably some of it hits the marks it was intended to hit, and much of it hits our friendly insects, that help control the others, or is scattered so lavishly that it is washed into streams where animals and birds have to drink it and are killed. Also the small fish and other water inhabitants are killed by the hundreds, uselessly.

Cub Scout Packs Planning Meet Held Monday

The planning committee of the Avon Park Cub Scouts held its first meeting of the fall season on Monday night, Sept. 28, at the home of Cubmaster Bob Barben.

During the evening several important business matters were taken up by the group. It was decided that all Pack meetings will be held in the Avon Elementary Cafetorium on West Winthrop Street at 7 o'clock the last Thursday of the months if not otherwise planned. Five dens will be available for Cub Scouts this year if plans work out as scheduled. A number of helpers volunteered for various jobs but Den Mothers are still needed.

The first Pack meeting will be a cook-out by the Cubs and their fathers at the Florida Power Clubhouse on Thursday, Oct. 29, at 7 o'clock. More plans for this first gathering will be announced later.

Another planning meeting will be held on Monday night, Oct. 12, at the home of Cubmaster Barben and all persons who are interested in working with the Cub Scouts in Avon Park are urged to attend. Eight o'clock will be the time of the meeting.

Cub Scout work is open to all boys who have reached their eighth birthday but who are not yet eleven years of age. Any boy wishing to become a Cub Scout is asked to contact Bob Barben or Mrs. L. A. Renfro.

Present at the meeting on Monday night were Mr. and Mrs. Barben, Mrs. Stuart Ward, Mrs. Margie Richards, Mr. and Mrs. Earl Green, John Townsend, Mrs. Lucille Lemler, Dr. C. Brooke Henderson, Mrs. L. A. Renfro, the Rev. Herbert Graetz, and Franklyn Ward.

Brownie Scout News

Four troops of Brownie Scouts have been organized and are beginning their weekly meetings in the Woodruff Heights Scout Building.

Two troops are organized for the girls of the second grade who will be first year brownies this year. Mrs. Ed Sharpe is the leader of one troop and Mrs. Melvin Bean is the leader of the other troop. Thirty-two girls were present at the organizational meeting on last Wednesday afternoon with many mothers also present.

Mrs. Sharpe's troop will meet each Friday afternoon at 2:30 until 4 o'clock in the Scout Building in Woodruff Heights for its meetings. Mrs. Colin DeShong is assistant leader of the troop and members of the troop committee are Mrs. Vernon Tyson, refreshment committee; Mrs. Robert Barben, telephone committee; Mrs. Robert Young, transportation committee; and Mrs. Fred Reddick and Mrs. J. C. Murphy, Special Events, chairmen. The troop is sponsored by the DeShong Real Estate Agency.

Mrs. Bean's troop will meet each Wednesday afternoon at 2:30 in the Scout Building with Mrs. Annabelle Sparks and Mrs. Ann Prather assistant leaders. Mrs. Victor Hall is chairman of the refreshments committee and Mrs. Edsel Elder and Mrs. Newman served the group Wednesday. The troop is being sponsored by the Economy TV and Radio Store.

All girls in the second grade who are interested in becoming Brownie Scouts are asked to contact Mrs. Ed Sharpe.

The Brownie troop for third grade girls met for its second meeting on Thursday afternoon in the Woodruff Heights Scout Building with its leaders, Mrs. G. L. Townsend, Mrs. Ed Albritton, and Mrs. Joan Holmberg.

Troop 115 is the new number of the Brownie Scout troop for fourth grade girls and the troop met on Monday afternoon, Sept. 28, with its new leader, Mrs. E. A. Flint. Seventeen girls were present for the meeting and the Brownies held their flag ceremony and then discussed hobbies and plans for troop work. Mrs. Flint served refreshments to her troop. Troop 115 will meet Monday afternoon in the Woodruff Heights Building at 3:15.

All mothers of Brownies in Troop 115 are invited to the home of Mrs. E. A. Flint on E. Camphor Street on Thursday morning, Oct. 1, for a get-acquainted coffee hour. Mrs. Flint will discuss troop plans with the mothers at this time. Mothers are invited to come between 9:30 and 10 o'clock.

Special Abilitis Classroom Has Mobile Trailer

An air-conditioned Fleetwing classroom trailer is being used for the Highlands County Special Abilities Program this year.

The 28' long 10' wide house type trailer is equipped with scientific equipment to delight the hearts of high school student scientists and teachers alike. This welcome addition to the Science Program was secured with funds from the National Defense Education Act of 1958 (NDEA) and moves from Lake Placid to Sebring and Avon Park by means of a pick-up truck. At each of the schools it is hooked up to water and electric outlets and the enthusiastic scholars go right to work.

The purpose of the program is to provide exploratory and enrichment experiences in science and mathematics to pupils who are capable and will benefit from the experiences. There are ten students to each class and they work for one hour at a time. The trailer is in Avon Park every third day with F .H. Clark, coordinator and teacher of the classes on hand to inspire and help the students.

One hundred and thirty Highlands County students will work with Mr. Clark this year and they are expected fo keep an activities log, work on approved science and/or mathematics activities during the class periods, keep up with material missed but covered by class and spend considerable time outside school hours on their interests in the science or mathematical fields.

The usual scientific equipment such as Bunson burners, test tubes, etc. is available plus a supply of tools, an oscilloscope, at microscope 1200 x power, a vacuum pump, and many interesting new magazines and books in this fields. An enlarger for photographs and some of the equipment found in the recent articles in the Tampa Tribune on the Tampa program are also available. These materials are available to the county teachers for use also. It is hoped that the trailer will not duplicate the already available equipment any more than necessary but will go further and add additional equipment.

Rebekah Lodge To Meet Monday

The Eleanor Seaverns Rebekah Lodge will meet on Monday night, Oct. 5, at 8 o'clock in the Brickell Building.

Members are reminded that the meeting will be an initiation night and urged to be present. There will be a practice night on Thursday, Oct. 1, at 8 o'clock in the Brickell Hall. All members of the Rebekahs are urged to be present at these important meetings.

Home Appliance Pays For Itself

All modern home appliances afford the homemaker a degree of savings in labor, time, and to some extent, actual cash. Present day appliance development is indeed reaching the state whereby the need for ownership has become a necessity.

Now, an appliance is being offered that is said to repay the homemaker more than the original cost and operational cost within the first few years of use. The appliance is a modern Water Softener for the home.

Ownership of a Water Softener Appliance not only days for itself through savings on soap, detergents, plumbing, clothing, etc., but improves functions expected from other water using appliances such as the washer, dishwasher, water heater, etc.

A Water Softener Appliance can be installed in the basement, utility room, or kitchen. The appliance operates on common salt for a few cents per day. A Water Softener can either be purchased from a dealer or bought as a service from a Soft Water Service Company.

(Continued from Page 1)

presentation should be strictly in accordance with population. Others, on the other hand, assert that area and other factors must be taken into account. There is a third school of thought claiming that a mixture of the two is a desirable theory. Certainly, population by itself should not be the sole factor. At the present time our legislature is patterned somewhat similar to that of our National Congress, that is, the more populace and larger counties comprise a majority of the membership of the House and the smaller counties control the Senate. This is an attempt to provide for a check and balance designed to bring about good worthwhile legislation for the benefit of the entire state.

Not since 1945 has there been a reapportionment of the entire legislature. In that year after the session had fought some 53 days, the small county block abandoned two of their Senate seats to South Florida. This is one of the few times in the history of our state that reapportionment was accomplished by the legislature without having to go to the electorate as is usually done by submitting a Constitutional Amendment to the voters.

In 1947 a plan was submitted to create two Senatorial Districts, one for Monroe County, the other for Washington and Calhoun together, which would have amounted to trading a north Florida District for a south one. This was rejected by our residents.

The ideal plan was adopted by the Legislature in 1955 which would have written into the Constitution a guarantee that each of the 67 counties would have a Senator and the House Membership increased to 135 members. Insofar as the large and small County hassle is concerned, this would have settled the proposition for all time. This plan was not agreeable to the citizenry of the state.

The 1957 session endeavored to bring about a more equitable apportionment by agreeing upon a proposed plan creating a 45 member Senate and 114 membership in the House. This plan would have maintained the present balance between the small and the large counties. Due to the opening of State Supreme Court, this proposition was ruled off of the ballot.

We entered upon the 1959 session with various opinions as to the possibility for reapportionment that would be acceptable to the Legislators and the government and the leaders of the larger counties. However, the compromise that was finally adopted at that session is far more liberal to south and central Florida than any plan to come before the voters since the 1945 shuffle.

Perhaps the most noticeable feature of the 1959 plan is its increase in size with the majority of the new seats being allocated with the rapidly growing counties in South Florida. The House of Representatives would be increased from its present 95 to 103 members with 6 of the new 8 seats going to the more populace counties located in the central and south portion of our state. The Senate in turn would be increased from 38 to 44 members, with 4 of the new 6 seats going to middle sized south Florida counties. New Senators would be given to Bay, Brevard, Manatee, Monroe, Volusia, Santa Rosa and Sarasota Counties. In addition our present 27th Senatorial District composed of DeSoto, Hardee, Highlands and Glades would be split with Highlands and Glades being given a Senator and an additional one for DeSoto and Hardee with Charlotte added.

In that our district has been a 4-county one since its inception in 1921, it is apparent that dividing the district into half is manifestly to our advantage. Thus, in view of the fact that Highlands would be given an additional representation in the Senate along with its neighbor Glades County, and that the balance and power between the large and the small counties will not be materially changed, it is my opinion that the proposed amendment is indeed beneficial to our residents and deserves the serious consideration and vote in the November election.

Some have asked if the amendment is favorably received by the majority of the residents of Florida if I would be interested in the Senate, and the answer is that while it would be a sincere honor to be Senator, I am most happy in the House and would not be a candidate for the Senate.

Since I have served for several consecutive terms in the House, I feel that I could render a more efficient service to the residents of Highlands County by continuing in the House rather than an attempt to become Senator. Seniority in the Legislature as in Congress plays an important part as to the committee appointments and for that reason I feel that I can render a better service to our residents by continuing in the House.

Shopportunity Days Set For November 5-6-7 Here

PINNEY Antes

By BILL PINNEY

I was in the shooting iron shop last week to get the handle on my double rubber slingshot fixed, and a couple of friends brought their blunderbusses in. They're getting ready to hunt turkey and deer. I sure hope they live through the season.

They can hardly wait for opening day, and again invited me along. Deer and turkey hunting is something I ain't dying to do, and I ain't doin' to die. I went into the big scrub with em once and saw too many loaded hunters with loaded guns.

By sunup onening day that forest will be full of nervous nimrods, too many of 'em trigger happy to suit me. I'll be elsewhere. There's too much chance I'd wiggle a bush, and he who wiggles a bush leaves a widow.

Or I might reach up to scratch my head, a good way to get bumped off as a five point buck.

I ain't goin' squirrel hunting either. Not that I'm afraid of getting shot. I'm afraid of squirrels.

Formal Opening Of New Dress Shop Here Today

The Mode O' Day Shop, an exclusive dress shop, will hold its formal opening in Avon Park today.

They will be showing their own exclusive fashions as offered in their more than seven hundred stores from coast to coast, Hawaii and Alaska. All fashions are exclusive with them as they are manufacturers and have their own designers.

The Avon Park store, managed by Milli Hancock, is located at 23 West Main Street, at the corner of Forrest Avenue.

They will feature their own fashions in dresses for Juniors, Misses and half sizes, lingerie, blouses, hosiery and sports wear.

Tax Statements For County To Be Mailed Oct. 20

Approximately 17,000 statements on real estate taxes will be mailed about October 20, according to Highlands County tax collector, W. H. Prescott.

This will be an increase of almost 3,000 over a year ago, he stated.

Also there will be 760 intangible tax statements and 2,157 personal property statements, he said.

Exclusive of railroad and telegraph levies the real estate taxes amount to $830,000; intangible tax $100,000; and personal property tax $225,000, he reported.

Optimist Club To Hear Chamber Secretary Speak

Mrs. Anna Belle Worden, executive secretary of the Avon Park Chamber of Commerce will be guest speaker at the Optimist Club noon luncheon today (Thursday) at Griffin's Restaurant.

Last Thursday, Rev. Herbert R. Graetz, pastor of the Congregational Church, was guest speaker and discussed the importance of work with youth and stressed the importance of an Optimist Club in a community in this regard.

Next week the club will observe Family Night and the meeting will be held at 7:30 p. m. at the same place.

FIRE PREVENTION WEEK is pointed up by the memory of the fire pictured here. This was Deville Durham home in the 100 block of East 1st street, a blaze which started from a flooded oil stove and resulted in the death of a five months old infant.

Two Day Manhunt Ends As Negro Accused Of Shooting Officer Is Captured In DeSoto City Woods

The concentrated two-day manhunt for negro Ernest Dallas, who allegedly shot Sebring assistant police chief Billy Fowler Saturday, came to a dramatic close Monday when three volunteer searchers located him in the woods near DeSoto City.

The three searchers, fire chief Forrest Howard of Sebring and Cleo O'Berry and Henry Corbett of DeSoto City, were part of the more than 100 involved in the manhunt besides a pack of bloodhounds.

O'Berry, an experienced woodsman pointed his rifle at the man who said "Don't shoot. I give up, I give up". He was unarmed at the time of capture, carrying only a pocket knife, it was reported. When questioned to what he had done with the gun used in the shooting, he said "I left it at the scuffle".

State Trooper David Caudy handcuffed Dallas and held him for the arrival of Sheriff Broward Coker and police chief Lonny Curl and other offficers.

The search party included all available police officers of the area and a delegation from the Avon Park Correctional Institution plus the pack of bloodhounds, and two airplanes that searched the entire area.

Late Monday night colored deputy Jesse Fleming located tracks in the DeSoto City area which put the searchers on the direct trail. These tracks led into the swamps across U. S. 27, dogs from the AP Institution trailed until they were worn out and were replaced by dogs from the Polk County Sheriff's Department.

Dallas is charged with shooting Fowler three times with a service revolver in resisting arrest.

Fowler, in serious condition, was treated and later moved to Walker Memorial Hospital in Avon Park where he is reported to be seriously wounded, but some improvement is noted, one slug was reported to have hit a kidney.

Sheriff Coker and Chief Curl were in praise of those who participated in the successful manhunt. State Attorney Glen Darty said Monday that charges were not formally filed immediately, but were being studied.

Ridge Conference Lead Retained By Red Devils

The Avon Park Red Devils continue to ride the crest of Ridge Conference standings with three victories and no defeats, while Seth McCormick and Laymon Money lead conference scorers.

Sebring has a record of two wins and no losses in conference play, while Ft. Meade, Kathleen and Kissimmee each have one win and one loss.

Mulberry has one loss while Arcadia and Frostproof each have two and no wins.

McCormick leads the scorers with 24 points and Money is second with 18. Carraway of Ft. Meade is third with 16 points, while Johnson of the same team has 13. While Jones of Ft. Meade and Newcomer of Sebring have 12 points each. McKenzie of Avon Park is tied with 13 others with 6 points apiece.

This week Conference battles include Avon Park against Frostproof here Friday night; Sebring will travel to Mulberry; Arcadia will go to Ft. Meade; Kathleen will travel to Kissimmee

Cigarette Tax For August Is $3,162.03 Here

Sebring $3,603.35 and Lake Placid $1,352.41. For a total of $8,117.79 to cities in Highlands County. The total collections in Florida for August were reported as $2,421,493.08.

Jaycee Meet To Orient Members

The Avon Park Jaycees will hold a coffee and dessert meeting tonight (Thursday) at Griffin's Restaurant for the purpose of orientation of new members.

The purpose of the Jaycees and their part in the civic life of the community will be stressed.

Youth Center Building Group Names Committee

At a meeting Monday night of the Youth Center Building Association, President, Mrs. John Townsend appointed committees for the new year.

On he building committee are: Andrew Miracle, chairman, Lou Hooper and Roy Seims. Ways and Means committee has Mildred Runkle and Martha Ward as co-chairman. Drive committee has O. S. Curl as chairman. Membership committee, Winnie DeLaney, chairman. History of Avon Parks Books Committee, Mrs. Hubert Milton and Mrs. Mannin Kirkland, co-chairman. Publicity, Paul B. Ragsdale.

Named to the executive board were Elizabeth Kempton, Mrs. Townsend, O. S. Curl, Mildred Runkle and Martha Ward.

Members of the board to serve two years are Fred Davis, Lou Hooper, Andy Miracle, Anita Renfro, Winnie DeLaney, Bill Acuff and Martha Ward. They were chosen because they were the high seven in number of votes received in the recent election.

A sign is being donated by the Coca Cola Bottling Company of Avon Park to be erected on the site of the proposed new building calling attention to the location. It was reported that the Association has $972.72 cash on hand.

Jahna Ready-Mix will deliver a load of concrete blocks to the high school grounds October 20 where they will be sold at 25 cents each, with the proceeds going into the building fund, Mrs. Townsend said.

Drivers License Near 11,000 Before Deadline

County Judge Mervin Rehrer announced that a total of 10,849 drivers licenses were issued in Highlands County prior to the deadline September 30.

Late applicants are still securing their permits, Judge Rehrer said, and the final total is expected to be much higher than that figure.

Check Presented To Ridge Area Assoc. School

A donation of $46 was given in the United Fund Drive from the Avon Park Survival School, through the Mayor and City of Avon Park, to the Ridge Area Association for Retarded Children.

The check was presented to General A. M. Owens as representative of the Association.

Fire Department Compiled Figures For Past Year

In observance of Fire Prevention Week the Avon Park fire department compiled the figures of their activities for the past year, which show:

The Avon Park Fire Department answered a total of 58 alarms for the period beginning October 1, 1958 and ending October 1, 1959.

The total Fire Loss for the year was $9,290.00 including property and contents. for the past four years the fire loss in Avon Park has shown a steady decrease over the previous year. In 1956 the loss was $45,000.00; 1957, $26,000.00; 1958, 19,000.00 and in 1959, $9,290.00.

Fire Chief Giddens and his department maintain a year round fire prevention program, but this week has been declared National Fire Prevention in an effort to get the public fire-conscious. Fire prevention programs are put into effect during this week that will continue throughout the coming year. Posters and literature have been distributed in the schools and various business establishments calling attention to Fire Prevention Week.

The Avon Park Fire Department earnestly solicits your support and co-operation in helping to keep our fire loss at an even lower figure for the ooming year. Check your homes and property for fire hazards and get rid of them (the hazards, not the homes). Let's make the coming year a fireless one in Avon Park.

I. H. Ford Catches Glasses In Gulf At Boca Grande

I. H. Ford went fishing at Boca Grande and caught a pair of eye glasses lost there on the 4th of July by George Mayhand.

Mr. Ford and E. A. Martin were fishing off the pier in about 20 feet of water when he 'sank the hook' in his unusual catch. Upon returning to Avon Park where Paul McFarland told him that Mayhand had lost a pair of glasses at the same place nearly three months previously. Mr. Mayhand was able to identify the glasses as the same ones he had lost in the Gulf of Mexico.

Building Permits In City Reach Record Figure

Building permits for the month of September in Avon Park skyrocketed to $93,964, bringing the total for the first nine months of the year to $903,319.

These September permits included 14 for new homes totalling $89,000 and five for alterations and repairs totalling $4,964.

These figures compare with $13,895 for September 1958 and $683,170 for the full year 1958. In September 1957 permits totalled $56,700 and in September 1956 totalled $12,800. For the year 1957 they were $711,600 and for the year 1956 they were $683,170.

Total permits for 1959 so far is 180 with 130 of them being for new homes. No figures are available for outside the city limits.

Cheerleaders Of B-Team Named By Junior High

Eight girls of the seventh, eight, and ninth grades have been selected to serve as cheerleaders for the B-Squad Football team games this year.

The girls interested practice after school and worked at the difficult art of leading cheers for several weeks. A number of interested girls took part in this practice and Mrs. Dot Teeter and the A-Squad cheerleaders helped with work on the cheers.

Last week the A-Squad Cheerleaders and Mrs. Teeter, Mrs. P. O. Goff, Miss Joyce Hudson and Mrs. Mary Jean Reddick made the difficult choice for the B-Squad leaders. Chosen were Lois Ann Thompson, ninth grade who will serve as captain; Donna Faye Wiggins, 9th grade; Ann King, 9th grade; Ann Johnson, 9th grade; Torrista Gaster, 8th grade; Bretta Ann Gibbs, 8th grade; Sandra Fuller, 8th grade; and Pat Prescott, 7th grade.

The girls will lead the cheering section at all B-Squad football games this season. On Tuesday night they took over their chores at the Sebring-Avon Park game and did very well. On Tuesday, Oct. 13, the team will play the Ft. Meade team. All B-Squad games are played on Tuesday night and everyone is invited to come and watch the boys and girls.

The B-Squad cheerleaders will have some experience and some will want to go out for the A-Squad cheerleader position when they reach high school. It helps boost the morale of the football boys while giving the girls a chance to see if they are really interested in working as hard as is necessary to become a first rate Red Devil Cheerleader.

Mrs. Dot Teeter is sponsor for both squads of cheerleaders.

Second Annual Bargain Festival Carefully Planned By Merchants

The Avon Park Merchants Committee of the Chamber of Commerce has set November 5-6 and 7 as the dates for the Second Annual Shopportunity Days.

This big event, planned to exceed last year's promotion in many ways, is being carefully arranged by participating merchants and plans have long been underway for offering the greatest values ever offered in South Central Florida. This great savings factor of the event is in line with the Chamber of Comerce theme of "Shop in Avon Park."

We will offer such values that shoppers will not only stay here to shop, but shoppers from many other communities will come here to take advantage of the fine savings", the merchants promise.

Several hundreds of dollars in cash and merchandise is expected to be given away during the big three day event. The committee is perfecting plans to make a grand award of $100 in trade at any participating store. Many more valuable awards are being planned, they say.

Robert E. Lee is chairman of the committee. Those meeting Tuesday to work on the plans included Vernon Tyson, James White, Mrs. Exie Caffee, Charles Metcalfe, A. C. Wicker and Bill Meyer.

Last fall, when the first Shopportunity Days event was held, several merchants said that it was the biggest promotion ever held in Avon Park. Many shoppers stated they had enjoyed the finest money-saving shopping they had found in many years.

All participating merchants state they are arranging the largest variety of bargains ever offered on the ridge.

Prior to the big event there will be a Shopportunity Days issue of the Avon Park Sun in which all participating merchants will have display ads listing hundreds of the many bargains they will offer to shoppers.

Fish And Game Club Fish Supper Set For Tonight

The Highlands County Fish and Game Club will hold a fish supper before their meeting tonight (Thursday) at 6 p. m.

The supper and meeting will be held on the clubhouse grounds with all members and prospective members urged to attend.

Plans have been made for a fishing contest and a turkey shoot in the near future, they report.

Jaycees Open Annual Cake Sale

Orders are being received now by the Avon Park Jaycees for the famous Benson's Old Home Fruit Cakes and the cakes are expected to arrive and be on display October 15 at Palmer's Grocery.

Robert Palmer, chairman of the cake sale committee, said cakes may be purchased from any member of the Jaycees. A quota of 300 cakes has been set by the club, they are three pounds each and sell for $3.25.

"Buy a good cake for a good cause", Jaycee President Leon Delaney said," contact a Jaycee at once to place your order before the supply is exhausted.

Palmer pointed out that the holiday cakes make ideal gifts for family, friends, servicemen and employees.

City Purchases More Bonds At Saving Rates

The city has purchased $12,000 worth of bonds at $85 on the $100 at 3 per cent. These were bonds scheduled for retirement in 1981-82 and 83.

This purchase will save the city $8,100 in interest and $1,800 on principal and is in line with other bond purchases made in advance of retirement dates to save large sums on principal and interest.

Red Devils Edge Ft. Meade 14-13 Friday Night

Laymon Money took a Ft. Meade punt in the final quarter Friday night and galloped seventy yards for a TD that brought the Avon Park Red Devils from behind to another conference victory.

Trailing 7-13 going into the fourth quarter, the Devils had first scored when McKenzie went 32 yards to paydirt and after the extra point try had been fumbled Alsabrook recovered for the point.

After Money's game winning gallop the Ft. Meade Miners fumbled and the game closed with Avon Park again on the move toward the goal line.

Avon Park gained a total of 214 yards, made eleven first downs, completed two of seven passes, made three fumbles and were penalized a total of 105 yards.

The Miners gained a total of 138 yards, made six first downs, fumbled two times and were penalized 10 yards.

The Red Devils will play host to Frostproof here Friday night.

The Avon Park Sun
Dear Editor.,

I thought in the public interest, that it would be interesting to note the re-action to my letter you published last week, regarding the recent assessment of city property. I have not had one prospective buyer. I have had friends to tell me that if I had any luck that they would like to sell their property on the same basis. You see, Mr. Editor, this boils down to the simple fact that a lot of the old property in Avon Park is taxed to high and that is why so many people are unhappy. I thought to further prove my point, is there anyone who owns a new and modern home, who would sell it for 75 per cent of its assessment.

I can see why there are few or no complaints on new property assessments. In many cases with the lower mills the new home owner will actually pay less money, even though his property would have little or no upkeep cost, on the other hand the old property cost quite a sum for upkeep and you still have that old out of style house that grows of less value all the time. When you realize that once these high assessments are placed on this old property, (it is there to stay) you are being penalized for owning an old home. I ask you is this really fair.

Speaking of upkeep. Have you seen the amount set up for repairs at Kings Court in the new budget, if not, you should see it. Honestly, I wonder some times in this democracy if enough of our leaders who are supposed to represent all the people, even sit down and honestly perform their obligations to the people that hired them for their representive. To manage their money and their affairs where it will do the most good for the most people. If they would only do this, there would be little or no desire to vote them out of office come election time. I guess our Forefather anticipated these things and that is why there are often changes in public office.

Sincerely,
Ben T. Stewart

Dear Editor:

I would like to know what the tax payers of Avon Park are to expect in the future? We were like helpless lambs being led to slaughter, at the tax equalization meeting held August 27th, 1959. Yet! We were led to believe that this special meeting was for the benefit of the tax payers. As the resolution passed on August 3, 1959 and a notice in the Avon Park Sun stated your equalization board would sit in hearing, and hear the complaints of all parties who was dissatisfied.

This so-called special meeting turned out to be a "Joker". As we were just handed slips of paper to write our legal description and complaints. The City Council explained to the protesters, that Mr. Phelps was hired as a disinterested out of town assessor and to be paid $9,700.00., then council appointed three local advisors to assist Mr. Out Of Town Phelps, in doubling and tripling our property valuation. Now! With all this effort and expense to the tax payers, we were informed that council would inspect all properties in question and their decision would be final. Is this just a run-around or a Merry-Go-Round, at the tax payers expense? At this equalization meeting, we were told by the council that it would cost $25,000.00 more to operate the city than last years budget. The shocking factor is, that this years budget is almost $60,000.00 more than last years.

I understand that most salarys of city employees are to be increased. I can see the need for an increase to the workers out side city hall, as they earn every penny, out in all kinds of weather and no air conditioners on the job. But how can it be, that the highest paid salaries are to the women in city hall? I do object to so many being hired at an increase in salaries at the city hall. One lady was hired in July, at $225.00 per month to assist the assessor with the tax roll until October 1st. She is still working in city hall and her name is on the list for an increase of $35.00 per month, which brings her salary up to $260.00 per month. How many of the men working on the out side, have had raises like this? Now how are people with fixed-incomes and widows going to pay taxes and keep their homes, if the city hall keeps hiring and increasing salaries?

A city clerk and two assistants could manage the city hall fine, and save the tax payer money.

Sincerely,
a confused tax payer.

Mr. W. A. Myers
Avon Park Sun
Avon Park, Florida

Dear Mr. Myers:

There has been many letters in the Avon Park Sun in reference to the recent City Tax Revaluation Program. There has been so much talk and confusion that perhaps I could help by explaining one or two items.

For example, when we speak of value, the word means different things to different people. The Appraiser's Handbook lists forty definitions of value:

1. Actual Cash Value; 2. Amenity Value; 3. Appraised Value; 4. Assessed Value; 5. Book Value; 6. Capitalized Value; 7. Capricious Value; 8. Depreciated Value; 9. Established Business Value; 10. Exchange Value; 11. Functional Utility Value; 12. Going Concern Value; 13. Good Will Value; 14. Improved Value; 15. Insurable Value; 16. Intangible Value; 17. Intrinsic Value; 18. Leasehold Value; 19. Market Value; 20. Nuisance Value, etc.

By this you will see when someone speaks of value it can mean many things to many different people. Now the Appraiser's Handbook defines "Assessed Value" as "A dollar amount assigned to each parcel of real estate on the tax roll for the purpose of equalizing the burden of taxation". This means someone applying the same unit of measure to all properties, then everyone with equal value of property will pay the same tax. This is a very hard job.

For example, Mr. Carl Lake, a recognized appraiser, hired by the State Road Department, appraised one piece of property for the widening of US 27 at $23,000.00. The Court appointed Smith and Son, another well known appraising firm from Lakeland to appraise the same property. They appraised the property at less than $5,000.00, so you have two expert appraisers $18,000.00 apart. It would seemed that one had goofed off. And yet it hardly seems possible that any one man can appraise all the property in Avon Park and not miss a few.

The problem as I see it, is what percent of dollar amount set by the Appraiser should be used as the assessed value. It is the same problem that the Governor and the County Tax Assessors have been battling over for some time. You can find arguments for and against, using percentages from 30 to 100 percent and I certainly do not know which is best, but I do believe that the people in Avon Park should be talking and thinking about what is the correct percentage to use in Avon Park, rather than arguing about whether or not the market value is the same as the assessed value. I believe that I can definitely show most people that the assessed value is lower than the market value, but this is no argument for or against using the 100 percent valuation as the tax valuation.

While this letter in no way answers the problem, I hope that it might help clarify the problem to some people.

Sincerely yours,
Hubbard K. Biggs

Dear Sir:

I would like to know Who is fooling Who? I understand our City Officials would like everyone to pay operation Levy, Yet I understand one of our council mens home is only revalued at $4800. and to pay on the operating levy your property has to be valued over $5000.

Mrs. Pearl Spink who owns a couple old places across from the Packing Plant and railroad on Central Ave, and they are badly in need of repair, her valuation was raised from $2900. to $5430. She has a lot by the railroad on Pleasant Ave, the Valuation was $480. and now is $2580. Also she has two lots on Highlands Ave. in very nice Location and they were valued at $360. and now is $1200.

Yet another home on E. Circle street a two story home, but very nice location was only valued at $3460. It looks to me like some one doing the assessment work didn't know his business. It looks very unfair and unequal to me.

Yet people read in our local paper that most taxes would remain the same, many would enjoy a reduction, and a few would be raised. But since receiving our bills, we find a lot of Tax Payers are paying more with the reduction in milleage. What about next year, with the increase Budget of almost Sixty Thousand Dollars. I wish someone could explain these things to us.

Funeral Service For Mrs. Trice Held Friday

Funeral services for Mrs. H. E. Trice were held on Friday afternoon, Oct. 2, in the Florida Avenue Baptist Church of Avon Park with the Rev. J. M. Gilbreath officiating.

Mrs. Trice was the daughter of the late Mr. and Mrs. Wiley Elder who were long time residents of Avon Park. She was the former Lucille Frances Elder and was born in Worth, Ga. and came with her family to Avon Park in 1921.

Mrs. Trice grew up in Avon Park and was well known in this area. She and her husband, H. E. Trice, lived for a time in Clewiston and have been living in Part-au-Prince, Hatii, for the past several years where he works for a sugar concern. She was the owner of the Orange Blossom Motel in Avon Park and spent a number of months each year in Avon Park.

She died on Sept. 25, of a cerebral hemorhage in Port-au-Prince following a very short illness. Her sudden death was a shock and great sorrow to all her family and friends. She was 46 at the time of her death. Mrs. Trice had the knack of making friends wherever she went and enjoying people and differenct places. She had many friends in Hatii, Clewiston and Avon Par.

Burial was in the Bougainvillea Cemetery in Avon Park. Honorary pall bearers were Leo Collins, Dr. Curtis A. Sears, Alton LaFlam, Mayor E. A. DeLaney, Terry Robbins, and Vernon Harper of Clewiston. Active pall bearers were Boyd Rutledge, Forrest Outlaw, Earl Tyke, Jack DeLaney and Jim Prather.

Survivors include her husband, H. E. Trice of Port-au-Prince; four brothers, James Ellis Elder, Alton Elder, Raphael Elder and Joe Lee Elder all of Avon Park; three sisters, Mrs. L. S. Pickett and Mrs. H. C. Rutledge of Avon Park and Mrs. Faith Harris of Clearwater; two step children, Raymond Trice of Clearwater and Mrs. J. C. Johnson of Moultrie, Ga. and many nieces, nephews and great nieces and nephens in Avon Park and elsewhere.

Many sorrowing relatives and friends attended the funeral services. From Clewiston came Mr. and Mrs. P. O. Robbins, Mrs. Frank Jacob, Mr. and Mrs R. E. Harris and their children, Mr. and Mrs. Jimmie Harris, Mr. and Mrs. M. H. Marsh, The Rev. J. R. Fagen; from Belle Glade, Mrs. Frank Turner. Others from out-of-town were Mr. and Mrs. Jim Wheller, Alma, Ga.; Mrs. W. P. Mathis, Mrs. H. E. Futch, Mrs. J. E. Trice all of Denton, Ga.; Mrs. Lizzie Blue, Tifton, Ga.; Mrs. L. F. Roberts, Orlando; Mrs. Mary Beazley, Orlando; Mrs. Effie Geffort, Winter Park; Mr. and Mrs. Joe Beazley, Orlando; Mr. Grady Ashley, Orlando; Mr. and Mrs. Ray Trice of Clearwater; Mr. and Mrs. J. C. Johnson, Moultrie, Ga.; Mr. and Mrs. L. M. Collins, Bradenton; Mr. and Mrs. Lewis Jerrell and Miss Kakki Gaster of Sarasota; Mr. and Mrs. Bill Simmons of Newberry Vernon Harper of Clewiston and Mr. and Mrs. Dennis Nall off La Belle.

CARD OF THANKS

The husband and family of Mrs. H. E. Trice wish to thank their beloved sister's many friends and relatives for their many kindnesses and lovely floral offerings at the sad time of her recent sudden death.

Birthday Party Honors Stacey Sharpe Friday

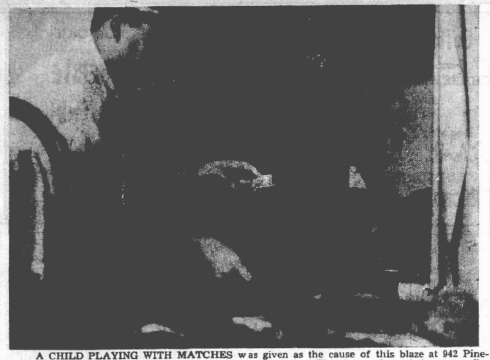
Little Miss Stacey Sharpe celebrated her first birthday with a "stroller" party for some of her young friends on Friday afternoon, Oct. 2, at her home.

Stacey and her guests arrived for the gay birthday party in their strollers and admired the many sizes of colored balloons and gay streamers that decorated the carport of the Sharpe home with shouts and grugles of glee.

A party table covered with a pink and blue birthday cloth held a large birthday cake topped with a miniature doll and saying 'Happy Birthday' delighted the birthday girl. The table also held party favors of pastel cups, boby dolls ,teething biscuits, and colorful hats for the young guests. Stacey's young friends who helped her celebrate the important day were Johnny Barker, Michael Birt, Keith Crews, Kellie Hill, her cousin from Lake Placid, and Frank Anderson, Jr., wh was born on the same day as Stacey in Walker Memorial Hospital also.

Older brothers and sisters who joined the fun and help the young guests were Lee Barker, Buster Birt, Dennis Crews, and Gwen and Tommy Sharpe. During the afternoon the older children and the mothers enjoyed the cake and soft drinks, while the babes ate cookies and fruit juice, but all really enjoyed their treats.

Ed Sharpe took movies and slides of his daughter's first party. Mothers enjoying the afternoon with Mrs. Sharpe and their children were Mrs. Harold Barker, Mrs. Richard Birt, Mrs. Malcom Crews, Mrs. Kelton Hill of Lake Placid, and Mrs. Frank Anderson. Mrs. Audrey Hill was also a guest at her grandaughter's party.



A CHILD PLAYING WITH MATCHES was given as the cause of this blaze at 942 Pineland Avenue which fireman Mac Flowers is shown inspecting. This is another of the many fire causes pointed out by Fire Prevention Week in an effort to reduce the number of fires.

CARD OF THANKS

I wish to take this opportunity to express my heartfelt thanks and appreciation to all our friends who by their words and deeds helped to lighten the burden at the time of the death of my beloved wife, Mrs. Edith Watson. May God Bless You, All.

CAP Squadron Changes Meeting Date To Tuesday

The Sebring Squadron, Civil Air Patrol, has announced a change in its weekly meeting time from Thursday to Tuesday nights at 7:30 p. m. This was done so as not to conflict with the football schedules and is in effect until further notice.

The Training Program, under the able leadership of Senior Officeh Sheffe is giving the Cadets a comprehensive background in navigation, meterology, Civil Air Patrol Regulations and pre-flight training. The Cadets are also building individual airplane models.

The last meeting was held Tuesday night at 7:30 in their headquarters building at Sebring Air Terminal. There were fifteen Cadet and twelve Senior members present. The Squadron is still busy painting and rebuilding and have finished several classrooms.

Anyone interested in the Civil County is cordially invited to attend our meetings.

Thirteen planes with 36 passengers landed at the Sebring Air Terminal on Saturday on the first leg of the sixth annual sportsman pilot navigation contest of the Florida Air Pilots Association and enjoyed coffee and doughnuts served by the following members of the Sebring Squadron of the Civil Air Patrol: Miss Nancy Douglass, Mrs. C. Patton, Allen Altvater Jr., Larry Mason, Norman Kunsman, Charles Payne and John Hanlon.

Winter Guest Club News

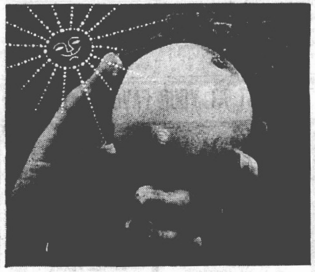
There was a dance on Monday night, the 28th. Yes, that's right, That's what the bulletin board said which recently we saw and read. And that is all we know about that Monday dance, and so there isn't much we can report about that Terpsichorean sport. You see it happen just by chance we're like the "dude that didn't dance." We weren't around that Monday night to eye the tantalizing sight of people walking up and down, stepping high and twirling 'round. And no one brought us any news so now we've nothing about it for youse.

Came to the courts a morn last week Mister and Misses Roy Meeks. We greeted them with a glad hand, only to be told, you understand, and with a merry winsome smile, that they'd been round for quite a while, but not so much at the W. G. C., the reason for which you'll presently see. They have a new home, have been moving in, and that's why here they've so infrequently been. They are here in Avon Park to stay, the right thing to do we up and say.

There are coming events to be noted here to drive away gloom and bring good cheer. On October 5 at Highland Park, a picnic and dance, oh quite a lark. On October 6 bridge games begin bringing great honor to people who win. On October 9 begin Friday night dances for all who for that merry sport have famcies.

Meanwhile the weather has been quite all right so that shuffle board tournaments functioned at night, on Wednesday evening and Saturday too, and yes of contendants there were quite a few. There were more courts in action than have been of late, the number we're informed being seven or eight. And who did win on Wednesday eve? Ex-President Duke and Kull, V.P., while close behind them no very great ways were Mr. Walt Walker and Mr. Jack Hayes. And who were the toppers on Saturday? Hush, lend us your ears. 'Twas Schauger and Brush, who know how to wield their cues in a way to clear the whole field. And who came next 'neath the 'lectric light, winning the consolation that night? Well, listen again while the truth we tell. 'Twas Mrs. Caton and Mrs. Pickell, who handled their cues remarkably well.

And now let us stop though we say it with dolor, for it's all the news we have says The Stroller.



keeps mites away longer...

KELTHANE

Don't put up with mite killers that have slow initial kill or that require frequent applications. Switch to KELTHANE, the longer-lasting miticide. KELTHANE is not a phosphate—is safe to use. No extraordinary precautions are necessary when used as directed.

KELTHANE quickly kills most of the troublesome mite species, including "resistant" strains. KELTHANE is excellent for an immediate mite clean-up. Its long-lasting action prevents the development of mite populations by migrants or newly hatched colonies. Long-lasting residual activity also means fewer applications per season . . . more dollars saved. KELTHANE will help you harvest more perfect-finish fruit. It is compatible with most citrus pesticides and harmless to beneficial insects. See your dealer today for KELTHANE.

Brownie And Girl Scout News

All leaders of the Avon Park Girl Scout and Brownie Troops are asked to meet with Mrs. George Costello, Executive Director of the Ridge Area Girl Scout Council, on Thursday, Oct. 15, from 10 until 11:30 o'clock in the Sebring Girl Scout House.

At this time Mrs. Costello will explain the Scout Council to the leaders and attempt to help them with any problems that have arisen. All leaders and interested workers are urged to attend. The Scout House is across from the Highlands County Courthouse in the little log cabin.

The three Avon Park Girl Scout troops have become organized in the last few weeks and have all started their yearly programs for girls of the fifth, sixth, and seventh grades.

Troop 1 met on Thursday afternoon, Oct. 1, in the Kings Court Building with twenty girls present and planning to take part in the activities for the coming year. The troop purchased two archery sets and Leon DeLaney and Robert Durden were on hand to help the girls learn how to use their new equipment.

During the short business meeting the girls made plans for the next several meetings with the help of their leaders, Mrs. Bob Lee, Mrs. N. H. Booth and Mrs. John Townsend. Refreshments were served after the meeting by Mrs. W. E. Sykes.

The new troop for fifth grade girls held its first meeting on Tuesday afternoon, Sept. 29, in the Woodruff Heights Scout Building with seventeen girls present. Mrs. Lawrence Johns, leader of the troop, and Mrs. Roy Felknor, assistant leader, were present for the meeting. During the meeting the girl scouts elected Alice Felknor and Lisbet Liles as patrol leaders. After making plans for the fall projects refreshments were served the group by Mrs. Felknor and Mrs. Johns. The troop will meet each Tuesday at 3:15.

Troop committee members for the new troop are Mrs. Jeff Barrow, Refreshments; Mrs. Ben Stewart, Mrs. Brady Smith and Mrs. Palmer.

Auto Tourists To Florida Show Great Increase

The Florida Development Commission reported today that automobile tourists entering the state during August showed an increase of 45 per cent over the same month in 1958.

The 1,322,130 automobile visitors during August pushed the total in this classification for the first eight months of 1959 to 6,709,067. The figures indicated that August has displaced July as Florida's biggest automobile tourist month, since the August total topped July by 101,371.

Ford Tractor Is Donated To 4-H State Program

Gainesville, Fla.—The statewide 4-H tractor program featuring safety, care and maintenance will get in high gear following the donation of a vehicle by Ford tractor dealers of Florida, according to W. W. Brown, boys' 4-H agent with the State Agricultural Extension Service.

Wilton C. Ireland, local dealer representing the State distributors, presented a tractor to Brown for use at 4-H Camp Cloverleaf near Lake Placid. The vehicle will bolster the education facilities at the camp, Brown said.

Toughest Driver in Town!

Careful Percy McFidget—who would believe that he's harder on his car than anybody in town? Why, he never goes over 35 or takes a trip over 10 miles!

Actually this kind of driving is very hard on a car engine because the engine seldom gets "warmed up" sufficiently. The oil tends to be sluggish. Sludge forms in the crankcase. The way is open for dangerous wear and corrosion.

But there's something you can do about this, to *protect* your motor. If you have to do a lot of start-and-stop driving at low speeds, as most of us do, use Trop-Artic* Motor Oil. It flows fast . . . resists sludge formation . . . helps your car run better, longer. Get Trop-Artic Motor Oil at any station where you see the Phillips 66 Shield.

Philpott - Dunn Vows Exchanged

MR. AND MRS. HERBERT J. DUNN

Miss Frankie Joan Philpott and Herbert J. Dunn were united in marriage in the Walker Memorial Seventh Day Adventist Chapel on Sunday evening, Aug. 16.

The bride is the daughter of Mr. and Mrs. Ellis E. Philpott of Avon Park and Orlando, and the bridegroom is the son of Elder and Mrs. L. L. Dunn of Glendale, Cal.

White chrysanthemums and gladioli with palms formed the setting for candlelight ceremony performed in the soft light of twenty-seven candelabra. Elder L. L. Dunn read the marriage service.

A program of nuptial music was presented by J. D. Linebarger of Chattanooga, Tenn. at the organ. Miss Charlotte Morris of Boulder, Col. sang "Whither Thou Goest" and "Bless This House" and Dick Larsen sang "God Gave Me You." The wedding tapers were lighted by Fred Fuller of Collegedale, Tenn. and Bill Philpott, brother of the bride of Tacoma Park, Md.

The bride, given in marriage by her father, wore a traditional floor length wedding gown of tulle and satin. The fitted bodice featured a Peter Pan collar with short sleeves and a satin cumberbund. A bustle effect highlighted the full tulle skirt which ended in a chapel train. Seed pearls trimmed the lovely gown and her veil of imported illusion lace fell from a lace gown with seed pearls and sequins. She carried a white orchid shower bouquet with feathered carnations atop a White Bible.

Mrs. William S. Philpott, sister-in-law of the bride of Tacoma Park, Md. was matron of honor. Her waltz-length gown was of blue silk organdza with a v-neckline, a wide sash, and a very bouffant skirt. Her headpiece was a velvet bandeau with a short veil and she carried a crescent bouquet of pink and white carnations and pink angel feathers.

Bridesmaids were Mrs. Robert Trawick of Orlando, cousin of the bride, and Mrs. Elwyn Dunn, sister-in-law of the bridegroom of Santa Anna; Cal. They wore gown indentical to that of the matron of honor.

Little Miss Freda Fuller was flower girl and she wore a white organdy gown with a small hat of flowers and dropped petals before the lovely bride. Master Freddie Fuller carried the Bible Book.

Dr. Elwyn Dunn of Santa Anna, Cal. brother of the bridegroom, served as best man.

Ushers-groomsmen were William S. Philpott, of Tacoma Park, Fred Fuller of Collegedale, Tenn., Larry McClure of Avon Park and Paul Richardson of Avon Park.

Mrs. Philpott chose for her daughter's wedding a pink lace sheath gown with white accessories and a white rose corsage. The mother of the bridegroom, Mrs. Dunn, wore a dusty rose sheath dress with rose accessories and a white rose corsage.

A reception was held in the Dining Room immediately following the ceremony. The bride's table was covered with a white lace tablecloth and centered with a four tiered wedding cake topped with a miniature bride and bridegroom. Silver candelabra were at each end of the table and the bride's bouquet was the only floral decoration.

A punch table held a crystal punch bowl and was decorated with the wedding bouquets. The bride's book was presided over by Mrs. J. D. Linebarger of Chattanooga. Mrs. Glenn Linebarger of Jacksonvill, aunt of the bride, and Mrs. Fred Fuller served cake to the guests. Miss Frances Ann Hartwell and Miss Ann Tompkins of Avon Park served the punch. Mrs. W. C. Arnold was in charge of the reception.

During the reception the young couple left for a wedding trip to Jacksonville beaches. Mrs. Dunn chose for the trip a pink sheath dress with white accessories and the orchid from her bouquet.

The young couple are making their home in Collegedale, Tenn. where they are both continuing their education at the Southern Missionary College.

Out-of-town guests at the wedding were Elder and Mrs. L. L. Dunn, Glendale, Cal.; Dr. and Mrs. Elwyn Dunn of Santa Anna, Cal.; Mr. and Mrs. Clyde Morris and their daughter, Charlotte, Boulder, Col.; Mrs. D. S. Johnson of Louisana, grandmother of the bride; Dr. and Mrs. W. H. Philpott and their three children of Tacoma Park, Md.; Mr. and Mrs. W. S. Philpott, brother of the bride also of Tacoma Park; Mr. and Mrs. James Chambers, Texas; Mr. and Mrs. Fred Fuller and their children of Collegedale, Tenn.; Mr. and Mrs. K. R. Davis of Collegedale; and Mr. and Mrs. J. D. Linebarger of Chattanooga, cousin of the bride.

The Navy first used the Panama Canal on Oct. 12, 1914, when the USS Jupiter crossed the "Big Ditch" from the Pacific to the Atlantic.

Legion Auxiliary Meets Monday At Florida Power

The American Legion Auxiliary will hold its regular monthly meeting on Monday night, Oct. 12, at 8 o'clock in the Florida Power Customer's Lounge with Mrs. Ed. Welch and Mrs. Howard C. Maddox serving as hostesses.

All members are urged to bring their membership to the meeting as it is time for these to be sent to the state and national Legion Auxiliary. The Monday meeting is also the time that articles for the three veteran's hospitals in Florida are due. These comfort articles for the veterans are being made by members and everyone is asked to get theirs to the meeting so that they may be sent.

The Legion Auxiliary will again sell food, drinks, etc. at the Stewart's Auctions on the Sebring highway to raise money for their worthy projects this year. The members will start operating the concession stand on the evening of Friday, Oct. 9, and Saturday, Oct. 10.

All members and those interested in becoming members of the American Legion Auxiliary are urged to attend the Monday night meeting.

On Oct. 3, 1921, the USS Olympia sailed from Newport, R. I., for France to return the body of the WWI Unknown Soldier for burial at Arlington, Va.

Radio Devotions Time Changed To 11 O'Clock

At the Tuesday morning meeting of the Avon Park Ministerial Association it was voted that the ministers cooperating with radio station WAVP in the morning devotional program accept the recommendation of station manager, Mr. Gayle, that the time be changed from 10:15 a. m. to 11 a. m.

A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME
This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but *three new lines* of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any *Point of View*, worth more from every *Point of Value!*
2. The 1960 Falcon—The New-size Ford, the world's most *experienced* new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Now you can *see* them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hardtop model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on *regular* gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only *begin* with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

FORD DIVISION, Ford Motor Company,

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for *six* big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like *no* other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most *experienced* new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers *expect.* Its gearshift is on the steering column—*not on the floor.* Its engine is located *up front* for greater stability and safety. Best news of all is the Falcon's low, *low* price. See it at your Ford Dealer's . . . and see the *difference!*

THE FALCON FORDOR SEDAN the world's most experienced new car is the easiest car in the world to own!

Patriots Chapter Holds Its First Meeting Of Fall Season Monday

The first meeting of the fall season, of the Patriots Chapter of the Daughters of the American Revolution, met at the home of Mrs. Howard G. Livingston, in Sebring, Monday, Oct. 5th at 2:30 p. m.

Mrs. Clyde Swihart, who is beginning her second year as Regent, was in charge of the meeting. A very interesting and entertaining afternoon was enjoyed by all present.

Mrs. Carl J. Johnson was welcomed as an associate member, and others will be received as soon as their papers are cleared by the National Organization. Mrs. Errison chrm. of National Defense, read a very instructive paper, which answered the much asked question, "What can I do toward National Defense"? And showed that there is much each of us can do, but it requires effort in the proper direction, disiterestedness is what hinders many from being active in the defense of our country.

Mrs. Walter H. Mather gave a resume' of the resolutions adopter by the 68th Continental Congress. This was especially helpful to new members, and those who have not been able to keep up with the work.

Mrs. Eugene Borda as chrm. of Indian affairs, gave a very enlightening report on our Seminole Indians.

After the usual business session the Program committee introduced Miss Gail Muller and Mr. Fred Wild Jr., who delighted the listeners with several piano numbers, then Miss Lauderbach accompanied by Mrs. Florence Dunham played two violin numbers which were greatly appreciated.

Hester Fleck sister of Mrs. Jones was an out of town D.A.R. visitor, her home being Hatboro, Pa. (Philadelphia)

The Livingston Home was very artistically decorated for the occasion with Autumn colors, Flowers, Fruit and Autumn Leaves being in the arrangements.

Delicious sandwiches, cookies and punch were served in the dining room by the hostesses, Mrs. Livingston, Mrs. H. O. Jones, Mrs. Mather and Maud Borda.

Family Night Planned By Methodist Group

The second Family Night potluck supper for the church year has been planned for members and friends of First Methodist Church.

The supper will be held Wednesday night, October 14, in Wesley Hall, with the ladies of the Woman's Society of Christian Service serving as hostesses.

The first of these suppers proved a great success, and a large number of families is expected for the second one. Activities will include supper at 6:00, table singing at 6:30, and fellowship games until 7:00. The group will then go into the Sanctuary for the current Bible Study in the "Twelve Jesus Chose to Follow Him." The Apostle James, son of Zebedee, will be the topic for discussion.

A cordial invitation is extended to the public to participate in the Wednesday evening program of First Methodist Church.

Teachers Attend Area Meeting At Winter Haven

The faculties of all the schools of Highlnds, Polk, Osceola, and Hardee Counties attended the annual Florida Educational Association meeting in Winter Haven, Monday.

These four counties comprise Area 9 of the FEA and a large group of teachers were present for the meeting in the Nora Mayo Auditorium. There will not be another general meeting of the Area 9 group until next year and the schools in the four counties were closed so that all teachers might attend.

During the annual business meeting, officers of the group were elected for the coming year with Mrs. Lillian Depp of Sebring being chosen as Area Secretary. State President of the F. E. A., Mrs. Sewell was present to welcome the teachers and several other state officials were also at the meeting. The Assistant Secretary of Schools of Florida represented Thomas Bailey, State Superintendent.

Several important business matters came before the group after the election.

The main speaker of the day was Dr. E. V. Haake, Consultant for General Motors, from Largo. Dr. Haake, a man of wide and varied experience, gave an inspiring address to the teachers just beginning their fall school terms.

Increase Shown In Membership By Local Church

In the first quarterly conference of First Methodist Church, held last Sunday immediately following the morning worship service, the Pastor, the Rev. Allan R. Stuart, reported a gain in membership since June of 21. The total membership of the church nears the 500 mark, and this number should be passed by Christmas, reports Rev. Stuart.

Dr. Harry H. Waller, District Superintendent, presided over the conference, the first of two in every church year for all Methodists. The commissions on missions reported that a mission giving goal in excess of $4,000 has been set. The report of the youth fellowship showed that the youth group is gaining new members every Sunday, and that since June the membership has increased from 54 to 80. The church school also reported substantial gains since a year ago, with over 100 new pupils enrolled in that time.

The commission on stewardship and finance reported that the plans for air conditioning the Sanctuary and Wesley Hall were well on the way, and should be completed in the very near future. The Woman's Society of Christian Service reported a total membership of 120, with many more prospects for membership showing interest.

Dr. I. H. Chandler Funeral Service Friday Afternoon

Funeral services for Dr. I. W. Chandler, 79, will be held Friday afternoon at 3 o'clock at the First Methodist Church with Rev. Allen R. Stuart officiating.

Dr. Chandler, who practiced medicine in Avon Park for 30 years, passed away at Decatur, Georgia, Monday. A graduate of the University of Georgia and Atlanta College of Physicians and Surgeons he served as president of the Tri-County Medical Association which comprises Highlands, Hardee and DeSoto Counties.

He was a member of the Florida state board of Medical Examiners, a colonel on the staffs of former governors, Fred Cone and Fuller Warren. He was a Mason, a member of the Methodist Church, and served on the board of stewarts.

Survivors include a daughter, Mrs. W. R. Carter, of Decatur; two sisters, Mrs. Clifford Holliday, of Lexington, Ga.; and Miss Flora Chandler of Hull, Ga.; and two grandchildren.

Pallbearers will be Earl Rich, Malcolm Crews, J. C. DeShong, J. N. Tomlinson, L. C. Hooper and Ralph Graham.

Avon Park Lakes News

Mr. and Mrs. E. Todd, of Miami, Fla. were Monday afternoon visitors of Mr. and Mrs. Orville Castine.

Mr. and Mrs. R. W. Murdick returned to their home on Lake Olivia last Friday evening after several months in Old Lyme, Conn. Their southern trip took them through Summerville and Walterboro, S. C., where the damage by hurricane Gracie was very serious. In addition to the wreckage of utility services many fine old trees had fallen in the center of both places.

The Murdicks received a letter from their daughter, Mrs. Earle R. Ryba of Ames, Iowa, in which she gave an account of Chairman Khrushchev's visit to the Home Economics Building of Iowa State University. The children, Beth-Ann, four, and David, three months, were good for many feet of Russian correspondent's film as the latter looked for human interest shots among the crowd. Beth-Ann attracted interest by hugging her brother, David, who bubbled with infant joy at his sister's attention.

Board Meet Of Ridge Area Day School Monday

A large group of interested friends attended the open Board of Directors Meeting of the Ridge Area Association for Retarded Children on Monday night, Sept. 24.

A special highlight of the meeting that delighted the group were recordings of the children of the Ridge Area Day School which had been taped by the Rev. Tom Jones of Sebring. These delightful recording gave the audience an idea of the wonderful work being done in the Day School.

A film "The Angry Boy" sponsored by the Sebring Junior Woman's Club was also enjoyed by the group. This film is a sensitive study of an emotionally distrubed boy and how he can be helped.

During the business meeting plans were discussed about the possibility of building a permanent home on the new lot but no definite conclusions were reached. Reports were heard from members who had discussed the possibility of the King's Court Property being sold with members of the city government. In such an event the city will be more than generous to the Day School as to allowing them time for necessary arrangements.

The Annual Fund Drive for the Day School is still in progress and doing well but more contributions are needed from its always faithful supporters. These funds will be used for the operation of the local school and go for children in Highlands County. Anyone interested in donating any amount, large or small, may mail their contribution to P. O. Box 731 in Avon Park.

Avon Park contributors this week are Mrs. Margaret Duggan, Dr. B. C. Ostling, S. F. Longbottom, Mrs. Earl Hartt, Avon Park Junior Woman's Club, Mrs. T. H. Maxwell, Walter Martin, Frank W. Whitney, and a special large donation from the Rescue and Survival Company at the Bombing Range greatly appreciated as it was unsolicited.

From Sebring donations have been received from J. M. Stephenson, Redmond Dortch, Frank Bryant, J. S. Burkett, Robert P. Butts, (Bob's Men's Wear) Mrs. Hilda Johanson, The Sebring PTA, Mr. and Mrs. Stanley Davis, Mrs. George Clark, Thomas Whitehouse, Edna M. Walters, C. E. Weaver, and R. O. Turner.

Halloween Party Set By Florida Power Employees

Plans Plans were completed for a gala Halloween party for the members of the Florida Power Employees Club and their families at the regular meeting of the Florida Power Employees Club Auxiliary on Thursday night, Oct. 1, in the Clubhouse on Lake Lotela.

The gay celebration is planned for the afternoon and evening of Saturday, Oct. 24, in the Florida Power Clubhouse on Lake Lotela and there will be fun and entertainment for all ages. Costumes are optional for children and adults but it is hoped that a good number will become "Spooks and hobgoblins" for the day.

There will be prizes, games, and movies of the famous Disneyland for the young folk with a hamburger fry with all the trimmings for everyone. After supper there will be more entertainment for children and their parents.

Fifteen members were present at the meeting to make the plans for the coming social events. Mrs. Lawrence Ford and Mrs. C. I. Wells were hostesses for the evening and they served delicious refreshments of party sandwiches, homemade cookies and iced Cokes. Mrs. Ed Albritton was the lucky winner of the door prize.

During the evening plans were discussed for the annual Christmas festivities for the Employees Club. Mrs. Ed Sharpe was nemed chairman of a committee to make arrangements to purchase toys for each of the employees' children. She will also see that work is started on the Auxiliaries large outdoor Christmas scene of the three wise men. This year the group will add a manger to the scene. Each year they add one thing to the lovely large religious Christmas decoration.

After more business the meeting was adjourned and the members enjoyed the delicious refreshments and a social hour. Hostesses for the next regular meeting on Thursday, Nov. 5, will be Mrs. Richard Birt and Mrs. Harold Barker.

Assembly Of God

Burton K. Arno, an experienced missionary, will speak at the church on Thursday night, Oct. 8, at 7:30. He will show movies and slides of his work in Brazil and Nicaragua. All members of the church and others of the community who are interested are cordially invited to attend.

The Rev. and Mrs. H. J. Held returned home Friday after spending six weeks in Michigan and attending the Annual General Council of the Assemblies of God in San Antonio.

12,000 ministers, delegates, and laymen of the Assemblies of God from all over the United States and the world attended this important conference the last week in August. At the Sunday night, Aug. 30, more than 28,000 people were present for the evening service which was held in the Alamo Stadium in San Antonio.

The Rev. Thomas Zimmerman of Springfield, Mo., was elected president of the Council during the business meeting of the group. He succeeds the Rev. Ralph Riggs who held this top executive position for six years.

Rev. and Mrs .Held and all the participants felt that the Council was very successful and enjoyed San Antonio and the friendliness of its citizens.

Congregational

The Ladies Aid will hold its first regular meeting of the fall on Wednesday, Oct. 14, at noon in the Social Hall of the Educational Building. A Covered Dish Luncheon will precede the business meeting and all women of the church are invited to bring a covered dish and their table service and attend the meeting.

Nearly forty members of the Junior Pilgrim Fellowship and their parents joined in the fun at the Pot Luck supper the group held on Sunday night, Oct. 4, in the church. After the delicious supper a short program was presented.

Plans for the Ladies Aid Annual Pie and Apron Social are nearly completed. It will be held on Monday, Oct. 26, from 3 until 7 o'clock in the Educational Building. At this time delicious pie, coffee, and dainty aprons will be sold.

First Baptist

The regular Brotherhood meeting will be held Thursday, Oct. 8, at 7:30 in the church.

The Annual meeting of the Orange Blossom Association will be held with the Lake Placid Baptist Church on Tuesday, Oct. 13.

Layman's Day will be observed on Sunday, Oct. 11.

The new choir rehearsal schedule is Sunday, 5:15 Intermediates; Tuesday, 4:00 - 4:45, Primary Choir; Wednesday, 3:15 - 4:15, Junior Choir, 8:30 - 10:00, Adult Choir; and Friday, 3:15 - 3:45, Beginner Music Activity.

A large group enjoyed hearing Mrs. George Hayes speak at the Sunday evening services on Oct. 4. Mrs. Hayes and her husband are Southern Baptist Missionaries to Japan and are at home on furlough at the present time. Mrs. Hayes told the group a great deal about their important work and the work of all the missions in Japan.

Next Sunday, October 11, 1959, our Pastor will be officially installed as Pastor of Resurrection Lutheran, Avon Park by Dr. Royall A. Yount, President of the Florida Synod.

The Florida Synod and the Board of Research And Survey have approved the church site overlooking Lake Verona.

Site was also approved by the congregation.

We extend a most cordial welcome to our visitors. We hope that you will join us often, and if you have no church home in the Avon Park area, we heartily invite you to unite with us for the furthering of God's work in this area.

Episcopal

This past Sunday, Mr. C. F. Ward assisted Father Watterson in the conducting of an Instructed Eucharist.

The church school is meeting every Sunday at 9:30 a. m. The children go immediately to the church for a short worship service after which Father Watterson gives a Catechetical instruction; pupils then go to classes.

The Rt. Rev. William F. Moss, Suffragan Bishop of South Florida will make his episcopal visitation on All Saints Day, Nov. 1. Confirmation classes are being held Monday evenings for adults at 7:30 p. m. in the Parish House. A reception for the Bishop and the newly confirmed is scheduled immediately following the service. Mrs. Don Williamson is in charge. Also on this day the Episcopal churchwomen will have their united Fall thank offering In-Gather at the 11 a .m. service.

This past Tuesday St. Faith's Guild had a corporate communion. Saturday they plan a cake sale in front of the Thrift House. All women of the church are urged to bring baked goods to the Thrift House between 8:30 a. m. and 9 a. m. If unable to bring them please contact Mrs. J. C. Wright or Mrs. M. Wester Jr., they will see they are picked up.

St. Margaret's Guild met Wednesday morning. A program was given on Altar Work, followed by a nice covered dish luncheon that was enjoyed by all,

Service for Sunday: 7:30 a. m. Holy Eucharist; 9:30 a. m. church school; 11 a. m. Morning prayer and sermon.

Senior Womans Club Draws Heavy Attendance At First Fall Meet

Sixty-three members and guests were present to make the first fall meeting of the Avon Park Senior Woman's Club a gala occasion on Friday afternoon, Oct. 2, in the Woman's Club Building.

Mrs. John Townsend, president of the Senior Club, opened the meeting with a short speech of welcome to the old and new members. She expressed hope for another outstanding club year in 1959-60.

Mrs. Sam Norris, Devotion Chairman, discussed the importance and meaning of the moving and practical Club Collect of the Federation of Woman's Clubs of Florida. She also read a very interesting and inspiring poem "How Well We Serve" to start the important first meeting of the club year.

During the business meeting several matters of importance to all were discussed and voted upon. The budget for the Club for the '59-60 club year was read and approved by the members. The club accepted the wish of Mrs. Stevens, a long standing member of the local group, that she be made an honorary member. A book for the Avon Park Library was donated by Mrs. Stevens. Mrs. Samuel Elkhill also donated a book for the Library in memory of her late husband.

Plans for The Book Fair was discussed. The Book Fair, which was so successful last year and of such value to the parent of Avon Park, will be held in the Woman's Club Building in the near future. All members are urged to attend and see the lovely exhibits.

An open letters to the City Council of Avon Park and to the Avon Park Sun concerning garbage, the club building on the corner of Verona Avenue, and dogs in the city was read before the club. This letter is to be published in the editorial column of the Sun.

The Annual Garden Party will be held soon and Mrs. Samuel Norris asked a group of ladies to meet with her at her home on Thursday morning, Oct. 8, to make plans for this. The Garden Party has been a successful event of the Senior Club for the past several years and is always enjoyed by all.

This fall the Chest X-Ray unit will make its annual visit to our community and Mrs. T. Hayes Maxwell, president of the Highlands County TB Association, asked that all members who are interested in volunteering a few hours of their time for this worthy service please contact her or Mrs. Helen Harris as to the time their services will be available.

Mrs. Townsend asked that all members who were donating pie or cake to the Halloween Food Booth please remember to bring their pie or cake to the Food Booth in Donaldson Park on Saturday afternoon, Oct. 31, by four o'clock. The Senior Club has sold delicious desserts at the Annual Halloween Carnival for many years.

Dr. Ruth Phillips spoke briefly on current events using "Mr. K. and the World Today" as the theme of her up-to-the-minute talk. The pertinent facts she brought out gave the members a better understanding of the acting of Mr. K. on his recent visit and in the last few months.

Mrs. Dorritt Wolverton entertained the members with a reading "Say It With Flowers". Following the meeting delicious cookies and punch were served the members and guests and an enjoyable social hour ended the first meeting. Anyone interested in joining the Senior Woman's Club of Avon Park is asked to contact a member and tell them of their desire.

The next meeting of the Avon Park Senor Woman's Club will be a Covered Dish Luncheon at noon on Friday, Nov. 6, in the Club Building. All members are invited to bring a dish and their table service and enjoy the luncheon. A business meeting will be held after lunch. Miss Myrtle Wilson will present the program for the day on "Food, Fact and Fancy".

CARD OF THANKS

We wish to take this opportunity to express our heartfelt thanks to all our Avon Park friends for their many words and acts of kindness at the time of the passing away of our loved one, J. H. Dean.

Church News . . .

Assembly Of God

Burton K. Arno, an experienced missionary, will speak at the church on Thursday night, Oct. 8, at 7:30. He will show movies and slides of his work in Brazil and Nicaragua. All members of the church and others of the community who are interested are cordially invited to attend.

The Rev. and Mrs. H. J. Held returned home Friday after spending six weeks in Michigan and attending the Annual General Council of the Assemblies of God in San Antonio.

12,000 ministers, delegates, and laymen of the Assemblies of God from all over the United States and the world attended this important conference the last week in August. At the Sunday night, Aug. 30, more than 28,000 people were present for the evening service which was held in the Alamo Stadium in San Antonio.

The Rev. Thomas Zimmerman of Springfield, Mo., was elected president of the Council during the business meeting of the group. He succeeds the Rev. Ralph Riggs who held this top executive position for six years.

Rev. and Mrs .Held and all the participants felt that the Council was very successful and enjoyed San Antonio and the friendliness of its citizens.

Congregational

The Ladies Aid will hold its first regular meeting of the fall on Wednesday, Oct. 14, at noon in the Social Hall of the Educational Building. A Covered Dish Luncheon will precede the business meeting and all women of the church are invited to bring a covered dish and their table service and attend the meeting.

Nearly forty members of the Junior Pilgrim Fellowship and their parents joined in the fun at the Pot Luck supper the group held on Sunday night, Oct. 4, in the church. After the delicious supper a short program was presented.

Plans for the Ladies Aid Annual Pie and Apron Social are nearly completed. It will be held on Monday, Oct. 26, from 3 until 7 o'clock in the Educational Building. At this time delicious pie, coffee, and dainty aprons will be sold.

First Baptist

The regular Brotherhood meeting will be held Thursday, Oct. 8, at 7:30 in the church.

The Annual meeting of the Orange Blossom Association will be held with the Lake Placid Baptist Church on Tuesday, Oct. 13.

Layman's Day will be observed on Sunday, Oct. 11.

The new choir rehearsal schedule is Sunday, 5:15 Intermediates; Tuesday, 4:00 - 4:45, Primary Choir; Wednesday, 3:15 - 4:15, Junior Choir, 8:30 - 10:00, Adult Choir; and Friday, 3:15 - 3:45, Beginner Music Activity.

A large group enjoyed hearing Mrs. George Hayes speak at the Sunday evening services on Oct. 4. Mrs. Hayes and her husband are Southern Baptist Missionaries to Japan and are at home on furlough at the present time. Mrs. Hayes told the group a great deal about their important work and the work of all the missions in Japan.

Resurrection Lutheran

Worshiping at Winter Guest Club, Avon Park 9:00 a. m. Mrs. Harry Gibson, Pianist, Rev. John W. Walters, Pastor, 124 Garden View Rd., Sebring. Ph. EVergreen 5-2453.

Serving The Eight Member Bodies Of The National Lutheran Council.

Next Sunday, October 11, 1959, our Pastor will be officially installed as Pastor of Resurrection Lutheran, Avon Park by Dr. Royall A. Yount, President of the Florida Synod.

The Florida Synod and the Board of Research And Survey have approved the church site overlooking Lake Verona.

Site was also approved by the congregation.

We extend a most cordial welcome to our visitors. We hope that you will join us often, and if you have no church home in the Avon Park area, we heartily invite you to unite with us for the furthering of God's work in this area.

Episcopal

This past Sunday, Mr. C. F. Ward assisted Father Watterson in the conducting of an Instructed Eucharist.

The church school is meeting every Sunday at 9:30 a. m. The children go immediately to the church for a short worship service after which Father Watterson gives a Catechetical instruction; pupils then go to classes.

The Rt. Rev. William F. Moss, Suffragan Bishop of South Florida will make his episcopal visitation on All Saints Day, Nov. 1. Confirmation classes are being held Monday evenings for adults at 7:30 p. m. in the Parish House. A reception for the Bishop and the newly confirmed is scheduled immediately following the service. Mrs. Don Williamson is in charge. Also on this day the Episcopal churchwomen will have their united Fall thank offering In-Gather at the 11 a .m. service.

This past Tuesday St. Faith's Guild had a corporate communion. Saturday they plan a cake sale in front of the Thrift House. All women of the church are urged to bring baked goods to the Thrift House between 8:30 a. m. and 9 a. m. If unable to bring them please contact Mrs. J. C. Wright or Mrs. M. Wester Jr., they will see they are picked up.

St. Margaret's Guild met Wednesday morning. A program was given on Altar Work, followed by a nice covered dish luncheon that was enjoyed by all.

Service for Sunday: 7:30 a. m. Holy Eucharist; 9:30 a. m. church school; 11 a. m. Morning prayer and sermon.

Senior Womans Club Draws Heavy Attendance At First Fall Meet

Sixty-three members and guests were present to make the first fall meeting of the Avon Park Senior Woman's Club a gala occasion on Friday afternoon, Oct. 2, in the Woman's Club Building.

Mrs. John Townsend, president of the Senior Club, opened the meeting with a short speech of welcome to the old and new members. She expressed hope for another outstanding club year in 1959-60.

Mrs. Sam Norris, Devotion Chairman, discussed the importance and meaning of the moving and practical Club Collect of the Federation of Woman's Clubs of Florida. She also read a very interesting and inspiring poem "How Well We Serve" to start the important first meeting of the club year.

During the business meeting several matters of importance to all were discussed and voted upon. The budget for the Club for the '59-60 club year was read and approved by the members. The club accepted the wish of Mrs. Stevens, a long standing member of the local group, that she be made an honorary member. A book for the Avon Park Library was donated by Mrs. Stevens. Mrs. Samuel Elkhill also donated a book for the Library in memory of her late husband.

Plans for The Book Fair was discussed. The Book Fair, which was so successful last year and of such value to the parent of Avon Park, will be held in the Woman's Club Building in the near future. All members are urged to attend and see the lovely exhibits.

An open letters to the City Council of Avon Park and to the Avon Park Sun concerning garbage, the club building on the corner of Verona Avenue, and dogs in the city was read before the club. This letter is to be published in the editorial column of the Sun.

The Annual Garden Party will be held soon and Mrs. Samuel Norris asked a group of ladies to meet with her at her home on Thursday morning, Oct. 8, to make plans for this. The Garden Party has been a successful event of the Senior Club for the past several years and is always enjoyed by all.

This fall the Chest X-Ray unit will make its annual visit to our community and Mrs. T. Hayes Maxwell, president of the Highlands County TB Association, asked that all members who are interested in volunteering a few hours of their time for this worthy service please contact her or Mrs. Helen Harris as to the time their services will be available.

Mrs. Townsend asked that all members who were donating pie or cake to the Halloween Food Booth please remember to bring their pie or cake to the Food Booth in Donaldson Park on Saturday afternoon, Oct. 31, by four o'clock. The Senior Club has sold delicious desserts at the Annual Halloween Carnival for many years.

Dr. Ruth Phillips spoke briefly on current events using "Mr. K. and the World Today" as the theme of her up-to-the-minute talk. The pertinent facts she brought out gave the members a better understanding of the acting of Mr. K. on his recent visit and in the last few months.

Mrs. Dorritt Wolverton entertained the members with a reading "Say It With Flowers". Following the meeting delicious cookies and punch were served the members and guests and an enjoyable social hour ended the first meeting. Anyone interested in joining the Senior Woman's Club of Avon Park is asked to contact a member and tell them of their desire.

The next meeting of the Avon Park Senor Woman's Club will be a Covered Dish Luncheon at noon on Friday, Nov. 6, in the Club Building. All members are invited to bring a dish and their table service and enjoy the luncheon. A business meeting will be held after lunch. Miss Myrtle Wilson will present the program for the day on "Food, Fact and Fancy".

CARD OF THANKS

We wish to take this opportunity to express our heartfelt thanks to all our Avon Park friends for their many words and acts of kindness at the time of the passing away of our loved one, J. H. Dean.

Dr. Henderson To Address High School PTA

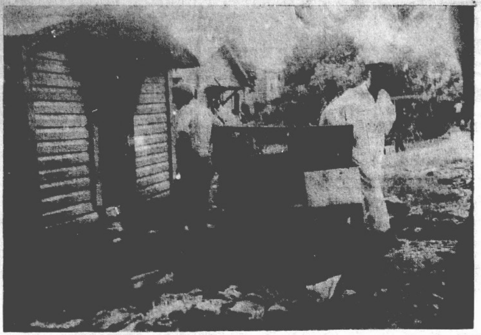
"Teenagers at School and at Home" will be the subject for Dr. C. Brooke Henderson when he addresses the Avon Park Senior High School Parent-Teacher Association on Thursday night, Oct. 15, in the high school auditorium at 7:30.

The subject is one that could not fail to be of interest to the parents and teachers of high school children. An open discussion is planned after the talk with everyone having a chance to ask questions about this near and dear subject.

Dr. Henderson will be well worth hearing on the subject of adolescant boys and girls as he is a phychiatrist and has done work in child phychology and psychiatry. At present he is the head psychiatrist for the Florida Alcoholic Rehabilitation Program and works in and out of the Avon Park Rehab Center. He is the father of three children who have not reached this age as yet. The local group is priviliged to hear a man with such excellent background and is proud to invite all residents of the area and interested persons to attend the meeting.

There will also be a door prize of $5 cash for the holder of the lucky ticket.

During the business meeting several important business matters will be brought before the group.



AN OUTSIDE VIEW of the William McRea home on Pineland Avenue after the blaze reportedly started by a child playing with matches. This is one of the many causes of fires being pointed out during Fire Prevention Week during the observance participated in by the Avon Park Fire Department. Durrah Martin and Mac Flowers are shown inspecting the damage.

All Day Picnic Enjoyed By Quik Chek Employees

The personnel of the local Kwik Chek grocery store enjoyed an all day picnic at Lido Beach in Sarasota on Sunday, Oct. 27.

The occasion was the annual Winn-Dixie picnic for the stores of this area and a gala day was enjoyed by all. There was delicious bar-b-que and fried chicken with all the trimmings for the guests. Hot dogs, cold drinks and other tasty foods were also part of the day's menu with more than enough for all.

During the day there were trapeze acts for entertainment, swimming and the use of all the facilities of Lido Beach. All Winn-Dixie employees and their guests were invited to the picnic.

Enjoying the fun from Avon Park store were Mr. and Mrs. D. L. Brassell and their family; Mr. and Mrs. Everett Simmons; Lamar Thompson, Mrs. Ann Alford, Mrs. Sarah Matthews, Mrs. Mary Cannon and her children; Mr. and Mrs. Jake Copeland and their children, Mr. and Mrs. Dan Antley and their children; Carlton Jenkins, Jerry Couilette, Tommy Downs, James Spragins, Kenneth Palmer and Lloyd Baucom.

Methodist Pastor And Wife Honored

Members and friends of First Methodist Church honored their Pastor and his wife Sunday night, Oct. 4, after the evening worship service. Wesley Hall was the scene for the celebration of the Sixth Wedding Anniversary of The Rev. and Mrs. Allan R. Stuart.

The reception table was laden with seasonal flowers surrounding a cake with the traditional wedding couples set on top. Fruit punch, mints and cookies was served the guests. Co-hostesses were Mrs. Milton Martin and Mrs. Fred McGinty, assisted by Mrs. Bill Renfro.

The Woman's Society of Christian Service presented the Stuarts with a special plate depicting a drawing of the church. Other gifts were received by the Stuarts.

The evening's festivities included folk songs, and several games.

Mrs. Tomlinson Hosts Hi-Lo Club

Mrs. J. N. Tomlinson entertained the members of the Hi-Lo Bridge Club at their weekly meeting in the Florida Power Customer's Room last week.

During the evening three tables of bridge were in play with Mrs. Elizabeth Ladrie winning the high score prize and Mrs. Anita Renfro ending the evening with the low score and receiving the low prize.

A True Measure

of your telephone's value

A true measure of the value of your telephone is its usefulness — the number of people you can reach — quickly and economically — and the number of people who can telephone you.

When new telephones are installed in your community, they immediately broaden the scope of service of your telephone.

At home, the utility of your telephone multiplies — for social calls, for everyday living needs, and for emergencies.

At the office, the increased number of people you can contact, and your accessibility to new, potential customers who can use your type of product or service make your telephone a more profitable instrument of business.

Since 1950, the number of telephones in use in the area served by the Inter County Telephone System has increased from 13,000 to over 45,000. This year—to meet the needs of new population, new business and new industry in this area — 6,300 new telephones are being installed.

How about your telephone at home or office? The chances are you're using it more today than ever.

How Much Lime Is Discussion By County Agent

Most of us know that we need to aply lime to our soils, but how much lime? that is the question.

Unfortunately, there is no simple answer to this important question. The amount of lime to apply to your farm depends on a number of questions. Lets look into some of these."

First, consider how the crop will inflence the amount of lime applied. Crops vary in their requirement for lime. In growing a legume, such as clover, it will be better to add enough lime to maintain the soil pH between 6.0 and 6.5. However, if you are growing non-legums, a pH of around 5.8 to 6.0 will be high enough. Usually it is best to maintain the soil pH above 5.5, according toDr. D. F. Rothwell of the University of Florida College of Agriculture.

Another question to be considered would be the type of soil that you are growing the crops on. This is a very important factor. You should know whether your soil is sandy or whether it has much clay present. Also, how is the organic matter content? Does it apear to be low; medium or high?

The higher the percentage of clay, present, the more lime you will have to apply to raise the pH. The same is true of the organic matter in your soil. More lime will be required when organic matter is higher.

You must know the pH of your soil before knowing how much lime to apply. This means getting a soil test made. If you haven't had your soil tested lately, get in touch with your county agricultural agent.

Next, consider the amount of available calcium and magnesium in your soil. It is possible for your soil to have an adequate pH and still be deficient in these two elements. This may be true if your soil is very sandy and has a low organic matter content. A soil of this type has little resistance to a change in pH.

Dr. Rothwell says another factor to consider is the method of application. The effectiveness of the lime applied increases if it is mived with the soil. When it is disked under, more of the particles of lime will come in contact with the particles of soil.

PINNEY Antes

By BILL PINNEY

A news item from Tallahassee has shattered another of my illusions. According to a report to the state cabinet men released from Raiford are not among the best dressed ex-cons in the country.

Governor Collins told the cabinet, though, that the $11.75 suit with which felons being freed are fitted would cost $200 in Russia. That'll give you some idea of how much the administration saves by not taking our convicts from Raiford to Russia to release 'em.

The Florida freedom frock was described as a hard finish acetate and rayon raiment, medium gray with a blue pin stripe--or is it a pen stripe? Doesn't sound like Hart, Schaffner and Marx. I guess you'd call it a Get Set, Ready and Go suit.

Maybe guys who get out of our Big House ain't among the best dressed. But I'll wager Florida has as many well dressed men who ought to be doing time as any state.

Avon Park Draws Mention In Holiday Magazine

The current issue of the nationally famous magazine Holiday contains a lengthy story concerning the ridge area of Florida.

The story, profusely illustrated with fine pictures of the area, is headed "The Best Part Of Florida" and was written by Benedict Thielen.

Avon Park is mentioned as being deep in the center of the citrus section and much detail is given to the various attractions for the visitor to find in the entire ridge area.

English Bishop Speaks Here At Conference Meet

The Rt. Rev. Cecil Mortimer D.D., the Lord Bishop of Exeter, England, was guest speaker at the clergy conference held at Camp Wingman by the Episcopal Dioces of South Florida last week.

The visit of the Lord Bishop to this country was at the invitation of the Rt. Rev. Henry I. Louttit, Bishop of South Florida. He is considered to be the outstanding authority on Moral Theology.

AP Correctional Institute Announces Staff Increase

Superintendent Wainwright Names Specialized Personnel Employed

Louie L. Wainwright, Superintendent of Avon Park Correctional Institution, announced today that several specialized personnel have been added to the staff at the institution.

Donald R. Hassfurder assumed the duties of Assistant Superintendent on October 1, 1959. He has been most recently connected with the Glades State Prison Farm, Belle Glade, Florida, as the Classification Supervisor.

Hassfurder was born and raised in Madison, Indiana, a small town on the Ohio River approximately forty miles upriver from Louisville, Kentucky. He received his grammar and high school education at Madison, and entered military service in 1947. He spent almost five years in the Army Paratroops and served in both the Far East and European commands. Hassfurder was discharged from service in 1953 with a rating of Sergeant 1C and enrolled in the Florida State University the same year. He graduated from the Florida State University in 1957 with a degree in Public Administration, and a special certificate in Criminology, Penology, and Corrections. After graduation he was employed by the Division of Corrections and was sent to Florida State Prison at Raiford for a period of training on Classification procedures, and then was transferred to Belle Glade Institution, where he remained until October 1st when he assumed the duties here as the Assistant Superintendent.

Hassfurder is thirty years of age and is married and has two children. His wife is a native of Florida, from Ft. Myers area, and was formerly Lillian J. Johnson. Mrs. Hassfurder is also a graduate of Florida State University with a degree in Educa-

Halloween Dance To Be Sponsored By Optimist Club

The Optimist Club of Avon Park will sponsor a Halloween Dance at the youth center building October 31 from 8 p. m. to 12 o'clock.

Proper chaperoning will be handled by members of the club and their wives. Local music will be furnished and admission will be $1 per couple, they report.

New Telephone Numbers Effective In All But Avon Park Today As New Directories Being Delivered

The Inter-County Telephone and Telegraph Company announces that the new 1959 South Central Florida directories will be delivered to subscribers today, October 15.

Numbers listed in this new directory will become effective today in all exchanges except Avon Park. In Avon Park, due to installation of new local and long distance equipment now in progress, the change over of numbers will be delayed.

The new long distance service will enable all Inter-County System subscribers listed in the 1959 directory to dial station-to-station long distance calls as easily as they now dial local calls, the company reports. Customers in Avon Park and Sebring have previously had limited direct distance dialing with the Inter-County system, But this new and better equipment will extend the service to include over 100 Florida points and more than 500 points outside the State and across the nation.

The present Direct Distance Dialing system was disconnected at 8 a. m. today in order that the new Nationwide Customer Direct Distance Dialing system may be completed, they reported.

They report many additions and service improvements scheduled for Avon Park this year representing an additional investment of almost $600,000. They include the latest, most up to date local exchange equipment available today as well as a completely new distance switchboard and toll center. Extensive urban and rural outside plant additions have been or are in progress of completion, and many new long distance trunk circuits are being [illegible] to meet the need of this fast growing community.

The new directory contains approximately 900 more listings than the 1958 directory. Avon Park now has 2,700 telephones which shows a seven percent increase over a year ago. There are eight more white pages and eight more yellow pages than in the old directory.

"Keep your old directory until the new Avon Park numbers become effective", company officials warn.

Red Devils Whip Frostproof 18-6 Friday Night

Seth McCormick and Laymon Money led the Avon Park Red Devils to their fourth consecutive Ridge Conference victory Friday night by defeating Frostproof 18-6.

Money galloped to the first touchdown and McCormick racked up two more later in the game.

The first quarter was marked by a series of fumbles by both teams, with the ball changing hands regularly until Money finally took the ball and galloped 35 yards to pay dirt, the try for extra point was no good. In the second period the teams exchanged punts with neither team threatening until McCormick traveled 18 yards for a TD, the extra point try failed again.

In the third period the Frostproof Bullpups set up a sustained drive which was climaxed by Hadden going 20 yards for a TD, the try for point failed making the score read 12-6 in favor of the Red Devils.

In the final period the Red Devils were moving smoothly and McCormick galloped 20 yards for his second TD and the final marker of the game. Try for point again failed and the final score was 18-6.

Alsabrook, Long and Milton were outstanding on defence.

The Devils collected 167 yards rushing and 49 in the air, made 13 first downs, completed 4 of 10 passes, fumbled 3 times and were penalized a total of 60 yards. The Bullpups gained 91 yards rushing and 29 through the air, 4 first downs, completed 3 of 10 passes, fumbled 3 times and were penalized a total of 65 yards.

The Red Devils play host to Naples Friday night.

Red Devils Hold First Place In Ridge Conference

The Avon Park Red Devils, only undefeated team in the Ridge Area Conference, hold undisputed possession of first place with four straight wins.

Fort Meade, Kathleen and Sebring are tied for second position with two wins and one loss each. Mulberry has one and one; Kissimmee's Kowboys have won one and lost two; Frostproof and Arcadia are both looking forward to their first conference victory with three defeats each.

Sebring won the conference crown in 1958 though defeated by Avon Park in the annual traditional game. In 1956 and 1957 the Red Devils were conference champions.

Avon Park also tops the scoring division with McCormick and Money in the first two positions. Seth McCormick leads conference scorers with 36 points made on 6 touchdowns; Laymon Money is second with 4 TD's for 24 points.

The Mulberry at Kissimmee game is the only conference battle on tap for Friday. Out-of-conference games include Avon Park playing host to the Naples Eagles; Sebring traveling to Okeechobee, and Frostproof hosting St. Anastasia of Fort Pierce. Okeechobee will become a member of the Ridge Conference in 1960.

Tallahassee — Back about a year ago during the summer-time lull, we conducted a poll down Monroe Street---the main north-south street in Tallahassee.

The poll was conducted in an area that almost fell under the shadow of the State Capitol.

The question:

"Can you name the members of the State Cabinet?"

The upshot of the poll was that only one man--a retired state worker--could name the members of the State Cabinet.

The question and the lack of answers becomes significant as Florida swings into what may be its first wide-open race for at least one Cabinet post in some time.

As it stands, there will be big battle for the Commissioner of Agriculture post.

The contenders for the post appear to be Rep. Doyle E. Conner of Starke; W. R. (Buster) Hancock, Groveland citrus grower and former fertilizer company executive, and George Owen, assistant attorney general in charge of anti-bookie law enforcement and former vocational agriculture teacher, and Charlie Race of Winter Haven, citrus grower and former department employee.

There also is some speculation that Secretary of State R. A. Gray may not run--but no one is taking any bets that Gray will retire.

Top contenders for this post might include John Shipp, Jackson County representative, who has said he will not seek re-election--but Shipp's friends say he will not run if Gray does; Alan Boyd, a member of the Railroad and Public Utilities Commission; Sen. Harry Stratton of Callahan, who is also being mentioned as a possible entry in the governor's race, and Ed Hornsby, who ran against Gray in 1956 and polled 115,000 votes.

Hornsby might try again even if Gray does not step down.

As these possible races develop, the big question to be answered is:

What are the Florida voters looking for in a Cabinet official?

In the past, the voters have put the emphasis on men schooled in the particular field embraced by the Cabinet officer's job.

But . . . there has been a trend in recent years to look at the broader aspects of these Cabinet positions.

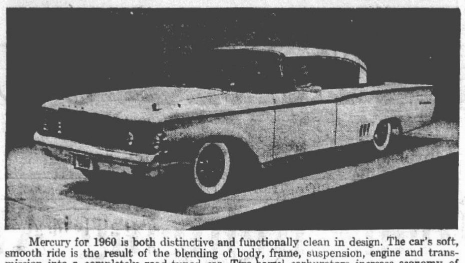
The Cabinet--along with the governor--sit on a variety of boards and commissions that carry out the policies of government spelled out by the State Legislature.

Taking the Agriculture Commission race as an example:

Will the voters be looking for a man who knows about Agriculture or a man who appears to have the best general qualifications and best platform on the vital issues of the day in state government.

With a wide-open race in at least one Cabinet post, this question will probably be answered.

If nothing else, such a race should help the general public's understanding of the Cabinet duties.



Mercury for 1960 is both distinctive and functionally clean in design. The car's soft, smooth ride is the result of the blending of body, frame, suspension, engine and transmission into a completely road-tuned car. Two-barrel carburetors increase economy of the low-friction V-8 engines. Two of the engines offer added economy by using regular gasoline. Mercury's spacious interiors with lowered transmission and driveshaft tunnel afford comfort for six passengers. Thirteen models in four series, all on 126-inch wheelbase, are available. Pictured is the Montclair four-door cruiser (hardtop).

Editor's Mail Bag

Oct. 12th, 1959

Mr. Bill Meyers,
Editor of the Avon Park Sun
Dear Sir.,

Your paper is a delightful source of interest to me lately. These fine letters of expressions from different people show something that has been needed here for a long, long time. It shows public interest and concern over the affairs and leadership of our city. At last it is wakeing up from a long slumber. Thanks to the Tax payers league.

It seems to me that Avon Park is likened to the man crying in the wilderness, help me (Avon Park) steer me right, keep me out of rough waters, keep me clear of evil doers, give me good capable, honest and courteous leadership and I will grow and prosper to no end. I am your City (The Tax Payers) I am your home, but I have no hands to strike back with, I have no feet to run with, but I do have you, the people to guide my course, to talk with. If you will hear me and provide me with these necessities, I will make your people happy and contented and I will not by any means squander your hard earn tax dollar like it was so much sand.

I have lived here a long, long time. I bought my home (Wooden Frame for the sum of $1000.00 about the same year that the Jacaranda Hotel was sold for $50.-000.00 dollars. Today, according to this recent tax assessment, my home has gone up nine times, by the same token the Jacaranda has gone up less than three times. You be the judge, if it is a fair assessment. My home will rot and decay many years before the fine brick structure of the Jacaranda.

It is said that politics makes strange creatures out of some people. Some make themselves more popular and worthy. Some cannot, because the elected office of power and control goes to their heads. The honest concern and leadership for all the people is not there. They have completely forgotten their obligation as a public servant for all the people ,not just a few. They forget the people that God made so many of, the poor people and the old people. They drink out of the wrong bottle of friendship until the count is made and then suddenly they go down in defeat, never realizing just why.

We all know that there is a lot of political waste in many places of the tax payers hard earned money - extra jobs, big pay, give aways, Misc expences that dig and dig into the tax payers pocket. There is never any let up with this kind of ability and leadership. On and on they go down the road to political favors, personal concern and selfish interest, that they loose sight of the good solid citizens that put them into office with faith and hope that they would render a good job for all the people they represent.

Yours very truly,
H. U. Reddick

From The Office Of Jim Halev

Since serving in the Congress, it has been my practice to submit an End-Of-Session Report to the people of the 7th District at the close of each session. Set forth below is part of the major legislation enacted by the 1st Session of the 86th Congress. This list is by no means complete and it is not intende din any manner to reflect my position on the legislation as enacted. I strongly supported some of this legislation and I vigorously opposed some of it. I plan to tour the 7th District in the very near future, and I welcome the opportunity of discussing the activities of the 86th Congress with you.

INTERNATIONAL AFFAIRS

1. Authorized $3.5 billion Mutual Security Program (foreign aid) including $700 million for development loan fund, $2.1 billion for military aid and defense support, and $427 million for technical co-operation and special assistance.

2. Appropriated $3.25 billion for the above foreign aid program. Note - the President had requested $4.4 billion for this program.

3. Provided for establishment of an U. S. participation in an Inter-American Development Bank.

4. Authorized increases in United States subscription to the International Monetary Fund and to the International Bank for Reconstruction and Development.

5. Authorized President to designate week following July4 as Captive Nations Week for prayer for freedom of people behind Iron Curtain.

GOVERNMENTAL REORGANIZATION

1. Provided for admission of Hawaii to the Union as the 50th State.

2. Amended Communications Act to exempt news-type programs from "equal time" requirement for political candidates on radio-TV.

NATIONAL ECONOMY

1. Raised statutory limit on national debt by $2 billion to $285 billion; provided for temporary $10 billion increase to $295 billion to June 30, 1960.

2. Extended to July 1, 1960, the 52 percent corporate income tax rate and the existing schedule of excise taxes on alcoholic beverages, cigarettes, automobiles, parts and accessories; reduced from 10 percent to 5 percent tax on transportation of persons and repealed tax on local telephone calls, both effective June 30, 1960.

3. Increased Federal gasoline tax 1 cent a gallon, from 3 cents to 4 cents, for 33 months, to July 1, 1961, with this revenue and a portion of automobile and parts excise taxes to help finance interstate highway construction.

4. Extended Airport Act 2 years to June 30, 1961, and authorized $126 million Federal grants to States on 50-50 matching basis; limited Federal funds for terminal facilities to essential items.

5. Enacted legislation to curb undemocratic and racketeering practices in labor unions and labor management relations; legislation provided a "bill of rights" to union members, the purpose of which is to guarantee to union members the rights to which every American citizen subscribes, the right to vote in a free and fair election and the right to act to prevent abuse at the hands of unscrupulous labor bosses. In addition, the bill restricts the use of secondary boycotts and corrects the "no man's land" problem.

6. Fixed rates of income taxes on life insurance companies, including new levy on underwriting profits and increased tax on investment income.

VETERANS LEGISLATION

1. Authorized $100 million for direct housing loans to veterans; raised interest rate ceiling from 4¾ to 5¼ percent.

2. Provided grants to aid totally disabled veterans to acquire specially equipped housing.

3. Enacted the Veterans Pension Act of 1959, making a major change in the pension program for veterans with non-service connected disabilities and for their widows and children. The Act provides a sliding scale of improved pensions based on income and dependency status, and equalizes pensions of World War II and Korean war widows with those of World War I.

AGRICULTURE

1. Permitted the continuation of established coloring practices in the citrus industry. This Bill Was A Must For The Florida Citrus Industry.

NATURAL RESOURCES

1. Appropriated $1.8 billion for public works for development of our natural resources. This bill included funds for several Florida projects, among those being Tampa Harbor and the West Coast Intrastate Inland Waterway.

SOCIAL SECURITY, HEALTH AND WELFARE

1. Increased FHA insured loan authority by $8 billion; provided $650 million in grants for urban renewal for 2 years; $50 million loan program for housing for the elderly; authorized 37,000 public housing units; reduced the down payment requirements on FHA insured housing.

2. Extended the life of the Civil Rights Commission for 2 years.

3. Raised limitation on special school milk program to $85 million for 1960, and to $90 million for 1961.

APPROPRIATIONS FOR OPERATION OF FEDERAL GOVERNMENT

1. Executive Branch: The President requested $74,859,008,445 to meet expenses of operating the Executive Branch as well as the judiciary for fiscal year 1960. However, the Congress appropriated $72,977,598,352 or $1,881,-410,,093 less than the President requested.

In addition, the President requested $6.4 billion to meet new obligational authority provided outside the appropriation process (the so-called backdoor financing). Congress likewise cut this amount by $699 million and appropriated $5,701,000,000.

Thus, the total budget requests of the President amounted to $81,259,008,445. The Congress appropriated $78,678,598,352 or $2,-580,410,093 less than requested by the President.

NOTE: A substantial portion of this amount was appropriated for defense. Included in the President's budget was $39,248,200,-000 for defense. The Congress appropriated $39,228,239,000 to meet the cost of operating the Department of Defense. In addition, $1.2 billion was appropriated for construction projects at Army, Navy, and Air Force installations, and bases in the United States and abroad in accordance with the modified continental air defense plan.

Next time you're talking "from the shoulder"—try a bit higher up.

Prices importantly reduced on *all* Mercury models! Popular Monterey* now $136.50 lower. Now you can own a new Mercury for a very few cents a day more than a car with a low-price name.

* Comparison based on manufacturer's suggested delivered price for a Monterey 2-door sedan, 1960 v. 1959. Includes Federal excise tax and suggested dealer preparation and handling charges.

You'll be glad you bought a Mercury every time . . .

Why pay a medium-range price for a car with a low-price name? For this year, Mercury is in a new lower-price range. You'll be glad you didn't settle for less . . .

. . . every time you look at its Sleek-Line styling.

Every line is clean, trim. All excess metal has been pared away, shaped smooth. There's no unnecessary bulk. Just elegant simplicity.

. . . every time you feel its exclusive Road-Tuned ride.

Mercury's Road-Tuned wheels (see left) take bounce out of bumps. This ability of each wheel to "roll with the punch" is one of the most important ride advances in years . . . another reason why you'll be glad you bought Mercury . . .

. . . every time someone sits in the middle.

There's real comfort for 6 people, not just 4. Full head room, hip room, foot room for all.

Tri-County Dental Clinic Board Postpones Mobile Dental Unit

The Tri-County Dental Clinic Board, which hoped to bring a mobile Dental Unit of the State Board of Health to Avon Park, will postpone these plans for two years, said E. D. Holcomb, chairman of the board. At a meeting in Lake Placid Tuesday night, board members found no way to finance the mobile unit in the three county district.

Tentative plans were for joint financing by the state Board of Health and the three counties of Highlands, Glades and Hendry. But the legislature reduced the State Board of Health's appropriation, and such items as mobile dental units were also reduced.

The Tri-County Board plans now for pre-school dental surveys with follow-up work to help promote dental health. Present to help the representatives from Moore Haven, Avon Park, LaBelle, Sebring, Lake Placid and Clewiston, in their plans were three local dentists: Dr. Herbert H. Boaghan, and Dr. L. L. Conley, Sebring and Dr. Stuart Ward, Avon Park.

The state dental hygeinist will visit each school in the Tri-County area at an early date. The Board members planned another meeting with the state hygeinist, school supervisors and local dentists to plan such a survey program as can be carried on without the mobile unit.

The board, which will meet three or four times each year, voted to hold all its meetings in Lake Placid, because of its central location.

Officers of the Tri-County unit board are E. D. Holcomb, Lake Placid, chairman; A. J. Kahn, Sebring, vice-chairman, and Mrs. S. C. Fry, Clewiston, secretary.

The Navy's Military Sea Transportation Service was activated on Oct. 1, 1949, thereby combining the services of both Army and Navy transports ferrying troops and supplies throughout the world.

Avon Park Lakes News

The Board of Governors held their first meeting of the fall season last Thursday evening at the clubhouse. Mr. D. Grey Knowles, Chairman, gave a review of his activities during the past season, and called on the several committees for reports and suggestions for the betterment of the Association. A special committee was named for the formulation of a set of rules for the conduct of the common property in the matter of such items as docks and boats. The membership and publicity committees plan to meet soon to make a report of activities to members and possibly non-members. The next meeting was scheduled for the second Thursday evening in November.

The Women's Group held their regular Thursday afternoon meeting last week at which fourteen members were present. Among others items of discussion plans were made to substitute a Thanksgiving Day dinner for the usual Pot Luck supper which would normally be held on the week preceding. Mrs. A. M. Luyben will have charge of the dinner arrangements.

Mr. and Mrs. A. M. Luyben recently returned to their home on Southampton Road after an extended stay in Zieglerville, Pa.

Mr. and Mrs. J. S. Anderson recently moved into their home on Southampton Road. Mr. Anderson, from Wilson Park, Long Island was formerly in the building trade in that area.

Mr. and Mrs. Steven Howard have moved into their new home on Southampton Road. Mr. Howard was a Captain in the Omaha, Nebraska Fire Department where he served for thirty two years before his retirement.

Mr. and Mrs. Percy Foland of St. Petersburg visited over the weekend with their friends Mr. and Mrs. John E. Bengel of Verona Road.

Mr. and Mrs. D. W. McKay, Jr. of Jacksonville, Fla. were weekend guests of Mr. and Mrs. Geo. C. Adams of Verona Road.

Mr. and Mrs. Leonard E. Duncan entertained Mr. Paul Duncan and Mrs. Fleta Homberg of Largo, brother and sister of Mr. Duncan, over the weekend.

Mrs. R. R. Trimble of West Shore Drive left Sunday for a few days attendance at a camp meeting in Plant City.

Mr. and Mrs. Ivar Peterson of Nautilus Drive spent the past weekend at their home in Gulfport.

Mrs. Herbert Slocum of Great Neck, Long Island spent a recent weekend with Mrs. Elizabeth Winkler and Mr. Geo. Barnes on Nautilus Drive.

Staff Sgt. and Mrs. Clifton Rubus and their children, Jane and Thomas, have recently moved into their new home on Camden Road, built by Mr. Harry E. Taylor. Sgt. Rubas, who was formerly stationed in Germany, is now at the local Air Base. Their daughter Jane is attending the seventh grade in Avon Park.

Mr. Harry E. Taylor has recently started a new house on Ithaca Road near Lake Olivia.

Mrs. N. L. Neilson, of Hollywood, Fla., was the weekend guest of her daughter, Mrs. Lee A. Wentworth of Nautilus Drive on her return from the Silver Anniversary celebration of the Dogwood Garden Club of Pensacola, of which she was a founder and the first President.

Florida Citrus Exposition Now Set For January

The Florida Citrus Exposition approved a recommendation the 1960 industry-sponsored Show be held in January to co-incide with the National Canners Association convention.

The move paves the way for members of the vast citrus industry to come into direct contact with the people who deal with retailers and the consumers of citrus products.

The Florida Citrus Exposition, held in March last year, will now open on January 16 the day before the National Canners Association opens its four-day convention in Miami Beach. It is the first time the seventy-five-hundred-member National Canners group is meeting in Florida.

Ben Hill Griffin, Jr., state representative and president of the Florida Citrus Exposition, said tentative plans call for a special train to bring many of those attending the Canners' meetings to Winter Haven for the first hand look at the citrus industry.

Griffin added, "Since the Florida Citrus Exposition is designed to help the industry to as great an extent possible the change in dates is one method by which the citrus men also can come in direct contact with the people who reach the retailers and the consumers of citrus products."

The move to change the dates made by the Florida Citrus Exposition's board of directors followed support by the Florida Citrus Commission, Florida Citrus Mutual and the Florida Canners Association.

Fall Is Ideal For Florida Trip

Fall is the ideal time of year for a vacation on Florida's Treasure Island in the Gulf of Mexico, not only because of delightful weather but also because motels are not so crowded as a rule and rates are proportionately lower.

Those are some of the reasons why so many Floridans make the comparatively short jump to the Holiday Isles and their key community, Treasure Island. Here they may enjoy those thrills which attract tourists the year around from all over the United States and Canada.

Deep sea fishing cruises, swimming, sun bathing, shuffleboard, tennis and golf are routine entertainment for the island's guests. In addition there are various special events. Square dance parties weekly, and the Friday night youth dance, draw large attendance. Sightseeing tours and visits to nearby Florida attractions are available.

CAP Squadron To Attend Florida Wing SARCAP

At the October 6th meeting of the Sebring Squadron of the Civil Air Patrol plans were made for its members and cadets to attend the Search and Rescue Evaluation Mission of the Florida Wing to be held at New Smyrna Beach on October 16, 17 and 18th. This mission will be attended by all eight groups of Florida and an estimated 900 to 1000 Seniors and Cadets are expected. Sebring Seniors planning to attend are Mr. and Mrs. Charles Patton, Miss Nancy Douglas and Mr. Leo Rogers. Cadets attending will be Miss Kathy Rogers, John Hanlon, Charles Payne and Norman Kunsman.

Final preparations for this mission will be made at our next meeting on October 13th at Sebring Air Terminal.

The best kind of salesmanship is in filling needs.

Victory Dance Enjoyed Friday

A Victory Dance was enjoyed by the senior class Friday night at the Youth Center, following the Frostprof game.

About 125 teen-agers attended the event. Chaperones included: Mrs. Hayes Maxwell, Capt. and Mrs. Charles McCormick, Mrs. L. A. Renfro, Andrew Miracle and Mrs. Aline Parnell.

Winter Guest Club News

Our efficient Secretary, Tony Kerr, is back on the job again. We gave him the glad hand and then what did he do? Huh, he posted a notice: "Annual dues now payable; see Mrs. Ford, Mrs. Farner, Mr. Meeks, or Mr. Kull. To misquote Whittier: the saddest words of tongue or pen,-your dues are payable again. All right, no complaints. Our annual dues are lighter than are those of some Winter Guest Clubs we have heard about. And the several ancient mariners among us, four score years and over, are out of the reach of the above quartette, a slight compensation for being old.

On Tuesday last week the bridge contests began under the chairmanship (What's the matter with that word?) of Mrs. Ethel Harden. The lucky winners were Mr. Lyben and Mrs. Parry. Hereafter, instead of some member being in charge of these weekly contests for the season, there will be a different one each month. Which seems a good arrangement, spread the honor and the bother around.

Good news on the bulletin board last week: "The Fords are home again; no callers yet, please." That is good news to everybody. Mr. Ford has been hospitalized for some time but now is out and home again though not yet ready for a lot of chatter. So don't ring the doorbell yet, but wish him well, which of course we all do.

There was a picnic and dance scheduled for the afternoon of the 12th down at Highland Park, which later had to be cancelled for lack of the proper accommodations for that festivity. And anyhow J. Pluvius poured a lot of water on the Park that day, which wouldn't made picnicking any fun. He also butted in at the Wednesday and Saturday evening tournaments, flooded them both out. So nobody got into the Hall of Fame on those evenings, nor into the kitchen either.

On Friday evening, the 9th, occurred the first dance of the season, 65 being present, a real record breaker. There were 5 sets at times, becessitating one on the stage.

Thirty-three stayed for the lunch after the ball. For the benefit of new members who may wish to remain for said gastronomical entertainment let us say that all should bring their own drinks. Donuts or sweet rolls are usually provided by some member and sold at cost.

Anyone wishing to learn the square or folk dances should contact the instructor. After a couple of lessons one should be able to take part in the regular Friday dances. The first beginners' class was held on Monday evening at Mr. Krenerick's home, enough present to make another record breaker. Hereafter, if a sufficient number wish to lear there will be a beginners' class at the Club House on Tuesday evenings. Note this information on your cerebellum and be joyful, which is all the chatter we have for this week says The Stroller.

Employment Gain In Florida Is Shown For August

Florida non-farm employment took an upswing in August to stand 3,900 above the July years' low mark, reports State Industrial Commission Chairman James T. Vocelle.

The gain was three tenths of one per cent above July. Total non-farm employment, at 1,213,800, was 6.8 per cent above the July-last-year mark.

Gulf Ridge Scout Council Set For Golden Jamboree

Leaders of the more than 100 Boy Scouts from this area who will attend Scouting's Golden Jamboree near Colorado Springs next Summer were announced today by the Gulf-Ridge Boy Scout Council.

Scouts from this area will be divided into three troops, each with three leaders, William A. Gillen, Council president, said.

Jamboree leaders are as follows: Tom F. Costello, Winter Haven; Benjamin H. Foster, Sebring; David H. Shaver, Fort Mead; L. Pat Black, Lakeland; Richard G. Elm, Harold Metzger, Sr., Herb Brazeal and Patrick J. Griffin, all of Tampa; Otto Allen, Inverness, and Fred S. Schoenborn, Odessa.

District Jamboree chairmen in the seven counties included in the Gulf-Ridge Council - Hillsborough, Pasco, Sumter, Hernando, Polk, Hardee and Highlands - are now taking reservations from Scouts who plan to attend the Jamboree. Deadline for reservations is November 30.

More than 50,000 Scouts from throughout the U. S. and several foreign countries will attend the Jamboree, which is scheduled July 22-28. The boys will be housed in a huge tent city, occupying a 2,000-acre section of the vast Reverse J. Diamond Ranch, about eight miles from Colorado City.

Soil Conservation News

DISTRICT NEWS

By Sam Polston

U.S. Soil Conservation Service

The first phase of construction on Fisheating Creek Marsh Watershed project is being completed this week. The contract for almost one million cubic yards of channel excavation and one check dam was let to Clemons Construction Company of Okeechobee in September 1958. The channel starts 4 miles south of state road 70 and runs 10 miles north to Hog Island.

Mr. Jack Clark of Lake Placid, chairman of the landowners group, says, "The channel is doing a wonderful job of removing the flood water." He says, "The completion of this channel is almost like a dream coming true. During flood periods such as we are now having my pasture can still be grazed. Before the canal was dug I could go over my pasture in a boat."

Mr. Walter Davis says "The canal is doing a much better job than I was ever able to do with a pump. Usually when we get a flood it breaks our dikes and it doesn't do any good to pump."

This is the second such Small Watershed project in the Highlands Soil Conservation District and Florida to be completed. The Lake Placid East Chain of Lakes being the first. The Soil Conservation Service participated in both these projects under the Small Watershed Act.

* * *

Mr. Francis Step of Venus has requested technical assistance from the Soil Conservation Service in the design and layout of a water control system for 1,000 acres of citrus. He is now planting a nursery to establish the grove.

* * *

Mr. Ed Holcomb of Consolidated Naval Stores of Sebring has requested the technical assistance necessary in building a water conservation reservoir to irrigate an additional 1,000 acres of citrus in the Hickory Branch area. The water will be conserved from the flow of a small stream and re-charged with a well during peak use periods.

Enlisted men in the Continental Marines of 1775 to 1783 wore green coats, green shirts, and breeches of light colored cloth.

Ad Campaign On Florida Orange Juice Underway

To appreciate the hugeness of the just-started national advertising and merchandising campaign to sell more Florida fresh-frozen orange juice you first have to know what is a billion.

It's a lot, naturally. But here's a fair graphic illustration: A human being born today and, even before he got his first eye drops, starting out to count, 1, 2, 3, 4, etc., and counting eight hours per day, six days a week couldn't count up to a billion during the course of his three score years and 10.

Try it, if you're doubtful.

But the total advertising impressions, in newspapers and magazines alone, promoting the three-month sales campaign for Florida orange concentrate will add up to right at a billion.

It works out this way: Concentrate ads, during the campaign which started Sept. 1 to continue through November, will be publishe din 191 daily newspapers representing all of the U. S. marketing communities; in three top national magazines, LIFE, LOOK, and the SATURDAY EVENING POST; and in six Sunday newspaper supplements, THIS WEEK, PARADE, AMERICAN WEEKLY and FIRST

Funds Hit All-Time High Mark

An all time high of $2,417,390.-82 has been received by the Florida Baptist Convention for world missions causes through the convention's Cooperative Program for the year ending September 30, according to Dr. John Maguire, executive secretary-treasurer.

Receipts show an increase of 12½% over last year's total world missions offering and the suggested goal for next year is $2,610,750,82. The goal will be presented for adoption at the annual state convention which will be held at Tallahassee, November 10-12, 1959.

Included in the Baptist Cooperative Program within the state is the Florida Baptist Children's Home, Lakeland and Miami; ministerial education; Baptist Student Union work on all college and university campuses; Stetson University at DeLand; Baptist Bible Institute at Graceville; and the New Work Revolving Loan Fund which provides funds for the building of new missions in Florida. Also receiving a major share of this fund is the promotion of Sunday school, Training Union, Brotherhood, Music, and Woman's Missionary Union work in the local churches. The newest project sharing in this program is the Baptist Retirement Homes for senior citizens.

Scout District Names Committee

At a meeting of the Highlands District Committee, Boy Scouts of America, in Avon Park on September 29, Mr. Clifton B. Smith, Sebring, was named Chairman for 1960. Elected as Vice-Chairman was Ernest Breed of Sebring. Charles West, Sebring was elected Commissioner. Elected as members at large were the following men: Sebring, Sam Polston ,Elgin Bayless, Sr., Elgin Bayless, Jr., Ford Heacock, Clifford Sheffey and Dick Hyatt; Avon Park, M. G. Whitcomb, A. M. Owens, M. J. Thompson, and Maj. John Dodd; Lake Placid, Jim Coarsey and Alex Blair; Wauchula, Bob Gibson. Members at large from Frostproof will be named later. Officers and members will be installed at the Annual Meeting of the Highlands Ditrict to be held in Avon Park, Nov. 23.

The District Committee set Court of Honor, to be held in Avon Park, November 23 in conjunction with the annual meeting. It is expected that there will be an award of Eagle rank at that Court. The Highlands District encompasses all of Highlands and Hardee Counties and the Southern part of Polk County.

Have YOU stopped improving your home?

Of course not. You'll never cease trying to make your home more pleasant, more modern and convenient. Even though it costs money, it's well spent because you derive a lot of benefit from it.

The Inter-County Telephone System is confronted with the same situation . . . except we're obligated to do it to fulfill our trust as a public utility. Good maintenance, expansion and improvement are a necessary part of our business. That's what keeps increasing the scope and value of your telephone service — keeps making it an even greater bargain all the time.

But, only with fair and reasonable compensation for its services can The Inter-County Telephone System continue to meet the demand for good performance for you and others . . . and steadily keep advancing it.

Because, in the long run, only a healthy business can give you the greatest value for your money. That's true of everybody with whom you deal. And it's equally true about modern telephone service.

CRACKER POLITICS

By ALLEN MORRIS

The staff director for the Legislature's watchdog committee says its philosophy is that of being informative rather than investigative.

"We're trying to avoid the sensational approach," reports David V. Kerns, director of the Legislative Reference Bureau. "We want the agencies to feel we're looking for facts rather than dirt."

As Kerns views it, the Legislature's factfinding arm can help the executive departments by bringing out problems sufficiently far in advance of legislative sessions so the lawmakers can do something constructive about solving these.

The watchdog group, known formally as the Committee on Appropriations and Auditing, represents the newest approach in a process which began some 15 years ago of casting about for an effective legislative means of supervising State spending.

It was then that legislative fiscal leaders realized Florida's government had outgrown the ability of lawmakers, burdened by a multiplicity of other and often more immediately pressing matters, to cope adequately during the 60 days of a regular biennial session with the proliferating demands upon the public treasury.

Out of that realization emerged the Institute of Government. It never fulfilled the hopes of its legislative sponsors, and was absorbed in 1949 by the Legislative Council and Reference Bureau. While the Council and Bureau functioned usefully, there was a feeling of falling short of perfection. Separate interim committees, with their own staffs, began to spring up.

Happily, there has been a sort of do-or-die revitalization. Definitely important in the new approach is eKrns. Only 42, he is an old government hand here, having served four and a half years as resident attorney for the Road Department and five years as research aide for first Justice John E. Mathews and then, after Mathews' death, for Justice Campbell Thornal. He was drafted for the Bureau a year ago. Kerns practiced law in Tampa before coming to Tallahassee.

Another of the movers-and-shakers here presently is Senator Tom Adams of Orange Park, who became Chairman of the Council last July 1. As Chairman of the interim committee which successfully reorganized the State's services to agriculture, Adams learned both the value and the technique of 'tween-sessions legislative activity.

What now has evolved in the pocketbook field of legislative fiscal review, through the efforts of Adams and of many others, is a felicitous blending of Council and non-Council. The watchdog committee is an independent group which is keyed into the Council both through cross-membership and by reason of dependence o fthe Reference Bureau for staff services and housing.

Senator F. Wilson Carraway, Tallahassee banker and veteran legislator, is Chairman of the Committee on Appropriations and Auditing. He headed up the stand-fast Senate Committee on Appropriations during the last session and likely will do so again at the '61 session.

Other members are Senators Adams, George W. Tedder, Jr., of Fort Lauderdale, John Rawls of Marianna and W. Randolph Hodges of Ceder Key, and Representatives W. C. Herrell of Miami Springs, Emmett S. Roberts of Belle Glade, Mack N. Cleveland, Jr., of Sanford, George H. Anderson of Monticello, and Frederick B. Karl of Daytona Beach.

Assigned by Director Kerns as staff are two experienced auditors. L. K. Ireland, Jr., formerly of the Board of Administration, did some trail blazing, for he joined the Council's staff in April, 1958. Robert L. Kennedy, Jr., is moving over from the Auditing Department, where he has been since 1946.

Kennedy, who took his bachelor's degree in education from the University of Florida in 1940 and supplemented this with courses at Florida State University's School of Public Administration, brings a reputation for the courage and bulldoggedness of a mine-sweeper commander, which he was in World War II.

He is remembered for having revealed certain situations, discovered during the course of an audit, which ultimately brought the abolition of the Improvement Commission. In the molasses-slow way of government, this took nearly six years and long after the people involved had left the agency, but the Commission never lived down the name it got from Kennedy's probing.

"As I see it," explains Kerns, "our function is not investigative but is informative. When we approach an agency we simply are seeking information that will be helpful to the Legislature, and not to make any sensational approach on our own. When we go to an agency I hope they will not fear us as looking purely for dirt but instead for the whole picture of their operation. Our approach will be that of attempting to determine whether there is any need for revision o fthe agency's legislative authority."

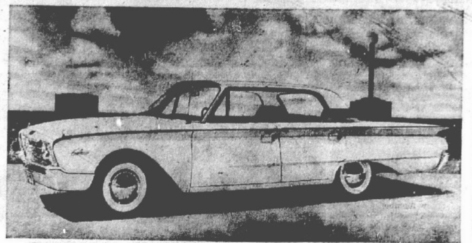
Cracker Crumbs - Appointment of Senator Joe Eaton to the Circuit court at Miami means a substantial gubernatorial campaign loss to his friend and colleague, Senator Doyle E. Carlton, Jr., for it takes Eaton out of the field of politics . . . Rep. Mallory E. Horne of Tallahassee has the refusal of appointment as Chairman of the '61 House Committee on Rules and Calendar . . Here's today's consensus on the gubernatorial race: Carlton, Bryant, Burns, Johnson, Dickinson . . . Homer A. Brinkley, Tallahassee realtor, is eying a seat in Congress, which could come easier if Tallahassee is cut off from Pensacola in the '61 reshuffle of districts . . . Because, in part, of the exodus of old hands there, efforts are being made to persuade Speaker Thomas D. Beasley of DeFuniak Springs to run again for the House . . . The husbands get the publicity but the wives are indispensable parts of two (among others) political teams: Paula and Senator Harry O. Stratton of Callahan and Kitten and Doyle E. Conner of Starke.



This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two-or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.

Fish Hatchery Manager Sought By Civil Service

The Fifth U. S. Civil Service Region has announced an examination for Fish Hatchery Manager, Grade GS-5, paying $4040 a year. These positions are in Region 4 of the Fish and Wildlife Service, Bureau of Sport Fisheries and Wildlife, and are located at various points in the states of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia.

A written test will be required. Also, applicants must have appropriate experience or education. Applications will be accepted until further notice.

Persons interested in these positions may get application forms or information as to where such forms are available at any Post Office (except the Atlanta, Georgia Post Office) or The Fifth U. S. Civil Service Regional Office, Peachtree-Baker Building, 275 Peachtree Street, N. E., Atlanta 3, Georgia.

Pie And Apron Social Planned For October 27

The Union Congregational Church Ladies Aid Society will hold their annual Pie and Apron Social, Tuesday, October 27 from 3 to 7 p. m. at the educational building.

Pie, coffee and aprons will be sold as well as white elephant table will attract much attention. The ladies say that a whole pie can be purchased, or just a piece of pie and a cup of coffee. Everyone is invited to attend.

Hi-Low Bridge Club Enjoys Meet At Florida Power

The Hi-Lo Bridge Club held their weekly game at the Florida Power Customers Lounge with Mrs. Carol Tomlinson as hostess.

Mrs. Sandra Greenway won high prize and Mrs. Anita Renfro, low.

Those enjoying the evening were Pat Lagoni, Mrs. Elizabeth Ladrie, Mrs. Frances Hooper, Mrs. Greenway, Mrs. Zelma Wells, Mrs. Chloe Lookhoff, Miss Millie Pearson, Mrs. Renfro and the hostess.

The Florida Development Commission says there will be no lack of accommodations for the expected winter crop of tourists and the Hotel and Restaurant Commission agrees by stating 294 permits for $15 million in new construction have been granted this year.

Don't put up with mite killers that have slow initial kill or that require frequent applications. Switch to KELTHANE, the longer-lasting miticide. KELTHANE is not a phosphate—is safe to use. No extraordinary precautions are necessary when used as directed.

KELTHANE quickly kills most of the troublesome mite species, including "resistant" strains. KELTHANE is excellent for an immediate mite clean-up. Its long-lasting action prevents the development of mite populations by migrants or newly hatched colonies. Long-lasting residual activity also means fewer applications per season . . . more dollars saved. KELTHANE will help you harvest more perfect-finish fruit. It is compatible with most citrus pesticides and harmless to beneficial insects. See your dealer today for KELTHANE.

KELTHANE is a trademark, Reg. U.S. Pat. Off. and in principal foreign countries.

Mrs. Albright presented the following letter to the Council:

Avon Park. Fla.
October 12, 1959

President and Members
of the City Council
Avon Park, Fla.
Gentlemen:

Having made a study of the 1959 valuations placed upon the property not only owned by members of this organization but also comparable properties within the City, we wish to make known our conclusion that the 1959 tax valuations are not uniform, are discriminatory in nature and do not meet the requirements of the City Charter, Constitution or laws of the State of Florida. We further feel that with the substantial increase of improved properties within the City during 1959-60, the stabilization of bonded indebtedness and the increased revenues received from the City utilities and indirect taxes the City could operate upon the same valuation and millage as for the year 1958.

We, therefore, respectfully request that all property valuations be returned to 1958 level, until a fair, impartial and uniform valuation can be made within the City of Avon Park.

Respectfully submitted,
AVON PARK TAX
PAYERS LEAGUE
By Mrs. Ella Albright,
President.

Motion by Mr. Blanford seconded by Mr. McKenzie that the valuation made by Carroll-Phelps & Co. be thrown out. Upon roll call, Mr. McKenzie and Mr. Blanford voted "aye", with Mr. King, Mr. Dilley and Mr. Kirkland voting "nay". Motion lost.

The president referred the above letter to Mr. Blanford, Tax Commission Chairman. Mr. Wayne Albright stated that Mr. Blanford was in on it and they would just refer this to next year's election.

Mr. McKenzie stated that he did not quite see the new revaluation. Mr. Kirkland told Mr. McKenzie that the Board was not qualified to revaluate the City so the Board hired someone who was.

Mr. King said that delinquent taxes had been on his mind for some time. He said that he knew there were many who had not paid their taxes and thought that all delinquent taxes should be collected regardless, but that one in particular, Mrs. Louise B. Armstrong, who had been doing business with the City for years, should be brought to attention. He stated that Mrs. Armstrong owed the City approximately $2,792.00 which includes interest and wanted to adopt the following resolution with the second coming from Mr. Dilley:

RESOLUTION

Be it resolved by the City Council of the City of Avon Park that the City shall not transact business with or enter into any contract with any person, firm, partnership or corporation while such person, firm, partnership or corporation is indebted to the City of Avon Park for the payment of any sum of money.

Upon roll call the motion carried unanimously with the exception of Mr. Blanford.

Mrs. Armstrong stated that she had found others who owned delinquent taxes and would pay hers when she was granted the same privilege as others.

Mr. King stated that the City owned approximately 100 acres of land other than the airport property which was available for industry.

Motion by Mr. Blanford seconded by Mr. McKenzie that the City stop all outside work for City employees. This motion failed with a three, two vote. Mr. King stated that the City could not control outside hours of the employees.

Motion by Mr. Dilley seconded Mr. McKenzie and unanimously carried that the old administration building which is east of the Hillcrest Nursing Home, be torn down since it had been condemned and is dangerous.

Mr. Reddick requested that the Masonic building be removed since it is dangerous and a fire hazard. He also stated that he had understood it was to have been removed in September.

Mayor DeLaney brought up the building, owned by Mr. Weaver, on Highlands Ave. He stated that a warrant had been issued against Mr. Weaver concerning the zoning but found afterwards that the Council had granted permission to do certain things to the building. Therefore, he had hesitated to continue. Mr. Weaver wanted to use the building for a utility room only after painting and fixing it up. He wanted the City Attorney's advise before going any further. The Attorney stated that Mr. Weaver had exceeded the permission granted but to try him in Court would probably get nowhere with the prosecution. Mr. Dilley stated that Mr. Weaver was given permission to weather proof, fix the roof, store some things in it and nail the door.

The Chairman of the Board appointed a committee consisting of Mr. Dilley, Chairman, Mr. McKenzie and Mr. Blanford, with power to act on the building to determine the outcome.

A letter was presented from Mr. Frank Camp stating that his sewer rate was excessive, that only two people lived in his house. It was explained to Mr. Camp that the sewer rate was set by Ordinance and would stand as is. Mr. Camp objected to paying $1.75 rather than $1.50.

The following letter was read:

Avon Park, Fla.
Sept. 3, 1959

Mayor and City Councilmen:
Gentleman:

We the undersigned, wish to petition you to please refrain from permitting any further rezoning of the residential 200 block of East Pine St., to a business block, to prevent the Boy Scout Lot from ever having a business building constructed upon it.

This would be the only lot available for business as the rest of the block has all new homes with residences planned on two remaining lots at the upper end.

To rezone for the sake of just one lot, thereby depreciating all our homes and creating a most undesirable situation, would be unfair, as we are sure you will agree.

We wish to ask your support in protecting us from such loss.

Thanking you
Respectfully submitted:

Lily D. Richardson, W. Magdalene Richardson, J. T. Richardson, Mrs. Jane Wisby, Mrs. Clara Truex, Mrs. Margaret Ball, A. S. Massey, Mrs. Hazel Farr, Mrs. Henry Farr and Charles A. Seibold.

Motion by Mr. King seconded by Mr. McKenzie and unanimously carried that the City purchase two bonds of one thousand dollars each, at .85 due in 1967. These are 3¼ percent bonds.

The following Fire report was given:

Following is the Activity Report for the Avon Park Fire Department for the period beginning Oct. 1, 1958 and ending Sept. 30, 1959:

Fire Alarms answered to residents: 14; business establishments 2; hotels and apartments 3; automobiles 5; woods or brush 27; False alarms 2; Emergency or first aid calls 5. Total alarms answered for year, 58.

The total fire loss for the year including property and contents was $9,290.00 as compared to a loss of $19,000.00 for the previous year.

All trucks and equipment in good operating condition at this time.

Very truly yours,
W. W. Giddens, Fire Chief
Avon Park Fire Dept.
Avon Park, Fla.

The following is a resolution introduced by Mr. Dilley seconded by Mr. King and carried unanimously:

BE IT RESOLVED by the City Council of the City of Avon Park, Florida, that Mack Flowers be especially recommended for his part played in Fire Prevention Week in that he distributed literature and made addresses in all schools in this area,

AND BE IT FURTHER RESOLVED that the City feels that it is most fortunate in having Mr. Flowers as part of the Avon Park Fire Department.

The City Clerk reported the increase in collection of taxes the first eight days of 1959 over 1958. Collection for this period in 1958 was $7,841.39. The 1959 collection for the same number of days was $9,161.09.

The following is a letter received from Mr. Lavin, concerning the King's Court property:

Hue E. Nunnallee, City Attorney
Avon Park, Florida
Dear Mr. Nunnallee:

Your letter dated October 5 to Mr. Lavin has been received during his absence on an extensive business trip. However, it was read to him over the telephone in New York and he requested me to advise that he will go through with the deal and will be in touch with you when he returns in about a week.

Lavin Retirement Hotels, Inc.
Per Mrs. R. Reynolds,
Secretary to Chas. S. Lavin,
President.

The City Attorney advised that Mr. Lavin had sent a check in the amount of $500.00 as a binder and turned same over to the City Clerk.

The City Attorney requested a Quit Claim deed from the City to Dorothy Baldwin on lots 9-12-13, Block 63, Section 22, to clear title. This request came from Miss Mattie Tompkins. Motion for the City to execute above deed came from Mr. King seconded by Mr. Dilley and carried unanimously.

A donation of $46.00 presented to General Owens for the Ridge Association for Retarded Children was given through the Mayor and City from the Avon Park Survival School in the United Fund Drive. Captain Flint presented the donation.

It was explained by the President that some misunderstanding had occurred about the hiring of an electrical inspector. The City and Mr. Jackson of Sebring were unable to agree as to the salary etc., so Mr. R. L. Adams is still our electrical inspector until such time as another is hired.

Adjournment came from Mr. Dilley.

WELL DONE: Vice-President Richard M. Nixon gives Rexall Drug Co. President John Bowles a citation commending him for his work at Poznan, Poland. With them is Walter F. Schaffer, U. S. Commerce Department's trade fair director. Citation is also being made to all Rexall Druggists for their part in the exhibit there.

Mr. Bowles accepted the citation as President of the company, and on behalf of all Rexall Druggists in the United States. The Poznan exhibit, which he hosted June 7-21, was a typical example of the Rexall Drugstore in America. This was the first American Drugstore ever exhibited behind the iron curtain. The job he and his wife, Norma, did there in representing the attitudes and merchandise offered by the typical American Drug Store, won the admiration of government and industry leaders alike.

This information was furnished to the Sun by Vernon Tyson, manager of the Liggett-Touchton Drug Store in Avon Park.

Alcolines

By Charley Stookey

Bill is a new acquaintance, I met recently. He is an alcoholic who once headed two major corporations in a northern state. He owned two nice cars, a cabin cruiser and a twin-engined airplane. These possessions as well as his family and friends were lost to alcohol.

"The only excuse I have for being an alcoholic," Bill said, "is that I was born on April 27, the birthday of Ulysses S. Grant, our alcoholic president." He is 52 years old.

Turning the conversation to a serious vein, Bill said that even after he had lost his business, Possessions and family he could not bring himself to believe he was an alcoholic.

While working in a sporting goods store in Chicago a customer confided to him that he was an alcoholic. To Bill the man was quite sober and looked prosperous. When Bill questioned him the man admitted that sobriety through Alcoholics Anonymous made possible his purchase of fishing tackle that day.

Bill was amazed, and intensely interested. He asked more question which resulted in him attending A.A. meetings every night for two years. "At first I just couldn't take the 'God' part of A.A.," he said. "Finally it dawned upon me that it was the spiritual or "God" part of A.A. which made it work".

Elder Kenneth A. Wright, pastor of the Walker Memorial Seventh Day Adventist Church, and Mrs. Wright, Elder and Mrs. H. H. Lysinger, Mrs. H. Maniz. Mrs. McAllister, attended the Dorcas Welfare Federation meeting in Arcadia Wednesday.

Mrs. Katharine K. Moore of Hines Hospital near Chicago, is spending her vacation with her mother, Mrs. May Walden. Another guest of Mrs. Walden for several days is Mrs. Bertha W. Howe of Orlando, Fla.

Hospital Meet Attended By AP Chamber Group

A delegation from the Avon Park Chamber of Commerce attended a discussion meeting at the court last Thursday on the proposed South Highlands County Hospital.

Attending from Avon Park were Morris Adams, Robert L. 'Smokey' Padgett, Robert Barben, W. F. Ward and Anna Belle Worden, executive secretary of the Chamber.

At the meeting it was pointed out that the city of Sebring has obligated itself to $450,000 toward the cost of erection of a hospital and the Hill-Burton organization is to match that sum if raised within the required time. Tentative location has been set as south of Sebring on Truck Route 27.

It is hoped, a spokesman said, that a South Highlands County Hospital District can be set up for tax purposes to help raise the required amount. It was stated by the Sebring representative that it was accepted that residence of the Avon Park community would not approve being taxed for another hospital as one of the best in the state is located here.

Requests from several groups have been received for the operation of the hospital if and when it is erected, they reported, but the intent is an attempt to secure some church group to assume operation and maintenance.

Laymen's Sunday At Union Congregational

The laymen will have charge of the 11 o'clock service Sunday morning in the Union Congregational Church. Mr. Robert J. Barben will preside. Dr. Brooks Henderson will be the speaker. This service is an annual event and is looked forward to by the congregation.

The Congregational Men's Club will hold their first meeting of this church year with a supper at 6:30 o'clock on Wednesday evening, October 21, in Fellowship Hall. Major Townsend is arranging the program which will include movies and a talk on the survival training program at the Bombing Base.

He didn't know it could be done—so he did it.

CARL E. BAERMAN has joined the staff of the Turner Furniture Company as sales representative. Mr. Baerman, who's parents reside in Avon Park, came to this city from Tampa, oringinally he comes from California. He has a background of retailing since 1933 with ten years in furniture and appliances sales, kitchen planning and floor covering. A veteran, he served two years in the U. S. Navy. Art Turner, owner of Turner Furniture, said that Mr. Baerman will be available at all times to help home owners plan their home furnishing.

Choir Program Set Up At First Methodist Here

A completely graduated choir program has been set up at First Methodist Church, reports Pastor, Allan R. Stuart. The choirs begin at age 3, and continue through senior adult ages. The choirs are Cherub Choir (ages 3-5), Lyric Choir (ages 6-8), Junior Choir (ages 9-12), Youth Choir (Ages 12-23), and Chancel Choir (ages 15 up).

The Cherub Choir, under the leadership of Mrs. Ellis Watson, will sing several times a year. The Lyric Choir, led by two young people, Miss Martha O'Steen and Miss Sally Curl will sing once a month. The Junior Choir, under the same two youth, will sing twice a month. The Youth Choir sings for every evening service, under the direction of the Pastor, Rev. Stuart.

The popular Chancel Choir is under the direction of Mrs. F. D. Henderson, director of music at First Methodist Church. This choir sings every Sunday morning, and is partly responsible for the great tourist interest in the church.

Services Will Be Conducted By Methodist Laymen

Laymen wil be in charge of the worship services at First Methodist Church this Sunday, October 18. Mr. Hugh Bahar, Church Lay Leader, will direct the proceedings, and will speak at the morning service.

Laymen's Day is an annual affair in the Methodist Church around the world. The work of the laity of lifted up in each church, and the men of the church are charged with new responsibilities in stewardship.

Mr. Bahar, educational director for the Avon Park Correctional Institution, has been Lay Leader in Forst Methodist Church for over two years, and during that time he has spoken many times from the pulpit. He is the teacher of the "Sunshine Class," A class of young adults, ages 18 through 30, and under his leadership the clas has grown in less than a year to a membership of 42.

The Rev. Allan Stuart, says that a cordial welcome awaits every person at First Methodist Church.

Scout Troop 156 Re-Chartered At Sunday Service

Troop 156 was recognized and rechartered at the eleven o'clock service in the Union Congregational Church Sunday morning. Mr. Maurice Paige, Scout Executive for the Highlands District of the Gulf Ridge Council, was introduced and presented the Charter to Rev. Herbert D. Graetz, pastor of the Church. He congratulated the Congregational Church on its becoming the sponsoring institution for the troop, and spoke briefly of the responsibilities this incurred.

Mr. John L. Townsend, institutional represenative for the troop, was called forward to received the charter and present the members of the troop committee along with the Scoutmaster. When this was done, a special sermon was preached to the subject: "A Good Scout."

Troop 156 is under the leadership of Scoutmaster Elton M. Lawrence and Asst. Scoutmaster Norman Cook. They are assisted in the work by a Troop Committee composed of the following men: Andrew W. Miracle, Chairman, John L. Townsend, L. C. Hooper, J. C. DeShong, J. R. Duggan, Jr., Phillip Weber, Tho-

Wilson - Brett Wedding Vows Are Exchanged Here Saturday Evening

MRS. LINTORN BRETT

In a candlelight ceremony at the First Baptist Church, Saturday, Oct. 3rd., 7:30 p. m., Miss Willoise Wilson and Lintorn Brett were united in marriage. Parents of the couple are Mr. and Mrs. Murray Wilson and Mr. and Mrs. L. M. Brett of Wadley, Georgia.

Floor baskets of white gladioli and yellow pompoms, interspersed with greenery against a background of palms and candelabra formed the setting for the ceremony performed by Rev. Aden D. Childress.

Pre-nuptial music was presented by Miss Gail Wilson, organist. Mrs. Ted J. Ward, soloist, sang "Forever More" recently written by a close friend of the bride and the "Wedding Hymn" by Wendell Loveless.

Given in marriage by her father, the bride wore a gown of silk organza over taffeta. The buoffant skirt had medallions of alencon lace scattered over the front falling from the empire waistline emphasized by bias folds extending to a bustle effect over a chapel train. The head piece of matching lace was jeweled with bridal pearls holding her fingertip veil of imported illusion. She carried a heart shaped arrangement of white and yellow sweetheart roses centered with a white orchid with yellow throat.

Miss Edith Wilson, Maid of honor, sister of the bride, wore a cinnamon, border embroidered silk organza fashioned with a short buoffant skirt and basque waist. She carried talismam pinochios.

The bridesmaids, Miss Helen Brett, sister of the groom, and Mrs. George Altman, Jr. wore aqua gowns identical to the honor attendant and carried yellow pinochios. The Junior bridesmaid, was Gail Brett, sister of the groom. All the maids wore matching feathered hats and carried bouquets fashioned after the brides.

Kathy Bethea, cousin of the bride, scattered rose petals and Donald Griffin, cousin of the bride served as ring bearer. Solon Wilson, Jr. and Wayne Henderson were candlelighters. L. A. Brett, Father of the groom, served as best man. Groomsmen-usher were Eddie Lee Henderson, Wayne Henderson, Thomas and William Bethea.

Mrs. Wilson, mother of the bride chose a mauve lace sheath. Mrs. Brett, mother of the groom wore a brown lace sheath and the bride's grandmother was attired in soft brown print.

Following the ceremony, a reception was held at the home of the bride's parents. The bride's table, covered with a white cut work cloth held the wedding cake encrusted with yellow roses and doves and holding the traditional minature bride and bridegroom. Lighted tapers in silver candelabra and crystal appointments were used. Those assisting in the serving of the cake, punch, nuts and mints were Mrs. Allison Griffin, Mrs. Delia Henderson, Mrs. Solon Wilson, Mrs. S. O. Bethea, Mrs. Roberta Elder, Elen Boulineau and Carol Stewart of Wadley, Ga. and Ann Rowland.

The couple left the reception with the bride wearing a gold shantung sheath with matching jacket and black accessories. Her corsage was the orchid lifted from her bridal bouquet. For their wedding trip, they left Atlanta, October 10th. via train to attend the National Future Farmers of America Convention in Kansas City, Missouri, an award won by the groom for having made the State Farmer's degree his senior year in high school.

Mrs. Brett was graduated from Avon Park High School and Georgia Baptist School of Nursing, Atlanta. Mr. Brett graduated from Wadley High School, Wadley, Ga. and operated Brett & Sons Mobile Feed Mill. The couple will reside near Louisville, Georgia where the bride will pursue her profession.

Among the out of town guests attending the wedding were: Mr. and Mrs. M .E. Boulineau, Sue and Ronnie, Mrs. Murray Palmer, Mr. and Mrs. Paul Brett and Linda and Miss Rita Pattom of Georgia. Mr. and Mrs. Novelle Hall, Winter Haven, Mr. and Mrs. S. O. Bethea and Dr. and Mrs. H. T. Lawson and family of West Palm Beach, Mr. and Mrs. Joe McInnis of Del Ray Beach, Mr. and Mrs. Eston Hill and Mrs. Clora Hill of Lake Wales, Mr. and Mrs. James Basemore of Mulberry, Mrs. George Altman of Sarasota, Mr. George Altman, Jr., Mrs. Cona Foxworth and Nancy of Lakeland, Mrs. Lloyd Tomlinson of Okeechobee.

Use Of Alcohol Influenced By Some Background

A person's religious training and social background can have considerable bearing on his use of alcohol.

That's the impression I got when as I paged through a book entitled, "Alcohol and Social Responsibility". The author, Raymond G. McCarthy of Yale University and Edgar M. Douglas, a Maryland school superintendent, quote from a survey made in 1946 by Professors Riley and Marden of Rutgers University.

"A striking difference is noted according to broad religious groupings. The proportion of Protestant abstainers, 41 percent, is twice that of Catholics, 21 percent, and three times that of Jews, 13 percent," they said.

In their national survey they asked the questions: How many people drink? What are their social characteristics? Where do they live? What do they drink?

They report that 65 percent of the adult population of the United States drink alcoholic beverages. "More individuals in the age-class 20 to 30 reported that they drank than in any other comparable age group.

"Nearly 40 percent of the drinking population reported using no distilled spirits, while 37 percent drink spirits exclusively or intermittently with wine or beer . . . Drinking is apparently the accepted behavior pattern within all segments of the population regardless of age, sex, locality, education or religion.

"The proportion of drinkers varies positively with the increasing size of the community, from 46 percent in the farm areas to 77 percent in the largest cities.

"The percentage of drinkers increases from low to higher economic levels . . . those who have had high school education or better show a higher percentage of drinkers than those with less than high school education."

Although this survey was made 13 years ago, a similar one made today, would likely show a similar pattern of drinking habits in the United States, in the opinion of E. A. Shepherd, Administrator of the Florida Alcoholic Rehabilitation Program, Avon Park.

During the 1958-59 season the members of the Florida Canners Association used 68,939,464 boxes of oranges, which amounted to 80 per cent of all oranges grown in the State of Florida.

During the 1958-59 season the members of the Florida Canners Association used 18,419,150 boxes of grapefruit, which amonted to 52 per cent of all grapefruit grown in the State of Florida.

Cemetery Group Names Paul Jordon President

At the annual meeting of the Avon Park cemetery association Tuesday night, Paul Jordon was elected president for the new year, succeeding W. F. Ward.

Mrs. Mildred Ford was elected secretary and Mrs. W. C. Touchton, treasurer.

Cecil Skipper, Paul Jordon and Mrs. Ford were named to the board of directors. Supervisor R. D. Reddick agreed to continue in that capacity. Discussion and planning for improvement of the new section of the cemetery took most of the business session period.

Living With Your Heart

A light case of angina pectoris could be the best friend a heart patient ever had. In fact, it could save his life.

The pain of angina, like any other pain, is one of Nature's danger signals. It tells the patient his heart muscle is suffering from fleeting starvation. Nitroglycerine can control the pains of ordinary angina; modified living habits and the body's wonderful capacity to rebuild around a damaged area may prevent severe or fatal heart attacks.

Angina pectoris usually starts as an oppressive pain under the brestbone, which may spread to one or sometimes both arms. It is frightening, but if it is angina--it subsides. It may return again in minutes, days or months.

What has happened to the person who suffers angina pectoris?

His heart muscle is aching because not enough blood has reached some area to keep it adequately fueled with the oxygen which gives it nourishment. The pain represents the heart's quick and indignant clamor.

The heart is suffering this momentary starvation simply because the blood vessels have narrowed and thickened to the point where they cannot carry enough blood to the heart, which demands a rich and continuous supply to do its work.

The first thing angina patients do is to take nitroglycerine pills. Placed under the tongue, they act quickly to dilate the narrowed vessels and bring relief. Some take it in advance of demanding or highly emotional occasions.

"HOW TO LIVE LIFE"

By: ALLAN R. STUART

I think the word "TRYING" has two meanings, and today I want to illustrate the two meanings.

(1) "Boys Can be Very TRYING."

Little Willie was telling his mother about his day at school. "Mother," he said, "today our teacher asked me whether I had any brothers or sisters, and I told her I was an only child."

"And what did she say?" asked mother.

"She said, 'Thank Goodness!' "

So mother went to see the teacher, and in the course of conversation she said, "I'm afraid Willie isn't trying enough." To which the teacher replied, "You are very mistaken, Mrs. Wiffle, Willie is the most trying boy in the class."

(2) "How Two Mothers TRY"

A woman sat by the hearthstone place
Reading a book, with a pleasant face,
Till a child came up, with a childish frown,
And pushed the book, saying, "Put it down."
Then the mother slapping his curly head,
Said, "Troublesome child, go off to bed;
A great deal of Christ's life I must know
To train you up as a child should go."
Another woman bent over a book
With a smile of joy and an intent look,
Till a child came up and jogged her knee,
And said of the book, "Put it down—take me."
Then the mother sighed as she stroked his head,
Saying softly, "I never shall get it read;
But I'll try by loving to learn His will,
And His love into my child instill."
That child went to bed without a sigh,
And will love religion—by and by.

Coin Collectors To Meet Monday

The newly organized coin club will meet Monday at 7:30 at the Sebring Pier.

There will be an exhibit of 'Short Snorters' of interest to all. C. H. Cox of Sebring is program chairman and promises lots of business, fun and a chance to grab. A name for the organization is expected to be selected at this meeting. Members signing up now will still be listed on the charter list, they say.

Completely New Economy Engine For Dodge Dart

A completely new overhead-valve six-cylinder engine, the Economy Slant "6", makes its debut on Seneca and Pioneer models of the 1960 Dodge Dart.

A 318-cubic-inch Red Ram V-8 with a two-barrel carburetor is available on Pioneer and Seneca models, and with a four-barrel carburetor, it is the standard engine on Phoenix models.

A "D-500" Ram Induction engine that harnesses the power of rushing air to provide increased power at medium speeds is optional on the Phoenix.

The Economy Slant "6" is inclined at an angle of 30 degrees from the vertical in the engine compartment of the 1960 Dodge Dart. At first glance it is evident this is a completely new and different engine.

Its deep, compact cylinder block displays its strength and ruggedness, and the long aluminum intake manifold branches give a preview of the new induction system and indicate the careful attention to weight reduction given this engine by Dodge engineers.

Every drop of fuel is put to use to give unsurpassed operating economy and adequate power for any driving need.

Members of the Florida Canners Association paid an average of $3.50 per box for oranges going into the manufacture of frozen orange concentrate last season.

A record of 4,952,488 gallons of frozen grapefruit concentrate was produced durin gthe 1958-59 season by members of th Florida Canners Association.

Birds And Insects

By Bird Woman

Continuing from last week, when we discussed the insect world, and the damage they do to vegetation of all kinds, and the difficulty that we all experience in trying to keep them in check, we would like to say a few kind words about the helpers that long to do their part, if they were to get even a little, protection and encouragement.

Ornithologists are recongizing their worth more all the time, and we would do well to put in a little study and observation along this line. Many of us would not need to leave our homes to watch insects being gathered daily, even though it is not the time of year for nestlings to be fed.

Most birds are insectiverous, to a greater or lesser degree, but some live exclusively on insects, in the event you haven't given it a thought, it might seem that the little dainty bird wouldn't be capable of doing very much to help eradicate any specie of insects.

But large or small birds are always hungry, or so it would seem, and even the smallest in size can accout for an unbelievable number of insects, naturally, the smaller the bird the smaller the insects they will eat, but it isn't always the large insects that do the most harm, scale and the eggs and larvne of many insects are selected by some of the smaller birds.

The stomach of the bird is very elastic, and after it seems to be filled to capacity it will still continue to devour insects and weed seed, until one wonders how it can make room for more, but on emptying the stomach the contents when heaped up, seems two or three times the size of the full stomach.

And birds do not just eat and call it a day, they seem to be constantly hungry, if you have ever cared for caged birds you know, that they only take short periods of rest and are back at the feed cup again. Early morning and noon and just before dark seems to be the established time for most birds to have a full meal, but at any and all times between, they may be seen chasing insects on the wing or looking among the leaves on the trees and shrubs, or scratching among the dead leaves on the ground.

This destruction of insects by birds has been quite a compershensive study by Ornithologists, and some of the stastics will prove just how beneficial birds are to us.

In a tree swallows stomach, was found, 49 entire chinch bugs beside fragments of others, and also 10 other species, we all have heard how destructive the boll weevil is to cotton farmers, it is considered the worst insect pest that has ever invaded the U. S. On a check in Texas it was found that a bank swallow, had eaten 68 boll weevil and 35 cliff swallows had taken an average of 18 bollweevil each. A killdeer had accounted for 300 mosquito larvae, and a flicker's stomach contained 38 white grubs, the flicker is also very fond of ants, and may be seen standing over an ant hill and picking them off as they come out of the ground.

We are always pleased when a flicker nests near us, nesting as they do in holes of trees, it is always advisable to leave some dead limbs on trees so they can nest.

We all have seen night hawks sailing about through the air in the evenings, but upon examination it was found that the stomach of one contained 340 grasshoppers, 52 other bugs, 3 beetles, 2 wasps and a spider.

There is scarcely an agricultural pest that is not preyed on by one or more birds. Some of these statics are not from our part of the country but they show how helpful birds really are in different sections.

The alfalfa weevil has 45 different birds that are after its scalp, the army worm43; boolweevil, 66; chinch bugs, 24; cut worms, 98; horse flies, 49; seventeen locusts, 38, and many more we could mention. And in taking these insects they often vary their diet with many other varities and in so doing destroy a great number.

Many people that do not know the helpfulness of hawks, brag that they kill every hawk they see, but most hawks are of untold value to us in destroying rodents, such as ground squirrels, etc. The sharp shinned hawk and Coopers hawk are the only destructive ones we have, of course all are protected.

The quail is very beneficial even here in Florida, for it will keep army worms in check, if left to multiply and thrive. Farmers have told us how hard it was to protect the covies of quail on their farms at hunting season. Besides the many insects they kill, where they are plentiful and can be protected, it is estimated that they eat tons of weed seed during a season.

Many birds seem to have an uncanny way of locating insects, when they appear suddenly in some locality, such as swarms of locusts that have plagued various parts of the world since recorded history.

Some years ago locusts were suddenly swarming in one of the western states, and as usual clearing out all the vegetation in their path, not even sparing the leaves on the trees, and the people were horrified, for then there seemed to be no way they could be controled, but suddenly from what seemed to be from nowhere, flocks of sea gulls arrived, and took the situation in hand, and before much damage could be done the locusts were eaten, and the gulls full and happy, left in the direction they had come. This is not just a story, but is history, and the State being so far inland, it has not yet been explained how the gulls knew that the feast was ready and waiting for them.

A number of years ago a missionary friend, who had lived in Africa for thirty years, told us that often the locusts would come in such number that they would cloud the sky, but the natives there were glad to see them, for the locusts would settle on the ground at night, and in the morning could not fly until the sun came up and dried the dew off of their wings, so the natives would hasten out early in the morning with buckets with lids and they would drag the helpless locusts into the buckets and take them home and dip the buckets into boiling water, which killed the locusts, and they would dry them and beat them into what they called "sauce", which to them was very tasty, and they would eat it on bread. So we see there is more than one way to get rid of locusts.

Have you ever watched a blue jay tackle a large green worm on the poinsettias? It took strength and maneuvering to extricate it from the plant, but the jay evidently feeling that he had a feast in store, stayed with the struggle and eventually flew to a neighboring post to finish the meal.

A crested fly catcher, nested one year in our nesting box, and we watched it through the whole process of building and nesting, and when the young were hatched, we sat by the palm where the nest was located and counted the trips made by the parents, and one or the other of the parents would be at the nest with food ever two and a half minutes, sometimes the insect was so large they could hardly enter the box with it.

We would be very happy to have several nests, and we are quite sure our garden would soon be free of insects. Birds do not hunt just for sport, but they must hunt to live "self preservation is the first law of nature", and we are benefited by it as much as they.

Southland Trailer Park News

Harry Hutchinson, world traveler and well-known Southland resident, returned last wednesday, Oct. 7 from a two month tour of Europe. The trip was throughly enjoyable, says Harry, with wonderful weather and marvelous scenery. He wouldn't change a thing about the two months if he were able and really had a fine time. Friends are happy to welcome him back and anxious to hear about all that happened.

Mr. and Mrs. Ray W. Simmons of St. Petersburg were weekend guests of his brother and sister-in-law, Mr. and Mrs. Ira L. Simmons.

Mr. Nelson Whitaker of Hawleyville, Conn. arrived last week for his first look at his new home in Southland. Mr. Whitaker and Jack Baldwin, manager of Southland, have been corresponding and all arrangements for his new home were made by mail. It is his first visit to Florida and all Southland trailerites can't help but feel he will like the Park, Avon Park and all the people of this area. Let's hope for some good weather now in his honor.

Friends are happy to see that Mrs. Catherine Hager has had her ankle cast removed and is doing nicely and can now get out more. She has been confined to her trailer for the past six weeks because of this unfortunate accident and this last hot spell has been hard for her. The bone must mend some more so Mrs. Hager still has to take great care in moving about.

Word has been received from Mrs. Luella Pinney in Huntington, Ind. spending the summer months about the large amounts of rain in that section. The untimely weather has seriously hurt the farmers there and the Pinneys themselves completely lost a ten acre plot of bean because of all the rain. She also told friends here that Mr. Fred McDonald of Manchester, Ind. who has been a winter resident of the Park for the past two winters has been quite ill following surgery and is no wstaying with a son. Unless he improves greatly suddenly he will be unable to come to Southland for the winter and his friends here are sorry to hear the bad news.

Ben Henningham writes from Ontario, Canada, that he will not return to the Park until the end of October. He is staying with a brother who has been ill and the good fishing. on the lake where he is in the Canadian lake region are holding him longer than his usual summer vacation.

Scottish Rite Club Enjoys Family Night

The Peace Ridge Scottish Rite Club held their regular monthly meeting and Ladies Night October 7 at the Jacaranda Hotel.

About 54 attended the meeting which featured entertainment by a group from the Wauchula high school band. Following the dinner and entertainment the ladies retired to the lounge and enjoyed cards while the brothers met and heard State Representative Dick Williams as speaker.

The next meeting will be November 4 and all Scottish Rite Masons are invited.

"TOO LATE TO CLASSIFY"

By Russell Kay

One hundred years ago in 1859 a number of things happened that paved the way for this nation's amazing growth and prosperity.

It was in 1859 that John Brown raided Harper's Ferry as storm clouds of the Civil War gathered. Colonel Edwin Drake drilled the nation's first oil well at Titusville, Pennsylvania, clearing the way for the great petroleum industry we know today. The famed Comstock Lode was discovered in Nevada and thousands we now refer to as the 49's flocked westward in search of the precious metal. In New York City the world's first elevator was put in service in a Fifth Avenue hotel.

Around the corner from this same hotel an enterprising young man was setting up a new type of retail business that was later to be known as the Great Atlantic & Pacific Tea Company.

In 1859 when men of the east were stampeding westward in search of fame and fortune, others with big ideas and the courage to back them up with action remained in the east determined to find their fortune there.

Among these was Col. Edwin Drake who firmly believed that black oil offered equal promise of fortune as did gold. The gigantic petroleum industry of today proves how right he was.

Another youthful fortune seeker who stayed put was a chap named George H. Hartford, who reasoned that if he could buy tea in shipload lots and retail it to customers at a third of the price it was then bringing, he could build up a worthwhile business. He opened a small store on Vessy Street in New York and advertised the world's finest teas at bargain prices.

That is why two giant industries that typify the "American Way of Life" are celebrating centennials this year.

It was men like Drake and Hartford that inspired Horatio H. Alger to write his famed Alger books that in turn influenced the minds and lives of countless American boys and encouraged them to go and do likewise.

It is probable that neither Drake or Hartford could foresee at the time the tremendous impact their efforts and ideas would have on American life or the extent to which these ideas would be advanced and developed.

Drake was concerned with providing oil for America's lamps. Hartford was providing the nation with a popular commodity at a lower price. Both ideas were sound and both laid foundations upon which mighty industrial empires have developed and prospered.

The quality and value of pure Pennsylvania oil is known today to every motorist while every housewife depends on such chain stores as the A & P and others she finds at her modern shopping center.

Although the motor car, airplane and countless other present day oil consuming equipment was beyond the vision of Drake, it was his faith, courage and enterprise that started the ball rolling toward the mighty petroleum industry of the present era.

And while Hartford could not forsee the great cities with populations running into the millions that would spring up throughout the nation furnishing its quota of prospective customers or vision the great chain food stores and supermarkets that were to come into being, based on his original idea, America is deeply indebted to these men and it is fitting that we pay them homage in this year of 1959.

Sweptline Sets Dodge Style Pace

STYLE LEADER of the 1960 Dodge truck line is this Sweptline half-ton pick-up, which features a larger cubic load capacity and bigger brakes than any comparable model in the industry. The Sweptline is offered with a thrifty 120-horsepower 6-cylinder or a rugged 200-horsepower V-8 engine. Its wide range of body lengths provides payload capacities up to 1,775 pounds.

WASHINGTON NEWS LETTER From

Senator George Smathers

Washington, D. C.—(A few days ago The Miami Herald asked me to write a guest column. I thought you might be interested in reading it.)

ADJOURNMENT NEARS --TIME TO TAKE STOCK

The congressional clock is ticking closer to adjournment. Night sessions in the Senate are being held on a regular schedule while the opening bell often rings an hour or two earlier than usual, in an effort to clear the calendar of the bills that still have to be acted upon.

Barring the unexpected -- which happens in Washington more often than not -- the first session of this 86th Congress should adjourn pretty soon.

That's always the signal for the -- quote, political observers, unquote -- to take stock of what happened. Newspapermen and other congressional scorekeepers will soon come up with the final total of accomplishment. I'll leave that job to them.

But I would like to mention the major trends of the session and the issues that shaped the trends.

Budget Cuts Are Due

One major issue -- inflation -- loomed up in Congress from the opening day. It was danger to our economy then. It still is. But some of its teeth have been pulled.

Congress will probably have made a net cut of one-half billionion dollars from the President's 77 billion budget request, when all the bookkeeping for this session is complete. (In the last five years Congress has cut $10.6 billion from the President's budgets.)

However, fighting inflation is more than cutting spending. It's also the job of keeping a lid on prices and the cost of living -- and at the same time NOT putting a stranglehold on our economic growth.

Our economy is expanding at the rate of 3 per cent a year. Clamping on the brakes too tightly means taking a chance that our whole economy will grind to a halt -- and then start moving backwards.

Nation's Productivity Aided

Congress has shied away from the blunderbuss approach to fighting inflation by merely cutting spending all along the line. It sought to add nourishment to our economy by emphasizing (and voting more money for) the fields of health, education, housing and aid to education. In turn, it cut the water and fat from other parts of the budget, chiefly foreign aid.

The formula of emphasizing the nation's productivity -- which was carried out also in the 85th Congress -- gives signs of important success. It was announced just a few days ago that our Gross National Product -- the sum total of everyhing we produce -- has reached an annual rate of $484.5 billion, the highest in our history.

Labor Legislation Brings in Mail

No question promoted more mail to Congressmen this year than the issue of labor legislation. It's been in the headlines since the session began. House and Senate passed labor bills are now in the hands of a joint conference.

The Senate bill did not cover as much ground as I had wanted. But it was legislation worth voting for. I will, if given the opportunity, vote for amendments to strengthen secondary boycott provisions, and outlaw organizational picketing, and eliminate the so-called "no man's land" area of labor disputes.

I was happy to have offered an amendment, adopted in the Senate version of the labor bill, to outlaw the hot cargo tactics used so effectively by some extremists in the Teamsters' unions. The first five titles of the Senate bill are, admittedly, more comprehensive and better thought through than those in the House version, whereas the last three sections of the House bill cover ground that the Senate bill only lightly touched. The problem now is to get the best of these two bills in the interest of the public and a clean and responsible labor movement.

The Biggest Problem of All

These are some of the immediate issues. But there's one that is paramount to all others -- and dwarfs them by comparison. Simply put, it's the problem of survival.

In cold dollars and cents our defense spending will cost about $41 billion for the fiscal year that starte din July 1, a huge chunk of our national budget.

(Millions of these dollars will funnel into Florida, which has 29 military installations.)

Importance of Defense Spending

Survival -- the need for a strong defense -- is a haunting problem that will be with us for a long time to come. It will still color most of our major decisions which Congress makes in the foreseeable future.

Premier Khrushchev, on his visit to America, will get an insight into the true facts about our country which he obviously doesn't have today. He'll see with his own eyes the strength of our people and our dedication to a democratic way of life. He will find out that we're peaceful, but determined to defend our freedom against any force. All of what he sees may temper his thinking, and that's to the good. But we must remember that he's the Number One Communist, devoted to its ideals and programs, and we must never be deluded into lowering our defense shield, burdensome as it is.

This, in the briefest manner, is a summary of our basic work thus far. Of course we have passed housing legislation (twice), appropriation bills, transportation laws and a host of others.

The time has come for us to go home. (In fact my children are now back after summer recess, ready for school). After all, it's sometimes true that the country is better off with the Congress 'long gone'. I feel sure that time has now arrived.

Convict Discusses Guilt

What is guilt and who is guilty? I sometimes ask myself these questions and I don't care too much for the answers I get. We, as convicts or inmates, are by our own confessions, or by the findings of a jury, guilty of some sort of crime and therefore we are incarcerated supposedly and primarily for the purpose of atonement, to pay for the error we made. Oh but what a sorry debt we have contracted, for it is one that is never really paid, the interest goes on and on and sometimes because of this unfair interest we are more or less forced into a position where unless we are exceptionally-strong-willed and independent we borrow, again, so to speak. We become, in the terminology of the penologist, a recidivist, a repeater and we find that being found guilty of a crime, is a crime in itself!

In many cities in many of our states, a man once convicted of a felony is required by law to register as a felon, failure to do so is a crime and calls for punishment. If you do register and a crime is committed you are picked up, taken to the station and questioned. The newspapers scream out that an ex-convict has been arrested and is being quizzed about the crime. As a consequence neighbors look askance, employers find that you are no longer needed, and wives and children are needlessly hurt. Are the police guilty of persecution? Are the papers guilty of malicious gossip? Or is it quite all right that these groups can destroy a life and kill hopes and dreams of being a normal person, after having supposedly paid once for the error of your ways.

We admit that some men are misfits and that given every opportunity they would still choose to defy society, but these few are'nt the whole lot, or even the majority. There are thousands of men in prison that really want to be good citizens, but will never have the chance under the present set-up.

There are renegades in every walk of life, there have been such things as crooked politicians, judges, and others who are sworn to uphold the laws of our country, yet we don't condemn all the other men who choose these professions nor should we, but let any man get the taint of a prison number on him and the odds are a hundred to one that he will never be able to rise above it.

More and more laws are being made each day and some of them are in my estimation rather ridiculous, and some that are pending are abosolutely insane in their entirety, such as the bill before Congress that would prohibit any ex-con from belonging to any union. How can such as this be, in a country such as ours, where no matter what your background or heritage, you are supposed to have a chance, and be free from persecution and gestapo police methods.

The prevailing idea in penology today is rehabilitation, but what is it if the man on the street is allowed to continue in his old beliefs and the greatest law making body in the land discriminates against the man who has served time? We are trying here at Avon Park, to educate not only the inmate, but the public too. So far we have been highly successful and our men are accepted in the surrounding area for what they are NORMAL HUMAN BEINGS who have made a mistake and have paid for it. However, we are small and our voice cannot reach to all the far places, we can only hope that what we do here will eventually lead the way to a new concept and attitude towards the men and women trying to make the new start on the road to normalcy.

Mercury For '60 Is Road-Tuned For Quietness

A completely road-turned car, distinctively styled and functionally clean in design is offered by Mercury in its 13 new models for 1960. Body, frame, suspension, engine and transmission are precisely blended to provide a new standard in riding comfort.

Many important design changes were made in Mercury's three V-8 engines to improve both economy and performance and give greater reliability and smoother, quieter operation. All engines have two-barrel carburetors which save fuel, and two of the engines are designed for maximum performance with regular gasoline.

All models of the 1960 Mercury have a wheelbase of 126 inches, permitting a greater length between wheels, with a resultant improvement in occuyant comfort. Continuing a feature introduced to the industry by Mercury last year, the 1960 models have a low transmission and drive shaft tunnel.

"Mercury engineers have succeeded in completely insulating the body of the car from the running gear, resulting in an exceptionally smooth ride," said Ben D. Mills, vice president of Ford Motor Company and general manager of the M-E-L Division. "Driver and passengers are protected from noise, vibration and harshness by rubber, butyl and other effective insulating materials at every point where the body is attached to the frame or to other chassis components.

Touchton Drug Offers Biggest 1c Sale Ever

Vernon Tyson, manager of the Touchton Drug Store, announced today that plans are underway for the big Rexall One Cent Sale to be the biggest this year of any in their long history of this famous event.

Long declared as America's greatest retail drug event, the original Rexall one cent sale brings to rock bottom the price of hundreds of the finest drug and miscellaneous articles regular offered by the Rexall stores.

For family entertainment they will offer "Strawberry Blonde" a full length TV spectacular Sunday evening, October 18.

Heart Attack Formerly Spelled Economic Ruin

Years ago, a heart attack usually spelled economic disaster for a farmer.

Today, it isn't necessarily so.

American Heart Association studies in the Iowa corn belt have shown that a great many farmers who have recovered from a heart atack can keep on farming.

There are, of course, several "ifs" in this situation. First, the doctor must agree that the farmer is capable of resuming limited activity; more often than not, it is likely that he will.

After that, a great deal depends upon the farmer himself. He must learn to use his head instead of his hands, as much as possible, for farming is a highly strenous activity at certain peak periods.

Although most farm jobs fall into the range of moderate work, some are just too demanding for a cardiac--for instance, working on ladders, opening and closing heavy gates and doors, carrying large loads. With proper planning, much of this work can be delegated to others.

tion. They have two children, a boy Kyle, 3½ years old, and a little girl, Danna, who is 2½ years of age.

Wainwright stated that Hassfurder seemed to be extremely happy in his new assignment and expressed a desire to meet the people of the community and strive to make a real contribution to the program here at the institution.

Recently Mr. Hushang Bahar and Mr. James Ivey, both well known to the people of Avon Park and community, and both who have served in the school system of Highlands County, have accepted positions with the Correctional Institution in the Education Department. Mr. Bahar will head up the Education Department assisted by Mr. Ivey. Both are extremely well qualified for this type of work and will remain residents of Avon Park.

Wainwright stated that he felt the institution was extremely lucky in being able to gain the services of Mr. Bahar and Mr. Ivey, and felt that the Educational Program at the institution would be a tremendous success under their leadership.

Mr. David K. Endwright will head up the Recreation Department at the institution. Mr. Endwright is a graduate of the Indiana University with a degree in Physical Education and has had considerable experience, while serving with the Arm Forces, in organizing recreational programs for military personnel. Mr. Endwright is also a 1st Lt. with the National Guard. He is looking forward to organizing a recreational program at the institution which will include all inmate personnel, regardless of the age and physical condition.

Mr. H. G. Jenkins of Bartow has been employed in the Business Office as an accountant. Mr. Jenkins is a graduate of Florida Southern College with a degree in Accounting. Mr. Jenkins will head up the Accounting Department in the institution and will be of considerable assistance to the Business Manager in preparation and control of purchasing and budgets.

Mr. B. D. Brown, Jr. has been employed as a Classification Officer in this section. Mr. Brown is a graduate of Florida State University with a degree in Corrections and has had several weeks training at the Reception, Diagnostic, and Classification Center at the Florida State Prison at Raiford, before coming to this institution for work. Mr. Brown will assist our Classification Supervisor in the performance of his duties.

Wainwright stated that a position of Job Placement Officer which would devote full time to assisting inmates in securing suitable employment upon their release will be added November 1st. It is felt that in many cases inmates who are suitable to return to society are released and are then unable to secure gainful employment, which sometimes requires them to resort to some type of activity which tends to lead them back to institutions. It is felt that the program at the Avon Park Correctional Institution has made considerable progress and that another step will be taken with employment of a Job Placement Officer and assisting the men to secure employment upon release. The program certainly would be incomplete if we were unable to furnish this service for the individuals with whom we work with for many months in an effort to change their way of thinking and encourage them to consider taking a useful place in society.

handlers.

There will also be a skin testing survey along with the mobile x-ray units, Dr. Hill announced. These tests are important, he said, in determining the location and prevalence of certain substances which produce allergic reactions in people. Dr. C. F. McCuiston of the Veterans Administration Research Clinic will be in charge of this program and the tests will consist of several skin tests and a reading in forty-eight hours, Dr. Hill stated.

One unit will be at the band stand, October 27 through November 5, and the other at the Silver Star Restaurant, October 30 through November 8.

CARD OF THANKS

(Correction)

This card of thanks should have read:

We wish to take this opportunity to express our heartfelt thanks to all our Avon Park friends for their many words and acts of kindness at the time of the passing away of our loved one, Mrs. J. H. Dean.

J. H. Dean and family
