Merit Board Seeking Juvenile Counselor

***Expected To Assume Duties About Aug. 1**

The search for a full-time merit counselor for Highlands County is officially underway. Advertisements for the position have been prepared and are published for the first time this week.

In a meeting June 15, the Highlands County Juvenile Merit Board voted to set July 15 as closing date for applications.

The Rev. Tom W. Jones of Sebring, who was appointed by the Merit Board to draft the advertisement, said that in addition to Highlands County newspapers the ads are appearing in three metropolitan papers of the state and four universities have been requested to post notices of the opening here.

Juvenile Judge Mervin Rehner recommended to the Merit Board that the new counselor should be hired to begin work not earlier than August 1. Beginning this week the Judge will be out of the office for a month to attend the Alcoholics Study School at Yale University.

The Merit Board at its June 15 meeting approved a Juvenile Court budget asking of \$12,820. This budget, which is \$5,000 larger than the current budget, will be presented to the Board of County Commissioners when county budget hearings begin next month.

The Juvenile Court budget asks \$4,200 for a full-time counselor and \$2,400 for a part-time counselor. At present the court has one part-time counselor who is receiving \$2,400.

The new budget includes \$1,500 for a part-time secretary and \$2,500 for the juvenile judge. Judge Rehner pointed out that Florida statute provides that "in counties having a population of 30,000 or less, the judge may be paid an annual salary not exceeding an amount equal to \$120 for each full 1,000 population in the county."

Other budget items include \$500 for temporary care of dependent children at the rate of (Continued on page eight)

First PTA Scholarship Awarded To Sally Nute; To Attend U. of K.

Miss Sally Nute, daughter of Mr. and Mrs. Harold Nute, was first recipient of the PTA Scholarship which was presented to her at the graduation exercises by the past-president of the PTA, Mrs. Lena Suggs.

The PTA Scholarship Fund became a reality this school year, and is to be a continuing project of the PTA through support from local citizens. The PTA Scholarship Committee is presently working on solicitations for this fund.

To qualify for the PTA Scholarship a graduating senior must meet the scholastic requirements, have a realistic and sincere plan for further education and show a need for financial assistance.

PTA members who have worked towards setting up this scholarship fund are grateful for the response to their appeal for funds and the generosity of many people and schools to Mrs. Suggs, the granting of the scholarship to Miss Nute is an evidence of the desire to help young people get an education.

Miss Nute has enrolled at the University of Kentucky where she is to study nursing.

Would Save Both Groups \$3,000 — Droit

The controversial hospital referendum came to the surface again at Tuesday's meeting of the county commissioners, when Supervisor of Registration appeared and suggested that the vote on the bill and election of school trustees be held at the same time. Both elections are limited to freeholders of the county.

Droit said that the school board and commissioners have, at other times, held elections at the same time and shared the expenses. He estimated that each board would save "about \$3,000."

At the recent legislative session, Droit introduced two hospital bills. The first would provide for establishment of a county-wide hospital district. If this bill is defeated by the voters, another referendum will be called to vote on the second bill, which would establish a tax district exclusive of the northern tip of the county, and Avon Park.

The second bill calls for inclusion of all that part of Highlands County lying south of the South Boundary of Township 33 South. In other words, Livingston told the Sun, "it would split Lake Letta in the middle."

We may have two elections coming up," Droit reminded the commissioners.

Droit told the commissioners that "at least five new voting machines are needed in the election in November. He added that crowded conditions may be relieved some by the public. "If people would study the ballot ahead of time," he pointed out, "a lot of congestion can be avoided."

He told the commissioners that conditions at Avon Park City Hall are too crowded, but the polling place will not be changed immediately because "I think it would be confusing to the voters to hold city elections at the City Hall and county elections at the Tourist Center."

"Mayor Delaney has promised to give us every help he can. City Hall officials will be closed on election day and hallways will be cleared. The Mayor is having the city attorney study the city code to learn whether the city elections may be held at another site."

Droit estimated that new voting machines would cost about \$1,800 each and the cost may be spread over a 10-year period. He added that Deland County is still using machines purchased two decades ago and they are holding up well.

Babe Ruth Schedule Underway

After a week's delay due to rain and the State High School Baseball Tournament, the Highlands County Babe Ruth League opened action last Monday night. The two Sebring teams both won over Avon Park's squad. At Head Field the Sebring JC's took a 9-7 win from the Avon Park Bankers and in Sebring the VFW boys swamped the APCI Employees 16-5.

CHIEF CARL HELM AT WORK

APCI Inmate Wins Recipe Contest; Featured In Palm Beach

The Palm-Beach Post Times recently conducted a Beef Recipe Contest, which was won by an inmate at the Avon Park Correctional Institute. The winner—Carl Helm, a former "big-league" chef was interviewed by Post Times Food Editor Lynn Vorchur with the aid of The Sun's editor some weeks ago. The complete story and recipe which was published in the Palm Beach paper last week is found below.

By LYNN VORCHUR
Food Editor

A man who once "headed for Skid Row" but today has "mush to look forward to" is first place winner of the 1961 Beef Recipe Contest.

An inmate at Avon Park Correctional Institution for the past 20 months, Carl Helm hopes to be paroled during July. He will return to his former job as cook in a hotel, a position he held before his admission to the minimum security prison.

Meanwhile Mr. Helm, a dignified, white-haired man with a warm smile, enjoys working in the kitchen of the institution. Speaking about his boss, C. E. Brown, chief steward in charge of all culinary departments, he said, "I've never worked for a finer man."

"Everybody's equal—there is no head chef" in the kitchen he said. Mr. Helm devotes a few hours in the morning and several hours at noon.

Sunday is his day off and he is quite active in the church. He sings in the choir and records the attendance.

A wide and varied program is offered at the prison he said. "Here they are very lenient about advancing anyone who wants to help himself." They have a Hotel and Motel operation course and I graduated from that with high honors."

Every morning after he is finished working, he walks around the compound and gets ideas for new dishes. He plans to incorporate all of them in a cookbook which he has been working on for some time. It is registered as "The Poor Man's Gourmet Cook Book" and will feature economical meals. It will also give the calorie content of each recipe.

"I'm a creative cook," says Mr. Helm. "I get ideas, put them together and experiment."

Mr. Helm devotes a lot of time to the writing of his book which will include recipes such as Chinese Walnut Chicken, Parsley Steak Rolls, Ham Patties with Sour Cream and Baked Ham with Crabapple Glaze.

A former alcoholic, our contest winner is very active in the prison's Alcoholics Anonymous and is editor of the magazine, "The Open Door."

"This institution really does help to rehabilitate and straighten men out," Mr. Helm said. It has "a very fine educational department; you get good, well-balanced food; the treatment is good and the medical care is fine. They cured my arthritis."

"I don't think I'd be alive today if I hadn't come here," he said. "It's the best thing that could happen to me. I feel 20 years younger."

Mr. Helm was born in San Francisco 61 years ago next month. His parents were killed in the famous San Francisco fire. After spending his boyhood in California, he went to Zurich, Switzerland, at the age of 17. He refers to his relatives there as "a hotel family."

In Switzerland he served as a cook's apprentice for three years, then traveled to England where he worked in hotels for seven years. Returning to America, he worked in New York City as banquet chef at the Astor Hotel and at The New Yorker.

He has also been a "top chef" at the MacPhaden-Deauville, The Towers, Congress in Chicago, Arrowhead Springs Hotel, where El Mirador, Palm Springs. He has been vice-president of the Chef's de Cuisine Assn. and president of the American Caterers' Assn. Optimistic about the future, Mr. Helm says: "If you trust in God and believe in him, he'll answer your prayers, eventually—everything turns out."

Local Auto Dealer Cited By Company

C. E. Lanier, president of
Avon Park Motor Co., today
received a personal congratulatory
letter from Lee A. Iacocca,
vice president of Ford Motor
Company and Ford Division
general manager, commending
him and his employees for their
part in setting a 36 year Ford
sales record.

Ford car and truck sales during
May were higher than any
other May since 1925—the hey-
day of the Model "T".

In his letter to Lanier, Iacocca
said, "I would like to take this
opportunity to extend my
personal congratulations to you
and your employees for helping
to make last month the best
May Ford sales month in 36
years."

"Not since the record May of
1925 have Ford dealers sold as
many new cars and trucks
during any May sales period as
in the month just past. We
think this is a major accomplish-
ment, one that reflects the

strength of the country's
economy and of the automobile
business in particular."

In closing, Mr. Iacocca stated,
"We think the consistent Ford
sales gains since the first of
the year which you and your
employees made possible, has
helped to encourage this coun-
try's confidence, which has
led the country out of a business
recession."

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are schooled with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Experience today declares that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Today the 'Great God of Nations' is pleading for unity of mind, for brotherly love between men and for peace on earth. Jesus the greatest of teachers presented to men truths, which were then as they are now, of great importance to all mankind. His utterances, without revision, are most pertinent to modern life and make universal appeal. In them are heights which no man has scaled; depths which no man has sounded; reaches of length and breadth which no man has explored. Universally the need for blessings from the great 'God of Nations' has never been so great. He commanded men to learn of Him and promised to show them the way.

Pastors, Priests and Rabbis are pooling their interests in an effort to challenge All Nations to an understanding of the term 'Peace'. Prayers from millions of earnest seeking, warm hearted, religious people, go up to the great 'God of Nations' every day for those men who are entrusted with our destinies.

Millions are now saying of Jesus: "There was the true light, even the light which lighteth every man, coming into the world." Whether judged by subject matter, the eminence among teachers, or its effectiveness in influencing life... Jesus enjoys pre-bask His guidance when difficult, international problems arise... then solving them would not be such a surprise, for in Him men of faith find all things possible.

Jacksonville Lee Generals Win Class AA Diamond Title

Legion Nine Travels Friday

Avon Park's Post 69 American Legion Junior baseball team will travel to Ft. Myers Friday, for their second game of the season. The Legion nine will be at home again next Tuesday when they host the Sarcoza team and will also play Tuesday night at Head Field with Punta Gorda as their opponents.

Game time for the Legion games is 8 p. m. at Head Field. Grover Bates is serving as manager of the Post 69 team and Ralph Hill will coach the Avon Park boys who will be joined this summer by Wayne Parks of Sebring. Parks is eligible to participate on the Post 69 team since Sebring is not fielding a squad this year.

The Avon Park boys were scheduled to play Ft. Myers at Head Field, Wednesday night.

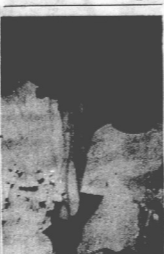

The Robert E. Lee Generals of Jacksonville won their first Class AA state baseball championship when they defeated the Boca Ciega Pirates 2-1 in a ten inning marathon last Thursday.

The fleet Lee boys jumped off to a one run lead in the first frame as lead-off batter Harry Haskins took first on a walk, stole second, went to third on a wild pitch and came home when Brownie Johnston blasted a double out to the 350 foot mark on the left field wall.

The Pirates tied the game in the top of the third. Jon White walked, stole second and was driven home on back to back singles by Tom Ickes and Mac Boyd.

In the bottom of the tenth, lead-off better Ducky Fry was safe at first on an error on the Ciega third sacker. Bob Whitley sacrificed him to second and the speedy All-Tourney Lee catcher stole third. Second baseman Sammy Steen came to bat next and dropped in a perfect punt as Fry came home on the squeeze. The punt was so perfectly placed that Fry crossed the plate before the ball could be fielded.

Off The First Tee

Saturday night, June 24, from 8 till 11 the 11th and 12th grade senior high school and the college group will have a dance at the club. Lou Hooper (adult member), Mary King and Clytie Coleman are the committee. I hear that the plans are for a very special time to be had by all, so you had better be there.

Because of the July 4th activity at Donaldson Park, there will be no July 4th activity at the club, however the club will be open.

The swimming is great and the beach is fine so bring along the swimming suits and enjoy a swim.

The fairways and greens are in fine shape and so there is no reason why you shouldn't play a round of golf before lunch.

The club house is now open from 4 till 9 six days a week (not open on Mondays). Eddie will be there the six days so if you want a steak, chicken or shrimp dinner call Eddie any day but Monday and he will have it ready for you at the time you say. If you had one of Eddie's dinners you have missed something. Take a guest or two, they will enjoy it. Let's all strive to make the Country Club the social center of our fine community.

Miss Delegal, Joseph Koncilja Wed In Baptist Church Rites

Miss Charlene Delegal and Joseph Koncilja were wed in the First Baptist Church, Saturday, June 17, at 8 p. m. The Rev. D. D. Children performed the double ring ceremony under a soft glow of candlelight. Mrs. Art Turner rendered a program of organ music and played softly as the sacred vows were spoken. The bride is the daughter of Mr. L. Delegal and the late Mr. Delegal of Avon Park and the groom is the son of Joseph Koncilja and the late Mrs. Koncilja of Fort Lauderdale.

The church altar and baptism were decorated with large baskets of white gladioli and carnations, intermingled with a delicate shade of pink, with potted palms forming a background for the setting.

The bride's only brother, John Delegal, Jr., of Orlando, who was the best man, was the only attendant was Mrs. John L. Delegal, Jr., who was given the honor of carrying the bride down a street length.

She wore a gown of silk or organza over tulle which she had designed herself. Fashioned along princess lines, the top was of Chantilly lace with the natural scallop of the lace forming the cap sleeve and the neckline, encrusted with iridescent pearls. Large appliques of lace medallions with jeweled pearls were scattered over the skirt which topped the floor in a bell style. Her sheer veil of illusion fell from a head band made of flower petals and pearls. She carried a white purple throned orchid, showered with white lilies, strewn with white Stephanotis buds.

The groom was attended by Allen Morris of Fort Lauderdale, James Walverton and Robert Boyle of Fort Lauderdale served as ushers.

Mrs. Delegal wore for her daughter's wedding a blue linen dress with a blue broad band and lace accessories. A corsage of pink roses.

Immediately following the ceremony a reception was held at the Church Social Hall. Mrs. Donald Ford, Mrs. Ophelia Rhine, Mrs. J. T. Lamb, Mrs. David Stuckey, Miss Helen

Tuten, Miss Evie Canup, Mrs. Addie Lee Canup, Mrs. Bertha B. Warren, Mrs. Tony Mitchell, Mrs. Alice Sherman assisted with the hospitalities. Misses Kathy and Arlene King passed out the rice with which the couple were showered as they left the building, and they left the bride's bouquet to catch the bride's bouquet.

The note of pink predominated in the decoration with a pink linen cloth covering the refreshment table. The punch bowl was encircled with pink blossoms and all table appointments were in crystal.

The bride's table was overlaid with white linen, and centered with the wedding cake, which was a large square, three tiers high with a miniature bride and groom standing under a pearl colonnade on the top. A ruff of lace formed the base for the cake and the bride's bouquet was laid at the front with the satin streamers falling over the cloth. A pair of crystal candlesticks at either end of the table held burning tapers which were entwined with fern and valley lilies.

Out of town guests included Mr. Joseph Koncilja, Mr. and Mrs. James Walverton, Mr. and Mrs. Robert E. Boyle, the groom's sister and her family, Mr. and Mrs. Peter Fies and Allen Morris, all of Fort Lauderdale; Mr. and Mrs. John L. The underskirt included a wide border of eyelash embroidery made by a great-grand aunt for her own wedding in 1880. Her veil of sheer illusion fell from a chaparral of tulle. She carried a white Bible topped with a white orchid.

Miss Anita Luscomb was the maid of honor. Miss Katharine West, Miss Sylvia Hasti, Miss Glynis McFarlane and Miss Patricia Morrison were the bridesmaids. Their dresses were all in street length pink Chantilly lace over pink tulle.

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES

Galaxie styling is inspiring more admiration (and imitation) than any other car on the road!

This is Galaxie styling—inspired by the fabulous Thunderbird! Many cars have tried to copy the incomparably beautiful 1961 Galaxie. No car has succeeded. And styling is only part of Galaxie's distinction. This is the car that's beautifully built to take care of itself. The '61 Ford goes 30,000 miles between chassis lubrications... 4,000 miles between oil changes. Brakes adjust automatically.

Wouldn't it make sense to STOP spending money on an old car that can never do for you what a new Ford can do? SWAP right now while your Ford Dealer's sales are booming—and the swapping is easier than it's ever been before. SAVE with the car that makes saving a pleasure. Shower Honors Martha O'Steen In Methodist Church Social Hall

Wesley Hall of the First Methodist Church was the scene of a shower given in honor of Miss Martha O'Steen Thursday night.

A profusion of summer flowers were used to decorate the hall. A large archway covered with fern and flowers stood behind the gift table with a fancy umbrella standing on the table which was laden with packages for the bride-elect.

The guests registered in her bride's book which was presented to her by her bridesmaids. The hostess' gift was an heirloom bedspread. Miss O'Steen received many beautiful and useful gifts.

The refreshment table was centered with the punchbowl which was encircled with fern and flowers. Dainty cake squares decorated in pink and green, were served with the punch.

Out-of-town guests included Mrs. Willard Cook, Sr., Mrs. James Sutherland and daughter, Nancy Moore, Mrs. Robin Cook and daughter Paula, all

Counselor—

(Continued from page one)
\$250 per day; travel expense, \$200; office supplies and telephone, \$400; state and national association membership, \$25; attendance at institutes and conferences, \$225; and miscellaneous emergency fund, \$200.

The emergency fund is a new item in the proposed 1961-62 budget. The Judge explained: "We have had during this past year extremely serious and necessary emergencies which would have required small expenditures. We did not have an amount for these items and had to rely upon contributions of various charitable organizations or friends of the Court."

He said that dependent children more often than not are in dire need of clothing when they become wards of the Juvenile Court.

A month ago the Merit Board sent a request to the County Commissioners for additional funds to hire, in June, a full-time juvenile counselor. After making a study of the budget, the commissioners reported at the June 6 meeting, that the Juvenile Court budget for the current year is only 96 per cent spent and includes funds sufficient for hiring a full-time counselor at the \$4,200 rate suggested by the Merit Board.

The commissioners refused to make any budget commitments for the year beginning Oct. 1. At the meeting of the Merit Board last week, Judge Rehner distributed a memorandum in which he stated, "I personally feel that we have a very fine Board of County Commissioners at this time, and I feel also that they approve the necessity for a competent, efficient Juvenile Court program, and I am sure that when they see that we are working toward that end, that they will make the funds available for a workable Juvenile Court program."

He reminded the Merit Board that the state law requires that the Board bring in a list of three applicants for the counselor position. Judge Rehner requested the board to list applicants in order of the board's preference, and he reminded the board that he has promised to hire the number one choice.

He said that several inquiries about the counselor position have been made, and each of these persons has been sent an application form.

Red Devils—

(Continued from page one)
the Avon Park Red Devils and then presented the Class A championship trophy to the DeLand team.

Lafayette Golden, executive secretary of the F.H.S.A., gave a short speech thanking the officials and fans of Avon Park for the fine job of managing the tournament.

Commissioners

(Continued from page one)
two machines added to its present quota.

During the Tuesday morning session Clerk Earl Rich read a letter from Juvenile Judge Merivin Rehner requesting that his office be informed of the commissioners' decision relative to the appointment of a full-time juvenile counselor.

The commissioners instructed Rich to send a letter to Judge Rehner reminding him that "the commissioners take no action on the appointment of any juvenile counselor."

In response to questions, Rich said the County Juvenile Merit Board will be notified of the annual budget hearing. The Merit Board has already submitted a proposed budget which includes funds for hiring a full-time counselor.

A telephone company official appeared before the board Tuesday and presented possible plans for installation of a telephone switchboard for the court house.

He said that many persons now calling the court house do not know exactly which office or which official to contact. He said a switchboard would "distribute calls and when necessary transfer them from one office to another."

He said monthly cost to the court house budget would be about the same as will be paid on the separate office phones (three new installations have been requested for the immediate future). "The real saving," he said, "would be in the toll charges paid by individuals calling into the court house."

The board signed a new contract with Sebring Utilities company. The court house now comes under a different rate, and in the coming year may pay as much as \$1,500 less than the old rate.

The commissioners accepted a bid from National Cash Register Company for a typewriter-bookkeeping machine. The machine, which is to be billed against the 1961-62 budget, will cost, \$7,975.58.

Due to the July 4th holiday, the commissioners will hold their next meeting on Monday, July 3, 9 a. m.
