The Lake Placid Journal, in their editorial columns this past week made reference to the Sun and made the inference that we were having some troubles keeping our editorial and news columns separated in relation to the hospital issue.

Though we were not called by name—we can't figure out just why—we are proud of it . . . and reference is obviously made to the fact that we ran a story on a talk which Audie Lynd, administrator of Walker Memorial Hospital made to the board of directors of the chamber of commerce last week.

Maybe in the opinion of that editor from the south end of the county we should have withheld the story because Mr. Lynd is naturally opposed to the construction of a new hospital. We feel that irrespective of our personal opinions we still would have run the story. It was said in an open meeting and anyone could have heard the very words we printed . . . the mere running of a statement on the subject whether pro or con does not in our estimation, constitute the "slanting" of the truth.

If it boils right down to the core of the situation . . . it is quite obvious that the Lake Placid Journal in their columns are for a hospital and no doubt would like it in Lake Placid. We feel further that if a hospital should be constructed it should be built in Lake Placid or that area.

The hue and cry is that we failed to present both sides of the hospital issue in the news . . . it could well be that this thing smacks of "wolf" cries. It is no different to us than the Republicans demanding equal time to President Kennedy's open press conference. You may feel that you have a point and don't feel that we were fair in the publication of this article but neither do we feel that there is any "fairness" in saddling the Avon Park area for additional taxes to build a hospital 30 miles south . . . one that we won't use and one that will probably be a "drain" (to use that word again) on our pockets here.

All the soapboxing in the world can't make a dent in the fact that it will be a drain on tax monies in Highlands for years to come.

We still feel that the thing to do is to divide into a separate hospital district and then in cold hard words of fact . . . you will be paying for what you want but not the people who already have an 80 bed hospital here in north Highlands.

FACT AND OPINION

Repeal of the excise taxes on passenger fares and communication services were characterized by the U. S. Chamber of Commerce as "the most urgent" issue in the transportation and communication fields confronting the upcoming session of Congress. The Chamber also said that two other issues regarded as urgent concerned the common ownership of transportation modes, as well as placing the postal service on a pay-as-you-go basis.

A statement by Herbert Hoover tells of one way to overcome his critics. He simply explains that he has out-lived them.

Peak production: A sow produces up to 12 piglets in 116 days, and a litter of 10 pigs becomes a ton of pork in five months.

The Antigo, Wisconsin, Daily Journal reports, "Drowsiness continues to be one of the major causes of highway accidents . . . Also, most accidents caused by drowsiness occur near the end of the journey."

Economic Intelligence says, "There are two ways of handling maturing debt; either retire it through accumulated Treasury surpluses; or refinance it by issuing new securities. Most of the time the treasury is forced to use the second alternative." Intelligence concludes that advance refunding does not solve key problems of debt management, but it provides greater flexibility to the Treasury and is a valuable innovation. Such refunding is all right as long as too many don't take it for granted as a way out of paying the national debt.

Why the editor's job is a headache. "Professor Ernest Brenneke, of Columbia University, is credited with the discovery of a sentence that can be made to have eight different meanings by placing the word 'only' in all possible positions in the sentence: 'I hit him in the eye yesterday.'"—Coronet.

Dr. William J. Thaler, 34, a highly creative physicist, created a sensation in the newspapers in Washington, D. C. by accepting a \$12,000-a-year teaching position at Georgetown University in preference to a \$40,000-a-year job in private industry. Dr. Thaler said he chose teaching because it will give him time to experiment. He has already been given credit for the development of some of the nation's greatest breakthroughs in the atomic field. As the Washington, D. C. Labor expressed it, "We're glad to salute Dr. Thaler for his decision. There are undoubtedly many more educators in our land who place ideals above dollars."

Senator Spessard Holland

BILLS INTRODUCED—Last Wednesday, Feb. 22, I introduced two bills which directly affect many Floridians. The first would amend the Perishable Agricultural Commodities Act of 1930 so as to correct certain administrative difficulties which have developed over the past 30 years and lighten up the protection given to growers by the licensing of dealers and brokers. I introduced this bill at the request of Florida Fruit and Vegetable Association, the Citrus Commission and Citrus Mutual and its purposes have the endorsement of the U. S. Department of Agriculture. The second measure would amend the Civil Service Retirement Act so as to give employees of the Agricultural Stabilization and Conservation Committee the same credit for purposes of civil service retirement, annual leave, and job seniority, as that now received by other federal employees.

I also joined Senator Magnuson in a co-sponsorship of a bill to encourage and increase travel in the United States by foreigners through establishment of an Office of International Travel within the Department of Commerce and a Travel Agents Bill. Enactment of this legislation, which was proposed by the President and passed by the Senate on February 20, should do much toward recovering a portion of the U. S. currency which leaves our country through the constant out-going stream of American tourists and commercial travelers.

WILDCAT STRIKE EMPHASIZES NEED FOR AIRLINE LABOR LEGISLATION

The recent unauthorized strike of flight engineers in the wake of their jurisdictional dispute with the Air Line Pilots Association emphasizes the need for federal legislation which I introduced in the 86th Congress and reintroduced in this session. Labor Department authorities have advised that my bill, if enacted, might have averted the strike. The strike has cost the airlines an estimated \$5 million daily without pay thousands of workers, and caused untold and costly inconvenience to hundreds of thousands of air travelers. Although I am sympathetic to the flight engineers in their jurisdictional dispute, their irresponsible action in striking a great percentage of national air travel by this walkout is inexcusable and has strengthened my hope for the passage of my bill in this Congress. However, it must have the support of an aroused and indignant public.

HARVEST OF SHAME: AGAIN A FLOOR TOPIC

The Columbia Broadcasting System's so-called documentary film dealing with the plight of migratory farm workers was again discussed on the Senate floor when Senator Harrison Williams and I recently engaged in a colloquy concerning it. I am glad to report that my New Jersey colleagues, Chairman of the Senate Subcommittee on Migrant Labor, did not challenge the validity of any criticism I leveled at the film's biased and unfair representation of conditions in Florida during my earlier discussion of it in the Senate. I have received about 100 approving letters and telegrams from individuals and organizations in Florida and elsewhere.

FEDERAL APPOINTMENTS FOR FLORIDIANS—I am delighted that the nomination of William A. McEae, Jr., my long-time friend and law partner, has been submitted by the White House to the Senate for confirmation as Federal Judge for the Southern District of Florida.

Alan S. Boyd of Miami has been elected to the chairmanship of the Civil Aeronautics Board, and C. R. Lamm, Jacksonville banking executive, was recently named Deputy Administrator for Financial Assistance in the Small Business Administration.

PALATKAH HEADS VFW LADIES AUXILIARY

Mrs. Frances Millican of Palatka has been elected National President of the Ladies Auxiliary to the Veterans of Foreign Wars. In recognition of this high honor Mrs. Millican was elected to the position of National President of the Ladies Auxiliary to the Veterans of Foreign Wars. Mrs. Millican was elected to the position of National President of the Ladies Auxiliary to the Veterans of Foreign Wars.

GREEN COVE DELEGATES VISIT

A group of Green Cove Springs business and civic leaders headed by Mayor Ben Zellner were in Washington this week to discuss matters relating to Naval installations in their area.

It urged campaign contributors to "Help Buy a Skillet To Fry a Pork Chop."

CIVIL AIR PATROL

USAF AUXILIARY

"ARE YOU REAL?"

What makes a good guard? That should be simple enough to answer. A good guard is one that does the following: Has his uniform and equipment in first-class condition; takes charge of his post and all property in view; acts in a military manner, keeping always alert and observing all around him; reports all violations of orders; quits his post only when relieved in person; talks to no one except in line of duty; gives no opinion; salutes all officers and all colors and standards not carried and allows no one to pass without proper authority.

CADET JAMES BOZEMAN, SEBING COMPOSITE SQUADRON, DURING HIS TOUR OF DUTY GUARDING THE EXHIBIT AT THE HIGHLANDS COUNTY FAIR SUCCESSFULLY FULFILLED HIS DUTY EXCEPT FOR ONE VIOLATION: HE TALKED TO NO ONE EXCEPT IN LINE OF DUTY AND THAT WAS SURROUNDED BY EXTENUATING CIRCUMSTANCES WHICH SHOULD BE EXPLAINED FURTHER.

Teenagers and adults alike tried everything possible to make Cadet Bozeman laugh and laugh he did. But it took a little old lady to really succeed. After looking the situation over and coming to the conclusion she must be seeing things, she quietly walked up to the guard and with a quizzical expression on her friendly face, touched his shoulder and asked "Are you real?" That and only that changed his stone-like expression into a warm bright smile, as he tenderly glanced her way. Having been satisfied, she exclaimed "Of course you're real," then turned and walked slowly away.

This was only one of the many experiences gained throughout the week-long fair. The Sebring Squadron was honored this year with a ten foot square booth, with which they could spread Civil Air Patrol and its many purposes to the citizens of Highlands County and taking advantage of the fair's theme "Aeromane" we did just that. Working hand in hand with the local Air Force Recruiter, it was possible to successfully attract the eyes of every individual passing through the Education Building. With the CAP March and the Air Force Blue Song playing throughout the building, it was impossible for citizens not realizing the CAP was near.

The main attraction of the booth was the squadron's fifteen foot long message, made with plaster of paris and representing a fragment of the moon crater-like surface. A ten foot banner bearing the words CIVIL AIR PATROL was spread the full length of the exhibit. Connecting the CAP with the Air Force, the center of the booth displayed a nine foot blue banner carrying the words AIR FORCE and its great emblem, which in turn was surrounded on both sides by United States Flags. The rest of the exhibit was devoted to advertising Air Force and Civil Air Patrol advantages, including action shots from the squadron's simulated search and rescue program.

Those responsible for the wonderful display were Lt. Charles Clark, Capt. McConahay, Lt. Bernice Best, McConahay, Lt. Nancy

to "Help Buy a Skillet To Fry a Pork Chop."

David didn't get enough to purchase an adequate skillet, but he did the next best thing. Last week, he was elected to the Florida Senate, occupied mostly by the "Pork Choppers" he was bent on frying.

It could be an interesting interlude in Florida government. First, it will be interesting to see if David continues his "Pork Chop" busting personality—a personality that he developed for the campaign.

During the campaign, he once said that our references to him as a "lovable bear type," were getting a little bit irksome. We wouldn't help it. That's what Ted was in our books—a "lovable bear type"—certainly not the rough tough pork chop buster party he was playing.

Also during the campaign we suggested that he was running for the wrong post . . . that he should be running for the Senate Well, he did.

And David, if he really decides where he stands, will probably be a pretty good senator . . . or at least he could be.

He won't be very effective in terms of getting things done for his area. Some of the pork choppers he was planning to fry in that government skill will see to that.

But, certainly, David is representative of a majority of the thinkers in his area—a spokesman for that point of view, he can perform a useful service.

It will be a gaily rodeo—not a role in which he gets anything done. In fact, if he's for it, it will be it will be.

When his area's spokesman undoubtedly understood that—and yet they elected him to come up with his campaign promises. Why?

The handwringing should be clear to one and all.

Voters in the popular South Florida areas are getting plump and tired of getting nose-whipped by the Florida Senate. The David victory is a tangible road mark that some day—some place—some how all hell breaks loose to bring about the changes before the new budget year, that the new court would be considered.

The City forgave the taxes on the 1/2 of Lots 1 & 4, Bk. 48. Suddenly that was the First Baptist Church, which will be converted to a parking lot and available to the public. This motion came from Mr. Kirkland, seconded by Dilley and carried unanimously.

Mintues Of City Council

(Regular meeting held at City Hall, Feb. 27, 1961, 7:30 p. m.)
All members present with the exception of Mr. McKennie, including the Mayor and City Attorney. Invocation given by Mr. Dilley.

The minutes of the previous meeting read and approved. Motion by Mr. Dilley, seconded by Mr. Kirkland and unanimously carried that Mrs. Bertha Corley, (Mrs. A. E.) be allowed to move a building to lot 9, Bk. 19, Section 22, which is zoned C-1, so long as the floor joists are 2 x 8. This building is one of Capwell's cabins which will be used for an office.

Motion by Mr. Kirkland, seconded by Mr. Dilley and unanimously carried that the City accept the plat of the north half of lot 16, block 3, section 28, known as the K. F. Subdivision.

Motion by Mr. Dilley and carried unanimously that the City enter into a contract with Mr. Edgar Johnson on a sewer line, with Mr. Johnson furnishing the material and the City furnishing the labor providing or subject to the approval of the State Health Department.

Motion by Mr. Dilley and carried unanimously that the City accept the plat of the north half of lot 16, block 3, section 28, known as the K. F. Subdivision.

The above bids include the trade-in of a 1959 Plymouth.

Motion by Mr. Dilley, seconded by Mr. Kirkland and unanimously carried that the City accept the low bid from Wells Motor Co.

Motion by Mr. Dilley, seconded by Mr. Kirkland and unanimously carried that the City adopt the following resolution:

RESOLUTION

Be it resolved that the City Council of the City of Avon Park, present to the 1961 Session of the Florida Legislature, the proposed Special Act providing for the abolishment of the City of Avon Park Police Officers' Association and for the distribution of such fund.

Passed and adopted this 27th day of February, A. D. 1961.

A petition was presented to the Council for an additional tennis court. The City felt this was impractical at the present time due to the terrific expense of hurricane "Donna". However, it was felt that if the financial situation changes before the new budget year, that the new court would be considered.

The City forgave the taxes on the 1/2 of Lots 1 & 4, Bk. 48. Suddenly that was the First Baptist Church, which will be converted to a parking lot and available to the public. This motion came from Mr. Kirkland, seconded by Dilley and carried unanimously.

"TOO LATE TO CLASSIFY"

By Russell Kay
Now you can "SEE" as well as "HEAR" music. An outstanding feature of the 1961 Florida State Fair was a presentation of a new electronic device that converts sound into color.

The amazing device was developed by 74-year-old Stanley S. Cramer, inventor and electrical engineer, founder of the Radio Condenser Corporation of America, who now makes his home at Okeechobee, Florida. Cramer and his assistant, engineer Charles K. Kalkovits, perfected the device after five years of experimental work in the SSC Laboratories at Okeechobee.

First public demonstrations of the device were arranged by Ted Pennek, sales representative of the organization. During the Christmas holidays a Pennek started neighbors at his home in LaStanza when he converted Christmas carols being played on a hi-fi into gorgeous colors which flowed as constantly changing flood of variegated light over a sizeable tent.

Sound or recorded music is fed into a converter, which changes sound waves into light impulses, enabling you to see as well as hear the music. The low notes register in various shades of blue, high notes in red and mid-range notes in green, blending and ever-changing.

At the Florida State Fair a large and beautiful floral arrangement was employed as a background instead of a tree and the effect was startling and beautiful.

Color changes are brought about by the tones of the music. Therefore it is possible to create 145,000 color combinations, Pennek explains.

The converter that performs this electrical miracle is about the size of a small table radio. A grid with vertical and horizontal lines is placed over so that light comes through it and flashes the rapidly blending and changing colors on whatever object or background has been provided.

While the device is not on the market yet, it will be available later this year and Pennek sees a wide market for it from the standpoint of unique and colorful display in connection with many types of public and private organizations.

It would be tremendously effective when used in parks, fairs or festivals in connection with a fountain. By churches for religious displays in connection with religious holidays. Persons with large estates could provide their guests with music and color at the same time, flooding the grounds in music and color.

Similar units could be used by hotels, motels, and restaurants.

A special demonstration was put on during the Fair for the officers and directors of the Florida Press Association and all who witnessed it were tremendously impressed.

Congregational Churchwomen In Daytona For Three-Day Seminar

Daytona Beach, Fla., March 8.—National and state leaders of the Congregational Christian Churchwomen will meet here this week with 50 church lay women from Florida for a 3-day international seminar, the first of its kind sponsored by the denomination.

Theme of the meeting is "World Concerns of American Christians."

Opening tomorrow, Tuesday, March 7, at the First Congregational Church, the meeting is sponsored by the American Board of Commissioners for Foreign Missions, overseas agency of the Congregational Christian Churches, and the Florida Congregational Christian Conference.

Young African students from Kenya, Nigeria and Ethiopia will speak Tuesday on how the Christian church has influenced the lives of their people in Africa. They are: David M. Kamau of

Kenya; Auneta Fro-Hiwet of Ethiopia; and Eric M. Otuja, James Olyi, Lawrence, and Jacob U. Gordon of Nigeria.

Vinay Bhagat, a young woman educator from India, will speak Wednesday on "What Christians Mean to the People of India." Mrs. Bhagat's father, one of India's most distinguished educational leaders, founded Ahmednagar College where she now teaches.

Since its founding more than 150 years ago the American Board, oldest foreign mission society in the United States, has sent thousands of ministers, doctors, nurses, and teachers to more than 84 countries around the world. Today its 350 missionaries, together with the nationals of the countries they have trained, operate 1000 schools and colleges, 2000 churches, 80 hospitals and dispensaries, and a score of social service centers.

The Rev. Ralph B. Shrader of Boston, executive of the denomination's Missions Council and dean of the seminar, will speak on "Our Gospel and Our Mission." Mrs. Shrader will speak on "Missions in the Midst of African Nationalism." Mr. and Mrs. Shrader are former missionaries of the American Board.

Mrs. Dorothy A. Wood, Ormond Beach, Fla., is associate dean of the seminar. Other leaders are the Rev. Robbins Ralph Avon Park, Fla., superintendent of the Florida State Conference; Vernon H. Brannock, Boston, American Board executive; Mrs. Margery G. Martin, Fort Lauderdale, Fla., president of the Florida Congregational Women's Fellowship; and the Rev. Rankin L. Shreve, minister of the host church.

The American Board has sponsored earlier international seminars for laymen but this is the first held for the women of the church. It is expected that it will serve as a model for others to be held later throughout the United States.

Winter Guest Club News

Let us begin this time with a bit of a rime and let out a chuckle over the game of penicillin, which was played last Monday night after Sunday at two in the afternoon. Seven tables there were, which made quite a stir, enough to quite a place. And when it was over Fred Noel was in clover, for he had the tip-top score. Charles Gruber came along, pushing him strong, with a count just a wee bit lower. We have no truckle with the game of penicillin, which must be a very fine game, but we honor the winter, holy saint or bad sinner, and accordingly here in post his name. And now we come to the great game of bridge, as played on Tuesday here on the Ridge. Eight tables there were, players thirty-two and that we maintain was more

than a few. This time Mary Noel's entitled to crow well with the high score of fifty-three twenty. The next in line did mighty fine though the difference between 'em was plenty. It was Sheila Wurster, from somewhere in Dixie, whose score this time was just fifty six. And that's the way the games went in last week's great card tournament.

The bright and balmy weather last week favored the zealous of shuffleboard, and they responded in full force. Every day saw practically all the courts filled from nine to twelve in the morning, from two till four in the afternoon, and then from six thirty till nine or later in the evening. Evening just now is the choice time, with good lights overhead and cool air all round. The pick-your-partner tournament on Wednesday showed Mr. and Mrs. Hickey in the line light, winners of the main event. The winners of the consolation event were Mrs. Jordan and Mr. Jim Brown. In the pot-luck games on Thursday, Mrs. Bush and Mrs. Brooks led the field, with Mrs. DeGoller and Mr. Askew just behind to take the consolation. It makes a fellow feel pretty good to take a consolation event these days. We understand a red-hot game with Arcadia is in the offing. Poor Arcadia? Oh, no, it's brave Arcadia, we think.

The popularity of the Friday night dance is growing. There were 101 present last Friday, the most yet this season. The temperature was just right, and so was the spirit of the crowd. Ergo, everybody had a fine time.

A few not so well known facts about dancing is proper here. Square dancing is the great American indoor sport; also it has been a great American racket. The possibilities of this enterprise were discovered only a few years ago. Today what once was just a pleasant oldtime and enjoyable hobby has become a money making scheme. There are over 3000 square dance callers listed in the National Callers' Directory, and many of them are demanding (and getting) anywhere from \$100 to \$250 for one night's service. Some top callers are said to make from \$35,000 to \$60,000 a year, which is a rather well paid. To anyone composing a new and popular number may come a small fortune. Halls are being hired, squares made smaller to increase the number taking part, and speed increased to please the younger people. However, all this has little effect on the style of activity here where the idea is to give the greatest enjoyment to the greatest number of people. And all for fun, no for men.

There was, we understand, a pleasing entertainment on Thursday evening, which we were unable to attend. A pleasant feature of it was the honoring of Walter and Mrs. Walker together with Howard and Mrs. Kellogg for having safely weathered fifty years of marriage, a splendid record in these days of easy and quick divorce. One other couple entitled to the same recognition, though invited and expected, failed to appear.

The gospel sing brought out a record crowd, 114 all told, and they high raised the roof singing "Happy Birthday To You" for Cal Sharrett, who was 91 last Thursday. Fine, still going strong at four score and eleven. Mr. and Mrs. W. A. Baxter, recently married, stood up to be counted and applauded. Besides the group singing there were instrumental numbers. Mr. Albert Cushing played two violin solos, Mr. Hoppe two on the accordion. All very fine. It is estimated that over a thousand have attended these musical afternoons so far this season. The next sing is to be March 19 from 3 to 4 p. m., and the general public is invited to attend. So says Professor Shiltz, and so says

Easter Seal Letters To Go Out This Week

With the battle slogan "Fight Crickets" the annual Easter Seal Campaign opened March 6 and will continue until Easter Sunday. A nationwide effort to fight crickets on the three corners of care and treatment, research and education, will be launched by the 1961 campaign marks the organization's 50th anniversary.

Gov. J. A. Arnold, J. P. Fink, President of the Florida Society for Crippled Children and Adults, announced that the 1961 campaign will be in the mail the last week of March.

In May throughout the USA 250,000 crippled children and adults were helped toward rehabilitation by Easter Seal. In Florida 1,500 handicapped children and adults benefited from the state's Easter Seal services program.

A new program will be offered this summer when camping for the handicapped is initiated at "Camp Challenge—Florida's Easter Seal Camp" in Ft. Plymouth in Lake County. Long range plans for Camp Challenge call for year round use of the camp site for various rehabilitation programs for both

Receivership Of Two Radio Stations Asked

Perry News Bureau
Washington, D. C.—Applications for receivership of two Florida radio stations have been tendered with the Federal Communications Commission.

The stations—WAVF, Avon Park, and WKXZ, Kissimmee—have asked FCC approval of an involuntary assignment of both broadcast licenses to Carl T. Langford as receiver.

WAVF, operated by Mid-Florida Broadcasting, Inc., operates on 1290 kilocycles.

WKXZ, owned by the same firm, broadcasts on 1220 kilocycles.

Regular PTA Meet
The regular meeting of the Avon Elementary PTA will be held Thursday evening, March 9, at 8 p.m. Dr. H. W. Coleman will be the guest speaker. His topic will be "First Aid in the Home."

Pair United In Marriage On Friday

William A. Baxter and Mary Truth were united in marriage Friday afternoon at 4 p.m. by the Rev. E. L. Hutcheson. Mr. Baxter is from Barberton, Ohio and the bride from Elizabethtown, Ind., and both were former friends of Dr. and Mrs. Hutcheson. The ceremony was performed at the home of Dr. Hutcheson. The couple plan to make their future home in Avon Park.

Mr. and Mrs. S. A. Walton of Ferndale, Mich. have moved their 50 foot trailer home into the Park, and are receiving a warm welcome here.

Mr. and Mrs. Carl Weitzel of St. Louis, Mich. have purchased the trailer home of Mr. and Mrs. Henry Hansen, and plan to make their home here.

Mr. and Mrs. Guy Dietrich of Beloit, Wis., O. for a few days last week.

Friends from across the country who called on Ben Henningsham last week included Mr. and Mrs. Harold Koch of Hollywood, Fla.; Mr. and Mrs. Joseph Mitchell of Jamestown, N. Y.; Mr. and Mrs. Albert McArthur of Ransomville, N. Y.; Mr. and Mrs. Joseph Jeffords of Kingston, Minn.; Mr. and Mrs. Ralph Ferris, Kenmore, N. Y.; Mr. and Mrs. James Smith, Detroit, Mich.; and Ben's brother and wife, Mr. and Mrs. Charles Henningsham, of Fort Erie, Ont.

Southland owners, Jack and Marty Boyle, enjoyed a few days on the West Coast with friends.

J. H. Richardson Dies Thursday At Home Here

John H. Richardson, passed away at his residence 205 E. Pine St., Thursday, March 2, following a brief illness. He was a native of Rogers, Tenn., and came to Avon Park from Kingsport, Tenn. about seven years ago. He was a member of the Methodist Church, and retired from the Tennessee Eastman Company.

His survivors include three sisters, Miss Lily Richardson and Miss Magdalene Richardson of Avon Park; Mrs. A. M. Remine of Morristown, Tenn. and one brother, Doyle Richardson of Limestone, Tenn.

His remains were forwarded to Greenville, Tenn. for services and interment. Missie Funeral Home was in charge of arrangements.

Ridge Guild Now Rehearsing Hilarious Play

Now in rehearsal is the Ridge Theatre Guild's second production of the year, "George Washington Slept Here", which will be presented March 17 and 18. Principal roles are filled by Frank Rinaldi and Helen McGinty. The hilarious comedy has as its theme the purchase of an old home in which our first president was rumored to have slept, and the disappointments and discomforts it brought to its purchasers.

Others in the cast are Bill Ernst, Sheryl Simpson, Robert Fitzgerald, Alma Wilson, Katharine Hubbell, Jerry Kriv, Beryl Buck, Bob Wells, Gene Sebring, Kenny Bee, Wayne Brown, Dick Pond, Sylvia Reicher, and Steve Heffer.

Frank Rinaldi is directing the play, with Margaret Mitchell the assistant director. Rosalie Fink is stage manager and Ray Clark is in charge of sets.

Patriots Chapter of DAR Celebrates Sixth Anniversary of Their Group

The sixth anniversary of the organization of Patriots Chapter, Daughters of the American Revolution was commemorated on March 6, at the home of Mrs. Joseph A. Vasek, Sebring. Those of the original 13 members were present and honored, Mrs. H. J. Hahn, Mrs. Della Mandis and Mrs. Robert Maxon.

Mrs. I. H. Ford brought a vivid picture of conditions in East Germany when she recounted the experiences she and her party had in their 12 hours spent behind the Iron Curtain last fall, bringing out the East Germany

is the only country in the world that is depopulating due to the ever increasing numbers fleeing Russian domination.

Mrs. W. J. Lockett, Egmont, presided at the business session at which Mrs. Robert Kaufman and Mrs. F. S. Pletcher of Sebring were welcomed as associate members and Mrs. W. A. Ma-ther and Mrs. A. B. Godwin were elected as alternates for Mrs. Lockett at the State Conference in Jacksonville the week of March 20.

A social hour on the luncheon was enjoyed with the hostess and

her committee, Mrs. H. G. Livingston, Mrs. H. G. Jones and Mrs. Sarah Cadlen. Guests for the afternoon were Mrs. Theron Lane, Avon Park; Mrs. W. Nickerson, Wauchula; Mrs. J. Quillen Sebring and Mrs. A. Kemp of Galesburg, Ill.

FFS Surpress Five Wildfires During Month

Florida Forest Service crews in Highlands County suppressed five wild fires during the month of February. The largest of these was north of Red Beach Lake at Deltona City. Nine hours and four trucks were used to clear this fire which was caused by trash burning.

Crews assisted 36 landowners with their burning to green up native pasture.

Florida Forest Service donated the reworking of five lines around the Highlands Hammock State Park and completed 22 other requests for fire lines which the first 15 minutes is complimentary.

Fire escaping from trash burning is increasing. Necessary precautions should be taken to confine fire to trash burning. Our burning index is up to 45 and will increase daily until we get general rain.

To report wild fires, request for burning assistance and fire lines phone EV 5-8851 collect.

Red Devils End Hoop Season With 7-1 Loss

The Avon Park basketball team closed out its 1960-1961 season last Thursday night when they lost to Kathleen 71-41 in the quarter final of the Class A District 7 basketball tournament held in Wausau, Wis. The Red Devils of Wausau later won the tournament and represented District 7 in the State Basketball Tournament at Gainesville this week.

The Red Devils, playing without the services of their high point scorer, Lamont Money, were unable to match the pace of the Kathleen Red Devils. Larry Wilf flipped in 21 points for the winning Kathleen Red Devils while his teammate Roy Gulderson scored 15. Joe Milton was high scorer for Avon Park with 13 counters and was closely followed by Joe Jackson who had 11 points.

The loss set Avon Park's overall season record at 7 wins and 11 losses.

Ninety-two per cent of all equipment marketed in the U.S. is produced in Florida.

WELLS Motor Co.
The Future Homemakers of the Avon Park Chapter will participate in this project as Joyce Antley, chairman; Anita Luevich, Judy Schell, Pat Parrish and Donna Paye, Wiggins.

Red Devils Open Tuesday Against Bul Pups

TEES OFF—New Pro at the Avon Lakes Country Club, Wayne Knowles tees off on one while Bob Young looks on. Most of the course is reported in near perfect shape and three new fairways and greens are being added under the watchful eyes of Greenskeeper Dick vonBurke and Low Young. Though golfers are still forced to use a couple of temporary fairways, best and greens it is reported that at the present rate of improvement all nine holes should be playing ready shortly.

Off the FIRST TEE

By Jack

Didn't we have a nice crowd on the Fairways Saturday and Sunday, and I am sure that all that played the course are as pleased as can be the way the course is being improved. Every one seems to be getting better scores and better shots from all their play. There is still some work to be done on several tees and greens, but it won't be long until the course is pretty well finished.

The ladies day on Wednesday is still a lot of fun and you ladies that have not been out yet to enjoy these parties should come out and join in the golf and bridge games.

I hear that in the near future, Wayne the Pro at the club is going to start classes for the youngsters, classes being held on Saturday. There will be instruction for five boys and five girls each Saturday. Call Wayne and he will explain what he has in mind to get the youngsters started in the right direction with their golf game.

If there are any of you who have been wanting something to show your friends or guests from up north or hereabout, I suggest that you spend two and a half hours at the Passion Play at Lake Wales. Starting at 6 p. m. on every Sunday evening at the Lake Wales Amphitheatre, two miles south of Lake Wales off Alt. 27, there is one of the most beautiful attractions you can imagine—The Black Hills Passion Play. Unless you attend one of these performances you have no idea what you are missing. You are out under the stars, you hear the birds sing their last song of the day, you hear the crickets as they sing to the moon, and you will see one of the most beautiful productions you have ever witnessed. The cast consists of over 200 people, three camels, one donkey, six horses and 14 sheep. The beautiful setting, the serene quiet and the beautiful acting of the people in this play is out of this world.

Mr. Josef Meier as Christ, Clara Meier, his wife, as Mary the Mother, Fred Hagen as John, all do a beautiful job of this. The story you know as the last supper is the life of Jesus. The scene of the last supper is one that you will never forget. You have no idea how the everyday care, the hustle and bustle of everyday life seems to disappear while you sit there and enjoy this story.

The story is also given each Tuesday, Thursday and Saturday night at 7:30 p. m., and there will be a special performance on Good Friday, March 31, at 7:30 p. m. So again if you want to spend a very enjoyable two and a half hours attend one of the performances at the Lake Wales Amphitheatre, you will be more than happy that you did.

FHA Plans Solicitation Of Funds For RFE

Friday, March 10, 1961, the Radio Free Europe program, which will operate a booth down town to solicit contributions for the Radio Free Europe Fund. Radio Free Europe is a private non-profit American network of 25 powerful transmitters and relay stations, located in West Germany and Portugal, broadcasting through the Iron Curtain to the Communist dominated countries of Poland, Hungary, Czechoslovakia, Rumania, and Bulgaria.

The broadcasts expose Communist lies and hypocrisies about the free world and particularly the United States. All of every dollar given goes for Radio Free Europe broadcasts. All salaries are paid by big companies.

Each year the Communists spend more dollars in futile efforts and attempts to jam the Radio Free Europe broadcasts than RFE spends on its entire operation.

Radio Free Europe provides each American with an opportunity to take an active and personal role in the fight against the spread of Communism.

The Future Homemakers of the Avon Park Chapter who will participate in this project are Joyce Antley, chairman; Anita Luevich, Judy Schell, Pat Parrish and Donna Paye, Wiggins.

86 Percent Have Paid 1961 Taxes

Taxes are now due—but 86 per cent of the Highlands County taxpayers have already paid their real and personal property taxes for the year. Tax Collector W. H. Prescott said no discounts will be given for the taxes paid in March, but beginning in April a three per cent penalty will be added to the tax bill.

Prescott said the percentage of unpaid taxes is "about the same" as it was when the final month of tax collections came up in 1960. However, because the total number of taxpayers and taxable items has increased, his office is facing a larger volume of "late work" this year.

School Board Postpones Meet Until March 21
The Highlands County Board of Public Instruction has postponed its March meeting from March 14 until March 21. Superintendent Andy Miracle said the meeting date conflict with the sessions of the Florida Education Association, so the meeting was postponed for one week.

Band Concert To Be Held On Sunday

There will be a band concert, Sunday, March 12, at the High School Auditorium at 3:30 p. m. The APHS Band will be in full dress uniform. The public is invited to attend.

The program will be as follows:

Race Track Money To Be Distributed

Comptroller Ray E. Green announced that race track funds will be distributed to all the Counties this week, (week of March 6). This distribution will amount to \$46,500, which brings the total to date that each County has received to \$116,500. This \$46,000 more than the Counties had received at this same period last year.

Quail Are Transplanted At Hunt Area

Another first was made here Monday as officers of the State Freshwater Fish and Game Commission made their first plant of Quail in the controlled hunt area of the Avon Park Hunting Range.

According to J. Metcalfe of the Department, some 257 of the birds were moved from the Fishing Creek area where they had been trapped to the local release site.

Some of the Quail were trapped within the city limits of Avon and removed to the country.

Metcalfe was assisted by Game Department officer Ralph Johns in the transplanting operations.

FPC Annual Report Shows Big Increase

Florida Power Corporation's 1960 annual report which was released to stockholders today reports another year of outstanding growth, according to C. H. Watson.

The utility's faith in the future growth of the state was revealed in the fact that the 1961 construction budget will be \$95 million, an increase of 28 per cent over the 1960 budget.

Main items of construction are the completion of a 125,000 kw addition to one of our power plants and transmission lines, and substations to further improve service throughout our territory.

"We are determined to keep ahead of the power needs of the area we serve in the future as we always have in the past," Watson said.

During the past 10 years, FPC customers increased 181 per cent to 281,522, the report said. Other 10-year figures were: increase in electric plants, up 334 per cent to \$308,575,495; generating capability, up 302 per cent to 805,400 kw; system peak load up 186 per cent to 726,000; and average annual kilowatt-hour use by residential customers, up 115 per cent to 4,488.

Operating revenues for 1960 were \$68,183,506, and the utility paid out \$15,501,324 in federal, state and local taxes.

Earnings available for common stock last year were \$1,955,554 or \$1.20 per share as compared with \$1.14 in 1959 on the same number of shares outstanding. Dividends on the common stock were increased on December 30 from 80 cents per share on an annual basis to 96 cents per share, the report said.

SOURCE of VALUES

We can get them from *The Old Book*—
values a-plenty to make the New Year
really new. Of course the months, the weeks, the
hours are much like the old ones.
We should carry all the good things of
yesteryears over into the New Year,
and then add more.

Just how will your New Year be New?

We and others, like ourselves, will make
the difference. Be more kind and patient
in the home circle—then it will be a new house
this year. Exhibit a better spirit
as you do the old task—and the
office, or shop, or kitchen will be a new
place for the New Year. Worship God
more sincerely and work more in His
program of service—then you
will have a new church
for the New Year.
Only a new Person
will make it
a New Year.

CRACKER POLITICS
By Allen Morris
TALLAHASSEE.—Those of us here who have watched Governor Farris Bryant seem to know what's happening in the agencies responsible to him. When someone suggested he was looking over the shoulders of his little cabinet members, Bryant was quick to put it in another way. He said he was standing beside them, ready to be helpful in any way he could.

What he is doing is something of an extension of the policy he initiated as Speaker of the House of Representatives when he caused himself to be made an ex officio member of every committee. He didn't attend many committee meetings but the fact he was there was salutary.

In the rather awesome language of the Constitution, Bryant possesses the "Supreme Executive Power" as "Chief Magistrate," and he feels the people hold him personally responsible for the proper management of the sphere entrusted to him.

Thus, without any diminishment of his faith he has demonstrated in his little cabinet members by appointing them, Farris Bryant appears to be indicating that in the big policy matters he will be his own road department chairman, his own hotel commissioner, and his own head of the State government they entrusted to him.

Reporting this is neither criticism of past Governors nor approval of the Bryant method, but simply a statement of an apparent difference in management technique.

Over the years since Florida's State government suddenly became big in the 1930's, some Governors seemed to prefer to manage on using the reverse of the Bryant policy. They let others do the heavy lifting while they kept hands off the operation of their agencies.

The flaw was that when trouble arose, as it always does, the people looked to the Governor and he had no idea what was going on. The Governor discovered himself forced into a defensive posture. He felt he had to support the agency head when he didn't want to.

The State of Citrus
By John Sikes
Lakeland.—A check with Jim Murphy of the Clement PRESS discloses the heartening fact that the citrus industry again this year will (1) exult the Florida orange blossom and (2) give the backs of their hands to ESQUIRE magazine.

Last year about this time an ESQUIRE item chided Florida citrus for giving the orange blossom its fragrant and beautiful due as one of the major natural attractions of this Sunshine State of so much natural beauty.

In effect, ESQUIRE said it couldn't see why Florida, which has so many festivals, fairs, positions, galas, etc., didn't list among its celebrations an Orange Blossom Festival and all the citrus in the state.

Almost before everybody had time to get the point of all the citrus in the state, the citrus industry had already established a policy pattern which its aides can follow.

The citrus industry had almost weekly meetings with its little cabinet, as might a family with the common interest of percentage although their specific responsibilities are quite different. It has to be remembered that each Governor's little cabinet is in the nature of a scratch team, for its members never have worked together before and they are not the very loose organization of a political campaign.

In each little cabinet, many members have never had prior dealings with the government and are ignorant of its special intricacies of management technique.

Some pride themselves on trying to run their agency as they did their business back home, but they are the ones who get tripped up by the red tape which protects government from the impetuosity of amateur administrators.

Governor Bryant seems well aware of this. He has a policy of letting his little cabinet members shape the public image of his administration for the remainder of his four years as chief executive. As an all-time Florida hand, he is trying to foresee the problems without the aid of his little cabinet members.

He gets weekly reports from his little cabinet members on what they intend to do. He reads what they say about themselves in press releases and he knows what the newspapers say about them.

He tries to get across the message of his little cabinet members reflects either credit or discredit upon all others as parts of the Bryant administration.

All this is of course a very consuming procedure and must be managed with a deft touch. The fact that he has reduced sharply the volume of personally dictated letters might be taken as an indication that he feels in time learning how he expects its members to function.

Egg whites won't beat up to full volume if even a speck of egg yolk is broken in. Should this happen in separating, use a piece of egg shell to lift out the yolk particle.

PROCLAIMS GIRL SCOUT WEEK—Mayor E. A. Delaney signs the proclamation to make the week of March 12 official Girl Scout week in Avon Park while Mrs. Virginia Durbin and Mrs. Kylene Thompson look on. The two ladies comprised the Neighborhood service team for the Girl Scout Council.

Girl Scout Week To Be Observed

The Proclamation of Girl Scout week which starts March 12, gives people of the area a chance to take a look at the extent of the program here. The week officially celebrates the founding of the Girl Scout movement by Juliette Low in Savannah, Ga., in 1912. The scouting program encompasses many girls in Avon Park, but a movement is afoot at the present time to further expand the local program.

Have Bags Ready For Boy Scouts

Boy Scouts who distributed Goodwill clothing bags to homes in this area last week ask residents to have the filled bags at their front porches by 9 a. m. this Saturday, March 11.

On that day Scouts are returning to homes to collect the bags which are to be filled with repairable discards, such as shoes, clothing, small electrical appliances, toys and household articles. Royal Courts, who heads the drive in Avon Park, said if the drive goes over the top, non-profit Goodwill expects to increase its employment of handicapped people from 215 to 225 by late spring. Articles repaired by the handicapped Goodwill workers are sold in Goodwill stores, and from store sales come the wages for the handicapped.

Cuts also asks that shoes, men's suits, and other clothing pieces that go together, be tied so that they may not be separated. "One shoe is no good to Goodwill, since there are not many one-legged men shopping for one shoe," Cuts said, pointing out the importance of tying shoes and suits together.

Attendance Is Up At Meeting Of Civil Defense

John Crittenden reports that the attendance at the Civil Defense Class he is teaching on "Personal Survival in Disaster" has been very satisfactory, and that he expects to begin another class in the near future for those who were unable to attend the one now in progress.

Thursday, March 16, Mr. Crittenden will be a guest speaker for the Junior Women's Club in Lake Placid, about the Survival Course.

County Juvenile Authorities Questioning Legality Of Georgia "Quickie" Marriages

The legality of "quickie" Georgia weddings has been called into question by Highlands County juvenile authorities. Judge Mervin Rehner has placed the facts surrounding a specific case in the hands of the federal marshal's office in Tampa.

A hearing on this case was held on Thursday afternoon, and was heard by delegations from the Junior and Senior Women's Clubs of the county. The bride, who is 14 years old, said the county officials in the Georgia county where the license was issued believed her mother and obtained her consent for the marriage.

Mayor Durrance Of Lake Placid Won't Run Again

Lake Placid has set a qualifying date for the mayoralty election in that city as March 28, according to city attorney Bob Dunbar. He reported on the Sun this week that Mayor William Durrance has made it known that he does not intend to run for re-election.

Mom Or Pop Can Be In The Wrong Not Junior

Due to some infatuations of an ordinance in Avon Park, the city has requested that the following information be passed along to parents whose children may own a BB gun, air rifle or 22 cal. rifle.

Joe Milton Named To Big All-Star Game

Joe Milton, a letterman in all three major sports at Avon Park High School, has been picked as a member of the South team for the North-South All Star football game to be played on August 12 at Greenville, S.C.

Local AFS Chapter Formed

At a meeting held Tuesday evening in the Florida Power Lounge, Chapter of The American Foreign Service was formed in Avon Park, which is a peace-time program of international exchange of students. The Avon Park Rotary Club is sponsoring the Avon Park Chapter of the AFS.

New Rules Are Set Forth For Highland Court Room

Highlands County court room was crowded for the opening of the Elijah Fletcher murder trial on Tuesday. Both the gallery and main floor were almost full for the long session which did not end until nearly six Tuesday evening.

The long day and crowded conditions gave a quick test to the new circuit court procedure code which had been announced only this week.

Circuit Judges William K. Love, D. O. Rogers, Gunter Stephenson, Clifton M. Kelly and Jesse H. Wilson agreed the rules which are to prevail throughout the 10th Judicial Circuit (Highlands, Hardee and Polk counties). A court employee denied that "unusually incident" had provoked the promulgation of the new code. It was acknowledged that some judges had, in the past, been lenient about permitting smoking in the court room during recesses. Coffee and soft drinks also had been brought in during recesses.

School Superintendent Clarifies Labor Law

Youthful wage-earners, their parents and employers must abide by state child labor laws, School Superintendent Andy Miracle pointed out this week. In an interview with a Sun reporter the school administrator detailed provisions of the laws governing child labor.

He pointed out that work certificates are required before anyone under 18 years of age may be employed. Domestic service (which presumably includes day-aides) is excepted from the child labor laws by assigning youthful employees to forbidden hours, to certain hazardous jobs or by failing to require presentation of a working certificate—must be presented in the county courts.

Assessor Reports Drop In Filings

P. G. Gearing, County Tax Assessor, stated today that applications for the filing of Personal Property Tax Returns have slackened off very greatly in the first few months of the year.

Bank Shows Big Jump In Past Year

The Avon Citrus Bank was informed by telegram today that the Federal Reserve Bank of the American Bankers report which lists the top 1,000 banks in the nation, it will show that the local bank has moved up in the listing 111 places.

Mrs. Norman Todd Is Winner Of Orange Dessert Contest

Mrs. Norman Todd's Ambrosia Parfait Pie was chosen as the winner in the Orange Dessert Contest, held in the Home Service Center of the Florida Power Corp., Friday, March 3.

Judges in the contest were Mrs. Andrew W. Miracle, Mrs. J. R. Kent and Mrs. Ben T. Stewart. Miss Faye Gordon, Home Service Director for the Florida Power Corp., which is one of the sponsoring companies for the Orange Dessert Contest, announced that the District Contest will be held here Tuesday, March 14, in the Home Service Center.

After the first day, or after recess, the court will open with a shorter form. Those in the court room will rise when the judge enters and will remain standing until he has been seated. The new code provides that, except the judge, jurors, officers of the court, parties to the case being tried, shall come within the rail at the front of the court room. Those permitted within the rail include the sheriff and his deputies, the county clerk and his deputies.

Two Negroes Are Held On Robbery Count

Two Sobering Negroes were arraigned in county court Monday on charges that they robbed an Avon Park Negro, James Dix. Lynwood Bishop and Monte Bond each faced preliminary hearing on charges of armed robbery of Marvin Johnson, an old bond for Bishop at \$1000 and \$500 for Bond.

Scouts Will Pick Up Bags On Saturday

Last Saturday, March 4, the Boy Scouts and Cub Scouts of Avon Park, with their adult leaders, distributed Good Will Industry Bags in Avon Park and vicinity. The citizens of Avon Park are asked to donate all kinds of clothing for which they have no further use, old shoes, cooking utensils and electric appliances of any sort.

Rescue Unit Earns Life Membership

The Rescue Unit of the Highlands County Sheriff's Department has earned a lifetime membership in the Florida Sheriff's Club of the Florida Sheriff's Boys Ranch. A plaque was placed on display this past week in the main room of the sheriff's headquarters in Sebring. A contribution of at least \$1,000 must be made to the Ranch to qualify for membership in the club.

Glenn Peters Finishes Basic Training Course

Lackland AFB, Texas.—Airman Glenn E. Peters, son of Mr. and Mrs. L. G. Peters of Rt. 1, Box 318, Avon Park, Fla., has completed his initial course of Air Force basic military training. He has been selected to attend the technical training course at Lackland AFB, Texas, to be held in March. Airman Peters is a graduate of Avon Park High School.

Basic airman at Lackland are assigned to specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after five weeks of basic training. At the technical schools they are given additional military training along with the technical instructions.

Club Holds 6th Annual Dinner

The Friendly Dining Club of Avon Park held their Sixth Anniversary Dinner at the Jaccaranda Hotel, Saturday, March 4. Places were marked for sixty-seven members and guests, which included eleven of the original twelve couples who organized the club, March 5, 1955.

During the first year the club members drove to Frostproof where they had dinner and danced. As the club invited new members they held their meetings in the Woman's Club building and later moved to the Episcopal Parish House, where they still hold dances twice each month.

Following the dinner Saturday evening, an interesting program was presented. Mrs. George Marsh read the history of the club and the group sang an original song, "The Friendly Dining Club of Avon Park," which was especially for the occasion by Mrs. North Rogers and Mrs. Edna Jackson. The visiting ladies were presented with corsages.

Music for dancing was furnished by Clifford Seibert. Robert Duthie was in charge of arrangements for the evening.

Billy Graham To Speak At Clevelston

Clevelston, Fla.—With the speed of a wind-driven grass fire, enthusiasm for the Billy Graham Evangelistic Rally to be held here March 13 has spread around the shores of Lake Okechobee and through the Everglades.

Clergymen and laymen from about 75 churches are giving their full support and their utmost energy to preparing for the rally at Cane Field, Clevelston High School's football stadium, the Rev. L. T. Pagan, general chairman, said today.

First Baptist Church, Sebring, designated by one of the dates of a planned revival to make way for the Graham Rally, Mr. Pagan, pastor of First Baptist Church, Clevelston, who is to conduct the revival, found that it would prevent his attendance at the rally. To clear the way for him and for many others who wished to attend, the Sebring Church held its revival March 5 through 12, instead of March 12 through 19 as originally planned.

Other officers of the Rally Executive Committee are: Secretary, Mrs. Belle Bryan, Clevelston; vice chairman, Ross LaBey, Clevelston; treasurer, A. W. Sias, Clevelston postmaster.

Chairman of working committees are: Stadium arrangements, W. Dean King, Clevelston; Prayer, Dr. H. H. Ford, Clevelston; Community Presbyterian Church, Clevelston; Counseling, the Rev. W. K. Williams, South Clevelston Baptist Church; Follow-up, the Rev. James Kimball, Assembly of God, Clevelston; Music, J. E. Beasley, Clevelston; Group Relations, the Rev. J. M. Edwins, Pentecostal-Holiness Church, South Clevelston; Young People, Gene Fuller, Clevelston recreation director; Ushers, Dr. R. C. Dean, First Baptist, Clevelston; Publicity, Mrs. Evelyn Borden, publisher, The Clevelston News; Traffic, Clevelston Police Chief C. A. Revell; and State Highway Patrolman Ralph Hays.

Womens Club Holds Luncheon Meeting Here

The Women's Club held an all day meeting at the Clubhouse, Friday, March 3. During the morning Dr. Duth Phillips gave an interesting review of her book, which will soon be published, "Threads of Gold." This is a biologist's view of God in nature and history. The first part of the book deals with nature and the universe, "The Geological History of Man." The second half which she reviewed in the afternoon deals with the development of man's culture, religion and events in history which led to the coming of Christianity, entitled, "Man Himself."

The covered dish luncheon at noon was arranged by Mrs. Terry, Mrs. Jacobson, Mrs. Jackson, Mrs. Brown and Mrs. Bucklew. The tables were centered with a variety of spring flowers.

Mrs. S. F. Elkhill, president, conducted the business session, when reports were heard from Mrs. C. Ogden, literary chairman; Mrs. C. E. Shepherd, who reported on the attendance at the Juvenile Court session and from Mrs. George Langmann, on the Festival of Arts and Crafts which was held in Bartow, and attended by Mrs. Elkhill, Mrs. Helen Becker, Mrs. W. J. Hahn, Mrs. J. A. Terry, Mrs. Clara Tappert and Mrs. Langmann. Several other club members also visited the exhibit during the day.

The club voted to raise the dues from three to five dollars and Mrs. George Langmann was appointed as recording secretary to fill the vacancy, caused by the death of Mrs. Derritt Wolvertson. The club also voted to send \$100.00 to "Dollars for Scholars," which is an organization to bring young women to the U. S. for training.

Several club members entered exhibits in the Festival of Arts which was held in Bartow. "The book of poems by Mrs. Florio Costa was given an honorable mention."

The public is invited to attend the Card Party at the Clubhouse, March 13, 7 p. m. Proceeds will be used for the Building Fund.

PTA District Meeting To Be In Sarasota

District 9 of the PTA will hold the Annual Meeting in Sarasota, Thursday, March 9, with the Sarasota County Council as host to the delegates from five counties. The meeting will be held at the First Congregational Church, 1031 S. Euclid Avenue, Sarasota, beginning at 9:30 a.m., with registration at 9 o'clock. Mrs. A. M. Forman, president of District Nine, will preside over the session.

Featured on the program will be Mrs. Myron Blee of Tallahassee, the President-elect of the state congress. Mrs. Blee will discuss the legislative activities of P.T.A.

Mr. Oliver E. Daugherty, High School Principal in Ocala, will present ways of strengthening high school P.T.A. work. Mr. Daugherty is the High School Service Chairman in the state P.T.A.

Election of all the district officers for a two-year term will take place during the business session.

Lunch will be served to the delegates in the cafeteria of Alta Vista Elementary School. There will also be a nursery attendant for mothers who attend and bring their small children.

Highlands, Hardee, Manatee, DeSoto and Sarasota counties will send representatives. It is hoped that every P.T.A. in Highlands County will send delegates. Mr. Julian A. Markham, a member of the State Board of Managers, will attend, as well as P.T.A. presidents and others from Highlands County. Anyone interested in attending the meeting Thursday should contact the president of their P.T.A.

Schools To Collect Clothes For Cuban Refugees

The students of Highlands County will begin collecting used clothing soon for direct shipment to Cuban refugee families, through the auspices of World Clothing Fund, Inc. Over 50,000 refugees have poured into Miami, Florida since during the past months, looking to the U. S. as a refuge from the increasingly harsh Cuban police rule. Other thousands have fled to New York.

Under the Cuban Communist dictatorship, the majority of these families were robbed of their homes, jobs, money, and often the lives of close relatives and friends. They arrived here penniless, and find it difficult to obtain work or lodging, particularly in overcrowded Miami.

Warm winter clothing is urgently needed for these Cuban families so that they can be resettled in other areas. Miami alone cannot possibly absorb the tide of refugees, which is expected to continue in secret now that diplomatic relations between the U. S. and Cuba have been broken off.

School Superintendent, Andrew W. Miralles, advises that individual schools will tell you of local plans for the clothing collection. When the clothing drive ends, the clothing will be packed for direct shipment to the Cuban Refugee Emergency Center in Miami and New York. World Clothing Fund, the sponsoring charitable organization, has provided shipping bags and will bear all shipping costs.

A traffic accident caused by ignorance of the law is just as fatal as if deliberately done. How much do you know about your own safety?

Nearly 100,000 soil samples are analyzed each year by laboratories in Florida.

Congregational Churchwomen In Daytona For Three-Day Seminar

Daytona Beach, Fla., March 8.—National and state leaders of the Congregational Christian Churchwomen will meet here this week with 50 church lay women from Florida for a 3-day international seminar, the first of its kind sponsored by the denomination.

Theme of the meeting is "World Concerns of American Churchwomen."

Opening tomorrow, Tuesday, March 7, at the First Congregational Church, the meeting is sponsored by the American Board of Commissioners for Foreign Missions, overseas agency of the Congregational Christian Church, and the Florida Congregational Christian Conference.

Young African students from Kenya, Nigeria and Ethiopia will speak Tuesday on how the Christian church has influenced the lives of their people in Africa. They are: David M. Kamau of

Kenya; Assefa Ewe-Hiwet of Ethiopia; and Eric M. Ofuya, James Olyo Lawson, and Jacob U. Gordon of Nigeria.

Vimal Bhagat, a young woman who came from India, will speak Wednesday on "What Christian Missions Mean to the People of India." Mrs. Bhagat's father, one of India's most distinguished educational leaders, founded Ahmednagar College where she now teaches.

Since its founding more than 150 years ago the American Board, almost foreign mission society in the United States, has sent thousands of ministers, doctors, nurses, and teachers to serve in 34 countries around the world. Today its 350 missionaries, together with the nationals of the countries they have trained, operate 1000 schools and colleges, 2000 churches, 80 hospitals and dispensaries, and a score of social service centers.

The Rev. Ralph R. Shrader of Boston, executive of the denomination's Missions Council and dean of the seminar, will speak on "Our Gospel and Our Mission." Mrs. Shrader will speak on "Missions in the Midst of African Nationalism." Mr. and Mrs. Shrader are former missionaries of the American Board.

Mrs. Dorothy A. Wood, Orono Beach, Fla., is associate dean of the seminar. Other leaders are the Rev. Robbins Ralph, Avon Park, Fla., superintendent of the Florida State Conference; Vernon H. Brannock, Boston, American Board executive; Mrs. Margaret G. Martin, Fort Lauderdale, Fla., president of the Florida Congregational Women's Fellowship; and the Rev. Rankin L. Shewberry, minister of the host church.

The American Board has sponsored earlier international seminars for laymen but this is the first held for the women of the church. It is expected that it will serve as a model for others to be held later throughout the United States.

The purpose of the meeting.

Scouts and Cubs Help Handicapped

HELP GOODWILL—This is the group of scouts, cubs and scouters who last week went door to door and put out Goodwill Industries clothing bags. The same group under the chairmanship of Royal Costa will go back this coming Saturday and pick up the bags of clothes as well as any old utensils or appliances which can be repaired by the Goodwill workers.

Winter Guest Club News

says Mr. Shrader, is the "frank exchange of ideas and experiences in Christian life and service in an atmosphere of Christian worship in true fellowship . . . It is expected that practical results in the form of clever goals and better methods will merge in line with our common desire and prayer for the strengthening of the Church of Christ around the world."

Members of the Florida Advances Our Christian World Mission Committee of the Florida Congregational Christian Conference have worked with the American Board to sponsor the meeting, which closes at noon Monday.

DAR Chapter Celebrates February 22

Patriots Chapter, along with the other 285 chapters of the National Society, Daughters of the American Revolution commemorated the birthday of George Washington on Wednesday, February 22.

Mrs. W. J. Lockett, Regent, extended greetings to the ninety guests and members attending the Chapter's patriotic luncheon at Harder Hall. The invocation was by Mrs. Maude Berda, Chaplain and Pledge of Allegiance was led by Mrs. Demo Maudie.

Members of the Regent's Board and Program chairman, Mrs. W. H. Arson were graciously presented by Mrs. Lockett after which Mrs. John Williams, concert pianist, of Avon Park opened the program with two numbers. A Nocturn by Chopin and Dance Americaine by Morrey.

Mr. Henry M. Heilig, Avon Park, a naturalized citizen of United States and hero of World War II, delivered a most interesting and inspiring personal paper on "Our Presidents." Mr. Heilig pointed out that it is now, as in the past, circumstances of the times, that produce our presidents and great leaders. In other words, to quote Mr. Heilig, the era Washington lived in made the man, as much as the man made history in his time.

Mr. Heilig highlighted the circumstances, that history has proven, gave Americans their George Washington and the facts and world events that brought forth our present and past leaders.

Let us begin this time with a bit of a rime and let out a chuckle over the game of penmanship, which was played last Monday night after Sunday at two in the afternoon. Seven tables there were, which made quite a stir, enough to rattle a platoon. And when it was over Fred Noel was in clover, for he had the tip-toppest score. Charles Gruber came along, pushing him strong, with a count just a wee bit lower. We have no truckle with the game of penmanship, which must be a very fine game, but we honor the winner, holy saint or bad sinner, and accordingly here in past his name. And now we come to the great game of bridge, as played on Tuesday here on the Ridge. Eight tables there were, players thirty-two, and that we maintain was more

than a few. This time Mary Noel's entitled to crow with the high score of fifty-three twenty. The next in line did mighty fine though the difference between ten was plenty. It was Sheila Wurster, from somewhere in Dixie, whose score this time was just fifty sixty. And that's the way the game went in last week's great card tournament.

The bright and balmy weather last week favored the zealous of shuffleboard, and they responded in full force. Every day saw practically all the courts filled from nine till four in the morning, from two till four in the afternoon, and then from six-thirty till nine or later in the evening. Evening just now is the choice time, with good lights overhead and cool air all rounds.

The pick-your-sticker tournament on Wednesday showed Mr. and Mrs. Hickey in the lime light, winners of the main event. The winners of the consolation event were Mrs. Jordan and Mr. Jim Brown. In the pot-luck game on Saturday, Mrs. Bush and Mrs. Brooks led the field, with Mrs. DeCoster and Mr. Asker just behind to take the consolation. It makes a fellow feel pretty good to take a consolation event these days. We understand a return game with Arcadia is in the offing. Poor Arcadia? Oh, no, it's brave Arcadia, we think.

The popularity of the Friday night dance is growing. There were 101 present last Friday, the most yet this season. The temperature was just right, and so was the spirit of the crowd. Ergo, everybody had a fine time.

A few not so well known facts about dancing is proper here. Square dancing is the great American indoor sport; also it has become a great American racket. The possibilities of this indoor sport were discovered only a few years ago. Today what once was just a pleasant oldtime and enjoyable hobby has become a money making scheme. There are over 5000 square dance callers listed in the National Callers' Directory and many of them are demanding (and getting) anywhere from \$100 to \$350 for one night's service. Some top callers are said to make from \$35,000 to \$50,000 a year, which is oratory for the masses. To anyone composing a new and popular number may come a small fortune. Halls are being hired, squares made smaller to increase the number taking part, and speed increased to please the younger people. However, all this has little effect on the style of activity here where the idea is to give the greatest enjoyment to the greatest number of people. And all for fun, no for mon.

There was, we understand, a pleasing entertainment on Thursday evening, which we were unable to attend. A pleasant feature of it was the honoring of Walter and Mrs. Walker together with Howard and Mrs. Kellogg for having safely reached fifty years of marriage, a splendid record in these days of easy and quick divorce. One other couple entitled to the same recognition, though invited and expected, failed to appear.

The gospel sing brought out a record crowd, 114 all told, and they night raised the roof singing "Happy Birthday To You" for Cal Starrett, who was 91 last Thursday. Fine, still going strong at four score and eleven. Mr. and Mrs. W. A. Baxter, recently married, stood up to be counted and applauded. Besides the group singing there were instrumental numbers. Mr. Albert Cushing played two violin solos, and Mr. Hope two on the accordion. All very fine. It is estimated that over a thousand have attended these musical affairs so far this season. The next sing is to be March 19 from 2 to 4 p. m., and the general public is invited to attend. So says Professor Shultz, and so says

Easter Seal Letters To Go Out This Week

With the battle slogan "Fight Crippling," the annual Easter Seal Campaign opened March 2nd and will continue until Easter Sunday. A nationwide all-out effort to fight crippling on the three fronts of care and treatment, research and education will be financed by the 1961 drive, which marks the organization's 40th anniversary.

General Arnold J. Funk, President of the Florida Society for Crippled Children and Adults, announced that the 1200 Easter Seal appeal letters for Avon Park will be in the mail the 2nd week of March.

In 1960 throughout the USA 234,491 crippled children and adults were helped toward rehabilitation by Easter Seals. In Florida 4,502 handicapped children and adults benefited from the state's Easter Seal services program.

A new program will be offered this summer when camping for the handicapped is initiated at "Camp Challenge—Florida's Easter Seal Camp" in Mt. Plymouth in Lake County.

Long range plans for Camp Challenge call for year round use of the camp site for various rehabilitation programs for both

Doctors Attend Seminar Held In Lakeland

The Fifth Annual Seminar on Recent Advances in Medicine was held at the Watson Clinic in Lakeland, Saturday, March 4. Among the outstanding men on the program were F. Bayard Carter, M.D., Duke University; A. McChesney Harvey, M.D., Johns Hopkins University; Samuel F. Marshall, M.D., Lafayette Clinic, Boston; Mass.; Lawrence M. Randall, M.D., Mayo Foundation; Harold E. Ratcliffe, Col. M.C., U.S. Army, Walter Reed General Hospital, Washington.

Drs. B. C. Oetting, C. Brooks Henderson and H. W. Coleman from Avon Park attended the Clinic, which was followed by a barbecue late in the afternoon.

Troubadours Perform At Hillcrest

The Troubadours, which is an instrumental group of young artists and students of Mrs. J. C. Lawton, visited the Hillcrest Nursing Home Saturday, March 4, and entertained the residents there with a program of music. Those on the program included Patsy Scott, Janet Doublerley, Dorothy Grove, Elouise Monsalvage, Charlene Ludwig, James Chent-nutt, Larry Farley, Arlene King, Robert Duggan and Andy Mirale, Jr.

Southland Trailer Park—

Pair United In Marriage On Friday

William A. Baxter and Mary Troth were united in marriage Friday afternoon at 4 p. m. by the Rev. E. L. Hutchens. Mr. Baxter is from Barberton, Ohio and the bride from Ellenville, Ind., and both were former friends of Dr. and Mrs. Hutchens. The ceremony was performed at the home of Dr. Hutchens. The couple plan to make their future home in Avon Park. Mr. and Mrs. E. A. Walton of Ferndale, Mich. have moved their 50 foot trailer home into the Park, and are receiving a warm welcome here.

Mr. and Mrs. Carl Wertbar of St. Louis, Mich. have purchased the trailer home of Mr. and Mrs. Henry Hanson, and plan to make their home here.

Mr. and Mrs. Guy Dietrich entertained Mr. and Mrs. Samuel Mills of Bellefontaine, O. for a few days last week.

Friends from across the country who called on Ben Henningham last week included Mr. and Mrs. Harold Koch of Hollywood, Fla.; Mr. and Mrs. Joseph Millbrandt of Jamestown, N. Y.; Mr. and Mrs. Albert McArthur of Rousesville, N. Y.; Mr. and Mrs. Joseph Jeffords of Kingston Mines, Ind.; Mr. and Mrs. Ralph Herron of Kansas, N. Y.; Mr. and Mrs. James Smith, Detroit, Mich. and Ben's brother and wife, Mr. and Mrs. Charles Henningham, of Fort Erie, Ont.

Southland owners, Jack and Marty Boye, enjoyed a few days on the West Coast with friends.

Receivership Of Two Radio Stations Asked

Perry News Bureau
Washington, D. C.—Applications for receivership of two Florida radio stations have been tendered with the Federal Communications Commission.

The stations—WAVP, Avon Park, and WKBX, Kissimmee—have asked FCC approval of an involuntary assignment of their broadcast licenses to Carl T. Langford as receiver.

WAVP, operated by Mid-Florida Broadcasting, Inc., operates on 1390 Kilocycles.

WKBX, owned by the same firm, broadcasts on 1220 kilocycles.

Regular PTA Meet
The regular meeting of the Avon Elementary PTA will be held Thursday evening, March 9, at 8 p. m. Dr. H. W. Coleman will be the guest speaker. His topic will be "First Aid in the Home."

Winter production of eggplant in Florida has doubled since the 1960 season.

Current winter crop of Florida strawberries is expected to total 7,200,000 pounds—an increase over 1960.

J. H. Richardson Dies Thursday At Home Here

John H. Richardson, passed away at his residence 205 E. Pine St., Thursday, March 8, following a brief illness. He was a native of Repton, Tenn., and came to Avon Park from Kingsport, Tenn., about seven years ago. He was a member of the Methodist Church, and retired from the Tennessee Eastman Company.

His survivors include three sisters, Miss Lily Richardson and Miss Magdalene Richardson of Avon Park; Mrs. A. M. Remine of Morristown, Tenn. and one brother, Doyle Richardson of Limestone, Tenn.

His remains were forwarded to Greenville, Tenn. for services and interment. Missie Funeral Home was in charge of arrangements.

Ridge Guild Now Rehearsing Hilarious Play

Now in rehearsal is the Ridge Theatre Guild's second production of the year, "George Washington Slept Here," which will be presented March 17 and 18. Principal roles are filled by Frank Rinald and Helene McCaskey. The hilarious comedy has as its theme the purchase of an old home in which our first president was rumored to have slept, and the disappointments and discomforts it brought to its purchasers.

Others in the cast are Bill Ernst, Sheryl Simpson, Robert Fitzgerald, Alma Wilson, Katharine Hubbell, Jerry Ervine, Beryl Buck, Bob Wells, Gene Sebring, Kenny Bee, Wayne Brown, Dick Ford, Sylvia Belcher, and Steve Heffner.

Frank Rinald is directing the play, with Margaret Mitchell the assistant director. Rosalie Fink is stage manager and Ray Clark is in charge of sets.

Patriots Chapter of DAR Celebrates Sixth Anniversary of Their Group

The sixth anniversary of the organization of Patriots Chapter, Daughters of the American Revolution was commemorated on March 6, at the home of Mrs. Joseph A. Vasek, Sebring. Three of the original 13 members were present and honored, Mrs. H. J. Hahn, Mrs. Demo Mandis and Mrs. Robert Maxson.

Mrs. J. H. Ford brought a vivid picture of conditions in East Germany when she recounted the experiences she and her party had in their 12 hours spent behind the Iron Curtain last fall, bringing out the East Germany

is the only country in the world that is depopulating due to the over increasing numbers fleeing Russian domination.

Mrs. W. J. Lockett, Regent, presided at the business session at which Mrs. Robert Kaufman and Mrs. F. S. Fletcher of Sebring were welcomed as associate members and Mrs. W. A. Ma-ther and Mrs. A. B. Godwin were elected as alternates for Mrs. Lockett at the State Conference in Jacksonville the week of March 20.

A social hour on the lawn was enjoyed with the hostess and

her committee, Mrs. H. G. Livingston, Mrs. H. O. Jones and Mrs. Sarah Cadieu. Guests for the afternoon were Mrs. Theron Lane, Avon Park; Mrs. W. Nickerson, Wauchula; Mrs. J. Quillen Sebring and Mrs. A. Kemp of Galesburg, Ill.

Awarded Contract

Wells Motor company was named low bidder for one new patrol car for the Avon Park Police Department. The local Dodge dealer's bid for the vehicle was \$1472.46. The other bids opened at last Monday night's Council meeting were Avon Park Motor Company (Ford) \$1500.00, and I. H. Ford Motors (Chevrolet) \$1505.00.

WINS MACHINE—Mrs. M. Spoyer of Sun Ray homes north of Avon Park was the winner of this White Sewing Machine at the recent opening of Ken's Market on U. S. 27 at Allamanda Drive in the north end of this city. Mayor E. A. DeLaney drew the winning ticket. Second prize of a \$150 gift certificate was won by Mrs. Phillip Kichler of Alameda Drive in Lake Lillian subdivision. The machine and certificate were donated by Better Housekeeping Stores which are located in Dr's Fabric shop here as well as in Sebring and Wauchula. —Sun Newspaper

FFS Surpress Five Wildfires During Month

Florida Forest Service crews in Highlands County suppressed five wild fires during the month of February. The largest of these was north of Red Beach Lake at Deltona City. Nine hours and four trucks were used to suppress this fire which was caused by trash burning.

Crews assisted 36 landowners with their burning to green up native pasture.

Florida Forest Service donated the reworking of fire lines around Highlands Hammock State Park and completed 22 other requests for fire lines which the first 15 minutes is complimentary.

Fire escaping from trash burning is increasing. Necessary precautions should be taken to confine fire to trash burning. Our burning index is up to 45 and will increase daily until we get general rain.

To report wild fires, request for burning assistance and fire lines phone EV 5-8831 collect.

Red Devils End Hoop Season With 71-41 Loss

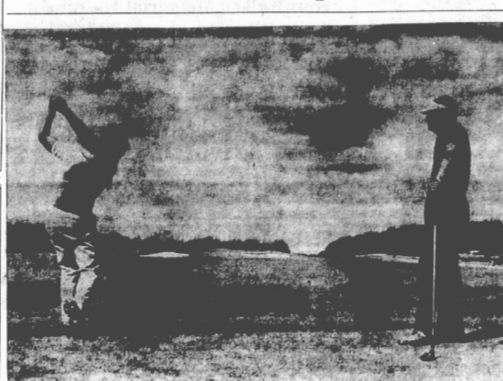

The Avon Park cage team closed out its 1960-1961 season last Thursday night when they lost to Kathleen 71-41 in the quarter finals of the Class A District 7 basketball tournament held in Wauchula. The Hardie Wildcats of Wauchula later won the tournament and represented District 7 in the State Basketball Tournament at Gainesville this week.

The Red Devils, playing without the services of their point scorer, Lamont Money, were unable to match the pace of the Kathleen Red Devils. Larry Will flipped in 21 points for the winning Kathleen Red Devils while his teammate Roy Gullidge scored 15. Joe Milton was high scorer for Avon Park with 13 counters and was closely followed by Joe Jackson who had 10 points.

The loss set Avon Park's overall season record at 7 wins and 11 losses.

Ninety-two per cent of all equipment marketed in the U.S. is produced in Florida.

Red Devils Open Tuesday Against Bull Pups

TEES OFF—New Pros at the Avon Lakes Country Club. Wayne Knowles tees off on one while Bob Young looks on. Most of the course is reported in near perfect shape and three new fairways and greens are being added under the watchful eyes of Greenskeeper Dick vonBunke and Lou Young. Though golfers are still forced to use a couple of temporary fairways, tees and greens it is reported that at the present rate of improvement all nine holes should be playing ready shortly.

Off the FIRST TEE

By Jack

Didn't we have a nice crowd on the Fairways Saturday and Sunday, and I am sure that you all that played the course are as pleased as can be the way the course is being improved. Every one seems to be getting better scores and better shots from all their play. There is still some work to be done on several tees and greens, but it won't be long now until the course is pretty well finished.

The ladies day on Wednesday is still a lot of fun and you ladies that have not been out to enjoy these parties should come out and join in the golf and bridge games.

I hear that in the near future, Wayne the Pro at the club is going to start classes for the youngsters, classes being held on Saturdays. There will be instruction for five boys and five girls each Saturday. Call Wayne and he will explain what he has in mind to get the youngsters started in the right direction with their golf game.

If there are any of you who have been wanting something to do on a beautiful production, the story, as you know, is the last seven days in the life of Jesus. The scene of the last supper is one that you will never forget. You have no idea how the everyday care, the hustle and bustle of everyday lives seems to disappear while you sit there and enjoy this story.

The story is also given each Tuesday, Thursday and Saturday night at 7:30 p. m., and there will be a special performance on each Friday, March 31, at 7:30 p. m. So again if you want to spend a very enjoyable two and a half hours, attend one of the performances at the Lake Wales Amphitheatre, you will be more than happy that you did.

FHA Plans Solicitation Of Funds For RFE

Friday and Saturday, March 10 and 11, the FHA girls, sponsored by the Junior Woman's Club, will operate a booth downtown to solicit contributions for the Radio Free Europe Fund.

Radio Free Europe is a private non-profit American network of 28 powerful transmitters and relay stations, located in West Germany and Portugal, broadcasting through the Iron Curtain to the Communist dominated countries of Poland, Hungary, Czechoslovakia, Rumania and Bulgaria.

The broadcasts expose Communist lies and hypocrisies about the free world and particularly the United States.

One half of the Radio Free Europe program is devoted to news and news analysis. One of the greatest assets that Radio Free Europe enjoys is the voluntary support of private citizens. All of every dollar given goes for Radio Free Europe broadcasts. All salaries are paid by big companies.

Each year the Communists spend more dollars in futile efforts and attempts to jam the Radio Free Europe broadcasts than RFE spends on its entire operation.

Radio Free Europe provides each American with an opportunity to take an active and personal role in the fight against the spread of Communism.

The Future Homemakers of the Avon Park Chapter who will participate in this project are Joyce Antley, chairman; Anita Luncomb, Judy Schnell, Pat Parrish and Donna Paye Wiggins.

86 Percent Have Paid 1961 Taxes

Taxes are now due—about 86 per cent of the Highlands County taxpayers have already paid their real and personal property taxes for the year. Tax Collector W. H. Prescott said no discounts will be given for the taxes paid in March, and beginning in April a three per cent penalty will be added to the tax bill.

Prescott said the percentage of unpaid taxes is "about the same" as it was when the final month of tax collections came up in 1960. However, because the total number of taxpayers and taxable items has increased, his office is facing a larger volume of "late work" this year.

School Board Postpones Meet Until March 21

The Highlands County Board of Public Instruction has postponed its March meeting from March 14 until March 21. Superintendent Andy Miracle said the meeting date conflicts with the sessions of the Florida Education Association, so the meeting was postponed for one week.

Band Concert To Be Held On Sunday

There will be a band concert, Sunday, March 12, at the High School Auditorium at 3:30 p. m. The APHS Band will be in full dress uniform. The public is invited to attend.

The program will be as follows:

Storm King March, Finlandia; The Holy City, (trombone solo by Sharon Nations); Adams; Colonel Bogey, Alford; Manhattan Towers, Jenkins; Offshoot Overture, Vibra Harp Solo by Marilyn Gratz.

Numbers by the Dance Band: Autumn Leaves, Tuxedo Junction and Sentimental Journey; Stars and Stripes Forever—Sousa-Calliet; Stripes Spangled Banner—Key.

Race Track Money To Be Distributed

Comptroller Ray E. Green announced that race track funds will be distributed to all the Counties this week, (week of March 6). This distribution will amount to \$46,500, which brings the total to date that each County has received to \$116,500. This is \$4,000 more than the Counties had received at this same period last year.

Theatre Guild Promises To Send You Out Of This Dull Old World

Tired of your job? Do you sometimes wish you were someone else? Join the Ridge Theatre Guild! It will take you right out of yourself... into another world. A world of hilarious comedy, at the moment.

Rehearsals are in full swing now for "George Washington Slept Here", which will be presented March 17 and 18 in the Woodlawn Cafeteria. At the Guild's Rehearsal Hall at Sebring Airport, an antique house is "taking shape" right in front of your eyes. The set consists each Monday, Wednesday and Friday nights with the shooting of the director and the stagehands, while the actors valiantly go through their parts over and over again to get them better-perfect. The dialogue of the play is so funny that even now the actors "break up" into shouts of glee.

Right before your eyes, a legal secretary becomes the put-upon wife of an antique hound and a high school student becomes a glamorous Eastern debutante. A re-

spected member of the Sebring City Council becomes a... but let's not reveal all our secrets! You'll just have to attend one of the performances and see for yourself... keep the date open, March 17 and 18, at the Woodlawn Cafeteria in Sebring. Certain goes up at 8:30.

AVON PARK LAKES NEWS

Mrs. Marge Slocum
Phone GL 3-4221 — Box 297, Rt. 2

The special meeting of the Avon Park Lakes Association held last Thursday evening, for the purpose of electing two new Governors to fill vacancies, was well represented. Mr. John E. Bengel and Mr. Albert Diebold were unanimously elected to serve the unfinished term.

Mr. and Mrs. Vanarstalen and Unc. left for Naples, Tuesday morning and visited the Caribean Gardens. They also spent some time at the Corkcreek Sanctuary Wednesday before returning home.

Mr. and Mrs. George Brathwaite of Syracuse, N. Y. spent Monday and Tuesday with Mr. and Mrs. Harold LeChien, Mr. and Mrs. George Van Duser of Sebring, were guests on Wednesday.

Mr. and Mrs. George A. Burroughs from Urick, Mo. are spending some time with Jean Bailey. Mrs. Burroughs is a sister to Jean. We expect to have the Burroughs as residents. They have bought lots on Lake Chilton and hope to build within a year.

Mrs. Thelma Reed is to be congratulated on having won ribbons in the flower show. Thelma got one blue ribbon and two red on her African Violets.

Mr. and Mrs. Dennis Swift of Cambridge Springs, Pa. called on Mrs. Laura Wareham on Monday.

Roy Gitten Wins Mens' Tourney

Mr. Roy Gitten of the Avon Trailer Park, was the winner in the mens' division of the singles shuffleboard tournament played at the Winter Guest Club Thursday a. m. and p. m. and Friday a. m. for the President's trophy.

This is a trophy that must be won three times before it can be claimed permanently and Mr. Gitten has won it twice. Mr. Gitten is an ardent shuffleboarder and in charge of the tournaments at the trailer park, where quite a few good shuffleboarders have developed this season.

Mr. and Mrs. Hampton Grant spent two days last week visiting with Mr. and Mrs. Charles Snowden and daughter, Cindy, of North Miami and Mr. and Mrs. Robert Morehead of Naples, Fla.

Mr. and Mrs. Lewis Roof visited in St. Petersburg, Feb. 24, celebrating their 43rd Wedding Anniversary with Mr. and Mrs. E. L. Hawk of Bowling Green, Ohio. Our square dance was well attended again last Saturday night between 35 and 40 percent. Our next get together for dancing will be March 16, 7:30 p. m.

The Woman's Group met again March 9 at 10 a. m. for

on their way to Fort Pierce. Last Wednesday, Mrs. Elizabeth Winkler and Mrs. George Barnes entertained friends from the North, Mr. and Mrs. Arthur Hene, from Teaneck, N. J. and Mr. Frederick Schopp, Bronxville, N. Y.

Mr. and Mrs. Keller McPherson of Hagerstown, Md. spent a week visiting Mr. and Mrs. George Carroll. Mrs. McPherson is a sister to Mr. Carroll. All enjoyed sightseeing, including the West Coast.

Mr. and Mrs. Albert Cushing of Nantuxia Drive spent Thursday, March 2, visiting Annie Belle Patterson in Largo and other friends in St. Petersburg. The Rev. Willard B. Johnson formerly of Boston, Mass., now a pastor in a church in St. Petersburg, and Mrs. Roy McDougal.

Mr. and Mrs. Howard Shaffer visited Mr. and Mrs. Lewis Roof on Monday, February 27. Other guests visiting in the Roof home are Mr. and Mrs. C. W. Dick of Bowling Green, Ohio.

Mr. and Mrs. Henry Bonich and daughter, Linda, of Orlando and Mrs. Bonich's mother, Mrs. Ruth Harris of Beaver, Pa., were recent guests of Mr. and Mrs. Hampton Grant.

Dr. and Mrs. S. C. Bostic and son, Dan, accompanied by Dr. and Mrs. Jessie G. Wright of Oklawaha, Fla. visited the Liggett's, Sunday, Feb. 26.

Mr. and Mrs. Herb Welch had as their guests last Sunday, Mr. and Mrs. George Corlies of Dayton, Ohio. Now wintering in Auburnville, Fla. Mrs. Welch and Mrs. Corlies are longtime friends and have not seen each other for a number of years.

Sunday guests of Lee and Jerry Liggiero were Mr. and Mrs. Wayne Patches of Lake Wales.

Mr. and Mrs. Raymond Walker and Mrs. Sophia Kintler were guests Monday and Tuesday of Mr. and Mrs. Al Diebold. Mr. Walker is a brother of Mrs. Diebold and Mrs. Lankers is attending the winter months in St. Petersburg. Their home is in Benton Harbor, Mich.

SOURCE of VALUES

We can get them from *The Old Book*—
values a-plenty to make the New Year
really new. Of course the months, the weeks, the
hours are much like the old ones.

We should carry all the good things of
yesteryears over into the New Year,
and then add more.

Just how will your New Year be New?

We and others, like ourselves, will make
the difference. Be more kind and patient
in the home circle—*then it will be a new house*
this year. Exhibit a better spirit

as you do the old task—and the
office, or shop, or kitchen will be a new
place for the New Year. Worship God
more sincerely and work more in His
program of service—*then you*
will have a new church
for the New Year.

Only a new Person
will make it
a New Year.

Mrs. Smith Feted With Shower Tuesday

Mrs. Clyde L. Smith, the former Miss Betty Ginn, was the honoree at a shower Tuesday evening at the home of Mrs. Raymond Dille on Lake Letta.

Mrs. Devan Redick was co-hostess for the affair. The spacious living room and sun porch were thrown together to accommodate the large crowd who attended. Broom and camellias were used in profusion around the party rooms.

The lovely bride and her mother, Mrs. C. R. Ginn, were each presented with a corsage of pink roses and carnations. The array of beautiful gifts were opened and admired. Mrs. Don Williams, sister of the bride, and Miss Devan Redick, assisted with the hostesses.

The dining table was overlaid with a lace cloth of ivory linen. A crystal punch bowl surrounded by arched azares formed the centerpiece and dainty white candlesticks held tall pink tapers, that were decorated with pink ribbons. The iced punch was served with a variety of party snacks and nuts.

Pictures Of Greenland Are Shown To Rite

There were 86 present at Ladies night meeting of Peace Ridge Scottish Rite Club. It was held March 1, at the Jaccaranda Hotel. After a turkey dinner, Brothers Oscar Weeks and F. C. Morris of the Tampa Consistory entertained by showing pictures taken on a recent trip to Goose Bay and Thule, Greenland.

Ohio Constitution members out numbered other states, Indiana second with New York third.

The next meeting of the club will be the first Wednesday of April. All Scottish Rite welcome.

W. J. Thompson Rearranged In County Court

William Benjamin Thompson was rearranged in Circuit Court here last week in accordance with a Florida Supreme Court ruling. Thompson, who had been charged with three counts of breaking and entering with intent to commit a misdemeanor, entered a plea of guilty.

The youth had previously been sentenced on these charges but the sentences were set aside because the high court ruled that the lawful procedure governing the rights of minors had not been observed in this case.

After hearing Thompson's plea last week, Judge Clifton Kelly ordered a presentencing investigation. A part of this investigation was to be a full statement of the case drawn up by the defendant himself.

from his employer and a new certificate. Each certificate is valid for only one year at a time.

If the school authorities have reason to believe that the employment might be harmful to the health of a particular child, a health certificate may be required.

The state law charges the school with the responsibility of keeping check on those students who are working. If the employment in any way seems to be handicapping the child's health or education, the certificate may be revoked.

Miracle pointed out that applicants must appear in person, and these work certificates apply to youth "whether they are in school or not."

Acting under the provisions of the state law, Miracle has authorized principals in each of the county schools to issue work certificates, or to permit them to be obtained in the county school offices in the county house.

An juvenile judge Rehner said the Sheriff's office has from time to time picked up youths who were working on the golf courses of the community during school time. He could not recall, however, any prosecutions against employers.

When Juvenile court observed its annual day in court last Thursday, two of the three cases heard involved boys who said they had been employed during the time they were expected in school. Miracle said neither of the boys had obtained working certificates.

Flag Fixed

The flag pole on the mall in the center of town has been repaired. The upper-most pulley was ripped from the pole by Donna, a dog who had been on a temporary basis about 20 feet from the top. Mayor E. A. DeLaney secured the services of a sleepless from Tampa this week and restored it to the original position.

New Rules

(Continued from page one)

attorneys, court reporters and newspaper reporters.

The duties of the bailiff were detailed at some length; he shall be "available and alert while court is in session," he shall call the witnesses upon request of counsel, prevent the viewing of any by anyone attending the court (except officers of the court in performance of duty).

The bailiff is required to prevent any unauthorized communication with the jury.

The code concludes that the sheriff is to be responsible for "care and feeding of the jury" in the custody of the bailiff.

Some of the provisions of the code have been in practice and the jurists merely restated them in their inclusive statement of court procedure.

Among those on hand to observe the court in action on Tuesday were 41 students from the ninth grade civics class at Lake Placid School.

This class, taught by Joe Barton, annually needs a day in court. Barton said he selects a day when a major case will be heard. Tuesday was the first time he had ever brought a class to a first degree murder trial.

"Fortunately," he observed, "we do not have many trials for murder. Last year my class attended a session of a bribery trial."

The students were very attentive during the trial Tuesday and many were taking notes almost as fervently as the court reporter.

Barton said the students are each required to write a report, and later the class will stage a trial with students enacting the roles of judge, jury, attorneys, witnesses, etc.

The class was accompanied Tuesday by their home room teacher, L. E. Johnson.

Here's More About—

Lack of Funds

(Continued from page one)

that dealers were not sure of the exact size and type of truck they should bid on.

At the Tuesday meeting several bids were disqualified because they were trucks less than the specified "200 horsepower motor." Sebring Dealer Smith (Ridgely, Jr.) complained that the specifications should have said "not less than 200 horsepower."

Another dealer who was present said, "If Blackman's truck really meets all the specifications then, he has the bid, and I congratulate the board on getting a very good buy."

Things progressed more smoothly in the tractor bidding. Ridge Ford Tractor Co. won both bids—\$4114.84 on the tractor for district 4 and \$4181.45 for district 5.

The two districts had specified

different arrangements on financing. Both vehicles are being purchased on lease-purchase agreements, but district 4 will be able to pay half down, while district 5 will pay one-third down.

At the last meeting of the commissioners concern had been expressed for the civil defense bond. Civil Defense Director Hansen attended Tuesday's meeting.

With the invoices now outstanding, Hansen said that the red. Hansen said that municipal units within the county had requested him to buy materials for them through the federal government surplus program. Refunds from the municipal units will be about \$1800 for the year, but these refunds cannot be spent by the county within the fiscal year in which they are received.

County Attorney R. P. Duntz, Jr., said, "A civil defense program is predicated on the idea of defense. We must have material on hand, and it must be parceled out to the various units who can and will maintain the things we shall need if an emergency arises."

Hansen said one of the purchases made since the last commissioners meeting was an ambulance for Lake Placid. He said that sometime ago he had been requested "to be on the lookout for an ambulance for Lake Placid."

"As it stands now," he said, "when an emergency arises in the southern part of the county, an ambulance must go from Sebring and often continue then back to Avon Park in the hospital. A lot of it is lost. Now that we have the ambulance, which we were able to get for a little over \$500, plans are on foot to have the machine in Lake Placid with someone who will maintain it and we plan to have drivers who will be ready to run it."

Commissioners told Hansen that while he may be finding many good and worthwhile "buys," the "budget situation is bad." Agreements were made to limit expenditures for the rest of the year to such items as salary for the secretary.

In the meantime, the Director said he would investigate as to whether municipal civil defense units can make direct purchases instead of going through the county unit as he said, were required when he began working with the program.

During the morning session a county health doctor appeared and asked that the board consider asking the state legislature to pass enabling legislation which would allow Highlands County to set up a rabies control program.

Later in the morning Representative Howard Livingston did confer with the board and said the date is already past for submitting such a bill, which he feels, would contain provisions for a referendum.

Before leaving for Bartow the board adopted a lengthy resolution which listed 14 priorities for secondary road funds and held three for primary projects.

The commissioners had held a special meeting on Feb. 28 and made tentative outline for the resolution which was adopted Tuesday of this week. At that time the board made no changes in the order of the first 12 priorities.

Two new projects were added to the bottom of the list. Both of these are in Sebring. The widening of Pine Street from its intersection with Lakeview dr. to a point of intersection with Ridgewood had been requested by Sebring City Council and the churches located on Pine Street. This was added to the priority list as number 13.

Number 14 is the continuation of Central Ave. from point of intersection with Palmisto street in a southerly direction to a point of intersection with Castle street.

The number one priority is, and remained the board emphasized, streets in Avon Park. This project consists of 5.2 miles of road located in and around the city in the north end of the county.

At the Bartow hearing state officials promised immediate action on project listed as number three on the primary list. The state said engineers would be sent to Avon Park to investigate what might be done to correct the elevation of Alternate 27 as it passes around the southern boundary of Lake Verona.

The commissioners resolution pointed out that the existing highway is below the flood stage of Lake Verona.

Other primary projects requested were: 1. Construction of state road 70 from DeBoto County line to a point two miles east of Route 27. 2. Four-laning of Route 27 from Avon Park south to the Glades County line.

The other projects listed on the

secondary requests were as follows (with the Avon Park streets as number one):

2. State Road 17, consisting of 8.4 of a mile (Lakeview dr. and Ridgewood in Sebring).

3. Lakeview or, in State Road 823, a project 2.5 miles in length.

4. Paving of 3.8 miles of municipal connecting links located in and about the town of Lake Placid.

5. Three miles of paving along Fairmont dr. in Sebring to Dead Man's curve.

6. Grade, pave and structure of 4.5 miles, known as the Fish-eating Creek rd. running from the Glades County line to old Venus.

7. One mile of road from the Sebring Airport entrance to the west.

8. Old Frontroad road-Avon Park 7-mile road to Folk County line, two miles.

9. Circle in Lake Placid to Lake Stearns.

10. Route 20 to state road 700 at Fort Rainsford (the Nine Mile grade) consisting of 8.3 miles of grade, pave and structure.

11. Grade, pave and structure of Skipper road to state road 25 to the west.

12. Grade, pave and structure of state road 634 at Highlands Hammock State Park.

DRAWING FOR PONY—This young lady dipped into a box of tickets Saturday and came up with the winner of a Shaliland Pony which was given away by John Phillips' What Not Corner Super Market at Main and Fairfield. Ralph Graham, store manager (holding the box) reported that the winner was Mr. M. J. Peterson of Avon Park. Oh, Yes, the Petersons have three children. —Sun Newspaper
