

Easter Sunrise Services To Be Held At 6:30 a.m. In Donaldson Park

The Annual Easter Sunrise Service will be held Sunday morning at 6:30 in Donaldson Park. The service is arranged by the Avon Park Ministerial Association.

All citizens and friends of Avon Park are cordially invited to attend.

Rev. Marvin Thompson, pastor of the First Methodist Church will bring the sermon.

The program:

Invocation—Rev. J. M. Gilbreath; Hymn "He Arose" Trio—Maxine Spurlock, Mae Rice, Jane Phillips; Scripture—Rev. Adon Childress; Prayer—Rev. D. D. Gratz; Solo—LaVern Plett; Sermon—Rev. Marvin Thompson; Hymn "He Lives"; Benediction—Rev. W. E. Spurlock.

Rev. Thompson

Yarborough Injured In Train Crash

Benjamin Yarborough was injured Tuesday afternoon when his truck crashed into a train at the Atlantic Coast Line crossing in Polk County about half way between Avon Park and Frostproof.

It was reported that he saw the train too late to stop. His truck struck the train that was moving over the tracks.

Mr. Yarborough, a grove worker with Griffin Properties, Inc., is in Walker Memorial Hospital.

Highlands FHP Auxiliary Tops In State

At a meeting Monday night of the Florida Highway Patrol Auxiliary, Major Robert A. Francis, of St. Petersburg, informed members that Highlands Platoon ranked first in total hours of duty served during 1960, among platoons in Troop C, of which he is commander. Troop C is composed of ten platoons in a nine county area. Lakeland ranked second in total number of hours served, all of which are voluntary for Auxiliary members.

The platoon was commended by Major Francis for an excellent annual inspection made during his visit Monday night. Lieut. Roy Nelson presided at the meeting, which was held at Leslie Collier Legion Post in Sebring. Members were advised that the state FHFA conference will be held in Cocoa on May 20, and were urged to attend if possible.

Members of the Auxiliary, their wives and families will enjoy an Easter Egg Hunt and covered dish supper at 3 p. m. Saturday, at Highlands Hammock Youth Center. There will be separate hunts for the younger and older children, with prizes for both, after which a covered dish dinner will be served. Dave Caudy is chairman of the arrangements in charge of arrangements assisted by Clifford Craft, Fletty Freer, and Neil Rice.

Missionary To Speak At Zolfo Springs

Ted Smith, missionary to the Philippines, will speak at the Zolfo Springs Methodist Church on April 3, 4, 5 and 6, as a part of a series of special meetings which began March 26 and will continue through April 9.

Mr. Smith first toured the Orient with a basketball team known as "Basketball Evangelists," and later went as a missionary to Baguio City in the Philippines.

Services are held each evening at 7:30. The Rev. T. H. Smith is the pastor of the church.

Judge Has Interest In Forgery Case

The man who passed two forged checks on local establishments either was nifty or had a sense of humor, good or bad.

In either case, when caught, he will be meted proper punishment by County Judge Mervin Rehner.

The checks were for \$25 each, and in each of them Rehner has a personal interest, and for this good reason:

The names of the forged check were "M. Rehner."

Easter Vacation

Highlands County schools begin their Easter vacation today. Classes will close at the regular times on Wednesday, and will return on Tuesday morning.

Knifing Nets Negro Jail Term

Avon Park Negro Ola B. Williams, 21, has been sentenced to 18 months in the county jail for the New Year's Day knifing of Edward Green.

Williams, who had previously pleaded guilty to a charge of aggravated assault, was sentenced last week in Circuit Court.

J. V. (Boots) Freeman, 26-year-old Negro resident of Lake Placid, was tried on one count of aggravated assault. He waived jury trial and was tried by the court.

Judge Clifton Kelly found him guilty and sentenced him to two years in the county jail. The sentence will be counted from Freeman's arrest on January 12.

Charges were dropped against Freeman on a second count of aggravated assault.

Edward Green, 19, was placed on five years probation when brought into circuit court last week. The Avon Park Negro had previously pleaded guilty to five counts of breaking and entering with intent to commit a misdemeanor.

He was accused of breaking into Harts Garage. One condition of his probation is that he will make restitution to the garage.

Mose Bond, Sebring Negro who was charged with armed robbery, pleaded guilty. He, along with Lynn Wood Bishop of Sebring, was accused of staging a robbery in Avon Park on March 5. Bishop, early last week, was sentenced to 10 years in the state penitentiary. Later in the week Judge Kelly heard Bond's plea and ordered a pre-sentence investigation.

Theodore Gibbs, charged with aggravated assault, pleaded guilty. Sentencing was deferred.

News Briefs

Dr. Ost Speaker

Dr. Walter Ost, who recently moved to Avon Park to open his practice here in the Medical Center, was the guest speaker at last week's meeting of the Avon Park Rotary club. Dr. Ost showed color slides of a portion of his trip around the world, a trip that embraced such hot spots as Africa and Laos. A major portion of the slide presentation was devoted to his trip into Laos and his visit with the late Dr. Tom Dooley.

Pinecrest Open

David R. Jacobson of Pinecrest Country Club announced this week that Pinecrest Lakes Course will be open to golfers of Avon Park Saturday, April 1, and Sunday, April 2 at no charge.

Little League Meet

There will be a meeting of the Little League Wednesday evening at 7:30 at the Florida Power Lounge according to Joe Perez, president. All coaches and parents are invited to attend.

Frostproof Dance

A Rock 'n' Roll Jamboree has been planned for April 7, in Frostproof for the benefit of the Semi-pro baseball team there according to Hugh Sullivan, team manager. The dance will feature Ray Shufelt's Rhythms of Tampa. Admission is \$1 each and will be from 8 until 11 p.m. in the High School auditorium there. Sam Elder, Jim Prevatt, Huey Williams and Bill Rouse of Avon Park play on the Frostproof team.

"Life"

My very life is the breath of God. My breath is a gift of God. Life is meant to be lived. Each breath a prayer of thanks. And a plea That our life may breathe, The breath of God!

Hill And Gendenbien Win 12-Hour Endurance Race

Phil Hill of Santa Monica, Calif., and Olivier Gendenbien of Brussels, Belgium teamed to win the 11th Sebring 12-Hour Endurance Race last Saturday, driving a factory entered Italian Ferrari. In doing so they divided \$1500 in cash.

Although Ferrari took the first

four places in the race, the second and third positions hang in the balance at the present, due to a protest which was entered following the race. Unofficial results placed the team of Ritchie Ginther, Wolfgang von Trips, Willy Mariasse and Giancarlo Baghetti in second place and Pedro and

Ricardo Rodriguez in third place. A decision will be made following a check of tapes.

The winner's circle was no strange place for Hill and Gendenbien, both two-time winners of the international event. Hill won in 1958 and 1959. Gendenbien

BOTH A AND AA-

Avon Park Named As Host To Baseball Tournaments

Caribbeans Visit Here

Avon Park has been named as the host city for both Class A and AA playoffs, the state high school baseball tournament, it was announced this past weekend by Supervising Principal A. B. Wilhite.

White was notified of Avon Park's selection by J. J. Golder, executive secretary of the Florida High School Activities Association.

Golder met with school and community officials here Thursday and looked over the various facilities. He announced the FISAA's decision to White by telephone.

The tournaments will be held June 12-16, with the champions in Class AA and Class A meeting on the final day for the unofficial overall state championship.

This will mark the first time that Avon Park has played host to both state meets the same year. The city has previously held the Class A tournament.

For the past several years, Fort Pierce has been the host for both tournaments. Poor attendance at the East Coast resort town, plus improper maintenance of bleachers and dugouts were felt to be among the reasons for changing the site of the tournaments.

Avon Park has long been an enthusiastic supporter of high school baseball. High school baseball teams here have compiled outstanding records for the past several years and fans turn out en masse for the games.

Head Field, the actual site of the tournament games, "is in top shape, the best in several years," this week baseball coach Guy Garrett said this week.

With the bleachers added to the permanent stands, it is felt that some 1,000 fans can be accommodated for the tournament games.

City crews started work this week on the practice field in preparation for the 320 players and officials who will flood into Avon Park during the tournament week.

Tickets have been printed and will be sold for \$2.00 for the playoff games (morning and evening) but will not include the final playoff game on Thursday night of that week.

The IMMORTAL

... and may we sing Hallelujah! For Christ
the Lord is risen. The lilies are in bloom and
men and angels are in jubilation.
Because He lives, we know we too shall live.
The Greeks were wrong.
Man is not mortal, but rather immortal.
For God hath set eternity in the heart of man.
This Easter, we share the immortality of
Jesus Christ. His journey to Golgotha
transfigured the cross forever, turning that
symbol of suffering into a
symbol of triumphant life.
Then let us live like women and men who
expect to go on and on forever
... world without end. This is indeed
our true Christian hope. This is what
Easter means to us today.

Winter Guest Club News

The arm behind the house where we used to stumble around in the dark of evening looking for our cars is no longer dark. The installation of two flood lights there recently has dispelled the darkness. And who doesn't know who is responsible for all that illumination? Well, mainly George Ormiston is to blame, or rather to be heartily thanked for that job. It was George who saw the need for those lights and then proceeded to get the work done. Thanks a lot, George, and that's all of us.

On this month of March, the 20th day, seven tables were set for pinocle play. Twenty-eight ladies and ladies were there and really playing the cards for fun. And when the game was over Mrs. Pickell was in the clover, for she had the highest score. The next in line, Mrs. Beall did fine, but her tally was just a bit lower. On March twenty-one, with spring just begun, six tables were set up for the bridge to get up and play as they always do. When the games were done Jack Hayes had won, his score a real rip-roarer. Mrs. Reimer did fine, being next in line. She really might have led but cruel fate said: "Not this time, my darling daughter."

But if Mrs. Louise Reimer didn't win the bridge game, she won something quite superior, the presidency of the Guest Club. The Board did well in selecting her to lead, not to boss, the Guest Club for the coming year. She is not the first lady elected queen of this little kingdom; Mrs. Book served in that capacity a few years back. And even as the latter's reign was prosperous and without friction, so we expect Mrs. Reimer's to be. We applaud the choice and will lend a hand when necessary. And that goes for all of us.

One hundred and forty, maybe a few more, attended the entertainment on Thursday evening, taking a camera trip through the Everglades. It was a comfortable way of viewing that huge area of saw grass, mud flats, alligators, lagoons, blue herons, water moccasins, Samanie Indians and so on ad infinitum. A very safe way too; nobody got lost. Everybody came safely through and enjoyed the trip immensely.

The attendance at the practice dance on Monday night was quite

hands at winning took the consolation, Fred Iffland and Duke Christensen, both former presidents too. Now wouldn't that jar you?

Saturday night brought 56 hungry mortals to the pot-luck supper, and they had royal spots among the baked beans, the ham that am, apple pies and layer cakes and so on. Another such supper is scheduled for the coming Saturday evening. So we hear, but that being April Fool's Day, we cross our fingers, just wait and see what happens.

A bit of spring poetry is in order. The days of March are lessening, and April's very near. It's time for tourists now to pack and then to homeward steer, for spring has come to Avon Park; you can hear the bees a humming. It is the season, saith the Lord, for going, not for coming. And the winter tourists are going fast. But they will come again, no doubt about that, says The Stroller.

The Florida State Junior Chamber of Commerce has nominated Welborn Daniel of Clermont as one of the state's five outstanding men of 1960.

The Florida Egg Commission suggests for a wholesome morning drink a glass of orange juice with an egg whipped into it. The egg adds richness without disturbing the flavor of the juice.

"Governor" To Preach At First Christian Church Next Sunday

"Governor" James A. Dial

James A. "Jimmy" Dial, last year's Florida Boy's State Governor, will conduct services at the First Christian Church, corner of Fairfield and Pine Streets, Sunday, April 2.

Dial, a former Bradenton athlete, is studying for the ministry at Milligan College, Johnson City, Tennessee, and is spending a few days during spring vacation with his parents, Rev. and Mrs. James Dial, of Bradenton. The 18-year-old student

Nurserymen Of State To Pay Wyoming Fees

Guineville—Florida handlers of nursery stock will have to pay a fee in the future for all business transacted in the state of Wyoming.

The Division of Plant Industry office here was notified yesterday that the Wyoming legislature had enacted a new nursery and greenhouse law that does away with reciprocal agreements with other states. As a result, non-resident persons, firms, corporations or associations involved in the sale or distribution of nursery stock grown outside the state first must secure a license from Wyoming's Department of Agriculture. The fee for such license is \$10 for each establishment or person shipping stock.

The law will go into effect on June 1, according to the information received by Dr. W. G. Cowperthwaite, director of the Division of Plant Industry. He said there would be no change in the requirement that all nursery stock be inspected and certified by officials in the state of origin before being granted entry into Wyoming. That state intends to crack down upon shipments arriving without valid certification, requiring that residents report all such arrivals, along with the name of the consignor.

All nursery stock offered for sale, sold, distributed or transported into Wyoming shall be plainly and legibly labeled, either as to common or botanical name. If grade and size classifications are declared, then the stock must measure up to standards established by that state.

A reciprocal agreement in the past had permitted Florida and Wyoming nursery stock handlers to move material into the other state without the need for a fee.

Winter Guests To Hold Free Hobby Showing

Attention everybody! The annual Hobby Show will be held at the Winter Guest Clubhouse on Thursday, March 30, from 9 a. m. till 4 p. m. It is entirely free and open to the public.

Whether you are a winter guest or a resident of the city you are invited to attend and will be right welcome. And if you have a personal hobby, if you have made anything or collected anything that you would like to exhibit, please bring it along. All entries for the show should be in the house by 9 a. m.

All such shows in the past have been most interesting and well attended. The present exhibit should be quite as interesting if not a little more so.

Pastor Cherry Attends 4-day Training Course

Pastor Gene F. Cherry, of the Seventh-day Adventist Church, Avon Park, went to Orlando on Monday for a four-day concentrated training course in first aid. The course, to be given by a Red Cross instructor from Atlanta, will qualify the trainees as a first aid instructor.

All Adventist pastors in Florida are enrolled for the course as a part of the church's disaster preparedness program, according to Pastor Cherry. "Seventh-day Adventists seek to follow the example of Christ in giving relief to the suffering," he said. The pastors, as first aid instructors, will then train many of their members in the regular Red Cross first aid course.

DAR Chapter Will Meet In DeSoto City

Patriots Chapter, Daughters of the American Revolution, will hold their April meeting at the home of Mrs. W. H. Arson, DeSoto City, Monday, April 3, at 2:30 p. m.

Coffee for the day will be Mrs. F. H. Nickerson, Mrs. J. P. Drane and Mrs. B. H. Griffin.

Special Good Friday Performance To Be Given Of Play

Lake Wales, Fla.—A special performance of the world-famous Black Hills Passion Play will be held on Good Friday, March 31, at 7:30 p. m. at the Lake Wales Amphitheatre.

"Our regular show dates are every Tuesday, Thursday, Saturday and Sunday, however due to our large crowds this year, we have added this extra performance during the Easter Season, with the last performance of the year scheduled for April 16."

Doctors Day Observance Is March 30

Doctors' Day, March 30, is a project of the Woman's Auxiliary of the Southern Medical Association, having been adopted in 1935.

The idea was suggested by a physician's wife in Georgia that a day annually be observed on which to pay tribute to doctors of medicine, who by daily devotion to their duty of service to humanity, minister to our health and welfare.

The date of March 30 was not chosen at random, but to commemorate one of the greatest discoveries in medical history. It was on this date in 1842 that Dr. Crawford W. Long, the famous Georgia physician, first used ether as an anesthetic agent in a surgical operation, thereby procuring mankind with the blessedness of freedom from pain and suffering during surgery.

The Congress of the United States adopted a resolution commemorating Doctors' Day, March 30, in 1958.

The word "carnation" is the symbol of Doctors' Day and was adopted by the Auxiliary as the official flower in 1940. It is used wherever plans call for flowers in paying tribute to the medical profession.

The Woman's Auxiliary to the Highlands County Medical Society will honor their doctor husbands with a dinner Wednesday evening at the Country Club.

Two Highlands Students Are On FSU List

Tallahassee—The Dean's List, containing the names of undergraduate students who made a grade average of B or higher for the fall semester, was announced today by Florida State University. The list included:

Avon Park—William H. Ragsdale.
Lake Placid—Charlene Ann Rucker.

Devils Idle Friday Over Easter Holiday

Avon Park Red Devils will be idle this Friday as school dismisses for the Easter Holiday, but next Tuesday they will face the Sebring Blue Streaks in Sebring at Fireman's field. As of Wednesday morning both teams had identical 4-0 records and both had Wednesday afternoon games scheduled.

Sebring has early season wins over Ft. Meade, Mulberry, Frostproof and Lake Placid while Avon Park has defeated Ft. Meade, Mulberry, Arcadia, and Okechobee.

The Red Devils will probably have Glenn (Lefty) Bass on the mound with Willis and Money on tap for relief duty against the Blue Streaks. This meeting between the two best High-lands County rivals could have a very important bearing on the

Glenn Bass' Arm Is Golden In Red Hot Pitching Duel Over Mulberry Nine 1-0 For Third Win

The Red Devil's stellar left-hander, Glenn Bass, came out on the winning side of a terrific pitching duel last Friday night in Mulberry when Avon Park's team edged out the Mulberry Panthers 1-0 for their consecutive win.

Bass and Mulberry's ace, Bob Murphy, both hurled one-hitters but the Devils managed to push one run across in the top of the sixth frame and hold on to

outcome of the Ridge Conference championship since it is a southern division game for both teams.

Plas now to be on hand to give the Red Devils plenty of support next Tuesday night at 7:30 when they meet the Blue Streaks at Fireman's Field in Sebring.

that slim lead to win the game. Bass scored the winning run when he pitched a ball that was hit by a pitched ball, was sacrificed to second on a beautiful bunt by Jackie Seims, went to third on Lamson Money's long fly-out to right field, and scored when Mulberry's shortstop erred on catcher Bobby Bates' grounder.

But the real ball game was the magnificent pitching by these two prep hurlers. Glenn Bass started things off for Avon Park in the fifth when he batted for Seims and was safe on an infield error. Bass sacrificed him to second and Money homered himself and Willis scored the plate. Then the Red Devil's bullpen settled down and held the Panthers in check for the remainder of the game. Mulberry hurler, Bob Murphy, was as effective on the mound as Bass. He fanned fourteen Devil batters and held them hitless until the seventh inning when first baseman Dale Batson singled to spoil the no-hitter. Murphy didn't give up a single walk but did hit two batters with a pitched ball. One of these hit batters proved to be his undoing.

It was a big win for the Red Devils who are seeking to have a winning season and earn a berth in the Class A State Baseball tournament which will be held here at Head Field the week of June 12-16.

Elementary Softball Team Wins 2nd Game

The sixth grade softball team of Avon Elementary School won its second game of the season when the boys defeated Lake Placid Elementary School 7-5 in seven innings last Thursday, March 23.

The close game played at Lake Placid was a see-saw battle between the two teams. Lake Placid scored first to take a 1-0 lead, but Avon Park tallied two runs in the third inning to capture a 2-1 edge. Lake Placid regained the lead 4-3 in the fourth inning, but the local team batted four runners across home plate in the sixth inning to secure the victory.

Avon Park's line-up included Scotty Williams, short field; Emmett Money, pitcher; Rance Lewis, shortstop; Gerald Cooper, third base; Joel Carpenter, second base; Johnny Elder, catcher; Bobby Barben, left field; Carl Barnes, right field; Gary Neal, first base; and Russell Siddell, center field. Ten positions are used in the softball games including a short fielder.

The sixth graders are now practicing for the Field Day contest to be held Thursday afternoon, April 13. The boys have two softball games remaining on their schedule in late April.

Red Devils Lamson Money and Louis Hunter both lofted home runs over the fence at Head Field last Tuesday night to lead an 11 hit attack as Avon Park beat Mulberry 11-0. The Ridge Conference Southern Division win.

It was a big night for Money who not only led the Devils at the plate with his homer and a triple, but also posted his first mound win of the season. The junior right hander gave up only two hits—both singles and both coming in the sixth frame—and struck out nine batters during his six inning stint on the mound. Freshman Leonard Sullivan came in to pitch the seventh frame and set them down on two strikes out, a walk, and an infield out.

But Money wasn't the only Devil with a power-loaded bat last Tuesday night. Young Louis Hunter, who last left-handed but throws right, followed Money's example and eased one over the right field fence in the same inning—the fifth. Hunter also got a single in the sixth. Catcher Bobby Bates powered out two doubles, second baseman Dick Nagel connected for a double and a single, and right fielder Joe Jackson drove in the first Devil run with a double in the fourth inning. Bass and Milton both got a single each—Milton's driving in a run in the big six run fifth inning.

The Devil scoring started in the fourth when Nagel singled, stole second and third, and scored when Jackson doubled. Norman Williams started things off for Avon Park in the fifth when he batted for Seims and was safe on an infield error. Bass sacrificed him to second and Money homered himself and Willis scored the plate. Then the Red Devil's bullpen settled down and held the Panthers in check for the remainder of the game. Mulberry hurler, Bob Murphy, was as effective on the mound as Bass. He fanned fourteen Devil batters and held them hitless until the seventh inning when first baseman Dale Batson singled to spoil the no-hitter. Murphy didn't give up a single walk but did hit two batters with a pitched ball. One of these hit batters proved to be his undoing.

Rev. and Mrs. S. H. Williams of Atlanta, Ga., arrived Wednesday to spend the Easter Holiday with her sister and family, Mr. and Mrs. T. H. Maxwell.

For further information write William R. Bowman, Art Director, Babson Park, or telephone Lake Wales 4-6661 after six in the evening.

Highlands County Shuffleboard Trophy

This beautiful trophy which was donated by the First Federal Savings and Loan of Sebring was won by Charles Fenstermaker and Jack Flaggett, members of the Avon Park Winter Golf Club.

The tournament, which annually attracts junior golfers from throughout the nation, is recognized by the Professional Golfers Association for the national championships for ladies 3-15 years old.

Tournament director W. P. Cairns said that competition will again be divided into five age classifications with separate divisions for boys and girls. They are, with the number of holes each will play: 3-5, 3 holes; 6-7, 10 holes; 8-10, 18 holes; and 10-12, 36 holes. Play will be divided between two days, except in the 3-5 group which will play on June 14 only.

Current titlists in the two top groups are Charles McDowell, Virginia Beach, Va., and Roberta Ahrens, Tampa, Fla., 13-15; and John Lawry, Miami, Fla., and Linda Morris, Orlando, 10-12. Both McDowell and Miss Ahrens are eligible to defend their crowns, while Lawry and Miss Morris will move up into the 13-15 bracket as challengers.

The tournament is nationally recognized for the human interest furnished by the small fry linksters, and the outstanding play in the older age brackets. Last year Miss Ahrens set a new ladies competitive course record in winning her title.

Easter Holiday
Schools closed Wednesday afternoon for a long holiday week-end and will re-open Tuesday morning, April 4, following the Easter Holidays.

Many teachers and students will be taking trips over the week-end. College students are arriving to spend Easter with their families, and to listen to the social activities of the city.

HOW TO TELL A DODGE FROM A DODGE

Identifying a Dodge has become a problem. Because now there are two. Compact Dodge Lancer. Full-size Dodge Dart. There is an obvious difference. Size, inside and out. The lower profile, is the larger. But otherwise they are very much alike. Both have a solidified, rust-proofed body. A superb ride called Torque-Air. A battery-saving alternator. And both have optional three-speed push-button automatic transmissions. Another difference is

price. Dart, the full-size Dodge, is priced model for model with Ford and Chevrolet. The compact Dodge Lancer costs about the same as Comet, Falcon and Corvair. Get to know them better. At your Dodge Dealer's, of course.

Off the FIRST TEE

By Jack

Boy, aren't the greens, fairways and tees in beautiful shape at the club, no wonder there are so many players enjoying the game. Dick Eaton was the winner of the blind bogey tournament, nice goin' Dick. Wayne Knowles tells me there will be a

lot more tournaments in the near future, so get out and practice all bring home some loot.

To all you players, we at the club are invited to play the Pinecrest Club on this Saturday and Sunday, as guests of the Pinecrest Manager. This is a fine chance for all you golfers to get out and try playing a championship course, and all of you that can, should take advantage of this invitation from the Pinecrest Club.

All you ladies, don't forget that the Wednesday ladies day of golf, bridge and luncheon is still a nice way to join your friends and enjoy a lot of fun. Also you can take a few more of the children on his Saturday golf lessons. Call him at the club, he will tell you all about it.

Wayne tells me that he can still take a few more of the children on his Saturday golf lessons. Call him at the club, he will tell you all about it.

R. W. Sachsenmaier Promoted To Rank Of Cadet Major

Milledgeville, Georgia—Cadet Ronald W. Sachsenmaier has recently received a promotion at Georgia Military College here according to Major William M. Kemp, Commandant of Cadets.

Sachsenmaier, who was formerly a Cadet Captain and assigned as Battle Group S-3 was advanced to the grade of Cadet Major and will assume the duties of the Battle Group Adjutant. Cadet Sachsenmaier's promotion was based on his proficiency at military drill, his capabilities as a leader, and his scholastic standing. He is in his third year as a student here.

A sophomore in the junior college division, he is the son of Mr. and Mrs. "Bill" Sachsenmaier of Avon Park.

Poinciana Lodge Meeting

The next regular meeting of Poinciana Lodge No. 227 F. & A. M. will be held on Monday, April 3, will be to honor our Masonic visitors from the north. A dinner will be served at 6:30 p. m. and meeting will open at 8:00 p. m. All Masonic visitors are cordially invited to attend the dinner and meeting, so that we can express our appreciation of their cooperation in attendance at past meetings.

R. M. Gay Is Named PTA Head

New officers elected to head the High School PTA at Thursday's meeting, March 23, are R. M. (Bob) Gay, president; Mrs. G. Franklin Ward, vice president; Mrs. N. H. Booth, recording secretary; Mrs. E. W. Mc Masters, corresponding secretary; Mrs. L. L. Wainwright, treasurer; Mrs. Raymond Cook, historian; Mrs. Leona Sugge, parliamentarian.

The nominating committee was composed of Mrs. Jean Gibbs, Mrs. Al Wester, Jr., Mrs. Leamon Kelly and Mrs. Frances Adams. The scholarship committee report was given by Mrs. Franklin Ward.

Andy Miracle, Supt. of Public Instruction, was the speaker for the program, entitled, "Reading Difficulties and Their Solutions."

Mr. Gay also gave a resume of his trip to Tallahassee when he attended the Legislative Conference in January with the committee from Highlands County.

Mrs. Leona Sugge, president, conducted the business.

Report on Legislative Conference by Mr. Gay:

Representatives from Highlands County attending the Conference were Julian Markham, R. L. Dressel, Lake Placid; B. Eastman, Sebring; and Mr. Gay. They all accompanied Mr. Dressel in his private airplane.

"The following information was learned during the sessions, designed toward the presentation of the needs of Florida schools. This group of parent-citizens were addressed by such dignitaries as Chief Justice, Philip O'Connor, of the Supreme Court."

Minutes of City Council

(Regular meeting held at City Hall, March 27, 1961, 7:30 p. m.) All members present including the Mayor and City Attorney; Invocation given by Mr. Dilley. The minutes of the previous meetings were read and approved.

Resolution of the State of Florida, Governor Bryant and Mr. Arthur Dozier, a member of the Budget Board.

"Statistics indicate that there are 112,000 births per year in the state of Florida and also that 17 residents per hour move into our state. This "population explosion" has produced economic chaos for our schools system, particularly in the quality of our educational facilities.

"It was brought to light that one county in the state is using General Science text books which are ten years old. Many other counties have an inadequate number of books per student. Florida needs today, 2,407 more classrooms to provide for the excess of 73,000 pupils, beyond our normal capacity.

"In 1957-58 Florida ranked 12th in the 48 states in the average classroom teacher's salary. 1961-62 Florida will rank 38th in this national average. Since 1957 Florida has dropped in the per cent of annual average increase for teacher salaries.

"Comparing expenditures, Florida residents spend \$360,000,000 in public education contrasted to \$690,000,000 for alcoholic beverages and tobacco.

"Naturally, the needs can only be met by additional revenues to our state. Various and sundry methods have been suggested to our legislature. In all cases the only source of revenue available is from tax funds and must come from the residents, including parents of school children in the state."

Motion by Mr. Blanford, seconded by Mr. Dilley and unanimously carried that the resolution adopted at the regular meeting held on March 13, 1961, prohibiting parking on West Avenue, be rescinded.

Motion by Mr. Kirkland, seconded by Mr. Dilley and unanimously carried that the following resolution be adopted:

RESOLUTION

Be it resolved that no further Plumber's licenses be issued by the City of Avon Park, Florida, until a Board of Examiners for same is properly constituted by the City Council of the City of Avon Park, Florida.

Passed and adopted this 27th day of March, 1961.

Clarence F. King, President

Lucile A. Shockley, City Clerk

Mr. O. K. McCure requested the dismissal of two years delinquent taxes on a parcel of land which he owns, since the house had been moved. He stated that it was inefficiency in the City Hall which permitted a moving permit to be issued for said house, since there were taxes against same. (This was approximately 1956.) The City Attorney explained that the house had been on this property during the assessment and had not been assessed since the removal of the house and further that the property stood good for all taxes, not the individual. The attorney made it very clear that a permit could be issued to move a house where there were delinquent taxes because the land was good for the taxes. The request was not granted.

The Mayor explained what was being done toward the beach at Donaldson Park. He had procured one map but needed additional maps which may have to be secured from Tallahassee in order to pinpoint the change in the culvert to be presented to the State Road Department. However, this would be done in the next few days.

The Mayor also reported to the Council that Mr. Turnbull and Mr. Smith from the State Road Dept. in Bartow were in his office on Monday to discuss the controlling of the water level on Lake Verona. The Mayor stated that since they had drainage maps for this whole area that he would have their engineers draw some plans and submit to the City.

The City Attorney read a letter from J. Hardin Peterson, attorney, concerning a street light in front of Mrs. Swartz home on North Highlands Ave. The Mayor explained what he had tried to do in respect to this situation. He stated that this light involved two persons who are neighbors. He said that he had tried to work out something that would be pleasing to both parties. He could well understand the position of either person when viewing it from their point of view, however, the Peterson company and himself had been trying to arrive at something that would be satisfactory to each one. But, up to the present time, they had had no success. He stated that he presented this for not to be one-sided but they had to hurt the overall picture rather than an individual one. The Mayor said that he had talked to each person personally and had asked each one of them whether or not they would be willing, as neighbors, to sit together with him to ascertain if they could arrive at a satisfactory conclusion. This, they stated, they had rather not. He said that he was still hopeful that a pleasing situation could be managed but could only be done if the people involved are willing to bring their personal feelings

Glee Club Concert Well Attended

AVON PARK HIGH SCHOOL GLEE CLUB presenting their Formal Spring Concert, in the High School Auditorium, Thursday evening, March 23, before a full house. J. Howard Allen, directing.

The High School Auditorium was filled to near record capacity, with the balconies also being occupied, for the Annual Spring Concert presented Thursday evening, March 23, by the 75-voice APHS Glee Club composed of students under the direction of J. Howard Allen.

The traditional and popular music included also a medley of spirituals. Many of the numbers were arranged by Mr. Allen.

All comments about the program seemed to agree that it was still and Miss Helen Thomas a tremendous success.

Parents of the Glee Club members entertained with a reception at the Jacksonville Hotel following the concert. Several hundred parents, students, and teachers attended.

A profusion of roses were used to decorate the Palm Room. Punch was served from two long tables that also held dainty sandwiches and cookies.

Dancing was enjoyed during the reception. Music was off records.

RECEPTION

Parents of the Glee Club members entertained with a reception at the Jacksonville Hotel following the concert. Several hundred parents, students, and teachers attended.

A profusion of roses were used to decorate the Palm Room. Punch was served from two long tables that also held dainty sandwiches and cookies.

Dancing was enjoyed during the reception. Music was off records.

extended 17 minute repair job on the tail lights.

The long pit stop enabled Hill and Gendebien to regain their lead and roll into victory lane. An estimated 35,000 spectators saw the much heralded Maestros of Stirling Moss, Bruce McLaren, and Masten Gregory fall by the way side with an assortment of ailments. Porsche also fared badly as the two factory entered machines retired long before the checkered flag came down.

Two privately entered Porsche saved the day for the Stuttgart factory, one finishing fifth overall, both finished in a one, two position for the index of performance title.

Bob Holbert and Roger Penske, as the school of the Porsche that took the index title. Bob Donner, Don Sessler and Ernie Erickson plotted the index runner-up.

Ferrari stepped to the forefront again in the Grand Touring category, at the Indianapolis event, driven by Denise McCluggage and Allen Eager of New York scored top honors. Another Ferrari convertible, driven by Allan Newman, Robert Publicker and Gaston Andrey was second, followed by a well-chained driver, driven by Jack Parkinson and Jack Flaherty.

The green flag was dropped by honorary starter Florida's Governor Farris Bryant, 65 cars streaked from the Lemans start. Twelve hours later, 45 were still running, either in heavy rears, or sick putters. A number of minor crashes were reported but no serious injuries clouded the race.

Five Florida weather prevailed over the entire race week, including the many fans housed here and throughout the area to take home an entire sun-bath.

Friday Events

In the events that preluded the 12-hour race, the following results were recorded:

Four-Hour Race
Harry Washburn, of Shreveport, La., driving a Fiat-Abarth won the Four-Hour Race for cars under 1000 cc run Friday morning. He needed out another Fiat-Abarth driven by Robert Leiss. Third place was taken by Walt Hansen in a Sebring, followed by Stirling Moss in a Sprite.

East Race
The American Kart Race of Endurance, with 60 cars in contention, was won by Bobby Allen, 16-year-old sensation. He was driving an Xterminator, manufactured by Jim Rathman.

Formula Junior Race
Charles Koh, a lean and lanky driver from Homestead, Florida rolled into the winner's circle in the Formula Junior event driving a rear-engine Gemini.

Koh, holding an inside front view position, roared off to a first lap lead and was never headed. Second place was taken by Walt Hansen in a Sebring, followed by Stirling Moss in a Sprite.

Here's More About—

12-Hour Race

(Continued from Page One)

1959 and 1960. Hill and Gendebien cracked a number of records in their straining victory. First, the average speed mark topped, and with it the distance mark. A new average for the 12-hour run of 91.26 mph was set, crating the old mark of 86.66 set by Hill and Peter Collins in 1958. Near perfect weather and the absence of time consuming crashes enabled the team to lap the 3.3 mile course 210 time for 1,062 miles.

The winning team took the lead for the first time shortly after 11 o'clock, but relinquished it to the charging Rodriguez Brothers, at 2:30. The Mexicans held on until darkness forced the youthful drivers' car into the pits for an

Leaflet Tells Of Workings Of Flood Control

West Palm Beach.—A simply stated and well illustrated leaflet just issued by the Central and Southern Florida Flood Control District tells briefly and to the point what the FCD is, and what it does.

FCD Board Chairman, Riley S. Miles, said the leaflet has been designed for distribution at county fairs, civic clubs and such meetings as the June 3 - August 7 First Annual Youth Conservation Exposition at Ocala, to highlight the importance of proper control and conservation of water as a vital natural resource.

The Youth Exposition is being sponsored by the Florida Game and Fresh Water Fish Commission.

The leaflet has been wholly written, produced and printed most inexpensively entirely by FCD staff members at the FCD headquarters for the 18-county wide District, 901 Evernia Street, West Palm Beach.

Local Library Adds New Books

Miss Avis Slaughter, librarian, announces the following books added to the shelves at the Avon Park Library:

"Shiver"—The Rise and Fall of the Third Reich"; David—
"Ripah"; Agar—"The Saving Remnant"; Chase—"The Lovely Ambition"; Jones—"The Finishing Touches"; Link—"Three Passports to Adventure"; Dool—"The Night They Burned the Mountain"; Walhart—"The Secret of the Kingdom"; Lamb—"Cyrus the Great"; Row—"Love and Mrs. Sargent";
Sharp—"Something Light"; Turbott—"The Nightingale"; Slaughter—"Epidemic"; Schooner—"The Chancelor"; Gann—"Pete is the Hunter"; MacInnes—"Decision at Delphi"; Savage—"Summer of Pride"; Brick—"Panther Mountain"; Adams—"Born Free"; Lampson—"The Leopard".

Mr. and Mrs. Paul Jordan are visiting relatives at Tifton, Ga.

Walt Disney Dreams Up New Gags and Wonders For Absent Minded Prof.

FLYING A FLUBBER TO WASHINGTON... Impossible as it seems, that's what FRED MCMURRAY and NANCY OLSON are doing in this hilarious scene from Walt Disney's new comedy, "The Absent-Minded Professor." Also starring in the wacky Buena Vista release are Keenan Wynn and Tommy Kirk. Showing March 31 - April 4 at the Hilarious Theatre.

Movie makers have reached a dilemma. In this day of scientific marvels it is getting harder to dream up imaginary wonders for the screen. But Walt Disney somehow manages to stay ahead of everybody. He always has a new trick or two. And just to prove that there are plenty more where these came from, he has loaded his off-beat comedy called "The Absent-Minded Professor" with wild and gleeful surprises.

Fred McMurray plays the title role of a college science teacher in Walt's spoof on modern technology. A glimpse on the set found Fred "rushing around his homemade lab, trying a last-minute experiment before dashing off to get married."

"Square root of E, minus C, Alpha G. Here comes the bride, tatum tee tee," he sings happily. His dog Charlie corks an appreciative ear.

"Now we're cooking! We may be in business after all..." Fred continues, excitedly turning valves and pushing switches on the complicated apparatus. Suddenly it starts to throw sparks. Charlie backs off. Then the whole lab blows up.

"And that's how flubber is born," Fred explains.

"Flubber is a revolutionary chemical discovery, a metastable substance black porous and resilient, generating repulsive energy and capable of fantastic uses."

A lot of the sight gags in "The Absent-Minded Professor" employ flubber. There also are pros on hand like Keenan Wynn, Nancy Olson, Tommy Kirk and Elliott Reid to keep the fun funny.

"This is a kind of follow up to 'The Shaggy Dog,'" Fred says. "The comedy is way out, but plausible. We had a bona fide science professor for technical help. He wrote the formula for flubber. It's complex, and after he finished it he said, 'What worries me is, I believe the darn thing's gonna work!'"

"The Absent-Minded Professor" is a Buena Vista release.

APHS Band News
The Sunday afternoon concert was well attended. This was the last in a series of concerts the band presented as a community service.

Many TV watchers were thrilled to see the Avon Park Band marching in the St. Petersburg Festival of States parade Friday, when the parade was televised over WSUN. Thousands lined the bayfront drive to watch the beauties.

Majorie Chick Durden was featured in the Tampa Tribune as one of the victorious leaders of the bands in the Sunshine Festival Parade.

Teachers Are Needed In Federal Prisons

Teachers are needed by the Federal Prison Service and the Department of Corrections of the District of Columbia Government, the United States Civil Service Commission has announced, for positions in the fields of general education, industrial arts, related trades, and vocational agriculture. The positions to be filled pay starting salaries of \$5,255 and \$6,435 a year, and are for duty in Federal penal and correctional institutions located throughout the United States. Women are appointed only in the California, West Virginia, and District of Columbia area.

To qualify, applicants must have had appropriate college training or a combination of education and teaching experience. Full information is contained in Announcement No. 5-14-1 (61).

Applications will be accepted until further notice and must be filed with the Board of U. S. Civil Service Examiners, United States Penitentiary, Leavenworth, Kansas.

Announcements and application forms may be obtained from Gladys H. Smith, located at Post Office, or from the U. S. Civil Service Commission, Washington 25, D. C.

Sister Of Mrs. Wolff Dies March 2

Mrs. Julia Crichton Thomas, sister of Mrs. Oscar Wolff, passed away March 2, at her home in Lake Thonotosassa. She was a member of the First Baptist Church of Tampa, where services were conducted. Interment was in Myrtle Hill Memorial Park, Tampa.

Survivors include her husband, Alvin M. Thomas, of Lake Thonotosassa; two sisters, Mrs. Oscar Wolff, Avon Park, and Miss Marion Crichton, and a brother, James T. Crichton, both of Tampa.

Cigarette Exports
U. S. exports of cigarettes rose again in 1960, totaling 20.2 billion pieces, compared with 19.6 billion in 1959, USDA's Foreign Agricultural Service has reported. The 1960 exports were the largest since 1948.

Sebring Youth Promoted In Rank In Germany

Karlruhe, Germany.—John L. Adams, 26, son of Mr. and Mrs. Earl C. Adams, 802 Evanston St., Sebring, Fla., recently was promoted to specialist four in Germany, where he is a member of the 555th Engineer Group.

An aircraft mechanic in the group's Headquarters Company in Karlsruhe, Specialist Adams entered the Army in February 1959, and arrived overseas the following August.

Adams is a 1958 graduate of Altoona (Pa.) Catholic High School.

Group Enjoys Nassau Holiday

A week of fun in Nassau, including sight-seeing, dancing and boating at beautiful Paradise Beach was enjoyed by seven couples from Avon Park. They took a Greyhound bus to Miami where they boarded the SS Florida for the tropical island of Nassau, for a holiday trip.

Those enjoying the week were Mr. and Mrs. Charles Brush, Mr. and Mrs. Harry Gibson, Mr. and Mrs. Clay Kell, Mr. and Mrs. Paul Naas, Mr. and Mrs. Eli Merchant, Mr. and Mrs. Clifford Seibert and Mr. and Mrs. Harry Wilde.

George Romney, president of American Motors Corp., was cited by the Newspaper Classified Advertising Managers, Romney obtained his first job after college through a newspaper classified

Conservation In 1970 Is Food For Thought

Projected thinking and statistics gathered from recently performed studies of the State Board of Conservation portray an interesting picture for the year 1970.

According to the director of research 500,000,000 dollars will change hands during that year by people of the sports fishing industry.

There will be 3,060,000 anglers trying their luck in the various ways popular in the State.

Three hundred and twenty eight (328) party boats will carry 918,000 fishermen out on the briny for their catch.

One thousand one hundred and sixteen (1,116) fishing camps will rent skiffs at the rate of three million times per year in 1970.

Private boats will take anglers on the salt water one million one thousand and seventy eight (1,178,000) times.

An anticipated two hundred (200) artificial reefs will be in existence in the coastal waters of Florida put there by civic organizations, fishing clubs, chambers of commerce, and local governmental authorities.

In the course of this recreational activity a growth caused by an increased population and tourist trade, the fishing picture in 1970 will grow to a tremendous proportion.

AVON PARK LAKES NEWS

Mrs. Margo Slocum
Phone GL 3-4221 — Box 297, Rt. 2

The Membership Chairman, Robert W. Munkie, reports: "Accompanying the payment of membership dues in the Association for the period ending February 1962, are occasional letters from our supporters which are most pleasing to those who volunteer their services. Typical excerpts from these letters are the following:

From Baltimore — "Keep up the good work."

From Miami — "I am aware of the fact that the dues in the Association are only \$5.00 per year for my wife and myself. I just thought the Association could use an extra 'FIVE'."

From Oklahoma City — "I hope you build your community into the best there is in all Florida, for I think you are far better situated than on the coast."

From Long Island — "Gentlemen, from your publication just received I get the impression you're doing a fine job. Glad to join."

From Fort Dodge — "I wish to commend you on your message to 'Follow Property Owners', particularly the last sentence. No pressure."

From Bergenfield — "This report (The Women's Group Report) is a splendid innovation and I must say, it indicates a healthy group of economists, workers and promoters. May your future efforts be most rewarding!"

From Ft. Wayne — "Received the Annual report, and I want to compliment you on the plea for membership."

Through the courtesy of the Developer twenty-four additional chairs have been made available for use at the clubhouse. This brings the total of this type to twenty-two to meet the needs of the larger gatherings.

Mrs. E. L. Armour of Nautilus Drive, visited the past week with Mrs. Oscar Halverson of Florida Lane, Mrs. Maurice De Sha of Waldo and Mrs. Curtis Williams of Gainesville, Fla.

Mrs. J. L. Stotts and Mrs. I. E. Stotts spent Wednesday at the West Coast.

Mrs. and Mrs. Harry Culp of Castleberry were guests of Mr. and Mrs. Charles Cohn last Tuesday.

Mrs. and Mrs. John V. K. Helrich of Baltimore, Md. were guests of Mr. and Mrs. D. Grey Knowles.

Mrs. and Mrs. Ben Vollenдорff from Lakeland, PFC Paul Vollenдорff from McCoy Air Base, Orlando, and Ruth Vollenдорff were

Dr. Ostling Moves Into New Offices

Dr. R. C. Ostling opened his office at the new location on East Main Street near the Post-office, Monday morning. Mrs. Baby Smith, Mrs. Harry Simmons and Mrs. Lou Miller are his office personnel.

Dr. T. M. Daniel of Lake Placid plans to join Dr. Ostling at an early date.

Dinner guests at the home of Rev. and Mrs. H. Folksted last Sunday.

The Morgan family of Birmingham, Ala., spent a couple of weeks at their home here on the Lakes.

Mr. and Mrs. Leon King of Philadelphia, Pa., were over night guests at the home of Mr. and Mrs. A. M. Luyben.

Mr. and Mrs. Carmen Deino of Buffalo, N. Y., were weekend guests of Mr. and Mrs. Charles C. Cohn.

Mr. and Mrs. Harry Saylor and friends, Mr. and Mrs. Magie Boynton Beach, dropped in for a brief visit with the Diebels Friday p. m. on their way home from a few days on the Gulf Coast.

Mr. and Mrs. A. M. Luyben had as their weekend guests the Raymond B. Jones family of Arcadia. Mr. Jones manages Mr. Luyben's Bowling Lanes at Arcadia and is surveying local areas for another installation contemplated for the near future.

Congratulations to Mr. and Mrs. M. Stettler who celebrated their 45th Wedding Anniversary March 14, and Mr. and Mrs. Charles Cohn who celebrated their 43rd Wedding Anniversary March 27.

Mr. and Mrs. Roy Polson of Fenton, Mich., called on Mr. and Mrs. J. A. Johnson Friday afternoon. They are on their way north with the Diebels in North Miami.

Thursday visitors of Mr. and Mrs. Orville Castine were Mr. and Mrs. A. Cameron of Marquette, Mich., who are spending the winter in St. Petersburg.

Saturday visitors at the Herb Welsh home were Mr. and Mrs. Ed Landis and granddaughter, Mrs. John Landis, and Mr. and Mrs. John Landis from Manatee, Wis., who have spent the winter in Sebring.

Mr. and Mrs. Ernie Duker and Mr. and Mrs. Clifford Thornton of Sebring spent Sunday afternoon with the Welshs.

Mr. and Mrs. Richard E. Welsh and their children Kathy and Steven are spending a few weeks with their parents, Mr. and Mrs. Herb Welsh, Richard is Supervisor of Personnel Services for the Allison Div. of General Motors at Vandalia, Ohio.

The Howard Mehrlings and their daughter, Ginger, of Miami Springs, were at their home on Lake Olivia two weeks ago, and while they were here they were Sunday dinner guests of Mr. and Mrs. T. H. Maxwell. Mr. Mehrling reports to friends about his surprise this past week when he was in New York on business, that he opened up a New York Herald Tribune to find an Avon Park date line under an article written by "Bob Smith."

Mr. and Mrs. Smith and his wife had spent two days here visiting his father, W. W. Smith, and his aunt and uncle, Mrs. Daisy Smith and Herb L. Smith, who live on Highlands Avenue, Avon Park. He writes a syndicate column for the New York Herald Tribune, and upon returning to New York from Avon Park, he wrote about fishing in Lake Letta with Nick Eismont.

Tender Squash Provide Interesting Meal Time

Once upon a time there was a little girl who started dabbling as a salad have a marvelous, slightly nutty flavor.

Half a pound and steamed for 10 minutes in 1 minimum of water, and dressed only with butter, salt and pepper, keeps most of the nutrients and taste.

Several slices of processed American cheese laid over chopped tender squash until slightly melted and then sprinkled with a little salt and pepper makes a light soufflé.

Stuffed with a tasty rice and meat mixture brings the attractive form and color of a dish to the table in an easy one dish meal.

STUFFED SUMMER SQUASH
A large summer squash, 1 cup rice, 1/2 cup ground beef, 1 small onion, 2 ribs celery, 2 tablespoons butter or margarine, 1/2 teaspoon salt, 1/2 teaspoon black pepper.

Hollow out the squash from the side and save and chop scraped out portion. In melted butter or margarine sauté finely chopped onion, celery, and chopped squash. Add and brown around beef if using raw meat. Add rice and seasonings. Toss well and generously stuff squash.

Small baby squash sliced in half lengthwise and served raw as a salad have a marvelous, slightly nutty flavor.

The State of Citrus By John Sikes

Florida Citrus Mutual
Lakeland — If Johann Schmidt, glazing at his TV in his West Berlin parlor, wonders about the fate of the citrus crop in the United States, he need only turn on the television set and watch the Grand Tree Race, which was run off last Saturday, here's his answer:

It was the famous emblem of Florida Citrus Mutual, which links Florida citrus grower with Florida citrus shipper and Florida citrus processor.

And how did the emblem get into the picture of an automobile race to be known as the Grand Tree Race? The answer is simple. It was the emblem of Florida Citrus Mutual, which links Florida citrus grower with Florida citrus shipper and Florida citrus processor.

Fellow named Fred Kingsbury, a Connecticut Yankee, stage-managed it. Fred rides herd on the annual gathering of some 500 international journalists, including those who do their journalism via the picture tube, covering the Sebring races. He's the press agent for the speedy and noisy tour.

This year when he was making arrangements for spreading the news of the Sebring races around the world he thought out loud that Florida citrus should have a prominent spot in the tidings.

"Why shouldn't Joe German and Joe Italian and Joe Dane and all the other boys around the world get the picture that the Sebring race is run in the heart of Florida's citrus country?" Kingsbury mused over his

flagon of orange juice. "Why shouldn't we let all the Joes know something about Florida growing about a fourth of all the orange grown in the world and about two-thirds of all the grapefruit, and about this Florida Citrus Mutual set-up?"

So, Kingsbury asked for Florida Citrus Mutual's Bob Rutledge for the loan of Mutual's new \$10,000 trailer, devised as a roving field laboratory and auditorium for Mutual's going-on 11,000 grower members, to be used as headquarters for all those journalists covering the Sebring races.

Rutledge, first a determined man when it comes to spreading the word of Florida citrus over the globe and second a racing aficionado, said okay.

Thus, when word-of-a-mad-crazy, such as Stirling Moss of England, Count Wolfgang von Tripps of Germany, Olivier Gendron of Belgium and others, picked their pieces into the Sebring phones to tell the folks back home how they came out with

Florida Citrus Mutual, which links Florida citrus grower with Florida citrus shipper and Florida citrus processor.

Bissland Gives Program To Audubon Group

Mr. Howard Bissland, Soil Conservation Service Biologist gave a very interesting program to the Highlands County Audubon Society. Mr. Bissland traced the history of the Soil Conservation Service and its efforts in Fish and Wildlife Conservation. He notes that since its inception had been given to thousands of landowners in Florida in stocking fish ponds, also in planning food for all kinds of game.

Mr. Bissland showed a series of color slides on food crops of corn, millet, etc. that was grown and flooded for ducks, Canada geese and other water fowl in West Fla. He emphasized that this county development is inevitable and the SCS objective from a wildlife standpoint is to make the landowners aware of the importance of having wildlife on their farms.

Mr. T. W. Brannan is President of the Highlands County Club and the meeting was held at the home of Mr. and Mrs. Russel Van Ness.

Mr. Chuck Hafferty says his Science and Biology Classes at the Sebring High School will be studying Soil and Water Conservation the week of April 3rd thru 7th. Five films on the subject will be shown plus talks by Sam Polston and Earl Vannatta of the Soil Conservation Service.

Mr. Jack Clark of Lake Placid was assisted by Mr. L. L. Yan, SCS Range Conservationist of Sebring in the development of a Range Conservation Plan on 4300 acres of flatwoods land.

their Fenarich, Mascarin, Panchase, etc., they did not stand squarely in front of the Mutual triangle posted prominently on the side of the handsome Mutual trailer.

Wouldn't be at all surprising, then, if Johann, when the commercials flashed on his set, strode back to his kitchen for a Florida orange juice break.

David McCully Makes Dean's List at U of F

David McCully, son of Mr. and Mrs. H. L. McCully, who is a third year student at the University of Florida, Gainesville, has been placed on the Dean's List for the first semester. David has also been tapped for Sigma Tau, National Honor Fraternity for Engineers.

This area is within the Fish-eating Creek Marsh Watershed. Mr. L. A. Jacobson announced this week that the SCS Watershed Planning Party from Gainesville will begin the preliminary Engineering survey on the "Isotopes Marsh Watershed Project, March 29, 1961. It will take 3-6 months to complete this plan.

Mr. Bissland showed a series of color slides on food crops of corn, millet, etc. that was grown and flooded for ducks, Canada geese and other water fowl in West Fla. He emphasized that this county development is inevitable and the SCS objective from a wildlife standpoint is to make the landowners aware of the importance of having wildlife on their farms.

13 Card of Thanks

I want to thank all my friends for the lovely gifts, flowers and cards received for my birthday last Sunday. All my friends who have been so thoughtful the past six months I have been sick. The cards and flowers certainly made life more cheerful and to realize you have such wonderful friends. May God bless you all.

Legend Of The Easter Lily

By Adelle Groves

When this old earth was young an angel thought he would try to be like the flowers. He chose a pure white flower to lay at the Savior's feet.

In his searching for the beautiful pure white flower he flew over field after field of beautiful flowers of different colors.

The first field contained millions of flowers of a lovely red—typical of the blood of Christ. "But that will not do," said the Angel.

Searching farther he passed over a field of golden or yellow flowers. "How like the streets of gold that is," murmured the Angel, but that will not do.

A field of beautiful blue forget-me-nots came with him in vision. "How blue and true," sighed the Angel. "My Savior will not forget me and I will never forget Him."

"Oh, for a pure white flower," the Angel wailed "that I might lay it at my Savior's feet."

The Angel became weary in his searching and down and wept because he could not find the pure white flower. His disappointment tears flowed over his robe and sank into the ground. At once a beautiful white lily sprang up just where the Angel's tears went into the earth.

Seeing the lovely flower the Angel plucked it and swiftly flew to the Savior and laid it at His feet.

This pleased the Savior and He took the lily in His hands and said, "Because of this, this flower shall grow a sign to sinners all over the globe to be purified. Thus came the pure white Easter Lily, and in its cups are the Angel's tears, emblems of purity divine."

G. W. Boney Celebrates 84th Birthday

Mr. George W. Boney, 84, celebrated his birthday Wednesday, March 22. Mr. Boney is one among the few really old-timers living in Avon Park. He is well known to many people in this area for his jovial manner and hearty living. He was born and reared in this part of the state.

His wife passed away when their children were small, and he raised a large family by himself. He lives alone at present, but spends some time with his children who are scattered at various places across the state.

Mr. and Mrs. George W. Boney, Jr. planned a small celebration for Mr. Boney. He won the birthday cake which is given by Ray's Bakery over the local radio station each day, and the party was held at the Bakery where they enjoyed the cake served with strawberries and ice cream.

C. R. Wingfield's Son Accepts Church Position

William Davis Wingfield, son of Mr. and Mrs. C. R. Wingfield and an Avon Park High School graduate of 1950, has accepted a position as Minister of Religion in the Trenton Street Baptist Church, Harrison, Tenn. Mr. Wingfield attended Georgia Tech, Atlanta, Ga., for two years before transferring to Mercer University, Macon, Ga., to take up his work in Religious Education, where he received a BA degree in 1954. He served three years with the United States Army at various places, spending the last year in Thule, Greenland.

Upon returning to civilian life, he entered the Southern Baptist Theological Seminary at Louisville, Ky., and graduated January 24, 1961 with his Master's degree in Religious Education. Both his parents and his wife's parents, Mr. and Mrs. Riley M. Barnes, of Lake Worth, attended his graduation in January. He and his two children, Allan, age 9, Dora, age 3, have moved to Harrison to make their home.

NATIONAL ADMISSION PHOTO—

Paul White, local manager of Pounds Tractor company, discusses plans with Fred Erick, photographer for the J. I. Case equipment company this week. Erick is in town shooting photos for a national advertising campaign, which will appear in all magazines which are of concern to growers or orchard men throughout the U. S. Testimonials were taken on the company's grove tractors from Jack Hutchinson, Floyd Smith, and John Giddens. Photos were all taken in the Giddens grove. The company has used Winter Garden for the past 11 years for its photo work but will now be using the Avon Park Area.

PTA—

Scholarship Committee Reports

At the March 22nd meeting of the Junior-Senior High School PTA of Avon Park, one of the important items of business was action on the recommendation of the board to undertake a scholarship program as reported by the PTA Scholarship Committee.

Working on the committee were Mr. Ernest Shepherd, Mr. E. G. Todd, Mr. A. B. Whitte, Mr. John Crittenden, Mr. David Lanier and Mr. Mrs. Franklyn Way.

The PTA Board recommended on the open meeting, which moved, seconded and passed that the following program be undertaken: that a continuing PTA scholarship program be established and that the fund to do so, be started with the PTA contribution of \$100.

Eligibility for a scholarship is to be determined on the basis that a student be in the upper third of his graduating class; that he show a realistic plan for continued education which could be in business school, trade, technical or mechanics school, college or university; that he demonstrate a need for scholarship aid; and that he present evidence of a well balanced high school career. The program is available to either boys or girls who are the above listed requirements. A faculty committee will be asked to review the original screening and to the original screening and to the original screening and to the original screening.

Financing such a program can best be done as a community project and for this reason the PTA Scholarship Committee has been set up as a community group with three members selected from PTA and two members from the community at large, with overlapping terms to provide continuity. These people will have the responsibility for raising the availability of the scholarship funds and accounting for them to the PTA. The screening committee, composed of teachers will have the responsibility of acquiring the student body of the availability of the scholarship funds and accounting for them to the PTA. The screening committee, composed of teachers will have the responsibility of acquiring the student body of the availability of the scholarship funds and accounting for them to the PTA.

Anyone wishing to participate in the scholarship program is asked to make his contribution to the treasurer of the PTA, Mrs. Jack DeLaney, specifying the purpose of the contribution. It is the ambition of the PTA and its committee, to award at least one scholarship to an Avon Park High School graduating class.

Alford-Baerman Rites Said In Quiet Ceremony

In a quiet ceremony Monday evening held in the Palm Lutheran Church, Sebring, Anne L. Alford became the bride of Carlton E. Baerman. The Rev. G. Ruckelshaus performed the ceremony in the presence of a few close friends and members of the families.

Mrs. Baerman is cashing at a local grocery store and Mr. Baerman is employed with a department store. They plan to make their future home in Avon Park.

Cubs - Brownies And Scout News

Court of Honor

Mike Duggan, son of Mr. and Mrs. J. D. Duggan, will receive the high honor of Eagle Scout rank, Monday night, April 3, at the Court of Honor to be held at the Avon Elementary Cafeteria, at 7:30 p. m.

This will be the regular Court of Honor and there will be several other awards presented to other Scouts at this meeting. The public is invited to attend.

Here and There—

Mrs. Clara Truxex was accompanied home from several weeks visit with relatives in Elkhardt, Ind., by Mr. and Mrs. Tom Robinson, who spent a few days here. Miss Nellie Sayles of Gooden, Ind., spent the weekend with her cousin, Mrs. Truxex.

Mrs. Clara Truxex's daughter and her husband, Mr. and Mrs. Everett Knott, of Lake Forest, Ill., will arrive Friday to spend Easter with their mother.

Mr. and Mrs. J. C. Matthews and children, Grace and Paul, were in Avon Park calling on friends Tuesday. Mr. Matthews was a member of the high school faculty before going to Miami, where he is a teacher.

Mr. and Mrs. James Howland, and their niece, Miss Linda Howland, will return to their home in Berkeley, N. Y. The Howland's son, David, came down for a visit before his parents return home.

Church News . .

Resurrection Lutheran

Good Friday services will be held in Sebring with combined services of the Avon Park and Sebring Lutheran Churches, Friday evening. This will be a Holy Communion service.

Easter Sunday worship service at 11 a. m. will also be Communion. Services will be held in the Winter Guest Club. Visitors are always welcome.

Congregational

Two glorious services of praise and worship on Easter Sunday. Rev. John E. Pickens will bring the Easter message at the 9:00 o'clock service. Mrs. Samuel O. Norris will be the soloist. Rev. Herbert D. Gratta will be in the pulpit for the morning worship hour at 11:00 o'clock. The Chancel Choir will bring the glad Easter music with Mrs. Victor McKunas directing. Mrs. Earl Jackson and Mrs. Don Meier will play organ and piano duos. Mrs. McKunas, Mrs. Jackson, Mrs. Clayton Rhoades and Mr. Charles Overholt are doing an arrangement to Grounds Ave. Maria for violin and voice. A wonderful and inspiring experience for Easter! The public is cordially invited to attend.

First Methodist

Maundy Thursday services will

be held with Holy Communion in the First Methodist Church, Thursday evening at 7:30. The community Good Friday service will be held at 8 p. m. in the First Methodist Church. The Rev. J. T. Tompkins, Head Chaplain of the Florida Correctional Institutions will be the speaker. The choir will be made up of members from all of the churches of the different churches, with Lawrence Platt, Minister of music at the First Baptist Church directing the choir.

Demonstration Class Meeting Date Is Changed

Because of the being Holy Week, the Shell Craft Class of the Home Demonstration Club which was scheduled for this Thursday, will be postponed. The meeting will be held next Thursday, April 6, at the home of Mrs. Harold Harner, 187 E. Walnut Street, at 1:30 p. m.

This meeting is open to all members of the Home Demonstration group.

Brookwood V8 4-Dr. 9-Pass. Station Wagon

Brookwood V8 4-Dr. 9-Pass. Station Wagon

Model for model...there are 18 Chevrolets lower priced than any other full-sized car!

Leave it to these Jet-smooth Chevies to go easy on your family budget! All told there are 18 Chevrolet-V8's and 64-point lower than comparable competitive models. Sumptuous Impalas sprightly Bel Airs, bottom-priced Biscaynes and a whole variety of wonderful new wagons. And every one of them has a road-gentling Jet-smooth ride.

Indulge by Fisher refinements and dozens of engineering details you'd expect only in the most expensive models. Look them over at your Chevrolet dealer's one-stop shopping center and see how easy it is to drive out in just the one you want!

*Based on comparison of manufacturers' suggested retail prices (including Federal tax) for models with 118-inch wheelbase or above.
