WATER SKIING and water polo were the main attractions at the Avon Park Lakes today. The water polo team, coached by Mr. J. E. Mangum, defeated the visiting team from the University of Florida, 10-0. The water skiing competition was also held today, with Mr. J. E. Mangum winning the first place trophy. The Avon Park Lakes are a popular destination for water sports enthusiasts, and the facilities are well-maintained and safe.

County Audubon Society Meets
The Highlands County Audubon Society opened its 1961-62 season with a meeting on September 22 at the home of Mr. and Mrs. R. A. VanNess, in Sebring.
Reports were presented by committee chairmen and the following officers were elected to serve for the coming season: President, Mrs. Sally Gifford; vice president in charge of programs, Mr. Ray Smith; vice president in charge of field trips, Miss Carol Beck; vice president in charge of membership, Mrs. J. A. Kemy; secretary, Mrs. R. A. VanNess; corresponding secretary, Mrs. T. W. Brunsell.
The program and field trips to be offered by the Society will be announced from time to time in the papers and the public is cordially invited to attend.
The Florida State Chamber of Commerce was founded 45 years ago as the outgrowth of an organization to eliminate the cattle tick. It now works to strengthen every phase of the state's economy.

TB Association Meets, Rehrr Guest Speaker

County Judge Morris Rehrr spoke to the Highlands County TB & Health Association Thursday night, at the regular meeting of the board and members of the Association. The meeting was held in the Tourist Center in Sebring.

Mrs. T. H. Maxwell, president of the Association, conducted the business, heard reports of committees and also from the Executive Director, Mrs. Mabel Thompson, who is organizing for the annual Christmas Seal Campaign. Volunteers for typing addresses are needed and anyone desiring to give some hours of service should report to Mrs. Thompson, or Mrs. Maxwell. The Woman's Club of Avon Park will sponsor a day of typing in November.

Alcoholism and health was the topic of the Judge's talk. He had been one of the 327 students who attended the Yale Summer School on Alcoholism Studies in July, from all over the United States and Canada. Among the interesting things that Judge Rehrr discussed was the possibility of passing of laws to commit alcoholics to institutions for treatment. Dr. C. Brooks Henderson was present and also assisted with the program.

At the close of the meeting, Mrs. Thompson and her committee served punch and homemade cookies.

A nominating committee was elected, including Mrs. Lucille Rankin, Miss Martha Veal and Mrs. Helen Harris.

Mrs. Walton Is Circle Hostess

The Roxie Jacob Circle of the Florida Avenue Baptist Church met at the home of Mrs. James Walton, 432 W. LaGrande, Thursday, with 11 members present.

Mrs. James Chestnut opened the meeting with a prayer. Mrs. J. M. Gilbreath was in charge of the program, "Stewards of Faithful" which was presented as a court scene.

The next meeting Oct. 19, will be held at the home of Mrs. James Ward.

The hostess served punch with cookies while a social hour was enjoyed.

NEW TELEPHONE DIRECTORIES for subscribers of the Inter-County Telephone service in Highlands County arrived here this week. A delivery man is shown unloading the bundles at the Inter-County office. The directories will be distributed in the area within the next week.

State Rebekah President Honored At County Banquet In Brick Hall

Gaynell Wightman of Miami, President of the Rebekah Assembly of Florida made her official visit jointly with Eleanor Seaverns, Rebekah Lodge No. 65 and Sebring Lodge No. 28, Monday night, October 2, in Brick Hall.

Earlier in the evening a lovely banquet was served at the Avon Park Restaurant on N. Central Avenue. The banquet room was beautifully decorated and the tables centered with flowers. President Wightman and Past President, Fannie Spink, were each presented with a corsage from Sister Kathleen Currie. The Brick Hall where the meeting was held was decorated with palms and flowers.

The program included the introduction of distinguished guests from Miami, Orlando and Coconut Grove, Sister Mar-

"Robin Hoods" Make Plans For Archery Hunts

TALLAHASSEE — Florida's modern day "Robin Hoods" may participate in two archery hunts that fall for a combined total of fifty-two days of bow-drawn hunting, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission.

Archery hunting will be permitted every day on the Citrus Wildlife Management Area, in Citrus County, October 21 to November 2, and the Elgin Wildlife Management Area, in Northwest Florida, October 14 to October 29.

A special Elgin archery permit costing \$4.00, or a Composite Permit for hunting and fishing, costing \$5.00, is required in addition to regular hunting license to hunt on Elgin. Permits are obtainable through the Air Force Forest (Section 1) at Jackson Guard Station, Newville, Florida, or Florida Highway No. 85.

A special Citrus archery hunt permit costing \$5.00 is required in addition to regular hunting license for the Citrus Area. There are only two regular hunting permits for the Citrus Area. One is for hunting stations Number 2 and 4 during the first nine days of hunting. Permits will be available after the first nine days at the County Judge's office only.

On the Citrus hunt, deer of either sex may be taken under 200 deer or bucks with antlers less than 5 inches; antlers shall be legal game.

Three Youths Feted At Picnic

A surprise birthday party planned by Mr. and Mrs. James Singletary, honored their three sons, James, Tommy and Boyd Singletary, whose birthdays all come in September. Mr. Singletary's birthday is also in September. The party was a picnic Sunday at noon in Donaldson Park.

The boys were taken on a short trip out of town by their father, Mr. Singletary, made preparation for the picnic, and when they all drove by the gate, Helen Mann and Pearl Spink, were recognized.

The Lodge Sisters were especially happy to have Sister Fanny present, after suffering a broken hip several months ago. She has attended every session of the Rebekah Assembly for the past 38 years. At the social hour refreshments were served.

APHS Student Among Highest On Examination

A. B. Whitte, principal of Avon Park High School announced this week that Earl Matthews, son of Mr. and Mrs. Wallace Matthews was among the top students who took part in the seventh annual National Merit Scholarship competition. Over 12,000 students participated in the program.

Matthews was named a semi-finalist in the 1961-62 Merit Program as a result of his outstanding performance. The semi-finalist group is composed of the highest scoring students in each state and in the United States territories. Each semi-finalist now moves a step closer to winning a four-year scholarship to the college of his choice.

Semi-finalists will take an oral examination, a three-hour aptitude test of the College Entrance Examination Board, to be given in December of this year.

Students who were high on the list and who are recommended by their high schools will become finalists in the competition. In past years, 50 per cent of the semi-finalists have become finalists. All finalists receive a certificate of merit.

As a finalist, a student becomes eligible for scholarships awarded by more than 140 business corporations, foundations, individuals, etc. Names of Merit scholars will be announced in April, 1962.

Merit scholars can receive awards up to \$1,500 annually.

Son of Avon Couple Trains In Europe

DARMSTADT, GERMANY (AP)—Army PFC John Krathwohl, 19, whose parents, Mr. and Mrs. Joseph Ormerod, live in Avon Park, Fla., recently participated with other 32d Signal Battalion Company B personnel in a NATO tactical training exercise conducted in Europe.

Krathwohl and members of his unit were joined in the simulated combat exercise by NATO troops from Great Britain, France, Germany and Belgium. The exercise was designed to test procedures for joint combat operations.

Krathwohl, a pole lineman in Germany, completed basic training at Fort Knox, Ky., and arrived overseas the following August.

He is a 1960 graduate of Hale (Mich.) Area High School.

TOUCHDOWN! Avon Park halfback Lamon Money, face hidden by referee's arm, goes over for one of three touchdowns in the Red Devils' 26-0 rout of Ft. Meade last Friday night. Money is the top scorer in the Ridge Conference with 11 touchdowns in three games for 85-point total. He won the scoring title last year with 85 points.

Red Devils 26, Miners 0

(Continued from page one)

Bobby Bates scored a P.T. Meade aerial on the 30 and returned to the 10. Again the Miners stiffened and the Red Devils were forced to give up the ball on the 10-yard stripe.

The Red Devil line then proceeded to go to work and forced an out-of-bounds punt on the Avon Park 45. Avon Park began driving once more with the ball on the 14 as the quarter ended. In the second play of the second period Money went over from the 10 and Benton added the point.

The teams battled between the 30-yard stripes during most of the quarter until Avon Park moved to the Ft. Meade six-yard as time ran out. Halftime score: Avon Park 7, Ft. Meade 0.

A rugged Red Devil defense took charge following intermission, forcing the Miners to punt five times. During that time Money and David Barefield had ripped off long yardage to set up a Red Devil score. Jack Seims intercepted a pass to set up another marker and connected with Money through the airways, setting up Benton's score—the final 10 of the game.

To point up the ruggedness of the Avon Park defense—Ft. Meade could only penetrate deep into Red Devil territory twice during the game. They moved to the 25-yard stripe midway in the second period, where three thrusts into the line failed to yield a yard. Late in the final period the Miners entered the Red Devil's santon once more—this time to the 37-yard line where they were forced to punt.

The statistics:
A.P. Ft.M.
First downs 19 15
Rushing yardage 227 239
Passing yardage 66 29

RIDGE ROUNDUP

BY EARL WELLS
EDITOR AVON PARK SUN

Football take crazy bounce, and last week was no exception for members of the Ridge Conference.

Okechobee had a rough time with a supposedly weak Arcadia Bulldogs team, as the Brahmanesque squad cut a 13-7 win. Sebring, in the eyes of many, at least two touchdowns better than Naples, was held to a 7-7 tie, although they had a big edge in statistics. Avon Park

poised on the coal to knock off their old nemesis Ft. Meade, 26-0. Kathleen got back into the win column with a 13-0 victory over Cardinal. Money of Sarasota, Kathleen thumped Okechobee and Frostproof fell before Punta Gorda.

Off all the action the two biggest surprises came at Ft. Meade and Arcadia.

Ft. Meade's Miners had given indications they would be rough again this season, demolishing with Wauchula in their opener and romping over Frostproof in their second game. But the Avon Park Red Devils proved they will be hard to stop as they completely dominated play throughout the game and won 26-0.

Although leading by a scant 7-0 at intermission, the Red Devils turned on the steam in the final two periods with Lamson. Money striking pay dirt twice and Leroy Benton once for the first six points of his prep career. Money also scored his team's first TD early in the second period.

The much-heralded running of Ft. Meade's Elton Jones failed to materialize, as the Red Devil forward wall rose to the occasion. The lanky youngster did manage to snare several aerials however, and is still one of the top backs in the league.

Okechobee and Arcadia battled on almost even terms, except for the scoreboard. The Brahmanesque scored on a 75-yard run by Alce Fulford in the opening period and then came back in the final period to score from the eight. Arcadia scored on the last play of the game on an 80-yard pass run. In the statistic department Okechobee had a total of 234 yards, Arcadia, 224 yards.

This Friday all but one of the Ridge teams will meet conference opposition. Okechobee will be idle.

The top game of the week is the

LAST QUARTER BREATH—After playing more than three quarters of hard fought football, Avon Park players take a well earned rest. Identifiable players are left to right: David Barefield, No. 25; Leroy Benton, No. 22; Reese Parrish with water bucket; Ed Touchton and Lamson Money. Joe Jackson's head is partially visible behind Parrish. All played key roles in the Red Devil win.

Ticker Talk

Showdowns in the auto wage negotiations at home and abroad still show no signs of being blurring the immediate outlook for business.

Now, with a little luck, this improving tide should run, and strongly so, into the future. Business spending is rising. Government outlays have gone up and will go further. These flows have increased personal income and will go on doing so; this should back up retail sales.

Increases in business investment, at the present stage, will be more pronounced in operating inventory than in plant.

Manufacturers need more materials and purchased parts to meet the advancing level of output. In addition, they have to buy more of these operating supplies because they have no accumulation to draw on. Finally, they are trying to build inventory.

The figures the Commerce Department now is publishing on manufacturers' intentions point up this inventory-building effort.

Close inventory control for more than a year had a depressing effect on demand and production. Investment in stocks by all business in the first quarter of this year, for example, estimated at a minus \$4 billion annually. It turned to a plus in the second quarter, though it should be assumed that factories added much during that period.

Now, in the third quarter, factories tell the department of Commerce they hope to add \$1 billion to stocks. If they fail, as they may, it will be because shipments rise faster than production.

Look at the way in which the value of goods shipped by factories making durable goods has been rising; then you'll know why it has been difficult to meet needs, much less add anything to inventories.

Such sales hit a recession low at a seasonally adjusted \$12.2 billion in January. Thereafter, factories making durable goods until they were nudging \$15 billion in May.

This marks the peak month of the 1955-57 boom. It has been exceeded only the months just before and after the steel strike.

Such comforting as is the rising level of factories' sales of durable goods, the increasing flow of new orders has been even better.

Starting in February, new orders for hard goods broke out of their year-long downturn. Each month since then, the value of new business booked has been higher than that of goods shipped.

When sales billed in the third quarter are added up, producers of both durable and nondurable goods expect to post a good increase. And their estimates indicate total manufacturing sales for the three months to Sept. 30 of about \$95 billion (seasonally adjusted) for a new record, the Commerce Department states.

POINT TRY FAILS—Lemon Money, Avon Park back attempt to add an extra point in the Red Devils 28-0 win over Ft. Meade last Friday. The try fell short however as the Mince line stopped the ball-carrier. Leroy Benton set up the bonus try when he scored from one yard out. Note scoreboard in background showing 4:35 in the final period.

First Home Nursing Class

The first class in Red Cross care of the Sick and Injured for seven weeks. The instruction was held Tuesday morning from 9 to 11 a. m. in the Florida Power Club House. Mrs. Jack Duggan is conducting this course, assisted by Mrs. John Aciri and Mrs. G. D. Gordin, Jr., all qualified Red Cross instructors.

Persons desiring to enroll in a daytime class should be present Thursday, October 5, at 9 a. m.

This class will continue to meet twice each week for 7½ weeks, making a total of 14 hours.

Plans are to hold another class for one evening a week for seven weeks. The instructors urge you to enroll in one of the classes.

Mrs. Gordin, Mrs. Aciri and Mrs. Duggan, who completed a 30-hour intensive instruction course, are giving of their time to teach these classes, and their only compensation is the satisfaction of helping others to help themselves in times of disaster.

ability of hiring a younger man.

The board then reviewed an application of Alther C. Gans, a retired detective who served on the Pittsburg, Pa. Police Department for over 20 years. Gans lives in Avon Park Lakes.

Finally it was decided to postpone action on the police chief until the matter could be looked into. All board members were of the opinion however, that they would not approve of "kicking Harrison out."

The feeling was to "maybe find him some other job within the city personnel network."

Despite all the tongue-wagging that took place, the board must wait until next Monday night to confirm the appointment, pay raises or any changes they might decide to make. This schedule is set up in the city charter and like many other legal actions, must follow a strict course.

THE AVON PARK SUN

In The Heart Of The Citrus Belt

Volume XXXVII, Number 50

Avon Park, Florida — Thursday, October 12, 1961

STOPPED SHORT OF GOAL—Tommy Singletary, No. 21 with ball, stopped just short of the goal line last Friday night in the Avon Park—Frostproof game. On the next play however, Max Hill, No. 21 in right of photo took the ball over for a score. Other identifiable Avon Park players: No. 15, Lance Pedgett; No. 23, Jim Lyle; No. 21, Alex Redline. Avon Park won the Ridge game by a 42-7 score.

Devils Host Wildcats In Non-Ridge Game

Trounce 'Dogs For Fourth Win of Season

Coch Joe Franck's Avon Park Red Devils will take on outside competition for the first time this season Friday night when they host the Wauchocha Wildcats of the South-west Florida Conference. The Red Devils have won their first four games this year—all with in the Ridge Conference. Wauchocha has a record of two wins, one loss and a 6-0 tie with Ft. Meade, also of the Ridge district.

Revenge will be in the mind of the Red Devils hoping to make amends for a 22-14 loss they suffered in the Hardee County game on a rain swept field last season.

Both eleven come home victorious last Friday, Avon Park trounced Frostproof and Wauchocha squeaked past Lake Wales 7-0.

Of the two teams, Avon Park possesses the more potent scoring machine as well as a stingy defense. The Red Devils have scored 158 points this season while allowing 27. The Wildcats have amassed only 27 points during their schedule and have had 35 points scored against them.

Lamon Money, Red Devil second murchant, is the top scorer of the Ridge Conference with 79 points. And from all reports at this time is the leading scorer in state prep circles. The 155 pound senior has rumped for 15 touchdowns and one extra point.

The Avon Park team came out of the Frostproof fracas with few scars and will be at full strength for the encounter. The probable starting lineup: Touchton and Jackson, end; Parrish and Scott, tackle; Brice and Dugan or Lane, guard; Miracle center; Benton and Benton, halfbacks; Barefield, fullback and Seims, quarterback.

Devils 42, Frostproof 7
Avon Park's rumpaging Red Devils struck for four touchdowns in each of the first three periods last Friday night and then coasted home to a 42-7 Ridge Conference win over the hapless Frostproof Bulldogs.

Leading the scoring parade was Lamon Money with two touchdowns and an extra point. He also tossed an aerial to Ed Touchton for another score. Leroy Benton picked up his 43 and scored column with a touchdown and two extra points. Max Hill got a taste of scoring play with a touchdown and two bonus points in the one-play win the first time this year on a 70-yard jaunt.

The Red Devils began their one-sided win midway the first period when Money took a Frostproof kick and ran and scampered down the right sideline for the score. Benton ran for the middle for the extra point.

Following the kickoff still intercepted a Bulding pass on Frostproof's 43 and galloped back to the 27-yard stripe. Six plays later Benton rammed the middle from the one-yard line for the marker. He converted, and the Devils were off and running.

On the second play of the second period, Money turned quarterback and spread Touchton on the Frostproof 30-yard line, and the Red Devils circled the goal line unopposed. Money proceeded to skip around left end for the bonus point (Continued on page twenty)

BOB PEARL, fleet-footed Red Devil halfback takes a brief rest following a 79 yard scoring scamper against Frostproof last Friday night. Pearl, who has the scales at a light 155 pounds, is a senior. He is expected to see action Friday night against Wauchocha.

TOUCHDOWN SOUND—
Red Devil flanker Max Hill scored a minor touchdown during his team's 42-7 romp over Frostproof last week. Touchton has scored nine points for the Red Devils this season.

Avon Park Renamed As Host For State High School "9" Tourney

Four Sentenced In Petrol Theft By County Judge

A quartet of out-of-town men have been sentenced to jail for stealing gasoline from Otis Service Station, Sebring.

In County Court, Monday each of the men, all white, pleaded guilty to petty larceny and received sentences of five days in the county jail plus a suspended sentence of 30 days more in county jail.

Three of the quartet—W. D. Porter, 44; Richard Joseph Pinsky, 35; Robert D. Smith, 34, are all from Miami; and Edgar D. McClellan, 21, is from Jackson, Miss. The men were arrested Saturday.

Charlie Wade Seay, 27-year-old white resident of Wauchocha, pleaded guilty Monday to a charge of driving while intoxicated.

This was the second offense for Seay. He was fined \$100 or 30 days in jail. He was fined \$100 or 30 days in jail.

Thomas Ropper, white, pleaded guilty to carrying a concealed weapon and was fined \$100 or three months in jail. The 34-year-old Lake Placid man, waived preliminary hearing on a second charge—breaking and entering. His bond on that count was set at \$1,000.

Thought For Today
"For life is a miracle of kindness and love. The just what we are and do. Then give to the world the best you have, and the best will come back to you."

C of C Adopts Go-For Slogan

"Go-For More Trade In Avon Park" that's the slogan adopted by the Avon Park Chamber of Commerce Merchants' Committee this week as preparations were under way for Shopportunity Days November 2, 3 and 4.

To point up the slogan, the chamber is making plans to release 25 Florida sand gobblers, with "Trade In Avon Park" inscribed painted on their shells. Anyone finding one of the hard-shelled animals will be awarded a prize. The gobblers will be turned loose by chamber officials before the start of Shopportunity Days.

The committee has decided to ask the Junior and Senior Women's Clubs to present candidates for Mrs. Shopportunity. She will be picked by the public in a radio contest. The committee urged the other merchants to send their reservation immediately.

School Board Told Attendance Tapering Off

School enrollment is finally tapering off, Highlands County School Board members learned at their regular meeting Tuesday night. According to figures presented by County Superintendent Amy Miracle, the total county enrollment at this time is 4733 pupils, only 173 above that of a year ago.

The 1960 figure was an increase of 24 above that of 1959 and the 1958 figure, although not given, was said to have increased more than either of the three ensuing years.

This change of events was given as a board members who have been "sweating out" increased enrollments, since their budget is already in a tight strait. All schools in the county except Lake Placid showed slight increases in attendance. The South Highlands School Board reported a 10 percent increase.

The board was ready to approve candidates for the upcoming election, but at that time only one nomination had been filed—that by McDaniel, Avon Park.

Incumbent, the other two trustee seats are presently held by W. S. Gont and Sebring and Thomas P. Clarend of Lake Wales. The election for the holding of the office is October 18. The election is November 7.

Recent action by the state legislature required the board to employ a property record officer. The duties of the new employee will be to keep a running inventory of the board's equipment, including the school bus.

Miracle told the board that the position was a part time job and that he had interviewed Ernest Dety, Avon Park High School faculty member, for the job. He will be interviewed at the rate of \$1200 a year.

The board deferred action on the Career Increment Program which is presently in force in the county. The board took the action after county teachers failed to respond to a survey which was held recently.

According to the answers supplied on the survey, board members could draw no conclusion as to what teachers actually thought about the program. The program will be given further study.

In other action, the board okayed the use of county schools for showing of a film "Operation Abolition". The film will be shown at night and is open to the public free of charge.

Bar associations throughout the United States are urging presentation of the film which deals with the infiltration of communists in colleges throughout the country. Highlands County Representative Howard Livinston made the request.

A plea from an Avon Park couple was heard by the board relative to classroom accident two weeks ago which resulted in an eye injury to the couple's son. The youngster was injured when the teacher was taking another group of youngsters to the school library. The board voted to look into the matter.

In a special meeting held on October 3, the board gave the Avon Park Lions Club permission to sponsor a football game on November 18 between B. O. Douglas School and a Sarasota team. The game will be played on Memorial Field at Avon Park. Both white and Negro fans will be welcomed at the game, according to officials.

Avon Council Defers Action on Employees

Avon Chamber Opposes County Hospital Bill

Avon Park's Chamber of Commerce and the Avon Park Hospital Board have both taken action on the proposed county hospital bill.

The action came as 17 of the chamber's 18 directors met their stand, voting unanimously to oppose a tax-supported hospital for the county.

The chamber took position that "they did not oppose hospital care, and felt there was a need for medical care on a clinic on the South end of the county," but went on to say they "thought the taxpayers would be under a tremendous burden to build and maintain a county hospital."

Opponents was that at present the millage for supporting a county hospital was limited to five mills and that further legislation could increase this rate.

Avon Park chamber representatives met with other county chambers on several occasions before making their decision, officials said.

Fire Prevention Celebration Set For Saturday

A parade celebrating the completion of Fire Prevention Week will be held here Saturday afternoon at 3 o'clock according to a report issued by the Avon Park Fire Department.

Following the parade a water ski show will be presented by Ken Tibado's Ski Skiers of Lake Wales. The show will be a preview of the routines taught by Tibado's ski and kite school. Several sky kite routines are planned.

A water fighting contest is slated on tap for the afternoon followed by a barbecue chicken dinner at 5 o'clock.

Round and square dancing in the Armory at 8 o'clock will round out the day's activities. Proceeds from the supper and dancing will be used by the firemen to purchase rescue equipment.

Fire Damages County Truck

Two tires on a Highlands County owned "new-boy" truck were destroyed by fire Tuesday afternoon.

The truck, loaded with a road trailer, was enroute from Lake Wales when the fire broke out on the right rear wheel in Polk County just north of the Highlands County line.

Avon Park firemen answered the call which was reported by Highway Patrol Officer Spud Clements who occasioned along at the time.

RETIRE FROM UTILITY COMPANY—Mrs. Neva Atherton, left, employee of the Inter-County Telephone Company for 18 years is shown receiving a letter of appreciation from Robert E. King, General Traffic Manager of the company. Mrs. Atherton was retired from the local office, Tuesday, October 3.

Three Die On County Roads In Past Week

BULLETIN—Clara Shepherd, 45-year-old Negro died early Tuesday morning from injuries sustained in a two-car auto mishap Saturday night. An autopsy was scheduled to determine exact cause of death. The death pushed the county's traffic fatality total to 10 for this year.

The ninth and tenth highway fatalities of the year were recorded in Highlands County this week, as a six-year-old Negro girl and a 35-year-old Texan met death.

Eva Alene Smith, daughter of Albert and Clara Shepherd was pronounced dead on arrival at Walker Memorial Hospital following a two-car rear end collision just inside the South city limits of Avon Park Saturday night.

The Shepherd car was struck from behind by a car driven by William Road of Sebring, and collided head-on into a tree. Clara Shepherd's condition was still critical Wednesday and the deceased girl's father remained in fair condition.

Following an investigation by Avon Park Assistant Police Chief Charles W. Hester, it was charged with manslaughter and released on \$2,000 bond.

In the other fatal accident, Joseph L. Davis of Houston, Texas was killed when struck by a truck on U. S. 27 near Lake Placid Monday night. Jimmy Kimmon of Sebring, Negro was driver of the truck.

Davis, a hitchhiker, had been warned earlier in the day by a state patrolman and a county deputy against walking on the pavement. A few hours later he was hit while walking on the pavement.

Kirkland and King then engaged in a lively discussion or election of board chairman, all of which had been discussed previously.

Aggie meeting moved along and King and they became engaged in another heated reciting the blurring of Joe Kinney to the first. Deane moved and after several verbal blasts at each other, Mayor E. A. Delaney assumed the chairmanship. He urged the council as a whole to refrain from getting involved in personalities.

Following the plea for cooperation by DeLaney, King asserted he would do everything within his power to cooperate in the coming year "when things got right." He did not elaborate.

Clyde Leroy Starling was hired as city rate reader. The job was offered to Joe Kinney at the previous meeting, but he did not appear at the Monday's meeting to accept. Thereafter, Kinney has been employed at the fire station.

King Makes A Point

Councilman Mannin Kirkland backed up Dilley's request for approval however, when he mentioned that the personnel be accepted as a group. Newcomer Councilman H. M. Farless seconded the motion. King then successfully amended the motion to delay final approval until the next meeting. King opposed the original motion, but the amendment was carried unanimously.

As the tension in the chamber quelled slightly, Dilley proceeded with his committee appointments for the new year. After the committees were named, King again took the floor to protest the appointment of Kirkland as chairman of the street department committee, saying "he did not think a man who was in the paving business should be appointed to that position" (Kirkland is associated with an Avon Park paving company).

Kirkland replied "he would resign from the committee if it was the desire of the chair." He went further by saying "no man should be condemned for trying to make a living."

Dilley then reminded King that Kirkland had served as chairman of the street department during the time he was president of the board. King replied that if he had been elected president of the board "he planned to remove Kirkland from the street department committee."

Dilley from the fire department committee, momentarily as Dilley came back with "I'm chairman now and will make the appointments."
