

THE AVON PARK SUN

In The Heart Of The Citrus Belt

Volume XXXVII, Number 52

Avon Park, Florida — Thursday, October 26, 1961

PROMOTE SHOPPOTUNITY—Thirty-five Florida state turtles were released here this week to promote Shoppotunity Days in Avon Park on November 2, 3, and 4. Persons finding one of the turtles, which bears the Indiana "Trade in Avon Park" logo, will be eligible for a prize. Right: Chamber of Commerce president points to the slogan. Holding the turtles are Ed Touchton, chairman of the chamber merchant's committee; Mrs. Eric Caffee, and Lee Martin, manager of Mercer's Department Store.

Walker Memorial Plans For Addition

State Approval Expected In Near Future

Plans for a 10-bed addition to Walker Memorial Hospital were announced here this week by the hospital's board of trustees. The action was confirmed last March, but was not released until this week. The plans are expected to receive state approval in the near future.

The addition which will house space for 10 additional beds in addition to numerous other facilities is being the final stages on the drawing boards, according to hospital officials. A rough draft of the new addition will be printed in next week's Sun. The new ground-floor unit will be constructed south of the present main building.

According to information released by the hospital, the new construction will allow addition of another story at a later date.

Plans call for the new section include two delivery rooms, nursery, medical and surgical rooms, as well as a nursery, support nursery, two nurses stations, admitting desk and accounts office.

The initial phase of a construction program at the hospital has already been completed—construction of a new power plant with a \$10,000 utility generator, which will supply electric power in the event of an emergency.

A \$10,000 day therapy X-ray unit is being installed at the hospital. The unit features a mobile cart which can be moved to a direct reading of dosage and terminates the exposure at the end of the treatment.

Medical records at the medical center have also been reorganized in accordance with rules and regulations set forth by the American Council on Education. Walker Memorial has already been approved to get full accreditation when the hospital commission makes its decision in 1962.

Young People Set UNICEF Drive

A group of young people of the Avon Park Junior Women's Club will participate in a UNICEF drive on Saturday, Nov. 25, 1961.

The drive is an annual affair in which the young people go all out to help the children of the world. The drive is a campaign to raise money for the United Nations Children's Fund (UNICEF) to help children in need.

The drive will be held at the Avon Park Junior Women's Club, 111 S. Main St., Avon Park, Fla. The drive will be held from 10 a.m. to 5 p.m. on Saturday, Nov. 25, 1961.

Avon Men Face Hunting Charges

Five men have been charged with hunting deer in the Avon Park area. The charges were filed by the Avon Park Game Warden.

The men are: [Names redacted]. They were charged with hunting deer in the Avon Park area, which is a protected area.

Thought For Today

Be kind to the poor. Be kind to the poor. Be kind to the poor.

Annual Fire Report Given

Avon Park's Fire Department made its annual report to the City Council at the regular meeting Monday night and the report showed a decrease of \$55,000 in fire losses over that of a year ago.

The report, submitted by W. W. Giddens, chief, was accepted by Councilman H. M. (Chick) Farless, chairman of the fire committee.

The complete report: Fire Alarms answered to residents, 13. Fire Alarms answered to commercial buildings, 4. Fire Alarms answered to brush or woods, 4. Fire Alarms answered to automobiles, 1. Fire Alarms answered outside city limits, 10. False Alarms, 1. Total Alarms answered for year, 75. Total fire loss for last year, \$123,000. Total fire loss for last year, \$123,000. Total decrease this year, \$55,000.

All equipment in good working condition at this time.

Band Group To Offer "Country Kitchen" Sat.

With the cooperation of Avon Park business men and residents of the City Saturday, the "Country Kitchen" will be sponsored by the Avon Park Band and offered to the public.

The "Country Kitchen" is a new venture of the Avon Park Band. It is a place where the public can enjoy a good meal and a good show.

The "Country Kitchen" will be held at the Avon Park Junior Women's Club, 111 S. Main St., Avon Park, Fla. The "Country Kitchen" will be held from 10 a.m. to 5 p.m. on Saturday, Nov. 25, 1961.

Judge Promises Jail Sentences On Baited Fields

Blind hunters received a warning from county officials this week. County Judge Mervin Reher said that hunters who knowingly hunt on baited fields will be sent to jail.

The judge said that hunters who knowingly hunt on baited fields are breaking the law and will be sent to jail.

70% BUT

The official cost of living index, which is based on the cost of a basket of goods and services, can be misleading, and it may not be the best indicator of the cost of living. The index is based on the cost of a basket of goods and services, but it does not take into account the quality of the goods and services. For example, if the cost of a basket of goods and services increases by 70%, but the quality of the goods and services also improves, the index may not accurately reflect the true cost of living.

This is perfectly true—but the "but" lies in the fact that the reports don't show that U. S. food prices have declined 32 per cent relative to wages in the last 12 years.

That simply means that wage rates have moved up much faster than food prices. Thus—relative to income—food is cheaper today than ever before. According to the Association, retail food prices have increased less than 17 per cent since 1947-49, while wage rates have gone up 72 per cent.

The point is that dollar figures are virtually meaningless, unless they are related to changes in our incomes and our purchasing power. Judged by any such accurate yardstick, food is really a bargain today.

Here's Haley's Voting Record

Rep. James A. Haley of Sarasota County had a perfect voting record during the first session of the 76th Florida Legislature. Haley's record was perfect in every vote, and he was one of the few members of the House to achieve this feat.

The smooth-tongued Democrat not only secured the bill, but he also secured the first session of the 76th Florida Legislature. Haley's record was perfect in every vote, and he was one of the few members of the House to achieve this feat.

He also secured the bill, but he also secured the first session of the 76th Florida Legislature. Haley's record was perfect in every vote, and he was one of the few members of the House to achieve this feat.

FLORIDA facts

BIRDS... (LIKE PEOPLE)... LOVE FLORIDA
134 KNDS LIVE HERE YEAR AROUND. 167 OTHERS ARE SEASONAL RESIDENTS. IN ADDITION, MORE THAN 100 OTHERS ARE SEEN OCCASIONALLY FLYING THROUGH—OR OVER—THE STATE.

The Wood Is...
NORTH AMERICA'S ONLY STORK, SERVED IN DANGER OF EXTINCTION UNTIL PHOSPHATE COM-PANIES COOPERATING WITH THE AUDUBON SOCIETY, MADE THEIR SETTLING PONDS AVAILABLE AS PRO-TECTIVE SANCTUARIES.

By Allen Morris

TALLAHASSEE—A number of headlines, largely false, have been circulating lately, claiming that the Florida cabinet system is in danger of extinction.

The simple fact is that there are today too many institutions, too many sub-agencies, and too many personal problems for the old cabinet system.

The Governor and Cabinet are discovering that, like nearly everything else in Florida, the State government certainly isn't standing still. It's a yearly, changing process.

Anyone talking about the executive management of Florida is talking about the future of the State.

Long gone are the days when the Governor and the six cabinet members were the only ones who ran the State.

At least two new members of the executive team are recognizing the changing situation by having their own staff members independently research some of the matters coming before the Governor and Cabinet for a solution.

One of these is a paring of the cabinet members. The members of the Cabinet, in each member would take personal responsibility for one institution. And his colleagues would go a long way toward allaying the fears of the public.

Nowadays, a superintendent reports to the director of his particular division, rather than to a cabinet officer. Cabinet members may, as individuals, feel more interest in the affairs of some one institution than they do in the affairs of the State as a whole.

The presidents of the universities are, for another example, not interested in the State as a whole, but they are interested in the State as a whole.

And "Postcard" Margey Michelson, whose description of Florida in the Time magazine reporter's report on a tour of Mississippi, may not be overstated out of the box.

Miss Michelson, according to the press, is being returned to this country for special tutoring on concealment, what to hide and what to deride by that Master of Deceit, High Priestess of Deceit, none other than the Dowager Queen of Deceit, Eleanor Roosevelt.

Peace Corps members selected for this course in rehabilitation of shell contentment to be confused with brainwashing—must be able to eloquently laude the social progress in Washington during the past decade and vividly describe the benefits of Harem in at least three languages.

Wearwhile Miss Michelson's cards and letters will be censored by the State Department and delivered by diplomatic courier.

Quarantines Lifted In Fla.

TALLAHASSEE, Fla.—Commissioner of Agriculture Doyle Conner today announced that all quarantines in Florida, both State and Federal, for cattle fever ticks, with one exception, have been lifted effective October 17.

The quarantines at the "Africa U. S. A." animal compound near Boca Raton, which have been in effect since 1960, the first time they had been lifted on this compound, will be taken under consideration by State and Federal authorities at a later date.

Since cattle fever ticks were found on May 31, 1960 in south Florida, more than one million cattle have been systematically dipped and inspected in infected areas, according to Dr. C. L. Campbell, director of the Division of Animal Industry.

A co-operative State Federal eradication program got underway soon after the first tick quarantines were established in Martin and Palm Beach counties in June, 1960.

Northward movement of cattle out of 32 south Florida counties was controlled by a quarantine line across the state through Ocala. During its operation, nearly 300,000 animals were cleared for passage across the line. Quarantine line operations ended October 1.

During the eradication program, inspection of all cattle, horses and mules in south Florida was carried on. It is estimated that 1,300,000, or about 97 percent, of the animals in the 32 counties south of the quarantine line were covered by this inspection.

State-Wide Church Workshop For Lake Byrd October 27-28

Patricia Rison of Boston, Mass., grew up in Goshen, Indiana. She did her undergraduate work at DePauw College, Ohio. Her education, United Church of Christ, will be guest leader of a State-wide Church School Teachers Workshop to be held October 27-28 at the Florida Congregational Conference Center, Lake Byrd Lodge, Avon Park.

(The United Church was formed by union of the Congregational Christian Churches and the Evangelical and Reformed Church.)

One of Miss Rison's major responsibilities is to assist in the development of the extensive leadership program which is essential to the new church school curriculum now being prepared by her denomination.

"The faith of children begins with the faith of adults," Miss Rison says. "Therefore, a good program of Christian education begins with a good program of adult education."

Miss Rison's varied background gives her knowledge of the problems of both large and small churches. For seven years she was director of Christian education in Congregational churches in Kokomo, Indiana, and Benton Harbor, Michigan.

During two summers she served small South Dakota churches as a student service worker under the Congregational Christian Board of Home Missions. While studying at Union Theological Seminary in New York from 1956 to 1958, she taught in two church schools in the area.

Born in Tucson, Arizona, she came to her present post in 1958.

Teachers from all Congregational and Evangelical and Reformed churches in Florida are expected to attend this workshop.

Other leaders are expected to participate in this event from Miami, St. Petersburg, West Palm Beach, Winter Park, Cocoa Beach, Jacksonville, and Sanford. The Rev. T. Albert Lawrence of Avon Park will also share in the workshop.

Schedule Of Florida Fairs Is Announced

"Bigger and better than ever." That's the 1961-62 schedule of Florida Fairs and Livestock Shows. Brighter shows, better turned-out officials and more fairs and livestock shows which led off the Florida season.

The usual clutter and color of the midway are backed up by more varied and higher class exhibits even than last year's impressive statewide series.

G. C. Norman, program specialist with the state division of Agricultural Education, said that youth participation overall—compared with previous years—had attained this year the highest point on record.

North Florida Fair at Tallahassee, drawing entries and exhibits from many North Florida counties, will have in its FFA division alone 155 head of breeding hogs and 45 barrows, Norman said.

Moreover, a Beef Cattle Show will feature entries in youth and adult divisions at Tallahassee. North Fair Manager Lloyd Rhoden said that 4-H and FFA participation could be exceptionally good this year, with extras including a flower show and a separate "home" division.

Highly successful was the West Florida Dairy Show at Chipley. J. E. Davis, Washington County agricultural agent and dairy show manager, reported that the 106 animals offered were the finest ever shown there from point of quality.

Eight fairs or shows, including a Junior Livestock and Poultry Show at Ocala, have already been staged at points mostly in north Florida. Complete schedule, covering all parts of the state, carries through April of next year, ending with Quincy's West Florida Fair Cattle Show and Sale.

Shows and fairs through November, 1961, include Oct. 28-29, Oklawaha County Fair, Marianna; Oct. 25-Nov. 4, Greater Jacksonville Fair, Jacksonville; Oct. 26-Nov. 4, Bay County Fair, Panama City; Oct. 26-Nov. 4, North Florida Fair, Tallahassee; Nov. 1-4, Sunter All-Florida Breeders Show, Seville; Nov. 1-11, Hardee County Fair, Wauchula; Nov. 6-11, Putnam County Fair, Palatka; Nov. 7-11, DeSoto County Fair, Arcadia; Nov. 11-11, Hernando County Fair, Brooksville; Nov. 7-11, Levy County Fair, Williston; Nov. 8-11, Walton County Fair, DeFuniak Springs.

January and February, 1962, calendar includes Sebring, Palmetto, Dade City, West Palm Beach, Miami, Ocala, Tampa, Kissimmee, Jackson Springs, Madison, Lakeland, Orlando, and Clewiston.

Sales at Winn-Dixie Stores, Inc., which operates a number of supermarkets in this area, increased 3.81 percent over the 52-week period ended Sept. 22, 1960, when sales totaled \$729,770,156.

For the 12-week period ended Sept. 23, sales were \$718,181,651, compared with \$185,922,488 during the 12-week period ended Sept. 17, 1960, an increase of \$4,259,163 or 2.37 percent.

An increase also was recorded for the four-weeks ended Sept. 23. During this period, sales amounted to \$27,481,718 as compared with \$26,161,944 for the four-week period ended September 17, 1960, an increase of \$1,319,774 or 5.01 percent.

Winn-Dixie now operates 536 retail stores and eight wholesale units throughout the South compared with 517 retail outlets and nine wholesale units this time a year ago.

Demonstration Club Meets Here

Seeds of *Acacia*, which are used to attract the group in the first support procedure, have been shown to be the preferred food of these termites.

...the time when a loved one is in the hospital, I will be there. I will be there to help you, to help you to get better, to help you to get back to work, to help you to get back to life. I will be there to help you to get back to life.

Cattle Group Slates Meeting

The Eastern Charolais and Charolais Association Sale Committee met at the home of President H.C. Douglas in Zephyrus, Florida. Plans were made for the Second Eastern Charolais and Charolais Association Sale to be held at the Southeastern Livestock Pavilion in Ocala, Florida, on August 10, 1961.

The group consisted of Brown and Calhoun Livestock Sales and a service of Livestock to manage the year at the first Charolais and Charolais Association Sale. The Charolais Association Sale was held in January, 1961, and enthusiastic crowd turned out to make it one of the top sales in the East for 1961.

The Sale Committee made plans to put on an even better event this year. The sales animals sifted twice before sale time. The group feels that the coming sale will be one of the top sale events in the Nation for 1961.

BROKEN VOWS

*A Vow
Is A Serious Thing*

Our promise and your performance
reveal the quality of your soul.

A promise will make a friend but performance will keep him. Are you keeping your marriage
vows, your vows to your church or synagog? When you make vows to God, do you
keep them or do you go AWOL on Him? "When thou shalt vow a vow unto the Lord thy God,
thou shalt not slack to pay it, for the Lord thy God will surely require it of thee." Faithful
performance of good vows strengthens character, honors God and makes a better citizen.

York Rite Holds Dinner Meeting At Masonic Hall Monday Night

Masons and their wives enjoyed a delicious dinner at the Masonic Temple Monday at 6:30. After the dinner it was announced that the affair was a surprise party honoring Recorder Bob Duhon and his wife, Alva, who will be celebrating their 50th wedding anniversary in the near future. They were presented a beautiful bouquet of red roses along with many gifts.

A short Commandery meeting was held honoring the D.D.G.E.C. Glenn E. Fletcher of Plant City, who is president of the Commandery.

Present with their wives for the occasion were D.D.M.G.M. Maurice Broth of the Council Past, D.D.G.H.P. James W. Macdonald, Past Grand Commander, Thomas W. Morrison Hill, and Past Grand Master G.C. of Royal and select Masters, Havel, J. Guy and others from Plant City, Lakeland, Winter Haven, Fort Meade and Sebring. The guest was present from New Jersey.

The committee on arrangements included Mr. and Mrs. Alfred C. Peterson and Mr. and Mrs. George L. Chadwick. All R.A.M. are reminded of the next chapter meeting November 14.

Keg Tournament Begins Saturday

League Bowlers of the Ridge Lakes will be eligible to participate in the King-O-Hill Tournament sponsored by our local merchants.

This will be a handicap Tournament based on weekly series rolled at Ridge Lakes during League play.

Any bowler with a 600 series or better including handicap rolled this week will be eligible for a four game elimination roll off at two p.m. Saturday afternoon. Total pins will determine the two high men who will roll off Saturday evening at 6 p.m. to give us our first King-O-Hill winner.

Each week any bowler with a 600 or better series including handicap will be eligible for the four game elimination match to give us a challenger for our King-O-Hill.

There will be weekly prizes for the winners of the eliminations. The bowler who has been the challenger for the most weeks during this 13 week Tournament will win an all expense paid trip for two to Nassau.

Garden Club Attends Meet

Among the Garden Club members attending the special session on Christmas decorations held in Winter Haven Monday was Mrs. George Kelsey, Mrs. H. E. Barker, Mrs. C. L. Decker and Mrs. J. L. Delag.

Mr. and Mrs. David E. McDaniel and children, Bill and Ann, were weekend guests of Mr. and Mrs. G. M. Whetstone in Gainesville. The Whetstones are former residents of Avon Park.

Major Francis Skipper, who is stationed in Colorado Springs, made a weekend visit to see his parents, Mr. and Mrs. Otto Skipper, and returned to Colorado on Sunday by air.

Mrs. A. S. Paine is back at her home, 18 East Walnut Street, after a visit to Pittsburgh, Pa. where she made a trip to see a friend who is ill.

Arriving this week for the winter season are Mr. and Mrs. Marion Frittle from Shegman, N. Y.

Mr. and Mrs. Charles Gruber are also expected to arrive this week.

Fred W. Thiele arrived last Wednesday at The Villa where he plans to spend the winter. He has been at his home near Buffalo, N. Y. since May.

Mr. and Mrs. J. F. Munger arrived Tuesday, from Auburn, N. Y. for another winter at the Martin Apartments on S. Lake Ave.

Action In Devil-Bulldog Game

MAX STILL, No. 22, scores a pass from Jack Seims in the fourth period and heads for the promised land. The play covered 27 yards.

ED TOUCHTON, Red Devil flankman, races into end zone untouched with Avon Park's second score in first period.

Football—

(Continued from page one) perfection, recovering the pigskin on Avon Park's 47-yard line. Nine plays later Karen Mercer hit Tom Jessup in the end zone from 15 yards out for the game's first score. Kick for the point was wide.

On the first play after the ensuing kickoff, Mr. Money showed his heels to the Bulldog defenders and romped 60 yards for the score. David Barefield tackled on the point.

Leroy Benton, defensive guard, sent the Devils in scoring position again when he intercepted a pass on the Arcadia 25 and returned it to the 13. On the next play Quarterback Jack Seims hit Ed Touchton on the goal line for marker number two. Point was no good.

Shortly after the teams swapped goalposts, Money took charge once more and flashed 66 yards for a TD. His kick for conversion was wide.

Following the kickoff Arcadia put together a 62-yard drive that ended when Dave McKinney plunged the final yard. A pass interference ruling against Avon Park on the 15 yard line was a big factor in keeping the drive moving.

Avon Park was not content with a 10-12 lead and after receiving the kickoff took only six plays to move 55 yards for another score with Barefield going over from the two-yard line. Big play of the series was a 30-yard scamper by Still putting the ball on the five yard mark. Money ran the point.

Score at halftime, Avon Park 28, Arcadia 12.

The Red Devils crossed the Bulldogs' goal line five more times in the final two periods. The scoring went like this:

Red Devils scored early in the third frame on a 76-yard drive, with Money going the last 10 yards after taking a lateral from Joe Jackson who had snared a pass. Still accounted for 27 of 30 yards up the middle. Point no good.

Still scored later in the period on a pass from Seims covering six yards. Series set up when Jackson recovered a fumble at midfield. Money set the point. Still scored again early in the final period on another toss from Quarterback Seims, the play covering 22 yards. Money added the point. Seims hit for 10 of 12 attempts during the game.

Bill Ward intercepted a Bulldog aerial on his 40 and returned it 14 yards to set up the next score. Three plays later Lance Padgett churned the remaining 12 yards for a marker. Money kicked the point. The five-fingered Money scored his team's last touchdown with two minutes remaining when he took a 20-yard pass from Seims. His kick for the point failed.

Home Nursing Certificates Awarded To 10

Ten women received certificates for having completed the required number of hours in the American Red Cross Care of the Sick and Injured class taught in Avon Park. Another class will begin in the near future. Date and place will be announced.

The following evaluation was written by one of the class members who has completed a second course of Home Nursing and the three instructors feel it expresses in a clear way what the course is intended to accomplish.

"This has been a very practical course. I especially like to improve, and if one is called upon in any disaster, it is hardly likely he will have the necessary equipment needed for first aid jobs. So it is really necessary for one to be prepared to improve."

"Then, too, in most homes - unlike hospitals - the family is never really prepared to care for the sick and injured, and the equipment is too expensive. So, if one has been trained to make good use of material that is available, many lives may be saved."

"The technical training was very thorough, and the fact that one was allowed to practice after each demonstration was appreciated by the students."

"I would like to express my thanks to the instructors who made the course so practical and interesting. Time seemed to fly. I was never bored."

Avon Park "B" Squad Drops Tuesday Game

Sebring's "B" squad football outscored the Avon Park jayvees last Tuesday night at Memorial Field by a score of 15-7. It was Sebring's second win this year over the Avon Park team.

The two teams played the first quarter without a score but Sebring drove first blood early in the second period when James Travis rushed through and intercepted an Avon Park pass in the junior Devils backfield and raced 30 yards to paydirt. Eddie Bowman, a speedy Sebring back, skirted left end for the bonus point and put Sebring out front 7-0.

On the next series of plays Avon Park's hard drive halfback, John Rhoades, broke loose for a 60 yard scoring jaunt and fullback Leonard Sullivan drove through the line for the extra point which tied the game up 7-7.

Late in the third period Sebring drove up an sustained 50 yard drive that ended with a ten yard run into the end zone by the winning six points by Eddie Bowman. Their try for the point after touchdown was no good and the score stood 13-7.

The game was sponsored by the Avon Park High School band and a large crowd of football fans and band members were entertained at the halftime by a band made up of former Avon Park band members and a majorette line of Sebring Avon Park before the game. The band was directed by Mr. Gene Gorman and the group did excellent job with the majorettes really shining on "Way Down Yonder in New Orleans" and "The Buckle-buck."

Avon Trailer Park News

Mrs. Ella Roenberger has had as her guests Mr. and Mrs. Robert Chapman.

Mr. and Mrs. Jim Douglas of Montverde spent Sunday with Mr. and Mrs. Walter Douglas.
