

Red Devils To Host Panthers In Opener

Make First Defense Of Ridge Title

Avon Park High School's Red Devils will open the 1961 gridiron season Friday night, hosting the Mulberry Panthers in a Ridge Conference game. It will be the Devils' first defense of the Ridge Title they won last year. Kick-off time is scheduled for 8 o'clock at Memorial Field. Avon Park won last year 20-14.

With two intra-squad games behind them for experience, the Red Devils appear in excellent shape — both physically and manpower wise. Letters in every position except guard has prompted opposing coaches to name Coach Joe Francis as the best in the loop. As a result, they expect the Devils to top the hunting again this year. They won nine, tied one, and lost one last season.

Letters in the forward include Joe Jackson and Ed Touchton at the tackle, Rose Parrish and Bill Scott at the tackle and Andy Miracle in the pivot spot. The backfield is blessed with an array of talent, led by the high scoring Lamon Money, who was a thorn in every opponent's side last season. Backing him up with plenty of speed and power to spare are David Barefield, Jack Seims, Leroy Benton, Tommy Singletary and Max Still. Money scored 116 points during last season.

Parrish, Jackson and Seims were chosen as captains this week. Seims will serve as offensive captain, while Parrish and Jackson will take over on defense.

The Red Devil attack is expected to be well balanced, with plenty of speed and power in the backfield and the aerial game taking its share of the spotlight. In the pre-season squad games, the passing combination of Seims to Touchton looked good, resulting in almost any necessary. Bobby Bates, an understudy for Seims, also has a good pitching arm and could share the signal-calling spotlight.

Avon Park's crushing ground game, for which she has been known for years, appears as formidable as ever with Money and Barefield leading the charge.

The Red Devils will be dressed out in brand new white uniforms with red numerals as they open their title bid.

On hand to boost the Red Devils will be the marching band under the direction of Victor Mickunas, presenting a halftime show. The presentation will be the major feature of the night games. Drum Majorette Margaret Wooten, Soloists Chica Durden and Valerie Gyles and Jan Adams, Beverly Giddens, Nancy Wright, Barbara Jean Highie, Sue Outen, Karen Kirkland.

The cheerleaders will be on hand to lead the fans in their cheers. They will be headed by Nancy Coleman. Other cheerleaders, Carol Beckham, Toni Gasler, Linda Liles, Beverly Laycock, Nancy Cooper, Ann King and Anna Cooper. They are sponsored by Mrs. Richard Derkman.

Mulberry, coached by veteran Bill McDonald, always fields a scrappy team. This year is not expected to be an exception, with 12 lettermen returning. The Panthers are led by 212-pound Micky Hagan, who has switched from end to tackle this season. Doug Eshole heads a list of light, but fleet backs. The Panthers are predominantly in the thick of things for the circuit title.

The probable starting lineup was given to the Sun early this week as follows: Left end, Ed Touchton, (165); Left tackle, Bill Scott, (220); Left guard, Robert Duggan, (165); center, Andy Miracle, (170); Right guard, Bob Briscoe, (165); Right tackle, Bruce Harrison, (224); Right end, Joe Jackson, (168); Left halfback, Lamon Money, (158); Right halfback, Leroy Benton, (168); Fullback, David Barefield, (175); Quarterback, Jack Seims, (153).

Others expected to see line action: Bob Lane, Tom Beagston, Steve Maxwell, Randy Rowe, Earl Mathews, Jim Lyle, Bill Ward and Jim Singletary.

Scheduled to backfield duty are: Max Still, Bobby Bates, Lance Padgett, Bob Pearl, Tom Singletary.

Dan Power and Mike Giddens are team managers.

Thought For Today

As we have many opportunities, let us do good unto all men.

Delaney Wins Again; Forges To Council

School Board Okays Showers For Grid Field

The Highlands County School Board meeting Tuesday night, has given tentative approval for the construction of showers and dressing rooms at Avon Park's Memorial Field. A move is underway locally to finance the building, but permission was necessary before construction could begin since the school board owns the field.

According to reports, the structure would house dressing facilities for two teams and provide additional toilets. Cost is expected to run approximately \$2,000. More than \$2,000 of this amount has already been subscribed according to officials. Approval of the action by the school board attorney is expected shortly.

Several Avon Park fans hit upon the idea when the board general contractor, Allen Trovillion Co. of Winter Park, The Lake Placid firm sought payment for clearing and leveling part of the site.

The Lake Placid Company, ofered to take \$1250 in a settlement, but Trovillion—also present at the meeting—offered only \$800. After several rounds of discussion, County Superintendent Andy Miracle and Board Member Jack Wicks of Lake Placid urged the two parties to do their best to reach an agreement, without taking it to court, since neither party would be the winner there, due to court costs.

Trovillion then offered \$1000. A Mr. Cohen, representative of Central Contracting Co. said, "I'll take it."

Other major action by the board was approval of a plot and preliminary plans for six classrooms at Lake Placid School and two classrooms and expansion of the lunchroom at Charter School, also in Lake Placid. The cost of which is expected to run \$110,000.

During the meeting, candidates for the mayor post and city council were given an inspection of the voting machines.

The monthly fire report was received, with the loss for the month at \$750. Total loss to date, \$12,350. Three calls were answered.

Avon Couple Injured In Auto Mishap

An Avon Park couple is recovering from injuries suffered in a traffic accident three miles north of town on U. S. 27.

Mr. and Mrs. Lindsay Grant Peters were injured when the car in which they were riding swerved into the path of a car driven by Beverly G. Hechtman of Apollo Beach.

Highway Patrolman H. A. Moore, who investigated the accident, said the Hechtman car was in the left-hand lane of Route 27, headed north.

Peters, he said, passed the Hechtman car in the right-hand lane, hit some clay on the road and swerved into the left-hand lane, striking the Hechtman car.

Both vehicles skidded well over 400 feet and came to rest on the County side of the road line.

Mrs. Hechtman was charged with improper lane usage and Peters was charged with swerving into the path of another car.

This is my Tithe. Let us not attempt to 'Tip' God for His benefits. Jesus said, "Bring ye all the tithes into the storehouse, and I will pour you out a blessing, that there shall not be room enough to receive it." Mal. 3:10. Jews and Christians agree that a tenth part of one's income is the accepted tithe. He said, to those who fail to give back a tenth part ... "ye have robbed me in tithes and offerings."

"The Earth is the Lord's and the fullness thereof"; Psalms 24:11. May we write our tithing check freely. May we give back to the Lord a tenth of what He has so graciously and so abundantly given us. It is God's plan for financing His church. Christ approved it as the best way to carry on His work in the world. This is My Tithe.

MRS. OAKLEY SHOWN IN HER WORKSHOP

World Gardening Authority To Speak To Avon Park Club Women

Mrs. Louis Oakley of St. Petersburg, state chairman of the Florida Federation of Garden Clubs, will address the Avon Park Federated Garden Clubs, Thursday, September 14, at 1 p. m., in the new American Legion home on West Bell Street.

Mrs. Oakley is considered a one woman ambassador working for world peace.

World gardening is a part of former President Eisenhower's "People to People" program. Garden Club members began by sending seed to foreign countries where food was scarce.

Mrs. Oakley says when she accepted the job two years ago to become state chairman of world gardening she went into it blind, but soon she was receiving mail from all over the world and to date she has written more than 2,000 letters to gardeners from England to Ethiopia.

Rewarding Work

She says this is the most rewarding work she has ever done. Being a widow with time on her hands, she started the correspondence by replying to thank-you received for the seed packets sent. Now her mail has increased in volume and subject matter. She has become an authority answering questions on the American way of life. The gardeners inquire about such things as apartments, American eyeglasses and American women. She says, "Many foreigners seem amazed that American women work in the garden and care for

Second Devil Squad Game Is Won By Whites

Lamon Money, Red Devil halfback, scored four touchdowns to lead the White unit to a 25-13 victory over the Red in the annual inter-squad Soap Scrimmage at Memorial Field last Friday night.

Over five hundred interested fans paid their one bar of soap admission price to get a look at the Red Devil players as they played three full quarters of regulation football against each other.

Officials Bud Edge, Junior Wain, and Grady Wilson were in charge of the game.

The White squad was quartered by Bobby Bates with Money and Leroy Benton running from halfback and Jim Bob Maddox playing fullback most of the game. During the last quarter, however, Leonard Sullivan came in at quarterback and Bates moved to fullback alternating with John Rhodes in that position.

The White line had Bill Ward and Joe Jackson at ends, Steve Maxwell and Reese Parrish at tackles, Tom Bergeron and Bob Lane at guard, and Randy Ramey at center.

The Red backfield started off with Jackie Seims at quarterback, Mac Still and Tom Singletary at halfback and David Barfield playing fullback alternating with John Rhodes in that position.

However, Barfield came out with a slight injury early in the game and Lance Padgett moved into his position at fullback for the rest of the game. Red line had Andy Miracle at center, Robert Duggan and Bob Briscoe at guard, Bill Scott, Jim Lyle and Earl Mathews at tackles, and Ed Touchton and Jim Singletary at ends.

Money showed some of the speed and elusiveness that won him All-Ridge honors last season as he skirted the ends four times against the Red team to score all but one of the White points. Jim Bob Maddox bailed through the middle for the only extra point made by the White team.

Max Still broke loose for a 30 yard touchdown jaunt in the third period for the Red's first score. Still also led through the end zone for the extra point.

Big Ed Touchton gathered in a long pass from Seims in the end zone later in the third period for the Red's only other score.

The final quarter, the coaches mixed up the squads forming offensive and defensive teams and running offensive plays for the rest of the evening.

Accidents Up On Rural Roads

TALLAHASSEE.—The Florida Highway Patrol investigated four per cent more accidents on rural highways during the first seven months of this year as compared with the same period last year, but there were two per cent fewer deaths in those wrecks.

In an activity report released today the patrol said that 371 had died in 16,126 traffic crashes investigated by the patrol in that time, compared with 377 deaths in 16,478 crashes for a like period last year.

The number of injuries in these wrecks for the seven months period went up 13 per cent.

On the enforcement side, state troopers made 15 per cent more arrests. The total went from 68,881 to 79,006, the patrol reported.

Safety speeches and radio talks—spot announcements on radio and TV—went up considerably during that period, too.

State troopers spent 767,286 hours on highway patrols, and drove 11,167,635 miles during the January-July period.

The weights troop stopped 275,845 trucks and found 3,393 exceeding the weight allowed under Florida laws, and their owners were assessed \$274,731.

NEW BOWLING LEAGUE

"Traveling League", a new bowling team will be sponsored by Maxine's Studio. Mrs. Maxine Fries has decorated the shirts for the team which will play their home games at the Florida State Bowling Center.

Florida's 8426-mile coastline is no longer the longest in the nation, reports the Florida State Chamber of Commerce. Alaska has a shoreline four times as long to take over first place.

READY FOR PANTHERS—Red Devil players are ready and waiting for the assault by the Mulberry Panthers Friday night. Miracle is a junior letterman who tips the scales at 180 pounds. Duggan, a shifty lineman, is also a junior, but a shade lighter at 155.

VETERAN WINGMEN—Joe Jackson, left, and Ed Touchton, right, were the best aerial games in the Ridge Conference. Both have good hands, and are standouts on defense. Jackson weighs 165, Touchton, 182. Both are seniors.

IT'S WHAT'S UP FRONT THAT COUNTS—That's the way Coach Joe Francis sums up his forward wall. In a large number of starting roles in the Red Devil line are shown above. Bob Briscoe, left, and Bob Lane hope to make it plenty rough for opposing backs. Both juniors are juniors. Briscoe weighs 182, Lane 211.

SEAFOOD MENUS

Pineapple Rum Cocktails
in Coconut Shells

Have small coconuts cut in half, or use coconut bowls. In a large punch bowl place a block of ice and pour over it 1/3 of Puerto Rican rum and two 46 ounce cans of pineapple juice. Serve in the coconut shells with a hibiscus floating on top. Makes enough for 25.

Stone Crab Dip
See Cocktail

Stone crabs are taken near the rocks on nearby beaches and bays. Of these you are allowed to take only one of the giant claws from the male crab, leaving one and releasing the crab to grow another. Unlawful to take female stone crabs. Boil the claws not over 20 minutes in salted water. Serve with melted butter and a wedge of lemon or lime if you like. Also have handy, nut crackers and pickles. Or, you may remove the delicious morsels before serving and use for deviled crabs and other dishes.

STONE CRAB CLAWS:
Prepare the same as the blue crab—either boil or steam.

CRABMEAT COCKTAIL:
1/2 cup tomato catsup
2 tablespoons lemon juice
1 tablespoon grated leek
1 teaspoon celery seed
1/4 teaspoon salt
2 drops Tabasco sauce
1 cup flaked, cooked crab meat
Put in a decorative amount of flaked crab meat in cocktail glasses (2 to 3 tablespoons). Chill thoroughly. Serve with remaining ingredients. This can also be used as a dip for shrimp, lobster and mussels.

State's Doctors Gave Away \$19 Million In '60

JACKSONVILLE.—Florida physicians—many participating in the State Board of Health's hospitalization programs for the indigent—gave away over 19 million dollars worth of service last year.

The total was \$19,102,000. In 1959 the figure was \$15,225,000 and the increase during the five years was the largest percentage rise in the nation, according to a national survey.

The percentage increase from 1955 to 1960 was 25.5 per cent. Ohio was second with 23.5. The value of the services given away by the general practitioner in Florida was \$4,762, also the greatest in the country. The national average was \$3,278.

The greatest giveaway among specialists was \$5,325 in Tennessee. Florida was second with \$5,078.

But hospital services played only a part of the time given away by Florida doctors, said New Medical Materials magazine which conducted the survey. It said Florida physicians gave 47.4 per cent of their time to Private patients; 26.5 to hospital patients; 25.8 to outpatient clinic service; and 7.5 to other categories.

Charles Templeton, hospital consultant with the State Board of Health, pointed out that there are two Florida hospital programs: Hospital Service for the Indigent (HSI) which is serviced with state and county funds; and the Federal Assistant Recipient (PAR) program which is financed with state and federal funds.

Templeton said that in the last fiscal year, 15,766 indigent patients spent 115,896 days in approximately 115 participating hospitals at a cost of \$2,709,006 under PAR. Under HSI there were 151,656 days in hospitals at a cost of \$3,703,771. This money went for inpatient care—all expenses except those of the doctor who donated his services.

For the 1961-62 Florida biennium, seven million dollars has been allotted for the HSI program and eleven and a half million for the PAR program. The state-county program was started in January 1956, the state-federal program in October 1959.

Physicians make a general recommendation of the economic need under HSI when called upon to treat a sick person. This program applies to persons able to support themselves and family but unable to foot a hospital bill. The doctor also makes a specific recommendation regarding the illness.

A patient already indigent under the State Welfare Board comes under PAR. In this case the doctor need not specify economic indigence since it is already evident but he must make a recommendation regarding the illness.

City Election—

(Continued from page one)

An aftermath of the election was seen on the Mall Wednesday morning—rotted moldy graves and inscribed epitaphs for each of the losing candidates. The practice is one that has been the source of many laughs in past years.

Highlands County Health Doctor Guest Speaker At Woman's Club

GWFC Workers Complete Course

TALLAHASSEE — All employees of the Game and Fresh Water Fish Commission have completed a special eight-hour school in their duties as Florida Civil Defense command radio operators, according to Dr. O. Earle Frye, assistant director. The Commission employees operate a state-wide network of 41 base and satellite radio stations, and 280 mobile units in patrol cars, trucks and airplanes. Wildlife officers and other employees throughout the state have the duty of transmitting air raid warnings and alerts from State Civil Defense warning to all County Civil Defense Directors and to all Deputy State Directors for Florida Civil Defense Operational Areas. All Commission radio equipment is financed by cooperative Civil Defense and Commission monies. Commission employees participate in all CONELRAD radio alerts in cooperation with the Department of Defense. The school, which utilizes special pre-recorded audio techniques, was prepared and presented throughout the state by Robert McMillan, chief of the Commission's Communications Section. A special Civil Defense Communications manual has been prepared and issued to all Commission employees, Frye stated.

Dr. Wm. F. Hill, Jr., head of the Highlands County Health Department was guest speaker for the Junior Woman's Club when they held their first meeting following the summer vacation. Dr. Hill has recently returned from the University of California where he studied special courses in Civil Defense and protection against radio active fallout, which he discussed and he also emphasized that every family should have a plan to follow in emergencies and should be familiar with alert signals.

Mrs. B. F. Camp, Jr., president, conducted the business. Reports from committees and plans for the year were heard. Membership cards from the State Federation of Woman's Clubs were distributed to the members. Mrs. David Mosser was introduced as the Club's girl scout leader. Attention was called to the progress being made in Donalson Park, the Club's project, and the fine cooperation being received from the City of Avon Park.

Hostesses who served refreshments at the close of the meeting were Mrs. Ralph Hill, Mrs. Pete Peterson and Mrs. K. W. Elder. The lace covered table was centered with a large white compute filled with pink roses. This was a real conversation piece while they enjoyed cocoa, cake, nuts and mints.

The annual meeting at the club has been postponed from Wednesday night, September 13, until Thursday night, September 28, so as to let more of the members (men) go to the bar-b-que given by the Avon Park High School Athletic Association. The smoker or bar-b-que will be held at the Florida Power club house on Lake Lo-hale, Wednesday night, September 28. The Association is doing a great many things for the high school sports program, and it is hoped that all the men

that can possibly make it attend the bar-b-que at 7 p. m. is the starting time. I know that we are all sorry to hear that Eddie, our fine chef, and a nice guy, is in the hospital. This means too, that we can't get any food at the club this week. I have not as yet been able to find out what is the cause of Eddie's stay at the hospital, but let's hope that it will be taken care of and that Eddie will be back soon.

We don't know if the club will be serving dinners next week or not, so you had better call the club if you are planning on eating out there to make sure that you can be served. Don't forget the annual meeting on Thursday, September 28.

Two Hostesses Compliment Mrs. Stewart

Mrs. S. T. Stewart, the former Miss Jan Saylor, was complimented with a Punch Party Thursday afternoon at the lovely new home of Mrs. R. L. Padgett in Hollyhocks, with Mrs. E. G. Touchton as co-hostess.

The bride's mother, Mrs. Vernon Lanier, received the guests with the hostesses and the honoree. Pink shades predominated in the summer flower arrangements. A large green goblet holding an elongated design of coral vine and pink hibiscus blossoms stood on a table in the foyer. Pink azaleas and coral vine and African violets adorned the spacious living room.

Mrs. C. E. Lanier and Mrs. L. D. McGiboney presided at the punch bowl. A pink organza cloth with lace inserts covered the refreshment table. Grapevines entwined the crystal bowl and gracefully trailed down the center of the table with clusters of grapes and pink hibiscus blossoms interspersed. A frozen heart of cherries and lime slices floated in the punch. Silver trays held dainty sandwiches and a variety of fancy cookies and nuts and mints were served from crystal compotes.

Mrs. Charles McCalfee, Mrs. David Lanier and Mrs. W. S. Betts assisted with the hospitality.

The hostesses presented Mrs. Stewart with a gift of China in her chosen pattern.
