Devils Host Kathleen In Rode Tilt Friday

Rout Panthers By 51-6 Score In Opener

Avon Park's high flying Red Devils seek their second Red Conference victory of the young season here Friday night when they play the Kathleen Red Devils, who will also be after win number two. Avon Park triumphed Mulberry 51-6 last Friday and Kathleen squeaked past Lake Wales 6-0.

Joe Franz, Avon Park coach, told The Sun this week he expects Kathleen to be one of the toughest teams his boys will meet all season. "He went on to say 'they have a big squad with plenty of big boys and utilize their size with a rugged power running game from an unbalanced T-formation.'"

Commenting on his own squad, Franz appeared well pleased with his team's performance in the curtain raiser. Guy Garrett, assistant and defensive specialist was impressed with the defensive play of the Avon Park eleven, holding the rugged Panthers to six points and 80 yards rushing.

Franz told The Sun that all except two boys got to play in the Mulberry game. These two youngsters were held out in order that they could play in the "B" team game this Friday night. He pointed out that players have to wait six days before playing another game, so it's a "B" team or "B" team. Avon Park is expected to start the same lineup as last week with Touchton and Jackson at end, Scott and Farish at tackle, Duggan and Briscoe at guard, Money and Benton at center, Money and Benton at halfback, Barfield at fullback and Seims at quarterback.

Martin Mills, Kathleen coach, is expected to use basically the same team that opened Lake Wales for his team first opening game win in neutral territory. Williams and Tyler, end; Clark and Galtoun, tackle; Lehman and Colledge, guard; Anderson, center; Dial and Dawson, halfback; Bane, fullback; and Lindsay, quarterback.

The Avon Park band under the direction of Victor McKinnis will provide halftime entertainment.

Red Devil 51, Mulberry 6. Avon Park's Red Devil football team treated an opening game home town crowd to a first class offensive show. Friday night, romping to a 51-6 victory over the Mulberry Panthers in a Ridge Conference tilt.

Lamon Money, scoring champ of the circuit last season, got off to a bang-start in quest of a second title. Money scored touchdowns and had one nullified by a penalty. David Barfield and Bobby Miller entered the charmed scoring circle with six-pointers and a field goal.

Ed Touchton scored extra points. Kathleen cracked the middle for two PATs and Touchton took a pass from Seims for the other bonus points. Money's touchdown jump by Bob Pearl was also nullified by a penalty.

The Red Devils' scoring line was early in the first quarter, moving 70 yards in ten plays, with Money going over from seven yards. The score was set up on a 54-yard gallop by David Barfield up the middle. Leroy Benton went up the middle for the conversion.

On the next series of plays after Mulberry was forced to punt, Avon Park took to the air with Seims tossing a long aerial to Money, climbing a 56-yard drive. The extra point try was good.

After a change of a six early in the second period, Mulberry picked up two first downs and then Dunbar Knight broke through the Devil line and scampered 30-yards to the promised land, but to no avail. A teammate was detected holding, nullifying the score.

Following the ensuing punt to the Red Devil two-yard line, the home-towners moved to the 16-yard stripe where Money showed his heels once again. He moved 84-yards for his third TD of the evening. Seims passed to Touchton for the conversion, ending the scoring for the first half.

Rout In The Third Period. Midway the third period, the Red Devils turned the game around, as Money scored his fourth touchdown from 30-yards out. The conversion attempt on a pass was good. David Barfield recovered a Panther fumble to set up the score.

Minutes later Money scored the pick-six again, this time on his own 51 and went 65-yards for his fifth six-pointer. Benton tackled on the PAT.

Following the kickoff and an unsuccessful Mulberry series, Red Devil, who scored six times in his team's 51-6 rout of the conference foe.

RED DEVIL CASUALTY—Bill Ward, a junior end on the Red Devil eleven received a nasty cut in last week's opening game with Mulberry. Doctor H. W. Coleman, team physician, renders medical aid to the youngster on the sidelines. The wound required several stitches.

LINEMEN TAKE BREATH—While their cohorts were battling the Mulberry Panthers, Bill Scott, left, and Bob Lane, Red Devil interior linemen, watched the action. Judging from the smile, Scott liked what he saw. Both were outstanding in the Devils' opening win.

Damage Suit Is Filed This Week

An extermination company has been named defendant in a suit filed in Circuit Court last week. Claudia Patterson is seeking damages in excess of \$500 from Orkin Exterminating Co.

Mrs. Patterson's daughter, Claudette Patterson, died in September, 1958, at a result her mother claimed, of eating some insecticide marketed by the Orkin Company.

Mrs. Patterson claims that the company agent acted in a negligent and careless manner in his handling of the poison. In her petition she states that the agent approached a fishing party, which included the Pattersons, and talked with one member of the party about insect problems.

He gave to that member of the fishing party some insecticide, "pouring the poison into an empty beer can." Patterson girl ate some of the poison and died a few hours later.

Following the ensuing punt to the Red Devil two-yard line, the home-towners moved to the 16-yard stripe where Money showed his heels once again. He moved 84-yards for his third TD of the evening. Seims passed to Touchton for the conversion, ending the scoring for the first half.

Minutes later Money scored the pick-six again, this time on his own 51 and went 65-yards for his fifth six-pointer. Benton tackled on the PAT.

Following the kickoff and an unsuccessful Mulberry series, Red Devil, who scored six times in his team's 51-6 rout of the conference foe.

Shoppportunity Days Nov. 2-4

Plans for the Fourth Annual Avon Park Shoppportunity Days were announced this week by Ed Touchton, chairman of the Chamber of Commerce merchandise committee. Touchton said the committee has been scheduled for Thursday, Friday and Saturday, November 2, 3 and 4. At that time a Miss Shoppportunity will be crowned. Several other promotions are also underway for the week end.

On "Trading In Avon Park" will be spotlighted during the Days.

Commissioners Set Millage For Next Year

At its last meeting of the 1960-61 fiscal year, the Highlands County Board of Commissioners adopted a resolution setting the millage rate for the fiscal year beginning July 1, 1961.

The resolution provided for a millage rate of 1.00 mill for the fiscal year beginning July 1, 1961. This is a decrease of half a mill for the former and .55 jump for the fiscal year.

In 1960 the Avon Park school district one had no millage at all, but in the coming year will have half a mill. District two in Sebring jumped from a quarter of a mill to a full mill.

Central and Southern Florida School District millage increased from three-quarters of a mill to 9 of a mill.

The county board of commissioners held the line, and the total millage remains at 18 mills. 7 mills for general fund, 6 mills for road and bridge fund, 2.5 mill of Sebring, and 2 mill for health department fund, 1.25 mill for jail bond and sinking fund, 1 mill for health department fund.

The county board of public instruction's current fund remains at 10 mills and the special tax school district current fund at 10 mills. The total of 20 mills—the legal limit for schools.

Three Cases In Circuit Court

Three cases were heard in Circuit Court last week. Judge Clifford M. Kelly dismissed two charges against Monroe Baldwin.

Baldwin was charged with unlawful possession and unlawful transportation of explosives without licenses.

Joe E. Brown, who had previously pleaded not guilty to a charge of burglary by breaking and entering with intent to commit a misdemeanor, changed his plea to guilty.

David Johnson pleaded guilty to one first degree murder charge. Judge Kelly ordered pre-arrest investigation by the Sheriff's Office.

Herbert Glynn Fraser of Lakeland, Ann Pryde of Frostproof and Donald Fredrickson of Lakeland—all white—pleaded not guilty. Their trials are set for the November term of court.

Pride also entered a not guilty plea to a charge of driving without a license.

DEMO WOMEN TO MEET. A meeting of the Highlands County Democratic Women's Club will be held at the home of Mrs. F. Egin Bayless, Thursday, September 21, at 8 p.m. The address is 1480 N. Lakeview Drive, Sebring.

September Election Set For Freeholders To Make Decision On Nov. 7

Term of County Court Underway

Driving while intoxicated charges against Roy Deardorff, defendant, are heard in the September term of County Court.

All three cases scheduled for Wednesday are on that charge. Defendants are Roy Deardorff, Dampier, Fulton Anderson and James H. Strick. Court will open at 9 a.m.

On Thursday Milton Shows, Lorene Strickland Vinton and Connie William Purvis will face the same charge. Purvis is to be tried also for driving without a license.

Other cases scheduled for Thursday are against Shirley Wilkerson for obtaining welfare funds by fraud, West Peak for possession of moonshine, Abraham Jacob Stein for reckless driving, Edmond Henry for possession of unlicensed beverage, Tom June Lewis for contributing to the delinquency of minors.

Twenty-three men and one woman have been called for jury duty Wednesday. The lone woman to be called is Mrs. Katherine Hubbell of Sebring.

Men called are William Stanbo, Lawrence T. Hendrick, broad, Stephen T. Keller, Raymond H. Batts, Clement O'Brien, A. Frank, Thomas S. Rauterson, Frank R. Cure, A. J. Kahn, Arthur R. Stickle, Sr., J. L. Sebring, Thomas E. Peoples, Archie Sebring, R. Goshorn of Lake Placid.

A. B. Gettel, Jerry P. Ballard, J. M. Stiles, Hal B. Good, broad, Stephen T. Keller, Raymond H. Batts, Clement O'Brien, A. Frank, Thomas S. Rauterson, Frank R. Cure, A. J. Kahn, Arthur R. Stickle, Sr., J. L. Sebring, Thomas E. Peoples, Archie Sebring, R. Goshorn of Lake Placid.

Red Devil "B" Team Posts Win Over Miners

Ivan Bennett, sophomore "B" squad fullback, scored two touchdowns to lead the Avon Park Jayvees team to a 21-0 win over the Ft. Meade Miners at Memorial Field.

The Avon Park team scored once in each of the first three quarters but the Ft. Meade defense managed to hold the Avon Park Jayvees scoreless in the fourth period.

John Rhodes scored the first Avon Park touchdown on a five yard pass from the quarterback, sophomore quarterback, ran the extra point.

Tom Nunnally broke loose for the second score and the sophomore burst through the defense for the second score and the sophomore burst through the defense for the second score.

DeWayne Lemler in the end zone for the extra point. Tom Nunnally broke loose for a 30 yard touchdown dash but was stopped when the clipping penalty early in the third quarter.

On the same series of downs, Bennett scored his second TD of the game on a 15 yard scamper. John Rhodes added the PAT.

Next Tuesday night the Avon Park Jayvees travel to Sebring for a battle with the junior Blue Streaks.

Supplements To '60-61 Annual

Mrs. Lena Suggs wishes to inform students that many have not picked up the supplementary material which is ready to be picked up at the APHS Annual for last year.

This material includes a number of pages of pictures and articles about the Junior-Senior Banquet and graduation affairs and the closing of school, which was not completed when the annuals went to press.

UNDER ARREST. Clifford Lamar (Hoppy) Hall, a former employee of the Avon Park Bank was arrested last week in Tampa by the FBI on a \$25,000 embezzlement charge. Hall is alleged to have been involved in the bank's collapse from the First National Bank of Tampa.

CONSTITUTION DAY. The Florida Chapter, Daughters of the American Revolution, lined up with more than 187,500 members of the National Society in observance of Constitution Day, Sept. 17, 1961.

Thought For Today. We're coming by helping others.

BANQUET GUEST—Mrs. C. Parke Anderson, right, widow of the late C. Parke Anderson, is greeted by Colin D. Gann, retired State Conservationist, at the annual meeting of the Highlands Soil Conservation District held in Lake Placid last week. Anderson is the only deceased past member of the district's board. He was chairman for five years and served as president of the state association. He died while attending a meeting of the national association in Atlanta in 1952.

Soil Conservation Banquet Honors Past Board Members In Lake Placid

All the past members of the Highlands Soil Conservation District Board of Supervisors had a banquet at the Placid Tower Restaurant in honor of the Highlands District staff.

Colin D. Gann, retired State Conservationist, presented the banquet with a silver tray on behalf of the Highlands District. Futch served 14 years from 1946 to 1960 rendering outstanding service. He served as contracting officer on two projects. In fact, he spent his own money in carrying out the outstanding job.

Gunn retraced the History of the Highlands District since 1942 and congratulated the 20 devoted landowners who had given of their time in an effort to advance the scientific development of our soil and water resources. He pointed out that a frightened group of people back in 1942 called for a referendum and created the Highlands Soil Conservation District, the first south of Ocala in the United States. In 1942, the entire county was included.

The Highlands District has led the state with four watershed projects and completed the first two. The Lake Placid East chain of lakes and Fishcamp Creek. Futch spent as much as 30 hours a week of his own time to personally do the administrative work on these tracts.

Plans Made For First Resident Reopening Youth Of Avon Park Center In Avon Lakes Passes

The Youth Center Association met Monday night to formulate plans for activities for the coming year. This organization was formed to help, encourage, and assist in any way the youth of our city in planning and carrying out their own supervision.

Throughout the year, the members of the Youth Center Association have worked with the Teen Club members to make the Youth Center more attractive and inviting to all of our teenagers.

The building, which was donated by the city, has been used by local organizations for various activities. The annual flower show by the Garden Club has been held here for the past two years. The building is a private parties for a nominal charge of three dollars.

A separate organization, The Youth Center Development Association, was formed and chartered by the city. It was formed to build and build a new building across from the high school playground. Construction has begun on the building and upon completion will be turned over to the Youth Center Association to operate in conjunction with the Teen Club as is the present building.

The Youth Center Association has not had a fund raising drive for three years and plans are under way to conduct a drive in November in order to raise money to carry on the projects outlined for the coming year for the entertainment and the Teen Club as is the present building.

Freeholders To Make Decision On Nov. 7

November 7 is officially "decision day" on the establishment of a county hospital. At the request of the Highlands County Hospital Association, the Highlands County Commissioners and school board agreed to combine the two votes and split the costs of the election. Voting in this election is limited to the registered freeholders of the county.

At the same time school trustees for the county are to be elected. Earlier in the Summer the commissioners and school board agreed to combine the two votes and split the costs of the election. Voting in this election is limited to the registered freeholders of the county.

The 1961 session of the Florida Legislature passed two hospital bills introduced by Highlands County Representative Howard Livingston. The referendum will be on the bill which provides for the establishment of a county hospital to be supported by a tax levy on a hospital district which includes the entire county.

If the November 7 referendum is defeated, an alternate bill will be on the ballot. If a special hospital district embracing all of the county except the northern six miles would be established. In either case, the bills would be voted on before October 1, 1962, according to constitutional provisions set forth in the bill.

Richard Dressed of Lake Placid acted as spokesman for the Hospital Association, and when asked about the election date for the second referendum, said, "That is a bridge we'll cross if we have to—when we come to it."

State law provides that the entire bill—22 legal pages—must be published at least 30 days before the election. The commissioners considered delaying publication until the new fiscal year begins in October.

"Just printing this will make an even bigger hole in our battered budget," Chairman Eugene Hamlin observed. However, the commissioners decided to proceed with publication immediately.

Board Attorney R. P. Dunty, Jr., of Lake Placid, observed, "This whole matter ought to be laid before the people as soon as possible. It needs to be laid out so that the people may know completely and accurately what they are voting on."

Complete text of the referendum is found on page 9 of this week's Sun.

County health was a major item on the agenda throughout this week's session of the county health commission. Health Director W. F. Hill, Jr., who consulted the commissioners on the health of the county, was asked, "If we get a county hospital we need a building."

"The fact that we would have a hospital would not change the fact that we need a public health center," Dr. Hill said. "We need office space and room to carry on an education program. We are stymied now and can't improve our program until we do it."

Dr. Hill said federal funds (provided for in the Hill-Burton Act) could be obtained to help build a health center. (It is anticipated that Hill-Burton funds will be sought to help build the proposed county hospital.)

On the Hill-Burton subject, it was learned this week that Walker Memorial Hospital is considering applying for money from the act, to help finance a new 55-bed addition which is to be built on the existing grounds.

L. Lind, administrator at the Avon Park Hospital was out-of-town but he previously reported to The Sun his group is interested in helping finance a new hospital building.

The plan was to use a new building to be used in a new program.

Dr. Hill said he would finance the new building. A building fund is being organized by the health department. The one-half tax levy now in force has been yielding enough money for the general fund plus building fund.

Dr. Hill said the health department is interested in the county's health in the general fund from \$18,000 to \$22,000 a year. The money would be used to finance a new program.

Fla. Power Appoints Shoemaker To Public Relations Position

The appointment of James L. Shoemaker to director of public relations for the Florida Power Corporation has been announced by W. J. Clapp, FPC president. This department, formerly directed by the late J. K. "Pat" Flanagan, has responsibility for the cultivation, maintenance, and improvement of the company's relations with its many "publics" which include customers, employees, suppliers, dealers and stockholders. The public relations department has overall direction of the company's advertising, news and publicity programs. It also disseminates information about the many local and national business and professional activities of the company and its employees and the company's place in the investor-owned electric utility industry.

Shoemaker, formerly the company's director of market research, joined FPC in 1955. His experience includes more than 20 years in the fields of economic and market research, and sales promotion with two of America's largest corporations.

Clubhouse At Avon Park Lakes Undergoes Facelifting

Clubhouse REMODELED—The clubhouse at Avon Park Lakes has recently been remodeled, the work contracted by Laycock and Prevatt, Builders, George O. Barnes, was the architect. The Clubhouse is located on Lake Olivia. Photo courtesy Glenzard Studio.

Congratulations and best wishes to the bride and groom, Laura E. Warham and Robert W. Hanford were married last Friday, Sept. 15, in Lake Wales. Rev. Harry E. Edwards, Associate Pastor of the First Presbyterian Church performed the ceremony. Their attendants were Mrs. Harry C. Taylor, George Barnes and Elizabeth Walker spent Friday and part of Saturday visiting friends in New Port Richey, arriving home in time for the weekend guests. Dr. and Mrs. Harold C. Balem, and Vincent George's brother, from Fort Lauderdale. Misty (the French poodle) came along too.

Mr. and Mrs. Eugene Dettinger returned home Saturday after an absence of several weeks. The Dettingers stopped in Alexandria, Va. to visit a nephew, and friends in Philadelphia. This Thursday, Sept. 21, we will hold our first covered dish supper in the newly remodeled club house at 6 p. m. Hostesses for the supper will be Mrs. Mary Lynch, Mrs. Thelma Road, Mrs. Heddy Riley and Mrs. Pansy Diebold. Following the supper there will be an important business meeting.

Another first in our newly enlarged club house will be a square dance next Wednesday, Sept. 28 at 7:30. Claude Kendrick will be there with his music and will supervise the dancing. So come all, there is plenty of room for dancing and on-lookers too.

We are looking ahead to Saturday, Sept. 30, when the ladies of the Women's Group are putting on an ice cream and cake festival at the club house 7:30 p. m. So let's make Saturday the 30 of Sept. a date at Avon Park Lakes club house visitors will come.

Mr. and Mrs. Howard Melting of Miami Springs spent the weekend at their home after driving their daughter, Ginger to Gainesville, where she entered University of Florida as a freshman.

The 4th share quarterly dividend appears assured.

* Latest achievement of Black & Decker's product research is a revolutionary portable electric drill, the world's first cordless electric drill. The tool requires no connection to conventional outlets or power sources; it carries its power in the handle. Nickel-cadmium power cells supply the power to drill 1/2" holes in steel and up to 1/4" holes in wood. Free from the limitations of a cord, it can be used anywhere, on a boat, in a field, on a ladder, out on the highway. The power cells can be recharged as many as 400 times before being replaced. In the opinion of R & D management, the cordless electric drill is the greatest advance in portable electric tools design since Black & Decker introduced the pistol grip and trigger switch in 1916.

Southland Trailer Park

Dr. and Mrs. Ezra L. Hutchins arrived the past week from a summer spent in the Bloomington, Ind. area. They returned for a short trip and expect to be home next week. Their son, J. Warren Hutchins, has been made a Bishop in the Episcopal Church and expects to serve area in the New England states.

Friends are saddened to hear of the death of George Hefferman, who died suddenly in Gendies Island, Ontario, Canada. It is expected that Mr. Hefferman will be here for the winter season again.

Mr. and Mrs. Floyd Knapp who spent the summer in Ohio are back and Mr. and Mrs. Henry Gerdes are home after spending the summer in Illinois.

Mr. and Mrs. Thomas Morrison of Miami have arrived to make their home in the Park.

A concentration of only 0.15 per cent of alcohol in the blood causes intoxication and abnormality of bodily functions and mental facilities, according to the Florida Alcoholic Beverage Administration.

Familiar to the consumer are the (Mellin's) plastic dinnerware made from melamine. The company's acrylic decorative laminates. As one of the leading producers of acrylonitrile, the company was able to obtain a direct foothold in the textile field by marketing its own Creslan fiber with this chemical intermediate used as a basic raw material. Creslan is being featured in the expanding number of apparel and home furnishing lines.

Phosphate products, insecticides, animal feeds and veterinary items provide a broad penetration of the agricultural field. Heavy chemicals, catalysts, resins, dyes and many intermediates are produced for a wide variety of industries.

The company has an aggressive research program; spent \$29.1 million on it last year. Behind the \$1.14 a share lagged behind the \$1.34 in like period of last year, a recovery is being experienced. American Cyanamid is capable of completing the current year with results bettering the 1960 sales of \$78.4 million and profits of \$22.0 a share. Maintenance of

The LIGHT WATCHMAN

...A New LIGHTING SERVICE FOR YOU
Here's a new, low-cost lighting service that will answer many of your outdoor lighting needs.

Similar to an up-to-date street lighting installation, the new LIGHT WATCHMAN automatically provides dusk-to-dawn illumination. It discourages vandalism, prevents accidents. At the same time, it enhances the beauty of your home and enables you to enjoy your yard at night.

There is no investment or down payment required for a LIGHT WATCHMAN installation. The service is available to all our customers at a low, monthly rate, so why not call our nearest office for further information on LIGHT WATCHMAN service for your home!

Hawaii, Puerto Rico Set Up Rigid Requirements for Nursery Imports

Tallahassee — Hawaii and Puerto Rico maintain rigid requirements for nursery imports. The Department of Agriculture, according to State Agricultural Commissioner Doyle Conner, has explained that the Department of Plant Industry in Hawaii and the American Virgin Islands, apparently some people wanted to know if the new Department of Agriculture in Hawaii would change any of the previous requirements for the entry of plants and plant parts.

Conner said, "The necessary instructions have been relayed to our plant inspectors by Dr. W. G. Cowperthwaite, Division Director. The memorandum specifies that special permits are needed to get many plants past terminal inspection points in Hawaii and Puerto Rico, while officials in Alaska and the Virgin Islands apparently are content with the regular inspection certificate issued by the Division. The special permit must accompany the shipment of plants, plant parts and seeds of bananas, coffee, pineapples, sugarcane and passion fruit into Hawaii, and only limited quantities will be allowed entry. Dr. Cowperthwaite declared, 'While no ban is placed on orchid plants moving into the islands, the special permit still is required. Puerto Rico allows banana and coffee plants and plant parts to be moved into that country, but only for experimental purposes. While pine-apple plants may enter for propagation use, certification is necessary for coconut plants and nuts, the special permit is required for sugarcane seedlings and cuttings, and an absolute ban is maintained against citrus plants. This international regulation is a safeguard against the tristeza virus present in Florida, Dr. Cowperthwaite said. Besides the inspection certificate, Alaska requires that the name and address of the shipper or owner and that of the consignee or agent, as well as a statement of contents accompany each shipment of plants. Notice of arrival must be given Alaska's commission of agriculture and the plants will be held for inspection. Infested or infected plants will be treated or destroyed at the owner's expense. School days are here again. Protect children. Slow down.

"Open House" Set For Girl Scout Council

On September 22, 1961, the Heart of Florida Girl Scout Council, Inc. will have "Open House" celebrating their move into the new offices in the Palm Crest Hotel, 8th Street, Haines City, Florida. Hours for calling will be from 2:00 until 5:00 p. m. Adult and Senior Girl Scouts, and all friends of Girl Scouting are invited to attend.

Group Elects Citrus Advisory

In a meeting this past week in Avon Park, the Highlands County Citrus Advisory Committee elected its leaders for the 1961-62 season. Bob Barben was elected chairman, Smokey Padgett was elected vice-chairman, and Jack Hutchinson was chosen as treasurer. The Assistant County Agent was instructed to handle the secretarial tasks. Other members of the Citrus Advisory Committee are: W. F. Ward, Elton Crews, Earl Crutchfield, Jim Kelly, and Cole Danley. Bill Post and Bob Barben will represent the Citrus Advisory Committee on the Highlands County Agricultural Council which has selected Bob Barben their chairman. Among many other things, the committee moved to promote a "California Citrus Trip" similar to that taken by Franklyn Ward and Elton Crews a little over a year ago. Such a trip can cost less than \$600. Six or eight are reported as the most desirable party size in making the tour. Interested growers should contact the committee.

... the Book of Faith, something to hold to when you realize you cannot make it alone. Grateful women and men have called it a "rock in a weary land, a light in the dark, a refuge in time of storm." God called it His word. It contains the prologue to the true meaning of Valley Forge, the duties and obligations of every American citizen, Counsel and advice to the wise and the foolish. If we cling to the Bible, God will hold us when we ourselves are no longer able to hold the Book. Then take this Book of Faith in both your hands and discover a solution to every problem you have. I offer you the Book and the God your fathers trusted. They were not ashamed nor were they forsaken.

Winter Guest Club News

Dancing has always had its many devotees among members of the Guest Club. Apparently it is going to have more this coming season. Here it is just past the middle of September when normally one would not expect any great number out for practice on Monday night so early in the season nor for the regular dance on Friday. But last Monday evening saw four sets present, and five sets on Friday, numbers considerably in excess of previous years at this time. So it seems that we were not wrong at all when we stated in last week's issue that dancing was to be the most popular indoor sport this coming winter.

Another indication of the same is the fact that the dance committee has voted that the instructor in dancing, after eight years of service, is entitled to an assistant, and said assistant is to be Mr. Wagner. We understand that Mr. Krenierick and Mr. Wagner have formed a sort of pleasant partnership for the purpose of more effectively carrying on the business of dance instruction. That is good news for everybody here, and especially for all interested in the torchlight art. We hope that big word offense nobody; we use it because one can't do full justice to this important matter with ordinary two-syllable words. So.

Hereafter we understand that the Monday evening classes will be under the instruction of Mr. Wagner. All who are interested in learning how to dance, or who wish to become more efficient in the art, will please confer with him at the Club House on Monday evenings at 7:30. The members will be there on time, will be a great help to the instructor.

The Friday evening dances will continue to be under the direction of Mr. Krenierick as in the past. Little or no instruction will be given then; all present will presumably be more or less seasoned in the art. Both Mr. Krenierick and Mr. Wagner will from time to time offer new dances, thereby giving it is hoped greater variety to this popular art. This must not meet with approval by all, especially some of the newer dancers, but so far as possible both instructors will aim to cater to the wishes of the majority.

"Hear the mellow wedding bells, Golden bells!" So sang Edgar Allen Poe some hundred and fifty years ago. Those bells, at least in fancy, rang for two well known and much liked members of the Guest Club a few days ago when Mrs. Vera Ogden became the wife of Mr. Frank A. This "marriage" was made in Heaven. This marriage probably received Heaven's benediction, but it was made in Providence. Rhode Island, on the 9th day of September, 1931. The happy couple left at once for a tour across the country even to the city of Mexico, far below the border. They will return in good season to Avon Park, to take up residence on Walnut Street and to receive the glad hands and congratulations of their many friends here, including The Stroller.

The Florida Alcoholic Rehabilitation Program estimates there are more than 100,000 alcoholics in the State of Florida.

MRS. JOHN PAXTON HILL, JR.

Miss McDaniel, John Paxton Hill, Jr. Wed Here Saturday

Miss Brenda Fay McDaniel and John Paxton Hill, Jr. were united in marriage Saturday, September 9 at 4 o'clock in the afternoon. The double ring ceremony was performed by the Rev. H. Jackson Downey in the First Methodist Church of Cocoa Beach. Ported palms and floor baskets of white summer flowers decorated the church.

Mrs. Ted Hersey, church organist, rendered a program of music during the ceremony. The bride is the daughter of William Frederick McDaniel of Langley, S. C. She was an afternoon dress of lavender sylvan over tulle, trimmed with white lace and carried a large white orchid. Her attendant was Mrs. H. B. Shorter and J. Paxton Hill attended his son as best man.

Mrs. Hill chose for her son's wedding a two piece dress of dusty steel blue lace and satin with a jacket and matching accessories.

Following the wedding a reception was held at the groom's apartment in Cocoa Beach, overlooking the ocean.

The refreshment table was overlaid with a white damask cloth. Three tiers of wedding cake was adorned with a miniature wedding party standing under a trellis of valley lilacs and garden bells. After the bride and groom had cut the first traditional pieces and pictures were made, Mrs. T. H. Maxwell cut and served the cake. Mrs. Hill presided at the punch bowl.

The young Mr. and Mrs. Hill will be at home at 140 S. 27th Street, Cocoa Beach. He is employed as a research engineer with RCA at Cape Canaveral. She is a student nurse.

Those from Avon Park attending the wedding were Mrs. A. B. Whitte, Mrs. Lena Suggs, Mrs. Maxwell and Mrs. Addie Lee Best, Mrs. Len Shockley and Jimmy Shockley and Mr. and Mrs. Wallace Kaiser.

President of Woman's Medical Association Is Speaker Here

The Woman's Auxiliary to the Highlands County Medical Society held its first monthly meeting of the season Monday night, Sept. 18 at the Jacksonville Hotel following a joint dinner meeting with members of the H.C.M.S.

A short business meeting was conducted by the president, Mrs. C. Brooks Henderson. Program chairman, Mrs. Robert T. Roberts, introduced the speaker, Mrs. W. Dean Steward of Orlando, president of the Florida Medical Auxiliary.

The Steward spoke of the role of the Medical Auxiliary members as leaders in the recruitment of young people into careers of the various fields related to problems of health and medicine. She emphasized the availability of scholarship funds for qualified candidates who are interested in health careers.

The Steward has three children, she is a native of Tennessee and attended the University of Chattanooga. While doing graduate work in medicine at the University of Chattanooga she met her husband, Dean, who was a young intern at the time.

In 1940, after World War II and a residency in medicine at the Jefferson Hospital in Philadelphia, they moved to Orlando and settled there with their four year old daughter, Frances. Although Mrs. Steward had a growing family in many activities. Those included being president of Alpha Delta Pi sorority, Sunday School Superintendent and temporary director of Christian Education of the First

Presbyterian Church of Orlando and a member of the advisory board of the Young Women's Community Club. She helped organize the Rotary-Auxiliary when her husband became president of the Orlando Rotary Club.

Mrs. Steward's experience in the medical Auxiliary started when she participated in the reorganization of the Orange County Medical Auxiliary in 1947, and served as its president in 1955. She has held numerous state offices such as the chairmanship of program, AMEF and year book, the first vice presidency last year and now elected to the Chair for the year 1961-62.

This year, as Mrs. Steward tours the state to visit all Auxiliaries, and wears the badge of Florida at the National meetings, her charm and ability will do much in promoting the high aims of her office and enhance the Auxiliary's growing reputation for leadership.

Mrs. Steward was accompanied to Avon Park by her husband, Dr. W. Dean Steward, who was a guest at the doctor's meeting.

Mrs. Daffin Lincogno, wife of Dr. D. Lincogno, staff physician at APCH was present as a guest of the auxiliary.

Avon Couple Wed Last Friday

Of interest to friends in Avon Park is the wedding of Laura B. Warshaw and Robert W. Hanford which took place Friday, September 18, in the Presbyterian Church of Lake Wales with the assistant pastor, the Rev. Barry Edwards officiating. Mr. Hanford's sister and husband, Mr. and Mrs. Harry Taylor of Winter Park attended the couple.

Mr. Hanford has made his home in Avon Park for a number of years. The bride came here from Cambridge Springs, Pa. a year and a half ago. They will be making their home on Avon Boulevard in the Avon Park Lakes section.

Founders Garden Club Circle Meets

Mrs. B. C. Outling and Mrs. C. Brooks Henderson were hosts to the Founders Circle Thursday morning at 9:30 a.m. at the lovely Outling home on Lake Letela.

Yellow Alamanadas accented the Fall flower arrangement on the refreshment table. Mrs. Henderson served a lime punch from the crystal bowl, and dainty sandwiches were served with an attractive bowl of fresh grapes.

During the business, Mrs. W. C. Touchton was elected to serve as president for the remainder of this year in the place of Mrs. C. C. Swihart who had resigned because she moved away.

Mrs. Charles G. Metcalfe and Mrs. E. J. Barber were welcomed as new members.

The program on horticulture was given by Mrs. E. A. Shepherd, her topic being "Preparing Seed Beds".

VISIT IN KENTUCKY

Mr. and Mrs. A. W. Miracle and baby daughter, Margaret Lynn, left by plane Saturday afternoon for Harlan, Kentucky, for a visit with Mrs. Miracle's parents, Mr. and Mrs. Earl Duvant. The Illinois family's mother prompted the short trip, as they plan to return this weekend.

Student Council News

The Student Council held their first organizational meeting of this school year Monday afternoon. Miss Millie Pearson is a sponsor for the Council and Andrew Knight will act as co-sponsor. Committee for the year were appointed.

The Student Council is composed of the senior high school class presidents and representatives chosen from all home rooms from the 7th through 12th grades.

School day pictures will be made Monday. This is a project sponsored by the Council.

Intra County Council An Intra County Council was formed at a recent luncheon held at the Jacarana Hotel,

when the APHS Student Council was host to the other three Student Councils of the county, with all officers and sponsors attending.

Avon Park heads the Intro County Council as president this year. Avon Park was also elected as treasurer of District 5 in the state which is composed of six districts.

DIES IN OHIO

H. W. Reddick's son-in-law, E. N. Hiller of Worthington, Ohio, who visited here with his wife and daughter over the Labor Day weekend, died suddenly Wednesday, Sept. 13. Mr. Reddick and his daughter, Mrs. M. C. Weir of Coral Gables, left by plane to attend the funeral which was held Saturday. Mr. Hiller is survived by his wife, Doris, and one daughter, Shirley.

Bill Luscomb Leaves Friday For Atlanta and Medical Examination

Bill Luscomb leaves Wednesday (today) for Atlanta, Ga., for a medical exam on his injured foot. Mrs. Luscomb is home from Billie's. Maam, where she was called on account of the death of her mother.

Ralph Luscomb, who spent the summer near Crescent, Oregon with the DeSchoone National Forest working, will return to the University at Gainesville this week.

Mr. and Mrs. Carl McWilliam and son, Bruce, left Tuesday by Jet airplane for New York City where they will enjoy a tour of the city and then a visit in Philadelphia, Pa. with their other son, Ronald, and his family, who are living there.

Mr. and Mrs. M. L. Hutton have returned from a vacation trip to the Smoky National Park and through the Carolinas, visiting many places of interest.

Larry Gramoll, who is a student at Georgia Tech, was visiting here with his parents, Mr. and Mrs. C. H. Smith of Arlington, Va., at the home of his aunt and uncle, Mr. and Mrs. E. C. Rice on Oak Street.

Mrs. Hice and Mrs. Smith are sisters. Larry left Friday for Atlanta, Ga. and his parents will stay for a longer visit.

Paul Bolduc has entered Bay Pines Veterans Hospital for an extended treatment. He had been a patient at Walker Memorial for two weeks. Mr. Bolduc has gone to live near Bay Pines to be near his husband.

Mr. and Mrs. John Paxton Hilt and their son, Virgil, are here, were weekend guests with his parents, Mr. and Mrs. Harold Curtin, who are teaching in Statesboro, Georgia, will drive to Gainesville for the week-end family gathering.

HOME FROM HAWAII
SP's Roland X. Drott, Jr., and Mrs. Drott and their four daughters, Vicki and Lisa, are home from Hawaii where he has been stationed for the past four years. Four months ago Lisa made her first visit to see her grandparents, Mr. and Mrs. Drott, who remain here.

Mr. and Mrs. Ralph Graham of this city, Mrs. Drott and her children will remain here while he is relocated in Arizona for the duty with the U. S. Army.

YOU MUST SEE IT
TO BELIEVE!
"WISP"
the smallest, lightest
Sonotone hearing aid ever!

Just see how tiny the
"Sonotone Wisp" hearing
aid is compared in size
with a peanut. It nestles
behind the ear, with a
transparent tube leading
to an earpiece in the ear.
The "Wisp" weighs only
1/4 of an ounce, including
battery.

THE HEARING AID EVERYONE HAS
WANTED - WORN COMPLETELY AT EAR!

"I HEAR YOU NOW..."
You too, will hear everything
again with the "Sonotone Wisp".
It's a wisp of a hearing aid
that helps you hear every word of sound.
Women cover it with a curl, men
check it in place. Forget your
hearing problem, enjoy life again
with the "Wisp".

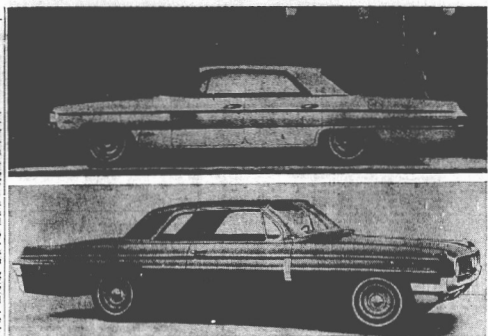

The "Sonotone Wisp" is our latest
... of the ear model. In addition
to giving most losses, it is ideal
for those who need their first
hearing aid or who need to hear
better only part of the time.

The three center main crank-
shaft bearings on the Rocket,
Skyrocket and Starfire engines
have been lengthened to provide
additional crankshaft support.
This results in quieter and
smoother engine operation.

Cooling capacity of the Olds-
mobile air conditioners has been
increased this year, and its

SONOTONE®

119 S. Kentucky Ave. Lakeland, Fla.
Batteries For All Makes of Hearing Aids

ADVANCED STYLING featured in new Oldsmobiles going on display this week at
L. H. Ford Motor Company, Avon Park.

1962 Oldsmobiles Go On
Display Here This Friday

The 1962 Oldsmobile 88's and
"88", along with a new com-
pact Starfire Coupe and the 1962
Oldsmobile F-85's, will go on
sale at L. H. Ford Motor Co.,
Avon Park, beginning Friday,
Sept. 22.

Jack F. Wolfram, general
manager of Oldsmobile, and a
vice president of General
Motors, said that the new full-
size Oldsmobile will feature a
dramatic new styling silhouette
with a longer, lower, sportier
look, outstanding engine per-
formance and quality and re-
liability unmatched in Olds-
mobile history.

The fresh new profile of our
1962 88's and "88", Wolfram
said, "has been achieved
through completely different
front and rear styling, new con-
tour lines, and new crisp roof
designs."

"The advanced roof styling,"
he continued, "is typified in our
new Holiday Sports Sedan
which combines the eye appeal
of a Holiday coupe with the
convenience and utility of a
four-door model."

"And," Wolfram added,
"Oldsmobile's entire line is fur-
ther enhanced by the exciting
Starfire Coupe. Making its
appearance for the first time,
the Starfire Coupe will incorpo-
rate all the features that
have made the Starfire Con-
vertible so popular."

"New highs in Oldsmobile
engine performance for 1962
result from several important
design improvements," Wolfram
continued. "A new combustion
chamber shape and higher
(10.25 to 1) compression ratios
in the Rocket engine step up
power and performance
throughout all driving ranges.
These improvements in engine
efficiency, coupled with lowered
rear axle gear ratios, increase
fuel economy considerably."

"In the case of the Dynamic
88," he continued, "the ultra-
high compression 260-horse-
power Rocket engine delivers a
substantial increase in perfor-
mance as well as increased miles
per gallon on premium-grade
gasolines." (A 260-horsepower
Rocket engine with an 8.75 to 1
compression ratio is available
as an option at an extra cost for
those who prefer to use regular-
grade gasoline.)

Maximum brake horsepower
on the 1962 Skyrocket (4-barrel
carburetor) engine, standard on
the Super 88 and 98 series, is
increased to 330.

The ultra-high compression
(10.5 to 1) Starfire engine, at
345 horsepower, represents 1
horsepower to every 18 pounds
of car weight.

The exciting new Starfire
Coupe is equipped with front
bucket seats and a sports-type
power console. Luxurious and
spacious appointments, it will fea-
ture the same color and trim
combinations as the spec-
tacularly-received Starfire Con-
vertible.

Standard equipment on both
Starfires included the 4-8 Hy-
dra-Matic transmission, power
steering, self-adjusting power
brakes and dual exhausts in ad-
dition to the bucket seats, power
console and generous use of
genuine leather in the trim
scheme.

For the first time, Olds-
mobile's high capacity Dual-Range
power heater is included as
standard equipment on all 88's,
98's and Starfire models.

For improved driving com-
fort and easier entry and exit
conditions, the diameter of the
steering wheel has also been
raised for increased clearance
between the wheel and the front
seat.

"In line with Oldsmobile's
concept of increased reliability,"
Wolfram said, "the 1962 Olds-
mobile chassis, including front
suspension, steering linkage,
propeller shaft, generator and
distributor, will not need fur-
ther lubrication under normal
operating conditions. "This is
also true of the new tapered
roller bearings which replace
the ball-type wheel bearings for
greater durability in the full-
size Oldsmobile for 1962."

The three center main crank-
shaft bearings on the Rocket,
Skyrocket and Starfire engines
have been lengthened to provide
additional crankshaft support.
This results in quieter and
smoother engine operation.

Cooling capacity of the Olds-
mobile air conditioners has been
increased this year, and its

operation is also quieter due to
the adoption of a new compres-
sor design. Compressor displace-
ment has been increased by 30
per cent.

Wheelbases on the 1962 Olds-
mobiles are unchanged at 123
inches for the 88's and 129
inches for the 98's.

The roof styling of the 1962
Oldsmobiles helps emphasize the
individuality between series, es-
pecially in the elegant 88's
which will be made public on Tuesday,
September 19.

Football—

(Continued from page one)

Bobby Bates electrified the par-
tisan crowd when he took Mi-
key Hagen's punt on his own
35 and danced, side-stepped, and
faked his way through the en-
tire Mulberry team for a 65-
yard touchdown run. The con-
version was no good.

The Panthers broke into the
scoring column midway the
period when Avon Park
fumbled the visitors recovered
on the 24-yard stripe. Knight
broke through on the following
play for his team's only score.
The PAT was unsuccessful.

Barfield Scores
After the kickoff, the Red
Devils moved the ball to the
Panther 47. From there David
Barfield exploded through the
middle and scampered for the
score. The try for conversion
failed.

A short time later Bobby
Briscoe converted a Panther
score and returned it 12 yards
to Mulberry's 43. On the next
play Money tucked the ball
away and added his final score
of the night.

With only seconds remaining,
Bob Peirl made the longest run
of the night—a 92-yarder—
only to have it called back due
to a penalty. Final score: Avon
Park 51, Mulberry 6.

Statistics:	A. P. M.	Mul.
First downs	6	8
Running yardage	375	275
Passing yardage	35	32
Passes	2-4	6-18
Punts	2-74	9-286
Fumbles	2	1
Penalties	103	75

FAMILY ENJOYS TRIP
Mr. and Mrs. Harold Nute
are home following a trip with
their daughter, Sally, and son,
Dale, to Lexington, Ky., where
Sally is attending the Univer-
sity of Kentucky. En route
they stopped for visit with
Mrs. Nute's sister and hus-
band, the Rev. and Mrs. Leon
Dane and family at Ty Ty,
Georgia and in Waynesville,
N. C. they visited another sister
and family, the Rev. and
Mrs. Wayne Almonhouse and
enjoyed a vacation trip in the
famous rubym mines in that
area. On their way home they
left Dale at Tallahassee where
he will be a senior at the Uni-
versity this year.

Off the
FIRST TEE

By JACK

All members be sure and keep
the night of September 25 open
in your date book, so you can
attend the annual golf tour-
nament on that Thursday. It will
be a good meeting for all of us
to attend, and to let the direc-
tors know that we are in-
terested in what we can all do
to make our club the best in the
district.

The fairways are in fine
shape, as are the greens, and
the play on the course is pick-
ing up now that the cooler
weather has come along.

Some of the members that
were out playing this week, and
were shooting some good golf
were: Harold and Annabelle
Worren, Mr. and Mrs. Irwin,
Mr. Stewart, Manning, Dr.
Brook Henderson, a newcomer
at the club, and who is with the
Alcoholic Hospital, medical
staff, also Vera Kirkland, who
has taken the cut off her knee
which she hurt during a rough
badminton game. Vera's partner
on the course was Marjorie
Barrow, Marjorie and her hus-
band, Jeff, also were playing
last Sunday. It is good to see
so many getting back on the
course, and it is as it should be,
for this is a beautiful course,

and with the nice layout and
the clubhouse as pretty as it is,
there is no reason why we
shouldn't have a heavy play
every day.

Eddie is back serving his
wonderful meals, so if you have
any guests, or just want to
take the family out for shrimp,
steak, or spaghetti dinner, call
the club and let Eddie know
how many in the party, what
you would like and the time you
will be there, and he will have
it all ready for you. The club
is open every day but Monday.

Firemen Thank
Clothing Donors

Durrah Martin, president of
the Avon Park Firemen's As-
sociation announced this week
that the recent drive for cloth-
ing for the Joe Prescott family
which was left homeless by a
recent fire, which destroyed all
their belongings.

In thinking The Sun and
Radio Station WXPY, Martin
also expressed his thanks to re-
sidents of the community who
responded with their many con-
tributions in this emergency.
