

By Congressman Jim Haley

now is a complete set of new faces on the Council of Economic Advisers. Certainly the chips flying from the axes of the present council indicate they are more bewildered than expert in blazing a trail through the forest of our vast national economy.

A slate of nominees for membership on the ASC county committee for Highlands is now being established at the ASC county office, R. B. Oxen, Chairman, County Agricultural Stabilization and Conservation Committee, announced today. The slate will include 19 nomi-

The Chairman explained that petitions signed by 10 or more eligible voters nominating persons for membership on the county committee will be received at the county office at any time thru August 10. The names of persons so nominated will be included in the slate of nominees if they are willing and eligible to serve.

To be eligible to hold office as a committeeman, a person—among other qualifications—

Show Respect
TALLAHASSEE—Show re-
spect for traffic laws and high-
way safety regulations today,
and your observing youngsters
will most likely grow up to be
a good driver tomorrow.

This is the opinion of the
Florida Highway Patrol which
operates on the firm belief that
many a tragedy could have
been averted if the young driver
had been brought up with pro-
per respect for the rules which
govern our behavior on the
road.

"There is no better lesson to
teach your child than strict
obedience of the law, traffic or
otherwise," says Highway Pa-
trol Commander H. N. Kikman.
"But in order to do this, your
attitudes and reactions must re-
flect respect of the law."

Patrol records constantly
show that tragedy often comes
from what seems to be a minor
violation such as running a
stop sign, or racing past a
traffic signal with the caution
light glowing.

"Children are a lot more ob-
servant than the average parent
might suspect and any violation,
no matter how minor it may
seem, plants a seed of desire to
do it 'dad's way' in a develop-
ing mind," the patrol said.

Many tragedies might have
been prevented if parents had
"sold acceptance of good safety
practices" to observing children
when they were in the formative
stages looking on as their
passengers learning right and
wrong from their mothers and
fads.

PLAN COKE PARTY—Mrs. Art Turner and Mrs. Charles
Womack, membership committee of the Avon Park Junior
Women's Club, make plans for the club's annual est se-
quined party when new members will be welcomed to
the group. The party will be held on August 26. (Sun Photo)

Employment Gained 5% During 1959-61

Florida's economic progress
during the past three years is
evidenced by a 5 per cent gain in
employment, 1959 to 1961, the
greatest gain of any state of
comparable size and well above
the national average of one per
cent, the Florida State Cham-
ber of Commerce pointed out
recently.

"Gains in employment are the
best measure of the expansion
of existing industry and busi-
ness and of the establishment
of new firms of all types. Florida's
gain is all the more significant
in view of the retarding effects
of automation and other stream-
lining procedures," the trade
body noted.

"Total employment (exclud-
ing agricultural employees and
the self employed) in the state
came to 1,340,000 in 1961, up
5.3 per cent from 1959, as
declared by the Florida In-
dustrial Commission. Although
five other states had larger
per cent gains, the Florida
total employment is virtually
equal to the total of these states
combined.

"In wholesale and retail
trade, Florida stood in the
spot with an 8 per cent gain in
numbers of employees, reaching
271,000 last year. The national
gain was 2 per cent.

"Florida manufacturing
plants, old and new, had 211,
000 employees last year, a 6.5
per cent gain over 1959.

Here and There—

Wrights In North Georgia and North Carolina For Vacation

Mrs. J. C. Wright, John
Thomas and Martha, are visit-
ing her mother, Mrs. Carrie
Brewell in Thomasville, Ga.
Mr. Wright and their daughter,
Nancy, who has been attending
the summer band camp in
Miami, and Mrs. Hugh Williams
and their grandchildren, Kathy
and Carla, will join the family
in Georgia for a vacation with
relatives and friends. Mrs.
Williams and children will re-
turn to Florida, and the
Wright family will go on to
North Carolina for a vacation
in the mountains.

Mrs. John O. Schlitz of
Kansas City, Mo., is visiting
her brother and family, the
Charles Moskowsky on Lake Viola.
Mr. and Mrs. Ralph W.
Horn and family of Jackson-
ville were weekend guests
with his brother and family,
Mr. and Mrs. James A. Helm,
Mr. and Mrs. G. Franklin
Ward and family.

The John L. Townsend family
enjoyed a few days at Fort
Lauderdale last week.
Miss Chica Durden, who has
been attending summer school
at the University of Florida,
Gainesville, will be home this
week with her family, the C. R.
Durden.

Mr. and Mrs. James Stutz of
Toledo, Ohio are visiting their
son, Mr. Edna Jackson.
Carl Wagon of Orlando was
in Avon Park on business last
week.

The John L. Townsend family
enjoyed a few days at Fort
Lauderdale last week.
Miss Chica Durden, who has
been attending summer school
at the University of Florida,
Gainesville, will be home this
week with her family, the C. R.
Durden.

Mr. and Mrs. William Wobig
and daughter, Kathy, of Free-
port, Ill. have been visiting at
the home of Mr. and Mrs. M. L.
Hutton. Mrs. Wobig is a niece
of Mrs. Hutton.

Mrs. J. O. Blake and children

Miss Barnes Is Party Honoree

Miss Linda Barnes, bride-
elect of Wesley Norwood, was
honored on Wednesday morn-
ing of this week with a Coke
Party given at the home of
Mrs. I. H. Ford. Other honorees
were Mrs. Dan Austin, Mrs.
Paul McFarland, Mrs. A. D.
Childress and Mrs. Otis Strick-
ler.

Linda's sister, Miss Melanie
McChure, kept the bride's book.
Miss Carol Ann Childress and
Joyce Austin assisted with ho-
pitalities. The honoree was pre-
sented with a large platter in
her china pattern by the host-
esses.

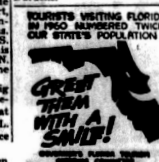

Arrangements of mixed sum-
mer flowers decorated the Ford
home. A hand embroidered linen
cloth covered the dining table
from which the party dined.
The table centerpiece was a
large crystal bowl of ice packed
Cokes with flowers floating
around the edge.

Southgate Shopping Center Opens

PUBLIC SUPER MARKET, largest of the stores in the new Southgate Shopping Center, covering 11,000 square feet. The market is the centerpiece of the center and

features the latest facilities for the modern housewife. The store was opened on February 13. (SUN PHOTO)

Bow Hunt Schedule Released For Citrus Wildlife Hunting

TALLAHASSEE—The series during the periods November 17-18, November 22-25, and December 1-2. Antlerless deer may be bow or bucks with antlers less than five inches. Fawn deer are protected at all times.

A daily bag of one and season bag of two deer will be in force during the special archery hunt. Bow-and-arrow hunters will be required to possess a special Citrus archery permit in addition to the regular hunting license. Special archery permits costing \$3.00 may be obtained from officers of the County Judge in Citrus County. Permits will also be available at No. 2 and No. 4 checking stations during the first nine days.

Special managed gun hunts are scheduled from December 26 through January 6, with a total of four two-day hunts, and a limit of 800 hunters per hunt.

Archers will be allowed to take their legal bag limit of buck deer with antlers five inches or longer. A special maximum limit for archers of 200 antlerless deer will be in effect.

gun hunt shall be 100 buck deer with antlers five inches or more in length. A minimum special limit of 50 antlerless deer will be allowed during the final gun hunt January 5-6. In the event archers do not harvest a total of 200 antlerless deer during the special bow hunt, the remaining number will be allocated to other gun hunts. Hunters applying for the special gun hunt permits will be required to possess a valid hunting license and the regular Public Hunting Area Permit, and indicate both the license and permit number on their application for the special permit.

Legion Post Enjoys Family Dinner July 26

Highlands Post 69 American Legion and the Auxiliary enjoyed a family night dinner at the Legion Home Thursday, July 26. The Junior members decorated the hall with a theme of safety in keeping with the program of the evening. They had a miniature highway laid out with all the proper road signs.

Following the dinner, colored slides of Water Safety were shown. Mrs. Dorothy Sasser, Unit Community Service Chairman, reported that 50 test books had been contributed to the Seminole Indians at Big Cypress for use in the First Aid course which was held by the Red Cross in co-operation with the County Health Department.

Mrs. Sasser stated that the Unit would continue to co-operate in the health education training of the Seminole and that members of the Unit would visit the reservation this week.

10 Stores Set For Three-Day Opening Sale

Southgate Shopping Center, featuring 10 stores, will hold its formal opening in Sebring this weekend with a Thursday through Saturday grand opening schedule. The center is located on South Lakeview Drive and U. S. Highway 27, south of Sebring.

Stores in the new shopping center are: Public Super Market, W. T. Grant Co., Corner Casuals, Davis Hardware, Touchton Retail Drugs, Hobby Hill Florists, Hair Jewelers, Ralph and Ken's Barber Shop, Salon de Coiffures and Sebring Decorators. The 10 stores comprise the Southgate Merchant's Association.

Officers of the association: President, Ed Broom of Public Market; Vice President, Fred Tyndell, W. T. Grant Co.; Helen Weinel, Corner Casuals; and Treasurer, Adam Bair of Hair Jewelers.

Construction of the 65,556-square foot shopping facility was begun last November, when the first unit—Public Super Market—was started. The seven-acre tract overlooking Lake Jackson and U. S. 27-98 was purchased the previous September for about \$170,000. Public Super Market, opened for business on February 13 and was later joined by Touchton Retail Drugs, Ralph and Ken's Barber Shop and Davis Hardware. This weekend will mark the grand opening for all firms in the center.

Public Super Market is the largest store in the center, with 21,000 square feet of floor space. W. T. Grant Co. is close behind with 20,736 square feet. The Touchton Retail Drug Store ranks third and is a sister store to the Touchton Store here. Philip Kichler, formerly employed at the Avon Park store is manager of the new Sebring store.

Corner Casuals, owned and operated by Mrs. Kenneth Weinel and Mrs. Jean Whitaker, will provide the shopping center with an attractive ladies ready to wear store, featuring dress and sport attire for women and teenagers.

Bair's Jewelry is operated by Mrs. Adam Bair, formerly of Lake Flamingo, Ralph

POINTING WITH PRIDE to the motto of their store "Where Shopping Is a Pleasure." Ed Broom and Gene Robert, manager and assistant manager of Public Super Market, invite residents to visit Southgate Shopping Center. The Public Market was the first store to open in the 10-store center. The store opened for business on February 13 of this year. (SUN PHOTO)

and Ken's Barber Shop is managed by Ken Wittwer, a partner of Ralph Pearce, who operates a shop in downtown Sebring. Salon de Coiffures is managed and operated by Sandra Roberts and Mrs. Coy Williams. Roy Jones, who also operates a downtown Sebring store, has opened the Southgate version of Sebring Decorators.

Southgate will be open from 9 a. m. to 9 p. m. during the three-day grand opening and W. T. Grant will continue to be open from 9 to 5.

FROM THE SALES THEY MADE TO TOURISTS, FLORIDANS RETAIL AND SERVICE ESTABLISHMENTS PAID OVER \$250,000 IN WAGES AND SALARIES TO FLORIDA RESIDENTS!

To tell of a financial windfall in the family circle is as disastrous as admitting that your pay has been raised.

The dentist tries to save your teeth and the physician tries to cure your aches, so between the two you are in trouble.

TOUCHTON MANAGER — Phil Kichler, a native of Illinois, joined the Touchton store in 1958. He formerly was associated with Touchton stores in Lakeland, Leesburg and Avon Park. He received his pharmacy degree from the University of Florida.

People moan and groan about the price of bread and eggs, but they prefer to ignore and forget what it costs to own and drive a car.

A dreadful fact is that some of us have ambition that is not matched by talent.

Smokey Says:

● ONE OF YOUR BIGGEST BUYS

IS YOUR NEWSPAPER!!

One of America's biggest bargains is your daily newspaper. Comparison of the costs of everyday items, and the time it takes to produce them, provides convincing proof. More than 100 talents and skills are required to bring your daily newspaper to you. Few things you buy contribute so much to your way of life. Can you think of any other item that takes so long to produce, yet sells for so little?

● LOOK AND COMPARE COSTS

3-Phase Dove Hunt Season Is Planned

TALLAHASSEE — Florida hunters will have a three-phase season for migratory dove hunting during the 1962-63 season, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission.

The first phase will be open for dove hunters October 4 through November 4, with Hardee, DeSoto and Glades Counties, and that portion of Franklin County known as Alligator Point, closed to dove hunting.

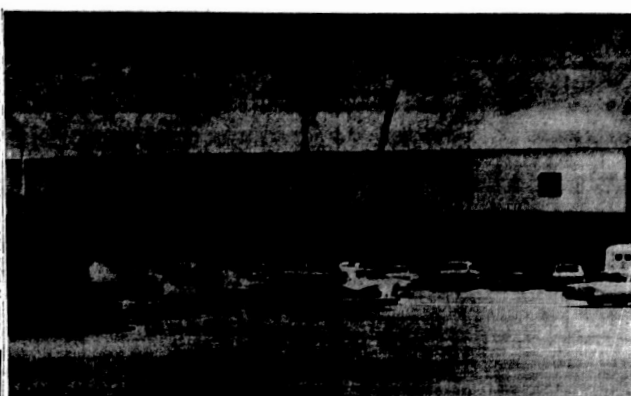

The second phase opens statewide November 22 to run through December 9. The third phase will be open statewide December 22 through January 12.

Shooting will be allowed from 12:00 noon until sunset of each open day. Daily bag limit for dove will be 12, with a possession limit of two days bag.

Other rules for migratory game during the 1962-63 season are as follows: Rail (marsh hens), open September 15 through November 15, with a daily bag of 15, plus 25 more rail, with total possession of 25, plus 25 more. Woodcock season open December 15 through January 15, with a daily bag of four, and total possession of eight.

Waterfowl hunting season—for duck, goose and coot—will be announced later when established by the U.S. Bureau of Sport Fisheries and Wildlife.

In other action at the annual rules and regulations meeting, the Commission voted to have the Everglades Wildlife Management Area closed to the special 60 Public Hunting Permit. The Commission also closed all frog hunting in Palm Beach, Broward, Dade, Monroe, Collier and Hendry Counties, and again prohibited the use of off-road motors on Lake Janonia and Lake Jackson in Leon County.

W. T. GRANT CO. makes its Highlands County debut with this modern 20,736 square foot store. Grants, long known for value and assortment of merchandise, will be open each day from 9 A.M. to 9 P.M. Fred Tyndell is the store manager. (SUN PHOTO.)

Weeki Wachee One of State's Top Attractions

You might have to take your breath to see a target performance in the first place. Weeki Wachee, the world's largest water show, is one of the state's top attractions.

Weeki Wachee, a 100-acre park, is located on the banks of the Weeki Wachee River, just north of Sebring. It is one of the state's top attractions.

The show, which is held every day except on Sundays, is a must-see for anyone visiting the area. The show features a variety of aquatic animals, including manatees, dolphins, and sea turtles.

The show is held in a large, open-air arena, and the audience is seated on the banks of the river. The show is a great way to spend a day in the sun.

Florida Government Costs Go Down During Period of 1961-62

TALLAHASSEE — General government, composed primarily of the executive, judicial and legislative branches, cost 4.3 per cent less during fiscal 1961-62 than the previous year, State Comptroller Ray E. Green reported recently.

The cost of the various branches of state government was listed in the annual pamphlet, "Your Money and Where it Goes," which is issued by the comptroller's office for statewide distribution.

Green pointed out that as a result of economies practiced by the State Cabinet Budget Commission there was a 2.5 per cent decrease in government's total operating expenses which totaled \$459 million, as compared with \$552 million in 1960-61.

Agencies and institutions under the hospital, health and sanitation category spent 8.1 per cent less than during the previous year. Highway costs were down 14.66 per cent; higher education was down five-fifths of one per cent, and correctional institutions spending was down 1.5 per cent.

Keene Going To DeSoto FHP

Cpl. Joe W. Keene, with the Florida Highway Patrol in the county for over five years, has been promoted to acting sergeant and transferred from Sebring to Arcadia, effective September 1.

Highlands and Hardee Counties, now in Troop C, with headquarters at Lakeland, will be assigned to Troop F, with headquarters at Arcadia.

Keene, who is a native of Sebring, has been with the Florida Highway Patrol since 1956. He has been promoted to acting sergeant and transferred from Sebring to Arcadia, effective September 1.

Keene is a member of the Sebring Chapter of the Florida Highway Patrol Association. He is also a member of the Sebring Chapter of the Florida Highway Patrol Association.

Passion Play Sked Changed

LAKE WALES — The 1962 season of the Black Hills Passion Play at the Lake Wales Amphitheatre will call for four performances each week.

Evening performances will be held Tuesday, Thursday and Saturday. There will also be a Sunday matinee performance each week throughout the season stretching from February 10 to the following Easter Sunday.

Fred E. Orr, resident manager of the Amphitheatre, said the Josef Meier Company will go on tour this fall as soon as its current Summer season in the Black Hills of South Dakota ends early in September. The tour of midwest states will continue until mid-December.

There were cash balances of \$106,372.418 in the state treasury, including \$29,151,967 credited to the general revenue governmental operating account. In addition, a total of \$427,888,680 par value securities were on hand as of June 30, 1962. They were comprised mainly of U. S. Government, county and corporate bonds which earned some \$12 million in interest during the year.

A record \$638,828,386 was collected in taxes, an increase of 7.8 per cent over the previous year. Aids and donations from the Federal Government, counties and cities, and other agencies produced an additional \$16,235,520. Miscellaneous revenue, earnings on investments and deposits, and collections for retirement benefits, totaled \$91,106,196, an increase of 12.3 per cent.

Auxiliary 69 Wins First Place

Mrs. John P. Arnold and Mrs. James A. Heim, chairman and vice-chairman of the membership committee for the Highlands Unit No. 69 American Legion Auxiliary received a congratulatory telegram from the State Secretary, Pearl Adams, advising them that the Highlands Unit was the first in the Department to exceed their 1962 membership quota.

Both Mrs. Arnold and Mrs. Heim stated that they were highly pleased with this all-time high membership, and for the honor of being the first in the Department.

Commissioners OK Record Budget Tues.

No Increase In Levy Due To Valuation

Highlands County Board of Commissioners whipped through a short agenda Tuesday morning, closing the short meeting by formally adopting a record county budget. Not one taxpayer appeared for the public hearing set for 10 a. m. so the board gave final approval to the \$1,136,354 budget for 1962-63.

Increased property valuations will yield funds for the \$115,292.77 boost in county spending. The county's fiscal year begins in October.

A part of Tuesday's meeting time was given to a discussion of ways and means of living within the straitened circumstances the county is usually in at the end of the fiscal year. Some consideration was given to the suggestion that the county road and bridge work be reduced from 50 to 40 hours per week.

Some of the commissioners said they were reluctant to make the reduction in hours and the resulting reduction in salaries of the men are just getting back from vacation. Commissioner Carl McIntyre observed any cut in pay right now would hit them pretty hard.

The commissioners agreed to continue with present schedule and review the road and bridge fund balance again at the end of August. Commissioner Chairman Cecil Shipper indicated that he believes that the 50-hour week probably can be maintained if other economies are carefully practiced.

Need for more electrical circuits in the court house—another perennial problem—came up for discussion Tuesday.

Robert Murphy, staff spokesman for the U. S. Geological Survey staff, was given permission to install an air conditioner in the survey office on the third floor of the court house.

"We have had an air conditioner sitting on the floor since April," Murphy said. "We are already running two air conditioners off one circuit, and we know that is not good. Part of the time we can't heat the conditioners because the circuit breakers are cutting off."

Murphy explained that the school board had an additional line run from the basement to the third floor but had not been able to arrange for installation of an additional conditioner. The school board is to let the Geological Survey change the wire to the other side of the hall and "try again."

"We know that the circuit for the court house is overloaded, and if the new air conditioner cannot make the grade, we'll turn it off immediately. We appreciate your letting us give it a try," he said.

He added that any expense involved in changing the wiring will be borne by the Geological Survey budget. The survey staff appeared at a commission meeting some months ago and requested that a new air conditioner had been given to the survey office by another court official and asked permission to install the unit. At that time no new wiring was possible, and since that time the change in the school office plans offered such a possibility.

At the request of Commissioner Chairman Cecil Shipper, the board voted to contact the State Road Department about providing bus service to the school board on the Avon Road. The board also voted to provide a bus for the school board and is to be ready Monday.

After the session, Highlands Development Corporation was called without action. Z. D. Hunter of Sebring, chairman of the new corporation, requested the commissioners to purchase a grant of \$2,000 to the school of the corporation.

Commissioner Chairman Cecil Shipper said that specific plans for use of the money were to be submitted to the board. The corporation stated that for advertising the school of the corporation. The board is to meet Tuesday.

Mayor said plans for a community center are being developed. The board is to be ready Monday.

The board voted to authorize for equipment for installation of a fire alarm system in the court house. The board also voted to provide a bus for the school board and is to be ready Monday.

At the meeting Tuesday the board voted to provide a bus for the school board and is to be ready Monday.

'62 Red Devil Gridiron Schedule Is Released By Coach Joe Franza

Coach Joe Franza this week announced the 1962 Avon Park Red Devil football schedule. According to Franza, nine games have been lined up, with one more expected to be signed before the season opens. Five home games are already on the schedule.

The Red Devils will have a new opening opponent this year. They will open with the Lake Wales Highlanders on September 16 in the Polk County City. Previously the locals have opened with Mulberry, but the Panthers were moved to the second game this year. They will also drop here for the second year running due to the contract change.

Six Ridge Conference games have been scheduled including the traditional finale with Sebring. The November 10 game with Sebring was dropped from the schedule due to a conference ruling involving the Palm Beach County school. Kathleen was also dropped here for the second year running due to the contract change.

The schedule: Sept. 14 Lake Wales Home; Sept. 21 Mulberry Home; Oct. 5 Protoproof Away; Oct. 12 Wausatcha Away; Oct. 19 Aventura Home; Oct. 26 Opa Home; Nov. 2 Kissimmee Away; Nov. 9 Okechobee Home; Nov. 16 Penn Home; Nov. 23 Conference Games Home.

The nine weeks Summer Program offered to the youth of Avon Park by the Highlands County Public Schools will come to an end this Friday afternoon. The program has had 629 different Avon Park students enrolled in some phase of the varied program and many of that number have participated in several different activities offered by the program.

The recreation phase of the program has stressed holding the past several weeks and John Crittenden said that from 30 to 40 youngsters were making the trip to Edger Lane each Tuesday and Thursday afternoon to take advantage of the lower rates for members of the Summer Program.

Coach Lee Maness finished out his basketball fundamentals clinic this week with five to ten boys attending each morning from 8:15 to 9:45. Several of the boys accompanied Coach Maness to Gainesville last Saturday to attend the North-South Prep All-Star basketball and football games.

The Summer Program staff members feel that it was a very successful nine weeks with good participation in the recreation activities and excellent attendance in the instructional activities such as typing, mathematics, drivers education, and band instruction as well as elementary reading instruction and use of the elementary library.

Crittenden expressed some disappointment in the smaller number of beginner swimmers they were able to pass this summer because of the low level of the lakes which prevented diving and the final phase of instruction for beginners.

Crittenden expressed some disappointment in the smaller number of beginner swimmers they were able to pass this summer because of the low level of the lakes which prevented diving and the final phase of instruction for beginners.

Officials For City Election

The Avon Park City Council has named officials to conduct the city election on September 17. The officials are: Mayor, T. Mitchell; Clerk, John A. C. Shiff; Inspectors: Zelma Walls, Mary Harrison, Florence Sheehin, Lillian Hood, Garland Kelly, and Grace Bonny.

Avon Driver Is Fined \$300 For Drinking Drive

An Avon Park driver drove a fine of \$300 plus a 30-day suspension sentence when he appeared in court Tuesday morning on a charge of driving while intoxicated.

Lemmon Miles, 46-year-old Negro, pleaded guilty to the driving charge. Circuit Judge Clifford Kelly, who was sitting for vacationing County Judge Marvin Behrer, included a driver's license revocation for a year in the penalties for Miles.

Miles was involved in a traffic accident on August 5. Another Avon Park driver, Almona Stewart, entered a not guilty plea to a driving while intoxicated charge.

Carson Hunt, 34-year-old Ft. Lauderdale, N. C., pleaded guilty to a driving while intoxicated charge. He was fined \$150 or 60 days in jail and his driver's license revoked for six months.

Jewell W. Northcutt, white resident of Memphis, pleaded guilty to driving while intoxicated and was fined \$150 or 60 days in jail and his driver's license revoked for six months. He also was fined \$25 or 30 days in jail for driving without a license.

In County Court Monday Leon Stewart, 32-year-old Avon Park Negro, waived preliminary hearing on a charge of strong arm robbery. His bond was set at \$1,000.

New Vendor For Court House

Highlands County court house is having a new lunch stand operator and information officer, John Collett is to take over the stand which is now being managed by Shelby Rogers.

Rogers has been appointed cafeteria manager at Edison Junior College in Ft. Myers. The court house lunch stand is operated by the Florida Council for the Blind in cooperation with Lions Club.

At their Tuesday morning meeting the county commission appointed Collett as information officer.

Kiwanis Club Organized In Avon Park

The Kiwanis Club of Avon Park was officially organized last week when 25 local business and professional men were organized as Charter Members. The new Kiwanis Club is located at the Sebring Club.

Officers of the new club are: Ted J. Ward, president; Robert Young, first vice president; Henry Caffee, second vice president; The Rev. Aden D. Childress, secretary; and J. N. McDougall, treasurer.

Board of Directors: E. V. Adams, John F. Crittenden, Albert R. Nunnally, John W. Wright, Charles E. Lyons, Tom Banks and Bill Booth.

Kiwanis Club meetings will be held each Tuesday at 12:15 at the Sebring Hotel Dining Room.

Deadline Nears For City Council Seals

APCI Inmates Respond To Blood Appeal

Response to an appeal for blood for the South Florida Hemophilia Foundation to the county and employee territory of Avon Park Correctional Institution has been overwhelming.

Arrangements have been made for a unit from the John Elliott Blood Bank in Miami to make the collection on August 10.

Haasfunder said the men are enthusiastic about the project, which was suggested by an Avon Park resident whose son is a victim of hemophilia. They volunteered almost to the man when they learned that most hemophiliacs require from 25 to 75 transfusions per year and as many as 150 have been necessary to preserve life.

The nearly 75 known cases of hemophilia in South Florida, their need for blood is continuous and we are more than glad for the opportunity to participate in this worthy cause, the Superintendent said.

Little League Field Plans Are Approved Friday

Plans for a new Little League field were approved at a general meeting of the Avon Park Little League Association last Friday night at the Florida Power Employees Clubhouse.

The group decided to accept the site offered by the Avon Park School Board, the corner of Avon Elementary playground and North Anoka and West La Grande—and will start raising the thirty-five hundred dollars they expect the new field to cost.

Wednesday night, August 8, the field construction committee looked at a demonstration of different types of lighting at the new location in order to determine which type to install at the new field.

The next regular meeting of the Avon Park Little League Association is scheduled for September 21 and all interested citizens are invited to attend.

Probation For Sebring Youth

A Sebring youth has been placed on probation for his part in an admitted auto larceny. Circuit Judge Clifford Kelly placed Bernad Lavern Davis, 18, on probation.

Floyd Thomas Phillips, 17, of Sebring, Davis' companion in the larceny, must return for another day in court. Judge Kelly said additional charges against Phillips youth and the larceny case will not be disposed of until the other charges are brought before the court.

Don't forget to renew your driver's license during the month of your birthday.

INCUMBENT QUALIFIES — Clarence King, incumbent city councilman, is shown as he paid his \$2 qualifying fee Monday afternoon to Mrs. Virginia Henderson, city hall employee. King is seeking his fourth two-year term. (Sun Photo)

The qualifying committee for the three seats for the Avon Park City Council was drawing up today and at most time only four candidates had qualified for the September 11 election.

Deadline for entering the three seats is Friday afternoon, August 10 at 5 o'clock. Although only four candidates had qualified, street talk feeling was that several more would be in the race before the deadline.

Incumbent Clarence King and E. E. Shumaker, runner up for a council seat in the election a year ago, were the latest candidates to qualify. Shumaker paid his three dollar fee late last week and King qualified Monday afternoon.

Jimmy Doerr, a local merchant, qualified two weeks ago to open the state and Kellon Hill joined the ranks last week. The seats presently occupied by King, Mannin Kirkland and George Border will be filled at the upcoming election. Border has said he will not seek reelection, but Kirkland has declined to make any comment regarding his intentions. Kirkland is president of the board. Holdover members are Sam McKenzie and H. M. (Chic) Parke.

King, a grocery and meat market owner, will be seeking his fourth two-year term. He told The Sun that the last two times he was elected, he "received the highest number of votes of any candidate running." He has been president of the board for one year. King has been a resident of Avon Park since 1945.

Shumaker has resided here for 31 years and was a city employee for 25 years before his retirement several years ago. He was associated with the mailman department. Shumaker polled 467 votes last year for the runner-up spot in a two-man race.

Lloyd Bengtson Dies En Route To Minnnesota

Lloyd E. Bengtson, of Avon Park, died Tuesday, August 7, in Kirkwood, Missouri near St. Louis. He and Mrs. Bengtson had left Sunday for a trip to St. Louis. They were there to visit their daughter, Tom, who is working there. Last summer, Mr. Bengtson had been in poor health for several years.

Friends here have been informed that funeral services will be held Saturday afternoon at the Paul Abner Funeral Home in Minneapolis, Minn., and will be in the Western Cemetery.

Mrs. Bengtson will be at the home of her daughter, 3532 East Moorland Road, Minneapolis.

Avon Student Receives EDS Degree At U. of F.

Fredrick L. Wellman, a graduate of the University of Florida, received his degree in Education from the University of Florida at Gainesville. He was the first Avon Park student to receive a degree from the University of Florida.

Wellman will receive an honorary degree from the University of Florida. He was the first Avon Park student to receive a degree from the University of Florida.

FRIDAY IS THE DEADLINE!

Friday, August 10, is the deadline for qualifying candidates for the city council seat which will be filled in September 11.

Friday is the deadline for the voters of Avon Park to determine who will represent them in city office for the next two years.

The Sun pointed out the fact several weeks ago, that "Now is the Time of Decision." If you, the voter are dissatisfied with the type of city government you have had in the past, urge a qualified person to seek the office of city council. If you are satisfied with your government, then urge your present councilmen to seek reelection.

Friday is the deadline for your decision.

Washington Report

By Congressman Jim Haley

WASHINGTON, D. C.—The award of a few days ago of the Agriculture Department's "Big E" to four Florida commercial organizations in recognition of their success in increasing agricultural exports was a matter of great pleasure and pride to me—pride because Florida was one of the nine awards made; pleasure because this is the kind of mutual assistance program that I can heartily approve.

The handsome Agriculture "Big E" flags, resembling the Army-Navy "E" awarded manufacturing firms for outstanding production efforts in World War II, were awarded by Secretary Freeman under a presidential program announced last December "to improve the United States balance of payments situation and to further the nation's world freedom objectives."

The Florida organizations which now may fly these symbolic flags over their headquarters are the Florida Citrus Commission and Florida Citrus Mutual, both of Lakeland; the Florida Citrus Exchange of Tampa, and Wallace Chicks, Inc. of St. Petersburg.

I think these Floridians all are to be congratulated, for they are showing the way to the rest of the nation in establishing a foreign assistance program of a kind which enriches foreign nations by providing food for their hungry, and at the same time enhances our own economy, rather than bankrupting it in the manner of the government-exported foreign aid system.

I thoroughly agree with Commerce Secretary Holcomb, who took time to go over the Agriculture Department to witness these presentations. Secretary Holcomb said the "Big E" awards made for increasing agricultural exports are just as important as the Army-Navy production awards of World War II.

As a matter of fact, of the world's 113 nations, 101 have received foreign aid funds or are due to this year. It is small wonder that, on a business basis, our government is bankrupt, and I am happy that Mr. Passman says his committee expects to cut two billion dollars off the foreign aid budget this year.

HAWAIIAN LUAU

The Young People of the First Baptist Sunday School enjoyed an authentic Hawaiian Luau Saturday evening at the Church Social Hall, Jimmy Mills, who heads the young people's Sunday School Department, invites everyone to be present at 7:30 for the affair.

CRACKER POLITICS

By Allen Morris
TALLAHASSEE—Legislation apportionment would be the same that separates the

men from the boys in the 1964 election for Governor.

It could have the same up-setting effect on past performance records, as a heavy rain of the race track. Favor-

able circumstances, and, edifying opportunity to others.

"I'm glad that I'm not out voting," remarked one of the better known potential candidates who is not a member of the existing Legislature.

Well, he could be as wrong as wrong can be. Some observers feel participation in the making of history at Tallahassee nowadays presents far greater opportunity to win

positions than does sitting on the sidelines, especially if the sideline sitters are not as well known.

There are several reasons for this. The overriding reason is that the Legislature has become a highly emotional one. It is

usually, personalities and organizational strength are more important than issues in determining the outcome of a Florida gubernatorial contest.

Legislative apportionment could be the exception. It may be the decisive factor around because of the almost universal interest which is generated among the voting citizenry and because of the continuing nature of this issue.

Keep in mind that whatever happens will not be the final solution. Neither the lawmakers nor the courts are dealing with a static, unchanging situation. Even at best, the final word will be decided by the voters in the next election.

Son Of Former Residents Named President Optometric Association

Dr. W. Judd Chapman, Tallahassee Optometrist, was named president-elect of the American Optometric Association at its annual Congress in Chicago, Illinois. Dr. Chapman, who has served as Trustee of the A.O.A. and then as Vice-President, will assume the presidency in June 1963.

Chapman is the son of Mr. and Mrs. J. V. Chapman of Tallahassee, and formerly of Avon Park and Orlando. He is married to the former Delma Moore of Tallahassee and they have two children.

Dr. Chapman was born in Avon Park at the time his father was president of The First National Bank of Avon Park. He later became the Deputy Bank Commissioner of the State of Florida. His father was one of the charter members of the Avon Park Rotary Club and his mother was active in church and civic activities.

Dr. Chapman attended the University of Florida and is a graduate of the Northern Illinois College of Optometry. He also holds the honorary degree of Doctor of Optometry from Southern College of Optometry in Memphis, Tenn. He is a member of the Florida State Board of Optometry. His civic activities have included the presidency of the Tallahassee Jaycee and Chamber of Commerce. He is a member of the Rotary Club and of the First Baptist Church.

Dr. Chapman is past president of the Florida State Board of Optometry. His civic activities have included the presidency of the Tallahassee Jaycee and Chamber of Commerce. He is a member of the Rotary Club and of the First Baptist Church.
