Avon Park Boys Score Biggest Win of State

An inspired Avon Park Red Devil basketball team captured a 67-57 home-up victory over the favored Ft. Meade Minors 67-57 last Tuesday night at the gym. It was the Minors' second loss of the season against Avon Park, but the win put the Red Devils ahead in the state tournament.

The Avon Park Red Devils opened the game by taking a 10-0 lead in the first five minutes of the game by a score of 10-0.

Friday night the Devils beat the Minors to 67-57 in the first round of the state tournament. The Devils won the game by a score of 67-57.

Judge Seeking Streamlined Court Procedure

Washington D. C.'s current drive to reduce "paper work" has its parallel in Highlands County.

County Judge Mervin Behrer said today he is engaged in a study of criminal procedure, and at least one of the major emphases in the study is streamlining.

Last week Judge Behrer and Mrs. Nellie Walsh, chief clerk handling criminal procedure in Highlands County Court offices in Volusia County.

"We are trying to improve all phases of our County Court work," Judge Behrer said. "Eventually we hope to combine the best features from several systems."

Judge Behrer also visited in Daytona Beach last week and attended the Florida Bar's institute on planning and administering estates (which falls within the probate part of the County Court work).

Mrs. Behrer accompanied the Judge on the trip.

License Plate Sales Nearing 5,000 Mark

In the first month of sales just under 5,000 motor vehicle tags have been sold in Highlands County.

Supervisor Roland X. Drotz said that through last week his office had sold 4,884 tags in addition to the sales of the "B" tag used by passenger cars. At the beginning of this week 1,574 of these tags had been sold — more than 200 more than had been sold of the "plain" type for medium weight cars.

One of the least popular tags is the "B" tag used by trailers in the 2 to 4 thousand pound class. Drotz explained that this is usually a trailer used for hauling around farms. So far only one of these tags has been sold. Total sales in that category in 1961 was eight.

House trailer tags are, by contrast, popular. So far this year 270 of these tags have been sold.

Eight tags have been sold in the "C" class — for passenger cars more than 20 years old.

The biggest surprise so far, officials said, is the slow sale for motor scooters. "We are sure that most of the scooters do not have tags yet," one clerk remarked.

Pleas Changed In County Court

Juries were needed for only two of the cases tried in the January term of County Court. Three of the defendants who had previously pleaded not guilty, and another two changed their pleas to no contest.

The case of James Herdell, Ward, 30, of Avon Park, was continued. Ward is to be tried on February 14 on a charge of driving while intoxicated.

Archie Williams, 28-year-old white resident of Lake Placid, charged with driving while intoxicated, was found not guilty by a jury.

County Parent-Teacher Group Reorganizes At Sebring Meeting

The need for a close-knit and strong organization dedicated to its goals and purposes was stressed by representatives from the Highlands County Parent-Teacher Association meeting in County Supervisor's office in Sebring Tuesday.

Parents interested in the PTA and teachers took a step toward the organization of a county-wide PTA council when they selected Ed Holcomb of Sebring, county president, reviewed some of the aims and purposes of such a council, and agreed to be reviewing a new set of by-laws.

Assigned to a committee of four, Holcomb expressed his deep interest in school problems and pledged his best efforts to coordinate the efforts of PTA and the school-going school system in the County.

Started to work with Holcomb were Harry E. Olson of Avon Park, president; Ed Holcomb, Sebring, secretary; and Marshall Pollock, Lake Placid.

Members of the by-laws committee were: Ed Holcomb, Sebring, chairman; Harry E. Olson, Avon Park, vice chairman; and Marshall Pollock, Lake Placid.

Attendees from Avon Park were the President, Ward, and the Secretary, Drotz.

The meeting was held at the Sebring Hotel, Sebring, Florida.

New Phone System In County Court House

Two Charged In Breaking Cases In Highlands

The rash of breaking and enterings which have plagued the county since the first of the year continued during the past week. Sheriff Broward Coker's deputies seemed to be just a few steps behind the lawbreakers.

In Circuit Court Tuesday, Donald Everett Edgewater, 19-year-old white resident of Sebring, pleaded guilty to breaking and entering.

He was accused of breaking into the Jim Blackman Ford Co. once and into Ridge Tire Sales twice. Both businesses are located in Sebring.

Judge Clifton M. Kelly ordered a presentence investigation. A Lake Placid Negro, Freddie Mims, 17, is facing six counts of breaking and entering.

Deputies J. C. Murock and Charles Rucker said Mims had broken into the Garden Supplies Store, Holt's Laundry and Laundry's Service Station—all at Lake Placid.

The deputies also said Mims had attempted to enter Corcoran's Garden Supplies Store, Florida Highway Patrolman David Condy has charged Mims with carrying a concealed weapon.

Sheriff Coker said the lost from McAnally's store, valued at more than \$170, had been recovered.

Sheriff Coker said two taverns in the Negro quarters of Avon Park had been broken into over the weekend, but no arrests have been made on these cases.

Tax Collections In Usual Slump

County Tax collections have hit their characteristic January slump, according to Tax Collector W. H. Prescott.

Prescott said only 10 per cent of the total county taxes have been paid during December and January.

"We usually start off with a bang," Prescott said, "and this year we are no exception. We said that 70 per cent of all taxes were paid within the first month."

The Tax Collector said the 20 per cent still outstanding probably will not be paid until after the tax deadline at the end of March.

"If the taxpayers do not take advantage of the four per cent discount allowed within the first month," Prescott said, "then they usually take advantage of the full extent of time allowed."

The three per cent discount allowed in December and the two per cent discount of January have never attracted large payments in those months, he said.

Nancy Cooper Is First FFA Sweetheart of Avon Chapter

Miss Nancy Cooper was chosen Sweetheart of the Avon Park Chapter of Future Farmers of America at the Sweetheart Contest, Saturday night in the High School Auditorium.

Nancy is daughter of Mr. and Mrs. Don Cooper.

All of the girls appeared in evening gowns and were judged on general beauty, talent and social fitness. Each wore appropriate costumes for their acts.

Nancy displayed her talent with giving a humorous reading and the singing of a popular hit song. She was sponsored by the Spanish Club of APHS.

Jack Selma, president of the Chapter, was assisted by Clifton Creve, Lance Perrett and Mike Giddens with announcing the numbers on the program. Mike Giddens, acting as the judge for between acts.

A quartet composed of Jerry and Alan Dringham, Max Hill and John Rhodes entertained with several vocal numbers. The quartet was planned for the group.

Dean Griffin, FFA Chapter Advisor, and John Rhodes, who were L. L. Tolar, Sebring, Jerry Strickland, Washburn, and Herbert Keller, Avon Park, Griffin also expressed appreciation to all who assisted with making the program a success.

Loyola Shepherd rendered a piano solo and also sang a solo while the readers gave a reading. She was sponsored by the Library Club.

Both Church, sponsored by the Glee Club, and the Glee Club, sponsored by the Glee Club.

CHECK OUT SWITCHBOARD—J. F. Kruse, left, group manager of the Inter-County Telephone Exchange in Sebring and Ed Underwood, field representative of the Kellogg-T & T Company, are shown as they made a final check of the new switchboard at the Highlands County Court House. The new system will go into effect Thursday.

Associated Reform Presbyterian Church To Organize On Feb. 4

The Associated Reform and C. A. Boswell of Bartow Presbyterian Church will be the official organizers of Sunday, February 4, at a meeting to be held in the Masonic Temple on West Main Street at 3 p.m.

Included in the organizational ceremonies will be the election of officers and the formation of committees. All interested are invited to attend.

Assisting with the service will be the ministers, the Rev. H. R. Edwards of Lake Wales and the Rev. J. Board of Lake Placid, who have been alternating services for this church group since it began meeting a few months ago.

Others who will be present Sunday will be Dr. R. T. Nelson of Lake Wales, Dr. J. T. Freeman of Bartow, the Rev. W. C. Lawrence, Director of the Department of Church Extension from Charlotte, N. C., Dr. E. N. Orr also of Charlotte.

The new system will serve the following offices: Board of County Commissioners, Clerk of Circuit Court, Tax Assessor, Tax Collector, Supervisor of Registration, County Judge, Health Department, Information Booth, Juvenile Court, Welfare Department, Small Claims Court, and Veterans Service Office.

Gay said the new system would greatly modernize phone facilities at the court house and at the same time keep the cost at approximately the same as before. Gay said that usually the county is paying for his service on a single party line.

A period of three weekends was required to install the new system, Gay said. The switchboard and accompanying lines installed under the direction of Kruse and Ed Underwood, field representative of Kellogg-T & T Company.

Damage Action Suit Underway

Damages in excess of \$300,000 are being sought in the Kahn-Hair suit which is being heard in Circuit Court this week.

The trial, which involves three separate suits, grows out of an auto accident in January, 1960. Cars driven by Marvin Kahn of Sebring and Mrs. Alexander Hair of Lake Placid collided on U.S. 27 just south of Sebring.

Kahn's three-year-old son, Mark, was a passenger in his father's car. He was killed in the accident and one of the suits is asking damages for his death. Another asks damages for the loss of the child's estate.

The third case is for damages for permanent disability Kahn himself allegedly suffered as a result of the mishap.

More than four hours was spent in selecting a six-man jury. The members of the jury are Ollie P. Gentry and Carl Allman Woodman of Avon Park; Robert J. Jardine, Ouse Morrison and James W. Dewar of Lake Placid.

After the jury was selected, Judge Griffith said that "it appears this case will last longer than first anticipated."

The Circuit Court calendar through Thursday.

Mrs. Harold Porter received the letter from her daughter-in-law, Mrs. Bob Porter, of Chicago, Ill., and her son, Mr. Bob Porter, of Chicago, Ill., and her son, Mr. Bob Porter, of Chicago, Ill.

Montgomery To Receive Degree

James Montgomery, grandson of Mrs. Helen Baker, will be among the 778 students receiving degrees from the University of Florida at the mid-year commencement exercises Saturday, February 3. James will be one of the 123 receiving Masters degrees and he is also honored by being named to the Phi Kappa Phi Society, which is a scholastic honor society. 604 students will receive Bachelor's degrees, 43 Doctors of Philosophy and 9 Doctors of Education.

Commencement address will be delivered by Dr. J. J. Morrill, director of the Ford Foundation for overseas development program for Latin America and the Caribbean area.

James plans to continue his education at the University.

Demonstration Club Meets Here

The Home Demonstration Club was entertained at the home of Mrs. C. E. Kerr on W. Bell street Thursday morning. The president, Mrs. J. L. Bridges, conducted the business at which time the new Year Books were distributed. The program consisted of the reading of the Club Prayer and a devotion by family relations. Miss Betty Duckett, County HD Agent, assisted with the program.

The group decided to attend the State Fair in Tampa in a group on February 10. Plans were considered for the workshop to be held at Camp Clearwater May 31 through June 2.

Mrs. Hobart M. Baker delighted all of the officers with dainty orchid corsages she had made, for both the new and retiring officers. The hostess served coffee and cookies during the morning.

The Club will meet with Mrs. Clyde Krenkerich on February 22.

Col. McClelland To Speak At Local Civic Clubs Next Week

An Avon Park High School graduate will return to his home community, Florida, this week to address two local civic clubs. Lt. Col. Clifton A. McClelland, Air Force Missile Test Center Legislative and Liaison Officer at Patrick Air Force Base will speak to the Lions on the evening of February 6 and the Rotarians on February 7. McClelland, well known throughout the community, will speak on Aerospace Activities at Cape Canaveral, a subject with which he is well versed. The professional military man is a member of the Joint Community Impact Coordination Committee at PAFB, a member of the Air Force Education Requirements Board. He is a past president of the PAFB Toastmasters Club and has been active in many community activities in the Melbourne-Patrick Air Force Base area.

McClelland, a 22-year veteran of the Air Force, graduated from the University of Florida and received a Masters degree from Texas Tech. He spent 22 months overseas during World War II with the Eight Air Force.

Students Visit Local Homes

Miss Edith Wilson left Tuesday to return to PSU at Tallahassee after the spent her winter semester break here with her parents, Mr. and Mrs. Murray Wilson.

Tommy Benfro who attends South Florida University, Tampa, spent the weekend with his parents, Mr. and Mrs. Benfro.

Miss Linda Griffin will be returning to school this week and the students from the University of Florida, Gainesville, will be arriving home for holidays this week.

Lynd Attends Hospital Meet

A. L. Lynd, Administrator of Walker Memorial Hospital, leaves Wednesday this week for Atlanta, Georgia, where he will be joined in Orlando by Don Welch, Administrator of the Florida Sanitarium and Hospital of Orlando.

The two will fly to Atlanta where they will attend a meeting to discuss the budget of the Seventh-day Adventist Hospitals of the seven southern states, with Don Reese, President of the Southern Union Conference of Seventh-day Adventists, in Atlanta.

Friday the two will fly to Washington, D. C. where they will go to discuss further the plans for the new addition to Walker Memorial Hospital and Sanitarium. Mr. Lynd expects to be back in Avon Park on Monday.

Ticker Talk

Reynolds Metals Company

Rated the second largest producer of aluminum in the U.S. Reynolds Metals is a fully integrated manufacturer. While recent earnings have been penalized due to price weaknesses and the costs of Reynolds' aggressive expansion and new product developments program, for those willing to take a longer range view, the results could be rewarding.

It is a well known fact that excess capacity has reduced profit margins and is one of the villainous insofar as prices are concerned. However, the aluminum industry's research and development efforts are contributing to the growing use of aluminum in both the home and industry and should begin to narrow the capacity gap in the near future.

New items such as the aluminum can for frozen citrus concentrate, aluminum drill pipe for the petroleum industry, and aluminum railroad equipment are just a few examples of Reynolds' broadening product interests and are indicative of Reynolds' potential for future sales growth.

Reynolds has considerable foreign interests also, including a 47 per cent interest in British Aluminum plus fabricating plants in Canada, Latin America and the Philippines and interests in two primary smelters under construction in Venezuela and Greece. Consequently, it appears that Reynolds is well situated to benefit from increasing world consumption demands outside our continental limits.

Earnings for the year just ended should approximate \$115 million vs. earnings of \$126 million and sales of \$439 million in 1960.

Collins Radio Company

Primarily as the result of extremely heavy expenditures in new product development, costs incident to first production of new equipment and the initial utilization of new plants and processes, earnings of Collins Radio in the fiscal year ended July 31, 1961 dropped to \$115 million from \$126 million in the 1959-60 fiscal year.

The earnings trend in the fiscal year declined quarter by quarter and culminated in a loss of a share in the final three months.

However, as a result of plant realignment, internal reorganization and a strenuous cost control program, operations returned to the profit column to the extent of 96¢ a share in the three months ended Oct. 31, 1961 of the current fiscal year. Prospects are strong at this time that profits may well be steady upward curve.

WINTER HAVEN—At least five of Hollywood's top stars will be featured here during the 1962 Florida Citrus Exposition.

They will be the guests on NBC-TV's daily nation-wide telecast of "Here's Hollywood."

The agreement for five shows to be filmed from the heart of the citrus industry was com-

ated last week with approval by the Florida Citrus Commission.

The Citrus Commission awarded up to \$25,000 to cover the added expense of filming the five half-hour long shows.

"Here's Hollywood," with Jack Linkletter as master of ceremonies, will be the first show aired Monday through Friday from 4:30 to 5:00 p. m.

The second show, which is carried by 139 stations, will be "The Citrus Connection" and reaches 2,895,000 homes. Designed to promote the sale of direct purchases of citrus products—the program features interviews with top stars.

Present plans, according to the Citrus Exposition of Florida, call for one or two of the shows to be filmed at the Citrus World grounds. The other added, must feature a top star and the Florida in the Florida Citrus logo.

Sites such as Loxley-Candace Vine, Vero Beach and Citrus World have suggested other shows.

A survey team is expected to visit the sites in the next few weeks to discuss the program with the people who appear on the shows.

Rogers-Conway Rites Solemnized In Sarasota Methodist Church

MRS. JOHN CONWAY

The funeral service for Mrs. John Conway, 61, of Avon Park, was held at 10:30 a. m. today in the Sarasota Methodist Church. The service was conducted by the Rev. J. A. F. Manning, pastor of the church. Mrs. Conway was born in Florida and was a member of the church for many years. She was the widow of John Conway, who died in 1958. She is survived by two sons, John and Robert, and a daughter, Mary. She is also survived by several grandchildren. The funeral home is in charge of the arrangements.

Jazz Mass Set At Local Church Sunday Night

Committee for entertainment and presentation of the Twentieth Century Jazz Mass at Church of the Redeemer, Sunday night, will be appointed by Rev. J. A. F. Manning, pastor of the church. The first Avon Park Twentieth Century Jazz Mass will be held at 8 p. m. on Sunday, Feb. 4, at the church. The service will be conducted by the Rev. J. A. F. Manning, pastor of the church. The service will be a combination of jazz and mass. The service will be a combination of jazz and mass. The service will be a combination of jazz and mass.

Touchton, Money Named To South All-Star Grid Team

Two Avon Park High School gridiron heroes received signal honors this week. Ed Touchton, star end on the Red Devil eleven for the past two years, was chosen as a member of the South All-Star squad. Baseball Sked

Baseball Coach Guy Garrett announced his baseball schedule this week for the upcoming season. The Red Devils will play 16 regular season games and the Ridge playoff. The season opener is slated for March 13 with Riverview High of Sarasota, a new entry on the Red Devil slate. Both schools were in the state tournament held here last year, with Avon Park nudging the Rams in the semi-finals.

The schedule:

- March 13—Riverview (Sarasota)—Home—7:30.
- March 16—Lake Placid—Away—7:30.
- March 20—Arcadia—Away—4:00.
- March 23—Kissimmee—Away—7:30.

- May 1—Ridge Playoff.

Driver Fined \$200 Or 90 Days For DWI

An Avon Park man was the only driver penalized for driving while intoxicated this past week. Turens Burton Terry, white, 30, entered a plea of guilty and was fined \$200 or 90 days in jail and his right to a driver's license revoked for a year.

Terry also pleaded guilty to driving without a license and on that count was fined \$20 or 20 days in jail.

Joe Frank Young, 38-year-old Negro from Sebring, pleaded not guilty to driving while intoxicated. His bond was set at \$1,000, and he will be tried in the March term of County Court.

Young on Tuesday of last week had been tried in County Court for driving while intoxicated.

"He presented such a good case then," Judge Behrer said, "that I directed the jury to render a verdict of not guilty. Then he came back this week on the same charge."

"I checked the warrant to see who arrested him; I thought maybe a mistake officer had been keeping a careful eye on Young. That doesn't appear to be the case. The first time he was arrested by a deputy from the Sheriff's department, and this week's charge was made by a Highway Patrolman who had not heard about the previous arrest," the Judge concluded.

The Judge indicated that he may be harder to convince again.

David Epps of Lake Placid was re-sentenced Monday on a driving while intoxicated charge. He is currently serving a 30-day jail sentence for driving intoxicated. Judge Behrer reduced his fine from \$250 to \$150.

Both square dancing and round dancing was enjoyed to recorded music furnished by Cliff Seifert. Robert Duthie was in charge of arrangements. Fifty-one members were present for the affair.

Dinner Dance At Jacaranda

The Friendly Dancers' Club held their mid-winter Dinner Dance on Wednesday evening at the Jacaranda Hotel. Following the delicious dinner the group was entertained with pictures, shown by Fred Robinson.

Both square dancing and round dancing was enjoyed to recorded music furnished by Cliff Seifert. Robert Duthie was in charge of arrangements. Fifty-one members were present for the affair.

86th Birthday Observed By Avon Woman

Mrs. Margaret Green, who has been a resident guest at Walker Memorial Sanitarium for the past nine years, observed her 86th birthday Monday, January 22. She was surprised with a shower of cards and gifts from the hospital and guests.

One friend baked her large birthday cake which she cut and served to all who visited her during the day.

Mrs. Green and her late husband came from Battle Creek, Mich. They were among the first to become guests at the Sanitarium. She is an invalid but enjoys all of the comfortable facilities offered at Walker Memorial where many couples make their home.

MOVING TO BARTOW
Mr. and Mrs. L. G. Peters will be moving to Bartow Air Force Base where Mr. Peters is employed. Their son, Glenn, who is with the U. S. Air Force at Nashville, Tenn., was home for a visit two weeks ago.

The state alcoholic beverage tax brought in \$47,260,500, or 8.7 per cent of Florida's tax receipts in 1960, according to the Florida Alcoholic Rehabilitation Program.

About Town Via The Mail

Think About It—

Business along the Mall just about came to a standstill last Friday afternoon when the Ranger was launched, headed for the moon. Hundreds were on the sidewalks watching the missile and the long vapor trail before it finally went behind a huge patch of clouds and disappeared. It was amazing to listen to some of the seriousness they expressed in their opinion of it. "Those guys at the Cape know what they're doing," said one. "I'll be watching the picture it will take of the moon on television next week," said another. One lady chimed in, "they'll never make it! God made that moon and doesn't intend for man to go there." One man answered her with "Yeah, but man made America and at one time before Columbus, people didn't believe anyone would ever make it over here." Well, everyone to their own opinion. Mr. I sorta go along with the lady's view. The Russians Electric Exchange, according to C. R. Watson, FCC district manager here.

Power Employees Cited For Good Safety Record

Local employees of the Florida Power Corporation were recently honored for their part in building a company safety record which ranks first among the eight companies of comparable size in the Southeastern Electric Institute, according to C. R. Watson, FCC district manager here.

Health Board Sees Rise In VD In State

JACKSONVILLE — There has been such a rise in syphilis in Florida that the State Board of Health has scheduled four laboratory workshops to increase the knowledge of all technicians and venereal disease investigators in the state.

The workshops will be held in Jacksonville March 5-6, Tampa March 8-9, and Miami March 12-13. The instruction will be in what is called dark-field microscopy, which is a rapid method of identifying the bacteria from a primary lesion—a pimple or sore which sometimes appears some place on the body from 10 to 90 days after exposure. Lesions may disappear, then return at a later date. Where there are no lesions, identification is made by blood analysis.

Health Board Sees Rise In VD In State

JACKSONVILLE — There has been such a rise in syphilis in Florida that the State Board of Health has scheduled four laboratory workshops to increase the knowledge of all technicians and venereal disease investigators in the state.

The workshops will be held in Jacksonville March 5-6, Tampa March 8-9, and Miami March 12-13. The instruction will be in what is called dark-field microscopy, which is a rapid method of identifying the bacteria from a primary lesion—a pimple or sore which sometimes appears some place on the body from 10 to 90 days after exposure. Lesions may disappear, then return at a later date. Where there are no lesions, identification is made by blood analysis.
