Tucker-Hall Engagement Is Announced

Of interest to friends here is the announcement of the engagement of Mrs. Olen Mae Tucker of Sebring to James Edward Hall of Avon Park. The announcement was made by Mr. and Mrs. Warren Watson.

Mrs. Tucker was graduated from Bangor Area High School, Bangor, Pa., and she is employed in Sebring.

Mr. Hall is the son of Mrs. Theodore E. Hall of Wheeling, W. Va. and the late Mr. Hall. He attended schools in Wheeling and is employed by Bennett and Mosley Contractors of this city.

An April wedding is planned.

Birthday Party For 45 Women

Forty-five women patients at the G. Pierce Wood Memorial Hospital, Arcadia who had birthdays during the month of January were entertained with a party Wednesday, Jan. 31, by members of the Highland Unit 69 of the American Legion Auxiliary.

Mrs. E. A. Teppert, unit community service chairman, welcomed the women. At the close of a singing program, the chorus sang "Happy Birthday." Each woman was presented with a gift. Punch and festive cakes were served.

Assisting Mrs. Teppert were Mrs. Herton T. Sasser, unit president; Mrs. Ed Welch and Mrs. John P. Arnold.

Mrs. H. Johnson, recreation director of the women's division of the hospital, expressed appreciation and stated that this was the first party for the women in observing their birthdays.

Winter Guest Club News

Like "Grape nuts, there's a reason" why the Winter Guest Club News has been a minor quantity for the past two weeks; namely, our good friend, the STEVENS has been laid low by that pestiferous bug, the "flu." So here goes for pinch hitting while he recuperates. By the way, he would enjoy hearing from you-all, so drop him a card.

The knife-and-fork wielders turned out 81 strong on Jan. 20. New York with 15 folk and Michigan with 16 lead in attendance with Ohio and Illinois running a close second. There were several newcomers, in the division of the hospital, expressed appreciation and stated that this was the first party for the women in observing their birthdays.

So much good fellowship was engendered last week that on Jan. 27, 86 hungry folk gathered 'round the groning board. The roll of states produced 17 from Michigan to head the list. Mrs. A. W. Rodgers told many interesting facts of her home state of Pennsylvania; Mr. and Mrs. Clyde Krenierick did the same for their state of Wisconsin. Happy Birthday was sung to several who had reached that milestone this month. This was the last supper for Mr. and Mrs. Watson and Mr. and Mrs. Cole as hosts, and a mighty good job they have done. Local news announced Mr. and Mrs. Fern Haas, the general chairman, announced Mr. and Mrs. Scott would be hosts next Saturday evening.

On February 3 the attendance took a drop, 68 present. Mrs. Price told of homesteading near Avon Park in 1915, that was real pioneering. Mr. and Mrs. Fred Gersert of Long Island celebrated their 45th anniversary the past week. New York and Illinois lead the list with the highest number present. New members were present from New Jersey and South Dakota.

On Jan. 22, seven tables of pinocle enjoyed an afternoon of play resulting in high scores for Mrs. Myrtle and Mrs. Scott. Mrs. Mary Noel with second high. On Jan. 29 there were again seven tables in play. This time the high scorer was second high score winner being Sarah Kerr.

We presume the bridge enthusiasts met on Jan. 23 for play but have no record of that.

New low-cost luxury in two just-out Chevy II Nova sedans

• Luxury and low cost have never been more beautifully blended than in these two newest additions to the Chevy II line! Like their running mates—the Nova 400 Sport Coupe, Convertible and Station Wagon—they have the same more-for-your-money features that have made Chevy II the winner of Car Life magazine's Engineering Excellence Award for 1952. Soft-riding new wheels, four springs, proved in the equivalent of 2,000,000-plus test miles. Thirty-6-cylinder engines that get more "gilt" out of a gallon of regular. Body by Fisher combines that big familiar and small parking places. An easy loading vacation-sized trunk. New ideas that save on space. Plus trim, tasteful styling, inside and out. See the smart, easy, saving Chevy II Nova—and the other recently sized, sensibly priced Chevy II models—at your Chevrolet dealer's.

WHICH

CHRISTIANITY, OR COMMUNISM... Which side are you on?
There is a distinct line, "THE IRON CURTAIN," separating the two. Communism is an atheistic, materialistic, scientific, political conspiracy, aligned against God. Communism says, "DOWN WITH THE CROSS!" It declares Man is state-owned property. Christianity, the Bible and God are on one side. The hammer, sickle and Communism on the other. If you are a Communist, you are Godless. If you love God, you are not a Communist. Freedom and a sense of human worth are the Bible's gift to mankind. The hammer blows will falter! The sickle's edge will grow dull! The Bible and the church will endure. WHICH SIDE ARE YOU ON?

Barnyard Sights On Display At Florida Fair

TAMPA — Barnyard sights and sounds will be much in evidence during the final week of the Florida State Fair, Feb. 12-17, at an expanded Old MacDonald's Farm.

The "Farm" was established at last year's exposition as an experiment. It was such an instant and tremendous hit that it has been enlarged and improved this year into a major attraction.

With an authentic "down on the farm" setting and atmosphere, the show will depict the warmth, comfort and quiet pleasure of rural life in Florida as half a century ago.

Appealing to all ages from great grandparents to the youngest, its collection of baby animals will be especially captivating to children. The youngsters will see many of the first time, puppies, kittens, ducklings, chicks, lambs, calves, colts, goats, and other backhouse, back room, and feed room horses and ponies, of course, will be a feature of the show.

Incubators will be hatching baby quail and chicks before the eyes of visitors. For elders, there will be interesting and nostalgic sights of spinning wheels in actual operation by hand-cranked housewives, butter churns, and washing pots, pot bellies, and crock ranges, grist mills and quilts. Competitively furnished old kitchen and bedrooms will be shown.

Refreshments will be available at a country store. The farm is sponsored by the Lutz But and Brattle Road Club, but has the support and cooperation of the entire fair community. It has been perfecting its program since the first six months.

According to the Florida Agricultural Extension Program, one source of whiskey contains a small amount of lead, the same as a large amount of lead. Its exposure to sugar or its taste, of course, will be a feature of the show.
