NATIONAL FARM SAFETY WEEK

Next week July 22-28 is National Farm Safety Week. The Avon Park Chapter of Future Farmers of America is taking this opportunity to campaign for safety on the farm and at home.

A victims in farm homes take approximately 2,000 lives a year. Falls head the list. In rural areas, such as Avon Park more than 11,000 people die each year in farm home and highway mishaps. Additional thousands suffer injuries. Farm work accidents rank first in total occupational deaths.

Farm Safety is not just a one week job. It is something to be conscious of year around. Here are a few safety tips for everyone:

1. Keep your farm or home in order—eliminate hazards as you find them. Be a good housekeeper in your home and on your farm.
2. Be courteous on the highway—A courteous driver believes in living and letting others live. Know and obey all traffic laws and follow safe driving practices.

America's most precious resource is people. Injuries and deaths by accident reduce these resources needlessly.

The Future Farmers of America want to urge the people of Avon Park to practice safety on the farm and at home, this week and all year long.

CRACKER POLITICS

By Allen Morrell
TALLAHASSEE — It's a staggering statistic, says Lewis W. Pettway, who knows, says, it's true... utilities and carriers investing during the past 10 years almost twice as much as they did in all the years from 1917 to 1951.

Pettway was talking of the electric power companies, gas utilities, telephone companies, railroads and motor carriers, and of how their fantastic growth demanded vast sums of money which Florida's regulatory climate persuaded investors to lay out.

He said that these companies have put \$1,800,000,000—that's one billion, eight hundred million dollars—into additional facilities and equipment to meet the growing service demands, actual and potential.

That sum breaks down to \$400.46 for every man, woman, and child here in that decade, and if money really talks, it shouts the confidence of the sands of stock and bond purchasers in the future of Florida.

"It has been planned, supported by the state's public utilities and public transportation systems, but they 'could not have kept pace' without a regulatory climate."

Electric power customers in Florida have paid during the past 10 years from 67,000 to 1,250,000, while the state's telephone subscribers jumped from 75,000 to 1,250,000.

These questions are drawn from a report of first importance which Pettway, as Executive Director of the Federal and Public Utilities Commission, has just prepared for the Commission on Economic Development. State agency concerned with forecasting Florida's future.

Pettway is a convert of 21 years with the Commission, and has been responsible for the state's economic development, and intelligent public servant.

The Commission, continued Pettway, has believed the public can be better served by financially healthy utilities than by those forced to exist on a "skin and bones" return.

The Commission consistently has skinned the democratic, cut-rate, cut-price, cut-throat approach which has handicapped utility and carrier expansion in some states and nations.

"The Florida Commission has been able to invest in rates when it has been necessary to assure the people of this state that they will be served adequately by financially strong and efficient public utilities," he said. "At the same time, Florida Commission has probably set rates more than any other regulatory agency in the country during the past 10 years."

Don't forget to renew your driver's license during the month of your birthday.

The Farm Front

by Doyle Conner
Commissioner
Florida Department of Agriculture

Recent reports and comments in the news make this point: Troubles are being up in the Communist world. They're the result of FAILURE. On the other hand, troubles in the U.S. are the result of SUCCESS. The Communist world is a failure because of its economic failures in the economies of the totalitarian countries. The Communist world is a failure because of its economic failures in the economies of the totalitarian countries.

Communist has failed to produce a better life for its people. Communist country is in trouble. The crisis in Soviet Russia is a crisis in China is a crisis in Korea is a crisis in Cuba is a crisis in the world.

S. News & World Report summarizes the situation beautifully: "Don't underestimate the power of the Communist. It's the worst setback Khrushchev has ever had since he became Premier. Time magazine makes this point: 'The Communist world is a failure because of its economic failures in the economies of the totalitarian countries.'"

The outstanding success of the Communist world is the Communist world is a failure because of its economic failures in the economies of the totalitarian countries.

George Macosch, the professional economist directing the Council's studies, stressed the fact that the Communist world is a failure because of its economic failures in the economies of the totalitarian countries.

"In this business of selling goods and services, the Communist world is a failure because of its economic failures in the economies of the totalitarian countries."

Pettway said Florida's "fabulous growth" during the past decade has been strongly supported by the state's public utilities and public transportation systems, but they "could not have kept pace" without a regulatory climate.

Electric power customers in Florida have paid during the past 10 years from 67,000 to 1,250,000, while the state's telephone subscribers jumped from 75,000 to 1,250,000.

"The Commission, continued Pettway, has believed the public can be better served by financially healthy utilities than by those forced to exist on a 'skin and bones' return."

The Commission consistently has skinned the democratic, cut-rate, cut-price, cut-throat approach which has handicapped utility and carrier expansion in some states and nations.

"The Florida Commission has been able to invest in rates when it has been necessary to assure the people of this state that they will be served adequately by financially strong and efficient public utilities," he said. "At the same time, Florida Commission has probably set rates more than any other regulatory agency in the country during the past 10 years."

Hot Dogs, Bigger and Better

THE DECATOVIA TWINS, two lovely Agn. Mink, celebrate National Hot Dog Month in a thrilling work exhibition at the world famous Cypress Gardens.

To make it easier for Floridians and visitors to enjoy this attraction, a Florida winner manufacturer is scheduling a free 1¢ ticket to Cypress Gardens in each package.

Washington Report

By Congressman Jim Haley
WASHINGTON, D. C.—July 25.—The House of Representatives today passed a legislative reorganization act of 1948. The Congress should be reorganized not later than midnight July 31. However, as it has done several times, the act was passed. The Congress will ignore this adjournment date, this being rationalized on grounds that the presidential election is a national emergency at the time of Korea has never been.

I doubt very much if the Korean emergency still exists. The Korean emergency still exists. The Korean emergency still exists. The Korean emergency still exists.

I therefore think that the time has come for us to go home. I think we should pass the appropriations bill which have tied up in what might be called a labor dispute, and pass the bill on the reorganization act.

There is a strong tie of opinion against many of the proposals that remain in the pending statute. Not only do I mail reflect this, but other leaders of the majority in the House reflect the same sentiment.

In my judgment, few of these proposals will be proved in this session. In this and the past few years, the House has been unable to pass a single bill.

This new phase of enforcement will be inaugurated by the House. The House will be inaugurated by the House. The House will be inaugurated by the House.

This new phase of enforcement will be inaugurated by the House. The House will be inaugurated by the House. The House will be inaugurated by the House.

Births In State Keep Pace With National Scale

Jacksonville—Florida's births have increased each year in the past decade to two times the exact pace with the general national increase. The increase is reflected by the State Board of Health. Boys outnumber girls; illegitimacy is increasing.

There were 1,117,216 births in 1950 to 1951. Births during the period increased 80 per cent against the population increase of 29 per cent.

There were 85 per cent more births for whites while the white population increased 38 per cent. Nonwhite births rose 66 per cent against only a 4 per cent increase in the nonwhite population.

The difference in these figures was a large increase in older babies (child-bearing age) new white residents and a rise in the non-white birth rate.

From 1951 to 1957 the number of births among the white population increased an average of seven per cent each year; among the nonwhite population the average gain among whites and nonwhites declined to three per cent.

The board said that if the current trend in the ratio of increase, a survey would have to be made to determine whether the present stabilization of the population, further shifts in population of older persons, a decrease in the birth rate, a combination of several factors, would result in a 10 per cent for 8.3 per cent of all live births during the 1950-1951 period. Among whites the illegitimacy percentage was 2.3; among nonwhites it was 36.2.

In 1951, 11,117,216 births were recorded. The illegitimacy rate was 2.3 per cent. The illegitimacy rate was 2.3 per cent. The illegitimacy rate was 2.3 per cent.

Letters To The Editor

July 24, 1952

Dear Editor:
I understand that the Chamber of Commerce, is an association, primarily of businessmen, to protect and promote the business activities of a city. It has its members and directors who pay yearly fees plus their share of the operating expenses.

Now with all the C of C membership dues, that could be so great that they have to pay the city for \$1,500 when the taxpayers money is used.

What is this \$1,500 to be used for, banquets, promotional drives, or other things?

I think the people have a right, and should be informed as to where their tax dollars are going and what they are being used for.

How long can the taxpayers hold up, if our city fathers keep using taxpayers' money so helplessly?

A worried taxpayer, Mr. Robert Kerner, 902 W. Center St., Avon Park, Fla.

Landowners Invited To FCD Meeting

All interested people are invited to attend a meeting at the Court House, Avon Park, July 30 at 8:00 p.m. Bob Taylor, Chief of hydrology and hydraulic engineering, and Zeb Grant, Director of Operation and Maintenance, Florida Farm Bureau Federation, will be in charge.

The Florida Farm Bureau Federation at their regular quarterly meeting, the selection of the Florida Farm Bureau Federation, will be in charge.

ligation with their present construction. The Central and Southern Florida Canal District has instructed their Oklawaha Field Station on June 4 to operate the structure in a manner to regulate the stages of Lake Okechobee.

The structure S-48 controls the flow of water in Canal No. 41. This canal and others that have been completed will afford the organic soils south and south east of Lake Okechobee an excellent safety factor from flooding and provide irrigation water when needed.

These facilities will be a real asset to agriculture in Highlands County.

The South is now replacing its trees faster than it is using them up, according to information from the Southern Fl. wood conservation Association.

Here And There— North Carolina Couple Visits In Avon Home This Week

Mr. and Mrs. E. G. Touchton enjoyed a vacation trip to The Highlands of North Carolina.

Ed Touchton, who attended Summer school at Abraham Baldwin Agricultural College in Tifton, Ga., returned home last week. Ed plans to return to ABAC in the Fall.

Mr. and Mrs. W. S. Betts are vacationing in the New England States.

While her parents were away, Miss Pat Touchton visited her aunt and uncle, Mr. and Mrs. W. C. Touchton, at Fort Huachuca, Arizona for a visit with Mr. and Mrs. Roland Drott, Jr.

Vicky Drott returned home with her grandparents for a visit with them and also her other grandparents, Mr. and Mrs. Ralph Graham, and other relatives here.

Mr. and Mrs. E. J. Rutherford spent the weekend with their son and family, and visited other relatives in Orlando.

Guests with Mr. and Mrs. W. E. Rutherford last week for a few days were his sister and her husband, Mr. and Mrs. Joe Tucker, from North Carolina.

Dr. DeWitt Boney and wife of East Orange, New Jersey have been the guests of his brother and family, the P. P. Boney, while they enjoyed a Florida vacation.

Mr. and Mrs. P. C. Boney and their granddaughter, Kitty, visited Mrs. Boney's sister, Mrs. Juliette Parks for a few days.

Miss Bobbie Edwards of Lake Wales was the houseguest of Mrs. Hubert Bussard for the week here.

Jimmy Cooper of Winter Park visited his mother, Mrs. June Cooper, and grandmother, Mrs. Ed Gough, before he left for the National Guard Training Camp near Fort Jackson, South Carolina. Mrs. Cooper will visit her family in St. Petersburg while her husband is away.

Mr. and Mrs. Jesse Lee Harris and son, Jack, of Corning, N. Y. are visiting his aunt, Mrs. Ida Harris, and sister, Mrs. Gertrude Craft.

Mrs. Ronald Lee Phillips of Miami, who was the former Miss Mary Lynn Roberts, is visiting her grandmother, Mrs. Lola Roberts, her father, Wendell S. Roberts, and other relatives for a few days.

Guests with Mrs. William C. Johnson is her sister, Miss Dorothy Ort of William, Canada.

Mrs. Milton F. Poole and Mrs. C. J. Tallent of Miami.

Paul and Maryann Reddick and their daughters, Candy and Betty, have returned from a touring vacation in five southern states where they enjoyed varied experiences from the mountains of North Carolina to the coast of Florida.

Mr. and Mrs. Otto Foster spent last week visiting their daughter, Miss Evelyn Foster, in Atlanta, Ga. and Miss Betty Foster in Gainesville.

LULA Blue Samson of Tampa is the guest of her aunt and uncle, Mr. and Mrs. O. B. Cantrell, at their ranch home south of Avon Park. Her parents, Mr. and Mrs. Monte Samson, and grandparents, Mr. and Mrs. Ralph Tait of Tampa, will be here this week to visit the Cantrells and to take family home.

Mr. and Mrs. E. C. Adams and daughter, Charis, spent the weekend in Hollywood with Mr. and Mrs. Glenn Lavette, who were former residents of Avon Park.

Miss Jan Adams, who has been attending the annual Summer Road Camp at the University of Miami returned home with her parents.

Miss Pam Alderman of Ft. Lauderdale was the houseguest of Miss Leahy Kline last week.

Harris Willis of St. Petersburg spent the past weekend with his parents, Mr. and Mrs. Willis, in Avon.

Miss Sherry Wells, daughter of Mr. and Mrs. Floyd Wells, was visiting with relatives over the weekend.

Mrs. E. O. Martin spent a few days in Pensacola where she went to be near her son-in-law, E. C. Crutchfield, who underwent a serious operation last week. He is reported to be improving considerably.

Mrs. Martin returned home via Jacksonville where she visited her daughter and family, the Rev. and Mrs. J. O. Witt, and Mrs. J. O. Witt, who is in Miami, where the Rev. Witt is pastor of the First Baptist Church.

Mr. and Mrs. J. O. Witt, who are in Miami, where the Rev. Witt is pastor of the First Baptist Church.

27 Highlands Students At Florida State

Florida State University officials announced this week that 27 Highlands County students attended the state school during the past year.

Leon, Dale and Duval Counties supplied the largest number of students, with 1336, 1052 and 637 respectively.

All 67 Florida counties were represented in the student body, according to the report.

Don't waste too much time trying to cultivate an enemy, you might make one out of it and enjoyed a day in Sarasota.

Edith Wilson Shower Honoree

Miss Edith Wilson was the honoree at a shower given Monday night at the home of her aunt, Mrs. Solon Wilson, in Avon Park Lakes area. Sharing hostess duties with Mrs. Wilson were Mrs. David Maddox, Mrs. Clyde Hill and Mrs. Donna Aubry.

Invitations were issued to guests from Avon Park and the New Hope community. Miss Wilson received a variety of lovely gifts.

The guests were entertained with games and contests. Refreshments were served from the dining room. The bride's favorite color of peach with mint green was used in flowers and table appointments. A mint green cloth, overlaid with net, covered the dining table. Summer flowers in peach shades were entwined around the punch bowl, which was flanked on either side with vases.

Chips 'n' lips, dainty sandwiches and cakes were served with punch. Cometes held nuts and mints.

First Federal Savings and Loan Association of Broward County
Weston, Florida

Lee Pearce was
a hostess for
a party at the home
of Mrs. J. J. Brown
on Sunday. Her grand-
children, Mrs. John
Williams, Mrs. Kenzie
and Mrs. J. E. Martin
were present. The
party was a success
and the hostess
received many
gifts. The party
was held at the home
of Mrs. J. J. Brown
on Sunday.

Rev. Tom Jones
Heads Juvenile
Receiving Home

A Sebring minister has been
elected chairman of the board
which will serve as policy mak-
ing body for the planned juve-
nile receiving home.

The home will operate as a
branch of the Highlands County
Board of Juvenile Court, and the
board of visitors division of the
juvenile court will be responsible
for setting policy. The Rev. Tom
Jones, minister of First Christian
Church in Sebring, will be
chairman of the board. Marshall
P. Pollard of Lake Placid has been
elected vice chairman, and
Juvenile Counselor Robert Lind-
say is serving temporarily as
secretary.

Mrs. Ted Ward and Wood-
row Wells of Avon Park are
members of the board of
visitors. Other members are
Mrs. Robert Hobbins, Mrs.
Dorothy Warden, Mrs. W. E.
Coom and John Hayes of
Sebring.

At a meeting on July 20 the
visitors approved plans to offer
a new juvenile care facility to
the juvenile courts in Hardee,
Glades, DeSoto and Hendry
counties. None of these coun-
ties having any juvenile
receiving home facilities
available to them at this time.

After the Highlands County
Board of Commissioners ap-
proved the juvenile Court re-
quested budget of \$12,000, plans
went forward rapidly to set up
the receiving home.

**Highlands County
Judge Marvin Baker**
has been elected secretary of
the Florida County Judges
Association. The Avon Park
court was elected secretary of
the summer convention of the
group held in St. Petersburg
last weekend. Baker is also
chairman of the Florida
Health Commission. He is
H. H. McDonald of Alachua
County is president of the
association.

Rev. Tom Jones Heads Juvenile Receiving Home

A Sebring minister has been
elected chairman of the board
which will serve as policy mak-
ing body for the planned juve-
nile receiving home.

Witnesses Plan Orlando Meeting

Jehovah's Witnesses from
Sebring are making plans to
attend a three-day "Courageous
Ministry" district convention to
be held in Orlando, July 27-
29.

The world headquarters of
Jehovah's Witnesses, the Watch-
tower Bible and Tract Society

of New York, and the Orlando
Congregations will be sponsors
of the convention.

In making the announcement,
Marvin M. Cousins, presiding
minister of the Sebring Con-
gregation, said that this con-
vention is one of 48 conventions
to be held throughout the
United States and Canada this
summer. Floridian Witnesses
will have the choice of attend-
ing two of such conventions,
West Palm Beach and Orlando.

Weatherhead Engagement

Mr. and Mrs. W. E. Weather-
head of Rt. 1, Avon Park, have
announced the engagement and
approaching marriage of their
daughter, Virginia, to Michael
Miller, of Bellefontaine, Ohio.

He is the son of Mrs. Grace
Miller and the late Ralph Miller
of Indian Lake, Ohio.
An August wedding is being
planned.

Jacaranda Hotel News

Mrs. Elizabeth Ladrie, are both
former Avon Park residents.
The Whites also formerly lived
in Avon Park. White is man-
ager of a store in Hialeah. The
family are on their way to the
East Coast for a vacation.

UNDERGOES SURGERY
Royal Coats, manager of the
Jacaranda Hotel, underwent
surgery at Walker Memorial
Hospital Tuesday morning.

Mrs. Elizabeth Ladrie, are both
former Avon Park residents.
The Whites also formerly lived
in Avon Park. White is man-
ager of a store in Hialeah. The
family are on their way to the
East Coast for a vacation.

FIRST VISIT IN 30 YEARS
Mr. and Mrs. Don Brown of
San Pedro, Calif. have been
visiting his parents, Mr. and
Mrs. J. J. Brown, at Lake
Lillian. This was the first time
that Don had seen his father
since 1925. The Don Brown
family are now on a tour of Europe.
When they return to the States
they will again visit their
parents here.

GILBREATHS VACATION
The Rev. and Mrs. J. M.
Gilbreath and daughter Paul-
ette, spent last week at Lake
Oak, visiting Mrs. Gilbreath's
sister and family. Mr. and
Mrs. Charles Broughton and
children, Terry and Janet,
Paulette and her mother, the
Winter Haven Branch, will
next week.

Royal M. Coats, Active In Avon Civic Work, Buried In Alabama

... was civic leader. Funeral services were held Friday afternoon at the Avon Park First Baptist Church for Royal M. Coats, 67, who succumbed Wednesday at Walker Memorial Hospital. Burial was in Geneva County, Alabama.

The Rev. Aden D. Childress officiated at the service. Coats, a native of Holmes County in Northwest Florida, was manager of the Jacaranda Hotel for the past five years. He formerly operated the Placid Inn Hotel in Lake Placid and was president of the South Florida District of the Hotel Greeters Association.

A member of the First Baptist Church, Coats was superintendent of an adult department in the Sunday School. He was a Rotarian, Mason and held memberships in the Blue Lodge, Knights Templar, Consistory and Shrine. He was immediate past president of the Avon Park Chamber of Commerce.

The deceased was recently elected president of the Highlands County Chapter of the American Red Cross, an organization which he had served as secretary previously. Coats' brothers, Malcolm Coats of

ROYAL COATS

formerly managed Radio Station WAVP until its sale recently.

Survivors include his widow, Mrs. Florine Coats, a son, Royal M. Coats, Jr., his mother, Mrs. Rachel Coats of Bonifay; four brothers, Malcolm Coats of

Witnesses Hold Convention In Orlando Sunday

Some 6,001 of Jehovah's Witnesses assembled in Orlando, Sunday heard Charles Simurka, Jr., minister of the Watchtower Society, speak on the subject, "Take Courage—God's Kingdom Is At Hand."

A part of the group in attendance were members from the Sebring congregation gathering for their three-day district convention. It was one of 48 being held throughout the United States this summer.

Simurka, circuit supervisor from the World Headquarters in New York, speaking on the subject said, "We have had religious authorities dominating the lives of the people for centuries, and what do we have for it today? Nothing but the present earthly mess! One thing that God's Kingdom will mean to all mankind is universal peace and good order, the removal of wild confusion."

IN HOSPITAL

Mr. and Mrs. Samuel G. Hamilton are in Orlando this week where he went to enter the Orange General Hospital for observation and treatment.

THE AVON PARK SUN, AUGUST 2, 1952—PAGE 3

Rev. and Mrs. Clark To Visit Avon Park Enroute to Baylor

The Rev. and Mrs. Gene A. Clark, Southern Baptist missionaries, are scheduled to arrive in the States July 21 for a year's furlough following their first term of service in Japan. They will visit in Avon Park, their home town, before establishing their furlough home in Waco, Texas, where they will attend Baylor University.

Mrs. Clark is the former Dorothy Layton. The Clark family will visit her parents, Mr. and Mrs. R. H. Layton on East Winthrop Street, and other relatives here, and also visit his father, Dr. A. R. Clark, who is a patient at the Palmetto Clinic in Wauchope, and others of his family in this area. Dr. Clark continues to be on the critical list with complications following an accident he suffered several months ago.

The Clark's two youngest children, Miriam, three years of age and Barbara, who will be two in November, were both born in Japan and are seeing their grandparents for the first time. The family was met at the International Airport in Tampa on Sunday afternoon.

The Clark's, appointed for missionary service in December 1950, studied the Japanese language in Tokyo until July 1951, when they moved to Fukuoka. There he is teacher and chaplain in the high school division of Seimein Gakuen (a Baptist school), pastor of Seimein Baptist Mission, assistant pastor of Seimein Baptist Church, and missionary representative for the Fukuoka association of Baptist churches.

Mrs. Clark stays busy at home, caring for her three children—David Raleigh, Sarah Miriam, and Barbara Suzanne—and entertaining visitors—Seimein students and teachers, Japanese pastors, fellow missionaries, American travelers, and Japanese interested in becoming Christians. She also conducts Bible and English classes for high school students and neighborhood children and women.

Mr. and Mrs. Clark are graduates of Baylor University, and she, a registered nurse, studied at Baylor University School of Nursing, Dallas, Texas, and at Texas Hill (N. C.) College. Mr. Clark is a graduate of Southern Baptist Theological Seminary, Louisville, Kentucky.

Before missionary appointment he was assistant pastor of Farmington Baptist Church, Louisville, and pastor of Rolling Fork Baptist Church, Nelsonville, Kentucky. He served in the U.S. Navy for two years, and in the Philippines, Iwo Jima, and Okinawa. He spent several months in occupation duty in Japan after the war ended and decided during that time to become a missionary to Japan.

Before going to Japan Mrs. Clark was a private duty nurse at Walker Memorial Hospital, Avon Park, and an instructor at Baylor University Nurse Technician School, Dallas. Her brother, Rev. Charles H. Layton, Sr., is a Southern Baptist missionary to the Philippines.

Students Home From College

Jack Seims, who attended a workshop at the University of Florida, Gainesville, for becoming Freshmen this fall, has returned home with his family, the Ray Seims family.

Tommey Renfro made a short weekend visit home with his parents, Mr. and Mrs. L. A. Renfro. He has remained on the campus at the University of South Florida for the summer, where he is working.

Miss Ethel Brewer of Hialeah is visiting her college roommate, Miss Claire Maxwell, for a few days. Miss Maxwell is a student at the University of Florida, Gainesville.

4-H Citrus Club At Cloverleaf

About a dozen Avon Park boys are attending the Junior Citrus Institute at Camp Cloverleaf near Lake Placid this week. The boys, under the direction of the assistant county agent, David Macdonald, are studying citrus production.

Macdonald has recently accepted another job and will be released in this county by Richard H. Pike of Ft. Myers.

Don't forget to renew your driver's license during the month of your birthday.
