Sportsmen Favor Universal Fish License, Increased Hunt Fees

LAKELAND—Public opinion for a year-around hunting license, a universal fishing license, and increased hunting license fees to enable the Game and Fresh Water Fish Commission to acquire and manage additional land for public hunting, ran high in the four public hunt meetings held last week in the South Florida Region, according to J. O. Brown, regional manager, Lakeland.

Out of a possible 382-vote total, the Regional tally was:

For a 12-month hunting license? Yes, 261 - No, none.

For a fishing license for all fishermen? Yes, 255 - No, 4.

For increased license fees for land acquisition? Yes, 180 - No, 18.

The four meetings—in Brooksville, Bradenton, Ft. Myers and Avon Park-were attended by 260 sportsmen, records show. Letters and petitions from 122 persons unable to attend any of the four meetings brought the hunter participation in the Region to 382, and the total to 432, including Commission personnel present, Brown said.

Letter-and-petition voting, along with the vote taken in the four meetings, will be referred to the Commission, which meets in mid-July to set the 1962-63 rules and regulations, Brown has stated. Other votes taken in the four meetings were:

Open the general hunting season Nov. 17: Yes, 266 - No, none.

General deer season from Nov. 17 to Jan. 6: Yes, 291 - No, none.

First week of deer season a still hunt (no dogs): Yes, 12 - No, 247.

Harvest doe deer on areas which Commission recommends: Yes, 220 - No, 35.

Both archers and gun hunters take such doe deer: Yes, 187 - Other ways, 30.

For turkey season same as deer season: Yes, 237 - No, 3.

For Spring gobbler season (in April): Yes, 225 - No, 34.

Quail season open with deer-turkey season: Yes, 226 - No, none.

Quail season end: Feb. 10, 44 - Feb. 17, 17—Feb. 24, 16—March 3, 108.

Squirrel season open with deer-turkey season: Yes, 245 - No, 3.

Squirrel season end with quail season: Yes, 263 - No, none.

For October dove season: Yes, 244 - No, 49.

For longer duck season, less ducks per day: Yes, 82.

For shorter duck season, more ducks per day: Yes, 125.

For basic hunting license for small game, and an additional license for deer and turkey: Yes, none - No, 228.

Brown said, in releasing the tabulation of the voting in the four meetings, that, "I believe the public will appreciate knowing the majority opinion of the sportsmen who attended these meetings to make their wishes known, and how this vote may differ from one's individual ideas what should be done".

They also spent several days with Mr. Johns sister and brother-in-law, Mr. and Mrs. Robert Wiggins in Metropolis, Illinois. The Johns were guests of Mr. Johns' sister, Mrs. C. A. Bowen and her brother, Mr. Charles Homberg, in Carbondale. The vacation was wonderful, but both are happy to be home.

Mrs. Bailey was elected as Member-at-Large, Herb Slocum was placed on the Membership Committee, and Bill Constantine a member of the Entertainment Committee.

I am quite chagrin, but due to unavoidable circumstances, the following news items were not published last week. Sorry!!

Ladies from the Lakes who attended the open house on Sunday at the beautiful new house of worship of the Resurrection Lutheran Church were Mrs. George Adams, Mrs. Henry Kempker, Mrs. John Bengel, Mrs. Paul K. Moore, and Mrs. Thelma Merrill. The happy and sacred occasion was truly inspirational.

Both ladies are pleased to be back in our enchanting state of Florida.

Mr. and Mrs. Louis Rood of Hartman Road are home after a pleasant week in Jacksonville with Mr. and Mrs. Blair Lee.

What is the effect of the recent devaluation of the Canadian dollar?

Canada has pegged the foreign exchange value of its currency at 92¢ in terms of the U.S. dollar. Since 1950 these had been established par for the Canadian dollar. A "floating rate", determined by supply and demand for Canadian exchange, prevailed. Until a year ago the Canadian dollar was at premium but recently has been traded at about 92¢ U.S. money.

The "pegging" device is an effort to improve Canada's balance of payments. It should discourage imports because they will be more costly to Canadian buyers and, conversely, should stimulate exports because Canadian goods will be cheaper to foreign buyers in terms of their own currency. It will also lessen the uncertainty of future exchange values in international commercial transactions.

The move will automatically benefit those Canadian companies which export to the U.S. or export markets, such as the total profits and particularly to the gold group. Gold mining companies are paid for their output at the official U.S. dollar. The Treasury price of $35 an ounce however means much lovely gift and Now, the effective price to gold miners will be about $37.— in Canadian dollars.

In 1776, led by men of character, devotion, courage and high ideals, the men of Valley Forge won our Independence. These men were lovers of liberty and God.

But our freedom did not come easy. God bless the memory of such historic patriots, for had it not been for their undying faith we would not be able to observe Fourth of July today. In a memorial to these leaders, let us bow on this July Fourth to thank God for a Christian America!!

WHO KILLED RASPUTIN?

Note: G. Rasputin, a Russian monk of unsavory reputation, was murdered several years ago. Who did the killing isn't known, but after some research I have lined up several claimants for the honor.

Who Killed Rasputin?
"I did," barked Yousoupoff.
"I bashed his snoot in;
I knocked his block off.

"I hate this disputin'," Mike Machaelivich said.
"But this Rasputin,
I knocked on the head."

"As to old man Rasputin," Vladimir Pyzonplnova" cried.
"I put my foot in
His stomach. He died."

Bawled Nicholas Metchinoff:
"Now what do you think?
I pushed the brute off,
Just poisned his drink."

Now why all this yammer
And noisy clamor,
And talk hihalutin?
Who cares a damn or
A dull hoo or hammer,
Who did the shootin'?
When all's done and said
There's nothing more dead
Than G. Rasputin.

Mr. and Mrs. Glenn D. Moulton, of 504 E. Canfield Street, observed their 50th Wedding Anniversary on Sunday, June 17, in Toledo, Ohio. The Moultons left their Avon Park home about two weeks ago to return to Ohio for the celebration.

They came to Avon Park in 1958 after he had retired in 1956 from the N. Y. C. R. R. Co. where he was an engineer between Elkhart, Ind. and Toledo, Ohio for 45 years.

Moulton and Miss Flossie M. Freed were married on June 12, 1912 in Elkhart, Ind. They have three children, Stanley E. Moulton, Toledo, Mrs. Phyllis Algers, Maumee, and Mrs. C. R. Bradshaw of Mansfield, and seven grandchildren.

Mrs. Moulton's sisters, Mrs. Robert M. Duthie and her husband, and Mrs. Leatherman, who spends the winters here, and also Mr. and Mrs. George Marsh were among the hundreds who attended the affair in Toledo. Mrs. Lester Truex is a cousin of Mrs. Moulton. Their many friends in Avon Park sent cards of congratulations.

The event was held in the Eastern Star Temple in Toledo.

Oberle, John Rodgers, and Danny Butler collected hits in the Banker's cause.

Baptists Clinch Second Straight Little League Title Thursday

The First Baptists racked up their 12th win of the season last Tuesday night by taking a 9-4 win from the second place Elks Club in the opening game of the evening. The win assured the First Baptists of first place for the 1962 season and gives them the championship for the second straight year.

In the second game Tuesday night the last place Florida Power Employees looked like a championship team themselves as they swamped the Rotary by a score of 20-5 in six innings.

Only two more regular schedule games remain for the four teams, but they have three games each to make up because of rained out sessions. Next Thursday night the Lions play FPE at 6 o'clock and the Baptists take on Rotary at 7:30. The following Tuesday night the Lions are pitted against Rotary at 6 o'clock and FPE meets the Baptists at 7:30. The rained out games may be postponed until after the District 4 tournament due to the fact that the All-Star team will have to start practice July 5.

Rance Rewis and Billy Jackson teamed up to hurl a two-hitter as the First Baptists took the Lions Tuesday evening. Gene Landress' triple and Larry LaFlam's double were all the Lions could get off the two pitchers. Nine hits were turned in by the Baptists off losing hurler Gene Landress. A triple and a single by Clark Jackson, a double and a single each by Rance Rewis, Billie Jackson, and Dean Lemler and a single by S. Hart proved enough to put the First Baptists in the championship seat again.

Florida Power Employees slammed out 19 hits to score their 20-5 win over the Rotary nine. Billy Richards rapped out four singles, Carroll Pollard hit two doubles and two singles, Johnny Alwood got three singles, Steve Walker got a double and a single, and Allan Moore, Danny Woodham, and Ed Reck all got two singles each for the winning team.

Winning pitcher Johnny Alwood allowed ten hits to the Rotary boys, but his teammates held them to five runs. Charles Rewis hit three singles, Glenn Sizemore and his brother, Robert Sizemore, both hit a double and a single, Jimmy Chestnutt got two singles and Robert Lawson connected for a single at the plate for the losing Rotary team. George Copeland was the losing pitcher.

Last Thursday night's game resulted in a 7-2 win over Florida Power Employees by the First Baptists and a 6-4 victory by the Lions over the Rotary nine.

Clark Jackson pitched a one-hitter against the FPE team as the Baptists won their tenth game of the season Johnny Alwood connected for a single in the third to ruin Jackson's no-hitter.

Losing hurler, Allan Moore, gave up only two hits to the winning Baptist hitters, but six walks, two passed balls, and two errors by Moore's teammates resulted in seven runs for the Baptists. Dean Lemler got a triple and Gary Griffin slammed out a double for the winners two hits.

The Lions scored their six runs on only two hits—singles by Gary Neal and Walter Sims. Losing hurler Robert Sizemore got 11 men to base with walks an hit one Lion with a pitched ball. Sizemore struck out ten Lions also in the five inning game.

The Rotary batters got six hits, but could only score four runs and winning pitcher Larry LaFlam who retired nine Rotary batters with strike outs. Charles Rewis was the big man at the plate for the Rotary as he rapped out two doubles and drove in three runs. George Copeland got two singles, Glenn Sizemore hit a single and Robert Sizemore singled too, but it wasn't enough and the Lions took over second place.

Last Saturday morning the two games originally scheduled for May 5 were played with FPE winning their second game of the season by a score of 7-6 over Rotary and the First Baptists taking their 11th win of the summer with an 11-1 victory over the Lions.

The FPE-Rotary game went nine full innings before Steve Walker scored the winning run breaking a 6-6 dead-lock. Steve was walked, stole second and third and came home on D. Woodham's single. FPE got 10 hits in all with Dennis Bass getting a double for the only extra base hit. Billy Richards, C. Pollard, and Steve Walker all got two singles each and Bass got a single in addition to his double. Allan Moore and D. Woodham got one single each with Woodham's sending home the winning run.

Jeff Stokey hit a booming triple and a single and Charles Rewis got two singles for the losers as George Copeland, Glenn Sizemore, Jim Chestnut and T. Townsend added a single each for a total of eight hits.

Rance Rewis and Billy Jackson teamed up to hurl a no-hitter at the Lions in the First Baptists big 11-1 win Saturday morning. The two boys both pitched three innings each with Rewis taking the first three frames. Rewis fanned six Lions and B. Jackson struck out eight. The Lions only run came off Jackson. He walked Veasey who stole second third base and came home when Chuck Long grounded out to the shortstop.

The winning Baptists got 10 hits off losing pitcher Gary Neal. Billy Jackson hit a home-run to highlight the Baptist's hitting. Dean Lemler got a double and a single and Bonnie Laye hit a triple and a single. Don Laye got a double and Clark Jackson hit two singles. Rance Rewis and Gary Griffin both got a single to round out the First Baptists hitting binge.

Legion Nine Drops 1-0 Game To Wauchula In 10 Innings

The Avon Park Legion nine lost their first game of the season last Monday night at Wauchula when the Post 2 boys coached by Dale Landress outfisted the Park team and finally took a 1-0 win in the bottom of the tenth inning.

Rain washed out two other games last week to throw the Avon Park team four games behind schedule. Last Wednesday the game scheduled in Bradenton was postponed because of rain and last Friday night Ft. Myers Post 38 team made a fruitless trip to Avon Park as the rain refused to let up long enough for the teams to get in a game. The Ft. Myers game has been re-scheduled for July 5 here at Head Field.

Coach Hill's Post 69 boys are scheduled to play at Port Charlotte this Wednesday and will be at home Friday and Saturday nights to Bradenton and Sarasota. Next Monday night the local nine will take on the Post 74 team in Sebring. All home games start at 8 p. m.

After nine and a half innings of scoreless ball last Monday night in Wauchula, center-fielder Frankie McKinney started a rally for th home team when he singled and then stole second base. The first two Wauchula batters had already been retired, but that didn't bother shortstop James Buckley who drove in McKinney with the winning run with a booming double over Avon Park's left fielder's head to break up the marathon.

Avon Park threatened in the third frame when they had the bases loaded with only one out, but DeWayne Lemler hit one back to the pitcher who fired to the plate to force David Ward and the catcher threw Lemler out at first for a double play that retired the Post 69 nine. Avon Park left a man stranded on third in the seventh and the tenth innings also as the Wauchula boys came up with some real good fielding plays to keep Avon Park scoreless.

Leonard Sullivan gave up two hits during his five and two thirds innings of hurling and Oberle allowed two in the first four and a third frames.

Lynn Revels took the win for Wauchula as he went all the way for the winners. Revels gave up six scattered hits while walking only three Avon Park batters. His teammates came up with two double plays and made only three errors during the ten inning affair. Avon Park made five miscues.

Avon Park's hits were all singles except one blooper double by Eddie Bates. Bates popped up in the infield down the third base line and the ball fell in between the catcher and the third sacker. Neither boy picked up the ball and Bates raced into second standing up. Bobby Bates, DeWayne Lemler, John Rhoades, Lanse Padgett and David Ward all singled safely.

Famed Ridge Section Offers Magnificent Scenery

Sparkling lakes and miles of rolling citrus groves help make a trip through Florida's famous ridge section a scenic treat that will be long remembered. Although the view from the highway is magnificent, many people also like to see areas like this from Citrus Towers located at Clermont and Lake Placid. The ridge section is another reason Governor Farris Bryant and the Florida Development Commission are urging Floridians to vacation in their own state this summer.

The State Of Citrus

LAKELAND—On the eve of Florida Citrus Mutual's 14th annual membership meeting in Winter Haven last week Mutual President W. Max Acree of DeLand said the gathering "may well be remembered as one of the most productive in our history for the good of our Grower Members and our entire Florida citrus industry".

For the records, let's resume and see what actually transpired there to beef up President Acree's prophecy.

Mutual's operating head, Bob Rutledge, told the some 2,500 growers attending from all areas of Florida's citrus belt two out-of-state grower members drown all the way from Pennsylvania just to attend—that the citrus industry needs to embark on a program to accomplish these:

1. Produce highest possible quality fresh and processed orange and grapefruit.
2. Inaugurate a plan of basic product research to develop new uses for Florida citrus (Rutledge gave toothpaste as an offhand for-instance).
3. Put the hard-sell approach into the marketing of all Florida citrus products.
4. Strive for reasonable price stability.
5. Back that hard-sell marketing with a reserve advertising and merchandising fund of from $5 to $10 million dollars. (This would be in addition to present such expenditures, which this season will tote up to some $5 to $6 million, and would also provide for a basic product research program to get underway.)

These were the top priority items propounded by Rutledge. There were other items, but he said these were essential for the future prosperity of the growers and the citrus industry.

President Acree, in his address to the assembled Mutual folks, not only vigorously backed Executive Vice President Rutledge's top priority industry needs, but in his closing remarks said this:

"Are you for a program of action?

"Those of you who ask action now, please stand up and show that you want action."

The big crowd of 2,500 rose as one, with the exception of some 35 working newspaper, TV and radio men—and three attenders who came to the meeting with walking aids.

Alcoholism is a progressive illness which usually advances in slow stages. These stages can be diagnosed by the patient's symptoms, according to the Florida Alcoholic Rehabilitation Program.

Soil Service Has Vacancies

The Soil Conservation Service has vacancies for positions of Engineering Aid, GS-2 and GS-3, and Conservation Engineering Aid, GS-4, with entrance salaries ranging from $3300 a year, to $4040 a year. The duties involve simple engineering practices at the lower levels, such as that performed by rodman, chainman, or instrumentman, and becoming more specialized at the higher levels.

Applicants will not be required to pass a written test, but will be rated on the basis of their past experience as set forth in their application.

Methodists Set Father-Son Banquet June 18

The Father-Son Banquet held in Wesley Hall on Monday night, June 18 was well attended by the men and boys of the Methodist Church.

The Rev. Russell Boaz was toastmaster and Roy T. Johnson, a retired minister entertained the group with one of his puppet shows.

The table decorations as well as the program were centered around a baseball theme. The main table centerpiece was a baseball diamond with all of the indentifications made with green and brown paper, and the ball players all at their proper stations. The players were clever little figures made from baseballs and pipestem cleaners. Each placecard was shaped as a baseball.

Another table feature, an outdoor scene of a lake and boys fishing, to depict a summer vacation.

Members of the Solvieg Gerrad Circle were in charge of the dinner and Mrs. Dean Griffin and her committee provided the decorations.
