

Winter Guest Club News

A crowd of more than 150 freshments of ice cream, cake and the splendid program and coffee. Many thanks again presented by the Lake Wales to Sylvia La Follette for an- Tourist Club (the club) after their pleasant evening. The March 29 there will be a dance and a Skit presented by E. L. Longton, 3440. The dancers continue to en- joy their favorite indoor sport, and their interest with five- sets both Monday and Friday

will be modeled. Not to be out- done, the men will model the latest in Easter creations for the MALE. Laura Pickell led the field to win high score at possible on Monday, with four tables at play. Frank La Follette came in second-high at the same time. At Tuesday's bridge games and from six tables it was L. Rea- son, 6080; T. C. Nance, 5099. The past week has been one of perfect weather for the shuffleboard enthusiasts, with the courts filled much of the time. On Wednesday John Jackson and Lee Wagner beat all comers; Harry Casler and Arthur Poling led in the con- sulation play-off. We presume the Saturday- evening carry-in suppers are

still in vogue, but, having no record of any, no report can be made here. Come Easter, our gala really will blossom forth, if interest in last Thursday's Crafts class is any criterion. Over 50 ladies were present to hear and see Halie Wetmore demonstrate the making of "pistone-clean- er" hats—just the little shells so popular in our southern clime. No doubt they had the moral support and encourage- ment of their spouses, said hats being most inexpensive to make and most attractive to wear, we might add.

Duke Christensen and Frank Lane emerged winners in the Saturday shuffleboard tourna- ment, with the consolation meet- ing won by David Stanley and Clay Kull. Evidently, Saturday was not Ladies' Day. Better luck next time, girls, says The Tattler.

Sales Increase By Winn-Dixie

Winn-Dixie Stores, Inc. which operates a number of supermarkets in the local area recorded a sales increase of 3.05 per cent during the 26-week period ended March 10, com- pared with the corresponding period a year ago. The volume was \$538,211,154 compared with \$517,131,254 last year, an increase of \$21,079,899. For the 4-week period ended March 10, sales were \$51,257,734.

Florida's phosphate industry's land use and reclamation pro- gram has resulted in develop- ment of residential, farming and recreational areas on mined-over sites in Polk and Hillsborough counties. R. A. Annand, executive of the Florida Phosphate Industry, said the program has been successful in creating new communities and improving the land. He noted that the program has been a success in creating new communities and improving the land. He noted that the program has been a success in creating new communities and improving the land.

SMALL MEASURE

Of all things — a man measuring his religion with an eye-dropper. An eye-dropper is used to administer small doses of medicine but it is not proper in the realm of religion. The mercy of God is an ocean divine, a boundless and fathomless deep. An eye-dropper is much too small to convey riches so abundant. How unfortunate is that life that will attempt to take the boundless of God with an eye-dropper. Yet, there are those among us who are satisfied with second-hand religion... the kind a man gets when he attempts to let his wife do his church-going for him. God seeks to talk to all of us direct. Mister, He doesn't want your wife delivering yours via the eye-dropper. Go to church... listen to the Divine voice of God as He seeks to pour His infinite grace and goodness into your soul. Don't be satisfied with such small measure... an eye-dropper full.

Here And There— Stokeys Host To Long Island Guests This Week

Mr. and Mrs. Milton F. Stokeys' houseguests for the weekend were Mr. and Mrs. James Drake, Jr., and Mr. and Mrs. Victor Anne of Bayshore Long Island, N. Y.

Mr. and Mrs. Plett-Hendrick were in Jacksonville for a week attending the Convention of the Florida Humane Societies which took place March 16 and 17 in the Mayflower Hotel. The main topic was "How to teach kindness to animals."

The Harold Klemms entertained Mr. and Mrs. Dan Strahan of Tampa for the weekend. The Strahans and Klemms were in Elkhart, Ind. before they moved to Florida.

Mr. and Mrs. Allen Stroumbauer and daughter, Lynn, of Philadelphia, Pa., have been guests of his uncle, Judge Mervin Rehner, and family, Allen has been stationed with the U. S. Navy at Panama City, and was transferred to a new location.

Miss Clytie Coleman of the University of Florida, Gainesville, spent the past weekend with her family, Dr. and Mrs. H. W. Coleman.

Mr. and Mrs. Roy Gilbert of Johnston, Pa., are houseguests with their longtime friends, Mr. and Mrs. Philip N. Weber, in Lakeland Heights.

Mrs. P. C. Chisholm's sister, Mrs. Guy Hubbard of Emsbury Falls, Vt. and their uncle, Cyril W. Jones of Lakeland, were in town Monday after a three-week visit with Mrs. Chisholm.

Joe Milton of the University of Florida, Gainesville spent the weekend with relatives and friends.

Mr. and Mrs. M. H. McKell of Pittsburgh, Pa. and Mr. and Mrs. Charles Bacon of St. Petersburg were weekend guests with Mr. and Mrs. Mark Smith.

Mr. and Mrs. Al Taylor of Miami spent the weekend with their mother, Mrs. S. J. Taylor, and also attended the Grand Prix Races in Sebring.

Mrs. Theodore Yeomans of La Belle is visiting her aunt, Mrs. L. J. Roberts at 511 Tulane Circle.

Mrs. M. C. Harris and Kirk Drayton spent the weekend with relatives in Fort Myers.

Mr. and Mrs. Lloyd Jones of Evanston, Ill., are expected to arrive this week for a visit with Mrs. Wm. D. Decker at 1115 Shiloh.

Col. and Mrs. Myron D. Merchant entertained at their home last night with Mr. and Mrs. Arthur Boynton of Newbury, N. Y.

The only state with more water area than Florida is Alaska.

Avon Woman Wins Electric Range In FPC Orange Desert Contest

Mrs. T. E. Moxley, who entered her prize winning orange cream pie in the Division Contest held at the Florida Power Service Center in Lake Wales Thursday, March 22, was again the top winner. Her prize will be a new Deluxe Model Hotpoint Stove, and she is now eligible to enter the state contest which is the final stage of the annual Orange Desert Contest, sponsored by the Florida Citrus Commission and several utility companies. Miss Faye Gordon, home service

Highlands Commissioners To Back Drive For U. S. 301 Designation

Voting began this week on a county ballot which does not include the expected hospital bond issue. Up through the March 22 meeting, the deadline for approving the county ballot, the county commissioners had not received a vote request from the hospital bond issue.

The law provides that the hospital commissioners must petition the board of county commissioners for a bond issue vote. At their meeting last week, the county commissioners "stalled" a bit, expecting the hospital vote request to be filed, but finally official approval was given to a ballot containing the six names of county candidates—two each for state representative, commissioner from district 2 and commissioner from district 4.

Superior of Registration Roland X. Drott told the county commissioners that the officially approved ballot for the primary had to be sent to the Florida Secretary of State by March 24. Voting, by absentee ballot, began this week.

While the hospital commission did not put in an appearance at the board meeting Thursday, a delegation of county officials from Okeechobee, Martin, DeSoto, Sarasota and Palm Beach counties did appear.

E. F. Van Kessel, vice chairman of the Palm Beach board of commissioners, served as spokesman for the delegation and asked for Highlands County's commission to back a drive to obtain improvements and re-naming of a highway from Sarasota to Palm Beach.

As it passes through Highlands County this road is now known as State 70. In some places it is marked State 72 and others, State 710.

Highlands County agreed to adopt a resolution requesting that these roads be re-named and designated as U. S. 301. At marked now, 301 deadends at Sarasota.

Van Kessel and State Representative Chesterfield Smith of Arcadia painted glowing pictures of increased tourist trade which would result from having a good highway to cut across the state.

They suggested that tourists making "a short tour" might cut inland from the coast to U. S. 27 and turn north through Highlands County.

Highlands County Commissioner Chairman Cecil Skipper said the Highlands group is "willing to go along in backing attempts to get better roads but we must understand that this commission will do nothing which might jeopardize our chances of getting improvements on U. S. 27."

The four-laning of U. S. 27 has headed every list of requests from this county to the State Road Department for several years.

The Highlands County commissioners told their visitors that all the right-of-way has been acquired for improving what is now known as State Route 70 through this county, and the commission has already a \$27,000 bill for the movement of utility lines.

Payment of another kind of bill was the subject of a letter to the commission from an Avon Park citizen.

The letter-writer said he had read the Sun's story on pauper burial free, and he pointed out that metropolitan newspapers in Florida carry funeral home ads listing "complete funerals for \$150."

He reasoned that if the city undertaker with a "higher overhead" can make a profit on a

funeral, then, the small town undertaker could make even a larger profit.

The same writer suggested that the county should not only adopt a new scale for burials but expenditures on hospitalization should be limited to \$1,000 per family in any one year.

This, he said, would eliminate the heavy expenditures on the hospital which he alleges has happened in this county.

Action on the pauper burial fee was delayed until County Welfare Director Mrs. Anna DeChurche could be present.

However, the commission officials reported that the three counties which had replied to a request for information all showed fees below Highlands' \$250 level.

Polk County officials sent a mimeographed sheet listing the scale of payments, ranging from \$60 for infants to \$200 for adults. The adult burial figure is exactly half that reported in a funeral director's magazine. The magazine said the Polk figure had been boosted from \$175 to \$400.

Harder said the exact fee is left to the discretion of the county commission, but no fee has exceeded \$125.

Okeechobee's Welfare Board rather than the commissioners handle the pauper burial burden. At present the fee is \$100 with provision for additional fees in some cases.

Commission Chairman Skipper reported that the Juvenile Court is headed for financial difficulties. With several months remaining in the current fiscal year, the Juvenile Court budget is running into the red.

The commissioners approved a request from Clerk Earl Rich that he and Deputy Clerk Charles Laisey be permitted to attend the County Finance Officers meeting in Panama City on April 15-16. Service Officer Harvey Roberts was given permission to attend a service officer school in Daytona Beach.

The commission voted to buy a typewriter for the welfare office and accepted a bid, from Central Builders, for heavy bridge timbers.

40-year Resident Succumbs Mon.

Joseph A. Lander, age 79, died at Walker Memorial Hospital Monday, March 25. He had been a resident of Avon Park for 40 years. He was a native of Missouri, and a retired Merchant Marine engineer. He was a member of the Masonic Lodge, Shrine, and the Presbyterian Church.

The deceased is survived by his wife, Mrs. Roberta Bass Lander.

Funeral services were conducted by the Rev. H. D. Grate Wednesday at the Stephenson Funeral Chapel, Interment in Roushville Cemetery with Masonic Lodge rites at grave by Polk County Lodge No. 227 F.A.M.

New Manager For Station

John Mathis, formerly of Polk County, has been named the commercial manager for Radio Station WAVY, Miami Beach. Mathis and his family are residing on West Winfield Street. He was formerly associated with a Polk County station.

played with the Avon Park Post Office.

For the past three years he has been serving as pastor of the New Hope Methodist Church, Marietta, Ga. where he will remain until June when the Florida Methodist Conference convenes in Lakeland, at which time he expects to be assigned to a church in Florida.

United Lutheran Church Meeting

The United Lutheran Church Women will meet at the house of Mrs. Mervin Rehner, 219 East Campbell Street, Thursday, March 28, at 7:30 p. m. for the regular monthly meeting.

Holy Communion will be served at the regular morning worship, Sunday, April 1, at the United Lutheran Reformation Church. The Rev. John W. Walters officiates and services are held at the Winter Guest Club House until the new sanctuary is completed.

Witt Graduated From Emory U. Theology School

The Rev. J. O. Witt, Jr. was graduated on March 9 from Emory University. He received a B.D. degree from the Candler School of Theology at Emory University, Atlanta, Ga., and will be ordained an Elder into full connection into the Florida Methodist Conference on June 8, 1963. Rev. Witt had received a B.A. degree from Southern College, Lakeland and is also a graduate of Avon Park High School.

He is the son of Mrs. Lettie Witt and the late Jasper O. Witt. He was born in Avon Park and is married to the former Miss Connie Martin. They have two sons, Jack and Tom, and he has only one sister, Mrs. L. Y. Dufosse of Avon Park. Before entering the ministry Rev. Witt had served six years with the U. S. Navy in the Pacific area and was com-

missioner of the U. S. Navy in the Pacific area and was com-

FREE-GAME CONFERENCE—Aval coaches John Frenkel, left, of Sebring, and Guy Garrett, Avon Park, discuss ground rules with umpires Joe Stangy and Ed Synchack before Friday's game. Avon Park broke the Blue Streak's win when they won 5-3.

Garrett's '9' Upsets Okechobee, Sebring

Diamond Devils Dump County Rivals Friday

Avon Park's Red Devils moved into first place in the annual County Spelling Bee, defeating Okechobee 5-3 in an extra inning affair Tuesday night and set Sebring down 5-3 last Friday night. Leonard Bell turned in two outstanding mound performances to set his record up to four wins and one loss.

With their win column growing steadily, the Devils will take their first win in the Florida State Series on Saturday night at Sebring in a three-game series.

Avon Park's Red Devils moved into first place in the annual County Spelling Bee, defeating Okechobee 5-3 in an extra inning affair Tuesday night and set Sebring down 5-3 last Friday night.

County Spelling Bee Slated For Sebring School Friday

Students from throughout Highlands County will be vying for honors Friday night at Sebring in the annual County Spelling Bee. The event will be held at Sebring High School, with Principal George Douglas serving as host.

The spelling contest is sponsored by the three newspapers in the county: The Avon Park Sun, Sebring News and Lake Placid Journal. In cooperation with the Highlands County School Board.

The champion spellers will receive \$10 in cash and a cup, while the runnerup will receive a \$5 cash award. The large spelling bee trophy will also go to the champion.

Miss Norma Swanson, former teacher at Woodlawn Elementary School, Sebring, will serve as announcer. County Superintendent Andy Miralza will present the awards.

The grand jury for the Spring term of Circuit Court will convene in Sebring Tuesday and will convene on April 23.

Mr. Halliday had originally planned a refreshment stand in the Sebring Post Office. For the past decade he had operated the court house stand.

For many years he served as chairman of the Sebring Lions Club and as president of the Sebring Post Office.

Mr. Halliday had originally planned a refreshment stand in the Sebring Post Office. For the past decade he had operated the court house stand.

For many years he served as chairman of the Sebring Lions Club and as president of the Sebring Post Office.

Hospital Board Names Architect

Richard Dressel, Lake Placid, chairman of the Highlands County Hospital Board, announced this week the appointment of Dr. G. L. Pierce, Sebring, as architect for the proposed new county hospital.

Dressel said the firm would design and do the engineering work on the proposed hospital. The company is also handling public relations and publicity for the upcoming hospital referendum vote, scheduled for May 8.

Tracy Hair, administrator for the Children's Hospital, Coral Gables, has also been appointed to work with the architects as a consultant.

Students qualified for the county competitions last week by participating in spelling bees at their respective schools. The winners who will spell in Sebring are as follows:

Avon Park Elementary — Patricia Holden, champion and Melanie McClure, runnerup. Avon Park Junior High — Leroy Pepper, champion and Bobby Llewellyn, runnerup.

Lake Placid — Lenice L. Grow, champion and Dale Hathaway, runnerup. The spelling bee is under the direction of Sidney L. Horne, county general supervisor.

Sebring's "race week" activities and violence centered for a night's entertainment in the cases heard in County Court on Tuesday.

Among the cases disposed of this week was the one involving Frank Mayberry, Jr. The new Court Negro had planned to drive in the 12-hours of endurance race, but had been injured in a one-car accident prior to race day.

In connection with that accident Mayberry had been charged with willful and wanton reckless driving. Mayberry did not appear in court Tuesday, and his bond of \$150 was estimated.

Mayberry's case was one of several involving a reckless driving charge, and bonds were estimated in several Court officials did not appear to study each case and make a recommendation to the County Court in all competency hearings.

The final ruling is made by the judge. In criminal cases expert witnesses are often called by both the prosecution and defense if there is any question as to the sanity of the accused.

Commissioners Still Hopeful For U. S. 27

Legal Sanity Problem Faced Once Again

The ever-thorny problem of legal sanity and criminal court procedure bobbed up in a new twist this week. It arose when it was learned that a man facing Circuit Court charges had been declared incompetent by the County Court.

In this case the two courts had reached the same conclusion on Monday Judge Clifford M. Kelly ordered Carl H. Voecker, 35, to be committed to a hospital for treatment of mental illness.

Judge Kelly also permitted Voecker to change his plea from guilty to not guilty by reason of insanity. He had been charged with resisting arrest with violence.

He had been placed in jail at Sebring. Attorney David Janer had asked the court to represent Voecker. A guilty plea was entered, and a presentence investigation ordered.

In March the County Court, following the recommendations of an especially appointed committee, declared Voecker incompetent.

In explaining the action Judge Clifford said he saw no merit between his ruling and the action of the Circuit Court. He said it was a matter of policy for the County Court to hold competency hearings (which may be repeated by friends and relatives as well as the allegedly ill person) "without regard to the record of the person."

He said it is the duty of the Circuit Court to determine (1) whether the person charged with a crime was "sane" at the time of the crime, and (2) whether the accused is competent to stand trial.

In the hearings in County Court are related to the mental health of the person at the moment the hearings are conducted. No judgment is made as to whether the person was legally competent on a given day in the past or whether he is able to meet certain situations in the future.

"On other hand," he said, "whether a certain person is right this moment capable of handling himself in a reasonable manner. Questions as to the safety of the individual and society must be met."

Florida law requires the appointment of a committee composed of both laymen and professional medical personnel to study each case and make a recommendation to the County Court in all competency hearings.

The final ruling is made by the judge. In criminal cases expert witnesses are often called by both the prosecution and defense if there is any question as to the sanity of the accused.

State Approves Traffic Light For Intersection of U. S. 27 and Mall

Avon Park Mayor E. A. DeLaney received word this week that the state would approve a traffic light at the intersection of U. S. 27 and the West end of the Mall.

With the announcement also came some bad news: the traffic control structure will cost the city about \$10,000, plus maintenance.

DeLaney said road department survey teams have been gathering data on the intersection since December and that a suitable control structure is now on the drawing boards.

The announcement is one that has been long awaited by area motorists who have complained repeatedly about the condition. The \$4000 price tag was somewhat of a shocker, however.

At Tuesday's meeting the commissioners took another move to improve U. S. 27's safety record. They adopted a resolution asking for installation of a blinking light at the intersection of U. S. 27 and U. S. 98 — just south of Sebring.

Highlands County Sheriff Broward Cohen requested such a resolution some weeks ago, and since that time one traffic fatality has been recorded at the intersection.

The commissioners reported that a survey of traffic fatalities has been completed. Results from the survey show that the intersection of U. S. 27 and U. S. 98 is a high-risk area.

Highlands County Commissioners four years ago adopted a resolution requiring that a survey of traffic fatalities be completed. Results from the survey show that the intersection of U. S. 27 and U. S. 98 is a high-risk area.

Highlands County Commissioners four years ago adopted a resolution requiring that a survey of traffic fatalities be completed. Results from the survey show that the intersection of U. S. 27 and U. S. 98 is a high-risk area.

Superior Ratings Earned By Avon Band At District Meet

The Avon Park band was one of four attending the contest that received straight superior (first division) ratings in concert, sight reading and marching. Victor McKinnis is director.

The ensembles and soloists ratings were as follows: Flute — Superior — Marilyn Gratz, Pat Arnold, Trudy Mitchell.

Clarinet quartet — Superior — Ann Barben, Jane Guy, Judy Bell, Karen Delaney.

Clarinet quartet — Excellent — Ricki Pale, Arlene King, Patty Loughan, Gail Bennett.

Coronet solo — Excellent — Anita Lucomb.

Flute solo — Excellent — Marilyn Gratz.

A total of 52 of Florida's county judges came to Highlands County last week for the largest winter convention in the history of Florida County Judges' Association.

Highlands County Judge Mervin Rehner, host for the convention, said the association members were very pleased with the convention facilities, especially the golf course, at the headquarters, Pines-Crest Lakes Club.

Just prior to the opening of the County Judges convention, the seventh annual Florida Traffic Court officials held a three-day conference at Pines-Crest Lakes Club.

Chamber Badly Proposed Bill For 11th

The Florida Chamber of Commerce has proposed a bill to amend the Florida Constitution to provide for a 11th Amendment.

The bill would provide for a 11th Amendment to the Florida Constitution, which would allow the state to sue in federal court.

The bill would provide for a 11th Amendment to the Florida Constitution, which would allow the state to sue in federal court.

Honor Society Installs Four At High School

Jack Smith, Judy Martin, Janice Mills and Janie Wells were installed as new members of the National Honor Society at APHS in formal ceremonies at the assembly of the student body Friday afternoon. Parents of the NHS members were invited guests.

The theme for the program was "Garden of Opportunity". The stage was beautifully decorated with fern and flowers to depict a garden. An arch covered with fern and roses and lit from above by the torch of the NHS, stood in the center of the stage. All of the NHS members were dressed in formal attire. The president, Ruth Borden, was in charge of the program.

Nancy Lane, vice president, led the flag salute. Frankie Smith gave the devotion and Joyce Antley called the new members to the stage to receive the academic robe and the candle of leadership.

The four qualities of NHS, character, scholarship, leadership and service were presented in speeches by Valerie Hopson, Sara Sloan, Linda Smith and Anita Lacombe.

With the oath of membership each new member received their robe and symbols of membership. The program was closed with the recessional of the Avon Park Chapter of NHS.

S. S. Class Has Supper Meeting

Twenty members of the Wesley Sunday School Class enjoyed a covered dish supper in Wesley Hall Thursday night of last week.

Mr. and Mrs. Devon Reddick were in charge of arrangements. Mrs. S. M. Swamy gave the devotional and the business meeting was conducted by B. D. Stone, class president.

The class will meet again in April with Mr. and Mrs. Wiley Cochran as hosts.

TEAR GAS SCHOOL—Over 100 law enforcement officers from throughout the state convened at the Avon Park Correctional Institute last week for instruction on methods and effect of tear gas. In photo, General Charles F. White, third from right, gives Highlands County Sheriff Broward Cook pointers on the use of a tear gas gun. Others in photo: left to right: Avon Park Police Chief Leland Harrison, Sebring Police Chief Lonnie Carl, Colver, White, APCI Superintendent Louie Wainwright and Don McCleod of the Florida Sheriff's Bureau. Wainwright was host to the school. White flew from his Stockton, Calif., home for the classes. He represents a major chemical manufacturer.

DANGEROUS LASSIE—Joy Traversa, secretary to APCI Superintendent Louie Wainwright, received instruction at the tear gas school on the use of various weapons. Here she demonstrates hand gun that is used in fire small charges of tear gas and smoke gas. Gen. White is in background.

CARD OF THANKS

We wish to thank our many friends for their kind and thoughtful attention to our mother during her illness and death. We are especially grateful for their prayers and cards of sympathy, the food and flowers sent to cheer us.

The Family of
Mrs. Catherine E.
(Bobby) Campbell

Southland Trailer Park

Mr. and Mrs. Omer Snyder observed their 41st Wedding Anniversary on Saturday, March 31.

Saturday guests with Mr. and Mrs. S. L. Dills were Mr. and Mrs. William Ransbottom of Roselle, Ohio.

Mr. and Mrs. John Hopkins and Mrs. Blanche Lewton of Traverse City, Mich. are guests of Mrs. R. S. Hopkins, while they enjoy visiting the many points of interest in Florida. En route here they spent a week with Mr. and Mrs. L. A. Hobbs in West Friendship, Md.

Recent guests with Dr. and Mrs. E. A. Dinanwell in Southland have been Mr. and Mrs. Ison Thompson of New Port Richer; Mr. and Mrs. Ralph Petterson, of Dundee; Mr. and Mrs. George Williams, of Sarasota; Mrs. H. D. Mitten, of St. George, Ont. Canada; Mrs. A. Barracough, Montreal, Quebec; Mr. and Mrs. Howard Feldman and daughters, of St. Petersburg; and Mrs. D. C. Dinanwell of Ajax, Ont. Canada.

Mr. and Mrs. G. B. Sprague of Elmira, N. Y. spent Monday and Tuesday with Mr. and Mrs. W. H. Hulse.

Mr. and Mrs. Wendell Fisher and son of Wabash, Ind. spent a week as guests of his parents, Mr. and Mrs. Frank Fisher.

Bill Ernst was in Daytona Beach for a few days last week visiting friends.

Bern Remington's guests this past week included Mr. and Mrs. Myers from Va.; Mr. and Mrs. Edward Rode, Buffalo, N. Y.; Mrs. Luther Lindahl, Warren, Pa. and Walter Park and her sister, Mrs. Babcock from Baton Rouge, La.

Friends are glad to hear that Harry Gordon is improving from the treatment he is receiving in a Jacksonville hospital and expect him to be back in Southland in the near future.

A large crowd enjoyed the parade, which was held last night and the weather only added to the enjoyment for many of the guests.

The parade was held by the ladies of the Park.

Church Women
Attend Meeting

The Women's Guild of the Presbyterian Church will be represented at the district meeting, which will be held at the home of Mrs. Fred Perry, Mrs. James McGowan, Mrs. Barbara McVey, Mrs. W. H. Hulse.

The group will be held in the home of Mrs. Barbara McVey, 1000 S. W. 1st St., on Saturday, April 7, at 2:00 p.m.

Glee Club Wins Top Rating At Music Contest

John J. Almlee, director of Avon Park Glee Clubs took the Senior High School Glee Club to Ft. Myers, Saturday, March 31 to participate in the District Vocal Music Contest. The group brought home the following honors:

Glee Club—rated Superior by all three judges. Excellent in sight reading.

Girls Trio—Superior. Vicki Harrison, Hazel Brown, Cheryl Guernard. Accompanied by Carol Childress.

Girls Vocal Solo—Superior. Vicki Harrison, soprano, Kathy Disher, Accompanist.

Boys' Quartet—Excellent. Jerry Draughon, John Brouder, Max Sull, Allen Draughon. Accompanist Mrs. C. L. Rhoades.

All who received Superior Ratings will attend the State Vocal Contest which will be held in Daytona Beach Saturday, April 28.

TO ELECT OFFICERS

The Highlands County Education Association meets Wednesday afternoon at Woodlawn Elementary School. School officers for the year of 1962-63 will be elected. The group will at this meeting also study the program action of FEA.

ATTENDS CLUB FEDERATION

Mrs. Bertha Palmer left Sunday for Jacksonville where she will attend the State Federation of Garden Clubs meeting, and also visit with her son and his family, the Earl Palmors.

FOUNDERS CIRCLE

Flourden Circle of the Garden Club will meet Thursday, April 12 at 9:30 a.m. at the home of Mrs. Lester Trux. Members invited to attend.

Baseball—

(Continued from page one)
handing them a 5-3 defeat at Head Field after waiting out a short blowing rainstorm.
The Red Devils set down the Streaks in the top of the first on three straight strike outs by winning hurler Leonard Sullivan and then louted the ball four consecutive times to get two men on base and one man home. John Rhodes lined a single out between the shortstop and the third baseman to drive another run in before the Blue Streaks could retire the Devils.
In the second the Sebring

team sent only three men to the plate again as Bobby Bates picked off Wayne Parks attempting to steal second after being walked and Sullivan sent the next two batters back to the dug-out on strike outs. In the bottom of the second frame first baseman George Kuhn added another run for the Devils as he singled, was sacrificed to second by Terry Oberle, and scored when the Sebring shortstop errored on Jackie Seims' grounder.
Sebring pushed one run across in the top of the third. Eddie DeLoach walked and moved to second on an error by the pitcher. Two more batters got on base with another walk and a hit batter. DeLoach came home on Avon Park's first baseman's error but the alert Red Devils caught a Sebring runner off base in the shuffle and retired the side with only one run in.

Avon Park's last two runs were scored in the bottom of the third. Sullivan led off with his second hit of the game and was joined on base by John Rhodes when he singled for his second hit of the night. Sandy Revis then sent them both home with a triple to deep centerfield. At this point Sebring's Coach Johnny Freedland relieved his starting hurler, Sandy Foster, with left-handed Richard Gill who blanked the Devils for the remainder of the game.
Sebring added another run in the top of the sixth when Wayne Parks walked and later came home on a past ball. So with the score 5-3, the Devils were faced with only the top of the seventh in which to set down the Streaks. But the Sebring boys weren't to be counted out yet. The first batter grounded out to the shortstop. Then lead-off batter Tony Richter singled and took second on an error by the Devil left fielder. Sullivan hit the next batter and both base runners moved up a base on a wild pitch. Irving Fordham followed.

WIN TOP HONORS—These Avon Park High School band members brought home superior ratings from the district contest in Lake Wales last week end. The first three girls were part of a clarinet quartet and the last three comprised a flute trio. Left to right: Judy Ball, Ann Barlow, Jane Guy, Marilyn Grasse, Trudy Mitchell, Pat Arnold and director Vic McKinnis. Karen DeLaney, fourth member of the clarinet group is missing from the picture.

with a single that drove in Sebring's third run and put Rocky Walker on third and Fordham on second. Wayne Parks walked seven and hit three with pitched balls during his seven innings' hurling.

MISS EGGERSTEDT
To Wed Sebring Man On June 9
Mr. and Mrs. H. A. Eggerstedt of this city are announcing the engagement and approaching marriage of their daughter, Sandra Lee, to Ernest G. Kuhn, Jr., son of Mrs. Louise L. Kuhn of Sebring and Ernest G. Kuhn, Sr., of St. Augustine.
The bride-elect is presently employed at First Federal Savings and Loan Association of Sebring. Mr. Kuhn is employed by the United States post office in Sebring.
The couple will be married June 9 at 7:00 p. m. in the Faith Lutheran Church, Sebring. No formal invitations are being issued, but all friends of the couple are invited to attend the wedding.
According to the Florida Alcoholic Rehabilitation Program, national estimates show the per capita consumption of the drinking age population of America was 2.11 gallons of absolute alcohol in 1958.

Devil "B" 9 Drops Games
Avon Park's "B" squad dropped two games last Friday and Tuesday to set their record at two losses and a win. On Friday afternoon Sebring shut the Devil jayvees out 4-0 in Sebring and last Tuesday afternoon the Hardie "Reds" won the second game between these two teams 5-3 in Wauchula.
Friday afternoon Avon Park will be at home to Wauchula for the third game between them and next Tuesday Sebring's jayvees will come to Head Field for another battle.

So They Say

until they came to JAHNKE's, then you will find Service and satisfaction always await you here.

Avon Park Lake News

By Thomas M. Hall
Phone GL 2-4148

The regular Tuesday night Association party at the Club House was enjoyed by members and guests who played bridge, pinocle and bingo. The occasion was also in celebration of the forty-fourth wedding anniversary of Mr. and Mrs. C. G. Coburn. Refreshments were served by the hostesses Mrs. Marie Gratton and Mrs. Pearl Johnson.

Last Thursday, Avon Park Lakes shuffleboard enthusiasts played an amateur tournament at the Sebring Winter Guest Club courts. Seven pairs represented Avon Park Lakes. Mr. and Mrs. C. B. Grover of Clearwater were guests of Mr. and Mrs. F. Harp last week.

Mr. and Mrs. John Lowry left Saturday for their home in Grove, Oklahoma. They had such a pleasant vacation here and hope to return to Florida soon.

On Tuesday, Mr. and Mrs. Don Jamison entertained Mr. and Mrs. Ross Orr of Apple Creek, Ohio and Mr. and Mrs. Ken Wilhelm of Akron, Ohio, who are wintering in St. Cloud.

Last Wednesday Mr. and Mrs. J. L. Stotts visited Mr. and Mrs. Arthur Nothbar and

Santa Rosa Hotel in Sebring. Mr. and Mrs. J. H. House, our deepest sympathy to you and yours in your great loss. Mr. and Mrs. Hampton Grant of West Bridgewater, Pennsylvania, arrived Sunday to spend several weeks in their home here at the Lakes.

Avon Park Lakes shuffleboard pairs are scheduled to play at the Winter Haven Guest Club Courts.

Mr. and Mrs. F. Harp entertained Mr. and Mrs. C. Gagnon of Flint, Michigan last week. The Gagnons are guests of Mr. and Mrs. Orville Castine.

Mrs. Dee Stotts and Mrs. Pearl Castine were hostesses at a "Coffee" Tuesday morning at the Club House. A very nice party was all enjoyed the "brunch" and conversation informally.

Miss Ida Markie was a guest at the Folkstone home while they saw the beautiful Bush Gardens.

Recent guests of Mr. and Mrs. Ray Sims and Mr. and Mrs. Ray Williams from Ohio, Mr. and Mrs. Clarence Bueh, weekend visitors were Mr. and Mrs. Clyde Johnson of Tusculum, Pennsylvania. The Johnsons are spending the winter in St. Petersburg.

Mrs. Hazel Schutt, Mrs. Beatrice Layben, Mrs. Clarence Bueh and Mrs. John Harp, members of the Patriots Chapter of D.A.R. attended the Chapter luncheon meeting on Monday at the

Sebring Winter Guest Club. There is no need for consulting a calendar these days to know what the season; just listen to the many "Till we meet again" being voiced, see the empty courts, note the lessening of cheerful chatter, and we realize that, all too soon, our winter visitors are being sent back to their northern homes. We wish for all those journeying home and a pleasant trip, a happy reunion with loved ones, and a speedy return to our beloved Southland.

There were 20 folk enjoying an afternoon of pinocle on Tuesday, March 27. Ethel Bueh won high score, with Anna Smith coming in second. There are two new names to this list of winners: congratulations.

On Tuesday, March 27, gathered to the battle at the bridge games, with the men taking all high honors. Two J. Nuber in first place, 730.3; Nickerson at second, 6170.2; Stanley came in third with a score of 44 4770.

The Fred Haffande and Howard Kollege hosted the Saturday night supper, at which time 50 were present. There were three new members present. In the roll call of states Ohio led with 17 present. Group singing of the Devotional opened the dinner with "Till we meet again" being sung in closing for a number leaving this week.

The shuffleboard devotees had a fine day Wednesday, for their weekly choose-your-partner tournament. Ota Gilman and Herbert Sharpe were winners of this event, with Fern Beck and Olive Palmer taking the consolation tournament.

During the fore part of the week a running, display tournament was played for those over 15 years of age. This was strictly a "men only" event. No ladies being willing to admit to that many years. Lester Goodwin was the winner, but not by much; we understand the competition was pretty keen.

Saturday, March 31, was the weekly pinocle tournament. A silver pathway across the lake. A pathway that dips, climbs, and dips again. And the soul of every beholder entrances.

Ride on, Luna, queen of night, like a Venus with amber light. The Heaven, the glory of God declares. When thy bright face is shining there.

H. J. Fenton

County Agent Gives Pointers On Beef Herd

Want to develop the best beef herd—and the most profitable one—in your area? Then be sure you give the animals your attention quite often.

It's a good idea to look over the cow herd at least once a season. Over 1200 have attended this frequent inspection is desirable so that you can quickly spot anything that might be wrong with the cattle.

But there is another good reason for observing your herd: you can also spot any trouble with regard to type and conformation.

He emphasizes that you should try to develop a herd with as few faults as possible and with good conformation and beef type as possible. This means a continuous job of herd improvement, because it takes a long time to develop an outstanding herd of cattle.

What goal should you try to reach with your cattle? The ideal beef animal should be compact and lowest. It should be thickly and evenly fleshed, with good development in the region of the high-priced cuts—the round, loin and ribs. Its body should have considerable width and depth throughout, with good lines, and with all parts smoothly blended together. The animal's legs should be straight and squarely set. The bone should be ample and show plenty of quality. Beef cows should show femininity, and bulls should show pronounced masculinity.

Some of the common faults to look for and eliminate in your herd are: crooked legs, high flanks, narrow chests, long necks, coarse plain head, uneasy top lines, steep rumps, lack of fullness in the round, and lack of fullness in the points where the cows are weak.

Remember, the better the bull, the better he is than your cows. The faster will be your progress in improving your herd. Always use as good a bull as you can afford. A good bull has far-reaching and worthwhile influences on the herd.

County Agent Gives Pointers On Beef Herd

You are taking a step forward every time you obtain the services of a good bull.

So, as you check your herd for trouble, check them for quality as well. Eliminate the poor animals and replace them, as opportunity affords, with better ones. It will pay you to emphasize quality in your commercial herd.

Eighty per cent of all oranges produced in Florida during the 1950-51 season was used by the Florida Citrus Processors.

Visiting Judges

Mrs. Mervin Rehner was hostess to Coffee at her home on East Campbell Street Friday morning honoring the group of women who were here with their husbands to attend the Conference of Florida County Judges' Association held in Avon Park last week.

The hostess was assisted by a group of the local lawyers. Mrs. H. E. Nunnally, Mrs. Keith Collier, Mrs. S. C. Padden, Mrs. David Lanier and Miss Mattie Tompkins. Included in the guest list to meet the visiting ladies were all of the wives of lawyers of Highlands County.

The attractive flower designs decorating the home were created by Mrs. L. D. McGilgovery. She used white and yellow roses and map dragons for the table centerpiece. An imported lace cloth covered the table and appointments were in silver.

Mrs. Harry Lee and Mrs. Howard Livingston, both of Sebring, whose husbands were former county judges presided at the coffee table during the calling hours.

Moontlight on Verona

When the sun has gone to rest, Piled in the golden West, Then Luna comes to play, Rules the spangled sky at night.

One by one the starry host Fades to insignificance, Their bright glory almost lost In Luna's pale magnificence.

Beholding Luna riding high Across the vastly vaulted sky.

Shedding light but never heat, Light for mooning lovers meet.

Light that causes me to spin This versatile so airy thin.

As Luna rises her warm smiles make A silver pathway across the lake.

A pathway that dips, climbs, and dips again. And the soul of every beholder entrances.

Ride on, Luna, queen of night, like a Venus with amber light. The Heaven, the glory of God declares. When thy bright face is shining there.

At Your Home or At Your Door

Avon Park Campground

Mr. and Mrs. Joseph Geretta have returned to their home in Mishawaka, Indiana. Mrs. C. H. Hughes was in Ft. Pierce last week where she attended the funeral of her sister-in-law.

Dr. and Mrs. E. R. Overley leave this week for their home in Fort Thomas, Kentucky. Mr. and Mrs. Roy Watts are returning to their home in day.

Weaver, N. C. Mr. and Mrs. R. K. Gammerfelder were visiting with friends in Hobe Sound last week.

Mr. and Mrs. Perle Munka will join those leaving this week. They return to Beverly, Ohio.

Mr. and Mrs. Raymond Snow of Orlando were overnight guests with Mr. and Mrs. Charles Haas on Saturday.

Gay Named To Student Paper

Walter Morris Gay, son of Mr. and Mrs. R. M. Gay, 321 Tulane Circle, Avon Park, has been named assistant news editor of Berea College's student newspaper, The Pinnacle.

Gay is a graduate of Avon Park High School where he was an honor student and a member of the National Honor Society. He holds the rank of Eagle Scout in the Boy Scouts of America.

Semi-Annual Episcopal Meet

Redeemer Branch of Episcopal Churchmen composed of St. Paul's and St. Margaret's Guilds, held its semi-annual meeting at the Parish House on Wednesday, March 28 at 2:30 p. m. following a board meeting.

Mrs. Edward Hall presided and Mrs. J. F. Mangrum gave the devotional. Mrs. A. J. Irwin introduced the speaker, Mrs. Rene Smith, Lakeland Deanery Director.

During the business meeting, Mrs. Hall, Mrs. P. F. Watterson, Sr., and Mrs. A. S. Paine were elected as delegates to the Diocesan Convention which will be held in Palm Beach, April 30 to May 2.

Hostesses were Mrs. Duke Christiansen and Mrs. Elaine Williamson.

In one fish-tagging program conducted by the Florida Game and Fresh Water Fish Commission, black bass traveled 60 miles up stream and 123 miles downstream from the point of release.

Avon Students On FSU "D" List

The Dean's list, containing the names of undergraduates carrying 12 or more semester hours who made an average of B (3.0) or higher during the Fall term, was announced this week by Florida State University.

Students from Highlands County were Harold Dale Nute and David E. Collier, Avon Park; Helen A. Kahn, Sebring; and Charlene Ann Rucker, Lake Placid.

COMPLETES SCHOOL

J. Paxton Hill recently completed a factory-training course at the Sarasota Service School of the Kieckhefer Corporation, manufacturer of Mercury outboard motors. Subjects covered in the school included repair and maintenance of the new 100 hp Merc 1000, the world's first 100 hp outboard motor.

There are at least four types of catfish in Florida's fresh waters: Spotted catfish, channel catfish, white catfish and yellow catfish.

C. A. Grabers Entertain Guests

Mr. and Mrs. C. A. Graber entertained guests at their home on Lake Lillian last week. The group enjoyed a tour of the interesting places around the city.

These guests were the inspiration for a luncheon at the Graber home Thursday, Mrs. Minnie Turner of Orlando, Mrs. Florence Wilson of Paradise, Mich. and Mr. and Mrs. Horace Anker of Lake Orion, Mich.

not so loud

Do you blow your horn too loudly? Are you too boisterous? Are you playing in good harmony with your fellows? Harmony is a fine word. It means a high order of team work.

We modulate our voice, our instrument, so it becomes lost in the ensemble. We make music together. Everyone of us is playing game of life. How terrifying if we are performing under the baton of the True Leader. Then, let us not 'toot' our horn too loudly. We must not lose sight of the fact that we are playing with others and for others.

An ardent disciple said to the Master, "I will follow Thee, wherever Thou goest."

What a resolve! Let us be true disciples and follow our Master to church to worship God every week.

THE AVON PARK SUN.
APRIL 2, 1935—PAGE 11

NEW POLICEMAN — William B. Ford, 47, formerly of Miami Beach Police Department is the new member of the Avon Park Police Department. King assumed his duties last week.

William Ford

Passes March 28

William B. Ford died Wednesday, March 28, at Walter Memorial Hospital. He had been ill for a number of years. Mr. Ford came to Avon Park in 1934 and was a native of Scotland. He was a Presbyterian by faith, a former Mason and active in the Winter Garden Club. The Rev. J. N. Gilbreath, pastor of the Berea Baptist Church, conducted funeral services from the Cedar Funeral Parlor in Wausau, Wis. and interment was in the Wausau Cemetery.

Funeral services were held at 10:30 A.M. at the Berea Baptist Church, conducted by the Rev. J. N. Gilbreath. Burial was in the Wausau Cemetery. Besides his wife, Mrs. Annie B. Ford, the deceased is survived by one brother, John B. Ford of Montreal, Canada and a sister, Mrs. Mary J. Ford of Kirkintilloch, Scotland.

Jacaranda Hotel

News

Mrs. Ethel Tumbally and Mrs. Dan Harris are enjoying a Caribbean cruise this week. Those who have fared well to another pleasant season at the Jacaranda and left for their homes this week were Mr. and Mrs. Bruce Campbell of Superior, Wis.; Mr. and Mrs. Vere Nunn, St. Louis, Mich.; Mrs. Harriet Locke, Singapore, N. Y. and C. C. Griffin who returned to his farm in Wilson, N. C.

Guest Speaker

At Woman's Club

Mrs. Francis A. Wood will be the guest speaker at the regular meeting of the Woman's Club Friday afternoon at 2 p. m. Mrs. Wood, who with her husband is manager of Lake Byrd Lodge, is a state officer in the Conference of Congregational Churches and a dynamic speaker. Her subject will be "Churches Within a Community."

ARRIVAL ANNOUNCED — Mr. and Mrs. James L. Heberington, 1239 Crawford Drive, Glen Burnie, Md., have announced the arrival of a baby daughter, Laura Jane, born March 26 at the Anne Arundel County Hospital in Annapolis, Md. The birth weight was 9 lbs. 3 ounces. The mother is the former Miss Gloria Garber of Avon Park. Mrs. Paul Zuck, of Herrington, is the maternal grandmother. Mr. and Mrs. W. M. Heberington, Avon Park, are the paternal grandparents and the Rev. and Mrs. S. L. Broadbent of Sebring are the maternal great-grandparents.

THE AVON PARK SUN

In The Heart of The Citrus Belt

Volume XXXVIII, Number 24

Avon Park, Florida — Thursday, April 12, 1962

10c Per Copy

NEW JUNIOR CLUB OFFICERS—Installation ceremonies for new officers of the Avon Park Junior Woman's Club were held last Tuesday night at a dinner meeting in the clubhouse. Standing were left to right: Mrs. Harry L. Hood, president; Mrs. E. W. Elder, 1st vice president; Mrs. J. M. Ivey, 2nd vice president; Mrs. R. S. Reaves, recording secretary; Mrs. Wayne C. Cribbs, treasurer; Mrs. William E. Booth, historian. Not available for pictures: Mrs. Finley Reid, corresponding secretary; Mrs. B. F. Camp, Jr., parliamentarian; Mrs. Ellen Reid, district director who was the installing officer.

Thunderstorms, Hail Hit Area

Locally heavy thunderstorms with considerable amount of hail were reported in Avon Park and surrounding areas Tuesday night. Heavy rain also accompanied the bad weather. Hail ranging from the size of marbles to as large as hen eggs was reported in several sections. The big stones damaged many windows in the Avon Park Lakes area, and also twisted a number of TV antennas. Neon signs also fell victims to the unusual weather. Lightning that accompanied the storm was blamed for the death of several farm animals on the Long Bay Ranch, located on the Wauchula Highway, west of Avon Park.

Some observers said almost two inches of rain fell during the two-hour siege, with the bulk of the precipitation coming within a 30-45-minute period. Several telephone poles in the area were blown over and power was disrupted for short periods. An official of the state agricultural department said some major damage was reported to crops in fruit throughout portions of Highlands County. In the northeast Polk County, an immediate estimate of the damage was not available.

City OKs Bleachers For Baseball Stadium

Take Action On Traffic Problems

Avon Park City Councilmen have found that improved city streets and highways are a must if a community is to prosper and move ahead. They have also learned that with good streets and highways, there comes a traffic problem. The traffic problem was a major point of discussion at the monthly meeting Monday night, when two parties appeared before the council seeking to establish speed limits in the area. One resident sought better controls in the new Avon City Park. He pointed out that as the situation now stands, no one seems to know who has the right of way. As a result, council voted to install control signs at the alleyway leading to the parking lot.

New Seats To Be Installed Before June

The new bleachers will be constructed of concrete bases, similar to those in use at Memorial Stadium. Plans are expected to be completed before tournament time. The bleachers and press box will be paid for from the sale of the Kings Court property which was recently purchased by an Avon Park realtor. The city received \$5000 from the sale.

School Board Makes Salary Adjustments

Board Raises Salaries For New Teachers

A new schedule, adopted Tuesday night, moves Highlands County near the top in basic salary paid beginning school year. Upon a recommendation of Superintendent Andy Mirsaleh, the county Board of Education raised the starting salary from \$3500 to \$4150. Mirsaleh reported to the school board that the teachers of the county, in faculty meetings Tuesday, approved and agreed to the new schedule. Only one elementary and high school teacher narrowly approved the proposal. Several teachers voted in favor of the salary increase.

72 Prospects Report For Little League; Tryouts Slated Tuesday

Seventy-two new prospects reported in at an organizational meeting of the Avon Park Little League last Monday afternoon at the high school gym. Players ages twelve year olds through sixteen year olds were present. Vern Griffin explained procedure for earning a position on one of the four teams and announced try-out dates for Tuesday, approved and agreed to the new schedule. Only one elementary and high school teacher narrowly approved the proposal. Several teachers voted in favor of the salary increase.

DWI Cases On Upturn Again, Four Charged

Drunk driving cases, which had been on the decline in recent months, showed a sharp uptrend in County Court this week. Four drivers entered the courtroom charged with driving while intoxicated. Alton John Dwyer of Hardee County, Fulton Anderson, David of Sebring entered the courtroom charged with driving while intoxicated. The 40-year-old white woman was fined \$200 or 90 days in jail, and her driver's license was revoked for 90 days. Ruth L. Carter of Glendale, Mont. pleaded guilty to the driving while intoxicated charge. She was sentenced to 60 days in the county jail, fined \$250 or three months more in jail, and her right to drive was suspended for the maximum time.

Red Devil Nine Drops Squeaker To Blue Streaks

The Sebring Blue Streaks handed Avon Park its first loss in a half inning game Tuesday night at Fireman's Field in Sebring when they won after coming in two different times to put out the fire and set the Miners down. The loss set the Devil's record at 6 wins and 3 losses. Last Friday night Fort Meade fell victim to the Red Devil by a score of 11-5. Avon Park faces two more Ridge teams in three games as they host the Kiamistee Kowboys at Head Field Friday night in a double header scheduled to take up a rain-out game from Kiamistee earlier this season and Mulberry Tuesday night. The double header will begin at 6 p.m. with an opening five inning game and then continue with a regulation seven inning game from his shortstop position to strike out the next batter and retire the side. Sullivan also buried the top of the fifth frame by striking out three batters and holding the Miners scoreless. David Ward, left-handed pitcher, came on to start the sixth and finish out the game. Ward fanned four batters, no hits and walked only one during his two innings of pitching.

Spring Term Of Circuit Court Is Underway

Spring term of Circuit Court began this week, and on the first day two cases were concluded. Lloyd James Morgan of Frostproof was found not guilty of resisting arrest and an aggravated assault charge against Elizabeth Williams, wife of Earl Randolph of DeSoto City who was dropped. Morgan, who was represented by Attorney Keith Collier, had been charged with resisting arrest with violence. During the trial Monday the Court allowed the charge to be dropped. Morgan was released without violence, and the jury found the 24-year-old man not guilty. Morgan is currently serving a 10-month term in the Florida State Prison for driving while intoxicated. He was involved in an auto accident and arrested. Officers testified that Morgan had 110 miles per hour. Morgan's trial was the first of several cases to be heard in Circuit Court April 6. Donald Everett Edlin was sentenced to serve concurrently, two sentences of six to 18 months on two counts of breaking and entering with intent to commit a misdemeanor. On a third charge, breaking and entering an auto, Edlin was given a 10-month probation. The probationary period will begin upon the guilty's release from prison on the other charges. Judge Clifford M. Kelly presided at the hearing. Edlin with a record guilty plea in January. (Continued on page 8)

Red Devils Set Double-Header

A double-header has been scheduled with Kiamistee Friday night at Head Field in order to make up the game rained out in Kiamistee earlier in the season. The first game will start at 6 p.m. and will be a five inning game. The second game will be a regulation seven inning game. Coach Garrett plans to use Terry Oberle on the mound for the first game and Jack Seims in the second game. Admission will be the same as for a regular game. Coach Garrett also announced that the rained-out game with Mulberry has been rescheduled for Friday night, April 27, here at Head Field at 7:30. There is a good reason for all this. There is no one in the area for the driver who broke down.

Hospital Board Expects Report From Consultants Within Week

The architectural firm of C. W. Forehand, director of the hospital commission of the Highlands County Development Commission and administrator of the Hill-Burton federal funds in the state. The architects informed Forehand that a site selection would be based on several factors. Distribution of population, present and future; accessibility to the site; availability of water, power, and telephone service; police protection; and the future development of the area. The consultants will report to the hospital board within a week.

Devil "B" Team Plays To Tie

Avon Park's "B" team dropped Sunday's game to a tie with the Sebring Blue Streaks. The game was a double header, with the first game ending in a tie. The "B" team played well, but the Sebring team was too strong. The game was a close one, with both teams having chances to win. The game ended in a tie, and the teams will play again next week.

FFA Sweetheart Contest Slated

Avon Park's entry in the first FFA Sweetheart Contest of America Sweetheart Contest will be the first of the series. The contest will be held on Thursday in Wauchula. Nancy, the attractive daughter of Mr. and Mrs. Don Cooper, is a senior at Avon Park High School. She is the first Sweetheart of the local chapter which was organized this year. The contest will be held at Wauchula High School and is open to the public.

\$4,650 Collected For Seal Sale

Christmas Seal sales amounted to \$4,650.33 according to Mrs. Mabel Thompson, executive director, who released the results of the recent campaign this week. Mrs. Thompson said the Highlands County Tuberculosis and Health Association's annual report is nearing completion and will be released soon.

Monthly Fire Report Given

The fire loss in Avon Park for the month of March was the highest in the history of the fire department. The loss was \$12,000. The fire was caused by a gas leak in a restaurant. The fire department was called to the scene and fought the fire for several hours. The fire caused significant damage to the restaurant and surrounding area. The fire department is working to prevent such fires in the future.

Weather Report

BY J. WILEY GUTHRIE
The weather for the week of April 12-18, 1962, is expected to be mostly clear with some clouds. The temperature will range from 60 to 80 degrees Fahrenheit. There is a slight chance of rain on April 15 and 16.

Department of Agriculture

Progress is the result of change, but all change does not result in progress. Changing something just to get it as new and different doesn't necessarily mean it has been improved. You can say it's better to let people move believe you but can you move it?

The Reds in China, the Communists in Russia, and most recently, the Castro gang in Cuba are working hard to convince their people they are living under the best system in the world. They're having a tough time putting it over.

Whatever differences there may be between them, Mao, Khrushchev, and Castro are in agreement on one point: They aren't a bit better off than they were under the old system. Their plans for increased food production.

Red China has been scouring around for long, long credits for purchase of heavy tonnage of food with which to stave off famine. Khrushchev is going to gamble on obtaining a quick boost in food output by plucking all the grasslands to crops.

Now Castro has found it necessary to clamp down on severe rationing on food and other essentials. He has, yes, but better living for Cubans, no. Just tighten the belt another notch, keep the spirits high and support the revolution, and the economy has slumped. Who's blamed for that? The Cuban workers, and by the government, no less! The workers, however, were disillusioned. They thought they were going to own their own land, work for themselves, and live better. Instead, they are expected to work for the government on land owned by the government.

ROADSIDE DECORATIONS

The roadways in Florida are slowly getting back to the poor condition which they were in several years ago, before the garden clubs of the state backed a move to "Don't Be A Litterbug."

This move was a good one and was enforced for quite a while. However, judging from the state of our roadways, either enforcement is becoming lax or else the motorists are disregarding good manners.

The above photo was taken last week and on U. S. Alt. 27 midway between Sebring and Avon Park. This scene is recreated many times over. We think we have a plan that would help to eliminate part of the "beer can roadside decoration."

Our plan is thus: Urge beer manufacturers to return to the deposit type bottles. This, we believe would remove millions of the tin ornaments from our roadside and at the same time make our beer-drinking motorists public aware of the "Keep Florida Clean and Green" move.

There has been a great deal of change in Communist countries. But I doubt that they have changed much. They have changed the names of their leaders, but the system remains the same. They have changed the names of their leaders, but the system remains the same. They have changed the names of their leaders, but the system remains the same.

That is the system that has put Russia in front and made us a nation of surplus production. That is the system that has put Russia in front and made us a nation of surplus production. That is the system that has put Russia in front and made us a nation of surplus production.

That is the system that has put Russia in front and made us a nation of surplus production. That is the system that has put Russia in front and made us a nation of surplus production. That is the system that has put Russia in front and made us a nation of surplus production.

The State of Citrus

By John Sikes — Florida Citrus Mutual

LAKELAND, April 7 — For the benefit of those who feel that the citrus industry is short-changed when they get a batch of statistics with their mailing matter, the 1961-62 Florida crop will produce something like 20 billion oranges, give or take a few million. This is somewhat astounding array of oranges is based upon the assumption that the current government estimate of a 100 million bushels of oranges crop is correct.

Translating this into hard dollars, according to Florida Citrus Mutual's Bob Rutledge, American consumers will pay, at the retail level, something around three-quarters of a billion dollars for oranges in the various forms in which they're marketed.

By way of comparison, the 20 billion oranges would be a good deal less than half the number of dollars the U. S. spends each year on the purchase of automobiles.

In short, the oranges Florida produces this season will be worth to the consumer about as much as the automobiles.

So what do the oranges go for? Well, the average orange, when it comes to the consumer, has it.

From every 10 oranges of all sizes, 20 billion of them are used in the production of frozen orange concentrate. Two billion are used for shipment in fresh form, and the balance, one billion, are used for home use. ("Home use" includes those consumed in Florida in the various forms.)

One is used in one used in production of canned orange juice, blends and salads. One is used for shipment in fresh form, and the balance, one billion, are used for home use. ("Home use" includes those consumed in Florida in the various forms.)

One is used in one used in production of canned orange juice, blends and salads. One is used for shipment in fresh form, and the balance, one billion, are used for home use. ("Home use" includes those consumed in Florida in the various forms.)

Off-hand, it would seem that 20 billion oranges are a good deal less than half the number of dollars the U. S. spends each year on the purchase of automobiles.

So what do the oranges go for? Well, the average orange, when it comes to the consumer, has it.

Trooper Bill says...

George Wesley Ward, age 38, died suddenly Sunday morning, April 8, at his home in Woodruff Heights. He was a native Floridian, born in Paxton, Florida and came to Avon Park, Fla., in 1938. He had been connected with citrus firms and was a grove foreman for many years. He was a veteran of World War II.

Survivors of the deceased include his mother, Mrs. Ella Ward, four brothers, Claude, Charles, James and Walter; two sisters, Mrs. Mary Lunsford, all of Avon Park and Mrs. Viola Morgan of Jacksonville.

Funeral services were held on Thursday, March 29, at the Inter-City Funeral Home, 1000 N. W. 1st St., with Rev. J. M. Gilbreath officiating. Burial was in the Corinth Cemetery.

STOP AND NAP. The safest thing to do when you feel drowsy or fatigued is to stop driving. If you feel drowsy on a long road trip, stop and nap. If you are tired—stop, get out and stretch your legs and back muscles. Nearly 1,400 traffic accidents in Florida in 1960 were caused by drivers who were fatigued or apparently fell asleep. Those sleepy, tired drivers were in 47 fatal accidents.

Washington Report

By Congressman Jim Haley

WASHINGTON — The so-called tax "reform" bill which the House passed the other day under restrictive procedures which effectively barred any changes in the will of the Ways and Means Committee now is in the Senate where it can be—and almost certainly will be—amended.

The Senate has much more freedom to amend the bill than the House. The House is bound by the rules of the House, which are designed to keep the bill from being amended. The Senate, on the other hand, has no such restrictions.

The Senate has much more freedom to amend the bill than the House. The House is bound by the rules of the House, which are designed to keep the bill from being amended. The Senate, on the other hand, has no such restrictions.

FHP Auxiliary Vital Arm In Hiway Safety

Tallahassee — They call the Florida Highway Patrol the "second right arm" of the state's highway safety program. The Florida Highway Patrol Auxiliary is the "first right arm" of the state's highway safety program.

One thousand trained American Legion members work each week, day and night, in the uniformed ranks of the patrol, last year, they did over 100,000 man hours on the state's highways.

FHP Auxiliary members are assigned to every troop of the Florida Highway Patrol, from Pensacola and the Alabama border to Key West. They are always ready for a call to duty, in addition to the hundreds of other volunteer activities they perform.

The spirit of individual profit incentive has been lost in the Communist effort to substitute the welfare of the state for the welfare of the individual. It is most cases very theory, but it just doesn't work out in practice.

No system is perfect, not even our own, because the manner in which a system operates depends on individuals, and throughout history, it has been demonstrated that man, being an imperfect creature, cannot create a perfect system.

In America we have been striving constantly for improvement in all fields of endeavor, including agriculture, but always we have managed to stay within the framework of the principles enunciated in our Constitution. By holding to such a course I believe we shall be able to continue making changes as conditions require, and the changes we find it advisable to make will be real progress—with a capital "P."

LETTER TO THE EDITOR

Enjoys Hearing From Residents

Dear Sir: Enclosed I check for another year's subscription to the Avon Park Sun. Even though it arrives several weeks late we enjoy the news from our adopted home, Avon Park. I have completed 2 years in England with the U. S. Air Force and am about to return to the USA in August, 1963.

We live in 13 Pinfold Lane, Godmchester, Hants, England. This is beautiful country, an interesting assignment, quiet towns and villages and some of the very best golf courses in the world. We have also seen much of Scotland and Wales. We would enjoy hearing from our friends and to have them visit us if they ever get over this way. Our mailing address is: Capt. Charles D. McCord, Hg 10 TFW, Box 378, APO 228, New York, N. Y.

Ability to stop on a dime comes in handy when playing slot machines.

George Ward Passes Sunday

George Wesley Ward, age 38, died suddenly Sunday morning, April 8, at his home in Woodruff Heights. He was a native Floridian, born in Paxton, Florida and came to Avon Park, Fla., in 1938. He had been connected with citrus firms and was a grove foreman for many years. He was a veteran of World War II.

Survivors of the deceased include his mother, Mrs. Ella Ward, four brothers, Claude, Charles, James and Walter; two sisters, Mrs. Mary Lunsford, all of Avon Park and Mrs. Viola Morgan of Jacksonville.

Funeral services were held on Thursday, March 29, at the Inter-City Funeral Home, 1000 N. W. 1st St., with Rev. J. M. Gilbreath officiating. Burial was in the Corinth Cemetery.

STOP AND NAP. The safest thing to do when you feel drowsy or fatigued is to stop driving. If you feel drowsy on a long road trip, stop and nap. If you are tired—stop, get out and stretch your legs and back muscles. Nearly 1,400 traffic accidents in Florida in 1960 were caused by drivers who were fatigued or apparently fell asleep. Workers Honor Mrs. Paschall

Mrs. Ethel Paschall, who retired on March 17 from the Inter-City Telephone Company, was surprised with a group of ladies who had worked at night operators with Mrs. Paschall for a number of years, called at her home on Sunday, April 8, at 10 a. m. with all preparations for the party. They also brought her a beautiful chaise longue and a beautiful chair to her retirement.

Delicious cakes and donuts were served with hot coffee while the ladies visited together.

Miss Griffin Graduates

Miss Linda Griffin, daughter of Mr. and Mrs. Willard C. Griffin, graduated from the Winter Haven Business College Friday, March 31.

She received a certificate from the Great Southland Company for completing the 100 words per minute shorthand test and while attending the college, Linda was on the Dean's list, maintaining a 3.5 average. She is a graduate of APHS and a member of the National Honor Society.

Miss Griffin is presently employed in Jacksonville. She spent the past weekend at home with her family, and while returning to Jacksonville Sunday afternoon with five other girls of Winter Haven and Lakeland, they were involved in an auto accident in DeLand. None were seriously injured when a car from the back rammed the girls' car as they stopped for a light, but their car was badly damaged. All of the girls are employed in the Regional office of the State Farm Insurance Company in Jacksonville.

Mrs. Moxley Shoots For State Honors on Thursday and Friday

Twelve of the state's best dessert makers and cooks will meet Thursday and Friday for the 25th Annual Florida State Contest. Included in the 12 will be Mrs. Thomas Moxley, four children and her husband, who were also visiting, were all invited to take a ride with friends and when they returned, their home was filled with guests and gifts, extending the good wishes.

The dining table was graced with a large wedding cake appropriately decorated which was served with punch.

Mrs. Moxley has been cooking for 15 years. Besides cooking she enjoys gardening, painting, and she has a special interest in the attractive house which she considers her family of four children and her husband most important.

Mrs. Moxley took the top prize in the contest she would receive a complete electric kitchen. She has already won an electric range, a washer-dryer and third, a portable dishwasher.

The contest is sponsored by utility companies of the state and a major appliance manufacturer. The Florida Power Corporation sponsors the contest locally.

A panel of five national famous judges will decide on the best recipe and Mrs. Bryant, wife of the state's governor, will present the awards.

Myers on business part of this week, and in Orlando on business for the Hotel Greeters Association. He and Mrs. Myers will be leaving next week for the Easter Holidays which they will spend visiting their parents in Florida and Mr. and Mrs. Harpersville, Ala.

The Glue Club is selling tickets for the chicken dinner to be held Monday night at the hotel. Receipts to the Glue Club will go towards the expense of their trip to attend the State Contest.

According to the Florida Alcoholism Rehabilitation Program, one nationally known manufacturing company estimates it is saving \$80,000 a year just in reduced absenteeism, thanks to its company alcoholism referral program.

Homemaking Today...the Modern Way

By Faye Gordon

Home Service Department Florida Power Corporation

Here are more quick dishes to cook on your automatic electric surface units or frypan or skillet.

Any American Cook

- 1 lb. chuck beef, ground
- 1 cup coarsely chopped onion
- 1 cup coarsely chopped green pepper
- 1 No. 24 can tomatoes, drained
- 1 No. 2 can kidney beans, drained
- 1 tsp. salt
- 1 tsp. chili powder
- Tomato juice

Break meat into small chunks in large skillet. Add all other ingredients and mix well; cover and cook on surface unit LOW for 30 to 35 minutes. Add chili powder (and tomato juice drained from tomatoes if thinner consistency is desired). Cook 5 minutes longer. YIELD: 6 to 8 servings.

Any Skillet Goodie

- 1 lb. beef chuck, ground
- 2 medium onions, chopped (about 1 cup)
- 1 clove garlic, minced
- 1 1/2-c. can mushroom stems and pieces, drained
- 2 cans tomato sauce
- 1 large green pepper, minced (1/2-cup)
- 4 to 5 slices of celery and carrots, chopped (about 2 cups)
- 2 tsp. salt
- 3 cups cooked rice

Break meat into small chunks in large skillet. Add all other ingredients, except rice, and mix well; cover. Cook on surface unit on LOW for 30 to 35 minutes. Serve with rice. YIELD: 6 to 8 servings.

TOASTED CRABBY STEAKS

- 1/2 cup melted butter
- 1/2 cup cream
- 1 1/4-c. pkg. baby finger

Preheat automatic electric grill at 625 for 10 minutes. Combine melted butter and cream. Brush both sides of baby finger with butter mixture. Cook on grill 15 minutes per side, or until lightly browned. YIELD: 30 pieces.

Stuffed Blueberry Pudding

- 1 10-oz. pkg. instant pudding
- 1/2 cup boiling water
- 1 1/2-c. cup cream blueberry pie filling

Preheat automatic electric grill at 625 for 10 minutes. Combine pudding and boiling water in 1 1/2-c. cup. Add blueberry filling and mix well. Cook on surface unit on LOW for 30 to 35 minutes. Turn a half, and completely brown over other side. Cook 5 to 10 min. per side. YIELD: 4 to 6 servings.

(NOTE: LM from 1 pound shortening.) Put 5 tablespoons blueberry filling into each of 20 small (2 1/2-in.) cups of dough with water and fold completely of round over other side. Cook on surface unit on LOW for 30 to 35 minutes. Turn a half, and completely brown over other side. Cook 5 to 10 min. per side. YIELD: 20 pieces.

O'Steens Observe 25th Wedding Anniversary

MRS. MOXLEY

Mr. and Mrs. W. P. O'Steen were given a surprise Sunday afternoon in observance of their 25th Wedding Anniversary.

The O'Steens and her parents, Mr. and Mrs. E. H. Willis of Tallahassee, Ala., who were also visiting, were all invited to take a ride with friends and when they returned, their home was filled with guests and gifts, extending the good wishes.

The dining table was graced with a large wedding cake appropriately decorated which was served with punch.

Mrs. O'Steen was assisted by Mrs. Violet Hollingsworth and Mildred Ferguson with the serving.

Mrs. O'Steen was presented with two white orchids from her brother, Danny Willis, for the occasion.

Still As Hosts At Dinner Party

On Monday night Mr. and Mrs. Virgil Still were hosts to a surprise dinner party honoring Mr. and Mrs. O'Steen on their 25th Wedding Anniversary. Virgil made movies of the occasion which were presented to the honorees.

Those enjoying the occasion were Mr. and Mrs. Willard C. Griffin, Mr. and Mrs. Carl Rich, Mr. and Mrs. John Crittenden, Mrs. Gertrude Craft, Mrs. Violet Hollingsworth, and Mr. and Mrs. E. H. Willis of Tallahassee, Ala.

Residents Attend Master's Golf

Mr. and Mrs. R. R. King, Jr., and their son and daughter, Robert and Elizabeth, of Albany, Ga., were here for a visit with Mrs. Shields and to be near him.

The family wishes to thank their friends for the lovely cards and flowers and they ask for continued prayers for his recovery.

Lunch Workers Attend Meeting

Five lunch room workers from Highlands County will attend the annual Convention of the Florida Schools Food Service Association, which will be held in Panama City next week, April 13 through 15.

Mrs. Evelyn Carlisle and Mrs. Lucille Cochran, from Avon Park, will represent the Avon Park schools. Mrs. Ruth Heigus, Sebring, Mrs. Lucille Sailer and Mrs. Tappie Paulard of Sebring will also be attending the convention.

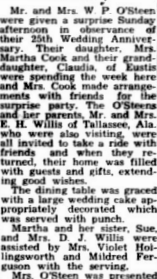

Never knew how hard it was to drive a bargain until I bought a second-hand car.

Magnificent Mountain, trees and groups of wild flowers. Bottoms Estate, a fine golf course with water, no mosquito.

The Manor offers Old World charm and modern conveniences. Bridal suite, and enjoy luxury at a most pleasing rate. At The Manor, North Carolina.

Ashleyville, North Carolina

SALINE WATER CONVERSION

This method of producing potable water is older than ancient Rome. In 49 B.C. Julius Caesar used portable water evaporators to extract drinking water from the Mediterranean Sea for his troops during his African campaign.

Today, the world produces daily some 25 million gallons of converted water in land-based installations and 10 million gallons more in ocean-going ships. Distillation accounts for more than 90 percent of this conversion. Distillation involves heating brackish or seawater until vapor or steam is released. This is condensed and collected as fresh water.

Among the companies prominently active in distillation are:

- Westinghouse Electric, The Pittsburgh plant is easily the biggest water-converting equipment producer in the U.S. and perhaps in the world. It has been active in the field since 1906 when it first began to convert brackish river water for boiler use by electric utilities.

Since 1907, Westinghouse has had large installations in operation in the Shukriyah, Kuwait, Persian Gulf—one of the world's saltiest bodies of water.

In 1960, Westinghouse won the bidding for the Government's San Diego coastal plant in competition with Chicago Bridge & Iron Co., and British firm, Brierley & Westgarth, Ltd. Prior to turning the plant over to Interior Department engineers on March 10, Westinghouse for the past two months has been giving it a shake-down run.

Including production at San Diego, total water conversion for Westinghouse's units on a worldwide basis exceeds 7 million gallons daily.

Weir Chicago Bridge, a joint venture of G. W. Weir Ltd. of Scotland, and the Chicago Bridge & Iron Co., is thought to be the only firm to challenge to Westinghouse's position as No. 1 manufacturer of water-converting equipment—in terms of gallons per day production.

The British company supplies a big section of the Queen's Navy with distillation equipment and also makes evaporators for merchant vessels.

The largest distillation plant in the world was constructed by Weir on the Caribbean island of Aruba. It has a capacity of 3.5 million gallons per day. Other Caribbean installations by Weir include converters on Curacao and on Mamma in the Bahamas.

Chicago Bridge and Iron, the U.S. parent of Weir Chicago Bridge, built the first demonstration plant for the Department of Interior at Prespot. The plant, in operation since last May, cost \$1,500,000.

American Machine & Foundry, in its diversification program to expand its sales and earning base, AMP moved around for new growth fields. In 1960, it dove into water conversion by acquiring two Connecticut plants, Maxim Division of Ewart Manufacturing in Waterford, Conn. Engineering in Meriden.

The company's dealers are used on ocean liners, pleasure craft and by Uncle Sam's Navy. The atomic submarines Nautilus, Skate and Seawolf carry them, as well as aircraft carriers like the Ranger which has four 50,000 gallons per day converters of AMP-Maxim make. And its converters are used in Caribbean resort hotels.

In addition to its work on distillation equipment, the company also is testing 800 electro-dialysis dealers (on lease at \$8 a month each) in homes around Midland, Texas.

AMP estimates the total capacity of all its installed units exceeds 1 million gallons per day.

Chrysler-Brooks. For the past two years the Mandaley Beach generating station of the Southern California Edison Co. has been getting its water from desalinated Pacific at the rate of 100,000 gallons per day. The distilling plant was constructed by Chrysler-Brooks Special Products, an affiliate now called Aqua Chem. The Pacific Coast utility, which had been spending over \$12,000 a year to purify water supplied by the local municipality, over the Chrysler-Brooks installation is rapidly proving its economic practicality.

Chrysler-Brooks also has constructed large plants in Aruba, Bermuda, and Gibraltar.

Brothers Wells. In August of last year, the company formed a new subsidiary, Brothers Scientific and Industrial Corporation, which will handle another desalting development, the Brothers-controlled crystal freezing process.

Currently, Brothers is working with the Catalytic Construction Company on the water-improvement plant operated by the Office of Saline Water at Brownsville, New Mexico. The capacity of the plant is expected to be about 1 million g.p.d., with the process designed to desalinate brackish water with an impurity ratio of 34-40 parts per million.

From other companies active in the desalination processing plant of water conversion is: Chemco, Food Machinery & Chemical Corp., Brierley & Westgarth, Ltd., American Machine & Foundry, New Chemical, General Electric, General Motors, and Corbin-Wright.

proven to be the most practical method for desalting seawater, water-conversion engineers are in general agreement that the most economical method for making brackish water potable is by straining it through electrically charged plastic membranes.

This process is called electro-dialysis and the basic method was pioneered and patented by Ionics, Inc. of Boston over a decade ago. Since then, Ionics has adopted its process to diverse industrial uses, from separating organic compounds in petroleum processing to demineralization of by-products in the food industry.

In recent years, Ionics has expanded its operations in water-conversion. It now has over 60 converters functioning in the San plant at Wrightville

U.S. the Middle East and North Africa.

When bids were invited by the Office of Saline Water for constructing a brackish-water plant in Webster, S. D., Ionics did not expect much serious competition. But the winning bid was submitted by Ashai Chemical Industry Ltd. of Tokyo.

Although Ionics remains in the forefront in the electro-dialysis field, competition is intensifying from such companies as Fluoride Permitt, Nalco Chemical, Union Tank Car, Bohm & Haas, American Machine & Foundry, and Aqua Chem.

Freezing. The Government's demonstration plant at Wrightville

Beach, North Carolina, will convert brackish water to fresh water using the freezing process, one of the newest methods. Freezing, either by direct refrigeration or using chemicals, produces fresh water crystals in a solution of brine. The fresh water crystals are then separated from the solution and melted into liquid form.

The Office of Saline Water expects to invite bids on the Wrightville Beach project in the near future. Among the U.S. companies active in freezing, which may compete are Fairbanks Whittier (now working on a joint project with the Government of Israel), Carrier Corp., Blue-Knox, and Koppers Chemical.

So far, water conversion is

far from being a big volume item, physically or financially. For instance, industry leader Westinghouse supplies only 60 million of its 1963 volume strictly to water conversion equipment sales; it expects to be doing a \$10-million business in the field by 1965.

What does the future hold for water conversion?

Paul Hoffman, managing director of the U. N. Special Representative Committee, told a House of Representatives Committee.

"The growth in the absolute and per capita demand for fresh water is not alone a U.S. problem, it is also an international problem of challenging proportions. Indeed, grave as forecasts are concerning the adequacy of present and future supplies of fresh water in the

U.S. when compared to the quantity of water available on a per capita basis in most other countries of the world, the U.S. is one of the water-rich countries."

As lush as the U.S. may be, however, there are some grim statistics which spell out the dimensions of the water conservation market of the future. The nation's water usage now exceeds 300 billion gallons a day, compared with a total supply of 115 billion gallons a day. But while supply remains fairly static, usage is growing rapidly.

Around 1970—give or take a year or two—most experts believe increasing usage will carry the consumption line above the supply line, unless development of water conversion processes produce sufficient additional

supplies to forestall this development.

Conversion at low cost of saline water into a usable product that assumes the proportions of a necessity rather than a luxury or just another industrial venture. For this reason, industry leaders believe that within the next decade, much larger plants than those now in operation or on the drawing boards will be turning out up to 15 million gallons per day or better. This increased production, produced by improved methods, should provide conversion at an estimated cost of 50c per thousand gallons, or less.

And once conversion becomes necessary, a economically viable

competitive, the pioneers of today who stay afloat through the current trial period can expect to ride a flood of sales and profits.

The breakthrough point came, he continued, "when Congress put its weight behind development of these programs. I think the \$75 million program for water conversion now under way is similarly highly significant. However, it will prove to be a drop in the bucket new American industry growth water conversion with both hands and feet. As that day isn't very far off."

If you're a kind who can't wait for the eye-roller, you'll find the necessary, a and economically viable

Mrs. Rhymes Passes April 7

Mrs. Mary E. Rhymes, 62, of 1000 S. W. 1st St., Avon Park, died at her home on Saturday, April 7, 1962, after a long illness. She was born in 1899 in the town of Avon Park, Florida. She was a member of the First Methodist Church of Avon Park. She is survived by her husband, Mr. E. M. Rhymes, and two sons, Mr. and Mrs. R. D. Rhymes, and Mr. and Mrs. J. M. Rhymes. Burial services will be held at 10 A.M. on Monday, April 9, at the First Methodist Church. The Rev. J. M. Rhymes will officiate. Burial will be in the Avon Park cemetery.

Alsbrook Is Rank Promotee

Bern F. Alsbrook, the son of Mr. and Mrs. R. D. Alsbrook, who now resides at 623 S. W. 1st St., Avon Park, has been promoted to the rank of Captain in the United States Army. He is currently assigned to the 1st Cavalry Division, Fort Cavazos, Texas. He was previously assigned to the 1st Cavalry Division, Fort Benning, Georgia. He is a graduate of the United States Military Academy at West Point, New York. He is also a graduate of the Army Staff School at Fort Leavenworth, Kansas. He is currently serving as a Captain in the 1st Cavalry Division, Fort Cavazos, Texas.

Carolina Man Visits Hospital

Sid Oakley, Director of Activities at the North Carolina Rehabilitation Center, visited the Florida Alcohol Rehabilitation Center here on March 27 to discuss planned activities for patients. Oakley is visiting the treatment facilities of several states before carrying out a planned expansion of the activities under the Department of the Army Program.

New Religious Unit Dedicated

The new Educational Building of the Methodist Church of Pinellas Park, of which the Rev. Dean Martin is pastor, was opened for use with dedication services being held Sunday afternoon. Rev. Martin is an APHS graduate, having studied at Ashbury College, Wilkes-Barre, Pa., and received his degree from Emory University, Atlanta. He was assigned to Pinellas Park by the Florida Methodist Conference a year ago to establish and build a church, of which the unit completed in this plant.

WCSA To Meet In Sebring

The Woman's Society of Christian Service will journey to Sebring Friday to have a cooperative study on Christian Social Relations with the WCSA from the Sebring Methodist Church, in Layton Hall. Mrs. George Kelsey, chairman of WCSA, will be in charge of the plans for the Avon Park group. Middle age is the time in life when we get tired, thinking about the things you used to do with vim and vigor.

Crackdown On Illegal Signs Underway

The statewide crackdown on illegally erected billboards along highways moved into the second phase of action to Department of Transportation on Monday. The plan, which calls for the removal of signs that require organization signatures, is being carried out by the Department of Transportation. The first phase of the plan was the removal of signs that require organization signatures. The second phase is the removal of signs that require organization signatures. The third phase is the removal of signs that require organization signatures.

THE LAST SUPPER

What a significant meal for these twelve men! What a privilege to be in such high company! They were chosen to carry on God's work and to help bring in His kingdom. Can we hear him say, as Dr. Gordon did, "I have no other plan, gentlemen, I am depending on you." Imagine the seriousness of the situation. Jesus was through. Tomorrow He would die on the Cross. These twelve imperfect men must carry on. One loved his money, one was afraid, two had unruly tempers, and the others sometimes ran away. But Jesus loved them and needed them as He needs you and me. His kingdom must come on earth. Thus, the Lord has no other plan but to count on you and me. The Last Supper has become a continuing supper. Churches call their members together about their Lord, and administer the ordinance, saying, "this do in remembrance of me."

Here and There—

Kentucky Couple Visiting Relatives Here This Week

Mr. and Mrs. Wade Cates, who were visiting in Kentucky, are visiting here this week. Mrs. Cates is the daughter of Mr. and Mrs. W. H. Cates, who were born in Kentucky. Mr. Cates is a member of the Kentucky State Bar Association. Mrs. Cates is a member of the Kentucky State Bar Association. They are visiting here for a short time before returning to Kentucky.

Band To Play Original Music

ATLANTA, Ga. (AP)—The first of a series of original music plays by the Atlanta Symphony Orchestra will be given here this week. The orchestra is playing a series of original music plays by the Atlanta Symphony Orchestra. The first play is "The First of a Series of Original Music Plays by the Atlanta Symphony Orchestra." The orchestra is playing a series of original music plays by the Atlanta Symphony Orchestra.

Florida will be glad to learn that Alfred Hager is back at his home following surgery at Walker Memorial Hospital. Mrs. Carl Lamb has returned from Sacramento, you know.

USING BODY ENGLISH—Mrs. R. C. Akin, Avon Park, tries to apply a bit of body english as she puffed in the Florida State Women's Golf Tournament at Harder Hall in Sebring last week. The English didn't help however, as the ball slid past the cup. Mrs. Bill Sechenmayer, also of Avon Park, participated in the tournament.

Rabid Cats Health Menace

JACKSONVILLE — Rabid cats gave more trouble than dogs in Florida last year, the State Board of Health reported recently.

Seven humans were exposed to rabid cats and received the painful Pasteur treatment but there were no deaths.

There were 68 positive laboratory cases of rabies in Florida last year. These involved eight species of animals; seven bats, seven cats, five dogs, 44 raccoons, two skunks, one flying squirrel, one fox and one horse. No human cases were reported, but 429 complete doses of anti-rabies vaccine were distributed by the Board for administration to exposed humans.

The Board has long advocated that cats as well as dogs be inoculated against rabies. City or county laws require that dogs be immunized but not cats.

All animal bites are required by law to be reported because they must be investigated. The Board said cats give more trouble than dogs because they are allowed more freedom and are more difficult to keep behind a fence. In addition, the Board said that when a cat does become rabid it is extremely vicious.

Birthday Party For Judy Cothran

Miss Judy Cothran, daughter of Mr. and Mrs. Wiley Cothran, observed her 14th birthday with a party at the home of Mr. and Mrs. R. D. Newcome on N. Central Avenue, Saturday night. Judy's parents and the Newcomes planned an evening of games and entertainment for the group who brought Judy an array of lovely gifts.

The large decorated birthday cake was topped with the correct number of candles. After Judy had made her wish and blew out the candles, the singing of Happy Birthday, the cake was cut and served with iced cakes and potato chips.

Those attending were Diana Boland, Linda S. Dickerson, Pamela Flint, Jim Behr, Carl Holden, Margie Hall, Melvin Smith, Laverne Adams, Doris Griffin, Johnny Coultette, Sandra Biggs, Robert Duggan, Barbara Garrahan, Peggy Johnson, Barbara Hardin, Deborah Booth, Janet Doubet, Georgianne Prazza, Naomi Lawrence, Doug Stone, Sue O'Steen, and Dennis Hood.

According to the Florida Alcoholic Rehabilitation Program, an employee's consistent tardiness or absence from work on Monday mornings and frequent early departures on Friday afternoons may be among the first easily recognizable signs of problem drinking.

WARD TO SPEAK IN GAINESVILLE		
Ted J. Ward, president of the Highlands County Traders Club and 1961 president of the St. Petersburg Traders Club, has been invited to speak in Gainesville Monday at the bi-monthly meeting of the University of Florida Junior Real Estate Club.		
His subject will be "Trading versus Exchanging." Mr. Ward recently completed a six-lecture course on Modern Exchanging which he presented in St. Petersburg for thirty-five real estate traders of the Board of Realtors in that city and he will attempt to consolidate the high lights of those courses.

State Forest Products Are Increasing In \$

Forest products of Florida may soon reach \$100,000,000 in value annually if present trends continue. This figure includes lumber from Florida sawmills, cottonwood, naval stores, and other primary products.

A regional survey by the U.S. Forest Service and state forest service suggests that Florida and other southeastern states will, in time, become the main source of the nation's total lumber supply with southern pine to rank as a major structural material.

The half-billion dollar figure from Florida forests in the wholesale, manufactured value, and does not include an additional estimated \$25,000,000 for remanufacture in pulp, paper, paper packaging, and to consolidate the high lights of those courses.

VERNON TYSON
Candidate for
County Commissioner
DISTRICT 4

Local businessman, grocer, former experience as Inspector with U. S. Engineering Department.

Continuous residence in Highlands County for the past 16 years, graduate of Lake Herald High School.

Married to former Florine Crawford of Sebring, one son, Tommy, age 18.

Veteran, served with combat Engineers in Europe, awarded Bronze Medal and 4 Battle Stars.

Member of Chamber of Commerce, Farm Bureau, Masonic Lodge and American Legion.

Honest — Efficient
Capable

Ask the Voter In District 4

(Paid Political Ad.)

Depend on it to give you an honest days work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tongue as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you make up your mind to buy, get this one. We know you'll be happy with it.

HAVE YOU LOOKED INTO CAMPER BODIES? This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

See your Chevrolet dealer for trucks that keep working and working and working!

OUT OF BOUNDS

The Sun has the recipient of a copy of the address of Morris Adams and Harry Lee for the Highlands County seat in the U. S. House of Representatives. The writer was the president of the Sebring Chamber of Commerce.

The letter gave no indication as to whether the writer expected same to be published. Therefore in what it would define as in the best interest of both candidates, The Sun declines to publish the letter.

As a matter of clarification however, The Sun must say the letter dealt primarily with the proposed county hospital.

The Sun has no idea as to what the thinking is behind this letter. Perhaps it is to align itself with the candidate who best answers the questions asked in the letter. In any case, however, The Sun is of the opinion that the Sebring Chamber—or any chamber for that matter—has stepped out of bounds.

It is our opinion that the Chambers of Commerce are designed to foster better relations between merchants and consumers; to increase home town patronage and to promote better economic conditions in a community—certainly not to enter into a political campaign.

At this stage of the game it appears quite evident that regardless of the candidate elected—Adams or Lee—neither can do a great deal to defer the construction of a county hospital, provided of course, the millage is approved at the May 8 election.

Therefore, The Sun would take this means of urging both the Avon Park and Lake Placid Chambers of Commerce to refrain from entering this or any other political campaign. And, at the same time would think better of the Sebring Chamber if it would pull in its horns in this matter.

The Sebring and Lake Placid Chambers worked diligently for the passage of the hospital referendum establishing a district. For this effort they must be congratulated. But to enter into the House of Representative campaign we think, would be a case of Stepping Out Of Bounds.

LANDS LUNKER BASS — DR. MOORE IN FLORIDA
Mr. and Mrs. John C. Carpenter, 369 E. Vernon Ave., have a big fish story. They and son, Ky. and E. D. Burwell of their daughter, Marilyn, were hunting at Arbovale Creek on Sunday when Mr. Carpenter hooked a 16 pound bass. He was using only a small hook and was fishing from the edge of the bank when he landed the whopper.

WHO'S BEST QUALIFIED?

If your child, other members of your family, or friends got sick, surely you would take them to a doctor for treatment and not to a barber shop.

The doctor is qualified to treat the ill. A barber is not. He is qualified to cut hair.

Who is best qualified to serve all of Highlands County in the State Legislature?

What does your Representative do in Tallahassee and what should be his training and background?

What Representative debates, argues, designs, reads, and introduces and passes laws?

Who is trained in the debating, arguing, designing, planning, studying and introducing laws—the doctor, the lawyer or the lawyer?

The best qualified man to represent you in the House of Representatives is a man who has an abundance of training and education in the debating, arguing, designing, planning, studying and introducing laws because that is his main purpose and objective when he reaches Tallahassee.

You have only one man in the race for State Representative who is best qualified, who has the background, the training and the know how to get laws passed that will benefit all of Highlands County.

HARRY LEE IS THE BEST QUALIFIED MAN FOR THIS JOB BECAUSE HE IS THE ONLY MAN IN THE RACE WHO FILLS ALL OF THE BASIC REQUIREMENTS NEEDED TO FULFILL THIS JOB.

VOTE FOR AND SUPPORT THE BEST QUALIFIED MAN TO YOUR HOUSE OF REPRESENTATIVES

Letters To The Editor

Lake Placid, Fla.
April 13, 1962

Dear Editor:
Re: State Course Christian-Venue Communion.

Surely there is no more incommensurate time in the year than the week that begins with Easter Sunday. There is no more incommensurate time to waste on a religious issue than the week that begins with Easter Sunday.

After much prayer and meditation, we, a Citizens Committee have decided that we as Christians must take positive action. We were given eyes to see, hands and minds to use, and feet on which to take a stand as MILITANT Christians in order to defeat HIS enemies!

Today, while one-fifth of the world's people are Christian, one-third of the earth's peoples are enslaved and granted no religious freedom.

The above mentioned study course is a direct challenge to the Miami Council of Churches, and has been used successfully in the past to bring about the course is free to the public, and we are now free to the public.

We are fully praying for the success of this course. The programs are all on Tuesdays beginning April 24. Only one has been on Thursday because of election day. The dates are Tuesday, April 24, Tuesday, May 1, Thursday, May 10, May 15, May 22 and May 29; they will be held at 8 p.m. at the Legion Hall in Lake Placid.

Thank you.
Sincerely,
Pearl Danley

Avon Workers

Attend Lunch Room Meeting

Mrs. Evelyn Carlisle and Mrs. Lucille Colman were among the five ladies from Highlands County attending the Florida School Food Service Association convention held in Panama City last week.

The theme of the convention was "Let's Look At School Lunch" which was emphasized in all of the program and discussion groups throughout the entire convention.

More than a thousand lunchroom workers from over the state gathered for the convention, which was held in the Marine Auditorium. The food served there was the best from their simple and well planned kitchen.

The Hawaiian Luau featured roast pig, whole baked fish, for meat; lobster, exotic foods and a large variety of foods served by candlelight in a beautiful setting of decorations to charm the ladies. Even their breakfasts were a thing to be remembered.

The Avon Elementary Cafeteria was awarded for their 50 per cent participation of students in the lunchroom program and the county was commended for a 100 per cent membership in the Food Association.

Baptist Sunday School Meeting
The Philanthic Class of the First Baptist Church met at the home of Mrs. Dan Antley, 701 West Walnut Street, on Monday, April 16.

Mrs. Jack DeLaney gave an inspiring devotion in keeping with the Easter Season. Mrs. John Gavin, Social Chairman, led the group in a true and false quiz relating to the Crucifixion which was enjoyed by all.

Mrs. Antley and Mrs. Wm. Stuntz served delicious frozen salad, nuts, pound cake and coffee to the following guests: Mrs. Earl Haworth, Mrs. Paul McFarland, Mrs. Jack DeLaney, Mrs. John Gavin and Mrs. Solon Wilson.

Southland Trailer Park
Mr. and Mrs. Steve Berthold of Englewood, were Tuesday dinner guests of Mr. and Mrs. Corwin Coste.

Mr. and Mrs. Alex Speirs of Middleton, N. Y. visited Mr. and Mrs. Simon Kolk on Saturday.

Fond farewells were bid to the Weldon Fowells who left for Astoria, Ore. Mrs. Myrtle Heffernan, who left Saturday by plane for home in Ontario, Canada, Mr. and Mrs. John Breyer, who are returning to Haledonfield, N. J. and Mr. and Mrs. Robert Elthorp, who are en route home to Hammond, N. Y. Friends here will be looking for their return at the end of the summer.

Trooper Bill says...
The Trooper Bill says...

Slow Down at Sundown. The glare of the sun at sundown makes driving hazardous. That's the time you should slow down, if you're driving a car. If you're riding into the sun, you obviously can't see far enough ahead to drive safely at high speed. If the sun is at your back, the long shadows also may affect your vision. Take it easy at sundown, as well as at dawn.

Vote For and Support the Best Qualified Man to Your House of Representatives

Washington Report

By Commencement Jim Haley

WASHINGTON, D. C.—So-called federal "aid" to the second largest "industry" in Washington (paying interest on the crushing federal debt in first), but a new report shows clearly that Uncle Sam's handouts are, mostly, an illusion of aid.

City Council Minutes

Regular meeting held April 9, 1962, 7:30 p.m.

An attendance record including the Mayor and City Attorney. Invocation given by Mr. King. The minutes of the previous meetings read, corrected and approved.

Mr. George Haney requested a "Yield R/W" sign in the alley behind the new Bank at the intersection of the parking lot. Dr. Ruth Phillips, representing the Women's Club requested traffic signs at North Lake Ave. and the Truck Route intersection and from Main Street to the Truck Route on North Lake Ave.

The following first report was read for the month of March, 1962: Construction fires—4; Grass or weeds—14; Automobile fires—3; Burglar—1; Total alarms answered for month—22; Total fire loss for the month—\$12,500.00; Total fire loss to date—\$21,525.00; No time lost from sickness or accident.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Motion by Mr. Farless, seconded by Mr. McKenna, unanimously carried that the proposal of the Civil Service Board be accepted. The beginning pay shall be \$250.00 base pay, \$250.00 a year, plus every period of six months. All applicants shall hold a chauffeur's license and a certificate of good health.

Good Friday Service Slated For First Baptist Church

The Avon Park Ministerial Association has announced that the Good Friday three hour service will be held at the First Baptist Church.

All citizens of the community are invited to attend and participate either for the entire service or for any period of devotion.

Period of devotion and those conducting each are:

12 to 12:05—Call to Worship—Rev. Don States.

12:05 to 12:30—"Forgiveness"—Rev. Don States.

12:30 to 12:55—"Pardon"—Rev. Stockton M. Swaney.

12:55 to 1:20—"Love"—Rev. John Walters.

1:20 to 1:45—"Loneliness"—Rev. Russell Boaz.

1:45 to 2:10—"Human Need"—Rev. Herbert D. Graetz.

2:10 to 2:35—"Triumph"—Rev. W. C. Johnson.

2:35 to 3:00—"Reunion"—Rev. Earl Spurlock.

Here And There—

Mrs. David Stuckey had two of her sisters visiting with her and Mr. Stuckey this week. They were Miss Myrtle Hart of Atlanta, Georgia and Mrs. Lynn Boatwright and her husband from Orlando. Friends will be glad to learn that Mrs. Jackie Landrum, Pennington, who was seriously injured in an automobile accident recently, is recovering satisfactorily. Her address is 450 Fern Lane, Wichita Falls, Texas.

SFC. Freda M. Clark, who is stationed at Fort McClellan, Alabama is visiting her mother, Mrs. J. B. Mizelle, and her brother and his wife, Mr. and Mrs. Russell Mizelle.

St. Cloud Man Named Principal Of Placid School

Superintendent of Public Instruction Andy Miracle has announced the appointment of Walter Bishop as supervising principal of Lake Placid schools. Bishop succeeds Kenneth Eddy who has resigned the post.

The new principal will take up his duties on July 1. He comes to Highlands County from St. Cloud where for the past six years he has been principal of the high school. Bishop is an alumnus of

University of Florida, and he began his teaching career in Madison County. He has had experience at both elementary and high school level.

Shriners Plan Easter Services

The Highlands County Shrine Club will cooperate with the Sebring Ministerial Association in sponsoring the annual Easter Sunrise Service at the Sebring Municipal Pier at 6:00 o'clock Sunday morning.

The Rev. A. R. Fagan, pastor of the First Baptist Church, Sebring, will deliver the Easter message.

All Shriners in the area are invited to attend the services. The new manager brought two employees with him who order

Furniture Plant Manager Arrives Here This Week

Charles Lyon, resident manager of the new Kerns Furniture Company plant, arrived here this week to make plans for the firm's initial operations.

Lyon, the former assistant to the manager of the Kerns operations in Atlanta, Ga., is a graduate of Georgia Tech. He has purchased the Jeff Barrows home and plans to move his family here in the near future.

Avon Park Man Found Guilty Of Assault

Avon Park man has been found guilty of aggravated assault in connection with a fracas at a Klamath-River fish hatchery.

Hilmer Satterly, who had been charged with assault with a deadly weapon, was found guilty of aggravated assault by a jury June 1961 in county court.

Sebring Chamber Makes Survey Of Population

The Sebring Chamber of Commerce, through the aid of Highlands County Surveyor Roger Miller, has come up with what it terms as the developed center of population of Highlands County.

According to figures released by the chamber, the Sebring area is the heaviest populated in the county, with 433 residents or 43.7 per cent of the total population. Avon Park ranks a close second with 331 residents or a percentage of 33.2 per cent.

The Lorita area holds third place, with 138 residents or 13.8 per cent of the population total.

The formula used to arrive at these figures was based on the amount of mileage to the center of each population area from the boundary lines of two adjoining counties.

Object of the population study is to attempt to find a suitable site for location of the proposed county hospital.

Using the formula, Miller and the Chamber have arrived at what it would term a central point for the hospital. This site is just off the northeast shore line of Lake Jackson in Sebring-underwater.

The 1960 Federal census figures were used in the calculations.

Biggs Completes Appraisal Study

Hubbard K. Biggs, local appraiser and realtor just completed a two weeks real estate appraisal course at the University of Georgia, Athens.

The course was conducted by the American Institute of Real Estate Appraisers.

Biggs was one of 35 appraisers from 34 states and Canada enrolled for the course.

The course consisted of two weeks of intensive study in real estate appraisal, covering such subjects as valuation, market analysis, and the appraisal of various types of property.

Red Devils Win Double Bill—

(Continued from page one) Jackie Seims led off with a home run made some out single but was forced out by a double play. The Avon Park team was out of the game in the bottom of the first. The Red Devils won the first game 2-1. The second game was a double bill. The Red Devils won the second game 2-1. The Red Devils won the double bill 4-2.

READY FOR CAMP—Boy Scout Troop 157, sponsored by the Avon Park Rotary Club, is shown just before they left last Friday for a week end camp. The Troop's new rolling camp wagon is shown in background. Jim Meim in background, was primarily responsible for construction of the camp wagon. Scoutmaster Franklyn Ward is at right.

Avon Park Boy Scouts Take Top Honors At Annual Spring Camp

The six Patrols of Boy Scouts at a stunt with award for best of Troops 156 and 157, Avon Park took the first place in the Annual Spring Camporee of the Highlands District held April 12-14 on Charlie Creek in southeast Hardee County.

The Hawk Patrol of Troop 157 took first place with a total of 223 out of a possible 400 points. Bob White Patrol of Troop 157 placed second and Troop 156 took the next three places with Falcon, Flying Eagle and Flaming Arrow Patrols.

Six troops from Avon Park, Sebring, Lake Placid and Wauchula with a total of 15 patrols participated in the Camporee. A total of 101 Boy Scouts were registered by District Scout Executive Maurice Paige, as the troops rolled into the camping area under shady oaks on the banks of Charlie Creek Friday afternoon from 4 until 6 p. m.

The Camporee got underway Friday evening with a huge council fire, started with a flaming arrow shot by High-Troop 157, sponsored by the local District Chairman, Ford Avon Park Rotary Club, were: Treascher, Jr. Each Troop put on Donald Whitcomb, A and Bill

Make a bit with . . . Sundae Record Cake

Set a new record for refreshments for the teen crowd with this Banana Sundae Record Cake. How can you mix with a combination of favorite flavors straight from the soda fountain? Banana Sundae Cake and Fudge Sundae Fluffy Frosting Mix! There's a cake mix for a double-decker shortening cake that's wonderfully banana flavored with just a touch of spice. Water is all you need to add before beating the frosting mix to fluffy white peaks—the fudge topping comes in a tube right in the same package. Follow the directions below to make a hit.

Banana Sundae Record Cake

Prepare and bake Pillsbury Deluxe Banana Sundae Cake Mix in two 8-inch round layer pans as directed on package. Cool. Fill and frost with Fudge Sundae Frosting Mix. Smooth frosting on top of cake. Starting about 1/4-inch from edge, score around top edge of the record. Leave a center circle, three inches in diameter without grooves. Drizzle the Fudge Sundae Topping in the grooves and in center to make notes. Pecan "notes" may be placed around the sides. To make notes, cut pecan half lengthwise to form stem of note; use a small piece of pecan for the flag and a pecan half as the note.

Red Devil "B" Team Continues Streak - Losing

Catch Ralph Hill's "B" squad baseball nine dropped two more games last week. Kissimmee took a close 2-1 decision from them in Kissimmee last Thursday afternoon and Sebring shut them out 4-0 here at Head Field Tuesday afternoon.

The Red Devil Junior varsity boys connected for five hits against the Kissimmee team with Kenny Cook, Spencer Oberle, Tommy Marshall, Pop Hutchinson, and Bill Ward accounting for the five singles. The Avon Park pitchers gave up only three hits to the Junior Knights.

Ten walks by three Avon Park pitchers spelled defeat in the Sebring game. The young Streaks got only one hit, a single, but walks and errors were enough to send four runs across the plate and give Sebring the win. Keith Abbotson, Jim Bob Maddox, and Bobby Briscoe all took a turn at pitching against the Sebring nine. Maddox fanned eight during his three and two-thirds innings on the mound. Bobby Coleman got Avon Park's only hit of the game—a double.

The Farm Front

I don't believe there has ever been a time when Mr. and Mrs. Consumer—the great American public—have enjoyed as many different kinds of protection as we have today.

Numerous Florida laws, many of them enforced by the Department of Agriculture, have been legislated from time to time to protect consumers in our own state. Similar laws, both

Warrington, Troop Committee Chairman, John Toward, Institutional Representative, and Norman Cook, Scoutmaster.

HOSPITAL ADVISORY BOARD—Shown above is the recently named Advisory Board of Walter Memorial Hospital. Front row, left to right: Judge H. C. Taff, secretary; Charles Metcalfe, president; Jim Hain, vice president; Back row: William Ward, Ted Ward and Ray Wells.

state and Federal, are being enforced all over the nation in the interests of consumers. They cover, in one way or another, most every type of product and service you can name.

There was a time in America when frontier housewives were victimized by "snake peddlers" who sold them such things as wooden nutmegs; when the travelling medicine showmen of fabled elixirs good for man or beast and "guaranteed" to cure anything from improving toenails to gallstones; when dangerously adulterated, synthetic and substitute foods posed serious threats to public health.

Since time immemorial the "public" has been considered fair prey by those intent on practicing fraud or deception. One who profited mightily in this field—that old super-staple, P. T. Barnum—voiced the opinion that "there's a sucker born every minute." And the shade brethren for generations have operated on the theory that you "never give a sucker an even

MAIL STORM DAMAGE—This photo graphically illustrates the fury of the hail storm that hit the Avon Park area last Tuesday night. The hail was 1/2 inch in diameter and was accompanied by strong winds. A number of beef animals and breaking numerous windows in some areas. A state-federal official said the storm cut a path about two miles wide and five miles long through the Highlands-Hardee-Polk County circuit belt. There were also reports of some damage to watermelons in Hardee County.

Oneco Firm Is Low Bidder On Bleachers For Baseball Field

J. W. Wynn & Son of Oneco, Fla., was the low bidder on construction of two sections of new bleachers at Highland Baseball Field last week. The bid was \$24,450.

Ladies Auxiliary Of Fla. Power

The regular business meeting of the Ladies Auxiliary of the Florida Power Employees Club met at the Club House Thursday night of last week. Mrs. Edith Godwin, president, conducted the meeting.

Plans were made for the annual Easter Egg hunt which will be held Thursday, April 19, at 3 p.m. for children of the FPE's families. Parents were asked to leave at least three colored eggs at the downtown office by noon on Thursday.

Mrs. Wayne Cribb served hot coffee, donuts and cream puffs at the close of the business meeting.

April birthday! Renew your driver's license.

FIREMEN'S AUXILIARY INSTALLS—The newly organized Auxiliary of the Avon Park Firemen's Association installed new officers last Thursday night at the group's annual dinner meeting. Seated at the table are: Mrs. H. M. Farless, president; Mrs. Wiley Cothran, vice president; Mrs. Joe Kinney, Jr., treasurer; Mrs. Mac Flowers, recording secretary; Mrs. Charles Horva, corresponding secretary; and Mrs. H. W. Giddens, chaplain. Mrs. Dick Seiner, district president of the auxiliary, is right installed the group.

RE-ELECTED FIREMEN HEAD—Dorrah Martin, left, was re-elected president of the Avon Park Firemen's Association and was installed at the annual dinner meeting Thursday night. Dick Seiner, Eau Gallie, district president of the Florida State Firemen's Association, congratulates Martin on his re-election.

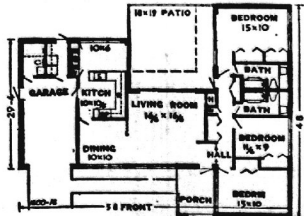

Plans Given For 2-Bedroom, 2 Bath Home

Indoor-outdoor living (and sleeping) is the keynote of this three-bedroom, two-bath slab-on-grade house, No. 1008-16, designed around the rear patio wedged between the master bedroom, the living room, and the breakfast alcove.

Where the lot and the pocketbook allow it, this 18 by 18-foot patio can be stretched, say, into an 18 by 38 patio to take in a 12 by 24 swimming pool, a bit of landscaping and paved platform for dining and dancing under the "screened" sky.

One enters the square-shaped living room through the covered front porch and a small hall. (The two arrows on plan indicate an optional door which could separate the living room from the bedroom wing). The area of the dining

IT'S EASY TO UPDATE FIREPLACE WALL.
 Step one: Enclose chimney to masonry line with paneling that reaches from corner to corner. Step two: Flank fireplace with storage cabinets. Use one of one for shelf and the other for a planter of artificial greens.

room flows freely into that of the living room and both are subtly united by the sloping ceiling which flares up from left to right. A 12-foot-wide sliding glass door joins the living-dining area with the screened patio. (The inside corner of the patio has a nook over it—see dotted line on the floor plan).

Like a Captain's Bridge, the U-shaped kitchen counter is strategically centered in the midst of indoor-outdoor day activities and adjacent both to the dining room and to the breakfast alcove. To gather the cooking center and breakfast area (with only the counter between them) form an unusually convenient spot for family working and living. They can be separated from the rest of the house.

The breakfast alcove wall contains a storage closet, a one-way water heater with storage space for breakfast food above it and a 16-inch-wide masonry barbecue pit (B) which can serve the breakfast table or the nearby table which is accessible through a six-foot-wide sliding door. The door faces the alcove window and also affords a view of the patio. Wall cabinets are shown dotted.

A door into the kitchen from the garage provides easy transfer of groceries. The two small rooms at the rear of the garage may be used as a half-bath and a laundry (employing a rear-to-back plumbing arrangement). They are shown dotted. The plan is to include a rear-to-back plumbing arrangement when the budget permits. The rear-to-back plumbing is shown dotted.

The TV by 48-foot bedroom wing is a unit in itself. The master bedroom, with a canopy of cross ventilation through a three-sectional window and the 12-foot-wide sliding glass doors to the patio, also boasts a high ceiling and 11 feet of closets. The front bedroom also has wide windows on opposite sides. A storage wall creates acoustical separation between the two front bedrooms, providing each with a 24-foot closet with built-in "Pul-Vis" doors for maximum visibility and use of closet space.

The identical bathroom features "back-to-back" plumbing with countersinks along the window wall, wall-hung toilets and tubs with showerheads over them. Hot water for these bathrooms is supplied by a second water heater (W) located just below the centrally placed house vent (V). The bathroom also contains two large closets—36-inch-wide one between the bathroom doors is for linens. Access to the patio from this hall is afforded by a door just outside the entrance to the master bedroom.

The construction cost of house 1008-16 is \$17,000 plus the land and landscaping. The construction is as follows: all exterior walls are 8-inch-thick masonry blocks with facing (the bathroom walls) and 12-inch-thick concrete blocks with facing on the outside; all interior partitions are regular brick blocks with facing on both sides; roofing is regular asphalt shingles; the floor is concrete; the foundation is reinforced with steel mesh; the roof is reinforced with steel mesh; the roof is reinforced with steel mesh; the roof is reinforced with steel mesh.

Ministers Plan Sunrise Service

The Easter Sunrise Service will be sponsored again this year by the Avon Park Ministerial Association, Sunday, April 22. The program will begin at 6 p.m. on the shores of Lake Verona in Donaldson Park.

Some seats will be provided for those attending and a loud speaker system will make the service available for all to hear.

The Rev. Russell C. Boaz and members of the Eastern Star Chapter 1111 will deliver the Easter Hymns. Ministers H. D. Gatzert, Aden D. Chidress, John F. Mangrum and Earl Spivey will also participate in the program.

Maxine and Murray Filgip will render a duet and there will be other Easter Hymns.

Glee Club To Sing At Church

The APHS Glee Club will give a concert at the First Methodist Church, Easter Sunday night, April 22 beginning at 7:30.

John Amble, director of the club, states that the concert is being presented for the general public. The Methodist Church, which is interested in music to assist in the expenses of their trip to attend the State Assembly.

The Glee Club members and their families will be entertained with refreshments in Wesley Hall following the concert.

Auto Dealer At Sneak Showing

E. Ray Wells, owner of Wells Motor Co., Avon Park Dodge dealer, attended a special showing of the experimental Dodge Turbo Dart in Tampa, Wednesday.

Wells and other Central Florida dealers inspected the new turbo-engined automobile which features 80 per cent less moving parts in the engine than the conventional gasoline-powered type vehicle.

The car is not in production at this time, but a limited number will be manufactured next year, Wells said.

Spring weather will bring out an increasing number of automobiles. Tighten your safety belt a little.

type (although awning-type may be substituted since they are of identical size). Floors are terrazzo or resilient tile.

The plans for Home No. 1008-16 were drawn by Jan Reiner, architect, who is the author of Florida Homes magazine, which is available on newsstands or by mailing \$6c to P.O. Box 1187, St. Petersburg 33, Fla.

Congregational Choir To Present Annual Easter Concert Friday

The Chancel Choir of the "Were You There?" Spiritual Union Congregational Church will present a concert of Easter music on Friday evening, April 20, at 8:00 p.m.

The concert, "The Story of Easter," is a simple and moving effort to combine the spirit of the season with the music of the great hymns.

The Rev. Russell C. Boaz and members of the Eastern Star Chapter 1111 will deliver the Easter Hymns. Ministers H. D. Gatzert, Aden D. Chidress, John F. Mangrum and Earl Spivey will also participate in the program.

Maxine and Murray Filgip will render a duet and there will be other Easter Hymns.

type (although awning-type may be substituted since they are of identical size). Floors are terrazzo or resilient tile.

The plans for Home No. 1008-16 were drawn by Jan Reiner, architect, who is the author of Florida Homes magazine, which is available on newsstands or by mailing \$6c to P.O. Box 1187, St. Petersburg 33, Fla.

The car is not in production at this time, but a limited number will be manufactured next year, Wells said.

Spring weather will bring out an increasing number of automobiles. Tighten your safety belt a little.

Miss Williams Gives Plans For Wedding

Miss Peggy Williams and her fiancé, Mr. Robert Williams, have completed the plans for their wedding which will take place at the First Methodist Church, Sunday, April 22, at 10 o'clock.

The bride is the daughter of Mr. and Mrs. J. H. Williams, of Lake Wales. The groom is the son of Mr. and Mrs. J. H. Williams, of Lake Wales.

The wedding will be officiated by the Rev. Dr. D. D. Grunert, pastor of the church.

The bride's bridesmaids will be Misses Mary Ann Williams, of Lake Wales, and Miss Mary Ann Williams, of Lake Wales. The groom's best man will be Mr. J. H. Williams, of Lake Wales.

The wedding reception will be held at the home of the bride's parents, Mr. and Mrs. J. H. Williams, of Lake Wales.

Miss Pearson Is Dinner Hostess

Miss Millie Pearson was hostess Tuesday evening with a dinner at the Jaramilla Hotel honoring the officers of the Delta Kappa Gamma sorority.

Her guests included Miss Ella Davis of Avonlea, Mrs. Agnes Mason of Wausau, Mrs. Mary Roberts of Lake Placid, Mrs. Julia Tait and Mrs. Janina Goodfriend of Sebring and Miss Sara S. Young of this city.

The table decorations included the chapter's colors of red and gold with candles and a gold gladiolus forming the centerpiece.

Miss Pearson is the retiring president of the DKG sorority. She presented each of her officers with a gift of remembrance during the dinner meeting. An executive board meeting was held following the dinner.

Blessed Are The Lonely

The bellows swings on the leaning side. And only a whisper of its side. Chained forever to a golden stone. By day and by night I have heard it moan.

Lutherans Met At Rehner Home

Mrs. Marvin Rehner was hostess to the Lutheran Church Women at her home Thursday, April 12. Mrs. William Becker, president, conducted the business. Mrs. Robert Dasher was in charge of the program. The topic, "Well Read Women," was discussed and a report will be taken at the next meeting. The books that are read by the women.

The group voted to buy dishes and other furnishings for the church kitchen. They requested stamp books to be donated for a coffee urn.

Mrs. Becker urged women to attend the convention which will be held in Sarasota, April 25.

A family picnic is being planned, the date to be announced later. The next meeting, May 10, will be held at the home of Mrs. M. R. Jackson.

The hostess served refreshments while the ladies enjoyed a social hour.

CARD PARTY

The Altar Society of Our Lady of Grace Catholic Church will hold a card party in the Church Hall Monday, April 23, at 7:30. Dessert will be served prior to the party. A door prize will be given. Friends are invited to attend.

AUXILIARY TO MEET

All members of the American Legion Auxiliary are reminded of the meeting at the Legion Home on West Bell Street, Tuesday, April 24, at 8 p. m.

PREPARING FOR ELECTION—Roland X. Drott, left, County Supervisor of Registration is shown as he and his assistant David Elliott prepared the county voting machine for the May 8 Primary. The county recently purchased additional machines to enable all precincts to vote by the modern method.

Voter Registration Up In Avon Park. But Down On County Basis

While voter registration in Highlands County as a whole was falling the registration for Avon Park's five precincts took a healthy jump upward.

According to registration figures released by Supervisor of Registration Roland X. Drott, Avon Park's registration grew by 528 voters.

In August, 1961, the county as a whole had 11,277 voters registered with 5,087 listed in Avon Park. When a roll purge had been completed and registration for the coming primary had been closed the new rolls showed 10,750 voters for the whole county and 5,925 in Avon Park. The new figures also revealed that more than 60 per cent of the county's registered independent voters are Avon Park residents. Only 38 voters are registered as independents, and 23 of these are Avon Park voters.

In the county as a whole 9,729 voters are registered as Democrats, and of these 3,608 are in Avon Park. A total of 254 of the county's 863 Republicans reside here.

As in the general registration, the freeholders roll shrank—from 7448 to 7271 in the whole county. The total for Avon Park is 2679.

The registration for Avon Park, by precinct, is as follows: Precinct One—1,258 Democrats, 60 Republicans, 1 Independent, 236 freeholders.

Precinct Two—875 Democrats, 42 Republicans, 5 Independents, 640 freeholders.

Precinct Three—614 Democrats, 88 Republicans, 9 Independents, 511 freeholders.

Precinct Four—683 Democrats, 34 Republicans, 1 Independent, 413 freeholders.

Precinct Seven—419 Democrats, 19 Republicans, 4 Independents, 179 freeholders.

Because of the forthcoming hospital bond issue vote, special interest has been shown in the freeholder registration.

The law requires that at least 51 per cent of the county's reg-

LADIES ATTEND CEE

Mrs. L. L. Wainwright, worthy grand matron, Mrs. Orpha Oldham, Mr. and Mrs. E. S. von Burke, Mrs. Esther Jones and Mrs. Lora Stuckey were in Jacksonville last week where they attended the Florida Grand Chapter of Eastern Star Chapters.

Church Council Meeting Held

Lutheran Church Council met at the home of Mr. and Mrs. Harry Gibson Tuesday evening. The Rev. John W. Walters, president, conducted the business. Robert Dasher, treasurer, was welcomed back from his recent stay in the hospital following a heart attack. Mrs. Myrtle Applegren, secretary, gave a report. Art Becker, building chairman, discussed the work being done on the church and explained the delay in completion. A date will be set in the near future for an Open House, when the public will be invited to attend. Mrs. S. F. Elkhill and Mrs. Myrtle Applegren were appointed a committee to be in charge of the Open House.

The next Council meeting will be held in the new church on May 8. At the close of the meeting Mrs. Gibson served refreshments.

Mrs. Torregrosa Entertains Class

Mr. and Mrs. J. L. Torregrosa entertained the Sunshine Class of the Methodist Sunday School at their home on E. Canfield Street Friday night. New officers who were elected at the meeting are Wayne Gribb, president; Joe Torregrosa, vice president; and Kathy Griffin, secretary and treasurer.

The group enjoyed singing and listening to records, and for refreshments the hostess served dainty sandwiches, cake and coffee.

Miss Sheila Ross, Mr. Edwards Wed at Congregational Church

Miss Sheila Ross became the bride of Darrell J. Edwards in an impressive ceremony at 10 o'clock Saturday morning in the Union Congregational Church. The Rev. H. D. Grunert read the wedding vows.

The bride is the daughter of Mrs. Roy B. Ross and the late Mrs. W. J. Edwards of this city are parents of the groom.

The bride wore a dress of white embroidered eyelid over a small white hat and carried a bouquet of pink roses and baby breath.

Mrs. Carolyn Ross was maid of honor. Her dress was of a delicate shade of yellow or-gandy and her flowers were white carnations.

LeRoy Ross served as best man for the groom.

The bride's mother chose a saute and rose dress with rose accessories and a corsage of pink carnations.

The groom's mother wore a navy blue dress with white accessories.

The couple departed immediately after the ceremony for a trip to Jamaica. For traveling Mrs. Edwards wore a pale blue sheath with black patent accessories.

Upon their return the couple will reside at Rt. 2 Lake Lillian, Avon Park.

MRS. DARRYL EDWARDS CANADIAN RETURNS HOME

Mrs. Rita MacLean left this week for her home in Montreal, Canada after three weeks visit with Mr. and Mrs. Jack Baldwin on Tulane Circle. She was to make the trip home by bus in order to enjoy the scenery across the country. This was the third winter in Florida for Mrs. MacLean and she expects to return again next winter.

Avon Couple Attends Funeral

Mr. and Mrs. Henry Caffee were in West Palm Beach several days last week. Their son-in-law, J. C. Johns, passed away Monday, April 9, after a long illness. He was buried Wednesday.

Besides his wife, Mrs. Summer Caffee Johns, the deceased is survived by two daughters, Mrs. Judy Haskins and Miss Carol Johns, and a granddaughter, Shannon, all of West Palm Beach.

The Caffee's daughter, Mrs. H. D. Overstreet, of Omaha, Neb. joined the family in West Palm Beach. She returned to Avon Park with her parents and will remain over the Easter Holidays when her son, Mike Overstreet, who is a student at FSU, Tallahassee, will visit his mother and grandparents.

Gray Ladies Invite Members

The Avon Park Gray Ladies, which is sponsored by the Highlands County Chapter of the American Red Cross, will be hostess for a Coffee, Tuesday, April 24, at 1 p. m. in the Teacher's Lounge of the Avon Elementary School.

All ladies who are interested in becoming members of this very worthy helping-hand group are invited to attend and meet Mrs. Betty Holcomb, Lady Chairman of Highlands County Schools, to discuss the matter. Several ladies of the community have expressed a desire for this training. All who desire, especially mothers of elementary students are cordially invited to attend.

Mrs. Reck Is Coffee Hostess

Mrs. William B. Reck was hostess to the Friday Morning Coffee group, at her home in Pioneer Lakes, on Goffview Drive. About a dozen ladies enjoyed hot coffee with donuts and cookies while they visited.

Savings and Loan dollars make jobs for them all

Billions of dollars annually in financing are provided by Insured Savings and Loan Associations to build new homes. This money pays all kinds of construction workers... makes business for the builders, the building materials dealers, the hardware dealers. It creates jobs in hundreds of factories which manufacture materials such as glass, hardware, appliances... and for those who supply the raw materials. Dollars put into your savings accounts at our Association benefit the entire community.

THE

Condemnation Suit Is Filed

Another of the series State Road Department-Hickman County condemnation suits has been filed in Circuit Court.

Country Club Properties, Inc. is defendant in a suit filed in court by County Attorney R. B. Smith, Jr. The property involved in the suit is in Hickman County.

Girls State Auxiliary Sponsor

The American Legion Auxiliary in Highlands Park No. 69 revealed at their meeting Tuesday night the names of the girls who will represent the Highlands Park State Auxiliary at Girls State in Tallahassee this summer.

Valerie Hays and Anne Hays will represent the school of Cherry Gownall and Janice Walls are the alternates. All are teachers at Aves Park High School.

Mr. and Mrs. Preston Brown, Anne is the daughter of Mr. and Mrs. W. C. Brown, John Brown is the son of Mr. and Mrs. Harold Goss and Janie is the daughter of Mr. and Mrs. C. I. Wells.

In making the announcement, Mrs. Brown, who is president of the committee for the auxiliary, explains that the girls are chosen by the faculty of the school and are judged on the basis of intelligence, character, leadership and courage.

The Legion Auxiliary, which sponsors the girls, is represented by the Business Women's Club of Aves Park with several other delegates to attend.

outside the city are served with water lines, but pay the same rate as those homes within the city. Those homeowners did pay part of the cost of installing the lines. However, the previous uniform rate is \$1.50 monthly for 4,000 gallons.
