15 Teams Named For State Tourney Play

DeLand, Class A Champion Will Be Back

Fifteen of the 16 teams scheduled to play in the Florida State High School Baseball Tournament beginning here June 11 had been named at press time Wednesday.

Lafayette Golden, Executive Secretary of the Florida High School Activities Association told The Sun in a telephone interview that only one team remains to be selected—in the Class A division from the Jacksonville area.

The lineup is sprinkled with teams who played in last year's tournament, the first held here in recent years. The tourney was formerly played in Ft. Pierce.

Making return engagements in the Class AA division will be Sarasota, Pensacola, North Miami, Boone of Orlando and Jefferson of Tampa. Other division teams are Northeast of St. Petersburg, Paxon of Jacksonville and Hialeah.

Robert E. Lee High School of Jacksonville, the defending Class AA champions did not survive group play.

In Class A, defending champion DeLand will be making a bid for a second straight title. Palatka, an early round victim last year, will also return. Other schools in the division: Tate of Gonzales, Mayo, Sebring, Brandon, Forest Hills of West Palm Beach and the unnamed Jacksonville school.

Opening round games will be played Monday and Tuesday, June 11 and 12, with the Class AA and two Class A games each day. Semi-finals will be played Wednesday and the title games played on Thursday. In the event of a play-off between the Class AA and Class A titlists, that game will be played Friday night.

Tournament officials breathed much easier this week, following announcements by the Sebring Blue Streaks over the Plant City Planters, moving the Highlands County team into the tournament. This fact almost assures the success of the tourney and is expected to give the event a big attendance boost.

City and county crews are presently getting Head Field into top condition for the 16-game affair. Included in the improvements is a new section of bleachers, seating 240 fans; a press box on the third base line; new dugouts for both teams and an improved playing field.

Tournament advance tickets are on sale throughout the county and may be purchased at a substantial savings over the price of regular gate admission.

Delinquent Tax Sale Monday

The annual sale of tax certificates for delinquent taxes will be held at the county court house on Monday, May 28. The sale is to be held at noon.

County Tax Collector W. H. Prescott said that approximately 300 items are on the delinquent tax list this year. He said this is an increase of more than 100 more items over the total sold at the 1961 sale.

He added that the total value of this list is lower, however, than those involved in the 1961 sale.

LIONS CLUB MEETING

The Sebring Shrine Club will hold a stag meeting, 6:30 p. m., Monday, May 28, at the Jacaranda Hotel. Refreshments at 6:30, dinner following. All members are urged to attend.

Sebring Blue Streaks In State Play; Dump Plant City 2 Games In Row

Coach Johnny Freeland's Sebring Blue Streaks will represent District 6 at the Florida State Baseball Tournament to be held here in Avon Park at Head Field starting June 11. The Streaks earned a berth in the tournament by defeating Plant City two straight games in the play-off between the two sub-group winners last week.

This will be the first time Sebring has entered a state baseball tournament since 1956 when they won the Class A championship here in Avon Park and lost to Jacksonville in the play-off between the two classes.

The 1962 Blue Streak team has a record of 21 wins and 4 losses this season including tournament games. The four losses came from Avon Park in the Mulberryp in regular season games and two losses from Kathleen in the Ridge Conference tournament. Sebring was runner-up in the Ridge meet.

Lefthanded Richard Gill, a transfer this year from Sarasota's Riverview High School, is Sebring's leading pitcher with a 10-2 record. Sandy Foster, a sophomore right-hander, turned in the second best mound record with 8 wins and 2 losses. Three other Sebring boys assisted with the pitching duties during the year.

Irving Fordham, Streak centerfielder, turned on the power at the plate during the tournaments to forge ahead of teammate, Rodney Walker, and take season batting honors with a season average of .380. Walker ended up with a .375 average for the year.

Coach Freeland has scheduled two games with Orlando Boone, Class AA team also headed for the tourney. They will meet in Orlando this Friday night at 5 p. m. and a return game will be played in Sebring at Fireman's Field Friday, June 1, at 7:30 p. m.

Band Award To Anita Luscomb; Other Members Also Honored

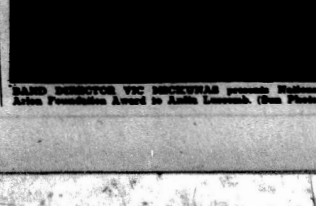

Miss Anita Luscomb was presented the National Arion Foundation Award, in band ceremonies at the assembly program Friday afternoon at APHS. This high award is a plaque, which is placed in the trophy case at the high school with the honor student's name engraved on it, and a medal and pin also engraved with the student's name, which is presented to the winner.

The National Arion Foundation Award is presented to the student on the following ten points: better than average scholastic standing, cooperation over and above normal duties, general musicianship, music performance, attendance, ambition, intelligence, inspiration to others, personal habits, and qualified to carry on best the traditions of the school.

Other Awards

During the assembly program Band Letters were presented to twenty students who have completed two years of excellent record participation in band activities. The following six Seniors were presented medals for their faithful service to the band: Judy Martin, Mary Pearce, Anita Luscomb, Valorie Lyle, Marilyn Graetz, and Chica Durden. Drum Major, Margaret Wendt and Head Majorette, Karen Kirkland, were each presented awards.

The band music was a Drum Battle which seemed to express the feeling of most of the students as they near the end of this school term.

BAND DIRECTOR VIC MCKEWAN presents National Arion Foundation Award to Anita Luscomb. (Sun Photo)

Benefit Fish Fry For Avon Youth

A fish fry, with the proceeds going to the family of Don Gore, has been scheduled for Saturday, June 2, by the Avon Park Firemen's Association. Several local civic organizations are also cooperating in the worthwhile event.

Gorman, 15-years old, suffered a broken neck in March while diving in Lake Verona. He has been confined to Walker Memorial Hospital since that time and has suffered partial paralysis.

Tickets for the fish fry are on sale at the Chamber of Commerce, Hotel Jacaranda and Touchton Drugs.

Here's Tip For Avon Employers

Next week The Sun will run a special Classified Advertising column, open to the Seniors of the Avon Park High School graduating class.

In this column each senior will be allowed to run a classified, stating his or her qualifications and the type of work desired.

The Sun feels this might be a way of helping local employers to fill some vacancies during Summer vacations. The plan would also help a number of students earn enough money to pay tuition to some institution of higher learning this Fall

Baptists Remain Undefeated In Little Loop Play

The First Baptist Little League team extended their win streak to five straight last Tuesday night by handing the Florida Power Employees a 10-17 defeat. The Lions took a 6-3 win from the Rotary for their third win and moved into second place with the victory.

Three home runs highlighted the action at the Little League field Tuesday night. In the opening game, Glenn Sizemore, of the Rotary team slammed a four baser over the fence and in the second game First Baptist shortstop, Rance Rewis, and Florida Power Employee relief pitcher, Billy Richards, both lofted one over the fence.

Gene Landress was the winning Lion pitcher. He allowed five hits to the Rotary batters. Charles Rewis hit a double and Jerry Kendrick, Jimmy Chestnut, and George Copeland added a single each to Sizemore's homer for the losing Rotary nine.

The Lions scored their six runs on only three hits, a double and a single by catcher Chuck Long and a single by Gary Neal. Robert Sizemore was the losing pitcher.

The nightcap was a wild scoring game with a total of 47 runs scored between the First Baptists and the Florida Power Employees. The Baptists got 12 hits off five FPE pitchers. Victor Pollard was the losing pitcher. Rance Rewis got a double and a single along with his homerun, Clark Jackson hit three singles, Ronnie Laye hit a double, Gerald Wicker got a double and single, and Dean Lemler, Billy Jackson, and Quinton Allen hit singles for the winning First Baptists.

The FPE batters got nine hits off winning Baptist hurler, C. Jackson. Billy Richards had a perfect evening at the plate with a homerun, two doubles, and two singles for five hits in five trips at bat. Allan Moore got three singles and Johnny Alwood hit a single.

The Lions swamped the Florida Power Employees 14-1 and the First Baptist remained undefeated by taking a 5-4 win from the Rotary nine last Thursday night when the four teams played their fourth game each.

Chuck Long held the Florida Power Employee batters to two hits—a double by both Allan Moore and Robert Crews—as he pitched the Lions to their second win of the season. Long struck out eight batters and walked five.

The Lions scored their 14 runs on five hits. Larry LaFlam led the Lions with a double and a single. Dennis Hart had two singles, and Gary Neal hit a single. Allan Moore was the losing pitcher. He started on the mound for FPE but was relieved by Steve Walker in the fourth with one man out. The two FPE pitchers walked a total of 16 batters.

The First Baptists pushed over the winning run in the last of the sixth inning when the Rotary shortstop errored on Billy Jackson's grounder and allowed Dean Lemler to cross home plate. Losing hurler, Linwood Hobby, had two outs on the First Baptists when the winning run was scored.

Rance Rewis rapped out two singles for the winning Baptists and Dean Lemler, Billy Jackson, and Ronnie Laye all added a single each for the winners five hits. Glenn Sizemore hit a double and George Copeland, Charles Rewis, and Robert Sizemore contributed singles for the Rotary's four hits off winning hurler Billy Jackson.

Avon Park Seeking Share Of Gas Taxes

Auto Safety Check Slated For Saturday

Major E. A. DeLaney of Avon Park yesterday signed all city documents to take advantage of the Avon Park Jaycees' Auto Safety Check scheduled for Saturday, May 26, from 8 a. m. to 5 p. m. at the street adjacent to the railway station in Avon Park.

Mayor DeLaney commended the Safety Check campaign as one of the Jaycees' most important community project. It is designed to support statewide and nation-wide safety campaigns.

The Jaycees, with the cooperation of the Florida Highway Patrol and city police, will offer a free ten-item safety check. Autos which check out properly on all ten items will be awarded the Jaycees familiar "Circle of Safety" sticker to be placed on the car windshield.

Those which prove defective in any of the ten items may receive a safety check sticker after presenting the JayCees with a mechanics certification that the item has been repaired and is in good working condition.

The ten items to be checked are brakes, front lights and turn signals, rear lights and turn signals, steering, tires, exhaust system, glass, windshield wipers, rear view mirror and horn.

The JayCees' Safety-Check campaign is a nation-wide community project of the United States Junior Chamber of Commerce, a community service organization.

Arraignment Of Privette Delayed In Circuit Court

In Circuit Court last week accused William Houston Privette was granted a delay in arraignment. Privette is accused of shooting his wife to death at the Sebring office of Consolidated Financial Corp. in late March.

At the hearing last week Privette asked that arraignment be delayed until he can obtain counsel. The court ordered that he continue to be held in jail without bail.

Arraignment was also deferred for two weeks in the case of John Henry Bell who is charged with robbery.

Heridon Richardson — alias Richard West, Richie Wesley, John Mitchell Bailey — entered pleas of not guilty to two charges of unlawful possession of firearms.

Bond was set at $2,500 on each count.

In early April Richardson was tried for grand larceny and breaking and entering. When the defense successfully blocked the state's attempts to enter testimony by Richardson's wife, prosecution was discontinued.

The court ordered a withholding support charge continued, and bond on that charge is set at $1,000.

MISS MILLIE PEARSON with emcee JACK WARD

Miss Pearson, Veteran Teacher Is Honored; To Retire After 36 Years

by Leoma Maxwell

Saturday night, May 19, it seemed that all of Avon Park was represented at the surprise party which was held to honor Miss Millie Pearson, who will be retiring after 36 years of teaching in Avon Park High School. Former APHS graduates and teachers and a host of friends filled the high school auditorium for the surprise "This Is Your Life" program planned for Miss Pearson.

Ellis Watson, a member of APHS faculty, planned the affair with the assistance of Mrs. Sadie Brown and Mrs. Patti Hill. More than 500 letters were sent out as various people worked to contact their former classmates and invite them to attend the party. The response was overwhelming as people arrived to participate in what proved to be the biggest surprise party ever held in Avon Park.

During the six weeks the committee was laying the groundwork and passing the word around, there was much misgivings as to just how long it could be kept a secret from Miss Millie, but at school the program was being planned as a homecoming of former students under the direction of the National Honor Society, which Mr. Watson sponsors, and this was accepted by Miss Millie without any thought that it was to be her party.

Mrs. Hill arranged to accompany Miss Pearson to the program at the High School Saturday night, and to arrive just a little late. Lights were turned out and as they stepped into the auditorium the spot light focused on her and a voice from the darkness announced "This is your life, Miss Pearson." She was escorted to the stage as the applause of the audience filled the auditorium and a group of girls led in singing "For She's A Jolly Good Fellow". Miss Pearson managed to keep her stately composure and graciousness even as she brushed aside a tear of joy and excitement and was greeted by the emcee of the program, the Rev. Jack Ward, a former student, who is now a Presbyterian minister at Blackshear, Ga.

Seated in a comfortable rocking chair, she was advised to relax and prepare for some surprises. A voice from behind the screen which Miss Pearson could not recognize, proved to be that of her sister, Addie, (Mrs. T. Frank Jones), of Goldsboro, N. C. who had arrived late Saturday afternoon. Addie revealed many of the childhood characteristics of her younger sister as she was interviewed before the microphone.

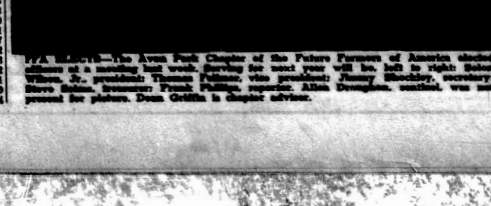

Other members of her family who arrived from behind the screen were her brothers, Vance Pearson of Bailey, N. C. and J. H. Pearson and wife, from Jacksonville; her nephew and wife, Mr. and Mrs. Jim E. Pearson of Orlando and a niece, Mrs. William Dawes of Bailey and another niece, Mrs. A. K. Robertson of Goldsboro, N. C. Informed that this was only a beginning of the surprises in store for her, Miss Pearson listened as The Rev. Ward's quick wit and humor brought many chuckles to the program with his choice bits of school days memories.

Mrs. Brown gave a complete account of the first day this attractive young lady arrived in the middle of December, 1926, to take up her duties in the classroom at APHS. Also present was Mrs. Florence Crews-Stebbins, to recall some of the pleasant memories when Miss Millie came to board in her home along with other teachers, one being Miss Wilma Lear, now Mrs. Freed Peden of Dade City, who was also present to share in the surprise party. Other former teachers who were present were Mrs. Elizabeth Green Williams of Ocala and Miss Eleanor Bryant of Jacksonville. Dr. Stanley N. Reeves a former principal of Avon Park School, and Mrs. Reeves who are retired from teaching and live in Wauchula, Mr. and Mrs. Vaughan Driggers of Wauchula, J. C. Matthews of Ft. Lauderdale; Mrs. Lena Harding Holloway of Orlando, and Mrs. Phoebe Faulkner Humphries, Lakeland.

The Future Teachers Club presented Miss Pearson with her guest book. Mrs. Donald Ford, the former Miss Clarice Skipper, presented her with a white orchid corsage from members of the Junior Woman's Club, which is composed of many of her former students.

With appropriate jesting and

(Continued on page ten)

PTA Installation — The Avon Park Chapter of the Future Farmers of America elected officers at a meeting last week. Serving for next year will be, left to right: Robert Wilson, Jr., president; Thomas Phillips, vice president; Jimmy Blackley, secretary; Steve Bennett, treasurer; Jerry Lee Driggers, reporter. Allen Driggers, standing, was named sentinel for pledges. Dean Griffin is chapter advisor.

ARE YOU A SAFE FAMILY CAR?

Ask yourself, especially

[illegible] school is about to be [illegible] will splash hundreds of [illegible] streets and highways. And, they [illegible] streets and highways at any [illegible] not just at appointed hours [illegible] and afternoon.

[illegible] families are looking forward to va[illegible] it is no [illegible] embarassing to have auto[illegible] trouble [illegible] from home, but unsafe and some[illegible] more [illegible] than if some advance precau[illegible] had been taken before the trip.

[illegible] brings to mind, the JayCees' Safety Check, Saturday on the Mall. At that time, Florida Highway Patrol officers will check your car as to headlights, brakes, window conditions, etc. This safety check is free, as a public service by the JayCees and the FHP. So, Mr. and Mrs. Motorist, take advantage of it.

However, for a more thorough check before taking to the highways, make sure your automobile is in tip top condition. Reason, we want you to return to Avon Park—in safe and sound condition.

County Hospital Architect Cited

Harvey F. Pierce, a member of the firm of Connell, Pierce, Garland and Friedman, Miami, architects and engineers for the Highlands County Hospital was recently elected president of the National Society of Professional Engineers.

The society has a membership of 58,000. Pierce is former vice president of the society's southeastern section and also a national director. He is the first president to be elected to the society from Florida, his native state.

People who fly into a rage always make a bad landing.

Jim Haley Reports

[illegible]

[illegible] Agriculture Depart[illegible] the most office [illegible] federal government. It [illegible] biggest payroll, except [illegible] State and Post Office [illegible] departments. It acquires and [illegible] information by the [illegible] on everything from infant [illegible] African violets and on [illegible] things you would not be [illegible] if you did not see its [illegible] Press. But that now is [illegible] a sideline. It carries on [illegible] immense research programs, [illegible] with more than 600 field [illegible] stations for this purpose alone [illegible] and we, Florida benefit from **some of these programs and are** [illegible] the home of some of these [illegible] stations.

But the department does more than this. It fixes prices, controls acreage, tells farmers what to plant and where and how much. It owns a vast hoard of "surplus" crops and while it is constantly selling them in huge quantities at great loss to the taxpayers, and giving away great volumes of foodstuffs, it is day by day acquiring and storing, also at great loss to the taxpayers, far more than it can get rid of.

Along with its expansion, the department has rapidly increased its power over the nation's economy and over millions of its citizens—and Secretary Freeman even now is asking for more.

We have here an example of the basic fallacy in the economic control philosophy—the idea that the Government can determine human needs better than a free market. The result of this is misuse of power, petty favoritism, outright corruption, wasteful production, and continued low farm prices.

And another result, as the Agriculture Department winds up its first century, the Bills Sol Estes case. I am happy that both the House and the Senate have ordered investigations of this mess.

CAPITOL FLAG Elmo Hood, holding right end of flag, administrative assistant to Congressman James A Haley of the Seventh Congressional District, presented a 50-star flag to Mrs. James Anderson's sixth grade last week. The flag flew over the nation's capitol Hood is shown with the class after the presentation.

Avon Sixth Grade Presented Flag Flown Over United States Capitol

When Elmo Hood, representing Congressman James A. Haley, presented an American flag which had flown over the capitol of the United States to the boys and girls of Mrs. Betty Anderson's sixth grade class on Friday, May 18, it was the realization of a long dream for the class.

The children also learned a number of facts about the American flag from Hood and he gave them several booklets on the care of the flag with a certificate from the architect of the capitol telling about this flag.

At the beginning of the school year, the boys and girls found out from a magazine that flags could be secured that had flown over the capitol. The group decided that they would make money during the year with this in mind and when they had earned enough would purchase such a flag.

During the preceding year Mrs. Anderson's class had started publishing a newspaper, aptly titled "The Avon Park Sun, Jr.", which sold to the other boys and girls for five cents. The present class decided to continue to publish the "Avon Park Sun, Jr." and use the profits to purchase the flag.

So all this year the paper has been published and sold. Last month Mrs. Anderson and the children had what they assumed to be enough money. So they wrote a letter and sent to the Capitol for the flag.

Then to their delight and surprise a letter from the Honorable Mr. Haley arrived returning their check and saying that he would be delighted to present the group with the desired flag. Plans were made, the flag secured and Hood arrived last Friday. It is the loveliest American flag anyone ever had and the class is busily working to get a flag stand that will be worthy of it.

The personal contact with a member of national Congress and his representative was an inspiring and informative experience of the class. It proved very vividly to them that in a government such as the United States everyone was important enough to be considered and encouraged. It was a day to remember for the children and their teacher.

Soil News

By O. S. Polston
U.S. Soil Conservation Service

Ed Jordan won the Area Soil Conservation Public Speaking Contest, May 11, in Sebring. Ed is a senior in the Sebring High School. He won the county contest the week before and now he will compete in the state finals in Jacksonville, August 16. There he will be competing against seven other area finalist for a first prize of $300.00 in cash. He has already won about $60.00 in cash prizes.

Mr. A. C. McAulay of Lake Placid completed construction of an irrigation pit to irrigate 20 acres of citrus grove. The pit was dug 12 feet deep into the ground water table where it will intercept seepage to supply the irrigation water.

The Soil Conservation Service assisted Mr. Bob Oxer of Lake Placid in the design and installation of six erosion control structures in one quarter mile of ditch. He has constructed about three miles of V-type ditches for drainage on 60 acres of clover pasture.

The Soil Conservation Service Engineers assisted J. M. Stiles, Jr., in developing preliminary plans on three miles of ditches to drain 100 acres of organic land for improved pasture south of Sebring.

The Soil Conservation Service watershed construction engineers have completed the development of the Land Rights and Easements maps for the first phase of Upper Josephine-Jackson Creek Watershed. Mr. C. M. Payne and Von Maxcy has indicated that a landowners meeting will be called next week to start acquiring the Easements. The first phase began at Highway 27 and ends at Lake Josephine. This is the third watershed project for construction in the Highlands Soil Conservation District. The Lake Placid East Chain of Lakes was completed in 1957 and Fisheating Creek Marsh Watershed completed in 1960.

The State of Citrus

By John Sikes — Florida Citrus Mutual

LAKELAND After serving up some 4,000 charcoal grilled steaks, with trimmin's, to as many growers, Florida Citrus Mutual's "task force" of field men is nearing the end of the 1962 trail of 13 grove-roots meetings throughout Florida's citrus-producing areas.

Finale of the get-togethers will be held next Monday night (May 28) in Largo. The meetings, beginning last February 13, have been held in Palmetto, Wauchula, Sebring, Ft. Pierce, Cocoa, DeLand, Orlando, Eustis, Lake Wales, Lakeland, Dade City, and Plant City.

Chief purpose of the meetings is to give Mutual members, and prospective members, the opportunity to get together on

Moreover, by the time Carlton and his crew do their job over in Largo next week Mutual is almost certain to reach its goal of 12,000 grower members, their home grounds and talk out their citrus problems and prospects over and around the biggest aggregate cook-out ever cooked up in Florida.

The aforementioned steaks—with the trimmin's including baked potatoes, salad, rolls, pickles, olives, coffee and orange juice—were prepared and served by Mutual's field men, under the direction of Dale Carlton, assisted by staffers from Mutual's Lakeland headquarters. Carlton is head of Mutual's Grower Relations division.

This same cook-out crew, besides doing their cheffing next at Largo, will also feed the 3,000 or so folks expected at Mutual's 14th annual membership meeting in Winter Haven June 19.

Thus, in shortly more than four months Carlton's crew, with the assistance noted plus a few outside helpers to be called in for the big Winter Haven to-do, will have cooked and served from 7,000 to 7,500 steaks.

These field men, who's primary job is to work with Mutual members in all areas of citrus, are Red Phillips, Jim Ellis, Sebert Hall, Roy Morgan, Bob Pearson and Walt Boland.

Everybody on Mutual's staff from Executive Vice President Bob Rutledge on down have helped with the meetings, but Frank Trovillion, executive assistant, has done yeoman service by presenting up-to-the-minute chart talks at each of the gatherings to keep growers informed on everything pertaining to citrus from growing it to selling it.

"These meetings, in real effect, bring their own Mutual organization directly to the growers," Rutledge has capsule described the series.

Avon JayCees Attend Confab

Three delegates from the Avon Park Junior Chamber of Commerce helped make last week's Florida JayCee State Convention in Tampa the biggest in Florida JayCee history, according to Harry Hood, president of the local organization.

Mr and Mrs. Harold C. Worden, Jr., president-elect of the Avon Park JayCees, Mr. and Mrs. Jack W. McAllister and Mr. and Mrs. Norman J. Pinardi, represented the local organization at the state convention. More than 1,400 delegates attended from throughout Florida.

The Avon Park Junior Chamber of Commerce is a young men's community service organization.

Don't Feed The Parking Meters

The Sun would like to remind motorists who are shopping in the downtown area, that the parking meters are no longer in force. You may park through the courtesy of the City of Avon Park.

The council recently ordered that a trial period for parking without the meters be put into effect. This period went into effect Monday.

Signs have been ordered to be erected at the beginning of each block, but have not arrived as yet. So, shoppers, this is your opportunity to shop without paying. Don't park to long however, since a tire chalk marking program is in effect.

Cub Scout Pack 156 To Meet

The monthly meeting of Cub Scout Pack 156 will be held Thursday, May 31, at 7 p.m. in the Avon Elementary Cafetorium. According to Cubmaster, Robert J. Barben, there will be two Webelos Awards presented. The Webelos Badge is the highest award a Cub Scout can earn and is a very high honor.

The annual Pinewood Derby will be held at this meeting. Awards will be given for the faster car in each den, the over-all champion and the best designed car. Parents and friends are invited to attend.

The Little League baseball game which was scheduled for May 31, has been postponed so those boys who play baseball may participate in the Pack meeting.

FORMER TEACHER RETIRES

Sidney D. Padgett, of Cedar Keys, a former teacher at APHS will retire from a teaching career this year. His friends are invited to attend a reception given in his honor in the gym at Cedar Keys, Sunday, May 27, from 3 to 5 p.m.

Baptist GAs Entertain With Covered Dish

Members of the two Junior Girls' Auxiliaries of First Baptist Church entertained with a covered dish supper honoring their parents Friday night at the church social hall. The tables were arranged in the G. A. octagon shape and attractive decorations carrying out the G. A. colors of green, white and gold were used.

Following the supper, Mrs. L. L. Wainwright had charge of the program. Mrs. A. S. Turner, president, brought greetings from the Woman's Missionary Society. A humorous Mother's Day essay was read by Sherry Wainwright and Jim Turnbull gave a reading, "What is A Girl?"

Members of the Dorothy Clark G. A. presented a skit entitled "Something to Shout About" in which the work of G. A. was shown. Members of the Marian Longbottom G. A. put on an original skit "Going Somewhere," in which plans for camp were given. Special music was provided by Melanie McClure and Pattie Goff.

The evening closed with an action story, led by Mrs. Wainwright, in which all present participated. Fifty-two members and their guests were present.

Americana Hotel Opens In Atlanta, Ga.

The fabulous new Atlanta Americana was opened to the public April 20 and offers the very finest accomodations to be found anywhere. Atlanta's first major downtown hotel in 30 years, the Americana with 350 luxurious rooms is one of the foremost points of interest for Atlantans as well as visitors to that city.

Excellent food service is one of the dominant features, with outstanding chefs preparing continental cuisine served in the lavish surroundings of the Golden Palm Restaurant.

There are two cocktail lounges, The Red Velvet Lounge and Room at the Top, which features Atlanta's most beautiful skyline view. Both sparkle like champagne, and are the favorite gathering places for those seeking relaxation and enjoyment after a busy day.

A country club atmosphere has been established right in the center of Atlanta for those seeking their pleasures beside a picturesque swimming pool or just relaxing on the sun deck. Both encourage one to take it easy, forget your cares and live.

The Americana was built to offer maximum convenience in luxury surroundings. Free in-hotel parking for guests assures you that you are never more than a few seconds from your car.

Many of Atlanta's leading stores and modern new buildings are within easy walking distance, making the Americana the most convenient new hotel facility to downtown Atlanta.

Your first step into the lobby of the fabulous Atlanta Americana at Spring and Carnegie Way will take you into a complete new world of elegant hotel living to be enjoyed today, and remembered forever.

Mother Daughter Banquet Held By Florida Avenue Baptist Girls

The Junior Girls' Auxiliary of the Florida Avenue Baptist Church enjoyed a Mother-Daughter banquet Friday night in the church social hall. The decorations and entertainment reflected the theme "Hearts and Flowers." Mrs. J. M. Gilbreath, GA Director, presided. GA leaders, Mrs. Frances Ward, Mrs. Eva Sumner and Mrs. Betty Walton assisted.

Special guests were Mrs. W. D. Fletcher, one of the Reviewing Council and Mrs. Fred Phillips, WMU President. Mrs. Phillips gave an interesting talk at the close of the banquet.

Ladies of the Roxie Jacob Circle and Donna McClelland Circle sponsored the banquet which was enjoyed by 31 people.

To climax the Girls' Auxiliary Focus Week a Presentation Service was held Sunday night at which time 12 Junior girls who had passed the first step of "Maidenhood" of their organization, participated in the service.

The church was beautifully decorated in the GA colors. The theme of the program was "A Story to Tell."

Reception Held At Jacaranda For Miss Pearson

About three hundred guests registered at the reception held in the Jacaranda Hotel Saturday night following the "This Is Your Life" program which was held for Miss Pearson at the high school auditorium. Miss Pearson has resided at the hotel for a number of years.

In the receiving line with the honoree were the members of her family who were here for the surprise party, Vance Pearson, Mr. and Mrs. Jim Pearson, Mr. and Mrs. Tom Pearson, Mrs. William Dawes, Edith J. Robertson, Mrs. T. Frank Jones and Jim and Cleo Pearson. Mrs. T. H. Maxwell greeted the guests upon arrival.

Hosting the affair were the faculty members of the high school, their husbands and wives, Mr. and Mrs. R. M. Coats, Mr. and Mrs. Ellis Watson, and a host of friends who arranged the details for the affair. The entire hotel lobby and Palm Room were decorated for the occasion with a profusion of beautiful magnolia blossoms and yellow and white chrysanthemums.

Mrs. A. B. Wilhite and Mrs. George A. Kelsey presided at the punch bowls. The refreshment table was centered with crystal candlesticks holding yellow tapers. Dainty foliage entwined the centerpiece and circled the punch bowls with magnolia blossoms interspersed. Nuts, mints and decorated cake squares were served with the punch.

Members of the National Honor Society assisted with the hospitalities.

At the close of the evening Miss Pearson opened her numerous gifts and again expressed her deep appreciation for the honors bestowed upon her.

BODIES HOLD ANNIVERSARY

The Yorkrite Bodies of Highlands Chapter and the Holy Rood Commandry will hold their anniversary meeting at the Jacaranda Hotel Saturday night, May 26, with a dinner at 7 p.m. A number of the Grand Officers of the State of Florida are expected to attend.

Veterans Urged To Make Check Of Insurance

More than 3 million veterans should give careful study to their GI insurance, according to Rufus H. Wilson, Manager of St. Petersburg Veterans Administration Regional Office.

The veterans are urged to play a vital part in helping to keep up to date the more than 5 million GI insurance policies in force.

Many veterans have changed their names, addresses and beneficiaries since they first took out their insurance. Wilson pointed out. If the [illegible]

State Anglers Enjoying Best Fishing Now

TALLAHASSEE. Florida fishermen are now in the midst of the finest fresh water fishing seasons in the past two years, the Game and Fresh Water Fish Commission reported today.

Water conditions in South Florida are now near normal in almost all lakes and canals and fishing is good to excellent for both largemouth black bass and other species of panfish. Two forest fires have went dry several years ago, Talquin and Jackson, are now water reservoirs and are virtually new lakes with a fresh population of gamefish producing excellent fishing.

In Central and South Florida, water conditions range from a normal low to near critical low in some areas with the result that some gamefish populations have congregated in confined areas, to the fisherman's benefit.

For state-wide fishing, result is that Florida fishermen have been and are now taking more largemouth black bass in larger sizes than in many years. Fishing for bream, crappie and other species of panfish has also been good to excellent, the Commission stated.

Forest Service Planning For Reforestation

TALLAHASSEE, May 17 — Large areas that once grew valuable pine trees are being taken over by scrub oak. This is a result of clear cutting and repeated fires. Florida has 4 million acres already dominated by scrub hardwoods. These must be removed for successful reforestation.

Foresters call it "timber improvement" when low value trees are killed to liberate high value species like pine. Others call it "deadening," "ringing," or "girdling." Early summer is the ideal time to kill hardwoods. Using poison is best since it reduces resprouting. This saves you the cost of a second treatment. Sometimes controlled burning can further reduce costs.

A favorite poison contains a mixture of 2-4-D and 2-4-5-T chemicals. It is dissolved in diesel oil and applied in axe grills around the base of the tree. Or you can use an "injector," which looks something like a king size hypodermic needle. It is jabbed into the tree and automatically releases a dose of poison. Pressure sprayers are used to treat brush or small trees. The poison is really a growth hormone that makes the tree literally grow itself to death. Costs range from $5 to $15 per acre.

For deep sand areas, hand methods are not the answer. Here moisture is so critical that when it rains, a thirsty tree only gets a sip of water before it drains on down out of reach. Old timers say this land is so poor a crow has to carry a lunch to get across it! But it will grow pine providing all root competition including grass is eliminated. Here the tree farmer must call for help from heavy equipment operators.

Forest Experiment Stations recommend chopping twice with heavy brush cutters. These are large steel drums with cutting blades. They chop, mulch under, and pulverize small oaks, and sprout grass. Oaks over 6 inches in diameter are left standing and poisoned by hand. The clearing schedule calls for burning in early May, followed by one chop in June and another in August. Costs range from $16 to $20 per acre. Planting pine by hand or machine is done the following winter.

Wholesale eradication of scrub oak is not recommended. Some den trees, food and cover areas should be reserved for birds and animals. Wildlife is also an important forest crop.

A good tree farming plan calls for getting rid of low value trees for the same reason you clean out a garden—it doesn't pay to grow weeds!

Senior Class Lunch Honorees

The Senior Class of Avon Park High School was honored by the lunchroom workers at a luncheon Thursday. Lunchroom manager, Mrs. Merle Still, and her staff invited the Seniors to sit together during their lunch period on Thursday. The long table was covered with a white cloth decorated with red flowers.

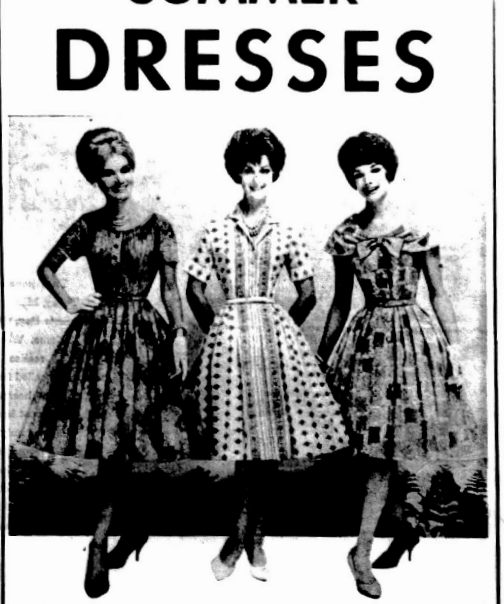

Places were marked with tiny diplomas tied with red ribbons and a large cake in the shape of a mortarboard was cut and served for dessert.

Yes, it's true, Gertrude. Laws don't make folks good, but they eventually take away most of the bad ones.

Jerry Carter Says:
Thanks Folks!
I want to thank all the good citizens of Florida, especially the ladies and their organizations, as well as the men and theirs, and also the members of the Junior Chamber of Commerce and Young Democrats for the magnificent support they gave me in the first primary, and solicit their activity and vote in my behalf in the coming run-off primary.
In the first primary Jerry Carter LEAD in 60 of 67 Counties!
40 Counties each gave Jerry Carter MORE VOTES than all other opponents combined!
20 Counties each placed Jerry Carter FIRST with a big majority in each of these Counties.
JERRY CARTER has saved the Florida Residents nearly . . . $200,000,000. ON ELECTRICITY, GAS and PHONE BILLS.
A PROVEN RECORD NOT PROMISES
TALLAHASSEE AREA — Jerry Carter was directly responsible for refunds to the customers of Southeastern Telephone Company in North Central and Northwest Florida of nearly $1 million.
SOUTH FLORIDA — Four (4) separate rate reductions on Florida Power and Light Co., were ordered by the commission in 1957 reducing electric light rates $4,725,000 annually. Another $200,000 in '60, another 6½ million in 1960 and another for $2 million. Total nearly $15 million in this area alone.
PENSACOLA — The Commission ordered rate reductions of $257,981 annually — went into effect January 1960. (Gulf Power Co.)
JACKSONVILLE — Refunds to gas amounted to $105,727 (Jacksonville Gas Co.)
TAMPA — Commissioner Carter brought before the commission the phone company and Madison, Ind. a public hearing on rates and an investigation and inefficient service. Charges were cut ONE HALF! This action spurred other phone companies in the state to install more modern, efficient service and reduce the rates. Result — Through the cooperation of your Commissioner Jerry Carter and the Commission.
ALL FLORIDA — Reduced rates for natural gas have gone into effect all over the state by order of the Commission. Jerry Carter's first act was to urge investigation and it resulted in the first statewide 10 percent reduction in natural gas charges and abolished a 50c per month charge for dial and hand phones.

How To Keep Your Green Thumb Green

by an iron deficiency in the...

...lack of available iron in the soil is the most common cause for ... leaf yellowing from ... a shortage of element which ... plants manufacture vital ... Without it, ... breathing, ... lack ... plants ... yellow.

Chlorosis is common to many kinds of plants including azalea, rhododendron, laurel, magnolia, roses, gladiolus, petunias, geraniums, delphiniums, chrysanthemums, peonies and other garden flowers, pin oaks, maples, Russian olive, spruce, apple, peach, pear, strawberries, some vegetables such as beans, and also lawns.

Many soils in our county are an unusually poor source of iron even though soil tests may actually read high in this trace element! Only in recent times did soil scientists discover the reason for this. They found that iron may be locked within soil particles so that plants cannot break the iron loose.

Garden experts, therefore, recommend a spring or summer application of Sequestrene Iron Chelate, available wherever garden supplies are sold. The iron in this chelate is surrounded by an invisible shield which prevents this vital trace element from becoming bound in the soil. Plants, therefore, can easily absorb all the iron chelate they need to build lush, dark green leaves, healthy plants and an abundance of flowers or fruit.

Application is easy, since this chelate can be spread evenly under the plant and then watered in. Another way is to mix it with water and sprinkle the solution over the soil around the base of the plant. Or, chelate can be mixed right with the soil at planting time, or during the growing season.

Whichever system is used to apply chelate in your garden, you will find that your plants will respond quickly. Iron chelate is good "insurance" that your green thumb remains green.

HOLD FINAL MEETING

Brownie Troop No. 207 enjoyed a picnic and spend the day party at Highlands Hammock, Saturday, May 19. They met at the Scout Hall with their parents who assisted Mrs. Josephine Renfro, the leader, with transporting them to the Hammock. The mothers prepared the lunch for the 38 attending. This was the final meeting of the school year for Troop 207.

Woman's Club Workshop June 4

District 9 Woman's Club members will hold a workshop in Avon Park, Monday, June 4. Both clubs of Avon Park are making plans for the affair and reservations should be made to Mrs. George Adams by June 1, for the luncheon at noon. The affair will be held at Lake Byrd Lodge, beginning with a coffee hour at 9:30.

Mrs. Theon S. McDonald of Sebring, new District Director will be conducting the workshop.

KELLERS AT HOME

Mrs. Bob Keller and children, Robert, Jr. and Gordon of Jacksonville, spent the past week with Mrs. H. E. Keller at Holly Shores. Mr. Keller joined the family here for the weekend with his mother and also to be among the APH alumni attending the reunion on Saturday night. Other guests at the Keller home for the weekend were Mrs. James Sottile and Mrs. George Waller of Coral Gables.

Graduating Class of 1952 Holds Reunion At Jacaranda May 19

Graduates of the class of 1952 from Avon Park High School, and their husbands and wives enjoyed their first class reunion Saturday, May 19.

A buffet dinner at the Jacaranda Hotel was arranged by the class president, Jack H. Ward, who is now a Presbyterian minister in Blackshear, Ga. Jack read communications from the class members who were unable to attend, and those who were present each gave a short resume of their life since their graduation.

Miss Millie Pearson was the guest of honor. She will be retiring from teaching at the end of this school year. The entire class attended her surprise "This Is Your Life" program at the high school auditorium, following the dinner at the Jacaranda.

Mr. and Mrs. J. C. Matthews of Ft. Lauderdale and Mr. and Mrs. A. B. Wilhite were also guests at the class reunion dinner.

Class members and guests who attended were Mrs. Wayne Curry of Orlando, the former Miss Patricia Ann Denmark; Mrs. Caryl Hill Ryan, Bloomington, Ill.; Mr. and Mrs. J. Paxton Hill, Jr., Cape Canaveral; Mr. and Mrs. Bruce Spencer, Lakeland; Mr. and Mrs. Thomas H. Maxwell, Jr., Miami; Mr. and Mrs. John Hendricks, Sarasota, she is the former Miss Rosella Pearson; Mr. and Mrs. Richard Reltz, St. Petersburg; Edward H. Willis, St. Petersburg; Edgar Faber, Winter Haven; John La-Flamm, Ft. Lauderdale.

Mr. and Mrs. Robert Merrill, she is the former Miss Mary Ann Pollard, Mr. and Mrs. L. R. Butler, she is the former Miss Idella Pearson, and Mrs. Alfred Brock, the former Miss Nelle Harrison, all from Sebring; and from Avon Park were Mr. and Mrs. Robert Whitcomb, Miss Eloise Harrison, Mrs. M J. Peterson, Mrs. LaRay Newsome Todd, Mr. and Mrs. Rene Davis, Mr. and Mrs. Franklin Welch, Jr., Dr. and Mrs. Gene Cruse and Mr. and Mrs. Billy Murphy.

Dan Norris, whose submarine docked at Port Everglades Saturday morning, was able to arrive just in time for the dinner.

Ward To Head High School PTA Next Year

Franklyn Ward will head the Avon Park High School PTA for the ensuing year. Other officers elected to serve with him will be Mrs. Walter Marsh, Mrs. N. H. Booth, Mrs. J. R. Duggan, Mrs. L. L. Wainwright, Mrs. R. M. Gay, and Mrs. Mary Ellen Ward, at the meeting of the PTA, Thursday night.

R. M. Gay, retiring president, presented Ward with the president's pin, and he also presented a past president's pin to Mrs. Lena Suggs, who served the association as president last year.

The program consisted of a panel of teachers who discussed the recent FEA convention held in Miami, which they attended as delegates from APHS. A. B. Wilhite, Lee R. Maness, Mrs. Chloe Lookhoff and Mrs. Lena Suggs reported on some of the various subjects that were discussed at the convention, including the twelve months school term, the teaching of Americanism vs. Communism to seniors, Federal aid to schools without Federal control, and citizenship responsibility as it should be accepted by the teaching profession.

Fire Instruction School Underway

A five-day 15-hour fire instruction school is underway at the Avon Park Fire Department. Forrest Howard, an instructor from the Florida State Fire College at Ocala is teaching the class.

Attendance has been good according to Chief Wilbur Giddens, who reported that 21 men including volunteers were on hand for the Monday and Tuesday classes.

The class will try their hand at the real thing Friday night when they put what they have learned to use. They will attempt to extinguish a blaze set on purpose.

Howard is the former Fire Chief at Sebring. He retired from that capacity last year and has since been on the staff at the Ocala Fire College.

Circle Meets At Ivey Home

The Janice Harvey Circle of First Baptist WMU enjoyed a covered dish supper at the home of Mrs. James Ivey, Wednesday, May 16. Each member brought a guest who might become a prospective member, and the president of the WMU, Mrs. Art Turner, was a special guest.

Mrs. Margaret Turnbull was hostess for the evening. The program was an interesting buzz session, discussing three questions.

Avon Anglers Enter Tourney

Mr. and Mrs. Lowell Trueman, Jr., of 130 N. Verona and Charles A. Laycock, 601 S. Verona, are among the anglers who have registered for the Second Annual Everglades True Temper Tarpon and Snook Tournament in Everglades.

The tournament runs through July 2 and is jointly sponsored by the Everglades Chamber of Commerce and the True Temper Corporation, a major fishing gear manufacturer.

A variety of tarpon prizes, plaques and citations will be awarded winners of the tournament.

The Uniform Crime Reports show arrests for liquor law violations, drunken driving and drunkenness, accounted for 42.4 per cent of the total arrests of minors and young adults up to age 24 during 1960, according to the Florida Alcoholic Rehabilitation Program.

KAY WHITCOMB SCHOOL GRADUATES in special ceremonies held Tuesday night at the Avon Elementary Cafetorium. Front row, left to right: Mike Stroud, Robert Crawford, Gregory Prisoc, Tommy Wester, Tim Elder, Jim Ward, Vic McKunas, Dennis Crews. Jim Turnbull, Kyle Hassfurder, Mark Anderson, Hal Worden and Gene Albritton. Back row, left to right: Brenda Kay Kruse, Gay McAfee, Laurie Rehrer, Arneli Roberts, Brenda Marshall, Margie Limcango, Cathy Roberts, Gini Beth Henderson, Linda Hill, Rita Rich, Conna Ford, Lisa Hulon, Debbie Cruse and Ann McDaniel. Ushers for the occasion were 1949-50 graduates of the Kay Whitcomb School who are graduating seniors this year from APHS, Jack Seima, Nancy Coleman, Marilyn Graetz and Judy Martin. The kindergarten will make a special train trip to Lake Wales Wednesday where they will enjoy a picnic at the playground

Births

Mr and Mrs W. E. McCullough are announcing the arrival of a grandson, born to Mr. and Mrs. Dalton McCullough of Ft. Myers, Monday, May 21, weighing pounds. The young man was named Gregory Vaughn McCullough.

WALKER MEMORIAL

Mr. and Mrs. G. E. Bush of Lake Placid, a son, Gene Raymond, born May 16, weighed 7 pounds, 13 ounces.

Mr and Mrs. Newman Ely Westbrook, of Frostproof, a son, Buckner Ely, born May 15, weighed 6 pounds, 12½ ounces.

Mr and Mrs. Roy Jesse Johnston of Wauchula, a son, Robin Lee born May 18, weighed 5 pounds, 13 ounces.

Mr. and Mrs. Julian Hugh Moore, a son, Julian Eugene, born May 20, weighed 10 pounds, 6 ounces.

Mr. and Mrs. Eddie Layton, Sebring, a son, Michael Lee, born May 20, weighed pounds, 3 ounces.

Mr. and Mrs. Charles A. Albert Howze, a son, Donald Gene, born May 21, weighed 6 pounds 14 ounces.

Jr. Garden Club Visits Hammock

The Junior Garden Club enjoyed a Field Trip to Highlands Hammock State Park on Thursday, May 17 with 40 interested children from the 4th, 5th and 6th grades making the educational tour of the park under the guidance of Miss Carol Beck, botanist of the State Park.

Transportation was furnished by Mrs. Bob Barben, Mrs. H. E. Barker, Mrs. H. H. Ford, Mrs. Fred Jahna, Mr. and Mrs. George Walter and Mrs. Don Williams.

Mrs. C. Brooks Henderson and Mrs. Fred Fenn arranged the trip with the cooperation of the club for the school year.

CERTIFICATE

STATE OF FLORIDA
COUNTY OF HIGHLANDS

I, Earl Rich, Clerk of the Board of County Commissioners for Highlands County, Florida, do hereby certify that the above and foregoing is a true and correct copy of a Resolution adopted by the Board of County Commissioners for Highlands County at a regular session held at the Courthouse in Sebring, Florida, on the 22nd day of May, 1962, at which a quorum was present and that the same has been duly incorporated into the minutes of said meeting.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 22nd day of May, 1962, at Sebring, Florida.
(SEAL)

EARL RICH, Clerk
Board of County Commissioners
Highlands County,
Sebring, Florida.

Pub: May 24, 1962.

E. O. Douglas High Wins State Negro Baseball Championship

A half-dozen Avon Park boys had a lion's share in boosting E. O. Douglas High School to a state championship in baseball Clinton Austin of Avon Park gave up five hits in pitching the championship game Saturday.

Harold McRae of Avon Park drove in two runs to break up a tie and win the final game 9-7. The husky shortstop socked out a triple with two men on. He was the leading hitter throughout the season.

The play-offs for the Class B championship were held at Daytona Beach on Friday and Saturday.

Coach William Blanding said that four Avon Park players—McRae, Henry Adams, first baseman; Al Joseph Hinson, third baseman and Woodrow Wells, outfielder and catcher—hit "around 300 or better.

Another Avon Park boy, Louis Cooper, was catcher for the final game.

Local Baseball Team Swamps Lake Placid Nine

Avon Park's town team continued its winning ways last week with an 18-0 shut-out over a Lake Placid municipal nine here at Head Field last Thursday night.

Glenn (Lefty) Bass hurled a one hitter for Avon Park. Bass struck out seven of the 20 batters he faced in the five inning game and walked only three. Wayne Oliver, relief pitcher, rapped out a double in the fourth for Lake Placid's only hit of the evening.

Avon Park's batters got 11 hits off the Oliver brothers who shared the hurling duties for Lake Placid. Lamon Money led Avon Park at bat with three hits in four trips to the plate. Jim Pearce and Harry Simmons both got two singles each while John Starling slammed out a double for the winners. Tom Jenkins, Leroy Starling and Glenn Bass joined in the hitting with a single each to aid the winners at the plate.

The win gave Avon Park a record of two wins against one loss and Manager Sam Elder is hoping to schedule some strong west coast teams for next week. Lake Placid 000 00—0 1 6
Avon Park 592 2x—18 11 1
S. Oliver, W. Oliver (2) and Smith. Bass, Simmons (4) and L. Starling.

Coach Blanding is hopeful about the 1963 season. Only two of his 12 players will graduate this year; two are sophomores. The other eight players are juniors. All six of the Avon Park players will be back for at least one more season.

TICKETS FOR BAND DINNER ON SALE

Tickets for the Avon Band Association chicken supper at 6:30 Saturday night will be available at the Avon Park Recreation Association for those who may wish to attend and have not yet purchased tickets from band members.

Band members, Director Vic MicKunas and members of the association will appreciate the support of area residents in this final fund-raising project for the current school year.

County Cattle Men Hold Tour

The Highlands County Cattlemen's Association will hold their annual Spring Round-up on Saturday, May 26. The day will begin at 3:30 at the entrance to Tropical Farms, near Brighton. From their the group will be the guest of J. C. and Ralph Durrance with a tour of their ranch operations.

Following the tour a barbeque steak dinner will be served after which a dance will be held at the American Legion Hall in Lake Placid.

MRS. JOHN P. ARNOLD

Avon Auxiliary Member Running For State Office

Mrs. John P. Arnold, who resides in Sebring, but is a member of the Avon Park Highlands Unit No. 69, American Legion Auxiliary, has been nominated for president of the Department of Florida.

A member of the Legion Auxiliary since 1935, Mrs. Arnold has been an active worker in the group for the last 23 years. Besides holding the office of president of local units many times, Mrs. Arnold has been instrumental in organizing 14 new units.

Mrs. Arnold is annual in attendance at all district, area and department conventions and has held many posts on all levels of the Auxiliary program.

The name of Mrs. Arnold was placed in candidacy on the approval of the Avon Park Unit, Mrs. Dorothy Sasser, president and Mrs. Ruby Heim, secretary.

Pate Adjudged Not Guilty In Fruit Theft Case

After once declaring itself deadlocked, a jury found George Grady Pate not guilty of grand larceny.

Pate, a former Avon Park resident, had been accused of participating in a fruit theft ring while he was superintendent of Sebring Packing Co., Sebring.

Pate was first tried in Circuit Court in Sebring in December, and at that time the jury was unable to agree.

In the trial held last week the jury returned to the court room once to declare that it was unable to reach a verdict. Presiding Judge J. H. Willson urged the men to "try again", and at 5:30 p. m. Thursday the jury returned its verdict.

Alonzo S. Greenway of Avon Park was the jury foreman, and other members of the jury were Jerry Childress of Avon Park, James Buford Chesnut and H. N. Bodenham of Lake Placid, Earl L. Smith and William Peters of Sebring.

Pate was represented by Lake Placid attorney Hayward H. Davis. State Attorney Glen Darty and Assistant State Attorney J. O. Macbeth presented the prosecution case.

On Friday, May 18, a jury found Bob Allen not guilty of burglary and breaking and entering with intent to commit a misdemeanor.

Allen was defended by Sebring Attorney Richard Hyatt.

Members of the jury were John D. Gettleson, Benjamin Holmes Foster, Thomas L. Ellis all of Sebring, Charles R. Moore of Avon Park and C. M. Goff of Lake Placid. Ellis was foreman.

Little League Sked Changed

Avon Park Little League President, Archie Jordon, has announced four changes in the Little League schedule. The games originally scheduled for May 3 will be played Friday, June 1. The game scheduled for June 3 has been changed to June 4 because of graduation exercises at Avon Park High School.

The two games scheduled for the week of the Florida State High School Baseball Tournament have been changed as follows. The June 12 games will be played Saturday, June 9, and the June 14 games will be played June 16, also Saturday.

Here And There—

Dade City Couple Visit Relatives Here Sunday

Mr. and Mrs. Chester Goetz of Dade City visited their relatives, Mr. and Mrs. Jerome Shiltz on Sunday.

Miss Nellie Wellemeyer is spending a few days in Dunedin with relatives.

Mr. and Mrs. J. C. Rutherford have returned home to Phoenix, Arizona after an extended visit with his brothers and their families, Mr. and Mrs. R. J. and Mr. and Mrs. H. J. Rutherford.

Mrs. S. A. Halloway of Orlando, who was the former Miss Lena Harding, a school teacher here, was the weekend guest of Mrs. Lucy Derkman.

Rev. and Mrs. Herbert Wiggins of Wyandott, Mich. were overnight guests with Mr. and Mrs. Jerome Shiltz, Monday.

Mr. and Mrs. M. C. (Tad) Whitehurst and children, John, Carol and Barbara of Valdosta, Ga. are visiting her mother, Mrs. W. B. Hilton. They plan to go to Clearwater for a visit before returning home this week.

B. W. Ivey of Ideal, Georgia was a weekend guest with his brother, James Ivey and family, at their Lakeside Heights residence.

PLAY PACKERS

The Avon Park Municipal baseball team will play the Frostproof Packers in Frostproof Thursday night, May 24 at 8 p.m. for their fourth game of the season. Manager Sam Elder announced that the team will not play any more home games until after the State High School Baseball Tournament because of repairs being made on the field at Head Field.

Buy Tournament Tickets, Save $$

Guy Garrett ticket sale chairman for the State High School Baseball Tournament, scheduled to get underway June 11, announced this week that season tickets were on sale in Avon Park and Sebring.

Garrett emphasized that an advance ticket was by far the most economical way to see the tournament, saving the purchaser about $4 over the price of regular daily admission.

The ducats are on sale in Avon Park at: Avon Citrus Bank, Leon's Sporting Goods, Albritton's Barber Shop, and Simmons's Gulf Station.

In Sebring: Ralph and Ken's Barber Shop in Southgate Shopping Center, Roby's Barber Shop and Estes's Restaurant.

Dr. H. W. Coleman, general chairman of the tournament announced that Keaton Hill representative of the Avon Park Lions Club, on the ticket taking [illegible] rather than Jack Duggan. Duggan heads up the ticket collection committee.

ROTARIANS HOST LIONS

The Avon Park Rotary Club was host to the Lions Club at a dinner meeting in the Jacaranda Hotel, Wednesday noon.

Miss Millie Pearson Honored—

[illegible]

M[illegible] Lillian Depp of Sebring [illegible] a gift on behalf of the Highlands County Classroom Teachers Association, the FEA, [illegible] and the National [illegible] Association.

Mrs. Hubert Bussard, from the [illegible] Sunday School Class [illegible] Mrs. T. [illegible] Martin, the [illegible] and Mrs. Russell Boaz, [illegible] of the minister of The [illegible] Methodist Church, all ap[illegible] gifts and pay [illegible] to Miss Pearson [illegible] faithful service and [illegible] throughout [illegible] the years [illegible] a member of the [illegible].

M[illegible] represented [illegible] Woman's Club to [illegible] the only mem[illegible] club, which claims [illegible] having had Miss [illegible] office in [illegible] during [illegible] she has been a [illegible].

M[illegible] appeared in behalf [illegible] Sans Souci Bridge Club of [illegible] Miss Pearson was a [illegible] member.

Miss Anna Belle Worden, Executive Director of the [illegible] of Commerce, offered [illegible] from the Avon [illegible] Chamber Board of Direc[tors] [illegible] Miss Pearson.

Mrs. E. A. DeLaney also [illegible] a resolution that had been [illegible] by the City Council, [illegible] tribute to such a fine [illegible].

[illegible] M. Coats, of the Jacaranda Hotel, where Miss Pearson has lived for many years, invited her to return to the Jacaranda as a guest when she has retired, and to enjoy the same privileges that have been extended her as a teacher.

This part of the program was closed with words of appreciation from Miss Pearson. She stated that her future plans were to live at her home in Bailey, N. C. and enjoy her family, and also to travel some and to return to Avon Park for a winter vacation each year.

Mr. Watson invited the entire audience to attend the reception at the Jacaranda Hotel.

After graduation at the Woman's College of Greensboro, N. C., Miss Pearson continued her education at various times over the years by attending the University of California, Columbia University, Atlantic Christian College at Wilson, N. C. and she also traveled for credit by making a supervised trip into Canada.

According to all who have known Miss Pearson, Avon Park is a better place for having had her over the past 36 years.

Out Of Town Guests

Some of the out of town guests included Mr. and Mrs. Ivor Farnell of Tampa. He was a graduate of the class of '27. Mr. and Mrs. Marion Foster of Bradenton; Mrs. Ella Ralls, Arcadia; Mrs. Winnie Demorest Whitehurst, Valdosta, Ga.; Mr. and Mrs. Frank Wadell, Tampa; Mr. and Mrs. R. D. Stodden, Orlando; Mr. and Mrs. James W. Spencer, Altamonte Springs; Mrs. Janie M. Turk, Kissimmee; Mr. and Mrs. R. T. Keller; Mr. and Mrs. Weyman Carver; Mr. and Mrs. J. C. Matthews, Virgil and Bebi Martin of Savannah, Ga.; Mr. and Mrs. Richard Beltz, St. Petersburg; Mrs. J. M. Lee of Tallahassee, and the Rev. and Mrs. Jack H. Ward of Blackshear, Ga.

WMU Circle At First Baptist

The Victoria Brassington Circle of the WMU of First Baptist Church met at the home of Mrs. L. D. McGibboney, Tuesday, May 22.

Mrs. L. W. Wicker was in charge of the program with Mrs. Hugh Cloud, Mrs. R. W. Lawhon, Mrs. C. R. Wingfield, Mrs. Harold Guerndt and Mrs. McGibboney taking parts.

At the close of the business and program the hostess served a delightful refreshment course.

E. RAY WELLS, President of Wells Motor Co., proudly displays the new Imperial. The firm assumed the dealership this week.

Imperial Added To Automotive Dealerships Of Wells Motor Co.

E. Ray Wells, president of Wells Motor Company, announced this week the addition of Imperial to his automotive dealerships which include Dodge and Chrysler.

The new Imperial dealership is the only one in Highlands County and will bring to the local buying public what Wells terms as the "most carefully built car in America".

Three series are featured by Imperial—Custom, Crown and LeBaron.

Wells said the increasing demand for the precision made Imperial prompted his decision to add the line of automobiles. He noted that 1962 Imperial sales are currently running 60 per cent ahead of the same period a year ago.

Some features of the Imperial:

Styling — Imperial resist change, just for the sake of change. When the new Imperial is introduced, last year's model doesn't suddenly become obsolete. For example, the '62 Imperial has a moderately redesigned grill and lower rear quarter panels, while the roof and hood lines, wheel openings and other styling features remain unchanged.

Finish and trim—Imperial goes through seven dips and six spray operations before it's final twin coats of enamel are applied, all of which aid in inhibiting rust and corrosion. Imperial's color enamels are of the hardest finishes and will retain their luster for many years with an occasional clear water rinsing.

Body—The entire front section of an Imperial is fabricated into a single unit to make it sturdy, silent and impact-resistant. Heavy gauge sheet metal is also utilized for maximum rigidity and strength.

Interiors—Premium top grain material is used throughout the interior of an Imperial, from the covered floors, to the seats and luggage compartments. Leathers from carefully chosen hides, tanned under rigid quality standards and finished by hand are used on Imperial upholstery.

Engine — Imperial officials say "It's the most powerful fine car engine in the world". There is 340-horsepower, tuned to whisper quietness and velvet smoothness. Each engine is thoroughly tested before delivery to a dealer showroom.

Carburetion — The Imperial four-barrel carburetor has a special two-stage "step-up" jet which achieves remarkably precise metering of fuel vapor at cruising speeds. The needle valve is rubber-tipped so that the valve will seat firmly even though microscopic flecks of foreign matter might lodge in the valve seat.

Brakes—Imperial brakes are the largest in the fine-car field—351 square inches of effective lining area. They are the only brakes in the field with bonded linings, with no rivet holes to gather dirt or rivets to score drums. The shoes are designed to be flexible, so they will conform to the changing contour of the drums during braking. The shoes are self-leveling and always contact the drum flatly. Two brake cylinders in each front wheel assure predictable braking action, eliminating sudden "grab".

A complete line of accessories are also available for the Imperial including air conditioning, heater, auto-pilot and six-way power seats.

Avon Negro In Jail; Accused In Man's Death

An Avon Park woman is being held in county jail on a murder charge.

Mary Lou McKiver, alias Mary Lou Vail, is accused of having shot to death her commonlaw husband, Cornelius Vail.

The Negro woman waived preliminary hearing in County Court and was ordered held without bond.

The shooting occurred in the Avon Park Negro quarters shortly after midnight Friday night, according to Sheriff Broward Coker. Avon Park City police arrested the accused woman shortly after the shooting.

Vail, also Negro, was dead on arrival at Walker Memorial Hospital.

Sheriff Coker said Vail had been shot with a .22 caliber pistol.

Merit Board Is Seeking Homes For Children

The Board of Visitors of the Highlands County Juvenile Merit Board this week launched an active campaign to find suitable homes as temporary residents for dependent children.

At a recent Merit Board meeting Juvenile Judge Mervin Rehrer said that "location of suitable homes is a really urgent need". Avon Park Mayor E. A. DeLaney has been named chairman of the committee to launch plans for a juvenile receiving home.

After a Visitors Board meeting Monday Juvenile Counselor Robert Lindsay said, "Until a receiving home is established in Highlands County, the Juvenile Court depends upon understanding residents offering to house children being detained for anywhere from one day to two weeks.

"Not all of these children are delinquents. As a matter of fact, most of these children are being taken from their own home only temporarily and because of conditions other than delinquency."

Board of Visitors Chairman the Rev. Tom W. Jones said that families "with a spiritual background are the most suitable ones" to provide temporary care.

Court officials indicated that both Negro and white homes are needed.

The board said inquiries may be directed to Mrs. Ted Ward of Avon Park, Marshall Pollard of Lake Placid, the Rev. Jones and John Hays in Sebring.

Students' Cars In Minor Mishap

An Avon Park High School student was charged with failure to have his vehicle under control in a minor auto mishap Monday afternoon on South Verona.

Leroy Benton was charged after his vehicle struck the rear of a car driven by Chica Durden, also an APHS student. Miss Durden and a student companion, Nancy Cooper, were X-rayed following the accident. Benton and his companion, Tom Bengtson were not injured.

BABE RUTH GAMES

The two Avon Park entries in the Highlands County Babe Ruth League will swing into action next Monday night, May 29, at Head Field meeting each other for their first game. The Avon Citrus Bankers, coached by Tom Jenkins, will be playing the APCI Employees who are coached by Pat Casey.

PUBLIC ANNOUNCEMENT

from E. RAY WELLS, President — Wells Motor Co.

We are pleased to report that we are now officially appointed as sales and service representatives of America's most carefully built car . . . Imperial.

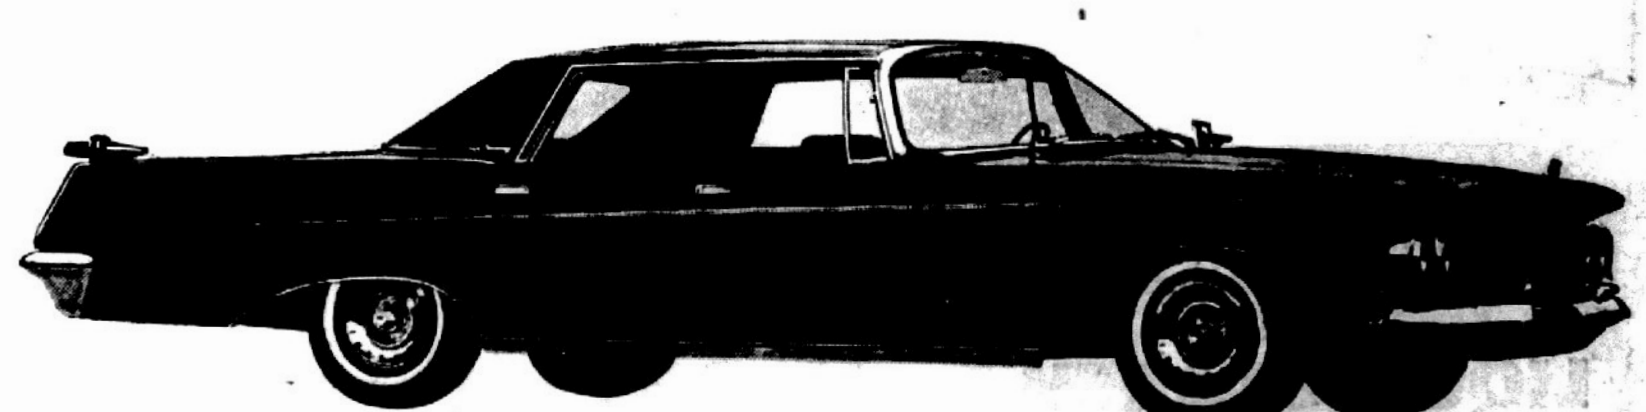

Our organization setup, our building and physical facilities, our business methods, our financial condition, our service department and its equipment, our sales and service personnel meet the rigid standards defined by the Chrysler Corporation . . . and our appointment as authorized agent for their proudest product is evidence of their full endorsement.

We also seek *your* full endorsement of our 1962 Imperial, our business ethics and the efficiency of our service experts. To this end, we cordially invite you to take one of our Imperials for a thoroughgoing comparison tour at your earliest convenience.

RAM, Holyrood Plan For Big Anniversary

On May 26, the Highlands Chapter No. 42, R.A.M. and the Holyrood Commandery No. 27, Knights Templar, will celebrate their 42 and 41st anniversary respectively.

The celebration will be held at the Jacaranda Hotel and a dinner will be served at 6:30 p.m.

Many Grand Lane and Grand Chapter officers have been invited to attend the meeting, which will also honor the ladies.

Guest speaker will be John B. Phelps, P.G.H.P. and P.G.C. All companies and sir knights from out of state are invited to attend.

Reservations must be made with the Jacaranda Hotel not later than May 24.

Four Meets Slated To Gather Info On 1962-63 Wildlife Regs

LAKELAND — Four public meetings to gather information for setting Florida's 1962-63 fishing and hunting regulations will be held June 12 through June 15 in the South Florida Region of the Game and Fresh Water Fish Commission, Regional Manager, J. O. Brown, Lakeland, has announced.

Dates and places of the meetings are: Brooksville, June 12, county courthouse; Bradenton, June 13, county building auditorium; Ft. Myers, June 14, county commissioners' room; and Avon Park, June 15, high school auditorium. All meetings begin at 7:30 p.m., Brown said.

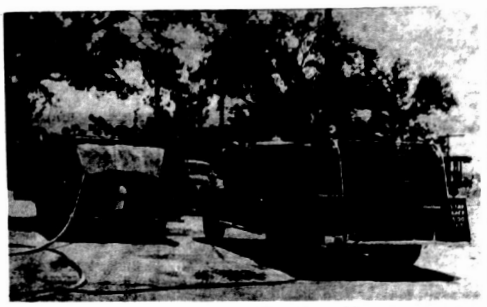

Major subjects slated for discussion include deer and turkey regulations, an April turkey gobbler season, dove and waterfowl regulations, increased hunting license fees, the increase to be placed in a trust fund for acquiring public hunting lands, and any other subject sportsmen present may wish to present.

Brown urged sportsmen and others interested to attend, and said that failure to be present could result in recommending seasons and rules and regulations that later may not be agreeable in the area.

He also urged outdoors writers, county officials, legislators, and others to attend because of the importance of the meeting locally in conservation work.

Following the South Florida Region meetings last of 19 such meetings held throughout the state—comments and recommendations made at the several meetings will be compiled and analyzed at Tallahassee, and the data used by the Commission in mid-July to set the 1962-63 seasons and regulations.

Brown invited sportsmen unable to attend any of the four meetings to submit comments and recommendations in writing to the Lakeland office.

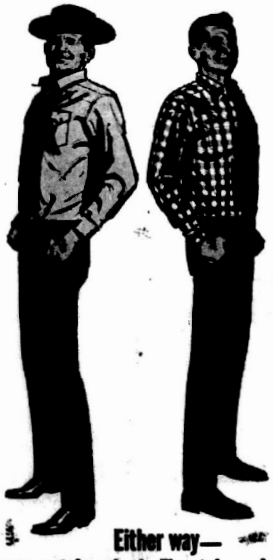

NEW ENGINE AT WORK The city's new fire engine, at right in photo, got a short workout last week when a call was made to a house in the Negro section. Damage was little, but the call did not afford an opportunity to put the new piece of equipment into action.

Many Highlands Students Work Way Thru School

Many of Highlads County's students are working their way through high school, according to statistics sent by the Florida Industrial Commission to Andrew W. Miracle, County School Superintendent.

The figures show that 185 boys and girls are earning money while they get their schooling, some with the ambition to help pay their way in obtaining a higher education.

Of the 185, 117 are in senior high school, 58 in junior high and 10 in the sixth grade or lower. In the 12-15 age group there are 68 boys and 26 girls, and in the 16-17 age group 74 boys and 15 girls.

Most of the students employed are boys. In the wholesale and retail business there are 93 boys and 30 girls; in agriculture, 22 boys and 3 girls, and in business and professional offices, 12 boys and 3 girls.

The students must obtain from the School Superintendent or the Supervising Principal Florida Industrial Commission Permits before they may go to work.

Avon Park Lakes News

By Thelma L. Merrill
Phone GL 3-6146

Thirty members of the Avon Park Lakes Association enjoyed the Tuesday night card party at the club house. Mrs. Pearle Beach and Mrs. Lee Leggett served coffee and cookies.

Mr. and Mrs. Harold LeChien visited Mr. and Mrs. Ross Duncan in Zyphyrhills last week. While in the Tampa area the LeChiens, along with four other couples had a picnic at Hillsborough River State Park.

Mr. and Mrs. Hugh Slocum and Mr. and Mrs. Nester Fowler motored to Winter Haven for dinner on Sunday.

Mr. and Mrs. Don Jameson, Mr. and Mrs. Al Diebold and Mr. and Mrs. Lewis Rood had a pleasant day and dinner in Sebring last Sunday.

Mr. and Mrs. Charles Cerra of New York City are guests of Mr. and Mrs. G. Leggetts. The Cerra's contemplate spending a week in Miami prior to their return north.

On Sunday, Mr. and Mrs. Walter Meyers and Mr. and Mrs. Harold LeChien motored to Winter Haven for dinner and the day.

The new Association Arch at the entrance of Avon Park Lakes is very impressive and adds greatly to the beauty of the Lakes area. The Planning Chairman and Committee members are to be commended for a project well done. Special "award" goes to Mrs. Dee Stotts who designed the arch. Dr. Wm. Lavelle is Chairman of the Planning Committee and other members of the Committee are Miss Bertha Desautels, Messrs. Herb Slocum, Earl Spencer, James Carlisle, Mrs. Jean Bailey and Mrs. Dee Stotts.

Mr. Harry Millstein was hospitalized for a week at the Walker Memorial Hospital. He is much improved and is recuperating at home. We all wish you a speedy recovery, Mr. Millstein.

A special meeting of the Board of Governors of the Avon Park Lakes Association was held Monday night at 7:30 p. m. at the club house, Chairman Diebold presided.

The ladies of the Women's Group of the Avon Park Lakes Association will meet Thursday morning at 10:00 a. m. to work on items for the Cancer Society, also to participate in the arts and crafts projects.

The Merrills of Olivia Drive entertained their very dear friends, Mrs. Marjorie Gross of Bethlehem, Pennsylvania and Mrs. Thomas Grainger of Swift Water, Pennsylvania, at the Country Club on Friday evening. On Saturday morning eight guests enjoyed a "Coffee". On Sunday afternoon Mrs. Gross and Mrs. Grainger motored to Naples for a few days, and from there to Daytona for a week prior to returning north.

Sixty members of the Avon Park Lakes Association enjoyed a picnic at the club house last Thursday evening. Delicious food galore and neighborly conversation. After dinner, some of the "picnicers" walked around Lake Olivia, others played Shuffleboard. A very pleasant evening for all. Hostesses for the evening were Mrs. Pearl Johnson, Mrs. Stella Satter, Miss Bertha Desautels and Mrs. Maude Bedard.

Mr. Earl Spencers condition is reported as "good" after submitting to surgery last week. He is in Cone Memorial Hospital in in Greensboro, North Carolina.

A vote of thanks to the Chairman of the Board, to the Board of Governors, and to the Committee Chairmen, and Committee members, of the Association for their efforts and splendid work they have accomplished for the betterment of the Association and our community. Their voluntary endeavors are most sincerely appreciated.

"I AM A CALENDAR"

I am the symbol of time, combining the past, present and future.

As the clock records seconds, minutes, hours, I record the days, weeks and months.

All the world looks at me, talks about me, regulates its business and social life by me.

No letter is ever written, no book published, no order ever placed that does not bear my imprint. I am the one thing the whole world must constantly consult.

I am all things to all men. I am the farmer's guide, the banker's life, the sales manager's problem.

Thurston Martin Candidate For B.S. Degree

Lakeland Thurston Martin of Avon Park is a candidate for the B. S. degree in business administration at Florida Southern College's 77th annual commencement convocation, May 28.

He is a member of Kappa Sigma social fraternity and the Inter-Faith Council, a Dorm Counselor, president of the Baptist Student Union and a two-year Letterman on the Varsity Soccer Team.

A 1958 graduate of Avon Park High School, he is the son of Mr. and Mrs. E. A. Martin of Avon Park.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 the same year that

IN FLORIDA, a handful of determined patriots in Tampa fought for 2 days, finally preventing an intended invasion by two Union ships, which fled. All Florida cheered this feat with glasses of beer.

For even then, beer was Florida's traditional beverage of moderation. Beer still provides enjoyment for Floridians, and a good living for many of them — not only the employees of the Brewing Industry itself, but also for Florida farmers and other suppliers of the materials brewers use.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

100 American Cities Purchase 65 Per Cent of Juice Sales

LAKELAND — A Florida Citrus Commission official today estimated that consumers in 100 American cities will purchase 65 per cent of the national retail volume of Florida frozen orange concentrate this season while institutions in those same cities will account for 78 per cent of that type sales, it was reported.

Dr. William E. Black, director of economic and marketing research, in a report just released, predicated his figures on 75 million gallons being sold at retail in the United States, excluding Canada, and another 6,500,000 gallons going to hospitals, restaurants and like institutions. This is compared to 64,500,000 gallons sold at retail last year and another 5,750,000 gallons to institutions. He added that over 97 per cent of the U. S. supply of the product is produced in Florida.

It is interesting to note, Dr. Black pointed out, that two populous areas of California held the second and sixth positions with combined retail-institutional purchases of 6,254,015 gallons of Florida frozen orange concentrate. The Los Angeles-Long Beach area ranked second while the San Francisco-Oakland region ranked sixth.

Dr. Black explained that 95 per cent of the purchases of frozen orange concentrate are made by consumers in the United States while only five per cent are made by consumers in other countries. Of the latter figure, 73 per cent is exported to Canada, 23 per cent to Europe and four per cent to the balance of the world. He added that a single firm buys almost three-fourths of that going to Europe.

Of the 100 cities listed in his report, Dr. Black noted that 11 account for 35 per cent of the total domestic combined retail and institutional sales. New York will remain as Florida's biggest customer for frozen orange concentrate by purchasing 8,135,745 gallons this season. Second to New York is the Los Angeles-Long Beach, California, market with 4,474,995 gallons. Chicago ranks third with a combined total of 3,358,210 gallons followed by Detroit with 2,356,425 gallons. Following in order of purchases will be Philadelphia with 2,135,780 gallons; San Francisco-Oakland, California, with 1,779,020 gallons; Boston with 1,778,890 gallons; Pittsburgh with 1,220,260 gallons; Washington, D. C., with 1,187,910 gallons; Newark, New Jersey, with 1,136,950 gallons; and lastly, Cleveland with 1,092,945 gallons. The 89 city balance will purchase less than 1 million each.

Dr. Black said the 100 American cities represent 55 per cent of the nation's population and 61 per cent of retail food volume. Florida's retail volume was 65 per cent in these cities, indicating a high concentration of sales of frozen orange concentrate in big cities.

The 100 cities, according to Black, will purchase at retail some 48,582,450 gallons and another 5,083,780 gallons for institutions, for a total of 53,666,230.

Ticker Talk

The best estimates indicate there were about 2,000 full-line low-margin (discount) department stores at the end of last year doing a total volume at an annual rate of approximately $4 billion. This means that low-margin department stores are doing a dollar volume equal to about one-third of total department store sales.

—o—

In the first quarter, General Cable Corporation's net earnings were 67c a share, well above the first quarter level of 1961, which was equal to 49c a share. Although first quarter results ran behind the 84c a share registered in the final three months of 1961, management will be disappointed if full 1962 net earnings do not approximate $8.5 million, or roughly $3 a common share. This would compare with $2.58 in 1961, when the company reduced its outstanding common stock by 383,750 shares.

—o—

Retail food prices drifted downward last year, especially in the fourth quarter. Last December, the Food-At-Home Index of the U.S. Department of Labor stood at 116.9 (1947-49 = 100,) down 1.5 per cent from December 1960. It was only 1.7 per cent higher than 10 years earlier, under price control.

—o—

In 1957 the management of Crown Cork & Seal Corp. accepted the challenge to rebuild the company by planning a five year program with a goal to produce additional profits of $1 per share each year. With earnings rising from 18c a share in 1957 to a consolidated $5.67 a share in 1961, this goal was exceeded. In planning for the years 1962-67, management believes the groundwork has been laid so solidly that it is setting goals to add a minimum of $1 per share profits in each of these years.

—o—

The national fashion merchandise market of $15½ billion represents expenditures by 70 million women, including 10 million in the teen-age group. This latter burgeoning age group of 13 to 20 already is buying more clothing per capita than any other group of women and soon will be tomorrow's homemakers.

—o—

A study shows that from 1950 through 1959, General Electric Company spent $1.37 billion of company funds for research and development activities and in this same period also performed $1.5 billion worth of research and development work for the Government. The average annual expenditure by the company during this period was thus $287 million. The study indicates that GE has conducted the most extensive research and development activities of any company in the U.S. and, presumably, the world.

—o—

Fortified with a backlog of more than $64 million, the highest since 1958, Ex-Cell-O Corp. anticipates that sales for the current fiscal year (to end Nov. 30) should increase at least 5 per cent, with a corresponding improvement in earnings. Dollar volume gained 3 per cent in fiscal 1961, the best showing since 1957. Moreover, the company's cost-reduction program helped lift earnings to a 20 per cent improvement over 1960, as net reached $2.68 a share.

OFF TO BANKING CONVENTION—Mrs. Mary Garrett, left, and Mrs. Mary King, vice presidents of the Avon Citrus Bank, are shown as they boarded a train here last week enroute to Louisville, Ky., to attend the convention of the National Association of Banking Women. Both women are members of the Florida Association and have held offices in that group.

Florida State University Expects Enrollment of 15,000 By Year 1970

TALLAHASSEE — Florida State University proposes to concentrate on advanced education as one of two "senior universities" in the public educational system of Florida in a 66-page role and scope study just filed with the Board of Control.

The report, which is the result of a year-long study, projects an enrollment of 15,000 students in 1970 compared with nearly 10,000 at present. Of the larger enrollment an estimated 4,000 will be graduate students.

It is proposed that early consideration be given to offering the doctorate in such fields as business, economics, philosophy, engineering science, art education, special education, social welfare and librarianship in addition to the 23 fields where the Ph.D. degree now is offered. It is proposed that a College of Law be established at FSU.

FSU can serve the state best by becoming recognized according to national standards of excellence, the report states, and reaching these standards of excellence will require an expenditure of between two and three times the present annual budget in 10 years, along with $77 million in capital outlay during the same period.

In addition to the $3,155,000 in capital outlay expenditures already programmed for the 1961-63 biennium, the report proposed these additional capital expenditures during the decade: 1963-65, $19.5 million; 1965-67, $20.2 million; 1967-69, $16.5 million; 1969-71, $12 million; 1971-73, $6 million.

"If the recommendations are followed FSU will become one of the distinguished universities of the nation and will be in the future an even greater force for the development of the citizens of Florida and their state," said the study.

The report noted that FSU's development from a liberal arts college during the past 15 years has paralleled the fastest period of growth of Florida itself, and that "teaching large numbers of Florida's youth and adults is a first obligation of the University."

'Some new departments or interdisciplinary programs should be established, said the report, such as Asian studies, oceanography, space science, city and regional planning, and actuarial science, and an Institute of International Affairs "should be established immediately."

"At present, with slightly more than 525 teaching and research members, the faculty is still significantly short of the desired quota according to generally accepted productivity indices," said the report. "It is estimated that as early as 1965, the University will need a faculty of 830; by 1970 it will need 1100; and these estimates do not assume sabbatical leaves which will become essential with year-round operation."

FSU's Library, said the report, "is far below the size and quality necessary" for the developing University, and is greatly in need of additional financial support. By 1967 Library space should be doubled.

The Library and Library School currently "are exploring together the feasibility of activating an information retrieval laboratory equipped to undertake literature searching in five areas important to industrial, scientific and cultural research in Florida: aircraft, meteorology, space-biology, naval countermines, and gerontology" and both public and private support for this laboratory should be sought, it was said.

The enrollment projection for 1970 calls for a student body with 11,000 undergraduates and 4000 graduate students. Freshmen and sophomores will number about 6000 (300 fewer than at present); junior and senior enrollment will be approximately twice the present 3650; and graduate enrollment will be about three times the present enrollment.

The projection indicates 20 per cent of the student body will be married and that the overall ratio of men to women students will be 3 to 2.

"As the University looks ahead to 1970, it should plan to provide housing for 40 per cent of the married students, 60 per cent of the single men students and 90 per cent of the single women students," said the report.

The report added:

"The student body of 1970 will reflect a higher degree of intellectual selectivity and an increased level of maturity. To meet the needs of these students there must be continuing appraisal of university-sponsored social, recreational, and non-academic activities to insure that they contribute to the cultural development of the students. In addition to providing appropriate reading and listening rooms, record libraries, art exhibits, visiting lectures, concert artists, orchestras, choruses and theater troups, the University should expand and strengthen the Artist Series. Dormitories should become centers for student-sponsored intellectual and cultural activities."

Graduate Is Party Honoree

Miss Judy Martin, who will graduate from Avon Park High School on June 5, was the honoree at a luncheon given by her aunt, Mrs. Devon Reddick, Saturday at her home on N. Lake Avenue. Sharing the honor was Judy's cousin, Miss Marsha Blake of Tampa.

[illegible]

Mrs. J. W. Martin and Mrs. [illegible]

Exaudi, Domine

[illegible]

From day to day,
dear Lord, reveal
Thy purpose in my
hours of pain.
Let me Thy strengthening
presence feel,
If faith and hope and
courage wane.
And oh, should wealth and
power be mine, again
Remind me of my
boundless debt
To Thee alone,
lest I forget,
Lest I forget.

H. J. Fenton

Your ignorance can kill you. How well do you know the rules of safety? Do you follow those rules?

NOW-BEAUTIFUL BUYING DAYS!
AT YOUR CHEVROLET DEALER'S ONE-STOP SHOPPING CENTER

New Monza Convertible—Corvair has gone and flipped its top! This one's got front bucket seats and that famous rear-engine scamper that make Monza-ing something special. If your dealer doesn't have one, he'll gladly order it.

Chevy II Nova 4-Door Sedan—This one fits big families and small parking places with equal ease. Gets all kinds of spunk from a gas-sippin' 6. You never saw luxury and low cost so beautifully blended. Or so easy on upkeep.

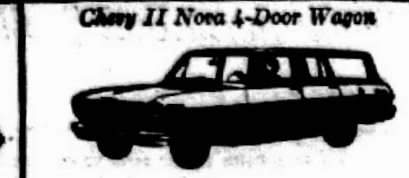

Bel Air 4-Door Sedan—These days, you'd be pretty hard put to find a more beautiful buy than this popular-priced Bel Air. Has all that Chevrolet talent for spoiling you for anything else near the price—things like that roomy Body by Fisher, a baggage room of a trunk with bumper-level loading, your choice of 6 or V8 engine and that velvety Jet-smooth way of going.

Red Cross Board To Meet May 21

The Board of Directors of the Highlands County Chapter of the American National Red Cross is scheduled to meet May 21 in Avon Park.

The members of the Board will be the guests of Royal Coats at dinner at 6:30 p. m. at the Jacaranda Hotel, meeting to follow immediately after. All Board members are urged to attend as plans will be made for the Annual Red Cross meeting which is scheduled to be held the third Monday in June.

Complete First Aid Program

Dr. N. H. Waters, National Red Cross Volunteer Program Consultant on First Aid and Authorized First Aid Instructor Trainer, held a First Instructor Course in Sebring this past week.

The following persons completed the course and are now First Aid Instructors, eligible and authorized to conduct courses in First Aid for the Highlands County Chapter of the American Red Cross:

Mrs. John P. Acri, Mrs. W. I. Grove and Mrs. Frederick Schaal of Avon Park; Mrs. Frances Step of Lake Placid and William G. Belcher of Sebring.

Daughter Of Avon Graduate Is Chosen "Little Miss Cotton"

The Sun learned this week of a rather significant honor which has been won by an offspring of a former resident and graduate of Avon Park High School.

Barby Anna Parrish, daughter of Col. and Mrs. William A. Parrish of Houston, Texas, was recently crowned "Little Miss Cotton of Houston," winning the title in competition with 20 finalists.

Barby Anna's mother is the former Ortean Bishop of this city. Ortean and her sister, Louise, were valedictorians of their graduating class at APHS. The girls mother passed on in 1947 and their father only a short time ago.

Although only eight, Barby Anna is a blue-eyed blonde charmer, as the picture above will indicate. She represented the City of Houston in the Cotton Carnival held in Memphis, Tenn.

Among her duties as "Little Miss Cotton," Barby Anna will be featured in fashion shows, in parades and ride on floats for the next year.

Adding to her laurels, Barby Anna was featured in many advertisements by the American Cancer Crusade and TB Association in Houston this past year, frequently appearing on television.

Barby Anna was featured in a page 1 photo of the Houston Post on May 10 of this year.

The Parrish family currently resides at 8203 Glenerest, Houston, Texas.

Personnel For Summer Rec Program Named

Highlands County School Superintendent Andy Miracle has announced the staff of directors and instructors for the Summer programs in schools throughout the county. A group of 35 personnel will direct activities this year. The group was approved by the county school board at their last meeting.

Activities will begin at various schools on June 25 and continue through August 10.

The complete roster of staff members:

Countywide—Billy Cason.

Avon Park—A. B. Wilhite, George Kelsey, John Crittenden, Joe Franza, Guy Garrett, Ethel McKelvaine, Ellis Watson, Vic MicKunas, Ralph Hill, Earl Varnes and Lee Maness.

Sebring — George Douglass, Wallace Cox, Jack Ingle, Ferrell Smith, Ruth Fulton, Glenn Odham, James Teveniere, Gordon Rose, Paul Gustat and Ed Clark.

Lake Placid — Walter L. Bishop, Kenneth Eaddy, Malcolm Ross, James Yates, and Victor Kirk.

E. O. Douglas School — Samuel Nixon, Jr., William Blanding, Blanche Strange, Walter Beard, and Robert Safold.

Hopewell School — Ernest Sims, Gwendolyn Sanders and Carl Burden.

Carver School—Homer Williams and Julia Williams.

WMS CIRCLE MEETS

The Donna McClelland Circle of the Woman's Missionary Society met at the Florida Avenue Baptist social hall Thursday afternoon for their business and program. Mrs. W. D. Fletcher led the Bible study.

Local Churches Combine Services

The Lutheran Church members of Avon Park Resurrection Church will attend the opening services of the Atonement Church in Sebring on Sunday, May 27, at 11 a. m. worship service.

The new church is located at 917 South Lakeview Drive, Sebring. The Rev. Richard E. Dugan will represent the Florida Synod at the opening. The Rev. John W. Walters is pastor of both Avon Park and Sebring churches.

On June 3 the new church in Avon Park will be opened and the Sebring Lutheran church members will attend the opening services here at which time the Holy Communion will be observed.

Springtime is children's playtime. Give them the brakes.
