Adult Education Privette To Classes at AHS Be Examined

Two Tampa psychiatrists have been assigned to examine the mental health of a woman, Houston Privette, who has been indicted for the slaying of her husband, a 29-year-old man, who had entered a mental hospital in 1959.

The slaying took place on the morning of May 20, 1961, at the home of the victim, who was 29 years old at the time.

The slaying was the result of a long-standing mental illness, the psychiatrists are expected to find.

Passing Featured In Annual Red Devil Soap Scrimmage Last Week

The breakaway running of Halback Lane Padgett and the passing combination of quarterback Leonard Sullivan to wingman Randy Lewis led the Whites to a 19-6 victory over the Reds in the annual Soap Scrimmage last Friday night at Memorial Field.

A small group of devoted fans had a short cloudburst and a heavy sprinkle of rain to watch the intercollegiate battle of the 1962 Red Devil Soap Scrimmage. The fans saw plenty of defensive action in spite of the extra points scored by the Whites.

Quarterback by senior Max Drew first blood in the second quarter when he moved the ball steadily down the field. He was joined by big fullback Pep Hutchinson took a puntback from Still and skinned the left end for the Reds only six points.

The Whites came back to tie the score on the first play of the second quarter. Lane Padgett cut off his right tackle and slanted back across the field and raved 62 yards for a White touchdown. The extra point try failed. The Whites moved to the Red four yard line later in the second quarter but couldn't push the pignish across and the score stood 6-6 at intermission.

In the third period the Whites passing game began clicking as Sullivan hit Lewis for several short gains and then Lewis got behind the Red defense and bawled in a 22 yard pass to score the Whites second TD. Halback Randy Wood made the extra point with a sweep around the right end and the Whites led 12-6.

The third White score came with only a minute and 34 seconds left in the third quarter. With the ball on their own 45 yard stripe, the Whites called for another pass and the sharp-shooting Sullivan fired a long one into the hands of Lewis on the Red 25 marker and Lewis eluded the Red defense and raced into the end zone. The Red line held on the PAT try and the score remained 12-6.

At the end of the third quarter, the Red Devil coaches changed lineups and divided the squad into offensive and defensive units to practice offensive plays.

Big Bill Scott was out of action in the inter-quater game due to a leg injury he received last week when he slipped in the stands. He is expected to be able to practice this week and he is in the starting lineup against Lake Wales Friday night.

Tackle Jim Lyle showed up well on the line in the inter-quater action along with Robert Dugan, Red guard, Doyle Griffin, Billy Miracle, and Jackie Turner also turned in some good line action for the Red squad. Big Jim Bob Maddox handled the fullback job nicely for the Reds and John Rhodes did some ground gaining from the Red halfback position along with Hutchinson.

Running the ball from the White backfield along with Padgett and Sullivan were David Wilcox, David Bonville, and Randy Wood. Keith Albritton and Randy Lewis looked impressive as White ends and Andy Miracle and Bobby Briscoe held down the middle of the White line.

Red Devils Open

(Continued from page one)

season by Ed Touchton and Joe Jackson.

Guards Bobby Briscoe and Robert Dugan looked good on offense. With Billy Miracle and Doyle Griffin taking over on defense. Big letterman tackle Jim Lyle and Bill Scott will be in the lineup for the opening game, but Scott has been out for over a week with an injured leg. Senior letterman Andy Miracle remained at the center position.

The two returning letterman backs, Max Still and Lane Padgett, were joined by big Jim Bob Maddox, who sat out with a knee injury last season, and John Rhodes in the White backfield. The other backfield was made up of non-letterman who outscored the veterans.

Coach Joe Franza and assistant coach Guy Garrett are counting heavily on Leonard Sullivan at quarterback. Sullivan moved up from the Red squad and has looked impressive the past week during work-out. His passing was sharp last Friday night.

The coaches are also counting on Jackie Turner and DeWayne Lemier, two ends up from the junior varsity to fill in at defensive Lemier switches to halfback on defense.

Franza released the following probable starting offensive lineup for the Lake Wales game. At left end, Bill Ward; right end, Randy Lewis; right tackle, Bill Scott; left tackle, Jim Lyle; right guard, Bob Briscoe; left guard, Robert Dugan; center, Andy Miracle; quarterback, Leonard Sullivan; fullback, Jim Bob Maddox; halfback, Max Still; and left halfback, Lane Padgett.

On defense, Billy Miracle, Randall Barnes and Allen Draughn will probably replace the guards and center, Jackie Turner will move into one of the end slots, and DeWayne Lemier will go in at defensive halfback. Halback John Rhodes is expected to have plenty of action along with David Bonville, reserve fullback.

Bride Elect Is Shower Honoree

Miss Catherine Crunkleton, bride-elect of Edward O. Nimitz, was feted with a magnificent shower at the home of Mrs. Kenneth Pippala Monday evening when Isabel Corwin was co-hostess for the party.

The bride's favorite color of green predominated in the decorations. Silverware, glassware, and the bride's wedding gifts were placed under a prettily adorned umbrella. The hostesses presented the honoree with the Bride's Book.

Mrs. Walter Mann directed the games in which Jean Garahan, Nellie Faye Barker, Nellie Waymire and Lou Mann won prizes.

The refreshment table was arranged with a miniature bride and groom setting, with lighted tapers and the punch bowl. Dainty well and heart shaped sandwiches, cake, nuts and mints were served with the punch. Assisting the hostesses were Barbara Garahan and Robert Bain.

The open wedding will take place in the Church of the Nazarene at 7:30 o'clock, September 13, at 7:30 o'clock.

Miss Crunkleton, Edward Niemi Wed In Church of the Nazarene

Miss Cathleen Crunkleton became the bride of Edward O. Niemi, Thursday night, September 27, in the Church of the Nazarene. The candlelight ceremony was solemnized by the Rev. Walter C. Mann, pastor of the church, before an altar banked with palms and ferns.

Proceeding the vows, Mrs. Kenneth Filippa moderated the wedding music and Miss Patricia Mann sang, "I Love You Truly" and "Because".

The bride, given in marriage by her brother, Raymond Crunkleton, was attired in a white lace ballgown length gown. Her veil was sheer net over a crown of white flowers. For her traditional accessories she carried a white satin Bible, borrowed from Mrs. Filippa, on which her bridal flowers were arranged.

Mrs. Gladys Howard was her sister's matron of honor. She wore a pink lace gown and a corsage of aqua carnations. Serving as best man, was the groom's lifetime friend, Kenneth Filippa. Harry Simmons and Richard Crunkleton were the ushers.

Mrs. Lillie Crunkleton chose

for her daughter's wedding, a navy dress with pink accessories. The groom's parents were unable to attend the wedding, but an aunt and uncle, Mr. and Mrs. Clyde Arvo and their son were present from New Port Richey.

Reception
A reception was held on the lawn at the Avon Park Lakes Club House immediately following the church ceremony.

A white linen cloth covered the table with the four tiered bride's cake forming the centerpiece. A miniature bride motif topped the cake. Lighted tapers enhanced the table setting. The punch bowl set in a circle of frothy net and fern. Nuts and minis were served with the cake and punch.

Mrs. Mabel Corwin cut the cake. Mrs. Walter Mann served the punch and Mrs. Millie Hancock presided over the guest book.

When the newlyweds left for their honeymoon, Mrs. Niemi wore for traveling a two piece suit of black with her bridal corsage. They will make a trip to Mass, Michigan to see Mr. and Mrs. Ozzie Niemi, parents of the groom, where they plan to reside until December, at which time they will return to Avon Park.

Nation's Fastest Dogs Racing At Tampa Track

TAMPA (Sept. 17)—Lightning fast, thoroughbred greyhounds will break from the starting chutes at the Tampa Greyhound Track, Thursday, September 20, in the inaugural race of the 1962-63 dog racing season.

Finely housed canine, representing dogmen's top kennels, will be running on five distance courses at the Tampa track.

Extensive renovations and additional grandstand area added during the off-season have insured the track's reputation as one of the finest in the nation.

Additional facilities have increased the track's crowd capacity to 8,000.

This year's six-day schedule, including Saturday and Sunday matinees, will run through January 7.

Parimutuel betting is permitted under Florida law, but wagers are prohibited from attending.

H. C. Electrical

Contractors Meet

The Highlands County Electrical Contractors Association held their regular monthly meeting in the structure lounge at the Avon Citrus Bank on Monday night.

Special guests included Florida Power Commission representatives and the City Inspector. At the close of the meeting, a dinner was served by the association.

The next regular monthly meeting will be held in October.

Home Economist On The Go

by Patricia G. Hurley

An animated group of young homemakers gathered at the home of Mrs. Barbara Maddox at Avon Park Friday morning. These women are starting a new home demonstration club for homemakers in the Avon Park area who are 35 or younger. Mrs. Gloria Arnold and Mrs. Harriet King are to be hostesses at the first meeting of the club Thursday, September 27, at Mrs. King's home, 30 West Withrow, at three o'clock.

Mrs. Judy Brock joined in the discussion of topics in which special interest was shown. These included how to arrange furniture, basic sewing skills, hints for economical buying of groceries, and use of equipment in the home.

The home demonstration program is dramatically different today from what it was in the early 1900s when a handful of home agents traveled over the state of Florida showing farm women how to can tomatoes.

Now, the program encompasses various subject matter for all homemakers, farm and town, young and old.

Mrs. Annalene Kinsborough, who has four children, com-

mended that the home demonstration club is unique not only in its educational program, but also because there are no club dues. She pointed out that this factor might be important to other homemakers who are considering joining the club.

Young homemakers who are interested in joining this club are invited to meet with the group at their September meeting.

Historians say distillation of alcoholic beverages probably appeared first in the oriental world, before the Christian era.

Among the guest speakers will be Dr. Stephen J. Kinz-

FEA Dist. 9 To Meet Oct. 1

All teachers of Highlands County will meet with teachers from Polk, Osceola, and Hardee Counties in the District 9 meeting which will be held October 1 at the Tupperware Auditorium in Kissimmee. Miss Lillian Drupp of Sebring is the presiding officer.

Oyster production during this season is expected to be another record year due to the interest shown on both coasts of Florida in development of the shellfish industry.

Jr. Women Hold First Meeting

Mrs. Harry L. Hood, president of the Junior Woman's Club, conducted the first meeting of the club for the Fall season at the Club House Tuesday night, September 4.

The program was on Parliamentary Procedures with past presidents, Mrs. Art Turner and Mrs. B. Frank Camp, Jr., discussing the subject. Mrs. James Ivey was program chairman.

The following changes in officers were made: Mrs. Wayne Cribb, first vice president; Mrs. Betty Rose Cruise, treasurer. New members were introduced to the club.

A social hour was enjoyed with hostesses Barbara Cribb, Betty Rose Cruise and Pat Ross serving refreshments.

The Division of Salt Water Fisheries oversees some 7,000 miles of coast line including bays and inlets with some 80 Conservation Patrol Officers.

Schering Race To Be Held On March 23, '63

SCHERING — Also Uman, Director and Organizer of the internationally famous 12 Hour Endurance Race held here each spring announced today that the 1963 Schering race would be held Saturday, March 23 with supporting races on Friday, March 22, 1963.

Uman also confirmed that the 12 Hour Race would be the only race in the United States offering points and awards in the Challenge Mondial Division of the International big four of the racing circuits of the world, Targa Florio, Italy, Nurburgring, Germany and the counterpart of the 12 Hour Race, the 24 Hours of Le Mans, France. With the present qualifications for the P.L.A., G.T. cars will again be awarded points for manufacturers, however, it is felt that with American automobile manufacturers again entering the highly competitive field of road racing, the 1963 running of the 12 Hour Endurance Race will have many new names on the starting line-up.

Entering cars under the Challenge Mondial Rules and Regulations, the powerful engines and specially designed bodies of the new entries should give long favored racing cars at the Schering course a real difficult challenge.

Rules and regulations covering the necessary qualifications for the 1963 entries will soon be in the mail to all manufacturers and requirements. Race Secretary Reginald Smith in conference with Alice Uman, stated that with the new American entries requesting space that the 65 car starting field would be filled in advance of the usual deadline in February.

**Judge Advocate
Keynote Speaker
At Workshop**

TALLAHASSEE—The Judge Advocate General of the United States Air Force will be the keynote speaker at the third semi-annual military-civilian traffic safety workshop scheduled for Pensacola, Sept. 27-28.

Major Gen. Albert M. Kuhfeld of Washington has accepted the invitation of State Chairman, Col. H. N. Kirkman, Florida Highway Patrol Commander, to share the platform with a number of other officials.

State Insurance Commissioner J. Edwin Larsen, recognized nationally for his traffic safety leadership, who is also Florida's State Treasurer, will deliver the luncheon speech. He has served for several years as chairman of the Florida Citizens' Advisory Committee on Highway Safety.

Others scheduled to be on the program, Chairman Kirkman said, include Rear Admiral Joseph M. Carson, Commander Fleet Air, Jacksonville, and Rear Admiral M. H. Tuttle, Chief of Air Base Training, Pensacola.

The two day meeting will be in Pensacola's San Carlos Hotel, with the Pensacola Naval Air Station serving as host. Military and civilian traffic safety facilities from all parts of Florida have been invited.

**First Baptist
Church Circle**

The Victoria Brazington of the WMU of the First Baptist Church met in the church social hall Tuesday morning with Mrs. Joseph Cornwall, Jr., as hostess.

Mrs. Robert Gay was assisted with the program by Mrs. Henry Caffee, Mrs. R. H. Lawton, Mrs. Hugh Clout, Mrs. L. McGiboney and Mrs. Harold Gunder.

Mrs. C. E. Wingfield conducted the business. Eight members were present.

**Junior Legion
Auxiliary Meets**

The project of the Junior members of the Highlands Unit 69 American Legion Auxiliary, at their meeting Saturday, Sept. 15, was the selection of place favors for the Girl Scout-Bay State dinner which will be held September 27 in the Legion Room.

Mrs. Sharon Bennett presided over the business session when the group made plans to hold a weekly Saturday, September 22. At which time they will discuss projects which will be shared during Fire Prevention Week in October. The decision to hold the meeting at that time was to enable the Junior Auxiliary Chairman, Mrs. John F. Arnold, to work with the girls.

Mrs. Arnold has been sponsoring a "volunteer" program when she will attend the National Legion Convention in St. Petersburg.

Following the meeting the girls played games and enjoyed

TEOMAN 3/C McDOWELL

McDowell Takes Part In Daring 'Copter Rescue

Yeoman Third Class, John McDowell, son of Mr. and Mrs. J. D. Edmondson, and his buddy, Yeoman Seaman Apprentice Patrick McIntyre of Pearl Harbor, made headlines in the Honolulu Advertiser on September 10, in a daring helicopter rescue when McIntyre was plucked from a sheer cliff of the Palih ridge near Nuanu, by a Marine helicopter.

The dramatic rescue was made just before dusk on Sunday afternoon with the use of 150 foot nylon rope, after numerous efforts were made by the 'copter with the usual 50 foot cable.

The seamen had gone for a Sunday afternoon outing and climbed the peak when Seaman McIntyre became trapped in the dense growth on a ledge. He hung to a tree by one hand while the other, while Seaman Edmondson directed the 'copter,

R. L. BUCKLER

Buckler To Head Counseling At Alcoholic Center

R. L. Buckler, Community Field Representative of the Florida Alcoholic Rehabilitation Program, has been assigned to alcoholic counseling at the Avon Park Center in one phase of an expansion of Center treatment.

Wesley A. Shepherd, ARP Administrator, indicated Center treatment services are being expanded to include different types of treatment. In the next phase, a full-time pastoral counselor will be appointed to the ABC staff to work with patients and serve as a specialist in clergy training.

Buckler, who has returned from his five years home since the first of the year, reported to the Center on September 17. He joined the ARP staff as a Psychiatric Aide in 1956, and was appointed Community Field Representative in 1959.

Buckler's work as Community Field Representative included community education and organization, and a number of illnesses with local groups of Alcoholics Anonymous throughout the state.

Buckler and his wife, the former Mrs. Elizabeth Ladrie, will return to Avon Park.

Complaints Signed Against Eight Polk County Beverage Licensees

State Police have signed twenty-five complaints against eight beverage licensees in Polk County, Florida, for alleged violations of the state's alcoholic beverage laws. The complaints were signed by the state police on September 27, 1962, following a series of raids on several bars and restaurants in the county.

Deaths By Fire Wanting In State of Fla.

Florida law requires all fast-burning fire heaters to have outside vents. Heaters in trailers need just as close attention as home heaters—whether they use gas or oil.

The board also suggested checking electrical cords to avoid overloading—and keeping matches out of the reach of children.

In addition, the board suggested that oil heaters be cleaned now—before the need to use them. It said a heater should never be lighted if it is flooded; that heaters should be moved while running; and that since heaters burn oxygen, a little fresh outside air is necessary to prevent asphyxiation.

(Continued from page one) ball on the Devil's 42. Highlander quarterback, Joe Walker, rolled out and moved around the end all the way to pay dirt out-running the Avon Park defense to put the Southeast Conference boys ahead 20-0. The kick for the extra point was short and wide.

Avon Park got a break later in the third quarter when Bill Ward's 30 yard punt bounced off the Highlander safety man and Andy Miracle pounced on it on the forty yard stripe. A recovered fumble, a five yard penalty and an incomplete pass forced the Devils to kick again, however without being able to capitalize on the recovered fumble.

Early in the fourth quarter the Highlanders fumbled again and this time Max Still was the victor at the home of his parents, Mr. and Mrs. W. F. Parry on Lake Lillian. His mother was a patient in Walker Memorial Hospital, but has been released.
