SERENADE SWEETHEART— Members of the Avon Park Future Farmers of America Quartet tune up their vocal chords this week with a serenade to Chapter Sweetheart Lynda Shepherd. Left to right—Jerry Draughon, first tenor; Max Still, second tenor; Bob Edmondson, baritone; Randy Rewis, bass. The group will compete in the sub-district contests at Avon Park High School on Thursday, April 18. (Exclusive Sun Photo).

City Takes Steps For Better Water Service

Modification Of Pumps To Increase Output

Steps were taken Monday night by the City Council to insure better water service to Avon Park residents. The action was prompted by complaints during the dry season when the city's water lines are overtaxed.

Cost of the project is expected to run around $6,000. According to Mayor E. A. DeLaney, the situation is strictly one involving delivery of water—not a shortage. He said that with the modification of one pump, the gallonage could be increased from 800 to 1,250 galllons per minute. This increase would not completely solve the water problem, but would help considerably he said.

During the dry season water lines are used to capacity due to watering of lawns and the normal heavy usage period—from 4 p. m. until slightly after dark. Bids on modification of the pump and materials needed are expected to be received at the next council meeting.

Council voted to go ahead with former plans to close two streets in the Golden Age Villas area — formerly Woodruff Heights. Streets to be closed include portions of Church Street and Prospect Avenue. According to one councilman, some residents in the area were planning to appear at the meeting to oppose the action, but they did not show up.

A resolution governing use of city owned fire equipment was adopted at the meeting. The resolution:

Be it resolved, that the fire station be manned and enough equipment left at the fire station to protect the city.

Be it further resolved that when the volunteers are called out, that the minimum charge shall be $60, otherwise the minimum charge shall be $25.

The resolution was the result of a discussion at a previous meeting regarding the use of city owned fire equipment to fight fires outside of the city. The resolution did not alter the former practice of ansering alarms beyond the city boundaries. Many Florida cities have recently adopted a policy of refraining to answer calls beyond corporate limits.

In other business, council

Highlands Will Receive $41,000

State Comptroller Ray E. Green said today each of Florida's 67 counties will receive $41,000 more from the race track tax fund.

The checks for April have been put in the mail and the payment is $1,000 more than for April of last year.

Each county has received a total of $159,000 to date for the current fiscal year, which is an increase of $5,500 for the same period last year.

Easter Sunrise Service Slated For Sunday at 6 A.M. In Park

The Rev. John Mangrum, rector of the Avon Park Episcopal Church of the Redeemer will deliver the Easter message at the annual sunrise service slated for Sunday morning at 6 o'clock in Donaldson Park.

Sponsored by the Avon Park Ministerial Association, the services will feature several musical selections, including a brass choir of the Avon Park High School band under the direction of Victor MicKunas and a solo by John Wright, manager of Radio Station WAVP.

The Rev. Russell Boaz, pastor of the First Methodist Church, will preside at the services.

Scripture will be read by the Rev. H. D. Graetz, pastor of the Union Congregational Church and the Rev. J. N. Gilbreath, pastor of the Florida Avenue Baptist Church will give the closing prayer and benediction.

A new podium is being constructed by the City of Avon Park specially for this service. Chairs will be furnished by local mortuaries. The public is invited for the services which are expected to last for 45 minutes.

JUDGE MERVIN REHRER

Judge Rehrer To Lobby For Alcoholic Bill

Highlands County Judge Mervin Rehrer left late Tuesday for Tallahassee where he expects to spend two days lobbying in behalf of a bill for compulsory treatment of alcoholics.

The bill is one of several being proposed by the Florida Association of County Judges. Judge Kenneth Cooksey of Monticello will be in Tallahassee working in behalf of the other measures.

Judge Rehrer, who authored the alcoholism treatment measure, said he hopes the bill will be formally introduced soon. He took with him a large amount of background material for study by the legislators.

Thought For Today

There is no security on this earth. There is only opportunity.

FFA Banquet Held; Honorary Farmers Named

The second annual Future Farmers of American Father-Son Banquet was held last Thursday night at the Avon Elementary Cafetorium. The banquet is a focal point of the year for the chapter.

A welcome to fathers and guests by Jerry Batson began the program, afterwhich dinner was served.

High point of the program was the awarding of honors for the year. Noel Scott was presented the Star Green Hand Degree. Solon Wilson, Jr., Chapter President, was awarded the Chapter Farmer Degree and Frank Phillips was presented a Certificate of Merit.

Honorary Chapter Farmer Degrees were presented to Mayor E. A. DeLaney, John Crittenden, C. M. Lawrence and Earl Wells, Editor of The Avon Park Sun. The degrees are presented annually to persons aiding the chapter in the program.

During the evening a report of chapter accomplishments was presented by Walter Mann and DeWayne Lemler. Use of colored slides emphasized the projects which the chapter had worked on during the year.

Entertainment for the evening was provided by the chapter quartet and Miss Lynda Shepherd, Chapter Sweetheart. The quartet is composed of Jerry Draughon, Max Still, Bob Edmondson and Randy Rewis.

Before adjourning the meeting, the chapter extended thanks to the many individuals and organizations of the area who have contributed to the success of their program during the year.

Mayor To Head Hospital Drive

Plans were instituted this week for a fund campaign to equip the new unit at Walker Memorial Hospital. Avon Park Mayor E. A. DeLaney has been named general chairman of the campaign which will be sponsored by the Chamber of Commerce.

Slogan for the drive is "Add 53 In 63". This follows the plans of the hospital to make the new wing a 53 bed addition. A new X-ray room and delivery room will also be included in the new construction. An emergency section is planned as well.

Cost of construction is estimated at around $400,000. This expense will be borne by the hospital and its sponsoring organization, The Seventh Day Adventists. The purpose of the campaign is to supply enough funds to equip the addition, estimated at about $100,000 or slightly over.

DeLaney said that a series of planning meetings would be held during the next couple of weeks to get the campaign in motion.

The new addition is expected to be completed by the contractors about June 17 and occupancy is scheduled for sometime in early September.

Venire Drawn For Jury Duty

In Circuit Court this week a jury venire was drawn for the criminal cases scheduled for trial the last week of this month.

Of the 40 names drawn, 19 are from Avon Park. They are Frank B. Hornberg, John C. Wright, Thomas Franklin Meadows, Jack Elder, George F. Lewis, A. Milford Dilley, Nicholas A. Krisky, Lewis R. Miller, Wendell Smith, Charles E. Dissinger, William J. Briscoe, Stafford C. Williams, Kenneth F. Sherer, Sr., Jessie Milton Murray, S. C. Gore, Jr., Fred Parnell Archer, Larry F. Soars, Alfred E. Edge, William A. Shaw.

Others are George B. Waggaman, George E. Wilson, Jr., Earl C. Griffis, Richard A. Robinson, W. H. Hilty, Herman O. Peebles, Robert E. Stephens, Johnnie L. Crosson, Paul W. Coburn, Richard B. Cason, all of Sebring.

John F. Coleman, Adam L. Bair, John L. Pope, Jesse C. Durrance, Johnny Lyle Curnette, Hardie Driggers, J. W. Kelsey, Lynn W. Collins, James Deshler, George Summerall, Lucious L. Henderson, of Lake Placid.

School Board [illegible] Teachers For '6[illegible]

Water Control Bill Approved By County Board In Special Meeting

[illegible] Highlands [illegible] district board appeared [illegible] management [illegible]

[illegible] suggested that [illegible] legislation [illegible] as a model for the Highlands County [illegible]. He read the [illegible] County [illegible] Wednesday [illegible]

Commission Chairman [illegible] McIntyre [illegible] attended a state meeting on water. "The water problem is more serious than we realize. The cities of the state have used up their fresh water, and they want to start using ours."

McIntyre expressed a desire for the proposed water management board to have the power to establish lake levels. He said he was particularly interested in some public body having the power to regulate the building of canals and draining of lakes. "In some areas," he said, "we have farmers on one side of the lake and sub-divisions on the other. What seems to suit one group is violently opposed by the other, and so far we have not been able to get the state board which has the power to act."

Members of the Soil Conservation board who appeared at the meeting were Katherine Waggaman, chairman; C. S. Reynolds, vice chairman; R. P. Dortch, J. C. Durrance. Robert Barben of Avon Park was the only board member absent.

Dunty promised to have the Highlands County bill ready for the regular commission meeting Tuesday. Morris Adams, Highlands County representative has agreed to introduce the legislation.

Avon Teacher Honored At State Meeting

[illegible] Avon Park High School.

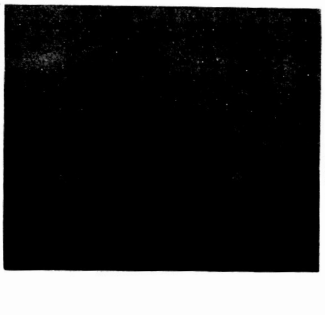
Francis Wood Band Assn. Head

The APHS Band Association met Monday night in regular session and elected the following new officers for the ensuing year: Francis A. Wood, president, Richard Pate, vice president and Dorothy Childers, secretary.

President, R. C. Adams, conducted the business. Plans were made for the band to attend the State Contest which will be held in Miami May 8-11. To raise money to help defray expenses, the band association will hold a candy sale on Main Street Saturday, April 20, and an auction sale May 3.

Failure to properly signal and then follow your intentions has gotten many a poor man married or into an auto wreck.

A NAVY PROPELLER DRIVEN training plane is shown just before making a series of napalm drops at the Avon Park Bombing Range last week. Bottom photo is graphic illustration of the havoc created when one of the fiery bombs is dropped. Navy jet aircraft also took part in the routine training exercises, which lasted four days. Plans call for additional manuevers within the next few weeks. (Exclusive Sun Photos).



Navy Utilizes Bombing Range Target Sites

The United States Navy has just completed a series of routine training programs at the Avon Park Bombing Range, Major C. R. Hooten, commander of the Air Force Base announced this week.

Hooten told The Sun that the Navy utilized the range target areas last week. Jet and propellor driven aircraft were used in the training exercises, Hooten said. The personnel involved were assigned to the Key West Naval Base.

The range commander said that last week's training programs were another indication that the several branches of the armed services are expected to make more frequent use of the huge expanse of government owned property.

Hooten also said that increased night training manuevers were expected shortly.

DON HANSEN

[illegible] Superintendent [illegible] Miracle [illegible] supplement increase for Driver Education Teacher Don Hansen was turned down.

[illegible] He will [illegible] days per week, and the other two days will be spent at the county school [illegible] Sebring.

Expansion of the driver education program is necessitated, School Superintendent Andy Miracle said, to meet the requirements of a law passed in 1961. The Florida Legislature added driver education to the list of subjects required for high school graduation.

Miracle suggested a supplement increase of $200 for Hansen who would coordinate the county program. The

Tallahassee Tattletale

By Jennie Reninger

We are open for business!

Tuesday morning amid flowers, confusion and a small battalion of photographers, Legislators shook hands and then squared off for what promises to be a battle royal—mostly about money they don't have.

Representatives looked exactly like Senators and all the ladies were perfectly lovely in simple little frocks no one would notice—naturally, each wore a hat that would knock your eye out.

Our big moment came when Hayward Davis was sworn in as State Senator of the 40th District. Carol, youngest Senate wife in the State's history, watched the ceremony from her husband's flower filled desk. Seated nearby were two dewy-eyed secretaries, Hazel and Jennie, and between them the proudest women in Tallahassee—Mattie Ora Collier—Hayward's mother.

Representatives, Smoak of Charlotte and Adams of Highlands fledgling Legislators themselves—hosted their Senate colleague at the joint session. Governor Farris Bryant launched his 50 minute filibuster by recalling the Good Old Days of the [illegible] session—an obvious effort to soften-up the boys before he held out his tin cup for $125 million in taxes.

Hardly had the Governor left the rostrum before television personel focused cameras on two veteran Representatives and one Senator (you guessed it) Davis of the 40th, and asked them to comment on the Governors speech. I still don't know what the Senator thinks, but what he said was most diplomatic.

We are all settled for the duration. Your Senator has an office—Lucky, Number 13 in the Lost and Found Department on the third floor. Madam Secretary, Hazel, is ensconced in a four by six cubicle complete with desk, chair, filing cabinet and phone. Your's Truly, The Tattletale, rates a battered desk out in the hall at the head of the stairway. Everyone who comes panting up two flights to pay their respects to the Freshmen, mistake me for "INFORMATION" and greet me like a long lost friend. This is like dew to my wilting ego and gives me a false sense of importance.

I might as well admit, I've been right uneasy about Senator Davis! Ever since we arrived in the Capital he's been getting up at daylight; tramping corridors and knocking on one Legislator's door after another. I was just before tactfully suggesting, "Listen Bud, The Election's over. Why don't you just relax and quit campaigning?" Fortunately for me, the President of the Senate announced committee appointments a matter of minutes before I opened my mouth and put my foot in it. How is this for a Freshman Senator's Committee assignments?

Chairman, Building and Loan Associations, Vice Chairman, Judiciary "B", Member of Citrus Fruit, Corporations, Drainage and Water Conservation, Education - Public Schools and Junior Colleges, Mental Health, Prison and [illegible], Public Health "B", Salt Water Conservation. [illegible] Senator Davis [illegible] picked up that many juicy committee appointments [illegible] his office [illegible] oversized ashtray.

Representative M[illegible] A[illegible] is top man [illegible] tory, but don't try to [illegible] office without a [illegible] hounds—you can [illegible] from the State Correctional Institution, since Morris is a member of that committee. He [illegible] also Vice Chairman of Motor Vehicles and Carriers and a Member of Executive Communications, Judiciary A, State Institutions, and, most important of all, the Citrus Committee. If any of you grove owners think citrus prices are too high, write either your Representative or Senator. They both attended a meeting with citrus bigwigs yesterday and another hassle is scheduled this week.

Legislators and their wives have been entertained by everyone from the Governor down. Hazel and I are well and happy. Did you notice we got a $2.00 raise? Now we can eat twice a day and be a bit choosy about our lobbyists. Right now I have to dust one of them; two Senators and a page boy off my desk so I can get to my typewriter and start Tatteling.

Ticker Talk

HOW BUSINESS LOOKS

[illegible] as well as [illegible]

[illegible] January [illegible]

Unless purchasing power takes a fairly dramatic turn for the better, there must be some doubt about retailing continuing so strong.

With activity in most fields rising or falling but little, it is not too surprising that personal income should not climb too fast. Yet such a fact can at the same time raise [illegible] feelings.

During the 14 months of post-recession rise, personal income picked up briskly enough. For the past ten months, however, the gain has been slow indeed. And in January, if you ignore a one-shot injection of veterans benefits, there was a [illegible] from December.

In the commodity producing industries, wage-and-salary incomes have been sliding slowly ever since last July.

This is due largely to lagging payrolls in the manufacturing sector of the broader commodity producing category.

For January, wage and salary payments in manufacturing were $[illegible] billion at a seasonally adjusted annual rate. That was down a little from December and the lowest in the last [illegible] months except for October, and October weighed in at the same level as January.

While manufacturing output is estimated to have held level ever since the middle of last year and payrolls have done nearly as well, employment has been slowly falling behind [illegible]

In January, slightly more than 16½ million hands were employed in manufacturing. Had normal seasonal trends [illegible]

[illegible] durable goods [illegible] The total last month came to an estimated $16.2 billion, seasonally adjusted [illegible] $4[illegible] better than [illegible]

[illegible] year earlier [illegible] was hedging against a steel strike [illegible] months last [illegible]

Meanwhile the value of [illegible] billed [illegible] to outrun new orders booked, backlogs are believed to have sagged [illegible] $[illegible] million.

This column is furnished by the Research Department of Francis I. duPont & Co., Sarasota office.

Sales Taxes Up Over March '62

TALLAHASSEE — State Comptroller Ray E. Green said recently that gasoline tax collections for March totaled $11,210,809, a decrease of $788,438 under February.

Green said March collections topped the same month of last year by $121,361. A total of 160,911,3[illegible] gallons of gasoline was sold last month.

When I hear its quiet jingle
Breathing from some bosky
dingle
In the wood!
'Tis when the moon's pale
glimmer
Makes the woodland shadows
dimmer,
And the silent ponds to
shimmer
At edge of night;
'Tis then I hear it singing
[illegible] notes so softly
swinging,
Like fairy silver bells all
ringing,
At twilight.
I [illegible] that I [illegible] sometime
[illegible]
Missing woodland dales to ring,
[illegible] day and night with
[illegible]
[illegible] through sun
[illegible]
[illegible] wild
[illegible]
[illegible] heart had lost
[illegible]

SUNRISE IN HOLLYWOOD

This is the city where pretense is a profession . . . where emotion is an art. This is Hollywood's famous Bowl at sunrise on Easter morning.

Thousands raising their hearts and prayers to the Lord of Reality . . . of Truth!

Don't be deluded by the artificiality which sometimes claims the center of life's stage. There is a hunger in the souls of men which our air of well-being cannot hide. There is frustration, futility, despair—and man's calculated unconcern cannot disguise it.

To our churches—to worship, hymn and prayer—we turn when we tire of dreaming and pretending. Can we claim any glory greater than that we are the children of God? Can we own any allegiance bolder than that we are the disciples of Jesus Christ . . . Risen, Victorious?

Easter is the climax of life's drama . . . on which the curtain never falls!

Copyright 1963, Keister Advertising Service, Inc., Strasburg, Va.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The [illegible] is holding a car wash in Donaldson Park every Saturday for [illegible] until they go to State Contest. The prices are $1.00 for large cars, 75 cents for "compacts" and 25 cents extra for white wall tires. All proceeds go toward paying [illegible] way to State Contest.

—o—

Seniors, Bill Ward and Roy Coats, and Juniors, Donald Whitcomb and John Rhoades were accepted into the National Honor Society, March 27. The high school auditorium was beautifully decorated for the impressive ceremony.

All Juniors and Seniors with no grade lower than a "B" at the end of each grading term are eligible to become members of the N.H.S. The names of these students are then turned over to a committee of faculty members to be graded on the following points: service, leadership, character, and growth. The students are graded in each of these areas as follows: 6, superior; 5, very good; 4, good; 3, average; 2, below average; 1, poor. In order to be accepted, students must maintain a 5 average on all of these points. While writing these grades, teachers may make any additional comments they feel necessary to help reach their decision.

—o—

Future Homemakers of America, Kathy King and Judy Pritchett, assisted by Chapter Mother, Mrs. Arlin King, served refreshments to members of the faculty in the homemaking room Tuesday afternoon, April 2. This was one of the local activities observing National F.H.A. Week.

—o—

The newly elected officers of the Key Club are John Rhoades, President; Steve Seims, 1st Vice President; John Rodgers, Secretary; Wayne Strickler, Treasurer.

—o—

Friday, April 5, the students of Avon Park High School voted on the proposed revised Student Body Organization Constitution. Since a two-third majority did not vote "yes," the proposed Constitution was not ratified. All students with suggestions for changes should notify their homeroom representatives.

TO STATE SCIENCE FAIR Doug Stone left, son of Mr. and Mrs. B. D. Stone, is shown just before he left for the State Science Fair in Tampa last week. Stone won first place in the chemistry division at the regional fair in Sebring last month. He also won third prize overall. Shown with Stone is his teacher Jim Martindale of Avon Park High School. Our Feathered Friends

BY THE BIRD WOMAN

[illegible] Avon Park. I haven't had any papers from home since December and I don't know whether the articles I sent from here were printed [illegible] the Christmas number and [illegible]

I am enclosing an article and will have some more ready, if you care to print them, when I get the back numbers from the Post Office I will be able to check. I hope nothing will interfere with my regular schedule from now on.

Thanking you for your patience.

Bird Woman (Mary Davis)

SPRING IS HERE!

We hear the news shouted out from the TV programs, Spring has arrived! We do not need a calander or weather report to tell us when Spring has arrived, in some peculiar way, we, the human family, is related to every thing else on earth, and the actions of the insects, birds weather or planets effects all the rest of us.

This year even after Spring had officially been proclaimed, we read of blizzards, snow storms and freezing weather, in areas where Spring usually means something different.

In our state the seasons usually do not have such marked marked difference, we glide smoothly from winter into Spring noticing very little difference in the weather we note that the trees are putting on new foliage, even those that retained their foliage during the winter, gradually shedding a few old leaves at a time as they are crowded out by the new leaves appearing.

But there is marked activity among insects and birds, the air is full of bird song, some of it we recognize and some of it comes from migratory birds that have spent their winter in South America on the Keys and are stopping to rest and feed.

No doubt we have all seen the robins congregating on the lawns and re-fueling with insects and earth worms before they start their long flight home.

Another harbenger of Spring in the north is the appearance of the blue bird, many returning to their last years abode.

But wherever we might be it is not unusual at this time of year to see a wedge shaped formation of geese flying high and honking noisily. The geese that have been spared by the hunters while spending the winter with us, are hurrying north to begin nesting.

Many areas have experimented with trying to coax some of these migratory birds, especially the Canada Goose to stay and make some of the southern areas their permanent home instead of just a winter home.

Areas have selected and seeds sown, which is desirable to them for food and people marvel why the geese do not accept their offering.

I presume it would be like geese selecting a home site for us, which to them would seem perfectly appropriate. At one time an effort was made in Florida to induce these birds to stay, but it hasn't worked so far.

One reason that we still have as many Canada Geese as we have is because when they leave their winter quarters they fly far up into Canada where it is sparsely inhabited, and their nests are undisturbed and their young reach maturity.

One area in Washington State has come up with quite a unique idea that seems to solve the problem for their area. Their area being so much further north [illegible] It seems that the sportsmen [illegible] started the [illegible] geese [illegible] that as soon as the young are hatched they will leave the nest and find the nearest body of water. So when the [illegible] was started they [illegible] and made a hole [illegible] to leave home would find a convenient opening.

They then lined the tubs with dry grass and placed them in convenient places, in the forks of a tree or an old stump, always near water, and sat back to see what would happen when nesting time came near.

The first season the geese took seriously to nesting in their ready made homes, and in 1960 three hundred goslings were raised. In the ten days laying period, six to eight eggs are laid, and each egg must be dampened and turned daily. Geese mate for life and although they both share the responsibility of rearing their brood, the gander does not help with the incubation, but stands by to hiss and honk his goose back to the nest when he thinks she has been away long enough.

It seems that the west will have a better goose population if this plan continues to work. When geese are eight to ten

Here and There

[illegible]

Miss Tina Ann DeLaney has returned to Erskine College in North Carolina, after spending the Spring holidays at home with her family, the Jack DeLaneys on S. Highlands Avenue.

Mr. and Mrs. Charles W. Logan and son, Charles, from Battle Creek, Mich. are visiting his mother, Mrs. Mildred Logan, and brother, James W. Logan, of Miami.

Miss Nancy Nunnallee, who attends the University of Florida, Gainesville, was at home with her family, the Bert Nunnallees at Pinecrest, for the weekend.

Mr. and Mrs. Selwyn Merrill left Monday for their home in Bristol, New Hampshire, after spending the winter months here for the third season.

WOMAN'S CLUB President — Mrs Sarah Reaves is the newly elected president of the Avon Park Junior Woman's Club. She succeeds Mrs Sue Hood as head of the organization.

Art Exhibit Is Feature Of Club Meeting

The regular meeting of the Avon Park Woman's Club last Friday featured an exhibit of arts and crafts, under the direction of Mrs. I. H. Ford.

President, Mrs. S. F. Elkhill, welcomed the members. Mrs. William Becker gave the devotional, Mrs. Edna Jackson led the singing and others on the afternoon's agenda were Mrs. Ed Reisner, Mrs. John Hay and Mrs. Frank Thierolf, who reported from the Avon Park library that the circulation of books for March was the highest on record.

An offering was taken for the Boys Ranch fund. Four place settings of china were received but the president asked that others who had promised a set should please turn them in.

Dr. Ruth Phillips gave a report on International Relations, which was most interesting.

The art exhibit was enhanced with talks given by various persons on the subject. Mrs. Ford gave a brief resume of the life history of Rembrandt and other artists. Mrs. Jackson reviewed famous music composers and played piano selections. Mrs. A. M. Luyben gave an illustrated talk on Mosaic tile work and laid plans for classes in ceramics to be held at the club house beginning next Fall.

Tuesday, April 11, a work day for making Cancer Dressings will be held at the club house, beginning at 9:30 a.m.

The president asked that members begin now to make articles which can be sold at Christmas time for the club building fund.

Mrs. E. G. Todd and Mrs. H. Maxwell, who have been named as sponsors for the Junior Club, and Mrs. Elkhill were guests at the Junior Club's annual banquet last Tuesday night at Lake [illegible]

Mrs. Elkhill, Mrs. Eric[illegible] Mrs. [illegible] Roche and [illegible] Thelma Merrill will atten[d the] FFWC convention in Day[tona] Beach on April 16-19.

Mrs. Margaret Love, c[hair]man of the courtesy comm[ittee] was assisted by Mrs. Roche [and] Mrs. Ericksen to serve [illegible] and cookies which were [fur]nished by Mrs. Elkhill.

A couple of salads to freshen [illegible]

Green and Gold Salad

1 1-lb. can (2 cups) gooseberries
2 pkgs. lemon-flavored gelatin
½ cup sugar
[illegible] orange juice
[illegible] celery slices
[illegible] cup broken walnuts

Drain gooseberries, reserving syrup. Add water to syrup to make 1¾ cups. Heat 1 cup of syrup mixture just to boiling. Pour over gelatin and sugar, stir to dissolve. Add remaining syrup mixture and orange juice. Chill till partially set.

Stir in gooseberries, celery, and nuts. Pour into 6x10x1½ baking dish. Chill till firm. Cut in squares and serve on lettuce [illegible] with [illegible] of orange sections, if desired.

[illegible] servings

Pennsylvania Dutch Lettuce

[illegible] slices bacon, diced
[illegible]
1 beaten egg
[illegible] cup minced onion
[illegible] tbsp. sugar
[illegible] tsp. salt
[illegible] cup vinegar
2 tbsp. water

1 bunch leaf lettuce

Cook bacon till crisp. Combine remaining ingredients except the lettuce; add to bacon. Heat just to boiling, stirring constantly. Tear lettuce into bowl, pour hot dressing over and toss lightly.

Art Exhibit Is Feature Of Club Meeting

The regular meeting of the Avon Park Woman's Club last Friday featured an exhibit of arts and crafts, under the direction of Mrs. I. H. Ford.

President, Mrs. S. F. Elkhill, welcomed the members. Mrs. William Becker gave the devotional, Mrs. Edna Jackson led the singing and others on the afternoon's agenda were Mrs. Ed Reisner, Mrs. John Hayes and Mrs. Frank Thierolf, who reported from the Avon Park library that the circulation of books for March was the highest on record.

An offering was taken for the Boys Ranch fund. Forty place settings of china were received but the president asked that others who had promised a set should please turn them in.

Dr. Ruth Phillips gave her report on International Relations, which was most interesting.

The art exhibit was enhanced with talks given by various persons on the subject. Mrs. Ford gave a brief resume of the life history of Rembrandt and other artists. Mrs. Jackson reviewed famous music composers and played piano selections. Mrs. A. M. Luyben gave an illustrated talk on Mosaic tile work and laid plans for a class in ceramics to be held in the club house beginning next fall.

Thursday, April 11, a work day for making Cancer Dressings will be held at the club house, beginning at 9:30 a. m.

The president asked that club members begin now to make articles which can be sold at Christmas time for the club's building fund.

Mrs. E. G. Todd and Mrs. T. H. Maxwell, who have been named as sponsors for the Junior Club, and Mrs. Elkhill were guests at the Junior Club's annual banquet last Tuesday night at Lake Byrd Lodge.

Mrs. Elkhill, Mrs. Ericksen, Mrs. Fannie Roche and Miss Thelma Merrill will attend the FFWC convention in Daytona Beach on April 16-19.

Mrs. Margaret Love, chairman of the courtesy committee, was assisted by Mrs. Roche and Mrs. Ericksen to serve coffee and cookies which were furnished by Mrs. Elkhill.

Bride Elect Shower Honoree Monday Night

Miss Elizabeth Howell was the inspiration for a bridal shower Monday night given by eight hostesses in the Social Hall of the First Baptist Church, Mtd. H. L. McCully, Mrs. M. T. Suggs, Mrs. H. C. Hemphill, Mrs. Mozelle Arnold, Mrs. H. A. Baughan, Mrs. L. W. Wicker, Mrs. Raymond Cook and Mrs. E. A. Martin.

The Social Hall was elaborately decorated with green and white streamers, showered with small umbrellas and wedding bells. A profusion of Spring flowers added beauty to the scene.

The honoree opened her gifts and put them on display, after which the guests were entertained with a skit depicting scenes from Thornton Wilder's play, "Our Town." Mrs. Suggs and her students from the English class at APHS presented the play. It was a clever presentation with students taking the character parts, but substituting the names of the McFarland-Howell families for the original play cast, which added much merriment to the occasion. Mrs. D. J. Willis sang, "In Search of You" and Miss Cheryl Guerndt led the group in singing popular love songs.

The green and white color scheme was reflected on the refreshment table with a green damask cloth overlaid with white net. The punch bowl centered the table with a circle of fern and roses at the base. All table appointments were in crystal. Decorated cake squares, nuts and mints were served with the frosted lime sherbert. Janice Mills and Sandra Cook presided at the punch bowl.

The hostesses presented Miss Howell with a piece of crystal for her chosen pattern.

Mr. Ed Speaks

by Mr. Ed

THAT AIN'T HAY, BUD

... Monday's Hash if it all could be crammed down the throat of those who dish it out. Me—I'd rather use regular tooth-paste and have twenty-one per cent fewer commercials. Folks have been fooled so long that they don't feel dressed up 'less they're wearing their fools-cap.

I'm for all this needing more room in the Pentagon. Me-thinks I'd be for building a Red House out back of the White House so we can keep an eye on the Com... while we keep them out from under foot. They could have Pink janitors—Yellow pages,- and every-thing would be touch-and-go. The cost ...? Pay for it with the empty rooms left in the Pentagon. Besides, it would save a lot of wear and tear on our red carpet.

I'm for calling a halt on our National Park development. Paying one cent per can for all those empty beer cans would go a lot farther toward keeping America beautiful. How 'bout that. Now all this ain't hay Bub, it ain't nay. There are a lot of things one can be for ... when it's managed right.

Now I'm for my oats and a good ... Folks in ...

Mr. Ed

Here and There—

Mr. and Mrs. T. O. Ma... from an extended ... Hawthorne ...

Mrs. McKonas is the wife of APHS Band director, V. McKonas. She received her training at St. Petersburg Junior College and Florida State University, studying with Frank Mellor and Jane Gramm. She was soloist at Christ Methodist Church in St. Petersburg and performed as soloist in the Messiah and in Elijah in that city before coming to Lake Placid and later to Avon Park.

The public is invited to attend.

301 Persons Die In Highlands County In '62

... State Board of Health ... has increased from 274 in 1961 to an estimated 301 in 1962. Broken down by counties, thirty-four counties showed an increase in cancer deaths. Twenty-eight counties showed a slight decrease. Five counties had the same number of cancer deaths in 1962 as in 1961.

The Society spokesman also pointed out that although the cancer death rate is still increasing, we can be encouraged by the fact that the cure-rate is also increasing. Today, he said, 1,200,000 Americans are cured of cancer, whereas in 1957 the figure stood at only 950,000. Actually, about 177,000 Americans will be saved from the disease this year. However, about 88,000 cancer patients will probably die of cancer in 1963 who might have been saved by earlier and proper prompt treatment.

Because the public should be kept even better informed about cancer, and what to do about it, he said, is the reason why the American Cancer Society in its current Educational and Fund-Raising Crusade is stressing the needs: "To Cure More - Give More" and "Fight Cancer With a Health Checkup and a Check."

New Bill May Cover Senior State Citizens

TALLAHASSEE — Florida may be offered a plan to provide accident and health insurance for many of its needy 65-year and older population through the federal Kerr-Mills law, State Insurance Commissioner J. Edwin Larson indicated recently.

Larson said he is sending a personal representative from his staff to Washington to confer with top officials of the Department of Health, Education and Welfare to learn of means by which the state can participate under the Kerr-Mills law in Accident and Health plans for its older citizens. This law provides a federal grant to states for medical services for the aged. Commissioner Larson indicated a thorough check will be made of provisions in the act before any recommendation is made to implement it in Florida.

Deputy Insurance Commissioner Al Day will discuss the ... Kerr-Mills law with Ivan Nestingen, top assistant to the Secretary of Health, Education and Welfare, Anthony Celebrezze.

... County Senator W. C. (Cliff) Herrell, Chairman of the ... Committee on Public Health and Welfare, had requested that Commissioner Larson ...

... Department of Health, Education and Welfare ...

Senator Herrell and Committee ... plan ... which would facilitate the sale of hospital medical insurance to elderly persons who can afford to buy reasonably priced health insurance. Commissioner Larson advised the committee that his office was drafting legislation to permit any qualified agent to offer such insurance for all companies without additional license stating that four Florida companies and 37 out of state companies licensed in Florida now had filed, with him, special plans providing health insurance for the elderly.

Livestock Feed Program Is Extended

The authorized period for the Livestock Feed Program has been extended to run through April 30, Ralph S. Richardson, ASCS County Office Manager announces. The program period would have expired on March 31st. Secretary of Agriculture Freeman approved the extension in order to give producers additional time to feed corn previously purchased under the program and to permit eligible livestock producers to produce additional corn where it is needed. Late frosts during March have further damaged pastures in some areas of the State that were already severely damaged during the freeze that hit Florida last December.

The final date for filing applications to purchase corn under the program is April 15, Richardson states. Livestock producers are eligible to purchase corn under the program only if they do not have sufficient feed on hand for their livestock for the authorized period and are unable to purchase it through normal trade channels without undue financial hardship.

County Office Manager Richardson urges interested livestock producers to contact the ASCS county office before the April 15 deadline for complete information on the program.

Investigation Of West Coast Tributaries Set

... Senator Spessard L. Holland ... Florida ...

Senator Holland ... that the U.S. Department of Agriculture's Soil Conservation Service, together with Forest Service and ... Research Service will participate in the ... in cooperation with the Florida Board of Conservation. A field planning party has been organized including an engineer, hydrologist, economist, part-time geologist and field aides to carry out the studies and investigation. Personnel of various State agencies concerned with resource conservation, fish and game, and navigation improvements will also participate, he said.

The planning program, added Holland, "will be comprehensive and will include consideration of flood prevention and control, drainage, irrigation, navigation, water supply, wildlife, recreational facilities, water quality control, fish and ... and conservation of land and related matters."

The cooperative survey will be completed about July 1, 1965, the Senator indicated. It will include all streams that discharge into the Gulf of Mexico or its bays from, but not including, the Suwannee River south to, but not including, the Caloosahatchee River. The area include all or parts of the following counties: ... Alachua, Manatee, Citrus, Hernando, Sarasota, Pasco, Lake, ... Hillsborough, ... DeSoto, ... and Highlands.

Federal Grants Expected To Aid Fishing

TALLAHASSEE — [illegible]

[illegible] derived principally from the sale of fishing and hunting licenses, all of which are budgeted annually, additional [illegible] such as provided in the Fishing Improvement Bill is essential in order to participate in the Federal grants program.

According to Aldrich, these Federal grants-in-aid can greatly accelerate an outdoor recreation program that is not only vital to the economy of Florida, but recognized as essential to the spiritual, cultural, and physical welfare of the citizens. Florida simply cannot afford to lose these opportunities for expansion of the State's fish and game program.

FOUNDERS CIRCLE

Founders Circle of the Garden Club will meet at the home of Mrs. A. C. Wester, the new Federation president, Thursday morning of the week. Mrs. B. F. Camp will be co-hostess. Mrs. J. A. Johnson will discuss "Landscaping for Outdoor Living."

REBEKAH LODGE TO MEET

Eleanor Severn Rebekah Lodge will meet in the Brickel Hall Monday, April 15, at 8 o'clock.

Holy Week Services At Local Church

[illegible]

On Easter Day there will be celebration of the Holy Communion with Easter [illegible] and 11 [illegible]. On Easter Monday, April 15, and Easter Tuesday, April 16, the parish [illegible] Holy Communion at [illegible] followed by distribution of the Blessed Sacrament to those who [illegible] unable to attend Easter services.

Fabulous Fish Spot Reports Good Yield

TALLAHASSEE — Florida's newest fabulous fish spot provided an estimated [illegible] of fresh water fish to 2,200 fishermen on March 30, the opening date for Deer Point Lake in Bay County. Creel census indicated that during the first twelve hours 20,700 fish were [illegible] of the Game and Fresh Water Fish Commission, according to A. D. Aldrich, director.

The 5000 acre Deer Point Lake, located north of Panama City, was created when the County Commission of Bay County constructed a dam across a portion of North Bay, which resulted in a salt water bay being turned into a fresh water lake. The primary intent of the impoundment was to supply a source of fresh water for industrial and community purposes. The new lake in addition to supplying fresh water has also provided an unlimited source of fresh water fishing and outdoor recreation for the residents and visitors to the Bay County area. The lake is capable of supplying at leat 500 million gallons of fresh water daily.

According to Aldrich, the successful opening of Deer Point Lake is indicative of a properly planned and carefully executed fisheries program. Commission biologists started planning a management program for Deer Point Lake in 1956, six years prior to the construction of the dam. In every instance where a lake is placed under fisheries management program, the ultimate results are better fishing for the benefit of both the fisherman and the local interest, Aldrich said.

South Flirod fishermen can look forward to the April 13 opening of five new phosphate pits that have been under management in the Pleasant Grove Fish Management Area. Located in Hillsborough County, the Pleasant Grove Fish Management Area is eleven miles south of Plant City and about twenty miles from Tampa.

If You're Interested In Square Dancing: Here's Some Tips

By Cliff Seifert

[illegible]

So why not [illegible] Get that little [illegible] book and remember if you have a space of about 12 foot square in your patio, in your Florida room, or even on your lawn, you have a place where you and your friends can learn to be square dancers.

Here's Some Tips For June Brides To Be

In [illegible] May [illegible] that May showers [illegible] But [illegible] never realize [illegible] announcements often bring [illegible]

Postmaster Roy Young [illegible] getting married. [illegible] post office employees are concerned," says the postmaster, "everyone in the service is anxious to contribute whatever he can to the success of these happy occasions. But sometimes the ones most interested in getting people happily started in life make helping very difficult for those of us who are charged with getting it quickly and accurately to its destination."

Take shower invitations for instance. If they are entirely printed, mimeographed, duplicated or otherwise wholly reproduced by machine process they may be mailed in unsealed envelopes — or in sealed envelopes third class — at the third-class rate of 4c each. If, however, the date, the hour, the place the shower is to be held, the name of the prospective bride, and other pertinent information is shown in handprinting, handwriting, or typewriting, the first-class rate of postage must be applied, regardless of whether the invitations are in sealed or unsealed envelopes. The same regulations apply, of course, to wedding announcements, reception invitations, birth announcements, and similar printed items on which additional information is sometimes entered.

Postmaster Young assures us that "the postal service is anxious to carry the glad tidings of marriage and its many associated functions quickly and accurately to all who are concerned wherever they may be." Those who have questions about how to make up mail of any type should call GLendale 3-3855.

Goodwill Aids Handicapped

A total of 47,181 handicapped people were employed by the 127 Goodwill Industries in the United States in 1962, Goodwill's annual report reveals.

More than 41,000 of those served received training and employment in Goodwill workshops and another 5,250 were given professional rehabilitation services designed to make them employable in normal commerce and industry.

Florida has Goodwill Industries plants in St. Petersburg, Miami, Orlando and Jacksonville.

Goodwill's program nationwide was made possible largely through income producing activities of the combined Goodwills which provided more than $45 million in revenue. Another five million dollars was contributed to the Goodwill programs for subsidizing services or for capital needs.

Thunderstorms Blessing To Fire Fighters

Florida's summer thunderstorm is a mixed blessing, in the opinion of Florida Forest Service firefighters.

During severe drought which touched most of the state last year, thunderstorms added inches of welcome rainfall. On more than one occasion when it seemed to weary crewmen that a raging forest fire could not be stopped by their own efforts, the rains came.

New fires are also less likely to break out, when rain dampens surface litter.

But with the rain last year, much of it recorded as thundershowers, came a sharp increase in the number of forest fires caused by lightning. Of 8,608 forest fires occurring during the bad fire year 1962, not less than 1,120 were started by the fiery bolts which often herald a summer storm.

But lightning is not peculiar to summer. It may ride with a winter thunderstorm as a cold front moves in.

Thirteen per cent of all Florida forest fires last year were caused by lightning. In 1961, lightning was blamed for six per cent of Florida forest fires.

Campfires sparked two per cent of last year's forest fires; smokers, 15 per cent; debris burning, 26 per cent; incendiarism, 36 per cent; machines such as railcar hot boxes, or even power saws, six per cent; miscellaneous included electric fences and firecrackers, two per cent.

During 1962, state crews in suppressing fire saved rural property valued at more than $3,000,000—houses, fences, pasture, vehicles, and farm buildings.

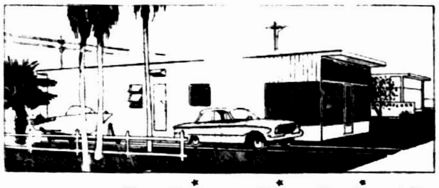
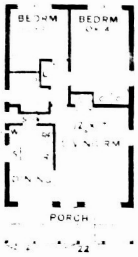
The Jacaranda





Two-Bedroom House Designed For Building On Minimum Width Lot

[illegible] dining area [illegible] porch.

[illegible]

The [illegible] dining alcove facing the lefthand window can be separated from the living room by a folding door (see arrow on plan). The 8' x 7½' kitchen has two parallel counters with the double sink (S) under the window and the range (R) and refrigerator (RF) facing the opposite wall. The washing machine and dryer combination (W) may be tucked away in the far corner of the kitchen and easily ventilated through the exterior wall.

Storage space is emphasized in this convenient small house. The 10' x 14½' master bedroom had two three-foot closets, the second bedroom a five-foot one, and there is a four-foot-wide linen closet (L) in the 3' x 7½' bedroom hall. All closets (including the four-foot coat closet in the living room) are equipped with bifold doors for greater accessibility. The 21-inch-wide storage space back of the kitchen is divided into three sections: the outside one (housing the water heater) has room for garden equipment; the center section comprises L-shaped shelves a c c e s s i b l e from the kitchen; and the third closet opens into the living room. However, this whole storage space could be widened (for instance to 42 inches) by taking additional space from the eight-foot kitchen. By such enlarging, it could also be finished as a service entrance, especially if a carporte or garage were added along that side of the house.

Heating for this house may be supplied by: a heat pump installed in an "attic" closet above the storage area (see exhaust vent located directly over the door in the picture) with ducts in the bedroom hall ceiling and a heating-cooling register in each room; or electric baseboard radiation units installed in all the exterior walls; or an oil or gas furnace or dual waterheater installed near the bedroom hall.

Florida Council Reports

By Stanton D. Sanson
President
N. K. Winston Sanson
Florida Corporation

[illegible]

4. California, which gets 25 per cent of the nation's prime defense contracts and 41 per cent of the government research [illegible] public [illegible] state institutions of higher education, including five [illegible] doctorate [illegible] 16, if you consider the [illegible] separate University of California campuses. Forty-seven per cent of all junior college enrollment is in California.

5. There are 80,000 college students in Florida now. There will be 160,000 by 1970, but 50 per cent of that increase will take place in the next two years.

6. Of the nation's Nobel prize winners, 20 work and study in California, none in Florida. Of the 643 members of the National Academy of Sciences, 137 work and study in California, 2 in Florida.

7. California spends $3 per capita on education for every $1 Florida does for public higher education and ten times as much for private higher education.

Many other states are making [illegible] space industry with educational programs such [illegible] to have [illegible] in the near future, a definite trend will be developed as to the ultimate direction in which this space industry is going to finally settle.

And once the trend is established, it will be irreversible. There will be no diverting the traffic. It will be coming to Florida or it won't be. If we miss now, we miss permanently. There will be no second chance.

The financing for this is going to have to be obtained in two ways. We are going to have to pay more taxes and we are going to have to borrow money for education for the first time.

As noted, we spend less per capita on education than any state in the Southeast. We are about half way down the list among the states in amount of state taxation per capita, but consider that tourists pay one-third to one-half of the state taxes in Florida, and we drop to the bottom of the list.

We must borrow for education because no adequate program for the future can be completely financed out of current revenues. The same thing applies to big business. A company makes an estimate and survey of what its production and customer needs will be for the next so many years. Then it issues bonds or stock to finance the expansion program necessary to meet those needs. The people of California recently voted a $270,000,000 bond issue for the needs of higher education for one year.

Firemen Answer 13 Calls Here

Avon Park firemen answered 13 calls during the month of March but according to the monthly report presented to City Council on Monday night there was no loss.

The report showed that the smoke-eaters answered the following calls: Construction, 2; Grass, 5; Automobiles, 2; Rescue, 3; False alarms, 1. Total fire loss for the fiscal year is $2,925.

Thirty-six varieties of fish and 11 varieties of turtles live in the 72 degree water of Florida's Silver Springs.

Avon Trailer Park News

[illegible] extended to Mr. and Mrs. Bert Bristow from [illegible], lately of [illegible], who have moved into Avon Trailer Park. Their guests [illegible] were Mr. and Mrs. [illegible] from Sebring.

Katie Hager and Freda Simmons were hostesses for Thursday evening's Euchre Card Party. Five tables were at play and prizes were won by Kate Beam, LaRue Longanecker, [illegible] and Alva Thompson.

The [illegible] were the guests of their nephew and wife, Mr. and Mrs. Benjamin [illegible], Tampa last Sunday.

Mr. and Mrs. John Barrett [illegible] and daughter Susan, who spent ten days with her parents, Mr. and Mrs. Wel[illegible], are now at Daytona Beach for a few days before returning to their home in Fort Wayne, Ind.

[illegible]

Mr. and Mrs. Paul Roth and [illegible] Karl Brenner [illegible] spent last Tuesday [illegible]

[illegible]

Mr. and Mrs. Harry Simmons, who have spent the winter in Avon Park, and visiting her brother, Alfred Hager, and Mrs. Hager, have left for their home in Ohio.

Supper guests with Mr. and Mrs. Harry Longanecker on Sunday evening were Mr. and Mrs. Charles Brush of Byrd Lake, the Alva Thompsons and Charles Kindig.

Mr. and Mrs. Bland Nieukirk entertained at dinner on Friday the Paul Roths and Frank Fishers.

Mr. and Mrs. Walter Kessler had as their supper guests Friday, the George Langmanns, Mrs. Inez Sult, Mrs. Mildred Jessup and the Longaneckers.

Mr. and Mrs. Guy Engelbert spent this past weekend in Orlando with Mr. and Mrs. John Frey. The men went fishing at Cocoa Beach but they report "not very good luck this time."

Mr. and Mrs. Leo Wagner spent three days last week at Daytona Beach and they have some sunburn to prove it.

Mr. and Mrs. Phillip Dunifon of Frostproof were Sunday guests with Mr. and Mrs. Walter Kessler before they were to leave for their home in La Porte, Ind. this week.

The Paul Roths were guests of Mr. and Mrs. Karl Brenner in Auburndale on Sunday and attended church with them.

Mr. and Mrs. A. Sather of Spooner, Wisc. were Sunday callers at the Art Massey home.

Mr. and Mrs. Frank Fisher and Mr. and Mrs. Louis Shoemaker spent last Monday in Bradenton visiting the Ward Heddens and Brooke Rogers.

Mr. and Mrs. Roy Girten will be leaving this week for Hendersonville, N. C. Their Sunday visitors were Mr. and Mrs. James Lockard and Mr. and Mrs. Ted Lidenfelser of St. Petersburg.

Mr. and Mrs. A. Polson left Monday for Terre Haute, Ind.

A report from the P. R. Rusk' who have already arrived at their home in Indiana, says the weather there is good.

Goodbyes to others who have headed North include the Hortons, and this week it will be Paulsens, Roths, Davises and Thompsons. A "Hurry Back Folks" was the last farewell from their friends in the Park.

Baseball—

(Continued from page one)

but fell before Okeechobee 10-7 on Tuesday afternoon.

Okeechobee 10, Devils 7

Pitching problems plagued the Red Devils Tuesday as four hurlers paraded to the mound, but neither had much success against the Okeechobee Brahmas who slammed out 10 hits and scored 10 runs. In the meantime Avon Park collected six hits, but benefitted considerably from seven Brahma miscues in scoring seven runs.

Terry Oberle got the starting nod for the Devils, but had difficulty finding the plate, walking four in one and one third frames. He was relieved by Leonard Sullivan who also had control problems, giving way to Jimbob Maddox who suffered from the same malady. David Ward entered the box and was immediately shelled, after which Oberle returned to complete the game.

Randy Rewis and Oberle collected two singles each during the game to lead local hitters. Jim [illegible] banged out a double.

Oberle, Sullivan (2), Ward (4), Maddox (4), Oberle (6) and Bates; Rewis (6), Clements, [illegible] (4) and Robertson.

Avon 4, Kissimmee 3

[illegible] Avon Park [illegible] Kissimmee [illegible] last Friday night and [illegible] of the [illegible] Oberle started, David Ward [illegible] in the sixth [illegible] Sullivan finished [illegible] the seventh. Oberle was the winner.

After falling behind 2-1 in the first inning, the Red Devils rallied for three runs in the fifth inning on three hits, two errors and a fielder's choice. Collecting hits in the outburst were Oberle, Randy Rewis and John Rhoades. The latter rapped a double.

Oberle fanned 10 and walked five in five and two-third innings. Ward fanned one and walked one in two-thirds of an inning. Sullivan fanned two in two-thirds of an inning.

Roberts, Magnaghi (6), and Parker; Oberle, Ward (6), Sullivan (7) and Bates.

Devils Top Wildcats

A neat two-hitter by Leonard Sullivan gave the Avon Park Red Devils a 4-1 victory over Wauchula on Saturday night and pushed the locals record to 6 wins and 5 defeats. The lean righthander fanned 14 in the win and issued four walks.

The game also saw the Devils bats come to life as they rapped out eight hits, all singles. Jimbob Maddox led the hitting spree with two hits. Also collecting hits were Eddie Bates, Ken Cook, Randy Rewis, Lanse Padgett, George Kuhn and Sullivan.

Avon Park scored one run in the opening inning on an error, a sacrifice and singles by Sullivan and Maddox. They came back for another tally in the fourth on two walks and an error. They added the final two runs in the sixth on four hits.

Wauchula scored their long run in the second on two walks and a Red Devils miscue.

Wauchula 010 000 0—1 2 3

Jaycees Sell 250 Brooms; To Continue Sale

More than 250 brooms were sold last Saturday during the Avon Park Jaycees' Charity Broom Sale, to benefit the Ridge Area Day School for Retarded Children, according to Jack McAllister and Norman Pinardi, JC co-chairmen for the sale.

Jaycees will be visiting residential areas which were not covered during the drive, until the Charity Broom Sale is completed, they said. The civic club hopes to sell 500 brooms before the drive ends.

The brooms sell for $1.25 each, the co-chairmen said, with all profits from the sale going to the Ridge Area Day School.

Volume XXXIX, Number 25 Avon Park, Florida — Thursday, April [illegible]

Alcoholic Treatment Bill In Legislature

* * * * * *

Pilot Program Supported By County Judges

A bill establishing a pilot program on compulsory treatment of alcoholics was introduced in the Florida Legislature [illegible] on Monday.

The bill, introduced by 40th District Senator Hayward Davis, is a favorite measure of the Florida County Judges Association.

Highlands County Judge Mervin Rehrer spent a part of last week in Tallahassee lobbying in behalf of the measure. He said a companion bill to the one introduced by Davis will be entered in the lower chamber later this week.

Judge Rehrer said the bill is generally receiving a good reception "when it is understood." He said he took large packets of information about the bill and letters endorsing the idea to each of the legislators and members of the Governor's cabinet.

Judge Rehrer, principal author of the bill, expects to return to Tallahassee later to testify before the committee which will study the bill.

Two of the letters of commendation for the legislation come from E. A. Shepherd, chief of the Alcoholism Division of the Connecticut Department of Mental Health, Dr. W. D. Rogers, director of Florida's Division of Mental Health.

In a speech before the Avon Park Kiwanis Club Tuesday Judge Rehrer quoted from these letters.

Shepherd, who formerly headed the Florida Alcoholic Rehabilitation Center at Avon Park, said, "The plan seems to contain all the necessary ingredients for a fair and valid effort to test help for the uncooperative and recalcitrant person. It should be added to this comment that there is strong evidence to indicate that this type of pilot program will help an unexpected number of alcoholics as well as add in clear ways to the knowledge which is needed."

Dr. Rogers stated those involved in the present voluntary treatment plan have "more recently" realized "there is a definite need for a program for the involuntary patient, and I certainly agree that the program which the County Judges Association has proposed has merit."

Dr. Rogers observed that the involuntary patients "are not able to decide what is best for themselves and a program of this nature is necessary in providing proper care and treatment for these unfortunate people." He added that if the program would, during its pilot stage, prove unsatisfactory the 25-bed unit requested in the present bill could "easily be used for voluntary patients. I understand the Alcoholic Rehabilitation Center is having to maintain a waiting list and with our continued growth in the state we will certainly need more facilities for the voluntary patient in the future."

ERNEST SHEPHERD

Avon Man In Jail After DWI Charge

An Avon Park man is spending 10 days in jail as a result of his second driving while intoxicated conviction in two years.

In County Court Monday, Radford James Mitchell, white, 36, pleaded guilty to the driving charge and Judge Mervin Rehrer set a fine of $250 or 90 days in jail in addition to the jail time. Mitchell is to lose his driver's license for six months.

Louis Zell Hogan, 33, of Sebring entered a plea of guilty to driving while intoxicated and his fine was set at $200 or 90 days in jail, and his license was revoked for three months.

Roy Edwin Trimmer, 44, pleaded guilty to driving while intoxicated. It was the third such charge against the Valdosta, Ga., man in five years. Judge Rehrer set Trimmer's penalty at 30 days in jail, plus a fine of $300 or 120 days more in jail, and his right to drive is to be revoked for the maximum length of time.

Bennett Injured In Auto Mishap

Ray Bennett, 41-year-old Avon Park man, was listed in good condition at the Tampa General Hospital today, following a truck-car accident in Hillsborough County Tuesday morning.

Bennett was the driver of a station wagon that collided with a semi-trailer truck at the intersection of U. S. Highway 301 and State Road 674, South of Tampa. He received multiple injuries in the mishap.

Robert Campbell, 33, of Lakeland, driver of the truck was not injured. Bennett's car was a total loss and damage to the truck was estimated at $3,000 by the Florida Highway Patrol. Bennett was charged with failure to yield the right-of-way.

Tallahassee Tattletale

By Jennie Reninger

Stop right here if you have a surpressed desire to come to Tallahassee and are reading ths out loud to the little missus.

Truth is: No one here pays any mind to a Legislator, unless he's Speaker of the House, President of The Senate, or has several good looking secretaries.

Speaking of Secretaries: I could just cry everytime I think about Senator Davis. Poor Dear! He didn't get elected in time to learn about "The Pool" — Two hundred good looking girls—note books in hand — standing at alert, ready to dash to the assistance of any Legislator in need of a secretary. These glamour gals are available in any size or age—with hair any shade, done into "do's" that put Jackie to shame. Prescribed heels are two inches high — skirts are worn a like distance above the knee. Every applicant is chic and vivacious; know their way around; are on first name acquaintance with all the right people — some (they say) even know how to type.

Now would'nt you think "The Gentleman from Highlands" would have told Hayward about "The Pool"? But No! He just caught Morris a Mermaid and left Hayward fish for himself. Hazel insists "Senator Davis asked her to come to Tallahassee." Looking back, I believe I just mentioned when I'd be ready. Oh Well! No use weeping over wasting talent—he's stuck with us for the rest of the session.

But to get back to Morris. It must be a mile from my precarious perch at the head of the stair, to his plush layout on the second floor. I met his secretary when I called to ask him about his Committees, and was so flabbergasted to find she knew, I plumb forgot to find out her name. Like me, she has a little trouble trying to operate a typewriter, but she does have dimples and a dentifrice smile. It may take me weeks to ferret out why your Representative rates an office with a window in the New East Wing, but, rest assured, I'll keep working on it.

The minute I heard that Representative Joe Peeples of Glades, had Gladys Lorraine, Dean of Secretaries, in his office, I dashed downstairs and fell at her feet. It was Gladys who, ten years ago, taught me all I know about being a Committee Secretary. Joe, being Dean of The House, has a

(Continued on page five)

Local Chapter To Host Future Farmer Contests

[illegible] will be the sweetheart contest, a string band contest and a [illegible] calling contest.

Contestants will come from Future Farmer Chapters of Avon Park, Sebring, Lake Placid, Wauchula and Arcadia.

On Friday morning, the various chapters will vie in the [illegible] of public speaking, parliamentary procedure and softball contests.

Representing Avon Park in the sweetheart contest will be Miss Lynda Shepherd. The chapter quartet will also perform, composed of Max Still, Jerry Draughon, Bob Edmondson and Randy Rewis.

The public is invited to both sessions of competition, Chapter Advisor Dean Griffin told The Sun.

The Avon Park Chapter is still in the new stage, Griffin said, but is making strides toward becoming one of the leading FFA groups in this section. The chapter recently won the use of a new Ford tractor for the record compiled last year, the first since the program was reinstituted at the local school.

DAN NORRIS

Avon Sailor Aboard Navy Sub Thresher

M[illegible]

The last visit to Avon Park for Norris was about a year ago when he attended a [illegible] of his school classmates. Norris was among the 129 Navy personnel and civilians that lost their lives when the nuclear-powered submarine was lost in the North Atlantic during shakedown tests last week. What caused the fatal sinking has not yet been determined by Navy officials.

Norris is survived by his wife, Cecelia, three sons, Richard, 7, Robert, [illegible] and Roger, 3, all of Groton, Conn., his parents, Mr. and Mrs. Cecil D. Norris of Pahokee; three sisters, Miss Sheila Norris, a student at FSU, Tallahassee, Mrs. Cecelia Rhodes, Ft. Bragg, N. C. and Mrs. Virginia Crews of Avon Park Lakes.

Avon Firm Named In Damage Suit Involving Woman's Death

Husband of the late Joy Swanson has filed suit for damages in excess of $100,000. The suit filed in Circuit Court last week names Ridge Fuel Co. defendant along with John Franklin Welch, Sr., John Franklin Welch, Jr., Glen F. Welch and Mae F. Welch.

Mrs. Swanson was severely burned on the night of January 18 when gas fumes exploded at her home on Fourth St. in Sebring. The burns claimed her life on February 11.

The suit claims that equipment for distribution of liquid petroleum gas in the area where Mrs. Swanson lived is faulty and "below standards" required by Florida statutes. That the defendants had been negligent in training their workmen and no inspection had been provided, are also points in the plaintiff's suit.

All gas appliances had been removed from the Swanson home sometime prior to the accident.

Judge Commends Adams and Davis

"Highlands County can be proud of its delegation in Tallahassee," Judge Mervin Rehrer observed after several days in the state capital.

Judge Rehrer, who made the trip last week in behalf of legislation being proposed by the Florida County Judges Association, said that Representative Morris Adams and Senator Hayward Davis are "getting around and becoming acquainted."

The Judge said he was pleased by the comments made by the press crops about this county's freshmen legislators. He said one newsman pointed out that "Senator Davis can tell you why he is taking a certain position, and the why often makes news."

Damages Sought In Auto Mishap

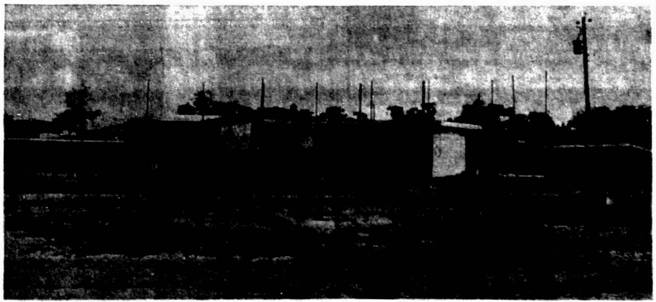
Damages of $300 are being sought in a suit filed by Mr. and Mrs. Grady Hathcock in behalf of their daughter, Dorothy Diane Hatchcock.

According to the suit, filed by Sebring attorney R. M. Clements, the Hathcock girl was injured in an auto accident on U. S. 27 a mile north of Sebring on June 8, 1962. She was a passenger in a car driven by Betty Rollins, and the Rollins car collided with one driven by F. L. Durrance.

First Federal Branch Denied

Officials of First Federal Savings and Loan Association of Hardee County, Wauchula, announced this week that a request for a branch office for Avon Park has been denied.

Paul Thomas, president of the Hardee association, told The Sun that the Home Loan Bank Board, Washington, D.C., denied the request for a branch office here on the grounds that the "need was not justified."



LITTLE LEAGUE FIELD NEARS COMPLETION—Volunteers were busy this week on the new Little League baseball field at the corner of Anoka and LaGrande Avenues. The field is nearing completion, with the dugouts, fence and equipment building finished. Lights are expected to be installed soon. (Exclusive Sun Photo).

Board Okays Water Management B

Special Science Work Underway At County School

[illegible] Biological Sciences Curriculum Study (BSCS) materials.

The Sebring Center will meet on Monday at [illegible]. Tuition will be paid by the Institute, books will be provided, and some [illegible] allowances granted to the teachers who attend.

The University of Florida is the host institution, with Dr. G. R. Noggle, head of the University's Department of Biology, to be the Institute director. Dr. W. L. Seiser, assistant professor of botany, will serve as co-director and principal professor at all three centers. Dr. R. D. Powell has been named to assist at Sebring.

Safety Program Spearheaded By Legion Auxiliary

A sign that read "WHY RISK YOUR LIFE" stop for free coffee greeted motorists as they crossed the county line into Highlands County during the Easter Holidays.

The roadside stand serving free coffee was a part of the Safety Program sponsored by the American Legion Auxiliary Department of Florida, in an effort to curb highway accidents. The station was manned by volunteers from the Highland Unit 69, Avon Park and the Leslie Collier Unit 74, Sebring.

As the tourist sipped coffee a member of the American Legion Auxiliary would explain the purpose of the free drink, then request the tourist to sign a pledge to drive carefully and to display the Drive Safely sticker on his car. Junior members who assisted with the program outnumbered those of the adult group.

Projects Listed To Aid Band In Trip To State Contest At Miami

WILLIAM HUGH HAYNSWORTH, University of South Florida student from Avon Park, works at the control panel of a computer at the National Aeronautics and Space Administration's Manned Spacecraft Center in Houston. Haynsworth, a sophomore majoring in mathematics, was one of two work-study students at the University selected to work at the Houston center during the winter trimester.

* *

Hugh Haynsworth Ends 17-Week Course at NASA's Houston Center

A University of South Florida student from Avon Park has completed a 17-week work period with the National Aeronautics and Space Administration's Manned Spacecraft Center in Houston as part of his cooperative education program at the University.

William Hugh Haynsworth, son of Mr. and Mrs. William F. Haynsworth, [illegible] East Wall St., was one of two USF students selected for assignment to the Houston center during the winter trimester, which ends next Thursday (April 18). His work with NASA is part of the University's expanding program of work-study cooperative education in which students alternate trimesters of classroom work with trimesters spent in paid, on-the-job training.

In January, 24 work-study students at USF were placed in job positions with NASA, most of them at Cape Canaveral or the Marshall Space Flight Center in Huntsville, Ala. Haynsworth, a sophomore majoring in mathematics, and Jon Axford, of Leesburg, were the first two students to be assigned to the Houston center and were carefully selected for the positions. Students working with NASA in the other two locations are required to have better than a "C" average but assignment to the Manned Spacecraft Center requires a "B" average or better. Two other USF students will replace Haynsworth and Axford at the Houston center during the coming trimester.

The Avon Park student has been operating the IBM 7094 computer in the Manned Spacecraft Center's Computations and Data Reduction Division. Under the MSC cooperative educational program he is a digital computer systems operator-trainee.

His work consists of making calculations in support of the manned space flight program such as trajectory analysis, engineering design and critical patch analysis programming. The computer center services all the divisions under MSC.

The University currently has some 40 students working with NASA on a team basis, with one student attending classes at USF while the other is on the job. George Miller, director of the work-study cooperative program at the University, said the working arrangement with NASA was begun in June and has been so successful that it will be expanded in the future.

About two-thirds of the students in the NASA program are majoring in engineering while the others are working toward degrees in sciences and business administration.

While many universities have work-study programs most of them are geared primarily to engineering or science. The USF cooperative program is the only one in the southeast which is open to all students, regardless of their majors. As a result students in business, education or even liberal arts are able to participate in the work-study program, and the University works with business firms and government agencies in placing students in appropriate jobs.

The objective of such a program is primarily to provide the student with actual working experience to supplement his classroom work, but Miller pointed out that it also has its financial rewards. The average USF work-study student earns about $900 during the 17-week work period. Students working with NASA top this average, making $1200 or more.

The students' greatest benefit from the program, however, is the opportunity it gives them to work with many of the leading men in their chosen field and to lay the groundwork for their post-college careers, Miller said.

[illegible] of water problems, the Highlands County board will add this responsibility to the work of the soil conservation board.

The five-member board is elected by the county's [illegible], and by tradition includes representatives from different parts of the county.

The Highlands board is specifically given authority to establish the level for each of the county's bodies of water and to erect water control structures to maintain that level.

Unlike some other counties, the Highlands board will not have taxing power but will be dependent upon the county commission for financing. At Tuesday's session, Polston pointed out that watershed projects which receive federal funds must have local sponsors who have taxing power. Under Public Law 566, he said, the federal government will require that the commissioners rather than the proposed water board will be the sponsors.

The soil conservation board members and commissioners agreed that after the water management function of the board is established and understood by the public, it may be advisable for the law to be amended to give some tax power to the water board.

Barber observed, "We must walk before we run, but we must come to the realization that water is a natural resource and a very important one. It really is the responsibility of everyone."

After reviewing a report on the road and bridge funds, Commissioner Cecil Skipper observed, "It looks bad, but it really isn't." He pointed out that some large yearly expenses have been met for the whole year, and the commissioners agreed that if equipment maintenance and labor costs can be reduced, the fund "will be in good shape."

"At any rate," Skipper [illegible] "we surely are in far better condition than we were at this time last year. W[illegible] we have been able to complete the [illegible] each district."

The county's fiscal year is half over and it is time to begin drafting the budget for the 1963-64 year. Clerk [illegible] Rich was authorized to notify the county officeholders to prepare budget requests for the new year. May 1 was set as the deadline for the budget requests.

Sheriff Broward Coker was granted permission to transfer $1,500 from his contingent fund into his department's salary funds.

The board voted to place $65,000 of the Health Department's building funds on time deposit with First Bank of Lake Placid. Bids had been received, and the Lake Placid bank of

ROUND-UP TIME

[illegible]

Ticker Talk

A POINT OF VIEW
[illegible]

[illegible] teen-agers' abilities have been underestimated because they are dismissed as new car buyers for lack of money. True, most won't be buying new cars unless dad is unusually affluent and generous. But they'll scrimp and save for a used car and a lot of them are handy enough to fix up some pretty hopeless wrecks. This may keep a few "heaps" off wreckers' racks for a few extra months, but in the short run it benefits the used car market and in the long run it will promote them to new car buyers.

[illegible] would help account for the auto industry's [illegible] more than 6.9 million new cars last year (6.6 million of them built in the U. S. A.) And they help account for the fact that the auto industry thinks it is likely to have just about as good a year in 1963, thus breaking industry precedent by putting two good auto sales years back to back.

To do so, of course, the industry will need a good used car market. When used cars are moving briskly and prices are good, the man with a "clean" trade-in has very little to worry about when it comes to the down payment on the new car.

This has been an outstanding feature of car sales in recent months. Dealers are able to give liberal trade-ins for the market continues to cry for more "good, clean recent models."

And this, once again, harks back to the role of teenagers. If they haven't been a major factor in keeping the market swept clean, just about everybody in Detroit has been guessing wrong. For, if the teenager doesn't buy the recent models, he takes older ones and his elders have to trade up into the recent models.

Foreign Service Posts Open To School Grads

[illegible]

To qualify, an applicant must be a high school graduate, at least 21, in excellent health, single with no dependents, an American citizen for at least five years, subject to a background investigation, and willing to go anywhere in the world. In addition, it is necessary to pass clerical and typing tests. (Secretaries must also pass a shorthand test).

For American citizens interested in working in the home office in Washington, [illegible] the minimum age is 18 [illegible] to be eligible for consideration [illegible] pass the Civil Service Clerk-Stenographer or Clerk-Typist examinations.

Interested persons who meet these qualifications are urged to contact Miss Ann Clarke [illegible] Miami for a week [illegible] April 22 through April 26 [illegible] Florida State Employment Service Office at 20 South [illegible] Ave. [illegible] Office hours [illegible] daily Monday through Friday [illegible] The telephone [illegible] FRanklin 7-2411.

If [illegible] unable to visit Miss Clarke during the week [illegible] Atlanta Mission Room 2341, Atlanta 3, Georgia.

Florida obtained 770 new plants and major expansions that created 22,000 new jobs last year, the Florida Industrial [illegible] has reported.

Here and There —

Larry Skipper of Ft. Myers spent the weekend with his mother, Mrs. Bertha Skipper.

Miss Mary Ruth Parker of Ft. Lauderdale spent the Easter holiday weekend with her sister, Mrs. Ben T. Stewart, and family, and other relatives.

Passion Play Attendance At 11-Year Peak

LAKE WALES — The dramatic story of the last seven days of Jesus on earth as told [illegible] performances of the Black Hills Passion Play [illegible] attracted the largest attendance in 1963 of [illegible] 11 years the production has been coming to Florida.

As the Play was about to go into its final week, Harold Rodgers, general manager, said ticket sales were gaining steadily and had passed 1962, the record year, when total patrons exceeded all previous nine years by more than 6,000.

Five performances are scheduled during the closing week immediately following Easter Sunday. There will be three evening performances, Tuesday-Thursday-Saturday, April 16-18-20, at 7:30 p. m.

A special matinee is set for Saturday afternoon, April 20, at 3 p. m., to accommodate customers aboard a special Atlantic Coast Line train from Jacksonville, as well as students, church groups and others wishing to attend.

The final performance for 1963 will be Sunday afternoon, May 21, at 4 p. m., preceded by a dedication event at 1:30 p. m. sponsored by the American Legion.

American Legion Posts and Women's Auxiliary groups from many parts of Florida are planning to send delegations to the ceremony at which time Arthur M. MacCarthy of Tallahassee, State Legion Commander, will dedicate a 30 foot aluminum flagpole to Josef Meier, world-famous portrayer of the Christus in the Passion Play.

A bronze plaque installed in the concrete flagpole base, to be located permanently at the entrance to the Passion Play Amphitheatre, will honor Josef Meier as one of America's outstanding citizens for his "moral and spiritual contribution to a better America."

Meier brought the Passion Play to this country from Germany in 1932.

HOT GALLONS AHEAD..

...WITH flameless ELECTRIC

QUICK RECOVERY WATER HEATERS

There's only one reason for a water heater in your house . . . to heat water fast. Whether it's a standard model or table top, no matter where you install it (you can put an electric water heater in the garage, utility room or even under kitchen and bathroom counters—there's no flue), electricity gives a super-fast, continuous supply of 150 degree hot water.

- And it's safe. No flame means no fumes . . . no pilot light.
- Heat water faster, safer —electrically.

Income Tax Season [illegible] now we can relax for another [illegible]

[illegible] Association [illegible] Tuesday night at the [illegible]

[illegible] Association [illegible] Avon meeting [illegible] Mr. [illegible] Co-chairman.

Remember [illegible] to the Association's [illegible] tonight (Thursday) at [illegible] at the club house. Plan [illegible] after the dinner.

Mr. and Mrs. H. C. Woodruff visited cousins, Mr. and Mrs. Reuben Swartout in Port Richey for several days last week. And in St. Petersburg they were guests of Mr. and Mrs. Ed Bransfield of Oak Hill, New York and Mr. and Mrs. Charles [illegible] of Conway, New Hampshire. The couples fished a great deal of the time and the "catch" was excellent, in fact, the Woodruff's brought home more than a sunburn, lots of fish!!

Mrs. Harold Harper was in the Lakeland General Hospital. We hope for her speedy recovery.

Mr. and Mrs. Wm. F. Robbins have returned to the Lakes after a week of camping in the Florida State Parks. They visited Manatee Springs, Suwanee River, O'Leno and Alexander Springs. Delightful weather and good canoeing was enjoyed. Enroute home, the Robbins stopped to lunch and visit with Mrs. Robbins' mother, Mrs. Anna Keep, in Flagler Beach.

"Welcome home" to Mrs. Gerard Liggiero who has been in New York City for several weeks.

"Aunt Dot" Merrill and Mrs. Fannie Roche were high scorers at a dessert card party given by Mrs. S. F. Elkhill on Saturday night.

Mr. and Mrs. Jack Calvert and family of Oviedo spent Easter week with Jack's parents, Mr. and Mrs. Paul Calvert.

On Thursday, Mr. and Mrs. Henry Scholl of Owensboro, Kentucky and Del Ray were guests of Mr. and Mrs. Clarence Bue.

Mr. and Mrs. Walter Meyer and their houseguests, Mr. and Mrs. Wm. Eickoff of Nokomis, Illinois visited relatives and friends in St. Petersburg on Tuesday.

The Square Dancers from the Lakes had a "swinging" evening at the Avon Trailer Park on Wednesday night.

Mr. and Mrs. Floyd Huntington entertained at a dessert card party on Saturday night. Mr. and Mrs. A. M. Luyben had high scores for the evening.

Mr. and Mrs. Peter Mattison of Detroit, Michigan and Hollandale, Florida, and Misses Kathie and Bettsy Hamilton of Grosse Pointe, Michigan were weekend guests of Mr. and Mrs. Orville Castine. The Hamilton girls are vacationing with the Mattisons in Hollandale. We hope the Easter "bunny" located everyone!

Mr. and Mrs. Wm. Nixon and family, Calvin, Joyce, Martin and Jennifer Rene of Rochester, New York are vacationing with Mrs. Nixon's parents, Mr. and Mrs. Earl Spencer on Lake Adelaide.

Mr. and Mrs. Holger Jorgensen of Racine, Wisconsin were guests of Rev. and Mrs. H. Folkestad last week. While here, the Jorgensens and the Folkestads, visited scenic places such as Cypress Gardens, The Great Masterpiece, Bok Tower and Highlands Hammocks. They also spent two days in Miami and Key West. The Jorgensens will visit on the East Coast prior to returning home this week.

Rev. and Mrs. H. Folkestad were dinner guests of Rev. and Mrs. R. J. Dahl on Easter Sunday in Lakeland.

Ladies of the Women's Group of the Association met on Thursday at the club house. Hostesses for the afternoon, Mrs. A. M. Luyben and Mrs. J. Johnson, served refreshments. After the social hour, the ladies measured and cut new drapes for the club house kitchen.

Mrs. [illegible] Mortimer [illegible]

[illegible]

Membership Committee: Mr. Al [illegible] Chairman, Mr. [illegible] Calvert.

Planning Committee: [illegible] Wm. J. [illegible] Chairman, Mr. [illegible] Mr. Herb [illegible] Mrs. Bertha Desautel, Rev. H. Folkestad, Mr. Earl Spencer.

Recreation Committee: Mr. Art Robbins, Chairman, Mr. Frank Hart.

Roads & Drainage Committee: Mr. Al Schutt, Chairman, Mr. Paul Bennett.

Safety and Fire Committee: Mr. Paul Bennett, Chairman.

The Wm. Robbins entertained 14 at a dessert bridge party on Saturday evening. Guests of honor were Mr. and Mrs. Wm. Eickoff of Nokomis, Illinois. High score was Mrs. Walter Meyer and Mrs. Frank Hart received "consolation."

Thelma Merrill, Mrs. Paul Erickson, Mrs. S. F. Elkhill and Mrs. Fannie Roche attended the Florida Federation of Women's Clubs Annual Convention at the Biltmore Hotel in Palm Beach. They enjoyed the very lovely Gold Coast Banquet which officially opened the convention on Tuesday night. Sessions of the convention were interesting and enlightening.

On Saturday night Mr. and Mrs. Walter Beach entertained Mr. and Mrs. Earl Spencer, Mr. and Mrs. Wm. Nixon and family at a dinner party in observance of Mrs. A. Leenhouts 82nd birthday. A belated birthday greeting!

Mr. and Mrs. Walter Niersthelmer and Mr. and Mrs. Charles Hopper of Miami were guests of Mr. and Mrs. Ed Tryon on Sunday.

"Experience is a hard teacher. She gives the test first and the lesson afterward."

NOTICE OF SUIT

THE STATE OF FLORIDA
TO: Madeleine [illegible] MacHandles [illegible] New York

You are hereby notified that a suit for divorce has been filed against you in the above entitled cause, and that you are hereby required to serve a copy of your answer or other written defenses on plaintiff's attorney, David F. [illegible] whose address is 34 East Main Street, Avon Park, Florida, on or before April 29, 1963, and file the original with the Clerk of the above Court; otherwise the allegations of said complaint [illegible] said written defenses [illegible]

If you fail to do so, decree pro confesso will be entered against you for the relief demanded in the complaint.

WITNESS my hand and seal of office at Sebring, Highlands County, Florida, this 27 day of March 1963.

EARL ROSS

BROOM SALE NETS $250 — The Avon Park Jaycees' Charity Broom Sale for the benefit of the Ridge Area Day School was completed this week as the last of 480 brooms were sold. Shown receiving the $250 check are Dr T. M. Daniel, left, fund drive chairman for the Ridge Area Assn. for Retarded Children, and Mrs. G. Franklyn Ward, association president. Making the presentation are Broom Sale co-chairmen Jack McAllister (2nd from left): Norman Pinardi (right) and Jaycee President Harold Worden, Jr (Center)

Avon Trailer Park News

Mrs. Lewis Booth is being missed around the Park. She has gone to visit her daughter and family in Columbus, Ohio.

George White has received his trophy from the Winter Guest Club for being high point man for the month of March.

Mr. and Mrs. Lewis Westgate of Adrian, Mich. were Friday guests at the Leo Wagner home.

Mr. and Mrs. Guy Engelbert spent a delightful weekend in North Palm Beach with friends, Mr. and Mrs. Ray Colon.

Rev. and Mrs. Russell Howard were dinner guests Friday evening at the home of Mrs. Mamie Stewart.

Mrs. Kenneth Strong and son, Kim, of Rochester, N. Y. are spending a week with her parents, Mr. and Mrs. Henry Groom.

The Grooms and Axel Nybelus were hosts to a Card Party Thursday evening when five tables were at play. Prize winners were Katherine Hager and Maude Foote, Henry Phillip and Frank Duquanne.

The Grooms are moving this week over to the Avon Park Campground. They will be missed and their friends are glad they aren't too far away.

The painting of trailers in the Park gives the freshness of Spring. To date the Lynch, Bleser, Stewart and Parhan homes have that new look.

Mr. and Mrs. Henry Phillips are on a vacation trip to visit their many friends in Missouri, where they formerly lived.

Frank Foote and his brother, Clarence, spent last Tuesday with Mrs. Euphenia Van Husen in Zephyrhills. She was a former school teacher of theirs, whom they had not seen for 55 years.

Mr. and Mrs. Harry Longanecker entertained with dinner Saturday evening. Their guests were Mrs. Inez Sult and Mrs. Mildred Jessup, who will be returning to their homes in La-Port and Hobart, Ind. this week, Mr. and Mrs. George Langmann all from Avon Park, and Mr. and Mrs. Walter Kessler from Avon Trailer Park.

Mrs. Mabel Weisenbarger of Beach Shore Park, Sebring, is receiving a big welcome as a new tenant here.

The Longaneckers and Mr. and Mrs. Charles Brush of Byrd Lake spent Easter Sunday with Mrs. Richard Longanecker in Ocoee.

Mrs. H. Morgan of Clearwater was a supper guest of Mrs. Mamie Stewart last Thursday.

Mr. and Mrs. Frank Marker have sold their mobile home and have returned to their home in Terre Haute, Ind.

The Floyd Richards left for their home in Ohio this week.

Jacaranda Hotel News

Dr. Lester Lenrow of Pasaic, N. J., who is a retired allergy consultant, is here to make the Jacaranda his permanent home.

Mr. and Mrs. Glenn Miller left this week, being among the last of the seasonal guests to return home.

The Easter Sunday dinner at the hotel drew a large crowd.

The Saturday night Family Style Dinners are proving to be very popular. This is a specialty of the hotel management from 6 until 8 o'clock every Saturday night.

The hotel has published a new brochure showing Avon Park as the center of the State of Florida, in convenient access to many outstanding attractions for out of state visitors. This brochure will be placed on racks along with other such publications, at the various places where tourists stop. Another good advertisement for the City of Avon Park.

Southland Trailer Park

The Stitch and Chatter Club [illegible] Easter favors to the [illegible] Nursing Home by Mmse. Comfort, Gerdes and [illegible]. At Thursday's meeting the ladies also decided to remember those who have April birthdays with presents.

It was decided to hold meetings of the S & C only every two weeks now and to continue to have the pot luck dinners on the first Wednesday of each month.

Activities in the Park have slowed down considerably with the winter season drawing to a close and residents returning to their homes in the north.

The Sun's society editor wishes to apologize to Dr. Sue Gould for the inadvertent mistake of reporting the news two weeks ago. Dr. Gould was hostess to a dinner at the Sebring Hotel honoring Mr. and Mrs. S. Kolk on their wedding anniversary and also her other guest was Mrs. Myrtle Hefferman. The guests reported a delightful evening spent together.

Harold Arms and his partner, Leo Wagner, won the Consolation Shuffleboard Tournament at the Winter Guest Club last Saturday.

Visitors at the Bayley home this past week included their son, Howard C. Bayley, M.D. and his wife, Ardeth, and their son, Jim, from Beaver Dam, Wisc.

During their visit all the Bayleys enjoyed a fishing jaunt in the Gulf and their catch included 30 Kingfish, weighing 10 to 22 pounds. They brought seven large fish back to share with their friends and neighbors.

Mrs. Mary Strickland has gone to visit her daughter and family at Blissfield, Mich.

Camping Trip For Girl Scouts

Eighteen girl scouts of troop 305 enjoyed a camping trip to Highlands Hammock last week. They left early Thursday morning and returned Saturday morning. Troop leader, Mrs. B. J. Smith, and her mother, Mrs. F. L. Harp, were assisted by Mmse. Millie Hancock, Grisella Murphy, Syble Padelford and Marlene Tubbs to chaperone the group.

Troop 305 is made up of 10 and 11 year olds and they worked in shifts to cook and take care of camp duties. At night they had camp fires and enjoyed singing, and once they went on a night hike under the supervision of Mrs. Beck, park attendant. They also had Jeep rides and hikes through the park and learned much about the outdoor conditions.

Explorer Troop Camping Trip

John Crittenden, troop adviser for the Explorer Troop of Boy Scouts, and Andrew W. Miracle, accompanied members of the troop on a camping fishing trip during the holiday week-end. The Explorer Troop is sponsored by the First Methodist Church.

Making the trip were Jimmy Shockley, John Rhodes, Robert and Mike Duggan, Andy and Billy Miracle, Max Still, Randy Rewis, Leonard Sullivan, G. L. Townsend and John Rogers.

Brownies To Passion Play

Brownies and Girl Scouts of Avon Park will attend the Black Hills Passion Play at Lake Wales this Sunday.

A group of parents will escort the youngsters to see the world famous portrayal. Those making the trip should meet at the Ridge Area Day School at 2:30. Scouts without parents must have written permission to make the trip.

All Brownies and Girl Scouts are requested to be in full dress uniform. Reduced prices will be offered the local group.

Crittenden Is New President Of Ridge Circuit

John Crittenden, assistant principal at Avon Park High School, has been named president of the Ridge Athletic Conference. The action took place at a meeting of the circuit held here last week. He succeeds Ray Morrison, athletic director of Okeechobee who was named vice president.

Charles Harrison, principal at Fort Meade, was re-elected secretary-treasurer.

At the meeting John Gambrell, coach of the DeSoto High School Bulldogs of Arcadia, was named Ridge Conference Basketball Coach of the Year. Gambrell coached the Bulldogs to their first cage championship in over a decade. They also completed the season with the best record of any DeSoto High School team.

The title-winning Bulldogs placed two players on the Ridge All-Star Team.

The mythical team: Jim Yarbrough and Ricky Dodd, DeSoto; Terry Oberle, Avon Park; Danny Johnson, Sebring; Ray Dambrell, Lake Placid; Sonny Burchett, Ft. Meade. Dambrell and Johnson were named co-captains, each receiving six votes.

Honorable mention went to Leonard Sullivan, Avon Park; David Llewellyn, Sebring; Terry Jones and Doyle Kelly, Frostproof; Floyd Cobb, Lake Placid; Danny Lockey, Kissimmee; Mike Willis, Okeechobee.

Tattletale—

(Continued from page one)

suite of offices which includes a conference room right off the rotunda. It was to this that Gladys and I retired to discuss the eccentricities of Legislators. Since we left the door a little ajar, Joe poked his head in after about thirty minutes and intimated he would appreciate the use of his premisses, so—as soon as Gladys finished telling her story—we ambled out into Joe's private office where a group of Legislators stood waiting. Joe—being cattle—inquired about my cows and everyone else in Highlands County. Not until I turned to leave did I realize that the two feet protruding from behind the door, belonged to My Boss, Senator Davis.

Your fledglings have been trying their wings. Last week each introduced his first Bill in The House and Senate. Afternoons, they hotfoot it from one Committee meeting to another. It was at one of these—Judiciary "B" that Senator Davis set off some fireworks Monday when he voted against a firearms Bill—which he later amended. Both appeared on Television Tuesday. This makes three times for Senator Davis. If you keep your ear tuned to Tallahassee you may hear the rumblings that are likely to result when your Senator introduces a Bill Relating to The Involuntary Treatment and Rehabilitation of Alcoholics.

At the moment we have several delegations from District 40 in town. Hence we are all acting busy and being careful—hoping they'll go home and tell everyone, "You're folks in Tallahassee are Right on The Ball!".

Philip Coch Is Buried In Conn.

Funeral services for Philip Coch, 36 N. Glenwood, were held at the Episcopal Church of Redeemer on Monday with the Rev. John Mangrum, officiating. Coch, 74, passed away here April 11.

Coch had recently become a permanent resident of Avon Park, coming here from Guilford, Conn., where he retired from the Winchester Repeating Arms Co. He was born in Germany.

The deceased was a member of the Masonic Lodge in Guilford and the I.O.O.F. No. [illegible] of that city.

He is survived by his wife, Laura, a son, Philip W. of Naugatuck, Conn., a sister, Mrs. Elizabeth Nichols of Pennsylvania.

The remains were sent to Guilford for services and burial, with Stephenson Funeral Home in charge of local arrangements.

THE TREE Climbers

Thought about climbing any trees lately? The tree climbers seem to belong to a very *young* segment of the population.

Why do you suppose most of us have outgrown that compelling urge to climb a tree? It used to make every trunk a challenge, every limb a precarious perch.

Well, we've discovered other challenges. And we've had our fill of precarious perches. Eventually a man turns his zest for triumph to more constructive purposes.

But, have you observed that many people seem to climb above the tiresome every-day level of life? And, strangely, they appear more secure challenging the roof of existence than those who cling to its floor.

The youthful compulsion which once made us tree climbers reaches maturity on a spiritual plane. Our God-given zest for triumph finds fulfilment in the quest of religious Faith . . . the challenge of Christian living! Start climbing next Sunday . . . in church!

Patricia Perez, Fred Miller Are Wed In Home Rites On April 5

[illegible]

The groom is the son of Mr. and Mrs. W. E. Miller of Pensacola [illegible] his brother Dewey Miller of Pensacola.

Mrs. Perez chose a spring [illegible] Mrs. Miller wore a [illegible] sheath dress. Their flowers were white carnations.

Among the out of town guests who attended the wedding were the groom's parents and his brothers Dewey and John, and Mrs. John Miller and their baby daughter Kerry, and his sister Mrs. [illegible] Walker, and Mr. [illegible] all from Pensacola.

Miss Nancy Nunnallee [illegible] kept the bride's book.

Reception

[illegible] Mr. and Mrs. L. F. S[illegible] of Alexander City, Alabama [illegible] celebrated their 50th Wedding Anniversary.

The three tiered cake was adorned with a miniature bride and groom standing under a heart shaped trellis. Mrs. Joe Torregrosa and Mrs. Al Yarborough cut and served the cake. Mrs. R. E. Lee and Mrs. Hattie Leighton presided at the punch bowl.

After a wedding trip through the state, Mr. and Mrs. Miller returned to Avon Park. She will remain here with her family until she can join her husband at the Seymour Johnson Base, Goldsboro, N. C. where he is stationed. He has been on special assignment at the local Avon Park Air Base for the past several months, and has been returned this week to North Carolina.

'After-Banquet' At Avon Church

The Social Hall of the First Baptist Church will be the scene of the Junior-Senior After Banquet "Frolic" on Saturday evening, April 20. The [illegible] will begin after the [illegible] Junior-Senior Banquet [illegible] school at [illegible] midnight.

An evening of fun and fellowship with a variety of activities is being planned by the Activities Committee. Mrs. [illegible] and Mrs. Wes[illegible] Smith, Mrs. Danny Wil[illegible] and Mrs. Leamon Kelly are in charge of refreshments. Those decorating for this event are Mrs. Ray Wells, Mrs. Ophelia Rihner, James Strenth and Jimmy Mills.

All Avon Park High School Juniors and Seniors and their dates are invited to the event. Otis C. Strickler, Minister of Music and Education of the church, in making this announcement emphasized that the party is planned for all Juniors and Seniors and not just those who are Baptists.

Red Devils Fall Before League Leading Sebring

"Walkitis," a disease contracted recently by Avon Park pitchers, paved the way for a victory by the Sebring Blue Streaks Tuesday night, as the locals fell before the Ridge Conference Champs, 19-2. Avon Park hurlers issued 14 walks in the contest.

The win was number 12 for Sebring without a defeat. Avon Park is now 6 and 7 for the season. The locals will host Arcadia Friday night and host Mulberry next Monday night.

Sebring jumped off for 10 runs in the opening inning, came back for two in the third, added four in the fourth and completed the fifth with three runs. Avon Park scored her two tallies in the first inning. That frame took exactly one hour to complete.

Four Avon Park pitchers paraded to the mound during the ill-fated inning. Jimbob Maddox, a promising sophomore finally put the fire out, after Terry Oberle, Leonard Sullivan and David Ward had their fling. Sullivan came back in the fifth to complete the game.

Sebring collected 11 hits, while their hurler, Sandy Foster was limiting the locals to three singles. He issued four free passes, and fanned nine.

Episcopal Holy Week

A highlight of Holy Week observances by the Episcopal Church of the Redeemer occurred Maundy Thursday evening.

Members met in the church at [illegible] for Holy Communion. Two new silver cruets were used. The cruets were given in memory of Mrs. Kathryn Mossalvatge (by her husband) and in memory of Mrs. Ada Stewart (by friends). Following the Holy Communion, the stripping and washing of the altar took place, in preparation for Good Friday.

Then all went to the Parish Hall for a Passover Supper as was partaken by our Lord the day before His Crucifixion. The supper was planned by Father Mangrum and prepared by Mrs. J. H. Hutchinson and [illegible] helpers.

The symbolic Passover Supper was followed by a [illegible] covered dish supper [illegible] by the ladies of the Parish.

Good Friday was observed by a three hour service from 12 noon until 3 p.m.

Employees of phosphate companies in Florida earned a record-breaking $[illegible] in 1962, an increase of over $10 million in four years.

High School PTA Elections Slated

The Avon Park High School Parent-Teachers Association will meet at 7:30 p. m. Thursday, April 18 in the high school auditorium for the purposes of hearing the annual operating report and holding election of officers for the coming year. All parents of high school students and high school teachers are urged to be present.

Treasurer James Anderson reported this week that the ham supper held April 6, netted the PTA about $150. This money is earmarked for the scholarship fund. Announcement of the 1963 recipient of the scholarship will be made at graduation ceremonies in June.

This year the award be in the form of an outright grant in the amount of $400. The recipient will be chosen from the highest 20 per cent of the senior class and who has made application and been approved by the faculty screening committee. Final selection will be made by the Scholarship Committee composed of: Mrs. Andrew Miracle, Mrs. Charles Shepherd, David Lanier, Bert Nunnallee and Charles Metcalfe.

Graetz Attends Church Meeting

Rev. Herbert D. Graetz will be attending the 80th Annual Meeting of the Florida Congregational Conference to be held in First Congregational Church, Winter Park this week, April 17-19. He will represent the Old Union Congregational Church of Avon Park in an Historical Procession, led by the New Smyrna Beach and Jacksonville churches which are the oldest in the state.

Others from Lake Byrd Lodge Conference Center will be attending. Mrs. J. P. Jockinsen, who operates the Lake Byrd Book Store, will be there with books and materials available.

DAR Luncheon At Avon Lakes

On Monday, May 6 at 12:30 p. m., members of Patroits Chapter DAR will enjoy a "Salad Bar" luncheon at the club house of the Avon Park Lakes Association, on Lake Olivia.

Mrs. A. M. Luyben, Chapter Regent, will be hostess and co-hostesses will be Mrs. H. O. Jones, Mrs. E. J. Nickerson, Mrs. W. S. Vorois, and Thelma Merrill.

All ladies will please bring their own table service.

This will be the annual business meeting and all Committee chairmen will present their annual reports.

MEET AFTER 22 YEARS—Joe Bass, left, and his younger brother, Billy, right, met each other last Sunday for the first time in over 22 years. The boys, shown with their father, Joel, last saw each other in Barwick, Ga., in 1940. Joe, now 29, and his father operate a service station here. Billy, 23, resides with his wife and two children in Northwest Florida.

Plans Underway For Baseball Tourney

Two-Day Meet Will Bring Four Teams To Area

Arrangements for the Class A, State High School Baseball Tournament, slated for Thursday and Friday, May 16 and 17, were underway here this week. The two-day event will pit four of the state's best prep nines, all vieing for the state championship. In the event of rain, the tournament will run Saturday.

This year's tournament will mark the third time in recent years a state title event has been held here. In the previous two years, however, the Class A and AA were held in conjunction with one another. A change in procedure during the summer calls for the AA section to be played in Sarasota.

Busy taking care of preliminary chores were tournament co-chairmen Joe Franza and Guy Garr[illegible] along with Avon Park High School Principal A. B. Wilhite. Dr. H[illegible] W. Coleman, Chairman [illegible] Park Chamber [illegible] Baseball Committ[illegible] process of settin[illegible] committees and ot[illegible] Coleman said the[illegible] appointments wo[illegible] nounced next week[illegible]

A series of su[illegible] group play-offs wi[illegible] way this week, to [illegible] teams that will p[illegible] the tourney.

Admission for the tournar[illegible] will be: Adults, $1.25; Stude[illegible] 50 cents for both games.

Two Faced Wit[illegible] DWI Charges

Two drivers faced driv[illegible] while intoxicated charges [illegible] County Court this week. Ja[illegible] M. Green, Jr., 47, of Sebr[illegible] pleaded guilty and was fi[illegible] $200 or 90 days in jail and [illegible] right to drive revoked for th[illegible] months.

Mancil Eugene Powell, 30, [illegible] Alabama, entered a not gu[illegible] plea. He is to be tried in [illegible] May term of court. In the me[illegible] time he is free under $[illegible] bond.

All Soul's Chapel Dedicated At Correctional Institute Sunday

With more than 250 inmates and guests looking on, All Soul's Chapel at the Avon Park Correctional Institute was dedicated Sunday afternoon. The chapel is the religious center for the minimum security prison.

Inmates of Protestant, Catholic and Jewish faiths attend All Soul's Chapel where services are provided for each.

The Rev. W. B. Johnson is chaplain at the prison and is in charge of the religious program which is tied in with the educational and music program to compose an important phase of rehabilitation for inmates.

L. L. Wainwright, Director of the Division of Corrections, State of Florida, Tallahassee, was on hand for the dedication, along with The Rev. J. Tompkins, religious coordinator for the di[illegible] [illegible]rrections. T[illegible] [illegible]dica-lined the history of the institute, including a resume of the religious activity during the time since the prison was begun in 1957.

According to Wainwright, only 14 men were on hand for the original service in 1957. At that time ministers from Avon Park churches were in charge of services at the prison.

D. R. Hassfurder, superintendent of the institution, said that attendance at religious services is considered good, with about one-third of the institution's 700 population attending regularly. The prison religious program offers initial church related training to some inmates for the first time in their life, Hassfurder said. In many cases, this affords a spiritual relationship which is greatly beneficial in rehabilitating an individual.

The Rev. Armand Gregoire of Our Lady of Grace Catholic

F-84 Makes Emergency Stop At APBR

An F-84 jet, assigned to the Tactical Air Command, MacDill Air Force Base, Tampa, made an emergency landing at the Avon Park Bombing Range, Tuesday morning while on a routine training mission.

The sleek aircraft, piloted by Col. Leonard Wiehrdt ran short of fuel while making a bombing run on one of the range targets. He landed his aircraft under emergency measures "without difficulty," he said.

This week's landing marked the first time a major jet aircraft has landed at the Avon Park range. Major Caris Hooten, range commander, said there was some speculation that a jet would have problems landing at the range due to short runways.

However, this proved to be a fallacy in this case and Col. Wiehrdt took off shortly before 9 o'clock Wednesday morning for his home base. A crew from MacDill AFB was sent here to assist the officer with preparing his craft.

"Door-to-Door" Canvass Made Of Voters

Preliminary work is already underway for an intensive voter registration checking Supervisor Roland X. Droit said that after May 1 workers will begin a "door-to-door" canvass.

Droit said that under the permanent registration law, now in effect for 14 years, this procedure is not mandatory. The veteran registrar observed, however, "it is the only way" to make a completely accurate check of registration.

He pointed out that under the law voters are required to take the responsibility of notifying the Supervisor of Registration when they move or buy, or sell property. He said many voters do not do this.

Persons who have not voted for two years are sent cards asking whether they wish to remain on the active voter list. "No law requires people to vote," Droit said, "but we can remove from the active voter list those who do not choose to exercise the right to vote."

After the rush of three elections within the first quarter of the year, the supervisor of registration's office is back to "business as usual," and Droit said this seemed a good time to get the voter list work caught up.

Workers are now checking the lists, sending out cards, and preparing the lists for the door-to-door canvassers to use.

Trailer Will Pick Up Auction Items This Week

[illegible]

Ma[illegible] items have already [illegible] additional [illegible] needed for a big auction and make the $7[illegible] that is necessary to send the band to Miami.

If you would like to have some part in sending the band to Miami to take part in the statewide contest, look around in and about your home, find some good usable item or items that you no longer want or need, donate them to the band for the auction. Phone Mrs. Don Ball, Mrs. Hue Nunnellee, Mrs. Ben Stewart or Mrs. Roy Taylor, tell either of them about it and the Red Devil Trailer will call and pick it up.

The Candy and Bake Sale is still going on in full swing. Every little bit helps.

Juvenile To Face Charges For Forgery

A Highlands County juvenile has been bound over to Circuit Court to face forgery charges.

The 16-year-old Sebring youth has waived preliminary hearing. His bond was set at $1,000. The Sebring youth was one of three teen-agers arrested by Sheriff Broward Coker's deputies on forgery charges.

Harvey Lee Ambrose, 17, of Mississippi, and Thomas Edward Crawford, 18, of Alabama, also waived preliminary hearing in County Court. Their bonds were set at $1,000 each.

County authorities said the Sebring teen-ager has been in trouble frequently. In waiving Juvenile Court jurisdiction, Juvenile Judge Mervin Rehrer observed that the same boy had previously been charged with forgery.

CAROL ANN CHILDRESS

DEVORAH REDDICK

JOHN RHOADES

DONALD WHITCOMB

Students Named To Represent Avon Park at Girls, Boys' State

Four Avon Park High School students have been selected to attend Girls and Boys' State this summer. Named were Carol Ann Childress, Devorah Reddick, John Rhoades and Donald Whitcomb. Alternates are Bonnie Oberle, Erie Lewis, Wayne Strickler and Doug Stone.

The girls will convene at the state capitol in Tallahassee on June 1 and run through the 28. Boys will invade the capitol on July 7 and end on the 13.

The American Legion Auxiliary and Business and Professional Women's Club sponsors Girls' State representatives. The American Legion, Lions Club and Rotary Club sponsors the boys. All the students are members of the Junior Class.

Miss Childress has been a student at Avon Park since the 5th grade. She is vice president of her class and a member of the National Honor Society, Future Homemakers of America and the Glee Club. She is active in the First Baptist Church, of which her father, The Rev. A. D. Childress is pastor.

Miss Reddick is the daughter of Mr. and Mrs. Devon Reddick. She is president of Future Homemakers of America and recently received the State Homemaking Degree. School activities include memberships in: Student Council, National Honor Society and Glee Club. She is active in the First Methodist Church where she is pianist for the Youth Fellowship.

Rhoades, son of Mr. and Mrs. C. L. Rhoades, came to Avon Park from Pennsylvania in the 9th grade. He holds memberships in the National Honor Society, Key Club and active in sports. A member of the Congregational Church, Rhoades also serves as a Junior Deacon and is a member of the Chancel choir.

Whitcomb is the son of Mr. and Mrs. M. G. Whitcomb. He is treasurer of the Junior Class and Junior Editor of the school yearbook. He holds membership in the National Honor Society, Future Teachers Association and has long been active in the Boy Scouts. Donald won the American Legion Award in the 9th grade and the Science Award. He is a Junior Deacon in the Congregational Church.

Hey Kids, Don't Miss Safety Tape

All youngsters of the Avon Park area owning bicycles were reminded today to observe Bicycle Safety Week, April 22-27. To aid in this safety program, VFW Posts throughout the country are sponsoring a "Lite-A-Bike" safety program.

The Sebring VFW is sponsoring the project locally. Officials of that organization invite all youngsters to come to the Avon Citrus Bank parking lot Saturday morning from 8 o'clock until noon for inspection and installation of reflective safety tape. The tape enables automobile drivers to spot bike riders at night and thereby avoid many accidents.

Major Eugene Flint is in charge of the program. He said that enough tape has been secured to take care of 500 bikes in the Avon Park area.

Kids, for safety's sake—tape (your bike).

County Scholars Will Be Honored At Dinner May 4

NASA Official To Speak To 43 Graduates

Invitations were sent to 43 Highlands County Seniors this week, all of whom will be guests of honor at the first banquet of Scholarship Recognition, Inc., on May 4. The banquet will be held in the Sebring Hotel.

Students invited have maintained a "B" or better average during their four years in high school. The honorees were drawn from Avon Park, Sebring and Lake Placid High Schools.

The banquet will be hosted by the membership of Scholarship Recognition, Inc., numbering about 100, all either civic, business or educational leaders of Highlands County.

Ford W. Heacock, Sebring insurance broker, is president of the organization. He said that Robert Tiemann of the National Aeronautics and Space Administration has been secured as guest speaker for the occasion.

ROBERT TIEMANN

Tiemann is Personnel Projects and Recruitment Officer for NASA, a position he has held since 1953. His educational background and experience lies basically in engineering, physics and psychology. Tiemann holds an AB degree from Northwestern University and has done graduate work at American University in Personnel Management and Psychology. He is an associate member of the American Institute of Aeronautics and Astronautics and a member of the American Psychological Association. He resides with his wife and four children in Silver Spring, Maryland.

Commenting on the banquet, the first of its kind in Highlands County, Heacock said that most school activities—such as athletics, band, etc.—provide opportunities for public recognition for outstanding participants, but, far too little acknowledgement has been devoted to students who possess good, sound, excellence in scholarship, which is the most basic of all school activities.

Scholarship Recognition, Inc., worked in close harmony with County School Superintendent Andy Miracle, who is also secretary-treasurer of the group. The organization is completely non-sectional, operating as a county-wide group of business and professional men who wish to express their recognition of the value of sound scholarship to individual students, and to schools fostering and providing opportunities for outstanding academic achievement.

The students to be honored:

Marilyn Cook, Andrew Miracle, Jr., Sara Sloan, Terry Oberle, Valrie Hopson, Janie Wells, Janice Mills, Michael Skipper, Dorothy Deadwyler, Harrell Griffis, James Willis.

Alice Ducan, Samuel Oates, Donna Branch, Helen Crosson, Anne Johnson, Carol Sellars, John Webber, Donald Collyer, Cheryl Guerndt, Thomas Hallam, Jr., George Preston, Sharon Nations, Lula Ann Johnson, DeWayne Lemler, Royal Coats, Jr., Robert Duggan, Betty Hill, Patricia Young.

Jon Foy, John Barlow, Janice Clayton, Doris Folsom, Irwin Crawford, Susan Arehart, Cheryl Neel, David Llewellyn, Ruth Holder, Carol Worley, Sally Stidham, Miriam Browning, Carol Durrence, Marilyn Diane Landress.

Miracle said that schools of the honorees were omitted on purpose, emphasizing the "non-competitive" approach. "This is a county-wide affair; we hope to honor the students of Highlands County. As a matter of policy we shall not give the numbers from each of the three schools," he said.

Board of Directors of Scholarship Recognition, Inc., represents a cross-section of the county and includes: Aden Childress, D. D. Cunningham, Robert W. Hall, Bill Ladney, Joe Macbeth, Hue Nunnallee, Frank Walker, Franklyn Ward and Heacock and Miracle.

Tallahassee Tattletale

By Jennie Reninger

We went to the President's Ball! We, meaning, your District 40 delegation, plus at least five hundred other political personages, presently congregated in The Capital.

Everyone wore their best bib and tucker! There were originals galore! Satin! Sequins and mink! All the ladies were dripping with diamonds; each wore an orchid and trailed in the background a well groomed male.

As a rule I view a receiving line with the same relish a convicted spy feels for a firing squad and, once launched, race through it like a quarterback intent on a touchdown. Wednesday night was no exception. My corns screamed after standing in line half an hour. When my turn finally came, I extended my white kid to the preliminary hostess and gave her my name. She beamed; bid me "welcome" and presented me to her husband—a very important person. He, in turn gave me the "glad hand" and then (for some unknown reason) presented me as "Mrs. Brinkley".

Rather than embarrass a Senior Senator, I let it go—certain someone would soon fumble, at which time I could correct it. Six couples later "Mrs. Brinkley was presented to Senate President and Mrs. Carraway. Next Governor Bryant greeted me with, "Mrs. Brinkley! I'm so happy to see you again!" Well! Why wouldn't he be? After all, he hasn't laid eyes on me for over ten years. On sailed Mrs. Brinkley through the entire Cabinet; their ladies and the Supreme Court before the wife of the last Justice in line finally fumbled. The lady blushed prettily when she realized she could not recall my name. I smiled my understanding and stated my name clearly in a low tone. "Miss Reninger! I'm so happy to see you!" she greeted. "Mrs. Brinkley" corrected His Honor. Now what would you do in a case like that? With a three block long line pressing from behind, it seemed hardly the time to get into an argument with a Supreme Court Judge, so I mumbled something polite and Mrs. Brinkley marched on through 16 more dignitaries. By that time I was having a ball and—since everyone insisted—I decided to be Mrs. Brinkley the balance of the evening. There just isn't any way of knowing what interesting things might have happened if I hadn't run slap dab into Mrs. Elgin Bayless from Sebring and suddenly remembers she used to live in Tallahassee and was probably a bosom friend of the real Mrs. Brinkley. Oh Well! It was

Rotary News

[illegible] these people and [illegible] with very [illegible] Florida [illegible] alcoholic program [illegible] patients on a voluntary basis and they endeavor [illegible] individual as well as [illegible] family and they find that [illegible] of those treated are [illegible] improved and have [illegible] an asset to their families; another third are doing [illegible] but alas one-third are [illegible] proved.

After this fine talk the "Rotarians" should feel that it is their duty to carry forward such a program as they have at the ARC.

Next week we hope to give a report on Avon Park Correctional Institute, its past and its future by Don Hassfurder, Superintendent.

Visitors: Gus Garrett, guest of [illegible]; Tom McCord, guest of Jack Head.

Rotarians Al Tregea, Fal[illegible] [illegible]ones, N. Y.; Jay A. Noble, Lockport, N. Y.; W. Hugh Adcock, Atlanta, Ga.; Phil Palmer, Hart Mich.; John Brown, Nassau, Bahamas.

THE FARM FRONT
BY DOYLE CONNER
COMMISSIONER
FLORIDA DEPARTMENT OF AGRICULTURE

[illegible] substantial [illegible] fed steer beef [illegible] last year [illegible] 22 per cent [illegible] feed.

[illegible] prices were [illegible] the [illegible] didn't show [illegible] and the [illegible] and broilers [illegible] statistical gains [illegible] downward pressure of [illegible] prices.

There has been the usual [illegible] prices of beef at re[illegible], Freeman noted, but in February and March they started to decline indicating a [illegible] for consumers. He expects consumers will take advantage of the excellent buy [illegible] beef and will consume a record amount this year.

• • •

USDA expects total consumption of red meat in the U. S. this year will be around [illegible]2 Billion pounds with per capita increases expected in beef and pork, but declines in [illegible], lamb and mutton.

One comment by Freeman of particular interest to our Florida cattlemen, concerned beef imports. They have been [illegible]

[illegible] feedlots will [illegible] accommodate heavy supply [illegible] at a rate [illegible] depress prices [illegible] feed not be held beyond the time they reach grade.

• • •

One more comment by Freeman is worthy of note. It applies to hog producers. Hog prices also dropped sharply in the first quarter of 1963 and that, too, was the result of an increasing supply situation. Hog producers have reported intentions to increase farrowings in the March-May period this year by 4 per cent over last year, and in the June-August period by another 1 per cent.

If those increases occur, Freeman warns prices next winter will be no higher than the past winter. If hog producers want to see better prices they'll cut the fall pig crop this year by 2 to 3 per cent.

If you want a copy of "The Current and Prospective Cattle Situation," you may write to the Office of Management Services, Information Division, Room 1467, South Building, U. S. Department of Agriculture, Washington 25, D. C.

• • •

Florida foods are getting a big promotion push at this time. Governor Farris Bryant has designated the period April 29-May 11 as "Florida Agricultural Products Weeks" to emphasize this huge industry's contribution to the economy of the State and the world's highest living standard which we in America enjoy.

My schedule calls for a Florida products dinner with members of our Congressional delegation at Washington on April 30, meetings with produce buyers, marketing officials and food trade press representatives in the [illegible] Annual Florida Fruit and Vegetable Jamboree at New York City May 1; and a similar program, our first, at Chicago on May 2 and 3.

S. GEORGE CLARKE

Information Director At FARC Named

S. George Clarke of Gainesville has been appointed Director of Information for the Florida Alcoholic Rehabilitation Program, Dr. C. Brooks Henderson, ARP Acting Administrator, announced this week.

In his new position, Clarke will head the Information Section of the agency's Community Services Division, and will direct public information activities for the ARP.

He and his staff will work extensively with Florida newspapers, magazines, and radio and television stations to publicize information on alcoholism and the ARP.

He will also be responsible for the creation, production and distribution of pamphlets, reports, films and other audio-visual aids, and will make public speeches of various types.

Clarke completed the classwork requirements for a doctorate degree in education (Ed. D.) at the University of Florida in mid-April, and will assume his new position May 1.

He has three previous degrees including a B.A. from Siena College, Memphis, Tenn.; a B.D. from Drew University, Madison, N. J.; and an M.A. from the University of Florida.

Clarke has diversified experience in public relations, advertising, education and the ministry.

He served for eight years as area head of a social welfare agency in New York and Massachusetts, and worked for six years in advertising with the Reuben H. Donnelley Co. in the Northeast before entering the ministry.

Clarke served for four years as minister of the First Presbyterian Church of Belle Vernon, Pa.; and four years as pastor of the Grace Presbyterian Church of Gainesville [illegible]

[illegible] three children. He and his family plan to reside in the Avon Park area.

Club Honors Three Members

A party at the Florida Power Club House Saturday night was given by the Junior Woman's Club to honor the top ten members of the club for their work on club projects. Special awards were presented to Mrs. Norman Pinardi, Mrs. Dean Griffin, and Mrs. James Ivey, who had put in twenty-five hours each of service for the club.

A Hobo theme decorated the room and the couples came in costume. Mr. and Mrs. Jack McAllister were named the best dressed couple.

Music for dancing was furnished by the APCI orchestra. As part of the entertainment, eight members put on a square dance number with Helen Todd doing the calling. She substituted the names of the top ten girls in her call which added much merriment to the event.

Refreshments were served from a buffet table. Hostesses were Mrs. Norman Todd, Mrs. Norman Pinardi, Mrs. Jack McAllister and Mrs. Finley Reid.

The silver anniversary of the founding of the Florida Public Relations Association will be celebrated at the group's annual convention in Winter Haven next Dec. [illegible]

Goodwill Industries is appealing for artificial limbs and braces for handicapped people throughout the world. Donated limbs will be repaired and distributed through CARE.

AVON PARK LAKES NEWS

By Thelma L. Merrill Phone GL 3-6146

Forty Association members enjoyed the card party at the club house on Tuesday night. Mrs. A. [illegible], hostess for the evening, served refreshments.

There were 22, four squares, of "nimble" dancers at the Wednesday night Square Dance at the Association Club House.

Mr. and Mrs. Gerard Ingoglia's niece, Mrs. Vi Rothkamp and daughter, Elaine, of New York City spent a week at the Lakes.

Mrs. Earl Smith of Largo visited her cousins, Mr. and Mrs. Orville Castine last week.

Mr. and Mrs. John Bengel entertained eight at a dessert card party on Tuesday night.

On Monday, Mr. Richard O. [illegible] who is associated with the Eastman Kodak Company [illegible] Sensitizing Department [illegible] his former [illegible] Mr. Walter [illegible]

Mr. and Mrs. Wm. Robbins [illegible] eight at a dessert [illegible] party on Saturday [illegible] Mr. Harold Woodruff [illegible]

[illegible] house guests of Mrs. Skillings' parents, Mr. and Mrs. Lloyd Fillmore.

Ninety six Association members and guests enjoyed the "covered dish" dinner at the club house on Thursday evening. After the delicious dinner, a few played bridge and others played Bingo, and others played shuffleboard — a very lovely evening. Hostesses for the evening were Mrs. Frank Harp, Mrs. Walter Meyer, Mrs. Karl Swanson, and Mrs. C. Krenerick.

Mr. and Mrs. John Bengel and Mr. and Mrs. H. Kempker were on a camping trip in Cortez. The men went deep sea fishing and reported a good "catch." The ladies enjoyed their shopping spree!

"Aunt Dot" Merrill and Mrs. S. F. Eikhill won high score for the evening at a dessert card party given by Mrs. Helene Bosse, Holly Shores, on Saturday night.

Mr. and Mrs. Harry Lawry of Sarasota were weekend guests of their cousins, Mr. and Mrs. Clarence Bue.

Ladies, remember Tuesday mornings at the Shuffleboard Courts. Come and enjoy visiting, the exercise and the fun!

Mr. and Mrs. George Bassett of Bradenton visited with Mr. and Mrs. Joseph Lynch on Wednesday.

Mr. Walter Potter of Muncie, Indiana visited with Mr. and Mrs. Lloyd Fillmore for several days.

Mrs. A. M. Luyben, Mrs. Wm. Robbins, Mrs. Chas. Coburn, Mrs. Wm. Lavelle, Mrs. Gerard [illegible] and Thelma Merrill, had a pleasant day in Orlando [illegible]

Mr. and Mrs. H. Woodruff spent [illegible] at Vero Beach [illegible] week.

Our Feathered Friends

BY THE BIRD WOMAN

THE CROW

It has been quite a little time since we discussed the crow, but noticing that they have left our trees on the lake where they flocked and made such a commotion, we are reminded that while they have left us they are probably up to their mischief further north.

It is not often that we criticize any specie of birds, for we known that each bird and animal has its place in the web of life, and that there must be a certain number of preditors, to keep the weak and sickly in check. This of course seems inhuman and cruel to us, but probably many things that we do seem unkind to the bird and animal world.

But as far as we have been able to ascertain the crow is the only bird that has been outlawed by man; it is always open season on crows in this state and probably in most states.

If this bird does any good it is far outweighed by the harm it does, and like many of our criminals it is very intelligent. Ornithologists have said that when man has destroyed himself with all his modern discoveries, that the crow family will still be here.

Our own Henry Ward Beecher once said that if men wore feathers like birds that only a few of them would be clever enough to be crows.

Each flock has its leader, and guards are posted so that it is almost impossible to surprise them. They usually limit their activities to an eight to ten mile radius from their roosting area where the entire flock gather for the night.

Man has tried in various ways to rid the country of these birds but the fact is their number has increased. Poison food has been tried but after one experience they know to leave it alone. So hunting for crows has become quite a sport with men who are not anxious to kill wild life, yet feel no compunction of conscience when they kill crows, for it is a case of matching wits with an intelligent bird, and they feel that the end justifies the means.

In our locality the crow does not seem to do as much harm as it does in areas where grain or peanuts are planted, for they have the uncanny sense of knowing where the seed have been planted and digs them up, and later if any seed have been missed they come back and eat the new sprouts.

Besides robbing other bird's nests they have an aversion to the owl and delight in hunting it down and ganging up on it. For this reason hunters have made decoys of the owl and placed them where they may be seen, then hiding in blinds and using calls to attract them; these calls can sometimes be heard a half mile away, and as they approach the decoys the hunter gives the distress call, and that never fails to get the desired response, so the hunter reaps the reward he planned for.

Hunters have learned that it is not wise to hunt the crow's roosting place and shoot them there, for they will scatter and move their roosting place to another place.

So they watch the approaches to the roost, and there is usually several in use, and shoot them as they fly in for the night; the hunter then has a better opportunity to shoot them.

There is an old saying that if you split the tongue of a crow it can be taught to talk, but this cruel practice is not necessary for they can be taught as well without it.

We usually think a crow is a crow, but ornithologists have divided them into several forms depending on their geographical location, for the area where they live makes a difference in their habits of living and feeding.

It seems that the fish crow is one of the most destructive to the nests of other birds. Inland we do not see this specie so much as along the salt marshes, although they wonder inland along streams and bodies of water.

Their main diet along the coast is crab and fish that they find along the beach, but during the nesting season it prefers the eggs of other birds, they steal the eggs of such birds as the clapper rail and fly to a branch of a tree and eat the egg and drop the shell on the ground, it is not unusual to see dozens of these egg shells under a tree.

So we can be thankful that these smaller crows which are so harmful do not frequent our area very often.

We know that a number of our beautiful and useful birds have become extinct owing to the greed of man, but some of these birds were edible, and it has been a temptation to man to kill them for food. We know that in China and Italy there are not many birds and the crops suffer from insects. But in countries where many people starve to death every year we can see why anything edible was utilized for food.

County Trees Reported Good

Tree condition is very good throughout the county with the exception of a few young trees that were damaged by cold and have not fully recovered. There have been no recent rains so nearly everyone is irrigating.

All Valencia orange groves have set a heavy crop of fruit for next season. Early oranges and Temples also have set a good crop while mid-season oranges and grapefruit appear light, although both varieties have bloomed over a long period of time and fruit set may be heavier than now appears.

Cultivation, fertilization, spraying, etc. is going on at a normal rate with nothing being overlooked to set a good crop.

Heavy harvesting of Valencias is going on but a sizeable amount still remains to be picked. Grapefruit is about finished.

There is a great deal of buying activity on next year's crop. Offers range from $3.00 to $4.00 per box for oranges depending on variety.

Girl Scouts Enjoy Trip

Girl Scout Troop No. 117 left Thursday, April 11 on a very exciting camping trip. The girls spent the two night trip at Kile Williams' cabins, and they enjoyed working on badges and taking hikes.

The girls who attended the trip were Ann Mandis, Patty Hallam, Judy Seay, Fran Thompson, Robin Williams, Susan Biggs, Patricia Miller, Marilyn Smith, Cheryl Fout and Marcia McDugald. Mrs. Bill Thompson was the leader of the girls.

The girls thank Mr. and Mrs. Kile Williams for the use of the cabin.

Airman Bates Ends Course

GOODFELLOW AFB, Tex — Airman Second Class James D. Bates of Avon Park, Fla., has completed the United States Air Force special communications course here.

Airman Bates is the son of Mr and Mrs Grover R. Bates of 1120 W. Prairie St., Avon Park.

The airman is a graduate of Avon Park High School.

Church Women Meet Wednesday For Services

The women of the Episcopal Church of the Redeemer met Wednesday morning, April 10.

Following the Holy Communion service, the hostesses, Mrs Frank Kinner, Mrs James Johnson, and Mrs Arthur Irwin, served coffee and coffee cake.

Mrs B. C. Ostling, the president, then called the meeting to order. Mrs Gene Hise led the worship.

Plans were discussed for coming events: a Passover Supper on Maundy Thursday with Mrs J. H. Hutchinson as chairman; the children's Easter party on Sunday afternoon with co-chairmen Mrs. T. E. Moxley and Mrs Richard Rhodes, a rummage sale on April 26 and 27, in charge of Mrs Duke Christiansen and Mrs G. Franklyn Ward, the Diocesan Convention to be held May 7, 8 and 9 at Miami Beach, the [illegible] gathering of the [illegible] on May 26. Mrs [illegible] Martin, chairman.

Mrs Ostling [illegible] Deanery meeting at [illegible] March 19. Father Ma[illegible] [illegible] Avon Park also attended.

Recordings of hymns and a Bible reading by Charles Laughton with bits of information between the recordings was given by Fr. Margeson.

Mrs Ostling invited the ladies to hold their meeting and a covered dish luncheon at her home on May 17.

Happiness isn't formed with facial muscles. It is deeper than a smile. Its brightness is merely mirrored in shining eyes.

Happiness is the warm fertile climate with which God has endowed each human soul. It will flourish as long as our hearts and minds are exposed to the radiance of God. And, for those who discover early the spiritual center of happiness, no storm of life can ever penetrate so deeply as to chill the joy of the soul.

Are you less conscious of that inner happiness than once? Perhaps you're living in the shadows . . . groping in dark forests . . . only a glimmer of God's truth filtering through.

Bring your soul out into the sunlight. Seek joy where it is found. The Church points the Way.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Travel S'Case Gets Attention

TALLAHASSEE, April 4 — More than 10,000 people have visited Florida's Traveling Showcase in the six cities it has visited since leaving Florida March 11, Chairman Director Wendell Jarrard of the Florida Development Commission said today.

More than 22,000 pieces of literature and some 46 gallons of orange juice have been given away by members of the staff of the mobile Showcase, a converted bus donated to the state by the Greyhound Corp., Jarrard said.

First stop on the tour was Montgomery, Ala. The Showcase was in Baton Rouge, La., last Monday and Tuesday and will be in Beaumont, Texas, Thursday and Friday.

The Showcase carries a varied array of literature about Florida, its communities, attractions and products. A diorama of tropical fish, Florida greenery and continuous movies of the state are other features.

The remainder of the spring schedule follows:

Houston, Texas, April 8-10; San Antonio, Texas, April 12-13; Austin, Texas, April 16-17; Waco, Texas, April 19-20; Ft. Worth, Texas, April 22-23; Dallas, Texas, April 25-27; Oklahoma City, Okla., April 30. Oklahoma City, Okla., May 1; Tulsa, Okla., May 3-4; Little Rock, Ark., May 6-8; Memphis, Tenn., May 10-11; Huntsville, Ala., May 15-16; Chattanooga, Tenn., May 18; Nashville, Tenn., May 20-21; Evansville, Ind., May 23-25; Indianapolis, Ind., May 28-30.

E.C.W. RUMMAGE SALE

Episcopal Church Women will hold a rummage sale at the former B&B store on Main Street Thursday and Friday. Mrs. Duke Christensen and Mrs. Franklyn Ward will arrange for pick up of items for those who cannot deliver them. Household items, clothing and antiques will be on sale at reasonable prices.

The Florida Press Association spring meeting will be held May 17 and 18 at the Fontainebleau Hotel in Miami Beach. Over 100 weekly editors and publishers will be in attendance.

Scout Patrol Takes Weekend Trip To Ocala

The Eagle Patrol of Boy Scout Troop 157 sponsored by the Avon Park Rotary Club was recently declared winner of the two-month interpatrol efficiency contest and as an award taken on a weekend canoe camping trip in the Ocala National Forest.

Patrol Leader Jimmy Kendrick and eight of his patrol members assembled at the Episcopal Church Friday afternoon, April 19. After checking of equipment, loading and tying down of the three canoes, and with much happy noise, the caravan of two cars and two trailers started on the 140-mile trek to Juniper Springs.

The camp site, adjacent to Juniper Run, was reached after dark but with the help of auto headlights camp was soon pitched. Rising at daybreak Saturday the boys put away a large and hearty breakfast and prepared a carrying lunch for the 14-mile canoe trip down Juniper Run. During the trip many different species of fish and wild life were observed. Returning to camp Saturday afternoon the boys spent the rest of the day swimming in Juniper Springs.

After attending religious services on the banks of Juniper Springs Sunday morning, the Scouts packed gear and canoes and moved 20 miles to Alexander Springs where they put in three hours of snorkeling and swimming. The group returned home Sunday afternoon.

In addition to Patrol Leader Kendrick, Scouts making the trip were: Assistant Patrol Leader John McClure, Bill Wild, Craig Henderson, Mike Ward, Paul Church, Jeff Pohle, Jerry Kendrick and Kenneth Sasser. They were accompanied on the trip by Dr. Brooks Henderson and Scoutmaster Franklyn Ward. The Patrol wishes to express its appreciation to Miss Margaret Baker for the use of her canoe on the trip.

Local Boy Graduated From U. of Florida

David Alan McCully, son of Mr. and Mrs. H. I. McCully of Avon Park, was graduated cum laude from the University of Florida on December 22, 1962. He received a BS degree in electrical engineering. McCully was graduated from Avon Park High School as an honor student in June, 1958. He continued in academic achievement by completing the five year engineering program in four and one half years.

His outstanding grade point average, 3.2, rendered him eligible for membership in several honorary engineering organizations.

Sigma Tau, a national honorary professional engineering fraternity, which draws its membership from outstanding juniors and seniors recommended by three members of the engineering faculty; Tau Beta Pi Association, a national engineering society, whose purpose is the recognition of distinguished scholarship and exemplary character in engineering undergraduates and attainment of alumni in engineering; Charter membership in Sigma Tau Sigma, a "good Samaritan" type of organization whose purpose is the tutoring of other students who are having academic difficulties; The Institute of Electrical and Electronic Engineers, the student branch of the professional electrical engineering societies.

The IEEE endeavors to acquaint its members with various aspects of electrical engineering by bringing to the meetings speakers from various industries and sponsoring a competitive presentation of technical papers.

Sigma Tau's guiding symbols represent stability, progress, and humility.

McCully has held various positions of responsibility at the University. His first position was to supervise the Tolbert Area Branch Library. One year he served as section advisor in his dormitory. During the fall trimester of 1962, he worked on a particle accelerator in the nuclear field house. During the spring trimester of 1963, he was granted a graduate assistantship in the college of engineering while working toward his master's degree.

In addition to his academic activities, McCully took an active interest in intramural sports and was a member of a championship bowling team.

Future plans include working in the nuclear plant of E. I. DuPont de Nemours & Co. in Aiken, South Carolina, this summer. He will return to the University of Florida in the fall to complete work toward his master's degree which he expects to receive in December, 1963.

Hospital—

(Continued from page one) merce officers and directors have acted so definitely.

"Hospitals do not compete with each other," stated F. A. DeLaney, General Chairman of the Campaign. "When the capacity of the Walker Memorial Hospital is doubled and the fine new Highlands General Hospital is completed we will still be under hospitalized in the Ridge Area. It is emphasized by the American Hospital Association that minimum hospital beds should be five for each 1,000 persons. During the recent years, Lake Wales, Orlando, Lakeland and other cities have substantially increased their hospital service. This is of first importance to the Ridge Area," believes the business and professional leadership.

Lunchroom Training At Sebring School

Highlands County has been selected as a training center for school lunchroom workers, according to an announcement made today by Andy Miracle, superintendent of public instruction.

Workers from eight counties are expected to participate in the training courses offered August 5-16.

Miracle pointed out that the training program is to be furnished largely by the state department of education. Highlands, as host county, will be responsible for providing facilities for the program and support services.

Miracle said that Highlands County workers have "found some difficulty in attending training courses in distant areas."

"We have the best lunchroom workers in the state," the Highlands Superintendent said, "but no one is so good he can't learn something, so, we greatly appreciate the state's help."

The courses to be offered here will be in foundations, quantity cookery, nutrition, organization and management. Workers are expected from Collier, DeSoto, Glades, Hardee, Hendry, Monroe, Okeechobee, as well as Highlands County.

The sessions will be conducted at Woodlawn school in Sebring.

Nurse Students Visit Alcoholic Program Mon.

Forty five practical nursing students and three instructors from the Sarasota Vocational Training School visited the Florida Alcoholic Rehabilitation Center on April 22 for an orientation program and a tour of the facility.

After a welcoming talk by C. Brooks Henderson, M.D., Acting Administrator, the student nurses heard a talk on clinical nursing and treatment of alcoholism by Miss Gladys Connerly, R.N., Supervisor of the Center's nursing service.

Miss Connerly then conducted a tour of the Center and explained the operation of the various sections.

Before lunch, the nursing students viewed "Challenge," a movie filmed at the Avon Park Center. "Challenge" depicts the case history of an alcoholic and how he received help through the ARP.

Don't forget to renew your driver's license during the month of your birthday.

SENIOR DRIVER INSURANCE

(Ages 65-90)

Complete auto coverage for physically qualified with good records. Liability to $300,000, Medical to $500. Premium is same as computed at standard manual rates and includes contents protection. Take this ad to your own agent as he can give you better service than we can by correspondence.

To Agents: We will send complete kit on request. Applicants over 70 must submit physician's statement of fitness. Brokerage same as Assigned Risk Plan.

LORAINE SMITH

Loraine Smith Wins Award

Loraine Smith, daughter of Mr. and Mrs. B. J. Smith, has been honored with a Girl Scout Campership, which means two weeks at Camp Wildlife in the Ocala National Forest, August 4-17.

Loraine received the honor because of her selling the most Girl Scout cookies in this area. She sold 305 boxes of cookies, which number coincides with the number of the Girl Troop 305, of which her mother is leader.

There wer four camperships awarded to girl scouts in this area, which includes 25 towns, and Lakeland. The proceeds from cookie sales go for camping facilities. Mrs. George Costello is Director of Camp Wildlife, and the cookie sales.

Loraine wishes to thank all who purchased cookies from her and other Girl Scouts and Brownies.

SS Class Holds Meeting Tuesday

The Philathea Sunday School Class held its regular meeting at the home of Mrs. Dan Antley on Tuesday Evening, April 16th. The meeting was called to order by the president, Mrs. Ellen Haynsworth.

Mrs. Clarice DeLaney gave an inspiring devotion on the topic "Love For Thy Fellowman." The class secretary, Mrs. Lauraline Antley, read the minutes of the previous meeting which were approved by those present.

The group enjoyed viewing color slides of other parties and local scenes, also, some slides of the wedding of Mr. and Mrs. Earl Haynsworth which took place in the Bahamas several years ago. The hostess served delicious refreshments of cake, candy, nuts and punch. Nine class members were present for meeting and fellowship.

Episcopal Women To Hold Sale

Friday and Saturday, April 26 and 27, the Episcopal Church Women of Church of the Redeemer, Avon Park, will hold a rummage sale in the former B&B Supermarket Store, across from the Avon Park Post Office. The rummage sale is for the benefit of a number of the projects of the church women.

Clothing, furniture, pictures, toys, white elephants and a great miscellaneous collection of items are being assembled for the sale. Doors will be open from 8 a. m. until 5 p. m. both days. People are invited to bring their rummage to the Episcopal Parish House or the B&B store on Wednesday and Thursday, or to call Mrs. Duke Christiansen for pick up service.

Wheres Elmer?

Winter Guest Club News

Twenty four pinochle players met on Monday April 15 for their weekly game. Wm Smith was high scorer. Mrs Fred Noel was second high.

On Tuesday April 16 there were 20 bridge players. John Nuber was high scorer with 7020. Ethyl Harden was second high with a score of 5700.

Mr and Mrs Horace Cole directed Wednesday evening's shuffleboard games. Ota Gibson and Lura Pickett won the main event. Don Keiter and Alton Wetmore were the runner-up team. Ed Wagner and G A West were winners of the consolation event. Fern Haas and Harold A[illegible] were runner up team.

In Saturday evening's shuffleboard games directed by Jack Flaggert the winners were Jim Brown and Dan Keiter. Al Storandt and Mrs Webber were the runner-up team. Dorothy Gruber and R Simpson won the consolation run-off. Bertha Brush and Grace Warner were the runner-up team.

The Wednesday shuffleboard games are a choose your partner affair while Saturday's are on a drawing basis.

[illegible]

[illegible] arranges a few or a set of calls that gives a completed movement. This is called the "block." With several such blocks it is evident that he can change the order in which the blocks are called without any confusion except to the unsuspecting dancers. This is known as "Sight Calling."

The new dance introduced [illegible] is arranged for each calling. It is an easy dance to present and to learn. However, the instructor has often discovered that it takes a considerable amount of directed drill to learn a complicated square. It will continue to be the policy of the Friday-night director to offer classes for beginners, as has been done this past season. A total of 14 couples received such instruction during December, January, February and March.

THE TATTLER

Host Bradenton Motorcade

Mr and Mrs Orville Via were hosts Saturday to 38 friends from Bradenton who stopped for a picnic dinner here as they were en route to Lake Wales to attend the special matinee showing of The Passion Play for out of town groups.

The group came from The First Christian Church, Bradenton, where Mrs. Via's brother, the Rev James L. Dial, is pastor, and where the Via family attended when they lived in Bradenton.

The guests brought the picnic dinner which was spread on tables under the carport, and the hosts furnished plenty of iced tea, coffee and cold Cokes. Following the dinner the group proceeded on to Lake Wales for the afternoon matinee.

Herman of the Polk County Auxiliary, installing officer, extreme left, and Mrs. Santford Boley, new secretary of the Highlands County group (Sebring News Photo)

Reception and Rehearsal Party Are Highlights of Recent Wedding

A reception was held in the First Baptist Church Social Hall following the wedding of Miss Elizabeth Howell and Lt Clement McFarland. Mrs I H. Ford and Mrs E A Martin greeted the guests at the door, and presented them to the receiving line. Mrs David Elsner kept the bride's book. Miss Linda Shepherd rendered a program of piano music.

The three tiered bride's cake was decorated with a delicate shade of pink rosebuds and topped with an ornament of wedding bells and valley lilies. Mrs D J. Willis and Mrs H C Hemphill cut and served the cake, after the couple had cut the first slice.

Punch was served from another table, with Mrs H. H. Shepherd and Mrs L. W. Wicker presiding. Mrs H I McCully, Mrs Wiley Cothran and Miss Sandra Cook assisted with hostess duties.

The Hall was decorated with the wedding flowers and a variety of white blossoms and Easter lilies.

A bowl of rice was passed for the guests to shower the happy couple as they left for their honeymoon. For traveling Mrs McFarland wore a bone white wool suit in a novelty weave with matching accessories and her gloves and hat were of a bright orange shade. She wore the white orchid from her bridal bouquet.

Lt and Mrs McFarland left immediately, with Ft Devens, Mass as their destination. They planned a few stops en route to their home base, where he is stationed with the U S Army.

Rehearsal Party

Mr and Mrs Paul A McFarland entertained with a party Friday night honoring their son, Lt. Clement McFarland and his fiancee, Miss Elizabeth Howell, following the wedding rehearsal at the First Baptist Church. The party was held at the home of the bride's parents, Mr. and Mrs Sam Howell, 402 South Central Ave.

The party rooms were decorated with a color scheme of pink and white with roses, Easter lilies and gerbers being used. Included in the decorations was a scene of the bridal couple finding a set of rings left by a white Easter bunny in a nest of pink grass. At another vantage point a bride doll emerged from an Easter bonnet of pink net and ribbons.

The buffet featured an Easter Tree, lovely with tiny ornaments of wedding gifts, bride and groom dolls, and lilies-of-the-valley, skillfully placed inside decorated egg shells. Gifts under the tree were presented to the wedding attendants.

The refreshment table was covered with a beautiful linen cloth of Chinese cross stitch, and the focal point of interest was the small China bride and groom figurines which were used upon the wedding cake of the groom's parents 27 years ago.

Mrs. Lucille Cothran and Mrs Henry McCully were hostesses for the McFarlands during the evening. They were assisted by Miss Judy Cothran. Punch and an assortment of delicacies were served.

Those in attendance were the entire wedding party, the couple's parents and grandparents, relatives, out-of-town guests who were here to attend the wedding and a few close friends.

Mr. Ed Speaks

by Mr. Ed

"T. V. TIDBITS"

Howdy Folks,

Pull up a bale of hay—have a seat, and help-yer-self to the "tid-bits" while I make with a platter of chatter. 'Tis true, T. V. is the most when it comes to entertainment and education, so rear back on your hassock and lend an ear.

How do we know there's no life on the moon—? Simple pardner, simple. There's no life on the moon because there's no "Bud" there. Now what would a party be without Bud? The Russian flag may be there a-waving in a Vodka breeze but still one has to figure the "no life no bud" angle. They say they go together you know, like "horse and carriage". No, I'm not Napoleon though he was named after his bony parts.

Science is a bit cloudy when it comes to tornados and hurricanes,—but during an evening educational entertainment you learn that some-one uncorked a jug of New Ajax Cleaner, or stepped on a Kleenex box. That smell-of-wax isn't coming from Johnson's Floor Wax—it's the saddle-soap Luke forgot to clean off of my back.

Now they don't fool me with that "King Size" gag. You can have the king-size drinks—me, I'll add my own water. Even if I can't brush after every meal—I'd sooner have 21 per cent fewer commercials.

And what is there now-days that's not disposable—? Even people. With the Westerns you get gunned down. In a dance number—you get bumped-off. Klem Kadiddlehoper—Ha! With a name like you ain't lost—you're hiding.

Now in case you're not quite fed-up, how 'bout Liquid Dressings—? for that plastered poured-into-look. Krafty, eh what? Any-time a gay dog is about to hunker down to a good meal—a pussy-cat some-how gets into the picture. They'll do it every time.

Now we come to that "Greasy Kid-stuff" Harvard play-boy misadministration (just chaw on it). The trouble with JFK's politics and promises — You never take the trouble to read the fine print. Many an honest but dumb hombre has got took that-a-way.

Like the old hay-burner that was swapped off as a good work-horse with-out a fault. When the new owner soon discovered the spavined—balky—blind—wind-broken faults of the old nag,—old sway-back was returned to his former owner who was confronted with the "no faults" claim. The answer—? Sure and 'tis not the fault of the noble beast—'tis only his misfortunes ye be-rate. Like I say—better to read the fine-print Bub, how 'bout it?

While Castro plays on his Tuba—JFK pulls another Booba. The latest in "boy's town" escapades seems to have taken on a wash and wear drip-dry aspect. The Pacific Ocean—slightly bigger thn the Hyani-Sport swimming-pool — is the most recent choice for JFK's dunking-with-duds-on Harvard haze. When the great white father led hundreds of his addled followers — some fully dressed, others less so—into the California brine, it proved one thing — 'Twas a non-political tour of the far-west. How 'bout that?

Luke says that the dancer's legs are getting longer every year, and they're putting the pants on poodles. Next—they'll be for putting them on horses. Excuse me — Open the barn-door, Luke,—I'm coming in, and don't slam it behind me again. See you next week in . . . "The End Of The Lane"

Mr. Ed

Avon Golf Team Loses Saturday

The golfing teams of Avon Park High School and DeSoto High of Arcadia met here Saturday, with the visitors winning, 7½ to 4½. Avon Lakes Country Club was the scene of the 18-hole match.

The two teams will meet again in two weeks, either at Arcadia or at Pinecrest Lakes, arrangements to be announced later.

Avon Park's team is composed of Bob Briscoe, Al Yarbrough, Bobby Rush and Bill Reck, Jr.

Scores for Saturday's meet: Rush, 92; Briscoe, 96; Yarbrough, 91; Reck, 104.

The Great Masterpiece of Lake Wales is the first major tourist attraction in the state to institute summer rates for admittance to the grounds.

Fish Fry Set Sat., April 27

Ladies of The [illegible] fish fry [illegible] N. Florida Avenue, Saturday, April 27, beginning at 4 p.m. The men of [illegible] will catch the [illegible] fresh water lakes.

They plan to fry them in the big black pot and have plenty of hush puppies, cole slaw and drinks to complete the menu. The price is right and the public is invited to come and enjoy a good old fashioned fish fry.

Stetson Official At Pastor Retreat

E. C. Tyner, [illegible] of Stetson University church relations and of the Extension Division of Christian Education, spoke at the Pastors' Retreat, Lake Denton, Avon Park, on Tuesday, April 23.

[illegible] of Baptist pastors were invited to the three day retreat. Tyner spoke at [illegible] Christian Education and the Cold War [illegible] Stetson [illegible] programs.

Here and There—

Mr and Mrs W H Richardson of Louisville, Miss. were here for the holiday weekend with their daughter and her husband, Mr and Mrs Devon Reddick, and the four went to Tampa to visit Mr and Mrs Dick Reddick and son, Randy, before the Richardsons returned to Mississippi.

Avon Park High School N-E-W-S

By Dorothy F[illegible]

[illegible] Wauchula [illegible] Moye of the Peace River [illegible] Frostproof [illegible] Ken [illegible] of Sebring.

Tuesday April 23, an estimated 25 members of the Avon Park High School Student Council attended the Intra-County Council Workshop at Lake Placid. They left after lunch and stayed until about 8 p.m. The program included two inspirational speakers, discussion groups, a chicken dinner and entertainment.

The Intra-County Council Workshop is a meeting of Student Councils from Avon Park, Sebring and Lake Placid. The main purpose of the Workshop is to build good feeling and morale between the students of the different schools, and it provides an opportunity to meet students from the other schools.

Avon Park High School girls' [illegible] physical [illegible] classes are now studying rhythms. Presently they are studying folk dancing and doing exercise to music.

When Miss Margaret Baker, instructor of the course, was asked why she chose this unit of study for her classes she replied, "It has never been taught before. It is something new. Before a girl can be graceful and feminine, she must be coordinated. To be well coordinated you must have rhythm, therefore we must study rhythms."

Avon Students Win Honors In FFA Sub-District Contest Here

[illegible] APHS chapter of Future Farmers of America [illegible]

Friday activities included public speaking, [illegible] parliamentary procedure, tractor driving, softball and horseshoes.

The District Contest will be held in Bok Glade on May 3, at which time the APHS students will compete for a district title along with other sub-district winners who were Marcus Shackleford, public speaking, and Ronald Mover, tractor driving, both boys from Wauchula, and the Sebring teams who were winners in parliamentary procedure and the horseshoe game.

DEATHS

MRS ELSIE C PARRY

Mrs Elsie C Parry, age 68, passed away Friday, April 18, following a lingering illness. Survivors are her husband, W. I. Parry of Highlands Lakes, a son, Dr Robert W Parry, Youngstown, Ohio; three grandchildren and a brother, Frank [illegible], of Whittier, Calif.

The deceased was a member of the Order of Eastern Star for 40 years, at Columbus, Ohio. She was a Methodist and a member of the Winter Guests Club in Sebring and Avon Park.

Funeral services were conducted Monday, April 22, at the Smith Funeral Home Chapel with the Rev H D Graetz officiating. Interment was in Bougainvillea Cemetery.

Members of the OES formed an honorary escort for the body. Pallbearers were close friends from Avon Park, Sebring and Brandon.

KANGETER INFANT

Charles Thomas Kangeter, infant son of Mr and Mrs Melvin Kangeter, died Friday, April 19 and was buried with graveside services Saturday. Rev J M Gilbreath officiated. Smith Funeral Home was in charge of arrangements.

Besides his parents, survivors include two sisters, Julie Deanne and Indiana Lucette; a brother, William Patrick, and grandparents, Mr. and Mrs. Wilbur Geddes and Mr. and Mrs Melvin Kangeter of Metter, Ga.

MRS. ABBIE LANIER

Mrs Abbie Lanier, mother of Mrs Lewis Maddox, died Tuesday in an Arcadia Hospital following a lingering illness. She was a native of DeSoto County and lived in the Lemon Grove Community until she moved to Avon Park 21 years ago. She was a member of the New Hope Baptist Church.

Other survivors include two sons, [illegible] Lanier of Zolfo Springs, and Bascomb Hollingsworth of Boynton Beach, eight grandchildren and 11 great-grandchildren.

Funeral services will be held [illegible] afternoon at 3:00 [illegible] New Hope Baptist [illegible] Funeral Home [illegible] of arrangements.

MRS ELIZABETH A. YOUNG

Mrs Elizabeth A Young, age [illegible] at Walker Memorial [illegible] Sunday, April 21, after [illegible]. She had lived at [illegible] home [illegible]. A native of [illegible] Pa., she came to Avon Park from Sioux City [illegible]

[illegible] survived by two [illegible] A. Young, [illegible] John E. Young, [illegible] two grandchildren [illegible] great-grandchild.

Funeral services were held [illegible] morning at Mizelle [illegible] Home Chapel, with the Rev. E. W. Stories officiating, [illegible] remains were shipped to Towanda, Pa for interment.

Junior-Senior Banquet Held Sat. Night

"Apple Blossom Time" was the theme for the annual Junior-Senior Banquet of Avon Park High School, which was held Saturday night at the Avon Elementary Cafetorium. James B Martindale and Ernest Doty were sponsors for the event. A large paper tree stood in the middle of the room, showering pink blossoms over the lovely garden scene.

The stage setting featured a beautiful flower garden with picket fence and bird bath, as a background setting for the orchestra and also for the couples who had pictures made.

The banquet tables were centered with decorative items in gold and pink paper, making wishing wells and nut cups, and the favors were dainty china figurines of couples in formal attire. A profusion of garden flowers and candles stood amid fern and small apple trees to repeat the table garden scene.

The memory books gave the menu and the program of "Johnny Appleseed," as being assisted by "Little Green Apple," "Big Mello Ripe," "The Apple Worm," "A Drifting Petal" and "The Gardner." Students were Don Whitcomb, Pat Arnold, Janie Wells, Sharon Lee and Devorah Reddick.

Music for dancing was furnished by The Star Dusters of Lakeland. Waitresses were selected from among the Sophomore class on a basis of grades and service. They wore snappy outfits suitable for the theme. Sophomore boys likewise assisted with the clean up program. More than two dozen mothers assisted with the preparation.

More than two hundred attended the banquet including students, teachers, school board members and guests.

Birthday Party For R. Brock

Mrs. Leroy Brock entertained young friends of her [illegible] son, Ronnie Brock, on [illegible] birthday, Saturday, April [illegible] at their home, corner [illegible] Avenue and State Street.

The children were given Easter baskets as favors and [illegible] hunting eggs which were hidden while Ronnie opened his gifts. They played games and enjoyed the birthday cake and ice cream, and took their baskets home filled with eggs and candy.

Assisting Mrs. Brock were Mrs. David Maddox, Mrs. Henry King, and Mrs. Horace King.

Avon Trailer Park News

Mrs Olive Kress returned Sunday from a six weeks [illegible] trip in the Caribbean waters, and to the South American coast. She sailed from New Orleans on the Dutch ship Palamedes. Among the places visited were Aruba, Caracas, Venezuela, Trinidad and British Guiana. Upon her return to New Orleans she was met by her brother and wife from Dallas, Texas, Mr. and Mrs Bruce T Jones, and together they motored to Avon Park.

Folks leaving the Park last week were the Kesslers, Whites, and Richards. Good-byes this week will be to Wittekindt, Lynch and Longaneckers, and all will be expected back within a few months.

The Duquesnes and Mrs. Frank Foote were hosts to a card party Thursday evening. High score winners were Iva Fisher, Ella Kessler, Henry Philip and Bland Nieukirk.

Fishers and Nieukirks were on a business trip to Lakeland Friday.

The Ed Parhams are moving to Clinch Lake Park near Frostproof, where Ed thinks he will find bigger fish. We wonder? Anyway, Ed and Marie will be missed here.

Mr and Mrs. Henry Phillips and their friends, the Kresses, from Sebring, enjoyed a fishing trip to Ft. Myers last Monday.

Mr and Mrs. Nieukirk and Mr and Mrs. Frank Fisher were dinner guests of Mr. and Mrs George Langmann in Avon Park on Sunday.

Mr. and Mrs. Frank Duquenne spent last Monday at St. Francis Lake, near Lake Placid, at the cottage of their friends, Mr and Mrs. Trew Gephart, of Sebring.

The Don Jamesons of Avon Park Lakes spent Saturday evening with Mr. and Mrs. Harry Longanecker.

Mrs Irma Buchanan of Jackson, Mich. is the houseguest of the Guy Engelberts. The ladies are planning a trip to Nassau sometime in the near future.

George White and Leo Wagner won consolation at Winter Guest Club last Wednesday.

Mr. and Mrs. N. W. Josey of Wauchula and their guests, Mr. and Mrs. N. Chambers from Georgia were callers at the Harry Lemler home Saturday.

To err is human; to forgive is divine. Please forgive errors of last week. Mr. and Mrs. Henry Phillips were not in Missouri, but at Sebring for a few days with friends, Mr. and Mrs. N. Kress.

Mr. and Mrs. Frank Marker left for their home at Wolf Lake, Ind., and not Terre Haute, as was reported.

The Gay-nighters Dance Group are arranging a pot-luck dinner for Wednesday, to be followed by shuffling and a dance which will be held at the Avon Park Lakes Club House. This will be a farewell event for friends who soon will be leaving for the North.

Dinner guests with the Frank Fishers last Monday evening were Mrs. Inez Sult of La Porte, Ind. and Mrs. Mildred Jessup of Hobart, Ind. and Mr. and Mrs. George Langmann.

Mr. and Mrs. Longanecker were Sunday dinner guests of Mr. and Mrs. Charles Brush of Byrd Lake.

The paint job Axel Nyholm has done on his trailer home is really a professional job, and being admired by his neighbors.

Mike McClusky of San Bernadina, Calif. made a surprise visit to see his sister and her husband, Mr. and Mrs. John Bleser, for a few days last week.

Mr and Mrs. John Wilhelm of Bradenton were guests at the Walter Kessler home last Tuesday afternoon.

Dissolution Of High School PTA Considered

The Executive Committee of the Avon Park High School Parent-Teachers Association announced this week that serious consideration is being given to the dissolution of the organization because of lack of interest by the parents. Election of officers for the coming year was scheduled to be held at the regular meeting last Thursday evening. Only 5 teachers and 15 parents showed up for the meeting. The nominating committee reported that it was unable to persuade any member to accept a major office. Nominations were called from the floor but none were offered.

President Franklyn Ward announced that written notices would be mailed to each paid member of the organization notifying that unless a slate of officers could be presented at the next meeting scheduled for Thursday, May 16, the Executive Committee would have to make a choice of continuing as a skeletal organization with present officers or dissolving the organization.

Ward pointed out that the PTA has been instrumental in the past in helping to bring about improvement at the school. Possibly its most important project in recent years has been the annual award of the PTA Scholarship. This project would of necessity be discontinued should the parent organization dissolve. Ward praised Mrs. Walter Mandis, Program Chairman and Assistant Principal John Crittenden for the high calibre of programs held this year. "Unfortunately," he stated, "Only a handful of parents were present to take advantage of the programs."

A request that the PTA sponsor the Senior Breakfast was tabled pending the decision of the membership to continue or dissolve. "Now, it is up to the parents of our school children," Ward stated. "We sincerely hope for a good turnout at the May meeting, so the decision will be representative of the thinking of the majority of parents."

Red Devils End Diamond Season

The Avon Park Red Devils wound up their 1963 season Monday night, bowing to Mulberry 10-7. The Red Devils compiled a 6-7 season mark, the first time in over a decade a Guy Garrett coached team has dropped below the .500 mark.

A 10-0 win over Arcadia last Friday night gave the locals a chance to finish over the .500 mark, but the Mulberry Panthers, now members of the Tampa Bay Conference, erased their last hopes.

Mr. and Mrs. Earl Eichmiller of Marietta, Ohio have been in the Park for a couple of weeks. Her sister and husband, Mr. and Mrs. Emmon DeMoll, are expected in this week. A big welcome to both couples.

City Council—

(Continued from page one)

435 was read in full, declared an emergency Ordinance and passed and adopted.

Ordinance No. 436 and Ordinance No. 437 (Vacating Public Park between DeSoto and Glenwood Streets, and vacating a portion of Prospect Avenue were also passed and adopted.

Mr. C. J. Scudder requested the black topping of one block on West State Street between Waldron and Florida Avenue and offered as his share, $150.00 toward the paving. This was accepted with the motion being made by Mr McKenzie, seconded by Mr Doerr and carried. Paving to be done as soon as possible.

Motion made by Mr. King, seconded by Mr. Doerr and carried that East Church Street be widened between Lake and Verona. The Mayor requested the paving of the parking lot for the Florida Avenue Baptist Church be incorporated in this motion which was granted.

Motion made by Mr Doerr, seconded by Mr. McKenzie and carried that the following driveways be fixed: Fred Avery, 411 W. State St.; Ray Langford, South Highlands; Orlando Knowles, W. Bell.

Motion by Mr. McKenzie, seconded by Mr. Doerr and carried that the City grant a donation of $200 to the Firemen's Association to attend the State Convention at Panama City.

Motion by Mr. McKenzie, seconded by Mr. King and carried that the City reimburse Robert E. King $[illegible] tax proration on the property known as King's [illegible]
