Council Studies City Budget For 1963-64

The City Council meeting on Monday night was spent mostly on the 1963-64 city budget. The tentatively arranged budget is for \$225,185, the previous budget for the 1962-63 was \$224,000, making this year's budget \$6,185 higher than that of last year. However, with the increase in the cigarette tax, the council feels that the city will be able to carry the higher budget. The council will resume their work on the budget on Thursday evening.

The matter of lighting of the entrance of the Hall and U. S. 27 was brought up and suggested that lights be placed four blocks north and five blocks south, and one block on Rt. 64 from the intersection. This was agreed on and Florida Power is to be contacted as to when they will be able to start work on the project.

Teachers To Report For Duty Next Week

School begins next week for the more than 200 teachers in Highlands County. The faculties of E. O. Douglas, Carver and Hopewell schools begin the school year on Monday. A study of individual school problems will begin on Monday and continue through August 23.

School commences for the rest of the teachers with an assembly at Woodlawn school on Sebring, August 15, at 10 a.m. At 10:30 a.m. Dr. Karl H. Berns will address the teachers on the theme, "The Professional's Rendezvous with Destiny."

Dr. Berns, who is assistant executive secretary in charge of operations of the National Education Association, will speak at E. O. Douglas school on Sebring, at 8:30 a.m. on August 15.

New teachers are to meet at Woodlawn school at 10 a.m. on August 15.

On August 22, from 1 to 4 p.m., the Highlands County Education Association and the Highlands County Administrator's Association will hold their initial meetings for the year.

Announcement of pre-school activities were made today by Superintendent of Public Instruction Andy Miracle. He added, "During the entire pre-school period, facilities throughout the county will be involved in preparing for the year's activities and making plans for the overall evaluation of their school program based upon the Florida accreditation standards and the standards of the Southern Association of Schools and Colleges."

In commenting upon the plans for the opening session of August 15, Miracle said, "I deemed a signal honor for the county to have this opportunity to hear Dr. Berns in this position. Dr. Berns is privileged to travel throughout the nation."

Through this background, family and personal visits, and bring to our county a new knowledge and understanding of the current conditions in our country. Some of its pressing Prayer.

Prayer. Dr. Berns is a well-known speaker and has been invited to speak at many schools throughout the nation. He is a member of the National Education Association and the Southern Association of Schools and Colleges.

The Avon Park Sun

Washington Report

By Jim Bailey

WASHINGTON, Aug. 1 (AP)—The House of Representatives today passed a bill to create a new federal agency to study and report on the economic conditions of the nation's poor. The bill, known as the Economic Opportunity Act, was passed by a vote of 347 to 107. The bill is part of a larger package of legislation known as the Economic Opportunity Act of 1964. The bill is expected to be signed into law by President Kennedy.

The bill is part of a larger package of legislation known as the Economic Opportunity Act of 1964. The bill is expected to be signed into law by President Kennedy.

THE BAR OF BAMBOO will have its Formal Opening Thursday evening August 1 from 7 to 9 p.m. The lounge, located by many as the Ridge Area's most beautiful, is owned and operated by Mr. and Mrs. Henry E. Trace, who also operate the Orange Blossom Motel. The lounge is open at 1 p.m. and located at the city limits on Highway 27 north.

He Helped Me See Life Through ... The Eyes OF GOD

The Church is the greatest factor in the building of character and good citizenship. It is the source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four great reasons why every citizen should attend services regularly and support the Church: (1) For his own sake. (2) For the sake of his children. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Friday 8:00-9:00 10:00-11:00

Saturday 8:00-9:00 10:00-11:00

I was a little girl, then. The pews at our church were rough wooden benches, and my feet wouldn't reach the floor.
But, as though it were yesterday, I remember his sermon. About a woman who poured oil on the feet of Jesus. Some people said this was a wasteful thing to do. The oil was expensive; the money might have been given to the poor. But Jesus wasn't angry with the woman!
"In the eyes of God," our old minister said, "the most precious treasure is the love in a human heart."
No single thought has influenced my life more than that one. Most of my happiness — all of my strength when sorrows come — have been somehow entwined with that simple truth. I shudder at times to think; what if that day I had not been there?
A sermon, a prayer, a Bible passage does not touch the same chord in every heart. But as you seek each Sunday to see life through the eyes of God, there will come mighty visions stirring the depths of your soul.

To Receive More Wildlife Funds

TALLAHASSEE — Florida Game and Fish Commission today announced that it will receive an additional \$100,000 in federal funds for wildlife restoration through ap-
propriations to the state's Wildlife Fund. The federal money will be used to supplement the state's Wildlife Fund, which is the primary source of funds for the commission's wildlife restoration projects.

Call Roping Club Formed

Call roping, a sport which has been popular in the state for many years, has a new club formed in the Avon Park area. The club, which is called the Avon Park Call Roping Club, was formed by a group of local ropers who wanted to promote the sport and provide a place for ropers to meet and compete.
The club's first meeting was held last night at the Avon Park Hotel. The meeting was attended by about 20 ropers from the area. The club's first meeting was held last night at the Avon Park Hotel. The meeting was attended by about 20 ropers from the area.

Avon Park Edition—Thursday August 19, 1964

School Board Film Library To Increase 5 Times

A five-fold increase in the number of films in the school film library is being planned by the Avon Park School Board.

The request for a budget increase of \$1,000 for the film library was brought to the board meeting Tuesday night by two trustees from Avon Elementary School.

Mrs. H. H. Howell and Mrs. Lucille G. Howell emphasized that the film library is an important part of the school's educational program.

Mrs. Howell said, "We feel we have good workers and workers who take special care to improve, but low pay makes it hard to find good workers."

She said it is particularly difficult to find part-time workers at the present rate of pay. School Superintendent Andy Miracle told the school board that a year adjustment, worked out a year ago, provides for an increase of 25 cents per hour for each 60 hours of study a worker completes in a year.

Board member E. Ray Wells made the motion that the school board make a "careful study of the situation to see what might be done."

A major portion of the Tuesday board meeting time went into the opening and reviewing of bids. One group of bids could be had for the school lunchroom. Four bids were received for the lunchroom's milk supplies—all for 7.5 cents per half-pint.

Miracle said the increase in bid had been anticipated because of a recent milk commission ruling and estimated that the increase would add between \$7,000 and \$8,000 to costs in the 1965-66 year.

He said the Florida Milk Commission will reconsider its ruling, the school board decided to make the milk bid.

Most bids were referred to committees for study. Two bids were let. Paul G. Incorporated of Lake Placid won the contract for the school's "green grass" for the next two years. The bid was for 124 cents per square foot.

DeLaney Hardware of Avon Park was the successful bidder on a variety of paints. Its total bid was \$14,061.65.

School Architect Jim Hein presented final plans for three classrooms at Hopewell, four high school classrooms at E. O. Douglas, four junior high classrooms at Carver, a science-laboratory room and a home-making room at Lake Placid High School. All the plans were approved.

Avon Park Recreation Program Ends Has Successful Summer

The staff of the Avon Park Recreation Program feels that the summer has been a successful one. They feel that the program has been a success in many ways.

Mrs. H. H. Howell and Mrs. Lucille G. Howell emphasized that the film library is an important part of the school's educational program.

Mrs. Howell said, "We feel we have good workers and workers who take special care to improve, but low pay makes it hard to find good workers."

She said it is particularly difficult to find part-time workers at the present rate of pay. School Superintendent Andy Miracle told the school board that a year adjustment, worked out a year ago, provides for an increase of 25 cents per hour for each 60 hours of study a worker completes in a year.

Fountain To Be Placed At Mall Entrance

THE FIRST BAPTIST CHURCH of Avon Park this year celebrated its 50th Anniversary. The first services were held in 1913 by Rev. Elmer Ahlstrom and Rev. Scott Dargatz. The church, one of the oldest in the city, is the beauty and the appearance of the church look Rev. Scott Dargatz. Pastor has served the church since 1956.

First Baptist Church Host For Music School Aug. 19-23

The Music Department of the First Baptist Church of Avon Park is sponsoring a five-day music school for children and adults. The school will be held from August 19 to 23, 1964, at the church.

Clarence E. Kerr, 44, passed away after a short illness at the Fitzsimmons General Hospital on August 10. He was a native of South City, Iowa, and a member of the church.

Clarence E. Kerr, 44, passed away after a short illness at the Fitzsimmons General Hospital on August 10. He was a native of South City, Iowa, and a member of the church.

Seven New Teachers Added To Faculty

Seven new teachers and teachers who were formerly members of the elementary and high school faculties have been added to the 1965-66 school roster of personnel.

The new teachers are: Mrs. Lucy Loure and Mrs. E. O. Douglas, four junior high classrooms at Carver, a science-laboratory room and a home-making room at Lake Placid High School. All the plans were approved.

Miracle said that one teacher who had managed to obtain a contract for the coming year had asked to be released. This leaves the schools with one vacancy in an instructional position.

The board approved appointment of 14 teachers including those for Avon Park Elementary, Stuart Rogers for Avon High School, Jimmie Moore, a Minors McChaffin for Hopewell, James Mack and Geraldine Boston all of Hopewell.

The resignations of Denise Seywell and Edna Williams from the Hopewell faculty were accepted.

The board received letters of resignation from the teachers on the policy of reading and saying the Lord's at the opening of each day. The letters were from the teachers of Lake Placid High School and the teachers of the Avon Park Elementary School.

The board approved the program report.

Student Council Officers Attend Workshop

Two officers of the Avon Park Student Body attended the Student Council Officers Workshop. The workshop was held in Tallahassee at Florida State University.

Highlands Court News

An Avon Park Negro has been bound over to Circuit Court on two counts of breaking and entering. Robert Baker, Jr., waived preliminary hearing before Judge Mervin Rehner and the judge set bond at \$1,000 on each charge.

Baker is accused of breaking into the Beach Front and into the home of John Wilson. Harvey Williams, Sheriff Negro, was bound over to Circuit Court on an aggravated assault charge. After a preliminary hearing was conducted in Court on Monday, Judge Rehner set bond at \$1,000.

The board approved the program report.

ROTARY PRESENTS CHECK FOR \$1,200 toward furnishing Lounge and Waiting Room at Walker Memorial Hospital. Presenting check to Audice Lynd, Administrator of Walker Memorial is the President of Rotary, Harry Hood, Bill Young, Secretary & Treasurer, is in center.

Florida Power Looks To The Future

WINS HONOR POSITION

Washington Report

By Congressman Jim Haley

WASHINGTON, Aug. 14 (AP)—The House of Representatives today passed a bill to increase the federal estate tax, which would increase the tax on estates over \$1 million from 30 percent to 40 percent.

The bill, H.R. 10141, was passed by a vote of 317-197. It is expected to become law before the end of the year.

The bill also provides for a new tax on gifts, which would be levied at a rate of 30 percent on gifts over \$10,000.

The bill is part of a larger package of tax legislation that the House is considering.

Sales Tax Collections Show Increase

AVON PARK, Fla. (AP)—Sales tax collections for the first seven months of the fiscal year ending April 30, 1963, showed a 10 percent increase over the same period in 1962.

The increase was attributed to a combination of factors, including a rise in the number of retail stores in the city and a general increase in consumer spending.

The city's finance director, John Smith, said that the increase was a "very encouraging sign" for the city's economy.

Shows Increase

AVON PARK, Fla. (AP)—The Avon Park Sun, in its first year of publication, has shown a significant increase in circulation.

The newspaper's circulation for the first seven months of the fiscal year ending April 30, 1963, was 15,000 copies per week, compared to 12,000 copies per week in the same period in 1962.

The increase was attributed to the newspaper's commitment to providing high-quality news and information to the community.

Wayne W. Albright

Your

Candidate for Mayor

A Vote For The Progress
of Avon Park

Dear Voters of Avon Park:

As we, the citizens of Avon Park, drive around our lovely city we see empty and idle parking places along the highways where there should be some kind of work or industry. Also as we drive through our residential areas we see for sale signs in front of homes. In some blocks there are as many as 4 or 5 houses for sale. Most of these people, if they can sell, will be leaving Avon Park in search of work and a better life. This is proof that the economy of our city is way off and on the down grade. We need something to turn more people to our city and to keep the residents that we already have.

If I am elected to the office of Mayor of Avon Park I make a personal pledge to the residents of Avon Park to work and organize a voluntary committee of businessmen, members of our civic organizations, self-employed persons, school teachers and other citizens interested in the growth of Avon Park who will work and formulate a program in which we may present the advantages and the industrial potential of our city to prospective industrial or company representatives who may be interested in locating in or around Avon Park.

I will obtain State and Federal Industrial bulletins so we may keep up to date on companies that are planning to expand and locate new plants. By this manner we can contact these representatives and invite them to our City so they can meet with our committee and go over our program to help industry on coming to Avon Park and make this their home just as you and I have.

This will not only help us and the economy of our City but will give our young citizens a greater outlook for the future after graduating from our local schools.

This may seem like a great task, but we see cities all around us obtaining factories and industries that boost their economy and offer full time employment for a number of their residents. If other cities around us can do this why can't Avon Park?

Now is the time to start working for the future of our City and to have year round work for the residents of Avon Park.

Sincerely yours,
WAYNE W. ALBRIGHT

CORDLESS HEARING AID WORN IN EAR

Here's the smallest hearing aid we ever made. The Sonotone "WISP-EAR" is worn in the ear for cordless hearing. It weighs under 1/5th of an ounce with battery—light as a nickel, small as a dime in diameter. The "WISP-EAR" slips in the ear—no outside cords, tubes or wires.

This is the hand of justice. It re-proves those people who have strayed from the path of truth and good living.

Honest men and righteous men have chosen another hand; one which is not pictured here. They never need the reproof of justice, for they have chosen the Hand of God.

Each man is free to decide which hand will lead him. Some never see the Hand of God, and their way through life is barren and pointless.

But with the help of the Church, you can find the right path. By attending its services and joining in its work, your way through life can be made straight and happy. Take the Hand of God, and you need never fear stern justice.

Dr. C. D. Marston Dies Suddenly In Washington

Dr. Clarence D. Marston, retired member of the Northeast Ohio Conference and winter resident of Avon Park, died at a hospital in Washington, D.C. He was 82 years old. His wife Luella passed away just this past June also in Maryland. The funeral service will be at Lakeside, Ohio Tuesday afternoon.

Dr. Marston entered the Northeast Ohio Conference in 1918. Part of his service was as District Superintendent and Superintendent of the Berea Children's Home. His first pastorate was at Vienna, Ohio, where he and his last pastorate was at Akron, Ohio.

Dr. Marston leaves two sons, Rev. Robert Marston of Silver Spring, Maryland, and Rev. Dean Marston of Poland, Ohio.

While here at Avon Park, Dr. Marston lived on the Avon Park Campground. He was in Avon Park just a few days ago with his son Dean for a short stay at his home.

John D. Rich, Jr. Completes Air Training Study

Memphis, Tenn. (FIFTH) — Marine Private First Class John D. Rich, Jr. son of Mr. and Mrs. John D. Rich, Avon Park, Fla., recently completed the four-week Aviation Mechanical Fundamentals School at the Naval Air Technical Training Center, Memphis, Tenn.

As a graduate of this basic course he is qualified for entrance to a more advanced training school in preparation for technical duties with Marine aviation units.

The Mechanical Fundamentals course included mathematics, physics, electricity and the use of aircraft hardware.

One of Many

There are many features of the Stephenson Funeral Home which are appreciated by those we serve. A private room, for instance, is provided for the family during the funeral service. Here, the family has blessed privacy, at a time when such privacy is utterly priceless.

Ministers of all faiths and the sponsors below share invitation and cost of this page. They urge you and your family to attend church this Sunday.

Gross Sales For State Show Increase

TALLAHASSEE, Fla. (AP)—The Florida Bureau of Commerce today reported that gross sales for the first nine months of 1962 were up 1.3 percent over the same period last year.

Straughn said that the different types of business reported sales were down, as compared with 1961-62. They included auto and auto parts, 12.18 percent; food and drink, 1.02 percent; clothing, shoes, 2.21 percent; hardware, paints and machinery, 14.54 percent; general merchandise stores, 4.39 percent.

Auto accessories parts, 3.46 percent; motorboat and boat dealers, 12.49 percent; house hold appliances, 7.23 percent; store and office equipment, 5.32 percent; music, radios and television, 21.40 percent; electrical and plumbing, 11.96 percent; roofing and sheet metal, 16.02 percent; lumber and building materials, 15.38 percent; cigar stands and tobacco shops, 69.79 percent; machine shops and foundries, 10.68 percent.

Grocery stores reported an increase in sales of \$52,444,742, up 3.18 percent. Straughn said, while restaurants and lunchrooms were up \$16,397,105, or 3.62 percent.

Motor vehicle dealers reported an increase of \$270,802, 473, up 19.01 percent. Department store sales were up \$50,483,835, or 14.53 percent.

The accommodations industry, including hotels, motels and apartment houses, reported gross sales of \$539,005,104, an increase of \$17,458,431, or 3.34 percent. The sales tax increase for this group was only .96 percent, or \$125,778.

The cold weather increased gross sales of fuel dealers over 1961-62 by \$15,480,221, or 5.97 percent.

Industrial machinery and equipment continued to gain with gross sales topping 1961-62 by \$4,087,409, or 25.70 percent.

Probation and Parole Commission Have Big Job

TALLAHASSEE, Fla. (AP)—The Florida Probation and Parole Commission today announced that it has received 1,302 applications for probation and parole in the first nine months of 1962.

The commission, headed by Judge W. B. Bly, said that the number of applications received in the first nine months of 1962 was up 1.3 percent over the same period last year.

The commission said that the number of applications received in the first nine months of 1962 was up 1.3 percent over the same period last year.
