County Commission Okay Tax Millage

The Highlands County Commission approved the 1963-64 county tax millage, containing only a few changes from the last year.

In the coming year, total taxes in Avon Park will be 42 cents. School and Lake District taxes will be 30 cents, and the county will add 12 cents.

The commission also approved a special budget for the coming year, which will provide for the purchase of a new fire truck and a new fire engine.

Ninety-three Community Leaders Attend ARP School

Ninety-three community leaders and school officials attended the first Avon Ridge Area Day School (ARP) school, which was held at the Avon Park High School on Monday, August 19.

First Baptist To Hold Music Program Sun.

The First Baptist Church of Avon Park will hold a music program on Sunday, August 25, at 10 a.m. The program will be held in the church sanctuary and will feature a variety of musical numbers.

Frostproof To Celebrate Labor Day

Frostproof Day is scheduled for Monday, September 2, (Labor Day), with all the local organizations providing entertainment for Frostproof citizens and any out of town visitors desiring to participate.

The program for the day will start at 10 a.m. and end at 10 p.m. The program will include a parade, a football game, and a variety of other activities.

The parade under the direction of the American Legion Auxiliary, Mrs. Glen Chase, chairman, will start at 10 a.m. and will include a variety of floats and bands.

Both local and out of town boats competing in various classes of races will be handled by the Lions Club. Trophies will be awarded to the winners.

The supper menu will consist of fried chicken, cold slaw, baked beans, potato salad and coffee.

There will be many pretty girls to vie for the title of Miss Frostproof. They will be judged in bathing suits and evening dress—for personality, poise and appearance.

The Volunteer Fire Department promises the display of fireworks will be as beautiful as ever, much to the delight of the young and old.

The Rotary Club has been in contact with several bands to provide music for all dance lovers.

All of these activities, including supper, for \$1.50 adults and 75c for children under 12. If anyone desires to come to the boat races at a charge of 50c or come only to the dance for \$1.00 stag or drag may do so.

The people of Frostproof extend to all an invitation to come and spend the whole day, Monday, September 2, here in our "Friendly Little City," for a safe, fun day.

S. G. Clarke Gets New State Post At FARP

S. George Clarke, Director of Information for the Florida Agricultural Experiment Station, has been named to the position of State Post at the Florida Agricultural Research and Experiment Station (FARP).

Clarke is slated to receive a doctorate in agriculture (Ed.D.) from the University of Florida next Spring, and holds a B.A. from Siena College in Loudenville, N. Y., a B.S. from the University of Florida in Madison, N. J., and an M.A. from the University of Florida.

As Director of Community Services, he will be responsible for planning and conducting state-wide community education and professional training activities.

Educational functions include organizing and staging special conferences, seminars, workshops and schools of alcohol study; consultation services to business and industry; work with educational channels; and the public schools and institutions of higher learning; and cooperative work with other state agencies.

Clarke and his son, Richard, live at 711 W. Canfield in Avon Park.

Notice

The Avon Park High School Athletic meeting will be held Friday night, August 23, at the Avon Elementary Gymnasium at 8 p.m.

Kiwanis Club Hears Jet Pilot

Thirty-seven guests and members of the Avon Park Kiwanis Club met for their weekly dinner meeting at the Jacarana Hotel, August 20, 1963.

Captain James P. Coyne, USAF, in conjunction with "National Air Force Week," presented the program in regards to MacDill AFB, Air Force B & G Range, and Tactical Air Command.

Captain Coyne is a graduate from the University of Maryland, class of 1952, and is an F44 jet fighter pilot himself.

Captain Coyne comments relative to the USAF were interesting as well as informative and Kiwanis express their appreciation to Captain Coyne, MacDill AFB and Mat Hooten, commander AFBGR, for making this program possible.

"That amounts to 16 potential accidents," Wooten said, "which will never happen thanks to the Safety Check."

Nine of the defects were corrected before the day was out, he added, and the seven others will receive their windshield stickers after having the defects corrected.

A group of ten Avon Park Jaycees worked throughout the day checking turn signals, brakes, exhaust systems and other items on the 240 auto Safety Check.

Wooten expressed his thanks on behalf of the Jaycees for the help of the Avon Park Police Department, the County Sheriff's Department, and the Florida Highway Patrol, and for the cooperation of the Avon Park Sun in publicizing the event.

Volunteers in Avon Park are planning to hold their annual political rally on the Mall at the old grandstand a few days before election.

You voters in Avon Park will have an opportunity to ask the candidates questions after the rally to help you decide on who the best man might be.

The Jaycees ask all of the voters to attend this rally. Further information concerning time and speakers will be announced next week in The Sun.

Bus For Ridge Area Day School Delivered

A shiny yellow Ford Econoline bus, especially outfitted to accommodate 13 children and an adult driver, arrived in Sebring this week. It is the gift of the students and citizens of Highlands County to the children of the Ridge Area Day School, Avon Park. The bus was purchased with Top Value trading stamps collected from families and friends by the students of all schools of the county. It represents the culmination of many hours of effort on the part of many, many people.

Back in April when the Board of Directors of the Ridge Area Association for Retarded Children met to discuss plans for the 1963-64 school year at the Ridge Area Day School, one problem seemed to stand out. What could be done to provide transportation for a greater number of pupils to the Day School? The answer of course was a new school bus. But how was one to be had? Mr. Andrew Mirac, Superintendent of Public Instruction, stated that no funds were available for the purchase of the bus, but that the county could maintain the bus if one were secured. The Association had plans for all its limited funds to hire a teacher for the pre-school for retarded children. One Board member, Mrs. Morris Anderson, Sebring, suggested that trading stamps could be collected to an estimated 1000 books of stamps would be needed. But the time element! How could that many

books be obtained in just three months? Henry Hoing, a new Board member, suggested that the school children be asked to help. Mrs. Sam King, President of the Ridge Area Association, suggested that the school children be asked to help. Schools to work out a solution to the problem. The Committee approached the principals and the student council of each of the county schools and received their enthusiastic endorsement. Within two weeks a contest was going between the schools to see which could bring in the greatest number of trading stamps. Likewise contests were held at the school for lunch money. In case the parent wishes for the child to come home for lunch, it will be necessary to arrange this in person at the school office. Pupils wishing to bring a packed lunch may do so provided it is eaten in the school lunchroom.

Students in grades 9, 10, 11, 12, are not permitted to be anywhere other than their regular meeting place without the approval of the principal. A written request from the parent is a necessary part of this procedure.

The school buses will follow the same route on opening day as followed last year. Any later changes in route or time schedule will be announced from the school office.

The opening and closing hours will be 8:15 a. m. and 8:00 p. m.

A slightly increased enrollment is expected area wide.

Prices Holding Good For Early Fruit

Reported offers and sales of early and mid-season oranges are still mostly \$4.00 to \$4.50 per box on-tree, or pounds of 80c to \$1.00. An occasional sale of Pineapples and Valencia's is reported with early maturing pineapples for early maturing. Navel's of fresh fruit quality are reported at \$2.00 to \$2.25 with some very early maturing grapefruit at higher offers.

Some offers of \$1.60 are reported for the Dunacans that were made during the first week of the shipping season. Some seedless grapefruit is very close to making the maturity requirements and it is possible that the first shipments will be made at the end of August.

Recent rains will help the juice content in these early maturing crops.

On Vacation

Wiley Cochran, our weather reporter, is on vacation this week. The complete weather report will be published in The Sun next week.

The 1963 national convention of the American Legion will be held in Miami Beach, Sept. 8-12. Some 60,000 Legionnaires are expected to attend.

The newest state office building in Tallahassee is now under construction, will house the Florida Sheriff's Bureau, Game & Fresh Water Fish Commission and other state agencies.

The Avon Park Jaycees checked more than 240 cars and trucks Saturday, showing how the cars are Robert Whitcomb, Philip Wooten, and deputy sheriff, Harold Rogers.

AVON PARK LAKES NEWS

By Thelma L. Merrill Phone GL 3-6146

The Association card party at the Club House on Tuesday night was enjoyed by twelve members. The group shared Mr. Charles Coburn's birthday cake. Mrs. Karl Swanson, hostess for the evening served refreshments.

We are happy to report that Mr. Don Jamison was released from Walker Memorial Hospital and is "relaxing" at home.

Mr. and Mrs. Clarence Bush and Mr. and Mrs. Paul K. Moore spent three days at Key West, Miami and Riviera Beach.

Mrs. Mildred Armstrong's grandson from Dallas, Texas has had a grand summer vacation in Sapphire, North Carolina.

"Welcome home" to Mr. and Mrs. R. P. Sandage after a pleasant three months vacation in Sapphire, North Carolina.

The Desautel Bedard house is very quiet and homey. Mr. and Mrs. Omer Bedard and three children, left for their home in Washington, D. C. on Friday. Come again soon.

Thelma Merrill has just returned to the Lakes after a five weeks vacation in Cape Breton, Nova Scotia, and the Cape in Quebec, Canada. They also visited their daughters and families in New Jersey and Virginia. Welcome home.

Mr. and Mrs. Thomas A. Ray of Miami were guests of Mr. and Mrs. Albert Rich. The couple spent Tuesday in Ocala.

Mr. and Mrs. Richard Wei and their daughters Peggy and Linda of Macomb, Illinois are visiting Mrs. Wei's parents, Mr. and Mrs. Paul K. Moore.

Mr. and Mrs. Clarence Bush motored to Venice on Friday.

Miss Candy Clark of Orlando spent a week with her grandparents. Mr. and Mrs. Albert Rich. Candy's vacation was brief as she returned home in order to model at Dickson and Lyle. She is a very beautiful, charming young lady, and definitely a model material. We are all proud of her.

Mrs. Carl Swanson entertained at a desert bridge Friday afternoon. Mrs. Chas. Coburn had high score and consolation prize went to Thelma Merrill.

Mr. and Mrs. Orville Castine returned home last Thursday from a five and half week vacation covering 14 states and nearly 5000 miles. They spent weeks in Connecticut, New York state and Montreal visiting relatives. They were in Detroit for 3 weeks visiting friends and relatives.

No Open Season On Alligators

LAKELAND—Regional Manager J. O. Brown, South Florida Region, Game and Fish Water Fish Commission, Lakeland, announced that contrary to recorded statements heard over radio and television stations, there is no open season for taking alligators in Florida.

Taking, molesting, or killing alligators of any size is prohibited, he said.

Brown said that the erroneous statements heard and reported by many listeners probably are made on out-dated public service Commission recordings furnished the stations when permits for taking alligators were legal—and that inadvertently the recordings as yet have not been recalled by the Commission.

He said that a proposed law widely publicized in the Florida press early this year, making possible an open season on alligators and providing for license and fees, never reached the floor for a vote in the recent Legislature.

He warned that, under present law, alligators may not be killed, molested, or taken in any manner, regardless of size.

ESCAPE FROM PRISON

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest force in the world for the building of character and good citizenship. It is a school of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four main reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of his eternal soul. (4) For the sake of the Church itself, which needs his money and his service. Plan to go to church regularly and read your Bible daily.

Never has there lived a man who accomplished all he wanted to do . . . or went everywhere he meant to go.

Time and Distance like prison walls surround every life, ultimately frustrating man's hopes and dreams.

We are told that science is finding ways to multiply time, to divide distance. A gadget can save you an hour. A jet will cut your journey in half.

But should the day come when man can live to 150, and a round-trip to the moon will be called "commuting" — we'll still be living within the same walls . . . time . . . distance . . .

In fact, the only hopes of mankind which ever reach beyond these walls are our religious beliefs. In our churches we come to know the Eternal, the Everwhere. Faith dissolves frustration.

Life is more than a quest for speed . . . a conquest of space. Come to Church — and see!

Winn-Dixie Employees Receive Bonus

TAMPA, Fla. Employees of Winn-Dixie and Kwik Chek Food Stores have received \$1,000,000 profit sharing bonus, according to an announcement by J. B. King, vice president and divisional manager of the firm's profit sharing plan. The plan, which was instituted in 1956, has been in effect since 1956, thus making the first year cash distribution has topped the one million dollar mark. The distribution of funds was made to 1,677 eligible employees of the Winn-Dixie Employees' Profit Sharing Program. Employees become eligible to participate in the program after completing five years service with the company.

Each year, the firm sets aside a portion of its profits for distribution to employees under the program. A portion of the funds is paid in cash and the balance credited to individual trust accounts for retirement benefits. It is estimated that an additional \$2,000,000 will be allocated to participants in the program for the 1961-62 fiscal year which will begin June 29. The amount of the current fund paid by the firm is now at a record high of \$1,000,000. Participating employees are not required to contribute any part of their salary to the retirement fund.

The profit sharing program is part of the overall employee program of Winn-Dixie which also includes life, health and accident insurance, stock purchase plan and a college scholarship program for children of employees.

The company operates 600 Winn-Dixie and Kwik Chek supermarkets throughout the Southeast.

The Stryer & Hutchinson Co. says 600 manufacturers will reduce over 20 million prices for redemption from the new Self Green Stamp merchandise catalog.

A recent study of a sample group of patients at the Florida Alcoholic Rehabilitation Center showed that more than 40 percent were either divorced or separated.

Florida Forest Service Radio System Effective

FLORIDA FOREST SERVICE has installed a new radio system in its Avon Park area, which will enable rangers to communicate with each other and with the central office in Ocala. The system, which was installed last month, consists of a network of radio towers and repeaters that will allow rangers to maintain constant contact with each other and with the central office. This will greatly improve the efficiency of the forest service's operations in the area.

Despite Freeze Fla. Still In Fruit Business

AVON PARK, Fla. — Despite a recent freeze, Florida remains a major fruit-producing state. The state's citrus industry, which is a major part of its agricultural sector, has not been significantly affected by the recent weather conditions. Farmers are optimistic about the upcoming harvest season, and the state's reputation as a major fruit producer remains intact.

Net Ladder Competition Divided The J. T. Lambs Into Junior and Senior Divisions Hold Family Reunion

THE J. T. Lambs of Avon Park, Fla., held their annual family reunion at the J. T. Lambs Hotel on August 22. The reunion was a great success, with many family members attending and enjoying the festivities. The J. T. Lambs are a prominent family in the area, and their reunion is a major event for the community. The hotel, which is named after the family, is a beautiful building with a long history. The reunion was held in the hotel's grand ballroom, and the atmosphere was festive and joyful. Many family members were in attendance, and the event was a great opportunity for them to get together and celebrate their family's achievements.

American Legion Auxiliary News

The members of the American Legion Auxiliary held their regular meeting on August 22. The meeting was held in the Legion's hall, and the members discussed various topics of interest. The Auxiliary is a great organization that provides many services to the community. The members are dedicated to their duties and are always ready to help others in need. The meeting was a success, and the members were able to discuss important issues and make plans for the future. The Auxiliary is a great source of support and assistance for the community, and the members are proud to be a part of it.

AAA and Local Authorities Remind Motorists That "School's Open"

THE AAA and local authorities remind motorists that "School's Open" is a time to be extra cautious on the roads. The AAA has issued a warning to motorists to be careful of children in the streets, especially in school zones. The local authorities have also issued a warning to motorists to be careful of children in the streets. The warning is in effect from the start of the school year until the end of the year. Motorists are urged to slow down in school zones and to be extra careful of children in the streets. The AAA and local authorities are working together to ensure the safety of children in the streets.

Archie Bowen's Condition Improving

Archie Bowen's Condition Improving

A letter was received by Mrs. Archie Bowen directly from her husband, Archie Bowen, who is recovering from a recent illness. The letter stated that Archie's condition is improving and that he is feeling much better. Mrs. Bowen is very happy to hear the news and is looking forward to seeing Archie again. Archie is currently in the hospital, and the doctors are optimistic about his recovery. The letter is a great source of comfort for Mrs. Bowen, and she is grateful for the news.
