A MATTER OF LUCK

Jim didn't catch any fish today. Now, on the way home, he can't help casting an envious eye at Tim's haul. It isn't that he begrudges Tim his fish. It's just that, in his heart, he can't help wish that he had been the lucky one.

This is natural, and Jim is young. He's just beginning to learn that you can't always be a winner, but he still finds losing pretty hard to take in stride.

Fortunately, Jim is being given the advantage of Christian training in church during this all-important period in a boy's life when a sense of values is being formed. He is learning lessons which only the Church can give him.

True, Jim is envying a very small item — a string of fish. But envy and greed come to all of us on a larger scale many times throughout life. To meet this challenge squarely, it takes years of self-discipline. That is why religious training can never begin too early.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a source of spiritual values. It should be a strong, healthy, and dynamic organization. There are four main reasons why every person should attend services regularly and read their Bible daily.

Driver Training For Students Pushed By State Safety Crusade

Today, almost every high school in the state has a driver training program. In the past, these programs were limited to a few schools, and the state's safety crusade has been pushing for more schools to offer such training.

The state's safety crusade has been pushing for more schools to offer such training. The state's safety crusade has been pushing for more schools to offer such training.

Beginning with the coming school year, every high school in the state must offer driver training to its students. The state's safety crusade has been pushing for more schools to offer such training.

CORDLESS HEARING AID WORN IN EAR

Here's the smallest hearing aid we ever made. The Sonotone "WISP-EAR" is worn in the ear for cordless hearing. It weighs under 1/5th of an ounce with battery—light as a nickel, small as a dime in diameter. The "WISP-EAR" slips in the ear—no outside cords, tubes or wires.

Jaycees To Sponsor Political Rally Sat.

The tax candidates for mayor and five candidates for City Council in Avon Park will offer their views on various campaign issues during the Political Rally sponsored by the Avon Park Jaycees on Saturday, September 14 at 7 p.m.

Border Explains Schedule
For Bond Repayment

To correct the impression caused by the city when it was given in a recent article in the Mail-Herald and Tribune that taxes will be raised in Avon Park, I offer the following information:

1. How do you feel about the city manager form of government as compared to our present system?
2. Do you feel that the sewer system should be expanded? If so, how do you propose to do it?
3. What are your plans to make Avon Park more attractive to industry?
4. What reforms, if any, do you plan to institute in the city administration?
5. Why do you want a council seat?

"Sight Saving" Campaign Underway

The annual "Sight-Saving" campaign of the Florida Society for the Prevention of Blindness starts Sunday. Plans for a full-scale drive in both public education and fund raising throughout the state have been completed. It was announced by Mrs. Robert B. Baynard of Venice and St. Petersburg, president of the Florida Society.

At a pre-campaign press reception held at the Sheraton-Tampa Motor Hotel in Tampa, Tuesday, August 30, Mrs. Baynard read a telegram from orchestra leader Guy Lombardo, stating light-saving campaign, which read in part: "Life is worth seeing. It is the responsibility of all of us to do something about the fact that 50 per cent of the blindness that occurs in our state is needless and preventable."

The statewide observance is part of the national program sponsored by the National Society for the Prevention of Blindness. National chairman of the 1963 light-saving campaign is film and television celebrity Walt Disney.

A goal of \$50,000 has been set for the Florida Society's fundraising appeal. Mrs. Baynard said that the amount would be raised primarily through a bank appeal and a unique color bank program throughout the state. The color bank offer, an innovation this year, has been possible through the cooperation of several major industries. The colorful coin banks, donated by the Continental Can Company and labeled by Lyles Brothers, are being placed, maintained and managed as a public service of the Tom Hinson Printing and Lithography Company. The banks are being distributed throughout the state. It is hoped that the ten thousand coin banks will produce at least 20 per cent of the goal, needed for expansion of the Florida Society's program of glaucoma detection, pre-school vision screening, children's eye safety and industrial eye safety. "Each of us can personally participate in the fight to prevent blindness by supporting this worthy cause," Chairman Lombardo urged.

Mrs. Florida Honored At Jr. Woman's Club

The annual District 8 Junior Nite will be held at the Lake Byrd Lodge this year with the Avon Park Juniors acting as hosts. The event will be held Thursday, September 5 at 7:30 p.m., and the theme for the festivities will be an "Old Fashioned Evening." Everyone will be dressed in outfits ranging from old-fashioned ball gowns to country gingham. The dinner will be served country-style, and guests will be served all they can eat for \$2.25.

Entertainment will be those "Mountain Dew Girls," consisting of Mr. Donald Ford, Mr. Frank Camp, Jr., Art Turner, Mrs. Wendell Smith and Mrs. Charles Moore, all of whom are being sought for the Grand Ole Opry.

Several celebrities from surrounding towns are expected to attend the meeting; the District 8 Director, Mrs. Elton Nole of Winter Haven; who is the director of eleven different clubs; Mrs. Norma Murphy of Lakeland who is the State Publicity Chairman; and Mrs. Emily Savage, who is the State Junior Director and holds the title of Mrs. Florida.

Mrs. Florida lives in Miami where she and her husband have their three children. The Savage home is very modern with an immaculate two-story patio, where they enjoy outdoor living. The Savage children are: Charles, a high school senior, a blonde, blonde in-Wonderland; and a blonde, blonde in-Wonderland; and a blonde, blonde in-Wonderland.

The State Junior Director is a very important position and has many activities to attend. She is over approximately thirty-three hundred clubs over the state; heads all the district and club visits every district and club upon invitation; attends the National Convention and is the guest speaker at the Senior Women's Club country. These are just a few of her responsibilities to give you a better idea of what she does.

The Junior Woman's Club members are very honored and delighted to have Mrs. Florida as their guest speaker for June 1963 and a hearty welcome to her.

This schedule was set up in 1950 when bonds were refunded on a bond-for-bond basis. The amount of the bonds was \$1,175,000 and cannot be changed by any council or Mayor.

The payment for 1963-64 will total (including interest) approximately \$63,000. The estimated income from City territory is approximately \$50,000. It is possible that no increase in Millage for that year will be necessary if more income from new property and assessment is forthcoming.

The above figures pertain to the bond payment as taken from General Fund Bond Summary, September 30, 1961, prepared by Lester A. Kennedy, Certified Public Accountant for the City of Avon Park.

It is apparent that some more thought will have to be given to this matter in order to meet the obligations of this bonded indebtedness.

Avon Park Grows

The past few weeks there has been some street talk of "Poor economic conditions in Avon Park." City is going backwards," etc. The Avon Park Chamber of Commerce has been doing a little research to establish the fact that the City of Avon Park is growing. The number of telephones in Avon Park as of July 31, 1962, totaled 1,100, compared to the figure which increased to 3,462 July 31, 1963. According to the Inter-County Telephone & Telegraph, the projected figure for Avon Park by the end of 1963 will be 3,663.

There has been a noted increase in the water meters and light meters in the City for the past year, an increase in Avon Park school enrollment, increase in the number of new business openings in our City. In the past year one new shoe store, one sewing center, one automobile laundry, one beauty parlor, one hair dresser, one florist, one dress shop and a new dentist office has been opened, and a building permit was just issued for a new Florida Power Office building.

According to figures released by the Welcome Stations in the Avon Park area, the following statistics in Florida of Automobile Tourists for the first half of 1963 showed that 1,684 cars indicated they were headed for the City of Avon Park. This indicated GROWTH in Avon Park.

Named To
Bradenton Office

Doyle M. Duncan, president of the Florida Division of the American Cancer Society, has been named to the Bradenton office. Duncan has been in the cancer field for many years and has been active in the Florida Division of the American Cancer Society.

He said that the Society's Board of Directors and volunteer committee members have been alerted to make plans for expanded and more intensive cancer control programs to be conducted throughout the state during the coming year.

Allocations which will be made from the \$1,100,000 fund will be based on the requirements of the various phases of the cancer control projects which will be conducted over a twelve-month period, starting September 1, 1963.

The breakdown recommended by the Society's volunteer Budget Committee are as follows:

For Cancer Research—35% with 20% for nationwide programs, 3% for the national 1963 cancer prevention study, 12% for emergency grants for Florida institutions and special medical grants.

For Education (public and professional)—29% with 20% for educational films, literature, exhibits, booklets, press, radio and TV materials and operation of information centers.

W. J. Clapp, President of Florida Power, Returns From Russia

W. J. Clapp, President of Florida Power, returned from a two-month tour of the Soviet Union, arriving in Avon Park, Fla., last night. Clapp, who is 54, was in Russia to study the power situation in that country and to discuss the possibility of a power agreement between the two nations. He was accompanied by a delegation of officials from the Florida Power and Light Co., which is a subsidiary of the American Electric Power Co. Inc. Clapp's tour was the first by a high-ranking American official to the Soviet Union since the end of World War II. He was met at the airport by a delegation of officials from the Soviet Ministry of Power. Clapp will be in Avon Park for several days, during which he will be giving a series of lectures on the power situation in the Soviet Union. He will also be meeting with officials from the Florida Power and Light Co. to discuss the possibility of a power agreement between the two nations. Clapp's tour was sponsored by the U. S. State Department and the U. S. Atomic Energy Commission. He will be in Avon Park from September 3 to September 10.

A HARVEST OF FAITH

Plant a crop in deep, rich soil and you plant a crop that will flourish.

Something gives it life. Sun and rain, yes, and certainly rich, abundant soil. . . and yet, something more, something that gives it the ability to seek and use strength.

Someone gives US life . . . nourishing food, warm comfortable shelter, these help certainly. But still . . . something else. Our souls reach far below the surface of everyday existence to find our deeper faith in God's wisdom and power.

We place ourselves at His mercy. We seek Him often in prayer and worship, and "times of refreshing shall come from the presence of the Lord."

Having found this fountain of faith, like the harvest, we point ever heavenward to share with others our discovery.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor in the life of the individual. It is the source of spiritual life, the source of moral strength, the source of social order. It is the source of all that is good and noble in the human race. It is the source of all that is true and beautiful in the human mind. It is the source of all that is holy and pure in the human heart. It is the source of all that is eternal and everlasting in the human soul. It is the source of all that is divine and heavenly in the human spirit. It is the source of all that is glorious and magnificent in the human world. It is the source of all that is wonderful and amazing in the human universe. It is the source of all that is mysterious and profound in the human existence. It is the source of all that is sublime and majestic in the human destiny. It is the source of all that is glorious and magnificent in the human world. It is the source of all that is wonderful and amazing in the human universe. It is the source of all that is mysterious and profound in the human existence. It is the source of all that is sublime and majestic in the human destiny.

PLEASE REMEMBER

TUESDAY SEPT. 10th IS ELECTION DAY

As A Citizen, Be Concerned Enough To Vote

Know Your Candidates

Let Us All Show

that we are all interested in the progress and betterment of our city. Let us all show our interest by voting for the candidates who are running for Avon Park.

Why Kelley Phillips and Jim Turnbull Are Running For Councilmen Together

They are running together because they are both interested in the progress and betterment of our city. They are both citizens of Avon Park and they both want to see our city grow and prosper.

Jimmie Turnbull

Kelley Phillips

To Each of You Whom

we have not seen in person to solicit your vote and support, please forgive us. You can be sure that it would have been our pleasure to do so and we trust that you won't hold it against us at the polls Tuesday, September 10th.

There Is Hard Work Ahead. Much To Be Done

Operating overhead must be brought into balance. Business efficiency must be put into order. Spending of the taxpayers money wisely must stop. If Kelley Phillips and Jim Turnbull are elected as your councilmen, THIS WILL BE DONE.

We Deem It An Honor and A Privilege

for any man or woman to serve you and our city as councilman. BUT, we feel that no one should offer service for this most important post without the ability, determination and a definite program of progress for the benefit of Avon Park and you the people. If your councilman possesses these qualifications and are willing to work, you would never have a non-progressive town with your economy at low ebb.

VOTE FOR PROGRESS WITH KELLEY PHILLIPS and JIM TURNBULL

Don't Be Deceived

Look around, you can't find progress anywhere. There is none to be found. There must be a cog in the wheel somewhere. Let's find it and pull it out. If by your vote of confidence at the polls September 10th, Kelley Phillips and Jim Turnbull are elected as your councilmen, you will have two men who are determined to go all out for progress and a much better needed economy for AVON PARK.

We Repeat, Kelley Phillips and Jim Turnbull

are not interested in just filling a vacant seat around the council table. They are concerned about the progress and economy of Avon Park. They are concerned about the operating overhead and the efficiency of our city government. They are concerned about you, our citizens and if Kelley Phillips and Jim Turnbull are elected September 10th by your vote of confidence, all these items will be their number one project. We do not agree with those who are willing to sit idly by and do nothing about it. We want Avon Park's progress and economy much improved. Let's put our house in order with Kelley Phillips and Jim Turnbull.

The Business of Avon Park Is The Largest Operation We Have

It is operated on tax money. Your managers are your city councilmen. The way it is operated and your money spent, is up to them. This could be good, or bad. It could be the difference between a progressive city and a non-progressive city. It's not hard to see what we have today. By your vote September 10th, you will elect two new councilmen. Make it a good vote for Avon Park. If you do this, your vote will be for the only two men with a definite, determined program of progress for Avon Park. Kelley Phillips and Jim Turnbull.

Vote For Avon Park With Kelley Phillips and Jim Turnbull

Kelley Phillips and Jim Turnbull

are your two candidates with a definite program for Avon Park and you the people. Through the press, over the air and all over town we have tried to acquaint you with our platform for progress for our city and you. We are very grateful for the many people in our city who have made it known to us that they are looking forward to going to go all out for Avon Park. Election day is just around the corner. The story will be told what two candidates you have chosen to serve you at Avon Park for the next two years. Give Avon Park a good vote. She needs a vote for progress and leadership for men who are concerned about the progress and economy of our city, for men who will take politics out of city hall and put it back in proper order, for men who are not interested in digging deeper in your pockets for more tax money. If you believe that Kelley Phillips and Jim Turnbull are the two men you give them your vote of confidence at the polls Tuesday, September 10th.

Special Favors For Political Prestige

are your two candidates with a definite program for Avon Park and you the people. If you believe that Kelley Phillips and Jim Turnbull are the two men you give them your vote of confidence at the polls Tuesday, September 10th.

If you are concerned and interested about the future progress and welfare of our city and you the people, you want more efficiency in service with a balanced operating budget, and you want your tax dollar spent for the things that will do the most good for Avon Park and you. Then won't you join with us together, in order to make all these needed things become a reality. We will certainly appreciate your vote of confidence for Councilmen Sept. 10th. Your candidates with a program and a determination to get the job done.

Sincerely,
KELLEY PHILLIPS

Council Switches Pay To Old System

Provision For Absentee Voting To Be Studied

Payment for personnel of the City Sanitary Department was switched from a twice-a-month to an every-two-weeks basis Monday night by the City Council after an employee delegation appeared before it and requested such action.

John Ziegler was spokesman for the employee group. Upon motion by Councilman C. F. King and second by Councilman James Deery, the previous action was rescinded, and the system reverted to the one previously used of payment each two weeks.

Mrs. Anna Belle Worden, secretary of the Chamber of Commerce, brought before the council the lack of any provision for absentee voting in a city election.

City Attorney Hue Nunnally pointed out, "A previous plan for absentee voting was brought before the council and was voted down because some citizens thought that the right had been abused in some cases." After considerable discussion, Councilman George Barker volunteered to study the matter and to bring it before the council again prior to the next election.

Other Action

In other action, the council voted to pay the Library Board the balance of \$600 in the year's \$1,500 budget, authorized by C. F. King to order covers for the members of the Vol. of the Fire Department accepted the bid of \$145.75 of Arnold Lane Mower Co. for a small chain saw, and discussed policy regarding city employees failing to pay just debts.

Ex-Tampa Tribune Scribe FARP Information Officer

Former Highlands County Program administrator Frank Tampa Tribune reporter Jerry M. Hilliard has been appointed information officer for the Florida Alcoholism Rehabilitation Center.

He replaces Norman J. Pines, who recently was named director of information for the center.

As information officer, Hilliard will be responsible for writing news releases to newspapers, magazines and television and radio stations throughout Florida, and for editing the program's monthly publication, the Reporter.

Among his other duties will be writing and editing pamphlets, public speaking, staffing the program's fair exhibits, producing special publications and preparing audio-visual aids.

Hilliard, a native of Salem, Ohio, is a graduate of Kent State University, Kent, Ohio, with a Bachelor of Arts degree in Journalism.

At Kent State, he was affiliated with Sigma Delta Chi, the professional journalism fraternity, and served as its president. He also was a member of the Phi Kappa Phi Honor Society.

During six months of active training with the United States Army Reserve at Fort Benning, Ga., Hilliard earned the rank of sergeant and was awarded a Bronze Star for gallantry.

He and his wife, Carol, are now residing at 716 West Washington St., Avon Park.

Because of the many inquiries, we would like to report that "Mama Lee" is no longer with the Jacaranda Coffee Shop.

Moore Completes Basic Training

San Diego, Calif. (EHTNC) Ronald C. Moore, son of Mr. and Mrs. Willie W. Moore of Avon Park, Fla., recently completed basic training at the Naval Training Center, San Diego, Calif. graduating Aug. 9 at the weekly Recruit Brigade Review involving some 3,000 men.

The nine-week recruit training consists of naval orientation, history and organization; ordnance and gunnery; seamanship and shipboard routine; sentry duty and military drill; damage control; physical fitness; swimming, first aid and survival.

During their training period recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical instruction or to ships or shore stations for on-the-job training in a Navy rating specialty.

Naval training produces the power in seapower by supplying qualified personnel to man the ships, aircraft and shore stations of today's Navy.

Old Dog Spends The Night At Grave of Master Here

It was a day of sadness for the many who gathered at the graveside of Archie S. Bowen, a well-known local figure, when the old dog spent the night at his master's grave. The dog, a large, dark-colored breed, was seen lying down next to the grave of Archie S. Bowen, who had passed away recently. The dog's presence at the graveside was a touching sight for those who knew him and his master.

William Belcher Joins Staff At Funeral Home

Off First Tee

THE TRADITIONAL GRAVES appeared on the Mall again last Wednesday after the city election. The rhymes in each grave which always cause comment, appear below.

RUD KING
Here lies the man who wanted to be Police Chief.
He was got on Big John's Wagon and now he can go on ahead.

ALTON LAFLAM
Here lies the man who the mayor has always be friended.
But he got on Big John's Band Wagon and his police career has now ended.

JOHN PHILLIPS
Here lies Big Bad John, his desire was to run City Hall.
But when the votes were counted, he had lost it all.
He said that he would spend five thousand dollars for the Mayor's defeat.
But the MAYOR WASN'T found just sitting on his seat.

JIM TURNBULL
Here lies poor, Little Jim Turnbull who said he was running on his own.
But when his picture showed up on Big John's ticket, he was left all alone.

KELLY PHILLIPS
Here lies Cousin Kelly who wanted to start a political career.
But after his picture appeared on Big John's ticket, he can go back to selling Bat, Beans, and Beer.

WAYNE ALBRIGHT
Here lies Wayne Albright.
He said we need a traffic light.
But John's payroll, he wanted to move out.
When he found he was only a spoke in the hub.
He wondered where was My Six Thousand Club.

SAM MCKENZIE
Here lies poor old Sam.
He said I'm nothing but what I am.
He said I'll do the best I can.
But win or lose I'll still be an Independent Man.

BOB STILL - JOE SPARKS - BEN STEWART
Here lies Cheating Gum Willie.
He thought he really was a dillie.

and
Here lies old Joe Sparks.
Who the public has thrown to the sharks.

and
Here lies old Cigar Ben.
Who is also a has been.
He chews that cigar again and again.
Always thinking he'll get one to win.

Washington Report
By Congressman Jim Haley

WASHINGTON, D.C. (AP) — The House of Representatives today passed a bill to increase the federal estate tax, which would have the effect of raising the tax on estates over \$1 million from 55 percent to 60 percent.

The bill was passed by a vote of 308 to 114. It is the first time since 1954 that the House has passed a bill to increase the federal estate tax.

The bill also provides for a 10 percent increase in the tax on estates over \$1 million from 55 percent to 60 percent.

The bill is expected to be passed by the Senate in the near future.

The chapter is active in sponsoring various activities, including a "Beef, Beans, and Beer" fund-raiser.

HIGHLANDS SCOUT CALENDAR

BEER IS A NATURAL

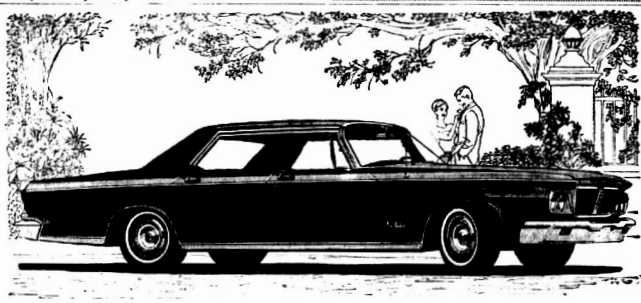

Brewed slowly, by a centuries-old natural process, beer is Florida's traditional beverage of moderation — light, sparkling, delicious.

And naturally, Florida's Brewing Industry is proud of the millions of dollars it contributes to Florida's economy. Florida's 5 brewers, 101 beer wholesalers, and 17,000 beer retailers employ more than 68,000 persons with an annual payroll of \$155,000,000. Money made in Florida, spent in Florida. In Florida, beer belongs... enjoy it.

MOVE UP TO CHRYSLER '64

Engineered better...backed better than any car in its class

The '64 Chryslers are here: the luxurious New Yorker (above); sports-bred 300; and the surprisingly easy-to-own Newport.

Clean. Crisp. Handsome. Designed in the modern concept. Bold but not brassy. Engineered by men who have accounted for more "firsts" than any automobile maker. So well built the vital moving parts are warranted for 5 years or 50,000 miles. (Details below.)

The '64 Chryslers are full of news: there's an optional steering wheel you can adjust, up or down, to any one of seven different positions. Bucket seats are standard on 300 models (passenger's reclines).

These are the '64 Chryslers. They have no junior editions to compromise your investment. Go see them. Move up to Chrysler '64.

What nostalgic memories this picture brings. Every Sunday morning we used to drive to Church in Pop's old "silver", picking up the Parson on the way.

Today I live in a great city. I ride commuter's trains, and dictate letters, and spend endless hours "in conference."

But I've never forgotten our Church in the field. It plowed deep furrows in my life, and planted the seeds of real happiness.

Now I worship in a big city church. You might think it would be different; but it isn't. Folks are just as friendly. The Truth is just the same. And God is just as close.

You see, in the country or in the city, Christians are conscientious people trying to be better. And for folks like you and me who worship God, the Church—big or little—is home.

The second thing I saw at Fairview Children's Hospital was a very attractively wrapped package containing gifts to keep the baby healthy, comfortable, and sweet—and a lovely couple of dollars for the infant's future mother.

Miss Georgia L. Townsend had brought the package to the hospital. Miss Wally Hitts, Miss Gene Hise and Miss Edna Hall had seen it.

They all had agreed and cheerfully put the funds in a table enclosed by a lovely lampshade, named the gift of Miss Hitts.

In order to sharpen our "defensive attack" for the grand occasion, I say that Gifford presented an interesting and useful analysis of the situation at our meeting. The last night, showing movies of the race between Avon Park and the Meads last year, which, as one of you well recalls, was a tie-up football game. We won the game, but it took the best of an effort on the part of

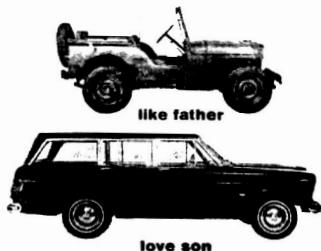

Another football film was presented, "The Passer," used by the coaching staff. Navy, it shows the proper technique a good quarterback should use. The entire program is probably the most interesting.

President Farns Lane announced that the club will play out of the field on Saturday at 10:30 a.m. at the University of Washington. Place the bets on the Washington Place team to win for the first time out of these ships.

At 1:30 p.m. the Navy band played "The Eyes of the Navy."

For every man who ever fell in love with a Jeep—a new kind of family station wagon has been born. The new Wagoneer. It's the first station wagon ever built to offer the comfort, silence, speed and smoothness of a passenger car plus the traction and safety of 4-wheel drive.

It's sheer pleasure to drive. Simple too. One lever puts you in 4-wheel drive. So at a second's notice you can shift into greater safety...from wheel-spinning in mud or snow...from skids on slick surfaces...from getting stuck or going out of control on slippery roads.

The Wagoneer really makes a demonstration worthwhile. It'll be your most exciting 30 minutes behind the wheel in 1983. Also in 2-wheel drive models. See your Jeep's dealer.

New Radar Unit To Be Formed At Bombing Range

The formation of the attachment 3 of the 73d A.C. W. Squad as a radar unit at the Avon Park Air Force Range will take place Oct. 1, it is reported by Maj. Hooten, Commander of the Avon Park Bombing Range.

The unit will be used to support the Air Command requirements for all weather use of the range.

There are two officers and 14 airmen assigned to the radar unit. Capt. Walter R. Campen is in command with Capt. Richard Smith as operations officer.

Almost all of the men are married and have families who will accompany them. The support group commanded by Col. Joseph M. Martin at McDill Air Force Base.

Red Devils Journey To Mulberry Friday

Throw Scare Into Favored Highlanders Last Friday Night

A surprisingly strong Red five yard penalties for illegal fumble travel to Mulberry to battle the Panthers in kick Lake Wales was unable to win conference on Friday night after losing a close game to the Highlanders at Memorial Field. The Red Devils played the highly favored Highlanders on even terms before bowing in the fourth quarter 6-0.

The Avon Park team, slated to be a second team this season, then showed the 50 piece Lake Wales hand and the mappy Southwest Florida Conference scores for three quarters last two teams returned for another week before giving up a home touchdown to the Highlanders third quarter. Both teams had to lose 6-0. The touchdown from one yard out was the winning first down for the Red Devils. Both teams had to lose 6-0. The touchdown from one yard out was the winning first down for the Red Devils.

The Red Devils should be the full strength this week for the Mulberry encounter. Halfback Wayne Strickler, who was sidelined with a possible shoulder injury early in the season, was back at practice this week and will be in action Friday night. One of the most promising features of the Avon Park offense last week was the running of reserve halfback Perry Hutchinson, who moved Strickler's slot early in the first period. Hutchinson broke through for gains of 12, 15, and 20 yards during the game and recovered a Lake Wales fumble at one point.

The Red Devils won the toss and elected to receive to get the first game of the season under way. Wayne Strickler took the kick-off on his own 15 and returned it to the 30 yard stripe. From that point the Devils moved quickly to the highlander 27 on even running. The Red Devils won the toss and elected to receive to get the first game of the season under way. Wayne Strickler took the kick-off on his own 15 and returned it to the 30 yard stripe. From that point the Devils moved quickly to the highlander 27 on even running.

On the next series of downs Lake Wales moved on the ground to Avon Park's 22 before they fumbled on fourth down. Devil tackle Jackie Turner recovered for the local eleven but after one first down, Avon Park was forced to kick and the Highlanders took over as the first period ended.

The second quarter was an other defensive show as Avon Park kept Lake Wales deep in their own territory but were unable to generate a scoring touch themselves. The Devils' deepest penetration came after Keith Abbotson took the ball away from the Lake Wales safety man as he took a punt on the Highlander 35. The ball was sent on the ball on the 35 but four plays later the Devil offense had moved only five yards. Lake Wales ran two plays and attempted their first pass of the evening, only to have it intercepted by Devil safety back Tom Williams.

Nunnallee moved the ball to the Lake Wales 35 but once again the Avon Park defense bugged down and two successive

Correction

The building report on West Main Street referred to as an F.P.C. construction, is an error. This building, when completed, will be leased to the Florida Power Corporation for housing their offices now located at 23 East Main Street. Local contractors have been awarded substantial parts of this construction.

The writer is happy to make this correction.

The first home loan by a savings association was made to a lamplighter in 1831. The home is still standing.

Thanks a hundred

This month the savings and loan business passes the 100th birthday. We are proud to be a part of it. The savings and loan industry is an incentive of human beings to better themselves and the thrift of its 35 million savers who are building a better life for themselves. We join all savings and loan associations in wishing our customers, "Thanks a hundred billion" for your confidence.
