MERRY CHRISTMAS

THE AVON PARK SUN

In The Heart of The Citrus Belt

Volume XL, Number 8 Avon Park, Florida — Thursday, December 19, 1963

FRED WHITELAW, JR., (left), State FFA President from Inverness and Miss Joyce Wolfgang, FHA Executive Secretary from Tallahassee, were at Lake Byrd Lodge for a Training Camp. They participated in the FFA program throughout the weekend

Future Farmers Leadership Training

[illegible] APHS [illegible] FFA [illegible] Fred Whitelaw, Jr., State FFA President, and Miss Joyce Wolfgang [illegible] FHA Executive Secretary [illegible] Instructors [illegible] with the State Officers of the Florida Association participating. A film entitled "1963 Four-Star Farmers" was shown.

A talent show Saturday evening featured the local chapter Sweetheart, Miss Lynda Shepherd, and Miss Marilyn Keller, Wauchula, and many of the FFA boys presenting their various talents in singing and dramatics.

Sunday morning Vesper Services were conducted by the FFA members with the local APHS Chapter in charge.

Among the state officers present were Marcus D. Shackleford, Wauchula, and a former resident of Avon Park. Marcus is one of the state vice presidents.

These young FFA Chapter officers who were fortunate enough to attend this leadership training camp went home with more knowledge of their respective duties in their local chapters and more dependent on Vocational Agriculture.

Rotary Club Offers D. Carnegie Course

Every Adult Will Benefit From Training

The world-famous Dale Carnegie Course is coming to Avon Park under the sponsorship of the Rotary Club.

"We believe that the Rotary Sponsorship of this adult education program is a genuine community service," says Harry Hood, president. "Businessmen, professional men, sales people, housewives, clubwomen, office personnel—every adult will benefit from this training. It will build a new enthusiasm, develop self-confidence, create a new understanding among the citizens of our town."

Mr. Hood added that Rotary in other areas report that the classes have had an important influence on human relations in their communities.

It was announced by Mr. Hood that the first meeting will be a Free Demonstration session. It will be held in the auditorium of the Episcopal Church on Tuesday, Jan. 7, and Thursday, Jan. 9. The public is invited. There is no cost or obligation in attending.

The purpose of the demonstration meeting according to Mr. Hood is to acquaint visitors with Dale Carnegie methods in effective speaking, human relations, and leadership training. One of the features of the evening will be a demonstration of one of the remarkable memory-training techniques developed by Dale Carnegie.

The course is for folks from all over town and country, and not confined to the Rotary and their friends. The Rotary is merely steering the course into Avon Park.

The Dale Carnegies began in 1912 in New York City. Today Dale Carnegie classes are taught in over 1400 cities in America and in 28 foreign countries.

More than one million men and women are graduates. Among them are G. Frank Bettger, one of the top salesmen in this country; Robert Quain, manager of the world's largest hotel, the Conrad Hilton in Chicago; Joe Foss, Governor of South Dakota; John M. Fox, President of the Minute-Maid Corporation.

The last class held in Avon Park was 10 years ago. Those who attended were gratified with the results.

OPEN DECEMBER 24

William F. Hill, M.D., Director of Highlands County Health Department, has announced that the Health Department will be open on Tuesday, Dec. 24 and Thursday, Dec. 26, during regular office hours.

EARL RICH

Earl Rich Guest Speaker At Lakeland

Highlands County Circuit Court Clerk Earl Rich was guest lecturer for the Lakeland Legal Secretaries Association last week. His lecture was a part of the fourth annual legal education course.

The six sessions of the course were held at the Polk County Administration Building in Lakeland.

Rich had been asked to explain the work of the Circuit Court in chancery, common law and criminal cases. He described the procedures followed in this county and gave special emphasis to those methods which can save time for legal secretaries.

He said that such a simple practice as always making inquiry by case number rather than name greatly increases the efficiency in both the court office and the lawyer's office.

Rich was the only Highlands Countian to participate in the lecture series.

Red Devils Basketball Game Postponed

The Red Devils' basketball game scheduled with Lake Placid for this Friday night, Dec. 20, at the high school gym here has been postponed until Saturday, Jan. 18, beginning at 6 p.m. instead of the usual 6:30.

Avon Park finished out the pre-Christmas holidays sched-

(Continued on page 4)

APHS Christmas Concert Tonight

The Avon Park High School presents the Band and Glee Club in the Annual Christmas Concert, Thursday, Dec. 19, (tonight) at 8 p.m. at the high school auditorium.

Band

"A Joyful Christmas Song" - Francois Gevaert.

"Noel! Noel!" - Traditional. "Glo a [illegible]" [illegible]. "The [illegible]" [illegible] Robertson.

"White Christmas" - Band and Glee Club.

Howard J. Allen, Director.

Thought For Today

Most people would succeed in small things if they were not troubled by great ambitions.

Longfellow

Schools To Close For Holidays

Area Supervising Principal A. B. White announces that all schools in the Avon Park Area will close Friday afternoon at 3 p.m. for the Christmas Holidays.

All schools will reopen on Monday, Jan. 6, 1964, at the regular hour.

He also announced that his office at the high school will be closed December 24, 25, and 26, and January 1, 1964.

Service Clubs Contribute To Ridge Area Fund Drive

Service clubs of Lake Placid with $344 lead the county [illegible] Ridge Area Association for Retarded Children's Fund Drive, [illegible] announced by H. W. Coleman, chairman [illegible]

Cash [illegible] at $2,[illegible]. With approximately $1,000 in pledges [illegible] sold, the estimated returns to date are $3,750, a figure of $1,250 short of the $5,000 goal. The drive is being continued to accommodate those individuals and groups who have not yet made donations to this project.

In Avon Park, service clubs which have participated in the fund drive are the Business and Professional Women's Club, $10, [illegible] of the Redeemer, $[illegible], American Legion Auxiliary, $10, American Legion [illegible] $10.50, and the Senior Woman's Club, $2.00 for a total of $[illegible].

From Sebring [illegible] Woman's Club [illegible] Methodist Church WSCS [illegible] American Legion [illegible] $[illegible] for a total of $22.

In Lake Placid [illegible] have been made by the American Legion [illegible] $2[illegible], Lion's Club, $[illegible], [illegible] Association, $[illegible], Home Demonstration Club, $10, Junior Woman's Club, $10 and Senior Woman's Club, $10 for a total of $344.

Before the fund drive was started, the Lion's Club of Avon Park [illegible] $7[illegible] [illegible] at the Day School [illegible] table [illegible]

Circuit Court News

The January [illegible] the [illegible] damage suit against the city of Avon Park.

When the docket for Fall Term of Circuit Court was [illegible] it appeared that the suit brought by the parents of Hazel Lee Miller would go to trial in late January, but Tuesday of this week a postponement was announced.

[illegible] is now set for March 17.

Bus. Woman's Christmas Party Held Monday

Santa [illegible] members of the Avon Park Business Woman's Club and their guests [illegible] Christmas party.

The dinner party was held at the [illegible] Restaurant with [illegible] "Mama [illegible]" serving [illegible]

A [illegible]

[illegible] Mrs. [illegible] School For Retarded Children. These [illegible] can be purchased from any member of the club or may be ordered from Mrs. Wilson, Mrs. Cotton [illegible] at the Avon Park Sun or Mrs. Eva Cotton.

During the evening, members and guests joined in games with prizes being won by Mrs. Vickie Bouis, Mrs. Curtis Daniel, Mrs. Toni Elkhill, Mrs. Helen Harris, Miss Verna Heim, Mrs. Ethel McKelvaine, and Mrs. Sibyl Padelford, Mrs. Clarie Irwin, Mrs. Hazel Wilson and Mrs. Anna Belle Worden.

Hostesses for the Christmas party were Mrs. Ethel Williamson, Mrs. Helen DeShong, Mrs. Elizabeth Mizelle, Mrs. Jean Ricketts, Mrs. Neva Atherton and Miss Mattie Tompkins.

[illegible] Highlands Avenue [illegible]

[illegible] Some weeks ago upon the recommendation of Supervisor of Registration Roland X. [illegible], the commissioners moved to change these Avon Park precinct boundaries, but the exact alignment was not presented until Tuesday.

Junk and garbage occupied most of the time at the commission meeting this week.

The last session of the Florida Legislature passed laws enabling the county commissioners to establish some controls over junk yards in the county and garbage [illegible]

Petitions for garbage franchises were filed Tuesday by Mrs. Edna Yates, Wendell Roberts and Jesse Robbins. Public hearings will be held [illegible] January.

Another of the acts has given the county commissioners great [illegible] regulating junk [illegible] must be set back at least 2[illegible] feet from a [illegible] feet from a [illegible]

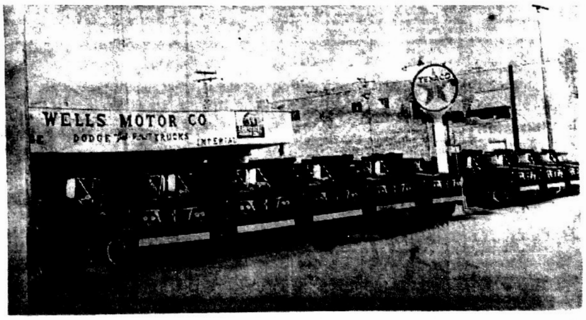
[illegible]

Union Church To Present Chancel Choir

The [illegible] Church [illegible] present the Chancel Choir in an afternoon Christmas Concert on Sunday, December 22, at 4 o'clock.

The choir will present Clokey's Contata "When The Christ Child Came." Soloist will be Mrs. Frank Richardson, Miss Marilyn Keller, Buford Jasper, Jack Smith, and Mrs. Victor MicKunas.

Each year the Chancel Choir presents the Christmas Concert which is always well received. The public is again cordially invited to attend this annual Christmas Concert.



Above picture of nine of the ten new 2 ton trucks delivered this month to Highlands County Commissioners by Wells Motor Co., Avon Park, Fla. The new trucks with new Dump bodies cost the county $26,991.00 and nine old model trucks. The new trucks are Dodges with a 50,000 mile guarantee.

Jane Hill Circle Of W.M.C. Hold Meeting

The Jane Hill Circle of the W.M.C. of the First Baptist Church met with Mrs. R. L. Adams Tuesday morning at [illegible]. The meeting was opened with prayer after which Mrs. [illegible] English conducted the [illegible] of the Circle.

Mrs. [illegible] had charge of the program based on the book [illegible] Rankin Apostle of Advance. Dr. Rankin was executive secretary of the Foreign Mission Board of Southern Baptists.

In the spirit of the Christmas season the hostess served dessert refreshments.

There were [illegible] members present with Mrs. J. W. Wicker, W.M.C. President, as guest.

Young Homemakers Hold Meeting

The Young Homemakers held their monthly meeting at the home of Mrs. Bobbie Maddox, December [illegible].

The president called the meeting to order. The fair booth committee gave its report.

It was decided to have the next monthly meeting at the home of Mrs. Yvonne Smith, South Highlands Ave.

Mrs. Pat Hurley presented the past president, Mrs. Bobbie Maddox, a past president's pin. She is also the president now.

The club members are buying their Home Demonstration pin now and are very proud of them.

The meeting was adjourn to the Christmas party.

Merry Christmas

May we, at this time, say "Thank You" and wish A MERRY CHRISTMAS to all of our MANY, MANY good friends.

Christmas is a time for counting our blessings, for acknowledging with gratitude the loyalty of our friends and for expressing appreciation and good wishes that the coming Holiday will be a most happy one.

This (Christmas Thank You) is just one more way that Avon Citrus Bank expresses its desire to serve your complete banking needs.

If you aren't aware of our Complete Loan Services—and the prompt personal attention you receive as an Avon Citrus Bank customer, we invite you to stop in soon and see how pleasant and easy it is to arrange your financing. You need not be a depositor.

Low Bank Rates make it possible for you to save money when buying that new car, boat, refrigerator or television.

We also have funds available for additions or improvements to your home and for other worthwhile purposes.

We hope we may help you complete your holiday shopping and other year-end obligations so that you may enjoy the Finest Holiday Season Ever.

Season's Greetings To All

Oysteretti

1 pint oysters and liquid
4 oz. spaghetti or [illegible]
¼ cup butter or margarine
¼ cup enriched flour
1 teaspoon paprika
½ teaspoon salt
Dash pepper
Milk plus oyster liquid to make 1½ cups liquid
2 tbsp. Worchestershire sauce
Buttered bread crumbs

Drain oysters and save liquid. Add 2 teaspoons salt and spaghetti to 3 cups boiling water. Boil rapidly, stirring constantly, for 2 minutes. Cover, remove from heat and let stand 10 minutes.

Meanwhile, melt butter or margarine in saucepan. Stir in flour, paprika, salt and pepper. Add liquid gradually and cook until thickened, stirring constantly. Blend in Worcestershire sauce. Rinse spaghetti with warm water and drain well. Turn into greased 1½ quart casserole. Add oysters to sauce and pour over spaghetti. Mix thoroughly. Top with bread crumbs and bake in moderate oven (350°F.) about 20 minutes.

Makes 4 servings.

Don't Confuse Xmas Light With Signals

TAMPA — Close proximity of decorated Christmas decorations to traffic signals in business areas often creates a hazardous [illegible], the Peninsula Motor Club (AAA) said today.

The AAA club urged motorists to take extra caution at intersections, explaining that it had received reports of festive lights "interfering" with the effectiveness of traffic signals. In some cases it said, Christmas lights are fastened to signal posts and the closeness of the decorations to traffic lights many times is confusing to the driver.

Approach intersections slowly and take a good 'look' on the lights, a Motor Club spokesman suggests.

Christmas Shopping Time Is Danger Time, Says AAA

TAMPA — Christmas shopping and heavy holiday traffic are a dangerous combination, warns the Peninsula Motor Club (AAA) in issuing a six-point safety for shoppers' program.

Fender-bending that rushed and distracted shoppers in busy downtown areas create a special traffic safety hazard during the last week before Christmas, adding to the higher accident rate during December, the AAA issued the following tips for holiday shoppers:

1. Avoid window shopping when behind the wheel of your car. No matter how festive the store windows.

2. Don't pile Christmas packages so high in the back seat of your car that the rear view window is blocked.

3. Remain alert for traffic lights. In the gaily festooned shopping district, it is easy to mistake a Christmas ornament for a traffic light or vice versa.

4. Watch out for bundle-loaded pedestrians. Many shoppers are so loaded down with packages that their vision is obscured when they cross the street.

5. Plan your shopping trip so that you can avoid last-minute rushing if possible. Hurry and carelessness go hand in hand.

6. Leave the holiday spirit at home. In the pattern of downtown Christmas traffic you need all your wits for driving and walking.

Mail Now—

The time has passed to talk about "Mailing Early for Christmas," Postmaster [illegible] Young said today, but you can still help us to avoid a last-minute [illegible] of Christmas mail [illegible] all your gift packages and Christmas cards right now.

To the inevitable last-minute mailers he suggests that they use Air Mail for every Christmas card or gift going to distant places out of town. He points out that even a few hours delay at this critical time may mean disappointment for your friends and loved ones on Christmas Day.

The Postmaster says that he expects the 1963 Christmas mails will break all records and that the mail load will undoubtedly hit its peak within the next few days. The flood of outgoing Christmas cards and gifts is being matched by a like torrent of incoming mail that is becoming greater every day.

Postal employees are digging in harder than ever, and for your convenience, the Post Office will remain open on Saturday, Dec. 21, until 5 p.m. The additional window service shall be limited to the sale of stamps and acceptance of parcel post. There's still time for local deliveries, but all Christmas cards should be sent by First Class mail. Be sure to include your return address on all Christmas card envelopes and package labels.

The Postmaster expressed his thanks for the fine cooperation from the public so far, and asks your continued help so that all gift packages and Christmas cards can be delivered before Christmas Eve.

One of the big events of Florida's winter season is the Florida State Fair in Tampa which will be held Feb. 4-15.

Teens Turn Out by Thousands To Join March of Dimes TAP's

GETTING TO KNOW YOU. Little Virginia Paige, 5, who was born with a birth defect, gets acquainted with Philip Dawson, 18, of Jamestown, N. Y., and Judy Meyers, also 18, of Aurora, Colo., who were appointed national co-chairmen for the 1964 Teen Age Program (TAP) of the March of Dimes. Thanks to the latest medical techniques provided by March of Dimes funds, you'd never know that Virginia, who lives in New York with her parents, was born with a serious birth defect.

Thousands of teen-agers across the nation have found a way to have fun while doing an important community project.

They have joined the Teen Age Program (TAP) of the 1964 March of Dimes in the fight against birth defects and arthritis.

Many are helping to carry out the public education program against birth defects, today's greatest unsolved childhood medical problem. Others are assigned to help with the Mothers' March for the March of Dimes. A great many choose to think up their own projects in their schools or suburbs.

Whatever job, it is important, because the fight against birth defects is vital to every young person who plans to have his own family someday after completing school and career preparations.

Heading the TAP program are Judy Meyers, 18, Aurora, Colo., and Philip Dawson, also 18, Jamestown, N. Y., who are the national TAP co-chairmen for the 1964 March of Dimes this January.

Judy, a freshman at the University of Colorado, was a vice president of Mu Alpha Theta mathematics honor society at Aurora High School, and Philip, a freshman at Miami University, Oxford, Ohio, was a member of the National Honor Society at Jamestown High School.

Both young people feel that a high scholastic rating is not only desirable but necessary in today's world. Both feel that good marks give a teen leader added prestige with his peers.

"It's terribly old-fashioned to think that the Big Man on Campus is a 'C' student," Judy and Philip said. "More often than not, he's an 'A' student who is also aware of the importance of community activities."

Judy is the daughter of Mr. and Mrs. Samuel Meyers of Aurora. She became a March of Dimes volunteer several years ago because she wanted [illegible]

[illegible] the March of Dimes through his mother, who was active in the Mothers' March for the March of Dimes during the years the Salk vaccine was being developed and tested.

Currently, Philip plans to go on to law school after college. **He has tentative plans for a career in politics, "because I feel that this is an interesting part of our present-day life."**

Both young people feel that if teens throughout the country [illegible] to their scholastic programs," the two national March of Dimes volunteers said. "Just **because a teen wears sloppy clothes sometimes and is a little loud other times doesn't mean that he doesn't want to do something worthwhile. The vast majority of teens want very much to be good, useful citizens."**

Savings Bond Sales In Florida Set Record

R. M. Pearl Completes Jet Navy Course

North-South Shrine All-Star At Miami Dec. 21

MIAMI, Fla. — Fans from all over Florida can see four of the greatest passing and receiving stars in the history of college football in the 18th renewal of the Shrine North-South All-Star game December 21 in the Orange Bowl.

For the South, Key West's George Mira of the University of Miami and Dick Shiner of Maryland will be firing, while their foes will counter with George Bork of Northern Illinois and Jack Concannon of Boston College, the No. 1 draft choice in the American Football League. All four set school records this season.

Bork is the all-time NCAA record-holder with close to 600 pass completions, including 244 for 3,075 yards this year.

Bork and his chief receiver, Hugh Rohrschneider, who led everybody in the U. S. with 75 completions this year, will hook up again in Miami for the benefit of Florida fans.

The four backs will be shooting for the game records of passes completed (21) and most passing yards (332).

Dave Casinelli of the unbeaten Memphis State eleven, America's No. 1 rusher, will give the South a well-rounded attack.

Florida's Ray Graves and former FSU mentor Tom Nugent of Maryland will coach the Rebels with Jerry Burns of Iowa and "Bump" Elliott of Michigan in charge of the North.

Fans not only will see an outstanding contest and half-time show but also will be aiding crippled children. The week beginning December 15 has been proclaimed Shrine Football Week by Governor Farris Bryant and Miami Mayor Robert King High.

PINNEY Antics

By BILL PINNEY

Spessard L. Holland, Florida's senior U. S. Senator, was in Jacksonville last week, hiding 'til the coast was clear.

Secret operatives finally said it was safe to proceed. The man had checked into a Miami Beach hotel, the weather was unfit for jet flying.

The man was, of course, none other than the director and star of the Ox Cart Winning production "The Jacksonville Story," David Wark DeMille Zanuck Cluck Gobble Burns.

Called by close associates who have loosened up as DWDZCGB and to Jacksonville as His Honor, the man whose epic of exaggeration exposed the C of C as a deterrent to progress.

Out of hiding came bankers, businessmen, lawyers, doctors, industrialists. More than 100 unprogressive slobs had gathered to dine with the Senator in his honor.

Every chicken eater there knew that the Senator would get the honor due him only if His Honor wasn't there.

There was always the danger DWDZCGB may dash in. It has happened. When he does everyone quits eating chicken.

Baby Sitters—
Know What To Do In Case Of Fire

Baby sitters who know what to do in case of fire or other emergency can make your Christmas a merrier one.

The possibility of a Christmas tree fire always adds to the responsibilities of a baby sitter and should be of special concern at this time of year.

When she comes into your home, at any time of year, you can give her a hand by providing her with phone numbers she might have to use quickly. Place a card beside the phone with the phone numbers of (1) the fire department, (2) the police department, (3) the family doctor, (4) the number of the phone where the parents may be reached, and (5) the phone number of a nearby neighbor.

The National Board of Fire Underwriters gives these other suggestions:

1. Employ a sitter you know. Be sure she knows her job, is responsible, and likes children.

2. Employ a sitter your children will enjoy being with, and let her get acquainted with them before you leave. If you have pets, let her get acquainted with them, too.

3. Make sure the sitter clearly understands that in case of fire, she should get the children out of the house quickly.

4. Show the sitter two alternate routes of escape from the house so that if one is blocked by fire, she and the children can use the other one.

5. Supply the sitter with flashlights to use in case of power failure.

6. When you leave, tell the sitter when you are planning to return home. Telephone her if you are delayed.

7. Always make arrangements for seeing the sitter home.

Judy, a freshman at the University of Colorado, was a vice president of Mu Alpha Theta mathematics honor society at Aurora High School, and Philip, a freshman at Miami University, Oxford, Ohio, was a member of the National Honor Society at Jamestown High School.

Both young people feel that a high scholastic rating is not only desirable but necessary in today's world. Both feel that good marks give a teen leader added prestige with his peers.

"It's terribly old-fashioned to think that the Big Man on Campus is a 'C' student," Judy and Philip said. "More often than not, he's an 'A' student who is also aware of the importance of community activities."

Judy is the daughter of Mr. and Mrs. Samuel Meyers of Aurora. She became a March of Dimes volunteer several years ago because she wanted [illegible]

Philip [illegible] George H. Dawson [illegible] father [illegible] Presbyterian [illegible] town, and [illegible] sioner for the Boy Scouts of America. [illegible] the March of Dimes through his mother, who was active in the Mothers March for the March of Dimes during the years the Salk vaccine was being developed and tested.

Currently, Philip plans to go on to law school after college. He has tentative plans for a career in politics, "because I feel that this is an interesting part of our present-day life."

Both young people feel that if teens throughout the country [illegible] do something useful [illegible] putting forth every effort [illegible] justice to their scholastic programs," the two national March of Dimes volunteers said. **"Just because a teen wears sloppy clothes sometimes and is a little loud other times doesn't mean that he doesn't want to do something worthwhile. The vast majority of teens want very much to be good, useful citizens."**

GETTING TO KNOW YOU. Little Virginia Paige, 5, who was born with a birth defect, gets acquainted with Philip Dawson, 18, of Jamestown, N. Y., and Judy Meyers, also 18, of Aurora, Colo., who were appointed national co-chairmen for the 1964 Teen Age Program (TAP) of the March of Dimes. Thanks to the latest medical techniques provided by March of Dimes funds, you'd never know that Virginia, who lives in New York with her parents, was born with a serious birth defect.

North-South Shrine All-Star At Miami Dec. 21

MIAMI, Fla. — Fans from all over Florida can see four of the greatest passing and receiving stars in the history of college football in the 18th renewal of the Shrine North-South All Star game December 21 in the Orange Bowl.

For the South, Key West's George Mira of the University of Miami and Dick Shiner of Maryland will be firing, while their foes will counter with George Bork of Northern Illinois and Jack Concannon of Boston College, the No. 1 draft choice in the American Football League. All four set school records this season.

Bork is the all-time NCAA record-holder with close to 600 pass completions, including 244 for 3,075 yards this year.

Bork and his chief receiver, Hugh Rohrschneider, who led everybody in the U. S. with 75 completions this year, will hook up again in Miami for the benefit of Florida fans.

The four backs will be shooting for the game records of passes completed (21) and most passing yards (332).

Dave Casinelli of the unbeaten Memphis State eleven, America's No. 1 rusher, will give the South a well-rounded attack.

Florida's Ray Graves and former FSU mentor Tom Nugent of Maryland will coach the Rebels with Jerry Burns of Iowa and "Bump" Elliott of Michigan in charge of the North.

Fans not only will see an outstanding contest and half-time show but also will be aiding crippled children. The week beginning December [illegible] has been proclaimed Shrine Football Week by Governor Farris Bryant and Miami Mayor Robert King High.

Baby Sitters—

Know What To Do In Case Of Fire

Baby sitters who know what to do in case of fire or other emergency can make your Christmas a merrier one.

The possibility of a Christmas tree fire always adds to the responsibilities of a baby sitter and should be of special concern at this time of year.

When she comes into your home, at any time of year, you can give her a hand by providing her with phone numbers she might have to use quickly. Place a card beside the phone with the phone numbers of (1) the fire department, (2) the police department, (3) the family doctor, (4) the number of the phone where the parents may be reached, and (5) the phone number of a nearby neighbor.

The National Board of Fire Underwriters gives these other suggestions:

1. Employ a sitter you know. Be sure she knows her job, is responsible, and likes children.

2. Employ a sitter your children will enjoy being with, and let her get acquainted with them before you leave. If you have pets, let her get acquainted with them, too.

3. Make sure the sitter clearly understands that in case of fire, she should get the children out of the house quickly.

4. Show the sitter two alternate routes of escape from the house so that if one is blocked by fire, she and the children can use the other one.

5. Supply the sitter with flashlights to use in case of power failure.

6. When you leave, tell the sitter when you are planning to return home. Telephone her if you are delayed.

7. Always make arrangements for seeing the sitter home.

PINNEY Antics

By BILL PINNEY

Spessard L. Holland, Florida's senior U. S. Senator, was in Jacksonville last week, hiding til the coast was clear.

Secret operatives finally said it was safe to proceed. The man had checked into a Miami Beach hotel, the weather was unfit for jet flying.

The man was, of course, none other than the director and star of the Ox Cart Winning production "The Jacksonville Story," David Wark DeMille Zanuck Cluck Gobble Burns.

Called by close associates who have loosened up as DWDZCGB and to Jacksonville as His Honor, the man whose epic of exaggeration exposed the C of C as a deterrent to progress.

Out of hiding came bankers, businessmen, lawyers, doctors, industrialists. More than 100 unprogressive slobs had gathered to dine with the Senator in his honor.

Every chicken eater there knew that the Senator would get the honor due him only if His Honor wasn't there.

There was always the danger DWDZCGB may dash in. It has happened. When he does everyone quits eating chicken.

On the holy night, the Christ child was born to an unknown carpenter and his wife in Bethlehem.

No palace physician attended the Prince of Peace — perhaps a mid-wife or a serving maid.

No fine linens were prepared for the mother; no crib for the Babe — just the straw and the manger were theirs.

No royal salute was fired to announce His arrival — only the braying of the animals in their stalls was heard.

Never was royalty greeted with less pomp and circumstance.

Why? Because man could not raise himself to God!

So God sent His Son to light up our hearts and minds with His Divine Presence.

His living Spirit brightened the most ordinary and commonplace tasks of the day.

If He could so hallow that stable, can He not hallow our homes, our places of work, the whole of our lives?

Of course! Consider again and again the miracle of His birth. Be in church on Christmas to welcome anew the Christ child in your heart.

The State of Citrus

By John Sikes — Florida Citrus Mutual

LAKELAND A great many Floridians who've been assuming all along that they know much about all there is to know about citrus are likely to be surprised at many facts and figures on oranges and the like that are being discussed in Washington this week.

Florida Citrus Mutual's Bob Rutledge and Herman Steele and also Homer Hooks of the Florida Citrus Commission are testifying before the U. S. Tariff Commission and the U. S. Trade Information Committee against any reduction of import duties on citrus.

Citrus fruits and products have been included in the public list of U. S. commodities now under consideration for [illegible] tariffs [illegible] the [illegible] Florida growers and the [illegible] Mutual [illegible] the status quo [illegible] tariffs.

[illegible]

The [illegible] facts and figures [illegible]

HELLO!

AND TO ALL A

MERRY CHRISTMAS

"TOO LATE TO CLASSIFY"

By RUSSELL KAY

[illegible] when we find it difficult to accept the fact that anyone might be able to foretell the future.

While seers of the twentieth century are classed with Gypsy fortune tellers and science laughs them off as do most of us, occasionally something happens to cause us to question those hidden powers we do not understand.

Few people know that the death or assassination of President Kennedy was foretold many months ago. The prophecy was published in Parade Magazine and in Fate Magazine as well as some newspapers but no one paid much attention to it. Why should they? Who has time for such nonsense?

However, facts are hard to refute and in Washington, D. C. an amazing woman has been making predictions for many years and in practically every case they have come true.

She is known as the Capital Seer and her ability to foresee the future is uncanny. Her name is Jane Dixon and she will frankly tell you that she does not know from whence her power to see the future comes or why she has been blessed with this strange gift.

She is a wealthy socialite and business woman and while she makes her predictions as the information comes to her she will not accept any money for her services and states that she believes her gift was given for the welfare of mankind and she contends that if she tried to commercialize on it she would lose it.

Let's look at her record as described in Jess Stern's book, "The Door to the Future," published by Doubleday & Company. Stern is no crackpot. He is a feature writer for the New York Daily News and a former associate editor of Newsweek Magazine. He unmasked the "Mad Bomber" in 1957 and disclosed the recent payola scandal.

He tells us that Mrs. Dixon has predicted the outcome of every national election for the last 20 years. She predicted [illegible]

[illegible] and Everett Dirksen.

[illegible] was planning an airplane trip. She did not know who the person was but she learned [illegible] "Do not make that trip." The lady was the unfortunate Carol Lombard who did not heed her warning and was killed in a plane crash.

All this leads us to wonder if knowledge of future events could be helpful. If events are preordained could our knowledge of them in advance enable us to avoid the danger? Fatalists say no but suppose Carol Lombard had not taken that plane?

Warner Brothers Pictures recently signed a contract underwater with Weeki Wachee Mermaids for the world press premiere of "The Incredible Mr. Limpet" to take place completely underwater at Florida's Weeki Wachee, Jan. 17.

The world is my country, all mankind are my brethren, and to do good is my religion.

The State of Citrus

By John Sikes — Florida Citrus Mutual

LAKELAND A great many Floridians who've been assuming all along that they know much about all there is to know about citrus are likely to be surprised at many facts and figures on oranges and the like that are being discussed in Washington this week.

Florida Citrus Mutual's Bob Rutledge and Herman Steele and also Homer Hooks of the Florida Citrus Commission, are testifying before the U. S. Tariff Commission and the U. S. Trade Information Committee against any reduction of import duties on citrus.

Citrus fruits and products have been included in the public list of U. S. commodities [illegible] under consideration for [illegible] tariff and in the interests of Florida growers and the [illegible] Citrus Mutual and [illegible] representatives [illegible] organizations are fighting [illegible] the status quo [illegible] tariff.

The importance to Florida [illegible] tariff [illegible] is illustrated in the following statement by Rutledge and Steele.

[illegible] the most important [illegible] Florida [illegible]

[illegible] countries [illegible] to take over [illegible] of the [illegible]

[illegible] of thousands [illegible] to take for granted that Florida has [illegible] to say [illegible] Figures and facts assembled by Herman Steele [illegible] being presented in Washington this week indicate [illegible]

[illegible]

The [illegible] facts and figures [illegible]

Pub. Nov. 28, Dec. 5, 12, 19, 1963.

"TOO LATE TO CLASSIFY"

By RUSSELL KAY

Most of [illegible] Book [illegible] familiar with the [illegible] shadows before" we find it difficult to accept the fact that anyone might be able to foretell the future.

While seers in the twentieth century are classed with Gypsy fortune tellers and science laughs them off as do most of us, occasionally something happens to cause us to question those hidden powers we do not understand.

Few people know that the death or assassination of President Kennedy was foretold many months ago. The prophecy was published in Parade Magazine and in Fate Magazine as well as some newspapers but no one paid much attention to it. Why should they? Who has time for such nonsense?

However, facts are hard to refute and in Washington, D. C. an amazing woman has been making predictions for many years and in practically every case they have come true.

She is known as the Capital Seer and her ability to foresee the future is uncanny. Her name is Jane Dixon and she will frankly tell you that she does not know from whence her power to see the future comes or why she has been blessed with this strange gift.

She is a wealthy socialite and business woman and while she makes her predictions as the information comes to her she will not accept any money for her services and states that she believes her gift was given for the welfare of mankind and she contends that if she tried to commercialize on it she would lose it.

Let's look at her record as described in Jess Stern's book, "The Door to the Future," published by Doubleday & Company. Stern is no crackpot. He is a feature writer for the New York Daily News and a former associate editor of Newsweek Magazine. He unmasked the "Mad Bomber" in 1957 and disclosed the recent payola scandal.

He tells us that Mrs. Dixon has predicted the outcome of every national election for the last 20 years. She predicted [illegible] Kefauver and Everett Dirksen.

[illegible] that she was [illegible] at a plate [illegible] did not know who the person was but she warned [illegible] make that trip." The lady was the unfortunate Carol Lombard who did not heed her warning and was killed in a plane crash.

All this leads us to wonder if knowledge of future events could be helpful. If events are predestined would our knowledge of them in advance enable us to avoid the danger? Fatalists say no but suppose Carol Lombard had not taken that plane?

Warner Brothers Pictures recently signed a contract [illegible] underwater [illegible] with Weeki Wachee Mermaids for the world [illegible] premiere of "The Incredible Mr. Limpet" to take place completely underwater at Florida's Weeki Wachee, Jan. 17.

The world is my country, all mankind are my brethren, and to do good is my religion.
— Thomas Paine-Rights of Man

What Manner Of Man Is Pres. Johnson?

[illegible] great importance [illegible] Vice President [illegible] President Kennedy [illegible] President [illegible] Vice President, was [illegible] necessary. By way of contrast, when President Truman took over there were vital areas of knowledge which were strange to him. He had not ever been told about the successful development of the atomic bomb. He thus had [illegible] an extremely difficult [illegible] through no fault [illegible]. That will not be [illegible] of Mr. Johnson.

What of policy? Mr. Johnson is a Southerner. He is a Westerner [illegible] and these regional attachments undoubtedly color [illegible] policy [illegible] Senate record, he [illegible] somewhat more conservative than Mr. Kennedy [illegible] slowly [illegible] so far as that is [illegible] and ex[illegible].

It [illegible] likely that there [illegible] major change in [illegible] policy. It is significant that one of the new President's first statements was to say it is [illegible] continued purpose [illegible] a successful [illegible] against communism [illegible] Vietnam.

[illegible] the Republican [illegible] the terrible tragedy that [illegible] the abrupt change in national leadership [illegible] confusion [illegible] Senator Goldwater's [illegible] nomination [illegible] the sea[illegible] be less [illegible] between [illegible] Mr. Johnson than he [illegible] Mr. Kennedy [illegible] Richard Nixon [illegible]

Burning Demonstration Attracts Highlands County Landowners

[illegible]

[illegible] 12,000 pounds per acre.

District Forester Mark L. Moorman, Lakeland district, Florida Forest Service told the group that control burning in regard to forest land means a system of pre-arranged burning for specific purposes completely confined to the specific area designated to be burned and with careful control of fire at all times. Particular attention is paid to the end result desired with regard to fuel type, fuel moisture, relative humidity, wind direction and duration, temperature, rain, season and time of day.

Some of the recognized uses of control burning are hazard removal, site preparation prior [illegible] natural and artificial seeding [illegible] disease [illegible] of undesirable hard[illegible] improved [illegible] for game management. Controlled burning [illegible] recommended [illegible] three to five [illegible] investment for [illegible] and when in [illegible] or for judicious [illegible] timber management [illegible]. Moorman said a [illegible] mortality in young [illegible] pine stands can be expected from almost any fire [illegible] fires should be excluded from these areas. It [illegible] takes several years for [illegible] to overcome the effects of severe fire and begin [illegible] growth even if they are [illegible] and subsequent [illegible] of disease.

Following the discussions, County Ranger Ray Hutchinson from the Highlands County fire control unit of the Florida Forest Service demonstrated the fire control equipment, fireline plowing and use of equipment on control [illegible].

A dramatic demonstration [illegible] fire showed the difference between a slow [illegible] backfire and a raging [illegible] roaring head fire. Even though winds were only 4 to 8 miles per hour it was almost enough to cause the fire to jump existing fire lines.

Further information on control burning can be obtained from your Soil Conservation Service office, your local county fire control unit office, or the district office of the Florida Forest Service.

Floyd Freer Sebring, Heads Fla. Heart Assn.

Mr. Floyd Freer, Manager of Western Union, has accepted appointment as the Sebring representative of the Florida Heart Association.

For many years Miss Elsie McAlister, Tropical State Bank, has generously performed in this voluntary position, but due to personal circumstances she is unable to continue.

Memorials and voluntary gifts will be received and acknowledged by Mr. Freer. The Florida Heart Association's primary objective is to combat the number one medical problem through research and education. In 1962 voluntary contributions enabled Florida Heart to invest [illegible] $[illegible] in heart research and education.

Although the Florida Heart Association is not affiliated with the Heart Equipment Fund, it will continue to complement the local clinic by providing the results of research and professional education. Advancements in knowledge and techniques are a necessity for the continued successful operation of medical services.

We pray that your Christmas will overflow with health, wealth and happiness.

Takes Money To Run State

The debt of the state of Florida and of all local governments within the state stood at a combined total of $2.1 billion at the end of last year, the Florida State Chamber of Commerce reported recently in its Weekly Business Review.

"This state-local debt includes all types of indebtedness owed by any state agency plus all county, district and municipal obligations. Last year's total was 10 per cent over 1961 compared with a national gain of 8 per cent," the Review pointed out.

"On a per capita basis, the debt total was $379 for every Floridian. Twenty other states have higher amounts and the comparable national average was $436 last year. Both the Florida and the national average were up about 6 per cent.

"The Florida total includes $30,700,000 local government short-term debt, $1,617,000,000 local long-term debt and $412,400,000 state long-term debt. Long term obligations are non-guaranteed and are payable solely from pledged earnings of specific projects or from special assessments.

"Balanced against the debt total in the state was $151,000,000, at year's end, being held for future debt payment.

"Interest paid on all state-local debt last year totaled $70,700,000, up 12 per cent over 1961. The national gain was 9 per cent."

'Jolly Postman' Makes Rounds

Norman Rockwell's "Jolly Postman," a Christmas illustration created for Hallmark Cards, appears headed for his busiest holiday season. To help the nation's mail carriers, Hallmark recommends that Christmas cards be selected early, addressed carefully, and sent first class. Five-cent first class postage is not only faster, it assures forwarding if addressee has moved and return if the card is undeliverable. It is further recommended that the new ZIP numbers be used in mailing, even if the recipient lives in the same city.

Wrap Christmas Packages Securely For Mailing

Postmaster [illegible] said [illegible] between 200 and 300 outgoing packages daily.

The Postmaster states that the present flow of Christmas cards is running about the same as last year but the mailing of Christmas gifts is lagging somewhat. He suggests that all gift parcels to most distant points be sent by Air Mail from now on.

Speaking about Christmas gift packages, the Postmaster said, "I cannot emphasize too strongly the vital need for packing and wrapping your Christmas gifts securely. Pack all your gifts in sturdy cartons, wrap them with heavy paper and tie them securely with strong cord. It is sometimes hard to understand why people will be so careless about putting valuable Christmas gifts into the mails in flimsy boxes and loosely wrapped packages. Many of these poorly wrapped gifts simply cannot stand the necessary handling, and thus cause much delay and disappointment all around."

The Postmaster further suggests that it is best to print the recipient's full name, street address, city, zone or ZIP Code number and state on all mailing labels, making sure to include an extra label inside your gift packages.

If you'll send all your Christmas cards by First Class mail, using the new five cent Christmas Tree stamps, and include your name and address on the envelopes, you'll help your friends to keep their mailing lists up-to-date. Further, you are assured that any cards that cannot be delivered will be returned to you for corrected addresses.

If you wish to enclose your Christmas card or letter in your gift package, merely add the appropriate letter postage to the postage for the package itself and indicate the presence of a letter or Christmas card inside the package.

The Postmaster expressed his thanks for the fine public cooperation to date and said, "If you'll just follow these simple requirements, it's sure to be a much merrier Christmas for everybody."

Don't mail money in Christmas gifts or parcels. Use Postal Money Orders or checks.

Insure your gift parcels. Register letters of real value.

Parcels containing delicate gifts must be marked "Fragile," and food stuffs should be marked "Perishable" if they are subject to spoilage.

[illegible] Be sure that the name of the street [illegible] Avoid abbreviation of street and state names. Use ZIP Code numbers [illegible] ZIP Code number [illegible] address.

And most important of all, mail your cards and gifts now!

Florida's Silver Springs is [illegible] a single attraction for tourists. Seven of the state's leading attractions are located here.

Month By Month Employment Up Over 1962

TALLAHASSEE — Florida's upward economic trend in October boosted non-farm employment 72,000 above a year ago to 1,411,600.

At the same time, State Industrial Commission Chairman Wesley Brown said unemployment in the State dropped 16,000 below October 1962 to 93,300.

Both the employment and unemployment situations in October were greatly improved over September, Brown said.

"This month by month constantly improving employment picture is a bright indication of Florida's steadily rising economy," Brown said. "And it gives emphasis to the prospects for a good winter season."

Brown said, "Preparation for the holiday and tourist seasons gave a strong impetus to October's upward trend."

Spurred by steadily increasing harvesting and manufacturing activity in the citrus belt, manufacturing, led by canning and other food preparation, headed by October employment categories with an increase over last year of 10,000 to 228,300 this year.

Brown said wholesale and retail trade was next with a 7,400 increase to 371,700 this October. Services followed with 5,400 increase to 233,400; finance-insurance-real estate, up 2,500 to 90,200; and transportation - communications - public utilities, up 1,700 over last October to 102,600.

Contract construction was the only segment to show an over the year loss from last October. It was down 4,200 to 102,600.

A MERRY CHRISTMAS TO ALL

R. L. Adams At Building Code Congress

[illegible] the Hubless Cast Iron Sanitary System [illegible] Southern Building Code Congress at the Baker Hotel in Dallas, Texas. The Congress is a [illegible] association with members from [illegible] southern states.

Attending the Congress from Avon Park was R. L. Adams, Building Inspector.

Presented by the Cast Iron Soil Pipe Institute, an organization of leading manufacturers of cast iron soil pipe and fittings, the "Hubless Cast Iron Sanitary System" was designed to give home builders a cast iron soil pipe with a joint that will permit a 3" stack to be installed in a 2" by 4" partition without furring.

The cast iron soil pipe industry, according to Homer E. Robertson, executive vice president of the Institute, has developed a method of joining 2", 3" and 4" cast iron soil pipe and fittings to provide a quick and durable installation in a 2" by 4" partition as well as greatly raising the standards of such installations.

The new plumbing drainage system, Robertson said, contains three major elements. The No-Hub cast iron soil pipe and fittings are joined together with neoprene gaskets held solidly in place by stainless steel retaining clamps. The gasket provides an air-tight and fluid-tight seal, absorbs vibrations, and withstands sudden shocks and marked deflections without leakage. It also provides a "noiseless" plumbing system with the time-proven cast iron soil pipe.

The new "Hubless Cast Iron Sanitary System" can be swiftly and efficiently installed, no cumbersome tools are required and there is no loss of material since each piece of pipe cut can be used. Thus, there are substantial savings to the home buyer.

Robertson pointed out that cast iron soil pipe is the only material approved by all national, state, and city codes for drainage, both inside and outside buildings. It has the longest record of success of any pipe and has been in use in many U. S. installations for more than a century without breaking down.

The Florida Bar, statewide organization of lawyers and judges, has launched a campaign among its members to raise $565,000 for the construction of The Florida Bar Center, above, in Tallahassee on a tract adjacent to the Capital Center along the Apalachee Parkway (U. S. 27). The Florida Bar Center will house the Bar's expanding continuing legal education program, Bar JOURNAL editorial offices, and disciplinary program. It will also provide space for The Florida Bar administrative offices, meeting rooms, library, and conference rooms for out-of-town lawyers visiting the Capital City.

Christmas At Old Union Church

A special Christmas Sunday service will be held at the Union Congregational Church on Sunday morning at 11 o'clock.

The Chancel Choir will present their annual concert of Christmas music Sunday afternoon at 4 o'clock. This concert has long been one of the real musical events of the Christmas season in Avon Park.

The Sunday School Christmas party will be held on Saturday evening, Dec. 21, at 7 o'clock in Fellowship Hall.

The annual Christmas Eve Candlelight Communion Service will be held at 7:30 o'clock on Tuesday evening. This is a service fit to prepare the mind and heart for Christmas. All followers of the Lord Jesus Christ are invited.

A recent study showed that trading stamps do not lend to higher prices. It showed that prices tend to be lower in states where stamps are used freely.

MARCH OF DIMES!

Frozen Treat Beats The Heat

Try something special for warm weather eating pleasure—a frozen apricot dessert that requires no cooking. The no-cook factor, plus the ease with which it can be made, make it ideal family or party fare. The secret of its success is the sweetened condensed milk which thickens with the mere addition of lemon juice. The Borden Kitchens, which developed the recipe, cautions that the wafer-rich frozen dessert should be kept in the freezer [illegible] it's time to serve.

Frozen Apricot Dessert

(Makes [illegible] servings)

1 1/3 cups (15-oz. can) Eagle Brand Sweetened Condensed Milk

1/4 cup ReaLemon Juice

2 eggs, separated

1/4 teaspoon cream of tartar

42 vanilla wafers (about 1 3/4-inch diameter)

1 (1 lb. 14 oz.) can apricot halves, drained and finely chopped*

Line bottom of a 9 1/2 x 5 1/4 x 2 3/4-inch loaf pan with waxed paper. In large mixing bowl combine sweetened condensed milk, lemon juice and egg yolks. Blend well. Add chopped apricots, mixing thoroughly. Add cream of tartar to egg whites and beat until stiff peaks form. Gently fold into apricot mixture. Cover bottom of prepared pan with mixture to 1/2-inch depth. Arrange 14 wafers (5 lengthwise on each side and 4 in center) on top of apricot layer. Repeat layers until there is a total of 3 layers each of apricot mixture and of wafers, ending with wafers on top. Place in freezer 4 hours, or until firm. To serve, turn out on platter and carefully remove waxed paper. If mixture sticks to pan in removing, first loosen sides with a knife. Cut into slices for individual servings after removing from pan. If desired, dessert may be garnished with extra apricot halves and sweetened whipped cream.

*Makes 1-1/2 cups chopped apricots.

Don't Forget Church Sunday

American Cancer Society Highlands County Unit

[illegible]

The study compared mortality rates of pairs of subjects, one a cigarette smoker and the other a non-smoker, matched for such characteristics as age, race, height, nativity of foreign born, religion, urban or rural residence, education, marital status, alcohol consumption, sleeping habits, exercise, nervous tension, drug use, sickness and other possible factors.

[illegible]

Lung cancer death rates were [illegible] times as high among current cigarette smokers as among men who never smoked regularly and 18 times as high among very heavy cigarette smokers as among men who never smoked regularly. Lung cancer deaths were considerably lower among ex-cigarette smokers who had given up the habit for several years than among those who continued to smoke.

Other diseases found to be related to cigarette smoking include cancer of the mouth, larynx, esophagus and bladder, as well as emphysema and gastric ulcers.

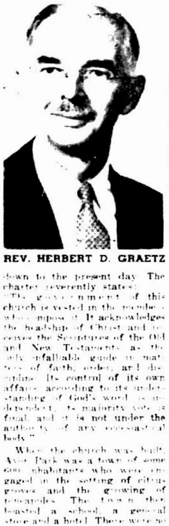
Happy New Year

THE AVON PARK SUN

Volume XL. Number 9 Avon Park, Florida Thursday, Decem[illegible]

70th Anniversary At Old Union Church

Services Sunday At 11 A.M.



REV. HERBERT D. GRAETZ

The Union Congregational Church will mark the 70th year since its organization in 1893 at a special anniversary service Sunday morning at 11 o'clock. Rev. Herbert D. Graetz will preach the anniversary sermon to the subject: "God writes His Gospel on Human Hearts."

The Union Congregational Church grew out of the felt religious needs of the people who settled Avon Park. The town was founded in 1886 by Oliver M. Crosby, president of the Florida Development Company. He was attracted to the site because of its many clear water lakes, open pine forests, abundance of game and fish and freedom from malaria and mosquitoes. The town's immediate growth is indicated by the fact that a school house was built in 1888. This structure was painted blue, in defiance of tradition and became the center for early communal affairs and religious services. An old record book states that the first real service was held on August 31, 1890, on which day the congregation filled the school house both morning and night. Of this service it was written: "Singing was hearty, with chants without an organ, Mr. Gilman leading with cornet. Responses glad and hearty."

The pioneers who settled the vast reaches of our country not only built schools, but churches as well. In November of 1890, the Florida Homeseeker published the town's decision to build a church edifice, "dimensions 36 x 48 feet, with a small neat tower attached," to be called the Union Evangelical Church. Funds for this purpose were raised by public subscription. Oliver M. Crosby and his wife, Emman Crosby, donated the building plot with the stipulation that should intoxicating liquors ever be "manufactured, sold, or otherwise disposed of as a beverage" upon the granted premises, the land would revert to its original owners. The attractive white frame edifice was completed in 1893. F. M. Nettleton was the architect. A western extension to the sanctuary was added in 1894. The church had from its inception a cottage organ that was donated by A. B. Wilbur. The pulpit, made of curly pine, was designed and had carved by Sam Brown, a ship-wright from Philadelphia. This old pulpit is now used as a repository for the church's Book of Remembrance.

The church was formally incorporated in May 1893, and its first pastor, Rev. Francis Dwight Rood, assumed his duties on October first of that year. The provisions of the 1893 charter have marked the course which has been followed down to the present day. The charter reverently states:

"The government of this church is vested in the members who compose it. It acknowledges the headship of Christ and receives the Scriptures of the Old and New Testaments as the only infallible guide in matters of faith, order, and discipline. Its control of its own affairs according to its understanding of God's word is independent; its majority vote is final, and it is not under the authority of any ecclesiastical body."

When the church was built, Avon Park was a town of some 600 inhabitants who were engaged in the setting of citrus groves and the growing of pineapples. The town then boasted a school, a general store and a hotel. There were no means of communicating with neighboring communities but by sand roads. All supplies had to be hauled in by mule teams from Fort Meade, the nearest rail point.

Avon Park continued to grow until the great freeze of 1895 which killed mature orange trees. The settlers viewed the ruin of their groves and gardens with sad hearts and many of them left. The population dwindled until in 1908 less than 150 people remained. This trend was reversed in 1912, when the Atlantic Coast Line Railroad came to Avon Park and by 1939 there were 3,355 inhabitants.

The Old Union Church reflects in its history the varying vicissitudes of the town's fortune. It, too, has experienced both good and bad times. In 1911 its membership dropped to a low of 22 — "eight males and 14 females, six of these being non-resident at present." For many years the church had difficulty in paying even a meager stipend to its minister. In spite of all difficulties, however, the devotion of its people kept the church alive and made it possible for it to achieve its

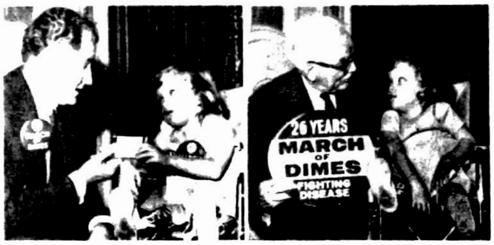
NEW SON

Mr. and Mrs. Donald K. Ford are pleased to announce the arrival of a new son, Darwin Dee Ford. Born November 1, 1963. Arrived in Avon Park December 5, 1963.

March of Dimes Girl Visits Florida Senators



SIGHTSEEING IN THE SENATE the 1964 National March of Dimes Child, Mary Lou Graves, 5, Flint, Mich., meets Florida Senators George A. Smathers (left) and Spessard L. Holland at the nation's capital. Mary Lou, victim of the birth defect known as open spine, symbolizes the 250,000 American children born each year with a serious defect. Contributions to the January March of Dimes also will assist arthritis and polio victims through research, patient care, professional and public education.

Avon High School News

[illegible]

Anna thinks she would like to be a secretary and attend a [illegible] college after graduation. Since it is Christmas season, Anna was asked to express her [illegible] meaning of Christmas. "Christmas to me is a time of happiness and joy with decorated trees, brightly colored packages, and 'no school!' Although these are only part of Christmas, they are not the true meaning, for the true meaning is to bring back the memory of the birth of our Saviour."

May we all keep Anna's little message in mind this Christmas. "Merry Christmas to all."

Jo Stover Circle Completes First Quarter Meetings

The Jo Stover Circle of the Woman's Missionary Society, First Baptist Church, completes the first quarter of the year's meetings.

In October, the Circle met in the Church Social Hall for a business session, after which Mrs. R. H. Lawton reviewed a [illegible] Grace [illegible] Mrs. C. R. Burton was hostess and served refreshments to the [illegible] members present.

On November [illegible] the Circle met with Mrs. [illegible] Skipper. Eleven members attended the meeting. Mrs. C. R. Burton conducted the business period. The missionary program was presented by Mrs. Robert Gay. A social hour followed and the hostess served delicious refreshments.

The December meeting was held at the home of Mrs. Alice Sherman, who served coffee and assorted Christmas cookies to the members as they arrived. After the social hour Mrs. C. R. Burton, Circle Chairman, called for reports and a brief business period was held. Mrs. Elsie Coen led a discussion on an outstanding Baptist Missionary, M. Theron Rankin, who is considered as an Apostle of Advance in Baptist Missionary endeavor. Nine Circle members were present.

Activities of the Jo Stover Circle has been Community Mission work, Mission Study, participating in activities for one of the young people's auxiliaries, contributing to the Florida Baptist Children's home, bandage rolling for a hospital in Nigeria, furnishing flowers for the church sanctuary and emphasizing stewardship through gifts for Mission work on the home and foreign fields.

Members of the Circle are: Mrs. C. R. Burton, Mrs. R. H. Lawton, Mrs. E. A. Martin, Mrs. Elsie Coen, Mrs. Robert Gay, Mrs. W. B. Johnson, Mrs. Mark Smith, Mrs. David Stuckey, Mrs. Cliff Thomas, Mrs. C. [illegible] Skipper, Mrs. T. P. Brown, Mrs. H. H. Douglas, Mrs. Alice Sherman and Mrs. Frank Waddell.

Mrs. Weaver To Hold "Primitive Painting" Show

The Florida [illegible] Fine Arts Committee is sponsoring an exhibition of "Primitive Painting" by Mrs. Lily Weaver of Avon Park in the North Wing Gallery of the [illegible]. This show will last the entire month of December.

At the age of 23, Mrs. Weaver moved to Florida from Georgia in 1914. Although always interested in art she did not start painting until 1947. Her five grandchildren were her inspiration. With no formal instruction she began her art career. In less than a year her first piece won first prize and was classed as professional at the Florida State Fair. Three times Mrs. Weaver had a painting accepted at the Eight State Southeastern Exhibition [illegible] Atlanta [illegible] her painting was selected for a [illegible]

[illegible]

At the age of 72 Mrs. Weaver expects to continue for many more years at her work. The public is invited to visit the North Wing Gallery at the [illegible] her exhibition.

ARRIVE FOR WINTER

Mr. and Mrs. Earl B. Dunckel of Canajoharie, New York, have arrived in Avon Park for their sixth winter. They are the guests of Mrs. Florence Stebbins.

The slow poke driver is more of a traffic hazard than the driver who simply exceeds the speed limit, says the Peninsula Motor Club, AAA.

Let's talk about that turkey that you and your family are enjoying. Promptly after the big meal you need to refrigerate the turkey and stuffing separately. Use the stuffing within a day or two.

If there is more turkey left than will be eaten right away, why don't you remove the meat from the bone and freeze it in meal-sized packages.

The Avon Park 4-H girls have been making Christmas decorations.

Girls in the Avon Park club are Mary Bates, Oleta Lee Hair, Juanita Howze, Patsy Jackson, Julie Jordon, Brenda Lee, Sharon Moseley, Vicki Rowland, Mary Martin, Patricia Percy. Mrs. Dale Jordon is local leader for the club.

Julie, Oleta, Sharon, and Vicki are members of the 4-H county council. This newly organized group gets additional training as leaders and the members are then better able to serve their respective clubs.

The county council is currently working with me on painting and setting up the 4-H fair booth. They will also help man the booth.

Their next big event to plan for is the County Events Day on February 29. Every 4-H girl is eligible to participate in this, giving a demonstration, speech, talent or preparing an exhibit. The county winners will go to District Events Day held in March at Camp Cloverleaf. The district winners will then compete at the state level.

The Weeki Wachee Mermaids have appeared in publications all over the world. Their latest story about the famous underwater show appears in the December issue of National Geographic Magazine!

R.A.D.S. Newsletter

[illegible]

A Special Meeting has been called for Friday, Dec. 27, 8 p.m. at the Day School. We are receiving a visit from the new executive secretary of the Florida Council for Retarded Children, Franklin [illegible]. He will tell us of the progress being made at state level to help the retarded children of Florida. Come and bring a friend. Board members please be present in order that we may have a quorum to transact needed business.

Fund Drive Report: As of this writing, approximately $3850 has been received on the 1963 fund drive to operate the Ridge Area Day School next year. This is still $1150 short of our $5000 goal, but we have hopes that this will come in during the next 4 weeks. A reminder: if you have not as yet made your 1963 contribution, [illegible] get credit in your 1963 income tax by making your contribution before midnight Dec. 31. If you are a citrus grower, you can get almost double credit by making a gift of fruit to the RADS. If you wish details [illegible] RADS, Box [illegible], Avon Park.

Special Thanks to the Legionnaires of Avon Park, Sebring and Lake Placid for operating the Roadblocks for the Retarded [illegible] a total of $585 [illegible] Fund Drive. Also although we have had no report yet of the amount involved we are grateful to the Jaycees of Sebring and Avon Park for their efforts in pushing the advance sale of tickets to the Hack & Hack Tournament. And our hats are off to the Junior Woman's Club of Sebring for their hard work putting on the Follies, portion of which will be given to the RADS.

Dr. Hubert W. Coo[illegible], ardent supporter of the RAARC since its inception in 1957 and chairman of the 1963 Fund Drive, wishes to express his appreciation and that of all of us to the Avon Park Sun, Sebring News, Lake Placid Journal, Highlands Herald and the Tampa Tribune and to radio stations WJCM and WAVP for their wonderful cooperation in publicizing the fund drive.

Busting Out All Over—Not "Spring" but the RADS'. Our record enrollment of 20 children is straining our facilities. But we're happy that the school is here to serve them. Enrollment breakdown: Avon Park, 9; Sebring and DeSoto City, 11. We have children in Lake Placid who need the training our school offers. Transportation is the problem. Anyone a solution?

For Valiant Service—How does one express proper appreciation to the teachers, Mildred Webber and Dora Carey, for their many hours of devoted service to our children? Or to Miss Joan Webber, a graduate of Albany State Teachers College, who each day has given of her abilities as a non-salaried teacher? Or to the 24 wonderful ladies, who during the past 4 months have given from 1 to 3 hours weekly as volunteer helpers? And to the gentleman over whom the children swarm as he contributes up to 10 hours each week? Surely there must be special recognition for all these.

Baptist Church Announces Service

[illegible]

C. H. Lewiston Passed Away December 21

Charles H. (Shorty) Lewiston, age 7[illegible], died early Saturday morning in Walker Memorial Hospital after an extended illness. Mr. Lewiston was a native of Chicago, Ill., and had been a resident of Avon Park for the past [illegible] years.

Mr. Lewiston was [illegible] operator of both a Standard and a Shell service station in Avon Park for many years. He was a member of the Congregational Church, Poinciana Lodge No. 227 F & AM, Highlands Post No. 69 American Legion, and a veteran of World War One.

Survivors include his widow, Mrs. Della May Lewiston; [illegible] Harry Lewiston of Morton Grove, Ill.; one daughter, Mrs. Helen Curtis of Chicago, Ill.; and four grandchildren.

Funeral services were conducted Tuesday, Dec. 24, at 2 p.m. at the Congregational Church in Avon Park, with the Rev. Herbert [illegible] Graetz and Rev. Walter C. Mann officiating. Interment followed in the Bougainvillea Cemetery. Poinciana Lodge No. 227 was opened at 1:15 p.m. Tuesday in sorrow of Brother Charles H. Lewiston and Masonic rites were conducted at the graveside. Highlands Post No. 69 of the American Legion furnished the color guard.

Arrangements were under the direction of the Stephenson Funeral Home of Avon Park.

Florida 4-H'ers Score Nationally

Jonathan Lukas

Margaret Cross

Bill Lockhart

Three Florida 4-H Club members have been named 1963 national scholarship winners for their club projects at the National 4-H Club Congress in Chicago.

The Florida winners, selected by the Cooperative Extension Service, were among the group introduced at the annual 4-H awards banquet, Dec. 3. More than 2,000 club delegates, leaders and congress guests were present for ceremonies.

Bill Lockhart, 19, of St. Augustine Beach, was one of 12 to receive $500 scholarships in the leadership program. This outstanding 4-H'er is the son of Mr. and Mrs. S. B. Lockhart. His scholarship was donated by the Sears-Roebuck Foundation which has supported 4-H activities for 40 years.

Jonathan Lukas, 15, of Oviedo, is one of the youngest recipients of a $400 scholarship provided by American Forest Products Industries, Inc. Since 1948 it has supported the forestry program and annually provides six scholarships. Mrs. Paul Lukas is the young man's mother.

Margaret Merle Cross, 20, of Miami received a $500 college grant. It is one of three provided by the Pyrofax Gas Corporation in the home economics scholarship activity. Miss Cross, the daughter of Mr. and Mrs. E. Howard Cross, is majoring in home economics at Florida State University.

How about a salad with a most unusual dressing

Rancher's Vegetable Salad

½ head lettuce
¼ cucumber, peeled and thinly sliced
8 radishes, thinly sliced
1 tomato, cut in wedges
3 green onions and tops, sliced

Break lettuce into small chunks and arrange in a salad bowl with other vegetables. Pour dressing over all and toss. Serves 6 to 8.

Dressing

1 cup commercial sour cream
½ cup small curd cottage cheese
¼ teaspoon salt
Pepper, garlic salt and paprika
Beat together lightly.

NOTE: If you have a blender, make your own lower calorie, cheaper sour cream. Blend cottage cheese with a little milk until proper consistency. This is good on vegetables, too.

Washington Report

By Congressman Jim Haley

The Worker Looks To His Rights

[illegible]

He may be fired.

[illegible]

His seniority rights may be jeopardized.

His union contract may be set aside.

And his apprenticeship program may be ignored.

The only thing that matters under the civil rights bill is the past and present hiring practices of his employer. Any kind of discrimination, or any practice which unintentionally has the effect of "discrimination" must be eliminated. In a tight job market, this means that a federal inspector must step in and order job holders to relinquish their positions to those who have been "discriminated" against.

The civil rights bill gives broad powers to the federal inspector to enforce his decrees. If an employer pleads for the interests of his present employees, then any federal contracts could be cut off. Thus the employees' grievances could be eliminated by eliminating the employees.

There are other weapons in the civil-rights arsenal, as well. Almost every business these days is receiving federal benefits or is dependent on firms that are receiving federal benefits. Any direct assistance, of course, could be cut off. Banks that are part of the federal reserve system — or that have their deposits insured by FDIC could be required to recall loans and mortgages from firms that don't meet the new federal decrees.

With this tremendous economic pressure, the federal government could require nearly any employer to discharge innocent employees and hire those who are specially designated. And the designation can be made not only on the basis of race, but of religion, too. A man whose race meets the federal regulations may be fired because his religion does not.

In all this, his union is powerless to protect him. If the union cannot supply craftsmen of the designated race and religion, then the government could require the employers to hire non-union men. If necessary, unskilled labor must be hired and trained, while surplus, experienced craftsmen but of the "wrong" race or religion remain idle.

The union itself could be investigated to see whether its membership practices meet federal requirements. Its history and records could be examined, and its officers questioned. If the union doesn't measure up, then it could lose its certification from the National Labor Relations Board.

None of this control squares with the announced purpose of the bill, that is, to protect the rights of all citizens. But the provisions of the bill plainly set up such powers. Legal analysts are not surprised that this is the case, for the government is trying to regulate hiring and firing for reasons that have nothing to do with the job itself.

After the hectic events of recent weeks, the special interest groups are once more pressuring for the civil rights bill. Nevertheless, many Congressmen are still reluctant to act upon a measure that places so much emphasis on federal control. The outraged reaction of workingmen is giving them support for their position, but their final stand will depend on the response they get in their mail.

Winter Guest Club News

Sandwich Movie Is Offered To Women's Clubs

[illegible] started in 1937 by Margaret Rudkin in the kitchen of her [illegible] Connecticut home.

Prints of the film are available free of charge from Pepperidge Farm. The company requests that a letter on club stationery be written to: General Promotion Department, Pepperidge Farm, Norwalk, Conn. Included in the letter should be alternate dates when the film is desired and the number of members in the club.

MILTON F. STOKEY RE-COMMISSIONED

Tallahassee — Secretary of State Tom Adams today announced the re-commissioning of Milton F. Stokey, Post Office Box 4, Avon Park, Florida, as Member, Jury Commission, Highlands County.

The Circular Oceanarium at Marineland of Florida is 75 feet in diameter, 12 feet in depth and contains 400,000 gallons of filtered sea water.

HOW THEY FLY...

Six New Years — count them! Six sets of good resolutions — remember them? And now another year coming up . . . all too quickly . . . how they seem to rush by!

As always, the beginning of another year is a good time to consider how much happier and better life is when God is in it. And just as important is the resolution to share this knowledge with others.

True, any Sunday can be a new beginning. But strengthened by past experience, make this year a truly memorable one. Start taking your family to church regularly. Claim your birthright of peace and forgiveness in sincere worship.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Roast Beef Nice Change For Holiday

Kissimmee—Roast Beef, long a favorite in Olde England, is fast taking a top spot for Holiday entertaining in America too.

Guests welcome the change and the wise hostess who serves it will welcome the ease with which roast beef can be prepared.

Here's what one Floridian has to say about Beef for the Holidays.

"Standing rib roast is our favorite," said Glenn Murphy president of the Highlands County Cattlemen's Association. "It has become a sort of tradition with us, and we always serve it to our guests at least once during the Christmas and New Year Holiday Season.

"A lot of people say to us that beef is expensive. But actually beef is a bargain. Statistics show, for example, that the amount of factory work required to buy a pound of round steak, has been cut in half in the last 35 years. And these same surveys show us also, that beef rates top honors as the American main dish, and makes up more than half of all red meat consumed in this country.

"There are several ways to stretch your meat dollar. Retailers frequently advertise specials which represent good ways to effect economies. The Florida Beef Council sponsors a number of Beef Round-Ups in supermarkets throughout the state, in cooperation with the store meat managers. During these Beef Round-Ups, nearly all cuts of beef in the store are on special low prices.

"Beef well deserves the spotlight it receives. A standing rib roast, long a symbol of hospitality, makes a festive centerpiece sure to make any holiday party a success."

The Florida Beef Council suggests this easy method to perfect roast beef.

STANDING RIB ROAST
OF FLORIDA BEEF

4 to 5 pound standing rib beef roast, Salt, Pepper.

For any roast, low temperature is one of the secrets of a good-flavored, juicy roast. Set your temperature regulator at 300 degrees to 325 degrees. You may season to taste before, during and after cooking. Place your roast fat side upon a rack in an open, shallow roasting pan. Use a meat thermometer and follow the manufacturer's directions for

"Come Be An Angel" Theme For Junior's Party

[illegible]

Also included in Sunland [illegible] were gifts for children at Sunland Training Center at Fort Myers, as well as the board's gifts for their adopted patient also at Sunland Training Center.

Door prizes were baked goods donated by the hostesses. Those winning were Mrs. I. H. Ford, Mrs. Norman Todd, Mrs. T. M. Daniel, Mrs. Cecil Quinn, Mrs. G. D. Heatherly and Mrs. Ralph Hill.

The refreshment table was a lovely white cutwork cloth accented by white tapers. The centerpiece was a beautiful red and white bird cage containing a white angel. A choir of golden angels covered the cokes that were served to the guests. The angels were also the favors for the evening. Also served was coffee from a silver service sitting of the buffet, dainty angel cookies, Christmas mints, mixed nuts, and slices of fruit cake.

AVON PARK SUN

AVON PARK LAKES NEWS

By Cynthia T. Calvert Phone GL 3-8532

[illegible] We extend congratulations to the [illegible] and look forward with great anticipation to seeing the [illegible] fourth generation member of the family.

Mr. and Mrs. Joseph Lynch left on Sunday for Bradenton to attend the funeral of Mr. George Bassett on Monday. Mr. Lynch was one of the pall bearers.

Mr. and Mrs. Paul Calvert spent two days in Orlando and Ocala last week and visited [illegible] Jack and his family.

Mr. and Mrs. George Adams [illegible] Mrs. Adams' [illegible] Mr. and Mrs. William Thorn [illegible]

[illegible] Mesdames [illegible] George [illegible] and Miss Isabella Cope. The Woman's Group collaborated on decorating the club house and furnishing the refreshments. Much credit goes to the committee and any others who may have assisted in making the party so successful.

Lt. Colonel and Mrs. Bruce Riley and children, Charlie and Mica Lee of Cocoa Beach, spent the weekend with Mrs. Riley's parents, Mr. and Mrs. Charles Balding, who are occupying the Rev. Knoll's house.

Mr. and Mrs. William Robbins entertained at their home on Friday night for eight couples at dessert bridge.

Mr. and Mrs. B. J. Steinauer of Steinauer, Neb., arrived Saturday to spend the Christmas holidays with her parents, Mr. and Mrs. J. W. Barnes. They were in Miami two days attending the races.

Several residents of the Lakes have been confined to their homes the past few days suffering from ... well, we were going to say colds or some sort of virus, but not wanting to admit such things are possible in Florida, we shall attribute their indisposition to overwork or too much excitement in preparing for Christmas.

Mr. Martin "Bud" Ott arrived this week to spend the Christmas holidays with his parents, Mr. and Mrs. Albert Ott. While in Florida, Miami will also be visited. Bud is attending Lamar Technical College in Beaumont, Texas.

A number of couples from the Lakes, who were not having family dinners on Christmas Day, joined together and made arrangements for a delightful Christmas dinner to be served to the group at the Sebring Hotel. Those enjoying the dinner and good fellowship together were Mr. and Mrs. John Bengel, Mr. and Mrs. George Adams, Mr. and Mrs. John Boyd, Mr. and Mrs. William Ackerson, Mr. and Mrs. August Berlin and Mr. and Mrs. Lewis Rood. The table and dining room were beautiful decorated in the Christmas motif. They report the food was superb, and recommend the facilities to anyone wishing to have a similar party.

The next big social event for members of the Association will be the gala New Years party being planned for New Years Eve at the club house beginning at 8:30 p.m. Wouldn't it be wonderful if every member at the Lakes came out and joined together, if even for just a short time, in celebrating the advent of the New Year with joy and friendliness for everyone, for we think no finer group of people can be found anywhere than reside at the Lakes. They are Avon Park Lakes most valuable asset.

Our sincere wish goes to everyone for a most happy, healthful and satisfying New Year.

"Come Be An Angel" Theme For Junior's Party

The home of Mrs. Carroll Cash on Camphor St. was the scene for the annual Junior Woman's Club Christmas Party held last Tuesday night. The theme for the night's festivities was "Come Be An Angel," and guests were greeted at the door by "angel" hostesses who were: Mrs. Fred Guerndt, Mrs. Cecil Quinn, Mrs. Frank Camp, Mrs. T. M. Daniel, Mrs. Ralph Hill, Mrs. Harry Hood and Mrs. Donald Ford.

A giant stuffed Santa Claus met members as they arrived. Various Christmas arrangements adorned all the tables in the living room. Mrs. R. S. Reaves presented the name tags which were gold glittered angels.

Relating to the true meaning of Christmas, a colored film-strip entitled "Christopher Mouse" was shown. Mrs. I. H. Ford gave a poetic reading titled "America is Especially Beautiful at Christmas time." Mrs. Dean Griffin and Mrs. Norman Pinardi were two little bad girls who pantomimed "We're Getting Nothing for Christmas."

Santa Claus appeared to distribute the gifts the club members had brought to exchange. Also included in Santa's good cheer were gifts for children at Sunland Training Center in Fort Myers, as well as the board's gifts for their adopted patient also at Sunland Training Center.

Door prizes were baked goods donated by the hostesses. Those winning were: Mrs. I. H. Ford, Mrs. Norman Todd, Mrs. T. M. Daniel, Mrs. Cecil Quinn, Mrs. G. D. Heatherly, and Mrs. Ralph Hill.

The refreshment table was a lovely white cutwork cloth accented by white tapers. The centerpiece was a beautiful red and white bird cage containing a white angel. A choir of golden angels covered the cokes that were served to the guests. The angels were also the favors for the evening. Also served was coffee from a silver service sitting of the buffet, dainty angel cookies, Christmas mints, mixed nuts, and slices of fruit cake.

ARRIVE FOR WINTER

Mr. and Mrs. Earl B. Dunckel of Canajoharie, New York, have arrived in Avon Park for their sixth winter. They are the guests of Mrs. Florence Stebbins.

The slow poke driver is more of a traffic hazard than the driver who simply exceeds the speed limit, says the Peninsula Motor Club, AAA.

The State of Citrus

By John Sikes — Florida Citrus Mutual

Turnpike Travelers To See Double

[illegible] opened to public use on Jan. [illegible] 1964.

[illegible]

[illegible] Thonotosassa and [illegible]

[illegible] Florida has 82 [illegible]

"Most of these 1,200,000 persons derive their livelihood directly or indirectly from Florida citrus.

"They grow citrus, they harvest citrus, they process citrus, they pack citrus, they ship citrus, they sell citrus.

"Or they work in the fertilizer plants, the crate plants, the can plants, the machinery plants, the stores and filling stations and professions that depend almost wholly upon citrus for economic life.

"They are the human beings that are the life of Florida's biggest basic industry."

Penn. Blinded Veterans Get Pension

[illegible] T. Dixon, Director, [illegible] Florida Department of Veterans Affairs [illegible] Pennsylvania Adjutant General [illegible] Pittsburgh, Penn.

Act No. 17 [illegible] by Governor William Stanton gives a $50.00 monthly pension to those blinded veterans whose degree of blindness is 3/16th of ten two hundredths or less and his blindness is the result of injury incurred while a member of the Armed Forces of the United States during any war or conflict and who gave the State of Pennsylvania or any specific place in the state as residence on entering service.

Dixon advises that the pension will be administered by the Dept. of Military Affairs, Veterans Affairs Bureau, Harrisburg, Penn.

Billy Spencer, world ski champion and 14 year old son of Mr. and Mrs. William S. Spencer of Island Circle, Siesta Key, Sarasota won the championship in Paris, France Sept. 1-8, 1963. Billy feels that he owes much of his success to his father's interest and encouragement and to many, many hours of practice. He believes in observing good health habits which include good food, plenty of rest, and a schedule for physical exercise. Billy was featured on the film made at Cypress Gardens, Dec. 18 by the Wide World of Sports. He also appeared on, "To Tell The Truth."
