Founders Circle Is Entertained

Mrs. Fred Jabna and Mrs. B. G. Carlson entertained the Founders Circle of the Garden Club at the Jabna home on Lake Ave. last Thursday afternoon. The hostesses served hot coffee with cheese straws, cookies and other dainties from a prettily appointed table in the dining room.

Mrs. Carol Beck of Sebring was the guest speaker. She illustrated her talk with colored slides of the State Parks of Florida, which was both interesting and informative.

Mrs. Bertha Pabon, circle chairman, conducted the business. One new member and a Alcoholic Rehabilitation Pro- vistor were among the 23

ladies present. The annual flower show will not be held this year because of the freeze damage to flowers, which makes all the garden clubbers a bit sad to remember. The hostesses served hot coffee with cheese straws, cookies and other dainties from a prettily appointed table in the dining room.

Florida's first five-day school of alcohol studies is scheduled for August 11-16, 1963. For information, contact the Florida Alcoholic Rehabilitation Pro- vistor were among the 23

National Guard Changes Won't Affect Avon

Captain Ivan Griffin, commander of the local National Guard Unit, Battery C, 2nd Infantry Battalion, 26th Artillery, told The Sun this week that the recent shakedown of the National Guard will have little bearing on the Avon Park set-up.

The unit will continue under the command of the battalion headquarters at Sarasota, with the battalion being under the command of an artillery group headquarters at Tampa.

MARCH ON AMERICA
March on America, march on. Fling high your starry griffin.
Your cause is just. In God you trust.
Go conquer in His holy name.
March on America, march on. And set the shackled nations free.
You must not quail, nor will you fail, But on to glorious victory.
March on America, march on. From East and West there swells the cry Let pirates feel the bitter steel.
Smite those the pagans hip and thigh.
March on America, march on. No foemen fear nor east nor west.
Lay on with might, March on and fight For freedom, truth, and righteousness.
March on America, march on. Till stricken down Are peace loving and pirate hordes.
And peace shall reign on sea and shore.

CHEVROLET...the Quality truck!

WALK AROUND IT. SEE THE DIFFERENCES.

Start at the rear of this Fleetside pickup. Grab the tailgate and pull hard. No give. Two wedge latches keep it tight. Now unfasten them and let down the gate. Jump up and down on it. Does it sag? Notice how the chains are wrapped in rubber so they won't rattle or mar paint.

Now please sit in the cab a minute. Comfortable? It also is double walled and the roof is insulated. Let's start over and look for a washboard road. Chevrolet coil-spring suspension fight road shock better than other types, good for the truck, load and the driver.

Now look at the lower side panels. Two walls. You might dent the inside one but it won't show through. The floor will never rust. It's select wood, not metal.

There are other things. But you can see why this is a truck that does a job without a lot of pampering. It's built right. Which is why it's usually worth more at trade-in. When would you like us to deliver it?

Miss Myrtis Smith, daughter of Mr. and Mrs. J. B. Smith, of Jacksonville, Fla., has announced her engagement to Mr. Fred Guerndt, Jr., son of Mr. and Mrs. Harold F. Guerndt of Avon Park.

Audubon Group Will Sponsor Wildlife Tours

The National Audubon Society's wildlife tours in Florida for the winter season of 1963 will be conducted to the famous Corkscrew Swamp Sanctuary and based at Naples on the southwest coast.

The trip is a leisurely one. Stops for birding are made at strategic places enroute, such as bays, roadside canals, and in the heart of the "Swamp" area of virgin cypress.

Many people have an aversion to swamps because they do not understand how beautiful they can be, and are. They are places of slime, mud, gloom and offensive odors. There is a cathedral-like beauty in the Corkscrew which never fails to draw the admiration and excite the wonder of a visitor.

The boardwalk is 2,550 feet long, five-eighths of a mile. Frequent stops are made for observation and picture taking. Rain is uncommon during the winter period, although occasionally occurring, no tour has been called off on account of it.

It would be hard to find a place of such beauty that in the same time exhibits such interesting natural history which can be seen with no little effort on the visitor's part. A day at the Corkscrew is a highlight of any Florida trip.

The State Parole Commission says the courts placed 2,515 persons on probation in 1962 and sent 2,524 people to Florida prisons. The commission released 1,207 on parole during 1962.

Avon Park Leads In School Enrollment

Balance Of County Also Shows Increase

Avon Park schools easily showed the greatest enrollment gains in the first half of the current school year.

School Superintendent Andy Miracle announced Tuesday that total enrollment in the 11 public schools of the county had risen from 4,951 in September to 5,552 by mid-January.

More than 55% per cent of the gain may be accounted for in Avon Park. Hopewell School alone reported a gain of 141 in the first four months of this year.

Avon Elementary had a gain of 24, Avon Park High, one, and Ridge Area Day School a gain of two.

The only school in the county showing a loss in enrollment was Fred Wild-DeBoto City, which lost three students.

Sebring High School gained three students, Woodlawn Elementary nine, and E. O. Douglas, 51.

The three Lake Placid schools each reported gains—the elementary school a gain of 25, Carver, 28, and Lake Placid High, five.

The Negro schools of the county more than 72 per cent of the climb in enrollment.

Lions Accept Challenge To Basketball Go

Preserving their traditional pride and answering with a loud roar, the Avon Park Lions Club has accepted the challenge of the Rotary Club to meet in a benefit basketball game on February 8. It's all for a good cause too, proceeds will go to the Avon Park High School Athletic Association.

As a preliminary game, the APHS faculty has agreed to tangle with the varsity team.

The project got an added boost this week when the Avon Park Kiwanis Club accepted the task of operating the concession stands and taking charge of advance ticket sales. Henry Carlee, club president, said that Bert Nussallee would be in charge of the ticket sales.

Another note of interest also developed this week. Mrs. Lena Suggs and Mrs. Chloé Lookout, APHS faculty members volunteered their services as cheerleaders for the faculty and Rotary teams.

A practice session has been set for tonight (Thursday) at the high school gym. The Rotary and Lions will practice at 7 o'clock and the faculty will practice at 8:30. Another session is planned for sometime next week.

Red Devil Cagers Host Brahmins Here Friday; Upset Bulldogs

After a welcomed open date Tuesday night, the Avon Park Red Devil cagers will return to the hardwoods Friday night when they host the Okeechobee Brahmins at the high school gym.

The Red Devils will be seeking a repeat victory of the Brahmins, having scored a 41-38 victory in their meeting two weeks ago. Thanks to a hair-raising upset win over Arcadia last Friday, the locals are now 4-6 on the season.

If last week's game with the league-leading Arcadia Bulldogs is an indication of things to come, the Devils could be ready for the remainder of the season.

Sparked by a dogging defense that wouldn't let the taller Bulldogs play their type of game, Coach Lee Maness' boys dumped the high school DeSoto County team with a 57-55 win.

The Devils let fans know in short order they were ready to play. They jumped to a 21-14 first quarter lead and were still in front at the intermission, 33-25. A cold third period found the locals behind 45-41 going into the final quarter.

However, the home team got hot once more and began to pester the Dogs with a sticky man-to-man defense that left the visitors in confusion for a few moments. That lapse was all that was needed, as John Rhodes went driving in for a layup with 12 seconds remaining to knot the score. He was fouled on the play, but missed the charity toss.

Freshman Bobby Coleman, playing his best board game of the season came up with the big rebound and with Arcadia players all over him, flicked in the margin of victory with only five seconds remaining.

Wayne Strickler and Leonard Sullivan provided the best scoring punch for the Devils, pouring in 19 and 16 points respectively. Coleman and Terry Obble played fine games on the boards, as did Sullivan, while DeWayne Lerner, Rhodes and Larry Strickler harassed the opponents all night with fine defensive play.

Yarbrough was high scorer for the night with 25 points. He sank 9 out of 11 shots from the free-throw line.

Arcadia won the "B" game, pulling away to a 51-36 win, after a tight first half.

The group of seventh and eighth graders entertained fans with some outstanding antics during the half of both the "A" and "B" games.
