"Stamps For Bus" Drive Huge Success

Over 1000 Books Already Tallied For Day School

[illegible]

The drive's success was due primarily to the enthusiastic participation of the school children of Highlands County. Ove[illegible] of the books collected were turned in by school children. Unofficial tally Monday accounted for the following full books collected: Avon Park High School, 440; Sebring Woodlawn Elementary, 372; Lake Placid School, 194; Avon Elementary, 122; DeSoto City-Fred Wild Elementary, 45; Sebring High School estimated 75.

Volunteers are now sorting and filling partially completed books with the loose stamps collected from receptacles placed in super markets and other stores. Thirty-one different types of trading stamps were collected, but the majority were of S&H, Top Value and B&B. After the sorting and counting is complete, the Association will decide on the one denomination to be used to secure the bus. Other denominations will then be traded to other organizations or individuals, for the type to be used. As a last resort the Association will turn in the remaining books to a commercial stamp trading house for the selected denomination. Persons desiring to trade filled books should contact Mrs. Sam King, President of the Ridge Area Association for Retarded Children, Avon Park; Mrs. Marvin Kahn or Mrs. Morris Anderson, Sebring; Mrs. Everett Monroe, Lake Placid.

Most heartening was the receipt through the mail of a filled book from Colden, New York. The donor had read of the drive in the Sebring News. A mystery book is the one book of Holden Red Stamps given by an unknown donor. These stamps are traded in the Detroit area.

Dr. T. M. Daniel, Chairman of the drive, expressed his complete satisfaction with the results and asked that his personal appreciation be added to that of the Association and extended to each of the donors.

"'Pre-Schooler' Program" Begins Here June 24

A special "pre-schooler summer program" will begin its 13th year of operation at Avon Elementary School on June 24, at 9 a.m.

The children who are to enter first grade in the coming school year are eligible to participate in group meetings from 9 to 11 a.m. each Monday and Wednesday for seven weeks.

Mrs. Frank Morgan, music supervisor of Highlands County schools, is to be in charge of the pre-schooler program. She said the children will participate in group singing and rhythms, listen to records and stories.

"Aside from the enjoyment of participation," Mrs. Morgan said, "the children become more conscious of the days in the week, time and punctuality."

"We believe the summer program helps young children to lose their fear of school buildings and large groups. These group meetings twice weekly, for two hour periods, have brought children to the first day of school better prepared to make adjustments necessary for happy school life."

Walker Memorial Hospital Drive Hits $30,000 Figure

With fourteen "Memorial" Subscriptions reserved in the current drive to secure funds with which to equip and furnish the new Unit of the Walker Memorial Hospital, the officers of the Campaign announce a continued effort until the necessary funds are secured.

Mayor E. A. DeLaney, General Chairman and George Border, President of the Chamber of Commerce emphasize the great need for this added hospital service. They appreciate the demand for a greater influx of tourists and winter visitors as well as new industrial pay rolls. They jointly state, however, that we must provide the community requisites sufficient to interest winter residents and industrial management.

Upwards $30,000 has been subscribed. The Memorial Division represents $16,000 of this sum, the rest is counted through spotted reports from the Employers, Women's, Medical and Negro Divisions. It is expected that the next two weeks will account for more than doubling the present subscription.

Those who have made Memorial Subscriptions are: Mrs. W. C. Touchton, Junior Woman's Club, E. G. Touchton, Mr. and Mrs. G. F. Ward, Mr. and Mrs. E. G. Todd, Mr. and Mrs. T. J. Ward, Mrs. E. W. Hartt, Mr. and Mrs. Roy E. Seims, Mr. and Mrs. W. F. Ward, Mr. and Mrs. Bill Sachsenmaier, Mr. and Mrs. Robert J. Barben, The Rotary Club and Mr. and Mrs. Vernon Lanier.

When the Unit is equipped and furnished a bronze plaque will be in a prominent place indicating the life-time gift—"one that will endure as long as the ills of man are unsolved." A bronze tablet will be placed in the lobby of the new Unit. On this tablet will be inscribed the names of individuals and firms who contribute $100 or more.

City Recreation Program Starts June 24

Headquarters for the summer program will be at the high school gymnasium. Directors for the recreational phase of the program will be Mr. Crittenden, Mr. Franza, Mr. Garrett, Mr. Maness, and Mr. Hill. Mr. MicKunas will direct the band program, Mr. Watson the typing program, and Mr. Hansen the driver education program. The elementary library and reading program will be directed by Mrs. McKelvaine.

The recreation department will again offer the beginners swimming program (assembly line). This program will begin July 8, and continue through ten days of instruction. The requirement for this phase of the program is that the student be at least six years old. The Red Cross Swimming Courses will again be offered to those students who meet the qualifications as to age and abilities.

The recreational program also plans to offer bowling, golf, weight program, basketball instructions, baseball (age 13-15), American Legion baseball, water skiing, tennis, field trips, and inter-county field days. We plan to schedule golf and tennis matches with other school recreational programs. The youth center will be open on Friday afternoon for students in grades 7-12. Field trips will be on Tuesdays, July 1[illegible], 23, and 30, trips to Vero Beach, Lido Beach, and Manatee Beach. Field trips are reserved for students in 7th grade or above. Bowling will be on Tuesday and Thursday afternoons excluding the Tuesdays set aside for the field trips.

The band instruction program will begin June 24 and continue for five weeks. Those students who are interested in music instruction contact Mr. MicKunas as to the time you should report. The typing program will also begin June 24 in the high school commercial department. The students who plan on taking driver education this summer contact Mr. Crittenden for the schedule at Avon Park.

A complete schedule of the summer program events will be posted each week on the bulletin board in the gym, and published in the Avon Park Sun. Please refer to those places for your complete schedule throughout the summer months.

MRS. J. P. ARNOLD

Mrs. J. P. Arnold Elected Pres. Of Legion Auxiliary

Mrs. John P. Arnold "Mamie" was overwhelmingly elected President of the American Legion Auxiliary Department of Florida, at the department convention held in Clearwater June 5-8, 1963.

Mrs. Arnold is a member of Highlands Unit No. 69, Avon Park. She has been a long time member of the A.L.A. having served in most of the offices before coming here from Oklahoma. Since coming to Florida she has been active on all levels. This year she was a most successful Dept. Community Service Chairman. Prior to this she served the Dept. as Historian, Membership Chairman, and as a member of the Rehabilitation Committee.

All the members of the Highlands Unit No. 69 wish her well in her new undertaking.

Highlands School Board Appoints 10 New Teachers

Avon Elementary and Sebring Junior-Senior High School [illegible] to lead the county schools in size of faculty. At its June meeting held Tuesday afternoon the Highlands County Board of Public Instruction [illegible] that Avon Elementary [illegible] staff will be increased by two positions in the 1963-64 year.

The Sebring Junior-Senior High staff is to be increased by two also and this will bring the number of positions in the two schools to 35 each.

Superintendent Andy Miracle reported that the county schools will need 187 white teachers, 10 more than in the year now closing. Three Negro teachers are to be added to bring the total number of Negro teachers to 57.

Besides having one of the largest schools, Avon Park also has the smallest. Ridge Area Day School has one teacher hired by the county. The other teacher on the Day School staff is employed by Ridge Area Association for Retarded Children.

Avon Park Junior-Senior High School is to have 29 teachers in the next year—an increase of two over this year. Hopewell School is to have 18 teachers, the same as the current year. E. O. Douglas will have an increase of three teachers, putting the total for the Negro high school up to 31.

The Superintendent reported that the Highlands County school system "has very few vacancies." At the Tuesday meeting Miracle recommended the appointment of 10 new teachers. He said this group included only the teachers who had signed contracts, and that other prospects had been contacted and responded favorably but the signed contracts were not back to his office yet.

The appointments approved Tuesday included three teachers for Avon Park schools: [illegible] Mae Wyre, Avon Elementary; [illegible] Boatright, Hopewell; and Jeff[illegible] Avon Park High School.

James A. Lovejoy of Avon Park High School was [illegible] contract.

At the Tuesday meeting Dr. William F. Hill, Jr. and Dr. L. L. Conley re-newed a plea for a grant of $5,000 to equip a dental clinic for the new health department quarters.

Dr. Hill, the county health director, had presented this request at the May meeting and the school board denied it on the ground that dental programs are outside the primary responsibility of the schools.

In a letter, which Miracle read to the board Tuesday, Dr. Hill cited passages of the Florida school laws which state that boards of public instruction are to "provide for all children to have periodic medical and dental examinations and to arrange for remedial treatment."

The health officer added that 35 Florida counties make continuing contributions to their county health departments to supply these services. The Highlands County board has not included this in its budget.

The school children are now being served by a mobile unit staffed by health department personnel including a dental preceptor. The preceptors, chosen from the top 10 per cent of their dental school graduating classes, are sent out to work by the state.

Dr. L. L. Conley, a Sebring dentist who serves as the chairman of the preceptor program in three counties and former head the preceptor program in Hillsborough county, told the Highlands board that "the state probably is not going to continue mobile units in the counties where there is no clinic facility."

Dr. Hill said that the county commissioners had indicated that all of that board's funds would be needed for the construction of the court house annex which is to house the health department. "I believe that no money will be available for equipment," Dr. Hill said. "I am asking the school board one grant, not continuing support. If you can find $5,000, then I will dig up the other $2,500 we'll probably need to complete the furnishing of a dental clinic."

Board member E. Ray Wells said, "We all agree that the program is good, but we have 21 classrooms installed as a temporary measure and we are still using them almost 20 years later."

Ted Cason asked if the matter could be continued under study. "I am not willing to scrap this yet; let's see whether the Superintendent could come up with some idea where we might find the money."

The board agreed to review the request again in July.

In other business the board approved appointment of some school bus drivers for the 1963-64 year. For Avon Park the drivers are Richard D. Reddick, Forrest Outlaw, Ross C. Bigbie, Thomas Brown, Scott Landress. William Luscomb was approved as a substitute driver.

A letter was read from [illegible] advisor of the FFA chapter explaining that the chapter has recently purchased new mowing equipment and would like to have his chapter members get experience in its use. The work will be on a part time business and will provide the chapter with additional funds.

A request for the closing of one block on Lake Verona Blvd., east of the Athletic Field, made by supervising principal A. B. Wilhite of Avon Park Schools, was tabled for further discussion.

Bids on a mosquito control machine were tabled until further study was made on the equipment offered.

Highlands Court News

Prison sentences have been given to two men accused of burglaries in the Avon Park area.

Donald Brack, charged with entering the Lane television store, was sentenced to six months to five years in prison. A grand larceny charge against Brack has been dropped.

Frank Martinez was sentenced to six months to two years for burglary by breaking and entering at Lindberg's Camp in the Lacy Hill district.

Both men entered guilty pleas in Circuit Court last week and were sentenced by Judge Clifton Kelly.

Oscar Robinson, who has been charged with assault to commit murder in the first degree, entered a plea of guilty to the lesser charge of aggravated assault.

John Henry Williams, Jr., 16, of Avon Park entered a guilty plea to a forgery charge, and Judge Kelly ordered pre-sentence investigations on Williams, Kelly and Paul Stoker. Stoker is charged with possessions of firearms by a felon.

The teen-ager who took "pot shots" at men working on the Sheriff's Department [illegible] transmitter tower, is to go on trial in Sebring in the week of July 22.

Bobby Lee Jackson, 17 year old Sebring youth, is charged with assault to commit murder in the first degree. He is also charged with killing animals of another maliciously.

When arraigned in Circuit Court last week, Jackson, represented by Sebring Attorney Richard Hyatt, entered a plea of not guilty to both counts. Judge Clifton Kelly set trial for late July.

The first of what might be a long list of re-trials is set in Circuit Court. Judge Clifton Kelly has ordered a new trial for Ellis Taylor, Jr.

In March, 1962, Taylor was sentenced to prison 15 years for breaking and entering and five years for grand larceny. The sentences, passed by Judge Clifton Kelly, were to run concurrently.

Taylor had been accused of breaking into the Blue Bird Cafe in Avon Park, on January

Avon Trailer Park News

Two more trailers in the Park will be vacant for the next three months. Guy and Pearl Engelbert have left for San Diego, Cal. to visit their son, Dr. Engelbert and Mrs. Engelbert. From there they plan on a trip through the northwest before returning to Florida.

Frank and Maude Foote are heading for New York State and will be missed by the entire Park. They were honored with a party in community hall Tuesday evening, and all were pleased to see the Henry Groomes who came to bid them farewell.

The remaining residents of the Park keep active. The Square Dance Club spent Wednesday at a beach party near Bradenton. Olive Kerwin hosted a waffle and card party at the community hall Wednesday evening and all courts were in use.

Mr. and Mrs. Alfred Hager have moved to Ft. Meade Municipal Park. The Euchre Club will miss Katherine.

Henry and Ella Phillips will oversee the Swap Shop on U.S. 27 the next few weeks, so stop in and swap with them.

Returns For Another Year

Rev. Russell Boaz, pastor of the First Methodist Church was returned to the church for another year, when the annual Conference of Methodist Churches convened in Lakeland last week. The new District Superintendent will be Rev. Fred L. Martin.

Dr. Harry H. Waller, who has served the district for six years, was assigned as pastor of a church in Jacksonville.

Boy Scout News

On Thursday, May 30, at the National Guard Armory, Cub Pack No. 450, sponsored by the Lions Club, held their May pack meeting.

Cubmaster Richard Pate opened the meeting, then turned the meeting over to Eagle Scout, Larry Bond, Assistant Scoutmaster of Troop No. 156 Boy Scouts, who led the flag ceremony. Eagle Scout Chuck Warrington and Life Scout Carl Holden, both of Troop No. 156, conducted a very impressive candlelight ceremony, lighting candles for each of the twelve Scouts Laws and the three parts of the Scout Oath. This ceremony was in honor of the four Cub Scouts who had completed their requirements for the Webelos badge, the highest award in Cub Scouting, and which is earned by just a small percentage of Cub Scouts. The four boys who were presented this Webelos badge were: Michael Bradbury, Edward Leo Scott, William Moxley and Colvin Stone. This is probably the first time in this area that four boys have been advanced to Webelos in one ceremony. After congratulating these boys for their fine achievement, there was a closing ceremony, led by Warrington.

Refreshments consisting of hot dogs, potato chips, iced tea and grape juice were served to the group.

Troop No. 156 has been busy building patrol corners the past few weeks at their Monday night meetings. Also, elections were held and patrol leaders are: Mike Sever, Bill Wolking, Carl Holden and Walter Respress. Last week Order of the Arrow elections were held and the two boys selected will be tapped out in the near future. Identity of the boys is kept secret until the tap-out ceremony.

Wednesday, May 29, the adult leaders and junior leaders met to make plans for June meetings and activities.

On Sunday, June 9, six boys plan to leave for Camp Owen Brorein, Odessa, Florida, to spend a week at Junior Leaders Camp. These boys are: Tommy Townsend, Mike Sever, Carl Holden, Chuck Warrington, Walter Respress and Jimmy Powell.

Monday night, June 10, at the regular Scout meeting, John Townsend, Jr., will demonstrate artificial respiration.

Monday, June 17, the boys will hear a talk on Water Safety.

There will be no Scout meeting Monday, June 24, but on Tuesday, June 25, the troop plans to hike to Lake Brentwood, where they will have a swimming party.

Monday night, June 3, at the Highlands District Court of Honor held in Frostproof, Tommy Townsend was presented with his Second Class advancement badge. Senior Patrol Leader Chuck Warrington received a merit badge for Personal Finances.

...drugs. This investigation is of particular interest because some scientists feel that success in leukemia research may lead to breakthroughs in other phases of cancer research.

Besides supporting leukemia research projects in Florida and elsewhere, Peterson pointed out, dollars contributed by citizens throughout the State during the American Cancer Society's Crusade are serving other vital purposes. Services for unfortunate cancer patients, including those suffering from leukemia, are assisted by items from Loan Closets located throughout the State. Facts about cancer and leukemia are available at no cost.

We hope he concluded that the general public will avail themselves of pertinent information about cancer and leukemia. There are sixteen offices in key Florida cities listed under American Cancer Society in the regular white pages of local telephone directories. The American Cancer Society, Florida Division, located at 416 Tampa Street, Tampa 2, Fla.

SOMETHING OLD SOMETHING NEW

These — without anything borrowed or blue — can give to her Wedding Day the sure promise of happiness.

Something old? A *faith* in God such as has been the foundation of life for millions of Christians before her. A simple conviction found in the religious instruction she received as a child, nurtured in regular worship at Church, ready to go with her through the years.

Something new? A *love* for the one she has consented to marry. A tender devotion that will grow richer and deeper as they share the sunshine and shadows of life.

With these two—the "something old" that lives in her soul, and the "something new" that thrills in her heart—she comes to her husband. And if he comes to her bearing the same treasures, their marriage cannot fail!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

State Ahead Of 1962 In Tax Collections

A report from Richard B Keating State Beverage Director shows the state is nearly $2 million ahead of last year in cigarette and beverage tax collections at the close-out of the 11th month of fiscal 1962.

The Director said his department collected $7,542,297.44 during May 1963, bringing the total for the past 11 months to $82,[illegible]12.

The steady increase each month reflected by the department's reports for the past several months was in evidence again for May. Net collections increased 5.74 per cent over May 1962 Keating said. The [illegible] increase for the 11 month period compared to last year [illegible] percent.

According for the major [illegible] of the revenue is tax [illegible] $21.2 [illegible] $2,311, [illegible] cigarettes $[illegible] [illegible] $1, [illegible] and [illegible] $2,8[illegible]

Educational Trip For Rainbow Family

[illegible] Rainbow [illegible] Avon Park [illegible] The Rainbow family will [illegible] delegation [illegible] congregation [illegible] Jehovah's Witnesses [illegible] New York [illegible] 14.

[illegible] United States, Canada [illegible] South America [illegible] Islands.

It's Vacation Time

[illegible] family [illegible]

"We plan our annual vacation [illegible] for the family [illegible] travel," he said, "but [illegible] on the agenda is attendance at a religious convention of Jehovah's Witnesses which is a regular part of our ministerial training program. This year [illegible] plans revolve around a trip to New York."

Rainbow said three conventions are planned in the United States this summer. In addition to the New York gathering, conventions are scheduled for County Stadium in Milwaukee, Wisconsin, June 30 to July 7 and the Rose Bowl, Pasadena, California, September 1 to 8. Approximately 250,000 are expected to attend the three conventions.

"A total of 21 other assemblies are planned around the world," Rainbow said, "covering Europe, the Near East, Asia, Australia and the isles of the Pacific. These meetings are Bible educational sessions designed to point out the responsibilities and obligations resting upon Christians in these critical times."

"Regardless of location, race, creed or language," he said, "these conventions will demonstrate the international unity of Jehovah's Witnesses and the need for true peace and unity in a divided, perplexed world."

Business With Pleasure

Rainbow said the delegates from Avon Park and Sebring will be mixing business with pleasure, but the emphasis will be on business. "The trips each year provide the children with an opportunity to see the country," he said, "including many educational attractions and natural wonders. Excursions of this kind broaden the wisdom and understanding of the children, giving them depth and knowledge. The convention program is for all members of the family, especially designed to enrich our appreciation of spiritual things and make us more cognizant of our Christian duties of service."

Rainbow said the Avon Park and Sebring delegates will be traveling to New York by car.

"There is no special selection of delegates," he said. "The invitation to attend is extended to all in the congregation. They respond because they appreciate the value of such meetings and adhere to a recent slogan which truthfully stated: 'The family that prays together, stays together.'"

ATTEND CONVENTION

Mr. and Mrs. Hubbard Biggs independent fire and casualty insurance agents of Avon Park attended the 59th annual convention of the Florida Association of Insurance Agents last Thursday at the Fontainebleau Hotel on Miami Beach.

On March 9, he was tried before Judge Kelly. The record shows that six witnesses were called for the trial. This Spring, following the publication of the U.S. Supreme Court decision that all defendants should be represented by counsel, Taylor wrote to the Circuit Court and pointed out that he had not represented at his trial.

On May 9, Judge Gunter Stephenson appointed S. C. Pardee of Avon Park as defense counsel, and last week Judge Kelly scheduled the re-trial for July.

Circuit Court Clerk Earl Rich said "about 15" cases are pending. As requests are being filed, the circuit judges are ordered investigations by the office of the State's Attorney Glen Darty.

A long-standing case came to an end in Circuit Court last week. Cueller Philip Peterson, Jr., four times scheduled to go on trial for attempted bribery, was sentenced to prison for a year.

Peterson, in May, 1962, was charged with offering a bribe to Deputy Sheriff Harold Hopson. Peterson allegedly wished to run some gambling activities.

In April of this year Peterson changed his plea to guilty, and Judge Clifton Kelly pronounced sentence last week.

Strong Competition For Season's Citrus

Fruit Shortage Predicted For Next Season

Should I sell next season's fruit this early? Numerous growers are asking this question in view of the current unusual interest and activity on the part of the citrus buyers. This "unusual interest and activity" is based on a general industry realization that next season's Florida orange crop will be far less than adequate for normal market demands.

Regardless of supply, fruit prices fluctuate more or less widely within a season. Therefore, it is possible for growers who sell early to receive more money, or even less money, for their fruit than they would have received by waiting until a specific date when the season is well underway.

There are certain extraordinary precautions that should be taken by a grower who decides to sell his fruit before the actual opening of the season. Primarily these precautions have to do with the actual provisions of the contract. All too often the contracts for these early sales specify that the deposit may be forfeited as complete satisfaction of the contract in the event the buyer does not elect to fulfill all provisions of the contract. Such contracts are nothing more than "options to buy" wherein the purchaser has everything to gain and the grower stands the possibility of eventual loss. Mutual therefore urges its members who contemplate an early sale to examine the contract offered very carefully to assure that the down payment is substantial enough to protect in event of non-fulfillment of contract or, preferably, to be very sure that the contract executed by him is in actuality a contract that is enforceable without this limiting factor of forfeiting the deposit as full liquidated damages for non-fulfillment. In other words, let a contract be a contract.

Ever since the trees began blooming this year, there has been high interest in next season's citrus crop. Some fruit dealers have even bought next season's crop based on bloom.

In recent weeks offers for next season's oranges have been $4 to $4.50 per box, or 85c per pound of solids. Some purchases have been made by buying the orange crop in bulk and these are reported to be based on 85c per pound of solids.

Offers for Temple oranges have ranged from $4 to $5 per box and for seedless grapefruit $1.75 to $2.25 per box.

Highlands County To Join In Bid For U.S. 301 Extension

Highlands County has promised to send a representative to Tallahassee this week to join in a bid for extension of U. S. 301.

The formal request will be presented to the state road board at its meeting on June 20. Representatives from Manatee, Martin, DeSoto, Palm Beach, Okeechobee, and Highlands will ask the Florida board to petition the federal bureau of roads to re-name a group of east-west roads to form a new part of the federal 301.

More than a year ago commissioners from several counties, with DeSoto County Representative Chesterfield Smith, attended a Highlands County Commission meeting and explained the project.

At a called meeting of the Highlands commission on Thursday of last week (June 13), seven visitors again presented their extension project.

After the meeting Commission Chairman Carl McIntyre said the Highlands County board "will go along with it." Commissioner Eugene Hamlin said, "What do we have to lose, even though the road will go through the county south of our cities."

The project, as presented by Boyd Gernhard of Sarasota, calls for the state road board to ask the federal bureau to name Route 70, 72, 706 as U. S. 301. The federal 301 begins in Delaware and now ends in Sarasota. If adopted by the federal bureau, the 301 route would end at the Atlantic Ocean, intersecting with A1A at Palm Beach.

E. F. VanKessel of Palm Beach told the Highlands County board that a similar request was refused some years ago. He said the plan at that time would have extended 301 into route 710 and the Old Military Trail. "This would have meant dumping traffic into a heavily congested area with too much traffic already," he said Thursday.

This coming week Palm Beach County will formally dedicate a public beach park at the end of route 706 and beside A1A.

Gernhard, who served as principal spokesman for the visitors Thursday, said the U. S. Association is very interested in an extension of the route. He emphasized that tourists can be sold "lured" into a "both coasts" tour of the Sunshine State.

In the earlier presentation, Representative Smith had outlined a possible "short tour" promotional for the state. He suggested that visitors could be urged to come into the state by a coastal route then over 301 to U. S. 27 and back up the center of the state to visit the citrus country.

Gernhard admitted to the Highlands commissioners that Charlotte and Lee Counties are opposed to the extension and may be expected to object when the project comes before the state road board.

If the state board's action is favorable, the matter goes before the federal bureau. Gernhard said it is vital that the re-naming become official quickly and get onto maps before the turnpike extension from Ft. Pierce to Wildwood is completed.

The proposed extension would include a small amount of four-lane road. Much of the two-lane has recently been improved and further improvements are in the budget of the state road department for the 1963-64 year.

The road to be designated 301 in Highlands County is route 70 which crosses U. S. 27 at the Bair's Den, about five miles south of the point designated by the Highlands County commissioners are the southern end of their proposed four-laning of U. S. 27.

Visitors who attended the special commissioner meeting Thursday were, in addition to Gernhard and Van Kessel, Bob Wertz and Harold Garner of DeSoto County, H. H. Raulerson of Okeechobee County, Jack Williamson of Martin County — all county commissioners—and Tom Slider of Sarasota, member of the Manatee county staff.

McIntyre promised that Highlands would send at least one representative to the meeting in Tallahassee. The delegation will be joined there by others including Representative Smith.

Banner Patriotic Celebration Planned For Fourth of July

Plans are almost completed for the largest 4th of July program in the city's history. Rev. Graetz Public Relations Chairman for the event stated that "It will be the best."

Boy Scouts, Girl Scouts, Brownies, Explorer Scouts and Cub Scouts from Sebring, Bowling Green, Lake Placid, Wauchula, Frostproof and Avon Park will make up one part of the program starting at 11 a.m., at Donaldson Park.

The Avon Park Firemen's Association has scheduled a full afternoon and evening of free entertainment for your enjoyment. There will be food available at reasonable prices, safe swimming with lifeguards, a free water show, boat races, under the direction of Paxton Hill, President of The Florida Outboard Motor Association, "catch the greased pig" event, and a beauty contest and fireworks.

Everyone is invited to come and make a day of it, a "Safe and Sane 4th," is the motto for the day, leave the highway to others on the 4th.

The complete program for the day will follow in a later issue of the Sun.

All You Beauties

The Fireman's Association is in great demand for beautiful girls to enter the "Miss Avon Park Flame" contest.

So, if you are beautiful, between the ages of 14 and 18 and still in high school, stop by the local fire station and get your entry blank.

Entries must be in by June 27. Hurry Girls!!!

Senator Holland Backs Canaveral Expansion

WASHINGTON [illegible] program [illegible] in fiscal 1964 [illegible] last year [illegible] the citrus [illegible] agricultural product [illegible] ing citrus, Senator Spessard L. Holland said today.

Florida's Senior Senator, a member of the powerful Senate Appropriations Committee and the Committee on Aeronautics and Space Sciences said the first item in the authorization bill considered by the Senate Space Committee included $312,855,000 for new construction, facilities and equipment at Cape Canaveral and the Merritt Island Moonport.

"This new work alone would exceed the value of Florida's 154-million box 1961-62 citrus crop by 19.7 million dollars," said Holland.

Omitting citrus, it is 22.06 million dollars greater than the value of all vegetables, melons, field crops, nuts and fruits other than citrus produced in the state in the 1961-62 season.

The total amount to be spent for space operations and new construction in Florida during fiscal 1964 has been estimated at 461 million dollars.

By comparison, all Florida crops, including citrus, had a 1961-62 value of $643,372,000.

"Florida traditionally is a great agricultural state, and we must never lose sight of the value of its crops to the state and the nation," said Holland.

"But the nation's space effort is adding something new and of vast significance to the economy, to national defense and to the most romantic adventure story ever told: the thrust to the moon and beyond."

Holland pointed out that the space program has side benefits to all the people as well as to industry.

"We are learning new things about metals, paints and other materials," he pointed out. "Miniturization has practical applications in every day life. The science of electronics is advancing at a dazzling pace, with great impact on communications and with other applications in day-to-day living.

"The investment in the Mercury, Gemini and Apollo projects is shaping our way of life on earth, not merely leading through the blank void of space to the moon and beyond," said Holland.

Items which are not on the priority list now, which were previously on the list, McIntyre said, can be expected to be put on the list again next year when more funds will be available.

Formal action by state officials putting U. S. 27 definitely in the budget for the fiscal year beginning July 1 is expected to be taken today, McIntyre said. However, formal assurances have been received that this is to be done, he added.

No definite date for the letting of the contract for the work has been set except that it is to be done within the fiscal year [illegible]

AP Postal Code ZIP Number 33825

Our [illegible] ZIP Code is 3382[illegible], Postmaster Robert Young announced today.

Everyone in Avon Park will use this ZIP Code on all their correspondence to speed mail deliveries and reduce the chance of missent mail," Postmaster Young said.

ZIP CODE, the Post Office Department's revolutionary new system of improved mail dispatch and delivery, goes into effect nationally on July 1.

Postmaster Young stressed the importance of all citizens of Avon Park learning this city's ZIP Code and using it in the return addresses on all correspondence. In answering mail, he said, ZIP Code taken from return addresses on incoming mail should be used.

"The ZIP Code is literally the last word in mail addressing. It should follow the City and State in addresses."

He cited this example of the proper use of ZIP Code:

Robert D. Young
Postmaster
U. S. Post Office
Avon Park, Florida, 3382[illegible]

The new ZIP Code plan, Mr. Young said, for the first time will permit the Post Office Department to short-cut repeated address reading.

The address on mail must often be read as many as eight or ten times by postal employees, to get it to the proper destination. Each handling slows the process of mail dispatch and adds to the opportunity for human error.

With ZIP Code, a clerk needs only to glance at the code to know immediately to what national area, state and post office the letter is destined, and to speed it on its way, cutting up to 24 hours off the time between deposit and delivery.

Mr. Young said that when ZIP Code is in full swing, the United States will have "the most modern system of mail distribution and delivery in existence."

Fishing License Fees Increase June 15

TALLAHASSEE Florida fishermen will find a one dollar increase on the new fresh water fishing license which will be officially on sale Saturday, June 15, at offices of all County Judges and thier authorized sub-agents throughout the State.

The one dollar increase on all resident fresh water fishing licenses will be set aside in a special fund to be used for improvement of Florida's fresh water fishing. The new licenses are actually effective July 1; however, both the 1962-63 and the new 1963-64 licenses will be honored by all Wildlife Officers during the period from June 15 to July 1. Beginning July 1, only the new 1963-64 licenses will be honored, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission.

License fees are:

Resident, statewide, annual $3.00, non-resident, statewide, annual $8.00, non-resident, statewide, 14-day continuous fishing $3.25; non-resident, statewide, five-day continuous fishing $2.25.

Here and There

Mr and Mrs Lloyd M. Pate of Sacramento, Calif. visited their father and mother, Mr and Mrs. J. H. Pate of Avon Park.

Mr and Mrs. J. H. Pate visited Mrs. Coreen Jowres in Ft. Meyers and motored to Tampa to visit Mrs. T. J. McGennis and Mrs. Darwin Stoll and family.

For the weekend at Kissimmee Shores Cabin, Mr. and Mrs. J. H. Pate had Mr. and Mrs. Lloyd M. Pate, Mr. and Mrs. Darwin M. Stoll of Sacramento, Calif., Mr and Mrs. T J McGennis of Tampa, Mr. Grady Pate of St. Cloud, Mrs. Coreen Jowres of Ft. Meyers. All celebrated Father's Day over the weekend.

Mr. and Mrs Lloyd M Pate left for California Tuesday, June 18.

Mr and Mrs Howard Messinger of Clearwater, spent Father's Day with Mrs. Messinger's father, Ira R. McClarren of the Jacaranda Hotel.

ATTEND GRADUATION

Mrs. Coston Pearce and daughters, Rose Mary and Linda, of Elba, Ala., and Miss Patricia Armstrong of Panama City, Fla., are visiting Mr. and Mrs. C. S. Lee, Mr. and Mrs. J. J. Pearce and Mr. and Mrs. Collier. They all went to Miami on June 11 to see Albert M. Collier receive his degree of medicine.

In keeping with the theme "American Heritage," [illegible] square dances, by watching authentic Indian dances performed by Boy Scouts, and by listening to two university students sing folk songs.

We learned more about our state government when we toured the State Capitol Building. While there, we saw the legislature in action, debating and voting on bills.

Our nightly programs consisted of a State 4-H Dress Revue and a Fun and Share Night. We enjoyed watching the talents of 4-H girls from other parts of Florida.

An important part of our assemblies was the group singing led by Mr. Bill Mears and Dr. Jack P. Swartz.

We were proud to represent Highlands County at different times during the week's program. At one of the morning assemblies, Irene introduced a guest speaker. Kay participated in the State 4-H Drss Revue, modeling her lounging pajamas. Patsy received our certificates for attending Short Course during the recognition program.

The week's program ended Friday night with a beautiful Candle Lighting Service which centered around the significance of the 4-H's. Hope you girls will work hard in your club work so you too can attend short course.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

67 "Dads" Rooted For Boys Ranch Graduate

LIVE OAK, [illegible] Wally [illegible] He [illegible] walked across the [illegible] at Suwannee High School [illegible] diploma. [illegible] Boys Ranch [illegible] and was the first [illegible] from the Ranch to graduate [illegible] high school.

"I couldn't feel any prouder if he was my natural son," said Bay County Sheriff Ed Yarbrough, Chairman of the Boys Ranch Board of Trustees, "and I am sure all of my fellow sheriffs feel the same way."

Formerly a resident of Woodville, a small community near Tallahassee, Wally has made an outstanding record of scholarship and leadership at the Ranch. Last year he was one of the youths representing Florida at the National Convention of the Future Farmers of America and he has developed public speaking talents that make him the envy of many of his adopted Dads.

The 17-year-old youth will continue to live at the Boys Ranch, 11 miles north of Live Oak, and he will start his college education in the Fall by commuting to nearby North Florida Junior College. His ambition is to become a vocational agriculture teacher.

"Wally is a good example of what the Ranch can do for needy and worthy boys," said Sheriff Yarbrough. "We have given him the breaks in life he so richly deserved, and now we have the satisfaction of seeing him take his place in society as a responsible citizen."

The Sheriff explained that Wally is a "trailblazer" for hundreds of other youngsters from all parts of Florida who will come to the Ranch in the years ahead seeking a good home and a secure future. "We intend to give all of them a college education or a good trade which will make them self-supporting," he added.

There are 52 boys living at the Ranch now, ranging in age from 8 to 17, and facilities are being expanded as fast as funds will permit toward a target enrollment of 100.

Financed entirely by public donations, the Ranch was founded in 1957 as the first institution of its kind sponsored by sheriffs. Since then the sheriffs of Georgia and Alabama have established boys ranches and other states are [illegible] projects.

Editorials - Do Pay Off

It is increasingly apparent that Postmaster General J. Edward Day is allergic to editorial criticism and feels that the public should be happy to pay more for postage and get less service in return.

In articles and speeches, Mr. Day has taken vigorous exception to suggestions that the Department should catch up with industry in automation. Writing in The Postal Supervisor, he said: "Mail cannot be delivered to people's homes and offices by clanking robots, and post offices cannot be managed by electronic computers. Most of our thousands of offices are very small and could not in the wildest stretch of the imagination justify mechanization."

As far as we know, the Postmaster General is the only one who has suggested "clanking robots." And it is interesting that, having talked about mechanization for ten years, he now redicules it. As for the small town post offices, these are not the ones that are causing the headaches - of the PMG or the public. We think it is generally true that the smaller offices are rendering the same fine, dedicated service they always have - insofar as their own operations are independent of the big city trouble-sports.

Frequently of late, and most recently in a speech before a Washington meeting of the Federal Government Accountants' Association, Mr. Day has emphasized his reaction that an "appalling thing about these sharply critical editorials was the obvious lack, in so many of them, of an even rudimentary knowledge of how postal expenditures are financed."

In other words, if the basic communications system of the nation - on which the conduct of commerce and industry, of human affairs and even of Government itself depends - should fail to meet its historic responsibility at reasonable cost to the users, we must not complain!

The Postmaster General's attitude comes perilously close to the philosophy that the primary function of the people is to support the Government - including the Post Office Department - and the people should be happy for whatever left-handed service they might receive in return.

But Mr. Day's impatience with editorial criticism is the best indication that it is hitting the mark.

Avon Park Stores To Close On 4th

A survey taken by the Chamber of Commerce indicates that over 35 business firms and stores in Avon Park will be closed for the Fourth of July.

The survey was conducted with a two-fold purpose: As a public service to the community and as an endeavor to create better cooperation and coordination of efforts between the merchants and the Chamber of Commerce.

Halbig-Bates Reach Doubles Semi-Finals In Tennis Tourney

In the Kiwanis Club-sponsored tennis tournament, Wolfgang Halbig and his partner, Eddie Bates reached the doubles semi-finals by defeating Bob Briscoe and G. L. Townsend in four hotly-contested sets by scores of 6-2, 6-0, 4-6, 6-2. The games were not as one-sided as the scores may indicate, since many of them went to deuce before being decided.

Previously Mike Duggan and Billy Miracle also reached the semi-finals and they will be the opponents of Halbig and Bates in that match. Plans are to hold that match at 7 p. m. on the Fourth of July, weather permitting.

Earlier, Bob Briscoe handed Carl Holden his first loss in singles competition. Holden put up a game fight but lost the match in three sets by scores of 6-3, 6-3, 6-3.

Andy Miracle and Bill Ward, having each lost once, played their second-round match in the losers bracket and Miracle eliminated Ward from further competition by scores of 6-2, 6-0, 6-2.

Roy Coats and Al Yarbrough eliminated Jim Lyle and John Rhoades from doubles competition in a hotly contested five-set match which saw Coats and Yarbrough come from behind and win the last two sets to gain the victory. Scorers were 3-6, 6-1, 4-6, 6-4, 6-4. When that match ended, Lyle and Rhoades had to play their singles match also, since the second-round deadline date had arrived before either match was played, and they agreed to play one set and call it a match. This was approved. Rhoades won it 6-3.

Coats also advanced to third round play in singles via a forfeit from John Rodgers, who could not play because of a knee injury. Another forfeit went in favor of Rodgers and his partner, Jeff Childers, when Jay DeShong withdrew from further competition to go on an extended vacation, and he and his partner, Carl Holden, suffered a forfeit from further doubles play.

DeShong's withdrawal also gave Andy Miracle a bye in third round play, and he advanced to the fourth round accordingly.

The third round's first contest was between Robin Duggan and Jeff Childers. Duggan took the first two sets easily by scores of 6-1, 6-0, but had to extend himself to win the third, which he finally did 8-6. This eliminated Childers from further competition.

Trophies arrived since our last report and Dale Jordon has engraved them and is displaying them in the window of Jordon & Son Jewelers.

New nets arrived and with the cooperation of Mayor DeLaney, have been installed. They are beautiful black nylon trimmed in white plastic and are a great improvement over the old wire net. Two courts can now be used for play, although lack of lights makes one pretty useless at night, and backstops are needed.

More Activity For Summer Rec. Program

The summer recreation program will again take students to Ridge Lanes for bowling. Students will leave the gym at 2 p.m. and return at 4 p.m. on Tuesdays and Thursdays. Students will be allowed to bowl and rent shoes at a reduced rate by special arrangements with the management.

Students who are interested in playing golf and tennis should report to the gym at 8 in the morning for the schedule. Water skiing instruction will begin next week. Students should report to the gym for the schedule for this activity.

Swimming instruction will be offered from 10 to 12 noon each day. However, the swimming instruction for beginners will not start until July 8. We need about 20 parents and other interested citizens to assist us with this program. If you will help us, please call the gym as soon as possible.

The summer program is also offering reading instruction and library facilities for elementary students. Interested parents should contact Mrs. McKvaine.

Students who are interested in learning how to type should report to Mr. Watson at the high school. Time is from 10 to 12 noon, Menday through Friday.

We are again offering band instruction to students. Students should contact Mr. Mickunas for the schedule.

Enrollment for Monday, June 24th were as following: Recreation 124, Typing 11, Driver Education 12, Band Instruction 56, and elementary reading and library program 35.

Documentary Stamp Tax Charges Increase

[illegible] addition to the said conveyance.

The tax on bills of sales, agreements, transfers of personal property and interest therein will be 15 cents per $100 or fraction thereof. In this instance, where outstanding shares of stock in a Florida corporation are transferred in another state, which transfers are registered on transfer records in a state other than Florida, such transfers of stock are not subject to the Florida documentary stamp tax, the attorney general has held in an opinion.

The tax on stock certificates has been increased from 10 cents to 15 cents per $100 or fraction thereof, including when a certificate is issued without face value.

The tax on bonds, debentures and certificates of indebtedness issued in Florida will be 15 cents per $100 or fraction thereof. The identical charge will be made on promissory notes, written obligations to pay money, the assignment of wages or other compensation, and the renewal of same. This also is true in connection with sales made under retail charge account services, incident to sales which are not conditional in character and which are not secured by mortgage or other pledge of purchaser, except that it would be on the gross amount.

Highlands Court News

[illegible]

The case has been [illegible] to Judge J. H. W[illegible].

One [illegible] was [illegible] in Circuit Court Monday. R[illegible] Dennis, who had previously entered a plea of guilty [illegible] aggravated assault charge, was sentenced to serve six months to five years in prison. Judge Clifton Kelly presided at Monday's court session.

In this week's session of County Court one driver drew a jail term for driving while intoxicated. John Daniel Carmichael, white resident of Alturas, was sentenced to serve 60 days in jail and to pay a fine of $250 or three months in jail.

His driver's license is to be suspended for the maximum suspension time allowed by Florida law.

Judge Mervin Reherer noted that Carmichael had been involved in a serious accident and had been arrested in Polk County in February.

For driving without a license, Carmichael was sentenced to serve a 5-day jail term to run concurrently with the DWI sentence. Carmichael pleaded guilty to both counts.

Avon Park Prepares For Big Fourth of July Celebration

A gala celebration has been arranged for the whole ridge area of Florida for the Fourth of July. It will be held in Donaldson Park in Avon Park with patriotic exercises, featuring a Scouts of America program at 11 a.m.

The Scouts of America program will bring together in mass formation Girl Scouts, Brownies, Cub Scouts, Boy Scouts, and Explorer Scouts of Sebring, Bowling Green, Lake Placid, Wauchula, Frostproof and Avon Park. After the presentation of the colors, John W. Wright, Master of Ceremonies, will introduce Rev. George C. Stating, pastor of the First Presbyterian Church of Sebring, who will give the invocation. Mayor DeLaney of Avon Park will give the address of welcome. Senator Scott Kelley of Lakeland will be the guest speaker.

If ever in the history of America a patriotic program on the grand and glorious Fourth of July is important, it is now. It is hoped that there will be a great outpouring of citizens of this area, July 4, at 11 a.m. in Donaldson Park in Avon Park.

Lunch will be served on the [illegible] the Avon Park [illegible] afternoon [illegible] free entertainment. There will be games for the [illegible] including a greased pole [illegible] and a greased pig race. Some of the area's most beautiful girls will participate in the Beauty Contest. Children will be taken on free rides of the fire truck all day long.

The State Boat Races sponsored by the Florida Federation of Outboard Clubs will be held on Lake Verona at the celebration site, from 1 to 5 p.m. J. Paxton Hill, President, says that there will be 16 heats in outboards and hydroplanes which will feature many of the best racers in Florida.

A fish and swamp cabbage supper will be served on the grounds from 5 to 7 p.m. This will be "southern style" and will be sure to please.

The whole celebration will be brought to a magnificent conclusion with a spectacular fireworks display at 7:30 o'clock. The bursting of the rockets and bombs over Lake Verona will not only be exciting but also a scene of unsurpassed beauty.

[illegible] This motion was seconded by Mr. King and [illegible] carried.

Ordinance Number 438 was introduced by Councilman King entitled: "ORDINANCE NUMBER 438 - AN ORDINANCE OF THE CITY OF AVON PARK, RELATING TO TAX ON CIGARETTES; FIXING RATES; PROVIDING FOR COLLECTION AND USE OF PROCEEDS AND OTHERWISE PERTAINING TO THE LEVY OF SUCH TAX."

This Ordinance is found to be an emergency, and it is hereby found and determined that the welfare of said City requires its passage immediately, and that this Ordinance shall take effect immediately upon its passage and approval by the Mayor and upon its being published one time in a newspaper published in said City. PASSED AND ADOPTED by the City Council of the City of Avon Park, Florida, this 24th day of June, 1963, A.D.

Councilman Doerr introduced Ordinance Number 439, entitled "ORDINANCE NUMBER 439 - AN ORDINANCE REPEALING THE ORDINANCE PROHIBITING WATER SKIING ON LAKE TULANE, KNOWN AS SECTION 6-7.4, CODE OF ORDINANCES OF THE CITY OF AVON PARK, ENACTED ON THE 11th DAY OF AUGUST, 1958." Upon roll call all members unanimously voted "Aye."

This Ordinance is an emergency measure, and it is hereby found and determined that the welfare of said City requires its passage immediately, and this Ordinance shall take effect immediately upon its passage and approval by the Mayor and its being published one time in a newspaper published in said City.

Evangelist Waldron appeared before the Council asking permission to erect tents for conducting an Evangelistic Crusade at the airport. This permission was granted [illegible] Mr. Waldron [illegible] agreement [illegible].

Avon Park Wins Over Frostproof

A homerun by Sam Elder in the eight inning proved to be the deciding run in a 6-3 Avon Park victory over Frostproof last Thursday night in Frostproof. Elder also had a double in the first inning.

Wayne Knowles opened Avon Park's scoring by hitting a homerun in the fifth inning. Glenn Bass closed out the scoring with another homerun in the ninth inning.

Bass pitched three innings before giving way to Dale Landress, who finished the game.

Avon Park's municipal nine gathered 10 hits in a well played ball game. Bass, Batson and Elder each had two hits.

Foster and Sherrill hit homeruns for Frostproof.

Saturday night, June 29, at 8 p. m., Avon Park will play Clewiston at Head Field. Your attendance will be appreciated.

Protect Your Second Sense Hearing

We all know "the five senses"—sight, hearing, smell, taste and touch. Next to sight, probably the second most important to us is hearing. Many of us take our hearing for granted. Not until we begin to lose it do we realize how dependent we are upon it in almost every daily activity.

"In 1961 it was estimated that nearly 6,000,000 people in the United States had impaired hearing and the number has undoubtedly increased since then," says Dr. William F. Hill, Jr., Director of the Highlands County Health Department. After the age of 40 the number increases sharply. Loss of hearing may result from infections, particularly in children, certain drugs, injury to the ears or head, exposure to excessive noise and aging.

Recently one authority on deafness said: "Of all the handicaps encountered in deafness, I believe that loneliness and especially the fear of loneliness is possibly the greatest problem. You and I as hearing people have been lonely, but I do not believe that we can ever quite realize the degree of loneliness a deaf person sometimes feels."

How can it best be prevented? Be sure that all infections and injuries are fully treated, follow your doctor's advice on taking medicines and try to avoid too much exposure to loud noises.

Sometimes we are not aware that our hearing is failing until we experience real difficulties. And some children do not progress as well as they should simply because they do not hear all that their parents and teachers may say to them. At the first suspicion that you or a member of your family are not hearing as well as before, visit a doctor for a check-up.

RECITAL CANCELLED

The planned recital of Mrs. Vic Mickunas that was to have been given on Saturday, June 29, has been cancelled. A date will be announced later.
