Air Force Education Program Here Friday

* * *

MacDill Field Personnel To Attend Meet

The United States Air Force will present a public information and education program at the Avon Park High School Auditorium on Friday night, March 8. The program will begin at 8 o'clock.

A panel of officers from MacDill Air Force Base and the Avon Park Bombing Range will be present. Their mission will be to acquaint local residents with the projects underway at the Avon Park Bombing Range and activities of Air Force planes which fly over this area at various intervals.

Members of the panel will include Lt. Col. Norman H. Frisbee, assistant operations officer of the 836th Air Division; Lt. Col. James M. Weaver, Staff Judge Advocate; Captain James Coyne, F-84 fighter pilot, and Captain Raymond Henry, MacDill Information Officer.

Major C. T. Hooten, Commander of the Avon Park Bombing Range, will introduce the program and panel members. Included in the presentation will be two films and a selection of slides. The films are entitled "Peace and Quiet" and "TAC On Target." Following the movies a question and answer period will be held.

Lt. Col. Frisbee is a command pilot with 3200 hours of flying time, most of it in fighters. During World War II he flew 70 combat missions with the 9th Air Force in Europe. He holds the Distinguished Flying Cross, 10 Air Medals, two Air Force Commendations and one Army Commendation. He is a West Point graduate.

Lt. Col. Weaver is the legal chief for MacDill AFB. He is a graduate of the University of Tennessee and formerly was in private practice in Clinton.

Captain Coyne is an F-84 jet fighter pilot with the 12th Tactical Fighter Wing at MacDill. He is also a member of the Public Relation Society of America and the National Press Club in Washington. He holds a BS degree in business and public administration from the University of Maryland.

The public is urged to attend this meeting.

Stephens Golf Tournament Set In Sebring

Participants can look forward to playing on some of the finest greens in Florida at the forthcoming Stephens Memorial Tournament in Sebring. The entire championship layout promises to be in excellent condition. Many of Florida's outstanding golfers are expected to participate in the third annual Marion E. Stephens Memorial Invitational golf tournament being held at the Sebring Municipal Golf Course on March 7, 8, 9 and 10th.

The four day event starts at nine o'clock on Thursday, March 7th with 18-hole qualifying rounds. The thirty two low qualifiers will form the "A" and "B" divisions of the Championship Flight, which is 72 holes of medal play. The remaining players will be placed in flight with winners determined by match play.

The tournament is sponsored by the Sebring Golf Association and the businessmen of Highlands County.

Trophies will be awarded to the first five places in the "A" Championship division and the first five places in the "B" division. The winner and runner-up of each flight and the winners of the consolation flights will all receive trophies. The champion will receive the Marion E. Stephens, Jr. Memorial Trophy. At the present time it is in the possession of Bob Padelford of Avon Park, the 1962 winner and currently club champion at the Sebring Golf Course.

The entry fee has been set at $10.00 and may be mailed to Al Frank, Pro., Sebring Municipal Golf Course, Sebring, Florida.

Regional Science Fair To Open Thursday at Sebring Fairgrounds

The annual Orange Regional Science Fair will open Thursday at Sebring with a lion's share of the exhibits coming from the host county.

Floyd Clark, Highlands County Schools science coordinator and director for the five-county fair, said 169 exhibits have been entered. Of these 71 are from Highlands County. Pasco will enter 41 exhibits, Hardee, 29; Hernando, 26; Osceola, 2.

The fair opens Thursday morning when students and teachers begin the work of setting up exhibits at the educational building at the county fairgrounds in Sebring. At 5:30 p. m. the judges, regional fair officials, county, and cities officials, school board members will be guests at a dinner at the Sebring Hotel. Among the guests will be officers of Florida Foundation for Future Scientists.

After the dinner the two dozen judges will go to work hoping to complete their work by 9:30 p. m.

The fair cannot be open to the public until the judging is completed. On Friday the fair will be open all day—from 9:30 a. m. until 11 p. m. Saturday from 9 a. m. to 11 a. m. Exhibits will be removed after 11 a. m.

In addition to the student exhibits the fair will include a special exhibit from the Oak Ridge Institute of Nuclear Studies, "Atoms in Action."

Regional winners in the junior and senior divisions of the fair are eligible to enter the state science fair to be held in Tampa, April 4-6. The top two winners at the state fair will be eligible to represent Florida in national competition at Albuquerque, New Mexico.

First, second, and third places will be awarded in each category, and in addition the judges will select a first, second, and third overall award.

Among the Highlands County students a total of 18 exhibits were prepared by the seniors, 30 by the junior high school students, and 23 by the intermediates.

Judges for the regional fair will include two Highlands Countians, Dr. J. D. Holliman and Henry Webster.

Council Short One Member

The Avon Park City Council was still short one member this week, following the resignation of H. M. (Chick) Farless last week. Farless said he found it necessary to make his livelihood elsewhere, when he resigned.

Two names were submitted as possible replacements. Robert Barben, a former councilman, was nominated by George Border and backed by Sam McKenzie. Jim Turnbull, a former city clerk, was nominated by Clarence King and Jimmy Doerr.

Since neither side would yield at the special meeting last week, adjournment was called. Another effort will be made Monday night to name a fifth board member.

Adams Outlines Prospective Bills For Coming Legislative Session

Highlands County Representative Morris Adams has favored The Sun with copies of bills which he has been asked to introduce at the next session of the Florida Legislature.

Adams was quick to say however, that he has no comment on any of the proposed bills—either for or against. He made it known that any bills presented would first be discussed with the State Senator for the new 40th District which comprises Highlands and Charlotte Counties.

That senator will be elected next Tuesday in the second primary and will be either Hayward Davis or R. P. Dunty.

The brief resume of the bills follows:

A bill raising the monthly compensation of Highlands County Commissioners. If approved it would raise commission salaries from $200 to $300 per month and the chairman's salary from $225 to $350 per month.

A bill authorizing and empowering the Highlands County Commissioners to grant franchises for the collection, removal and disposal of garbage. The bill also provides for methods of granting franchises and supervision of the act.

A bill authorizing the Highlands County Commissioners to pay supplemental compensation to the official court reporter of the Circuit Judge of the 10th Judicial Circuit residing in said county, fixing the maximum payment and how it shall be dispensed. Payment not to exceed $1,000 annually.

A bill regulating the issuance of peddlers licenses in Highlands County and allowing the Highlands County Commissioners to enforce the bill. The bill also provides procedure and penalty for violation of the bill after it becomes law.

REP. MORRIS ADAMS

A bill empowering the Highlands County Commissioners to amend and rescind building codes to apply to any or all section of the county not covered by municipal limits. Providing for methods of adopting these codes.

A bill authorizing the county to regulate water plants, sewerage disposal plants, and other types of related services, not already covered by municipal regulations.

In addition to these bills, it has been rumored throughout the county that the major elected Highlands County Officials would also seek a raise in pay. Adams did not comment on whether or not a bill for such action was in the making.

Baseball Season Tickets On Sale

Avon Park Baseball Coach Guy Garrett announced today that season tickets are on sale at a big savings for Red Devil diamond fans.

A season ticket, good for 11 home games, may be purchased for $5.00. Individual game admission is 75 cents for adults and 35 cents for students.

Tickets are available at the following locations: Stimson's Gulf Service, DeLaney Hardware, Leon's Sporting Goods, Avon Citrus Bank, Albritton's Barber Shop and from the following individuals: J. C. Murphy, W. A. Maddox, Archie Jordon and John Ziegler.

The Red Devils open their home season next Tuesday against the alumni team.

Highlands Boys On Southern Sports Teams

Several Highlands County youths are making quite a name for themselves at Florida Southern College, Lakeland. Highlands County boys at the school include Bobby Bates of Avon Park, Bill Durrance and Lane Cobb of Lake Placid. Charles Anderson also of Avon Park is on the Southern coaching staff.

According to a sports roster published by the Moccasins this week, Bob Bates, former standout catcher on Avon Park Red Devil baseball teams, is listed as a promising prospect for the Southern nine. He is a freshman.

Durrance, a sophomore, is rated as one of the top hurlers on the Southern diamond team. He is reported by coaches as "looking very good."

Cobb, known throughout Highlands County for his basketball playing ability, has turned his attention to golf and is a leading team member. He was an All Florida Intercollegiate Conference selection last year and was named the team's most valuable player.

Anderson, who graduated from the Lakeland school last year, is making a name for himself as a coach. The left-handed pitcher-first baseman was a four year letter winner at the school and is a member of Florida Southern College's Athletic Hall of Fame.

Here's Count Of 1st Primary

In the first primary for the new 40th senatorial district seat, Avon Park voters showed a preference for Lake Placid attorney Hayward Davis.

This was the pattern set in most of the county. Only four of the county's 22 precincts gave a majority to R. P. Dunty, Jr.

The two Lake Placid attorneys are squared off against each other for the second primary, March 12.

Precinct count:

Burns Fatal To Tampa Painter

John T. Harper, Jr., 47-year old Tampa man, died at Walker Memorial Hospital late Tuesday from burns sustained while painting a power company Tower last Thursday.

Harper, an employee of S & S Paint Contractors of Tarpon Springs, was burned on the upper part of his body. An attending physician said that the burns were apparently from the paint and not of electrical nature.

The victim was a 31-year resident of Tampa and a native of Hickman, Ky. A fellow worker, J. D. Gill, received burns on his right hand when he extinguished the flaming clothing of Harper.

Fashion Show Thursday

The annual Fashion Show, sponsored by the Junior Woman's Club, will be presented at the Jacaranda Hotel Thursday night at 8 o'clock. The theme for the show is "Touch of Magic" and the fashions will be from The Empire store of Lakeland.

There will be many door prizes given and refreshments will be served. The public is invited to attend.

Life Sentence For J. H. Bell 22, Avon Robber

The robbery he staged in Highlands County was one too many for John Henry Bell. For it he has been sentenced to life imprisonment.

Bell, a slender 22-year-old white native of Baltimore, Md., has been found guilty of robbing Ken's Market just north of Avon Park on U. S. 27. After a jury found him guilty at the first trial in December, a new trial was granted.

The second trial's jury also brought in a guilty verdict in early February. On Monday Circuit Judge Clifton Kelly sentenced Bell.

Just prior to the robbery at Ken's Market, Bell had run away from a prison work gang in Volusia County. He was serving a sentence for robbery at that time. Convictions for robbery dot his biography for the past six years.

During Monday's session of court Judge Kelly also sentenced Billy Earl Randall, Negro. Randall had pleaded guilty on two counts of forgery. He was sentenced to a year in the county jail on each charge, the sentences to run concurrently.

Bank Cited For Growth

The Avon Citrus Bank was cited this week for its growth during the past year. The local bank, according to a national publication, The American Banker, made great strides during the past 12 months, ending December 31, 1962.

The publication said that Avon Citrus had "made a spectacular gain of 316 places in rank." Over 4,000 banks throughout the United States are listed in the report.

Garrett was especially pleased with the looks of his hurling candidates. They include southpaw David Ward and right handers JimBob Maddox, Lance Padgett, Terry Oberle, Leonard Sullivan, Lance Padgett and Keith Albritton.

The Red Devil coach is being assisted with the team by J. C. Walker, who wrote many records into the APHS books during 1946, 47 and 48. Walker later went on to play professional baseball with Class A Pueblo, Colorado.

The first home game for the Devils will come next Tuesday night when they meet an alumni team at 7:30 at Head Field. They will return to Ridge Conference action next Friday when they host Ft. Meade.

Coach Garrett emphasized that season tickets may be secured at considerable savings. Regular admission is 75 cents for adults and 35 cents for students. A season ticket, good for 11 home games cost $5.00.

Cage Players To Be Honored Saturday Nite

Members of this year's Avon Park High School basketball team will be honored Saturday night at a banquet in the Jacaranda Hotel.

A most valuable player trophy will be awarded at the banquet and Coach Lee Maness will present letters to members of this year's varsity.

Principal speaker for the event will be Dick Riley, a former cage star at Clemson University of the Atlantic Coast Conference. Riley later joined the pro ranks where he compiled a fine record.

Dr. Gene Cruse will serve as master of ceremonies for the banquet. He will be assisted by W. A. Maddox, president of the Avon Park Athletic Association.

Fans desiring to attend the banquet may make reservations at the Hotel Jacaranda before 12-Noon Saturday. Cost of the dinner is $2.00 including gratuity.

Benefit Game Set Tuesday

A benefit baseball game pitting the 1963 edition of the Avon Park Red Devils and a team composed of Alumni members will kick off the home diamond season next Tuesday night.

The game, sponsored by the Avon Park High School Athletic Association, will get underway at 7:30 at Head Field. Admission: Adults, 75 cents. Students, 35 cents. Former APHS stars expected to play under the coaching of Thomas Jenkins are: Sam Elder, Glenn Bass, Winky Williams, Dale Batson, Laymon Money, Billy Rouse, Norman Willis, and Jenkins.

Tickets are available from Athletic Association members or from the High School coaching staff.

Investigation In Avon Robbery

An investigation is underway for person or persons who attempted to rob a safe at the I. H. Ford Motor Co. here early Sunday morning.

The actual robbery was foiled by Avon Park Policemen Alton LaFlam and W. E. King who discovered the safe missing while making their check rounds. The safe was never actually opened.

The robber was fired at by LaFlam, but apparently was not injured. The Highlands County Sheriff's Department is now handling the investigation. Chief Deputy Robert Barringer is in charge.

County Health Officer Dr. William Hill has sent a request to state officials requesting the release of the Highlands County Health Department Funds. Several weeks ago the state comptroller refused this request, but according to a letter received by the commissioners, the new request is being sent through channels again.

The county has about $62,000 on deposit with the state. The state does not pay any interest on such deposits and county officials have been trying to have the money returned in order to invest it. When the court house annex construction begins, the health department funds will provide a sizeable chunk of construction costs.

William Post of the Sebring City Council attended the commission meeting and distributed to the board members letters from the Sebring City Council. The commissioners and other "Highlands Area V.I.P.'s" are being invited to sit at the head table at the Florida State Society Ball. The ball will be held in Washington, D. C. on Saturday. At that time a princess will be chosen to appear on the Florida float in the Cherry Blossom Festival Parade, April 10.

The city of Sebring is official sponsor of the Florida float this year, and the Sebring High School Band is to march in the parade.

Avon Cagers Complete '63 Season, 10-8

The Avon Park Red Devil cagers hung up their uniforms this week following a squeeking 51-49 defeat at the hands of the Zephyrhills Bulldogs in the District 7, Class B tournament in Arcadia last Thursday night. Their overall record of the season is 10-8, finishing fourth in the Ridge Conference.

The tournament game was nip and tuck from the opening gun. The Bulldogs scored 16 points in the opening quarter, while Avon Park chalked up 14. The second quarter saw the 'Dogs scoring 11 to Avon Park's 9. The third frame was even, eight points each and Avon Park outscored their opponents, 18-14 in the final stanza.

Leonard Sullivan was top point maker for Avon Park, 20 points on nine field goals and two charity shots. Terry Oberle accounted for nine points, Wayne Strickler, eight and Dewayne Lemler, six.

Zephyrhills, the defending State Class B Champion, was defeated by Mulberry, 62 to 51 on Friday night. Mulberry went on to cop the group meet and will play in the State Tournament in Gainesville beginning today.

FRIENDLY DANCERS

[illegible] Opponents of [illegible] subsidies to new [illegible] believe they have [illegible] free enterprise [illegible] which will [illegible] from be[illegible] in the 1963 [illegible]

These [illegible] state financial a[illegible] new plants said [illegible] will have to provide [illegible] to remain [illegible] a state with its economy [illegible] tourism and [illegible]

[illegible] leaders of the [illegible] State Chamber of Commerce [illegible] forefront [illegible] Florida [illegible] assets for industry that it did not need to [illegible] institution and hold [illegible] all forms of tax [illegible] to construct [illegible] industrial buildings.

[illegible] subsidies believe [illegible] overwhelming argu[illegible] original [illegible] statistics [illegible] financial.

The [illegible] argument is the [illegible] State Industries Exposition scheduled in Orlando for April 22-26. At this big show, Florida manufacturing will parade its muscles, and [illegible] muscles they are. The Orlando show will have exhibits of almost every type of manufacturing product you can think of, from the Martin Company's mighty missiles to lawnmowers, from house trailers to [illegible] plastics.

The statistics are a second [illegible] the anti-subsidy forces are ready to quote at the drop of a hat. They seem to prove that Florida, with every industrial plant standing on its own bottom and without any direct support from the taxpayers, is running far ahead of the subsidy states in obtaining new manufacturing payrolls.

The authoritative Federal Reserve Bank of Atlanta, for example, reports that since its 1957-59 base period Florida has gained 22 per cent in manufacturing employment. In the same period, Mississippi gained only 14 per cent, followed by Tennessee with six per cent and Georgia with four per cent. Two subsidy states had manufacturing employment declines—Louisiana four per cent and Alabama two per cent.

Chairman Director Wendell Jarrard of the Florida Development Commission, the agency principally responsible for the state's remarkable industrial gains, says he believes in selling other advantages, especially a big and growing market, rather than easy financing.

However, the Development Commission came up in 1961 with a plan enabling some new manufacturers to obtain loans which previously would have been unavailable to them.

Jarrard and the Commission sponsored in the 1961 Legislature creation of the Industrial Development Corporation of Florida, an organization which has sometimes been called the free enterprise answer to tax-supported subsidies.

The IDCF act permitted banks to pool their funds and make industrial loans which individual members of the Corporation would not have been permitted to make individually. So far, the Corporation has made more than $2 million in loan committments to a wide variety of industrial enterprises.

Names of loan applicants are not made public, but the group has aided businesses engaged in insulating material, meat packaging, metal fabrication, solar and architectural screens, plastics, automotive test equipment, electronics, and seafood canning.

Interestingly, some loans which have been approved have subsequently become unnecessary. Applicants sometimes have found that approval by the Corporation's loan committee, all bankers, made it possible for them to obtain financial aid from conventional sources.

Main push for state subsidies has come from some of the state's underdeveloped areas. Here again, however, the pleading for the state to offer artificial lures to new industry loses much of its force when it is pointed out that in a single month three rural Alachua county communities—High Springs, Hague and Archer—obtained desirable new industrial plants.

All these elements combine to make the subsidy vs. anti-subsidy question an unlikely issue in the April Legislature. It well could be, though, that some local bills will be offered and passed to make it easier for community businessmen to join and offer industrial subsidies which would not involve general taxation.

Winter Guest Club News

On Monday, Henry Riddel won highest score of the 32 players gathered for the weekly session at pinochle; Frank La Follette had second-high score. Because of the election there were no bridge games last week.

In the Shuffleboard tournament on Wednesday, Jim Brown and Alva Thompson beat all comers to take first place; George White and Leo Wagner were the runner-up team. Chas. Fensterman and Reed Simpson were winners over runner-up team of D. B. Dickonson and Grace Warner to win the Consolation.

Thursday morning the club house was the scene of many and varied activities. First thing, as we approached the building, there was Duke and his faithful helpers giving the courts a good scrubbing. The dispossessed players gathered in the club house to pass away the time with card games but found all but a small corner taken up with the craft class. However, they seemed to be enjoying their games.

The craft class had several projects underway; some were finishing their marble articles, others were working on their pine needle craft, and still others were learning to make hats. In all, 67 persons have taken part in the marble craft during the month of February. On Thursday, March 7, the craft class will begin work in mosaic tile. A variety of projects will be undertaken; tiled dishes, trays, trivets, bookends, ashtrays, and jewelry.

Laura Hanford, Fern Haas, Elsie Dickerson, Evelyn Rouget, Alta Peter, Jennie Lee Bothel, and Grace Krenerick have assisted in this work. Mr. Dickerson, Mr. Cliff Seifert, and Mr. Alton Wetmore have helped greatly in getting the frames, backgrounds, etc. ready for the various projects.

Mrs. Nora Werner has been instructing the class in pine needle craft. The objects under construction have been purses, bread trays, and casserole containers.

On March 21, there will be an all-day hobby show to which the public is invited, both to attend and to display any articles they have handcrafted. For this one occasion, those who have handcrafted articles they would like to sell may do so. The exhibit will open at ten a. m.; all articles for display should be in place at nine a. m.

The members elected to the Board are: Chas. Brush, Horace Cole, Scott De Golyer, Howard Kellogg, Wm. Kienzel, and Louie Reisner.

There were 71 in attendance at the weekly potluck dinner on Saturday; Michigan led again, with 21 present; New York was second with 15; Indiana was third with 10. Mr. Alton Wetmore emceed the after-dinner social period. During this time various ones volunteered brief descriptions of national parks. These included Isle Royale, Yellowstone, Smokies, Estes Park, Bryce Canyon and Acadia. From the glowing descriptions, we should all find it easy to decide on "where to go this summer."

At the Sunday Sing, Indiana led in attendance with 16; Next was Ohio with 15. What happened to Michigan? Fred Iffland led in the opening prayer. Special numbers included a solo by Mr. Worth Rodgers, accompanied by his daughter, Mrs. Geo. Lambert who is visiting her parents. Her home is West Virginia. Indiana and West Virginia teamed up to comprise a 19-voice chorus, as well as the 27-voice Men's chorus. A quartette, Mr. Fred Iffland, Mr. H. C. Wolcott, Mrs. Geo. Lambert, and Mrs. Farnell sang a number.

Mr. Leslie Goodwin and Mrs. McWithey were reported on the sick list. Mr. Robert Hanford was in charge of the program; Miss Judd was at the piano.

Mrs. Harry Wilde (Dorothy) wishes to take this opportunity to thank all the club members for their calls, cards, and expressions of good will during her recent illness.

Attendance at the Friday night dance has begun to show the seasonal decline, or did they go to the "Lions?" Or, maybe the "flu" bug has been at work. Most of the time there were four sets on the floor, occasionally, five. We are already hearing of dates which some of our Winter Visitors have made for their departure northward. Now that winter is over (we hope) you'd better stay around for a while longer and really enjoy Florida's balmy weather, says THE TATTLER

J. A. Bass Is Buried Tuesday

J. A. Bass, age 52, passed away Sunday, March 3. He had lived most of his life in Avon Park. He was a member of the Florida Avenue Baptist Church.

Survivors include his widow, Mrs. Thelma North Bass; a daughter, Mrs. Linda Ruth Lowe of Wauchula; three sons, Jimmy Bass of Wauchula, Wayne and Artie Bass, both of Avon Park; two brothers, Vernon Bass of Avon Park and Goin Bass of Norfolk, Va.; a sister, Mrs. L. R. Meeks of Avon Park and two grandchildren.

Woman's Club Appeals For Set of Dishes

The Avon Park Woman's Club has made an appeal to all members to contribute a place setting of china which can be obtained with a purchase of groceries from the Kwik Chek Grocery Store.

Mrs. S. F. Elkhill, president of the club, and Mrs. J. A. Terp are making the appeal and they also ask non-club members to remember the club with a place setting of china.

At the regular meeting last Friday, a covered dish luncheon was served at noon and the president conducted the business session. Mrs. Paul Ericksen led the devotional with Mrs. Edna Jackson and Mrs. Louie Reisner assisting. Mrs. Ralph Kelley reported on the day in court when 18 club members visited the boys ranch at Okeechobee. Mrs. Margaret Love was welcomed as a new member.

New officers elected to replace those retiring were Mrs. Frank Thierolf, first vice president, and Mrs. Thelma Merrill, second vice president, replacing Mrs. Reisner and Mrs. Florine Coats.

Mrs. M. A. Jackson, program chairman, introduced the guest speaker, Mrs. John Arnold, of Sebring, who talked about the work being done among the Seminole Indians at Brighton.

At the next meeting an arts and crafts exhibit of local artists will be held in the club house. Mrs. I. H. Ford will be in charge and she asks that entries be at the club house by 10 a. m. Friday, April 5. The exhibit will include paintings, needlework, ceramics and other works of art.

Revival At Avon Church

Revival services are underway at the Church of the Nazarene, 715 West Main and will continue through March 10.

The Rev. Samuel Southerland, of Jacksonville, is evangelist. Special music by the church choir is presented nightly.

The Rev. Southerland is assistant minister of the Mallory Memorial Church of the Nazarene, Jacksonville. Walter C. Mann is local pastor. The services begin nightly at 7:30 and at 7 o'clock on Sunday.

RAM TO MEET

Walking Craze Invades Here

The walking craze which has been sweeping the nation, has invaded Highlands and Polk Counties. A group of boys joined the fad Saturday when they made the trip by foot from Lake Wales to Avon Park.

They included Buryl Cooper, Larry Williams, Randy and Norman White, Gary Helm, Steve Young and John Bailey. Their friends here wonder who made it back home.

Sebring Race In World Sport Car Spotlight

SEBRING—The internationally famous Sebring 12 Hour Endurance Race running here in Sebring, Saturday, March 23 once again takes the spotlight in the automotive racing world. Each year new awards and distinctions have placed the Sebring classic high above any other race in the United States and in similar races throughout the world.

So, with the 1963 running of this road racing spectacle, Sebring once again moves ahead with confirmation forwarded to from Mr. Hubert Schroeder, Secretary of the Commission Sportive Internationale of the F.I.A. (World government body of automotive racing) that the 1963 Sebring 12 Hour of Endurance has been designated as one of the two or three long distance road racing events of the world eligible to receive triplicate points towards the coveted F.I.A. world championship trophies to manufacturers.

Small wonder that the cream of the world's fastest cars and champion drivers will be here on Saturday, March 23 for the 12 hours of car and driver punishing hours that are Sebring.

International timing equipment will start the over 1,000 mile race sharp at 10 a. m. Saturday, March 23, avoid any delay, write Automobile Racing Club of Florida, P. O. Box 71, Sebring, Florida for your tickets now.

Ticker Talk

HOW BUSINESS LOOKS

While the pros and cons of the tax cut and the federal deficit are being tossed about, business is firmly in the grip of winter.

The last half of January was among the most severe over most of the country that has been witnessed in many a long year. This took a toll on retail trade (and there aren't any seasonal adjustments to take care of heavy snow and temperatures 10 to 20 degrees below normal). And it put a dent in many factory operations.

—o—

Steel operations continued their creeping advance in the early part of January. Then the snows and plunging temperatures took a toll in absenteeism that cut slightly into ingot production.

However, production came to about 8.4 million tons, which made it the best month since last April.

Even so, it was nothing for steel men to shout about. January a year ago (when the inventory build-up against a possible strike was getting started) ran about 10.4 million tons. And the record month—January of 1960, right after the 1959 strike saw output of [illegible] 12 million tons.

—o—

[illegible] 689,000 cars.

[illegible] selling season.

—o—

Severe winter weather hasn't been an unmitigated curse; a few industries were bound at least to reap a few short-run benefits.

There were new records, two weeks in a row, for electric generating (which is supposed to be receding during January.) Both weeks surpassed the traditional week-before-Christmas peak of 18 billion kilowatt hours.

The makers of automotive batteries fell behind demand. And this, incidentally, strengthened already good demand for lead. High output of original equipment and replacement batteries, in fact, had been the main factor in the recent price rise for the metal.

Finally, sales of snow tires jumped as might have been expected. But filling station operators weren't cheering about gasoline volume.

SRD To Hear Request For Priorities

The secondary road budget hearing for District One will be held March 11 and 12 at the State Road Department district office in Bartow, Road Board member Warren Cason announced today.

The secondary road program, financed by the 5th, 6th and 7th cents of the state gasoline tax, is adopted after recommendations by the individual boards of county commissioners.

The hearings determine the secondary road improvements to be programmed for the fiscal year beginning July 1, 1963, and ending June 30, 1964.

Individuals or groups interested in primary highway projects should also bring them to the attention of their board of county commissioners prior to the hearings. Cason said the Road Department considers recommendations by the boards of county commissioners before adopting its primary construction budget.

Following the district hearings, the Road Board will adopt a tentative statewide budget at its monthly meeting April 11. This tentative budget includes both secondary and primary projects. The primary projects are financed by the first four cents of the state gasoline tax.

A public hearing will be held on the statewide tentative budget at the Road Board's monthly meeting in Tallahassee, May 29, and the final operating budget will be adopted in Tallahassee, June 20.

ALL 'ROUND THE FARM

Howdy Folks.

I had a dream the other night, when everything was still, [illegible]

[illegible]

There was a time the hog lived high off of the farm. In return, the farmer lived high-on-the-hog. Now the hogs feed from the public trough. All be it, the hog is not the only one with his snout in the "come and get it trough,"—the politician has muscled in, and both squeal and grunt for their share of the swill. It's hard to tell which is who—from where I stand—and the "New Frontier" looks like anything else but.

Now in case you've decided that this is too many words with too little meaning,—just think to stop (so you can think) and ask your congressman. He'll likely confuse you more than old Ed. Try reading some of the facts—that's what I did—and get into the harness for once. Do you smell of the barn, the fields, and hard work? No? —Then as one farmer to another . . . you're no farmer. If you've got anything to say to

AVON PARK LAKES NEWS

By Thelma L. Merrill Phone GL 3-6146

[illegible]

The A[illegible] club house. After a delicious [illegible] (such an abundance of food, and so many excellent cooks), some played cards, others visited, and many of the gentlemen "Shuffled." A very pleasant social evening. Hostesses for the evening were Mrs. Al Dobell, Mrs. Grey Knowles, Mrs. Mildred Armore, Mrs. Sadler, and Mrs. Isaac Van Artsdalen.

Mr. and Mrs. Wil Davis, of New Bedford, Mass., were overnight guests of the Desautels on their return trip from a months vacation in Miami and the Caribbean.

The flu has "felled" many of our neighbors here at the Lakes — we sincerely hope everyone is much improved!

Was so nice to see Mrs. Paul K. M[illegible] at the dinner on Thursday night. We are pleased that she is able to be active after such a long illness.

Mr. Ike King's house guests are his sister and brother-in-law, Mr. and Mrs. John Bruhl, of Oak Hurst, N. J. They will visit in Miami before returning to the cold north!

Mr. and Mrs. LeRoy Soady, of Rock Island, Ill., are wintering at the Lakes in the Lee home. Welcome.

Mrs. Neva Loucks, of Plain Well, Mich., is visiting her sister

[illegible] high score for the afternoon [illegible] Mrs. John Johnson [illegible] at a prize.

[illegible] and Mrs. T. L. [illegible] Oak Hill, N. Y., Mr. and Mrs. David Ford, of Cairo, N. Y., Mrs. Kathleen Howard, of Bradenton, and Mrs. Emerson Ford, of St. Petersburg, spent Wednesday with Mr. and Mrs. Harold Woodruff on Lake Olivia.

On Tuesday Mr. and Mrs. Conroy, and son, Dan, Mr. and Mrs. M. S. Corwin and Rev. and Mrs. H. Folkestad were dinner guests of Mr. and Mrs. Robert Hastert in Largo. The Hasterts are owners of the beautiful Palm Gardens in Largo.

Mr. and Mrs. Walter Meyer did some sight-seeing in and around Hernando on Wednesday.

Mrs. Elizabeth Winkler and Mr. George Barnes entertained 20 of their friends and neighbors on Saturday night. The "participants" were Mr. and Mrs. T. J. Johns, Mr. and Mrs. Elmer Hurst, Mr. and Mrs. Eugene Dettinger, Mrs. Nina Franklin, Mr. and Mrs. Floyd Huntington, Mr. and Mrs. James Anderson, Mr. and Mrs. Harold Woodruff, Mr. and Mrs. John Riley, Mr. Al Downing, Miss May Thiart and Mrs. Reinheimer.

Mr. Harry Millstein was taken to the Walker Memorial Hospital on Sunday by his good neighbors, Mr. and Mrs. Clarence Bue and Thelma Merrill. He would be pleased with cards from the neighbors.

Our "shut-ins," Mrs. Joseph Lynch and Mrs. George Adams are progressing so well, and wish to thank everyone for being so thoughtful and loyal through the month!

The Patriots Chapter of the DAR met on Monday at the home of Mrs. Al Schutt, Chapter Treasurer. Those from the Lakes attending the meeting were Mrs. Clarence Bue and Mrs. Harold Woodruff. Mrs. Schutt's co-hostesses for the afternoon were Mrs. Clarence Bue, Mrs. T. R. Lane, Mrs. Vernon Lanier and Mrs. Eugene Borda.

Mr. John J. Lynch left Monday to visit with his sister, Mrs. Walter Walters, in Miami for a week prior to flying home to Buffalo, N. Y. John has been vacationing with his brother and sister-in-law, Mr. and Mrs. Joseph Lynch, for a month. We are sorry that the weather has been so inclement—we promise typical Florida weather next time!

Belated birthday greetings to Mrs. Elizabeth Winkler—sincerely hope your day was happy!

Mr. and Mrs. Charles Coburn's house guests for several days from Williamsville, N. Y., were Messrs. Max Saffer, George Helfter and Charles Weitz. Was the fishing good?

Mrs. Paul Ericksen was high scorer at the dessert card party given by Mrs. S. F. Elkhill on Saturday night. Mrs. Fannie Robb and "Aunt Dot" Merrill received "consolation."

Mr. and Mrs. Wm. Whitehead, of Dearborn, Mich., called on Mr. and Mrs. Joseph Lynch on Saturday.

"Poor eyes limit a man's sight; poor vision limits his deeds."

What would people do without automobiles, asks a reader? We can't answer that one since so many who have them don't know what to do with the ones they have.

JayCees Backing Citrus Project

LAKELAND — A Florida Citrus Commission program to promote citrus within Florida has received the support of state JayCees. This means the commission will have about 8,000 new field representatives to help boost the utilization of citrus within the state.

Frank D. Arn, director of advertising and merchandising for the commission, and Milton Maclin, manager of special promotions, attended the state convention of the Junior Chamber of Commerce and presented the plan. Endorsement by the body means the participation of 119 local clubs in Florida, Arn declared.

"JayCee members will be sent complete promotional kits similar to those supplied to the commission's own merchandising representatives," Arn said. The appearance of about 8,000 volunteer field men should do much to increase the use of Florida citrus in Florida.

Humane Society Meets In Tampa

"More Humane Societies to care for unwanted animals" will be the theme of the convention when the Florida Federation of Humane Societies meets Friday and Saturday, March 15 and 16 at the Hotel Florida in Tampa.

Anyone who is interested is invited to attend the convention. Interesting programs are planned for the two days with prominent speakers.

A special meeting for people who want to organize new Humane Societies will be held on Friday, March 15 at 10 a. m. Mr. and Mrs. Plettl-Hendrick are attending the convention. They have been affiliated with the Humane Societies work for a number of years. They will appreciate contacts from people who are interested. Their address is: Route 2, Box 490, Avon Park, or write to Headquarters, 2480 West Garden St., Pensacola, Fla.

What's Inside?

WHAT MAGIC INGREDIENTS DO THESE BOTTLES CONTAIN? Do they hold harmful, injurious poisons? Or are they filled with healing medicines and vitamins? Will they inflict pain, or will they cure disease?

But what does it matter? If the contents are bad, we can pour them out.

But the minds of children is an entirely different matter. A small human being can be filled with selfishness and hate, or he can be filled with sincerity and love. Unfortunately, evil is more quickly dispelled from a glass bottle than from the soul of a child. For in the human mind bad thoughts can grow, and as time goes on, it is more difficult to replace them with truth and love.

That is why it is so important to instill within our children a sense of right and wrong at an early age. Of course, by example, "you" can be a tremendous influence. But you need the help of your *church*—the wisdom of Christ's *teachings*. With *them*, you can fill your heart with the essential ingredients for a happy and fruitful life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Junior Aux. Meets Saturday

During the business meeting of Junior members of Highlands Unit 69 American Legion Auxiliary held in the Legion Home, Saturday, March 2, plans were completed for climaxing a year of physical fitness by joining the President's hiking program.

Miss Mary Lou Bates, first vice president presided and Mrs. Ben Stewart was a guest.

On Saturday, March 9, the Junior members will meet at the home of Mr. and Mrs. E. A. Teppert, on the east side of town, and will hike to the home of Mr. and Mrs. John P. Arnold, 121 Hemlock in Sebring. Included in the group will be sons of Legionnaires.

In Sebring the group will enjoy a picnic lunch. The luncheon has been planned by the senior group as a token of their appreciation of the Junior's participation in the Distribution of Poppies as well as all other Legion and Auxiliary programs.

CHURCH MUSICAL

The Evening Circle of the Woman's Fellowship of the Congregational Church will sponser an evening of music in Fellowship Hall, Tuesday, March 19, at 8 o'clock. Vocalists Charles E. Overholt and Mrs. Ann McKunas will be accompanied by Mrs. Clayton Rhoades on the program.

Southland Trailer Park

Congratulations to Lila Wertzbar who began serving last Tuesday as a Pink Lady for the hospital auxiliary.

Mrs. Sheila Wurster and Mrs. Goldia Daun were the Coffee Break committee for last week.

Mrs. Howard Bayley had charge of the ladies meeting at the Park Rec Hall, when the group worked on cancer dressings and plastic coat hangers. Mrs. Wertzbar announced about the flower arrangement showing to be held at Walker Memorial Hospital on March 14. Mrs. Ames talked about plans for the Hobby Show to be held later in March at the Park.

Friends are glad to hear that William Ramano is improving. He was taken to the hospital last week in a critical condition.

The Park regrets to lose their long time residents, Mr. and Mrs. Frank Fisher, who have returned to their home in Wabash, Ind. Mr. Fisher has been in poor health lately. John Lasse accompanied them on the trip and returned here by bus. Everyone extends to them their very best wishes.

Recent callers at the home of Mrs. Mary Strickland were Mr. and Mrs. Floyd Leonard, Mr. and Mrs. Harold Rohrback, of Blissfield, Mich., Ben Frye and Arthur Baldwin, of DeLand, who were down to Lake Wales to play in the Shuffleboard tournament Monday evening.

Mr. and Mrs. S. Kolk and Mr. and Mrs. G. Raymer had dinner at Clayton's Restaurant in Lake Placid and did some sight-seeing Monday to celebrate the Raymer's Wedding Anniversary. On Wednesday the Kolks visited Mr. R. Comfort at the Carpenter's home in Lakeland.

Sunday dinner guests with Mr. and Mrs. Carl Wertzbar were the Sam Waltons, Ernest Thomases and Floyd Stevens.

Mr. and Mrs. Howard Bayley and Mr. and Mrs. Stewart Dilts attended the Battle Creek picnic at Gulf Port on Friday, Feb. 21, and report a wonderful time and seeing many friends from their home town.

Mr. and Mrs. Douglas Mitten, of Hespeler, Ontario, have returned home after spending two weeks with her parents, Dr. and Mrs. Dinniwell. Other recent guests with Dr. and Mrs. Dinniwell have been Mr. and Mrs. Harry Hartley, of Woodstock, Canada, and Mr. and Mrs. James McAuley, of Princeton, Ontario.

4-H Club Week Set By Bryant

Governor Farris Bryant has proclaimed the week of March 2-9 as Florida 4-H Club Week.

Bryant urges "all citizens to take part in the county and community observances that are being planned around the state."

The aim of 4-H Club work is to provide opportunities for the development of leadership, citizenship and personal growth for youth.

The 4-H Club philosophy stresses the development of head, heart, hands and health. There are 44,000 members in 1,800 clubs in Florida.

Rotary News

As Reported By
Chas. Sargent and
Bill Young, Secretary

Last week, February 27, 1963, Miss Joanne B. Miklas, of Tampa, was our guest speaker last week, her subject was "Communisms multifarious attack."

Miss Miklas, holder of a Bachelor of Arts degree in History and Political Science from the scholastically outstanding Agnes Scott College, developed her theme with penetrating insight, illustrating the great diversity of the Communist conspiracy.

Our speaker who has taught in Hillsborough County for the past five years, has in addition conducted a television program on World History, titled "Fascinating World" five days per week during the past three years, over educational Channel 3, station WEDU-TV of Tampa.

Miss Miklas holds her listeners in close attention and left them with a much heightened awareness of the here and now threat which Communism possess.

Applause for Jack Head for bringing us a series of interesting and unusual programs during his month as Program Chairman.

President Bob called on a guest at the luncheon, John Wright, a Kiwanian and manager of our local radio station WAVP, who gave us a professional reading of the latest news bulletins from the leased wires of the Associated Press.

Bill Hood introduced an impressive list of visiting Rotarians and guests.

Visitors: John Moffitt, Green Bay, Wisc., guest of Jack Head; Paul Nouss, Bedford, Pa., guest of Jack Head; Tom McCord, Orlando, guest of Jack Head. Rotarians: Phil Palmer, Hart, Mich.; Al Tregea, Falconer, N. Y.; Art Beck, Eggersville-Snyder, N. Y.; Philip E. Angle, Sharon, Pa.; Raymond M. Sipling, Bainbridge-Maytown, Bainbridge, Pa.; Earle Bodine, Newton, Pa.; Dr. Cope, Hamburg, Pa.; Odell Thompson, Marion, Ohio; Howard Robertson, Malvern, Ohio; John Blosser, Hicksville, Ohio; Bruce Kline, Hicksville, Ohio; E. F. Armstrong, Hicksville, Ohio; Wm. Baxter, Minerva, Ohio; Walter Grimes, Fairmont, W. Va.; George Lambert, Fairmont, W. Va.; John Paul Jones, Fairmont, W. Va.; H. B. Darden, Fairmont, W. Va.; Harry Williams, Past President, Fairmont, W. Va.; Earl Stanton, Lake Wales; Milton Henlein, Sebring; T. Elgin Bayless, Sebring; George Woodham, Sebring.

Our report next week will be on Marvin Baldwin's review of his experiences in Bangkok and the Phillipines, where he has served since leaving Walker Memorial Hospital. He was Administrator of the hospital and also Past President of the Rotary Club of Avon Park in 1954 and 1955.

John Ward Is Buried In Hardee

John W. Ward, age 46, died Sunday night at his home here. He was born in Alachua County and moved to Hardee County when a small boy, and came to Avon Park a year ago.

Survivors include three sons, James R., Earl S. and Harvey L. Ward, all of Wauchula; four daughters, Mrs. Lucy Geddins, Mrs. Betty Harrison, Miss Obetie Ward, all of Wauchula, and Mrs. Mary Alice Richardson, Englewood; a sister, Mrs. Minnie Vernon, Wauchula; five brothers, George, Riley and Jerry Ward, Wauchula, Lonnie Ward, Avon Park and Trubie Ward, Holly Hill.

Funeral services were held Wednesday afternoon in The Church of God, Wauchula.

Smith Funeral Home was in charge of arrangements and burial was in the Wauchula Cemetery.

HERE AND THERE

Guests this week with Mr. and Mrs. Raymond Emerling have been Mr. and Mrs. Frank Bussendorfer, of Melbourne Beach, and Mr. and Mrs. Frank Barton, who returned to their home in Buffalo, N. Y. The Emerlings will be leaving the latter part of the week for Buffalo.

Martins Have Dinner Party

Mr. and Mrs. T. [illegible] Martin entertained a [illegible] apartment guests at a [illegible] Tuesday night which has become an annual event at the Martin home.

The table was centered with an arrangement of roses from the hostess' garden. Places were laid for Mrs. Louie Reister and her house guest, Mrs. Lura Pickell, Mrs. J. B. Mizelle, Miss Ada Cooper, Mr. and Mrs. David Radabaugh, Mr. and Mrs. Romilly, Mr. and Mrs. George Loomis, Mr. and Mrs. Jake Stucky and Mr. and Mrs. Billy Mack and the Martins.

Here and There

Mr. and Mrs. Merel V. Pennington, of Pearisburg, Va., have been visiting her mother, Mrs. Roy E. Meek. Mrs. Bertha Brown, who has been with Mrs. Meek since December, has returned to her home in Horseheads, N. Y.

Mrs. Meek's cousins who visited her last week are Mr. and Mrs. Ward Bamble, of Harrisville, W. Va., and Mr. and Mrs. Raymond Hudson and daughter, Virginia, of Tampa.

S/Sgt. and Mrs. Frank Waddell, of Tampa, arrived Friday night for the weekend with her mother, Mrs. Cora Wray. They were returning from a cruise to Nassau. While in Miami they visited Mr. and Mrs. L. D. Baker, former residents of Avon Park.

Mr. and Mrs. G. E. Lambert and daughter, Jean, of Fairmont, W. Va., and son, David, of Dayton, Ohio, are visiting Mrs. Lambert's parents, Mr. and Mrs. A. W. Rodgers, of LaGrande Street.

Mr. and Mrs. W. F. Lindley, Alton, Ill., who are wintering in Avon Park, were in Orlando last week to visit Mr. and Mrs. Floyd Evans, Mr. and Mrs. William Herb, and Walter Sheumaker. Some of this group were former classmates in school.

Mr. and Mrs. Wiley Sprinkle, of Ashville, N. C., were recent guests with Mr. and Mrs. Roy Girten. Mr. and Mrs. Paul Lattner, of Chicago, Ill., were also guests with the Girtens last week.

When Is An Economist No Economist?

Is a [illegible] a home economist?

[illegible] the American Home Economics Association [illegible] the homemaker [illegible] college training.

In an effort to [illegible] fusion about these two [illegible] the Executive Committee of the 28,000 member American Home Economics Association issued the following statement at a recent (January 11, 1963) meeting in Washington, D. C.: "In view of the men and women earning professional status as home economists through college degrees in home economics, the American Home Economics Association wishes to go on record that the title 'home economist' defines a college graduate professionally educated in home economics and is not to be applied to the homemaker who lacks this educational background."

Chief cause for popular misuse of the term "home economist" is the fact that both homemakers and home economists are concerned with homes and families. But to work full-time as a homemaker does not make a woman a "home economist," according to Dr. A. June Bricker, executive director of the American Home Economics Association. "The home economist understands cause and effect and is an authority on the 'whys' of food, clothing, household equipment and family relationships," she states, citing the four-year curriculum of science, social studies and liberal arts which goes into the education of today's home economist.

With 450 colleges and universities offering majors in home economics, over 8,000 men and women graduate each year to swell the present total of 80,000 home economists employed by business, government, school systems, hospitals and many other private and public community agencies.

IN FLORIDA
BEER IS A NATURAL

As natural as the wholesome grains and tangy hops from which it is brewed, beer is Florida's traditional beverage of moderation . . . light, sparkling, delicious.

And naturally, Florida's Brewing Industry is proud to be a major purchaser of Florida products and raw materials. For example, the Brewing Industry is responsible for millions of dollars paid annually to Florida farmers for pulpwood to be made into cardboard boxes and cartons. Millions more are spent for other Florida materials and services. In Florida, beer belongs . . . enjoy it.

Deadline Set For Application For Feed Plan

R. B. Oxer, Chairman, Agricultural Stabilization and Conservation County Committee, reminds local livestock producers that Friday, March 8 is the last day to submit an application to purchase CCC-owned corn under the livestock feed program now in effect in 45 designated Florida counties, Highlands being in the designated area.

Applications are now being accepted at the ASCS County Office located in the basement of the Post Office in Sebring. Eligible producers may purchase corn at a reduced price for maintaining and preserving their foundation herds of beef cattle, dairy cattle, sheep and goats. The reduced price is set at 75% of the price support rate for corn or about 93¼c a bushel.

Corn may also be purchased under the program for their other eligible livestock at the price support rate of $1.31 a bushel. Livestock producers are eligible to purchase corn under the program only if they do not have sufficient feed on hand for their livestock and are unable to not have sufficient feed on hand for their livestock and are unable to purchase it through normal trade channels without undue financial hardship.

Chairman Oxer urges interested livestock producers to contact the ASCS County Office before the March 8 deadline for complete information on the eligibility requirements and other details of the program.

Scout Goodwill Drive Is Big Success: 700 Bags Collected

Goodwill Industries is very grateful for the outstanding job done by the Boy Scouts and the Cub Scouts of Avon Park in collecting the clothing, shoes, electrical appliances etc., that were so generously donated by the citizens of the community. Over 700 bags were collected during the drive and the spirit of the donors was reflected in the many serviceable items that were contributed.

The fine support of the community and the spirit behind the drive was demonstrated by the many people who brought their contributions to the Scout collection station located in the Quonset Hut at the Florida Powerhouse. Many thanks are due these people.

The collectiong of these 700 bags would have been impossible were it not for the assistance rendered by the organizations and individuals who loaned trucks and furnished drivers to help the Scouts in this worthy cause. Many thanks to the City of Avon Park and the Avon Park Correctional Institution and to the good citizens who furnished trucks.

The Scouts who contributed their time and whose efforts made this drive such an outstanding success were members of the following Scout Units:

Troop 156 and Pack 156, sponsored by the Congregational Church.

Troop 157, sponsored by the Rotary Club.

Pack 450, sponsored by the Lions Club.

Post 444, sponsored by the Methodist Church.

After the drive was completed, Saturday noon, March 2, there was a weiner roast held by the Scouts and their adult leaders to celebrate the "Goodwill" shown by the community. This celebration was made possible by the Rotary Club who contributed the food and by the Coca Cola Bottling Co., who contributed the drinks for the get-to-gether.

Calling Captain Drake

in
Second World War

There's mighty drum
a beating on
The shores of Albion.
Captain, don't you hear it
down below?
There are bugles
loudly tooting,
And there's lot of shooting
All the way from Peter Head
to Plymouth Hoe.
Don't you hear the tum,
tum, tum
Of the palpitating drum
You ordered us to beat
when hope was low?
Aye, that is why they're
drumming
In the hope that you'll
be coming
Back to the Devon shores as
you promised long ago.

There's a horde of hellish Huns
Off the shores of Albion.
Oh, captain, don't you hear
'em down below?
They are meaning for to take
Your green island,
Captain Drake,
The green and merry England
you used to know.
Captain, wake and call
your men,
Stride the quarter deck
and then
Make sail once more against
the dastard foe.
Before your roaring
guns then
Will flee the hated
Huns when
They see you, as the Spaniard
Dons did long ago.

It is your drum they're
beating on
The shores of Albion.
Oh Captain, don't you hear
it down below?
You must be ware
and waking,
Let your spirit now
be taking
Flight from Heaven to the
port of Plymouth Hoe,
They are calling on the
deep sea,
They are calling from
the Strand,
Calling you again to sail
against the foe.
Lead on, oh doughty master,
Ward off the great disaster,
And keep the old flag flying
as you kept it long ago.

Baptist Church Group Honors Missionary

Members of the Altha Satterwhite Girls' Auxiliary of First Baptist Church recently honored Mrs. Satterwhite, the Missionary for whom they are named.

Mrs. Satterwhite and her husband, Dr. James Satterwhite, are Southern Baptist Missionaries to Japan where Dr. Satterwhite directs the work of the Baptist Hospital in Tokyo. Dr. and Mrs. Satterwhite are making their home at Sebring while they are on furlough this year.

The girls met at the home of their counselor, Mrs. John Wright, South Highlands Ave., and enjoyed an informal afternoon of visiting with Mrs. Satterwhite and her daughter, Carol Ann. Mrs. Satterwhite displayed many things from Japan, using costumes and books to explain her work, as well as answering many questions on Japanese customs. They also sang some songs in Japanese.

During the social hour Mrs. Satterwhite was surprised with a birthday gift from the members of the auxiliary. A beautiful birthday cake was served with lime punch and mints. The girls had fun eating with chopsticks. Helping Mrs. Wright in the hospitalities was Miss Carol Ann Childress, assistant counselor of the Altha Satterwhite G. A. Fifteen persons were present.

NEW OPERATOR

Rose Streva has joined the staff at Virginia's Beauty Salon in their new location at the Shopping Center. She came from the Roosevelt Hotel in New Orleans and invites Virginia's friends to visit her there where they will find plenty of free parking.

Jacaranda Hotel News

Mr. and Mrs. Floyd Hotchkiss, of Syracuse, N. Y., are among the late arrivals for the season.

Saturday night the annual Basketball Banquet will be held at the hotel and all parents, athletic members and friends are invited to make their reservations to attend.

Thursday night is the annual Junior Woman's Club fashion show and the public is invited to attend.

The Friday night buffet is held this week and a St. Patrick's Day smorgasbord next Friday night will feature corn beef and cabbage.

Dinner Guests Of Mrs. Taylor

Mrs. Helen Taylor entertained with a dinner party at the Sebring Hotel Thursday evening and afterwards invited her guests to her home on N. Lakeview Drive in Sebring to view movies she had made of the Youth Work she sponsors in both the Methodist Conference in Florida and in Bolovia and the Near East.

The Avon Park group included Dr. and Mrs. E. R. Overley, Rev. and Mrs. E. C. Gover, Mr. and Mrs. J. C. Berger, Mr. and Mrs. Jerome Shiltz, Mrs. Margaret Roe and Rev. and Mrs. Wm. Hooker.

Qualified by Experience

Dear Voter:

This Senatorial Campaign is being run under adverse conditions and time is so short that it is virtually impossible to contact each individual voter and explain views and proposed projects.

This campaign is not to select the most popular candidate, but one to select a man who can do the most for Highlands and Charlotte Counties in legislative sessions in Tallahassee.

I sincerely believe that "BOB" DUNTY is the best qualified through experience for this office. Seven years as attorney for the Board of County Commissioners, during which time I have negotiated the county's largest road building program in history.

Eight years as attorney for the Town of Lake Placid during which virtually all the clay streets have been paved and a new water treatment plant has been built.

"BOB" DUNTY will oppose any legislative move to increase taxation, especially on medical treatment, drugs or professional services. DUNTY believes there should be better business practices with existing funds, rather than seeking additional funds from presently overtaxed citizens.

"BOB" DUNTY believes that present school facilities and textbooks should be improved before spending additional sums of money to build colleges. This is based on the fact that only one out of six high school students attend college, therefore the majority of young folks should have the best high school education possible.

"BOB" DUNTY is familiar with road building procedures and technicalities and will strive to secure additional legislation that will benefit Charlotte and Highlands Counties. He will see that they receive their fair share of new roads.

70,000 Phones In Service By Inter-County

Inter-County Telephone System commemorated the installation of its 70,000th telephone Wednesday, February 27, 1963, in the offices of Crystal Products, Inc., one of Fort Myers' newest industries, located at 2000 Crystal Drive, Fort Myers Villas.

In attendance at the brief ceremonies were J. N. Johnson, Inter-County President; Roy P. Merwin, President of Crystal Products, Inc.; Robert Wahn, President of Texas Crystals, Inc., a sister company also located in the Villas; Foster Pate, local land developer of the Villas; Herman Hastings, Chairman of the County Commissioners; Donald Bottorff, Secretary of the Chamber of Commerce; Eric McNab, President of the Lee County Chamber of Commerce; Win Ellis, President of "Committee of 100 of Lee County;" Flanders "Snag" Thompson, Lee County Sheriff; and other local officials of the Telephone Company.

The 70,000th telephone is a beautiful beige colored handset with a gold plate on the front bearing the inscription, "70,000th Telephone Installed February 27, 1963."

J. N. Johnson, Inter-County President, said that the installation of the 70,000th telephone in a new space age communications industry was appropriate for the occasion, since Florida is and will continue to be recognized as the space age state. He further elaborated that the growth of Inter-County, as well as Fort Myers and Lee County, is dependent upon a diversified economy that will support the many thousands of new residents and visitors that have already come and will continue to come to South Central and Southwest Florida.

Crystal Products, Inc. started manufacturing operations in January, 1963, with five employees, and expects to have a full force of 30 employees by July 1 this year. The manufacture of quartz crystals is a highly technical procedure which requires special training in the field of electronics. Quartz crystals are a basic part of electronic communications and radar detection equipment. The crystals are ground to cause oscillation of specific frequencies which reach into millions of cycles per second. One of the major companies using their products is the Collins Radio Company, which in turn furnishes microwave equipment to Inter-County. Crystal Products also supplies material to R.C.A. and General Electric.

More than 30 per cent, or almost 30,000, of the 70,000 stations in the Inter-County System are located in Lee County. Mr. D. T. Shearer, Assistant General Manager, commented that the growth rate of the Company has been phenomenal. The 65,000th telephone was installed in the new Collier County Court House on September 11, 1962, and in the five months that have elapsed since, Inter-County has averaged almost 1,000 telephones per month. During the month of December, 1962, a net gain of 1,988 stations was accomplished. This was more telephones than was gained the entire year in 1952.

The Inter-County System had net plant additions in excess of five million dollars during 1962, and has budgeted comparable amounts for expansion and improvement during 1963. Some of the major projects scheduled include major cable projects throughout the System, a new telephone exchange at Sanibel Island, replacement of dial equipment at Punta Gorda, and a new exchange at Zolfo Springs.

The Company now has 600 employees to maintain its 70,000 telephones and over 45,000 miles of Long Distance circuits. Inter-County serves 13 counties in South Central and Southwest Florida from 27 exchanges covering over 10,000 square miles. Inter-County now ranks 18th in size among the more than 3,000 independent telephone companies in the United States and, excluding the General Telephone System, is the largest Independent Telephone Company in Florida.

Here And There—

Mrs. E. N. Finley will be returning to her home in Monett, Mo. this week, after spending several weeks with her sister, Mrs. Ethel McKelvaine.

Mr. and Mrs. Charles Harris visited his grandmother, Mrs. Ida Harris, Tuesday. The Harrises were married in Miami two weeks ago. The bride is the former Miss Judi Hodges, of Miami.

Mr. and Mrs. Claude Woodworth, of Tolono, Ill., who have been wintering in Florida, have been the house guests of Mr. and Mrs. T. J. Ward and W. W. Hill, their former neighbors in Tolono, and they expect to return home this week.

Avon Trailer Park News

The Whites and Thompsons spent a day on the East Coast beaches and had dinner at Vero Beach to celebrate the recent winnings at the Winter Guest Club when Hazel Thompson won the Women's Single Tournament and George White won the Men's Single Tournament.

In Shuffling this week the Mixed Tournament between the Red and Black finds the Reds still leading.

The Men's Team played in Frostproof Tourist Club Friday with the Avon Park score being 14 and the Frostproof team 10.

In the Women's Tournament Thursday the Reds had a slight lead for the month of February. The team captains, Julia Groome and Hazel Thompson, surprised everyone that day by serving refreshments to all who were at the courts, Ruth Wolcott, Oma Marshall, Mae Girten, Louise Bell, Bessie Rusk, Rhena Marker, Olive Burnett, Dorothy Johnson, Ella Roenneburg, Eunice Horton, LaRue Longanecker, Marion Stewart and Edith Stevens.

Hostesses for the Card Party Thursday evening were Maude Foote and Olive Kerwin. Prize winners were Ruth Wolcott, Gladys Simmons, Bland Nieukirk and Howard Bleam.

Mr. and Mrs. William Lake, of Argos, Ind., who were overnight guests of Mr. and Mrs. Linville Myers, showed pictures of their recent trip to Israel and the Near East. A large group of friends enjoyed these which were shown in the Rec. Hall.

Mr. and Mrs. Benjamin Blank, of Niles, Mich., were callers Thursday at the Frank Fisher home.

Mr. and Mrs. C. Bland Nieukirk are on a short vacation trip to Clearwater to see Mr. and Mrs. Merle Watson and they will also visit Mr. and Mrs. Emil Hannig in Largo for a few days.

Mr. and Mrs. Benjamin Benson and family, of Tampa, were Sunday guests of the Frank Fishers. Mr. Benson is stationed at MacDill AFB.

Callers at the Grover Osborn home this past week were the Clifford Botkins, of Bloomington, Ind. The Earl Maas, of Clearwater, Mr. and Mrs. C. L. Wilson, of Milwaukee, Wisc., Mr. and Mrs. Fred Dressvack and Mr. and Mrs. Louis Spraggins, of Winter Garden, and Mrs. Sally Rykert and son, Robert, of Kissimmee.

Mr. and Mrs. Earl Amick are spending a few days with his sister, Mrs. Alma Johnson, in Englewood, and also with a niece, Mrs. Evelyn Werner, in St. Petersburg.

Mr. and Mrs. Edward Stutsman, who are wintering at Jensens Beach, spent Tuesday at the Harry Longanecker home.

The Fred Longaneckers, of Bradenton, spent Sunday with the Harry Longaneckers and afternoon callers were Mr. and Mrs. Charles Brush, of Lake Byrd.

Mr. and Mrs. Paul Roth and Mr. and Mrs. Walter Kessler called at the Robert Borst home in Wauchula Sunday to find that Mrs. Borst had been in the hospital this past week.

The Gay-nighters met on Wednesday evening for the regular dance in the Rec. Hall with more than three squares.

Mr. and Mrs. Phillip Ensign, of Vero Beach, were over night guests Friday with the George Whites.

Mr. and Mrs. Cecil Hostettler, of LaPorte, Ind., visited in the Park Saturday and were so impressed with their first visit that they rented an apartment in the city and expect to stay awhile.

Mr. and Mrs. Frank Brown (she is the former Mrs. Helen Brooks) visited at the Earl Amick home Saturday.

The Walter Kesslers and Paul Roths called at the Phillip Dunifon home Thursday and the ladies attended the Hobby Show at the Tourist Club.

Mr. and Mrs. Alva Thompson spent Sunday in Punta Gorda with the George Hoffmans.

Mr. and Mrs. Grover Osborne were in Lakeland last Saturday and also visited a neice, Mrs. Floyd Rykert and son, Robert, in Kissimmee.

Mrs. George DePoy spent Thursday in Lakeland with friends.

Mrs. Reddick Honored On 84th Birthday

Mrs. W. M. Reddick was honored on her 84th birthday by her daughter, Mrs. M. T. Suggs, with a luncheon at the Suggs' home on West Cornell Street.

The table was overlaid with a hand embroidered linen cloth which was sent to Mrs. Suggs by her son from Ireland. A bowl of bright colored gerbers centered the table.

Mrs. Reddick received many lovely gifts. Invited for the luncheon were Mrs. D. T. Lockett, Mrs. Bertha Skipper and Mrs. Grace A. Rulison.

'El Cid' One Of 10 Best Movies

"El Cid," the screen spectacle picturing the battlefield exploits and great romance of Spain's 11th Century warrior-hero, is on many of the nation's lists of the year's 10 best films, including those of Time Magazine and the New York Times.

The motion picture with Charlton Heston and Sophia Loren co-starred and in Super Technirama Technicolor will open a special engagement Sunday through Thursday, March 10-14 at the Hilans theatre. It comes there after having scored a big hit as a roadshow attraction in New York, Chicago, Los Angeles, Dallas and other cities.

The Samuel Bronston presentation marks the first time that the tale of the Spanish warrior and the beautiful Chimene has been brought to the screen, but for centuries the exploits of El Cid have captured the imaginations of poets, dramatists and balladeers.

It was El Cid, born Rodrigo Diaz de Bivar, who united Christian and Moor in a final, successful offensive against the great Islamic hordes which crossed the Mediterranean intent upon swallowing up the land that was to become Spain and then making a dagger-like thrust into the very heart of Europe.

Watch it! You may run into an accident trying too hard to dodge one.

Washington Report

By Congressman Jim Haley

WASHINGTON, D. C. — It may surprise many of you to realize the extent to which our Uncle Sam has become a gigantic banker. It also may frighten you.

At the President's request, a committee of top Government officials just made a report on the wide-ranging credit activities Uncle Sam is engaged in. The committee, headed by Treasury Secretary Dillon, gently suggests that some of these programs might be cut back, even eliminated, and that the interest rate the Government charges for direct loans should be increased at least enough to cover expenses. To which I, for one, say Amen.

But the trend of these credit programs, as indicated by the federal budget now before The Congress, is upward. In mid-1962, the Government had outstanding more than $27 billion in direct loans, and it had insured or guaranteed nearly $80 billion in private loans. By mid-1964, the budget estimates, the direct loans will have risen to $31.4 billion, and the insured and guaranteed loans to $88 billion.

As a measure of how much is involved, the total is about four times the value of all farm products sold in the United States in 1959.

These credit programs are managed by a dozen different agencies. And interest rates vary as much. The Rural Electrification Administration, for instance, charges only 2 per cent on loans—which compares to the current average of 3.9 per cent interest which the government must pay to borrow money to make loans.

The Dillon committee recommends all interest rates be backed up to cover what the Government pays for the money it borrows, plus the administrative expense, plus an allowance for losses on bad loans. This seems to me to be no more than fair to taxpayers, who already are overloaded.

Some of these programs were started with the idea that the Government merely would provide the initial stimulus, and then the obligations would be shifted to private lenders. But the trouble with almost all Government programs which are intended to be temporary, to meet a specific problem, then go out of business, is that they tend to become permanent, as firmly entrenched in Government as are the essential, long-range agencies such as the military services, the post office, the Treasury and the courts.

Nevertheless, the time comes when there must be a halt—and for that matter, a turning back—in the expansion of Government services. The Dillon committee has sounded a mild warning about this gigantic, but still growing, credit business. For myself, I hope that mild through the warning is, it will ring loud and clear in The Congress.

Leslie Goodwin Passes Tuesday

W. Leslie Goodwin, age 79, passed away Tuesday morning at Walker Memorial Hospital following a short illness. He was a retired Postmaster from Waterboro, Maine; a 50 year Mason of the Limerick, Maine lodge, and had been a member of the Avon Park Winter Guest Club for the past 15 years.

Survivors include his widow, Mrs. Susie Goodwin; two daughters, Mrs. Martha Tofts, of Warehouse Point, Conn., Mrs. Dorothy Thyng, Waterboro, Maine; and two sons, Major Stanley L. Goodwin, U.S.A.F. Weisbaden, Germany and Dwight L. Goodwin, Springfield, Wisc., and 12 grandchildren.

Funeral services were held Wednesday morning at Stephenson Funeral Home Chapel with the Rev. Aden D. Childress officiating.

Interment will be in North Waterboro, Maine.

Home Purchase Trend Upward In Florida

Home-purchase mortgages recorded in Florida came to $1,344,561,000 through October last year but this volume missed making a record, the Florida State Chamber of Commerce reported recently.

"Last year's recordings followed an improving trend each month but June and September. The ten-month total was 7 per cent over 1961; virtually equal to the 1960 figure but dropped 9 per cent below the peak reached in 1959. Nationally, recordings the first ten months of this year were 11 per cent over 1961.

"Florida Savings & Loan Associations were the original lenders of $606,456,000 of the state's ten-month total. Gains over 1961 were chalked up each month, except June, by the Associations and the total at the end of October stood 16 per cent ahead. Commercial banks loaned $119,729,000 in mortgages, up 25 per cent with monthly gains ranging as high as 55 per cent in March. Individuals loaned $236,561,000, up 4 per cent. Government agencies loaned $356,314,000, down 5 per cent, a trend which began in June. Insurance companies handled $25,501,000 as original lenders, somewhat below 1961 but not indicative of the total mortgage holdings of these firms.

"Several county totals for the ten-months are available: Dade with $375,434,200, up 3 per cent over 1961; Duval $96,947,000, up 9 per cent and Pinellas $97,300,200, up 2 per cent. Broward registered $124,479,200; Orange $60,595,000 and Volusia $31,207,700 but comparable 1961 figures are not available to show trends in these three counties.

"Mortgages included in these figures are those of $20,000 or less (as reported to the Home Loan Bank Board) secured almost entirely by residential properties although some small business loans are also included."

EARL RICH

Rich, Lairsey Attend Finance Officers Meet

Two officials represented Highlands County at the semi-annual meeting of County Finance Officers Association. The Association met last week for a two-day session at Jacksonville.

County Clerk Earl Rich and Deputy Clerk Charles Lairsey attended the conference. Rich said the conference dealt with the routine problems of finance officers, touching on such things as the state bid statutes, sale of surplus county equipment, budget amendments, account numbers. One problem discussed in detail, Rich said, was inventories and control of county properties.

"We were very glad to be able to report that Highlands County inventory is all up to date," Rich said. He said that all counties have complied with the state law requiring a complete inventory of county-owned equipment.

Mr. and Mrs. Charles Weese, of Chicago, are visiting Mrs. C. E. Kerr, who has been their life-long friend, while Mr. Kerr is on a business trip.

Eleanor Severns Rebekah Lodge 40 Years Old

The Eleanor Severns Rebekah Lodge No. 65 observed its 40th birthday at the meeting Monday night. Of the 27 charter members only two are living in the city, Mrs. Helen Smith Mann and Mrs. Pearl Spinks. Fannie Reaves Spinks, P.P. and Past State President is now a member of the Lucernne Rebekah Lodge in Orlando.

The Lodge was named for Herbert Severns, former Mayor of Avon Park, and Mrs. Severns, one of the charter members who passed away during the time the lodge was being organized.

The General Federation of Rebekah Assemblies met in Avon Park in 1937 with headquarters at the Pinecrest Hotel. The Assembly will convene in Miami this April.

During Monday night's program the officers participated in two beautiful courtesies for this special occasion. The charter was draped in memory of Sister Mary Fields who passed away Feb. 16. Visitors were present from Sebring and Hammond, N. Y.

At the close of the meeting dainty refreshments were served by Gladys Hagan and Mary Taylor.

The State of Citrus

By John Sikes — Florida Citrus Mutual

LAKELAND — There's reason to believe now that the Florida citrus industry will actively begin, certainly within the next year, to develop new citrus products to diversify its sales.

In short, to develop new citrus products to sell more oranges, grapefruit, etc., to more people for more money. Moreover, within this same period the industry will probably begin an intensive plan for the further development and improvement of its present products.

In the new legislative proposals of the industry is one which would provide funds for the development of new products, assuming passage by the 1963 Legislature.

In the belief of many in the industry, including Florida Citrus Mutual's Bob Rutledge, this has been too much of a one-product industry. Something close to two-thirds of all the oranges grown in Florida are usually processed into frozen orange concentrate. This rather singleness of product is comparable to a situation in which the cotton folks, say, would put all their products into men's shirts.

Rutledge, himself, has variously suggested an almost limitless number of by-products, with volume sales appeal, that might be made from citrus. These include such already well-known items as cigarette filter material, toothpaste, hair tonic, suntan oils, paper tissues, etc.

A present example of these by-product potentials is paint, with a base of citrus peel oil. This paint, for houses and buildings, is already on the commercial market. In addition, at Rutledge's behest, an automobile paint has also been made with a citrus peel oil base. This paint has already been tested and found to be one of the most durable, as well as attractive automobile finishes yet devised.

In fact, the chemist who developed the building and automobile paint with the citrus peel oil base, says there's only one trouble with these paints: "They last too long," intimating, of course, that the manufacturer is somewhat at an economic disadvantage because the time between repaint jobs with this product stretches out to a long period.

"However, citrus peel oil paint, and the other suggested potentials, are just a few of the items which new product research may develop from Florida citrus," Rutledge says. "It's quite probable that the researchers may be able to come up with some entirely new mass-selling citrus product."

Fisherman's Sunday Set

For several years the Union Congregational Church has been holding Fisherman Sunday services. These services, which have attracted wide attention, will be held this Sunday morning at 9 and 11 o'clock.

The symbol of the fish is as old as the Christian Church. Crude drawings of fish have been found on the walls of the catacombs in Rome. What significance did they bear? Why were they put there?

Three years ago HAYWARD DAVIS pledged to do everything possible to see that U.S. No. 27 was four-laned. He has not changed. HAYWARD DAVIS IS AS CAPABLE OF ACCOMPLISHING THIS AS ANYONE YOU CAN SEND TO TALLAHASSEE.

REMEMBER
HAYWARD DAVIS appreciates your support. But it takes your VOTE to ELECT him.

TAXES
HAYWARD DAVIS is opposed to additional taxes. He has taken a firm stand against the extension of the Sales Tax to include food and medicine.

SCHOOLS
As a former county school board attorney HAYWARD DAVIS is well aware of the needs of our schools and will work diligently for their betterment.
