Textbook Problem Faces School Board

Board Hoping For Help From Legislature

Unless the Florida Legislature follows through on proposals to provide more textbooks, local school money can be used to purchase textbooks for the Avon Park School Board. The board is now considering the purchase of textbooks for the 1963-64 school year.

A review of the textbook situation was a part of the long session of the Avon Park School Board held at its monthly meeting. Superintendent Miracle told the board that the school board had received a letter from the state board of education asking for a report on the textbook situation.

Miracle explained that the last session of the state legislature made a short appropriation for textbooks. He added that state leaders have promised to work for a larger appropriation in the 1963 session.

The schools' general supervisor Sidney Horne and the supervising principals A. B. Wilhoite, of Avon Park, George Douglas, Sebring, and Walter Bishop, of Lake Placid, attended the Tuesday night session and participated in the discussion of several phases of the school program.

Four of the county's English teachers appeared to make an evaluation of the lay reader program. This program, which was inaugurated last September, has provided each of the three white school districts up to \$40 per month to pay for qualified laymen to read and correct English composition.

Miracle said that the Ridge Conference, in which Avon Park and Sebring schools participated in 1962-63, will require members to participate in track meets. He said that the Ridge Conference is not the same as the 25 or 35 boys in our varsity sport but many boys who are not in our varsity sport are in the Ridge Conference.

Miracle said that a full conference program of track events may require the addition of a track coach to the faculty at each school. In view of the possibility he presented to the board a bill study on the subject of a full-time driving teacher at each of the 170 schools in the state.

SIDNEY HORNE

Arcamonte Is Named Jaycee Scholar Head

Harold Worden, Jr., president of the Avon Park Jaycees, announced the appointment of H. V. Arcamonte as chairman of the 1962-63 Jaycee Scholarship Achievement Recognition Program to be conducted at Avon Park High School.

The program is aimed at inspiring high school students through recognition of those whose grades are at the honor roll or straight 'A' level. Certificates of achievement will be presented to students who are academically eligible during the school awards assembly.

Serving with Arcamonte on the committee will be Jack McAllister, Norman Pineda, Douglas, Sebring, and Walter Bishop, of Lake Placid, attended the Tuesday night session and participated in the discussion of several phases of the school program.

Miracle said that the Ridge Conference, in which Avon Park and Sebring schools participated in 1962-63, will require members to participate in track meets. He said that the Ridge Conference is not the same as the 25 or 35 boys in our varsity sport but many boys who are not in our varsity sport are in the Ridge Conference.

Miracle said that a full conference program of track events may require the addition of a track coach to the faculty at each school. In view of the possibility he presented to the board a bill study on the subject of a full-time driving teacher at each of the 170 schools in the state.

Judge Slices \$10,000 Off Damage Case

United Judge Clinton Kelly has sliced \$10,000 off the damage award in a case involving a fire at the Avon Park Hotel. The case was heard in the Avon Park Circuit Court.

Hood Named President Rotary Club

Harry Hood, of Avon Park, was elected president of the Avon Park Rotary Club at its monthly meeting.

Outlook Good For County Citrus Growers — Fla. Citrus Mutual

Reports by Florida Citrus Mutual continue to put Florida citrus in the fortunate position for the remainder of the present citrus season, as well as next year. In a county-by-county report issued this week by "The Triangle," Mutual's publication, the outlook continues on the bright side.

The report for Highlands County as issued by Mutual is as follows: "The outlook for this county is very good. Most of the citrus groves are in good shape. The weather has been favorable. The outlook for the remainder of the season is good."

At a banquet held Saturday night, Terry Oberle, of Avon Park, was named MVP of the Avon Park Athletic Association. Oberle was also named MVP of the Avon Park Athletic Association.

Lulliver, Oberle, Leonard Sullivan, Wayne Strickler, Bobby Coleman, Larry Strickler, and John Rhoades. Oberle was also named MVP of the Avon Park Athletic Association.

Miracle said that the Ridge Conference, in which Avon Park and Sebring schools participated in 1962-63, will require members to participate in track meets. He said that the Ridge Conference is not the same as the 25 or 35 boys in our varsity sport but many boys who are not in our varsity sport are in the Ridge Conference.

Counties To Receive Race Track Money

TALLAHASSEE—State Comptroller Ray F. Green announced today that \$36,000 are being mailed to each of the 67 counties. The money is the counties' share of the race track tax.

Green said each county had received \$4,500 more during the current fiscal period than for the same period of the previous year.

Total race track tax collected thus far this year is \$7,906,000, an increase of \$301,500 over the previous fiscal period.

The state has received approximately the same amount from the tax.

There are 12 active county Forest Fire Prevention Commissions in Florida.

New York State Picnic

More than 90 New Yorkers who are wintering in this area, gathered at Highlands Hammock State Park last Tuesday for a picnic at 12:30 noon. The registration showed people from every corner of the state of New York, and the group made plans for an annual gathering at the Hammock each year.

Mrs. Milton Higgs, Mrs. George Loomis from Dewittville, and Mrs. Hendrick were in charge of arrangements. Mr. Hopper entertained the group with music on his accordion, and many of the group took the tour over the Park.

A new partnership between Florida and its private colleges will be proposed to the Legislature, Stetson Univ. President J. Olin Edmunds declared in an address at Rollins College.

Mrs. Paul Hoppe from Eden, Fla., was also present.

"New" Approach To Music Slated At Avon Park Episcopal Church

The Avon Park Episcopal Church is planning a "new" approach to music in its worship services. The church is planning to use a variety of musical instruments, including the organ, piano, and guitar, to create a more modern and dynamic sound. The church is also planning to use a variety of musical styles, including contemporary, folk, and classical, to appeal to a wider range of worshippers. The church is also planning to use a variety of musical personnel, including professional musicians and lay members, to create a more diverse and inclusive musical experience.

Citrus Group Studying New Juice Can

The Avon Park Citrus Growers Association is studying a new design for a citrus juice can. The new design is intended to be more durable and easier to use than the current design. The new design is also intended to be more aesthetically pleasing and to better represent the citrus industry. The association is currently conducting research and testing on the new design and expects to have a final decision by the end of the year.

The association is also planning to hold a meeting to discuss the new design and to hear from the growers. The meeting is scheduled for the next week and is open to all growers in the area. The association is also planning to hold a meeting to discuss the new design and to hear from the growers. The meeting is scheduled for the next week and is open to all growers in the area.

Is There a Place?

Is there a place where the flowers are bluer? Is there a place where the sun is brighter? Is there a place where the birds are sweeter? Is there a place where the days are longer? Is there a place where the nights are darker? Is there a place where the stars are brighter? Is there a place where the moon is fuller? Is there a place where the wind is softer? Is there a place where the rain is sweeter? Is there a place where the snow is whiter? Is there a place where the ice is clearer? Is there a place where the fire is hotter? Is there a place where the water is cooler? Is there a place where the earth is firmer? Is there a place where the sky is bluer? Is there a place where the air is fresher? Is there a place where the light is brighter? Is there a place where the sound is sweeter? Is there a place where the taste is better? Is there a place where the touch is softer? Is there a place where the smell is sweeter? Is there a place where the feeling is better? Is there a place where the love is deeper? Is there a place where the life is fuller? Is there a place where the hope is brighter? Is there a place where the faith is stronger? Is there a place where the charity is purer? Is there a place where the justice is fairer? Is there a place where the peace is sweeter? Is there a place where the love is deeper? Is there a place where the life is fuller? Is there a place where the hope is brighter? Is there a place where the faith is stronger? Is there a place where the charity is purer? Is there a place where the justice is fairer? Is there a place where the peace is sweeter?

Than Avon Park? Is there a city where the houses are whiter? Is there a city where the streets are brighter? Is there a city where the people are sweeter? Is there a city where the days are longer? Is there a city where the nights are darker? Is there a city where the stars are brighter? Is there a city where the moon is fuller? Is there a city where the wind is softer? Is there a city where the rain is sweeter? Is there a city where the snow is whiter? Is there a city where the ice is clearer? Is there a city where the fire is hotter? Is there a city where the water is cooler? Is there a city where the earth is firmer? Is there a city where the sky is bluer? Is there a city where the air is fresher? Is there a city where the light is brighter? Is there a city where the sound is sweeter? Is there a city where the taste is better? Is there a city where the touch is softer? Is there a city where the smell is sweeter? Is there a city where the feeling is better? Is there a city where the love is deeper? Is there a city where the life is fuller? Is there a city where the hope is brighter? Is there a city where the faith is stronger? Is there a city where the charity is purer? Is there a city where the justice is fairer? Is there a city where the peace is sweeter?

Proclamation

Whereas, the Future Homemakers of America, a State and National organization which brings together groups interested in working for better homes and family life, has designated March 31 through April 6 as a week in a democratic society. Now, therefore, I, Mayor De Laney, by virtue of the authority vested in me as Mayor of the City of Avon Park, do hereby proclaim the week of March 31 through April 6 as F.H.A. Week in Avon Park, and earnestly request all citizens and public officials to cooperate in observing and participating in appropriate ceremonies and observances dedicated to the work of the F.H.A. In Witness Whereof, I have hereby set my hand and caused to be affixed the seal of the City of Avon Park, this 30th day of March, 1963. Signed: E. A. DeLaney, Sr. Mayor. Attest: L. Shockey, City Clerk.

Before the mountains were brought down
Or ever thou hadst formed
The earth and the world,
Even from everlasting to everlasting,
Thou art God! (Psalm 90:2)

Is it odd to find these twenty-four words here in your newspaper? But here they are... centuries old, out of the untroubled mind of a man who looked at a mountain, at the rugged earth and the vast sky above, at times, at eternity.

Do his words bring among the heathens and darkness, the fierce reports of earth-shaking events? Should they compete for our attention with all the goods and services we'd like to buy?

Well this man made a remarkable discovery: he did not simply arrive at the fact of Divine creation. He did not merely proclaim the existence and unseen power of God. He sought to understand a greater truth.

MUSICAL POSTPONED

Because of illness, the date of the evening of music which was announced for March 19 at the Union Congregational Church, has been postponed.

Each Is Different

In every person and every family, there is a difference. There could be a STANDARD funeral service. But such is not the case; everyone is DIFFERENT. Each of our services, too, is different, reflecting the needs and wishes of each family who calls us.

Car Wash Set Entertain At By APHS Chorus Card Party Here

The Avon Park High School Chorus will sponsor a car wash and card party at the Tery home on Saturday, March 16, to raise money for the chorus. The car wash will be in the parking lot of the Tery home, 1000 N. Main St., from 9:30 a.m. to 4:30 p.m. The card party will be in the Tery home, 1000 N. Main St., from 4:30 p.m. to 8:30 p.m. The chorus is composed of 15 girls, and the card party will be a social affair with refreshments and games.

There are 314 species of trees native to Florida, according to the Florida Forest Service.

INSPECT GOLDEN AGE VILLAS Mrs. Annabe, Warden, left, Chamber of Commerce Secretary and Chamber Director Jim Heim are shown as they inspected a modern kitchen in Golden Age Villas recently. Open house at the development is slated for Sunday afternoon. Exclusive Sun Photo.

Golden Age Villas To Hold Open House Sunday Afternoon, 2-5

Golden Age Villas, a modern retirement home, will hold an open house at the development, 1000 N. Main St., Sunday afternoon, March 17, between 2 and 5 o'clock. The developers of North Avon Park, Golden Age Villas, invite the Avonians.

Here and There

Honorees with Mr. and Mrs. Platt-Hendricks for the past several weeks have been Mr. and Mrs. Ray Barnhardt, modern unit and two bedrooms of Lakeland, N. C. He is a retired pharmacist and drug store owner, and their vacation here has been most enjoyable.

Mr. and Mrs. Charles Weese, of Chicago, have been visiting their former neighbor, Mrs. E. Kery, while her husband is in New Mexico.

Mr. and Mrs. Merv V. Pennington, of Pensacola, Va., have been visiting her mother, Mrs. Roy E. Meek. Other guests with Mrs. Meek recently have been Mr. and Mrs. Ward Gamble, of Harrisville, W. Va., and Mr. and Mrs. Raymond Hiden, of Virginia, of Tampa.

Mrs. Bertha Brown returned to her home in Horseshoe, N. C., after three months here with Mrs. Meek.

Mr. and Mrs. Wayne Al. Wright and son, Mark, are in Washington, D. C., where they went to attend the wedding of his niece, Wayne and Mark are to participate in the ceremony.

Mr. and Mrs. Lloyd Jones, of Evansville, Ill., spent several days here with their aunt, Mrs. William T. Becker, and are now enjoying a visit to the East Coast before they return home.

Mr. and Mrs. Ray Hooker, of Paragould, Ark., have been houseguests of Mr. and Mrs. James Carlisle, on Rochester Road in Avon Park Lakes. Mrs. Eugene Hitt, of Clinton, S. C., is visiting her daughter and son-in-law, Mr. and Mrs. I. H. Ford.

JUST LIKE OLD MAN RIVER

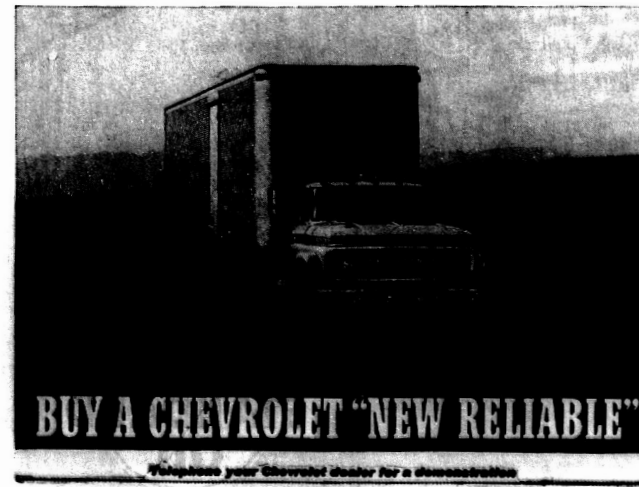

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But this isn't a full-time activity. The clear idea is that the truck works for you, not vice versa. The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to

fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense? Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

QUALITY TRUCKS COST LESS.

"Constructive Progress" was the keynote of Florida Power Corporation's annual report to stockholders for 1962 just released by G. F. Foley, senior vice president, secretary and treasurer.

State of Florida and Florida Power Corporation continued to grow in 1982 at a rate above the national average, at about the same rate that had been 8% higher than in 1981. In 1982, FPL's operating income was \$3.4 billion, voluntary reductions in revenues as a result of rate-of-return reductions went into effect last May. FPL's customers increased by 100,000 in 1982, 1981 and 1980 to 1,800,000 in 1982.

The company spent an average of more than \$100,000,000 annually on research and development. According to the company, it was expected to spend \$35,000,000 for construction during 1983, a slight decline of 2% over the amount of 1982.

Florida Power & FPL president, J. Edgar Smith said that the company's growth in the economic downturn and regulatory changes was a testament to the company's diversified nature and the strong demand for electricity in the last Decade.

Florida Power & FPL president, J. Edgar Smith said that the company's growth in the economic downturn and regulatory changes was a testament to the company's diversified nature and the strong demand for electricity in the last Decade.

DRUGTAX
A SERVICE TO TAXPAYERS

Every wish, at some tax time, that you had a complete record of every cent you spent for drugs and drug products throughout the year—and how much of it was legally deductible?

That kind of a record could save you money. And that kind of a record can now be yours, every year, absolutely free of charge.

This new service is called DrugTax. We are making it available to all of our customers absolutely free of charge, as another way of saying "thank you" for their patronage.

You would be surprised at the number of drug and medical supplies that can be of a deductible nature—items such as antiseptics, aspirin, cough and cold preparations, and hundreds of others.

Indeed, the American taxpayer has been losing millions of dollars annually because he hasn't been aware of how many drug items are legally deductible.

So you must be able to offer proof of purchase in order to claim such items in preparing your federal income tax return. And when you buy from us, you get that proof—in the form of an annual record, mailed in February.

Come in today and let us tell you more about DrugTax. And then from now on, buy all of your drug and medical supplies from the store that can give you the proof you need.

“Thank You!”

**I realize this is small reward
in return for your untiring efforts
in my behalf and your loyalty to
me at the polls.**

Believe me, it comes from my heart.

As your State Senator, I will go to Tallahassee and, With God's help, endeavor to represent Highlands and Charlotte counties conscientiously and impartially and in such a manner as to merit continued confidence and respect.

Sincerely,

HAYWARD DAVIS

THE AVON PARK SUN

In The Heart of The Citrus Belt

Volume XXXIX, Number 21

Avon Park, Florida — Thursday, March 21, 1963

10c Per Copy

CENTER OF ATTRACTION—A Chevrolet Corvette "Sting Ray" is the center of attraction Tuesday, as cars were put through technical inspection for the Sebring 12-Hour Endurance Race. The car above is entered in the race by Johnson Chevrolet Co., Dallas, Texas. It will be driven by Delmo Johnson, Jr. and D. L. Morgan. Seven of the sleek cars are entered in Saturday's race. (Exclusive Sun Photo)

Area Ready For Big Throng Of Race Fans

Over 40,000 Expected For Sebring 12-Hr.

Highlands County began selling out the welcome mat today as an influx of more than 40,000 visitors began arriving for the 12th Annual Sebring 12-Hour Endurance Race and related events. The featured race will be run on Saturday from 10 a. m. to 10 p. m.

Fans, officials, car owners and drivers from almost every point on the globe will visit the area during the next few days. Their primary interest—auto racing—all types of four-wheeled events have been lined up for this year.

They include the formula junior race, slated for 1 p. m. Thursday; a 2-hour touring sedan race at 10 a. m. Friday; and the 8-hour Grand Touring Race for cars of 1,000 cc and below at 1 p. m. Friday. And, of course the event which attracts world-wide attention, the running of the 12-hour endurance race Saturday.

The 12-hour race has once again attracted the best drivers from Europe, Australia, South America and the United States. At their disposal will be the best racing cars ever built, likewise from the far corners of the world.

The entry list is made up of 65 cars. These cars will represent the following nations: Italy, England, France, Germany, Australia, Sweden, Argentina, Israel, Canada, Puerto Rico, Scotland, New Zealand, Switzerland, Belgium, Mexico and the United States. Car makes include the Ferrari, Austin-Healey, Triumph, Alfa-Romeo, Lotus, Sunbeam, Alpine, OSCA, Porsche, Volvo, MG, Morgan, Jaguar, Corvette "Sting Ray" and Shelby Ford AC-Cobra.

Among the top name drivers who will wheel these finely tuned machines around the 5.3 mile twisting, winding course are: World Driving Champion Graham Hill, former World Champion Phil Hill, Pedro Rodriguez, John Surtees, Willy Mairesse, Hans Herrmann, Mauro Bianchi, Don Stirling, Edgar Barth, Denise McCluggage, Roger Penske, Richie Ginther, James Ireland, Joe Bonomo, Walt Hansgen, Bruce McLaren, John Fitch, Dick Thompson, A. J. Foyt, Paroody Jones, "Fireball" Roberts, Dan Gurney, Briggs Cunningham, Albert Lingo and Charlie Koff, as well as many other well known drivers.

Conspicuous by his absence at the wheel of a racing car will be Sebring Sun's Ed McGee, who for years was considered by many as the greatest driver in the world, although he has never won the world championship. McGee, injured in an accident during the 1962 season, will serve as team captain for the Austin-Healey entered cars.

Also missing from the driver entry list was Oliver Grover, three-time overall winner and one-time index of performance winner at Sebring. The Belgian driver, who last year was touring with Phil Hill last year in a Ferrari. He teamed with Hill in 1961 and 1962 to take the overall prize in a Ferrari. In 1960 Grover teamed with Hill in a Ferrari.

Commission Asked For Fallout Shelter

Substitute Prosecutor For Jury Trials

DON HANSEN
County Director

Jaycees Report Good Sale Of Safety Belts

The county's new jail and sheriff's offices were financed by a bond issue repaid by a one and three-quarters mill tax levy. The mill was paid for last year, but the commissioners in July, 1962, voted to continue the one and three-quarters mill levy and to accumulate the revenue as a building fund.

Clark Earl Rich said Tuesday that the board had hoped to accumulate \$70,000 this year, but "if spending on some items continues at the present pace we may have to dip into the \$70,000 to 'haul out' the general fund."

We need every cent of that one and three-quarters mill yield for the annex, McIntyre said, and that was without a basement. Since we have asked the architect to plan the annex so that a second story could be added sometime in the future, we had already planned for an extra strong foundation. To put in the civil defense unit we probably would need thicker floors. We certainly could use some basement storage space," McIntyre said.

When chided by other commissioners who expressed doubt about needing so much space—a quarter of an acre of basement—McIntyre replied, "I sometimes think government buildings are like the man who gets married and builds himself a one-bedroom house. He has to keep adding on here and adding on there, and it would be better to start bigger."

Hansen said the Palm Beach County shelter is 150 by 100 feet. Hansen emphasized that the federal government's 50 per cent offer includes furnishings and day-to-day maintenance as well as initial construction costs. The board told Hansen to contact the architect in Tampa and find out more about the federal government requirements and plans for such units and to report more details before the board begins to draw up budget in June.

The board received a letter from Highlands County Health Department Director Dr. William F. Hill asking the board's support for a special bill proposed for this year's session of the legislature.

The bill, drawn at the request (Continued on page 12)

Spelling Bee Set For APIHS On March 29

The Avon Park High School Spelling Bee on Friday, March 29. At that time students from throughout the county will meet.

(Continued on page six)

Devil Diamond Team Seeks Third Win Against Frostproof Friday

The Avon Park Red Devil baseball team will be shooting for victory number three Friday night when they host the Frostproof Bulldogs in a Ridge Conference game. In an earlier game, the locals trounced the Polk County nine, 8 to 4.

In games this week, the Devils split. They dropped their first game to Ft. Meade 5 to 0, but won the second game against Wayne Stokes, crafty Mizzou southpaw, allowed only two hits as he shutout the locals. Ft. Meade nine could only muster three hits off of three Red Devil hurlers, but four mistakes proved to be costly, as well as walks in the early innings.

Keith Abrition was charged with the loss in his first start as a variety pitcher. He was relieved by Terry Oberle, who had difficulty and was replaced by Leonard Sullivan, who checked the visitors, gave one run in the fourth inning.

Sullivan, with his strong right arm, struck out 10 DeSoto batters, allowed two hits and walked six. It was his first win of the season.

Avon Park scored two runs in each of the third and fourth innings.

Avon Park 002 200 0-4 6 1
DeSoto 000 0-0 0-2 3
Sullivan and Bates; McCall, Lamb (6) and Womack.

Fl. Meade Game
The Red Devils found themselves baffled with left-handed pitching in the Ft. Meade game and wound up on the short end of a 5 to 0 score.

Fl. Meade Game
The Red Devils found themselves baffled with left-handed pitching in the Ft. Meade game and wound up on the short end of a 5 to 0 score.

Wayne Stokes, crafty Mizzou southpaw, allowed only two hits as he shutout the locals. Ft. Meade nine could only muster three hits off of three Red Devil hurlers, but four mistakes proved to be costly, as well as walks in the early innings.

Keith Abrition was charged with the loss in his first start as a variety pitcher. He was relieved by Terry Oberle, who had difficulty and was replaced by Leonard Sullivan, who checked the visitors, gave one run in the fourth inning.

Sullivan, with his strong right arm, struck out 10 DeSoto batters, allowed two hits and walked six. It was his first win of the season.

Avon Park scored two runs in each of the third and fourth innings.

Avon Park 002 200 0-4 6 1
DeSoto 000 0-0 0-2 3
Sullivan and Bates; McCall, Lamb (6) and Womack.
