Beginning November 15th, Diabetes Detection Week will be observed. Although there are many weeks set aside for the promotion of health and other projects, this one is especially important because the early detection of diabetes can prevent many chronic complications. Such conditions as diabetes, hypertension, and heart disease are preventable if detected and properly controlled.

County-wide Veterans Day Observed Here

Avon Park observed Veterans Day in the first county-wide service on Nov. 11. Bands from Avon Park, Lake Wales and Sebring furnished the marching music, with Sgt. Paul J. Palmer of the Avon Park Band.

Following the national anthem, even by the combined bands, under the direction of Mr. McKeown, was the dedication by Father John M. Ryan of the Church of the Resurrection.

Due to the rainy weather, many of the veterans left and others sought shelter near the bandstand across the street. Natic Seratou, Hawk and Davis told the remaining onlookers that while pasting buttons today to find who had defended this country, there is to be peace. He told that, he said, Avon Park has property and money and is being spent.

The seration added that they look and the country to help the fortunate veterans, their wives and children, and to help the veterans in the struggle to make a living.

Although American Legion Post 69 of Avon Park was the sponsoring organization of the parade, Lake Wales, Sebring and Avon Park joined for the county-wide observance. In the past years, each county has had its own parade.

Four Highlands County Post 544 members, who were guests of honor at the program, received an ovation after being introduced by Hue Nunnally, mayor of Sebring.

The four members are Mrs. A. L. Boyce of the Legion Post No. 69 and Mrs. Emma Herrin, who is not an auxiliary member. The other two members of the Highlands County Post are not present but yet are forgotten.

State Rep. J. Morris Adams, who also spoke at the celebration, praised the American Legion for its work in promoting the county-wide observance of Veterans Day.

Adams said he felt the true spirit was a feeling of appreciation in patriotism to those people who have sacrificed. He also commended the Legion for its duty to protect the rights of the veterans and their families.

Avon Park Mayor E. A. DeLaney, in his address, referred to the celebration as being in the honor of those who made it possible for us to be here today.

Karl Rahn expressed his Legion's official thanks and appreciation to the city of Sebring for its efforts which made the program possible.

The benediction was given by Colonel Milton D. Merrill, Chaplain of the U. S. Army.

Judy Wester Is Girls' Singles Champ

Judy Wester became Avon Park's 1963 Girls' Singles Tennis Champion on Veterans Day when she defeated Betty Hutchinson 7-6, 6-3 in straight sets.

It was an excellent match, well played by both girls. Hard forehand drives, volleys, several long and exciting rallies, and sometimes both girls volleying at the net at the same time, lent thrills to the spectators.

Throughout the tournament, although she played some of the best opposition, Miss Wester did not lose one set. She established her supremacy beyond a shadow of a doubt, and with Sandy Higgs as her doubles partner, will be formidable in the doubles competition now in progress.

Miss Hutchinson will also receive a trophy as the Finalist, or Runner-up.

Barbara Wood won the trophy in the consolation flight by defeating Patsy Martin in a hard-fought match featuring long rallies and Miss Wood's smashing shots low to Miss Martin's backhand. This match, which was played following the Championship match, went three sets in which the scores were 6-4, 4-6, 6-1. Both girls had blisters, and Miss Wood, who plays barefoot, had two minor cuts on her feet.

In reaching the finals, Betty Hutchinson had defeated Pat Martin earlier in the week by scores of 6-3, 6-4. Miss Martin had won over Jane Nunnally 6-4, 4-6, 6-1, and to reach the consolation final, Barbara Wood had beaten Pat Holden 6-3, 6-4, 6-1.

Meanwhile, doubles play was underway, the first match being won by Jackie Hutchinson and Pat Holden over Nellie Barker and Jack DeBorja 6-3, 6-4, 6-1, and the second match resulting in a victory for Jane Nunnally and Stephanie Wood over Ann Fields and Sybil Anderson 6-3, 6-1.

Single trophies and awards are to be given out at assembly at the high school, properly expected to be tomorrow afternoon (Friday). In addition to the trophies in the Consolation and Finalist given by the Sebring and Highlands County Tennis Association, trophies to the Consolation Finalist, Mrs. Dr. Dr. Dr. Dr.

Red Devils To Play Sebring Wed. Nov. 27

After not playing the three games, the Avon Park Red Devils saw a six point lead in the final four minutes of the game as the Bradman's scored 12 points within a three minute period to take a 17-6 lead from the shocked Devils last Friday night in Oklawaha.

Without Sebring left on the team schedule, the Avon Park team has this Friday off to go to Oklawaha to play the annual Thanksgiving Day game with the Highland County team. The Red Devils are expected to have the worst record in the Avon Park league this year. The team has played the first game of the season but has not yet had a chance to play the second game. The team is expected to be in the final whistle of the game. Sebring has not yet played a game in a long time. The team is expected to be in the final whistle of the game. Sebring has not yet played a game in a long time.

Oklawaha and Avon Park played a scoreless ball game for three weeks last week. The Red Devils drew first blood and scored early in the fourth period. Avon Park had matched from their own 20 to 7 behind one yard marker on their first offensive drive of the game only to be shut out by the first down. The Devils also had the ball on the Bradman's five when the half-time whistle blew. Sullivan had 11 plays for a 40 yard pass in the last play of the first half but the Bradman's defense brought the first half back down to the goal line.

The third period was a series of short drives and then points. Both teams until Avon Park gained possession of the ball on the Oklawaha 35 late in that quarter because of a short punt by the Bradman's kicker. Red Devils rallied on big plays. The Bradman's carried the ball as they struck to the ground and moved into the end zone in eight plays including a 60 yard punt return against the Bradman's. Madrox carried every play except one and took the team to the end zone. The Bradman's defense changed over from the one yard line in the final play of the game. The Bradman's defense was not as good as the Bradman's defense. The Bradman's defense was not as good as the Bradman's defense.

The Avon Park score seemed to give the Bradman's into action and taking the kick off, the big Oklawaha team moved back strong moving from their own 40 to Avon Park's 20 in four plays before they fumbled and Wolfgang Halbig recovered. (Continued on page 12)

DRY 'EM THIRSTY and DEEP NAPPED ELECTRICALLY

Pluff dried towels have a nice feel. Clean. Absorbent. When you reach for one to dry your face, the fresh smell envelopes you. The deep, soft nap soaks up the water. Yes, a well dried towel is as refreshing as the bath.

The same with sheets. And socks. Napkins. Handkerchiefs, shirts or whatever. You know they are as clean as when they came from the washer. (Really, why hang a clean laundry outside?) It's inexpensive too. Just pennies.

So easy. Just turn a dial.

HOME REPAIRS:
Bridge Wall Cracks... Don't Fill Them!

If you have cracks in either interior or exterior walls you will be interested in a new product now available to the homeowners. It's called Tuff-Kote and is made by the Tuff-Kote Co. of Woodstock, Illinois. This new pliable patching material bridges the cracks instead of filling them and it consists of two parts—a heavy bodied, white oil-base compound, a roll of special, open-mesh Glass Fabric tape and is available at paint, hardware and building supply stores.

Structure due to shifts in temperature. This causes ordinary hard-drying crack fillers and patching compounds to get "squeezed out" because they don't "give" as the cracks open or close. Because this new material bridges the crack rather than fills it—and because it dries to a firm, paintable finish only on the surface (the undermost remains pliable), this patching material will "give" with each expansion-contraction cycle. The cracks, however, remain sealed, smooth and invisible.

Cigarette,
Beverage Tax
Collections Up

Collections by the State Beverage Department of taxes from alcoholic beverages and cigarettes continue to climb, with October reports showing total collections exceeding \$11.5 million, according to Richard R. Keating, State Beverage Director.

The increase of \$2,441,150, or 29.49 percent, offers a contrast to the decline in collections in past months, the Director reported.

October's \$11,507,050.02 brings the Department's total collections for the first four months of fiscal year 1963 to \$41,436,239.26. "At the current rate of collection, we should reach the \$120 million mark by the end of this fiscal year," Keating predicted. This would compare to approximately \$100 million collected during fiscal year 1962-63.

Accounting for the largest single collection last month was cigarettes with \$4,732,164.02 representing an increase of \$829,000 per cent over October, 1962. This was followed by liquor, \$2,344,568.97, an increase of 8.19 per cent; and beer, \$2,127,604.59, a 28.62 per cent increase. Wine tax reached \$455,745.42, for an increase of 21.34 per cent.

Miscellaneous licenses, permits, etc., accounted for the remainder of monies collected during the month, Keating explained.

'64 Jet-smooth Luxury CHEVROLET

Chevrolet Impala Light Sport Sedan

Now how are the high-priced cars going?

How do you look, luxury and comfort that you'd expect to find in a back porch? If they came from anybody but the people at Chevrolet.

Unmatched styling with clean uncluttered lines that give the '64 Jet-smooth Chevrolet its feeling of new length and lowness. Rich new interiors with supple fabrics. Roomy cushioned front and rear seats and door-to-door carpeting — now standard in all models, including the

modestly priced Biscaynes. And, of course, the meekness of Body by Fisher craftsmanship. You've got a wealth of power to pick from — engines from a peppery 140-hp 6 to a 425-hp V8! And you've got the '64 Jet-smooth ride to cushion you from road noise and vibration.

Been promising yourself luxury like this someday? Your someday is here, as your dealer will gladly show you. *Optional at extra cost.
