Number 7

Avon Park, Florida - Thursday, December 12, 1963

JOHN WRIGHT (WAVP) and Vic MacKinnon, APMS music director talking over music program furnished by the High School Band on the Mail last Saturday. Local business houses sponsored the all day program.

School Board Elects Its New Officers

Henry Bailey New Chairman

Highlands County Board of Public Instruction elected new officers and revised its banking policy at its December meeting. Henry Bailey of Sebring, who has been serving as vice chairman of the board, was elected chairman Tuesday night as chairman. He succeeds Sam Longbottom, veteran school board member and chairman who died suddenly November 19.

E. Ray Wells of Avon Park was elected vice chairman of the board, succeeding Bailey. The board opened its meeting with a tribute to its late chairman. A resolution, written by Superintendent of Public Instruction Andrew Miracle, said that Longbottom's "philosophy of public school education was a living thing demanding the best possible educational opportunities for all children within the scope of his position and the educational life of every child in our county has been made richer and more meaningful through his efforts."

R. L. Padgett, Avon Park citrus grower and executive, attended the Tuesday night session of the school board. He was named by the Governor last week to fill the unexpired term of Longbottom. A year of the term remains.

John W. Wierick, Jr., board member from Lake Placid, said a number of the county's bankers have been requesting a review of the board's policy on depositing money. At this time the board's funds are divided among the four banks of the county. Miracle said that Longbottom had asked for a report on the various accounts to be prepared, but he had been unable to review these reports with the late chairman.

Padgett added that from his point of view the distribution is "about equal," but "I am not a banker."

The board voted to simplify the banking procedures by using only two of the four banks at a time. The funds are to be divided into a general operating account and all other funds (bond money, construction funds, etc.) into a second account.

The board Tuesday night drew names of the banks for order of use. Avon Citrus Bank is to handle the general operating account for the 1964 year. First Bank of Lake Placid will be the depository for the other account.

The following year the Lake Placid and Avon Park banks will reverse these accounts.

First National Bank of Sebring will handle the general account the third year, while Tropical State Bank of Sebring will have the other account for other funds, and in the fourth year these two Sebring banks will change accounts.

Board members said they believe that use of four banks each year is complicated and not necessarily fair to either the school staff or to the banks. They said an automatic rotation system would be in the long run simpler and more fair.

During the business session the board noted that the county school lunchroom report had improved in the past month. The program is in the red, about \$3400—but this is \$400 better than a month ago, Miracle noted.

The board approved designation of Woodhull Cafeteria in Sebring as a meeting place for the administration of the Collier County Board of Education.

(Continued on page 10)

Local Delegates Attend Retarded Children Meeting

A comprehensive and progressive plan for the expansion of the Sunland Training Center for Florida's retarded children was revealed to members of the Florida Council for Retarded Children in Tallahassee during the past week-end. Attending the meeting from the Division of Sunland Training Centers, gave details of the new institution for the severely retarded to be constructed in Lake County, Florida.

The architectural firm of Connel, Pierce & Friedman, Miami, is currently designing the complex which will be constructed on a 280 acre parcel of land donated to the State of Florida by interested citizens of South Florida. The site lies just south of the Dale-Brown road line, ideally situated to serve the estimated 1500 retarded children needing institutionalization in that area.

Following the progressive lead of Connecticut, the new complex will be designed to serve a threefold purpose. It will contain a diagnostic clinic for early detection of mental retardation with provision for evaluation and follow-up.

At present there are four Sunland Training Centers in the state. The latest at Gainesville, Fla., has facilities for 2000 children. The Ft. Myers center has 960 children and is adding another 500 to bring its capacity to 1000. The newest center is at Marianna, Fla., and now has approximately 500 children. The Orlando center is for the nonambulatory retarded, needing complete custodial care and has a capacity of 600.

Franklin Saunders, new executive secretary of the Florida Council for Retarded Children, reported to the meeting of the Board of Directors on Saturday that local associations had been formed and were operating in Lake City, Madison, and Marianna, bringing the total within the state to 28.

Landis Steller, Coordinator of use, Avon Citrus Bank, reported to the meeting of the Board of Directors on Saturday that local associations had been formed and were operating in Lake City, Madison, and Marianna, bringing the total within the state to 28.

Any child who knows a needy child with a hearing loss, who does not now have them heard, financial reasons. This is the 10th Christmas. Sonnetta made this effort to help bring the joyous sounds of the holidays to all year-round youngsters now deprived of better hearing.

American Legion Auxiliary Receive Awards

Highland Salon No. 687 Hold Christmas Party

The Highland Salon No. 687 held its annual Christmas Party Tuesday, Dec. 9. The party was held at the Highland Salon No. 687, which is located at the corner of the Highland and Main streets. The party was attended by a large number of members and guests. The program included a variety of entertainment, including a musical performance by the Highland Salon No. 687. The party was a great success and raised a large amount of money for the Highland Salon No. 687.

70% of Tax Roll Collected In County

More than 70 percent of the county's 1963 tax roll has been collected. Tax Collector W. H. Prescott said today that \$1,338,719.33 of the county's \$1,930,418.10 tax roll has been paid.

The Tax Collector said that about the same percentage of the roll that was paid during the first two months of collections in 1962. However, due to the increase in the tax roll for Highlands County, the 71 percent collections will produce more cash \$75,756.12 more than in the same time last year.

Prescott also noted that 1,361 more receipts have been validated in the 1963 collection year than in the 1962 collection year.

He also added that homesteads valued at \$5000 or under were completely exempt in all districts except in Avon Park. This is due to the fact that the homestead Act of 1952, which was passed by the Florida Legislature, provided that homesteads valued at \$5000 or under were completely exempt in all districts except in Avon Park.

He said the old bond payment will be limited in the Avon Park district to approximately five years.

Mrs. A. Ragsdale Dies Suddenly In Hawaii

Mrs. Alice R. Ragsdale, 62, passed away suddenly Friday, Dec. 1, in Honolulu while visiting there. A native of the state of Nebraska, Mrs. Ragsdale had lived in Avon Park for the past 10 years. She is survived by one son, William H. (Peter) Ragsdale of West Palm Beach; one daughter, Mrs. Milton Ann Ragsdale of Miami; and one brother, Donald Bradbury of Bakersfield, Calif. Funeral services will be conducted from the chapel of Stephens Funeral Home Saturday, Dec. 2, at 2 p.m., with the Rev. John Mangrum, pastor of the Episcopal Church, officiating. Interment will follow in the Congressional Cemetery. The Stephens Funeral Home of Avon Park is in charge of arrangements.

Baker-Collins Wedding Plans Announced

The wedding of Mr. and Mrs. Baker-Collins will be held at the home of Mrs. J. H. Smith, 1215 N. W. 10th St., on Friday night. The wedding will be held in the dining room and will be attended by about 20 members and guests. The program will consist of a business meeting, a social hour, and a prayer service. The business meeting will be held in the dining room and will be attended by about 20 members and guests. The social hour will be held in the dining room and will be attended by about 20 members and guests. The prayer service will be held in the dining room and will be attended by about 20 members and guests.
