BOOTH AT GAMES

The Senior Class will operate the concrete booth at the west end of the football field (by the scoreboard) and the Coke trailer at the west end of the field by the visitor stands. They will be open starting at 6:30 every home game and will remain open until just a few minutes after the game has ended. This year the booth has been enclosed and the services much better. We have new coffee cups with covers and are made of sterofoam so they don't burn your hand.

Please come out and support your team and come by the Senior Booth so you can help the Seniors take a good Senior Class trip.

Jim Branch works in our local bank. I've known him for years. We went to school together. But I never felt I could come right out and ask him why he never goes to church. One night when we both happened to get into a confidential frame of mind, the words came easier.

He told me that — of all things — it was because he hated this business of passing the plate for money. He said he saw enough money at the bank all week without seeing it worshipped on Sunday too.

I admit this shocked me. That's why I told him, frankly, that I thought he'd completely missed the point. I told him our minister once said that it gives him a good feeling when he receives the collection; not because this is *money* but because the people are giving the fruit of their own efforts to God. In the old days, it might have been a sheep, or the choicest fruits and vegetables from the harvest. Today, it's dollars and cents. But the motive is still the same, and it's a good motive.

I saw Jim at the morning service a couple of weeks ago, and something tells me that it won't be long before he'll be getting the point . . . not missing it!
