Girl Scout Training

A basic training course for Girl Scout leaders will be held in Sebring at the Scout House Oct. 3, 10 and 17 from 9:30 a.m. until 2:30 p.m.

Bring notebook, pencil and box lunch. Coffee or tea will be furnished. All leaders are urged to take this scout training.

Mr. R. E. Maughn, Girl Scout District Adviser will be the instructor.

Janice Harvey Circle Holds Meeting

The Janice Harvey Circle of the First Baptist Church held its September meeting in the home of Mrs. Gara Ward with [illegible] present. A [illegible] Mrs. Hugh Cloud [illegible] Mrs. Betty Ivey [illegible] Mrs. [illegible] for the [illegible] for the new year. Those elected are as follows:

Program, Dot Stafford; Secretary, Janet Willis; Childrens Home, Barbara Parker; Prayer Chairman, June Smith; Community Missions, Janette Andrews; Youth & Publications, Gara Ward; Social Chairman, Doris Varnes; Flowers, Louise Willis; Mission Chairman, Betty Ivey; Stewardship & Treasurer, Thelma Casey; Special Projects, Hermie Harvey.

At the close of business, Barbara Parker opened the program with a prayer and introduced us to the program on Conquest Through New Ministries. Those on the program were Hermie Harvey, Janet Willis, Jennie Bell Spurlock and Betty Ivey. At the close of the program, the missionaries on the calendar of prayer were read and Mrs. Cloud closed with a prayer.

We were then served a very delicious salad and cold drinks by our hostess.

This week's traffic safety tip from FHP Bossman H. N. Kirkman: Today's the day to improve your driving. Tomorrow could be the funeral.

Dinner Honoring Young People

Members of the Married Young People's Department of First Baptist Church held their monthly supper meeting at the church last week. Several members who are leaving the department were especially honored at this time. Among them were Mr. and Mrs. Dennis Clower who are leaving Avon Park to make their home in Texas and the following members who are being promoted to the Adult I department: Mr. and Mrs. Kelton Hall, Mr. and Mrs. Virgil Tondee Jr., Mrs. Jeanette Andrews and Mrs. Charlotte Clark.

Following a delicious chicken and rice supper, a humorous skit was presented. Those taking part were Malcolm Crews, Philip Wooten, Mrs. Larry Albritton, Danny Joe Willis, and Mrs. Aden D. Childress. Pingpong, shuffleboard and group conversation were included in the evening's entertainment.

Twenty-eight persons were present.

Girl Scout News

Troop No. 117 met at Miss Ann Karrick's home Friday, Sept. 19 at 6:30 p.m.

If any girl wants to be a Cadette Girl Scout, contact one of the following girls: Marilyn Smith, Janet James, Susan Biggs, Susan Booth, Marcia McDugaid, Ann Mandis, Pat Miller, Fran Thompson, Patty Hallam or Judy Seas.

The patrol leaders are: Susan Biggs and Marcia McDugald. The assistant patrol leaders are: Ann Mandis and Fran Thompson. The scribe is Marilyn Smith; treasurer, Pat Miller; leaders, Mrs. Bill Thompson and Miss Ann Karrick.

Woman's Club News

The Executive Board for the Woman's Club of Avon Park was held at the club house, Sept. 19 at 9:30 a.m. President Mrs. S. F. Elkhill presided over the meeting and welcomed all present. Mrs. Samuel O. Norris gave devotionals and Secretary Mrs. John Hayes read the minutes from the last board meeting. Mrs. Pat White was voted as a second vice president for this coming year. Three new members, Miss Cathleen Lee, Mrs. James Doerr and Mrs. Darlene Baucom, was voted in.

Halloween Carnival committee will be as follows: Mrs. Joe Love, Mrs. Pat White, Mrs. Mervin Rehrer and Mrs. Fannie Roche.

A Christmas Sale will be held at the first meeting in November with Mrs. J. A. Terp, Mrs. Charles Sargent, Mrs. John Hayes and Mrs. Samuel O. Norris serving on the committee. This sale is to raise money for our various expenses, therefore, would the members please start making articles that could be used for Christmas gifts, also plants and baked goods are acceptable.

The building committee for the club house will be: Mrs. Samuel Norris, Mrs. Pat White and Mrs. S. F. Elkhill. From the Junior Woman's Club will be: Mrs. R. Reaves, Mrs. Ann Moore and Mrs. Betty Ivey. This committee will meet in the near future.

Mrs. Fannie Roche and Mrs. S. F. Elkhill will attend the State Board meeting in Panama City from Sept. 30 to Oct. 2.

There will be an all day meeting in Lakeland, Oct. 21 at the Woman's Club of Lakeland. Registration starting at 9 a.m. Luncheon will be served at the price of $1.75. Please make your reservations with your president.

As we are beginning another business year let us all "Shine for District Nine" and for our club.

Teachers To Hear Educators

Several hundred teachers from Osceola, Polk, Hardee and Highlands Counties will hear top flight Florida educators speak to them on the "Challenge of Teaching in the 20th Century," "A Dynamic Profession Based on Professional Pride and Practices," and "Warm Attitudes in School Legislation" at the Nora Mayo Auditorium in Winter Haven on Sept. 30.

Mr. Jesse Stuard, prominent lecturer and author from Greenup, Ky., will be principal speaker.

It doesn't take much nerve to be a careful driver; but, oh boy, the intestinal fortitude it takes to take your old machine out on the highways.

Eda Sturtz Circle Holds Meeting

The Eda Sturtz Circle of the W.M.U. of the First Baptist Church met with the Circle Chairman, Mrs. F. C. Weaver at 9:30 Tuesday morning, Sept. 17. The meeting was opened with prayer and the reading of Scriptures.

After the business meeting Mrs. Bertha Pabor, Program Chairman, with the aid of Mrs. Lena Stuky, Mrs. B. F. Martin, Mrs. Florence Hilton and Mrs. Robert Gay, gave an interesting program on some of the South American countries.

The meeting closed with prayers for our missionaries whose birthdays were on the Calendar of Prayer for that day.

The hostess served her guests delightful refreshments.

Expect great things from Chevrolet again - for '64

Today...Jet-smooth Luxury '64 CHEVROLET

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Delcotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

It is difficult for us modern day motorists to envision the hardships that our hardy pioneer "tourists" endured to blaze trails around the country. One gets a feel of the problem by reading an old "Blue Book," as they called 'em in those days.

The speedometer was a rather vital piece of equipment then. For instance, here is how the Blue Book routed motorists on a trip from Tampa to Dade City (the miles covered shown at left):

MORE INFORMATION

There was a lot of other information in the guide. Accommodations listed in Tampa, for instance, were Tampa Rubber Tire Works, 1430 Franklin St.; East Tampa Garage (First Garage Going Into Tampa from the East); J. W. Adams, Carriages, Tribune Bldg.; Johnson's Garage; Tampa Bay Hotel.

In the appendix was an official report made by a scout trip up the coast from Miami to Jacksonville. The actual running time was 21 hours, 8 minutes.

A couple of excerpts from the report: "At Stuart cars should back on the ferry so as to head off. Toll across ferry is $1 per car and 25 cents per passenger. After leaving the St. Lucie River it is practically all sand to within one mile of Jenson (about three miles).

AVOIDING SAND

"Out about one mile from the river and 200 feet north of a small bridge a dirt road turns off to the right and crosses the railroad track at Rio, thence down through pineapple fields and strikes a shell road at the church about one mile south of Jenson. This road avoids bad sand and a steep, sandy hill. From Jenson to Ft. Pierce is practically all sand, but not bad."

The report quoted a gentleman from Russellville, Ga., who was "greatly interested" in the Miami good roads movement, as having been to Miami before "and liked the city and expected to return and invest" there.

The 1912 book contained another committee report suggesting rules of the board. Excerpts:

"On approaching intersecting streets, when autoist wishes to proceed ahead, he should give two long followed by two short blasts—regular railway crossing signal. Same signal should be given on the road when he desires to pass vehicles traveling in same direction.

APPLY BRAKES

"At intersections, when autoist intends to turn right into side street, he should give three short blasts; if he intends to turn left into side street he should give two short blasts.

"At intersecting streets vehicles traveling at right angles to each other's course, when in danger of collision, should immediately apply the brakes and turn sharply to the right where it is possible. In this case a wave of the hand crosswise in front of the face signifies an intention on the part of the person so waving of allowing the opposing vehicle or pedestrian to pass in front of him. The hand held in an upright position before the face signifies an intention to pass in front of the opposite vehicle or pedestrian . . .

CARE OF PEDESTRIANS

"Upon meeting a pedestrian near the middle of a street the autoist should slow up and seek to pass to the rear of the pedestrian, giving him the right of way . . .

"When autoist desires to pass another traveling in the same direction he should signify his intention of so doing by sounding the straight ahead signal, and should not attempt to pass until he receives an answering signal from the overtaken party, which this party should give promptly as soon as he judges the other can safely pass him . . ."

"Never take chances. If in doubt as to the best method to take to avert a collision instantly apply brakes. This will tend to minimize the damage even if it does not wholly avert the collision."

The first man to greet me was Mr. Ed DeLaney. He said "Howdy, I believe you are Mr. Whidden's son." I said "Yes, I am." That's how our friendship began "in 1920." He said "I think I like you" and I answered "in kind." He said you can start work tomorrow if you [illegible] I said I really thank you. It meant so much to me to meet a fellow so full of real Humanity.

Help For Hay Fever Victims

Hay fever is [illegible] caused by hay nor is it associated with fever, says Dr. William F. Hill, Jr. of the Highlands Health Department. But the 10,000,000 Americans who suffer from it know the misery of stuffed, running noses, [illegible] eyes, sneezing, wheezing and general discomfort.

A[illegible] percentage of the cases are mild, many suffer intensely with considerable loss of time from work or school and often almost complete [illegible]. Dr. Hill reports that about one third of those allergic to ragweed may develop asthma.

Hay fever can be caused by trees, grasses, [illegible] weeds, and even disintegrated insect's bodies, among other offenders. But the greatest sinner is the ragweed. In only 5 hours one ragweed plant can produce 8 billion pollen grains that can be airborne over a distance of 75 miles. And it takes only a little of the pollen to trigger an attack in a sensitive person.

Of the four species of ragweed three grow knee high, but the fourth, giant ragweed, reaches [illegible] feet high. For some unknown reason, the giant ragweed's scientific name is Ambrosia trifida. Ambrosia, of course, means "pleasing to taste or smell." Any hay fever sufferer would violently disagree with the botanist who pinned this label on it.

It may seem strange but the ragweed pollination season begins earlier in the north than in the south. In parts of Canada ragweed starts pollinating in the latter part of July whereas in Southern Texas it begins about the middle of September. This is because pollination occurs as the amount of sunlight becomes less. Thus the farther south the plants are the later their pollination starts.

Why some of us become allergic to tree pollen, others to ragweed, peanuts, molds or insects remains a mystery. But it is known that the allergic tendency is inherited.

Mild seasonal attacks can usually be treated effectively with simple medications prescribed by your doctor. More severe or persistent cases may require skin tests and desensitization against the offending substances, which differ from person to person. If asthma or other complications occur, still other methods of treatment will be required. Your doctor can determine which treatment is best for the individual case.

There are also a number of personal measures one can take to avoid or ease the distressing symptons. Try to keep doors and windows closed as much as possible during the susceptible period. Central air conditioning with filtration, although expensive, can provide gratifying relief. If this is not practical, a window unit in the bedroom can help toward a good night's sleep and leave one better able to withstand the sneezes of the next day. Obviously, a sensitive person should not take walks through fields or woodland.

The sensitive person can plan his vacation for the period during which he is usually afflicted. A trip of only a hundred miles away to a place free from the specific pollen that affects you can let you breathe freely again.

Methodist Men Met Tuesday

The Methodist Men met at Wesley Hall Tuesday night, Sept. 24 for their first meeting of the season with the President Ray Cobun in charge.

Circle six of the WSCS, whose president is Mrs. Ray Cobun, served a delivious ham supper to the 24 men. Harold Nute led the singing with Prof. Howard Allen at the piano.

Jerome Shiltz had the devotions and Rev. Miles Depagter a long time athelete and now pastor of the Methodist Church at Venice, was the speaker of the evening. He is a former chaplain in the armed forces and a worker in the Y.M.C.A. His message was on "Getting in close to God, Family and the Church."

Red Devils Lose 13-7 To Mulberry Eleven

To Play Ft. Meade Friday Night

A tough but still winless Avon Park eleven will invade the home of the Fort Meade Fightin' Miners Friday night for their first Ridge Conference encounter of the season. The Red Devils lost their second non-conference game last week when the Mulberry Panthers took a 13-7 decision in the Phosphate Bowl on a wet, slick field.

Fort Meade is also without a win. The Miners lost their opening game to Wauchula and were hard pressed last week to gain a 13-13 tie with the surprising Frostproof Bulldogs. Although Fort Meade won the statistical battle against the Bulldogs, they had to come from behind in the final quarter to even up the score. The Miners were threatening again deep in Bulldogs' Territory when the final whistle blew however. Fort Meade's speedy backfield (their starting four backs placed second in the state relays last spring) offers the greatest threat to the Avon Park team next week but thus far the Devils have been tough on defense.

The Mulberry Panthers took advantage of two long runs to score twice in the second quarter and then had to hold on for dear life to defeat the Avon Park eleven last week. In the first quarter the two teams felt each other out with the Panthers holding the Avon Park offense inside their own 50 but not moving further than the Devil's 35 themselves.

At the close of the first quarter, however, the Panthers intercepted an Avon Park pass and started a drive from the 50 that ended in a score early in the second period. With a fourth down situation and one yard needed, Panther fullback David Martin burst through the Devil line and out-ran the Avon Park secondary for a 30 yard touchdown jaunt. Eddie Murphy's plunge for the extra point was short of the goal line setting the score 6-0 for Mulberry.

A light rain drifted into the Phosphate Bowl at this point and on the ensuing kick-off, Wolfgang Halbig was shaken loose from the pigskin after returning it to Avon Park's 45. Mulberry's Butch Mullis recovered for the Panthers and four plays later Martin powered over from three yards out to put the home team out front 12-0 before the Devils knew what hit them. Martin added the point after with a dash through the middle.

Avon Park was not to be shut out, however, and Lanse Padgett took the Panthers next kick-off on his own 20 and raced to Mulberry's 45 before being pulled down. Devil halfback Pep Hutchinson picked up gains of seven and three yards. Padgett added a couple of two yard gains, and Devil fullback Jimbob Maddox chalked up the last six yards needed twice for first downs. Then Wayne Strickler broke loose from the 19 and scampered to the Panther four. Maddox finished off the drive with a four yard touchdown plunge to put the Devils on the scoreboard. Maddox also pushed over for the P A T and the two teams left the field at half-time with the score 13-7.

Although the second half was scoreless, Avon Park drove for the deepest penetration when they moved from the Panther 43 (after Jackie

Mrs. L. A. Kerwin Joins Local Red Cross Staff

Mrs. L. V. (Olive) Kerwin of 1350 North Lake Avenue, a former resident of Mt. Clemens, Mich., moved to Avon Park in January.

Mrs. Kerwin has been a Red Cross Volunteer for nearly 23 years, serving in her former home chapter, Macomb County Chapter, Roseville, as a member of the Board of Directors, Campaign Chairman, Staff Aide, delegate to the National Convention and on various committees such as nominating, recruiting etc.

In a letter, forwarding her Volunteer Transfer Record, Mrs. G. L. Mayhew, Chairman of Volunteers for the Macomb County Chapter said of Mrs. Kerwin, "This record cannot begin to convey the service Mrs. Kerwin has rendered our chapter. She has been a sincere, dedicated volunteer and is deeply loved by all the volunteers and staff with whom she associated over the many years and your chapter is gaining a great person."

Mrs. Kerwin is presently volunteering her services as a Staff Aide and is working each Wednesday in the Highlands County Chapter office.

Mrs. Wooden, Executive Secretary, states, Mrs. Kerwin, or Olive, as we prefer to call her, is an invaluable Staff Aide and she knows as others in our chapter come to know her they will find her record rings true.

Mrs. Kerwin has already made many friends in Avon Park and Sebring. She is the sister of Mrs. Clay W Kull of Anoka Lake.

County College Day At Schools Friday, Oct. 4

Highlands County schools will observe College Day on Friday, Oct. 4.

Representatives from 26 colleges, universities, business schols and the armed forces will meet with high school students to discuss college plans.

Avon Park High School students will meet the representatives on Friday, from 1 to 3:30 p.m. at First Methodist Church.

Sebring and Lake Placid High School students will meet the college representatives at First Methodist Church in Sebring from 9 a.m. until noon on Friday.

The annual College Day program is arranged by Thomas R. Johnson Jr., coordinator pupil personnel services of Highlands County schools.

CLAUDE S. CARROLL

C. S. Carroll New Police Chief

Claude S. Carroll, the newly appointed Avon Park Chief of Police, is retired from the Florida Highway Patrol, after serving 20 years.

Carroll has a home on North Lake Ave. and lived in Avon Park from 1955 until 1959 while serving Highlands County as a Highway Patrolman. Prior to his accepting the appointment with the City of Avon Park he lived in Punta Gorda for four and a half years.

Carrol and his wife, Ruth, have three daughters, Mrs. Lynette Joseph and Mrs. Claudette Ebner, both of New York. Mrs. Ebner was graduated from Avon Park High School. Donna Gayle is the other daughter, who is attending the University of Florida.

Carroll states that "both Mrs. Carroll and I are very happy to be 'home' again and I am 'tickled pink' over my new job with the City."

Local Nurse Passed Away Sept. 30

Mrs. Eileen Babcock, 38, registered nurse, died at her home Monday, Sept. 30, in Sebring, after a short illness. She came to Sebring 35 years ago from Cleveland, Ohio. Mrs. Babcock had been Dr. H. W. Coleman's nurse in the Medical Building for the past 12 years and assisted him with his medical charts for his patients in Walker Memorial Hospital. She was a member of the St. Agnes Episcopal Church in Sebring.

Mrs. Babcock is survived by her husband, William A. Babcock; Two brothers, Howard Jones, Jr., and Art Young; a sister, Mrs. Carl McIntyre, and her mother, Mrs. Kate Young, all of Sebring.

Funeral services were held at the St. Agnes Episcopal Church at 2 p.m. on Wednesday, Oct. 2, with Father H. L. Vavaman officiating.

Pallbearers were: Ted Shoemaker, Lou Miller, Jim Pyle, Jack Strout, George Conway and Cecil Heston.

NEW RECORD

Eighteen Highlands County students are among a record 4,603 enrolled this fall at the University of South Florida.

David Morton Couch, charged with escape, was sentenced to a year in prison on that charge. In March a Polk County court had sentenced him to five years in prison for breaking and entering and forgery.

John William Birckhead, charged with burglary by breaking and entering with intent to commit a felony, pleaded guilty. Judge Kelly ordered a pre-sentence investigation. Birckhead admitted breaking into the Natt Bass Grocery at Brighton.

Joseph Mathis, charged with resisting arrest with violence, pleaded guilty and was sentenced to 90 days in the county jail.

Robert Baker, Jr., charged with breaking and entering an Avon Park cafe, has been sentenced to prison. Baker, waived counsel, and in Circuit Court entered a plea of guilty to breaking and entering the Beachfront on Aug. 5.

In Circuit Court last week Judge Kelly sentenced Baker to six months to five and a half years in prison.

A Lake Placid man has been sentenced to 10 years in prison for the fatal shooting of his wife. In Circuit Court late last week Clifton Kelly sentenced Eddie Reynolds.

Reynolds, who had previously pleaded not guilty to a second degree murder charge, pleaded guilty to manslaughter. His wife was fatally wounded on July 4.

A Sunday morning fight hospitalized one man and jailed another. Charlie Green, 58, of Lake Placid, has been charged with aggravated assault on Ray Dashnow.

Dashnow was hospitalized. In County Judge's Court Monday, Green waived preliminary hearing and was bound over to Circuit Court.

Green was arrested by Deputy Sheriff J. B. Bozeman.

A Lake Placid girl has been awarded $300 damages for injuries suffered when she fell from the running board of a truck driven by her father.

Teachers Work On Evaluation Program

Highlands County school pupils will have a holiday on Monday and Tuesday, Oct. 7 and 8. School Superintendent Andrew Miracle said today, "while the pupils are enjoying the two days leave from classes, the teachers will be anything but idle."

The teachers, the Superintendent explained, will be working on the comprehensive evaluation program the county schools are engaged in this year.

"Each faculty makes a broad and complete evaluation of its entire school program," Miracle said. "All evaluations will be based upon criteria comtained in 'Accreditation Standards for Florida Schools'—a bulletin of 335 pages published by the State Department of Education.

"This publication is recognized as perhaps the most complete and most effective publication of its kind yet to be published in the United States and represents the cumulative efforts of some of the outstanding school people of the State and many years of experimentation and study," Miracle concluded.

The Superintendent termed the Monday and Tuesday "holiday" as being for the teachers "possibly the most significant activities of the year."

STEPHEN DIMOND

Stephen Dimond Speaker At Masonic Temple Last Thursday

On Thursday evening, Sept. 26, Stephen Dimond, Executive Officer for Western Florida Order of DeMolay, gave a very interesting and informative talk to a group of ... high school students at the Avon Park Masonic Temple. Also present were ... parents and ... members of the Peace Ridge Advisory Council for DeMolay.

Dimond traced the growth of DeMolay from its beginning in 1919 in Kansas City when the late Frank Sherman Land founded the Order with a nucleus of nine boys, to its present membership of over 3,500,000. He also explained that the Order is named after Jacques DeMolay, who was the last Grand Master of the Knights Templar. He was thrown into a dungeon by Philip IV, the Fair King of France. After seven years of torture so cruel that it aroused indignation even among contemporaries, DeMolay and his associates were burned at the stake on March 18, 1314, on an island of the river Seine in Paris, France.

It was also explained that the Order is not a fraternity and has the approval of our State Department ... Order ... and C... for women ... [illegible]

... State of Florida ... with five new areas requesting Letters Temporary to constitute new chapters, including Avon Park. He also told of the countless number of famous men in America today who started their rise to fame and fortune in the Order. The list includes 18 Senators and 56 Congressmen in the present Congress, 26 Governors, as well as such famous men as Walt Disney of Disneyland, John Steinbeck, the writer, Bob Mathias, Olympic Champion, J. Edgar Hoover Chief of the FBI, Eric Bloy, Episcopal Bishop of the Diocese of Los Angeles, and Alvin Dark, Manager of the San Francisco Giants. Dimond also stated that Senator Barry Goldwater of Arizona had recently been issued the DeMolay Legion of Honor.

Commissioners To Meet Thurs.

The Highlands County Board of County Commissioners will hold their regular meeting two days late this week. Thursday at 8 a.m. the board will convene.

Commissioners James Creel, Eugene Hamlin and Ben McGee were out of the county in the early part of the week attending a convention of the Florida Association of County Commissioners.

The commission usually meets on the first and third Tuesdays.

Local Fire Loss Shows Decrease Over Last Year

The yearly report of the Avon Park Fire Department submitted by Fire Chief W. W. Giddens shows that Avon Park's fire loss was $13,050.00 this year. This is a decrease of $11,000.00 over last year's loss. Property involved in fires was $300,000.00.

The records indicate that the department answered a total of 103 alarms as follows: Construction fires 35, grass or woods 40, automobiles ..., rescue 12, false alarms ...

Chief Giddens would like to take this opportunity to remind the citizens of this community that next week, Oct. 6-12, is National Fire Prevention Week. Members of the local Fire Department ... conducting ... campaign against fire ... [illegible] ... schools and public buildings in this area.

Chief Giddens and the members of his department urge each and every citizen in this community to take part in helping to make this a fire-safety community. Just a little thought at times can prevent serious loss of lives and property.

The nation's fire loss was $1,265,002,000.00 last year. Avon Park's contribution to this figure was $13,050.00. In the coming year, let's try and withdraw our contribution to the fire losses. Have you checked your home recently for fire hazards? If not, do it now. If you need assistance in checking your home for fire hazards, call your local fire department.

MRS. CHARLES MOORE, Treasurer of the Junior Woman's Club is shown here presenting Mr. Audice Lynd, Administrator of Walker Memorial Hospital a check to equip the L. B. Nurses Station. This is part of the Avon Park Junior Woman's Club Community Improvement Project.

Washington Report

By Congressman Jim Haley

[illegible] But if government price controls, taxes, and the like prevent an adequate return on invested capital, they of course, cannot obtain that capital.

This — with our help — a socialist system can be imposed on India. But the system is not exclusive to India. We see it at work even in our own country, in the form of exorbitant taxes and other restrictions which [illegible] profits, inhibit modernization and expansion, thus handicapping economic progress and creating unemployment.

All this is not entirely by accident. The basic Socialist theory is that all key industry should be nationalized — in other words, run by the government. And I would ask you bluntly: Why should we help achieve this in India, unless our officials think it also is a good enough way of life for our own country?

Dove Season Opens Oct. 5

TALLAHASSEE — Florida dove hunters [illegible] field at 12 noon Saturday, Oct. 5, when the first phase of the 1963-64 [illegible] dove hunting season opens in [illegible] counties, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission.

Hunting will be allowed every day from 12 noon until sunset through Nov. 3 in most counties. Counties in which first phase dove hunting will not be allowed are Glades, DeSoto, Hardee, Hendry, and that portion of Franklin County known as Alligator Point.

Dove hunters will be allowed a daily bag limit of 10, with a total possession limit of 20. Hunters must possess valid hunting licenses, available from all County Judges. Shotguns must be plugged to three-shell capacity, and rifles are prohibited for taking migratory birds. Duck stamps are not required for taking doves, but will be required to take ducks and geese when the waterfowl season opens.

Aldrich said "there will be strict patrolling on early dove and marsh-hen shooting by both Federal and state law enforcement officers to see that all regulations are enforced. We urge all hunters to abide by all hunting regulations and to hunt safely at all times. Hunters should remember that when they hunt on the lands of another person, they are guests. Respect the owner's rights and property. Good manners keep down posters which keep you out."

WHY DOES GOD CARE?

We are so tiny in the vastness of space, so drab in the grandeur of nature. Why does God care about each one of us?

This question has always plagued the mind of man. It will certainly never be completely answered to his satisfaction until he [illegible] the evidence of man's importance to God: *Thou hast made him a little lower than the angels.*

It remained for Jesus Christ to reveal the love of God. Sunday — World Communion Day — Christians will unite in the sacrament which is their richest experience of the glory and honor God has given.

The world over, men will rejoice in the Divine Love, so far-reaching, that God gave His Son for humanity.

MISS MARGARET GOODELL BAKER

Baker-Collins Engagement Announced: To Wed In Dec.

M[illegible] and Mrs. Clinton L. Baker, 1620 Galloway, Memphis, Tenn., announced the engagement of their daughter, Miss Margaret Goodell Baker, to Charles Robert Collins, son of Mr. and Mrs. Jack E. Collins of Avon Park.

Miss Baker is the granddaughter of the late Mr. and Mrs. Moritz P. Capen of Jacksonville, Fla., and the late Mr. and Mrs. Cary L. Baker of Hamburg, Ark.

Grandparents of the groom are Mrs. Ambrose Collins and the late Mr. Collins of Fort Ogden, Fla., and the late Mr. and Mr. Julius J. Edwards of Arcadia, Fla.

The bride-elect is a graduate of Memphis Central High School and holds a B.S. Degree in education from the University of Mississippi. She played in the percussion section of the Ole Miss marching and concert bands, and accompanied the band on its trip to the World's Fair in Brussels. She was active in intramural sports, dormitory social chairman, and a charter member of Tau Beta Sigma, national honor band sorority at the university.

Miss Baker traveled extensively in Europe following graduation and has been teaching physical education in the Avon Park High School for the past year.

Mr. Collins attended high school in Avon Park where he played football and was senior class president. At the University of Florida he engaged in intermural sports, and received the Phi Sigma Award in Biological Sciences. He graduated with honors with a B.S. in Agriculture. At present he is field representative for the Florida Farm Bureau and a citrus grower.

The wedding will take place in Memphis at Evergreen Presbyterian Church during the Christmas Holidays.

Pearl Todd Circle Meet

The Pearl Todd Circle of the Florida Avenue Baptist Church met at the home of Mrs. Gladys Shank on East Thomas Street. Eight members and two visitors attended.

A discussion was held on "The Life of Annie Armstrong," under the direction of Mrs. Phillips.

After the meeting was held the guests were served a variety of refreshments by the hostess.

The program was splendidly done and had much more simplicity than the National Honor Society programs of the past.

Following the program was a luncheon held at the Congregational Church for the new and old members of the Chapter. The proud parents left from the school to attend the luncheon also.

Wednesday, Sept. 25: Mrs. Violet Moseley, the Home Economics Instructor, proudly presented the new Early American Furniture to her classes today. The Future Homemakers of America purchased this furniture in arranging a "FHA Nook" as it will be called. Other members of the FHA will bring different items of furniture to make the room more complete.

The new room will be used for counsel meetings and small conferences.

Thursday, Sept. 26: The first meeting of the Future Teachers of America was today. The sponsor of the organization this year is Mr. R. S. Rogers. He is from Fort Lauderdale and is one of this year's new teachers at APHS. Mr. Rogers will be assisted by last year's sponsor, Mrs. Patti Hill.

Today new officers were elected and they are as follows: Judy Pritchett, president; Gail Bennett, vice president; Alice Niblett, secretary; Emily Christensen, treasurer; and Charlotte Gibbs historian.

Some things that were mentioned at the meeting were ways of making money and things to be of service to the school.

Friday, Sept. 27: The last few minutes of the week was spent in the auditorium with the pep rally. The cheerleaders cheered, the band played and the students yelled for a victory over Mulberry.

After the pep rally was over Mr. Crittenden announced that there would be no school Monday along with a few other announcements. Then the editor of the yearbook, Doug Stone, announced that yearbooks would go on sale Tuesday, Oct. 1. He also said that each person that purchased a yearbook would have the opportunity to vote for a senior girl for yearbook queen. The editor then said the girls who attained the highest number of votes will be candidates. He then read a letter he received from the person he had asked to be the judge. This person accepted and the letter was signed Richard Chamberlain, the star of TV's Dr. Kildare.

Mercury

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field—demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard, a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space—11 suitcases big (17.1 cu. ft.). And a far greater styling choice: racy Marauder styling (above) or unique Breezeway Design (right), with the only rear window that opens for ventilation, stays clearer in rain or snow. Funeral services will be held at the Florida Avenue Baptist Church Friday, Oct. 4 at 2 p.m. with Rev. R. L. [illegible] and Rev. J. M. G[illegible] officiating.

Pallbearers will be C. B. Gore, Harrison Budd, Kelley Phillips, George Haynes, Jack DeLaney and John C. Wright.

Highlands Post No. [illegible] American Legion of Avon Park will conduct military rites at the graveside.

Mr. Thompson's remains will be laid to rest in the Bougainvillea Cemetery with Stephenson Funeral Home in charge of the arrangements.

Newest model makes its bow—

Chevrolet's Chevelle Malibu SS Coupe

Newest member of the growing Chevrolet passenger car family is the Chevelle. Although 16 inches shorter and 2.4 inches narrower than comparable Chevrolet models, the Chevelle offers virtually all the interior roominess and smooth fine car feel of a full-size luxury car. The Chevelle Malibu SS sport Coupe (shown above) is one of 11 Chevelle models which will be in dealerships beginning September 26. The Chevelle is offered in the Malibu, Malibu SS and 300 Series.

Hardee A.A. Group To Meet

The Alcoholics Anonymous of Hardee County will hold a [illegible] meeting at the high school cafeteria in Wauchula, Oct. 12, from 2:30 [illegible] A.A. speaker will be from St. Petersburg.

The public is invited to attend the meeting and the committee hopes that all who can will attend.

Avon Personals

[illegible]

Mr. and Mrs. Dave [illegible] of Lake P[illegible] Avon Park at [illegible] Canfield [illegible] the Route 66 Service Station on Highway 27 [illegible] Avon Park [illegible] welcome [illegible] Candy.

Staff Sgt. Frank Waddell of MacDill Air Force Base in Tampa has been transferred to the Bombing Range at Avon Park. Waddell and four other men will be the kitchen staff there. Sgt. Waddell and his wife, Mildred, have bought a trailer and will live on the base. Mrs. Waddell is the daughter of Mrs. Cora W[illegible] of Avon Park.

James Parsons, an editor of Harcourt Brace and World of New York, is visiting with his parents, Mr. and Mrs. J. J. Parsons on Tulane Circle.

Mr. Jim Runkle has finished his assignment with the Missile Project in South Dakota and has been assigned to Page Communication Engineering office in Washington, D. C. The Page Company does government contracts and Runkle has been with them for two years. The Runkles still maintain their apartment house in Avon Park.

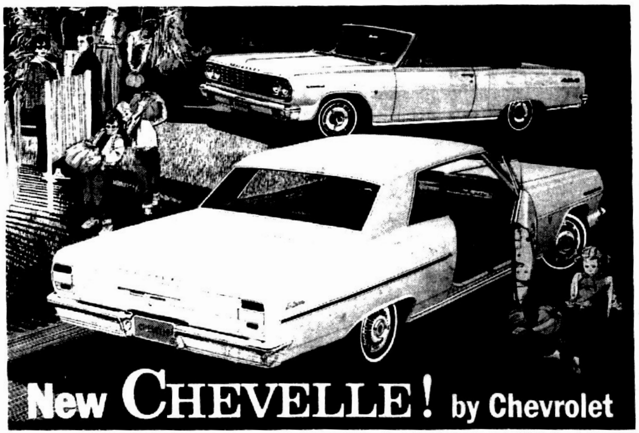
new name, new size, new style, new spirit, new car!



New Chevelle Malibu Sport Coupe (foreground) with Malibu Super Sport Convertible

[illegible] between Chevrolet and Chevy II. The Chevelle is a highly polished car on a trim 115-inch wheelbase. Remarkably agile and easy to handle and park. But it's roomy inside, with many of the comforts [illegible] in a bigger car. [illegible] comes from the people who developed [illegible] and [illegible]. Its four engines—V8 or 6 [illegible] that irrepressible Chevrolet spirit all the way up to 220 hp*. Its lively, graceful styling and Body by Fisher craftsmanship make its modest price all the more remarkable. And it comes in three series and eleven models—wagons, sedans, sport coupes, convertibles. Want to check further? Consider this your invitation for a real hood-raising, door-slamming, seat-bouncing, wheel-turning time of it at your Chevrolet dealer's.

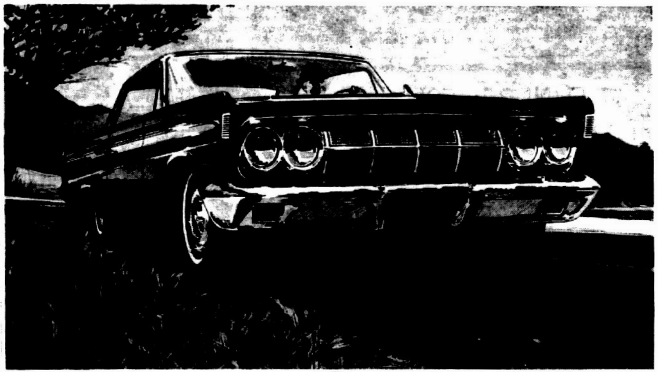
For 1964...Comet announces a car that's every bit as hot as it looks...



Comet Caliente

This is the beginning of a new kind of Comet. Hot, husky, handsome—top series in Comet's '64 lineup. Engines range up to a 4-barrel Cyclone 289 cu. in. V-8 in all Comets.

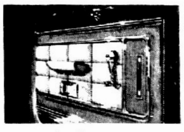
"Caliente" means hot...

In Spanish. And this new Comet speaks the language. It looks hot. And it is! Your choice of four engines provides the punch. The topper is a big Cyclone 289 V-8—most responsive in Comet's field. More choice:

Now Comet offers 3 series...

the top-of-the-line Caliente, and the economical 202 and 404 series. Ten models . . . all bold and racy. A wide transmission choice, too, including a smooth, silent, new Multi-Drive Merc-O-Matic—unmatched at the price.

Elegance at a compact price



Prime example of Comet's new elegance is the Caliente, with the warm look of walnut on the interior trim... plus lavish bit scout pattern upholstery.

Power steering . . . power brakes . . .

AM/FM radio . . . air conditioning . . . every luxury option is available in the new Comets. You can even get . . . but no! Ask your Mercury dealer about it. See COMET—A Mercury Product

Replacement of burned-out light bulbs is difficult now that the fence piping has been installed, preventing driving of a truck onto the courts. Previously installation was effected by leaning an extension ladder against the side of a truck. Any suggestions for new methods will be appreciated by Mack Flowers, who is in charge of this for the city, and has been very cooperative heretofore.

Action in starting the proposed School Girls Tournament has been delayed pending completion of the fencing work at the court.

At 9 a.m. Tuesday, the ladder standings were:

Senior Ladder—Bryan Williams, Keith Collyer, Jeff Childers, John Rodgers, Jim Rodgers, Danny Butler, Billy Miracle, Eddie Bates, Bobby Barben, Carroll Cash, Al Yarbrough, Wallace Kirkland, Mike Duggan, Wolfgang Halbig and G. L. Townsend.

Junior Ladder—Leon Watson, Gary Briscoe, Jeff Stokey, Dennis Hart, Dennis Bass, Ronnie Laye, Bobby Runner, Milton Howard, Ronnie Runner, Mike Ward, Paul Church, Bruce Peterson, Don Laye, Ricky Brooks, Ronnie Gentry, Lance Rhymes, Edwin Townsend and Donnie Gentry.

Science Fair Awards Banquet In January

Plans are already being laid for an Awards Banquet to honor ribbon winners in the Highlands County Science Fair in January. The planning began when the Highlands County Science and Mathematics Teachers Association held its initial meeting of the year here at the residence of Earl Varnes.

Varnes is president of the Association for 1963-64. The Association was organized to stimulate interest in science and mathematics among the students and teachers of the county. Its best known activity is the sponsoring of the county-wide science fair.

Varnes, director of the 1964 fair, said the fair is to receive financial support from the Highlands County Fair Association. Science projects from students in grades four through 12 will be displayed at the county fair in Sebring, Jan. 13-18.

The displays will be shown in the Skating Rink Building. The banquet, a new feature of the county science fair, will be the time when initial announcement is made of award winners. The Sebring Firemen's Association will sponsor the banquet.

Winners in the county science fair will be eligible to enter their projects in the regional fair at Wauchula in March. Highlands students compete with students from Hardee, Hernando, Osceola and Pasco Counties.

The 1964 state science fair is to be held in Orlando, in April.

At their meeting here the Highlands County teachers named Mrs. Willodean Rafferty to serve as coordinator of science clubs in the county.

Floyd Clark, coordinator of science and mathematics for Highlands County schools, said three science clubs have been organized "with the purpose of challenging student imagination and broadening scientific concepts and understandings."

David O'Berry is advisor for the Avon Park club, Malcolm Ross is advisor for the Lake Placid club, and in Sebring the advisors are Carl Harner and Mrs. Rafferty.

Pupils To Help In Goodwill Drive

Avon Park pupils will take part in National Employ the Handicapped Week Oct. 6-12 by collecting clothing and other usable items for non-profit Goodwill Industries.

The county wide drive will benefit 311 handicapped or aged men and women in west-central Florida employed by the hire-the-handicapped organization.

Elementary and high school pupils will take Goodwill bags home on Oct. 4. The bags are to be filled with clothing, shoes, toys, household articles, small electrical appliances and other things around the house no longer wanted. Filled bags are to be returned to the schools Thursday, Oct. 11 for pickup by Goodwill and volunteer trucks.

Goodwill has credited young people with its successful program. More than 140,000 bags of clothing are collected for Goodwill each year by school children in the fall and by Boy Scouts in the spring.

Goodwill started operations in Oct., 1954 in a former dairy building in St. Petersburg with 40 employes. It soon outgrew those quarters and built a new plant on Gandy Boulevard midway between St. Petersburg and Tampa with 110,000 square feet of floor space. Included are a chapel and a cafeteria.

Articles given to Goodwill are repaired or renovated by the handicapped workers for resale in 15 Goodwill stores. The stores sales are used to pay the employes, Goodwill being about 95 percent self-supporting.

BEN HILL GRIFFIN, left, receives a token of appreciation from Ernest Lane, president of the Avon Park Lions Club.

Ben Hill Griffin Talks At Lions Club Dinner

Tells Of Visit To Russia

Honorable Ben Hill Griffin, State Representative, of Frostproof, held the Avon Park Lions Club spellbound last Tuesday night as he spoke to the group and unfolded the story of his recent visit behind the iron curtain to observe Russian collective farming.

Mr. Griffin was among the 49 men from Florida making the agricultural tour of Russia, a trip sponsored by People to People Goodwill Missions, Inc. which was established during the Eisenhower Administration to organize goodwill tours to foreign countries.

Doyle Conner, State Commissioner of Agriculture, was host to the group and handled all plans for the tour. Each man paid his own expenses for the trip.

"Anything I say here tonight will be my personal impressions of this trip, and not necessarily the opinions of the group," Mr. Griffin said. And from that point on he made it quite clear that his talk would be "cold turkey" without any censorship. So the Lions feasted on good old-fashioned cold turkey with no water in the gravy for well over an hour.

The main purpose of the trip was to get behind the iron curtain to see how Russian collective farms operate. According to speaker Griffin, the tour was quite strenuous, but most rewarding from an educational viewpoint. The schedule was arranged to allow the group to visit places of interest in Moscow without any restraint. In general, the people of Moscow appeared depressed and unhappy, yet they were friendly. Moscow, as described by Mr. Griffin, is a well kept city with a fabulous subway system built 300 feet under ground and adorned with elaborate artwork depicting their heroes. Access to the subway is by modern esculator with all modern conveniences. Few automobiles are found on the streets, and then they are very old models of Russian make. Taxi cabs are driven strictly by women, and the streets are washed down daily by women street cleaners. Barber shops are operated by women barbers with one man to supervise them. A haircut, shave, tonic and manicure can be had for one ruble or less. A ruble is now worth about $1.10 in U. S. money. There are Russian soldiers everywhere on the streets of Moscow, but they do not appear very immaculate in their cheaply made uniforms. However, the city policemen were dressed up in snappy jackets and caps and make a very striking appearance.

Education in Russia is being expended rapidly, and now Russia is spending 15 per cent of its national income for educational purposes. This compares to about 3½ per cent of the national income in the United States. Children are not working on farms or in factories, but are required to attend school under a forced education plan. English is a required language in all Russian schools, and when a child reaches 10 to 12 years old he is able to speak English.

Getting back to Moscow, the stores and shops were poorly stocked with goods; especially short supplies of meats and clothing. Also, there were few

Special Council Meeting Held Monday, Oct. 7

The meeting was called for the purpose of sustaining or rejecting the suspension of Patrolman King; the hiring of additional policemen and the discussion of the advisability of the separation of the police and fire offices or departments.

All members present including the Mayor and City Attorney.

Motion by Councilman Kelton Hill, seconded by Councilman George Border, that the suspension of Patrolman King be sustained. Upon roll call Councilmen Hill, Border, Clarence King and Dan Bennett voted "aye," Jimmie Doerr, "naye."

The Chair stated that the committee had recommended Earl Gordon and Grady Campbell for the two open replacements in the Police Department. He called for discussion or a motion.

Motion by Bennett, seconded by Border, and carried unanimously that Gordon and Campbell be hired in the Police Department at a probationary salary of $275.00 per month.

After a lengthy discussion of the separation of the police and fire departments, it was decided to separate them. A committee consisting of Hill, Bennett and Border volunteered to work out the details, with Hill acting as chairman.

It was unanimously agred to set the probationary salary for Mrs. Carlson at $265.00 and the Chief of Police at $400.00 per month.

Motion by Border, seconded by Bennett, that the City send Mr. R. L. Adams, the Building Inspector, to the Research Conference of the Southern Building Code Congress, and also attend the Plumbing Congress, combining the two Inspector's upon return.

Upon roll call, Hill voted "naye," King, Border, Bennett and Doerr registered a "yea."

IN MEMORY

The memory of the late Mrs Eileen Young Babcock, who served Dr H. W. Coleman as a nurse in the Medical Building for 12 years, will be honored by a room furnished in the new wing of the Walker Memorial Hospital. Contributions toward the furnishings will be received at the Medical Building or at Walker Memorial Hospital.

Fort Meade Game

The [illegible] the opening kickoff [illegible] the loose ball for the Fort Meade team and on the Miners' first play from scrimmage fullback Charles Mosley broke through the Devil defense and ran 58 yards for a Miner TD. The run for the point after was stopped short by the [illegible] Miners led 6-0 with [illegible] minutes of the game gone.

Avon Park scored next after Lanse Padgett recovered a Miner fumble on their own 11 yard line. Padgett moved the ball to the three and then Jimbob Maddox powered through for the Devil's only score of the game. Quarterback Bobby Coleman was stopped short of the line trying for the extra point.

After the two scores in the first period, the remainder of the first half was a series of fumbles and interceptions. The Red Devils held the Miners on three different drives and recovered a fumble to stop another while the Avon Park offense fumbled twice, had one pass intercepted and was forced to punt once.

Early in the second half Fort Meade punted to Avon Park's five and on the Devil's first running play the ball was fumbled on the hand-off and recovered by a Miner. Again Mosely carried the mail for Fort Meade going over on the first play from the eight on a burst up the middle. The Miner's run for the extra point was no good.

Trailing 12-6 Avon Park looked like they had pulled themselves together as they drove from their own 30 to the Miner four yard line. However, at that point with a third down and four needed situation the Devils fumbled again but managed to recover themselves. The loss was too much however and the Miners held on fourth down taking over on their own five.

Things still looked up for the Devils as the Miners were unable to gain an inch in three running plays and were forced to kick from their five. The Miner punter was roughed on the kick, however, and the 15 yard penalty gave the home team a first down. From that point, Fort Meade moved to Avon Park's 15 with the aid of Clifton Jenkins' 40 yard dash. The Devils stiffened at the 15 and pushed the Miners back to the 22 to take over on downs.

NATIONAL SCHOOL LUNCH WEEK Oct. 13-19

Sixteen million school children buy economical, nutritious noon meals at school every day under the National School Lunch Program, through which the U. S. Department of Agriculture provides about 20 percent of the total cost in cash and food. In recognition of the efforts of local citizens who run the program in 68,000 schools across the Nation, the President has proclaimed National School Lunch Week, October 13-19, during which school and community activities will point up the contributions of school feeding to the health and well being of tomorrow's citizens.

* * *

National School Lunch Program Is Largest Single Food Service

[illegible]

Food used in the National School Lunch Program has now reached a value of well over [illegible] annually. According to USDA's Agricultural Marketing Service which administers the program nationally, four-fifths of this food—almost $650 million worth—is bought by the schools in their own local market areas.

Total foods used in the national lunch program annually represent a train of 137,000 cars reaching a length of over 1,000 miles. This represents 10 per cent of the total U. S. food sold through food service outlets.

In recognition of the lunch program's value and achievements, the Congress in 1962 requested the President to issue annually a proclamation calling for observance of National School Lunch Week. For 1963, it is the week beginning October 13, with the theme "School Lunch Serves the Nation—Through Food for Learning."

In issuing the proclamation, President Kennedy called upon the people to observe National School Lunch Week this year in order to increase public understanding and awareness of the significance of the school lunch program to the child, home, farm, industry, and to the nation.

The President's proclamation also calls attention to the fact that the lunch program represents one of the nation's best examples of a cooperative local-State-Federal partnership for the benefit of a most important segment of the country's population.

[illegible]

The Type A lunch, as compared to the average a la carte [illegible] meets from a third to a half of the recommended daily dietary allowances and includes [illegible] a protein-rich food, generous servings of fruits and vegetables, bread, butter or fortified margarine, and a half pint of milk.

The National School Lunch Program teaches children to develop sound food habits, eat a wider variety of foods, and practice good table manners. The lunch operation helps to make a wholesome, appetizing lunch available to the nation's children every school day.

PROCLAMATION

WHEREAS the national school lunch program helps make it possible for our young people to enjoy a lunch rich in the essential elements of a good diet, and helps them to learn the benefits to be derived from good nutrition; and

WHEREAS the serving of a nutritious lunch to 16 million children daily, in 68,000 schools, entails the consumption of foods from the entire range and variety of items that are so abundantly and efficiently produced by our farmers, and the employment of the unexcelled skills and techniques of our highly developed food-marketing system; and

WHEREAS the national school lunch program represents one of the Nation's best examples of a cooperative local-State-Federal partnership for the benefit of a most important segment of our population; and

WHEREAS, in order to gain recognition from citizens and civic groups for the work of the national school lunch program, the Congress, by a joint resolution approved October 9, 1962 (76 Stat. 779), has designated the seven-day period beginning on the second Sunday of October in each year as National School Lunch Week, and has requested the President to issue annually a proclamation calling for the observance of that week:

NOW, THEREFORE, I, JOHN F. KENNEDY, President of the United States of America, call upon the people of the United States to observe the week beginning October 13, 1963, as National School Lunch Week, with ceremonies and activities designed to increase public understanding and awareness of the significance of the school lunch program to the child, to the home, to the farm, to industry, and to the Nation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this 27th day of August in the year of our Lord nineteen hundred and sixty-three, and of the Independence of the United States of America the one hundred and eighty-eighth.

Off the FIRST TEE

This week's schedule of events:

Thursday, Oct. 10 — Bridge and Pinochle night, 7:30 p.m.

Friday, Oct. 11 — Open house following football game.

Sunday, Oct. 13 — Mixed scramble, 2:30 p.m.; Covered dish supper, 6:30 p.m.

Tuesday, Oct. 15 — Ladies Golf at 9 a.m.

Wednesday, Oct. 16 — Pro-Am tournament, 1:30 p.m.; Smoker, 6:30 p.m.

The golf course is open all day every day. Steak, chicken and shrimp dinners now available at the club house upon reservation.

Our sincere thanks to Bob Stone, of Stone Radio & TV Service, for the splendid entertainment provided by the Zenith Color TV installed in the club house for the World Series games. Dodger fans think the series was wonderful. Yankee fans are too stunned to think. Wait till next year. Nevertheless, it was a great show and a great series. Thirty members and guests enjoyed the game on Sunday afternoon. Thanks again, Bob.

Ladies Day on Tuesday. Play will start at 9 a.m. Lunch will be available in the club house at noon. Salad, sandwiches and soup.

Thursday night, Oct. 13, will be Bridge and Pinochle night. Get up a group and come out at 7:30. Prizes will be awarded.

Make your plans to compete in the mixed scramble on Sunday afternoon. Tee-off time 2:30. Foursomes will be made up from the current handicap list thereby giving everybody a chance at the prizes. Remember, the more players the better the prizes. Following the scramble at 6:30 will be a covered dish supper featuring baked ham as the main course. The charge for these covered dish suppers is $1 with the management providing the main course, bread and beverage.

A Pro-Am tournament will be held on Wednesday, Oct. 16. Tee-off time 1:30. Prizes will be awarded as usual. Another Smoker is scheduled for 6:30 p.m., featuring a choice steak broiled to your order.

The club house will be open after each home game and nearby game for Avon Park High School Boosters and their guests. There is a charge of $1 per couple for non-member guests.

The Pro shop has received a lot of new merchandise including some Christmas specialties for the golfer. Thermos jugs that can be attached to cart handles; mens and ladies caps in smart colors; gift boxes of a half and a dozen golf balls, to mention a few of the items now on hand. Fred is available daily for instructions so make your appointment for a golf lesson.

N.M.R.A. To Meet In Winter Haven

Model railroaders may be judged to have strange appetites, according to the menu of a supper to be served at the Sunshine Region, National Model Railroad Association, here October 19.

The menu reads valve oil, slum-gullian, hardtack, cabbage and mud.

In that order, the interpretation is: orange juice, stew, bread, slaw and coffee.

It is all part of a hobo supper planned for the organization's annual convention.

Those who do not turn up in a hobo costume will be charged an extra dollar.

For 1964...Comet announces a car that's every bit as hot as it looks...

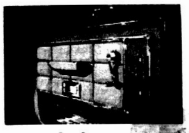
This is the beginning of a new kind of Comet. Hot, husky, handsome—top series in Comet's '64 lineup. Engines range up to a 4-barrel Cyclone 289 cu. in. V-8 in all Comets.

"Caliente" means hot... in Spanish. And this new Comet speaks the language. It looks hot. And it is! Your choice of four engines provides the punch. The topper is a big Cyclone 289 V-8—most responsive in Comet's field. More choice:

Now Comet offers 3 series... the top-of-the-line Caliente, and the economical 202 and 404 series. Ten models... all bold and racy. A wide transmission choice, too, including a smooth, silent, new Multi-Drive Merc-O-Matic—unmatched at the price.

Elegance at a compact price

Prime example of Comet's new elegance is the Caliente, with the warm look of walnut on the interior trim... plus lavish biscuit-pattern upholstery.



Power steering... power brakes... AM-FM radio... air conditioning... every luxury option is available in the new Comets. You can even get... but no! Ask your Mercury dealer about it. Soon.

AVON PARK LAKES NEWS

By Cynthia T. Calvert Phone GL 3-6532

The Board of Governors will meet this Thursday at the club house at 4:30 p.m. All members of the Board are urged to be present.

Rev. and Mrs. R. J. Dahl of Lakeland were dinner guests of Rev. and Mrs. Folkestad last Sunday. It was a special occasion being the birthday of Rev. Folkestad. All join in extending best wishes for many more such days.

Mr. and Mrs. Henry Kempker, Mr. and Mrs. Louis Riha and Mr. and Mrs. Grenville Foster enjoyed a visit to Siesta Key last week.

The Canasta Group met with Mrs. Albert Riebe and spent a most enjoyable afternoon. All were happy to have Mrs. J[illegible] Lorenz back with the group and to see her able to walk with the aid of a cane. [illegible] she was in the hospital.

Mr. and Mrs. Hubert Onkka have returned home after an absence of two and a half months. They first visited Mr. Onkka's sister, Mrs. Lillian Hautta, their daughter, [illegible] son, Leland, in Detroit. Next they went to Bessemer, Mich. to visit Mrs. Onkka's sister and family, then to Iron River, Wisc. to visit her brother, [illegible] Saari and family. Heading west they visited Mr. Onkka's brother, Carl, and family in Sheridan, Wyo., and their daughter, Bettie, in Federal Way, Wash. Going south to California they visited their daughters, Elsie and Vivian and families. On the way back east they visited son, Ronald, in Colorado Springs, relatives in Chicago and then to Detroit to attend the wedding of son, Leland. On the way home they stopped at Cartersville, Ga. to visit Mrs. Onkka's sister, Mrs. Julia Antila. Quite a trip with 10,900 miles run up on the odometer.

Mr. and Mrs. E. D. Conklin of Miami visited the Lakes last week and were inspecting the lots they own on Cornell Road. They were quite pleased with the appearance of the development.

Mr. and Mrs. Charles Coburn and Mr. and Mrs. George Kreml were shopping in Lakeland last Thursday.

Mrs. Elizabeth Winkler reports receiving a letter of thanks from the Hillcrest Home for all the pads made for the Home recently by the Womens Group.

The Association's Tuesday night card party at the club house was enjoyed by 33 members. Mrs. William Robbins, [illegible] guests and [illegible] offee.

Mr. and Mrs. A. M. [illegible] returned to their home on the Lakes last week after an absence of five and a half months spent at their home in Ziegler, Ill. [illegible] and enjoying the family during the summer.

Mr. and Mrs. Charles Keys are back at the Lakes after three and a half months at the former home of Mr. Keys in Bracken Acres, [illegible] Ill. [illegible] the home and [illegible] furnishings [illegible]. The Keys [illegible] at the Lakes [illegible] permanent residence [illegible]

Mr. and Mrs. Roger M[illegible] their home [illegible] Road after a three month vacation spent at the former home [illegible] of Mrs. [illegible] Wis. [illegible] Mr. M[illegible] attended the [illegible] high school class.

Mrs. Lloyd E. Moore was in Walker Memorial Hospital last week for observation and [illegible] that all the tests turned out fine and no further hospitalization will be required.

Mr. and Mrs. Charles Weiss from Lake Tahoe, formerly from Rogers Park, Ill. visited with their friends, Mr. and Mrs. George Kreml last week.

Mrs. James Carlisle wants to extend her thanks to all her friends who sent cards and visited her during her recent sojourn in Walker Memorial Hospital.

The Woman's Group met at the club house last Thursday for their business meeting and sewing later. Twenty-three members were present and served delicious refreshments by Mrs. Edward Tryon and Mrs. Gerard Liggerio, the hostesses.

We extend a warm welcome to our newest resident property owners, Mr. and Mrs. Paul E. Heritage who recently purchased the former Wilson home on Wheaton Road and moved in recently. The Heritages were originally from Ravenna, Ohio but went to St. Petersburg some 20 years ago where Mr. Heritage has been engaged in building construction. Prior to coming here they had resided at St. Petersburg Beach for several years. May your stay at the Lakes be long and enjoyable.

Mr. and Mrs. O'Hair of Springfield, Ill. arrived Monday to spend a few days with Mr. and Mrs. Charles Keys. Mr. O'Hair is a brother of Mrs. Keys. The O'Hairs are on their way to Miami Beach to attend a church convention after which they will visit Nassau before returning home.

Mr. and Mrs. Walter Meyers are back home after a vacation of five and a half months spent largely at North Woods, Wisc. On the return trip they visited friends in Hayward, Wisc., Daveport, Iowa and Rock Island, Ill., then spent a week with their son, John, and his family, in Bloomington, Ill.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BOOTH AT GAMES

The Senior Class will operate the concrete booth at the west end of the football field (by the scoreboard) and the Coke trailer at the west end of the field by the visitor stands. They will be open starting at 6:30 every home game and will remain open until just a few minutes after the game has ended. This year the booth has been enclosed and the services much better. We have new coffee cups with covers and are made of sterofoam so they don't burn your hand.

Please come out and support your team and come by the Senior Booth so you can help the Seniors take a good Senior Class trip.

The group sang several [illegible] like "You Are My Sunshine," [illegible] Cowboy" and [illegible] Your Old Gray Bonnet."

Ann Barber and Cindy Metcalfe played the piano and sang "Can't Stop Lovin' That Man of Mine."

APHS's Golden Girls, Sue O'Steen and Nancy Wright danced and twirled to "Don't Bother Me No More."

At this time Riccardo sang some of his Italian Folk songs in his native language.

Dorothy Grove performed for the audience an accordian solo "Blame it on the Bosa Nova" and "Rambling Rose."

Barbara Doerr, Martina Barber, Marsha Bass and Pat Carroll presented the audience with an oldie "Old Black Joe."

The last final talent for the "Hootenanny" was "Frankie and Johnny" by Anne Barber, Cindy Metcalfe, Lewis Perez, Sandy Biggs, Cheryl Creel, Mike Cantrel and Riccardo Barna accompanied at the piano by Lynda Shepherd and Carol Ann Childress.

After the talents and acts were presented, refreshments were served with a good old fashioned square dance following. Everyone seemed to think the party was a booming success. There was such a variety of entertainment for everyone, including the sponsor of the Student Council, Mrs. Lena Suggs.

Fred Dickinson To Head State '64 March of Dimes

[illegible] Senator Dickinson [illegible] Here are the statistics [illegible] Fully 11 million [illegible] suffer from the arthritic diseases. A fourth of these are [illegible] in their ability to carry out normal activities. A tenth of the victims [illegible] crippled [illegible] more than a [illegible] are confined [illegible] require [illegible]

Senator Dickinson explained [illegible] the March of Dimes has established some seven treatment centers throughout the country to give expert medical care for children with birth defects, for people of all ages stricken by arthritis and for those afflicted by polio. Fifteen of these centers also conduct research.

"And here in our own state March of Dimes money has established a special treatment center at the University of Florida medical center for youngsters with all types of birth defects. Some 500 children will get a chance for a normal life this year because of this center," Senator Dickinson explained. "Plans are now under way to establish a similar type center for sufferers of arthritis at the University of Miami," he said.

These centers coupled with some $800,000 in research grants at the University of Florida where significant research in birth defects is being conducted makes us realize that the national foundation is out to do it again: to put birth defects and arthritis in the category of the conquered as has been done with polio," he concluded.

Sales Tax Collections Show Increase

TALLAHASSEE — J. Ed Straughn, Director of the Florida Revenue Commission said September sales and use tax collections based on August business totaled $17,4[illegible]52, an increase of 22[illegible] per cent over the same month last year.

In dollars and cents Straughn said the increase amounted to $[illegible],2[illegible]4,168 and reflected for the first time a more realistic figure as to the potential revenue producing abilities of the expanded sales and use tax approved by the 1963 legislature.

There is no doubt that further gains will be recorded in all areas of business which were brought under the sales and use tax law for the first time," Straughn said. "We pointed out before that it probably would take six months before the full revenue producing capacity of the expanded tax law would come into full effect. I feel that period of time is unchanged."

The Revenue Commission Director said fiscal year collections, July through September 30, totaled $50,272,429, an increase of 14.69 per cent, or $6,832,724 over the same period for the previous fiscal year.

Calendar year collections total $15[illegible],364,14[illegible], an increase of 7.21 per cent over the same period last year, or $10,[illegible]17,718.

Straughn also reported that gasoline tax collections for September totaled $11,[illegible],200, an increase of $212,[illegible] over the same month last year.

Has Your Bank Got Your Number?

ORLANDO Federal law requires all taxpayers to include on their Federal Income tax returns as income all interest and dividends received or credited to their accounts and pay any tax that may be due. This is not a new tax.

Tully Dunlap, President, Florida Bankers Association, and President, Riverside Bank, Miami, states that now regulations also require all banks and all other payers of interest and or dividends of $10 or more to any one account during each calendar year to report these payments to the Internal Revenue Service.

Internal Revenue regulations require the payer whether a bank or any other payer—to furnish the recipient's Social Security number or other identifying number to Internal Revenue with each reported payment.

The regulations provide a penalty of $5 which may be imposed upon any taxpayer who fails to supply his identifying number to the payer of interest or dividends. This penalty for each failure will be collected in the same way as the Federal income tax.

Savings depositors or bank stockholders who have not reported their Social Security numbers to their bank, should now complete Part 1 of Form 3435, available from banks on request, and return the form to their bank. Those without a Social Security number should ask for an application form for an identifying number.

During the last 20 years, there has been a phenomenal growth in the number of tax returns filed with the Internal Revenue Service. In 1940 there were 19 million tax returns filed; today the volume has increased to over 94 million returns, representing revenue collections of almost $95 billion. The methods of the 1940's are clearly inadequate to handle today's huge volume.

The Internal Revenue Service, therefore, over a period of years, has developed an Automatic Data Processing system, called ADP, which has the ability to verify returns at a speed tax experts would have considered impossible only a few years ago.

But to use this high-speed electronic equipment to its fullest advantage, some means had to be devised to identify positively a given taxpayer's account. Problems such as identical names, address changes or change of name through marriage had to be overcome.

The solution was to assign a number to each taxpayer. This number is to be used on all future tax returns and in statements furnished to the Internal Revenue Service by payers of taxable income, as required by law. In addition to solving operational problems, the numbering system will permit the Internal Revenue Service to determine whether all taxable income has been reported by each taxpayer. This will be accomplished by matching the taxpayer's return against the reports of income paid him from various sources.

The obligations of taxpayers and payers of interest with respect to taxpayer account numbers are clearly defined by the Federal Tax Law enacted by Congress in October of 1961, and further implemented by Internal Revenue Service Regulations (Treasury Decision Number 6606).

Florida Bankers Association suggests the public co-operate with banks who are, in turn, co-operating with Uncle Sam.

Be sure your bank has your number. It may save you $5.00 or more.

INTRODUCING THE DEPENDABLES FOR '64

Compact families, if you've grown larger... Dart's for you

Something new in compacts! Family-size room. Family-size fun. Dart is a fresh new compact in the large economy size.

Dart's a little bigger outside, a lot roomier and more comfortable inside. A bigger engine under the hood, a lot more fun on the open road. And bringing up the rear? A whopping trunk with more usable luggage space than many full-size cars.

Yet Dart is a compact. You can tell by the great gas mileage. By the way it slips into skimpy parking spaces. And by its small compact price. In short, few compacts cost less than Dart. Not one gives you so much for the money. So head for your Dodge dealer and try Dart on your family for size. Three series, nine new models. With each, you get a 5-year 50,000 mile warranty.*

*THE DEPENDABLES' 5-YEAR 50,000-MILE WARRANTY: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Devils Win Over Frostproof Friday

* * *

To Play Wauchula Here Friday

With a 14-7 win over the Frostproof Bulldogs to bolster their morale, the Avon Park Red Devils will be at home Friday night to the Hardee High Wildcats from Wauchula in a non-conference battle.

Both teams will enter the fray Friday night with records of one win and three losses, but the Wauchula eleven handed Fort Meade a 19-12 defeat in the first game of the season while the Miners trounced Avon Park 24-6 two weeks ago. Lake Wales is the only other team both the Red Devils and the Wildcats have met thus far this season and the Highlanders squeeked past Avon Park 6-0 in the season opener but racked up a 26-6 win over Hardee last week.

Frostproof Game

Red Devil halfback Lanse Padgett's determined 20 yard touchdown run in the final seconds of the game gave Avon Park a 14-7 win over Frostproof after the tenacious Bulldogs had tied the game up minutes before in the final period. The hard-running Devil back took a pitch-out from quarterback Leonard Sullivan, skirted the left end of his line, picked up a key block by Jim bob Maddox, and shook loose from a Frostproof tackler on the five to stumble into the end zone for the winning talley. Maddox plunged through for the extra point to sew up the victory for the Devils.

Avon Park drew first blood in the game scoring midway in the first quarter after a sustained 42 yard drive on the ground. Padgett had taken a Bulldog punt on his own 35 and moved it into Frostproof territory to set up the score. Then halfback David Ward, fullback Maddox and Padgett teamed up to grind out the yardage. Padgett reeled off one 19 yard gain to set the ball on the five. An off-sides penalty against Frostproof moved it to the two and a half and Maddox inched up to the one yard line. Then Maddox took the ball again and charged through the line for the first six pointer. Maddox also ran the point after to put Avon Park out front 7-0.

In the second period Avon Park moved to the Frostproof 19 before two consecutive five yard penalties helped stop their drive and the Bulldogs took over on downs on their own 20. Then in the third quarter Frostproof took advantage of a short punt against the wind by Avon Park and moved the ball from the Devil 33 to the 13 before the Devil defense stiffened and held for four downs.

Early in the fourth period Frostproof moved to Avon Park's 27 before bogging down and losing the ball on fourth down only to recover a fumble by a Devil back on the 35 two plays later. It took the Bulldogs just eight running plays to push over for a score as halfback Don Sebastian reeled off gains of ten, nine, five, three and two yards and went in for the TD from the two yard line on fourth down. Guard Jimmy Smith's place kick for the extra point was good to tie the game up 7-7 with two minutes and 42 seconds left in the game.

The Bulldogs kick-off to Avon Park went out of bounds and the Devils took possession on their own 40 yard stripe.

Highlands County Commission Accepts Tax Roll Over $1.8 Million

The Highlands County Commission have accepted the 1963 tax roll issued by Tax Assessor P. C. Gearing, showing Highlands property evaluated at $61,226,821 with a tax levy of $1,827,113.

The board also agreed to a request by Gearing to have his office addressograph machine repaired at a cost of $363, request granted.

Gearing also asked to inspect Addressograph machines owned by the City of Orlando to see if they could be used in his office, with 40,000 items on the county tax roll. Gearing said a stand by machine would be helpful.

County Attorney R. P. Dunty reported to the board that copies of a resolution, adopted by the commission, has been mailed to Gov. Farris Bryant; John R. Phillips, chairman of the State Road Board, Warren A. Cason, road board member who represents this district; H. M. Johnson, road department district engineer at Bartow; and to the Sebring City Council and the chamber of commerce.

This is the resolution, similar to ones adopted by the city council and the chamber, which requests a municipal section in the proposed four-laning of U.S. Highway 27 past Lake Jackson.

Dunty said letters have been mailed which request a meeting in Sebring "with Cason and others concerned" to discuss a change in highway construction plans.

Dunty also reported a boat ramp property at Lake Apthorp by the State Game and Fresh Water Fish Commission.

The board passed a resolution which grants an easement for the ramp to the state commission.

The commission also advertised for bids on nine 2-ton dump trucks and one pick-up. Nine trucks offered on trade in. Bids close November 5.

Rural Route 1 Box Numbers Changed

All Rural Route 1 patrons are reminded of the recent change in their box numbers, which was brought about due to a necessary mail service adjustment and the growth in this area. All patrons were given notices of their new box numbers recently. If any patrons did not receive a notice they should contact Rural Route 1 carrier and request their new number.

Handy printed card forms are available at the Post Office or from the carrier on which patrons may advise their correspondents of their new address. All business concerns may furnish the Post Office a list of their customers on Rural Route 1 and have it corrected free of charge.

For the information of all Rural Route 1 patrons, this adjustment was planned in order that future box number changes will not be necessary for many years to come. Co-operation in correction of addresses will be greatly appreciated. Patrons are encouraged to use their ZIP CODE, 33825, when notifying correspondents of their new address.

Sebring Businessmen Purchase WJCM

A group of Sebring businessmen have acquired ownership of Sebring's radio station WJCM. WJCM is one of the Ridge area's first radio stations, having gone on the air with 100 watts of power in 1950. The original owners sold WJCM to the Progressive Publishing Company, a Pennsylvania corporation, in 1953.

During the ten years that WJCM was operated by the Progressive Publishing Company its power was increased to 1,000 watts.

The new group of owners is headed by James Blackman, Robert Ortt, Howard Johnson and Harold Johnson. They are operating WJCM under the name of Highlands Radio, Inc.

There have been no personnel changes and the new owners will continue with WJCM's policy of placing emphasis on serving the area with news concerning civic, religious, educational and fraternal groups as well as up to the minute news on happenings throughout the world in politics, science, industry and in sports.

A. P. High School PTA To Hold Meeting Oct. 17

Avon Park High School will have its first PTA meeting on Thursday, Oct. 17, at 7:45 p.m. The program "Parents Go To School Night" (school bell and all) will give parents the opportunity to follow the student's daily schedule and hear a brief overview of the curriculum.

The 1963-64 membership drive is in progress under the leadership of Mrs. Kathryn Stokey. "Children In School Need You In The PTA—Join This American Team Today" is the year's theme. Anyone interested in promoting the welfare of youth in the home, school, church and community is eligible for membership.

Local Church Contributes To Broadcast

Members of the local Seventh-day Adventist church will join all Adventist churches throughout North America next Saturday in making a special contribution to the world-wide Voice of Prophecy radio program of Los Angeles, Calif., according to A. W. Ortner, pastor. This gift is an annual practice of the Church.

The program, heard weekly coast to coast, and internationally, features Pastor H. M. S. Richards as speaker, the King's Heralds male quartet, and Del Delker, contralto soloist. Richards was the founder of the program more than thirty years ago, and is one of radio's well-known personalities.

Florida Clergy Conference October 27-31

Forty Florida clergymen representing the various faiths have accepted invitations to attend a University of South Florida conference on economic education.

The Florida Clergy Economic Education Conference will be held October 27-31 at Camp Wingman in Avon Park. The program will be sponsored by USF in cooperation with the Clergy Economic Education Foundation, a non-profit organization headquartered at Purdue University.

Dean Charles N. Millican of the USF College of Business Administration is conference chairman. He explained that members of the clergy are often called upon to interpret economic issues.

"Through sermons and counseling, clergymen are responsible for helping citizens to develop understandings of our economic order—its nature, problems and potentialities," said Millican.

He continued that to do this satisfactorily, clergymen need to be prepared to deal with economic problems, to interpret economic data and to use these skills in their duties as clergymen.

However, the USF dean added, courses in economics and other economic study are largely absent from the formal theological program and related educational programs for clergymen.

Economists will make formal presentations on important facets of the economy each morning, afternoon and evening of the conference. Their topics will include the impact of automation and increased productivity on the American economy, the stake of labor and management in the economy, credit in our economic system, international trade and the common market, and problems

Boats Removed From Tax Roll

W. H. Prescott, County Tax Collector, announced today that he had completed removal of boats and motors from the 1963 tax [illegible].

After [illegible] of the boat law by the 1963 legislature, the Attorney General, Hon. Richard W. Ervin, ruled that it was the intent of the 1963 legislature to remove motor boats from the tax roll and that the registration of boats with motors in excess of 10 HP would be the only tax. There will be no tax on motor boats with motors of 10 HP and less.

Prescott stated that the total value of boats and motors removed from the tax roll was $202,710.00 and would have been a total of $8,304.27 on the tax roll in actual taxes. The number of boats removed was approximately 800.

There has been almost 500 boats registered in this County to date and this registration will return the county approximately $1,800.00.

CHIEF CARROL is shown investigating a two-car collission at the corner of Winthrop and Highway 27. James Hammon was driving the car that crashed into the side of the other car, driven by Jack G. McKinney and Bea McKinney, passenger. Mr. and Mrs. McKinney suffered minor bruises.

County Farmers Elect New Directors

[illegible]

Members of the board [illegible] Highlands Farm Bureau President Mark Katz.

[illegible] McIntosh, Sebring, Mark Katz, Sebring, Robert [illegible] Lake Placid and Robert Hall of Avon Park. [illegible] Payne, Sebring, [illegible] and Jack Hutchinson, all of Avon Park. Those elected to serve [illegible] terms are [illegible] Lake Placid, Charles Metcalfe, Avon Park, Felix Uzzell and William J. Post both of Sebring.

The directors will meet late this month and elect officers from among themselves to serve as the officers of the Highlands County Farm Bureau for the year.

Old Settlers Set For Picnic Wed., Oct. 23

Wednesday noon at 12:30, October 23, the Old Settlers will gather at the Tourist Club for their Annual Picnic. Invitations have been sent out to people who had formerly lived here for 20 years. Also many local residents who came to Avon Park over 20 years ago are now eligible for membership in the organization. There are no dues and there will be no charge for the picnic dinner. Of course each family is expected to bring a covered dish. The "extra items" will be furnished by the committee.

One of the features of the program will be devoted to a recognition of the name of those Old Settlers who have passed away in the past year. The list is already over 50, including those in and outside of Avon Park.

Billy Martin graciously offered to display his 1901 copy of an Avon Park newspaper. It is now in one of the Main Street windows. While you are looking for it, notice the other pictures showing the early history of Avon Park. There have been some changes! More pictures will be shown at the meeting which follows the dinner. An annual election will also be conducted to select the leaders for next year.

The program featuring "Homesteads and Homesteaders" will be presented by a panel headed by this year's president, Ted J. Ward. To all who have lived in Avon Park 20 years or more President Ward says: "Y'ALL COME."

Signs will be posted inside the Bombing Range directing the campers to the check-in station. A word of caution to the adults: Firearms are prohibited on the Bombing Range, except during the hunting season.

This Camporee is different from the ones held in the past. It will afford the boys an opportunity to demonstrate the skills they have learned in camping, hiking, ... and compass reading.

Robert Rizer To Train At APHS In Phy. Ed. Dept.

LAKELAND — Robert Rizer of Dearborn, Mich., a senior at Florida Southern College, has been assigned to Avon Park High School for nine weeks of practice teaching in the physical education department.

He is a member of Florida Southern's fall class of 51 future school teachers who are interning at public schools throughout the state.

More than 2000 students have participated in the college's teacher-training program since 1947.

Plans by the University of Florida College of Engineering to teach graduate engineering courses by closed-circuit television have been endorsed by the Florida Engineering Society.

For every man who ever fell in love with a 'Jeep'—a new kind of family station wagon has been born. The 'Jeep' Wagoneer. It's the first station wagon ever built to offer the comfort, silence, speed and smoothness of a passenger car—plus the traction and safety of 4-wheel drive.

It's sheer pleasure to drive. Simple too. One lever puts you in 4-wheel drive. So at a second's notice you can shift into greater safety...from wheel-spinning in mud or snow...from skids on slick surfaces...from getting stuck or going out of control on the highway or off!

The Wagoneer really makes a demonstration worthwhile. It'll be your most exciting 30 minutes behind the wheel in 1963. Also in 2-wheel drive models. See your 'Jeep' dealer.

How wonderful is enthusiasm. Mom and Dad will forgive this noise. They catch the spirit and joy of their young drummer boy.

Enthusiasm is not limited to small fry. But as we grow older, these joyous moments when our spirits ride high, wear thin and are diluted by everyday cares.

This is true of our religious experience. Often we are filled with eager enthusiasm when we pray and worship. Our church can guide this energy in channels of service and love.

But often our religious enthusiasm fails. In these moments when our spirits lag, we are sustained and encouraged by the enthusiasm of our fellow Christians.

How wonderful is enthusiasm. Come to church to have it renewed — Sunday and always.

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BOOTH AT GAMES

The Senior Class will operate the concrete booth at the west end of the football field (by the scoreboard) and the Coke trailer at the west end of the field by the visitor stands. They will be open starting at 6:30 every home game and will remain open until just a few minutes after the game has ended. This year the booth has been enclosed and the services much better. We have new coffee cups with covers and are made of sterofoam so they don't burn your hand.

Please come out and support your team and come by the Senior Booth so you can help the Seniors take a good Senior Class trip.

Naples Prepares For Swamp Buggy Days

NAPLES [illegible] Swamp Buggy Days [illegible]

[illegible] cards are used to help stage the annual event.

From a one-day affair established in 1949 at the suggestion of a former newspaperman, Naples' unique community celebration has grown to be a three-day affair attracting visitors from all over the state and nation.

Latest innovation is the Powder Puff Derby for members of the fairer sex who don't mind a rush trip to the beauty parlor after driving a mud slinging buggy around the gumbo track.

The mechanical stars of the celebration—the ponderous swamp buggies— are unique means of transportation developed for travel in the soggy cypress and 'glades county of South Florida. Developed long before the celebration, swamp buggies now come with powerful, souped-up engines, many with four-wheel drives, and utilize ex-airplane tires to secure traction in otherwise impassable terrain. They're used to reach remote hunting camps, being too noisy for actual hunting. And to the surprise of many, they can be used as racing vehicles (admittedly with turtle-like speeds) in their own, weird terrain where any other means of transportation will bog.

The famous Kissimmee Boat-A-Cade will take place Oct. 21-27 for the 14th time. The boats will leave Kissimmee for a trip to Indiantown on the Okeechobee Waterway and return.

County Forestry Committee Plans Range Fire Demonstration

The Highlands County Forestry Committee at its October 15th meeting made plans to hold a forest and range fire behavior demonstration late this year. Committee Chairman Carroll Payne of Sebring said that while plans had not been completely finalized, an area near Avon Park looked promising for this year's demonstration. A similar demonstration sponsored by the Fire Prevention Committee was held near Sebring during December, 1961.

Payne said that the purpose of the demonstration will be not only to tell, but to show land owners and other interested people how good control burning practices can be carried on. Payne said the Florida Forest Service will also have equipment on hand to demonstrate fire line plowing and backfire techniques. Payne added that the final demonstration date will be announced later.

The Forestry Committee also took action to step up activities on fire prevention through all means in an attempt to reduce the uncontrolled wildfires in Highlands County.

The Highlands County fire prevention committee members are Carroll Payne and C. Robert Disher, Sebring; George Waggaman, Lorida; Hubbard Biggs, Avon Park; Jack Clark III, and Alex Blair, Lake Placid.

Forest Fire Control Reports Activities

Last week being Fire Prevention week the Florida Forest Service Fire Control Unit of Highlands County would like to report some of its activities during this year and [illegible] being done to prevent fires in the future.

There has been 65 wild fires in the county since January 1, 1963 through September 30 totaling a total of 1274 acres. These are fires in wooded areas. In these same areas for the same period last year there were 80 fires with a total of 4744 acres burned.

In the miscellaneous type fires there were 42 fires burning a total of 260 acres from January 1 through September 30 compared to 65 fires and a total of 744 acres for the same period last year. These fires are in areas such as pastures, Sod, Divided land and land withdrawn from timber use [illegible]

The causes for all these fires were: Lightning 14, smoking 24, debris burning 27, machine use 11, incendiary 16 and miscellaneous 1. This would indicate the value of being careful in the burning of trash, fields, woods or any debris. Also with smoking. The Florida Forest Service will always be ready to assist in any type of burning.

In addition to these fires the Unit has answered several calls to structual fires, saving houses, barns, tractors, etc. valued at approximately $8,000.00. Also there has been about 500 hours spent on muck fires. These activities along with maintaining equipment and buildings have kept the Unit busy so far this year. The equipment in the Unit includes two crawler type tractors, two large transports, two power wagons with 300 gallon water tank, two pick up trucks, one large water pump for muck fires and one small pump. Also several lengths of hose for use in muck fires. The tower sites are located at Desoto City which is the county headquarters, Highlands Hammock, Archbold Expedition, and Brighton.

The Unit has a Forest Fire Prevention Committee that includes C. M. Payne of Sebring, George Waggaman of Lorida, Hubbard Biggs of Avon Park and Alexander Blair of Lake Placid. These local men serve as an advisory committee. The committee along with County Ranger Ray Hutchinson strongly urges everyone to be careful with fire not only during Fire Prevention Week but all through the year. If the Florida Forest Service can assist you in any way, please call at EV 5-8851. Always call this number for all rural fire.

Mittie E. Parnell Passed Away October 13

Mrs. Mittie E. Parnell, 81, of Lakemont, died at the Walker Memorial Hospital in Avon Park Sunday, Oct. 13. She was a native of Manatee County and had been a resident of Highlands County most of her life. She was a member of the Baptist Church in Crewsville.

Survivors include her husband, John W. Parnell, two sons, Calip Parnell of Miami and Harry Parnell of Avon Park, four grandchildren and one great grandchild.

Funeral services were held at the Stephenson Funeral Home Chapel in Sebring Tuesdays, Oct. 15 at 2:30 p.m. with the Rev. Dowe Durrance of Wauchula officiating.

Pallbearers were Dan Cason, Wesley Davis, Ted Farr, Benny Fordham, Denver Albritton and Milton Parnell.

Interment will be in the Bougainvillea Cemetery in Avon Park with the Stephenson Funeral Home of Sebring in charge of the arrangements.

Auxiliary Units Hold Joint Meeting

A joint meeting of the Highlands Auxiliary Unit No. 69, the Leslie Collier Unit No. 74 and the Placid Unit No. 2 was held at Tomac's Restaurant Wednesday evening, Oct. 9.

The theme for the evening was "Flanders Field," carrying out a red and white color scheme. Poppy corsages were presented to the department president, district president, and the unit president.

Mrs. John P. (Mamie) Arnold, American Legion Auxiliary Department President and members of the Highlands Unit, made the official visit in this area.

Virginia Moody, president of Unit No. 74 gave the welcoming address and Margaret Stewart, president of Unit No. 69 responded.

Elsa Fisher, district president, introduced by Mrs. Moody in turn introduced the department president, who was the guest speaker.

Mrs. Arnold's address was centered around "Americanism, Communism and Education."

Following the address Mrs. Arnold was presented a $25 War Bond by Mrs. Moody.

Among the 38 guests present was Mrs. Helen Westfall of Sebring, who is a past department president.

Mrs. G. L. Harrison visited her daughter, Sallie, in Palm Beach Gardens over the weekend.

Navy Sets Dec. 14 For NROTC Exam

Vice Admiral W. R. Smedberg, III, Chief of Naval Personnel, announced recently that the 18th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given on Dec. 14. Eligible high school seniors and graduates should submit their applications before Nov. 22.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice from among the 52 colleges with an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives a retainer of $50 per month for not more than four years. During the summers the student goes on interesting training cruises as a midshipman. After successfully completing a four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer with the Navy's Modern fleets. Immediate challenging assignments to aviation training, nuclear training or submarine training offer varied career opportunities to those graduates who apply and qualify.

High school seniors and graduates who will have reached the 17th but not the 21st anniversary of birth on June 30, 1964 may apply for the NROTC aptitude test. Those who make a qualifying score will be interviewed and given a thorough medical examination early in 1964. From the number of qualified young men remaining in competition, about 2,600 will be selected to attend college next September to prepare for their naval careers.

Application forms are available at local high schools and Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D. C.

JET-SMOOTH LUXURY CHEVROLET—For luxury-loving people. Rich new styling, finer appointments in all four series and 15 models. Engines up to 425 hp*, manual or Powerglide* transmissions.

NEW CHEVELLE—For pacesetting people. A totally new kind of car with small-car handling, big-car comfort! Styling that makes expensive cars jealous. Three series and 11 models, and a full choice of engine and transmission teams!

CHEVY II—For practical people. Chevy II with new V8 power* for fun-on-a-shoestring. Stretches the shoestring further with 4- and 6-cylinder engines. Chevy II's six models in two series all act like they're bigger, more expensive cars!

CORVAIR—For fun-loving people. More fun than ever from Corvair's new bigger engine! Same Corvair handling and riding ease in 9 models—including the 150-hp Turbocharged Spyders!

CORVETTE—For sports-minded people. Corvette now rides softer, smoother—but loses none of its gusto because its big V8 offers versions from 250 to 375 hp*!

Want to get together with other car-loving people? Go see your Chevrolet dealer . . . he likes all kinds!

of American agriculture.

Speakers will include William Haber, head of economics at the University of Michigan; John Hicks, assistant to the president at Purdue University, and the Rev. William Hogan, director of research and program development at Fordham University. He will also open the conference with a talk on "Economic Values in a Judeo-Christian Society."

Representatives of labor, business and agricultural organizations cooperating in the conference will comment following each formal presentation, relating the topics to their particular segments of the economy.

Conference co-chairmen representing the three groups are Floyd B. Bowen, president of the Florida State Chamber of Commerce, Jacksonville; Joseph T. Donovan, staff representative, United Steelworkers of America, Tampa; and Robert N. Morris, agriculture representative, First National Bank of Tampa.

Florida clergymen on the conference advisory committee are the Rev. Jack Davis, executive director, Florida State Council of Churches, Jacksonville; the Rev. Neil Flemming, Roman Catholic Diocese of Miami; and the Rev. J. Fred Dickman, St. Andrew's Episcopal Church; the Rev. John B. Dickson, First Presbyterian Church; the Rev. I. Carnival

Saturday's Halloween Carnival is shaping up as one of the biggest Halloween events to date, according to Junior Woman's Club Co-Chairmen Mrs. Tom Banks and Mrs. Floyd Lindgren.

The carnival is slated to open at Donaldson Park immediately after the Halloween Parade. It will feature fourteen booths sponsored by the Junior Woman's Club and other civic clubs and organizations.

Carnival-goers will find the following booths operated by the Junior Woman's Club:

Fortune Teller, Fire Engine Ride, Fish Pond, Horse Shoe Toss, Ring Toss, Apple Bob, Cake Walk, Pronto Pups and other food booths.

Carnival-goers will also get a once-in-a-lifetime opportunity to "dunk" several members of the Avon Park Jaycees [illegible] new attraction to be sponsored by the Jaycees.

A well aimed baseball [illegible] trigger a [illegible] Jaycee [illegible] water. Jaycee President Robert [illegible] and Jaycees Norman Todd, [illegible] and others will take [illegible] the center of attraction.

Wauchula Upset By Red Devils Friday

Seek Second Conference Win Friday

The Avon Park Red Devils spotted the Wauchula Hardee County High School Wildcats a six point lead early in the first period of last Friday's non-conference football fray and then bounced back with an awesome offensive ground game and a determined defensive display to defeat the Wauchula eleven 21-12 here at Memorial Field to the delight of the partisan Avon Park crowd. It was the Devil's first win over the Hardee team in four years and it was an exciting game from the opening kick-off.

This Friday night the Avon Park squad will invade Arcadia where the league-leading De-Sota County High Bulldogs are riding high with a 3-0 conference record and a 4-1 over-all mark. The Bulldogs have chewed out a 13-0 win over Kissimmee, a 13-0 victory over Okeechobee, and a 7-0 squeeker from Fort Meade. Last week Arcadia won 20-6 over Venice and were handed their only loss of the season by Charlotte High of Punta Gorda in the second game of the year when the Tarpons shut out the Bulldogs 20-0.

The Arcadia eleven has relied heavily this year on the passing arm of quarterback Joe Waldron. Fullback Raymond Christ and halfback Dickie Kelly and Robert Womack are all dangerous running backs and can all be counted on to pull in passes from Waldron. Former Avon Park student Jimmy Yarborough does the kicking for extra points and has been very successful thus far this season. The Bulldogs are hungry for a Ridge title and only Avon Park, Sebring, and Frostproof remain in their path toward the coveted trophy.

But the Red Devils seem to have found themselves in their last two games with a crushing ground game that gained the Devils 251 yards in the Frostproof game and 249 against the Wauchula defense. The Arcadia game is an important one for Avon Park. A win by the Red Devils could throw the Ridge Conference wide open leaving Kissimmee, Frostproof, Avon Park and Arcadia with only one loss each in loop play.

Wauchula Game

The Hardee Wildcats clawed first blood last Friday night as they took advantage of a recovery of the opening kick-off after it hit a Devil lineman and quickly marched 50 yards for a score that set the Devils back on their heels. Five running plays and a 15 yard advance by a penalty against a Red Devil for grabbing a face bar were all the Wildcats needed as tailback Lory Durrance sliced off-tackle and raced 13 yards into the end zone for the score. The Red Devils stood firm on Butch Downing's running attempt for the extra point however holding the Wildcats to six points.

Hardee kicked off again to Avon Park and after Wolfgang Halbig returned the ball to the Devil 40, Lanse Padgett fumbled the ball as he took a hand-off from quarterback Leonard Sullivan on the Devil's first offensive play. Wauchula recovered the loose ball and headed full speed again for the Red Devil goal line. Wingback Lamar Norris ripped off 20 yards and tailback Lory Durrance added 11 more to put the ball on Avon Park's eight yard stripe with a first down situa-

Nation's Capital Site For Assoc. Of Retarded Children Convention

The Nation's Capital is the site this year for the annual convention of the National Association for Retarded Children, it was announced this week by Mrs. Sam King, president of the Ridge Area Association for Retarded Children. More than 1,000 delegates from across the country will gather there at the Mayflower Hotel on October 23 for three days of meetings and events.

Attending as delegates from the RAARC are Franklyn and Mary Ellen Ward, Avon Park. Both have served as president of the RAARC. Mr. Ward is past president of the Florida Council for Retarded Children and Mrs. Ward is currently serving as secretary of that organization. Mr. Ward's name has been placed in nomination for the position as Director from the Southeastern Region to the Board of the National Association.

The Wards left by plans Saturday morning for New York City, where they will visit the headquarters of the NARC prior to attending the convention in Washington.

In announcing the Convention Mrs. King said, "Recognition of Mental Retardation as a major national problem has grown tremendously in the past few years. It is timely that our organization should gather in the Capital this year, where Congress and the Administration are so wholeheartedly engaged in passing legislation to help the mentally retarded."

During the course of the Convention, delegates will hear government leaders and be brought up to date on the current status of pending legislation in the field of mental retardation.

Highlands Court News

Damage suits requesting more than $75,000 have been filed in Circuit Court. The same Sebring intersection —East Center St. and Orange Ave.—is involved in each case.

James Milton Weed is seeking damages in excess of $25,000 from Mr. and Mrs. Leon Hunter. Mrs. Lillie Mae Padgett is asking damages in excess of $50,000 for the death of her husband, James Curtis Padgett.

Padgett was fatally injured July 22 when thrown from his truck as it was in collision with a Pasco Packing Company car driven by Victor Hugh Sullivan of Frostproof.

Sullivan and the Pasco Company are co-defendants in the suit.

The car was travelling east on East Center St. in Sebring, and the Padgett truck was headed north on Orange.

In the Weed-Hunter accident, Hunter was driving his auto East on East Center St and the Weed car was travelling south on Orange. These cars collided on October 15, 1962.

Sebring Attorney Harry Lee is representing the plaintiffs in each of these cases, and in addition Mrs. Padgett is being represented by the Miller, Cone, Owen, Wagner and Nugent firm of West Palm Beach.

An Avon Park driver pleaded guilty to a driving while intoxicated in the County Judge's Court Monday. Judge Mervin Rehrer set Richard D. Lemons' penalty at $200 or 90 days in jail, and revoked Lemons' license for six months.

Roy Smith, also of Avon Park, waived preliminary hearing on an aggravated assault charge. His bond was set at $1,000.

Repetition of traffic offenses has drawn a jail term for Charles Ray Quave of Arcadia. In County Court Tuesday, Quave entered a not guilty plea to a charge of making false affidavit.

He entered a plea of guilty to driving while license is revoked. Judge Mervin Rehrer, indicating some impatience with Quave's record, set a sentence of 30 days in jail and a fine of $200 or 90 days more.

A Lake Placid man is being held in county jail on two counts of assault with intent to commit murder. Barney Haynes is accused of assaulting A. C. Kindrick and Charlie Walker. In County Court Judge Mervin Rehrer delayed any hearing on the case until the extent of Kindrick's and Walker's injuries can be determined.

Joint Medical Meeting Held

A joint dinner meeting, sponsored by the Highlands County Medical Society for the Highlands Bar Association and their wives, was held Monday evening, Oct. 21, at the Jacaranda Hotel.

A program was presented by Howard Livingston, well known attorney from Sebring, and Jere Annis, M. D., of Lakeland, who is a former president of the Florida Medical Association.

The program was entitled, "Socialistic Trends and Threats to the Medical and Legal Profession," and delt with the encroachment of Federal Government and power on these two professions and the general public as exemplified by the recent public defender act and efforts to combine medical care and social security.

Following the speakers, the Highlands County Association held its regular monthly meeting, at which time, Dr. Helen Williams of the Florida Alcoholic Rehabilitation Program was elected to membership. A letter from the Florida Medical Association recognizing 35 years of active membership by Dr. Leldon Martin, of Sebring, was read.

There was a splendid turn out and everyone thoroughly enjoyed the entire evening.

Thought For Today

And what will our children do with the national debt we are passing on to them? They'll pass it on to their young'ens, of course.

Claxton Fruit Cakes For The Holidays

The cakes come in different sizes, one, two, three and five pound boxes and sell for $1.00 per pound. Residents may purchase cakes from members of the club or may contact Mrs. Hazel Wilson who will see that their orders are filled.

Arrangements are now being made for these cakes to be on sale in a number of the downtown stores and a list of the business places where these cakes may be purchased will be printed next week in the Sun.

NAAAP To Hold Annual Meeting At Miami Beach

The Carillon Hotel in Miami Beach will be the scene of the 14th Annual Meeting of the North American Association of Alcoholism Programs (NAAAP) October 27-31.

Attending the meeting will be some 200 delegates from throughout the United States and Canada.

Theme of the meeting will be "Re-evaluating Our Modern Methods," and sessions will deal mainly with treatment and education in the field of alcoholism.

Featured speakers will include top men and women in the field in North America.

Represented in Miami Beach will be all of the 36 state programs in the U. S. and seven provincial programs from Canada.

At the present time, all of the governmental work in the U. S. on the problem of alcoholism is being done by the various state programs. The Federal Government does its part by extending grants to the states for use in treatment, education, and research on alcoholism.

Host agency for the NAAAP's annual meeting will be the Florida Alcoholic Rehabilitation Program, a state agency created in 1953.

Church Benefit Sale October 30

[illegible] furnish the new wing of Walker Memorial Hospital, the members of the local Seventh-day Adventist Church are putting on a Thrift Sale at the W[illegible] Guest Club on Wednesday October 30 from 8 a.m. [illegible]

According to Mrs. Ruth Bayley, vice-chairman of the committee on plans, hot baked goods will be available all day long, as well as sandwiches, punch, etc. Cookies, cakes, pies, entrees and various other delectable dishes will be on sale, and of course there will be a goodly line of clothing and miscellaneous other items — including "mystery packages."

By putting on this sale the Adventist Church is endeavoring to cooperate with the Chamber of Commerce in its efforts to raise money to furnish the modern new wing of the hospital. It is hoped that this sale will net at least $300 to supplement the cash donations.

All those interested in contributing something in the way of food, clothing or other items for the sale should contact Mrs. R. M. Biggs, phone GL 3-6427 or Mrs. Cora F. Thurber, GL 3-6423.

Fire Causes $3.000 Damage To Bird Brooder

The Avon Park Fire Department was called Tuesday at 3:32 p.m. to the home of J. K. Cobb on 111 E. Wolw Street.

The fire was located in Cobb's bird brooder where he was raising quail and pheasants. The cause of the fire was spilled gasoline and the damage totaled $3,000, as the brooder and flock was total loss.

Cobb, a volunteer fireman, sustained burns on the arms and shoulder in his fruitless efforts to rescue part of the flock.

Walker Memorial Needs All Our Help

We here in Avon Park and [illegible] have a job [illegible] for the good of [illegible] of us—our Winter Guests who might need the services of a hospital, our children and you too who never know when hospital care will be needed should be prepared in having all the necessary help available right here at home.

Walker Memorial has made that help available by building and equipping a most modern hospital for our needs.

It is up to us, the people of this area to see that the money is available to finish the job.

If all of us will give a few dollars, the hospital will be paid for, and we can look with pride on the achievement we have accomplished and Avon Park will be one of the outstanding sections in the Ridge Area with hospital facilities that will be a merit to our community.

Give what you can, a few dollars from each of us will complete the job.

Give and give now, and you will feel that much better for doing so.

Pledges can be made over a period of two or three years, and are income tax exempt. If several families would like to furnish a memorial room that can be arranged also. Mr. A. I. Lynd, Administrator of the hospital, will be glad to explain the several ways that you can help. See him at the hospital.

SHOWN ABOVE IS THE NEW 53-bed addition to the Walker Memorial Sanitarium & Hospital just completed at a total cost of around $400,000. Open House will be held in this new wing on November 3rd. at 2:00 P.M., to which all friends and patrons are invited. An interesting program is planned, with important guest speakers, music, and conducted tours through the building. Further details will be given later.

Ward Pledges Fraternity At Georgia Tech

On Sunday, Sept. 29, William S. Ward, son of Mrs. S. J. Ward of E. Bell Street, pledged Kappa Sigma Fraternity, one of 26 National Fraternities at the Georgia Institute of Technology. Bill, who graduated from Avon Park High School in 1963, was one of approximately 1100 men who commenced the Interfraternity Council sponsored Fraternity Rush Activity on September 1[illegible] by attending a Fraternity Orientation Meeting. The Fraternity Orientation Meeting included an explanation of the Georgia Tech Rush System and addresses were given by Edwin P. Kohler, the new Assistant Dean of Students in charge of Fraternity affairs, and Mr. Tozer Brown, Public Relations Director of the National Interfraternity Conference.

Fraternity Rush activities during the past two weeks included two days of "open house," three days of "smokers" and meals for a week, at the various fraternity houses where the rushees and fraternity members had the opportunity of meeting each other, and three parties that served as the social highlight of fraternity rush. On Sunday afternoon, Sept. 29, at 3 p.m., approximately 635 rushees walked to the fraternity of their choice to become pledges in the Georgia Tech Fraternity System, which is known as one of the finest in the Southeast.

Morris Gay Begins Junior College Term

Morris Gay, son of Mr. and Mrs. Robert Gay of Avon Park, registered in the College Department of the Berea College, Berea, Ky. Morris will be a junior this year.

Since its founding in 1855, Berea College has been a non-sectarian private co-educational liberal arts college serving primarily the young men and women of the Southern Appalachian Mountains. Today, as then, the college charges no tuition and provides means for students to earn part or all of their way to an education. Offering study programs on elementary, secondary, and college levels, Berea College is located in the scenic foothills of the rugged Cumberland Mountains.

A Forward Look

Taking a retrospective look has set me to thinking.

What did we do before Walker Memorial Hospital came into being? Thousands of us who are mature can easily recall that when we had illness in the family we had to rush our loved ones to some hospital, perhaps even as far away as Lakeland or Tampa. Sometimes it was a race with death.

But that is ancient history, fifteen years ago, in fact! NOW if I am taken suddenly ill, my wife has me at Walker Memorial Hospital in about five minutes, where the doctor is [illegible] to take over. And if I must make a prolonged stay, [illegible] nurses and technicians are there to administer to my comfort and well-being. And what a comfort it is to [illegible] in the hands of conscientious, skilled doctors [illegible]. And being near, my wife can go out to see me every day, or as often as I need her.

What more do we want? Have we forgotten our blessings? No, never! We all appreciate the fact that we have a hospital right at our very doors, administered by a conscientious Christian staff who are interested in every patient.

Let us thank God for our hospital and support it. Let us show our appreciation in a very tangible way. For suggestions as to how this may be done (if you need ideas), contact any member of our Chamber of Commerce, or the Administrator of Walker Memorial Hospital.

We shall hear more of our hospital's needs from week to week in the columns of this paper.

We speak much of the need for industry, but after the speech on Wednesday one wonders if we would have the stamina and imaginativeness to do what the people of Cocoa have done. The Space Age is a dizzying challenge.

Could lightning ever strike Avon Park? If so, would it only shock us? It was a thoughtful group of men who left the meeting to ponder their own lives in the quieter backwaters of the pool of life.

Post Office Ask Mailers To Use Zip Code

To enable faster delivery of all mail mailed by you (or by your company) we will appreciate your using the Zip Code provided by your local post office on the return address of all mail. In replying to correspondence from various areas outside of Avon Park, please note the Zip Code on the return address and use this in addressing your reply. This five digit code is placed after the city and state on the same line.

This system is an extension of the old familiar zone system. Zip Code has five digits. The first digit represents the section of the United States, the second the state, and the third, the area of the state. The fourth and fifth identifies the post office.

Since the success of the Zone Improvement Program hinges on the cooperation of all mailers it is hoped that you will join in this all out effort to put this program over.

Zip Code number for Avon Park is 33825.

The proposed two-lane toll highway from Naples to Fort Lauderdale has been condemned by the American Automobile Assn. and the Canadian Automobile Assn. as being inadequate and unsafe.

The Pro-Am tournament last Wednesday was washed out by a couple of sudden showers, resulting in several foursomes holding up in a carporte near number two green. And no one had a deck. When the rains came nullifying all efforts, Tom Armstrong, The SunRay Sand bagger, was as usual, well out in front of the Bingle Bangle Bunglers. The contest has been rescheduled for a later date this week. The Smoker following the tournament was fairly well attended. After the supper, featuring choice broiled steak, entertainment was provided by the management. It is planned to hold these Smokers at frequent intervals, so watch for announcements.

Walter Betts returned to the flat lands after a couple weeks vacation in the hills of North Carolina. He reports that the fairways on the course he played were so steep that after hitting the tee shot you had to ride a ski tow.

There were also numerous also rans, with the usual number of balls landing in Young's Ship Channel and Betts' Lake. Fred has scheduled Blind Bogies for Wednesday and Saturday of this week. And a mixed scramble for Sunday.

"Dear God..."

When Grandmother was a girl, prayer was no stranger to her. She learned early to turn her thoughts to God and to ask Him for courage and for guidance.

The country was younger then. Men were still probing physical horizons in search of a better life for their families. Their quest took them to the sea in ships, or along the danger-filled trails to the West. Sometimes the women shared their peril. Other times, they stayed at home and waited, and that was even harder. But whichever their course, they prayed.

Our horizons are different today, and our lives filled with less danger. But we need prayer just as much — if not more — than we did in Grandmother's day.

Remember that prayer is our greatest source of strength. If the habit of prayer has become unfamiliar to you, start rediscovering it by attending church services regularly.

"B" Team To Play Kissimmee Here Tonight

[illegible]

Lutheran Church News

[illegible]

Mr. and Mrs. Joe Ellis are visiting for a few days with Pastor and Mrs. Hale at the parsonage.

TO HOLD MEETING

The Ocie Tanner Missionary Chapter of the Church of the Nazarene will have a meeting Oct. 30 at 7:30 p.m. at the church. The special feature for the evening will be color slides of missionary work in Haiti. Everyone interested is cordially invited to attend.

In contrast with this age of compact cars and airless tissue boxes, a mechanical "Monster" has been created for use at the Florida Alcoholic Rehabilitation Center in Avon Park. Mrs. Faye Newsome, receptionist at ARC, continues to use her old, small switchboard (left), which will soon bow out in favor of the modernized "Monster" (right). The new switchboard is being installed by the Inter-County Telephone and Telegraph Co.

Mrs. Gladys Morrison (upper left) has recently joined the Walker Memorial Hospital staff as Acting Dietitian, working closely with our Registered Dietitian, Miss Ruby Johnson of Orlando. Mrs. Morrison has served in a similar capacity in the New England Sanitarium & Hospital at Melrose, Mass., near Boston. She holds a Certificate in Hospital Food Service from Pennsylvania State University.

Miss Serpouhi Tavoukdjian (upper right), who for more than fifteen years has been Dietitian at Walker Memorial and who is also a registered nurse, has been officially appointed Hospital Hostess to look after the interests and welfare of the patients.

Avon Park High School N-E-W-S

BY FRANKLIN SAULS

[illegible]

Monday, Oct. 14. The president, Bonnie Oberle, opened the regular meeting of the Student Council this afternoon. Sandy Biggs, the secretary, read the minutes. Among the new business, Donald Whitcomb had been appointed parliamentarian. Recently Riccardo Bana was accepted in the organization as an honorary member.

Several weeks ago APHS started a Good Will Drive. APHS collected [illegible] bags of clothing and toys. Section ten collected the most bags and won the coke party offered by the Student Council.

Wednesday, Oct. 16. At the regular meeting of the National Honor Society this afternoon, the members elected a vice president. The vacant position was filled by Jan Adams.

Thursday, Oct. 17—The Key Club held its regular meeting this afternoon. At this meeting the club had ten new members. Any boy in high school that has a B or better average is eligible to become a member of the club. The following are the newly elected members: Dick Clarke, Mark Ludington, Chuck Sebold, Bobby Coleman, Robert King, Spencer Oberle, Larry Strickler, Chuck Warrington, Billy Thomas and Bill Wild.

At 7:45 tonight at the APHS Auditorium, the first PTA conference of the year was held. The PTA program was arranged a little differentl yat tonight's meeting. The Future Teachers of America (FTA) issued to the parents their sons' or daughters' schedule. The parents had ten minute [illegible] with each teacher of the [illegible]. The parents went through the act of climbing stairs and walking across the campus as the students must do daily. (Some of the parents seemed pretty "tuckered out.") After an adventurous evening a reception was held in the living room of the homemaking department.

Friday, Oct. 18—Tonight was a very exciting one for the Avon Park students and spectators at the football game. This was the evening the "Red Devils" played the Hardee High School "Wildcats." With all the excitement it was hard to look at the game or watch the excited faces in the crowd. The students yelled with the cheerleaders, thrilled to the music of the band, and admired the high-stepping majorettes in the half time show. All the spectators, however, could see that most of the credit went to the football players for defeating the "Wildcats."

Following the game, the Junior Class sponsored a "Victory Dance." After defeating the "Wildcats," the students really had something to dance about. The students danced and congratulated the players for a well-played game. It truly was a victory.

All through the week the students have been making plans for Homecoming. The clubs and organizations at APHS are getting underway with suggestions for outstanding floats in the Homecoming Parade. The best floats will receive prizes. Also this week these clubs and organizations have been electing candidates for Homecoming Queen. The candidates along with the floats will be featured in the Homecoming Parade. The Student Council and the Cheerleaders' Organization have made the biggest movement toward having the best Homecoming Parade APHS has ever had.

Women's Club News

[illegible]

Mrs. Joe Love, Ways and Means chairman, is asking all members to bring their cakes and pies to the booth at the Donaldson Park between 3 p.m. on the 26th of this month.

This year's project for the Club is getting our stainless steel by sending Betty Crocker coupons. All members and anyone interested in club work please save your coupons.

The year books are out and members in good standing will get their books from our registrar, Mrs. A. M. Loyben.

For the next meeting, or shortly there after, please bring your Christmas gifts for the T. B. Hospitals to Mrs. Fannie Roche. Always remembr no matter how little we have, we have so much when we have our good health.

We have given cancer dressings to the Hillcrest Nursing Home and to people needing them.

The Club has donated two books on "Study of Communism," one to the school library and one to our own library.

Remember to make 'something' for our Christmas sale. Details on this sale will be given at a later date.

Mmes. William Becker, Paul Erickson, Fannie Roche, Margaret Love, and S. F. Elkhill will represent the Club in Lakeland at the District 9 annual meeting Oct. 21. Mrs. Elkhill will give a report of the work to the State Officers, who are visiting. Mrs. Theon Sebring has charge of this meeting.

We are starting a new year in our club work so lets all do our best to make this the most prosperous year we ever had.

The next meeting will be Nov. 1 at 12:30 p.m. at the Club House.

PHYSICAL FITNESS CLASS TO MEET

Any Avon Park ladies who are interested in losing a few pounds or just enjoy exercising are asked to meet Monday night, October 28, at the Woman's Club building. Mrs. Helen Todd, Mrs. Barbara Cribb and Mrs. Sue Hood of the Avon Park Junior Woman's Club will be in charge of the class. If you are interested in this meeting, please come 8 p.m. Monday attired and ready to exercise.

Saturday, Oct. 19—Members of the Student Council and representatives of the American Field Service (AFS), accompanied Riccardo Bana and his "American mother and brother" to Winter Haven and Cypress Gardens for a meeting with other AFS students. A picnic, sight seeing, and a water show were the highlights of the day.

No one envies a failure. So watch out for enemies if you're ever a success.

Founders Garden Circle Hold Meeting

[illegible]

Mr. A. J. [illegible] presented the program, a panel discussion of how to grow roses and care [illegible] given by Mrs. W. C. [illegible] and Mrs. E. W. Hatt.

Everyone was invited to [illegible] garden next door to the Todd home after the meeting adjourned.

Laity Sunday At Congregational Church

Supt. Robbins Ralph will be the guest preacher at the 11 o'clock service of worship at the Union Congregational Church this Sunday morning. The emphasis of the service will be the place of laity in the life of the church.

The Congregational Family Night Supper for October will be held Sunday night at 6 o'clock in Fellowship Hall. An old fashion hymn sing will be led by Mr. Paul Zuck. A film of automation, the number one domestic problem of the sixties, will be shown. The movie bears the title "Tomorrow." All families are asked to bring a covered dish and table service.

Alice Gaventa Circle Meeting

The Alice Gaventa Circle of the First Baptist Church met in the home of Mrs. Marshall Davis Tuesday morning, Oct. 22, with nine members present.

The work for the new church year was discussed.

Mrs. Bryce Martin gave a preview of the book, "Grace McBride, Missionary Nurse."

The hostess served light refreshments which was enjoyed by all.

Renew your driver's license now if you were born this month in an odd-numbered year.

Consolation Flight In Girls' Tennis

A consolation [illegible]

Fourteen matches have been played which were not reported in detail in last week's Sun because of publication deadlines or since the last edition went to press. They are:

Betty Hutchinson defeated Barbara Wood in the first match to go three sets. It was a heartbreaker for Miss Wood and a great show of determination on the part of Miss Hutchinson. Miss Hutchinson won the first set 6-2, but the score is deceptive, for each game was hard fought and featured by long rallies and five of the eight games went to deuce. Miss Wood then settled down and took the next set 6-1, making spectacular smashing shots in the process, Miss Hutchinson meanwhile making some equally spectacular retrieves. Confidently, Miss Wood continued to forge ahead in the third set until she had a commanding 4-1 lead, when Miss Hutchinson's determination began to show through as she came back to tie it at 4-all and finally to take the match 6-4. Tension among the spectators mounted as Miss Hutchinson continued to rally, and oooh's and aah's and squeals were audible around the courts.

Georgianne Franza had much less difficulty with her opponent, Loraine Smith, and the more experienced Miss Franza easily won in straight sets 6-0, 6-0.

Rebecca Palmer likewise easily defeated Ann Mandis, 6-0, 6-0. Both girls were keyed up at the outset of the match, but Miss Palmer quickly settled down, while Miss Mandis never managed to get her game going well.

In a tension-packed, skillfully-played match, Patty Loughan eked out a 6-4, 6-4 win over Patsy Martin. There was little to choose from in the even skills of the players, but Miss Loughan's backhand stroking and her ability to place the ball close to the back line appeared to tip the scales in her favor.

Another match in which tension built up was played between Linda Wester and Nellie Barker. Miss Wester won the first set 6-3, but Miss Barker came back to win the second 6-2. In the final set, the score went to 4-all before Miss Wester won the final two games and the match, 6-4. In the final game, Miss Wester had a 40-0 score for match point, but let the score run to 40-30 before winning the match, causing onlookers to experience suspense along with the players.

Stephanie Wood defeated Marsha McDugald, an eager but tiny player, 6-0, 6-0. Miss McDugald displayed ability but her lack of experience caused her to bow to the more experienced Miss Wood who simply outplayed her throughout the match.

Jackie Hutchinson defeated her less experienced opponent, Patty Hallam, 6-1, 6-0. Like many of the less experienced girls, Patty had difficulty with her service, while Jackie returned almost every ball which was hit fairly into her court.

The best match of the tournament's first round, and the longest, lasting nearly three hours and 45 minutes, developed when Pam Hart met Pat Holden on Saturday afternoon. All three sets went into extra games and the difference between the two girls was only two games when the match ended. Miss Hart won 8-6, 6-8, 7-5. Both girls varied their shots and displayed superior ability, especially in service and on backhand shots. Miss Holden also used a drop shot very effectively. Miss Hart hurt her foot in the first set and played under a slight handicap in the second, but appeared fully recovered in the third. Meanwhile, Miss Holden seemed to ease up on her game in sympathy while Miss Hart was limping, but insisting on playing anyway.

A forfeit was given to Viola Laurie by Beverly Turner.

Janet Douberley defeated her courageous but less experienced opponent, Marilyn Smith, in three sets 6-3, 3-6, 6-1. Miss Smith displayed better-than-average ability for an inexperienced player in her loss. Miss Douberley's service was better and she returned more shots than her opponent.

Second round matches began on Saturday with a thrilling match between Patty Loughan and Anne Barben which Miss Loughan won 6-2, 6-8, 6-3. High lobs, forehand and backhand drives, and long rallies, plus real determination on the part of both girls, were highlights of the match. Illustrative of the determination to win was the fact that in one game there were 11 deuce points and in another there were nine before either stubborn girl yielded the game. Miss Loughan, who plays left-handed, is expected to be a top competitor from now on.

Judy Wester had less difficulty with Sandy Biggs in their second-round match, winning it 6-2, 6-0. Ironically, these two girls have both wanted to compete in tournament play ever since the boys were first assembled for their tourney last Spring, and have both been

The Shrine Club will hold their annual Halloween party Friday evening, Oct. 25, at the Jacaranda Hotel. The social hour will begin at 6:30 and dinner will be served at 7. The cover charge will be $2.50 per person. Door prizes will be given and everyone is to come dressed informal.

A report is to be given on the new club house project.

This is the first Ladies Night of the season, let's get a good start. You All Come!

Woman's 3-6-9 Doubles Tournament

[illegible] Highlands Woman's Bowling Association have a 3-6-9 Tournament [illegible] Ridge Lanes, to raise funds for their association which was recently organized. Part of the money raised will go to the Association for operational expenses, to send delegates to the Florida Woman's Bowling Association annual meeting, and another portion of the money raised will be given to the Bowlers Victory Legion.

The Bowlers Victory Legion was originated in 1943. In the following years, the men and women bowlers of America "kept faith" with the hospitalized and blinded veterans. Contributions to various hospitals for individual needs are numerous. They range from [illegible] for recreational funds and making possible the installation of pews in a hospital chapel, to canteen books and Book of the Month Club. There were TV sets, radios, cigarettes, bowling balls, bowling shoes, bowling pins, record changers, and amplifiers, pillow speakers for bed patients, installation of foul lights, arts and crafts equipment, etc., all of which serve to make the long tedious hours of hospitalized life a little brighter.

Mr. C. C. Bream, chief of the VA's Rehabilitation Service says, "Each year the much needed service becomes more effective. We are confident that the members of the Bowlers Victory Legion would be thanked beyond any ability we possess if they could hear the expressions of gratitude from our patients and hospital staff."

Due to the fact the 3-6-9 is to raise money there will be no cash prizes given—but—seven generous firms have donated two trophies apiece for this worthy cause. One wished to have his name withheld. The other six are:

Touchton Drugs, Avon Park; Jordan's Jewelry, Avon Park; Hall's Laundry & Dry Cleaners, Sebring; Tropical State Bank, Sebring; Jim Hammon New & Used Cars, Sebring; Gilbert Drugs, Sebring.

Trophies will be given for the first seven places. They will be on display beginning October 21 at Ridge Lanes.

Art Classes To Begin

BABSON PARK—Sponsored by the Babson Park Creative Center, art classes will begin October 28 from 7:30 to 9:30 p.m. in the Babson Park Woman's Club.

Clarence Tibado, winner of many awards for his paintings, will be the Director and art teacher.

Anyone interested in art, either as a beginner or as an advanced student, is invited to attend these classes.

Membership in the Creative Center costs $5 per year. This sum includes, not just an individual, but also the members of a family.

There will be a charge of $6 per month for students attending these weekly classes. Also, students will have the opportunity from time to time of going with groups who like to do out-of-doors sketching and painting.

The first Monday night (Oct. 28) will be given over to getting acquainted, and giving Tibado the opportunity to learn something of the abilities, and the particular interests of the students. Those who wish may bring samples of their work.

During the past 10 years a total of slightly more than $60 million has been spent on all university buildings. Accumulated needs now amount to more than $100 million, according to the State Board of Control.

NEWS for truck owners who need a new one now

Things Chevrolet has developed since the last time you bought to give you more for your money:

Double-wall construction. This feature of Chevrolet cabs and the Fleetside pickup body has two advantages. Insulation and sound-deadening material is sandwiched between the two layers of steel in the cab to give you more comfort; in the body, the lower inner wall acts as a buffer against load damage, preserving the outer appearance of the truck.

Suspension to fit the truck. Conventional half- and three-quarter-ton models have independent front suspension with variable rate coils in the rear. Variable rate coils do not "bottom out" as readily.

Mediums and heavies have I-beam suspension with variable-rate leaf springs. It automatically stiffens as the load increases—and vice versa. It means a smoother, flatter ride regardless of load, a better handling truck.

The right engine. Chevrolet never has been in better position to give you the type and size you need for maximum efficiency. Today there are many different capacities of gasoline and diesel Chevrolet truck engines—fours, sixes, V8's.

Stronger frames. Every conventional 1964 Chevrolet truck has a ladder-type frame. This type is more resilient, better able to give with the load and terrain. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger.

Greater model selection. This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors.

Quality and value. Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 5 or 6 years ago. Call your Chevrolet dealer for information or for a demonstration.

[illegible] Wildcats [illegible] Avon Park [illegible] 21-12 [illegible] the extra point try [illegible] Maddox, dropped [illegible] passed to Bobby Cole [illegible]

Wauchula fumbled the ball on the ensuing kick-off and Padgett [illegible] Avon Park [illegible] offensive play before the half ended. Padgett ran out the clock with an 18 yard gainer to the Wauchula 2 before the Wildcats could pull him down.

The third quarter was strictly a defensive battle as both teams seemed to have figured out a defense for the opposing offense. Wauchula did move to the Devil 20 late in the third period after intercepting an Avon Park pass at mid-field. The fine play of tackle Jackie Turner and end Keith Albritton sent the Wauchula backs in trouble in the second half of the game as they red-dogged in to throw the Wildcats for losses time after time.

In the final period Wauchula was in Devil territory only once when they moved to the 48 only to be thrown back onto their own side of the field on the next play. With two minutes and [illegible] seconds left in the game Avon Park took possession on the Wauchula 49 and [illegible] the 22 [illegible] running [illegible] Wauchula drew a [illegible] penalty for a personal foul. On the next play the Wildcats drew a five yard penalty setting the ball on the [illegible] with only a few seconds left in the game. Again Sullivan [illegible] a complete surprise to the Wauchula defense [illegible] crowd as he faked a hand-off and then threw a pass to Coleman. The final whistle blew with the ball [illegible] Coleman pulled [illegible] as he raced into the end zone for a final TD. Lance Padgett rammed through for the extra point and the Red Devils took a 21-12 win from their Hardee County foes.

JACKIE TURNER (14), throws a key block to spring Lance Padgett (18), loose for good yardage against the Wildcats in last Friday night's encounter.

LIONS CLUB

By
Billy Martin

Calling all Lions, Lionesses, and Cubs!

The date is next Tuesday, Oct. 29.

The place is American Legion Recreation Center.

The time is 7 p.m.

The occasion is Family Night covered dish supper.

The dress is country style for grownups and Halloween costumes for the children.

This is going to be fun night for everybody, so get out those old-fashioned clothes, or anything crazy, and come prepared for a hilarious good time.

This was the message given out at director's meeting Tuesday night by Clay Viles, chairman of the family night committee.

Other matters drawing deserved attention were the interclub banquet to be held here November 12, for all neighboring Lions Clubs and the reorganization of Cub Scout Pack leaders. Lion Glen Hancock accepted the all important post of Cub Master for Pack 470 sponsored by the Lions. Other members agreed to accept places of responsibility to keep the Pack in operation. Our sincere thanks go to Richard Pate, who has been heading up the organization for the last three years. Richard has done a fine job as Cub Master, and we regret that other obligations make it necessary for him to give up the job. Lion Hancock will need some help from all good Lions and, also, from mothers and fathers of the boys who become members of Pack 470. If you are called upon to help with this youth program, think twice before you refuse.

Big Dodge 880 may very well turn out to be your lucky number . . . because it puts so much automobile and luxury within your easy reach.

Here's all the car a family man could ask for. A spacious interior. Hand-fitted upholstery. And an easy-going ride that only a large car can give you. Big Dodge 880 looks every bit as expensive as it sounds . . . except when you hear it from your Dodge Dealer. He will tell you that Dodge 880 is priced just a thoughtful step above the low-price field. Make it a point to see and drive the big Dodge 880. Two series, nine models. With each, you get a 5-year/50,000-mile warranty*.

*THE DEPENDABLES' 5-YEAR/50,000-MILE WARRANTY—Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Red Devils To Play Clewiston Here Fri.

Downed By Arcadia 26-6 Last Friday

Avon Park's Red Devil football team, smarting from a 26-6 beating by the Arcadia Bulldogs last week, return home Friday for the first of a two game stand against Clewiston and Kissimmee before closing their season with trips to Okeechobee and Sebring.

This week's clash with Clewiston, a new member of the Ridge Conference who will become eligible for loop titles this basketball season, offers no let up for the spunky, young Red Devil squad. The Clewiston eleven has a 4-2 record thus far—the exact reverse of Avon Park's 2-4 mark. The boys from the sugar country have lost to Pahokee 26-6 and Belle Glade 28-12 and have wins over Hollywood 20-7, Sebring 33-7, Lee J.H.S. 34-6 and Jupiter 13-7. Jupiter had an earlier win over Okeechobee so the Tigers appear to have a tough team to stop. Scouting reports point out that the Clewiston team is quick and determined.

Arcadia Game

Avon Park played Arcadia on even terms for three periods last Friday night on the Bulldogs home field but a disaster-out second quarter spelled out the difference in the 26-6 win by the DeSoto High boys who remain undefeated in Ridge play.

After a scoreless first quarter, the Bulldogs struck paydirt earl, in the second period with a combination of tricky running plays, a 15 yeard penalty against the Red Devils for grabbing a face mask bar, and two excellent pass completions by quarterback Joe Waldron. Fullback Raymond Christ took credit for the TD as he bulled over from the one yard out on third down. Jimmy Yarborough booted the point after to put the Bulldogs out front 7-0.

Arcadia's second score came quickly. The Red Devils were unable to make a first down after receiving the Bulldogs kick-off and Sullivan's punt went off the side of his foot and out-of-bounds to give DeSoto possession of Avon Park's 42. A quick 25 yard burst off tackle by Bulldog Steve Nichols, a seven yard gainer by Dickie Kell, and a 10 yard jaunt by Nichols again put the ball on Avon Park's one yard line with a first and goal to go. Again Christ was called on to plough through the Devil line for the touchdown, but Yarborough's boot for the extra point was blocked by Wolfgang Halbig and Billy Miracle setting the score at 13-0.

The Red Devils took the next kick-off and seemed to be clicking offensively as they moved to their first first down on a pass from Sullivan to Bobby Coleman covering 16 yards and a couple of nice runs by Lanse Padgett and Wayne Strickler. A 15 yard penalty for clipping knocked the wind out of the Devil's sails at that point, however, and Sullivan got away his best kick of the evening—a 50 yarder driving the Bulldogs back to their own nine yard stripe.

Avon Park's defense held at the 10 for two plays before halfback Nichols broke through off tackle and eluded the entire Red Devil secondary racing to Avon Park's 18 before Bobby Coleman brought him down

William R. Reck Named Assistant Cashier of Avon Citrus Bank

William J. Briscoe, President of the Avon Citrus Bank, Avon Park, Florida announced with great pleasure the appointment of Major (Retired) William R. Reck as Assistant Cashier of the bank.

Reck was employed by the bank on March 27, 1961, assuming the duties and responsibilities of Head Teller.

Major Reck retired from the Military Police Corp of the U. S. Army at Fort Lewis, Washington in 1960 after serving twenty years, many of which were spent in Europe and in the South Pacific.

Upon retirement, Mr and Mrs. Reck and their three sons, returned to Avon Park and now reside at Pinecrest Lakes.

Reck is active here in civic and church affairs and is a memeber of the Congregational Church, is a member of the Avon Lakes Country Club, and has clearly shown fine community interest and concern for the growth and betterment of Avon Park.

Avon Park Kiwanis Club Sponsors Circus For Children's Fund

Children of all ages will be entertained by a real circus in Avon Park on Monday, Nov. 18, it was announced Wed morning by Henry Caffee, president of the Avon Park Kiwanis Club.

The local Kiwanians are sponsoring the appearance of Dailey Brothers Circus, a three-ring extravaganza complete with high wire act and elephants. Shows will be at 4 and 8 p.m., with action continually in each of the three rings. There will be no reserved seats, and the admission will be only $1.00 for all tickets.

Dailey Brothers circus is a genuine three-ring affair, with three acts going at once throughout most of the performance. The troup of 200 includes many international acts from Germany, Spain, and Italy, and according to Caffee the one-nighter is the rule rather than the exception for Dailey Brothers Circus. They have already played in Orlando, Tarpon Springs, and St. Petersburg. Caffee and Kiwanian Pete Miesner witnessed the show in St. Pete, and were most vociferous in their praise of the show. The show can be compared to a small city. Its members are from various nations and religious creeds, yet they get along together as a unit.

Tickets are available from any member of the Avon Park Kiwanis Club or may be ordered by telephone by calling GLendale 3-4549. If you live out of Avon Park you may call collect.

The show will arrive early Monday morning, and will set up on the show grounds adjacent to the Avon Park Airport, Highway 64, at the western end of the city.

Hospital To Have Paved Driveway

The new ambulance entrance to Walker Memorial Hospital is being built "at about one third of the estimated cost," reports George Border, president of the Avon Park Chamber of Commerce.

Dewey Warren's Central Asphalt Company of Avon Park is supplying the material for this project below cost, and T. E. Tomlinson who heads the AAA Paving Company of Sebring, is providing the labor free of charge, asserts Mr. Border.

This ambulance entrance, which leads to the new Emergency Room of the recently constructed south wing of the hospital, would normally cost from $1200 to $1500.

The Avon Park Chamber of Commerce is in the midst of a drive to furnish the various rooms and offices of this new wing. When completely furnished, 53 additional beds will be made available, besides the new X-ray and Emergency rooms, maternity ward, and other modern facilities.

Frequently individuals or small groups wish to furnish a room as a memorial to some loved one. Quite a number of rooms have been furnished in this way, says Mr. Border, but several rooms are still awaiting sponsors.

Those interested in establishing such a memorial should contact Mr. George Border of the Avon Park Chamber of Commerce, or A. L. Lynd, administrator of the hospital.

Avon Park Game Area To Have 26 Day Season

Avon Park Game Management Area will have a [illegible] 26 [illegible] hunting season this [illegible] last year [illegible] Manager J. O. [illegible] Florida [illegible]

Open season will be November 9 through January 5 with hunting on weekends, continuously from December 2[illegible] through January 1, and on January 4-5.

Legal game are deer, turkey, quail, squirrel, dove in season and wild hogs, all in well above average supply.

According to Brown, approximately 7,000 acres of favored hunting lands, closed a year ago in the Air Force A and B "Blue Zone" target areas, will be open to hunting this year.

These lands are in the Long Cypress and South Scrub target areas, he said.

Game management personnel in charge of the area report that hunting conditions are good, and that all game this year is plentiful.

The nine-day hunt report a year ago listed 27 deer killed, 56 wild turkeys, upward of 2,600 quail, and 847 doves.

All roads through the area have been reworked, and the Kissimmee Grade has been completely regraded and has been clayed or hard-panned.

Initial opening of check stations will be at 5 p.m. November 8. On other hunts the stations will open at 6 p.m. Hunters must check out by 8 p.m. on the last day of all hunts. No prior entry before November 8 to select camp sites is possible, Brown said.

Only shotguns are permitted for hunting, and the use of shotgun slugs is prohibited. Running dogs at night is prohibited.

Brown warned that life-safety precautions must be observed in the area, because of Air Force operations, and that molesting of Air Force property could alter the hunt agreement abruptly.

1964 To Mark Avon Park's 75th Year

City and Chamber officials met in the City Councilroom last Tuesday morning with a representative from The Rogers Company, of Fosteria, Ohio, planners and directors of civic commemorative celebrations. This meeting was called by Mayor E. A. DeLaney as an explorative measure regarding the possibility of having a planned celebration for Avon Park's 75th birthday, which will be in 1964.

Present at this meeting were Mayor DeLaney, President of the City Council, Clarence King, Councilmen James Dooer, Kelton Hill and George W. Border (also President of the Chamber of Commerce), and Mrs. Anna Belle Worden, Executive Secretary of the Avon Park Chamber of Commerce.

A meeting has been scheduled for Tuesday morning, Nov. 12th, at the City Hall for future consideration of celebrating the 75th year of the founding of Avon Park. A number of top civic leaders will be notified of this meeting at which time there will be an open discussion of the observance of this auspicious event.

Grand Jury Session Called For Tues., Nov. 5

A grand jury session has been called for the first day of the Fall Term of Circuit Court. The jury is to meet at 9:30 a.m. on Tuesday, Nov. 5.

Circuit Judge Clifton Kelly drew a jury venire Tuesday of this week. Those called for possible grand jury service are:

H. D. Chancey, James A. Wise, R. J. Rymes, Berville Tubbs, Willis R. Stoddard, Harold C. Worden, Jr., Donald J. Clark, Hubert Albritton, Walter Selph, Jerry Childress, Charles H. Lawhon — Avon Park.

Colored Street Baskets Are Jaycee Project

Those bright colored wire cages which have recently shown up on the streets of Avon Park are the results of the latest Jaycee project. They are galvenized expanded metal litter baskets, placed through the cooperation of the Jaycees, city officials, and a number of local business firms whose advertisements appear on the baskets.

The Jaycee's motives for placing the baskets are threefold: first, to provide a more durable and attractive recepticle for the convenience of the public, second, to give local firms an opportunity to use on-the-street advertising in their business efforts, and third, to give the Jaycees a useful fund-raising method through which their many community improvements projects may be financed.

The Jaycees presently have eight litter baskets, all of which will soon be placed in the downtown area. Plans are to add others in the near future. Business firms interested in purchasing advertising space on the baskets should contact Jaycee's Bob Whitcomb and Wendell Williams.

Business firms cooperating at this time with the Jaycees on this project are: Bennett & Moseley Building Contractors, Bill Thompson's TV & Radio Sales & Service, Hood Pest Control, Roberts Nursery, Wells Motor Co., and Will-Rand Motors Inc.

Escapees Recaptured By Deputies

A trio of Highlands County Sheriff's deputies combined efforts in the recapture of five escaped convicts. Deputies James Bozeman, Charles Rucker and Charley Williams apprehended the escapees on Rt. 70 near midnight on Oct 25.

Edward James Wright, Irwin Gaines, Henry Thomas Tolliver, Jr., Lorenzo Howard and Sammy Lee Coleman escaped from the prison camp at Arcadia. They were travelling in a stolen car when the Highlands County deputies caught them.

Sheriff Broward Coker said the five had been returned to DeSoto County where they will face charges for the auto theft.

Sheriff Coker said Coleman was serving a 40-year prison term for robbery; Wright, 30-years for second degree murder; Tolliver, 20-years for robbery; Gaines, 15-years for breaking and entering, and Howard had been sentenced for rape.

Circle Holds Meeting

The Frances Horton Circle of the First Baptist Church met at the home of Mrs. J. M. O'Hern on Tuesday.

After the business meeting, Mrs. Otto Skipper conducted a very interesting program.

The hostess served the guests delicious pumpkin pie and coffee.

In the fall of 1962, 36.2 per cent of Florida's college enrollment was in public community junior colleges. In 1958 only 18.6 per cent was enrolled in these institutions.

Letter To The Editor

Avon Park Sun
Dear Editor:

I would like to thank all who have brought or sent [illegible] of Avon Park [illegible] Reeves Roberts of [illegible] Mrs. [illegible] Sargent [illegible] who was first Mistress of Avon Park [illegible] Colonel Marcus [illegible] Avenue [illegible] it shows the [illegible] road and B. Ward had the corner of the store for a bank. He carried everything we needed there.

We have pictures of many old settlers like Grandma Wray, Woodruff, Warden and Bell, Mr. and Mrs. Wm. King and many others who came before 1900.

So please don't throw away your old pictures, they are very valuable to the City of Avon Park.

We are planning if possible to get a class picture of all the pupils that ever graduated from Avon Park High School. Back in I believe 1920 we only had one graduate, Dr. Watt Garrett, brother of Mrs. E. F. Shoemaker and uncle of Fred Garrett.

It's too bad all those who have been here especially 20 years do not attend these reunions and sign the charter when they came to Avon Park and their deaths will be recorded.

We plan to have many old pictures framed and hang in the City library and anyone having lightweight frames to donate contact Ted Ward, Real[illegible] president who went to a great deal of trouble to [illegible] DeSoto County Seat books.

I want to thank Mr. [illegible] for the [illegible] presented to me for being the oldest woman resident present at the [illegible] Reunion. There are some who have been here longer but were not present.

Thank you,
Cora Wray

The Gulf Ridge Council is a member agency of the Plant City, Lakeland, Winter Haven and Tampa United Funds.

All organizations and institutions interested in sponsoring a Scout Unit may contact The Boy Scouts of America Service Center located in Tampa; any boy wanting to join a Boy Scout Unit may call the Service Center at this phone number [illegible]

Woman's Club News

The Woman's Club of Avon Park's booth at the [illegible] was a great success. Mrs. Joe Love was chairman for the booth and she will announce in the next meeting what the profit was from the sales. Members working in the booth were: Mrs Pat White, Mrs David Roche, Mervin Rehrer, Dean LaLonde, John Hayes, Samuel Norris, D. Baucom and Mrs Gladys Smith, who served as cashier.

The Club would like to express their appreciation to those who made it possible for the booth and a special thanks to Mr. Joe Love who constructed the booth. Also to Jimmy Rehrer for making the posters.

The Club was represented in the Halloween parade by Mrs S F Elkhill, president, Mrs Pat White and Mrs. John Hayes, escorted in Mervin Rehrer's convertible.

Our Christmas sale will be held Dec 4 on the Mall near Lake Ave. Keep getting your gifts ready for this, also gifts for the TB Hospital. These gifts will be received at our Nov. 1 meeting.

The Nov. 1 meeting is expected to be a very interesting one. A delicious luncheon will be served, a very interesting program is planned and our District 9 Director, Mrs. Theon Hart of Sebring will be with us. So plan to attend and en-

Miss [illegible] presented [illegible] articles [illegible] Dorothea [illegible] information [illegible] tions she has attended [illegible] Mrs. Ethel Tucker [illegible] proposed plans for a shelter and discussed the building plans and cost of construction.

A plot of ground for the Humane Society building was offered by Mrs. Carolyn S. Bass. This is located at Lakemont on Alt. Hwy. 27. Cash donations have already been received and a bank account opened at the First National Bank in Sebring. Other contributions of a sizeable amount are anticipated by the group.

The next meeting will be held at Sebring City Pier building Monday night, Nov. 4, at 7:30. Anyone who is interested is invited to attend. It is expected that officers will be elected and further plans made towards the legal angles of obtaining the land and starting the shelter.
