Showcase To Open Feb. 12

It will be "business as usual" with no change in any of the plans for the Florida Citrus Showcase's annual presentation opening at Winter Haven on Feb. 12, running through Feb. 19, despite the Jan. 21 freeze, devastating the local and southern citrus groves of Florida fruit, Richard C. Knapman, Lake Alfred, president of the industry-sponsored attraction, said.

State Senator Ben Hill Griffin Jr., Frostproof grover, interested in all phases of the citrus industry, will be the master of ceremonies at the annual "Citrus Dinner," Tuesday, Feb. 15, honoring the state's citrus producers. Griffin is the current chairman of the state Senate Citrus Committee.

Leap To Tell About Tides

Boy Leap, Channel 13 weather seer, who many in the area watch right for any change in channel conditions, will be the Avon Park Kiwanis Club speaker next Tuesday night at the Jacksonville Hotel, according to Frank Edwards, program chairman.

The latter said Leap has been asked to discuss the rise and fall of Gulf Coast waters, of prime interest to persons anxious to know the cause of the weather, and the effects of the weather on the coast.

Stars Chorus, "That DARN Cat"

If Hayley Mills, Dean Jones, Dorothy Prentiss and Roddy McDowall thought they were in for easy pickings, operating for the movie cameras with a cat, they had another think coming by the time Walt Disney was through filming his funny feature, "That Darn Cat."

None of the bright young players, experienced though they are, had played with Disney's four-felers before. Not until that darn cat, a belligerent, overweight, food-loving, nocturnal, fast-clawed, sun-of-a-secsaw Siamese found them in his way.

James, playing a Federal Security agent attempting to enlist D.C. in a kidnap hunt, got himself a bit out of the humor more than once for his pains.

Roddy McDowall found himself mounting after fall in an attempt for story purposes, to intercept and apprehend a night-running thief who had gotten away with a fat duck he had hung in the back porch.

Dorothy, the gal for whom Roddy is pining in the picture, and Hayley, part-owner and fervent sponsor of D.C., had their own sweet time holding on to the critter in the great many scenes they share—storywise and for real.

Syn Cat who plays D.C. in "Darn Cat," was quick, good in his work, and no time was lost on his account in the shooting. But his human co-stars, all new to coping with players in the cat category, were not unhappy to see him retired each night to his dressing cage.

By SAM POLSTON

The Highlands Soil Conservation District Board, at its regular meeting, Jan. 31, decided to have the public speaking contest for the schools April 19 at the Sebring Tourist Club.

Subject of the contest is "Why Soil and Water Conservation Districts Should Help Solve Water Pollution Problems in Florida." The first Bank of Lake Placid will furnish \$60 in cash prizes to the winners.

Robert Barben, chairman of the Highlands Soil Conservation District Board, notified all county FFA and 4-H leaders of the Land Judging contest to be held in Wausau, March 2 at 10 a.m.

The HSCD is co-sponsoring the contest and will assist the winning team with expenses in the state contest later this year.

C. E. Crews of Avon Park and James Maxcy of Sebring attended a workshop in Okaloosa for newly elected Soil Conservation District supervisors Feb. 2. Supervisors elected last October from all 10 south Florida met there and learned of their duties and responsibilities in serving the landowners in their respective counties.

The Soil Conservation Service Engineers assisted Jerry Whitaker of Lake Placid in the design and layout of an irrigation pit near Bais Den. The pit will be used to irrigate 120 acres of citrus.

W. F. Hamilton is now constructing a pit just north of Whitaker that will be used to irrigate 20 acres of citrus. The irrigation pit is very desirable

John Webber On Dean List

John J. Webber of 905 N. Lake Ave., is on the dean's list for the fall trimester at the University of Florida.

His name, according to Dr. Ralph E. Page, dean of the College of Arts and Sciences, was among 214 juniors and seniors.

The group represents the top 15 percent of upper division college enrollment of 1,477 students. A grade point average of 3.2 of a possible 4 with a minimum load of 15 hours qualified students for the honor.

Mrs. Runner Free On Bond

Mrs. Delmar Ruth Runner, charged with assault to commit murder in connection with the shooting of her husband, Paul H. Runner, last Friday is free on \$10,000 bond.

Highlands County Sheriff's deputy Bob Barringer said Mrs. Runner shot her husband three times with a .22 caliber pistol during a family argument.

Runner's condition was listed as "satisfactory" by a local hospital.

and a cheap source of irrigation water if you have a good site in the sandy ridge section. They are not nearly so dependable in the finer textured soils in the flat land areas of the county.

The supervisors, at their February meeting, decided to advertise for bids on maintenance of the north lateral of the Fishcreek Creek W.S. project. This is part of the 17-mile network of canals and structures for water control on 50,000 acres west of Lake Placid.

Card of Thanks

I would like to thank my many friends for their cards, flowers, prayers and other acts of kindness during my recent stay in the hospital.

331 Bitten, Two Deaths From Snakes

There were 331 reports of snake bites in Florida last year with two deaths, the State Board of Health says.

Each year there are reported about 300 bites per 100,000, which the board says is much lower than most other states for which data can be obtained.

The survey is conducted annually for the Florida Medical Association, a committee of which under Dr. Carl E. Andrews, West Palm Beach, chairman, is studying all aspects of the situation to try to determine the best treatment technique.

The board gets its information from hospitals and physicians. In 1965, 16 hospitals participated. The percentages of bites were rattlesnake, 19.0; copperhead, 16.0; cottonmouth, 12.0; coral, 10.0; and other, 43.0.

The two deaths last year were of a 31-year-old man in Flagler County, bitten by a rattlesnake, and a 66-year-old man in Jefferson County, bitten by an unidentified snake.

The survey showed that 90 percent of all patients bitten last year were in hospitals and under treatment within half an hour.

Of all yearly victims, about 35 percent are under the age of 20 and twice as many males as females are bitten. Fingers are most often bitten. Bites occur almost always during daylight hours and victims are generally near their homes when bitten. Persons attempting to catch or kill snakes account for about 20 percent of the bites.

Cage Tourney Schedule Told
In the upcoming District 14 Class B basketball tournament to be held in Clewiston, starting Feb. 24, the Avon Park Red Devils will face Ft. Myers' Cypress Lake in a semifinal game Friday, Feb. 25, at 7 p.m.

The opening game will pit Lake Placid against host team Clewiston on Thursday at 7 p.m. The winner will play immediately after the Red Devils-Cypress Lake game Friday night. Finals of the tournament will be played Saturday night at 8 o'clock.

Avon Park Supervising Principal A. B. Wilkie serves as District 14 director and has announced that Jeff DeCola, Avon Park track coach, will serve as official timer. Miss Ann Karnick, Avon Elementary Physical Education teacher, will be official scorer.

Admission prices each evening will be \$1 for adults and 50 cents for students.

HERE'S A TRIPLEHEADER, and a real rarity in any league, especially in Boy Scouting. It was the scene at Fellowship Hall of the Congregational Church Monday night, Feb. 7, as the 3 above scouts received Eagle scout badges. Members of Troop 156, the scouts, with their parents on the

stage with them, are repeating "On my honor..." the scout oath, after being pinned by their mothers. From the left, Michael Slear, son of Mrs. Helen Slear, Michael Bradberry, son of Mr. and Mrs. J. H. Bradberry, and Jack Brown, son of Mr. and Mrs. B. D. Brown.—(SUN PHOTO.)

Rarity Is Held In Avon Park As Eagle Badges Are Awarded Three In Ceremony

A large group of scouts, scouters, families and friends gathered at Fellowship Hall, Union Congregational Church, Monday evening, Feb. 7, to witness a colorful and impressive Eagle Scout ceremony honoring three Avon Park Boy Scouts from Troop 156.

The opening flag ceremony was led by scout Jack Brown, assisted by scout Robert Stokes, who presented the colors as the audience pledged allegiance.

Highland's District Advancement Chairman Smith Rudasill started the Eagle ceremony by calling all Eagle Scouts to the platform.

Eagle Scout Chuck Warrington, acting as First Chief, explained how the Indian youth prepared himself for manhood and the ordeals that he went through to test his fitness to make his place among the braves of his tribe.

He compared this with the tests and ordeals that a Boy Scout must complete to work up the Scouting trail to become an Eagle Scout.

Representing various steps in scouting were Tenderfoot Scout, Chris Tabber, Second Class Scout, Roger Washburn and Wesley Carter; First Class Scout, Ralph Henry; Star Scout, Lake Allen; Life Scout, Jim Warrington.

Second Chief, Eagle Scout Larry Bond, presented feathers to the Tenderfoot and Star Scouts.

Third Chief, Eagle Scout Ross Macbeth, Sebring Troop 141, presented feathers to Second Class Scouts and Life Scout.

Fourth Chief, Eagle Scout Danny Pogany, Sebring Troop 481, presented a feather to the First Class Scout.

All chiefs wore Indian head-dresses, some lent by Eagle Scout Ben Foster, Sebring.

The three candidates for Eagle Scout were then presented by Larry Bond for certification to the Court. Scoutmaster Paul D. Sheffield certified that candidates Jack Brown, Michael Bradberry and Michael Slear had fulfilled all the qualifications for the Eagle Scout rank.

Chuck Warrington introduced Eagle Scout James Heim, who is considered a great chief, wise in the way of Eagles, to charge these three candidates with the responsibilities of the Eagle rank.

Mr. Heim spoke impressively, telling the scouts of the high honor being bestowed upon them, and the responsibility to live the rest of their lives as marked men dedicated to clean living, honest work.

LBJ Lauds Scout Move
President Johnson told the present 5,700,000 members of the Boy Scouts of America that "over 40 million Americans have found scouting to be a rewarding experience" and that its "programs have often been the springboard to their success."

His message on the eve of the 50th anniversary of the movement was made public here by Herb Wilkins, scout executive of the Gulf Ridge Council, which has its headquarters in Tampa.

Boy Scout Week, Feb. 7-13 is being observed under the theme of "Breakthrough for Youth" which each of the nation's 144,000 units seeks to provide a quality Scout program for more boys in its neighborhood.

Devil Cagers Are Defeated By Lake Wales

The Red Devil cagers dropped their record to 6-8 last Saturday night when they lost to the Lake Wales Highlanders, 68-66, at the local high school gym.

Lake Wales "B" squad also won in the opening game out-scoring the Devil jayves 48-32 as Bill Fishback and John Perry pounced in 13 points each for the winners. Mickey West sank 14 points for Avon Park for game high scoring honors.

Lake Wales varsity jumped off to a 13-10 first quarter lead and stretched it to 33-25 by halftime. Then the Red Devils caught fire with guard Carl Holden leading the way and swished the nets for 25 points in the third quarter to take a 50-47 lead.

The lead see-sawed back and forth during the fourth period, the Highlanders moving ahead by five points then managing to stay out of reach until the final whistle.

The Red Devils had foul trouble from the start and lost Bobby Coleman, Emmitt Moore and Spencer Oberie before the game ended. Avon Park drew a total of 47 fouls while Lake Wales was called for 17 fouls.

Holden led the Devils scoring with 26 as he hit nine field goals and made eight free throws. Bruce Weeks, with 25, and Kenny Bruner, with 24, paced the Highlanders in scoring.

The Red Devils made 16 of 22 free shots for a 73 percent effort. Lake Wales had a 65 percent making 26 of 40 shots from the foul line.

Friday night Avon Park travels to Sebring for a third game with the Blue Streaks. Sebring defeated the Devils in a holiday tournament but Avon Park took a 56-51 win from the Streaks here in January.

Next Monday night the Devils will close out their regular schedule playing the Miners in Fort Meade.

Monroe Meets Soto Friday

"Sputnik" Monroe, rugged wrestling terror from the Kansas wheat fields, is scheduled to meet Joe Soto, Puerto Rican grappler, on Friday night's wrestling card at the National Guard Armory.

Also programmed will be the Latin tag team of Jose Lothario and Tito Carretero facing the duo of Mike Paidouasis and his new teammate, the Japanese Duke Kromuka.

It seems as though the former, displaced by his mate last Friday night at the Armory, demanded and got a new mate and a rematch against the Latin combine.

And, the Missouri Mauler who has been leaving unhealthy opponents in his wake is pitted against Jerry London, the Canadian who is capable of tossing out some pug.

The National Guard program Friday appears as a night of mauling and should please fans of the mat game.

A part of the proceeds each week goes to the Sherriffs Boys Ranch, according to the promoters.

The 19th annual Circle T Rodeo will be held in Indian town Saturday and Sunday, Feb. 26-27, according to G. C. Troup, producer of the Rodeo.

Jr. Bowling Teams Active

Team action got under way last week in junior bowling with Bagwell and Bagwell taking high team game with a 241 score and high team series with a 617.

Team Standings:

Devils Burn Frostproof 5

The Frostproof Bulldogs fell victim to the Avon Park cagers Tuesday night in Frostproof. Devil guard Carl Holden scored 25 points to pace the visitors to a 62-55 victory.

The Avon Park "B" squad also won taking a 51-52 decision moving to a 5-8 record with just two games left on the schedule.

Bobby Coleman pushed 15 points through to aid the Devil's cause. Andy Riley was high for the Bulldogs with 21 points.

The varsity win gave Avon Park a 7-8 record with games against Sebring and Fort Meade left on the schedule.

Paul Revere's Ride, Told By The Horse

Listen, my jockeys, and you shall hear
How I carried my master, Paul Revere,
From the River Charles, at the midnight hour,
When the lights flashed out in the old church
tower.

The British had landed! Paul gave me a pat
And said: "Well, Bess, I guess that's that!"
And off we sped through the country wide,
And maybe I didn't give Paul a ride!
But honest, I had to laugh at the folk
Who waked, who said: "What's this, a joke?"
And one old jasper, a Cambridge square,
In nightgown and helmet, yelled, "Where's the
fire?"

And, of course, as I couldn't talk, you know,
I just nickered, "You tell 'em, Paul, let's go!"
Then away we flew through village and town.
I don't know the route but it's all set down
By that Longfellow guy, so I simply said:
"We'll make the grade if I don't drop dead."
So away we flew through roadway and rut,
Till I thought to my soul that I'd bust a gut.

But I never broke one, when the ride was done,
Revere said, "Best, there's Lexington!"
And he showed me a stall and a pile of hay,
And, believe me, I dropped and passed away!
And when I woke up next day and heard
What the "embattled farmers" had done—my
word!

I staggered up and gave three horse cheers
For that ride of mine (and Paul Revere's!)
Then I fell back down in the hay and chaff
And simply passed out in a big horse-laugh!
For the farmers turned with their guns in force,
Because Paul Revere had a darn good horse!

HOOD'S COTTAGE CHEESE

Freshness makes the flavor-difference in Hood's Creamy Cottage Cheese!

Why is freshness important?

The flavor of most cheeses comes from aging, but in cottage cheese, flavor depends on freshness.

Hood's Cottage Cheese is the freshest

...because the milk for Hood's Cottage Cheese comes from LOCAL farms.
...because Hood's is the only cottage cheese plant in the area. From cow to carton, Hood's is the speediest!

SO... HOOD'S IS THE MOST
Delicious!
