STRICTLY FRESH

Joe: "I just landed a job where I can start at the top."
 Moe: "What kind of job is it?"

Joe: "I'm going to be a ditchdigger."
 Here's a tip from our physical education department:
 The road to less weight is just around the bend when you exercise.

A naturalist says it's possible to hold an alligator's mouth shut with one hand. Sounds like a snap.
 "I don't like Mike," confessed coed to her roommate. "He knows too many naughty songs."

"Does he sing them to you?" asked the friend.
 "Well, no—but he whistles them!"
 Don't try to fall back on your friends too often or you may miss some of them.

Joe: "What do a new dress and a little girl have in common?"
 Moe: "Tell me."
 Joe: "They both become a woman!"

Waking Dad up when he snores is the only way you can break that sound barrier.

Fran: "Alice has the best labor-saving device of them all."
 Jan: "What's it called?"

Fran: "A husband with money."
 Singing their own praises is the only way some people ever hear them.
 Our revenue expert tells us there can't be any more hidden taxes.

There's no place left to hide them.
