WHERE YOU GOIN'?
QUO VADIS

HEY, you all ready to go out this evening? Well here are a few places you will truly enjoy.

In the Avon Park area, we have a grand re-opening scheduled for Friday evening at the BAR-OF-BAMBOO under the ownership of Mr. Trigg.

Carl DiGiuseppe of the TOWER VIEW RESTAURANT in Lake Placid said that because of the real heavy response to his Lobster special, he is extending this another week. Come on all you lobster lovers.

On U.S. 17 in Winter Haven, at Nick Christy's SUNDOWN RESTAURANT, we have delicious food, top ty drinks and entertainment by Gino Martino in the Chase Lounge.

Go-Go girls are still the top attraction at Frank Wagner's EL CID LOUNGE on U.S. 17 in Ft. Meade.

For a smooth cocktail and a delectable meal, stop in at the HIGHLANDER RESTAURANT on Alt. 27 at North in Lake Wales.

George at the COPPERTOP on U.S. 27 in Lake Wales, is busy busy with his new dining room addition. Johnny Krugan's tantalizing music goes well with those frosted martinis and thick char-broiled steaks served at the Coppertop Steak House.

Local cinema has Elvis in "Spinout" playing at the HILANS THEATRE in Avon Park tonight thru Sat. Let Taylor fans have a double bill here starting Sunday. "Cat on a Hot Tin Roof" and "Butterfield 8" AT THE SEVON DRIVE THEATRE - Peter Fonda and Nancy Sinatra in "THE WILD ANGELS" (not recommended for children) will play thru Saturday. Starting Sunday, also adult entertainment, we have Jack Lemmon and Shirley MaLaine in Billy Wilder's "Irma La Douce" with co-feature "Tom Jones". Please note the time of the show starting on Sunday.

Come Fly With Me says Shelley Mairs at MARRS AIRCRAFT in Avon Park — real good clean fun, relaxing and thrilling at the same time.

SEJC Panthers Play 1st Game Here Sat.

The South Florida Junior College Panthers will practice into action Saturday night initiating the new school's athletic program with a basketball game against Florida College of Tampa at the Avon Park High School Gym at 8 p.m.

It will be an exciting event for area fans who will be following the Panthers through seasons this year and in years to come. At the opening game this week, Rev. Aden Childress will start pregame ceremonies with an invocation and Avon Park Mayor E. A. McInerney, Sr., will toss up the first ball for the first of the Panther's 22 regular scheduled games. The S.F.J.C. team is coached by former Hardie High coach, Dunning Terrell, who coached over the past 11 years at that school is well known to area basketball fans. During Coach Terrell's 11 years at Hardie, the Wildcats either won or placed second in the Southwest Florida Conference seven times. The past two years his teams went as far as the regional playoffs and in 1961 the Wildcats played in the state tournament.

Coach Terrell has gathered together a group of local boys, with the exception of one out-of-stater, to represent the new junior college which is presently the smallest in the state. The tallest boy on the Panther squad is Jeremiah Cooper, 6'7" center from E. Douglas High in Sebring.

Skipper Gause and Bill Whitehead, who played their high school ball at Hardie, are both center guards. Gause and Whitehead are a forward. Thomas Williams, another E. Douglas graduate, measures 6'2" and also works at the center position. Standing 6'1" tall are Ted Butler from Palatka and Darryl Trawick of Arcadia, both forwards. Guards Junior Gale and Harry Holley of Plant City and forward Rocky Kitchens of Hardie all stand 6' even and Dale Taylor of Calhoun, La., the shortest boy on the team at 5'10", plays guard.

The Panthers operate in two units. The starting five for Saturday's game will be Skipper Gause, Junior Gale, Rocky Kitchens, Bill Whitehead, and Darryl Trawick.

The Florida College team will already have one game under its belt when it meets the Panthers Saturday night. Florida College is scheduled to meet Lake Sumter J. C. in Tampa, Friday night. Coach Bill Thrasher is working with an up-graded athletic program at Florida College this year and will bring a squad with five out-of-state boys. Ken Welliver, 6'6" of Danville, Ind., or Frank Allen, 6'4" of Spartanburg, S. C., will start at center; Jose Fernandez, 6'11" of Tampa or Joe Raguska, 6' of Brandon, Fla., will start at forward. Coach Thrasher will bring Jim Morrow 6'2" of King High at guard; and two forwards will be chosen to start from 6'10" Chuck Schofield of Tampa, 6'3" Wayne Kuykendall of Athens, Ala., 6'3" Tim Norris of Russellville, Ala.

E. G. Touchton, C. Whitehead To Attend Forum

E. G. Touchton and Charles Whitehead will represent the Avon Estates Bank at the Florida Commercial Bankers Forum in Miami, November 17-19. Frank Smeathers Jr., chairman of the Forum's Steering Committee, said that the symposium is designed to present practical and theoretical thinking to the problems facing the Florida banking industry today.

Topics to be discussed at the seminar are: Branch and Non-Branch Banking - Experience in Other States; Personnel - Dollars Involved in Recruitment, Training and Retention; Commercial Banks - Their Changing Role; Marketing - A New Dimension in Promoting Bank Services; and Interest Rates - Complex Problem Facing the Commercial Banker.

The Commercial Bankers Forum is sponsored by the School of Business Administration and Continuing Education of the University of Miami, the Florida Bankers Association and the Greater Miami Clearinghouse Association.

50 Called For Circuit Court Jury Duty

A venire of 50 has been called for Circuit Court trials the last week of this month.

One criminal case and one civil suit are scheduled for jury trials and one criminal case is to be tried before the court.

Joseph Surge, who is charged with rape, has waived jury trial and will be tried before Judge Gunter Stephenson on Monday, Nov. 28.

The civil suit of Jerald Harniss versus Irving Cobb, Jr., is scheduled the same day. Judge Stephenson is presiding.

The only other trial scheduled for the week is a morals case scheduled for Friday, Dec. 2.

Among the jurors called for possible duty on these cases is Irving Cobb of Lake Placid, father of the defendant in the civil case.

Jurors called from Avon Park: Willie Mallard, Norman Cook, James K. Clark, Ralph Hill, R. A. Wheeler, L. M. Brown, Clyde W. Pendola, Eldred Grober, John H. McLemore, Orelan H. Corban.

CHAMBER TO HAVE BREAKFAST MEETING
The Avon Park Chamber of Commerce board of directors will have a breakfast meeting this morning (Thursday, Nov. 17) at 7 a.m. at Griffin's Restaurant.

McAllister assumes his new position November 4. Headquarters for the FAIRC are located at 210 East College Ave., Tallahassee.

Conner said McAllister's successor will be announced soon.

Mrs. Mary Ellen Ward, Avon Park, is president of the Florida Association for Retarded Children.

School Heads To Apply For Head Start
Highlands County school administrators are now preparing the application for a Head Start program in this county for the summer of 1967.

The county's first Head Start program was held this past summer in three centers — one each in Avon Park, Sebring and Lake Placid. The application for next summer requests three centers, but the local administrators have said they are hoping to expand the program in these centers.

Head Start is aimed at preparing children from economically deprived homes to begin first grade.

Deadline for applications for 1967 programs is November 30.

Special Election Set For School Bonds

Highlands County commissioners Tuesday approved the school board's request for re-issuance of bondholders and holding of a special election on issuing school bonds.

The re-issuance was set for Tuesday, Feb. 28.

The school board proposes to issue \$115 million in bonds to finance a county-wide construction program of elementary and high schools.

The school board will be held during the first week of January and must be concluded 14 days before the election.

The county commission's 55-minute session Tuesday consisted largely from its last meeting when a number of delegations crowded into the meeting room and several petitions were received.

One echo of that lively session was heard this week

when Commissioner Carl McIntyre inquired about the county attorney's writing a letter to the Florida Real Estate Commission about conditions in the Orange Blossom Estates subdivision.

McIntyre said each purchaser of land in that subdivision is paying \$10 per month dues to a club which is supposed to maintain some recreational areas in the subdivision. Residents appeared at the November 1 commission meeting and have complained that the club is not functioning.

Commissioner Earl Crockett and Jean Whitaker were members of the audience at Tuesday's commission meeting. Whitaker suggested that the Orange Blossom Estates residents might present their case to

the Florida Installment Land Sales Board.

Ralph Kowler, president of the residents organization in Highlands Park Estates, presented a petition asking the commission to require some bonds within that subdivision.

Commissioner James C. Reed said the club was in poor condition and in need of re-

pair. He had previously been accepted for county maintenance and the board promised to investigate.

In other business Tuesday the commission accepted a bid for 15 new voting machines at \$1,880 per machine.

Supervisor of Registration James Y. Frost was given permission to hire a full-time custodian of voting machines and deputy supervisor of elections. Jimmy Whitehead has been working in Frost's office part-time and Frost told the board Tuesday he needs to put Whitehead on a full-time basis to insure having a trained man available for specialized duties in that office.

The gubernatorial inaugural bonds committee sent a letter requesting that Highlands County send a bond to participate in the parade. A check of Avon Park High School band turn to represent the county.

The commissioners agreed to finance the Avon Park band trip up to \$1,000.

The board voted to place a page ad in the Sebring News special County Fair Edition.

Avon Park High School Plans Big Homecoming Next Wednesday

Wednesday, Nov. 23, has been designated as homecoming for Avon Park High School. Monday, Nov. 21 through Wednesday, Nov. 23, is homecoming week which will be topped off Wednesday night with a victory dance after Avon Park beats Sebring in what has become a traditional football contest.

The student council and the cheerleaders, co-sponsors of the homecoming activities, have planned an exciting week including four pep rallies, a "sign day," a bon fire and snake dance, a color day, victory dance, and of course, a homecoming queen contest.

In order that this homecoming be a complete success it will be necessary to have the complete cooperation of every student organization on campus.

So that greater originality may be exercised there is no to these his year other than "beat Sebring."

The homecoming queen candidates and their sponsors:

Sharon Childress, 10-1; Mary Lou Cramer, FFA; Alice Fekner, Honor Society; Susan Gentry, FHA; Ann Graham, 7-2; Terry Guyton, Pep Club; Charlene Lawton, Student Council; Nancy Lighty, Junior Class; Lisbeth Liles, B-Squad Cheerleaders; Melba Mitchell, 10-3; Sandra Dixon, Glee Club.

Jane Nunnallee, 7-3; Karen Pearl, DCT; Sharon Snellgrove, Annual Staff; Kaye Taylor, Ninth Grade; Debbie White, Senior Class; Barbara Wood, Band; Stephanie Wood, FTA; and Linda Field, 8-2.

The candidates must be a senior girl with a "C" or better average.

The parade will be full of floats and bands with high-stepping majorettes. Cheerleaders will lead a parade.

The parade will lead a rally at the end of the parade. The pep rally will be held in the parking lot of the football field.

The candidates must be a senior girl with a "C" or better average.

Fans, please come and support our victorious team!

The Shakespeare family crest will be added to the left side of the jacket. This crest is to remind us that Avon Park received its name from its first settlers who came from Stratford-on-Avon, Shakespeare's home.

The tall black shako or far hat is the crowning touch and is surprisingly very light weight.

The majorettes will march in a similar type jacket worn with black shorts with a red stripe.

Jack Brown also modeled the red blazer jacket which will be worn with the black trousers, white shirt and black bow tie for concerts or traveling.

The blazer will also carry the Shakespeare crest of arms and the words "Avon Park High School."

The hat, jacket, pants, socks, belt and blazer jacket are all included in the cost of approximately \$100 per student. The band has many projects by which they are striving to raise the needed money. One of them is the Fun-A-Poppin' variety show on Thursday and Friday nights.

The whole family will enjoy this show to be held in the school gymnasium at 8 p.m. Tickets are \$1 for adults, and 50 cents for children and students.

City Council Meetings To Be Televised

W. Clark Swanson Jr., of Highlands Cable TV, made an experimental telecast of last Monday night's city council meeting. After recording about one hour of the meeting, the tape was rerun for the benefit of the council and those viewing. It was extremely interesting and the hearing portion of the meeting being re-enacted on the monitor set. Council members, as well as the mayor, enjoyed seeing themselves in action, but some seemed concerned about not having proper makeup, as their shiny foreheads drew some comment.

Future council meetings will be televised for the general public by Highlands Cable TV, at no expense to the city. It is a public service.

Swanson also plans to have a community programming from both Avon Park and Sebring every evening on Channel 4, with the following local news coverage: Monday through Friday from 5 to 5:30 p.m. This has been done now.

Subject to a few minor changes, the uniform as shown in the picture is a knock-out. The smartly tailored red jacket is accented by a vertical row of white buttons, a white belt and gloves. The black pants sport a red stripe down the side. Black shoes are worn with the uniform and are covered by sparkling white spats.

Al DuBoise bought a sample of a rainbird which he is interested in installing a sprinkler system at the basketball field. The entire system is guaranteed for two years.

A letter of appreciation to the City Officials for their aid in helping solve the parking problem in the downtown area was read from the Chamber of Commerce.

Mr. Albright reported that he had had calls from individuals concerning the City moving on private property.

The Chair explained that he had had some moving done simply for improvements only for the benefit of the town.

The Mayor explained that some had been done for beautification and health of the town, but he said that Mr. Albright said that if it was done for one it should be done for all.

He said that he had had some moving done simply for improvements only for the benefit of the town.

Mr. Albright requested the Council to not let Mr. Phillips trailer be moved from Phillips grocery on Main Street because he felt it was in violation of a City Ordinance, or if he had to go to the State Road Dept. in Bartow.

Florida Power Corp. Cooking Caravan Here November 21-22

The Commercial Cooking Caravan of Florida Power Corporation will be in Avon Park Florida Power Lounge parking lot on November 21 and 22. The special van will be in charge of Don E. Judy, the company's commercial cooking specialist, and invited guests will include representatives of civic groups, restaurants, motels, schools, etc.

The 55-foot, air-conditioned and heated van is designed as a self-contained, fully operational demonstration kitchen with all electric appliances including a high-speed boiler, all-purpose range, food and oil warmer, deep-fat fryer, air boiler, steam cooker, refrigerator, etc., each a vital appliance in any commercial cooking application.

Judy, along with other hosts from Florida Power's Avon Park district office, will give demonstrations of each appliance. During the coming months, the Florida Power van will travel throughout the company's 32-county system.

Lions Club Accepting Toys For Repair

The Avon Park Lions Club announced this week that they were now accepting used toys for repair for the Christmas Cheer program. Over the last ten years thousands of toys have been repaired by volunteer workers. They will appreciate the cooperation of the citizens of Avon Park in getting these toys in early for repair.

Toys may be left at Albritton's Barber Shop, 17 South Lake Avenue with Len Larry Albritton. A telephone call to GL 3-4228 will bring a truck to your door to pick up the toys if you cannot deliver them. Toys may also be given to any member of the Lions Club for repair.

Students Guide Parents at APHS Day Conference

The Elizabeth Driggers Chapter of the Future Teachers of America was on hand Friday, Nov. 11, to act as parent guides at the Parent-Teachers Conference Day.

Twenty-five of the 30 members were busy helping lost parents find their way to the teachers' room. The parent guides were: Linda Batson, Elma Hall, Janet James, Faye Bold, Emily Rowland, Jacy Neal, Susan Burch, Larry Prescott, Peggy Snodgrass, Melanie McClure, Celia Albritton, May Bates, Mary Canner, Linda Morrison, Mary Stewart, Linda Hicks, Velma Tate, Sue Bages, Brenda Stansberry, Iola Smith, Susan Roth, Steve Booth, Stephanie Wood and Jimmy Buresca.

While one-half of the FTA members was at the school, the other half was busy at the Avon Elementary Cafeteria guiding and getting ready for the victory dance which they sponsored after the Avon Park and Okaloosa game. "The Intruders" played the lively music to which high school and junior college students danced.

FTA Delegates Represent APHS At Convention

The members of the Future Teachers of Avon Park will send four members of their chapter to the annual convention at the Jack Tar Hotel in Clearwater, on the 18-19 of November.

Only four delegates and their advisor may attend the convention. Students earn the right to represent the local chapter by a point system. Points are based on services rendered. The first general session opens at 1 p.m. in Fort Harrison East. The students will be staying at the Jack Tar Hotel.

They will attend Buzz groups to discuss things that concern their chapter, teaching opportunities, schools, why teach, and many more topics. These topics will be conducted and discussed in classroom fashion.

However, it will not be all work and no play for the students. Entertainment will be provided by the Bakers Dozen from Boca Ciega High School. There will be parties and a lot of fun. The students attending are Mike Sever, Gary Neal, Sharon Snodgrass, Sharon Childress.

Bonnie Brae Mobile Estates

We are sorry to have Mr. and Mrs. Virgil Kellough leave our park. Mr. Kellough is receiving treatment at the Bay Pines Veterans Hospital in St. Petersburg and finds it necessary to be near the hospital. They left Tuesday and will be at Bay Pines Park, hoping to return later in the season to Bonnie Brae. A speedy recovery, Virgil.

The Alfred Harn's estate, owned by Mr. and Mrs. John North and son, Sunday evening.

Mr. and Mrs. W. E. Holbrook (Earl and Bess) of Marysville, Ohio, have been in the overnight section for the past week. They left Monday morning to attend the Wally Harn, Italy will attend Buzz groups to discuss things that concern their chapter, teaching opportunities, schools, why teach, and many more topics. These topics will be conducted and discussed in classroom fashion.

Mr. and Mrs. Raymond Altonius of Philadelphia, Pa., visited Julia and Henry Grooms during the week. They are wintering at Bonwood Park.

Clarence Penfield, originally from Southington, Mass., is staying with Marie and Paddy Lisette. They have been touring this part of Florida with "Dory."

Mr. and Mrs. Clarence Gerard left last Thursday to visit her aunt in St. Petersburg, and returned back on Tuesday.

Marge and Vernon Jordan spent Sunday at Punta Gorda. Mr. and Mrs. Frank Foote (Maude and Frank) had many guests during the week. Leslie and Scotty McPherson called on Monday. Mr. and Mrs. Stewart on Tuesday. Mr. and Mrs. Frank Fisher and Mr. and Mrs. Lewis Booth on Thursday, and Lynville Myers spent the evening Saturday.

Mr. and Mrs. Dale Lanier are pleased to have their great grandmother, Mrs. Amanda Jones, come to live permanently with her grandmother, Mrs. Lily Crunkleton of Avon Park.

Mr. and Mrs. Russell Bonar of Little Hocking, Ohio, friends of Thelma and George Chalmers, stopped over night here at Bonnie Brae on their way to Big Pine Fishing Lodge on Big Pine Key.

Thelma and George Chalmers drove to Zephyrhills on Friday to spend the day with Mrs. John Rotherford and Mrs. Louise Callums.

Bess and Earl Holbrook and Julia and Henry Grooms spent last Wednesday evening at the Chalmers, in honor of Julia's birthday. Belated birthday greetings, Julia.

Hospitality Hour was held on Thursday at 9 a.m. This week it will be held at 10 a.m. to see which hour is most convenient. Bring your cup and spoon and join the crowd. Everyone is welcome.

Bond Sale
Three of the four Florida counties which cast ballots on school bonds last week approved the bond sales. Highlands County School Superintendent George F. Douglass said today he is "heartened" by the favorable vote in Collier, Okaloosa and Suwannee counties.

Collier freeholders approved a \$3,777 million and Suwannee proposed Highlands issue would be for \$3,155 million. The issue in Okaloosa, at \$2,992 million, and Suwannee, at \$1,986 million, are below the level proposed here.

The unfavorable vote was for the much larger issue proposed in Volusia—\$8,265 million. "The large issues seem to be the ones the voters are backing away from," Douglass commented.

Avon Mobile Home Park

Ruth E. Robinson

A warm welcome is extended to each of our neighbors who are moving into the Avon Mobile Home Park. From those of us who remained in the South, and those who arrived earlier. The happy months of greetings, laughter, and the spirit of staffed board, these make us aware of the team. Happiness is a homemade article.

The first Ladies Meeting was held on Friday, Nov. 11, with 25 members attending. Summer experiences were related by each one, varied and interesting. Hazel Thompson said there were 43 people from our park who attended a reunion picnic this summer at their farm in Indiana, which happened to be the only rainy day they had. Howard and Louise Bell were the most distant to attend the picnic, coming from Milford, Ohio.

Newly arrived travelers from Minneapolis, Minn., are Mr. and Mrs. Ole Quam. They are planning to remain with us for the winter and we wish them a pleasant one.

Our sincere sympathy is extended to Mr. and Mrs. Ralph Crocker in the death of Mrs. Crocker's mother, and Mrs. Arthur Massey who lost her husband early in the summer. Mrs. Jesse Bennington is also in our hearts and prayers, since Jesse passed away. She has gone North to be with her family until after the holidays.

Mrs. Bess Bess is wished a very speedy recovery from her operation and future good health.

Celebrating their 50th wedding anniversary this year were Mr. and Mrs. Arthur Foote and Mr. and Mrs. Earl Amick. Both couples were married at Bonnie Brae.

The Arthur Foote's guests recently were Mr. and Mrs. Lester Wey from Fort Olin on Lake Erie, where the Foote's have their summer home. Mr. and Mrs. Wey are family from Gravette, Ohio, also visited with them.

Mr. and Mrs. "Scotty" McPherson are the proud and happy owners of a New Moon Mobile Home. We wish them much happiness in their beautiful home, as they dwell in it.

Thanksgiving dinner will be held at always in the recreation hall on Thursday, Nov. 24 at 12:30 p.m. Turkeys and ham will be furnished by Walter and Kay Coulson, leaving the rest of the delectable dishes to the good cooks of the park.

Our park family for preparation. Please sign up on the Thanksgiving menu which is hanging on the bulletin board in the recreation hall, as to those of dish which might be your specialty, and your name. Thank you, all.

The next ladies meeting will be a business meeting, with election of officers as the main item of discussion. It will be on December 2 at 2 p.m. with refreshments served. Be sure to put this date on your calendar, so we can plan our activities, etc. for the year.

We had our first mixed shuffleboard tournament for 10 members on Monday, Nov. 14. Watch the bulletin board for future activities.

MAN HAS 49 WIVES AND 212 CHILDREN

Never for a moment ceasing to amaze its audiences, the new African film, "Zoulo," presents the world's foremost husband.

Head of a jungle tribe, deep in the deadly interior of the Dark Continent, this chiefdom boasts 49 wives and a family of 212 children at the time of filming. Interpreters told the American film producers that the old boy had no intention of declaring "enough" and that if they could return in a few years he likely would have a few dozen more youngsters. Coming to "Seven Drive In."

Formation

This has been a busy week at The Highlands School with preparations for the pageant. Some of the parents and friends who were from Arizona, Illinois, North Carolina, and Alabama.

The school newspaper has elected its 1966-67 staff with Barbara Rowland from Miami, Fla., as Editor-in-Chief, Penny Hagner from Houston, Tex., as Co-Editor and Business Manager, Peggy Green from Naples, Fla., as Circulation Manager. The Highlands girls elected the name suggested by Karen Benson of New York City for the paper, "Pandemonium".

Miss Penny Hagner is Editor of the Yearbook with Dr. Robert Davidson, serving as advisors. The name "Adelphi" has been chosen by the staff and the student body. The business, layout and typists have already started work with the advisors to make a good start for the first yearbook of The Highlands School.

Mr. Hammond, Manager of Gran Prix Bowling Lanes, gave instructions on Monday, Wednesday and Friday of last week. On Saturday, all the girls were invited to free bowling and instructions at the lanes. They really enjoyed themselves. Bowling leagues are being formed now within the school, thanks to Mrs. Haasturder, Physical Education Instructor, and Mr. Hammond.

The Highlands School Chorus sang at the First Methodist Church of Avon Park on Sunday morning. On Nov. 14, 35 students and eight faculty members heard the "Swing Singers" at Florida Southern College in Lakeland. Arrangements were made by Mr. Robert McDonald, pianist and Chairman of the Music Department at The Highlands School. The concert is composed of classical music by musicians as Bach, Mozart, sung in modern style. The chorus is noted for their fine vocal interpretation of instrumental works by the composers.

Florida Agricultural Experiment Station scientists say much of the growth expected in the nursery, flower foliage and turf industry during the next 10 years will be spawned by research in the laboratory and in the field.

Class Of 1916 To Be Honored At Homecoming

The APHS Senior Class of 1916 is being honored at the APHS homecoming this Wednesday, Nov. 23, when the Red Devils play the tough St. Johns River State College team. All boys of the class of '16 are invited to be the guest of the high school and will be honored at the game.

If you are a member of the class and have not yet been contacted, please call the following by the high school for further information:

Following is a list of the senior class of 1916:

Marie Basenow, Jeanne Cress, Glenn Whitcomb, Edward Edge, Bert J. Willis, Mary Ellen Home, Lawrence James Hagan, Charles Hagan, Bennett, Betty, John, Lawrence, Harold Garrett, Kenneth L. Thompson, Margaret Rhodes, Lisa Landress, Thelma Wilson, Henry Wingo, John Geary, Charles Welch, Robert Wiley, E. C. Wooters, Myrtle Simpson, Robert, Roy, David, J. John, Garbar, Peggy, Thompson, Ruby Barlow, Alice Garrett, Barbara Stiles, Bessie Allen, and Benjamin F. Camp Jr.

Remember, the more members the better, the homecoming, and since a class is honored at homecoming only once, a genuine effort should be made to attend.

Robert Burton Now In USAF

Robert E. Burton, son of Mr. and Mrs. Charles R. Burton, Avon Park, enlisted in the U. S. Air Force on October 24, announced by Sgt. Paul Smith, local Air Force recruiter.

He enlisted in the mechanical aptitude area and will undergo basic training at Lackland Air Force Base, Texas.

Robert graduated from Avon Park High School in June of this year and has been employed at Chick-T-Tail.

Wings, where he also attended high school. Following this he attended the Wisconsin State University. He is married and has a family of three boys.

Mr. Doty believes that every student should enjoy and appreciate some phase of art if not all phases. This is why he has put a lot of time and hard work on the materials and the art room itself. Some of the new installations are: two large cabinets, three basin sinks, a bulletin board, shelves for storage, a projection screen and portable chalk board which are all very handy and useful to his students.

Some of the projects which have been made are: paper boats, aluminum trays, hanging baskets, colorful bulletin boards and stencils designs. All of these things were made by the high school and 8th grade art classes.

The 7th grade has been making paper boats. They have been lettering and doing perspective drawings.

APHS Students Report On TV History Class

—Reported by Freda Light and John Lamar.

Avon Park has a new TV class program. The teacher of this class, Lee Maness, has been in the city for 13 years and a coach here for 12. He graduated from Presbyterian College in Clinton, S.C. His experience includes teaching at Furman, Western Carolina, South Florida, University of Florida, and a master program at Stetson.

Actually, 20 minutes out of an hour is TV class time, the rest is spent on discussion and tests. The students are given an outline of the TV program before it is shown.

Its new look is just one nice thing about the '67 Chevy pickup

'67 Fleetside Pickup

THERE ARE LOTS OF OTHERS.

For instance, new durability: New sheet metal construction discourages rust. Eliminates exposed joints on cargo box and tailgate. Provides self-washing wheelhousings with special splash shields. Inner cab is specially treated against rust.

Also, added comfort, safety and convenience: Improved visibility all around. Dual master cylinder brake system. Telescoping lower steering shaft. Energy-absorbing instrument panel. Interior color-keyed to go with exterior paint. One-hand tailgate latch.

And extra strength: Full-depth double-wall side panels (Fleetside models). Double-wall steel in cab roof and other important areas.

Plus famous Chevrolet truck features: Independent Front Suspension that gives a smooth ride—like a car. The most popular truck 6's and V8's. (And there are lots more, as your Chevrolet dealer will show you.)

Sermonette

REV HERBERT D. GRAETZ
Union Congregational Church

LEAPING OVER A WALL

"By my God have I leaped over a wall,"
Psalm 118:20.

The psalmist would have us know that he has overcome an obstacle by a power greater than his own. The question as to whether obstacles wear spurs to prod us or a shroud depends upon whether they drive us to God or to despair.

"A bird came hopping to my shelf
With one good foot, a stump the other
It hurt my heart to see so maimed
A feathered brother.
Yet when he spread his wings to go
He seemed to launch himself with laughter.
As though to mark my sorry thoughts
That fluttered after.
For though he could not perch so well,
Nor strut nor swagger any longer,
His wings were strong as any birds'
Yes, maybe stronger."

We might ask of the poet how does one get that way? For we suspect that he is talking to our condition. There is an answer to the question in a story told by a doctor. It is the story of a woman who had a back that had been bent for eighteen years. It had caused her mental and physical pain. Before we consider it, however, let us look at the case of Katherine Butler Hathaway.

Katherine Hathaway had spinal disease at the age of five. She was strapped down to a hard bed for ten years. When she finally got up at the age of fifteen years and looked at herself in the mirror, she was shocked. She later said of the experience: "I didn't scream with rage, when I saw myself. I just felt numb." She was deformed, so badly so that children would call her names and torture her on the street. She was terribly hurt. Then something happened, but before we consider it let us go back to the case of the woman with a bent back. It is found in St. Luke 13:11-13.

Dr. Luke says that the woman with a bent back had a "spirit of infirmity." St. Luke 13:11. In other words she not only had an infirmity but the infirmity had her. How true that is in so many of our lives. Something has happened that has blocked our path in the direction we had started. We cry, give up and start to drift on an ever enlarging sea of bitterness.

When the woman with a bent back and a warped spirit met Jesus, he said: "Woman, thou art loosed from thine infirmity." Christ straightened her bent spirit. He then "laid his hands upon her," and straightened her bent back. We are not surprised that she became a person of praise and glorified God.

Dr. Paul Dubois has said: "Religious faith is the best preventive against maladies of the soul, mind and body, and it is the most powerful medicine we have ever discovered for curing them."

Let us look again at the experience of the little crippled girl. If you have read her autobiography "The Little Locomotive," you know what happened. Katherine Hathaway decided to meet hostility with love. In speaking of the children who taunted her she wrote: "I began to lift the focus of my own attention, and consequently theirs too, off myself and place it gently but firmly upon them instead. When they glanced up as I approached along the sidewalk they found me looking with interest into their faces. After that there was no fear or distrust left in me, and no child ever shouted at me again or, if they did, I didn't hear or know about it." What was her secret? Love and a deep interest in others. She became one of the radiant personalities of her generation. She gave God the praise. "We are the guests of God," she said, "but we greedily take all he gives and then, forgetting our manners, we are not grateful but look for more."

An attractive girl stopped beside the hospital bed of a stone deaf war victim. The lad talked and the girl scribbled answers on a pad. As she was about to leave, the deaf soldier said: "Won't you come to see me again? It's awful not knowing what people around you are saying." "Oh," wrote the girl on the pad, "I don't know that it's so awful. - I am as deaf as you are. Why don't you learn to read lips." She had learned to live victoriously in spite of her handicap. Others have learned that lesson, too.

St. Paul was troubled by what he called a "thorn in the flesh." We do not know what it was. We do know that he prayed that God could remove it. God's answer to him was: "My grace is sufficient for you, for my power is made perfect in weakness." II Corinthians 12:9. St. Paul learned his lesson. We know because when he was imprisoned in Rome, just when he had arrived at his period of greatest influence and effectiveness, he wrote to the Church at Philippi "I know how to be abased, and I know how to abound." Philippians 4:12. He could no longer talk to the people in the churches so he wrote them letters. Those written words, through the providence of God, have become religious treasures for all time.

The important thought for us to get this sermonette is: the love of Christ can straighten up a bent spirit, you can get the mind off of one's self onto other people and can change an attitude of pity to one of praise. If you have a cross to bear, look to Jesus on his cross until you can hear him say to his tormentors: "You can do with me as you will but you can't stop me from saving you."

Special Service at Congregational

There will be a special service of thanksgiving at the Union Congregational Church this Sunday morning at 11 o'clock. Rev. Herbert D. Graetz will preach a sermon on the subject: "Thank and Thank God."

The annual Thanksgiving Eve Communion Service will be held at 7 o'clock Wednesday evening, Nov. 23. A class of

new members will be received into the church.

The Thanksgiving offering will go toward the building and staffing of service centers in Viet Nam. It is through these centers that the church seeks to provide Christian guidance and aid to our servicemen. A 30 percent increase in Chaplains and service centers is necessary to fill this need.

Avon Park Campground

Mrs. Velma Jenkins and mother of Canton, Ohio, recently visited friends on the campground.

Mr. and Mrs. R. K. Gammertfelder of Reynoldsburg, Ohio, have arrived back for the season.

Rev. and Mrs. E. C. Gove and daughter, Mrs. Catherine Sultzbach, and son Jimmie, visited friends at Naples this past weekend.

Rev. Billie Holstein arrived Saturday from God's Bible School in Cincinnati, Ohio.

Miss Lynne Joley of Oxford, Mich. and the school, accompanied her down. Miss Joley returned Monday leaving from Tampa airport.

Mr. and Mrs. Roy Watts arrived at their lakefront home Saturday from Weaverville, N. C.

Mr. and Mrs. Fred Lang of New York State are back at the Acker cottage on Lake Isle.

Audubon Field Trip At Hammock

A field trip in Highlands Hammock State Park will be conducted by C. Russell Mason, executive director, Florida Audubon Society.

Saturday, Nov. 19, Highlands County Audubon Society will be the host.

Highlands Hammock is noted for abundant, easily observed wild life seen from famous "catwalks" through hammock growing subtropical plants, shrubs and trees.

The park is located six miles east of Sebring off Highway 27. Visitors are welcome and the group will meet inside the entrance at 10 a.m.

Come and enjoy nature at its best, with professional guidance.

Dance Follows Homecoming Game Wed.

The Student Council of Avon Park High School is planning a homecoming dance after the Avon Park Sebring clash in what is becoming a traditional Thanksgiving Eve football contest.

The fantastic "Equinox" of Barrow will provide the music for the semi-formal dance to be held at the Avon Elementary Cafeteria immediately following the game.

Price of admission will be 75 cents stag and \$1.25 drag. Out of school guests are welcome, and will be admitted if they have printed identification cards from the office of their high school, or register at the office of Avon Park High School or at the Junior College.

The dance will continue from after the game until midnight. Refreshments will be provided.

Hospital Hosts AP Ministers

George Walper, Administrator of the Walker Memorial Hospital, invited the ministers to hold their monthly meeting at the hospital. Mr. Walper and Judge Rehner were special speakers.

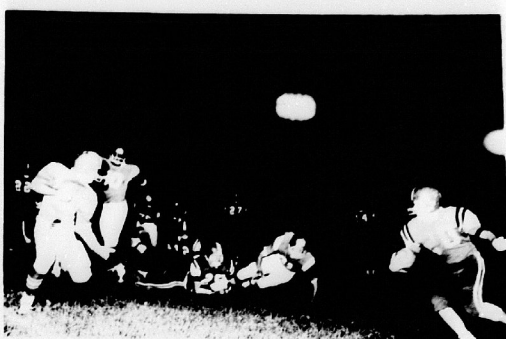

Mr. Walper made his speech before dinner and was well received. There are three phases of sickness, physical, mental, and spiritual, and this is where the ministers come in very loud and clear. You ministers are always welcome to this hospital, because your visits are very helpful.

He also pointed out that there were six kinds of peace which the minister could play a good part 1. The peace that comes from good will between nations; 2. The peace that comes when neighbors help each other; 3. The peace that man draws from nature; 4. The peace that exists within his family; 5. The peace that exists between himself and God; 6. Peace with himself.

Then he welcomed the ministers to a delicious dinner as his guests. The Park Ladies were hostesses to the dinner. A voice of thanks was given to the Avon Park Florist who furnished flowers for this occasion.

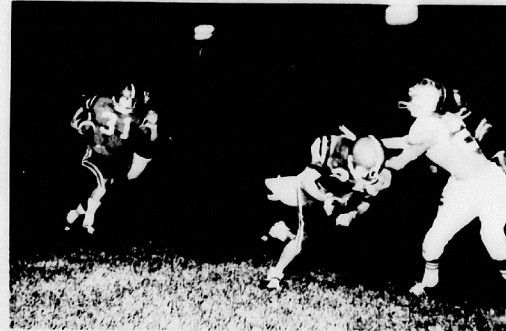

After dinner, Judge Rehner gave a very timely speech on his work with the Juvenile Court. He informed us about the need and some of the problems which come in this work.

The public is invited to a community Thanksgiving service to be held at the First Presbyterian Church, November 24 at 10 a.m. Rev. Herbert Graetz will preach the Thanksgiving sermon.

Conference For Pre-Schoolers In Jacksonville

"New Dimensions For the Preschool Child" was the conference theme for the 11th annual conference for Florida Association on Children Under Six, held November 10, 11, and 12, at the George Washington Hotel in Jacksonville. Four hundred and seven members attended this conference.

Among the noted speakers were Dr. Hain Ginott, an associate professor in the New York University Graduate Department of Psychology; Dr. Kenneth Wynn, Professor of Education, Teachers College, Columbia University, N. Y.; Dr. Mary Moffitt, Professor of Education, Queens College of the City University, Flushing, N. Y.; Topics were "New Solutions to Old Problems," "New Dimensions: How May We Assess Them?" and "Curriculum For Today's Child."

Study groups were held on six different areas:

1. Stimulating Intellectual Growth.
2. The Child in Day Care.
3. Vision Screening of Preschool Children.
4. Teaching the Disadvantaged Child.
5. Mathematics for the Young Child.
6. Working with Parents.

A symposium on "Current Issues in Early Childhood Education" was headed by Dr. Janet McCracken, University of Florida. This included:

1. Children's Needs.
2. Climate for Learning.
3. Early Learnings in Language.
4. Organizations of Professionals.

Adventists To Launch Annual Mission Appeal

This Saturday, Nov. 19, the Seventh-day Adventist Church here in Avon Park, will launch the annual "Fraternizing or World Service Appeal" for missions, when Pastor Robert H. Kern will present his sermon, "Into All The World" at 11 o'clock hour.

During the four week period of November 19 to December 15, the members of the local church will again solicit and invite friends and neighbors to have a part in the humanitarian uplift work that is being carried on in 189 countries.

Funds and contributions received now, this year, will help carry on the activity and work in the denomination's 128 hospitals, 146 clinics and 19 medical centers. Locally, the Seventh-day Adventists will be teaching for a goal of \$6,075.00.

Check your brakes, lights, horn, windshield wipers and other safety device on your car. Longer nights are here.

A 39-0 rout of the Okeechobee Brahmas last Friday night here at Memorial Field gave the Avon Park Red Devils a 7-0 record for the season with two tough opponents left on the schedule. Seven different Red Devils contributed to the scoring as head coach Joe Franz cleared the bench giving his reserves plenty of action in the penalty minded game.

Senior halfback Harold Callaway led the scoring with 13 points, quarterback Emmitt Money ran in one TD and passed to Bruce Bennett for another, reserve quarterback Leroy Mondesire passed to Chuck Long for a six pointer and hit Leslie McNeil who advanced to Billy Richards for the Devils final touchdown as the home blow ending the game. Bobby Barben ran one extra point across and Hoppy Rows kicked one to go along with Callaway's point after as the Devils made three of the six PAT's attempted.

But now the Devils face two opponents within six days as they travel to Hollywood tomorrow night (Friday) to play the Chaminade Lions at McArthur Stadium and then host the Sebring Blue Streaks here at Memorial Field next Wednesday night in the big inter-county Homecoming battle.

Chaminade looms as the Red Devils biggest road test to an undefeated season. The Lions, a Class A team that plays mostly Class AA competition, have a 4-2 record with losses to Plantation and Seacrest and wins over Nova, LaSalle, Pinecrest, Cutler, Northwood and Eau Gallie. They are riding a four game winning streak with a 28-14 win over Eau Gallie last Friday night.

Last year Avon Park took a 28-20 win from Chaminade in the first meeting of the two schools on the gridiron. The Lions are big and take advantage of an excellent passing game to move their offense. Last year the Lions passed for 186 yards against the Devils scoring two of their four touchdowns in the air and the game passing combination of quarterback Phil Prosser and end Jim Nester has been leading the Lions to wins this year.

The Red Devils will be trying to figure out a way to stop Chaminade's scoring and also sharpen up their offense this week with the big game with Sebring also in the practice plans. The Streaks are 4-4 for the season but as always are dangerous. Sebring has defeated Arcadia, Okeechobee (38-0), Sebring, the Deaf, Haines City (39-14), and lost to Bartow, Lake Wales (7-0), New Smyrna Beach, and Naples (19-7).

The Devils will travel to Hollywood on a charter bus leaving about noon tomorrow and coming home after the game. Coach Franz says the game will be played at McArthur High School Stadium in Hollywood and hopes Avon Park fans will turn out for the big game this week.

Okeechobee Game Last Friday the Red Devils scored the first four touchdowns they got the ball and didn't allow the Brahmas a first down until late in the second quarter. On the first Devil scoring drive which started on Avon Park's own 47-yard line, Harold Callaway ran over for the TD after nine running plays and 20 yards of penalties against the Devils. Callaway went in from the one yard line crashing over the middle and then Bobby Barben went through the middle of the line for the extra point.

The next Devil drive started on the Avon Park 40-yard line and moved to the one in nine more running plays before a 15 yarder set them back on the 25. From that point, Money rolled out and passed to Callaway who bailed it in and galloped over the goal line untouched. Money missed Callaway on the same play for the point after.

As the first quarter ended the Avon Park offense cranked up again from the Okeechobee 24 yard line. On the next play, Callaway ran and then Money fired a six yard pass to end John Wright and from the 30-yard stripe, passed to end Bruce Bennett who took it in on about the 15 and scampered into the end zone for his first touchdown of the season. Callaway boy-bowed over for the extra point to give Avon Park a 20-0 lead.

Chaminade stumbled on the next series and alert Earl Sims pounced on the ball at the Brahman 40 for the Devils. Another 15 yard penalty moved Avon Park back to their own 43-yard line before the Devil offense got moving again. Then Money passed to Wright who lateraled off to the end zone for a 47-0 lead. Money added eight yards on a keeper run, Barben ran for seven more and Devil coach Joe Franz said in the second team, with Denny MontDe-

S.D.A. Church Members Elect 1967 Officers

Gail J. Larsen, M.D. was named head officer for 1967 when the Avon Park Seventh-day Adventist Church held its annual elections last Saturday. Associate officers (lay assistant) to the pastor will be T. Paul Boney, Augustus H. Foster, Jr., M.D., Donald C. Kistner, M.D., Jerry McAninch, Walter M. Ott, M.D., Marion A. Paden, Paul Richardson, T. D. Rickard, Ross J. Syle, and George Walper.

Church members elected Howard Pallett of Avon Park head deacon and Mrs. Gladys Elliott of Avon Park head deaconess. Each will be assisted by 17 deacons or deaconesses.

The new Sabbath school superintendent will be Mrs. Iva Tompkins of Avon Park. Youth leader for the church will be Mrs. Ruth Boney.

All church offices except that of pastor are filled annually by democratic election processes. The pastor is assigned by the Florida Conference of Seventh-day Adventists with headquarters in Orlando.

New officers will assume their duties on January 1.

AP Serviceman Wounded In Viet Nam Fighting

Pee Wee Cobb, the son of Mr. and Mrs. Harvey Cobb, 221 East Cornell Street, was recently wounded in Viet Nam. The injury, apparently not a major one, was to his hand. He was placed aboard a hospital ship for treatment.

Pee Wee was a student of Avon Park High School.

son, may be purchased at Haines Hobby Shop in Wauschula, Tatam and Johnson Department Store in Avon Park, and Faber's Restaurant or Sebring. Admission will be \$1 for adults and 50 cents for students. All Panther home games will start at 8 p.m.

Headliners have been chosen by a S.F.C. student-faculty committee and will be in action for the opening game this week. Captain Jerry Sprick and alternate cheerleader, Jack O'Donnell, are from Sebring. Co-captain Jerry Sampson and Sylvia Stangor are from Wauschula and Rick Pate are ex-Avon Park high school students.

Although Coach Terrell and the new Panthers won't promise an undefeated season this year, he does feel that this will be an aggressive, exciting team that will give the tough junior college competition it can handle. Let's turn out Saturday night and show the Panthers that this year is 100 percent behind them.

Alpine Woman Held For Husband's Death

An Alpine Grove woman is being held in Highlands County jail for the fatal shooting of her husband Milton Rowe, Leckell Road 24. Lett turned out Saturday night and show the Panthers that this year is 100 percent behind them.

A preliminary charge of murder was placed against the woman. In County Judge's Court Monday she waived preliminary hearing and Judge Melvin Rehner ordered her held without bond.

Sheriff Broadway Coker said the State Attorney had planned to question witnesses in the case Tuesday and presumably a decision would be made after that about the exact actions and possible chances in the case.

SEEDS FROM THE SOWER

BY REV. MICHAEL A. GUIDO

After addressing a group of standstill in the way of sinners, missionaries and ministers in South America, I asked, "What is your greatest hindrance to the cause of Christ?" "Inconsistent Christians," they answered. "They stand in the way of sinners."

I wonder if any of us are standing in the way of sinners? It is a sad thing when Christians are not consistent. Some people are born of God but the beauty of God is not seen in their lives. They are wholly redeemed but only fractionally sanctified. And they are not happy. It is only the person who is a bridge and not a barrier that is the blessed one. It is written in Psalm 11, "Blessed is the man that doeth not in the way of the ungodly, nor

Pines are saler

Many a lion has charged onto Wall Street, and limped off a shorn lion. We may all remember what we learn in the school of hard knocks, but it's getting the diploma that hurts.

Practically any investment has some risk. The list of "sure things" can vanish when you take a closer look. So if you're thinking about playing the stock market or maybe planting pines, it always pays to find out how to keep your shirt.

Your broker wouldn't advise you to buy stock in Consolidated Rugs. Neither would your farm forester advise you to plant trees on land that couldn't grow rocks.

In either case, you ask the man who knows. You calculate the risk. You make your decision.

Lots of people have planted pines—a billion and a half of them in Florida in the past thirty years. They expect to make money. Sometimes twice as much as a savings account—how much profit depends on a lot of things.

This is where your farm forester can advise you. He's professionally trained. He can tailor a forest management program according to your needs and desires. His know-how can mean more profit for you.

Let's not lose into it! Write Florida Forest Service, Tallahassee, or check your telephone directory.

After 41 Years
OF SERVING SEBRING
in one location and 21 years under my
ownership
I HAVE DECIDED TO RETIRE
from the jewelry business and help my
husband in the optometry profession.
The Year 1925 . . . Yes that was the
year Sebring's first Jewellers came into
existence. Twenty-one years later, I took
ownership and continued to the present
time. Several decades have gone by, and
during the intervening years, thousands
of precious gifts have been selected from
our fine store.
Soon, Jordon Jewellers will close their
doors, forever. Rather than sell out to the
liquidators, this sale is our retiring gift to
you and our way of saying "thank you"
for your loyalty and patronage through
the years. Most items have been re-
duced 1/4 to 1/2 from our regular prices.
We strongly suggest an early visit while
our selections are still complete.
Sincerely,

WHERE YOU GOIN'?
QUO VADIS

THANKSGIVING is around the corner and there are many good dining spots in this area or close by. Try some of the following for that day of Thanksgiving or just for a good meal tonight or any other day.

Open for lunch and dinner is Nick Christy's SUNDOWN RESTAURANT in Winter Haven, which features heavenly food, special children's menu and whatever else you might enjoy eating or drinking.

In Lake Wales, we have the TOWER VIEW RESTAURANT, which always has the traditional Turkey dinner plus other items on the menu, should you want it. Chef Carl told me that they were continuing the Lobster Special because of the great response from the diners. Don't forget all the lobster you can eat for only \$3.25.

In Lake Wales, we have the renowned HIGHLANDER RESTAURANT, which has an inviting lasty menu to select from to please your palate. Drop in sometime for their delicious buffet on Sunday.

On the entertainment list, we have at the local cinema THE HILANS THEATRE in Avon Park. "FANTASTIC VOYAGE" a picture that will take you places you have never been before even in your dreams. This feature will play tonight thru Saturday. Starting Sunday, you have a comedy with that funny man Red Skelton in "Those Magnificent Men in Their Flying Machines."

At the SEVON DRIVE IN THEATRE, we have the ever popular Gary Grant in "Walk, Don't Run" with co-feature "Guns of Navarone" with Gregory Peck. A good one to see if you missed it before. Don't forget Thursdays thru Sat. only \$1.00 per carload. Coming in the not too distant future, we have "Kwaheri." This film is about an African chieftan who had 49 wives and a family of 212 children. More about this later.

For an evening of fun and pleasure, let us recommend the "Chase Lounge" at the Sundown Restaurant for dancing and listening to singing, accordionist, Gino Martino. He's real good! In Ft. Meade, we have the favorite "EL CID LOUNGE" featuring the current popular Go-Go Girls in their special numbers. In the Lounge at the Coppertop, we have Johnny Krason, giving out with melodies pleasing to the young and the old and the not so old. Ask him, he'll play it, won't you Johnny?

Flying is the ever popular sport for all ages. Why not take time out and enjoy some time in the air with Shelley Marrs at MARRS AIRCRAFT in Avon Park. Call him now, don't delay.

The Corny Turkey Contest

THIS WEEK

November 17 thru 23

WIN A TURKEY!!

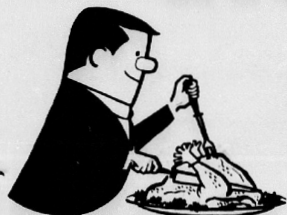

Simply stop in at Southgate Shopping Center, and see the live turkeys displayed on the Center's sidewalk. Then come into one of the stores and register your guess as to how much the turkey will eat on

Wednesday, Nov. 23rd. between 2 P.M. and 4 P.M. The Corn Kernels are counted and packaged in bags of 25, so the amount of food eaten during the two hour prize dinner is accurate.

Nazarene Church Holds Revival

Reverend Fred Toms, Evangelist

Rev. Fred Toms of Kissimmee, is conducting a revival campaign at the Church of The Nazarene, 507 West Main, nightly at 7 p.m. continuing through December 4.

Rev. Toms is a dynamic Bible preacher and sees the need of restoration and revival that God promises reveal in this modern age.

Rev. Toms is a native of Kentucky, father of five children, an Elder in the Florida District Church of The Nazarene, and actively engaged in full time evangelism.

He organized and pastored the Nazarene Church of The Nazarene and saw the church grow from 13 in membership to 218 members in the 10 years of his pastoral duties there, with a Sunday School of 225 in average attendance.

Under his most able leadership, the church fostered another branch Sunday School near Kissimmee.

Rev. Toms held many revivals while pastoring and was the promoter of as many as five to six revivals each year in his own church while a pastor.

The public is invited to go to christian schools and colleges with six entering the

ministry during these 10 years. Rev. Toms felt God's call to full time evangelism in September 1955, and has been rewarded with many successful campaigns since that time. His messages full and en-

couage people where ever he conducts meetings.

The public is invited to hear these soul-searching messages.

Listening Conferences Scheduled To Promote Proposed School Bond

A trio of community "listening conferences" are scheduled as a kickoff in a drive promoting the proposed school bond issue.

Invited to attend the first conference on Thursday, Dec. 1, The session is set for 8 p.m. in Sebring High School Auditorium.

The meeting in Lake Placid High School Auditorium is scheduled for 8 p.m. on Monday, Dec. 5, and the Avon Park High meeting is to be held on Thursday, Dec. 8.

George F. Douglass, school superintendent, said these meetings are designed to give citizens a chance to hear about why the school board is seeking permission to sell \$3.15 million in bonds and the conferences will give the school board and administrators a chance to hear the public's questions about the constitution plan.

The state Department of Education has recommended an extensive construction program which includes two high schools and two elementary schools and some changes in existing school buildings.

At the school board's special meeting on Monday plot plans

were approved for locating more portable classrooms at Sebring High School and Avon Park High.

Douglass told the board that by the opening of school in 1967 the schools will be using 20 portable classrooms which had been constructed over an 18 month period.

"It is not pleasant to realize that over an 18 month period \$80,000 will have been spent on portable classrooms," Douglass said. "This is one answer to whether we are ever crowded enough to need new schools."

County Court House Closed Today & Friday

Highlands County Court House will be closed all day Thursday and Friday in observance of the Thanksgiving holiday.

The county schools will have holidays on Thursday and Friday, but for most of the businesses of the county only Thanksgiving Day will be a day off.

Red Devils Lose First Game To Chaminade 20-19

The Red Devils fell from the undefeated ranks last Friday when the Hollywood Chaminade Lions edged them 20-19 in a hard fought game at McArthur Stadium in Hollywood. The last set Avon Park's record at 1-1 and threw them into a tie for top spot in the Class B Region 4 race with Fort Meade.

Both the Devils and the Miners played Wednesday night and the outcome of both games will have a bearing on Avon Park's chances of taking the regional championship line for this year. The Red Devils plays Sebring here at Memorial Field in a homecoming battle and Fort Meade was scheduled to meet Bartow.

Chaminade held the Red Devil offense to 107 yards on the ground and 11 in the air—the only team that has held Avon Park under 200 yards this year with the exception of Lake Wales in the season opener. The Highlanders gave up only 169 yards of rushing and passing yardage.

Avon Park took the opening kickoff off Chaminade and drove from the Devil 35-yard line for the first score of the game. It took 13 plays for the Red Devil offense to move the necessary 65 yards with half-back Bobby Babson scoring from one yard out for the six points. Babson sliced in off left tackle for the TD. Harold Callaway attempted to push the extra point across but the Lions stopped the big halfback short of the goal line.

Chaminade scored on the next series of plays. They returned the kickoff to their own 42-yard line and then moved for the score. A 17 yard pass gain by end Jim Noster highlighted the drive with halfback Mike Barno scampering the last 11 yards for the score on a sweep around left end. The Lions extra point run was also short and the score stood 6-6.

Early in the second quarter Avon Park scored again. The Devil defense held the Lions for no gain and a 34 yard punt gave Avon Park possession on the Avon Park 44-yard stripe. Lender picked up four. Babson added six and then a 15 yard penalty against Chaminade moved the ball on the Lion 31-yard line. From there Callaway picked up three yards and Babson got two more. So with third down and five yards needed, Emmitt Money tossed a long one to end Hoppy Lewis who had gotten behind his man. Lewis gathered in the pass and ran in for the touchdown untouched. This time Babson made the PAT good with an off the left side run.

Again the Lions came right back and tied the score. Halfback Mike Barno broke loose around left end for a 38 yard dash to the Red Devil 25-yard line. Then quarterback Phil Procevali hit halfback Alan Cook for a six yard pass gain. Cook carried for 12 yards and Procevali took the pigskin in for the score on an option play around left end good for seven yards.

Fullback Charley Roebble bulled through for the extra point to tie the game up at 12-12.

The Devils had one opportunity to take the lead.

Architects Named For Junior College

The first phase of a projected \$45 million, building program for South Florida Junior College is officially underway. Initial construction probably will cost between \$12 million and \$15 million and now is being planned.

The nationally known architectural firm of Perkins and Will of Chicago, New York and Washington, D. C.—has been employed to draw the master plan for the junior college campus between Avon Park and Sebring.

Highlands County school board followed the recommendation of the South Florida Junior College Advisory Committee in naming the Perkins and Will firm. Highlands County school superintendent and four members of the Hardie school

board attended the special Monday night session when the architects were chosen. School board members and

the advisory committee members had visited extensively among the Florida junior colleges and reported Monday

they had been most impressed with the campus plans for the Sebring Junior College at Ft. Myers.

Perkins and Will had designed that campus with William R. Fitzgerald of Ft. Myers as associate architect. Fitzgerald's firm presented a bid for the Sebring Junior campus.

The Highlands board said Monday that selection of a Florida associate is to be left to Perkins and Will.

In presenting the advisory committee's recommendation, Roy R. Reed, the committee chairman, reported that Perkins and Will have designed campuses for 13 different community colleges and now the firm—which includes 17 partnerships designing the new Baptist hospital in Miami.

In hiring an architect you might as well get the best; the firm is the same. The standard fee is 6 percent of construction cost. Bond explained.

Perkins and Will proposed to charge a fee of \$10,000 for the campus master plan. If the same firm continues as architects for the detail plans on the first phase of the construction, the \$10,000 counts as a "down payment" against the 6 percent fee.

Dr. William Stallard, president of the Junior College Education—which picks up the tab for junior college construction—must approve all plans. He said this board has both a "ceiling and floor" on probable construction costs for the first phase of the South Florida Junior College campus.

Perkins and Will in their letter to the board said, "The site is an architect's dream."

They went on to say that the present rolling land just east of Highway 27 "with beautiful standing trees and two lake fronts" offers "vast possibilities for something unique" in a campus plan.

Under the Perkins and Will timetable, the junior college may be able to begin classes on the new campus in January, 1970.

Perkins and Will stated that the first phase of the South Florida Junior College campus

one of the importance of continuing our campaign against tuberculosis and the other respiratory diseases such as emphysema and bronchitis."

Polk - \$9,031.38 (\$11,227.50); Highlands - \$1,305.00 (\$1,222.00); Hardee - \$24.25 (\$22.20); DeSoto - \$434.00 (\$33.00).

"Christmas Seal funds," Smith added, "is the only source of income which supports the Association's year-round activities."

AP To Receive Over \$5,000 Of State Revenue

Of the \$3,326,031 collected by the state in cigarette taxes, which are to be distributed to the qualified municipalities, Avon Park will receive \$5,486.17.

Through the first week last year a total of \$13,413.50 had been contributed.

The 6th annual campaign is being conducted by the Mid-State Tuberculosis and Respiratory Disease Association, which includes Polk, Highlands, Hardee and DeSoto counties.

"We want to urge everyone to mail their contribution as soon as possible," Smith said. "We are approaching the holiday season—the time to begin using Christmas Seals on your letters and packages. These Seals will remind every-

\$2,000 Bond Set In Alpine Death

Bond was set at \$2,000 Tuesday for Ladell Rowe, Alpine Grove woman who has been charged with the fatal shooting of her husband, Milton Rowe.

A writ of habeas corpus was filed for Mrs. Rowe Tuesday by her attorneys, Kirkland and Perkins of Auburndale. Later the same day Circuit Judge Clinton Kelly signed an order fixing the bail.

The Rowe woman was jailed on Monday, Nov. 28, shortly after her husband's death. Investigation of the case is continuing and an information may be filed soon.

Assistant State Attorney J. O. Macbeth said Tuesday that investigation of the case is continuing and an information may be filed soon.

Maharajah To Be Chosen Soon

Leading in the Maharajah contest, sponsored by the Jr. Woman's Club, shows Larry Albritton in the lead for the Lions Club. Following a close second is Vic Mickunas of the Rotary Club.

Contest ends last of November, winner to receive \$50 for their club. Vote for the man of your choice. Every cent deposited for your favorite, will mean one more vote in his favor.

The Red Stockings Follies, sponsored by the Woman's Club, will be given December 2 and 3 in the Avon Park High School Auditorium.

The haven attending the leading candidate are: Nell Roberts, Dianne Sizemore and Cheryl Guerdit.

21 Percent Of Christmas Seal Campaign Reach First Week

Contributions of \$11,002.63 to fight against tuberculosis and other respiratory diseases have been received in the first week of the 1966 Christmas Seal Campaign.

State Representative S. Chesterfield Smith, Arcadia, area campaign chairman, reported the amount is 21 percent of the goal of \$52,068.76.

Through the first week last year a total of \$13,413.50 had been contributed.

The 6th annual campaign is being conducted by the Mid-State Tuberculosis and Respiratory Disease Association, which includes Polk, Highlands, Hardee and DeSoto counties.

Time For Fabulous Follies Red Stocking Revue Draws Near

Red, Red, Red! Think red, sleep red and eat red! The Fabulous Follies Red Stocking Revue is coming to Avon Park next week.

All the glamour of Broadway is at your feet. Can-Can Girls, Rockers, Clowns, Showgirls, you name it, we've got it.

From the beginning with the committee members, through rehearsals, Stockings on the sidewalk next week, right to curtain time on opening night, the excitement of the Follies is secondary only to the worthiness and need of the Charity Project.

The Junior Woman's Club here to accomplish with the proceeds. A scholarship for needy students, Ridge Area Day School, Donaldson Park for the kids—these are only a few. The bulk of the profits—70% after commitments have been met, will go to help build the New Juvenile Home.

Max Shoof, director of the Revue entertained fifteen

people of the east at a Post-Making Party Sunday, at the home of Mr. and Mrs. Steve Roberts.

He proved his culinary skill in the delicious Beef Stroganoff he prepared for dinner.

The members are being printed. The members of the committee wish to extend their thanks for the white-hearted assistance given by the members.

Now The Question everyone is asking—"Where do I get a Ticket?" Of course, from any member of the Jr. Woman's Club. The ticket booth itself will open in the lobby of Avon Citrus Bank, Friday, Nov. 25. All persons who have purchased tickets are requested to bring them to the exchange booth at that time.

So folks, mark your calendar, December 2-3, for the Fabulous Follies Red Stocking Revue and help build the New Juvenile Home.

people of the east at a Post-Making Party Sunday, at the home of Mr. and Mrs. Steve Roberts.

He proved his culinary skill in the delicious Beef Stroganoff he prepared for dinner.

The members are being printed. The members of the committee wish to extend their thanks for the white-hearted assistance given by the members.

Now The Question everyone is asking—"Where do I get a Ticket?" Of course, from any member of the Jr. Woman's Club. The ticket booth itself will open in the lobby of Avon Citrus Bank, Friday, Nov. 25. All persons who have purchased tickets are requested to bring them to the exchange booth at that time.

A THANKSGIVING PRAYER

It is important on this day
That we send thanks Above
For blessings given throughout the year
As proof of God's great love
What would we be without His gifts
Without His daily care?
But do we offer gratitude
Wherever we kneel in prayer?
Then often grateful amis
Too often eyes are dim
To send a prayer of thankfulness
For blessings sent from Him
Not only on Thanksgiving Day
But each day of the year
Give thanks, give praise - give
God, His due
And bring Him ever near

Funs-A-Poppin Variety Show Considered A Great Success

From the very first notes of "This Could Be The Start of Something" to the last echo of "No Business Like Show Business" played by the Avon Park High School band, the Funs-A-Poppin Variety show was fast-paced and full of surprises.

Master of ceremonies T. Albert Lawrence, the show's creator and co-ordinator, got things started by singing "Hello, Hello" to the High School Majorettes who zipped through a "Can-Can" chorus line number, the conclusion of which had the gentlemen spectators scrambling to catch the rilly garters thrown by the girls.

The Women Folk Singers, a quartette from last years show, and returned by popular demand for this year, sang "My Land" in delightful harmony and then "Tip Toed Through The Tulips" like no one before nor since. The quartette was followed by Mrs. Amy Lawrence, Mrs. Amy McKinnis, Mrs. Georgia Mason, and Miss Sharon Lawrence.

Miss Lark Adams, Marion Ward, Alice Peck, Robert Szymon, Bill McDaniel, and Gerald Wicker read parts of different radio stations which had hilarious results, when the women continuously switched stations.

Miss Sharon Lawrence from Stetson University, sang and accompanied herself on guitar and baritone ukulele. She sang a Spanish folk song, and a tender love ballad with equal poise and perfection.

Through the night, the performance of Mr. Henry Helig as the "Man From Nowhere" wandered in and out, including the vaudeville touch to an evening packed with talent and talent.

Five talented young students from South Florida Junior College, who were an immediate hit especially with the female members of the audience. Their version of "Twist and Shout" and "The Day" and "Traveling Man" could hold their own with most TV groups.

Avon Park Girls On Parade featured John McKinnis who sang "I'm a Fool for You" in 1928 and 1966. Girls in this act were: Marian Turner, Sue Ayers, Cheryl Fint, Ann Manda, Patty Hallam, Gail Stevens, Diane Murphy, Pat Furr, Sue Biggs, Stephanie Wood, Green Sharp, Diane Barr, Susan Booth. Their costumes and dances were amazingly accurate for their corresponding year.

Retarded School Dedication At Lake Placid Sunday, November 26

Highlands County's second school for mentally retarded children will be formally dedicated Sunday afternoon.

Open house will be held in the school at Lake Placid Sunday 2 to 4 p.m. with the dedication ceremony set for 4 o'clock.

The school was constructed from funds provided by the Highlands County commissioners and Ridge Area Association for Retarded Children. Classes will be operated under sponsorship of the Association and the Highlands County school board.

The original school for retarded children was founded in Avon Park and a building on house two classes was constructed opposite Avon Elementary five years ago.

The new building, constructed of new aluminum materials—includes one large classroom, a kitchen, two rest rooms and a storage area. It stands on a lot adjacent to Lake Placid schools.

The new building is a portable unit which can be moved to a new location should the need arise. Lake Placid elementary school is built.

For the formal dedication have been formulated by a committee from Ridge Area Association for Retarded Children and Mrs. Virginia Hubbell, coordinator of community services for the retarded in Highlands County. Division of Mental Retardation.

Those who have been invited to participate are: Rev. Tom W. Jones, president of the Ridge Area Association; Mrs. G. Franklin Ward, president of Florida Association for Retarded Children; George Douglas, superintendent of Highlands County schools; and Alfred Moretz, mayor of Lake Placid.

The day school in Avon Park has served 150 students and about 60 children have attended from the Lake Placid area because of transportation problems.

The day school in Avon Park has served 150 students and about 60 children have attended from the Lake Placid area because of transportation problems.

The local fund drive got underway last week with the mailing of annual reports of the Ridge Area Association. In the report, Rev. Jones said, "We are enthusiastic about the training in physical education and recreational skills the children are getting this year."

Classroom helpers, employed for both the Lake Placid and Avon Park schools, are enthusiastic about the training in physical education and recreational skills the children are getting this year.

A self-help work project is underway at Avon Park which enables students to earn some spending money. Both Walker Memorial and Highlands General Hospitals are commended for their cooperation in detection of PKU, a hereditary factor in newborn infants. More services are being provided for retarded children below

Luncheon Report

Reported by Bob Gay
Ray Wells introduced Mrs. Carol Schuffman, formerly a member of the Lions Club of American Field Service, who is now associated with American Alcohols in the field service, who brought to us Ricardo Bana of Italy.

The difference between North and South America is the great need for the Lions Club of American Field Service, who is now associated with American Alcohols in the field service, who brought to us Ricardo Bana of Italy.

Toward this end a basic need for understanding between the Americas is essential. We know how that class has television, radio, refrigerators and other examples of modern life.

Mr. Schuffman pointed out that South American teenagers are extremely well benefited by the AVE program. He said that the AVE program is an even exchange of student for student, however, not necessarily the same home nor same country.

Remember, winter here is summer there, and boys and girls will visit for a ten week period, staying in homes with preferably a boy or girl of the same age in the exchange country.

American Youth Exchange raises the funds required. The only necessity for an exchange student is a home for ten weeks. North American students are required to pay the transportation of \$300 to \$400 offered at a reduced rate by the airlines, and students who visit in South America need at least one year of Spanish, which more would be beneficial.

Most South American students go to private schools as contrasted to our public school system. Most of the homes for boys are badly needed at this point. Since the United States is a nation of immigrants, it is in the common market situation in Europe, it appears that South America is in a better position for many years to come. American Youth Exchange can provide the underpinning for the exchange between the countries teaching South American students the basic plan of the AVE program.

The time for South American students to visit here is January through March, and conversely the time for North American students to visit here is June through August. These dates representing the vacation periods for the students.

Lakeland has four different countries represented now and AVE hopes to place students in Lakeland, and other surrounding towns. AVE has paid workers - labor of understanding.

V and W Farms Will Hold Open House, Saturday, Nov. 26

V and W Farms will hold an open house Saturday, Nov. 26 in cooperation with National Farm City Week. Open house observed from Nov. 18-24.

Charlie Williams said there will be a large crowd of visitors.

Kivans Club sponsor Farm City Week each year and urge people to take advantage of this opportunity.

The week-long observance, will emphasize that "never before has real understanding by city people of the food potential of their land and the problems of its producers been so clearly and so fully revealed to the city."

"Agriculture is the concern of farmer and city man. More than 20 percent of the nation's work force is dependent on agriculture," says Dr. M. O. Watkins, director of the Florida Agricultural Extension Service, and chairman of the Farm City Week committee.

Farm City Week will emphasize that the amount of quality of the American food supply may well be as much the responsibility of the city man as the farmer.

Fred O. (Bud) Dickinson, Jr., Controller of Florida, today announced that the state will collect the state documentary stamp tax at \$1,600,000.

Dickinson said the total represented a dollar value on the 19,448,596 stamps sold of \$20,422,311.

October collections were down \$121,019 from last year for the same month last year.

A breakdown of the total showed that \$1,699,411, came from in-state sales. An additional \$6,445 was recorded in out-of-state sales.

Letter To The Editor

Dear Sir:

It seems ridiculous and unnecessary the way that railroad engineers blow their whistles for a one-track community. Why would you think they were coming into a big Metropolitan area.

Please do something about it so we can get some sleep.

Thank you,

Business Plans Grand Opening December 1, 2 & 3

Long and Senevick Electrical and Refrigeration Service, owned and operated by Kenneth R. Long and Clayton A. Senevick, announce the grand opening of their new shop, located in the former Ridge Auto Parts building on U.S. Hwy. 27 north, to be held December 1, 2 and 3.

They specialize in all types of electrical and refrigeration service including neon signs.

They have just recently expanded the business to include the sale of all types of new appliances, large and small. The business, formerly known as Ivan G. Long Electrical Service was established in 1946 when the Long family moved here from Terre Hill, Pa. Kenneth worked with his father all through his youth and school days, prior to joining the Marine Corps in June, 1960. He was awarded a Meritorious Mast for outstanding performance of duty while stationed at Camp Lejeune, N.C.

While in the Marine Corps he took extensive USAFI courses in electrical and refrigeration installation and service. Upon his discharge in June, 1964, he formed a partnership with his father known as Ivan G. Long & Son. He is married to the former Fleta Bennett of Avon Park and the father of their third child in January.

Clayton Senevick, also of Pennsylvania, was a resident of Avon Park 15 years ago when he was then an employee of Ivan G. Long. He moved back to Pennsylvania in 1955 where he was connected with Senevick Brothers Refrigeration.

Care Stressed In Buying Low-Price Products

Highlands County Nutrition Committee met Monday, Nov. 14 in the cafeteria of Highlands General Hospital to hear Charles Hickman discuss "Informed Weights for Quality and Quantity Control—Canned Fruits and Vegetables." Hickman is sales manager of John Sexton Company, Miami.

Hickman stressed that institutions set up specifications and standards of quality for purchasing food items to insure the dollar value for the dollar spent.

He pointed out that the lowest price produce is not always the cheapest. For example, a homemaker may buy a can of peaches for 23 cents which contains four peaches. A better buy would be the can for 33 cents which contains six peaches.

He said that institutions or

one of the worst ways we can think of right now to learn about traffic safety is by having a wreck.

Three ideas that shook the automotive world.

MASS PRODUCTION (Ford's Model T). "Any color you want as long as it's black," was the theory. Henry Ford built one standard model that almost everyone could afford to buy. The T put the country on wheels.

Streamlining (Chrysler's Airflow). The Airflow was the first car up there that looked like a new car. It was a magnificent flop in 1934 because it was ahead of its time. But it's a mark on every car since.

The small car (Volkswagen's Volkswagen). The VW came along and offered a sensible size, low price, high gas mileage, utter reliability, careful workmanship and a shape that was always in style. You can still get one.

A LESSON IN ANATOMY

In the anatomy of a very mobile home bank there are four kinds of bones . . .

There are the wish bones—They spend their time wishing someone else would do the work.

There are the jaw bones—They spend all their time talking but little else.

There are the knuckle bones—They knock everything that anyone ever tries to do.

There are the back bones—They sit under the load and do all the work.

"Which kind of bone are you?"

Woman's Club Tour of Homes Big Success

Viewing beautiful and interesting homes is always a delight to every woman. Such an opportunity was sponsored by the Woman's Club in their Tour of Homes, November 17, when beautiful homes were on display.

Throughout the afternoon tea was served at the Woman's Club with Mrs. Sam Norris, Mrs. William S. Clemmens and Mrs. John Hayes in charge of the tea. Mrs. T. Hayes Maxwell, Mrs. James R. Wainwright and Mrs. Paul J. Calvert assisted in pouring.

Car loads of women from Frostproof, Sun Bay Homes, Crooked Lake and near areas attended the tour.

Open for inspection was the beautiful Spanish Stucco type home of Mr. and Mrs. Art Turner. Beautifully furnished in French Provincial style, carefully selected for their furniture store for comfortable living. The house, with its during the Florida Boom days and overlooks Lake Lillian.

Mr. and Mrs. James Turnbull just recently completed and moved into their beautiful and spacious modern home. The home built for the needs of a family of eleven is located on Lake Lotella. The living room, finished in gold and beige, light blue carpeting extending on the winding staircase, leads to the second floor where ample bedrooms, a bath and closet space, is furnished for the children's comfort, with a nursery rooming beds for three children. The house situated on a large landscaped lot, commands a beautiful view of the lake.

Then Mr. and Mrs. Tom Clarke's home, presented a comfortable retirement home of modern design. Situated close to town, well furnished for utmost comfort. The beautiful well kept lawn and landscaping with a garden in the back, provide a restful setting for the Clarke's where they spend a good portion of their leisure hours.

The third modern home of Mr. and Mrs. George Walper on Lake Damon, drew oaks and ahs from the guests. Recently built, the main attraction was the music room with their Baldwin organ and Grand piano. Mr. Walper favored his guests with organ selections throughout the afternoon.

On to the Golden Age Villa Apartment of Mr. and Mrs. Harry Wilde on Prospect St., which presented a comfortable living for the retired.

The Malloy home on Lake Isis will be remembered by old members as the "Miss Malloy Home." Now owned by Mrs. Tracy B. Malloy and her sister Mrs. Lila Davis. The home is an original New England Salt Box Type home converted into a modern lake side villa.

Mrs. Tom Clarke was overall chairman for the tour, with much credit going to Mrs. Otto Krieger who had charge of tickets, instructions and maps of the tour. Mrs. F. Hayes Maxwell, president of the club, assisted other members took charge of registrations.

Everyone was delighted with the success and proceeds of the tour and plan for another tour next year.

The club's main project is the new juvenile home.

Of eleven, this home was perhaps the largest of all seen during the November 17 Tour of Homes. — (Sun Photo)

**Ann Mickunas
Is Clinician At
Polk Festival**

Ann Mickunas, wife of band director Victor Mickunas, served as clinician at the 11th annual Polk County Music Festival, Choral Division, held in Lakeland Saturday, Nov. 19. Give clubs and choruses from all the cities of Polk County met in Lakeland Saturday morning when they performed prepared numbers for each other.

Later, students from each city were combined into three groups to perform at the concert Saturday night. The three groups were: The Senior High School Honor Music Chorus, conducted by Jack Housh, Department of Music, Florida Southern College; The Junior High School Honor Mixed Chorus, conducted by Ronald Davis, Supervisor of Music, Broward County; and The Junior High School Honor Girls Chorus, conducted by Mrs. Ann Mickunas of Avon Park. These groups were later rehearsed by these guest conductors in preparation for the concert.

A paragraph from the program reads: "The educational values of singing before other choruses is great when combined with the inspiring opportunity to work with outstanding guest conductors in combined singing, the musical experience is one to be remembered."

The fact that Mrs. Mickunas conducted one of these three groups is most surely a recognition of her outstanding abilities, and is even more pronounced when it is remembered that she is still serving her internship as a student of The University of South Florida, and will not receive her degree until mid-December.

People of this area are not surprised at this recognition of Ann's exceptional abilities, since we are well acquainted with the beauty of her voice, the quality of her musicianship, her personal charm, and her talent for leadership.

The Highland Hopes are in the number one spot in the league with 26 wins and 16 losses. The Channel Kats are close behind with 26 wins and 18 losses. Hi-Los are third with 22 wins and 19 losses.

Splits converted were 2-7 by Louise Grove, Harriet King, and the 2-7 by Elsie Sellars the 3-7-10 and Clarice Ford and Nina Sheller the 6-10.

The Advent Season will be ushered in with a Christmas Workshop to be held at the Congregational Church, November 27 at 6:30 p.m.

The workshop will make it follow the regular family night supper, will be conducted by the Senior Youth Fellowship under the leadership of Mrs. T. Albert Lawrence and assisted by Mrs. William Hood.

Each family will make an Advent wreath with candles, to be used in the home on the four Sundays of Advent and Christmas Eve. Traditional greens and red berries in addition to contemporary designs will be used in making the wreaths.

The film "The Littlest Camel Knight" will be shown to the pre-school children during the workshop. An Advent service of worship and singing of carols will conclude the evening.

THE HAPPY PANTHERS of South Florida Junior College continued their winning streak here at Avon Park High School gym last Saturday night, with a 17 point lead over Florida College of Tampa. Next Tuesday the Panthers meet the team from Sumter Junior College of Leesburg.

SEFC Panthers Down Florida College 90-73: To Play In Sebring Tuesday, November 29

Coach Dunning Terrell's South Florida Junior College Panthers thrilled local fans last Saturday night at the Avon Park High School Gym when they won 90-73 over Florida College of Tampa in the school's opening interscholastic game.

Panther center Skipper Seiders led the scoring attack with 20 points and four other S.F.J.C. players scored in the double figures. Terrell hit 16 for 16 points. Bill Whitehead

scored 14. Rocky Kitchens hit for 12 and Junior Gale sank five field goals for 19 points. Florida College forward Leo Calazans pumped in 19 points on the Falcons, center Frank Allen hit for 16, and Ron Williams scored 14 in the losing effort.

The Panthers scored slowly having trouble hitting the basket but pulled out front early in the first half and then led all the way for the win.

A nice crowd of fans was on hand to cheer the S.F.J.C. to victory and they got a chance to see all ten of the Panthers in action as Coach Terrell used his two units throughout the game.

Fall Hunting Listed As Good By Commission

"Water, water everywhere" seems to be the watchword for hunters this fall, according to gamekeepers of the Game and Fresh Water Fish Commission. And because of the rain, close estimates of the native game populations have been all but impossible to determine.

The best information on birds has been obtained from deer, turkey, quail and quail populations will at least be on a par with last season and above par in some instances.

There is no denying, however, that the late summer rainfall has had a knock-down survival rates of young birds and mammals. Water always does.

Here is a quick look at the prospects for fall hunting in the Avon Park Area.

Biologist David Austin, Avon Park, gives the areas across-the-board a rating of good. The deer, high turkey and quail are all "ready" but

conditions are extremely wet. How much this will affect the success is anybody's guess.

The world situation in addition to the water factor has considered this year at Avon Park.

Due to increased use of the bombing ranges for Air Force training missions, the Saturday hunting has been eliminated, but we will go for Sunday hunting. This means that the number of hunters using the area will most likely be greater and so will the danger from an explosion. If we don't leave that stuff alone.

THOUGHTS FOR THANKSGIVING DAY

"In everything give thanks," I Thessalonians 5:18.

A long missionary of the Mediterranean world penned the words of our text. "In journeys often," he wrote, "in perils by heathen, in perils in the city, in perils in the wilderness, in perils among false brethren: In weariness and painfulness, in watchings often, in hunger and thirst, in cold and nakedness." II Corinthians 11:26-27. In spite of this picture of darkness and trouble, he cries out: "In everything give thanks."

Thankfulness does not depend on circumstances, as important as they might be: thankfulness depends on God. George MacDonald, blind preacher and hymn writer, has a word for us here: "Life is no series of chances with a few provisions sprinkled between to keep a justly failing belief, but one providence of God."

Lack of thankfulness has been called the eighth deadly sin. We recall the incident in the life story of Jesus, when ten lepers came to him pleading that he have mercy upon them. Leprosy was not only a dread disease but those who had it had to live in isolation from others. These lepers stood at a distance and lifted up their voices and said: "Jesus, Master, have mercy on us." St. Luke 17:12-13. Jesus challenged their faith by saying: "Go and show yourselves to the priests." According to the Levitical Law it was necessary for one who had been healed of leprosy to show himself to the priest in order to receive a clean bill of health and take his place in society again. They responded by going and were healed. One of them overjoyed that he was healed turned back to thank Jesus, Jesus said: "Where are the other nine?"

You would think that all ten healed lepers would have shown gratitude. They were too busy, however, congratulating themselves on their new state of health.

There is an incident of baser ingratitude in the New Testament. You will remember that at the last supper Jesus had with his disciples, he said: "But, behold, the hand of him that betrayeth me is with me on the table." St. Luke 22:21. Or, worse, we would say that Judas Iscariot was an ingrate but we wouldn't be guilty of such gross betrayal. If one says that, he is more sure of himself than the disciples were. It is written that they began to enquire among themselves as to which one of them would do such a thing. The assumption being that anyone of them might.

Mark Twain pointed to man's capacity for ingratitude when he said: "If you pick up a starving dog and make him prosperous, he will not bite you. This is the difference between a dog and a man."

Thanksgiving should always be more than an act—as important as that it—thanksgiving ought to be an attitude that grows and blossoms as a lovely flower. It grows out of the acknowledgment that God is the source of everything.

Thanksgiving should mean much to us as a people. We do have a lively awareness of the blessings of Almighty God. Ours is a rich inheritance; among the gifts that we cherish are freedoms of speech, press, assembly and religion—equality before the law and equality of opportunity. These great blessings have been secured for us by the untiring toil, sacrifice and suffering of our sires.

Let us think back in our history to the Pilgrim fathers who initiated Thanksgiving Day. Their hardships during the first winter are legendary. They knew hunger, sickness, sorrow and death and yet they maintained their great faith in God. Knowing their faith we are not surprised that they set a season of thanksgiving at the gathering of the first harvest in 1621. Again in 1623 after a series of refreshing showers that broke a long drought, Edward Winslow wrote: "Having these many signs of God's favor and acceptance, we thought it would be great ingratitude, if secretly we should smother up the same, or content ourselves with private thanksgiving for that which by private prayer could not be obtained. And therefore another solemn day was set apart and appointed for that end; wherein we returned glory, honor and praise to our God, which dealt so graciously with us."

In this year of 1966 we celebrate our thanksgiving unto God in the midst of war in South-east Asia in which our youth are proving themselves worthy of the great heritage which is ours. As we receive, day by day, the casualties of that war let us pray that we might be more worthy of their sacrifice and strive, as best we can, to live as those whose lives are bought at a great price. In great humility may we thank God for all his blessings and pray that our nation may ever be pleasing unto him.

"God, you have been too good to me,
You don't know what you've done,
A clod's too small to drink in all
The treasure of the sun.

The pitcher fills the lifted cup
And still the blessings pour
They overbim the shallow rim
With cool refreshing store.

All these and better Thou dost send
Me to this end,—
That I should render, for my part
A thankful heart."

First Methodists Will Confer At Naples Nov. 28

The First Methodist Church District Conference will be held in Naples Monday, Nov. 28 at 11 a.m. Rev. "Spotty" Spotswood will be the speaker in Adventism in Missouri. Rev. A. G. Hurdle's son, Tom, spent six months with Rev. Spotswood in the Philippines. Members are urged to attend this conference.

Baptists See 'Modern Israel'

The Frances Horton Circle of the First Baptist Church met with Mrs. R. H. Lawhon, Tuesday morning a 9:30. Coffee and nut rolls were served to the members before the meeting. Mrs. Allen Childress led in prayer. Mrs. W. C. Touchton, Circle chairman, had charge of the business meeting. Mrs. Lawhon led in the program on "Modern Day Israel." Slides were shown on the work of the Baptist Center in Israel. Those taking part in the program were: Mrs. W. C. Touchton, Mrs. Gerald Wicker, Mrs. Chandler Wingfield, and Mrs. Mark Smith. Mrs. Allen Childress read the poem "In Him There Is No East Or West."

Healing Affects Entire Body

What is the purpose of spiritual healing? It can be summed up in one word—wholeness. Spiritual healing treats the "whole" man—mind and body. To learn more about what the Bible says on this subject, later Sunday, Nov. 27, 9:45 a.m., WAVE—"What Is The Purpose of Spiritual Healing?"

Dedication Set For Sunday

The new educational unit at the Church of The Nazarene, 707 West Main St., will be dedicated Sunday, Nov. 27 at 2 p.m.

The Rev. James Lighty, pastor, was giving the responsibility of construction, which began September 17, and the building is a great asset to the local church. The Sunday School will have the needed room for about 200 attendance with the added facilities. The public is invited to the dedication to be conducted by Dr. John L. Knight, District Superintendent of the Church of The Nazarene.

Service Today By Christian Science Church

Thanksgiving will be observed at a 11 a.m. service Thursday, Nov. 24, in the Christian Science Church at Avon Park Lakes.

Sermon readings from the Bible and the Christian Science textbook will bring out the close relationship between prayer and Thanksgiving.

A period will be set aside for testimonies of thanks from individuals in the congregation, who will also join in several Thanksgiving hymns.

A Golden Text from Colossians and Responsive Reading from Psalms will set the theme for the service. Continue in prayer, and watch in the same with thanksgiving... pay thy vows unto the most High.

The Bible Lesson will include Jesus' instructions to pray "in secret" with related passages from the Christian Science textbook:

"Christians rejoice in secret beauty and bounty, hidden from the world, but known to God... Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind... To those leaning on the sustaining influence, today is big with blessing!" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

The service will be conducted by the First and Second Readers of the church.

FIIP Bulletin

Col. H. N. Kirkman, Director of the Department of Public Safety, stated: "The Florida Highway Patrol predicts 24 persons will die in traffic crashes on Florida's streets and highways during the four day Thanksgiving holiday period, which began at 6 p.m. Wednesday, Nov. 23, and extends until midnight, Sunday, Nov. 27. Remembrance and practicing safe driving will lessen this awesome figure, so let's drive this prediction down and make it a holiday we'll all live to remember!"

Ruth E. Robinson

Friends returning to our midst this past week were, Mr. and Mrs. Floyd Stevens, Mr. and Mrs. Earl Johnson, Mr. and Mrs. Harry Burnett, Mr. and Mrs. Earl Baxter (who spent one week in Richmond, Va., on the way down), Mr. and Mrs. Joseph Galt, Mr. and Mrs. Paul Roth, Mr. and Mrs. Jesse Yates, Mr. and Mrs. John Besser, Mr. and Mrs. Welcome Miller and Mr. Joseph Lynch and daughter, and Mr. and Mrs. Flazet Knight. Welcome to Mr. and Mrs. Boyd Dager from East Canton, Ohio.

We extend our sympathy to Mr. Herman Young in the loss of his wife, and Mr. Joseph Lynch who also lost his wife this summer. Mr. Young will return to our park after the holidays, but Mr. Lynch is returning to live with his family.

Winners at pinchable last week were: Floyd Stevens, men's high score with 1967 and Lucille McPherson, ladies' high score with 978. The Scotty McPhersons were host and hostess. Mr. and Mrs. Floyd Stevens hosted next time. Each Monday at 7 p.m. eligible players are invited to play at the club house. Mr. George White and Ruby Myers won the games this week with double scores.

Men's doubles are played at the shuffleboard courts on Friday at 1:30 p.m. and the mixed tournament is on Monday at 1:30 p.m. Robert McBeth and Lawrence Robinson won "runner-up" honors at the main event of the Sebring Cancer Tournament on Tuesday, Nov. 15. Congratulations! Bobby also was a runner-up in the main event at Avon Park. Guest Club on Saturday morning.

The "Tour of Homes" sponsored by Avon Park Woman's Club was enjoyed thoroughly by our park ladies, Mrs. Glenn Long, Mrs. Harold Wolcott, Mr. Gundrum, Mrs. Wagner, and Mrs. Robinson last Thursday.

Last Saturday night a housewarming was held at the Boyd Dager's home by their friends from Ohio, Mr. and Mrs. Coy, Mr. and Mrs. Galt and Mrs. Shearer, presenting them with gifts of towels.

A pleasant addition to the McPherson's abode is a new awning to shade them from the sun.

Mr. and Mrs. Harold Wolcott spent last Tuesday at St. Petersburg visiting Harold's brother, Carl Wolcott, Mr. and Mrs. LeRoy Schabel of Woodall's Trailer Court in Lakeland, were guests of Mr. and Mrs. Glenn Long on Tuesday, Nov. 15. The Schabels and the Longs are neighbors back home in Connecticut during the summer months. Last Friday, Mr. and Mrs. Ora Myers went to Tavares to visit friends, Mr. and Mrs. Dwight Spore, Mr. and Mrs. Adrienne Passavita may return north for Thanksgiving.

Mr. and Mrs. Alzona Richards of Plymouth, Ind., now wintering in Lakeland, were dinner guests of Mr. and Mrs. Alva Thompson on Sunday. They were celebrating their 45th wedding anniversary. Also present were Mr. and Mrs. Harry Longenecker and Mr. and Mrs. George White. Mrs. White baked the anniversary cake for the enjoyment of all present; as all anniversaries have been this fall.

Attending the orchid show at Winter Haven last Sunday afternoon were Mr. and Mrs. Harry Longenecker, Mr. and Mrs. Stevens, Mr. and Mrs. Macbeths, Mr. and Mrs. Conner and friends Mr. and Mrs. Swearingen, Mrs. Crocker (Mabel) won a beautiful orchid corsage which was made, given away every half hour.

Avoiding the Christmas rush, Mr. and Mrs. Bland Neukirk had Santa Clause deliver a sweet sounding, beautiful Airline Stern Record Player and AM-FM Radio to their home this past week. A relaxing Christmas present to really be enjoyed.

Mr. and Mrs. Gundrum had suggests, Mr. and Mrs. Edwin Rowers from Lake Placid this weekend.

Mr. and Mrs. Ora Myers will be hosts at next pinchable club party.

New Owners Of Southland Court Aid Band Fund

Harvey and Hilda McClary formerly of La Grange, Ill., are the new owners of Southland Court. They have been very busy every day modernizing and face-lifting the trailer park since the first of

August. The work is continuing on what was ordinary property, to this Gold Medal Court, which is located just two blocks off U. S. Hwy. 27, in Avon Park, and within easy walking distance from

shopping.

This all modern court is completely landscaped. It has a large recreation hall, with color TV, and a full program of entertainment. The residents enjoy the top grade shuffle courts, paved roads, sidewalks, street lighting, and the every door mail delivery.

The Florida Power Company and Contractors Bennett and Moseley have modernized the power lines for 220 volts.

Southland Court is the first mobile home court in this area to have cable TV at every home site.

The McClarys have added two beautiful apartments in building space which was not needed otherwise. They have installed the latest and most modern laundry equipment. They are bringing balance to the landscaping by trimming where the foliage is too heavy, and adding shrubbery to vacant spots.

Mr. and Mrs. McClary have joined the social life of the court which is appreciated very much by all.

The present gift of \$50.00 to the high school band fund is only one of the many things they have done from civic pride. Hardly may not mention his association with Lawrence Bell in former years, but he will tell you funny experiences by the hour.

Now you know why it is so difficult to find an empty lot at Southland.

Unusual Hobby

Most retirees settling in Florida without hobbies will eventually find one to occupy their leisure time. Common hobbies are fishing, hunting, traveling, but W. T. Haines of Avon Park Lakes has found an unusual hobby.

Coming from Champagne, Ill., where he was a technician at the University, he needed a hobby.

Noticing the many piles of sand, dirt in his own yard and neighbors, he became a gopher hunter, killing his first gopher in 1962. Armed with a 22 rifle, using rat shot, traveling on his bicycle, he starts out before sun rise to stalk his game.

The gopher works early in the morning, making tunnels and kicking out sand into large mounds, which is familiar sight in Florida. The University of Florida in Gainesville has a record of tunnels 600 feet long.

The gopher is of the rat family but very somewhat in size, being slightly heavier than the common house rat but alike in shape. One can easily be recognized by its broad blunt head, practically no neck, rudimentary external ears, short hairless tail, short legs and small eyes. They are strictly vegetarians living on grass, roots, nuts and buds.

Usually they have a pouch on either side of their cheeks, in which they carry their food. They burrow with their claws and their overbearing incisor teeth. The male burrows in a straight line, the female in a circle. Upon investigating, a nest can be found in the female mound.

Mr. Haines is a boon to his neighborhood as he has killed 150 gophers so far.

He said he knows the power of the shot as he accidentally shot himself through the hand, grabbing for his falling gun and put 120 of the shot in his hand which still remains. He counts the shot in the X-ray as it was impossible to remove them.

Pick your hobby. Unhappy is the man who has found no hobby to ride for his life. Filled with gaping, vacuous spaces to be filled only with the worries and frettings which hasten old age.

Lake Letta Mobile Court

As the Thanksgiving season approaches the people of Lake Letta Mobile Home Courts

are looking forward to entertaining their brother, Harold Simon and his wife from Miami, on Thanksgiving Day. The Ed Comforts were pleasantly surprised on Monday, Nov. 20, when Mr. and Mrs. Simon arrived in the mobile home at the city of South Miami was formerly called "Larkin" after these first settlers in Southeast Florida.

Mrs. and Mrs. Howard Fishback of Plymouth, Mich., were recent callers on Mrs. J. A. Peterson, and Capt. and Mrs. Tom Morrison.

Sunday night "Sing-a-long" was the first of the season, and was certainly an enjoyable one. Several male voices added much to the harmony and Mrs. Shuffelt at the piano made an excellent accompanist.

Our park folks are anticipating an enjoyable Thanksgiving dinner Thursday. Winnie Lumpkin and Edna Senger, enthusiastic, are to be congratulated for their efforts to bring these lovely dinners to us.

Another record was set last Tuesday for the Coffee Hour, when 52 folks were present. Through the courtesy of Beulah Bayley, we were given a brief resume of Ned Bayley's recent trip to Ceylon, India, in which he described very vividly the people and their customs. Dr. Bayley represented the U. S. Government in the interest of agricultural development the world over.

He was in Colombo Harbor many years ago, also gave a verbal picture of conditions as he saw them.

Highlands Audubon Society Have Picnic At State Park Saturday

The Highlands County Chapter of the Florida Audubon Society enjoyed a walk and picnic in Highlands Hammock State Park Saturday under the able leadership of Ira Weigley from headquarters at Matland. Guests from the Sarasota and Orlando Chapters were present.

The next meeting will be held Monday, Nov. 28, at the Lake June Club House, Lake Placid. Participants are invited to bring lunch and picnic. The group is interested in the establishment of a scrub jay sanctuary. \$2000 has been given towards this project.

None of the bird sanctuaries in our vicinity are adopted to the needs of the birds which is found only in a small area of Florida and may well become extinct, as the orange groves continue to take over its natural habitat.

Buy your postage stamps now. Be sure to use the beautiful new five cent Christmas Stamp. The design is based on a painting by Hans Memling, "Madonna and Child with Angels."

The tables were beautifully decorated with white mum candle holders, pink candles, surrounded with fern.

Speakers for the evening were, Mayor E. A. Delaney, Mr. Chas. McKeefe, and George Walper, Hospital Administrator. Elton Kerr provided musical entertainment with trumpet solos.

Following the banquet, Sharon Childress was capped by Eleanor Davis, Director of Nurses, as a candy stripper. Mrs. Allen Howard and Mrs. Laura Hanford received 500 hour pins for volunteer service from Mr. Walper. Mrs. Laura Hanford received her cap and pin for 100 hours of service.

A business meeting was held with president Mae Langman presiding. New officers were elected for the year. President Mae Langman, Vice President Mrs. C. W. Shumel, Treasurer, Mrs. Donald Ford and Secretary Mrs. George Walper.

Cuban Refugees Thank W.M.U.

The Day W.M.U. Council meeting was held Tuesday morning, Nov. 15, with Mrs. W. B. Johnson, president, presiding. A letter from the Cuban Refugee Mission Center in Miami was read, thanking the Day circles for the clothing sent them.

The business and program meeting followed, with Mrs. Johnson conducting the business session. Emphasis on the Week of Prayer and the Lottie Moon Christmas offering was given by Mrs. C. W. Faber and Mrs. E. A. Martin.

The Jo Simon Circle was in charge of the program, "Barriers of Japan." Those taking part in the program were, Mrs. P. A. McFarland, Mrs. C. W. Faber, Mrs. W. B. Johnson, Mrs. Albert Schutt, and Mrs. L. D. McGlooney.

Mrs. Allen Childress led the closing meditation and prayer.

Students Learn Of Alcoholism

As part of their study on alcohol and narcotics, addiction and crime and delinquency, 86 juniors and seniors from Hardee County High School toured the Florida Alcoholism Rehabilitation Center in Avon Park last week (Nov. 19).

The students were under the direction of Mrs. Betty Peterson, Psychology Instructor, Mrs. Dorcas Albright, and Mrs. Alberts Heim, both Teachers' Aides.

The tour under the direction of Mel Thomas, Clinical Psychologist at FARC, included the film, "To Your Health," lectures and explanations of the hospital grounds.

The 64-bed hospital for alcoholism is located off Highway 27 south of Avon Park. Officials of FARC reported that the student view they were impressed with the student's interest which was revealed in very interesting questions and comments.

As a follow-up to the one-day field trip, Harvey E. Olson, Regional Field Representative for FARC, traveled to Hardee High to give two lectures to the entire student body of 1100 students.

and a BUTTERBALL TURKEY

of course!

THANKSGIVING... a time for rejoicing, counting our blessings and spending a few treasured hours with our loved ones. In a country as well-blessed and fortunate as ours, we often take for granted so many of our countless blessings. Originally, Thanksgiving meant just what it says... giving of thanks for safety, a bountiful harvest and a new country full of freedoms.

We at Publix join with you and yours in this most meaningful of seasons to give gracious and well-deserved thanks for our many blessings and for our honored heritage. May we sincerely recommend the most magnificent of turkeys for your traditional day of feasting... the Swift's Premium Butterball Turkey... for the memory of quality lingers long after the price is forgotten!

Anger makes a person work
faster and in the case of a
woodchopper, it was danger-
ous in more ways than one.
He could chop off a foot or
finger, and if he swung his
axe too fast it might literally
fly off its handle and he
would lose it, or it might kill
someone standing near.

The Things We Say

By RUBY SHANNON

Everyone has heard of the
patience of Job, but did you
know that the Book of Job also
owned a phrase—
"by the skin of my teeth."

The Book of Job is a great
favorite for Bible school les-
sons.

If you've forgotten your
Sunday school lessons Job was
a man of God who en-
joyed great prosperity, had
a large family, and was sud-
denly overwhelmed by losing
his fortune and his family to
the works of Satan.

Three friends came and sat
with him upon the ground
seven days and seven nights,
and none spoke a word unto
him for they knew that his
grief was very great.

These friends were not
Job's closest acquaintances.
Those who were known as
"Job's comforters," had sym-
pathized in Job's grief, but
had implied that his misfor-
tune was self-inflicted, which
prompted Job to say, "My
bone cleaveth to my skin and
to my flesh, and I am ex-
pined with the skin of my teeth."

When a person's life hangs
by a thread or when he is left
with little, he is said to escape
by the skin of his teeth.

Anytime a teacher or boss
speaks sharply and in plain
words to his students or em-
ployees, they are apt to ac-
cuse him of "flying off the
handle."

Some psychologists now
say that a person who lets off
steam is happier than the
calm person who holds his re-
sentments within. But an old
expression we use shows that
students knew letting off
steam could be dangerous.

Christmas Cheer Inc. Hard At Work For Needy

Christmas Cheer Inc., a community group representing the churches, fraternal and civic organizations in Avon Park, is hard at work getting ready to make Christmas a happy time for children in the homes of needy families.

The organization wants the names of indigent, deserving families. Please see the number of children, their ages and sex. Send these names to Mrs. Rena K. Smith, 30 N. Butler Ave., P.O. Box 741.

Christmas Cheer is able to do its work only through the generous contributions of churches, community organizations and great-hearted individuals. Please consider this a personal appeal and send your check, made out to Christmas Cheer Inc., to Miss Mattie Tompkins, treasurer, P.O. Box 425.

Christmas Cheer seeks your support for the Lion Club's effort to collect toys. The two organizations have cooperated for years in supplying the food and toys for the Christmas baskets. If you have toys to contribute, please call or leave them at Stinson's Gulf Service Station or Abbot's Barber Shop.

center. Carl Barnes, quarterback; Emmitt Money; and halfbacks Earl Sims, Bobby Barnes and Harold Callaway.

Both Joe Strickler and Harold Callaway are top prospects for college scholarships with several state and southern colleges showing interest in the two Devil standouts.

The Red Cross Grey Ladies, trained for this work in a special three-day course, are working this week in the Lake Placid area schools.

Carver school examinations will begin Monday morning. Lake Placid Elementary on Tuesday, and Lake Placid High on Wednesday.

Examinations will be given in Sebring beginning today and continuing through Wednesday at the home of Mr. and Mrs. Jack Delaney, 504 South Highlands Ave., from the hours of 7:30 until 9:30 p.m.

The public has been invited. The family has requested no gifts.

Tax Collections Pass \$1,000,000

Several of the county's large tax bills have been paid within the past week—just in time to qualify for the four percent discount offered during the month of November.

The large accounts that the net collections of county taxes pass the \$1 million mark, and by mid-Tuesday the total for the year stood at \$1,021,110.39.

A week ago net collections were only \$292,560.23. A week ago 17,051 receipts had been collected and this week 22,244 receipts had been validated, according to W. H. Prescott, county tax collector.

Prescott had been hopeful that the large tax bills would come in this month, he said.

Hansen said that later in the year the vision screening program will be held for preschool children. From that screening a second Grey Lady training course will be held.

Final preparations have been made for the upcoming open house and the enthusiasm is at fever pitch.

Friday night the Mahanah will be announced winning \$50 for his organization. Saturday night he will show his skill in a skill prepared for him.

The Junior Woman's Club wishes to extend their appreciation to all merchants who participated in the program and to all merchants who participated in the program and to the people who helped make this show possible.

The ticket booth at Avon Citrus Bank will remain open from 9 a.m. until 12 noon through Friday, so get your tickets now! The early buyers get the worm and in this case the best seat as well!

Three School Bond Meetings Planned

The first of the three community meetings to discuss the proposed school bond issue will be held tonight (Thursday) at 8 p.m. in Sebring High School gym.

Meetings are scheduled in Avon Park and Lake Placid High Schools, too. The Avon Park meeting will be on Thursday, Dec. 8, and the Lake Placid meeting will be on Friday, Dec. 9. Both of these meetings are set for 8 p.m.

The Florida Department of Education has approved an extensive school building program to meet expanding enrollment demands, and to replace some out-dated facilities.

Superintendent George F. Douglas has told the school board that the Highlands County schools are now making use of more than 10 temporary or out-dated classrooms, Douglas said.

In announcing plans for the three community meetings, Douglas said, Highlands County school system stands at the crossroads of time. The school board has selected the only avenue available to bring this issue to the public in the form of the school bond issue.

The bond issue will be voted on by the voters on February 28, 1967.

Reorganization of schools, which began just after the New Year and continues for 30 days, Douglas said, the bonds of the school system program is expected to increase after the Christmas holidays.

Devils Face Eustis In State Class B Play-off

Avon Park's red hot Red Devils will host the southern Class B regional semi-final football play-off game here at Memorial Field Friday night at 7:30 with the Eustis Panthers as their opponents. It is a rematch of the two teams from last year's semi-final play-off which was played in Eustis with the Panthers taking a 13-6 win over the Devils.

Avon Park finished the season with an 8-1 record with the only loss coming from Hollywood Chamaine by a score of 20-19. Eustis had a 2-2 record losing to Dade City and Clermont and winning over Tavares, St. Cloud, Ocoee, Groveland, Lake Weir, Unatilla and Mount Dora (14-7).

The winner of the game here Friday night will play the winner of a game between Graceville and Monticello being played in Graceville. The Class B finals will be played next Friday night, Dec. 9 at a site to be announced.

Scouting reports on the Eustis team show that the Panthers use power running up the middle as the main offense with big linemen available to open the holes. The Panthers have a big ball team as they did last year, but lost their number one quarterback and several other key players from last years squad.

The Red Devils who probably have the fastest backfield in Class B competition have proved to be a fighting team all the way this season although they were outwitted in almost every game they played. The Devils have used their agility and speed to overcome the size of the opposition and the backs have burst through to take advantage of the slower defense. The alertness of the Devil squad and the desire to win have been big factors in the success of the 1966 Avon Park team.

The boys themselves give credit to their coaches—head coach Joe Francis, backfield coach Ralph Hill, line coach Dale Landress, and "B" squad coaches and scouts Larry Pickitt and Fred Sandlin.

City Council Takes Emergency Action On Loose Straying Dogs

The City Council introduced, passed and adopted Ordinance 466 last Monday night, which places strict rules on dogs straying loose in the city. Since complaints have been numerous, the issue was declared an emergency, which accounts for its being made effective immediately.

The Ordinance is published herein in its entirety, so dog owners might do well to read and observe its contents.

Football Game Tickets On Sale

Guy Garrett, supervising principal of the Avon Park schools, announced last Monday that advanced admission tickets for the Avon Park vs. Eustis regional football game would go on sale at the high school office that day.

Reserved seats on both sides went on sale the same day on a first-come, first-served basis at 20 cents per ticket. Garrett explained that season reserved seat tickets could not be honored at this game since it was a state-sponsored game.

General admission prices were set by the state office at \$2.00 for adults and \$1.00 for students. These may be purchased at the high school office this week or at the gate Friday night.

Elementary students age 12 or under may buy a ticket for 50 cents at the elementary school Friday night.

Garrett emphasized the fact that the game will start at 7:30 p.m.

BLACK ANGUS Yearling Calf purchased by Stanley Spurluck when one day old, now weighs 950 pounds. "Tiny" will be shown at the Highlands County Fair in January. Stanley, a FFA member raised the calf as one of his many projects. — (Sun Photo)

Tiny Not So Tiny Anymore

Broad and deep. These are characteristics desirable in show cattle.

Stanley Spurluck, a member of the Avon Park FFA Chapter, exhibits the depth of his show steer to his adviser, Dean Griffin.

Stanley will enter his steer "Tiny" in the Highlands County Fair to be held in January. This calf, one of the many projects of Stanley, is 16 months old, weighs 950 pounds and is as gentle as a puppy.

He has learned that today's meat market and show circuit require an exact amount of fat on an animal. Careful feeding and management are required and a constant watch must be kept to see that the animal does not become overfat.

So far, "Tiny" is in good shape and Stanley can expect very good rewards for his efforts.

Traveling with Kitty

If you're planning to be away from home for a long period of time and you're worried about what to do with Kitty, you can stop worrying. Cats are usually good travelers. And you'll find it more convenient to have Kitty along than worry about him being lonesome in a boarding or cage setting.

Before taking your cat on a trip, buy a carrying case for him in a pet supply store. This is a luggage-like carrier with air holes and, in some cases, a small open window or door. The cat can look out or chew through and be sure to allow enough air holes and space for Kitty's comfort.

Feeding is particularly important. Get a cat along with you a dry commercial ration, such as Purina Cat Chow. The cat can eat along with you, refrigeration, and are convenient and clean smelling. Provide fresh drinking water frequently.

If you plan to drive, let the cat get used to the car before the trip. If you don't intend keeping him in a cage, get him used to a collar and leash. Never leave him loose in the car, otherwise he might jump out of an open window or door.

Check in advance as to airline, railroad, motel and hotel policies regarding cats. But be prepared for confusion. Many travel representatives aren't prepared to answer questions regarding reservations. Airlines and railroads generally insist that cats ride in their boxes in the baggage compartments. Don't you make any fuss. Kitty is sure to have a pleasant trip and will probably snore the whole time.

Smart Tips For Florida Gardeners

Of course almost everyone on your gift list would love a plant for Christmas—and a beautiful gift is a reminder for many years of your friendship and your thoughtfulness. Even the person who

"has everything" will always enjoy and appreciate a plant—and there are so many from which to choose!

Some of the trees that make lovely holiday gifts include Holly trees with gay red berries in profusion; the Pyracantha or Firethorn with all the colorful berries to brighten your home; and, on and on into the years to come; Citrus trees to supply fresh fruit for the family; always welcome—and even shade trees are desirable gifts. The selection is large, and a visit to your friendly FENGA nurseryman will be most helpful, according to President Jack Siebenhaar.

Sebring Youth Dies In Mishap

A Sebring Junior High School student lost his life Saturday in a tractor accident at the Santa Fe Ranch at Lordsburg.

Raymond Charles Summell, 17, was riding the fender of a tractor, according to County Sheriff Robert's report, and when the tractor hit a bump the Summell youth was thrown from the vehicle and a wheel of the tractor came over his head.

The coroner listed a crushed head and crushed chest as cause of death. Robert said the tractor was being driven by Raymond Charles Summell, 17, of Lordsburg.

The Summell youth was a son of Mr. and Mrs. Maurice Summell, 615 Rainbow Ave. He was born in Homestead on December 20, 1950.

Besides his parents he leaves a brother, Maurice Summell, Jr.; his maternal grandmother, Mrs. David Ege of Lordsburg; his paternal grandparents, Mr. and Mrs. Charles Summell of Naples, Fla.

He was a member of Trinity Lutheran Church of Miami.

Funeral services were conducted Tuesday afternoon at St. Stephen's Lutheran Church by Rev. Kenneth Coleman. Burial was in Pinecrest Cemetery, Sebring.

A teacher asked her class, of restraint and no longer rest. "What is the shape of the spirit their policemen. Our world?" A little boy answered, "bombs have been turned into a 'My father says it is in a terrible jungle of fear and fighting like a snake.'" How true! What are our streets into a jungle of robbery and fear, mugging and murder.

We are witnessing an attempt of the godless to strap the cords of divine control but it will only bring down Divine contempt. The Bible says, "The Lord shall have them in derision. Whatever you do, do not have the Lord against you. And if He be for you, it does not matter who is against you."

Children have cast off their cords of restraint and no longer have the Lord against you. And some have cast off their cords of restraint and no longer have the Lord against you. And some have cast off their cords of restraint and no longer have the Lord against you.

Former Band Director Honored Guest At 1941 Class Reunion

The class of 1941 of Avon Park High School held its 25th anniversary reunion last week.

The first activity was attendance at the Avon Park Schooling football game on Wednesday night. Former team members, Fred Foster, Malcolm C. Crews, were among those in attendance. They were thrilled as the Red Devils defeated the Blue Streaks 47 to 7. Those attending the game included Mr. and Mrs. Weyman Carver, Mr. and Mrs. Herbert Todd, Mr. and Mrs. Felton Causey, Mr. and Mrs. Richard Derkman, Mr. and Mrs. Harry Ellwell, Mr. and Mrs. Harold Henderson, Mr. and Mrs. Malcolm C. Crews, and Mrs. Walter Mandis, one of the former students visited with parents who still reside in Avon Park. Some attended the union church service at the Presbyterian Church.

The highlight of the reunion was held as a dinner meeting at Griffin's Restaurant on Friday evening. A total of 26 enjoyed the fellowship of this dinner.

Before and after dinner those attending enjoyed a display of school memorabilia and pictures which had been arranged by several of the present. A delicious southern fried chicken dinner was enjoyed.

The invocation was given by Chandler Wingfield Jr., Malcolm C. Crews welcomed the guests. Old time songs were sung. The following oratories were given: Mr. Margaret Henderson read the Class Day account printed in the Avon Park Times, May 27, 1941. Felton Causey read the Class Will and drew lotto. John Lamb, Jr. read the Class Prophecy which amazed many by its accuracy.

Following the oratories, taking part in the program were: Miss Hugh Cloud, Miss Webb Haze, M. C. Skupper, Mr. C. A. Stinson and Mr. Marshall Davis.

Alice Gaventa Circle Meeting

The Alice Gaventa Circle of the First Baptist Church met with Mrs. Marshall Davis, Tuesday morning at 9:30. Coffee and fruit cake was served before the meeting.

Miss W. B. Johnson led in prayer. Miss Hugh Cloud read the prayer calendar. Mrs. Marshall Davis, circle chairman, had charge of the meeting.

John Lamb, Jr. read the program on "Modern Day Israel."

Following the oratories, taking part in the program were: Miss Hugh Cloud, Miss Webb Haze, M. C. Skupper, Mr. C. A. Stinson and Mr. Marshall Davis.

Woman Bowlers Celebrate 50th Anniversary

The Woman's International Bowling Association, founded November 29, 1916, by 40 women and one man in a tiny bowling alley in St. Louis, Mo., has celebrated its 50th anniversary. The headquarters of the now 2.8 million members is located in Columbus, Ohio.

The High School and Woman's Bowling Association, local W.I.B.A. group, was chartered on September 11, 1963. The members of the group, in conjunction with the High-Land Women's Bowling Association, have planned Saturday, March 11, 1967, as the starting date of the local City Association. They are now in the process of organizing a new bowling team composed of Weyman Carver, Felton Causey and Malcolm C. Crews, who were to purchase a school gift. He brought the meeting to a close with a few well chosen remarks.

Mr. Roberts was band director of Avon Park High School from 1933 through 1942. He has been director of bands at St. Petersburg Senior High School for the past 19 years. He is a charter member of the Florida Band Directors Association, which was organized in 1946 by him and seven other band directors. He is past president of the American Band Directors' Association. Teacher Spotlight

MRS. H. C. HEMPHILL

Mrs. H. C. Hemphill is in her 12th year of teaching first grade in the Avon Park Elementary School.

Her husband retired from teaching in Mississippi. On tour through Florida they stayed at Mrs. Hemphill's home in Sebring.

Mr. A. B. White's call for additional teachers brought them to Avon Park in answer to his call and he was only too glad to list them as new teachers.

Mr. Hemphill was a former teacher of special classes in Avon Park High School and is now doing substitute teaching in the high school.

Mrs. Hemphill was born in Nevada, and her husband, Mr. and Mrs. E. H. Carter.

She received her B.S. degree at Missouri State University in St. Louis, Mo., and furthered her education through extension courses.

A member of the First Baptist Church, fondly known as "Miss Hemphill," she has taught in the Avon Park school for the past ten years.

She is a member of the D.A.R. and all teachers' organizations.

They are the parents of two children: A son, James Hemphill, and a daughter, Mrs. John (Hilda) Hemphill, who is now teaching English in the West Elementary School in Sebring.

Mr. Hemphill is a head basketball coach in the Avon Park High School.

Each summer are spent at their home in Keweenaw, Minn., where "Miss Hemphill" delights teaching jellies and preserves for her friends.

She sincerely hopes that she will be able to continue to teach in the future, forming a basis for their future.

"Yes, teaching is fun," says Mrs. Hemphill. "There is so much to do."

Man Is Healed If God Governs

"God the Only Cause and Creator" is the title of this week's Lesson-Sermon to be read in all Christian Science churches this Sunday.

Scriptural readings include Matthew's account of Jesus' healing of the insane boy who fell "often" into the fire and oft into the water, and Jesus' admonition to his disciples, "If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you."

A correlative passage from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is this: "Our Master cast out devils (evils) and healed the sick. It should be said of his followers also, that they cast out devils and heal themselves and others and heal the sick. God will heal the sick through man; however man is governed by God. Truth casts out error now as surely as it did nineteen centuries ago."

Costly Fires

NEW YORK—There were 16 fires in the United States in 1965 which caused \$2.5 million or more each in insured property damage, according to the Insurance Information Institute. There were only six such fires in the United States in 1964.

Speed a Killer

NEW YORK—Speed was the number one cause of traffic accidents in 1965, the Insurance Information Institute reports. Accidents attributed to speeding resulted in more than 17,000 deaths and more than 1.8 million injuries.

Duplicate Bridge Report

The first Master Point game of the current duplicate bridge season was held Monday night at the club house of the Sebring Golf Assn. and was extremely well attended.

The attraction of full master points to the winning pair in each direction contributed to the turn out, and kept active the fine competition and excellent bridge which is a feature of these games.

The north-south winners by two and one-half points was Mr. and Mrs. Geo. Smith with Judy Waagman and Mary Merlett in 2nd place. Third place was captured by Billie Horne and Ruth Kosove.

The east-west results were even closer. Fred Merlett and A. Harrison Rosov captured first place by only one

half point over Dr. Dorsey and Ernie Duckett who were second. The Director, does not receive points when he participates in the games and thus 1st place produced a single winner. Third place went to Dr. Lee Burley and Ted Shoemaker.

Master points are issued by the headquarters office of the American Contract Bridge League in New York, directly to the winners of first place in each direction.

The next game in the regular series will be Monday night at the Sebring Golf Assn. Club House, Dec. 5th, promptly at 7:30 p.m. The donation is \$1.00 per person, including coffee and cake, and all the proceeds are contributed to local civic causes.

March of Dimes Patient Cheats Death To Develop Into Pint-Sized Tarzan

"The hospital suggested that I sign the autopsy permit ahead of time because my son had practically no chance to live."

In these words, Rosalind Bessell, Natick, Mass., recalls the ordeal that she and her husband, Henry, lived through four years ago when their newborn, premature baby lay wasting away in an incubator with death coming ever closer.

Mrs. Bessell's story is borne out by the records at Boston City Hospital to which the infant was hurried soon after his birth with a severe intestinal obstruction. But an air of unreality surrounds her grim recital because, as this attractive young teacher recalls the days and nights when her baby hovered at death's door, she points out the window at home where this same boy—seemingly healthy as a young Tarzan—is now swinging from a low branch of a towering maple tree, grinning and yelling "Look, Ma!"

"Today, as I think back," she says, "I often believe that none of this happened at all, that it was just a frightful nightmare, that I was never told my baby was dying, and that my brother, a rabbi, hadn't really raced down here from Utica to conduct the funeral service."

There is no air of unreality, however, about the records at Boston City Hospital where young Mark received treatment at the March of Dimes Birth Defects Center and to which he regularly returns for checkups.

Mark, a second child, was premature by six weeks and weighed only 4 lbs., 10 ounces at birth. Doctors soon estab-

lished that he had a gross obstruction between the small and large intestine. In the next four months, five operations were performed to remove the block and to repair a perforation in the small intestine. Most of this period the infant was fed intravenously. His weight dropped to 2½ pounds. The doctors feared he might die at any hour.

The suggestion was even made that Mrs. Bessell sign an autopsy permit in advance because it appeared the full force of the 1961 hurricane would soon slam into Boston making it impossible for the family to reach the hospital from their home 18 miles away.

"I wouldn't go along with the suggestion about the autopsy permit, although it was meant well under the circumstances. Also, I could not bring myself to fill in and return the birth certificate to the proper authorities although I had been warned that I was breaking the law in holding it back."

The only way I can explain my hesitancy about signing the birth certificate and the autopsy permit," she continues, "is that, during much of those four months when I seemed to be living on a seesaw or on a pogo stick, up and

Bulletin Boards Aid Education At Hopewell

By L. R. SUGGS

Every classroom, the office, and the luncheon at Hopewell feature bulletin boards. The two types of display most frequently seen are as follows: the seasonal bulletin board or those featuring today's happenings; the curricular bulletin board that is used as a part of a unit or project which the class is working on.

Miss Brewster and Miss Lyons used the spare projector to enlarge pictures. These were outlined on large sheets of paper and later reproduced to create designs for the bulletin boards. Two examples of these are shown in the board featuring Robert Louis Stevenson and his poetry and in the one emphasizing modern man's appeal in the figures of football players; the figures were reproduced by using the opaque projector.

The third graders in Miss Brewster's room are learning Stevenson's poems as choral readings, thus using the board as a teaching device.

Mrs. Sim's bulletin board in her fifth grade class is the outgrowth of a class activity. The study of Edgar Allan Poe's "Edgar" led the students to recreate the word images in the poem into original drawings. The child thus identifies with the literary art of the writer by having his own work featured with the poem. "Edgar" is to be a class choral reading also.

The physical education classes use the bulletin board effectively. In Mrs. Howard's room for girls, there is a board with fall colors of brown, orange, and yellow and the Thanksgiving theme. The "Give Thanks" is for five movements: dual activities, rhythmic, individual and team sports, and good sportsmanship, all of which make up "Fitness."

Mrs. Boone and her sixth grade class were the first to develop the ex-curricular bulletin board located outside the office. This huge board was built by the Vista workers, Mr. and Mrs. Abbott.

After the holiday glitter... will you have to borrow to pay the bills?

When all the packages are opened and all the pretty wrappings discarded... will you need a loan to pay for the fun? Repaying that loan will cost you a pretty penny in interest charges.

But if you make the habit of saving, you will have the money when you need it. The difference between borrowing to pay the bills next Christmas and saving ahead and getting earnings on your savings can make a big difference in your holiday enjoyment. Saving makes the difference.

Preparing to Burn Girl Alive!

The new African movie, "Kwahu," takes audiences into the forbidden land of Topeki to witness its true burn their pretties virgin alive, an ordeal performed annually as a sacrifice to the Gods. Known as the Fires of Fuberty, the sacrificial ceremony is performed while the entire tribe is under the spell of a weird narcotic known as bangi. A dance known as Go-Go is performed to native drum beats and music known as Jaju, prior to the sacrifice.

"Kwahu" is among the year's most important films. It is truly a cinema event. Africa's heretofore forbidden areas were photographed for this movie by Mike Carter and his expert crew. "Kwahu" was produced by Thor Brooks and David Chudnow. It was 55 months in filming, the production covering the Dark Continent from the Sahara to the Cape. Playing Sun., Mon., Tues., and Wed. at Sevon Drive-In.

EFFECTUAL PRAYER

"In everything by prayer and supplication with thanksgiving, let your requests be made known to God." Philippians 4:6.

A chaplain tells the story of praying with a young pilot. The young man climbed into his plane and flew toward the desert. The plane crashed and the pilot was killed.

The young pilot had prayed and yet he was killed. What is the answer to what appears to be unanswered prayer? You pray for something or somebody, and what you pray for isn't realized.

Well, we remember that Jesus prayed thus in the Garden of Gethsemane:

"My heart is nearly breaking. Stay here," he said to his disciples, "and keep watch for me."

"Then he walked forward a little way and flung himself on the ground, praying that, if it were possible, he might not have to face the ordeal."

"Dear Father," he said, "All things are possible to you. Please - let me not have to drink this cup! Yet it is not what I want but what you want." St. Mark 14:34-36. Phillips.

We know what happened. Jesus was arrested, condemned and crucified. What happened then can happen to anyone of us. We may not get what we ask.

Nels Ferre, contemporary theologian, tells of the years of sickness, when he could not sleep for pain. "Like monks," he says, "he used to get up at various times of the night to worship God. I would be back letting myself sink into God." He didn't experience healing at once. He goes on to say: "too weary to struggle, throwing my spent self on the Holy Spirit, I experienced real rest and an unmistakable inflow of power... When all is surrendered, the spirit, body and mind find such rest in prayer that instead of having less energy a new creative force emerges."

John Knox said almost the same thing in the words: "A power not our own enters and energizes our wills."

We know that Jesus rose from his prayer in Gethsemane and went to his crucifixion. God was there. God gave his presence and power as the answer to Jesus prayer.

In the case of the young pilot who had prayed with his chaplain before flying to his death, this much can be said: "He was in God's grace. He was ready to meet death and that is not sad but glorious."

What is prayer? It is the means that man uses to come into the presence of God where he experiences the mystery of ineffable joy. In God's presence we come to know who we are, that we are the children of God.

Actually it is not so much that we have found God but that we have put ourselves in His way, that we have been found by Him.

If we love God, we love him to do his will. We therefore seek to serve him through all avenues open to us, especially in our association with others. We seek the realization of his will in the lives of those in our home, our neighborhood, our town, our nation and the world. We lay the blessing of prayer on what we say and what we do for others.

Sir Ronald Ross prayed that God would help him in his search to find out what was responsible for the spread of malaria. For a long time his prayer seemed to be unanswered. He wrote: "I pace and pace, and think and think and take the fevered hands, and note down all I see. That some distant light may dawn break

The painful faces ask, can we not cure? We answer, No, not yet; we seek the laws. O God, reveal through all this thing obscure The unseen, but million-murdering cause.

After much toil and research he discovered that mosquitoes were the cause of the spread of the disease. He wrote again.

"This day relenting God Hath placed within my hand A wondrous thing; and God Be praised. At His command.

I know this little thing A myriad men will save. O Death, where is thy sting: Thy victory, O Grave?"

Great prayer comes from the heart and usually is simply expressed. You will remember the words of the Lord Jesus! "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking." St. Matt. 6:7.

Dr. George MacLeod tells a story that illustrates what we mean. A young man entered a Roman Catholic church knelt for a few moments before the altar and left. He did this day by day. The priest showed his interest by asking the young man why he came and why his devotions were so short. He replied that he came during the lunch period and that he only had time for a brief prayer. "What do you say?" I say, "Jesus, it's Jimmie!" The priest was deeply moved. Sometime later the priest was called to Jimmie's bedside. He observed that One greater than himself was there, too. Jimmie was close to death. The priest told that he was certain, as he stood there, he heard a voice saying, "Jimmie, it's Jesus."

Prayer helps us to relate ourselves to something larger than ourselves, something vital that will endure forever. It brings the power of God to rest upon our lives both in the present and the hereafter.

Baptists Elect New Officers

The Florida Baptist Association of Ministers in Religious Education and Music met recently at the First Baptist Church in Pensacola with President Hoyt R. Wilson presiding.

The general theme "Personal Preparation for Our Task" was discussed during the meeting.

The Association adopted a revised constitution and elected as officers for the coming year: President, Otis C. Strickler,

Secretary-Treasurer, Allen Reeves; Lake Worth, Fla.;

Educational Vice President, Ron Holloway, Miami;

Music Vice President, Frank Stroup, Gainesville;

Choirleader, E. B. Middleton, Miami;

Instrumentalist, Paul Langston, Gainesville.

Avon Mobile Home Park

Ruth E. Robinson

We are happy to welcome newcomers, Mr. and Mrs. Ray Compton from Kalamazoo, Mich., to our "family" and returnees, Mr. and Mrs. Russell Tabet, who are staying for a couple of weeks. Herman Young also returned to our fellowship this past week, after a short stay with his son and wife.

Our Thanksgiving dinner was attended by 37 members of the park and their guests. Frank Fisher was master of ceremonies, asking the blessing for the meal and a period of silent meditation for the departed friends. Ora Marshall returned thanks for the turkey dinner and Leo Wagner said Grace at the evening repast. Entertainment included the Turkey Song by Frank Fisher, various comments, jokes and tales by Mr. and Mrs. Roth, Mr. Kirkback and Mr. Bill Walter. Cousin welcomed all the residents to his park with well wishes, and extended an invitation to Mr. and Mrs. Walter (Florence) Cady to remain for dinner after a tour of our park. The Cady's liked what they saw so well, they decided to purchase a new mobile home and place it on a lot as soon as possible. We can look for them in on Friday, Dec. 2.

Guests of the Frank Fishers for Thanksgiving were Mr. and Mrs. McIntyre from Rolling Prairie, Ind., who also stayed for dinner and enjoyed the day. The evening meal was attended by 50 (not so hungry) people but pleasure being, and happy to have a child. Long play the piano while everyone sang songs. The decorations were quite attractive, with individual nuts cups and napkins arranged to look like turkeys. Floral centerpieces and arrangements. The dinner was done by Mrs. Harold Wolcott (Ruth), Mrs. Alva Thompson (Hazel), Mrs. Mary Burnett (Olive), Mrs. Walter Marshall (Oma). Many thanks to you, one and all.

Oliver Hood, son-in-law of the Arthur Fouty's, who is the special representative of the Eastern Division of Buyers for Marathon Oil with offices on Fifth Ave., Rockefeller Plaza in New York City, was seen by several of our people in the park on the TV program. To Tell The Truth on Tuesday, Nov. 22. Having visited in our park a few times during the Fouty's eight years of residence, he is familiar to many.

Mrs. Olive Kewen won the main event at Avon shuffle tournament for B Class on Saturday morning. Frank Fisher and Lawrence Robinson were runners-up.

Mr. and Mrs. Lawrence Robinson "played hooky" and visited friends from Cleveland, Ohio, at Fort Lauderdale for Thanksgiving Day and dinner at the Seven Pillars Restaurant in Fort Lauderdale, enjoying reminiscing about family dinners back home and about attending all the southern sunshine and hospitality. Their friends were, Mr. and Mrs. William Binstock, Mr. and Mrs. William Sinclair, Mr. and Mrs. Victor Hansen, who now live in Florida. The Robinsons also visited Mrs. Frank LaFollette at Lakeland General Hospital, who had eye surgery Monday.

A Sunday afternoon tour to Orlando, New Smyrna Beach and Vero Beach, with a leisurely return to Avon Park, was most interesting to Mr. and Mrs. Howard Bell. Both entertained guests, Mr. and Mrs. Paul Bell. Both entertained guests, Mr. and Mrs. Karl Brenner from Auburndale on Thanksgiving Day. Guests at Mr. and Mrs. Joseph Gault's home were, Mr. and Mrs. Gordon Baker of Avon Park on Sunday afternoon.

Mr. and Mrs. Harry Longenecker spent an enjoyable Thanksgiving Day with friends, Mr. and Mrs. Marvin Bennett, Mr. and Mrs. A. Ward Dawson and Mrs. Eva Rummell at Royal Palm Trailer Court in Sarasota, returning home on Friday. They spent Saturday and Sunday in Orlando with their son and daughter-in-law, Mr. and Mrs. Donald Longenecker.

Monday night pinocle players totaled 26; six tables of participants and host. Men's high score was won by Bob Boser with 999; and ladies high score by Mrs. John Boser with 880 - a winning pair! Mr. and Mrs. Shader, a former resident of the park was a guest couple. Next week's hostess and host will be Mr. and Mrs. Louis Shoemaker.

This year's Junior Orange Bowl Festival in Coral Gables, part of the Miami Orange Bowl program, will be bigger and better than ever with many activities on tap.

SHARON AUSHERMAN, 6, of Largo, is presented, the document proclaiming Retarded Children's Week in Florida by Governor Haydon Burns. Left mentally retarded by measles at age one, Sharon has just been named "Child of the Year" by the Florida Association for Retarded Children.

Retarded 'Child Of The Year' Honored By Governor Burns

Six-year-old Sharon Ausherman of Largo, named "Child of the Year" by the Florida Association for Retarded Children, was honored last week when her community was presented a check in the amount of \$1,500 by Gov. Haydon Burns.

Sharon is mentally retarded, and the check was the first of a series to be issued to communities by the state.

Sharon is the daughter of Walter Marshall (Oma). Many thanks to you, one and all.

The event will be held at Legion Field and an admission charge will be made to help cover the cost of expenses. The first band will take the field at 7:30 p.m. and continue through the evening at approximately 10 minute intervals.

Other bands participating will be Forestport High, Oakland, Lake Placid High, Lake Wales High, Lake Wales Roosevelt, Malberry High, Winter Haven Junior, Auburndale High, Haines City High, Sebring High, Wauchula High, Sebring High, Bartow High, Kathleen High, Winter Haven High, Lakeland High, and Lakeland Rochelle High.

About 1,000 students are in the 17 bands.

Even the man who has made loving an art is better off than he who has never known how to turn an idle hour into a personal asset.

THE PUPILS of the Kay Whitcomb kindergarten school entertained their parents Tuesday, Nov. 22 at an Indian Pow-Wow Party. They entertained their parents with Indian songs and dances. Refreshments of Kick-A-Poo juice, crackers, and Indian corn was served to the parents. Front row: Nancy Williams, Cheryl Childers, John Stirling, Robert Heckerd, David Cope, Susan Hassfurd.

Messiah Given In Lake Placid And Sebring

On August 22, 1741, George Fredrick Handel went into Frederick to work on a musical composition. Three weeks later he emerged with the inspirational beauty, the Messiah.

This Sunday the 40 voice Highlands Society under the direction of Don Meiser, will render their interpretation of Handel's musical program at the Lake Placid Methodist Church at 4 p.m. The 12th annual presentation of the Society will be accompanied by George Walper, organist, and Sally Harrison, pianist. Soloists during the hour and a half performance will be: soprano, Ann McKinnis; contralto, Helen Cooper; tenor, Jack Smith, and bass, Buford Jasper.

Although the Messiah is traditionally associated with the yuletide season, a student of lyrics will discover that Handel musically portrayed the life of the Savior in all phases. He was often caught up in his own inspiration to create, once after having written down the Hallelujah Chorus, Handel called his manuscript and exclaimed with tears in his eyes, "I did think I did see all heaven before me and the Great God Himself."

It was the same Hallelujah Chorus heard at the English premiere in Covent Garden in March 1743, that so moved King George II, to stand to hear the remaining thus creating the tradition of standing during its performance.

Dr. Lee Barley, president of the Highlands Methodist Society, says that the final performance of the Society will be in Sebring, Dec. 11, at the First Methodist Church at 7:30 p.m.

No admission charge is asked at either of the two performances.

Instead of remaining tax-burdened, many retarded persons can become taxpayers given proper training and education," she added.

Children. Standing are William H. Mapoles, director of the State Division of Mental Retardation and Mrs. Mary Ellen Ward, Avon Park, president of the FARC. Retarded Children's Week ran through Nov. 29.

Billy Graham Speaks In Miami National Council of Churches

Evangelist Billy Graham will address a luncheon meeting of the National Council of Churches' Seventh General Assembly, at the Fontainebleau Hotel in Miami Beach, December 4-7, announced by the general secretary, Dr. R. H. Edwin Espy.

The internationally known Dr. Graham will speak to a Fellowship of churches for voting representatives of the Assembly and members of the general public at 12 p.m. Tuesday, Dec. 4.

His topic, "How the Word of God is Living," is based on the theme of the triennial meeting: "That the Word of God is Living" from John 17:23 (ISV).

"We hope that those who live in the Miami area will be able to take full advantage of this opportunity to hear Dr. Graham during the National Council of Churches' largest and most significant gathering," Dr. Espy said.

Presiding at the Graham luncheon will be Mrs. Norman Vincent Peale, wife of the minister and well-known author, and also a member of the National Council's general board.

The General Assembly—held in Miami Beach for six days of business sessions which will affect the future course of the cooperative church movement in America.

Church leaders will consider pressing issues which face the church today: unity, evangelism, and the moral implications of a host of problems arising from urban renewal, science and technology, sex, marriage and family life, race relations, international affairs, poverty, and revolution.

Election of new officers to replace terms and pending acceptance of membership applications from four denominations are top items on the Assembly's business docket.

The Council's present membership comprises 30 of the nation's major Protestant, Anglican and Eastern Orthodox communions.

The working core of this ecumenical gathering will be some 750 official voting representatives named by member church bodies. Other categories of participants include consultants, fraternal delegates, observers and both accredited and general visitors.

Reflecting the rapid spread of Christian unity in recent years, the forthcoming Assembly will for the second time include official observers from the Roman Catholic Church. Jewish observers have also been named. Dr. Vincent Peale will address a public session on the night of December 7. The sessions, featuring also a program of sacred music, will be open to all. During the Assembly, which will convene seven plenary sessions of simultaneous discussion meetings covering seven program areas.

REVEREND FRANK T. COOK, Director of Chaplain Training for the state alcoholism program, (foreground), lectured half the students from Hardee County High School, while the other half viewed a film, "To Your Health." Chaplain Cook told the students the alcoholism program does not concern itself with the question "to drink or not to drink," but rather with the emotional problems and personality disorders that you find in alcoholics.

Alcoholic Center Emphasis Information Week Nov. 27-Dec. 3

Over 180,000 Floridians suffer from alcoholism. The illness strikes one out of 16 normal drinkers.

This week is Alcoholism Information Week (November 27 - December 3) as proclaimed by Gov. Haydon Burns. Year

State of Florida Alcoholism Rehabilitation Program and this newspaper have provided the quiz below to assist you in a self-evaluation of your drinking pattern.

1. Are you drinking larger and larger amounts of alcoholic beverages to gain the same effect you once did from drinking less?
2. Is your drinking making you lose time or money?
3. Have you developed a preoccupation with alcohol?
4. Are you "macking" drinks?
5. Is your drinking reducing your efficiency on the job?
6. Are you drinking more and eating less at meals so that you won't "lose the glow"?
7. Is your drinking causing difficulty in sleeping?
8. Are you hiding some of your supply of alcohol?
9. Have you ever had a complete loss of memory during or after a drinking episode?
10. Do you need a drink the first thing in the morning to start your day?
11. Are you experiencing the shakes or delirium tremens (DTs)?

If you have answered yes to any one of the questions there is a definite warning that you may be an alcoholic. If you answered yes to any two of the questions, the chances are that you are an alcoholic. If you answered yes to three or more, you definitely are an alcoholic.

Alcoholism is a treatable illness. For further information contact your state alcoholism program, P.O. Box 1147, Avon Park, or check your telephone book for local resources of referral and treatment.

Headquarters for the ecumenical gathering is Hotel Fontainebleau.

The 1966 General Assembly of the National Council of Churches will be the seventh for a series that began with the organization's constituting assembly at Cleveland, Ohio, in December, 1950. Other historic chain of inter-denominational conclaves met at Denver, Colo., in 1952; at Boston, Mass., in 1954; at St. Louis, Mo., in 1957; at San Francisco, Calif., in 1960; and at Philadelphia, Pa., in 1963.

This is Alcoholism Information Week. Over 180,000 Floridians suffer from alcoholism, a progressive illness that affects one out of 16 normal drinkers. For information, contact the State of Florida Alcoholism Rehabilitation Program, P.O. Box 1147, Avon Park.

A BEAUTY TREATMENT FOR EXPRESSIVE EYES

Eyes most definitely are "the windows of the soul." These days, so make yours beautiful, bright and expressive! The makers of Visine eye drops suggest these make-up hints:

Beauty is extremely delicate. So apply and remove cosmetics gently, and use a rich cream or lotion to keep skin smooth and soft. To put sparkle in your eyes, soothe and relieve them with a decongestant eye drop. Designed to soothe tired eyes, Visine eye drops now come in a plastic container with built-in applicator for ease.

Hunters To Use 'Common Sense' Says Red Cross

Fair common sense in hunting game can save lives, the Red Cross tells hunters taking to the woods for the fall hunting season. "It's just sensible to have a healthy respect for game and your fellow hunters," says George N. Crist, first and chairman of the Highlands County Chapter of the American Red Cross.

The "best insurance" a hunter can have is knowledge of and strict adherence to common safety practices and first aid techniques, says Crist.

"Every year over the nation more than 2,000 persons are killed in gun accidents, many of them hunters," Crist points out. "Follow these safety rules and don't become an accident statistic."

At all times treat every gun as if it were loaded. Avoid all loose play with guns. Don't point a gun at anything you don't intend to shoot.

While traveling make sure your guns are unloaded. Hunt with a companion and insist that he abide with safety rules.

In the field, be sure the safety is on. Double check frequently. Keep your finger off the trigger until you're ready to shoot.

Don't handle your gun by its muzzle or use it as a prop, club or tool, too.

Be sure the moving object you fire is a legitimate game and not another human being or domestic animal.

Don't climb fences, run or jump while carrying a loaded gun. Be sure to wear when your footing is precarious or in heavy underbrush, unload the gun and open its action.

If someone is wounded, first, control bleeding; second, protect wound from contamination; third, give the victim care against shock. Summon a physician as soon as possible.

At home make certain that guns are unloaded and stored in a locked case or cabinet, away from children.

Mrs. Lowman's Services Today

Mrs. Grace R. Lowman, age 70, passed away Monday, Nov. 28, in a hospital in Arcadia, where she was a patient for about three years.

She had been a resident of Avon Park for several years. She was a member of the Assembly of God faith.

There are no immediate survivors.

Funeral services will be held Thursday afternoon, Dec. 1 at 4 p.m. at the Scott-Stephenson-Smith Funeral Home with Rev. James B. Wood officiating.

She will be laid to rest in Boggsville Cemetery.

TOM LYONS of Hialeah took this 8 lb. 3 oz. bass back to Dade County as proof of his success here at Lake Bonnet Village on his Thanksgiving vacation. The village, located just east of Lawrence's store on Alt. 27 between Avon Park and Sebring, has been the scene of a number of good catches lately. This past weekend found the camping area well filled with those interested in enjoying good fishing along with the modern conveniences of a well equipped place to camp for a night or weekend.—(Sun Photo)

A top figure in the sports world for several years and considered by some to be the best pitcher in the history of baseball, Sandy Koufax announced recently that he plans to retire from the game. The Los Angeles Dodgers pitcher has been plagued with a painful arthritic elbow since he injured it sliding into second base in 1964.

Latest in a growing line of U.S. spacemen to make headlines is Maj. Edwin Aldrin Jr., whose November stroll into the space void proved that men could do physical work in a weightless situation. Monotony doesn't have to be associated with eating good breakfasts, which are considered essential to good health. According to dietitians at the University of Michigan Medical Center, protein, vitamin C and some sort of energy food are the three main ingredients of a good breakfast, but that doesn't mean chaining yourself to the same foods every morning. Eggs furnish routine breakfast protein, but you can substitute meat, fish, peanut butter or cheese. If citrus fruits become a hum-drum way of getting vitamin C, switch to melons, strawberries and tomatoes. Bread, cereal products and sugar are energy foods. For variety try pancakes, packaged cereals, hot muffins, or biscuits.

Wrapped in elegance

by SYLVANIA

brilliant color television, component quality
stereophonic high fidelity phonograph and superb AM/FM stereo tuner
... in "Total Excellence" Entertainment Centers

Today's most important advances in color television and
stereophonic high fidelity are encased in elegant period
furniture. And the craftsmanship speaks for itself. Each
Sylvania cabinet is artistically detailed to express a
period mood in the best tradition of benchmark cabin-
etry.
In stereo, outstanding components create a truly profes-
sional music system, unsurpassed by any console
stereo today. A 30-watt E.I.A. all transistor amplifier
is power-matched to new, twin Sylvania AS1500/2x Air
Suspension sealed speaker systems. Audible distortion is
eliminated and music has the crisp, clean presence of a
concert hall performance. System includes Sylvania all-

transistor AM, FM, FM stereo tuner, famous Garrard cus-
tom professional automatic turntable and 4 jacks for
remote and extension speakers, mono, stereo tape input
and output.

In color TV, Sylvania is in a class of its own. Custom
Color Bonus chassis, the most advanced in TV today
and the famous "color bright 85W" Picture Tube with
COLOR LOCK produce brilliant pictures. Natural colors
you've never seen captured on television before. Black
and white pictures are brightest, clearest, too. Tuning is
remarkably easy.

(Models shown—21" overall diagonal measurements;
29.5 sq. inches viewable picture area.)

WHERE YOU GOIN'?
QUO VADIS
December is here and the Holiday Season is here for fun, entertaining and festivity.
For extra fun for your guests during the holiday season, take them over to George's **COPPERTOP** in Lake Wales. Johnny Kragin supplies the music. Don and Jim supply the delicious drinks and two lavishly appointed rooms for gourmet dining. Also in Lake Wales, we have Mr. Hunt's **Horseshoe Bar** for your drinking pleasure and his **Red Cape** dining room for those tantalizing dishes to please any palate.
In Winter Haven, we have Nick Christy's **SUN-DOWN RESTAURANT** with many dining rooms, welcoming the travelers as they are or for you who may be difficult to please, delightful entries on the menu for the light or the heavy diner. Try their house specialty **Greek Salad** — real scrumptious. Catch Pat Henry in his show in the **Chase Lounge** before he returns to the Old Orleans Mardi Gras.
Magnificent steaks are featured by Alex at the **CIRCLE BAR** on the circle in Sebring.
In Ft. Meade, Frank Wierse offers you dancing, entertainment and tasty cool drinks at the **EL CID LOUNGE**.
Chief Carl at the **TOWER VIEW RESTAURANT** in Lake Placid offers you a selection of food on his menu that it is difficult to make a choice, my favorite **Roast Beef** the way Carl serves it. Don't forget the **Lobster** special is still on!
Fig. JU-JU music and GO-GO dancing plan to go on to the **SEVON DRIVE IN THEATRE**. To see "KWAHERI," it will stretch your eyes for sure. Starts Sunday and plays thru Wednesday.
At the **HILANS THEATRE** in Avon Park, we have "The Swinger" with Ann Margaret and handsome Tony Franciosa plays tonight thru Saturday.
Take time out during this holiday season to relax as take some rides with Shelly Morris at **MAHES AIRCRAFT** in Avon Park. The view of Highlands County is beautiful from above.
Model Car Racing Fun! Then stop by at Sager's on Pine St. in Sebring, you'll have fun.
The shattering of Clayton's Restaurant in Sebring by the Marsilius was bad news to their many customers and friends in this county and visitors from the various sections of the country and abroad. They will be missed. On the bright side, you can, however, still get Mike's cooking at the Sebring Elks. Stop in and see him soon — members and guests.

BOYS AND BRAIDS are
in for hairdos judging from
this styling by Ila of New
York. The braid is a hair-
piece separate for the
short-coiffed girl who
wants a quick change.

A "dusty" concrete con-
dition can be corrected by
hardening the surface with
a zinc sulphate solution.
Mix powdered zinc sulphate—three pounds to one
gallon of water—and pour
mixture over the floor.
Scrub vigorously with a
stiff brush. Don't remove
the solution. Instead, let it
dry thoroughly and then
sweep the floor clean.

SAVING is for EVERYONE

EVERY FAMILY, every individual should have a sav-
ings program. And they should have it before they
go on to other, often riskier forms of investment.

A growing savings account puts financial power at
your fingertips; provides cash for the unforeseen;
helps produce funds for necessities, pleasure and
luxuries. Begin now, and begin here, where liberal
dividends help to increase your cash backlog. The
earlier you start, the better the results.

SAVE BY THE 10th—EARN FROM THE 1st

Compounded Quarterly

With a passbook savings account you can
withdraw any amount at any time without
any loss or reduced rate of interest on the
balance of your account.

You may also add any amount at any time
and receive our higher rate of interest on
passbook savings.
