

Duplicate Bridge Report for Jan. 17

Last Monday night's game was smaller than the week before and it was thus possible to play a total of 20 boards. Some of our regular players were away on trips to other parts of our fair state but we had the pleasure of welcoming a new player, Mrs. Oeta Torbett, and all hoped she would be a regular participant.

First place north-south was captured by Mary Merrill and Judy Waugaman who are compiling a lot of points toward winning the annual club trophy for the month. During the season though they are closely bunched with others in this contest. Second were Hille, Horne and Ruth Kooze who trailed the winners by three match points.

East-west winners were Lois and Joseph Vasek only one-half point ahead of the second place team of Dr. Dorsey and Ernie Duckett.

Players are reminded that the club master point game this month will be held at the usual time and place on the last Monday of the month, January 30, and the donation for that game is only \$1.25 per player—all other games being the usual \$1.00 donation. All the proceeds from these games are distributed to local civic and charitable causes at the end of the season.

Games are held every Monday night at the club house of the Sebring Golf Assn., and begin promptly at 7:30 p.m. Coffee and cake are served.

Private "In" Formation . . .

This week marks the end of exams and the beginning of our second semester here at Highlands. Last week's zombie-like walking encyclopedia has returned to normal, girl-type students today with the resumption of normal classes.

We extend our warmest welcome to two new students: Bibbie Harrington of West Palm Beach, and Sandy Morris of Houston, Texas.

A number of the students from Highlands went to the fair in Sebring Saturday night and had a wonderful time on the rides, trying their skill at the concessions, and watching the sleds.

Local services were held Monday evening at 7 o'clock in the St. Stephen's Episcopal Church.

Sermonette

REV. HERBERT D. GRAETZ
Union Congregational Church

GO ON!

"I press toward the mark for the prize of the high calling of God in Christ Jesus. Philippians 3:14.

Christmas has come and gone. All of us paused to thank God for His "unspeakable Gift," Jesus Christ our Lord, a Light for our journey both on the roadways of earth and the highway of eternity.

What did you get from Christmas? What was your response? Take that response. Look at it. Walk around it. What does it teach you about Jesus? Take the light that you have received and live by it. As you do, the mystery and mission of Jesus will dawn in your mind and you will be able to say with increasing conviction the words of Thomas—"My Lord and my God!" St. John 20:28.

Life is an ongoing affair. Then take what faith you have and go on. For it is overwhelmingly true that faith and action reinforce each other. William James illustrated what we mean in his story of the mountaineer who had to jump across a crevasse to save his life.

He had come to the crevasse in his descent of the mountain. He knows that if he doesn't get across, he will die. He is given a sign of hope; the other side of the crevasse. He says to himself: "If I could jump there; I've done the distance on safe ground." He has faith to believe he can jump to the other side but he hesitates. The yawning chasm in between is a frightening thing. Yet if he is to reach home he must jump. "I must not take counsel with my fears," he says, "for I shall die. I must take counsel with my faith. I must leap. Here goes." He jumps safely to the other side.

My friend, a locomotive engineer, was at the throttle of a passenger train. As he was bringing his train into Boston, he noticed a warehouse fire. Flames and smoke covered the track. What was he to do? He decided quickly to go on. He opened the throttle a little more and went on through. He brought his train safely into the station but not without the marks of smoke and fire.

Irving Stone, in his historical novel, *Immortal Wife*, tells the story of John Charles Fremont's crossing of the Sierra mountains in the winter. The Indians said that it was impossible. But he did it. His voice rang with exaltation as he told his wife about it.

"Jessie," Fremont said, "it was the greatest experience of my life. I was defeated; the Sierras had whipped me; it was impossible for humans to get through. We were shadows of men, almost too weak to move; the snow lay so deep neither man nor horse could struggle forward; we were too blinded to see, too cold to feel, too hungry to move our legs. Never has a party been closer to death and destruction." Then he adds words that cannot help but thrill the human heart. "That's when a man lives at his height," he avowed, "when he is beaten, when all the world knows he's beaten, when he hasn't the slightest chance, and yet he pushes through, he defeats and surmounts all obstacles."

There is the fable of Felix the cat, who "kept on walking still," no matter what happened to him.

"Felix kept on walking still
By a train at Dover
Had his tail run over
On the rail, he left his tail.

It gave the folks a thrill,
Still for that the didn't care,
Wagged his nothing in the air,
And kept on walking still."

Use what faith you have and keep going. Look into the life of any man or woman who has accomplished anything of note and you will discover that in spite of the odds he kept on. A writer questioned a woman who remained serene and undaunted in spite of a series of calamities: "How do you do it?" "I will tell you," she answered, "I practice the heroism of going on."

Jesus not only said "Go" to his disciples but "Go" to sinners as well: "Go, and sin no more." St. John 8:11. "Thy faith hath saved thee, go in peace," St. Luke 7:50.

God's gift of Christ opens before us limitless reaches for our lives and bids us to arise and go. If we go, have we the hope of better lives?

"Can you ever get behind, Sir?" said Little Davald to Dr. Lavender in Margaret DeLan's "The Ache of Helena Ritchie."

"Behind what?" Dr. Lavender asked.
"Is there any way you can get behind and do it over again?" the boy replied.

When Dr. Lavender told David that one can't get behind and begin again, David asked: "Can God?"

"David," Dr. Lavender replied, "the greatest thing in the world is to know that God is always beginning again."

God is always beginning again with us. How wonderful to know! It is given to us to begin again, to live a new life in a new day.

St. Paul was stoned at Lystra. When he regained consciousness, he arose to his feet and went back into the city. He was not alone, the Christ who had sent him forth was along. How wonderful to know that as we press forward, Christ is with us. Arise and go!

"Each man is captain of his soul
And chooses his own crew;
But the Pilot knows the unknown seas,
And He will bring us through."

YOUR CAT: A GLAMOUR KITTY?

Some of history's most evil, died cats lived in ancient Egypt, where they were held sacred to the god Ra and the goddess Isis. Egyptians even built cat temples!

Today, many cats retain an aristocratic bearing and proud cat owners across the U.S. can enter their pets in the 1967 Glamour Kitty Contest, until April 16, 1967, sponsored by makers of Kitty Pan Cat Litter.

All cats—alley cats, with sponsors', housecats, kitties and regal cats are eligible. Pedigree aren't necessary.

The four finalists and owners will be flown via Eastern Airlines to Miami Beach for the pageant and coronation at the Fountainbleau Hotel. The grand winner will wear a mink-trimmed coronation cape and be crowned with a jewel-studded tiara designed by Morris Goodman.

King (or Queen) Cat will also make guest appearances with human celebrities, and have his own personal butler from Call Arthur Troucher Service System.

To enter your favorite feline, you'll need a "glamorous" picture of the cat, a 100-word or less essay on "Why My Cat Should Be Glamour Kitty of 1967," and the entry blank or a facsimile of it. Entry blanks may be found inside any size bag of Kitty Pan Cat Litter that bears the new contest design.

SLIM CHANCE

The mathematical odds against receiving a "perfect deal" in bridge, all 13 spades, are 635,013,559,599 to 1!

EXPENSIVE PAINTING

The highest price for a modern painting, \$1,400.00, was paid in 1964 by London's National Gallery for one of the series of Les grande baguennes by Paul Cezanne.

HERE YOU GOIN'?
QUO VADIS

Hey Folks, seems like there are lots of doings around here or a short ways away.

Did you see that Count Basie with his international famous orchestra will be appearing next Tuesday (Jan. 31) at the HOLIDAY INN in Lakeland? Many, many of you must remember that terrific music of his — so good, he has stayed on the top for these many years. Get your reservations in NOW — a must to see and hear!

Rodeo Lovers — did you know that there will be a RODEO, Roping, Barrel Racing, etc. on Saturday at the Pasco County Fair Grounds just west of Dade City. Starting time is 2:00 P.M. — get there early to get a good seat.

THE CIRCUS is coming to town — Thursday, February 2nd at the Avon Park Municipal Airport. Get your tickets from any Lion's Club member now and save 50¢ on each adult ticket.

18th Annual SWAMP BUGGY RACES will be held in Naples on Sunday, February 12th. Approximately 10,000 spectators are expected for this unique sporting event, so get your tickets early to insure the best seating. Between 60 and 75 drivers will guide their unaimed, maneuvered vehicles through a grueling series of contests on a race course, which has been especially "muddied up" for the occasion. Don't miss this exciting event.

Wrestling is on at the Avon Park Armory tonight — you'll see Gorilla Frank Marconi take on the massive Bruno Kelly — these two come into battle like bulls; another on the card, is the famed Indian wrestler, Wahnee McDaniels, who played pro football for the Miami Dolphins — he will team with Jose El Gran Lothario to take on the tough Jap tag team.

Feeling hungry for something good and tasty? Why not try Carl's Alaskan King Crab, A La Newburg, or Casanova — at the TOWER VIEW RESTAURANT in Lake Placid. His Lobster special is still on because of the continuous heavy response from the lobster lovers.

Sunday night burritos are fabulous at the HIGH LANDER RESTAURANT in Lake Wales — comparable to ones served in New York, Chicago or Miami.

Mr. George at the COPPERTOP in Lake Wales recommends his broiled filet of red snapper served with almond butter for the sea fish lovers. Or of course, you could try his tender delicious New York Sirloin. Strip Steak — comes in all sizes — depending on your appetite. Nick Christy recommends his free daily Fisherman's Platter at his SUNDOWN RESTAURANT in Winter Haven or his Ellet Mignon with mushroom sauce for the meat lover, done well or rare the way you like it. These restaurants have many other real tasty tempting entrees — to please all.

Johnny Kramer is giving out with your favorite music at the Coppertop for dancing or listening. The Chase Lounge at the Sundown is featuring the Val Perry Trio and Frank Wiesner at the EL CID LOUNGE in Ft. Meade always has good entertainment for his guests.

On the local cinema, we find Dean Martin and Joey Bishop playing in "Texas Across The River" at the HILANS TH. HERE in Avon Park tonight thru Saturday. Natalie Wood in "Penelope" starts on Sunday.

THE SEVON DRIVE IN THEATRE, which features \$1.00 per carload Thursday, Friday and Saturdays, has Bill Holden and Richard Widmark in Alvarez Kelly with the second feature "Modesty Blaise." Britisher Terence Stamp starring in this last film, received one of the top acting prizes at the '66 Cannes Film Festival. Terence will become a favorite with the American girls real fast. These features will play thru Saturday. Benny Fonda stars in "The Dirty Game." This is an excellent spy thriller and has other well known favorites like Robert Ryan and Vittorio Gassman in it. Starts Sunday and plays thru Wednesday.

Shelley Mairs at MARIS AIRCRAFT in Avon Park tells you that more and more girls are getting their pilot's license. Come on girls, if you can't fly, call Shelley now and arrange for your flying lessons soon. Be a Fly Girl and keep up with the space age.

Did anyone ever figure out how many checkbooks it takes to fill up one trading stamp book?

It goes without saying that American women are the best yessed women in the world.

Some people seem to feel that living within their income is a fate worse than debt.

Help Stamp Out Peanut Butter & Jelly Sandwiches

Lunch is meant for greater things. Chatting with great friends, lingering over the last, delicious morsel of Lobster — all the Lobster you can eat for \$3.25. Feeling at your best, in the best place to be — for breakfast, luncheon or dinner. Call HO 5-6651 for reservations. — Great for parties and banquets.

Here's the Answer

What d'ya mean, he couldn't change a ten so you bought them all?

The Things We Say

By RUBY SHANNON

My son, an architecture

major, has been accepted by

the Marine's Officer Can-
didate School upon his gradu-
ation from college. Many of his
friends were shocked to learn
of his choice of the armed
services, and they frequently
ask: "Why does he want to be-
come a leatherneck?"

The term, "leatherneck"

has been used as a synonym
for Marine since about 1805
when the Marines stormed
the Barbary pirates' strong-
hold on the shores of Tripoli.
At that time, a stout leather
collar was sewed on the Ma-
rine's coats to ward off enemy
sword strokes.

Today, the Marine's uni-
form has a red band instead
of leather around the neck,
but the term "leatherneck" is
as popular as ever.

Another old Marine term
which is outdated but still
heard is "boot camp."

Every Marine is required to
take twelve weeks of basic
training in "boot camp." This
term originated because in
the early days, Marines wore
leather leggings which looked
like boots while they under-
went rigorous training to
learn how to shoot, drill, obey
orders, and know the tradi-
tions of the corps.

Similar cleaning pro-
cesses are not necessarily
effective on different types
of floor surfaces.

On asphalt tile floors,
wash with soda and cool
water. A self-polishing wax
can be used.

Oiled floors should be
dusted with oil-treated
cloths or floor mops. They
can be washed with warm
suds, rinsed and dried with
a soft cloth. Then apply a
fresh coating of oil polish.

Wash painted floors with
warm water and mild soap.
Fine steel wool dipped in
liquid or paste wax or a
mild scouring powder re-
moves stubborn marks.
Wax painted floors to keep
them in better condition.

Important to all!

Your newspaper

is part of the family circle . . .

Trusted friend, counselor and guide to the family . . . that's your newspaper! To each member of the circle, it brings features of special interest . . . news of business, politics and sports for Dad . . . fashion, home-making and social news for Mother . . . features, too, of particular interest to the young people (even the toddler insists on having the comics "read" to him). To all, your newspaper provides a "front seat" on the passing show of events that gives shape, meaning and direction to the world in which they live. It provides the most convenient way to be well informed on what goes on everywhere!

Your newspaper also helps the family's dollars go further by providing the most convenient and comprehensive shopping guide to the best values in town. A quick study of its advertising columns tells who's got what for sale and for how much!

EMMETT MONEY receives trophy from Avon Park Principle Guy Gar-

rett as outstanding football player of the year. — (Sun Photo)

Assoc. Names Money Player Of The Year

In the annual Avon Park Athletic Association banquet Friday night, 250 guests and students heard Emmett Money named as the Red Devil's outstanding football player of 1966.

Linebacker Carl Barnes was named as the most improved player.

Harold Calloway, back, was named as best on offense.

Tackle Joe Strickler was named top on defense.

Possibly fearing reprisals, Association President Bob Barben said that the selection committee wished to remain strictly anonymous.

All members of Coach Joe Franza's team were introduced by assistant coaches Ralph Hill (back) and Dale Landress (line). Letter winners are to receive gold football pins for their play in this 9 and 2 season when they were first placed in Region IV and were runners-up in the Class B State championships.

University of Florida assistant coach Charles "Habit" Smith was featured speaker and emphasized that today's athlete faces not only fierce athletic competition but also faces fierce academic competition.

Smith said that Florida requires a score of about 800 on the college entrance exam, which is higher than some SEC schools.

Coach Smith was introduced by former principle A. B. Willette.

President Avon Park, Guy Garrett also emphasized the academic angle and noted that the 11 seniors on the squad carried a very strong scholastic average. In fact, Garrett said, tackles Steve Weber and Joe Strickler are both in contention for top scholarship honors for all of Highlands County.

Future varsity Red Devils of the "B" squad were introduced by Larry Pickett, Robert Dick and Wendell Smith were acclaimed for their help in the junior high program.

Feminine roles were taken by the cheerleaders as they presented their leader, Margaret Collins, with a charm bracelet.

And several attempts were made to blame the Monticello loss on Miss Joy Criner, homecoming queen, for failing to show up with a red

cake before that game trip. Various speakers noted that they had been regularly taking a Red Devil cake before game-time but failed to do so before the Monticello trip. No motive was mentioned, but the Association could find no other reason for that loss.

Under the watchful eye of Mrs. Strickler, the Rev. Otis

Strickler was master-of-ceremonies.

In addition to President Barben, other members of the Athletic Association are J. T. Landress, vice president; Welch Fisher, secretary-treasurer; board members Fred Dahna, Roy Seims, Winky Williams, J. C. Murphy and Wendell Smith.

The Junior Women's Club sincerely appreciates the time and money Swanson donated to this worthwhile cause.

Each speaker was requested to donate one hour to save a child. This year the response was tremendous. Since a final report on the success of this drive will be published in next week's paper.

Highlands County had the largest percentage of envelopes returned to them with donations, than any county in compassion throughout the state.

Douglass Speaks On Bond Issue Tonight

County School Superintendent George Douglass will speak about the upcoming school bond issue tonight, Thursday, at 7:30 in the Chamber of Commerce office in Avon Park.

The meeting will be open to the public.

Mothers Collect \$1026.07 For March of Dimes

Due to the overwhelming cooperation of all the volunteer workers and the Highlands Cable T.V. the Mother's March of Dimes more than doubled the amount collected last year. The amount collected totaled \$1026.07, with a few areas not turned in.

Nell Roberts, county chairman for the march, Van Howell, campaign chairman and Clarke Swanson of the Highlands Cable T.V. who so generously donated their time for the project are responsible for this huge success. Careful planning and organizing the 150 workers to their various areas by Nell Roberts, with the cooperation of the advertising, publicity, newspaper ads and Highlands Cable T.V. donation of \$1000 for every new subscriber secured by the mothers made this drive successful.

The Junior Women's Club sincerely appreciates the time and money Swanson donated to this worthwhile cause.

Names Secured For School Bond Issue

The first of this week the school bond petitions went "off" the top, with more than 25 percent of the registered voters petitioning the school board for an election.

By Tuesday afternoon, petitions containing 4129 names had been certified by Supervisor of Registration Ronald X. Drott.

The petitions now must go to State Superintendent of Education for approval.

A referendum, on permission to issue bonds, began to sell up to \$3.15 million in bonds to finance a county-wide school construction program set for April 26.

On Saturday the first registration of freeholders period will conclude. During the past month the registration books have been available in half-a-dozen different communities in the county.

Throughout the month of February registration will be carried on in the courthouse.

Mrs. Wagner New Red Cross Service Worker

Mrs. Jacob F. Wagner of Hillsboro, Avon Park, has accepted appointment as Volunteer Service Chairman of the Red Cross in Highlands County. T. Harold O'Neal, county chairman, announced.

Mrs. Wagner is a newcomer to Highlands County, since she and her husband, a retired Army officer, moved here a few months ago and are presently engaged in the citrus industry. But she is no newcomer to Red Cross.

Most recently, Mrs. Wagner's Red Cross involved acting as volunteer welfare aide and instructor in the new basic training program for volunteers with the Duval County Chapter in Jacksonville.

Her Red Cross association, however, dates back to 1954 when she received her training for supplemental recreation activities overseas.

She has served at Ft. Bragg, N. C., in Tokyo, and in Korea, where she spent almost a full year with both the 7th and 24th Infantry units. Her other overseas work was done in the Philippines. She has served with the Pacific Area Headquarters in San Francisco and in Stockton, Calif., with emergency disaster groups.

"We are indeed fortunate in securing Mrs. Wagner as a volunteer with Highlands Chapter, to head the volunteer service committee. This committee is the lifeline of a good working chapter, and we know she will help our chapter grow," says Mrs. Florence Peach, executive secretary.

YOUR INFLUENCE IS IMPORTANT

"For their sakes I sanctify myself." St John 17:18.

For their sakes. It is everlasting true that no man lives to himself alone. The one who stands must stand to the one who falls by his side.

"Once only in the vast circle of time
Shall I move mid these scenes so cherished,
But deeds that I do, poor or sublime,
Shall stand till the world hath perished.
Shall stand: And faces I never shall see,
And lives that I cannot guess,
Shall be faithful or false because of me,
Shall curse the world or bless.

Think! I! So weak and frail and small
This deathless power am given,
That by word or deed a host may fall,
Or a legion be raised to heaven.

"For their sakes I sanctify myself." I seek God's grace to rid my heart from all hate, resentment, fear and anxiety. I seek God's grace through prayer.

Dr. Alexis Carrel has assured us that God's miracles are wrought through such prayer. He said: "Prayer is a force as real as terrestrial gravity. A constant, quiet miracle takes place hourly in the hearts of men and women who have discovered that prayer supplies them with a steady flow of sustaining power in their daily lives."

It has been said that if one wants to go on living forever, he should put himself in other people. Robert E. Perry, Arctic explorer, did that by coming in contact with the Eskimos.

Perry was a Christian gentleman. He trusted the Eskimos and showed them great consideration. He endeavored himself to them in the years he spent in his effort to reach the North Pole. After his death, when someone brought a recording of his voice to those people, they listened only to determine it was his voice after which they destroyed the record, for they said: "To hear his voice and to know we shall never see him again is more than we can bear." A great and good man had left a far-reaching influence among a people he respected and loved.

The story is told of how a country doctor indirectly influenced one of this country's leading bacteriologists to study medicine. Dr. Edward C. Rosenow was a boy on a farm in Wisconsin, when his brother became seriously ill. The doctor was summoned. When he arrived, young Edward looked on as he carefully examined the sick brother. Edwards' parents watched with anxious faces. Finally the doctor looked up at them and said: "Have no fear, he is going to get well." The parents relaxed and a light came to their faces that so impressed Edward that he made up his mind that he was going to be a doctor, if a doctor could bring such light to peoples' faces.

Jesus, of course, so lived and died that he set going a stream of influence that shall bless others through all the centuries of time. He taught that the world's greatest people are those who serve, who give of their time, their means and even their lives to help others. These are the good folk who help to smooth life's way. Bishop Quayle was such a person.

Bishop Quayle was one of America's great preachers of the past generation. Near the end of his life he said to a friend: "I am 62 years old but I have worked pretty hard and perhaps God wants me to rest. You know we are not here to live long, but to live well, love God and folks, and just be glad." What a wonderful world we would have, if we were all motivated by those sentiments but such is not the case.

There were three men seated at a table in the diner of a passenger train. One of them reached for a newspaper that lay folded near the car window. The man opposite him snapped: "That's mine!" Whereupon he removed his hand. A minister at the table winked at him. When the waiter came the man who objected to another looking at his newspaper asked him: "Did you strain the orange juice?" The waiter had forgotten to do so. "I have ulcers," the grouchy diner said, "and I can't drink it unless it is strained. Take it back."
"Sir, may I ask," the minister inquired, "if you have ulcers because you are cross, or are you cross because you have ulcers?"
"Well, if you are so nosy, ask my doctor," he replied.

"Who is your doctor?" the minister asked.
"Mind your own business," the cross man retorted. Then he asked: "What is your business?" The minister revealed his profession.

Some weeks later the minister met the man again. He spoke up and said: "I would like to talk to you." He then told of how 22 years before his wife had gone off and left him with three small children. For all those years he had snapped at others not because he was angry with them; he was reacting with anger to his hurt and was passing his hurt along. As it worked out, the man was freed eventually from his hostility, and began really to live again.

The above true story shows that the influence of bad choices and actions can form a stream of tragic consequences in the lives of people. We are all channels of influence that can be good or bad.

Woody Allen's Career Is Fantastic Success Story

Woody Allen, described by Esquire Magazine several months ago as "the hot comedian of the year," this elaborate appraisal, it might be added that he also has become a success story.

The spontaneous humorist-comedian, who wrote special material and appears in American International's "What's Up Tiger Lily?" the far-out, fast and farcical drama, wears a variety of hats as writer, actor, humorous commentator, raconteur and master of ceremonies for motion pictures, television, night clubs, stage or any other field of theatrical endeavor.

It is understandable how Allen has become adept in so many facets of his profession when it is considered that he began writing comedy material at the age of 17, whipping up special material for the Peter Lind Hayes and Mary Healy Show. Since then he has contributed his individually styled wit to such top TV entertainment as the Gary Moore Show, the Jack Paar Show, Sid Caesar, Art Carney and the Tonight Show. He has also pinched hit for Johnny Carson during the latter's vacation.

Although already a big hit in other theatrical mediums, Woody really struck the big time in motion pictures with "What's New Pussycat," which he not only wrote, but also essayed a starring role in the film.

The writer-actor has won several Emmy nominations and the Sylvania Award for best television writing in connection with the Sid Caesar Show. It is well known that Woody does not employ a staff of gag writers. He creates the material himself. His many admirers claim it is the comic's spontaneity that makes his material and delivery sparkle. He doesn't stay awake all night trying to think up gags. They seem to come to him effortlessly.

Woody connected with the big time as a nightclub comedian following a hit show at the Blue Angel in New York. This was followed by star appearances at the Hungry in San Francisco, Basin Street East in Washington, the Crystal Palace in St. Louis. The famous comedian admits to many idiosyncrasies. For in-

FAMOUS COMIC Woody Allen
seen here in traditional deep thought and meditation as he creates special material and methodically prepares for his part in American International's "What's Up Tiger Lily?"

WHERE YOU GOIN'?
QUO VADIS

Do You Know where to go for fun and frolic? Look carefully over this page and you will find good dining spots, places where there is good entertainment and dancing and other forms of interesting shows and races coming up, so you won't have a dull weekend.

On the local cinema, at the SEVON DRIVE-IN THEATRE, we have handsome Yul Brynner in "The Return of the Seven" with attractive comedian Haley Mills playing in the co-feature "Trouble With Angels." These films play thru Saturday — remember Thursday, Friday and Saturday are bargain days — \$1.00 per carload. Famous comic Woody Allen is starring in "What's Up Tiger Lily." This delightful tale starts on Sunday.

The HILANS THEATRE in Avon Park has a return of two popular films—one you can enjoy seeing again, "A Shot in the Dark" with Peter Sellers and the hilarious "Pink Panther" with David Niven. Remember Adults only, Saturday a musical Disk-Tek Holiday playing only one day — so don't miss it.

If you are in the mood for dancing and fun, the beverage stop by the EL CID LOUNGE, THE COPPERTOP or at the CHASE LOUNGE at the Sundown Restaurant.

For real good food, you can beat the menu at THE TOWER VIEW RESTAURANT in Lake Placid, THE HIGHLANDER in Lake Wales or THE SUNDOWN RESTAURANT in Winter Haven, also the COPPERTOP in Lake Wales.

Make plans to attend those fabulous Swamp Buggy Races coming up in Naples on the 12th — real, real interesting.

Other fun sports are of course golfing in this beautiful weather at Sebring Shores Golf Club (members and guests only) and playing in one of Shelley Marr's Planes in the wild blue yonder.

Wrestling fans — don't forget wrestling is on, too, night at the Armory in Avon Park. Tough grueling matches.

FUN, FUN, FUN IS ON THE AGENDA. TAKE YOUR PICK — CAN'T LOSE.

Brynner's 'Magnificent' Bandit Is Back in 'Return of Seven'

Those were some pretty important roles that screen star Yul Brynner has created — the king in "The King and I," King Solomon in "Solomon and Sheba," the Cossack chieftain in "Tara Bulka."

But the one, apparently, which has been in deepest with audiences throughout the world was the cold-blooded western killer turned redeemer Chris in "The Magnificent Seven."

That was some six years ago. But the torrent of mail to Hollywood demanding more of the same has not only failed to abate, but it has increased to avalanche proportions over the years.

So Hollywood decided to do something about it. The result—Mirisch Productions' "Return of the Seven," with Yul again as Chris, the bandit leader.

Produced by Ted Richmond and directed by Burt Kennedy, and with music by the celebrated Elmer Bernstein, "Return of the Seven" is a screen original by Larry Cohen which retains much of the basic human quality of "The Magnificent Seven" which, it will be recalled, was adapted for the screen from an ancient Japanese legend.

For Yul's sardonic, Mirisch has assembled some of the most famous names in TV westerns.

"Fresh is the word for our just-arrived collection of H&M suits for spring. There's a fresh look to the fabrics; unique weaves and subtle patterns, iridescent blends with daven and wool, sparkling new-for-spring colors. There's a 'right' light feel, too. These are lightweights coolly right for warm days, comfortably warm for cool ones. And H&M is tailoring new to it that the 'fresh' look you buy is the look you keep. Spring is here and our store. Light is not needed to produce good red coloring in under-type tomatoes, so you may be making a mistake when you place slightly green ones in the window sill in the hot sun. According to food specialists in the United States Department of Agriculture, "Too much sunlight prevents development of normal, even color. Immature green tomatoes won't ripen in the sun and are likely to rot if kept there too long. The best way to ripen picked tomatoes is in the cellar or garage - some place where the temperature is from 60 to 70 degrees."

Fish, nutmeg and other

foods have sometimes been designated as "brain food." There is no such thing as a brain food, any more than there is a little toe food, or a left ear food. An adequate diet nourishes all the tissues of the body.

Card Expression

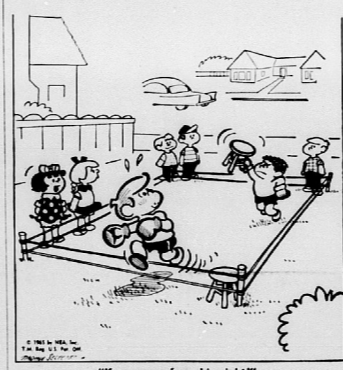

The expression "left in the lurch" comes from the card game of cribbage in which a player is left in the lurch, or lurches, if he fails to reach the halfway mark on the cribbage board before his opponent wins.

The Things We Say

By RUBY SHANNON

A person who is easily duped by a swindler, confidence man, or a skirt-swishing gold digger is known as a sucker. Why?

Here are several possible answers to this riddle, but the most plausible is the one dealing with a fish which has a pucker on its mouth and swims near the bottom of lakes and streams, sucking up bits of organic debris for its food.

Such fish are native to the Great Lakes, and they are found in practically every river and tributary known in these United States. When I was a child, my father used to tie three fish hooks together for a "grab." You could see the white suckers and hog suckers in the clear stream near our home, and he would dangle the "grab" without bait in the water hole where the suckers were feeding and come up with a fish nearly every time he jerked the line.

It is understandable, therefore, how a person easily hooked would be called a sucker. Another story has to do with Illinois being known as the "sucker" state. Because the western prairies had many crawfish holes, pioneer settlers soon learned that they could obtain water if they would find a hollow cane and suck the water up from the hole. This water was usually pure and these crawfish holes were referred to as "artesian wells."

An Illinois correspondent to the New York Tribune wrote: "We say to all friends, come west to the land of suckers and liberal opinions." Sucking up water from a crawfish hole may be the reason for Illinois being called the "sucker" state, but this kind of sucker is somewhat different from the gullible person that we consider "sucker" to mean today.

Look, officer, if my wife hears about this she'll brain me.

Okay. You had a couple with the boys and you're late and you're trying to get home before midnight. Then there's that flashing red light in the rear view mirror. And the policeman wants to know if you always mix alcohol and gasoline and then go looking for trouble. How will you feel the morning after when you wake up and find out you've got your name in the paper? No doubt it'll be there - because newspapers look at all things, big and small, with the honesty of a mirror. On the other hand, you might have something for sale - so you invest in space in the daily newspaper. Either way, everybody in town is going to know.

THE SEBRING NEWS
AVON PARK SUN

Twenty-six years with you, darling- and all I get is complaints.

That's the way it is with a man and his newspaper. Rain or shine, year-in and year-out. The newspaper is always taking a stand against someone or something. Then why do 95 million adults spend more than half an hour reading their newspaper every day, year after year?

Because most of us realize that controversy is the measure of an energetic, healthy community. We want to be sure that we're

living the best life we can. And if things could be better we want to know which things and why and how. Newspapers give us the answer.

If you manufacture or sell something that is a little better than what your competition offers, take your story to the newspaper reading public. These are the people who thrive on the original, the different, and the new.
