Jr. Women Send Books To Men In Vietnam

Members of the International Department of the local Junior Woman's Club met at the home of chairman, Carolyn Tomlinson, last week to wrap packages for mailing to soldiers and school children.

Thirty men, all from the Avon Park area, who are serving in the armed forces in Vietnam, were each sent a package of eight books — 1 religious and 7 novels. These books were paperback editions which were donated by clubmembers and others interested in the project.

A school in the jungle area of Malaysia will benefit from the twenty-one pounds of school supplies collected by the club. This particular school was recommended by Kai Yong, a native of that country. DeLaney Hardware, Haggell Lumber, and Wells Motor contributed pens and pencils for this project. Club members supplied notebook paper and other items needed.

Those who did the wrapping were: Elizabeth Deutsch, Jo Ann Serdyuk, Tammy Yong, Carolyn Tomlinson, and Betty Hecker. Robbie Maddox, a member of the committee, was unable to attend.

Members of the Junior Woman's Club donated the postage fees for the mailing of these packages.

Get-Away Car Located In Clewiston

The man or men who shot two Avon Park policemen last week at the scene of a suspected bar fight, apparently also obtained a getaway car in Clewiston.

Sheriff Ronald Coker said a car abandoned in a Clewiston parking lot on Thursday bore the fingerprints of Kenneth Steinhauer II, 21, of Kansas City, and had been stolen Feb. 23 in Clayton, Mo.

"We now believe his story that he was hitchhiking with three other men is untrue. We do not believe there were three other men," said Coker.

The sheriff said that Steinhauer is charged with attempted murder of a police officer. He was locked in the patrol car when officers Wayne Bass and Earl Gordon were hit with shots which came from the darkness of a filling station in Avon Park.

Steinhauer is on parole from the Chillicothe, Mo., correctional institution for car theft and from the state penitentiary in Jefferson City, Mo., for burglary.

A.P.H.S. Band Concerts Net Over \$900

With much regret and warm applause the citizens of Avon Park heard the fourth and last of the winter series of band concerts presented by the Avon Park High School Band under the direction of Victor McKunas, Sunday, Mar. 5, at 3:30 p.m.

Wearing their new red blazers, a part of their new uniforms, they presented a colorful picture as they played their "show off" numbers which will be used in the state concert contest this Saturday Mar. 11 in Sebring.

The up and coming Junior band combined their talents with the Senior Band in two numbers and presented their speciality. The Junior band is formed from the 7 and 8 grades, meeting at separate times for practice.

Sheriff John Knapp orally read a simulated letter from the band students, thanking the audience for their attendance and contributions toward their band uniforms. During the four concerts a total of \$929.25 was received in the hats. The first concert brought \$180, the second \$190, the third \$318 and last \$201.

C. of C. To Have New Decals

The chamber of Commerce is issuing new membership decals which are very colorful and should indicate to the public to trade with confidence where the decals are displayed.

Business men are helping to promote the Chamber of Commerce in Avon Park to better the community.

Lions To Donate

It was reported at the regular meeting of the Lions Club, Tuesday, Mar. 7, that proceeds from the Barbecue they gave to benefit the A.P.H.S. Band, will be ample to purchase four complete uniforms.

The Junior Band played "La Sorella" "Carnival of Trumpets" "Mexican Sundaes" and joined with the Senior Band in playing the ever popular "Grand Old Flag" by Cohen. The Junior band surprised the audience with their Dixie Land Band, wearing gray hats, and playing regular "Dixieland Blues".

The senior band ended the program, leaving everybody happy as they played "Put on a Happy Face". With the audience standing at attention, they played their usual closing number, "Star Spangled Banner". So ended the winter series of concerts given by the Avon Park High School Band.

Phil Weber taped all the concerts and will tape them for anyone interested in getting a tape of the concerts.

Chief Reports Windows Hit

Avon Park Police Chief Carroll reported that vandals had shot up the windows of several downtown business places.

Search is under way for the culprit in what continues to be a week of serious crime in the area.

Temper Flare At Commission Meet

Bitter words over maintenance of streets in Sun City Estates flew in the High lands County commission meeting Tuesday, but produced little action. After the clash, which was confined to exchanges between Commissioner Jean Whitaker and John Edwards, spokesman for a Sun n Lake delegation.

Commission Chairman Carl McIntyre assured the delegation that repairs would be made to some of the streets as soon as we can get to it.

The Sun n Lake delegation called the commission meeting room Tuesday. Edwards opened his presentation by stating that at the May 17, 1966 meeting the commission had agreed to accept maintenance of certain streets in the subdivision south of Lake Placid.

At the December 6, 1966 meeting, the board agreed to repair a culvert and a street in the subdivision.

Edwards said that when he attempted to talk with Commissioner Whitaker about the culvert and street repairs, the Commissioner had told him that the subdivision's streets are substandard and the board should rescind its action in agreeing to maintain them.

The board has been very kind and considerate toward us, and we do not wish to start any controversy with the board or Mr. Whitaker, but we told him we would challenge his right to try to overturn an action by a previous commission.

Edwards said.

He also charged that Whitaker had said he wants the county roads to meet state specifications "and this area is the same as federal specifications." Edwards said he is for roads with heavy traffic, and "would make an unnecessary hardship on the developer."

Whitaker asserted, repeatedly, "We are going to provide a culvert and street repairs for the roads that many other county roads in the southern part of the county are in more desperate need."

In a parting shot, Whitaker said he would provide a number 50 I can return calls." Edwards denied he had made such charges.

Glaucoma Clinic March 16 At Walker Memorial

Billy Martin, Avon Park 12-0's chairman for sight conservation, announces a Glaucoma Clinic will be held at Walker Memorial Hospital Mar. 16, 10 a.m. to 4 p.m.

Helen S. Birch, R.N., and her assistant from Tallahassee will conduct the clinic.

Glaucoma must be detected before it can be treated. Untreated glaucoma almost always leads to blindness. Persons over 40 should have their eyes examined at least every two years. Anyone can have glaucoma. There is little difference in the variation by sex. Relatives of glaucoma patients have a high incidence of the disease.

Glaucoma is the second leading cause of blindness in Florida.

This glaucoma clinic is a free service to the community.

Crutchfield asked the commissioners to designate "which road we are going to finish next." The decision was that Lake Damon Road is to be completed, then "every four" expended on the completion of the Arbuckle Creek Road.

A delegation from Highland Park Estates said that subdividers' property owners voted Monday to prepare monthly reports on which subdivision work is in need of attention from county repair crews. The delegation explained it was felt such action would be helpful to the county.

Miller asked whether a plat for a trailer park road records without the streets being dedicated. County Attorney Nunnallee said some study would have to be given to the procedure since recording of a plat ordinarily includes dedication for public use of the streets shown on it.

A preliminary sketch of the South Florida Junior College permanent campus indicates that the new access road to the Alachua Rehabilitation Center, which is being promised to build, may be approximately a quarter of a mile long, much shorter than anticipated.

Irregular Election The commissioners Tuesday approved the canvassing board report from the February 28 primary.

Supervisor of Elections Ronald Drott asked Tuesday whether it will be necessary to advertise the list of poll workers for the election on March 28.

"If we use all the same workers I do not see that it would be necessary to advertise the list or to have a training school for the workers," Drott said.

Attorney Nunnallee observed, "Nothing about this election means the regulations of the law. I cannot see that any rights are violated by failure to advertise or is any public good served by publishing the list."

With the observation "if this election is thrown out it won't be because the poll workers list was not advertised," the commissioners decided to skip the long ad.

Other Business In other business Tuesday the board awarded the culvert bid for the coming year to Florida Culvert Manufacturing of Clearwater.

Declared a 1925 adding machine in the tax Assessor's office surplus property.

Voted to buy two lots adjoining the county board property in Lake Placid for \$1,000 from Consolidated Financial Corp.

Approved terms of the lease between the county and Veterans of Foreign Wars Post 4319 for the Avon Park Lakes Building on Highway 27. The veterans group is to pay \$1 per year.

Approved the county Veterans' service officer Harvey ert's attendance at a service officer's training school in Daytona Beach, April 28-May 6.

Voted to place an ad in the Face Edition of Sebring News at a cost of \$200.

Members and their families are invited to attend.

Leigh Chapter No. 85 Order of Eastern Star will install the new officers for the coming year on Thursday night, Mar. 9, at 8 P.M.

The elected officers are: Vera Kirkland, Worthy Matron; Joe Kuhn, Worthy Patron; Toy May Futch, Associate Matron; Charles Alwood, Associate Patron; Lora Stuckey, Secretary; Mary Helen Kuhn, Treasurer; Ina Walton, Conductress; Sadie Booth, As-

Social Conductress, Bert Walton, Sentinel.

The appointive officers are: R. S. Von Buske, Chaplain; Elizabeth Lamb, Marshall; Bea Lumborg, Organist.

Vivian Rich, Adah, Roberta Alwood, Ruth, Gladys Hagen, Edger, Marion Von Harris, Martha, Esther Jones, Electa, Madge Pugh, Warder.

REV. HERBERT D. GRAETZ

A CHRISTIAN IS KIND

"Christy and I were long and kind," I Corinthians 13:4.

During World War II, when London was being bombed, a shabbily dressed man appeared on the streets carrying a sign which read: "Let's be kind to one another. We're having a terrible time." That was good advice, as we all would admit.

In the early days of the Christian Church, when followers of Jesus were being persecuted by both Jews and pagans, St. Paul wrote: "Be kindly affectioned one to another with brotherly love." Romans 12:10. People still need that sort of moral support, when they are hard pressed.

Robert Norwood once started off a noonday Lenten meditation by saying: "The world is full of unkindness." Then he gave the following illustration: Thomas Huxley, the scientist, was engaged in a debate on Darwinism with the Bishop of Oxford. In the course of his address, the Bishop turned and asked the following question: "I should like to ask Professor Huxley if he is a descendant from the arm on the side of his mother or his father?" A hush fell upon the distinguished audience that had gathered to hear the Churchman and the Scientist.

When Professor Huxley's turn to speak came, he answered the Bishop by saying: "I am not interested in that, but I am perplexed that a man with your gifts and learning and position should use cheap wit for the purpose of blurring the vision of men to see the truth." Needless to say, when Huxley sat down, he received a great ovation from the audience. The Bishop of Oxford lost his cause the very moment that he became unkind.

The Londoner was right, when he urged his fellow townsmen to be kind to one another. The Lord Jesus Christ had set a good example, he had done kind things continually. A missionary teacher in Africa spoke to the people of a village about the kindness of the Lord. This is the way he put it: "Once, many, many years ago, there lived a great chief of his tribe. Now, this chief went through his country doing kind and merciful deeds to all people. To those who were blind he gave back their sight. Those who were sick with fever he healed. Those who were lame and paralyzed, he made strong. And when they thanked him for his kindness, he would say: 'Even so is the Only Great One kind. He looks on all men and loves them and desires that they should be kind to one another.'"

One of the distinctive things about the kindness of God is that he is kind to those who don't deserve it: "for he is kind unto the unthankful and the evil." St. Luke 6:35. In the Sermon on the Mount we have a similar saying: "for he maketh his sun rise on the evil and on the good, and sendeth rain on the just and the unjust." St. Matt. 5:45. Kindness is part of the character of God. And since God is like that we ought to be kind also toward the undeserving as well as the deserving.

There is a story, that comes out of the time of the American Revolution, that illustrates what we mean by being kind to the undeserving. Peter Miller had an enemy who hated him to such an extent that he had spit in his face. Yet when Miller's enemy was accused of being a spy for the British and sentenced to be hanged, he went to General George Washington and interceded for his life. Washington told Miller that it was necessary to deal harshly with spies and traitors; "otherwise," he added, "I should cheerfully release your friend." "Friend?" Miller retorted, "he is the only enemy I have." Washington was so impressed that Miller would travel fifty miles to intercede for a man who was his enemy that he signed the pardon.

Margaret Slattery tells the story about a Salvation Army lass who pled with a court to release a drunken girl to her care and promised to take her home. "Where does she live?" she was asked. She answered that the girl lived in a small town some twenty miles distant. "Who will take care of her, when she gets there?" "I will go with her," was the reply. You might say that the story is not unusual because one naturally would expect a Salvation Army lass to act like that; it was the Christian thing to do! Jesus said: "Love one another." Kindness may be said to be the practical application of love. The final importance of kindness is shown in the Parable of the Judgment, in St. Matthew 25.

"I shall pass through this world but once. Any good thing, therefore, that I can do, or any kindness that I can show to any human being, let me do it now. Let me not defer it or neglect it, for I shall not pass this way again."

The story is told of an Arabian Sheikh who lived in an Oasis. One night he found it difficult to sleep. On the morrow his servants would gather and abundant harvest but that day a traveler had died, on a nearby caravan track, from thirst. He arose and bid his servants fill two leather water bottles, and also a basket of figs and grapes. The next day a caravan came upon a booth in which protruded two water bottles sunk in the sand. On a roll were these words: "While God gives me life, each day shall a man be as springs of water in a desert place."

"Let me be a little kinder,
Let me be a little kinder,
Let me be a little kinder,
To those faults of those about me;
Let me praise a little more,
Let me be a little kinder,
With another who is weaker;
Let me think more of my neighbors
And a little less of me."

ment. Traveling a little further north, we find Nick Christy's
SUNDOWN RESTAURANT with the red carpet out with
numerous dining room to serve billiards in the splendid
at reasonable prices. The late spot here is the Chase Lounge—
entertainment nightly.

A short distance further north, we have Strollies in
Lakeland—a good spot for lunch or dinner—always a good
spot on hand in the evening.

Flying is getting to be more and more popular—see you
one of the Flying Chords? If you are not, better call Shelley
Marrs at MARR'S AIRCRAFT and find out when you can get
started to learn how to fly—easy and much much fun.

WRESTLING is on this evening at the Army in Avon
Park, a very interesting and entertaining card scheduled. The
toughest team in Florida, The Monroe Brothers, Sputnik and
Rocket will tangle with Krusher Kowalski and Black Jack
Daniels.

Dora and Herb Worth would like everyone to know that
they are open seven days a week, including Sunday, at
MAXCY'S TRUCK STOP on U.S. 27. If you get hungry late at
night like 1 or 2 A.M., you can always get some food there
at any hour, as they are open 24 hours a day.

CONVINCING A PORPOISE to leave the water to pose on a foam rubber pad is almost unheard of in the aquatic world. With sweet talk and a great deal of effort, Lee Wiggins has trained "Squirt" to do so at the Miami Seaquarium.

ROADSIDE REPAIRS

COST TOO MUCH!

Even the rich can't afford a breakdown on the road. 99 times out of 100 these expensive stops can be prevented by a service repair mechanic BEFORE you start your trip!
Make the NAPA Seal of Quality your Guide. Put to pleasure and peace of mind wherever you drive. At the NAPA identified shop you find the mechanic who knows his job and replacement parts bearing the NAPA Seal. This NAPA Seal identifies Parts used exclusively by professional mechanics.

FIX-IT TIP

In cleaning linoleum floors, wash with cellulose sponge or string mop, wrung out of mild soap or detergent suds. Spots can be removed with steel wool moistened in turpentine. Avoid scouring powder and too much water. Any wax can be used but a self-polishing water base wax is best.
● Shellacked floors must be waxed or they will have white spots and blotches. Clean by rubbing lightly with a cloth moistened in alcohol or with a mixture of equal parts of turpentine and alcohol.

Marilyn Smearcheese engaged to Richard Bumberswatch?

You call that news?

Yes, we do. And the funny thing is that when you add up all of Marilyn's friends and Richard's friends and their parents' friends and their friends' friends — there are an awful lot of people who'll enjoy reading about Marilyn in the daily newspaper.

Your newspaper is yours—it's as simple as that. It's about things that happen in your town to people you know or ought to know or want to know.

Of course, there are a lot of other things in the newspaper.

too: national politics, foreign trade, the latest on aerospace technology. But your daily newspaper makes all the things in the world happen in terms of your town, your friends, you.

People like the daily newspaper because it's about them. Most people freely admit they'd feel lost without it. When you have something to sell, turn to your local daily. People who see your ad in the daily newspaper know THIS MEANS ME.

The Things We Say

By RUBY SHANNON

Most slang starts as a metaphor or brilliant image. If that image is unique or ear-catching, everyone repeats it and before long, what was slang is accepted as standard usage.

Take the word, highbrow, for instance. A German aristocrat named Franz Joseph Gall founded the pseudoscience of phrenology which deals with the theory that a person's talents and intelligence can be predicted by the structure of the bones in his skull.

At first, Gall had many followers, and some people think you can judge a person's intelligence by the height of his forehead even today.

A high forehead and great width between the eyes was supposed to connote high intelligence.

Usage causes all words to be a little different in meaning. Intellectual, learned and cultivated are all synonyms for highbrow, but because we need this word to describe those people who may only think they are cultivated, intellectual, or learned, it has become a necessary part of our informal speech, and the term is most often used in derision.

The frozen food storage compartment or ice cube section of the household refrigerator should not be used as a substitute for a freezer or freezer section for prolonged storage of fresh meats, according to the Home Economics Committee of the American Meat Institute. If fresh meat is to be frozen and stored for periods longer than a week this should be done only in a freezer or freezer section which is capable of maintaining a temperature of 0 degrees Fahrenheit or below. The ice cube compartment of a home refrigerator usually does not maintain temperatures as low as a freezer storage compartment and should be used only for limited storage (one week) of frozen meats.

HIGHER, HIGHER go the hemlines, and more ornate the dresses. Actress Elga Andersen sported this one by designer Paco Rabanne at the opening of the 'Pourquoi Pas' in Paris.

In the News

A NEW NAME in the controversy that still surrounds the assassination of President John F. Kennedy in 1963 is Jim Garrison, district attorney in New Orleans, La., when word got around that he was planning arrests of New Orleans residents in connection with the shooting in Dallas, Tex. Reports concerned a "well-organized" conspiracy against Kennedy, involving Cubans and Lee Harvey Oswald.

Friendly Gesture

The figureheads that adorned sailing ships in the 19th century had their origin in the ancient art of decorating ships bows to lure friendly spirits aboard.

Local Group Attends Retailing Conference at Webber College

J. C. Clifton, local manager of Neisner's, Walter B. Gant, Avon Park High School I.C.T. Coordinator and Jim Lipson, a graduating I.C.T. student in training at Boca Raton, attended the annual retailing conference at Webber College in Babson Park, Monday.

Nationally known panelists from the National Retail Merchants Association, Encyclopedia Britannica, American Telephone and Telegraph Company, Macy's of New York, as well as such Florida retail giants as J.C. Penney, Jordon Marsh and others participated in the leadership discussion.

Panelists brought out the fact that within the next year more retail managers will be needed in general, in retail, buying personnel, inventory control, and other departments than are needed during the last decade. Consequently, business is "head hunting" to find such managers.

This shortage is self-evident here in Avon Park, Gant said. "We were able to locate certain jobs for I.C.T. student trainees but were not able to find qualified students for development and training for such careers."

The Avon Park Kiwanis Club takes note of the recent shooting of two law enforcement officers.

The club extends sympathy to officers Wayne Bass and Earl Gordon and compliments them upon their conduct upon the occasion of the shooting. It also expresses its appreciation to these and all the law enforcement officers of our community for their services in their hazardous occupation.

A report from the hospital states, Earl Gordon was released from the hospital Sunday Mar. 5 and Wayne Bass is doing well but still confined to the hospital.

Taxpayers Ante Up Some Faster Than Last Year

W. H. Prescott, Highlands County Tax collector, said his office has validated 32,000 tax receipts, as of March 1, as compared to 29,701 as of March 1 a year ago.

On the basis of the 1966 taxes total \$1,969,299.25 as compared to \$1,751,328.02 a year ago.

The percent this year of \$1.96 per dollar of taxes owed is a little less than last year's 84.75 per cent due to the mileage increase which put an extra \$200,000 on the tax rolls.

As of March 1, Highlands County taxpayers still owe \$2,500,000. After April 1, those who do not ante up face a three per cent penalty and advertising costs.

Mr. Henry W. Bauer, Sr. returned to his home on Lincoln, last week where he had been a patient for a week.

Mr. and Mrs. John Cameron from Oak Lawn, Ill., have been visiting at the home of Mr. and Mrs. H. O'Connor for a few days. The ladies grew up together in Scotland and visit each other every few years when they relieve their duty together in The Land of Lewis.

Mr. and Mrs. Chester W. Keltner of Shawnee, Kansas were guests of Mr. and Mrs. Harold Magill for several days last week. Mrs. Keltner is a sister of Mr. Magill. While here they all visited Cypress Gardens and numerous other places of interest in the area.

Mrs. Emma Coburn entertained at her home on Saturday evening with three couples in pinocchle. First prize for the ladies was won by Mrs. George Burrows and for the men by Mr. Walter Myers.

The County Commissioners Association is coming up with a series of proposals for the 1967 Legislature to grant financial aid to the counties.

Highlands County's commissioners attended the state wide conference held at Cocoa Beach, and during this week's commission meeting several references were made to the commissioners' association proposals.

Near the head of the list is the request that the state reimburse the counties for the expenses incurred in holding the series of elections in February and March to choose the 1967 Legislature.

Commission Chairman Carl McIntire observed Tuesday, "We were doing fine financially until this new round of elections was ordered."

Cost to Highlands County for the one primary and a general election has been estimated at \$5,000.

Commissioner Jean Whitaker voiced doubts Tuesday that the Legislature will pick up the total tab "but we might get a little help," he added hopefully.

Another proposal the Association is backing is an additional 10 percent tax on the wholesale price of liquor with the entire revenue to be earmarked for counties.

Highlands County is eyeing hopefully the Association proposals for zoning laws written into general law rather than the continuation of the present county-by-county legislation.

Rotary Club News

Boy Scouts began their month with a bang-up program with Art Hight as speaker. There was no "scare" about this Rotarian Vice President of the Florida State Council. He was a member of our Florida local Council bringing to our minds the fact that our state ranks as the second largest in the nation. The state ranks in the Mississippi with a million head of beef cattle and another million head of dairy cattle. Last year our cattle industry produced several million pounds of beef ready to market. The future looks to be a much larger output and much higher investment than the present several hundred millions of dollars.

Mr. Hight turned to the question of prices on the ground and over the counter for beef, showing that the national price at his end of the production chain was being kept by higher retail prices. The Rotarians have brought back memories to this Rotarian Art Hight, who trained at the USMC Base here during World War II and helped the girls at Webber College while he was in the plane, that is, and not on the campus.

Panthers To Open Baseball Season In Ft. Pierce Wednesday

Wednesday afternoon, in Ft. Pierce, South Florida Junior College Panthers will make its debut as they visit Indian River Junior College.

At the beginning of the season looked right for the Panthers prospects as they had five pitchers and a solid infield and outfield lined up with four first team all-conference players from the western, in Tampa, Southwest and Gulf Coast. However, grades took care of five of the boys.

Starting in the mound against Indian River will be pitcher Freddie McCall, the pride of Seelye or Route

Jackston, popular Avon Park graduate. Started in one action between these two will be Roy McMillan, a converted third baseman with no pitching experience. It will be Junior Lake and Jim Bowerman, senior starting pitching duties. Others probable starters are Junior Lake, catcher, Freddie McCall, pitcher, Wayne Pusey, first base, Eddie Sobel, second base, Ronnie Jackson, short stop, Roy McMillan, third base, Harry Hickey, left field, Ted Butler, center field, Jim Bowerman, right field.

The Panthers lost the temporary services of Charlie Monaghan, veteran second baseman, and starting base runner because of a pulled leg muscle in a scrimmage game against AHS last Tuesday.

Woman's Club Hear Book Review

Mrs. James Harward entertained the ladies at the Woman's Club meeting Friday afternoon in her beautiful home.

Mr. and Mrs. W. D. Mahoney, by Stella Patterson, presented the book, "The H. F. Lutz," by the first person, being a true story of experiences of the author.

Mrs. Harward was introduced to the club by Mrs. Angus Wicker. She is a winter resident in Avon Park, coming from Rochester, N. Y., where she has been active in club and civic affairs for many years.

The club meeting was opened by the president, Mrs. T. H. Maxwell, with the pledge to the flag. In keeping with the Easter theme, the president led the group in singing "The Palm," accompanied at the piano by Mrs. Carl F. Ritter.

Mrs. R. H. Wilson gave an inspiring devotional message on the Resurrection.

During the business session the club voted to give \$100 to Youth care, Inc. for the new juvenile home. Mrs. George Langman reported on the recent Boston Art Festival, stating that several club members brought home awards.

The club members then gave the monthly library report and thanked all who helped in making the recent silver tea a success.

The Eye Clinic which was held for glaucoma tests was so successful that another clinic will be held on March 16 at the Walker Memorial Hospital with the Lions Club sponsoring this one.

The Day in Court is scheduled for Thursday, Mar. 9. Anyone interested in attending is urged to phone Mrs. S. F. Kilham, chairman, or Mrs. Maxwell for transportation.

One new member was welcomed into the club membership. Hostesses for the day were Mrs. F. Lutz, Mrs. W. T. Wofford and Mrs. Harry A. Wide. They served coffee and a light lunch.

After the refreshment table which had a centerpiece of Spring flowers, other arrangements of flowers around the club room gave the atmosphere of springing anew and the Easter season.

W. A. Betty Will Speak at Women's Republican Club March 16

The Women's Republican Club of Highlands County invites those who are interested in cutting Federal Expenditures to attend their meeting in the Sebring Pier Community Building, Thursday, March 16, at 1:30 P.M.

W. A. Betty of Winter Haven, secretary of the Liberty Amendment Committee of Florida, Inc., will give a talk on "Reducing the Constitution Via Enactment of the Liberty Amendment." This amendment is pending in Congress as H. R. 23.

Betty, a Winter Haven businesswoman, will stress that the Liberty Amendment has passed the Florida House three times only to be killed by a combination of the senate and never reach the floor.

It is designed to force the federal government to operate according to the Constitution. At the present time, says Betty, the federal government operates more than 700 federal agencies more than 100 corporations and more than 20 percent of the industrial output of this nation free and still loses more money every year than it takes in "accidentally" taxes. All of this is done

holding the distinguished Flying Cross with Oakleaf Chapter. He moved to Florida twelve years ago. Past president of the Chamber of Commerce, he is now president of the United States Club Lake County. He is a member of the Central Christian Church where he serves as elder.

"In" Formation

Winter guests of the club were a real treat Thursday night when Cy Senger showed pictures he had taken in 1963 from Indiana to California. All the places of interest on the southern route were shown, up the coast into the led snows and back over the mountains. Many of us have made this trip and have seen these wonderful natural formations and a lot of man.

Cy is always able to point out many things missed. We appreciate the details he explains and enjoy the clarity of his speech.

McClary's nephew from Sudbury, Canada, Fred, was present. He took Mr. McClary to see Southland Park in the amphitheatre.

This concludes the events of last week at the Highlands School. The talk of the school today is "Only 10 more days until Spring Vacation!"

Station were out for the singing Sunday evening. They enjoyed singing hymns, and songs of yesterday.

Three tables of 500 one of bridge and one of euchre were played at the Hall Friday evening.

Mr. and Mrs. Maurice Nelson of Dearborn, Mich., were present with their sons, Mr. and Mrs. Nelson was co-worker with Sam in the Ford Motor Co. and Mrs. G. A. Pestie of Dundee, were visitors.

Mr. and Mrs. Orren Loar of Bluefield, Mich., visited Mary Strokedlund and left for their home on Monday.

A board meeting of officers was held Monday morning. Several matters of business were taken care of.

Mr. Alex Speers and sister, Mrs. Jessie Merritt of State Hill, N. Y. were guests of Sumner and Martha Kulk on Thursday of last week.

Mr. and Mrs. H. F. Miers were recent visitors of Louise Garrison. The Miers were former neighbors of Louise at Elmira, N. Y. and are now living at Oak Lakes.

Virgil and Mildred Hays of Clearfield, Iowa, brother and sister-in-law of Sheila Wurster were here for a short time. They are located on the lot where the college and the school are.

We have four birthdays to report this week. Be Jermy, Mar. 6, Ferdinand Ames, Mar. 9, Elmer Kiroff and Wm. Buttle, Mar. 10.

Mr. and Mrs. Francis DeVries of Cedar Lake, Mich., now wintering at Orlando were Sunday evening guests of Carl and Lila Wertberg.

One of the best attended shuffle tables of the season was held Friday, 3rd with twenty four taking part. Myrtle Heffernan teamed with Twyla Wurster for the first game winners, followed by the teams of Elmer Kiroff, Cyrus Senger, Ann Hart and Betty Peterson, Loren Ames and Winnie Lampkin, Guy Detrick and Wallace Grant.

The recreation building has really grown since the last report. The walls are up and another week or so should see it completed.

James Brown has had the misfortune to break a few toes while at work at the telephone company. Hope he will not be laid up too long.

Word has been received from Mary and Waverly Porter that they are returning sometime during the week. They were called back to their home because of the death of Waverly's mother in South Dakota.

Mr. and Mrs. Elmer Mathias of Vespera, spent the weekend with their daughter and the diction (and Georgia) of Muncie, Ind. The occasion called for a birthday dinner on Saturday evening for dad Dixon.

Mr. and Mrs. Joseph Peck of Winter Haven visited with the Chalmers (Thelma and George) during the week. With our park family growing so rapidly it is almost a physical impossibility to contact each and every family for the news. Will you please get

Trailer Court

Mr. and Mrs. Frank Norton and Mr. and Mrs. Alvin Moore of Hillsdale, Ohio, now wintering in a trailer court at Sebring, Thursday, March 15, at 1:30 P.M.

At Coffee Hour Tuesday morning only twenty-five came, but we had the usual lot of people to talk.

At the craft and sewing Thursday afternoon eight ladies were present. They were working on some projects. Hobby show is coming up Mar. 9, and we hope many ladies will be made. The Hobby Show is a delightful affair and the committee is busy on their plans to make it a success. Anyone outside the park may enter articles.

Marie Stroobant spent the day Monday with friends, Mr. and Mrs. John Burdick and Anna Maria Island.

Cy Senger showed pictures of his recent trip to the United States Club Lake County. He is a member of the Central Christian Church where he serves as elder.

Mr. and Mrs. Call attention to the new street lights in the park which were turned on this week. We hope our neighbors have as guests. We are sure it is more to follow, so keep on the watch out.

OFFICERS OF THE Avon Park Minor League pose for a moment after lining up approximately 125 boys to play minor league baseball. The season was kicked off with a parade.

Police Ask For Additional Equipment

Officers Wayne Bass and Earl Gordon appeared before the Avon Park City Council Monday night to ask the city to purchase additional police equipment. Bass stated that the police department, needed more handcuffs and night sticks. He stated that he had handled any of it. A patrol had been assigned to Bass even though he had purchased one for himself. Mr. Albright said that he would like to see the department put in first class shoes and suggested two of faces on duty together in the dark hours of the night. He wanted new clothes and new equipment for the department. Bass stated that he was in favor of shooting in the cars even though a 30 will knock you down. He stated that it was common to see two or more persons with a shotgun. The Mayor told the officers that the department had been shot in the mouth. He continued that the department had always gotten everything they requested which was necessary and that the department had selected the color and weight of clothes which is being worn presently.

Officer Gordon told the officers which they had always received from the Sheriff's department when called upon and would like for this department to be able to reciprocate if called upon and be able to go outside the city limits within a close proximity. Mr. Albright said he felt they should go as the fire department does, within possibly a four mile limit. The city attorney stated that the Sheriff's department would call on anyone and they had to go. Gordon suggested a mile area. Mr. King stated that this had not been considered. However, he felt that two men should work together at night if possible. He wondered if the risk taken to chase youngsters was worth it. Bass stated that at times, some of them would cross the city limit line and not laugh. Frank Farrell stated at this point that youngsters were laughing because the department could not go outside.

Council gave the police department the right of foot pursuit. The chair asked where the money would come from. The reply was that the City Hall was overstated. Let one employee go. There was another \$4200.00 which could be saved but everyone seemed to agree on this. The chair asked Mr. Albright had a lead argument for a few minutes. Mr. Albright asked the Mayor what had been done about the dogs and warrants. The Mayor replied he had one warrant on his desk and two or more would be issued the next day. He told Mr. Albright that he, Albright, had

through town Monday. Team pictures will be featured this week and next. Officers left to right are: J. T. Landress, Leon DeLaney, Don Hassford and Clarence Smith.

Kerns Furniture To Build New Plant In Avon Park

Kerns Furniture of Florida plans to build a new plant in Avon Park within the year. This announcement came through the Avon Park Chamber of Commerce this week following a letter to Mrs. Anna Belle Worden, executive secretary, in which a check was made payable to the City of Avon Park for the purchase of City owned property located off North Lake Avenue. Kerns is presently located in the Touchdown building on South Forrest Ave., and is the only plant in Florida. They do have assembly plants located in Texas, Pennsylvania, Iowa, Georgia, Massachusetts, Maine, New Jersey, Illinois and Oregon. In January of 1962 a very brief inquiry came to the Avon Park Chamber on plain stationery, postmarked La Puente, Calif. Mrs. Worden, acting more or less on a hunch, mailed a detailed letter.

SFJG Faculty Will Be Guest Of FARP

The faculty of the South Florida Junior College will be guests of the state school on Friday, Mar. 17, for an informal coffee. The meeting will take place on the grounds of the 64-bed hospital in Avon Park at 3:30. Joseph C. Ziesenheim, Administrator of the Florida Alcohol Rehabilitation Program (FARP) said, "Since the college and our agency will eventually be close neighbors, we want to have the opportunity to become better acquainted with the college's faculty." "I know that once the college's physical plant is constructed, Highway 27, a mutual benefit will exist for the professional staffs of both state institutions."

Train Hits Car Friday

A near fatal accident occurred Friday, 8 A.M. on the ACL Railroad track crossing near Highway 27. A mutual benefit will exist for the professional staffs of both state institutions. Without warning of blinder lights, an unscheduled train struck the rear end of a Chrysler driven by J. W. Vickery, manager of the Western Auto Supply Co. He reports that he was unable to see the train approaching until it was upon him. The rear end of his car was badly damaged. Mr. Vickery miraculously escaped injury.

Parking Lot To Replace Old Buildings

Mr. Charles W. Whitehead, Jr., President of Avon Citrus Bank announces additional parking space and at least three drive in windows are planned by the Avon Citrus Bank, to better serve their customers and employees. In the near future, this will alleviate the current problem of parking needs and better service to depositors and customers during rush periods.

With this plan in mind they have purchased all the business buildings, facing Main St., in the block directly west of the bank from Mr. G. W. Mills. All will be razed in the near future making way for the new project. The available space will be utilized for the expansion.

James A. Heim, local architect is in the process of furnishing plans subject to the approval of the bank three tons. Businesses occupying the present structure will all remain in Avon Park. Plans are complete to relocate. The Western Auto Supply will occupy the former A & P market site and will vacate around April 1. Doyles Barber Shop will relocate in the former Chack A Way located on E. Main St. Highlands Herald newspaper office has already taken space in the progress.

Conforming to the general empty buildings will be filled with new look show better service the public.

Devils Defeat Highlanders 8-3 In First Game

The Red Devil baseball team opened the 1967 season last Saturday night with an 8-3 win over the Lake Wales Highlanders in the first game of the season. The game was played at the home of the Highlanders in the town of Lake Wales. The Highlanders were defeated by the Devils 8-3 in the first game of the season.

The Devils jumped off to a 3 run lead in the first inning as Johnny Elder, Dean Lemie and Money scored on a single by Bill Jackson and 2 errors by the Highlanders infield. Lake Wales scored a run in the second as Randy Bailey beat out a bunt and scored on a double to centerfield by Bob Perkins. In the bottom of the second Avon Park pushed over two more runs as Money drove in Elder and Lemie with a line drive double to leftfield.

The Devils scored one in the third. Bill Knapp singled, stole second, went to third on a single by Money and scored on a passed ball. In the fourth the Devils made it 8-1 scoring two runs on four hits and a walk. Lake Wales scored two runs in the top of the seventh on a single by Elder and a passed ball and two errors.

Lake Wales batters were led by Money with a double and a single, Lemie and Jackson with two singles each, and Elder, Denny Montadecore, and Knapp.

Joseph C. Ziesenheim, Administrator of the Florida Alcohol Rehabilitation Program (FARP) said, "Since the college and our agency will eventually be close neighbors, we want to have the opportunity to become better acquainted with the college's faculty."

Board Agrees To Sale Tax Certificates

A hesitant county school board has decided to authorize sale of \$1 million in certificates of indebtedness pledging race track income for repayment.

The board has earmarked the \$1 million for school construction. It would make up 25 to 26 percent of the county's share of funds for the proposed \$4 million plus county-wide building program.

Vote on a \$1.5 million general obligation bond issue for the rest of the county's money is slated for April 25. School board had weighed possibility, as the freeholders would be refunded by an early race track sale and run the new legislature would eliminate the share of race track income.

All general work has been completed, and selection of exact sale date is now in the hands of the board's fiscal agent—Wainwright & Ramsey Inc.

In response to R. L. Padgett's question, "Suppose the \$1.5 million bond issue fails and we have only the \$1 million race track money—what would we build?" Superintendent Douglas said, "I just can't give you an answer."

"We'd have to scrap the whole priority list and start over," Douglas pointed out. He said an alternative might be a pay-as-you-go program financed by district millages.

Chairman Henry Bailey had figured a levy of 18.5 mills at present valuations—would produce the needed \$1.5 million. "Even spread over a three or four year period this could be a very heavy burden for the taxpayers, but it is an alternative," Douglas said.

Personnel Changes. In the meeting Tuesday night the school board approved Douglas' recommendations for several personnel changes. Appointment of Olive Wort for Desoto City School faculty, appointment of Betty Perkins, Desoto City School faculty, Elaine Walker to E. O. Douglas, and appointment of Willie O. Ross for the rest of the year at Lake Placid High School.

Accepted the resignation of Woodrow Wells as Avon Park Attendance aide and appointed Randall Rife to replace him. At the request of the Highlands County Medical Society and County Health Department the board adopted a new medical examination form and schedule. Examinations are required for all children entering first grade, and in the past the county health department administered the exams during the first week of school.

Under the new system examinations are to be given by the county health department.

Family physicians at their fees, within the six months prior to the opening of schools. Families which cannot afford the official fee which the Medical Society has set for the exam can make arrangements for the children to be examined in a Health Department clinic, Douglas said.

The board approved Tuesday distribution by First Federal Savings & Loan, of a college entrance information bulletin.

Fees are going up for South Florida Junior College but they will be far below the general level in Florida. In the recommendation of the junior college advisory committee and administration, the Highlands County school board approved Tuesday the fee schedule for the 1967-68 school year.

Matriculation fee for students who are residents of Highlands and Hardee Counties is being boosted from \$6 to \$10 per semester. The state permits a fee of up to \$10.

A special \$6 student activity fee is to be charged next year for the students who are on scholarship and \$8 for the students who are not on scholarship. The fee has been added for typing lab.

The 1967-68 school year for South Florida Junior College commences with the school's summer term. Two terms of six weeks each are placed with registration for the first term beginning on May 2 for old students and May 15 for new students (classes begin May 8). The second summer term classes begin on June 19. No off-campus classes are planned for the summer. Dr. Stalard said.

The junior college administration is expecting an enrollment of approximately 500 by the opening of the fall trimester in August.

Dr. Stalard reminded the school board that the accreditation visit from Southern Association of Colleges and Secondary Schools comes up this month. He told the board that lack of showers for the physical education department and absence of space for student activities will count against the school and may block its admission to candidacy for full membership in the association.

An accreditation visit within the first year of a school's life is unprecedented; the administration has explained.

Democrats Meet To Plan Election Strategy. Last Friday evening, The Highlands County Democratic Executive Committee, under the leadership of their chairman, S. F. Schwinn, met for an informal dinner and discussion at Mary McGee's Santa Rosa Inn to discuss plans for the upcoming election.

Plans were made to fully cover the county for the coming election to be held Tuesday, May 22. All candidates running for office in the Highlands County primary election were to be held Tuesday, May 22. All candidates running for office in the Highlands County primary election were to be held Tuesday, May 22.

Wil Beumel, Director of student personnel at the South Florida Junior College accepts a Florida State Flag from Malcolm Crews, deputy district governor, district 35-1 Lions International. The flag was donated to the college by the Avon Park Lions Club.

Funeral Home To Discontinue Ambulance Service Sunday, Apr. 30. Scott-Stephenson-Smith Funeral Home this week wrote the following letter to the Avon Park City Council, Highlands County Commissioners and the citizens of Avon Park and vicinity, stating that they can no longer afford to provide ambulance service for Highlands County.

The letter in full follows: During the past 42 years, the Stephenson Funeral Home, now known as the Scott-Stephenson-Smith Funeral Home (Service), has been proud to serve the community with the finest of ambulance service. We have always maintained good equipment and trained personnel.

During the past few years it has been an increasing struggle to provide fine service and still remain solvent. With the advent of the new state law governing the operation of ambulance services, we find it harder to find qualified personnel. (This is a person 25 years of age who is trained in advance First Aid or an equivalent thereof, with a good driving record, and a pleasing personality.)

Also during the past several years, the insurance rates for emergency equipment has increased. The cost of the ambulance itself has gone up not to mention ambulance supplies, such as first-aid equipment, gas and oil, laundry, and an elaborate net work of telephone and radio equipment necessary to the operation of a good ambulance service.

These hardships, we feel, fall upon all business men, and this alone we could overcome, but with the new Federal laws regulating the wages and hours a man works, it is impossible to maintain the necessary manpower to operate in Avon Park on a week service. Anything less than that is not feasible.

Until recently the funeral homes were exempt from this law and some are still exempt or at least they think they are. With the government providing no clear rules and regulations for exemption, there are a number of funeral homes in the State that have been and are being checked, and to our knowledge none of them have been found exempt, consequently they have had to pay the minimum wage which of course none of them can possibly do. It is financial suicide to remain in jeopardy.

Therefore, it is with sincere regret that we are forced to discontinue this service to our community effective April 30, 1967 at 12 midnight.

Notable Highlands County Democrats present for the kick off meeting were George F. Douglas, superintendent of Highlands County Board of Health, and J. G. Gearing, retired Highlands County Tax Assessor; W. H. Prescott, Highlands County Commissioner; Edna Pearce Lockett, former Highlands County Clerk; Mary McGee and Sophy Mae Mitchell—both former presidents of the Highlands County Women's Democratic Committee.

No local tournament was held on Wednesday as the 1st City Tournament was held here. Fourteen teams each on Lake Wales, Sebring and Avon Park competed to win most games. Sebring won, merely keeping the trophy for year.

Fifty-two folks were playing in the B class on Saturday. Inners in the main event were Louise Phillips and Earl Ernest over Mildred Long and Lloyd Young. Consolation inners were George Combs and Herman Young over Mae Annika and Estelle Sawyer. With seven courts in play in the A class Duke Christensen and Everett Paxton won over Dickie and Floyd Stearns. Tom Clarke and Scott Selinger won in Consolation. Rita Gibson and Walter Myers the runners-up. Ray Milton, Alida Peter and Elizabeth Clarke were presented with their 100-point trophies.

Card Games
In Pinochle high score went to Bertha DuPont with a score of 922. Second high was Laura McKell with 845. Mrs. P. J. Nicker came in second with a score of 870. J. Nicker came in second with a score of 870.

Hobby
Hobby Show on March 16th from 10 to 5 P.M. The committee of six met today to make final arrangements for the Hobby Show to be held in the Club House on far 16. There will be eight demonstrations. The committee, with the help of their husbands, will set up tables and decoration on Wednesday. Exhibits can be brought in on Wednesday, or from 8:30 to 10 on Thursday morning. Mary Smith and her committee will be serving refreshments of cookies and punch from 2 to 4 P.M. Free to everyone.

Entertainment
Thursday evening everything was clicking. The shuffle-aire at their best, and the folks enjoyed the songs they sang. The Avon Park High School Club sang several songs at their best, and the young folks at their best, and the Club members took them into their hearts with enthusiasm of bygone days. We hope to have them back again.

The "Masked Marvel" proved just that. The tall and silk topped was a fitting tribute to the classical piano entertainment. Surely Lillian's sequin coat had nothing on the electrically wired outfit. Everyone enjoyed the splendid presentation of "Prelude" by Bachmannoff and "Liebestraum" by Lant.

The Red Riders, the band section of the Shuffle-aire were something we won't forget for sometime. You have heard the sweetest music this side of Heaven many times, but you have never heard anything just like this music before. We don't know just where to classify it geographically, but they were good and unusual. After this tempestuous outburst, our good friend, Albert Cushing, quieted our nerves by playing two violin solos, and the Shuffle-aire closed the entertainment for the evening by sending us home humming the melody of that old song "Till We Meet Again."

Both Men and Fri evening dances were well attended. You have to jump into place to be in one of the squares. Guests who were introduced were: Rosalie Arbuch of Riverdale, N. Y.; Jesse and Hazel Grover of Battle Creek, Mich.; Mrs. Cahill of New York, N. Y.; Mrs. P. Impeller of Long Island and Mr. and Mrs. Melvin Gregor of Kingsville, Ontario, Canada.

Post-Lunch Supper
Twenty-six folks sat down at two long tables laden with well prepared food on Saturday evening. Eighteen were from New York 14 from Mich. and 5 from Ind. Linery Mitchum returned thanks. The Jesse Grovers of Battle Creek, Mich. were new members present. George Dewey of N. Y. was celebrating his birthday. It was reported that Frank LaFollette is home from his recent visit in the hospital. Hilda Golden and Eula Gunning both played piano solo. Ethel Parker led the group in singing the old familiar songs. The Fred Robinsons, the Elmer Thelens and Arlene Lane were the hosts.

Music Sing
Harold Sate directed the singing at the Sing on Sunday afternoon, with Mildred Long at the piano. Fred Robinson played his harmonica, accompanied by Halie Amstutz. Melvin Gregor sang a couple of hymns, one of them "I Walked Today Where Jesus Walked." He has a fine bass voice. He was accompanied by Mrs. Gregor.

Jesse and Hazel Grover of Battle Creek, Mich., are first time members.

Winter Guest Dies Suddenly Last Wednesday

Raymond James Shell, age 62, died suddenly Wednesday, Mar. 9.

Born in Chicago, Mr. Shell was a retired engineer for the New York Central Railroad. He made home in Niles, Mich., and wintered here in Avon Park the past seven years.

He was a member of the St. Mary's Catholic Church in Niles.

Survivors include his wife, Theodora, two sons, Clifford and Leonard, Sherril, Niles, Mich., four brothers, Leonard and Harry Shell, Chicago, Norbert, Iroquois, Ill., Edward, St. Joseph, Mich., one sister, Mrs. Irma A. Hartman, Niles, and seven grandchildren.

Funeral services and interment were held in Niles, with the final funeral home in charge of arrangements. Local arrangements were made by the Scott Peterson-Smith Funeral Home.

Private "In" Formation

BWARE, CITIZENS OF AVON PARK—the Triver Ed students of the Highlands School got their Florida Drivers' license with the high wash you will on the highway, and hope you have the best of luck. Actually, they are good drivers (and aren't allowed to drive private cars while students at the school, but they are also teenagers behind the wheel of that treacherous machine!)

Don't let anyone tell you teachers don't have fun, our

faculty and staff (most have had lots of fun last night judging from the wounds coming from the Hillsop Cottages when they surprised Mr. Shutes with an old-fashioned birthday party—fun and games and hard-churned ice cream.)

It's been a relatively lazy weekend and everyone is thoroughly burned thanks to Florida's unyielding sun rays. We can't go home for spring vacation without a typical Florida tan.
