Punt, Pass and Kick Set For Monday at Memorial Field

More than 50 boys 8 through 15 years of age are eagerly awaiting the opening gun at 7:30 p.m. on Monday, Oct. 5, when the 1967 Avon Park Punt, Pass & Kick Competition gets under way.

The public is invited to watch these young contestants punt, pass and place-kick their way toward one of the 18 handsome trophies awarded by Avon Park Motor Co. to first, second and third place finishers in each age group. The Avon Park competitions are being held at Memorial Field.

These Punt Pass & Kick events will be testing their football skills at the same time as thousands of others their age compete throughout the country. Local first place winners will go on to Zone competitions and then, hopefully, to District, Area and Division contests on the way to the National Finals.

Top performers in each competition receive suitable trophies and cash prizes. Competitions will be held at 7:30 p.m. at Memorial Field, Avon Park, Fla. The Avon Park Punt, Pass & Kick Competition is a "Tour of Champions" with both mother and dad. The "Tour of Champions" begins in Washington, D.C., and is climaxed by the appearance of the Division winners in Miami, Florida's Orange Bowl during the NFL Playoff Game on January 7, for the National Championship, which will be televised nationally.

Bronnie Brac Estates

Word has been received from Mrs. Norman Hill, Box 212, Ashbury, N.J. 08821, that her husband passed away suddenly Aug. 31. They will be remembered as the couple who who founded with a 1966 Wedgwood Anniversary Party here at the park last winter. Our sincere sympathy to Mrs. Hill and her family.

Our friend (Happy) called on Friday at the park last week. Brian and Judy Keel from Youngstown, Ohio but now of Avon Park called on the E. Lamons last week.

Mr. and Mrs. Paddy Litzette went to Ft. Lauderdale one day last week to visit their old friend Ben, who is 91 years old.

We are happy to welcome Mrs. Thelma Chalmers back to the Park. Her son George drove down from Haverhill, Mass. and will fly back to his home in Hanson, Mass. Wednesday.

We are hoping the Florida sunbather and good friends will help beat the sorrow in the loss of her husband, mother and brother. Our sincere sympathy from all of us at Bronnie Brac.

LET US FACE REALITY!

on the Sale of Mixed Drinks

Should the voters of Highlands County fail to pass the referendum to legalize the sale of alcoholic beverages by the drink, the following problems would continue to exist:

- 1. LOSS IN ECONOMY:** It is a known fact that tourist do not stop where sale by the drink is prohibited. Conventions do not locate where sale by the drink is prohibited. New businesses and new industry do not like partial prohibition. There is a great loss in the over-all economy to the community.
- 2. EXCESSIVE CONSUMPTION:** It is a matter of common knowledge that where there is an abundance of liquor people consume more than they do when they are drinking in a respectable legalized and well-run bar or lounge.
- 3. LAW ENFORCEMENT:** Law enforcement agencies have much harder job enforcing liquor laws where sale by the drink is prohibited.

People drinking at the bar or lounge drink much less, therefore, they are much more sober.

- 4. BOOTLEGGING:** Where sale by the drink is prohibited, bootlegging of liquor by the drink is prevalent. People who don't want but one or two drinks, or people who have limited amount of money to spend on drinks patronize these illegal spots.

PARTIAL PROHIBITION: To prohibit the sale of alcoholic beverages by the drink is partial prohibition. It is nothing more nor less than the minority telling the majority what they can and what they cannot do. This is not the base on which free America was born. People should and must have the freedom to exercise their choice in all personal matters. Partial prohibition, like total prohibition, does not work—it never has worked and it will never work.

NO MATTER WHAT IS SAID IN OPPOSITION TO LEGAL SALE BY THE DRINK OF ALCOHOLIC BEVERAGES, LOGICAL THINKING PEOPLE — PEOPLE WHO ARE CAPABLE OF FACING FACTS AND REALITY — ALL AGREE THAT THIS SYSTEM IS THE BETTER SOLUTION.

We do not advocate drinking! We do believe in "FREEDOM OF CHOICE" of the individual and legal control of the sales of alcoholic beverages by the drink.

had the 6-point lead as the half ended.

The second half looked better for the Red Devils as they took the kickoff and moved the ball well on the ground until a 15-yard penalty on third down forced them to punt. Fort Meade made a 30-yard punt return to come back into the game but a fumble on the 10-yard line was recovered for Avon Park to alert end Louie McNeil. A fifteen-yard penalty against the Miners added Avon Park's first lead from the Miner 30-yard line. Lender dropped back to pass and tossed one into the hands of Miner William Ming who galloped 36 yards to the Avon Park 24-yard line before he could be brought down. It took seven plays for the Miners to capitalize on the interception but Ming again started right and for the final 10 yards and the TD. This time Lloyd Hall's place kick for the point after was good and Ft Meade had a 15-0 shut-out going.

Late in the third period Avon Park moved into Miner territory as Devil back Willie Segler appeared on the scene and scored off tackle for a 15-yard gain. But the drive died out in the fourth period on the Miner 40-yard line and Lender hosted a short one to the Miner twenty. The Red Devil defense which was very successful with the two TD expectations held the Miners and when they punted out from deep in their own territory, Devil halfback Billy Richards took the ball and scored through the Miners' nose 37 yards to the Fort

Made 18-yard line. Lender carried once for no gain and then into the Segler shot through and left side of the Miner line and saved the 18 yards into the end zone to put Avon Park on the scoreboard. Segler also slipped through line for the extra point with some eight minutes left in game.

The Avon Park eleven, stacked by the score, kicked off to the Miners and on the second play from scrimmage, Billy Richards intercepted a Miner pass on his 11-yard line and returned it to the Miner forty-eight. Then Segler and Lender combined to move to the Miner 27-yard marker in five plays. Then Segler took over the ball, carrying and went first 40 yards and then ten to the Miner three. The sophomore Devil then burst through off right tackle into the end zone to tie the game up 15-15. This time Segler's try for the point after was called short by the officials so the tie stood.

The remaining four minutes and 12 seconds were a desperate battle with both teams trying to break the dead-lock but the games ended with Fort Meade in possession on their own forty-five.

The Avon Park "B" team will host Arcadia here at Memorial Stadium Thursday night at 7:30 and will be seeking its second win of the young season.

Last week's match scheduled with Wauchoa was rained out and will be played at a later date.

The "B" squad offense will count on halfbacks Steve Hart and Dennis Hart along with fullbacks Lorenzo Nelson and Albert Moss and quarterback Donald Sweeney to move the ball. The boys defeated Fort Meade 14-0 in their opening game two weeks ago.

The Devil javay line was sophomore John Hamilton and eighth grader Clark Jackson at ends, eighth grader Randy Ward and freshman Danny Alibon at tackles, freshman Wesley Turner and junior Gary Jenkins at guards, and freshman Ricky Dick at center. Tackle Quinton Atkins does the kicking off for the Avon Park team and linemen Howie Golden, Danny Wood, Mike Reck, Joe Franza, Alvin Holinger, Mike Reck and Jim Boney also plan to see some action. Several other boys out of the squad are expected to be eligible for action this week also.

Reserve backs are backup quarterback Winkle Hall and halfbacks Walter Nunnallee and David Clark.

Rotary Report

Rotary Presentation for September 27, 1967

Miss June Pittenger, Field Representative for the Central Florida Regional Office of the Florida Educational Assn. was presented by Norman Todd. Miss Pittenger is very well qualified for her position since she has taught for a number of years. She received her BA degree at Stetson University and Masters degree from Peabody College. She is named on the list of outstanding personalities in the South as well as that of the outstanding young women in America.

In the department of Florida Educational Assn. she is a gift consultant on the committee for studying educational programs in the smaller communities. To begin her speech, Miss Pittenger brought a statement of Thomas Jefferson: "If a nation expects to be both ignorant and free, it expects what never was and never will be." She went on to state that if education is to assume its full capacity it must provide for the future, it cannot just get by. The constitution of the state lists that it shall establish and provide liberally in the field of education. During the past years, the state has decreased its assistance to education, placing a greater burden on the county. Of necessity money planned for various projects must needs be used for teachers salaries.

Each year 5,000 teachers must be imported from out of the state. Due to limited budgets, textbooks are outdated and insufficient in quantity. Since most counties have up to 10% more teachers than they have teacher units, the teacher unit basis for computing increases in salaries turns out to be a much less figure than what the general public normally understands. Relief in the teacher unit program cannot be expected until 1969. The proposed phased-in program will not be able to occur until 1975. This means that children now in grades beyond the 4th grade will not be able to benefit by an increased educational program. The FEA as an affiliate of the National Educational Association is asking from the legislative sessions for greater release time for the teacher, the obtaining of clerical personnel to do the more non-skilled responsibilities, and for smaller classes so the teachers might have greater opportunity to instruct the student. Florida ranks 10th in the country in total personal income, yet we are 43rd in what we spend for higher education and 35th in what we spend to educate our elementary and secondary children. If we are going to keep up in our educational standards with the growth pattern for Florida we must move forward now in our educational plans. Education of our youth must be the concern of all.

Notice

The Band Association will meet next Monday, Oct. 9, at 7:30 p.m. sharp, in the band room. Franklin Ward promises a short and interesting agenda.

The Library Corner

Billy Graham by John Pollock is called the Authorized Biography of the man M. Graham has revealed himself to the author due to his mutual respect for each other. There has not been before a genuine biographical treatment of the whole Billy Graham, the thoroughly studied facts of his formative years, interviews of many people who knew him, a close personal relationship with the author, and an inside view of the operation of the Billy Graham Crusades and the Evangelical Association.

The story begins in the frame farmhouse near Charlotte, N. C. with a boy being raised with farming, reading, baseball, doing his father's farm over country roads. At sixteen came the turning point in his life when he committed his life to God at the revival services of Medical Hall. Thus the long road unfolds that has made the most prominent Evangelist of all times. Billy Graham, comparing with John Pollock, seemed his mind and heart in such a way that future biographies will build on this record.

This is not only the story of one's life but the account of the dramatic and skillful workings of the men on the "Team"; the methods of preparing for the conducting of, and the follow-up of the worldwide Crusades in which millions of people in person and send millions over radio and television have heard Billy Graham preach the Gospel of Christ. John Pollock, himself an ordained minister in the Church of England, reveals this man as one who knows what he preaches but who time and time again has gone beyond wisdom and strength to do God's work.

This book is presented to the library as a memorial book gift.

Samuel O. Pratt To Present Harp Concert

M. Samuel O. Pratt, inventor-designer of the Treadwell Harp, will present a program at The Highlands School on October 10, at 8:00 p.m.

Mr. Pratt began making public appearances with his Treadwell Harp seven years ago in Hollywood, Calif., and since then has made appearances all over the United States and Canada, presenting recitals of folk music played on the harp as well as music to its accompaniment. The charm of the instrument adds greatly to the fascination of his unusual songs, and his music for the solo harp—some dating back to the Crusades—evokes its own spell.

Mr. Pratt conducted the prominent performance of his Concert for Harp and Orchestra with the Cape Philharmonic from Potomac, featuring his wife, Rosalie Pratt, as soloist. Recently he played the American premiere of the Concert for Harp and Orchestra by Joseph Haydn, a work which he discovered in a performance at Carnegie Recital Hall.

The program at The Highlands School will be presented by his Treadwell Harp and will be informative as well as most interesting. This concert will be open to the public.

Adventists Begin Fall Service Sunday

"Studies in Ezekiel" will be the next fall Sunday evening series at the Seventh-day Adventist Church, presented by pastor Rev. Robert Keifer. The evening program begins at 7:30 p.m. and will include a tabernacle tour before each Sunday.

Ezekiel was a mouthpiece for God when serious trouble, moral and political threatened the land of Judah. As our generation faces similar conditions, his vision of Duty are especially helpful.

Pastor's opening topic will be, "The Doctrine of God Today."

The church is located on Lake Lillian opposite the airport. Everyone is invited to attend.

Sgt. V. E. Bass Recognized For Service
Technical Sergeant Vernon E. Bass, son of Mrs. V. E. Bass, has been recognized for helping his unit win the coveted U.S. Air Force Outstanding Unit Award.

Sergeant Bass, a navigation equipment technician at Forbes AFB, Kan., will wear the distinctive blue ribbon as a permanent decoration on a member of the 137th Photo Mapping Wing.

The wing was cited for accomplishing an extensive aerial photo mapping survey and related geodetic measurements well ahead of schedule and at a cost savings.

A major subordinate unit of the Military Airlift Command, the 137th provides mapping and survey missions in response to Air Force and Defense Department needs. Its personnel are stationed at numerous locations in the United States and are often deployed throughout the world.

The segment is a graduate of Avon Park High School. His wife, Lathonia, is the daughter of Mr. and Mrs. J. B. Lewis of 825 S.W. 12th St., Fort Lauderdale.

SOUTHGATE SHOPPING CENTER
Sebring, Florida

A Statement Of Policy

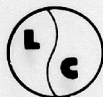

LEST THERE BE A MISUNDERSTANDING OF OUR OBJECTIVES, AIMS AND MOTIVES IN OUR EFFORT TO LEGALIZE THE SALE OF ALCOHOLIC BEVERAGES BY THE DRINK IN HIGHLANDS COUNTY, WE MAKE THE FOLLOWING STATEMENTS:

1. We are interested only in an orderly, dignified, respected and legal system of SALES BY THE DRINK of alcoholic beverages.
2. Where it is illegal to sell liquor by the drink, partial prohibition prevails. Partial prohibition creates evils just as does total prohibition.
3. Where it is illegal to sell alcoholic beverages by the drink, personal freedom is taken away from the people. They do not have the right to choose for themselves a personal code of conduct and ethics. America was not founded on such principles . . . rather it was founded on the principle of personal freedom and the right to choose one's way of life.
4. We know that the citizens of our community are just as intelligent as are the citizens in other counties in the state. All but two of the counties that permit sale of alcoholic beverages permit sale by the drink. Why shouldn't we of Highlands County have this freedom?
5. We know that where liquor sales by the drink are prohibited much more liquor is consumed. When a bottle is handy, the temptation to drink freely is hard to overcome. Moreover, the evil of drinking in the car while out driving is prevalent where sale by the drink is prohibited. This creates driving hazards not only to the driver, but to others on the roads and streets.
6. Where liquor sales by the drink are prohibited, much revenue is lost to the citizens. Tourists do not stop where they cannot get a drink before dinner. New businesses and new industry do not locate where sales by the drink are prohibited. Conventions do not come to a city where sales by the drink are illegal. Money spent by tourists, convention delegates and the additional payrolls of new businesses and new industry add greatly to the overall economy of any community.
7. Sale by the drink in any community indicates that the citizens are mature and capable of handling their own affairs . . . that they do not have to be told by a small minority how to act.
8. The claim by the opposition that there will be an outlet for mixed drink sales on every corner just isn't true. Only so many outlets for any business can exist. The law of economics controls this just as it does other businesses.
9. We believe that the people of Highlands County no longer want to be considered as people living in the past and people who are out of step with their fellow Floridians. We believe that the citizens of Florida and the citizens of other states visiting Highlands County want, and are entitled to have the conveniences they are accustomed to when they are at home.

WE URGE OUR FELLOW CITIZENS TO JOIN WITH US AND MAKE OUR COMMUNITY PROGRESSIVE, PROSPEROUS, ATTRACTIVE TO VISITORS AS WELL AS TO THOSE OF US WHO LIVE HERE. WE CAN NO LONGER LIVE IN THE PAST AND BE WHAT WE SHOULD BE.

\$22,327.91 Due City For Taxes, Utility Bills

New City Clerk Malcolm Crows presented a report to the City Council on Monday evening revealing that there are unpaid real estate and personal property taxes, and delinquent water, sewer, and garbage collection fees amounting to \$22,327.91.

In his report Crows stated that unpaid real estate taxes amounted to \$20,486.37 and ranged from a low of 39 cents to a high of \$3,282.20. He said 56 taxpayers are delinquent.

The Council voted unanimously to collect all water bills over 30 days past due or discontinue service in compliance with city code. In connection with this the Council instructed City Attorney Hae Nunnally to prepare a letter to all delinquent taxpayers. Councilmen adopted a policy that personal property taxes are supposed to be paid prior to issuance of occupational licenses.

President R. A. Scott recommended that the City Council consider asking the next legislature for authority to sell tax certificates on delinquent taxes.

As a result of the city problem regarding delinquent water, sewer, and garbage services, the council decided that the city should not do business with firms which are delinquent in payment of their services.

Minutes of the meeting released to the press on Tuesday indicate the following and we quote from the minutes:

"Councilman W. Wayne Albright brought up the question of city representation at the hearing regarding the stopping of streamers service of S.A.I. and stated that it had been promised to hire Dave Lamer as attorney to represent the city at a cost not to exceed \$100 upon recommendation of the Avon Park Chamber of Commerce. Albright requested to know if there was any special meeting to hire an attorney. Mr. Scott said the attorney.

Police To Crack Down On Stop Sign Violators

Police Chief Earl Gordon stated that effective today, the police department would start issuing warnings for motorists who fail to stop for Stop Signs. Chief Gordon further stated that the police department views this campaign as going to make every effort to cut down on the number of accidents that occurred in the city limits during the past year. He went on to say that law violators were investigated by the police department with one fatality occurring during this period.

Effective Thursday, Oct. 19 after a week of issuing warnings to drivers, Chief Gordon indicated that citations would be issued to all motorists who fail to obey the Stop Signs.

New Post Office Site Selected

Congressman James A. Haley in a letter to the "Sun" advised that a site had been selected by the Post Office Department and had taken option on property located at Southwest Pine and Verona, approximately one to two blocks south of the present post office.

The letter from Congressman Haley indicated that the property represents two parcels of land, one owned by Norman and Helen Toon and the other by Walton C. Touchette, Edward J. Touchette and Hattie G. Touchette. The total acreage is \$4,000 square feet. The total cost will be \$34,950.

Sen. Boyd To Speak at Kiwanis

Senator Wilbur H. Boyd of Palmetto, Fla. will be guest speaker at the regular weekly meeting of the Avon Park Kiwanis Club, Oct. 17. He will speak on the proposed state constitutional changes. Senator Boyd, Democrat, is the representative from our Senatorial District.

Phosphate Officials Speak To Woman's Club Friday

Senior Women's Club of Avon Park held their first meeting of the year at the Clubhouse, Friday, Oct. 6, with Mrs. William A. Stallings as guest speaker. Mrs. Stallings is a member of the club and was introduced by the fifty members present.

Edna J. Jones, pianist led in the singing of familiar songs followed by the pledge to the flag. Mrs. J. T. Wagner introduced the guest speakers, Mr. Earl Wells, former publisher of the Avon Park Sun and now associated with the Phosphate Co., in Lakeland and Richard Timberlake of the Cyanamid Co., who spoke at length on "Air and Water Pollution," telling of the pollution control at Brewster, uses of phosphate started in 1948, which has proved 85% effective to eliminate pollution from 1950 to 1967 and to capture the gases. Unfortunately, the subject of pollution at times arouses strong emotions. Any standards established for environmental controls should be based on scientific facts, not emotionalism.

The phosphate industry is dedicated to the principle of good public citizenship and it seeks a reasonable solution to the problem of pollution based on scientific facts.

Edgar Smoot, president introduced Mrs. Marshall Wilson who gave the devotions, then and thought for the day.

Mrs. N. H. Booth Jr. read the minutes and gave the treasurer's report. Mrs. Smoot welcomed five new members.

Mrs. Otto Kreiger explained the year book and the programs. A musical artist concert will be presented by Buford Jasper in November.

The Red Devils generated their third TD effort after the next kick-off. Taylor returned the kick from the twenty to the thirty-seven. Then Lemler, Segler, Montedone, and Billy Richards took turns grinding out the yardage and Lemler went in from three yards out on the right side for a touchdown. The big fullback added the point after and the Devils had their 20-7 lead.

Haines City moved for a first down at the beginning of the game.

Heavy Vote Seen On Wet, Dry Issue

Highlands County voters will go to the polls next Tuesday to decide if the county shall be wet, dry, or if it will be a wet-dry county.

We expect to see the highest turnout for any election in the county's history, declared Election Supervisor Roland J. Drott. "I would not be surprised if at least 70 per cent of those registered voted. We already have over 100 absentee ballots returned, which is the most we have ever had for a special election."

There is a total of 11,275 voters registered in Highlands County.

The county will go wet if at least 50 percent of those voting plan one vote wet, and dry if the voters give the other way.

Voters must vote on both questions. A quick in the box puts those voting dry to go on to the second question on the ballot which is to decide whether or not liquor sales shall be by the package only or by the pack, case and drink, bars. In fact,

all voters, no matter how they vote, must vote on both questions of their vote in voting.

For 19 years, package sales of liquor, beer and wine as well as beer and wine sales over the bar have been permitted in Highlands County. Voters in 1948 decided the question and for the first time since it has been brought up, in this election, more voters voted for package sales than voted for a wet county.

Things were quite in the dry camp, George E. Sebring, III, who leads the Committee on Legal Control, declared. "No matter how people vote in the wet-dry election, liquor will continue to be sold in Highlands County. You cannot vote against the sale of liquor. Neither can you vote for the sale of liquor. You will simply vote on how it will be sold, legally under state and federal controls as it is being sold here now, or illegally by the bootleggers and by transportation from out-of-state nearby."

Road Dept. Schedules Public Hearing Nov. 8

Florida State Road Department has scheduled a public hearing on plans for four lanes of Highway 27. The meeting set for 10:30 A.M. on November 8, will be concerned with the location and economic effects of the multi-lane reconstruction of US 27 from Lake Hendry Drive North to US 90, a distance of approximately 7.4 miles.

The meeting is to be held in the commission room on the second floor of the county courthouse. Notice of the meeting was sent to the Highlands County commissioners by R. L. Freeman, district traffic and planning engineer for the road department.

County Commission Chairman Carl McIntyre said he had not heard about a hearing until a letter setting the date was received by the commission. Monday he pointed out that public hearings are routine, however, for projects where federal government funds are used.

"Possibly the state road department is trying to determine whether this segment of US 27 would qualify for money under one of the federal programs. Some Highlands County roads have received aid as farm-to-market roads," McIntyre explained. "This segment does qualify."

of the fourth quarter before putting down to Avon Park's five yard line. From the five, Lemmer burst through the right side of the line and strode 40 yards to the Haines City marker before the Haines City secondary could get together to pull him down. The Devils then moved on to the Haines 21-yard line before the drive tied out needing yardage for the first down.

Three incomplete passes forced Haines City to punt and again the pass from center was bad and the Haines punter was downed on Haines City's ten yard line. But Avon Park couldn't move this time against the Haines defense and after four fruitless downs the Devils lost possession.

With less than a minute left in the game, Haines City hit for three pass gains moving into Avon Park territory as the final whistle blew.

Sounds of Music Taught By Evelyn Brown

Sounds of music drifting through the halls of an elegant girls' finishing school; through the sheltering palm trees, and on across Lake Loche, are sounds a visiting reporter will not soon forget. In sharp contrast to the wailing, harsh tones making up much of the music of the present generation, the melodious sounds coming from The Highlands School Chorus, are representative of the artistry, solidness and fine character of today's young people, though often unrecognized. It makes one realize that as long as there are people who want, expect, and lend an appreciative ear to good music and other things of true value, our children will very happily produce such.

Compositions by Bach, Mozart, and Handel are usually included in The Highlands music programs along with works by composers of our own time. Rodgers and Hammerstein, Leonard Bernstein or Gershwin; carefully keeping the quality of music good, the rendition precise and correct.

These sounds are exactly what one would expect to come from the beautiful complex of buildings making up The Highlands School here at Avon Park. The grandeur of the former Pinescrest Resort Hotel which flourished a generation ago has been very admirably converted into a preparatory school, serving girls from 23 states and four foreign countries.

Credit for the music program at The Highlands School and for the appealing interpretations of the better musical works goes to Miss Evelyn Brown, a graduate of Salem College, N.C. who also holds a Master of Music degree from Boston University. She grew up in Davidson, N. C. where her mother, Mrs. C. K. Brown still lives.

Though the musical sounds coming from The Highlands School today are pleasant and sweet, the greatest melodies will peel forth in later years as these girls scatter to other areas, presenting an appreciation for the finer things of life to all who fall under their influence.

A different sound of music at The Highlands School came as a pleasant surprise to this reporter. Harpist Ann Groves, who calls Marvin, N. C. home, is also a graduate of Salem College.

P.B.A. To Hold Breakfast

The Progressive Business men's Association of Avon Park will hold a breakfast meeting next Tuesday at the G and G Restaurant on Hwy. 27.

Further plans for the Christmas Parade will be discussed at great length at the meeting according to Chairman H. Gordon Woolcott.

Red Cross Nursing Seminar October 19

A disaster seminar on the "utilization of Nurses and other Red Cross volunteers during the time of a natural disaster in a community" will be held on Thursday, Oct. 19 from 9:00 a.m. to 3:00 p.m. at the Highlands County Chapter of the American Red Cross at their Chapter House in Miami, Fla.

Mrs. Patricia Duffy, Highlands County Nursing Chairman, is urging every enrolled Red Cross nurse to attend. "We are extremely fortunate in having Miss Jeanne Durr of the National Staff as our conductor of this Seminar," says Mrs. Duffy.

Miss Durr, a native of West Virginia, has a long background of Red Cross association, beginning her Red Cross career as a volunteer in the Monongalia Chapter in Morgantown, West Virginia. She has served during the Hurricane "Carla" in 1961 at Fort Lavalas, Texas. Two years later, she was on location to aid sufferers of the Midwestern States floods in Kentucky and West Virginia. In May of 1963 she completed a round-trip voyage to Cuba aboard one of the nine "mercy ships" provided to the American Red Cross in conjunction with the prisoner-exchange supplies project. She was one of the nurses aboard the S.S. American Survivor that provided comfort services to 759 Cuban refugees returning aboard ship to the United States. In addition, she has served on numerous other disasters including Hurricane Hilda, the West Coast Floods and storms of 1964 and the Palm City Tornados of 1965.

All nurses attending this seminar will be gaining much needed experience to help Highlands County during a natural disaster. Mrs. Duffy urged all interested in attending this Seminar to please call the Red Cross office EV 8-8148 to assure reservation. Transportation will be furnished.

Avon Park Band Association

Plan Events

The Monday night meeting of the Avon Park Band Association produced two new worthy items of interest.

The Vets and Marine Committee, Mrs. Donna Ferguson, Mrs. J. Bradberry, and Mrs. L. Nicholas and other band parents will sponsor a Bazaar of Used Clothing Sale on Friday and Saturday, Oct. 20 and 21. This bazaar event will specialize in children's and youth items, clothing, equipment such as high chairs, play pens, and any useful and saleable merchandise. Merchandise may be taken to the Band Room between now and October 20.

Ingathering will be the morning of October 20 and the sale will start at noon. Oct. 20 and go through until 4 p.m. Saturday if the merchandise last that long. Any one interested in the band but not a parent may donate items. Any questions will be answered by calling GL-3-2746 or GL-3-6363 the phones of Mrs. Ferguson and Mrs. Bradberry. The sale itself will be in the Laundromat near South Verona and Midberry.

Another promising benefit will be the sale of cakes at the Halloween Carnival. All band parents are urged to plan on baking cakes. Doughnuts and cotton candy will be in the Laundromat near South Verona and Midberry.

IS LEGAL CONTROL GOOD?

Legal control only controls sales. No law can control the harm done after the sale.

Any liquor sales does much harm to society — Homes — Schools — INDUSTRY — and People.

I LOVE MY COUNTRY

I want only the best for it.

Any liquor sales destroys some of the best in a man's body-mind and influence.

The Wets are never satisfied — They always ask for longer hours — more bars — now they petitioned us for Liquor by the Drink. To reach more people who do not need it. Many of whom cannot afford it — All of whom would be better off without it.

Liquor taxes do not help a county. Liquor sales cause expense far in excess of any tax revenue received.

Legal controlled sales do damage too great to put a dollar value on.

DO WE WANT

more lives ruined by liquor? more homes broken by problems created by drink? more jobs lost because our people get out of control from use of liquor?

Do we want to lend any semblance of respectability to a thing that hurts so many.

No alcoholic planned to be one — Each felt he could keep control — They do not.

Last Call For Parade Entries And Carnival

In recent years, members of the Junior Woman's Club have told that invitations to participate in the annual Halloween parade and carnival did not get out in time for merchants, clubs, etc. to plan an appropriate theme and carry it through.

This year, in an attempt to give everyone plenty of time to decide if they wanted to join in the fun, and also plenty of time to work on their float or booth, the committee sent out letters in August, with a deadline for answering by September 22.

At press time, the committee was disappointed to report that only one business had replied. Judge Flouret will enter a float. And this year, in hopes of presenting a bigger and better parade than ever before, the Junior Women are offering a small cash prize for a superb parade for the business and the club which has the best all-around float.

Clubs entering floats, to date, are the Junior Women's Club. Thanks go to the following for their support in supplying that they will have decorated cars in the parade.

The Business Women's Club, the Garden Club, the American Legion Auxiliary, Gold Star Mothers' Club, the Chamber of Commerce.

Mrs. Margaret Collins, parade chairman, reports that all floats, cars, horses, etc. in the parade are to line up on Verona Ave. from Badcock Park to the high school on Saturday, Oct. 28, promptly at 2:30 p.m. Judging of the floats will be held at that time.

If your club or business has not yet made the decision about the Halloween festivities, please do so IMMEDIATELY. The extended deadline for float competition, cars, etc. is Friday, Oct. 20. Contact Mrs. Collins to get your entry on the list. Last call for having a booth at the carnival is Friday, Oct. 13.

For information about this contact Mrs. Don Haasfader. Remember, this is a wonderful chance to advertise your group or business to the public.

To date, only two clubs have expressed a desire to have booths at the carnival. The Girl Scouts plan to sell homemade candy, and the Band Parents Assn. will offer a triple treat — cotton candy, doughnuts, and a cake sale.

Although letters were not mailed to school clubs (Key Club, FTA, FHA, etc.), they are eligible to have entries in the parade and carnival also, and are urged to do so.

The Oct. 29 issue of the SUN will carry the complete parade instructions and line-up information, so be sure to watch for it.

Don't be left out — contact Mrs. Collins or Mrs. Haasfader TODAY!

Jr. Woman's Club Holds Meeting October 3

The Avon Park Junior Women's Club held its regular meeting Tuesday, Oct. 3, at the Senior Club House.

Announcements were made concerning a "Safety Meeting" to be held in Sebring October 6. The County Home Extension Office with the help of various women's clubs in Highlands County are sponsoring this meeting.

Plans to attend were carried out for this very informative and fun meeting.

Mrs. Albert Huth, State President, will be the guest speaker attending the Senior Women's Club meeting November 3 at 2:00 p.m. It was requested that every member that can possibly attend to do so.

Due to Mrs. Glen Fry moving from this area, Mrs. Sarah Bean has accepted chairmanship of the mensle project.

Mrs. Bean reported that our "Waste Movie Installation" project has been shelved.

At the monthly meeting of the County Medical Assn. the doctors voted to do this as a county-wide program. The Sebring and Lake Placid Junior Women's Clubs have very graciously responded to our plea for help by agreeing to handle their cities the same way that we must do on this project. Oct. 19 has been set aside for the purpose. The installation will be held at the Avon Elementary School.

It was also announced that our International Affairs Chairman, Mrs. Kai Yong is moving. The International Affairs committee held a meeting with President Mrs. Carolyn Tomlinson to appoint a new chairman. Mrs. Yong did a fine job on this department setting up her plans for this year's work.

Mrs. Don Haasfader and Mrs. James Johnson announced that plans are being made for the Halloween Carnival and everything is progressing very nicely. These girls have done a marvelous job of efficient and organized work concerning this project.

A dance was held Saturday night September 31 following the annual family picnic. The dance was held at A.P.C.I. with the A.C.I. DENTS from Okeechobee providing the music.

Guessing Game Ridge Florist Window

In case you're wondering what all the excitement is about at Ridge Florist these days, here is the answer: The Junior Women's Club urges everyone to go by and guess how many "buds" (roses, hydrangeas) are in the handy sniffer. Place your name, address and guess in the position provided for this purpose. Then be sure to attend the Halloween parade and carnival, as the winner must be present to win!

Notice

Avon Park Woman's Club will hold their Thrift Sale at the Woman's Club house, corner of Pine and Verona, Oct. 29 and 31 starting at 8:30 a.m. till 7:00 p.m. each day.

Articles for the Thrift Sale will be received at the club house Monday 16 through the 20, from 10:00 till 2:00 p.m.

Mrs. J. P. Arnold To Instruct Training Session

Mrs. John P. Arnold, Sebring, National Chairman of the American Legion Auxiliary's Leadership Training Program will serve as the instructor for the training session to be held this weekend at Lake Byrd.

The arrangements are under the direction of the District Chairman, Mrs. Robert Hahn, Miami, who has invited 250 women from throughout Florida to participate in the seven top sessions.

The meeting will be called to order at 9 a.m. Saturday, Oct. 14, by Mrs. Hahn who will present Mrs. Arnold. There will be a workshop on Saturday evening and the Sunday session will be concluded at 3 p.m.

Mrs. Arnold described the training as "one that trains the individual to serve in both the formal and informal leadership capacity, as she applies her skills in the community and on the job as well as to each phase of the Legion Auxiliary program."

She said, "We realize that decision making is very important in the explosive world of today, when the wrong idea may cause a problem or a riot, therefore many model problems are illustrated by means of posters and colored slides, which develop the individual's ability to recognize the cause of problems and to cope with them before they have developed into a major problem."

The participants will be instructed as to methods of selecting goals that are realistic and attainable. Saturday evening will be devoted to workshops when they will have an opportunity to try these newly acquired skills."

Mrs. Arnold said, "Then Sunday, they will report to the general assembly for an evaluation of how well they have used these skills."

At the conclusion of the training those women in the Legion Auxiliary in the United States and National Organization for the past 40 years and served as Florida's president in 1965.

Teaching is not a new experience with Mrs. Arnold as she has served as instructor in all Red Cross programs over the past 25 years.

Joel G. Bass Celebrates Birthday

Joel G. Bass was surprised with a birthday celebration on his fifty-fifth birthday the evening of October 11 by his family.

Episcopal Youth Host Cathedral Sunday

Again this year the Episcopal young Churchmen of the Church of the Redeemer in Avon Park, will host the young people of St. Luke's Cathedral Church of Christ at a beach party next Sunday at Camp Wingman. The program begins at 3:30 p.m. and closes at 6:30 with a service in the camp chapel of the Holy Angels.

Beach games, swimming, and skiing will be enjoyed, as well as roasting.

A year ago, Redeemer young people exchanged meetings with the Cathedral and both groups enjoyed the events, that next Sunday's gathering on the Camp beach promises to be a real treat. All of our 7th thru 12th graders are expected. Be sure to bring your clothes, or wear them, for the chapel service. Cabins are provided for changing. A committee is planning the refreshments.

AVON JAYCEES TO MEET
Avon Park Jaycees will meet at 8 P.M. Tuesday in the directors' room of Avon City Bank. Dr. Gene S. Cross will be the speaker and new members will be received. Fred Schenck, mayor of Sebring is president.

Florida Nurses Vote Pay Raise

The Florida Nurses Association, District 27 voted to raise the rate of pay for private duty nurses to \$20.00 per day. This is in keeping with the suggestion made at the Florida State Nurses Convention.

Audubon Field Trip October 15

The Highlands County Chapter of Florida Audubon will hold a field trip along Fish Eating Creek, beginning at

Joe Tucker home on the old Venus Rd. (731) just east of the big bridge on that road. The group will plan to be there at 8:00 p.m. on Sunday, October 15.

Visitors are always welcome.

Mr. Hutchinson, biologist of Highlands Hammock State Park attended the last meeting of the group. He was formerly stationed at Cook Science Swamp Sanctuary and has of fered to conduct a trip for the group, probably the Friday after Thanksgiving.

Eugene Cobb Serving In Pacific

Airman Eugene A. Cobb, son of Mr. and Mrs. T. A. Cobb, Sr., of 1111 Heyward St., Savannah, Ga., is now on duty with the 428th Strategic Wing at a forward base in the Western Pacific.

Airman Cobb was assigned at Beale AFB, Calif., before arriving in the Pacific to help provide direct support for the U.S. Air Force operations in Southeast Asia.

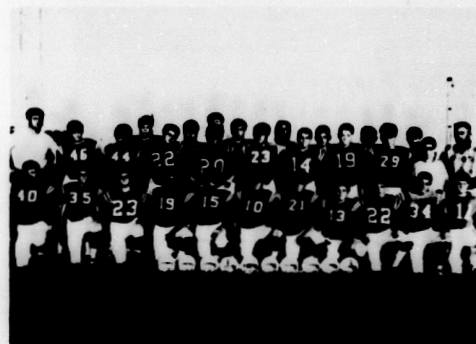

The airman, a Strategic Air Command maintenance scheduler, supports KC-135 Stratotanker airmen who daily provide aerial refueling to fighters-bomber and reconnaissance aircraft conducting the air war over Vietnam.

Airman Cobb, a 1957 graduate of Savannah High School, attended the University of Delaware and the University of Maryland European Division.

His wife, Barbara, is the daughter of Mr. and Mrs. J. C. Davis of 360 W. Pleasant, Avon Park, Fla.

Health Meeting Scheduled

There will be a meeting of the Highlands County Mental Health Organization October 17, 1967 at 7:30 p.m. in the Courthouse Annex building. Officers will be elected for the coming year and Mrs. Elizabeth Neils, Acting Chairman, urges all interested persons to attend.

AVON PARK Junior High football team will play Wauchula here at Memorial Field Tuesday, Oct. 17, at 7:30. Members of the team are: front row from left: Eddie Ewell, Ronnie Gentry, Charles Snellgrove, Jake Allen, Howard Sizemore, Mike Bagwell, Bill Phillips, Alan Padelford, Hozie Ostling, Fred Jahna, and Bud Wester. Second row: Coach Jackie Turner, Tim Williams, Winston

Smith, Gregg Albritton, John Chestnut, Jackie Bennett, Donnie Williamson, Randy Johnson, Mike Talley, and Ricky Lanier. Back row: Paul Vincent, Mike Rhinor, Coach Keith Albritton, Mike Archer, Coach Bob Dick, Jarvis Hartt, Steve Hancock, Jimmy Magenheimer, and Coach Wendell Smith. Missing from picture, Howard Haywood. — (Sun photo).

Philip Reeves Promoted to Sgt.

Philip A. Reeves, son of Mr. and Mrs. Morris A. Reeves of 561 Main St., South Seville, N. J. has been promoted to technical sergeant in the U. S. Air Force.

Sergeant Reeves is an aircraft maintenance technician at Cam Rahn Bay AB, Vietnam. He is a member of the Pacific Air Forces which provides local air power supporting the U. S. and its al-

lies in Southeast Asia and the Far East.

The sergeant is a graduate of Middle Township High School in Cape May Court House, N. J.

His wife, Morle, is the daughter of Mrs. Elton Pearson of Avon Park.

Rotary Report

Wayman Carver brought us a fine program. First we welcomed Brigadier T. F. Samuel of the Salvation Army, who encouraged our support of that great organization, a branch of which helps Highlands County at Sebring. Next, Dan Pace was introduced. He is the General Manager of the Asolo Theater of Sarasota. A most personable man, born in Waycross, Ga., and studying drama in Chicago, Northwestern U., moving through various positions to his present one. His subject was the "Asolo Theater In General and Theater People In Particular". The year round program of the Asolo Theater now includes a tour around Florida, visiting many communities to bring Theater and drama appreciation to a wide variety of audiences, especially to young people. So important has this become that the State of Florida helps support the budget, half of this \$400,000 budget is used in the tour expenses alone, moving 29 actors and hands from town to town.

Anyone who visits Sarasota and includes Asolo, knows the high caliber of play selection and performance. Dan pointed out that since 1800 actors have tried to become more professional and cultured, making the theater a part of the fine arts. Asolo now has 49 on its staff as professionals. This includes many college students who work vacations. Many other states, California, Texas, Wisconsin, and New York, are ahead of Florida in drama education and Theater support by Community and State. Asolo, in addition to some State help is supported by civic associations, and volunteer groups. Of course box office receipts are also a feature. In seven years the budget has grown from \$4,000 to \$400,000. It is one of but three repertory theaters in the U.S., and it really belongs to all of Florida.

Reported by Father John L. Knapp

Pfc. H. Whaley In Operation Wheeler

Army Private First Class Herbert A. Whaley, 18, son of Mr. and Mrs. Charlie Whaley, Avon Park, Fla., is participating in "Operation Wheeler" in Vietnam, with other members of the 1st Airborne Division's 1st Brigade.

Wheeler, which began on Sept. 12 near Chu Lai, is the fifth operation the brigade has been in since joining Task Force Oregon in May. In four months of action, the men of the Screaming Eagle brigade have accounted for more than 1,300 enemy kills. Pvt. Whaley is a rifleman in Company A, 1st Battalion of the brigade's 327th infantry.

Michael Coleman Promoted

Michael W. Coleman, son of Mr. and Mrs. Jimmie J. Coleman, Elkhorn, Ky., has been promoted to A2C as of October 1, 1967.

He entered service January 3, 1966 serving as a Jet Engine Mechanic at Chateau Air Force Base, Ill. He is presently stationed with the 92nd Field Maintenance Sq., Fairchild AFB, Spokane, Wash.

He attended Avon Park High School and formerly employed with Griffin Tile Co. in Sebring. He is married to the former Linda Carvey, daughter of Mr. and Mrs. James Carvey, Lake Wales, Avon Park. His wife flew from Tampa Airport July 21, to be with her husband in Spokane.

Here Is What Happens When A County "Votes Wet"

The Lakeland Ledger, an admittedly "wet" newspaper, carried a story in its September 15 issue which began —

"FOR REASONS NO ONE SEEMS TO UNDERSTAND, TEEN-AGE DRINKING HAS SUDDENLY BECOME A MAJOR PROBLEM IN HAINES CITY AND OTHER POLK COUNTY COMMUNITIES . . ."

Actually, it's not at all difficult to understand. In fact, it's simply because FORMERLY "DRY" POLK COUNTY VOTED "WET" RECENTLY!

It Can and Will Happen HERE If Highlands County Fails To Vote 'DRY' Next Tuesday, October 17.

Our Highlands County Youngsters Deserve The Best. For Them . . . For Their Future — Use Your Head!

VOTE DRY

Here's How To Do It:

QUESTION No. 1		QUESTION No. 2	
Selling Intoxicating Liquors, Wines or Beer		Sales by the Package And Drink	Sales by the Package Only
4A	5A	7A	8A
FOR SELLING	AGAINST SELLING	FOR PACKAGE AND DRINK	FOR PACKAGE ONLY

WE URGE YOU TO VOTE ON BOTH QUESTIONS PUSH DOWN AND LEAVE DOWN LEVERS 5A and 8A

Your Vote AGAINST selling on Question No. 1 expresses your real conviction AGAINST liquor. If however, the Wets win, your Vote "FOR" sales by the Package Only could mean there would be LESS liquor outlets, only package stores, no open bar rooms, no cocktail lounges or clubs or motel-hotel-restaurant sales, allowed, no "strip tease" honky tonks running all night, less pressure for after-midnight and Sunday liquor sales, less advertising and promotion of liquor, less opportunities for sales to minors.

Voters of Highlands County:

Do you want to return to so-called prohibition? Do you want to lose a large local industry? An industry that employs many local citizens and supports hundreds of these citizen's dependents? Do you want to destroy an industry operating locally that pays many thousands of dollars in taxes and revenue to local governments? Do you want to close . . . local business establishments thereby creating . . . vacant buildings. Do you want to throw . . . local citizens out of work? Do you want our cities to look like ghost cities? The answer of course is NO . . . a million times NO. But this can happen. It will happen if you do not vote to retain LEGAL CONTROL of alcoholic beverages. We urge you to vote 'FOR' on questions one and two. This will prevent these dire things from happening.

Prohibition Prohibits Nothing But

1. REVENUE AND TAXES
2. PROGRESS AND PROSPERITY
3. ENLIGHTENMENT IN THE COMMUNITY
4. PERSONAL FREEDOM
5. GOOD LIQUOR LAW ENFORCEMENT
6. OBEDIENCE OF THE LAW
7. PREVENTION OF MOONSHINING
8. PREVENTION OF BOOTLEGGING
9. PREVENTION OF CERTAIN CRIMES
10. SELF RESPECT

There are those in our community who advocate prohibition. Fortunately they are in the minority. A recent poll of the public nationwide showed that 86 per cent of the citizens of the nation preferred legal sales and **LEGAL CONTROL** of alcoholic beverages over so-called prohibition.

Our community did away with so-called prohibition in 1948. The vast benefits that came to us under **LEGAL CONTROL** almost 20 years ago are too numerous to mention here. You are thoroughly familiar with them.

We urge you to keep them and increase them by voting for legal sales by the package and by the drink.

George Walper Attends Hospital Seminar

George Walper, administrator of Walker Memorial Hospital, participated in a special Florida Hospital Association seminar on areawide health planning Thursday and Friday (Sept. 26-27) at Winter Park.

W. E. Scott Jr., director of areawide planning for the Florida Hospital Association, Orlando, said the seminar at Winter Park's Langford Hotel should assist hospitals in taking leadership roles in comprehensive health planning before federal programs develop to dictate local planning.

The faculty for the two-day institute included representatives of the American Hospital Association, Governor Kirk's Office, the U. S. Public Health Service, J. Hillis Miller Health Center at the University of Florida, the Florida Hospital Association, and executive directors of areawide planning councils from Chicago, Nashville and Milwaukee.

National and state health officials have cited areawide planning as one solution to avoid costly duplication of health facilities and to guide the orderly development of new hospitals to serve growing communities.

Nurses Assn. Meets Oct. 17

Group number 33 of the Florida Nurses Practical racked up its second straight victory last Thursday night with an impressive 26-0 win over the Arcadia Jayvee team here at Memorial Stadium. Tonight (Thursday) the Avon Park junior varsity will travel to Wauchula for a bout with the Harder High "B" squad starting at 7:30 o'clock.

Devil halfback Steve Hart scored Avon Park's first touch down after Randy Ward fell on an Arcadia fumble to give Avon Park possession on the Arcadia 46-yard line. On third down with three yards needed, Hart scampered through for a 39-yard TD run and then added the extra point running through the Arcadia line.

Still in the first quarter, Arcadia fumbled again after one running play and Devil quarterback Don Sizemore recovered for Avon Park and ran it to the Arcadia 39-yard line. The junior Devils then moved to the Arcadia one yard line as the first period ended and Sizemore streaked it across on the first play of the second quarter for the second Avon Park score. The 38-yard drive was highlighted by a fifteen yard pass from Sizemore to Dennis Hart and a four yard

AVON PARK'S Red Devil "B" squad will host Arcadia tonight (Thursday) at 7:30 seeking its second straight win. Pictured front row from left: Lorenzo Nelson, Gary Jenkins, Bill Green, David Clark, Walter Nunnallee, Don Sizemore, Danny Wood, Steve Hart, and Alvin Hollinger. Second row: Coach Larry Pickett,

Holand Gohourine, Harvey Jones, Winkle Hall, Albert Moss, Foy Hall, Clark Jackson, Wesley Turner, Quinton Adkins, and Coach DuWayne Lender. Back row: Jim Boney, John Hamilton, Joe Frantz, Steve Cray, Randy Ward and Mike Reek. Missing from picture: Dennis Hart.

'B' Squad Marks Second Victory With Win Over Arcadia 26-0

Avon Park's "B" squad racked up its second straight victory last Thursday night with an impressive 26-0 win over the Arcadia Jayvee team here at Memorial Stadium. Tonight (Thursday) the Avon Park junior varsity will travel to Wauchula for a bout with the Harder High "B" squad starting at 7:30 o'clock.

Devil halfback Steve Hart scored Avon Park's first touch down after Randy Ward fell on an Arcadia fumble to give Avon Park possession on the Arcadia 46-yard line. On third down with three yards needed, Hart scampered through for a 39-yard TD run and then added the extra point running through the Arcadia line.

Still in the first quarter, Arcadia fumbled again after one running play and Devil quarterback Don Sizemore recovered for Avon Park and ran it to the Arcadia 39-yard line. The junior Devils then moved to the Arcadia one yard line as the first period ended and Sizemore streaked it across on the first play of the second quarter for the second Avon Park score. The 38-yard drive was highlighted by a fifteen yard pass from Sizemore to Dennis Hart and a four yard

pass play from Sizemore to Hart. The extra point attempt was no good.

On Arcadia's third offensive possession, the Avon Park defense drove the Building Jayvees back for a trapped line and took over again on Steve Hart's ten yard punt return to the Arcadia 45-yard line. Hart broke loose from that point for a 26 yard gain and three plays later, Sizemore hit end Clark Jackson on a 16 yard pass play that gave Avon Park its third TD. Sizemore tossed the pass as three Arcadia linemen hit him and Jackson pulled it in on the five and scored on in for the score. Again it was Hart on the extra point running it in to make it 26-0 at halftime.

As time ran out in the first half, Arcadia moved to Avon Park's six yard line but couldn't get in for a score before the half ended.

Avon Park scored its fourth touchdown midway in the third period after Don Sizemore intercepted an Arcadia ball on the 40-yard line. A 17 yard pass to Jackson and an 18 yard running gain by Harvey Jones paved the way to the 7-yard marker and from

Harold Stayman Guest Speaker At Club Oct. 19

Highlands County Women's Republican Club will have a covered dish dinner Thursday, Oct. 19 at 12:30 P.M. at city pier. Bring your own table service.

Guest speaker will be Harold Stayman, Jr. of Riviera Beach, director of Republican state executive committee, and editor-in-chief of the Florida Republican Challenger. The topic will be "Specific Accomplishments of the Kirk Administration."

that point Dennis Hart scrambled in for the score. The extra point attempt was stopped short.

"In Just A Minute, Mrs. Gulliver, Miss Considine, wife of a writer-journalist, Bob Considine, takes you by book on a whirlwind tour of the world's most famous people and places. Whether she's trying to join the Blarney Stone or teach the Twist to brilliant J. Paul Getty, life with Millie is a fabulous and madcap experience."

Millie sees all, hears all, and tells all as she reveals little-known stories of world famous celebrities such as: Princess Grace, Eva Maxwell, Richard Nixon, Bob Hope, who wrote on his passport that Louella Parsons is notified in case of accident or death because "If she finds out, she'll tell everybody, even my wife."

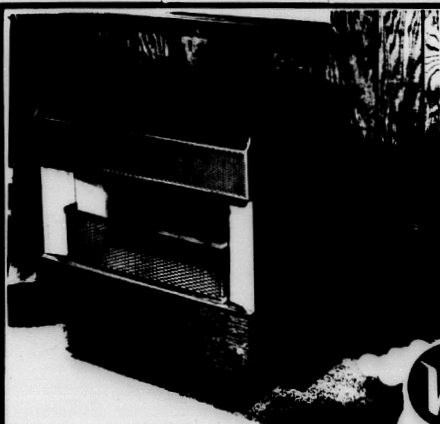

She describes the small, out-of-the-way shops that she, her husband Bill, and her sister discovered in Honolulu. They like it so much that they did all their shopping there. Millie goes behind the scenes to tell why the camera "tricked" as Millie named Art Buchwald who brought a one hundred dollar handshake to the wedding of King Hayworth and Elizabeth Taylor. "In Just A Minute," Mrs. Gulliver is the account of the hectic and hilarious of Mrs. Bob Considine in the wicked cities of the world where the wacky doing of high and low are hilariously set forth.

LEST THERE BE CONFUSION

**IN CASE YOU ARE CONFUSED CONCERNING THE
WET-DRY ELECTION TO BE HELD OCT. 17**

HERE ARE THE FACTS:

- 1. THIS IS A WET-DRY ELECTION.** We will have to vote on the same questions that we voted on in 1948 when we voted the county wet. We will have to vote on question number one FOR selling, and we will have to vote on question number two FOR sales by the package and drink if we are to have both types of sale.
- 2. Unless the majority of the voters vote FOR on question number one, the county will return to so-called prohibition. It will be a so-called dry county just as it was before 1948.**
- 3. The state law governing the sale of alcoholic beverages clearly states that an election CANNOT BE HELD ON THE QUESTION OF THE SALE BY THE DRINK ONLY.** Both questions must be voted on at the same time. Therefore, a complete wet-dry election had to be called in order to permit us to vote for sale by the drink. It makes no difference that we have legal sale by the package which was voted in in 1948. In order to have sales by the drink, we must vote all over again. And we must vote FOR sale by the package and drink on question number two.

It is, therefore, most vital to your welfare that you go to the polls and vote FOR on question number one. If you don't do so and the majority of the voters vote against, we will return to the evils of so-called prohibition that existed prior to 1948.

We do not think it necessary to remind you of the benefits legal control brought to our community. Neither do we think it necessary to mention the evils of so-called prohibition that existed here for so long. We are confident that we reside among intelligent people who have the ability to think for themselves, and we believe they will do so.

We Emphasize The Following Points:

- 1. This is a Wet-Dry Election.**
- 2. It was called to legalize sale of liquor by the drink.**
- 3. You will have to vote on question number one to count.**
- 4. To have sale by the drink, you will have to vote on Question Number Two for Sale By Package and Drink.**
- 5. In order to stay as we are... operating under legal control... you must vote just as the sample ballot is marked below. You must vote FOR on Question Number One.**

Disaster Seminar Scheduled

A disaster seminar on the organization of nurses and other Red Cross volunteers during the time of a natural disaster in a community will be held on Thursday, Oct. 19, from 9 to 1 P.M. at the Duval County chapter of the American Red Cross in its Chapter House in Miami.

Mrs. J. P. Arnold Plans For Years Program

Mrs. John P. Arnold, who chairs the leadership training committee for the American Legion Auxiliary in national headquarters in Indianapolis, Ind., planning for the year program.

The leadership training was first conducted on a national scale the past year. At the national convention in Boston, Mass., delegates voted to make it a permanent part of the program and Mrs. Arnold was requested to serve as the chairman for a second year.

Mrs. Arnold will be conferring with the national president and members of the staff as guidelines are established for the program. She will instruct the state presidents and secretaries as to the updated material on Wednesday.

Social functions in which she will participate while there include a tour of the Indianapolis Speedway which will include dinner, a banquet, and a luncheon at the Scottish Rite Temple.

Nurses to attend. Transportation will be furnished. "We are extremely fortunate in having Miss Jeanne Barr of the National staff as our coordinator for this seminar," said Mrs. Duffy.

All nurses attending this seminar will be gaining much needed experience to help Highlands County during a natural disaster, said Mrs. Duffy as she urged all interested in attending this seminar to please call the Red Cross office EV 54443 to assure reservation.

Miss Durr, a native of West Virginia has a long background of Red Cross association, beginning her Red Cross career as a volunteer in the Monongalia Chapter in Morgantown, W. Va. In May of 1962 she completed a round trip voyage to Cuba aboard one of the nine "merry ships" provided to the American Red Cross in conjunction with the prisoner exchange supplies program. In addition, she has served on numerous other disasters including Hurricanes Billa and Carla, the West coast floods and storms of 1961 and the Palm Sunday tornadoes of 1965.

Christmas Bags For Overseas Deadline Oct. 16

Mrs. Florence L. Peach, executive secretary of the Highlands County chapter of the American Red Cross, is urging all organizations, clubs, or individuals who are participating in "Operation Santa Claus," the Christmas duty bags for servicemen and women in Vietnam, to get their completed bags to the Red Cross office by October 16 at the latest, as they must be in the mails by October 20.

Packing boxes made to special specifications are being donated by the St. Regis Paper Co. Container Division of Lake Placid. They have been ordered from their plant in Jacksonville and will be sent this week to the Lake Placid plant.

LET'S FACE REALITY--- NOT EMPTY PROMISES!

Instead of the promised Utopia of progress and prosperity—what really happens when the people of a county vote to permit the sale of liquor and beer by the package and by the drink?

Here is what has happened in Polk County, where the people recently voted for "legal control:"

Sunday, October 1, 1967 Lakeland, Florida

Many Haines Students Admit Drinking

HAINES CITY — More than 50 students at Haines City High School are regular drinkers — turning to alcoholic beverages every weekend, if not more often.

Another 75 have a drink or drinks at least once or twice a month.

At least 25 of them started drinking before they were 11 years old. Between the ages of 11 and 17, the starters num-

bered 228. Oddly, few of the older students, those 17 and 18 years old, have taken up drinking; only 14 admit to picking up the habit in any degree.

These confessions come from the students themselves.

The school's American Government classes, questioning articles in The Ledger concerning alarm at teen age drinking in Haines City, conducted a poll of the entire student body of 535 students.

A huge percentage returned

the questionnaires, presumably honestly marked.

The survey directors concluded: "Our study leads us to believe that teen age drinking is a problem in our city but we do not feel that it is as bad as stated in the articles."

They objected to any implication that teen age drinking erupted in any sudden burst this year, noting that the survey indicates that most students who drink began drinking during or before 1966.

Ledger Special

Survey directors sent copies of the questionnaire results to Haines City Police Chief Tom Morgan, Juvenile Court Judge Braden Hunt and County Attorney John Dwyer.

Apparently convinced that teen age drinking is no worse and no better than at any other school, the surveyors challenged other high schools in Polk County to conduct similar polls.

The questionnaire centered on four revealing questions: Have you ever drunk alcoholic

beverages? Yes, 319; no, 195. Do you still drink? Yes, 196; No, 123.

If yes, do you drink: Regularly (every weekend), 55; occasionally (once or twice a month), 75; seldom (special occasions), 74.

At what age did you start drinking? 11 to 14 years, 28; 15 to 16 years, 107; 17 to 18 years, 14.

Boys outnumbered the girls drinking, but not by a huge majority.

IS THIS WHAT WE WANT?

A vote against liquor is a vote against juvenile delinquency.
A vote against liquor is a vote against more deaths on the highways.
A vote against liquor is a vote against more crime.
A vote against liquor is a vote against more alcoholism.

The Journal of the American Medical Association for July 19, 1958 carried this statement: "Robber of five million brains — this is alcohol. Alcohol stands fourth among the leading health problems of the United States, outranked only by mental illness, heart disease, and cancer."

IT'S A BIRD, IT'S A PLANE, It's Superdeer? The humanlike expression sported by these Axis deer in the San Francisco Zoo might give that impression. Actually, they were left slightly agape by a squadron of low-flying jets.

In the News

TOP-LEVEL SHAKEUP in the British government put Prime Minister Harold Wilson in the news recently as he shuffled cabinet members, dropping some, bringing in new blood and naming himself supreme head of Britain's economic reform program. Wilson, whose Labor party ended 13 years of Conservative party rule in 1964, succeeded Sir Alec Douglas-Home.

Council Holds Three Special Meetings On New Post Office Site

The City Council held three special meetings — one on Friday and two on Monday — exploring the possibility of formally protesting the new site of the post office which will be on three lots on South Verma between East Pine and East Walnut.

Friday night the council voted to call Congressman James A. Haley in Washington to register their protest of the site because of its proximity to the high school and it was feared would cause traffic congestion in the area.

Councilman Al Wright, Councilman Lane and Councilman Martin voted for the motion. Councilman Martin voted against and President Scott abstained.

City Attorney H. N. Nunnally called Mr. Haley and the Congressman told him that Congressmen only come into a matter of this type at first on basis of need for a new post office, then the post office department made a survey by sending a team to evaluate the three or four sites best suited for a new post office. Congressmen only further stated that the post office department made the final decision. He referred the city to the Post Office Department in Atlanta.

On Monday morning Postmaster R. D. Young appeared before the council stating that the new facility would cost approximately \$85,000.

on a 34,000 square foot plot. He also stated that if a protest was registered that it could cause the city to lose the facility.

In a vote taken on the question Monday morning Councilmen Lane and Al Wright voted to go ahead with the project and Councilmen Martin and Scott voted not to formally protest. Councilman Howard was not present at the morning meeting, leaving the question at a stalemate.

Another council session was held on Monday evening with the members of the council present with President Scott absent due to illness.

Again Postmaster Young wanted that a protest could cause delay or cancellation of the project. On a motion by Councilman Martin and Councilman Wright, Councilman Howard and Lane, it was finally decided not to have the city officials contact the Atlanta Post Office Department. Councilman Albright voted against the motion.

The council voted to meet again at 7:30 p.m. in the council chamber at city hall.

Devils Meet Clearwater Friday Night

The Wausau Wildcats drove seventy-one yards from the opening kickoff for one touchdown and converted an Avon Park fumble into a 13-yard recovery TD scramble late in the first half to take the lead. The Red Devils held the lead at Memorial Stadium last Friday before a large crowd of football fans.

The win over Wausau's record at 4 wins and one loss and dropped Avon Park to a record of 2 wins, 2 losses, and 1 tie.

This week will be homecoming for Avon Park as they meet Clearwater Central Catholic at Memorial Field for the last home game of the season. Homecoming activities will start at 7 p.m. with kickoff time set up a half hour to 8:30 for this week. The Clearwater Catholic team has lost only one game in five starts.

The Maunders have lost to Tampa Jesuit while winning over Gulf High of New Port Richey, Pinellas, Palm Beach and Turkey Creek last week 20-7.

The Red Devils just could not move the ball against the Haidee defense last week. Three times in the second quarter the Devils offense had the ball within the Wildcat 15 yard line and couldn't push it over for a score. In the third quarter Avon Park never got into Haidee territory but in the final period the Devils moved to the Wildcat eleven but fumbled back to the sixteen and lost possession.

Wausau took the opening kickoff and moved to their own forty for a first down before drawing a fifteen yard penalty which drove them back to their 25 yard line. From

Maxey Murder Trial Set For Monday With 100 Witnesses

With the first degree murder trial of John J. Sweet only four days away, the defense attacked the jury venue as having too few women and released the first list of witnesses it will use.

Sweet, 31, a paleographer at the funeral of Charles Von Maxey, whom he is accused of killing October 3, 1966, will go on trial for his life in Highlands County Courthouse Monday. The prosecution seeks the death penalty.

As this was written, no orders had come through on whether the press and public will be allowed to attend the trial during the selection of the jury.

Or on whether the trial will be removed to Polk County.

Also awaiting ruling by Circuit Court Judge William K. Love, who will preside, is whether defense attorneys will be permitted to take a deposition from Maxey's widow, Irene, on whether statements made by Sweet to members of the sheriff's office, the sheriff's bureau and Mrs. Maxey will be suppressed, and whether all evidence held by the prosecution, favorable to the defendant, will be disclosed.

Defense Attorney James McEwen of Tampa spent most of Tuesday afternoon looking over documents, papers and other tangible evidence such as a bullet held by Sheriff Bernard Coker and the Sheriff's bureau.

Among the list of witnesses McEwen will call is Walter Herko, manager of the South Lake Wales Yacht Club. It was here that Sweet and the widow Maxey, star witness before the grand jury which indicted Sweet last May, dined together on steak just a few weeks ago.

Others called to appear at the trial next Wednesday were H. L. Bishop of Lake Placid, Attorney Harry Lee, Roger Miller, Walter Pickett, W. H. Smith, Dr. Gene Cruse, Kenneth Wezel, C. L. "Dutch" Van Inwagen, Bertha Jones, Aubrey Williams, Etha

Highlands County went wet all the way Tuesday voting wet over a dry county by a large margin and for sales by the drink as well as the package by a smaller margin.

But wet wet wet: It was one of Highlands County's biggest election items, as 7,000-35 per cent of the electorate cast their votes.

A total of 4,181 voted wet. A total of 3,126 voted dry. A total of 298 for sales by the drink and 3,164 for sales by the package only, passing this by 362.

The result was pretty wet, even by about 8 P.M. Tuesday when final returns from the machines came in, with a margin of more than 1,000 for wet county and a margin of 298 for sales by the drink with 327 absentee ballots to be counted. Of the 41,811 votes were cast for various reasons.

The absentee ballots will be counted by the county clerk's office. The absentee ballots were cast for various reasons. The absentee ballots were cast for various reasons.

Elections commissioners Carl McIntyre and Mervin Rehner met Tuesday morning with Drost to certify the vote.

A recap of the vote indicates that all but three precincts went completely wet. These were No. 1, Avon Park District Club; No. 3, County Barn, Avon Park; No. 14, Venus. In addition, two went wet, but endorsed package stores only. These were No. 12, Lorida; and No. 8, Sebring Tourist Club.

This is the first time in the county's history that sale of liquor by the drink has been legalized. Package stores have been authorized since 1948.

Highlands County residents probably will have to wait a month or so before they will be able to buy liquor by the drink here, because the mechanics of getting licenses may take at least that length of time.

In Highlands County, there now will be five club licenses available, but no public quota.

Etter, was found in Boston, dead, in the trunk of his car last February. Von Etter was highly regarded on the list of suspects in the Maxey murder.

Maxey, tall, handsome, millionaire, cable and citrus man, son of one of Central Florida's best known, highly respected and wealthiest families, was found shot and stabbed to death in his luxurious ranch home West of Sebring.

Before his death, the Sweets and Maxey had been seen socially together, and afterwards Sweet and Mrs. Maxey were seen frequently together.

Mrs. Sweet, a nurse in Massachusetts, now is here to stand by her husband during the trial.

In Highlands County, there now will be five club licenses available, but no public quota.

Etter, was found in Boston, dead, in the trunk of his car last February. Von Etter was highly regarded on the list of suspects in the Maxey murder.

Maxey, tall, handsome, millionaire, cable and citrus man, son of one of Central Florida's best known, highly respected and wealthiest families, was found shot and stabbed to death in his luxurious ranch home West of Sebring.

Before his death, the Sweets and Maxey had been seen socially together, and afterwards Sweet and Mrs. Maxey were seen frequently together.

Mrs. Sweet, a nurse in Massachusetts, now is here to stand by her husband during the trial.

Time Less For Some: Once the five are selected, the time would be less for those who already have a beer and wine license, such as the VFW, because their efforts already have been fingerprinted and cleared by the FBI. There also are other conditions. A party must pass a state board of health test, get approval by the state beverage director, and have its zoning cleared by city or county. Davis said that once a place has met all the requirements, it would take a week or so to get the license.

Licenses also will be available for any hotel or motel that has not used the 10¢ rental units.

They Are Scrutinized: The license must be scrutinized by city council, county commission and the beverage department and there are many requirements, he pointed out. It could take at least 30 to 60 days to get clearance.

Any existing package store license that desires to change to alcoholic sale by the drink would have to contact the district of law of the State Beverage Department in Lakeland and submit proper application.

Splitting of licenses will not be allowed. For instance, the package stores will have to have their bar—if they have one—on the same site as the store, which for some will mean a zoning change. The public licenses allowed for each 2,500 of population cost \$500 per year, club licenses \$250 and hotels and motels with over 100 rental units, \$500.

Police Dept.: The Avon Park police department has advised that they have made twenty-eight arrests from Oct. 1 to the 16th. Broken down into categories they are:

- 5 arrests for drunkenness
- 3 arrests for disorderly conduct
- 3 arrests for assault and battery
- 3 arrests for exceeding speed limit
- 3 arrests for reckless driving
- 1 arrest for destroying city property
- 4 arrests for failure to have vehicle under control
- 6 arrests for traffic accidents

Golf Course To Open On Saturday, Nov. 4: The Avon Park Golf Association, Inc. has formally announced the newly renovated 18-hole golf course will be open for play on Saturday, Nov. 4. The gala grand opening will be held on Saturday, Nov. 4.

President W. R. Reck stated that the greens will be in tip-top shape and between now and the opening of it is going to be a fine time to top dress the greens and smooth them out. Also the traps are being cleared out and new sand will be put in them.

Throughout the championship 18-hole golf course, rest rooms, rain shelters and the club house are all being renovated. Reck pointed out that a new bridge is being built across the creek on the second fairway.

A comprehensive membership drive is being conducted by the board of directors, Reck, R. D. Young, Cecil Skipper, Aaron Craven, Roy Kirby and Robert King. They have appointed a membership committee consisting of Vernon Lanier, John Giddens, chairman, Vern Griffin, Howard Miner, and Jim Turnbull.

Membership in the golf club will cost \$100 for green fees and \$20 for Association dues on a family basis. For those winter visitors who are here for a shorter period than a year, a 90 day fee of \$65 dollars plus \$10 Association dues will be collected. A daily green fee has been set at \$2.50. Anyone may join the Association by contacting any member of the board of directors or by getting in touch with any member of the membership committee.

Anyone may join by paying \$30 down and \$30 on the first of each month until the dues are paid. The 90 day membership must be paid in advance.

Paul Foraker Named Service Editor for FARP

Appointment of Paul C. Foraker of Avon Park as Information Services editor for Florida's Alcohol Rehabilitation Program has been announced by the department's director, Don Thieme.

Foraker, a West Texas, is a graduate of Texas Tech at Lubbock, Texas, where he majored in journalism. He has served as editor and sports editor of newspapers in Texas, New Mexico, and Louisiana, as well as editor of a farm magazine in Louisiana, director of promotions for Louisiana Department of Agriculture, and news director for a West Texas radio station.

A veteran of two years in the U.S. Army, Foraker has been active in church work, especially working in the fields of music and youth.

Board Hires Two New Firemen

In a meeting held last week the Civil Service board hired two new firemen for the city department bringing the department up to its full quota of four men.

There were two applications for the jobs and both were accepted. Ronald Charles Watson, 322 S. Lake Avenue and William Thomas Goldens, 17 S. Central Ave., the son of Fire Chief Wilbur Goldens, were the men appointed.

The board approved Watson's appointment unanimously and Goldens appointment carried with only Chief Examiner, Dr. John E. Kruse, voting against the appointment.

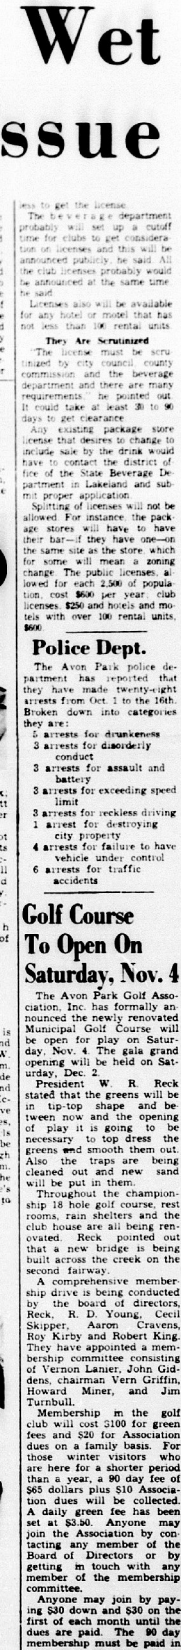

Attending the meeting were the members including Jesse W. Vickery, Councilman Milton Howard, Asst. Fire Chief Max Flowers, Chief Wilbur Goldens was present as an Ex-Officio member of the board. Mannin Kirkland was not present at the meeting presided over by Dr. Kruse.

Hunters Beware

Back in the olden days it was the accepted policy of peace officers in small towns to hide behind a bush or a billboard and when some unsuspecting tourist came by exceeding even slightly the speed limit, jump out and "ketch" him and sock him with a good healthy fine. It ran to ten, twenty and even more dollars and the officer would put part of this fine (they called it the "fee" system) in his pocket and then find himself another bush and wait for the next sucker to come along. Fortunately this iniquitous state of affairs no longer prevails. Due to strong opposition from the public and this type of law enforcement has faded into disuse, or so it has appeared.

Lately, though, certain members of the game departments have decided to bring the old "ketch" system back into operation, and numerous arrests have been made in such a manner and under circumstances which would indicate a strong desire to "ketch" someone breaking the law, even slightly and fine them, rather than prevent the infraction in the first place.

This being the case, it might be a good idea for all the hunters in this area to be made aware that this is going on, and let them beware of any minions of the law who are again lurking behind the bushes and arresting many of our young hunters who may not even know they are breaking the law. If there is any doubt of guilt it is possible that more can be accomplished by giving a young hunter the benefit of the doubt, than to just sock it to him and cause him to lose all respect for the law and the people whose job it is to enforce it.

Letters To The Editor

319 S. Florida Ave.
Avon Park, Fla. 32822
Oct. 19, 1967
Letter to Editor
The Avon Park Sun

Reference is made to letter to editor dated Sept. 14, and signed by initials only. This, I hope is in answer to the party who was afraid to sign his name. I am confused, ashamed for this party, and beg the indulgence of the fine folks in Avon Park.

To begin with, when I left a large city, and came here to make my home, I didn't make this move blindfolded. I had checked and rechecked the many facts of life here, and like every other place, it has its faults. But how, I say, if you must complain, wait until you can offer a constructive change for the betterment.

Of course, in this case, I figure that OMC did not get his party in, or he didn't make the contact, that might not be something in "his" pocket. In the first place, it isn't the right time to go to the office, but to articles to any paper; its considered clean, and indicates it was written by a spoiled brat, a backslider, a sorehead, or a non-user. In any event, for me, I'm glad his party wasn't running for any office that had any importance. Let's pick it apart.

Stagnation. Well, in a very minute way, I can go along with this, but in only so far as certain housing and landscaping, with its maintenance fees. For I find that there is a tendency to place a sale value on property, that is away a high for the actual market value of the area. And how can you find that one can purchase a 9, 10 to 12 thousand dollar lot, in other areas for a little as \$100 down, and a monthly payment, that the district kind of folk would likely be able to pay, but here in Avon Park, you find, none of this. Owners want a third, and slightly less down, and the monthly payment is apt to be far too high for the kind of buyer, but would more aptly be for a boy and live, and make the community proud that they had a fine folk.

Brandy says we have beauty here. And the thing that really appeals to the newcomers is the beauty of the Avon Park residents. It's both beautiful as well as beautiful. This, in addition to the natural beauty, that the good Lord sees fit to bless us with.

OMC just gives on about many leisure hour facilities, that we could have; if

only his party had made the effort. Just how stupid this sounds would, of course, depend upon the party reading it. There never was a community center, and I don't see in the future, that I don't want these things, and so, both of you and I know, that only I say again, only if the city, or area, is given enough money to back these desires, I'd even bet, (not knowing a thing about this party), that if the residents were asked for more taxes, for just the things that he's grinning about, one could hear this party swear and scream for 50 miles. What about it, huh?

Sure, it's true, that the city didn't cut the high weeds on the property, where the owners didn't or wouldn't cut it, and this caused more knots and mosquitoes, (in other places, the city reserves this right on all property, and the one, therefore, is added to the taxes), but in all the places I've ever lived, and that's many; have I ever seen, trash and garbage removed so regularly and with such speed. No noise and fanfare, just a beautiful job. And the sanitation department does a much better job, than I have ever seen, and still doing it. I say, that if you are not satisfied with the things that are, why don't you give 'em more money to do all these nice things with, huh?

They can't please every body, no more than you can. Now that we have a new machine and get our shoulders to the wheel, and see what we can come up with.

Yeah, I suppose we do have, half-brights, vote buyers, stunts, and manipulators, yes, sure do. I recognize 'em, but we also have grippers instead of does too. Which one is the best? But, I take news for you too. We have some of the finest folks I've ever had the pleasure of being around, in Avon Park, they say, and it's only too true, Birds of a feather flock together. And if you look for the good in folks, you won't have time to see the bad. Now, baby, you won't see no ordinary of a city while my typewriter still works, and I still do editorials for the news media.

Not afraid to let myself, — Chas. H. Hicks

DON HASSFUTHER, president of the Avon Park Rotary Club, welcomes members of the Avon Park and Sebring Rotary Clubs to APCI last Tuesday night. The two clubs held a joint meeting at the institution. —

Rotary Report

LAST WEEK! Avon Park and Sebring Rotary Clubs, their Rotary Aunts and guests enjoyed a joint "Ladies' Night" dinner meeting last Tuesday at the Avon Park Convention Institution, hosted by Don R. Hassfurther, Superintendent and currently President of the Avon Park Rotary Club.

A tasty and bountiful dinner was served in the main dining room. The Rotary Aunts and lady guests received courtesies.

Following the dinner hour, John Townsend, Employment Director of the Institution, presented a documentary film entitled "The A.P.C.I. Story", prepared by Television Station WFLA, Tampa's Channel 8.

The picture portrays the philosophy behind the minimum security program being carried out there and depicts the educational and recreational facilities offered, as well as the physical plant and layout of the operation.

Located on the US 90 acre military reservation, the institution has under lease 370 acres for its use in vegetable farming, swine and poultry production. Approximately 70 percent of the food used is produced there by the personnel.

The A.P.C.I. is like a little city, with church, hospital, five classrooms, and schools, both academic and vocational. A sign at the entrance reads "Population 381", the dormitories are said to accommodate 750.

An AA program is active, and is an important factor in the rehabilitation of many.

One hundred eleven are employed at the establishment with the annual budget for salaries of \$61,000, making it the largest employer in Avon Park.

The motto at Avon Park Convention Institution is: "Character, integrity, and good will in all that we do." Understanding rather than condemnation. Education in place of isolation, and freedom instead of locked cell doors. Our program is designed to help the "Individual Help Himself."

This institution and program was established in 1957, and has proven very successful. Of those who serve at Avon Park and are released, only 12 percent return to the State prison system; this compares with the national average of 60 percent.

Following the meeting, many took advantage of the opportunity to visit the display showing the wide variety of beautiful, skillfully wrought objects, products of their crafts and hobby activities. Among the items were those of boiled leather, metals, woods and ceramics.

A.P.O. Club

The A.P.O. Club will meet Tuesday, Oct. 24 at 7 p.m. in the board room of the First National Bank in Sebring.

Completion of operation Santa Claus project. Twenty-five bags have been prepared and will be sent to the Highlands County boys serving in Vietnam.

Avon Park Man Killed by Train

A 77 year old Avon Park man was killed by a Seaboard Airline Train at 7:30 a.m. on Monday morning.

Highlands County Deputy Sheriff Bob Barringer investigated the mishap. He stated that Vernal Charles Brammell was apparently standing on the east side of the railroad tracks watching a two car accident that had occurred a short time before, when according to Deputy Barringer, Seaboard Train 21 operated by Engineer L. M. Loney of Wildwood struck Brammell killing him outright.

The accident occurred across from Walker Memorial Hospital. The two car accident was investigated by Trooper Wilbur Woods of the Florida Highway patrol. City police chief Earl Gordon and patrolman Denby Jackson also assisted at the scene of both accidents.

Service on the railroad was delayed about 30 minutes according to Deputy Barringer.

Effective July 1, 1968, provides that any person operating a motor vehicle in Florida shall be deemed to have given his consent to submit to an approved chemical test of his breath, urine, or saliva for the purpose of determining the alcoholic content of his blood if lawfully arrested for an offense in which the person was allegedly operating a motor vehicle under the influence of alcoholic beverages. Refusal to submit to a chemical test will result in the suspension of the licensee's privilege to operate a motor vehicle for a period of 6 months. Suspension becomes effective after 10 days of written notice thereof. The person accused of the offense can petition the court having jurisdiction for a hearing which must be held within 20 days of filing the petition with the court. Only competent medical personnel are authorized to withdraw blood for the purpose of determining the alcoholic content thereof. The person tested can request that full information concerning the test be made available to him or his attorney.

Police Clarify Light - Stop Sign Problems

Police Chief Earl Gordon has issued a statement that where a traffic light and a stop sign are located "one at Cornell and S. D. Loney and at US 27 and Main Street intersection that the traffic light takes precedence over the stop sign. If the light becomes inoperative for any reason, then the stop sign would be in effect.

Sherry Darlene Smith Weds Kenneth Arland Spurlock Oct. 6

The solemnization of wedding vows by Sherry Darlene Smith and Kenneth Arland Spurlock took place October 6 at 3 p.m. in the Bowling Green Church of God in Bowling Green, Fla. Mrs. Lora R. Smith and the late Bertie L. Smith are the bride's parents. The bridegroom is the son of Mrs. Verne Spurlock and the late G. R. Spurlock. The double ring ceremony was performed by Rev. J. Frank Gumsley, Perry, Fla. The bride was given in marriage by her brother, Mr. Milton Elwood Smith, Fort Myers.

A background of palms, candelabra holding white tapers, arrangements of white mums and gladioli and an arch entwined with fern and white mums formed the background for the wedding. Urns of flowers in alabaster columns flanked the sides of the kneeling bench.

For her wedding the bride chose a floor length, sheath gown of bridal satin, overlaid with Alencon lace, pointed neck line featuring flowered appliques centered with self covered buttons, wrist length sleeves coming to a point over the wrist. Chapel train fell from the shoulders, made of Alencon lace. Her veil of imported illusion fell from a cluster of organza petals accented with seed pearls and crystal stars. She carried a cascade bouquet of white stock centered with two yellow chrysanthemums, white satin streamers, orchids, white satin streamers.

Organist Mrs. James W. Miller, Bowling Green, accompanied the soloist Mrs. Thomas Sleepe, Avon Park, who sang "Each for the Other," "Whither Thou Goest" and "The Wedding Prayer."

The bride's twin sister, Miss Sharon Smith of Bartow served as Maid of Honor and wore a floor length, sheath gown of green peau de soie overlaid with lace and carried a bouquet of bronze mums with bronze streamers.

She wore a matching green crested veil falling from green petals. Miss Wanda Gibson of Bowling Green and Miss Debra Ann Cooksey of Fort Myers served as bridesmaids and wore dresses in gold designed like the bride's attendants and carried bouquets of bronze mums and heads of matching gold petals.

The bride's mother chose a two piece dress of powder blue silk, interwoven with metallic thread, white accessories for her daughter's wedding and wore an orchid corsage.

Mother of the groom wore a green printed dress with black accessories and wore a purple orchid corsage.

Rev. Thomas B. Sleepe, pastor of the church, officiated. Groomsmen were David Woodward and Rev. Connie Westberry of Avon Park. Ushers were Carl Spurlock, brother of the groom, and Roger Smith, nephew of the bride, from Fort Myers. Master Jeff Spurlock, nephew of the groom served as ring bearer.

The bride's traveling outfit was a line gown sheath with black accessories and wore a purple orchid corsage.

The three tiered wedding cake decorated in yellow and white, was overlaid with white lace over a yellow spread. Flowers in yellow and white with white candelabra enhanced the table.

Miss Gloria Harris of Bowling Green and Miss Edna Spurlock of Avon Park presented at the bride's book. Mrs. Vera Massengale of Atlanta, Ga., presented the bride's gift. Mrs. Ruth Elkins, Mrs. James Cameron, Mrs. David Danson, Mrs. Floyd McHenry all of Bartow, assisted with serving.

There were out-of-town guests from Miami.

Christmas Gifts For Boys In Vietnam

Mrs. Peach, executive secretary for the Highlands County Chapter of the American Red Cross, is presented with dozens of "ditty bags" from Avon Park by Mrs. T. H. Maxwell to be sent to Vietnam for the soldiers' Christmas gifts.

Mrs. Maxwell wishes to express her thanks for the many responses she received from people and organizations to make and fill these bags.

She reported that 27 bags to date have been turned in from the Avon Park and the WWII Barracks and the WWII Auxiliary made and filled 27 of the Home-makers Club, Methodist Church, Carles, the Avon Park Ladies Club and several individuals made up the total, including 15 bags made by the American Legion Auxiliary. Several people contributed money to fill the bags. The APO Wives Club will send a gift bag to each of the Highlands County boys individually. Postage adds up to quite a large sum of money for mailing these gifts. Contributions to the Red Cross for this need will be appreciated.

Red Cross First Aid Course Completed

Of the thirty ladies who enrolled with Mr. Dixie Scott for the standard course of First Aid, ambulance driving and attendants, 29 completed the course, were examined and passed by Mr. Scott.

Fifteen Gray Ladies with Grace Correll as their head were included in the course. The class met each Monday and Thursday at the Florida Power Lounge for a period of two hour sessions. They extend their thanks to Florida Power for the use of their lounge. A number of the enrollees took the ambulance driving and attendants course. The Gray Ladies took the course for better information for themselves. The Red Cross needs more drivers for the Motor Corps and volunteers may contact Mrs. Florence Peach, Director of Red Cross located in Sebring where she may be contacted.

Mrs. T. Hayes Maxwell served refreshments after each meeting. Mr. Scott extends his thanks to her for her efforts.

Those completing the course were: Lucille Noonan, Violet E. Davis, Ida Wilson, Ethel Youniss, Ellis, James Bell, Kerney, Jr., Mary Sallier all from Sebring; Stornet C. Former Avon Park Teacher Dies Monday

Mrs. Virginia H. Cloud, 77, of 730 Nottingham, Orlando, died Monday in a nursing home in Easton, following a long illness.

Mrs. Cloud was a former resident of Highlands County, making her home in Avon Park, where she was on the faculty of the elementary school. She was the widow of Dr. Joseph Lamer Cloud, Avon Park physician.

She was born in Marshallville, Ga., and came to Avon Park in the early 20's. Mrs. Cloud moved to Orlando a number of years ago to make her home with her daughter, Mrs. Robert W. Peacock and family.

Funeral services will be held at 2 p.m., Thursday in Marshallville, under the direction of the Watson-Matthews Funeral Home of Monticello, Ga. The family has requested in lieu of flowers, contributions be made to the Orange County Heart Assn.

In addition to the daughter, survivors include two grandsons, Robert W. Peacock, Jr., a senior at Mercer University, Macon, Ga., and Daniel Lamer Peacock, Orlando, a step-daughter, Mrs. George R. Mowley, Lakeland, one brother, A. J. Hagrove, Lakeland.

Card of Thanks

Letti Witt extends her thanks and appreciation to her many friends for their cards, flowers and visits and thanks to the staff of the Waker Memorial Hospital who were so kind and thoughtful to her during her recent hospitalization.

Junior Band Members To Sell Doughnuts Sat.

It is a doughnut and doughnut time again. Every other Saturday the Avon Park High School Junior Band members will be on the street to give the people in this vicinity a variety of plain, sugar, apricot or glazed doughnuts.

Mr. L. Nickley reports more than 100 doughnuts were sold in five years at the last sale. Saturday Oct. 21 the boys and girls in their red jackets will be stationed in front of Towne's, The Food Fair and the Kwik Check. People who wish early hot doughnuts must go to the home of Calvin Mason where they are made. Mr. Nickley and his wife will be in charge of the doughnut department of the Ways and Means Committee headed by Donna Ferguson. The making of money for the band has been an annual many parents are experienced, but new persons will be welcomed by calling Mr. Nickley and offering to stand shade, pack, fly or mow. Even just drive to the stand. Although the sale will start at 9:30 these hot cakes go so fast they will probably be a sellout before noon so advice from localities is to shop early for these fast-selling doughnuts.

THE HIGH SCHOOL has a brand new "Red Devil" which was molded and finished by Mr. Mickey Heath, the same man who created the original. The old "Red Devil" was destroyed by Lake Wales students several weeks ago at about the time Avon Park and Lake Wales were scheduled for a football game. Mr. Heath has molded many replicas of swans and deer which can be seen about the city. The boys who destroyed the old statue were apprehended and their case was settled by the payment of fines. —(Sun photo)

Circle 2 W.S.C.S. Met Wednesday

Circle No. 2 W.S.C.S. First Methodist Church, met at the home of Mrs. Alice K. Miller, 299 N. Lake Ave., at 8:30 a.m. Wednesday, Oct. 11. The hostess served a variety of pastries and coffee. Mrs. Edgar S. Miller presided at the meeting in the absence of the Chairman, Mrs. Mary Branson. Mrs. Cecil Ferguson gave the devotional and each member quoted their favorite Bible verse. Mrs. Frank Henderson

presented the program, giving a very interesting talk on Homes for working girls in large cities, sponsored by the Methodist Church. The Circle members are selling Christmas Cards. These cards have a picture of the interior of our local Methodist Church. The next meeting will be held at 9:30 a.m. Wednesday, Nov. 8, 1967, at the home of Mrs. Frank Henderson, 299 N. Lake Ave.

Notice

Highlands Chapter No. 42 Royal Arch Masons invited all Masons and families and friends. Order of Eastern Star members and families to worship with them at the First Presbyterian Church of Avon Park, Sunday, Oct. 22 at 7:30 p.m. on Religious Affirmation Day, which is proclaimed by Most Excellent Grand High Priest, J. W. McDonald, State of Florida.

Dale Pearl Promoted

Seaman Dale Pearl, son of Mr. and Mrs. Marvin Pearl of Highlands Ave., Avon Park, has just been promoted to petty officer third class (ETC) U.S. Navy. He was promoted at the Naval Air Station, Pensacola, Fla. He was stationed at Cecil Field, Jacksonville, Fla. This week he is flying to Pensacola for detached duty aboard the USS Lexington. Dale will serve as a computer systems instructor during four days of pilot training on the carrier.

Christian Radio Series

When a child asks, "How do I pray?" are you ready to answer? Listen Sunday, Oct. 22, 9 a.m. WJCM to part one of "Helping Children Pray."

Notice

First Fall meeting of Holy Food Community No. 27 K. T. will be Monday, Oct. 23, 8 p.m., Avon Park Masonic Temple. Visiting Sir Knights are invited. Refreshments will be served. District Deputy will pay his official visit. **Kept on Ice** One-tenth of the earth's land surface still lies hidden beneath ice.
