GERALDINE CLARK, 1729 N.W. 18th, Fort Lauderdale, commuting with his parents at Lake Bonnet Village Camp Grounds, caught this fine string of shelleckers and bass over Labor Day. All units of the camp were filled over the holiday, with 50 campers on the grounds. Everyone reported a nice catch of fish.

Electronic Communications Inc. of Cleveland has received a \$484,000 contract from the U.S. Air Force for the production and installation of communications equipment.

Rotary
LAST WEEK
August 26, 1967
Final program for August under Maria Adams' theme, "The World is My Home," was presented by the Rotarians. The program was a musical presentation of the "The World is My Home" theme. The Rotarians presented a musical presentation of the "The World is My Home" theme. The Rotarians presented a musical presentation of the "The World is My Home" theme.

ENTERTAINING Sebring Shores guests at Saturday evening Labor Day party were Sherwood Landrum, Chattanooga, Tenn.; Rex Knowles, of the Orlando Playhouse and resident of Danville Ky.; and Sherry Ann Landrum, Chattanooga, and star of the Orange Blossom Players of Orlando.

APHIS Band Assn. To Meet
Autumn brings around time to begin again, hosting the Avon Park High School Band. Being prompt, President M. G. F. Ward, has called a meeting to be held in the newly air conditioned (they hope) band room at 7:30 sharp the evening of Monday, Sept. 11. M. Ward guides a fast-paced meeting which will include in the agenda some vital matters such as:
Uniforms - Cross (17 new ones needed)
Band Day at the University of Florida, Gainesville, September 15.
Doughnuts - to use or not to use.
State Contests - to be or not to be.
Tops or Skip Budget - to what not.
If a band parent will arrive as eager and ready as M. Ward, M. Ward hopes he will come with \$2.00 in hand to cover his membership and a lot of enthusiastic ideas for promotion.
Here are the people who will direct the activities of the association for this year: Franklyn Ward, president; Billy Martin, vice president; Lew Miller, L. R. Nickerson, Don Ferguson, and Gena Bradberry as the board and of course the band director, M. Ward, who also doubles as association treasurer. Who is the secretary that is another item to be voted on.
Committee Chairmen: Apportionment - Mrs. Jessie McDaniels
Ways and Means - Mrs. Donna Ferguson
Doughnut Sales - Mr. Nickerson
Concert Ad Sales - Mrs. Dot Childers
Football Concessions - Mrs. Ed Shaw
Coffee, Candy Sales - Joyce Henry
Transportation - Lew Miller
Attendance - Mrs. Robert Henson
Publicity - Mrs. John Knapp
By-Law Revision - Billy Martin
Chapman - Mrs. Gena Bradberry
Uniform and Equipment - Mrs. Gena Bradberry
Auction - everyone to volunteer.
Chapman are needed for Gainesville Trip, Saturday, September 15. Contact Mrs. Bradberry GL 3-6393.

Boy Scout Roundup
Boy Scout Troop 22, sponsored by the Rotary Club of Avon Park, will join in the Fall program of Scout Roundup, a series of events, September 11. This regular event is aimed at bringing Scouts and their families together. They will gather at the regular meeting place, the end of the church, at the Scout house, 1220 N.W. 18th St., in Avon Park, at 7 p.m. on Monday, the 11th. We will have a short program in the Scout House. Troop 22, for a complete program, with fun, and a hot dog meal with the evening.
A Troop committee meeting September 11 made plans and Committee members are working with the patrol leaders for the Roundup. Later this month a Board of Scouts will take place. A campout at Lake Apopka and a "Parents' Night" are also in the works. Boy Scout Troop 22, 11 years of age, are urged to consider meeting at a fine group of friends in outdoor skills, good fun, and character building. The encouragement of parents is most important.
Wardlaw, 2000, has been elected in May. Wardlaw is in the Bahamas in his first venture outside the U.S. The Bahamas, then, has 12,000

HOTEL ETIQUETTE
Checking in at a hotel or motel is a custom that has carried over from the old "Guest book" days of the early 1900s. Nowadays, and hotelkeepers often feel uncertain about check-in procedures and bring their marriage certificate along to show the desk clerk, forgetting that the wife's wedding ring is a symbol to the world. Actually, signing in as Mr. & Mrs. no matter how long that title has applied, is sufficient.

Athletic Boosters To Meet Tonight
President Billy Bradberry announced that the Athletic Boosters of the Avon Park High School Athletic Association will meet tonight. The meeting will be held at the Executive Plaza, Room 4, at 8 o'clock.
All prospective members are urged to be on hand for the meeting of officers and voting on the coming year's program.
The first meeting will be held with a home game against Lake Wales next week, September 11, and some good news to be done before that time.

TO THE CITIZENS OF AVON PARK VOTE LEVER 3A SEPTEMBER 12

On August 31 a special budget meeting was held at City Hall. The tax roll was accepted and the budget accepted after it was gone thoroughly.

It gives me satisfaction to tell you there will not be any increase in millage, nor any increase for services (water, sewer, garbage and trash collection). The Firemen's Pension has been refunded by \$1,400. In the budget also is money for hiring 2 more policemen plus increase for deservicing city employees. This is big done without any increase in your taxes.

I think this proves the sincerity in my promise that I would work for what I considered the best interests of the Citizens of Avon Park. Your vote and support will be appreciated.

VOTE LEVER 3A - SEPTEMBER 12.

Avon Park Municipal Airport Becomes Heated Battleground

The Avon Park Municipal Airport has become a heated battleground in recent weeks and the "Sun" in an effort to find out just exactly what the story is, has contacted Shelby Marks, who currently operates all flying business at the airport, located at the west outskirts of Avon Park.

Shelby subleases the existing property at the airport from his father, Joe Marks. The Marks have had a lease from the city since 1962. At that time the City Council agreed to repurchase the airport, which the city did according to Mr. Marks. He further stated that the ramp west of the hangar to the runway was also supposed to be repaved. According to Mr. Marks the paving was supposed to consist of an area of approximately 200 feet wide and approximately 100 feet long. After two years Mr. Marks revealed that the City Council decided to pave a small portion of the ramp adjacent to the west side of the building. Mr. Marks further stated that the paving that they did was approximately 100 ft. long and 40 feet wide. As a result of this action Mr. Marks stated that at least he could not get an airplane into the hangar.

Another facet of the agreement was according to Mr. Marks that the City was also supposed to move and maintain the airport. Mr. Marks further stated that the City has moved approximately two times and one of these times the Marks furnished at least one more tractor and driver for the tractor.

Mr. Marks stated that they have had to increase the hangar for the past six years and during the six years have increased from two off four, but hangar doors, four small hangar doors, and part of the roof, approximately one of the roof damaged to be according to Mr. Marks, 100 ft. by 30 ft. Mr. Marks stated that they replaced 4 small doors, with one and rebuilt the four hangar doors and installed all of them in place. Mr. Marks told the "Sun" that the increase the Marks were paying did not cover the damages.

In 1964 according to Mr. Marks the City Council decided to lower the rent from \$200 to \$100 a month, rather than making any improvements on the hangar and the City Council in 1965 decided that they would contract the Federal Aviation Agency to see if the City could get money from them to make improvements on the runways. In the latter part of

Retired Persons To Resume Meetings

The Highlands County Chapter 222 of the American Association of Retired Persons, will resume meetings on Tuesday Sept. 12, 1967. First meeting will be held at the Highlands Shrine Club, located at Alternate 27, between Avon Park and Sebring. It will start with a picnic at 1:00 p.m. with meeting immediately after. Park a lunch being served at 1:30 p.m. An interesting program has been arranged and a short memorial service will be held in honor of Dr. Ethel Perry Andrews, founder and President of the AARP, and the N.E.T.A. who passed away in July 1967, of a heart attack. Mr. Lloyd Gardner, Vice President of the AARP, will be present to bring us up to date on any matters pertaining to the AARP. Any one 65 years of age or older is eligible to join whether retired or not. We will be looking for you.

Airman Batson Selected For Training

Airman Jerry T. Batson, son of Connor Batson of 102 S. Dakota Ave., Avon Park, Fla., has been selected for technical training at Charlotte AFB, Tex. as a T-4A. Four aircraft equipment control man.

The airman recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command, which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Batson is a graduate of Avon Park High School.

Highlands Needy Receive Commodities

The U. S. Department of Agriculture's Commodity and Marketing Service reports that 124,087 needy Floridians in 28 counties received food aid during July through its commodity distribution program.

This was 2,115 persons more than the number receiving aid in the program in June.

Russell H. Jones of Atlanta, Southeast District Director of the Commodity and Marketing Service, pointed out that two new commodities — butter and cheese — have been added to the list of U.S.A. donated foods available for distribution to needy families in the commodity distribution program. Foods distributed to needy families in Florida include: beef, pork, chicken, frozen, liquid, shortening, chopped meat, dried milk, tea, instant noodle, rolled oats, grits and raisins.

In Florida, the commodity distribution program is administered by the State Department of Public Welfare in cooperation with the Commodity and Marketing Service.

Of the 124,087 Floridians who received food aid in July, 8,022 were Highlands County residents.

Dr. J. Otto Edwards, president of Shreve University of Ireland, was recently granted of the U. S. Army's Department for Outstanding Civilian Service.

The second rule of tire safety is tire inspection. This means frequent inspection, particularly on long trips. But the important element is that inspection is frequent.

Check for wear, proper inflation, wheel alignment and wheel balance. Improper alignment or balance increases tire wear and causes tire damage, slobble, Pettis explained.

Winter Guest Club News

BY ELIZABETH CLARKE
Palm Beach, Fla.

SHUFFLING

With eighteen players in the tournament on Wednesday evening, the consolation winners were Tom Clarke and Jim Brown. Just as the main event final got started it started to rain. They turned for consolation winners. Charles Fosterman won and James Chamberlain won. The runners-up were Kate McAlexander and Mildred Henderson.

Main event winners on Saturday were Kate McAlexander and Charles Fosterman over Harry Longacker and Mayme Greene. Chris Calenda and Jim Brown won in consolation with Tom Clarke and Al Johnson. The runners-up Twenty players were in the group.

CARD GAMES

In Pinochle on Monday, Eddie Benson came in with a score of 688. Lura Pickell had a score of 631. Four tables were in play.

DANCES

Folks are beginning to return from their vacations, so it won't be long now till there will be more than one square on the floor at the dances.

VIA THE GRAPEVINE

Mrs. Zena Price Kellogg has returned to her home here after being called to Elizabeth, Ind. due to the death of her sister-in-law, Mrs. Walter Kirkham, and the illness of her brother, Walter Kirkham, who has improved. They are the parents of Dr. Wayne Kirkham, who is a frequent visitor of his aunt, Mrs. Kellogg.

Alta Robinson has been visiting her sisters in Toledo and Huron, Ohio. She returned home with the Zeno Warrens. The Zeno Warrens had a two-month vacation in Clyde, Ohio. Besides visiting all the relatives and friends, they attended the wedding of their granddaughter, Kathy Dauth to Tom Parker in Bellevue, Ohio. Also while they were there, a great-granddaughter was born to their oldest granddaughter, in Catalina, Ohio.

The Clarence Huggs have returned from a month's vacation in Des Moines, New York. Mr. Huggs has been ill since he returned, but is better now. Mrs. Louis Huggs had quite an extended vacation of three months. She first visited her son in Montreal, Canada. Then took the train trip through Canada to the Pacific coast. There she visited relatives in California.

Helen Floyd is coming along just fine from her recent surgery on both feet. Lillian Rodgers writes from "Lillian Village" near Lakewood, N. J. where she is visiting her daughter, Leona. Village is planned especially for retired people, a fabulous place of lovely homes, with every community activity, shuffleboard, bowling, dancing, arts and crafts, cards, concerts etc. (But still they won't have Florida's bright winter climate).

Mrs. Rodgers and her daughter spent the week-end in New York, saying goodbye to her grand-daughter and her husband, who flew to Amsterdam, then on to Santa Leone, West Africa, where they have been assigned for work in the Peace Corps. They just graduated from College in June, have been in training for their work in the Virgin Islands. Mrs. Rodgers' grand-daughter, Marley Cleveland Thomas, has visited Mrs. Rodgers in Avon Park.

Mr. and Mrs. Walt Sowers and Mr. and Mrs. Gus Sowers have been having a very pleasant holiday at the Thousand Islands. They plan on returning to Avon Park in December.

The Richard Dickinsons have returned to their home on Cherokee Circle after a nine week trip to the New England States.

Enroute north they visited Stone Mountain in Georgia and spent several days in the Smo-

47 New Volumes Added To Law Library

Highlands County's fledgling law library got a boost this past week with the addition of 47 new volumes, mostly of law books.

Among the additions is a "Couch on Insurance" (17 volumes), "Bender's Forms of Incorporation" (10 volumes), "Wharton's Criminal Law and Procedure" (the volumes), and "Nichols on Eminent Domain" (six volumes).

The books were selected by a committee of the Highlands County Bar Association, and committee members spent Thursday evening at the law library in the courthouse rooming the shelves.

The library was started about two years ago. Earl Rich is the law librarian and Mrs. Vera Bowers deputy law librarian.

They entertained their daughter-in-law, Mrs. Richard Dickinson Jr. and grandchild, Elizabeth and Richard III from Geneva, Switzerland. The remainder of the time was spent visiting their family and friends and enjoying trips through the White Mountains and along the New Hampshire and Maine Coastal areas.

Edith Parker is much impressed from her recent heart attack, and is planning on returning to Avon Park in November.

The Most Combs in Solon, Maine have been having a summer. They visited their son in Lisbon last week. They plan on being back in Avon Park in November.

The Harold Faulkners in St. Paul, Ohio, have been practicing up in Shuffling all summer; they will be right in form when they return this fall.

Some 400 or more persons are expected to leave this city on Oct. 19 and travel down the Valley by boat for four days of boating fun. What keeps people coming back for the Boat-A-Cade is so changed, the cruise as if brand new. Since the Flood Control and water conservation project is in effect, the water is "just right".

While the first cruise was for "men only," some years back it began changing. Men began bringing their wives, and it became a "couple's event," and in the last 5 years it has become a family affair with the entire family joining the fun of camping and cooking out.

"Safety," an important factor for Boat-A-Cade has made the annual trip totally free from any major accidents. Participating State agencies and the concern for the individual boaters makes him feel confident of a safe journey.

The big event starts with activities on the Kissimmee Lakefront on Wednesday with boating and camping displays, barbecue and an important briefing to familiarize the boaters with the trip.

The first day out boaters

MISS KAY HARTWELL, daughter of Dr. and Mrs. Donald Hartwell is enroute this week for Loma Linda, Calif., where she will attend Loma Linda University of the Seventy-day Adventist denomination school. Miss Hartwell will take up studies to complete her degree as a Dentist Hygienist. Currently she has been employed during the summer in Dr. John Palgrove's office. Miss Hartwell will pick up her classmate, Betty Greene in Atlanta and drive to California. They will stop at points of interest enroute.

Kissimmee Boat-A-Cade October 19

When the Boat-A-Cade starts its annual voyage down the Kissimmee Valley Waterways in October, old-time members will zip back into the past to recall the romance, adventure and glamour of the Kissimmee Valley of old — a nostalgia in an area that has gone forever.

This is the 18th running of the annual event, and the Kissimmee Valley has attracted boaters from throughout the country. Advance registrations are coming in as usual with many out-of-state parties.

Some 400 or more persons are expected to leave this city on Oct. 19 and travel down the Valley by boat for four days of boating fun. What keeps people coming back for the Boat-A-Cade is so changed, the cruise as if brand new. Since the Flood Control and water conservation project is in effect, the water is "just right".

While the first cruise was for "men only," some years back it began changing. Men began bringing their wives, and it became a "couple's event," and in the last 5 years it has become a family affair with the entire family joining the fun of camping and cooking out.

"Safety," an important factor for Boat-A-Cade has made the annual trip totally free from any major accidents. Participating State agencies and the concern for the individual boaters makes him feel confident of a safe journey.

The big event starts with activities on the Kissimmee Lakefront on Wednesday with boating and camping displays, barbecue and an important briefing to familiarize the boaters with the trip.

The first day out boaters

will travel through the Chain of Lakes and down the River where Seminole Indians once roamed. Joe and Wanda's Fish Camp. The second night will be spent at Belle Glade on Lake Okechobee, and the third night will be at Camp Kimo. Here you will experience the true outdoor atmosphere, camping and cooking out, sleeping in the boat in your sleeping bags.

As boats have grown in size and the bigger motors put to use, so has the Boat-A-Cade grown in length. 17 years ago when Dick Mackinnon, Kissimmee hardware man, organized the first, it was a real test of boatmanship to get as far as Lake Okechobee. Now a single day run is almost as long as the entire first trip.

Registrations and additional details may be obtained by contacting the Kissimmee Boat-A-Cade, Inc., P. O. Box 776 Kissimmee, Florida 32741.

GRACEVILLE, Fla.—Florida's Williams Family hailed as the world's happiest, now hold its 44th annual reunion at the Galle Tabernacle October 7. More than 2,000 Williams are expected, as usual.

Since the family first gathered in 1863, the Williams clan has returned again and again to share fellowship and meet new members under the spreading live oaks around the old Galle Methodist Church founded by a Williams before most of today's generation were born.

The Williams clan, estimated at 2,000 in Florida alone, was founded by Andrew Elton Williams who settled in Jackson County in 1822 and sired 12 sons and 11 daughters.

Pay Your Taxes On The Installment Plan

You'll be able to pay your taxes on the installment plan this year, as the result of a bill passed in the Legislature this past session.

County Tax Collector W. H. Prescott, whose office is busy getting the tax bills ready for mailing in October, will go to Tallahassee September 7 for a conference clarifying various points in the bill.

"As I understand it taxpayers who intend to go on the installment plan will lose the four per cent discount they get if they pay in November," Prescott said. "Within 30 days of the date the bills are mailed the taxpayer must pay not less than 10% of his bill and must have his attention of paying in installments. The entire tax must be paid before March 15."

Prescott said he still has no ruling on what happens to money paid in by taxpayers on their taxes who fail to make complete payments — probably the tax refunds will be void, but I am not sure if as will have to refund the money paid in.

Prescott advised taxpayers who can not pay taxes in November and take advantage of the four per cent discount to put what money they can make in a savings account so it will draw interest for them until the March deadline.

Prescott said that more than 75 per cent of taxes in Highlands County are paid in November as a savings account so it will draw interest for them until the March deadline.

He noted that the late Robert King High, Miami Mayor and gubernatorial candidate was an advocate of the installment plan for personal taxes.

Avon Park To Benefit If Toll Is Lifted

If toll charges are lifted between cities in Highlands County, it appears Avon Park and Lake Plant residents will be the lucky ones.

The rule of thumb has been that if the usage averages five calls per month per subscriber it's about time to take stock with the subscribers and ask them if they want tolls lifted and are willing to pay a slightly higher rate.

If 10 per cent plan one of the subscribers in an area vote to lift the tolls, they usually are referred lifted.

Inter-County Telephone Company, Larry Smith, area manager, has just requested a survey in March of 1967 on usage of toll calls between the cities, a study done in cooperation with Southern Bell and General Telephone Co.

It shows that the average of calls from Avon Park to Sebring was 4.54 per subscriber for the month and from Lake Plant to Sebring 4.18.

However, going the other way, Sebring to Avon Park, the rate was 2.96 and Sebring to Lake Plant 1.97.

The figures for Avon Park to Lake Plant were 1.77. Lake Plant to Avon Park .94.

The rate of calls from Lake Plant to Sebring has been steady, decreasing. Figures show the rate in 1964 was 4.65, 1965 4.32 and 1966 4.26.

It might not be immediately determined to what degree firms putting in direct lines because of their heavy volume of calls have affected the rate.

E. Hoogerhuyde Died Monday

Elias Hoogerhuyde, age 84, died Monday, Sept. 4, at Wakarusa Memorial Hospital after a long illness.

A native of Holland, he came to Avon Park from Fairview, N. J., several years ago.

He was a retired mason contractor and is survived by one son, Anthony Hoogerhuyde of Highland.

The remains are being forwarded to Fairview, N. J., for service and interment, Friday, Sept. 8.

Muske Funeral Home, in charge of local arrangements.

TOLL FREE TRAVEL SERVICE
Highlands County residents can obtain airline and ship information and itineraries without expensive phone calls — without going out of town — by dialing O-Operator and asking for Lake Wales WK 2613. They will be connected with experienced agents at the Lake Wales Travel Bureau of the Highlands Travel Service in the Walcott Hotel, Lake Wales. This office has a leased line so that calls can be made in carriers without toll charges. Arrangements can be made for tickets to be mailed.

PULL LEVER 6A

I AM JIMMY DOERR
Candidate For The Office of Mayor of the City of Avon Park.
I sincerely ask for your vote and support in this election Tuesday, September 12th.
I served four years as city councilman, the last two years as President of your City Council.
I have been very diligent in my study of the City Charter and Code of Ordinances, in order that I might attain the knowledge to better serve you the citizens of Avon Park.
I have faithfully attended Police Court for the past three years; so I might better serve you as City Judge.
I respect the present Mayor and City Councilmen and will respect whoever you elect to serve with me.
I sincerely hope my record meets with your approval.
I would appreciate your vote and support in this election.
Thank you.
JAMES M. 'Jimmy' DOERR

Big Blow
The highest sea ever
reliably reported consisted of
waves 35 feet high. To create
such a wave, a 60-knot wind
would have to blow about 24
hours over a distance of about
500 miles.
A dictionary of synonyms
lists more than 500 for the
word "bad," only 123 for
"good," which seems to indi-
cate there is nearly five times
as much wrong with this
world as there is right.

GOOD NEWS**
Avon Park's wonderful financial condition did not just
happen—it was created. As President of our City
Council I have had wonderful cooperation from Mr.
Jack Duggan, Vice President and Chairman of the
Street Department, Mr. Durrah Martin, Chairman of
Parks and Athletic Fields, Mr. Russell Scott, Chairman
of Police and Fire Departments. Also our fine employees
well. This fine cooperation is one of the many reasons
we have been able to have a new disposal plant, ex-
pansion of water lines, improvement of athletic fields,
new golf course, repaved and lighted airport, which is
budgeted for this year. Contrary to some of the political
runners you may have heard about the golf course there
will be a nice profit for the city yearly after the first
years operation. The one thing that is of great interest
to all of us is that there won't be any tax increase and
no increase in water, garbage, sewer and other city
services.
If I fail to see any of you please excuse it, as taking
care of my own business and city business does not
leave much time for politicking.
Thanks for your past confidence in me. If you believe
I have done a satisfactory job, please go to your voting
precinct and cast your ballot for me on Tuesday,
September 12.
THANK YOU FOR YOUR CONFIDENCE
