

L. Edna Merrill Died Sept. 10

Ms. L. Edna Merrill, 84, died Sunday Sept. 10 at Wake Memorial Hospital after a long illness.

Born Dec. 7, 1882 at McPherson, Kan., she came to Avon Park from Bethlehem, Pa. in 1901.

She was a member of The First Methodist Church of Avon Park and the Adelphi Chapter No. 417 Order of Eastern Star in New Milton, Iowa. She is survived by one daughter, Mrs. Thelma L. Merrill, with whom she made her home.

Private services were held from Missie Funeral Home, Monday Sept. 11, 10:30 a.m. with Rev. A. G. Harber officiating.

Interment in Schwenkville, Pa.

Missie Funeral Home in charge of arrangements.

Boys through 13 throughout the Avon Park area are invited to display their football talents in punting, passing and kicking in the 7th annual nationwide Punt, Pass & Kick Contest.

Avon Park Motor Co. will award 18 trophies, one to each of the top three boys in each of the six age groups between 8 and 13.

Local winners in the competition to be held in Orlando will go on to higher level competitions sponsored nationally by the Ford Division of American Motors and the National Football League.

Working with Avon Park Motor Co. as local co-sponsors is Avon Park School.

Their joint hope is that some boy from the Avon Park area will go to the National Championships in Miami's Orange Bowl during the NFL Play-Off Game on January 7, 1968. For each succeeding win in Zone, District, Area, Division and National Competition, handsome trophies are awarded in addition to the 18 given local winners by Avon Park Motor Co.

Local winners in the six age groups will compete in the Zone contests which will result in 2,100 lucky kids progressing to District Competitions, where 228 champions will move on to Area Competitions held in the 16 NFL cities. Winners then become eligible for the 96 NFL Area Events, divided equally to conform with the East-West alignment of National Football League teams.

Punt, Pass And Kick Contest To Start Soon

Forty-eight NFL Area Champions will compete in San Francisco, Calif. on Saturday, December 16, with the 48 East NFL Area Champions meeting in Philadelphia, Pennsylvania on Sunday, December 17, to decide the six western and six eastern division champions — one for each age group in each division. Each boy will be accompanied by his father to the Division Competitions with all expenses paid by the Ford Division of Ford Motor Co.

The twelve Division champions, accompanied by their mothers and fathers, go on a "Tour of Champions" to Washington, D.C. followed by the trip to the Orange Bowl in Miami, Fla. for the National Finals during the halftime of the annual NFL Play-off Game. The National Championship for each age group will be decided before a nationwide television audience.

Mr. Vernon Lanier, president of Avon Park Motor Co., explained that PPAK involves no body contact and that every boy has an equal chance to win since each competes only against boys his own age. "There is absolutely no charge for entering and no special equipment is needed," he said. "Registration for Punt, Pass & Kick will be open from September 1 through October 6th with Avon Park Motor Co. as registration headquarters."

Mr. Vernon Lanier said entrants will be judged on distance and accuracy of their punting, passing and kicking, with points awarded for each foot of distance the ball travels on the fly. Points will be subtracted for each foot the ball lands to the right or left of a center line. The Avon Park local competition will be held at Memorial Field on October 9, 1967, 1:30 p.m.

The source, he explained, is "Some of the authors are William Bradford Huie, Franklin, Washington; Irving, Cal. Sandberg; Henry Cabot Lodge, Robert L. Hay, Washington; Peter, Cal. Wright; Stanley Hartz, Boston; T. Washington, Chester Books. The eight parts of this library are: Freedom's Holy Light, The Blessings of Liberty, A More Perfect Union, The Common Weal, Crusade Across a Continent, In God We Trust, The Right to Knowledge, One World.

The 1966 PPAK Competition, our sixth annual contest, registered 82,543 boys," he said. "We invite every boy between 8 and 13 in the Avon Park area to come out and take part in the 1967 Punt, Pass & Kick Contest."

James W. Walter, chairman of the board of Jim Walter Corp., believes the building slump is about over. He cited the increase in Jim Walter sales and revenue as evidence.

The Library Corner

In you know that one of the first books loaned to come to the library was a gift to us. We are indebted to the many people who have loaned books to the library of Avon Park Library.

Compiled by Frances Benetto, "Nation United Good" is the new edition of an exciting, deeply moving account of the history of the United States of America, ending with President John F. Kennedy's Thanksgiving Proclamation of 1963. President Lyndon B. Johnson's first Address to a Joint Session of the Congress, and Samuel Morrison's "A Letter to President Kennedy."

The book includes an illustration of men and women who have helped to shape this nation with courage, education, and dignity. Excerpts from letters, diaries, and essays show these great men and women's heritage.

David A. Posing, of the Council on the Arts, is the author of a valuable library of facts and statistics, the like of which has never before appeared in a book. Some of the authors are William Bradford Huie, Franklin, Washington; Irving, Cal. Sandberg; Henry Cabot Lodge, Robert L. Hay, Washington; Peter, Cal. Wright; Stanley Hartz, Boston; T. Washington, Chester Books. Majorettes Attend Twirling Summer Camp

The Avon Park High School Majorettes, plus two new ones, attended Camp Joyliffe Twirling Camp at Andrews College, Cutbert, Ga., the first week of August.

They received instructions in dance, music, football, basketball, practice, dance without hats, drill on march, starting, special camp routine and fire drill.

The first night at the camp was get acquainted night, followed by talent night the second night when our majorettes on their own floor all won. Later trophies were awarded. Nancy Mitchell won the trophy for most effort in intermediate class.

The girls are now working hard every evening preparing for shows during the football season with Cherie Adams as head majorette and Shannon Atkins as co-head majorette. Nancy Mitchell is business lieutenant of the band as well as a majorette.

Sharon Atkins displayed her talents at Holly Cove Camp Grounds in North Carolina, while vacationing. Susie Higgs entertained at the First Methodist Church during

Hardees Are Grandparents

A daughter Cheryl Elaine was born to Lt. and Mrs. Tim Hardees, Labor Day in Fort Benning, Ga. The little girl weighed 4 lb. 8 oz.

Lt. Hardees is the son of Rev. and Mrs. A. G. Harber.

I would like to thank the voters of Avon Park and especially those of you who diligently supported me in my race for City Council. I feel that it has been a rough campaign but I also feel that the worse is ahead.

I hope there are no hard feelings and I harbor no ill will for those who campaigned against me. I feel we must all work together.

I welcome your advice and council and will use as much of it as practical. From here out I want government for the people with no misrepresentation of any kind.

Thanks again.

Mixed League Starts Sunday

The Hills and Her Bowling League will start Sunday, September 17, at 7:30 p.m. at Grand Prix Lanes.

All you girls get your H's and all you fellows get your B's and let's bow!

Notice

Highlands County Home-makers Council will meet at the Florida Power Lounge, Sept. 21 at 8:30 a.m.

Mrs. Paul Heritage, Highlands County Extension Home-makers Council president will conduct the meeting. She and Mrs. Albert Threlkeld from Sebring will give their reports on the State meeting.

Sebring Shores Country Club Activities

Three years ago, September 19, 1964 the Sebring Shores golf course was officially opened with a then mayor of the three Highlands County cities cutting the ribbon. They were Mayor E. A. Delaney, Avon Park, Mayor Wilbur Durrance, Lake Placid and Mayor Jack Butler of Sebring. Judge Melvin Behrer drove the first ball and fortunately hit the first green close to the pin, sent a hidden.

Since then many hundreds have played the course coming from practically every state and many foreign countries. The course and the club are considered quite an asset to the recreation and social life of our county.

The third anniversary tournament will begin Saturday afternoon, Sept. 30 at one o'clock. The entries are limited to 24 players and golfers who want to play are invited to call the club office to enter.

The following are participants to date: Wally Mills, Frank Burns, Bob Sherwood, Al Katz, Herb Schneck, Carlos Fella, Lefly Taylor, Talmage Sparks, Dick Jardine, Ken Wilkerson, Harry Armstrong, Ray Iton, Jack Taylor, Charles Geiselle and Fred Sadlin.

Tentative starters include: George Kessley, Ray Prosser, Jim Kessley, Fred McAdams, Gene Schuck, Russ Travers, Ed Johnson, Lowell Allen, Lefly Taylor, George Johnson, Clinton Gill, Art Esp, Andy McGowan, Michael Duff, Ben Guertel, Joe Kessley, Ray Paris, George Kessley, Rex Bond and Jack Quillen.

Next Monday Sept. 18, the ladies will help their popular golf with golf in the morning, covered dish dinner at noon and card games in the afternoon.

This will be a monthly affair falling on the third Monday of each month.

Cadet Scouts Receive Award

A colorful and rewarding ceremony was held at First Methodist Church, Sept. 10, 1967, at which Cadette Scouts Donnell Bransell, Sue Ferguson and Barbara Flowers received the highest award in Girl Scouting, the "God and Community Award."

These girls have worked under the supervision, instruction and help of their parent, Rev. A. G. Hardie. His final approval was required before receiving this award.

The girls worked over a year on the three stages of the award which included religious, systematic growth, and a knowledge of Christian history, local church history and personal convictions.

The girls spoke briefly to the congregation before the final and impressive ceremony.

The mothers of the girls pinned the awards on their daughters and received a memento from the girls.

These Girl Scouts hold the distinction of being the first to receive the God and Community Award in the Methodist Church in Avon Park.

Help - Help The Girl Scouts

The Girl Scouts are desperately in need of leaders and helpers. Anyone interested and will give one or one-half hour of their time each week for this worthwhile cause, please contact Mrs. Joe Harten, 3360 E. 1st St.

Your time given for the Girl Scouts will prove itself in the lives of the girls. They need help from the community. Volunteers are needed!

WWI Vets To Meet Thursday

There will be a regular meeting of Barracks No. 1199 and the Auxiliary of Veterans of World War I at the Civic Center, Thursday at 8 p.m.

All members are expected to attend and visiting veterans and their ladies are invited.

A coffee break after the meeting will be served without charge.

Junior Woman's Club Ushers In Fall Session

The Avon Park Junior Woman's Club held their first meeting of the fall year, Tuesday, Sept. 12 at 7:30 p.m.

The evening was full of fun, information and business for all who attended. The evening action started with a "snack preview" of the upcoming Halloween Carnival and Fall Fair. Members were requested to make and wear a mask by Mrs. Donald MacIntosh and Mrs. James Johnson co-chairman for the Halloween event. Prizes were awarded to Mrs. James Ivey and Miss Cheryl Guertel for the most original and most appropriate for Halloween.

This year the Junior Women will ask as their guests, the children of the Junior Home for the parade and carnival. Chairman Mrs. James Johnson announced that plans are underway and booths are being built.

Under discussion was the Cockswear Swamp Sanctuary, located in Collier County. Junior Woman's Club through out Florida helped establish this sanctuary and now damage a part of Big Cypress Swamp. A small donation from each member was suggested to help the sanctuary.

The state education department had requested that the club take an official position concerning "Public Kindergarten." Discussion was held on whether this should be financed by the State, the County or a combination of the three. Education department should include the kindergarten.

All departmental chairmen of special committees and officers were requested to outline their program of work for the year. The Executive Committee of the Board of Directors of the Highlands County Chapter of the American National Red Cross and also the Chairman of Nursing Services of the chapter.

Refreshments to carry out the Fall Session of the Junior Woman's Club were served. Hostesses for this meeting were Mrs. David Maslow, Mrs. Donald Hassard, Mrs. Charles Collins, assisted by Mrs. James Johnson.

"Junior Night" was held in the state education department representing Avon Park in costumes and masks and reported a real fun time. Attending were Carolyn Tomlinson, Linda Bahl, Sandy Mattox, Evelyn Surrency, Betty Perry, Susan Surrency, Betty Butler, Mary Ann Janga, Diane Landress, Cheryl Guertel, Margaret Collins and Velma Bahl.

The Fall Board Meeting was held in Gainesville, September 6 and 7. Two representatives from Avon Park attended. Mrs. Carolyn Tomlinson, Mrs. Kay Young, gained many ideas and suggestions from this most informative meeting.

The girls worked over a year for the near future include the Halloween parade and carnival, a costume sale and a family picnic.

Hood's Dairy Adds New Milk

Hood's Dairy is introducing a new product to its milk line, it was announced by Emmett M. Hood, Jr., vice president.

The product, named "Golden Milk," is a new low fat homogenized milk. It is commonly known as "2 per cent milk" because it has only a two per cent butter fat content.

"This addition now provides Hood's with a complete line of milk to suit every need," Hood said. "The milk available now will range from skim milk, low fat milk, regular homogenized milk to Golden Gorseys, a premium milk," he added.

Highlands Red Cross Chapter Present Badges

Six registered nurses became newly enrolled Red Cross nurses Saturday, Sept. 9 at an informal presentation held at the home of Mrs. Patricia Duffy on Little Lake Jackson. Mrs. Duffy is a member of the Executive Committee of the Board of Directors of the Highlands County Chapter of the American National Red Cross and also the Chairman of Nursing Services of the chapter.

The newly enrolled nurses are Mrs. Louise Pfeffer, R.N. Supervisor, Cottrell Nursing Home, Mrs. Mary A. Daugherty, R.N., Mrs. Libby Patterson, R.N., Mrs. Margaret Brewster, R.N. Supervisor, Highlands General Hospital, Mrs. Sarah Jones, R.N., Mrs. Tammy Young, R.N.

Mr. W. Harold O'Neal, Chapter Chairman presented each nurse with a beautiful numbered badge and certificate which is recorded on a permanent record at National Red Cross Headquarters in Washington, D.C. and never be issued to another nurse. The badge is a symbol of professional status and voluntary service beyond the line of duty. It represents affiliation with a humanitarian organization that, together with its counterparts in countries throughout the world, is dedicated to the prevention of suffering of all peoples.

To be identified as a Red Cross nurse is to become an honored member in this country, as well as in other parts of the world. It is a privilege to play a distinguished role.

Rev. J. A. Tolle, pastor of the First Methodist Church, conducted the invocation and benediction.

Mr. Marshall S. P. Pollard, Secretary of the Board of Directors gave a brief background of the Red Cross. Mrs. Maude R. Borda, a long-time Red Cross nurse gave an inspiring talk of her experiences as a Red Cross nurse since 1919. Mrs. Florence B. Borda, Executive Secretary of the chapter gave a summary of the community health projects for Red Cross nurses today.

Mrs. Peach also presented newly authorized Home Nursing instructors with their authorization certificate to the following Red Cross volunteers: Mrs. Lillian Bannerman, Mrs. Margaret B. Duggan, Mrs. Ruth G. Gubbins, Mrs. Laura T. VanNess and Mrs. Margaret B. Duggan. She also presented Mrs. Duggan her Certificate as Instructor-Trainer for Mother and Baby Care, Red Cross Home Nursing and Fitness for the Future Courses.

Refreshments were served after which a discussion of organizational projects was held by the group.

Mrs. Duffy announced that a meeting of all Red Cross nurses will be held on September 28, 7:30 p.m. at her home to form various committees for community service.

Judge Rehner Selected To Appear Outstanding Personalities Edition

Highlands County Judge Mervin Rehner has been selected to appear in the 1967 edition of Outstanding Personalities of the South. Other recipients include Governors, Senators, Congressmen in the state and many other individuals who, because of past achievements and service to their community, state or nation and recognized as outstanding personalities of the South.

Judge Rehner born in 1913, Pine Grove, Pa., a small farming community, the son of Mr. and the late Mrs. Otis Rehner attended his first grade at the school in the church school. He was kicked by a horse, his injury developing into chronic osteomyelitis which confined him to his bed for eleven years. He completed his studies by special tutoring at home and in the hospital. In spite of his handicap, he graduated from high school, while on crutches and with constant, enabling him to walk.

Determined to get his education, although difficult, he attended Gettysburg College, Pa., and received his B.A. degree, then, majoring in Political Science, minoring in Business Administration. He served in the U.S. Army and German. Out of college one year he worked as an investigator for the state of Pennsylvania. World War II came along and he was employed with the Army Air Force at Middlebrook Air Service and later with the Overseas Air Service Command in Newark, N.J. serving in a supervisory capacity in personnel and payroll branch of installation, and was appointed chairman of civilian 400 employees at the air depot.

He resigned after the war to continue his studies of law at Stetson University Law School, in Deland, Fla., graduating in 1946 with Bachelor of Law degree. After graduation he returned to Pa. where he took employment with the Bureau of Internal Revenue, to learn more of legal procedures.

He returned to Florida and Avon Park, February 1953 where he started his law practice. He was appointed as attorney of Avon Park in October of that year, and served for four years in that capacity. He was elected to office of Juvenile County Court Judge in 1956, assuming office in 1957.

His interest in the field of alcoholism, being closely associated with the key personnel of the program, he was granted a scholarship to Yale School of Alcoholism studies, New Haven, Conn. Because of his interest in this field and mental field, he was appointed chairman of Mental Health for the Florida County Juvenile Assn. and has served in this capacity for six years. As chairman of the Mental Health Committee he met and worked with the legislative interim mental health committee in formulating many of the present laws relating to mental health generally and to mental incompetency procedures and laws pertaining to the state's concern for mentally retarded.

Judge Rehner is the author of a proposed involuntary treatment program for alcoholics. The 1967 session of legislature has passed a bill now directing the legislature interim committee to prepare an involuntary treatment bill to be presented at the next session of state legislature. He has been asked to work with this committee in advisory capacity.

He has served as Vice President and Secretary of Florida County Judges Assn. and President-elect and now President of Florida County of Juvenile Court Judges.

Highlands County under judgeship of Judge Rehner was the first small city in the state of Florida to provide detention facilities for juveniles other than city jail. Through his efforts and assistance, a non-profit was organized, known as Youth Care, Inc. This organization, which realizes funds from voluntary contributions is now in process, having plans drawn for a juvenile detention facility at a cost of \$45,000. It is the hope of the organization that it will be completely financed by voluntary contributions. Approximately one third has been realized to date.

The residents of Highlands County have demonstrated their faith in him by electing him to an unprecedented three year term as Highlands County Judge and

Church Gives Farewell Party For Minister

The First Christian Church, 911 Main St., will have a farewell dinner immediately following the Sunday morning service Sept. 17. This is in the form of a farewell for their Minister, Stanley Johnson and family, who has served the church for two years. He will preach his farewell sermon on Sept. 24.

Everyone is invited to the covered dish dinner, each one bringing their own table service.

Immediate plan schedule for the Johnson's is to travel to Michigan for Evangelistic Meetings at the North Side Church of Christ, in Grand Rapids. A congregation which they helped establish in 1966. Services will be held October 1 through October 15.

Mr. Johnson will continue as teacher at the Horace Mann Jr. High School in Bradenton and will finish his studies

toward a Masters Degree at the University of Southern Florida.

They plan to reside in Bradenton, Fla. He will be available for supply preaching, when possible, while continuing his studies.

Clifford Dance of Lake Butler, Fla., has been called for full time ministry and will move to Avon Park soon. He will preach his initial sermon Oct. 1.

Notice

CHRYSLER

The 1968 Chrysler's are here.

The 1968 Chrysler's are all new, 5 series wide, 15 models deep. With no small versions. New Yorker—our most luxurious Chrysler. With new options like on-8-track stereo tape system and automatic air conditioning. Town & Country—the most sophisticated wagon series around. With new optional rear window wiper/washer concealed in the tail gate. And optional all-vinyl 3-in-1 divided front seat with passenger recliner. 300—the latest version of the sports-bred Chrysler. Concealed headlights and a big 440 cubic inch V-8 are standard. Newport Custom—with all the basic Chrysler luxuries. And a lot of over 50 tailored-to-you options. Newport—our easiest-to-own Chrysler. With more luxurious interiors. And a higher output 303 cubic inch V-8. New Yorker to Newport, we've got you covered 15 ways. With the kind of luxury that could only come from Chrysler. And does. This year, make your move. And make it big. Make it Chrysler.

Twilight Golf Again "Big Show"

By May and Ernie Duckett

Last weekend, things were buzzing like a bee hive out here with all the goings on of the luau. The play in the Twilight League had to be postponed account of rain, but was resumed in full force again this Friday. The "Outdoorsman" team, captained by Art Esp again took the lead, having a total score of 14 points, but just 1/2 point ahead of the "Birdies," captained by Scott Melgaard.

Play will be concluded next Friday and at this late
in the contest, even the bottom team on the list has
chance to take the lead, as there are only four points
between the top and bottom teams. This promises an
exciting last team in the standings, namely
Sting of club president, Frank Burns,
Bertrier and Al Katz, promise an
fight in the running.

This century's tremendous strides in medicine are still not great enough to worry any undertaker.

Popular Food
More than 40 million loaves of bread are consumed in the United States every day.

First Arctic Explorer
Pytheas, a Greek, is reputed to have been the first Arctic explorer. Pytheas reported, some 300 years before the birth of Christ, that he had sailed to an island north of Scotland. For centuries, no one believed the story.

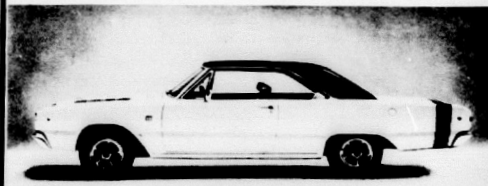

CUTTING THROUGH the ripples of a quiet lake, man in his boat interrupts a visual pattern. The unusual effect was obtained because of lighting from behind the subject, producing not only the silhouette effect but darkening the ripple lines. The photo appeared in the magazine Invitation to Photography.

HERE TODAY

1968 DART, most popular compact, will debut on September 14 at Dodge dealerships. There are 3 sedans, 3 hardtops and 2 convertible models. Engines range from the 170 cu. in. 6 to a 330 V-8. Shown above is the new sporty GT model which features a novel 310 V-8 engine, hood louvers, and hump-bee performance stripes.

1968 CHARGER, an aerodynamic family-size sports car, will go on display in Dodge dealerships on September 14th. Rallye type suspension is matched with a variety of five V-8 engines to provide a fine balance of handling, performance and comfort. Aircraft-type instruments are featured.

1968 POLARA, Dodge's entry in the traditional low price market will go on display in Dodge dealerships on September 14th. A 318 cu. in. engine is standard on all Polara models as are a host of new safety features. Shown above is the very popular 4-door hardtop. Options include a new speed control unit, stereo tape, radio combination, and automatic temperature control.

SPOTLIGHT RETURNS to
Shirley Temple, now Mrs.
Charles Black of San
Mateo, Calif., who an-
nounced she will run for
Congress as a Republican
independent. Now 39, she
was the biggest box office
sensation of her day when
performing in movies as a
child star.

The Things We Say

By RUBY SHANNON

My grandmother used to
raise black Minorca chickens
and I remember how strange
it seemed for her to lay eggs
to lay such big white eggs.
Some of Grandma's hens
didn't lay in the henhouse,
however. They preferred an
old hollow stump into which
Grandma always put a white
doorknob or a glass ball for a
"nest egg," so the hen would
come back there to lay the
next day.

"She'll make a nest some
where else and we might not
find it if we don't leave a nest
egg," Grandma would say.
Once her doorknob disap-
peared, but later, she re-
trieved it from the decayed
body of an old chicken hawk
that had swallowed it, with
the result of fatal indigestion.

Nest eggs are seldom used
today in chicken nests. With
caged laying pens, there is no
need for them. The expression
"nest egg" is still heard how-
ever with reference to a per-
son's savings.

Like the old hen, when
person has a savings or "ne-
st egg" hidden away in his bar-
nacle, he is likely to return it
and deposit more savings.

FIX-IT TIP

Some metals don't get
along together, so be care-
ful what kind you use when
fastening certain kinds of
wire or screening. Use cop-
per tacks to fasten copper,
brass, plastic or stainless
steel wire. Use galvanized
tacks for galvanized or
aluminum screening. Other-
wise you'll have rapid rust-
ing or corroding.

Before painting your
windows, carefully replace
any loose putty and apply
house paint primer to the
wood recesses. After the
new putty has dried, you're
ready to paint. Use a 1 1/2-
inch sash brush, starting
with the members which
divide the window glass.
Next, paint the frame and
finally the trim, sill and
apron, suggests the Nation-
al Paint, Varnish and Lac-
quer Assn.

REV. HERBERT GRAETZ (right), Chairman of Youth Guidance Incorporated, is shown presenting Rev. Marshall Wilson, president of the Avon Park Ministerial Association with the Youth Guidance Charter. The purpose is to give assistance in the rehabilitation of children from Avon Park. Last year Youth Guidance Incorporated made arrange-

ments to send two children to attend summer camp at Lake Ford. This year the organization expects to send more and eventually operate a summer camp just for underprivileged in Avon Park. Rev. Herbert Graetz, Rev. John Knapp and Rev. Johnson of AUC were responsible for working out the details of the non-profit organization. — (Sun photo)

Red Devils Travel To Mulberry Friday

The Lakes Wales Highlanders turned a razor-dazzle 71-yard punt return play into a touchdown and then ran over the extra point to take a 7-0 win from the Avon Park Red Devils last Friday night here at Memorial Stadium in the season opener.

Tomorrow night (Friday) the Red Devils will travel to Mulberry to take on the Panthers of the Tampa Bay Conference. Both teams will be looking for their first win. Tampa Catholic came from behind to defeat the Panthers last week 18-12. Last year Avon Park took a 20-7 win from Mulberry here at Memorial Stadium. Game time is set for 8 p.m. at Mulberry's Phoenix Bowl.

With the exception of the scoring run, Lake Wales was unable to penetrate the Devil defense all evening as the home team held the Highlanders to a total of 44 yards of rushing and allowed only one pass completion for an 11-yard gain. With the help of three fumble recoveries, one pass interception, the Devils kept the Lake Wales offense bottled up in Highlanders territory after the first quarter. The only Lake Wales threat was late in the second quarter when the visitors moved to the 25-yard line before Devil safety Dean Lemler intercepted a pass to stop the drive.

Avon Park's offense generated its scoring drive late in the first period when halfback Billy Richards returned a Lake Wales punt from the Avon Park 43-yard line to the Lake Wales 58-yard stripe. Then fullback Dean Lemler and halfback Jim Williams moved it on to the twenty with short gains and the first quarter ended. On the first play of the second period, Devil quarterback Denny Montsideoa faked to Lemler, rolled out to his right with a bounding, and raced the 20 yards into the end zone without being touched. Jim Williams tried to push over the extra point but was stopped short.

The Lake Wales score came midway in the first quarter. Lemler booted a 38-yard punt to the Highlanders thirty-yard line. Joe Piv Raney kicked the punt in as a Devil line player backed down on him. He turned and lateraled to halfback Andy Draper on the 25-yard line and the first-footed sprinter picked up his interference on the left side of the field and outran the Devils into the end zone for the score. Draper cannot throw the line for the extra point to give the Highlanders what proved to be the winning point. Lake Wales ran only 14 plays in the entire second half as Avon Park maintained possession all but one play in the third period and most of the fourth quarter. The Red Devils

moved from their own 33-yard line to the Lake Wales 53-yard line as the second half opened but were unable to push in for the score. Lake Wales tossed the Devils for two consecutive losses with a third and five yards to go situation to stop the Avon Park threat.

However, on the first running play, the Lake Wales back fumbled and Lucius Taylor recovered for Avon Park on the Highlander 26-yard stripe to give the Devils another scoring opportunity. This time the Devils moved to the 10-yard marker before Lake Wales' defense stiffened and tossed the Avon Park backs for two more consecutive losses.

Lake Wales then drove to Avon Park's 43-yard line and punted to the Devil 13-yard line. The Devils failed to make a first down and punted out to the Lake Wales 43-yard mark and again Lake Wales lost a fumble giving Avon Park one last chance to take the game out of the fire. With time running out the Devils moved within inches of a first down at the Lake Wales fifty-five and the Highlanders took over and ran out the clock holding on to the slim one-point victory.

The young, inexperienced Red Devil team was very impetuous in many aspects. The

defense was strong and alert, the offense didn't fumble although they ran over 100 yards. The Devils drew only 2 penalties and three of them were defensive miscalculations, and Lemler executed a successful 44-yard quick kick. The inability of the offense to capitalize on several scoring opportunities cost the young squad the ball game but the six running backs used showed promise failing to gain yardage on only six plays during the game. Halfback Billy Richards was not up to par, with a slightly injured leg but even so managed to average over two yards a carry in seven runs. Lemler, doubled teamed most of the evening, averaged 26 yards a carry in 21 attempts and quarterback Denny Montsideoa toted the ball 14 times and averaged 3.4 yards per carry. Halfback Lucius Taylor impressed Devil fans with several fine runs in the second half, carrying 8 times for a 2.4 average.

Clark Rich announced at the commission meeting that there may be some delay in re-placing of the traffic control signals at the intersection of US 90 State 96 US 27. New safety regulations require that power poles for the lights must be set back at least 30 feet from the pavement.

The State Road Department must give its approval for the new design and the commission is arranging to obtain poles for the longer span.

County roads accounted for most of the business at the hour and a half commission session on Tuesday morning.

The board voted to buy a tractor. The line bid, from Ruzi Machinery Co. of Tampa, was for \$12,070 and included several new features. The board, in its specifications had asked for a statement of operating costs for the machine and the resale or trade in price at the end of five years.

Rater guaranteed that operating costs of the tractor will not exceed \$832 per month, guaranteed 72-hour delivery on any parts, and also guaranteed that the company's service men will be on the job within 24 hours of the tractor back at the end of five years for not less than \$14,000. A 60 percent performance bond was posted with the bid.

This is the first time we have done this, Whitaker said in explaining the new features of the bid. "This way we know what expenses we can expect. It is one of the best steps we have taken in keeping track of our costs."

Doerr To Take Oath of Office On October 1

Mayor-elect Jimmy Doerr issued a statement to news media that he definitely will be sworn in as Mayor on October 1. He plans to serve his full year term as Mayor of Avon Park.

Doerr has been hospitalized with a heart ailment and underwent surgery two weeks ago. He was released from the hospital yesterday and plans to rest at home prior to taking office on October 1.

Doerr further stated that doctors have not advised him to withdraw plans to serve as Mayor when his term commences.

Thomas Veasey Accidentally Killed In Ala.

Thomas Veasey, 14, son of Mr. Paul L. Veasey of Avon Park and Mrs. James H. Veasey of Hartford, Ala., was instantly killed with his companion, a Hartford boy, who was riding with him on his new Honda 50 motorcycle, last Sunday, Sept. 10, at 5:30 p.m. in Hartford, Ala. His motorcycle was struck from the rear while making a left turn by a car driven by Mr. Edinger of Belle Glade. The driver of the car was not held.

A member of the First Baptist Church of Avon Park, he was born and raised in Avon Park. Thomas had completed his eighth grade in the Avon Park school and left two months ago to be with his mother in Hartford where he enrolled in school.

Besides his parents, he is survived by three brothers, Paul E. Veasey, and Wayne from Avon Park and Tony Veasey, who is in the armed services, stationed at Fort Benning, Columbus, Ga.

Funeral services were held in Hartford, Ala., Friday, Sept. 15 at 2:30.

Four-Laning U.S. 27 South Of Avon Park Set For February

Work on the next two phases of four-laning of Highway 27 is scheduled to begin in February, according to a time schedule the State Road Department has outlined to Highlands County commissioners.

Commissioner Jean Whitaker reported at the commission meeting on Tuesday that the road department officials said plans for the four-laning from Farm Road Drive to Avon Park and from US 96 to Lake Hendry Drive North of Lake Placid will be ready for bids in January with a February commencing date on the actual work.

Clark Rich announced at the commission meeting that there may be some delay in re-placing of the traffic control signals at the intersection of US 90 State 96 US 27. New safety regulations require that power poles for the lights must be set back at least 30 feet from the pavement.

2 Companies Seek Radio Station Here

At a special session of the Avon Park City Council last Friday afternoon, it was revealed that a concerted effort is being made to obtain a radio station for Avon Park.

Keneth Morrison of Gainesville appeared before the council and stated that he represents a group that is planning shortly to file an application with the Federal Communications Commission in Washington, D.C. for a new radio station for the Avon Park area.

Morrison appeared before the council seeking to sub-lease the old halfway house property on the Pinckney Golf course. The city holds a ten year lease on the property for a municipal golf course which will open next month.

While the discussion was being held regarding the possibility of Morrison obtaining the sub-lease on the halfway house, councilman elected Rodney P. Lane, stated to the council that another group had contacted him regarding their plans to also file for a new station. Upon questioning by Morrison, Lane confirmed that the group seeking the vacant frequency would have to start from scratch as though there were no station in Avon Park. He further stated that he needs to file a copy of a lease for property with his application with the FCC in order to obtain the necessary license.

Morrison and his father, a mechanical engineering professor at the University of Florida are partners in the

planned radio station venture.

The council told Morrison that they would like to hear Espinoza's story and any other group that planned to use the station before offering any recommendations to provide for the proposed sub-lease.

Both Morrison and Espinoza formerly worked for WAVP. Therefore are quite familiar with the area.

In other business taken up at the special session, councilmen certified the election results for the city clerk position. James Doerr, was elected

Mayor and Milton Howard and Clarence King were elected to the council.

The Council amended the proposed budget for the next fiscal year to include \$11,000 for road and street repair instead of \$6,000. Councilman Wayne Abshire abstained from voting and Councilmen Durrah Martin, Jack Duggan and Clarence King voted for the measure. Councilman R. A. Scott was out of town on business and could not attend the session.

Postal Services Observance Starts Today

Wednesday was Postal Services Day in Avon Park and one special service provided by the post office was the delivery of ZIP-A-LIST kits to every household in the community. Postmaster Young, stated.

Avon Park letter carriers started delivering ZIP-A-LIST kits to every household in the area.

Postmaster Young urged all residents to use the postal cards contained in the kits to obtain the ZIP Codes needed for addresses in their personal mail.

Each household received 8 cards with spaces for the address to be "snipped" by the post office and for the return address.

No postage is needed, Postmaster Young said.

The project is part of Postmaster General Lawrence E. O'Brien's drive to make ZIP Codes more accessible to the mailing public and thereby improve the efficiency of the mail in mailing addresses.

In addition to the kit, which is folded like a closed accordion, a separate card is being delivered to remind residents of the local ZIP Code number.

ZIP Code is necessary all year round to increase the efficiency of the postal service. Postmaster Young said, "but it is more important than ever around the holiday season. This year, the Post Office Department expects to handle well over nine billion pieces of mail during the Christmas rush."

ZIP Code will be a great help in delivering that mail accurately and on time.

Postal officials reminded ZIP-A-LIST USERS to print clearly and to include a return address on the card. The Post Office will know where to deliver the completed cards to the homes of people throughout the nation to include the return address and their efforts to cooperate in the project went for naught, he said.

Proclamation

Whereas, the Avon Park post office performs many vital services to the community; and

Whereas, each resident of Avon Park has available to him the full resources of advancing technology to process ever increasing volumes of mail with speed and accuracy; and

Whereas, Postmaster Robert D. Young and his employees are our friends and neighbors who are dedicated to the public servants; and

Whereas, it is in the mutual interest of both the community and business mailers to cooperate with the Postal Service in its public service program designed to promote the general welfare and serve the common good;

Therefore, I, Edgar A. Delaney, by virtue of the authority vested in me as Mayor of the City of Avon Park, Fla., do hereby proclaim Sept. 20, as Postal Services Day and call upon all citizens of the City of Avon Park to join in observance of this day during which we may pay tribute to Postmaster Young and his employees as well as all postal employees everywhere in these United States who daily perform many thankless and unrecruited tasks that benefit us all.

Witness my hand and the seal of the City of Avon Park, Florida, this 20th day of September, 1967. E. A. Delaney, Sr., Mayor, City of Avon Park.

Highlands Education Association Warns That Schools Face Crisis

The Highlands County Education Association, a public statement released yesterday warned that the schools of Highlands County and the State are facing a crisis, and that a special session of the legislature is urgent.

The board reluctantly decided to refuse land offered on Lake Josephine for a park and boat ramp. When the legal papers for the parcel arrived at County Attorney Hae Nunnallee's office, he discovered that there are many detailed restrictions in force in that area.

It is clearly intended for this to be a residential area. The county cannot use it for a public park or for a boat ramp. It would be a violation of the restrictions set by the subdivision. Nunnallee said.

In other business Tuesday the commission voted to buy a half-acre in the 100-official program book for the Florida Federation of Stamp Clubs convention which is being held in Sebring on October 20. The bid will cost \$16.

Received notice that a two-year program of spraying to eliminate the yellow fever mosquito has been started in Highlands County. No county funds are used for the spraying.

Approved a fee schedule for County Health Department services.

ing as many as 180 pupils. Such difficult teaching conditions shatter the pupil in his education. The HCEA points out that an inadequate foundation will handicap the school child throughout his entire school career and even later in adult life.

Four schools, continues the HCEA statement, are a handicap to the total community, making it impossible to attract new residents and holding back its social and economic development.

That the individual teacher is the key to education is recognized by the HCEA. To have a school system that is not adequate to meet the needs of the community is a crisis.

Jack Ingle, President of the Association, stated, "Any action that the teachers of Highlands County take will be motivated by a determination to secure immediate action toward school improvement."

He further stated that the legislature is a step in the right direction, but that action must be taken to secure adequate textbooks, overcrowded classrooms. Warrants Issued In Vandalism At High School

Highlands County School Superintendent George Douglas signed warrants on Monday charging seven Lake Wales youths with vandalism at Avon Park High School last Thursday according to school officials.

The County Judge's office revealed that the warrants were issued against Ronnie Miller, 18; Richard Dale, 17; Jim Beckley, 18; Stan Dink, 18; James Levey, 18; and a 15-year-old. The judges of law revealed that another lad is reported to be involved, but his name was not known by the county judge's office.

A six foot Red Devil, located atop the high school building was reported to be pushed over and broken. Sidewalks near the school were allegedly painted, as well as walls and glass at the stadium.

Principal Guy Garrett stated that a number of Lake Wales students worked all day to get the field and school presentable for the football game between the two schools.

New Chevrolets On Display At I. H. Ford Motor Co. Today

A new peak in individuality among Chevrolet's six car lines is reached for 1968. I. H. Ford, general manager, said today.

"Each member of our automotive family has a distinct personality," he said. "The new Chevrolets are designed to give each owner a sense of individuality and a sense of pride in his car."

A total of 41 new Chevrolet models are on display at I. H. Ford, September 21. Highlights include:

- All new advance design body for Chevrolet, Chevy II and Corvair, with introduction of a new "big cat" with a new look.
- A longer, more luxurious Impala, new options for Corvair and continued stress on the special features offered only by Corvair.
- Important safety improvements, exhaust emission controls, and other safety features are standard equipment on all models.
- Improvements in styling, including a larger base V-8 engine for the regular Corvair, Chevrolet, and Chevy II.
- Introduction on several lines of full size windows with out ventilators, hidden wheel covers and dual level "Astro" ventilation.
- Heating a lot of more than 400 options and accessories is a power vacuum door lock system, a lamp monitoring system to tell the driver if his front and rear lights are working, front disc brakes and added availability of stereo tape players.

Safety improvements range from energy absorbing front end crumple zones to side-impact protection and exterior side marker lights.

Here are principal features of each Chevrolet line:

Regular Chevrolet — Increased length and new front, side and rear styling confer the "big cat" image of the industry's top selling car, offered in 18 models in four series on a 119-inch wheelbase.

A new front bumper has a central bar that splits the grille and front end. Concealed headlamps are introduced as an option for Caprice models. Windshield wipers hold in place when not in use, as standard on all models.

Left hand doors are articulated for increased wheel travel on the driver's side.

The rear extends fully down the full-mounted bumper giving easy access to the trunk. Traditional Chevrolet taillight clusters are mounted for the first time in the new rear bumper.

Added prestige is styled into the exclusive square profile of the Caprice Coupe. A new model, Impala Custom Coupe, offers the buyers in addition to the "fastback" Impala Sport Coupe.

Door vent windows are eliminated on the Caprice Coupe.

Smoky lines distinguish the Smart '68 Chevrolet Caprice Coupe

Chevrolet's new look for 1968 begins up front with a smart new grille and hood that reveals the windshield wipers. Revised tailfins to the rear bumper and new side moldings are smart styling features to be seen above the Caprice Coupe. An impressive list of comfort and convenience options make it possible to custom-tailor a new Chevrolet to almost any personal taste. The new Chevrolets will be on display September 21.

New dual level "Astro" ventilation providing continuous flow of outside air through the upper levels of the passenger compartment is standard on the Caprice Coupe, Impala and Corvair. A 327 cubic-inch V-8 which also uses regular gasoline is introduced.

A full length body side molding on all Impala models features a black vinyl insert which in addition to adding distinctiveness also gives side body protection.

New luxury interiors offer both pattern cloth and vinyl and all-vinyl.

Refined body mounting and

other chassis improvements give a smoother, quieter ride. The base V-8 engine is increased to 307 cubic inches, developing 200 horsepower. A 327 cubic-inch V-8 which also uses regular gasoline is introduced.

A 250 cubic-inch base six and three other V-8's up to 421 cubic inches, giving a horsepower range from 135 to 285. Five transmissions include Turbo Hydramatic, which is offered in 1968 with all V-8's on top-of-the-line models.

TOLL FREE TRAVEL SERVICE

Highlands County residents can obtain airline and ship information and tickets—without expensive phone calls—or without going out of town—by dialing 0-Operator and asking for Lake Wales W.K. 2013. They will be connected with experienced agents at the Lake Wales Travel Bureau of the Highlands Travel Service in the Lake Wales Hotel, Lake Wales. This office has a leased line so that calls can be made to carriers without toll charges. Arrangements can be made for tickets to be mailed.

LEWIS LEBWELLYN

Crime Threatens to Engulf Us; Can Trend Be Stopped?

A shocking situation, which threatens the very life of our nation, has been exposed in the recently released FBI report of crime in the United States. This report seems to be receiving less attention than it deserves.

For years we have witnessed a continual increase in crime rates—each year crime increases five or six times as fast as the increase in population.

But now the FBI reports that in the first six months of this year, the robbery rate is up 30 percent over the same period last year. Murders increased by 20 percent and violent crimes, taken as a whole, were up 18 percent over last year's tragical high rates.

President Johnson spoke truly when he declared in a recent speech that children learn their attitudes toward law enforcement largely from their parents.

"Wrong Lesson"

Said the president, "Every time you water the lawn when there is an ordinance against it, they learn the wrong lesson about respect for law and order."

"Every time you write a note to the teacher," he continued, "to excuse Mary or Johnny's absence from school when they were not really sick, they learn the wrong lesson about respect for law and order."

He might have added that every time they read about a church leader who leads people in demonstrations that turn into riots they may learn the wrong lesson about respect for law and order.

Too many of the young people of our country have been learning, as LBJ put it, "the wrong lesson about respect for law and order."

When respect for law and order is the only lesson that is taught, that nation is headed for disaster.

Has time changed? This happened in our country? Or is there still time to change the trend in our country?

When a nation which was founded on trust in God ceases to follow Him, it is in for a long, low even voluntary prayer and Bible reading in public schools, what should that nation expect? The Bible tells us, "The Lord saith, 'Them that honor Me I will honor, and they that despise Me shall be lightly esteemed.'"

There are those who believe it is too late to change the trend in our country.

But nations are made up of individuals—and if every person who reads these lines would examine himself and determine to do the will of God without hesitation or equivocation from this time forward, there would be an upsurge of the power of righteousness in this area which might well lead to a significant change in the moral climate in which we live.

I challenge you to face the issue squarely. Are you living for God and righteousness?

How Long?

How long can a nation survive this continual runaway increase in crime?

Part of the increase in violent crimes, of course, is caused by the activities of a group of evil men who seem to be bent on to destroy our nation—and who are not being stopped.

Part of the difficulty lies in a general breakdown of respect for the law.

Absentee Ballots Available For Wet-Dry Vote

Absentee ballots were made available this week as the Highlands County elections office closed for the first time in 10 years for a local option election on the liquor question.

With the highly controversial election of October 17 only 30 days away, Supervisor of Elections Bud X. Drost had been starting news for the wet, the dry, as well as the neutral vote on Question No. 2 which determines (1) sales by the package and (2) sales by the package only.

The machines do not lock on a vote of dry against selling in Question No. 1. Voters must vote for or against selling in Question No. 1 before they can vote on Question No. 2.

The election can result in one of three things:

- Package stores and sales of beer and wine over the bar, which is the present status since 1964 will continue.
- The county will revert to being dry as it was for years before 1964.
- The county will permit sales over the bar of liquor, beer and wine and sales of liquor, beer and wine at package stores.

The ballot permits voters to vote on two questions and warns that "you must vote on question No. 1 before you will be able to vote on Question No. 2." No. 1 is to "decide whether the sale of intoxicating liquors, beer or wine shall be prohibited or permitted in Highlands County."

No. 2 is to "decide whether the sales of intoxicating liquors, beer or wine shall be restricted to sales made in quantities of not less than one-half of a pint, contained in sealed containers, for consumption off the premises where sold, such sales being described as sales by the package only."

No. 2 shall be effective and binding only in the event a majority of those voting at the polls shall cast their votes for selling intoxicating liquors, beer or wine on Question No. 1.

Highlands County days in 1968 fought the local option election right up to the Florida Supreme Court. Their appeal for an injunction to stop the election, filed by the Rev. H. H. Pappas, minister of Avon Park, and O. J. Marsh, of Sebring.

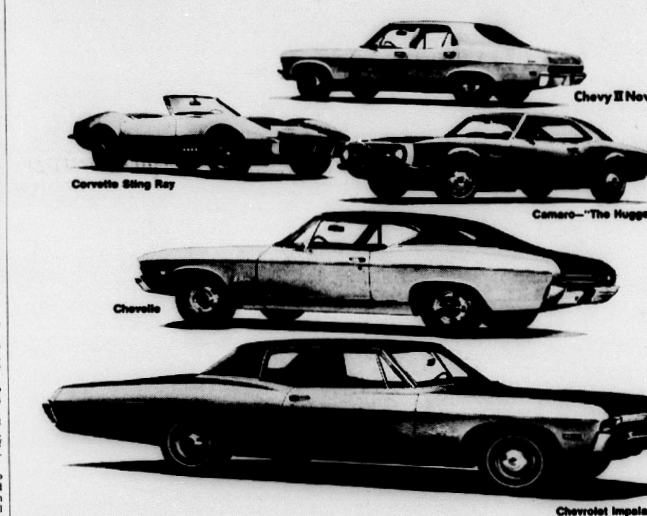

The 3rd went on to win an incomplete victory, which many felt may have been time if they won a victory at all.

The vote on August 13, 1968, was 2,126 for, 1,744 for, and 1,653 by the package and drink bars; 652.

Drost pointed out that the ballot, according to Florida law, was set up then as it is now, with those voting dry able to vote on "package and drink" and "package only." Apparently from the above figures, many did just that since a total of 2,126 voted wet and 2,365 voted on the "package and drink" or "package only" question.

Absentee ballots must be returned to Drost by 5 P.M. October 16.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

8 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE

Standard new engines are bigger—bigger than ever before. And there's a new 260-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION

There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvair and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly decorated and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

REP. JAMES A. HALEY

Cuban-Based Missiles Said To Be Aimed at Washington

WASHINGTON, D. C.—If new published reports are true, the 1962 missile confrontation which President Kennedy made in the Cuban crisis at least as far as Russia was concerned. Under the agreement made then, Russia was to withdraw her missiles on the island and we would not invade Cuba's domain.

We have not invaded Cuba, of course. But missiles apparently still are being shipped by Russia to its Communist base in the Western Hemisphere and according to syndicated columnist Ruth Montgomery, three giant missiles in Cuban silos are aimed at Washington.

Miss Montgomery, on the basis of information she said has been supplied her by congressional sources, reported that the three aimed at the three intermediate range ballistic missiles capable of hurling a nuclear warhead up to 1,500 miles. They are kept as ready as the Russian manned launch sites deep within the mountains of southwest Cuba—100 miles from Miami.

Miss Montgomery reports further that the missiles, called right center and left are targeted at the White House, the Pentagon and the Capitol. Some others, with even greater range have been planned and aimed at other strategic areas of the nation.

Moreover, the columnist says she has been told Soviet missiles are being regularly unloaded by

night from the bottoms of camouflaged ships. To escape detection by our spy planes and U-2 planes, they are moved through black-out cities and towns to launching missile complexes tunnelled into Cuba's mountains.

What Miss Montgomery reported she had learned is supported by apparently well-documented reports from numerous Cuban sources who have fled their homeland. The reports indicate that the El Rosario and Gobernador mountains have been carved systematically into a labyrinth of tunnels—some of them wide enough to provide a runway for Russian-made bombers and MIG's.

It is reported that several months before the 1962 missile crisis, the 2500 Russians who landed in Cuba went directly to the cave complex where our U-2's later spied on them. It is believed now that a number of medium-range missiles were secretly moved to Russia despite the Kennedy-Kremlin agreement.

It is true of course that the information originally demystified by the late President never transpired. It is unfortunate, of course, that this did not occur. Because if it did, we now appear to be looking down something much worse than the bar of a gun. And we are doing this from a point less than 100 miles from our shore while embroiled in a war thousands of miles from our homeland—a war

on which we are spending billions of dollars and killing and maiming tens of thousands of our men.

All this may make sense to the Pentagon and the State Department, which, as you might expect, blindly deny for public consumption that there is a missile threat in Cuba to the United States or the Western Hemisphere, but it certainly makes no sense to me nor, I suspect, to you.

Punt, Pass and Kick Contest Set For Monday, October 9

Boys ages 8 through 12 in the Avon Park area can begin registering for the seventh annual Punt, Pass & Kick Competition with trophies and prizes awarded. Football-minded youths for skills in punting, passing and place kicking. The contest will be held Monday, October 9, 8 p.m. at Memorial Field.

Headquarters for registration in Avon Park is Avon Park Motor Co., E. Main St. & North Verona Ave., where entries will be accepted from Sept. 1 through Oct. 6. Entries must be accompanied by a parent or guardian. There is no charge as the entire competition is absolutely free to all entrants and all equipment such as footballs and kicking tee is provided. No special contact is involved in PPAK competitions.

When they register, boys receive a free booklet of competition tips written by Green Bay's star punter, Bart Starr, the Baltimore Colts' punting specialist, Dave Lee, and Los Angeles Rams' placekicking leader for 1966, Bruce Gossett. The booklet includes exercises for better physical fitness, mental tips, history of PPAK's competition ages.

In addition to the booklet each registrant receives an attractive PPAK label. The basic principle of PPAK underlines fairness in competition to give every boy an equal chance to win, getting contestants only against those their own age. Points are awarded for each foot of distance the ball travels on the fly, extra points subtracted for each foot the ball lands to right or left of a center line. Eighteen handsome trophies will be awarded locally by Avon Park Motor Co. to the top competitors. Gold trophies go to first place finishers, silver to second and bronze to third, with first place winners going on for further competition in zone contests.

Winners of Zone competitions will receive trophies and runners-up are awarded certificates. Zone winners move to District competitions where 228 district champions will be awarded trophies and go on to compete for Area championships. Area champions travel to division events in NFL stadiums in San Francisco or Philadelphia where twelve finalists are chosen—six from the NFL Eastern division and six from the NFL Western division.

Lions Club Hold Regular Meeting

The Lions Club held their regular meeting Tuesday evening, Sept. 19 at their Club House.

Program was presented by the delegates to Boys State, Dean Lemley and Bill Knapp, and Nancy Mitchell of Girls State.

The members were reminded of approaching sale of Halloween Trick or Treat candy from the benefit of Lions' youth projects.

Next meeting will be held October 3.

The twelve division winners, with both parents, on a "Tour of Champions" to Washington, D.C. then to the Orange Bowl in Miami, Fla., for the National Finals during the annual NFL Play-Off Game.

The Punt, Pass and Kick competition is sponsored nationally by Ford Dealers and the National Football League.

Co-sponsors in Avon Park are Avon Park Motor Co. and Avon Park School.

Registrations continue thru October 6 at Avon Park Motor Co., E. Main St. & North Verona Ave. for all boys 8 through 12 years of age.

Legion Making Ditty Bags For Servicemen

It's just turned Fall, but already some Highlands County men are getting the Christmas spirit.

For now is the time to get Red Cross ditty bags made, filled and off to servicemen in Viet Nam. There are several projects going here.

Mrs. Mamie Arnold and fellow members of Highlands unit, American Legion Auxiliary, of Avon Park met Wednesday and sewed and filled 15 bright red ditty bags. They plan to do 50 more bags, which will be sent unfilled to the Red Cross overseas, which will pass them out to servicemen during the year.

W. Harold O'Neill, chairman of the Highlands County Chapter, American Red Cross, plans to have 25 more Christmas bags filled and sent. And the APO—wives of servicemen overseas—have been filling Christmas ditty bags addressed to Highlands County men in service in Viet Nam.

Mrs. Florence Peach, executive director of the Red Cross chapter here, says she appreciates contributions of items for the ditty bags—like a paperback book, a deck of cards, a comb, a bar of soap.

The Christmas ditty bags made and filled by Mrs. Arnold's group contained a soap box and soap, playing cards, an address book, nail clippers, comb, toothbrush holder, fountain pen, envelopes (self sealing) and writing paper. All were gift-wrapped in Christmas paper and sealed with pretty Christmas seals.

The ditty bags are denim, red or green for Christmas, 12x13 inches and closed with a draw string. Each bears inside it a label made for American Red Cross—not for sale.

The APOs are seeking the names and addresses of Highlands County servicemen so that bags can be sent them.

The bags—other than those to the Highlands County men, which are mailed direct—are sent to a central shipping point in the U.S. and then overseas to Viet Nam, where they will be distributed to servicemen on Christmas day.

Because of a shipping deadline, all ditty bags must be in chapter headquarters here by October 14.

Fallout Shelters Increase In County

Public fallout shelters available in Highlands County have increased by 500 percent, according to a statement Civil Defense Director James Lawson presented to Highlands County commissioners.

At the commission meeting on Tuesday, approval was given to a request that the Highlands County courthouse and the county jail be licensed as fallout shelters.

For some time the Placid Tower at Lake Placid was the only approved public shelter in the county, Lawson said. Other public shelters now licensed are the Jacaranda Hotel and city hall in Sebring.

Notices are posted at each shelter that they are approved as fallout shelters and each one is stocked with essential food and supplies, Lawson said.

Patriots Chapter, Highlands County, Daughters of the American Revolution reminds you that Sept. 17-23 is Constitution Week.

Hood's Names Richard To Head New Auburndale Branch

Donald G. Richard has been named manager of the new Auburndale branch of Hood's Dairy, it was announced by John Hood, company president.

The new branch, to be located at 523 Recker Highway, will serve Auburndale, Winter Haven, Lakeland, Bartow, Ft. Meade and adjacent areas.

Hood said the new facility was necessary to accommodate the company's rapid growth in that area. It will be staffed initially with a staff of 10 employees.

Richard, 34, formerly assistant manager of Hood's Avon Park branch, joined the

company in 1960 as a route salesman in Sebring. In 1964 he was moved up to route foreman in the Bradenton of

free and in 1966 assumed the post in Avon Park.

He makes his home with his wife, Joan, and three children at 2517 14th Court S.E., Winter Haven.

Constitution Week Is September 17-23

The President has again proclaimed Sept. 17-23 as Constitution Week. Because of George Washington and his valiant men, our American heritage was made secure. Our Nation should be grateful and thankful to our Revolutionary "freedom fighters" at Valley Forge. One of the main purposes of our Constitution is to preserve the proper balance between freedom and authority. Our generation has witnessed assault after assault on its Constitutional balance. J. Edgar Hoover has stated: "If we have the courage and the determination to face the future with the humility and the dedicated sacrifice of our Founding Fathers, then the Star-Spangled Banner shall continue to fly over this land of the free and the home of the brave."

This entire week, Sept. 17-23, is being observed by patriotic citizens everywhere as Constitution Week. On this 180th anniversary of the adoption of our unique Constitution, special attention should be given to the Constitution's sound provisions, high principles, and unsurpassed ideals. Our Constitution is not merely a Bill of Rights; it is a Bill of Obligations. It is a covenant binding citizens, as well as the Government to its support. Let us support it so that it may continue to protect us.

Constitution week affords us an opportunity to restate this, the greatest of all public documents, the Constitution of the United States, and to review the circumstances under which it was born. This American ideal is embodied in our Nation's integrity and honor. It is in our homes, where respect for the rights of others is taught by precept and example. It is part and parcel of our Bill of Rights and the Constitutional concepts which recognize that all men are free and equal, endowed by their Creator with the unalienable rights to life, liberty and the pursuit of happiness. This American ideal embodies the sum total of the wisdom, the religious faith, the courage, and the sacrifice of our Founding Fathers. Let us use the rights and liberties guaranteed us by the Constitution, in a way that will keep our Nation great, that will insure the future of the United States of America.
